## **Chapter 1131 - 1132**

### **Early-stage Grand Master, Dongshen Hanyu**

1131 Early-stage Grand Master, Dongshen Hanyu

After hearing this, Feng Yuncheng also smiled ambiguously. “I think Miss Lie Wenshan has a good personality, so she will most likely succeed.”

Beatrice didn't agree with Lie Wenshan's way of pursuit. She frowned as she said, “Before you love someone, you should love yourself first. If you pursue someone without any dignity, you will only be looked down on by the other party.”

Feng Yuncheng said, “But didn't I woo Your Highness back then like Lie Wenshan did?”

Beatrice was stunned. She realized that her words had hurt Feng Yuncheng's feelings, so she pursed her lips and stopped talking.

Seeing that the two of them were arguing again, Yin Rong smiled and said, “As long as one can obtain true love, who cares how embarrassing the process is?” At this moment, countless sweet scenes had already appeared in Yin Rong's mind. She decided that when she was free, she would start writing these two people's love story into a novel for herself to read.

While they were talking, Lie Wenshan's group of participants had already completed the test and left the stage.

Prime Master Chengwen shouted again, “Wang Chengan, Liu Xu, Lin Ruifang... Dongshen Hanyu!”

Upon hearing Dongshen Hanyu's name, the hundred thousand participants raised their heads at the same time and looked at the 20th Beast Testing Stone.

Donor's gaze was also locked in that direction.

A tall man flew from the team standing in the East God Palace's formation to the high platform and landed in front of the 20th Beast Testing Stone. Dongshen Hanyu didn't use the sharp needle in the disinfection cabinet. Instead, he bit his right index finger with his mouth.

Dark red blood beads emerged from his fingertips, but he didn't even frown. Dongshen Hanyu pressed his index finger on the Beast Testing Stone calmly, and a dark yellow

spiritual power light instantly lit up on the Beast Testing Stone. When the light dimmed, a Cloud Leopard covered in tiger stripes appeared on the Beast Testing Stone.

A few lines of words appeared beside the Cloud Leopard—

First-time participant Dongshen Hanyu, an early-stage Grand Master Beast Tamer and a disciple of the East God Palace.

Beast Form: Advanced Beast Form, Tiger Spot Cloud Leopard.

Identity Card Authority: Grade A.

Age: 38

Dongshen Hanyu stared at the introduction with a satisfied expression.

After all, there were probably only three young Beast Tamers in the entire Central Continent who could become a Grand Master by the age of 38.

After retracting his palm, Dongshen Hanyu nodded at Prime Master Chengwen before walking off the stage with an indifferent expression. Prime Master Chengwen gave Dongshen Hanyu a smile and watched as he left the stage. Only then did he read out the names of the third batch of candidates.

However, at this moment, no one paid attention to the next batch of participants. Everyone's focus was on Dongshen Hanyu.

Staring at Dongshen Hanyu, Yu Huang and the others remembered the previous discussions—

“He's already an intermediate-stage Grand Master at the age of 38. With his strength, he can probably enter the top 20 of the screening test.”

“He's the last disciple that the Prime Emperor Dongshen made an exception to accept. How can he not be talented?”

“Have you heard of him? When the Doomsday Battlefield opened four years ago, he successfully entered the Supreme Master Ranking. It's said that he was ranked 3056th. To be able to appear on the Doomsday Battlefield's Supreme Master Ranking means he's already one of the most outstanding young Beast Tamers in the three thousand worlds, not to mention that Dongshen Hanyu's ranking was so high.”

Another person pondered over it and said, “In just four years, Dongshen Hanyu successfully broke through to the Grand Master realm. His talent is indeed very terrifying. Did you notice that his beast form is a tiger-spotted Cloud Leopard? If he can find flying wings, his strength will definitely increase greatly.”

“I guess his target is Cang Lang Academy.”

“With his strength, Dongshen Hanyu can definitely enter Cang Lang Academy. I wonder if he will have the chance to enter the inner sect to study.”

“He’s definitely capable of entering the inner sect. He’s already a Grand Master at the age of 38. Even in Cang Lang Academy’s inner sect, how many students can reach such a cultivation level at such a young age?”

“...” Hearing these discussions surrounding, Donor felt heavyhearted and uncomfortable.

When the Doomsday Battlefield opened four years ago, Donor was among them.

At that time, he was already an early-stage Supreme Master Beast Tamer.

However, even until he was eliminated, he didn’t successfully enter the Supreme Master Ranking.

However, Dongshen Hanyu relied on his outstanding strength to enter the 3056th place on the Supreme Master Ranking.

The difference between the two of them was too great.

On the other hand, Dongshen Hanyu only used four years to successfully break through to the Grand Master realm.

A 38-year-old Grand Master!

Donor was about to turn 33 years old. If he was given another five years, could he become a Grand Master?

Donor doubted that.

At that moment, Donor suddenly sensed a burning and greedy gaze on him.

Donor subconsciously raised his head and looked towards that gaze, only to meet Dongshen Hanyu’s determined gaze.

Donor’s heart skipped a beat.

Dongshen Hanyu had really targeted his wings!

At the thought of this, Donor’s heart sank even more.

Yu Huang was also in a daze.

When Yu Huang found out that Dongshen Hanyu was only ranked 3056th on the Supreme Master Ranking but attracted the admiration of all the participants, she couldn't help but look up at the back of Sheng Xiao's head in a daze.

Four years ago, Sheng Xiao was already an early-stage Grand Master Beast Tamer. At that time, fifty thousand Beast Tamers from the Holy Spirit Continent participated in the Doomsday Battlefield.

Among the 50,000 people, Sheng Xiao was the only young Grand Master.

Sheng Xiao's opponents were the young Grand Master geniuses from the Great Worlds in the Doomsday Battlefield. It would be difficult for them to compete with those geniuses for a spot on the Grand Master Thousand Ranking List.

But Sheng Xiao did it.

Sheng Xiao fought to the death despite being outnumbered and entered the last place on the Grand Master Thousand Ranking List.

From their attitude towards Dongshen Hanyu, it could be seen that the Beast Tamers who could enter the Doomsday Battlefield's rankings were definitely geniuses in their respective worlds. Sheng Xiao, who could enter the Grand Master Thousand Ranking List, was a genius among geniuses.

If nothing unexpected happened, Sheng Xiao was qualified to be accepted into Cang Lang Academy and become an inner sect student.

Then, what about her?

Could she enter Cang Lang Academy?

Yu Huang was no longer sure.

She clenched her fists and thought to herself, 'I'm the only woman in the world who has the right to press Sheng Xiao underneath me. If Sheng Xiao enters the inner sect of Cang Lang Academy, I have to go too!'

She couldn't be inferior to her man.

Thinking of this, Yu Huang was filled with battle intent, and her eyes burned with motivation.

Although Sheng Xiao was standing in front of Yu Huang, his sharp senses allowed him to sense the change in Yu Huang's aura immediately.

If the previous Yu Huang was like a bowl of clear water, calm and gentle, then now, she was already like a vast sea with a domineering aura that could rival a storm.

Sheng Xiao was baffled. What made Yu Huang's state of mind change in an instant?

### 1132 The Anticipated Sheng Xiao

Sheng Xiao reached his hand behind his back silently and raised his palm. Then, he clasped his middle and ring fingers and curled his finger at Yu Huang.

Yu Huang understood what Sheng Xiao meant.

She smiled and held Sheng Xiao's hand without hesitation.

Sheng Xiao held Yu Huang's fingertip, but didn't turn around to look at her. He only asked softly, "What happened to you just now?"

Yu Huang was in a good mood when she heard that Sheng Xiao had noticed the change in her mentality. She leaned forward and whispered into Sheng Xiao's ear, "I'm thinking about you. I want to hold your hand forever."

Sheng Xiao was silent when he heard such corny words. Then, he held Yu Huang's hand even tighter.

When Feng Yuncheng saw the two of them holding hands secretly, he followed suit and extended his right hand towards Beatrice, who was standing behind him.

When Beatrice saw it, she asked him, "What?"

Feng Yuncheng was too embarrassed to say it out loud, so he followed Sheng Xiao's example and hooked his finger at Beatrice.

He felt that his actions were obvious enough.

Beatrice looked at Feng Yuncheng in confusion as she thought to herself, "What happened to his hand? Are his fingers cramping?"

After she observed carefully, she realized that Feng Yuncheng's fingers were not twitching, but that he was conveying some kind of request to her.

What did he want?

After some thought, Beatrice took out a pack of compressed biscuits from her interspatial ring and stuffed it into Feng Yuncheng's palm. She even said to him considerately, "Compressed dry food is not delicious, but it's better than starving. If you feel hungry, eat this to fill your stomach first."

Feng Yuncheng was speechless.

He retracted his hand and stared at the biscuits in his hand. For a moment, he was speechless.

Yin Rong stood in the line beside them. From her angle, she could see Sheng Xiao, Feng Yuncheng, and Beatrice's actions. She wanted to laugh when she saw that Feng Yuncheng wanted to imitate Sheng Xiao and ask Beatrice to hold hands but only received a bag of compressed biscuits from Beatrice.

However, when he thought about how Feng Yuncheng could flirt with Beatrice, but she couldn't even see Xiao Shu, she couldn't laugh anymore.

Damn!

The butt of the joke was actually herself.

Time passed quickly. Yu Huang and the others stood from dawn to dusk for an entire night.

After continuous tests that lasted for 24 hours, most of the participants had already completed the test. However, the test wasn't over yet, so they had to stand on the spot and wait obediently. After standing for an entire day, they were no longer in the mood to pay attention to the situation of the other participants.

Generally speaking, the cultivation levels of the Beast Tamers who signed up at the end generally were not high.

Therefore, they weren't interested.

Another group of participants got off the stage.

Prime Master Chengwen looked up at the participant list.

There were only 26 participants left on the list.

There were 20 names in the second to last row, and there were only six names in the last row.

As Prime Master Chengwen stared at the two words at the end of the second last row, the fatigue in his eyes suddenly disappeared and he became interested.

Sheng Xiao.

Prime Master Chengwen was more interested in Sheng Xiao than in Dongshen Hanyu.

From the beginning, he had been looking forward to seeing Sheng Xiao's test results. He wanted to see how outstanding the young man who Madam Brulee valued was.

But even when the test was almost over, he still didn't see Sheng Xiao's name.

He didn't expect Sheng Xiao and the others to be the last seven participants to register for the screening test.

Sheng Xiao's name was stuck in the second last batch, while Yu Huang and the others were the last batch.

The seven participants from the small world were up next.

Prime Master Chengwen took a sip of warm water and shouted in a low voice, "Yang Zhiyue, Lv Siyuan, Chen Ningjing..." After reading the names of the 19 participants, Prime Master Chengwen suddenly lowered his head and his lips curled up slightly as he shouted, "Sheng Xiao."

The hundred thousand participants below the stage didn't react at all when they heard Sheng Xiao's name. In their eyes, Sheng Xiao's name was ordinary and unfamiliar.

However, when they heard the words 'Sheng Xiao', the staff who had been quietly watching the testing in the dark stood up and looked at the stage curiously.

Sheng Xiao.

It was said that this person was a new ascendant who had slashed open the Divine Tiger Mountain two days ago but was protected by Madam Brulee at the risk of offending the War God Clan.

What was so special about him that made Madam Brulee take such a huge risk?

At the thought of this, the staff cast a speculative look at Madam Brulee, who was sitting on the sofa in front of them.

Madam Brulee didn't need to turn around to know that her colleagues were peeping at her. She smiled mysteriously and said, "Everyone, I know I'm very good-looking, but I'm already a married woman. Why are you looking at me? You should look at handsome men instead!"

Everyone was speechless.

Alright, they would look at handsome men.

After everyone was called, they had to appear on the high platform within three seconds. Therefore, Sheng Xiao, who was standing at the edge of the team, teleported and appeared in front of the 20th Beast Testing Stone in a hurry.

The other 19 participants had all jumped up.

Sheng Xiao's unique entrance made him the center of attention.

Dongshen Hanyu, who had lost his patience and interest in the testing, straightened his back and widened his eyes when he saw Sheng Xiao appear on the stage.

Teleportation...

This young man was also a Grand Master!

At that moment, the listless participants noticed Sheng Xiao.

"Look! This participant called Sheng Xiao can teleport. Could he be a Grand Master too?"

"Damn, no way. Another Grand Master expert came?"

The participants looked at Sheng Xiao and Dongshen Hanyu. They were very curious about who was younger.

"Watch carefully. He's about to start the test."

Hearing this, everyone fell silent and curiously watched the mysterious young man on the stage who had his back facing them.

The young man was very tall. He was 1.9 meters tall.

He was wearing a black leather jacket and pants of the same color. He had broad shoulders, a narrow waist, and a perky butt. His figure was perfect and he had short navy black hair. His hairstyle was natural and casual.

Her hair was very short, revealing his fair neck.

How should one put it? That person's neck was so beautiful that some girls couldn't help but fantasize about biting his neck or leaving some other mark.
