

She Shocks 341

Chapter 341: Sheng Xiao with a Broken Soul

Her mother-in-law's original form was a python. No matter how delicious snake meat was, Yu Huang didn't dare to taste it.

She missed the delicious taste of snake meat. Then, she pretended to be aloof as she waved at Kong Qing. She said, "Kong Qing, eat it yourself. We'll eat rabbits with Mentor."

However, Kong Qing said, "This is very delicious. Let's all eat it together."

"You might not know, but Mentor doesn't like to eat scaleless creatures. He gets goosebumps when he sees scaleless creatures. It's better if you eat them yourself."

After knowing that Lin Jiansheng didn't eat scaleless creatures, Kong Qing was instantly convinced. "Alright, I'll eat it myself." With that said, Kong Qing suddenly disappeared from the spot and turned into a black mist.

The moment he turned into mist, the entire Broken Cliff's light became pitch-black. At the same time, the demon beasts and monsters, afraid that their actions would attract the attention of this force, in the cliff world were motionless.

Yu Huang and Sheng Xiao stood in the black fog. They couldn't even see their own fingers. They stared at the endless darkness in silence and were shocked.

Was this the real body of a super demon?

In the darkness, Kong Qing opened his mouth and swallowed the level 6 Magic Snake. Then, Yu Huang and Sheng Xiao heard the sound of something being torn apart.

In the darkness, drops of wet liquid fell from the sky like rain.

Yu Huang reached out and caught a drop of liquid. She rubbed it with her finger. The liquid was thicker than rainwater and was more like blood. The chewing sound became louder, as if it was close.

The snake didn't seem to be completely dead yet. It was struggling on the verge of death. Its tail would occasionally hit a large tree and emit a heavy slapping sound.

Yu Huang was shocked. Sheng Xiao's expression was weird too.

After about ten minutes, the surroundings returned to normal. Yu Huang heard a burp. Then, the thick fog surrounding her started to fade.

Finally, the black fog disappeared completely and Kong Qing appeared in front of them again. He touched his round stomach and looked up at them with an innocent smile. He said, "It's delicious."

Yu Huang stared at the blood on the ground and didn't speak.

The worm snake was so huge that the blood in its body naturally far exceeded that of other creatures. It was swallowed alive, and as it struggled, the blood fell to the ground.

Yu Huang's shoes and clothes were covered in blood. So was Sheng Xiao's.

The cleanest person there was actually Kong Qing.

Kong Qing realized that Sheng Xiao and Yu Huang's clothes and hair were dirty. He was a little embarrassed. "You're covered in blood. Let me take you guys to bath."

There was a trench in the Broken Cliff, but because the resentment aura was too strong, a type of fish called 'hatred' grew in the trench. Because this kind of fish was rarely known, it looked a little slovenly, and its face was very scary.

Kong Qing led them to the ditch. As they walked, he said, "The kind of fish called 'hatred' is especially ugly. They have extra teeth and eyes on the tentacles above their heads. They cry when it gets dark."

After a pause, Kong Qing said, "The meat is very dry and not delicious."

His criteria for everything was whether it was delicious.

Sheng Xiao followed behind Kong Qing with the Dragon Sword in his arms. When he heard Kong Qing's evaluation of the fish, he couldn't help but ask, "Is your father delicious?"

Kong Qing immediately smiled and said, "My father's soul is as clean and clear as snow. His body smells like new snow, so he must be delicious..."

At the thought of Lin Jiansheng, Kong Qing almost drooled.

When Yu Huang heard Kong Qing's words, she couldn't help but feel shocked. "Do you want to eat him?"

Kong Qing nodded vigorously. "I do. At first, I noticed Dad because I was attracted to his sweet and alluring scent."

Yu Huang silently broke out in a cold sweat.

"However..." Kong Qing suddenly turned around and said to Yu Huang, "I won't eat Daddy. I have to protect Daddy..." Yu Huang was about to feel relieved when she heard Kong Qing say, "I'll eat him when his lifespan comes to an end."

Yu Huang's expression instantly turned awkward.

Yu Huang had spent quite some time with Kong Qing and would subconsciously forget that Kong Qing was a super demon. Sheng Xiao wasn't close to Kong Qing, so he treated Kong Qing as a super demon.

Sheng Xiao wasn't surprised to hear this answer. He lowered his head and said to Yu Huang, "Super demons become stronger by eating. This is their nature."

Even if Kong Qing was kind-hearted, he was still a demon.

Yu Huang nodded and didn't say anything.

Sheng Xiao was more interested in what Kong Qing was saying. He asked, "Kong Qing, your father's soul is as clean as snow and it smells like new snow, but what about my soul?"

Kong Qing secretly glanced at Sheng Xiao. "I can't see through your soul, but you're missing a piece of it."

Sheng Xiao was stunned.

Yu Huang was also somewhat surprised.

“One piece is missing?” Yu Huang didn’t have the ability to see the soul through the human body. She didn’t know that Sheng Xiao’s soul was missing a piece. She frowned and asked Kong Qing, “People will become mentally retarded when they lack a piece of their soul. Do you think he looks mentally retarded?”

Kong Qing stared at Sheng Xiao in confusion for a long time before saying, “But he is indeed missing a piece of his soul.”

Yu Huang was about to retort when she heard Sheng Xiao say, “I do lack a piece of my soul.”

1

Yu Huang said, “Huh?”

Kong Qing had already led them to the river. He squatted by the river and said, “Take a bath. I’ll guard you. I guarantee that those ugly fish won’t dare to come.”

“Okay.”

Yu Huang was about to take off her clothes when Sheng Xiao suddenly created an invisible wall around her.

Kong Qing saw that Yu Huang had suddenly disappeared, but ripples appeared in the water. His eyes lit up as he asked Sheng Xiao, “What spell is this?”

“Invisibility Spell.”

Kong Qing clapped his hands. “Impressive. I want to learn it too.”

Sheng Xiao said, “No, I won’t teach you.”

He took off his clothes and jumped into the river. The moment he entered the river, he realized that the water here was ridiculously cold. It could be described as bone-chilling.

He was afraid of the cold, so he quickly took a bath and went ashore.

Yu Huang had not taken a bath in a long time, so she took a little longer.

After bathing, Yu Huang changed into a sports suit and came to the shore with a towel wrapped around her wet hair. Sheng Xiao walked over and untied the towel for Yu Huang. He used his spiritual energy to dry her wet hair.

As he dried her hair, he said to Yu Huang, “When I was young, my body was very weak. Because my soul was unstable, I often fell into a coma. Later, my father got someone to customize a medicine that could nourish my soul. I kept drinking it every day for five to six years before my soul slowly stabilized.”

Hearing that, Yu Huang immediately thought of the beverage that Sheng Xiao had given her before. “Is it that beverage you gave me before?”

“Yes. It’s actually a medicine that nourishes the soul. There are many natural treasures added in it.”

“No wonder.” Yu Huang asked again, “Didn’t they say that people will become stupid when their souls are missing? But I think your IQ is very normal.”

Chapter 342: Regaining His Memory

Sheng Xiao smiled helplessly. He said, “Only people with too many pieces of their soul missing are stupid. I don’t have a lot of pieces missing. It’s not serious.”

“Why did you lose a portion of your soul? Were you injured when you were young?”

Sheng Xiao shook his head. “I was born like this.”

Yu Huang was even more puzzled when she heard this. Why would someone be born with an incomplete soul?

“Alright!” Kong Qing suddenly clapped his hands and said, “I smell an aroma. The rabbit that Daddy roasted is cooked. Hurry up and go back!” Kong Qing, who had just swallowed an entire dragon snake, was still thinking about Lin Jiansheng’s spicy rabbit.

The three of them returned to the cave. As expected, Lin Jiansheng had already prepared the dish.

The pot of spicy rabbit was stored in an iron pot and placed on a temporary bonfire. The four of them sat around the bonfire and ate the rabbit, as if they were eating hotpot.

When they were eating hotpot, Yu Huang complained to Lin Jiansheng, “Mentor, Kong Qing said that your flesh is sweet and delicious. After you die, he will eat you.”

Kong Qing didn’t think that there was anything wrong with his idea, nor did he think that it was immoral. He even nodded and patted his chest to promise, “Don’t worry, Daddy. I won’t waste anything.”

Lin Jiansheng was speechless. He felt that all the bones in his body were hurting.

After eating the spicy rabbit, Yu Huang had to cultivate.

Sheng Xiao wanted to follow her, but Yu Huang rejected him. “You can’t go. You’ll distract me.”

Sheng Xiao raised his eyebrows and obediently stayed in the cave.

After Yu Huang left, Lin Jiansheng threw all the dishes into the pot and said to Sheng Xiao, “There’s a jar with water inside. Go wash the dishes.”

Sheng Xiao stared at the greasy bowl and chopsticks. In the end, he could only roll up his sleeves and wash the dishes without complaints. After he finished washing the dishes, he carried the pot back to the cave. He heard Lin Jiansheng say, “Come over. I’ll try to repair your memory.”

Sheng Xiao was overjoyed. “Mentor, you know how to restore memories?”

Lin Jiansheng said, “No, but I’ll try.”

Sheng Xiao felt resistant. He said hesitantly, “Mentor, will I become mentally retarded if the repair is unsuccessful?”

Lin Jiansheng said, "Don't worry, I'm more afraid of you becoming mentally retarded than you are. If you become mentally retarded, my disciple will suffer for the rest of her life."

Sheng Xiao was relieved.

"Go over and lie down."

Sheng Xiao laid beside Kong Qing's mother.

When Kong Qing's mother was alive, she had only slept with one man. After she died, she had "slept" with old men and young men.

Sheng Xiao stared at the skeleton for a moment before closing his eyes.

Lin Jiansheng walked to the stone bed and said, "If you lose your memories, it's permanent. You can't forcefully repair them through other means. However, the structure of a person's brain is magical. Memory is like wisdom. It will continue to grow."

"What I want to do isn't to repair your memory, but to stimulate your memory potential and let you dig out that missing memory yourself. How much you can remember depends on your potential."

"I understand."

Lin Jiansheng transferred some gentle and pure psychic power into Sheng Xiao's mind and searched through his mind. He didn't find Sheng Xiao's memory, but he found a dark golden particle in Sheng Xiao's mind.

1

Although the granule was small, it emitted an incomparably powerful energy.

Lin Jiansheng had never seen such a thing before.

What was this?

Lin Jiansheng calmed down and continued to search. Then, he found Sheng Xiao's memory.

The memory was like an electric net buried under the city. At first glance, it was chaotic and irregular. If one looked carefully, they would discover that every wire had a beginning and an end.

There was one red line that was slightly dim in the middle.

It was the memory that Sheng Xiao had lost.

Lin Jiansheng summoned his psychic power to approach Sheng Xiao's memory. He used his gentle psychic power to stimulate the dim memory line.

As Lin Jiansheng moved, Sheng Xiao gradually relaxed.

He felt like he was floating in the clouds, but also like he was soaking in a hot spring. Some familiar and unfamiliar scenes silently appeared in his mind.

His memories from four years ago were slowly recovered.

...

“Recently, several young Beast Tamers have been assassinated in our country. Last night, another young female Beast Tamer was assassinated in Prosperous Capital.”

“Xiao’er, you’re not young anymore. It’s time to start taking over my work. There aren’t many things happening in the Divine Realm Academy recently. Take a leave from the academy and help me go to the Prosperous Capital to investigate the truth behind that girl’s death.”

Sheng Lingfeng stood in the office of the Beast Tamer Alliance in Jingdu and said to Sheng Xiao.

It was Sheng Xiao’s first time hearing about this. He was surprised. He asked in confusion, “Father, who killed her? Do you have anyone you suspect?”

“This matter is very complicated. We can’t find out the truth that quickly. Go to the Prosperous Capital first and investigate the death of that girl.”

“Okay, Father.”

It was July, and it was raining in Prosperous Capital. The temperature felt even hotter and humid.

The black shirt clung to Sheng Xiao’s body. The hot and humid weather made him feel troubled.

He walked into the hospital and was supposed to go straight to the morgue in the basement. As he crossed the courtyard, his mind suddenly ached, as if something else was guiding him down another path.

Sheng Xiao stared at the floor tiles under his feet and pondered for a moment. Then, he turned a corner and walked toward the opposite corridor.

The weather was very unpredictable in July. It was still raining lightly a second ago, but in the blink of an eye, the setting sun shone through the clouds and onto the ground.

The drizzle mixed with the sunlight. A rainbow suddenly appeared in the hospital’s garden. Sheng Xiao saw the tail of the rainbow. He walked out from the corner and finally saw the entire rainbow.

The red moon in the garden was blooming beautifully. There were drops of water on the petals. The rainbow was in the middle of the garden and it formed an arched bridge.

This should have been a beautiful painting, but someone had ruined the scenery here—

“Yu Huang, forget about our engagement.”

Sheng Xiao thought to himself, ‘Where did this idiot come from? He broke off the engagement at this time?!’

The scenery here was picturesque. Compared to breaking off an engagement, it was more suitable for a fateful first encounter or reunion.

At that time, Sheng Xiao didn’t know that the girl he met on this rainy day would become the girl he loved forever.

Sheng Xiao looked at the person who spoke. He saw a man in a light gray shirt standing at the bottom of the corridor. He was breaking off the engagement with a woman standing in the garden path with an umbrella.

The man was tall and handsome. His side profile was chiseled, and he looked outstanding.

The woman standing opposite him was wearing a hospital uniform. Her exquisite figure could be vaguely seen under the wide hospital uniform.

She had a good figure.

Sheng Xiao saw the girl's face clearly.

It was supposed to be a beautiful face, but because of the burn, the right side of her face was covered in ugly burn scars.

She was disfigured.

Sheng Xiao felt that it was a pity. If such a girl wasn't disfigured, she would definitely become a peerless beauty after she grew up.

If someone broke off an engagement here, no matter how beautiful the scenery was, it would lose its romantic vibe.

Sheng Xiao was about to leave when he suddenly heard the girl say, "Xuanyuan Jing, when you pursued me back then, the entire city knew about it. At that time, you were very patient. Now, you just want to forget it?"

"It seems like Young Master Xuanyuan's love is really worthless."

Sheng Xiao wanted to leave but was stopped by the name 'Xuanyuan Jing'.

Xuanyuan Jing?

Wasn't that the Xuanyuan family's third young master?

Wasn't Yu Huang the fiancée of the Xuanyuan family's third young master?

Sheng Xiao felt that Yu Huang's name was familiar. Wasn't Yu Huang an actress his mother had been a fan of for many years?

Tsk.

Sheng Xiao decided to stay and watch. If his mother knew that her idol had been dumped by the third young master of the Xuanyuan family, she would be furious.

Sheng Xiao stood quietly at the corner and watched as the two of them made a bet, like children.

However, he didn't expect that after the bet, the girl would walk towards him and even take the initiative to borrow a pen from him.

A pen?

When he was outside, Sheng Xiao only had one pen with him.

But this pen was in sync with the Divine Realm Academy's disciplinary hall. Any words written with this pen would be engraved on the wall of the disciplinary hall.

Sheng Xiao hesitated for a moment before lending the pen to Yu Huang.

He wanted Xuanyuan Jing's name to appear in the Disciplinary Hall and stay there for a few years to help his mother, who was Yu Huang's fan, relieve her hatred.

But Sheng Xiao didn't expect that the little girl called Yu Huang would sacrifice so much for the sake of the bet.

Chapter 343: Let's Go Back and Get Married!

Sheng Xiao thought that he wouldn't meet Yu Huang again and didn't take her to heart. However, they met again at the Imperial Cuisine Restaurant.

Facing those who humiliated and slandered her, the little girl said firmly—

"I met Xuanyuan Jing when I was 15 years old. Before I met him, I was already the youngest movie queen in the Divine Moon Empire. What has the trophy, honor, recognition, and praise I received got to do with Xuanyuan Jing?! Even though my looks are ruined and I don't have Xuanyuan Jing's protection, how can trash like you who only knows how to curry favor with others humiliate me?"

As Sheng Xiao stood outside the door and listened, he agreed with her. He thought, 'That's right, you deserve better. A shallow fool like Xuanyuan Jing isn't worth it.'

The second time they met, Yu Huang left a deep impression on Sheng Xiao.

Then, they met for the third time.

That day, Sheng Xiao was informed by the school to go to the Purifying Spirit Master branch in the Prosperous Capital to supervise the Beast Tamer Awakening Ceremony that year. He met Yu Huang again during the ceremony.

That day, she firmly supported her friend with her compassion and impulsiveness. She said—

"Were you asking what was so great about Anna Tao?"

"The trash you spoke of successfully overcame the fear in her heart and awakened her beast form. As for you, you were so frightened by the fear in your heart that you could only kneel on the ground and beg for forgiveness."

"Just based on that fact, when you see her in the future, you have to lower your head and respectfully call her a Scholar!"

"Just based on the fact that her name can be recorded in the Divine Moon Empire's Beast Tamer Register system in the future, while your name will forever be a shame to Shengdu High School!"

"Is this enough?"

Sheng Xiao didn't know if it was enough, but it was enough for Yu Huang to leave a deep impression on him.

It wasn't that he had never met a smart, brave, and proud girl, but no girl he met was as stubborn and proud as Yu Huang.

She was disfigured, but she exuded an unparalleled sense of charm. She was like a shining body that constantly attracted Sheng Xiao's attention.

More and more memories were subconsciously recalled by Sheng Xiao. As his memories were recovered, Yu Huang's image became more vivid.

Sheng Xiao felt warmth in his heart when he looked at Yu Huang.

The memory extended from four years ago to the trip to the Central Pagoda months ago.

Sheng Xiao's memories started to come back intermittently. When he recalled breaking into the Central Pagoda with Prince Donor and the others, his vision suddenly darkened.

It was as if an invisible hand had suddenly slashed down from the sky and forcefully cut off Sheng Xiao's actions.

Sheng Xiao suddenly opened his eyes and grabbed Lin Jiansheng's hand. He shouted in horror, "It's all fake!"

Lin Jiansheng felt as if his bones were about to be broken by Sheng Xiao when Sheng Xiao grabbed his wrist. He frowned and reminded Sheng Xiao, "Let go. I can't withstand your strength."

Sheng Xiao quickly let go of Lin Jiansheng's wrist. He said, "I'm sorry, Mentor. Did I break your wrist?"

"Do you really think I'm a fragile young lady? Do you think my bones will break with a slight twist?" Lin Jiansheng saw that Sheng Xiao's eyes were wandering. He asked, "Do you remember now?"

Sheng Xiao rubbed his face with his palm and sat up on the stone bed.

He said, "I remember almost everything, but I can't remember what happened after I entered the Central Pagoda." Sheng Xiao frowned and felt irritated. "I feel that there is a force preventing me from touching that memory."

Upon hearing this, Lin Jiansheng said, "If that's the case, I'm afraid you won't be able to retrieve this memory for the time being."

Sheng Xiao quickly said, "The dean said before that if I break through to the Grand Master level, I might be able to retrieve that memory. Can't I?"

"A Grand Master Beast Tamer can rely on their own strength to stimulate their memory potential. That's why the dean said that there's a high chance of you recovering your memory. However, the principle of using your memory potential to recover your memory is the same as what I did just now. Therefore, even if you break through to the Grand Master level, I'm afraid you won't be able to recover that particular memory."

"Something must have happened in the Central Pagoda." Sheng Xiao clenched his fists and said, "My memories are getting more and more blurry. I can feel that I'm subconsciously resisting what happened in the Central Pagoda. Mentor, what happened in the Central Pagoda must be very important."

"I can't help you in such a situation." Lin Jiansheng patted Sheng Xiao's shoulder and said, "Perhaps, when the opportunity comes, you will remember everything."

Sheng Xiao's expression was still ugly.

This feeling of knowing that he had forgotten something important but unable to recall it was terrible.

...

Yu Huang went out to train for five days.

For five days, Sheng Xiao didn't see Yu Huang. He felt lonely, so he sat in the cave and meditated.

When Sheng Xiao woke up, he found Lin Jiansheng looking at him strangely. Sheng Xiao touched his face. He didn't feel anything strange. He asked Lin Jiansheng, "Mentor, why are you looking at me like that?"

Lin Jiansheng said, "I saw a golden particle in your mind. What is that? I've never seen it in the minds of others."

"There's such a thing?" Sheng Xiao was shocked. He thought for a while and said, "It can't be... a tumor, right?"

Lin Jiansheng sneered. "Have you seen a tumor that looks golden?"

Sheng Xiao stopped talking.

Lin Jiansheng said, "These days, I've searched through all the books in my library, but I didn't find anything like yours. This won't do, I have to investigate clearly."

Lin Jiansheng was a man of action. When he encountered something that he didn't understand, he had to investigate it thoroughly. If he couldn't find out, he wouldn't be able to eat or sleep in peace.

"Kong Qing, let's go. Pack your things and leave with me!"

Kong Qing immediately packed his mother's skeleton and some trinkets into Lin Jiansheng's interspatial ring. Lin Jiansheng held Kong Qing in his arms and brought him out of Broken Cliff.

Sheng Xiao was speechless.

In a few minutes, he was alone in the cave.

Sheng Xiao got up and walked out. He searched for two days in the Broken Cliff before he found Yu Huang, who was focused on purifying spirits.

He sighed and sat down on a nearby tree to meditate.

After about half a month, Sheng Xiao was suddenly alarmed by a majestic energy. He opened his eyes and saw a fiery red psychic power spreading out from Yu Huang's body.

The psychic power was huge. When it spread out, it covered the entire Broken Cliff. Sheng Xiao was shocked. He asked happily, "You're at Level 4?"

The psychic power slowly returned to Yu Huang. When it was completely in place, Yu Huang opened her eyes. "Yes, I'm at the fourth level."

At this moment, there were only eight days left until their wedding.

Yu Huang stood up and stretched her body. She looked up at Sheng Xiao and said, "Let's go back and get married!"

Chapter 344: Write an Invitation to the Love Rival

It had been four months since Yu Huang came to Broken Cliff.

There was no spring or autumn in the Broken Cliff, only winter and summer. Yu Huang spent the entire winter in the Broken Cliff. After leaving the Broken Cliff, Yu Huang realized that the flowers were blooming outside. It was spring.

The wedding was originally scheduled for the end of the year. Because the bride and groom needed to go out to train, they had no choice but to postpone it for a few months until April.

The weather was mild this season, so it was more suitable for holding a wedding than in winter.

The two of them left Broken Cliff on their swords and arrived at the capital airport of Cangyuan Empire. With their Beast Tamer ID cards, they received two business class plane tickets.

Before boarding the plane, Sheng Xiao went to the bookstore at the airport to buy something. Yu Huang thought that he felt that the flight time was too boring and wanted to buy a book to pass the time.

However, after boarding the plane, she realized that Sheng Xiao had bought two fountain pens. This fountain pen contained ink.

Sheng Xiao opened the fountain pen and wrote a few words on a piece of scrap paper. After confirming that the fountain pen wrote smoothly, he took out a few wedding invitations from his interspatial ring.

Seeing this, Yu Huang was a little surprised. "Isn't your mom preparing the wedding invitation? Why do you have them here?"

Sheng Xiao told her, "I took a few and plan to invite my good friends personally."

"Such as?"

"For example, Donor, Beatrice, and..." Sheng Xiao suddenly smiled coldly. "Xuanyuan Jing."

Yu Huang was speechless.

Sheng Xiao asked Yu Huang, "Do you have any friends you want to invite?"

"I do."

Sheng Xiao handed her another pen and said, "I prepared some for you too. How many invitations do you want?"

Yu Huang thought about it carefully and said, "One for Anna, one for Na Luo, one for the class monitor, one for the school belle in high school, and one for the homeroom teacher, Teacher Li. However, the class monitor and the school belle are a pair. One invitation for them will do."

Nodding, Sheng Xiao asked, "Do you have friends in the entertainment industry?"

Yu Huang immediately thought of her fake friend in the entertainment industry, Su Qianqian. "Forget about the friends in the entertainment industry. If you really want to invite them, there are too many seniors who have helped me before."

The original owner of the body, Yu Huang, had been in the entertainment industry for more than ten years. Countless elders and seniors had helped her before, so she couldn't invite all of them.

Furthermore, most of the guests who came to attend their wedding were Beast Tamers. If commoners and Beast Tamers sat together, it would probably cause some people to be unhappy.

However, Sheng Xiao said, "You can choose not to invite others, but you must invite Ms. Zhong."

Ms. Zhong was the dean of the Divine Moon Empire's National Drama Academy and also the acting teacher of the original owner, Yu Huang. "Ms. Zhong is your teacher. If you don't invite her, you will have the reputation of being ungrateful. Besides, if you only invite her alone, no one in the industry will have any objections. After all, she was your teacher."

"I might as well do so."

The two of them focused on writing the wedding invitations. Yu Huang quickly finished writing the invitations.

At this moment, Sheng Xiao pushed the invitation in his hand to Yu Huang's elbow and said, "Sign your name here."

Yu Huang was writing her own invitation. Without looking up, she said, "Can't I just sign your name?"

Sheng Xiao said, "This is for Xuanyuan Jing."

Only then did Yu Huang stop what she was doing and pick up the invitation beside her elbow. She looked at it and saw that it said—

Today, the knot was tied, and we are a perfect match.

May we grow old together someday.

Mr. Sheng Xiao and Miss Yu Huang will hold a wedding banquet on April 5, XX year. The banquet will be held in Yufu City. I sincerely invite Mr. Xuanyuan Jing to the banquet and share the good times with us.

We welcome you to attend.

Sheng Xiao.

This invitation letter didn't have many words, but it was full of bragging.

Yu Huang shook her head. She held her fountain pen and asked Sheng Xiao, "Where should I sign my name?"

Sheng Xiao leaned against Yu Huang. His right hand covered Yu Huang's right hand that was holding the pen. He brought her hand and placed the pen behind his name.

"Behind my name, of course." Then, Sheng Xiao wrote Yu Huang's name down.

After writing, Sheng Xiao let go of Yu Huang's hand. He took the invitation and blew on it gently. He thought about how Xuanyuan Jing would feel when he received the invitation and was looking forward to it.

After flying for three and a half hours, the plane finally landed at the airport of the Divine Moon Empire's capital.

The car sent by the Sheng family was already waiting outside the airport. Sheng Xiao and Yu Huang got into the car and handed all the invitations to the assistant sitting in the front passenger seat.

"Send all the invitations to the guests as soon as possible."

"Understood, Young Master."

According to the rules of the Divine Moon Empire, with their marriage imminent, Yu Huang couldn't live in Yufu City. However, she had previously given Yu Donghai a sum of money and made him buy a house in the capital. Now, they also had a home in the capital.

Yu Huang told the driver, "Go to the Golden Orchid Pavilion."

Sheng Xiao immediately looked at her and asked, "Why are we going there?"

"I can't stay at your house until the big wedding."

Sheng Xiao frowned. "Although you can't stay in Yufu City, you can stay in my house with me." Sheng Xiao had his own place in Jingdu.

It wasn't easy for him to be with Yu Huang. Sheng Xiao didn't want to live separately from her.

Yu Huang was about to reject him when Sheng Xiao said, "Our wedding gowns are at my house. If you want to try them on, won't it be troublesome to run back and forth?"

"Besides, there are still many details that we have to verify before the wedding. It's much more convenient to stay together."

"... That works too. But let's go back to the Golden Orchid Pavilion first. My father made dinner and is waiting for me to go back."

Sheng Xiao said immediately, "Bring me along."

"Of course I'll bring you along."

The Golden Orchid Pavilion was a high-end estate in Jingdu. Yu Donghai bought a three-bedroom apartment with an area of more than 100 square meters. Knowing that Yu Huang was coming back today, Yu Donghai took leave from the army in advance to prepare dinner at home.

It had been more than half a year since he last saw Yu Huang, and Yu Donghai missed her very much. It wasn't easy for his daughter to return, and Yu Donghai had used all his ultimate techniques on this meal.

On the table, there were more than ten delicious dishes. He was just waiting for Yu Huang to return before the feast started.

Just as the last dish was served, Yu Donghai received a call from Yu Huang. When he found out that Sheng Xiao would come back with her for dinner, Yu Donghai immediately felt that he wasn't dressed appropriately.

He quickly ran back to his room to take a shower and changed into a clean ironed shirt and suit pants.

Yu Donghai's body was becoming more and more robust. The current him looked like a completely different person from when he had just reunited with Yu Huang three years ago.

He looked handsome in his shirt and pants.

After changing his clothes, Yu Donghai cut another plate of fruits, then rearranged the pillow on the sofa.

Finally, the doorbell rang.

Ding dong!

Yu Donghai shouted loudly, "They're here!"

He ran to open the door excitedly. The moment he opened the door, he saw Lin Jiansheng carrying a little doll. The smile on his face instantly dimmed. "Why is it you..."

Chapter 345: Are You Envious? Feeling Humble?

Yu Donghai's words came out of nowhere, and the disappointment and disdain on his face were even more obvious. It instantly made Lin Jiansheng unhappy. "What's wrong? Are you waiting for a lover? Seeing that it's me, are you unhappy?"

"What lover?"

Yu Donghai opened the door. "Come in."

Lin Jiansheng carried Kong Qing and stood in the room. He stared at the pile of delicious food on the dining table and guessed something. He said, "Ah Huang will come back today? It seems like we came at the right time. There's good food."

Yu Donghai's cooking skills were extremely good. When Yu Donghai was young, he was Yin Mingjue's slave. In order to take good care of Yin Mingjue, he specially learned how to cook from a chef.

Yu Donghai laughed again. "That's right. Ah Huang and the young master of the Sheng family will come over for dinner later. Why are you suddenly here? Whose child is this..."

As he spoke, Yu Donghai moved his gaze to Kong Qing's face.

When he saw Kong Qing's small face that looked extremely similar to Lin Jiansheng's, Yu Donghai's mouth widened in shock. "You, you..."

He looked at Lin Jiansheng's face and then at Kong Qing's face. Then, he gasped and exclaimed, "Good fellow, you actually had a child!"

Lin Jiansheng asked subconsciously, "What makes you think that?"

Yu Donghai analyzed objectively and logically, "You're so stingy. Which woman is willing to have a child with you?" He stared at Kong Qing's face and asked curiously, "You haven't answered my question."

Lin Jiansheng told him what he told Xuan Ye at Broken Cliff.

Upon hearing this, Yu Donghai immediately spat. "Bullsh*t. You even have an affair?" Yu Donghai clearly didn't believe Lin Jiansheng's explanation. "Tell me honestly, where did this child come from?"

Lin Jiansheng knew that he couldn't fool him anymore, so he told Yu Donghai about Kong Qing's origins.

After knowing the truth of Kong Qing's identity, Yu Donghai looked at Kong Qing with some fear.

Kong Qing seemed to have noticed Yu Donghai's fear towards him. He smiled sweetly at Yu Donghai and called out, "Uncle."

Yu Donghai was stunned, then slowly replied, "Yes."

Kong Qing rubbed his stomach and said, "Uncle, I'm a little hungry. I want to eat melons. Do you have any?" Kong Qing saw the melons on the table and asked deliberately.

After leaving Broken Cliff, Kong Qing realized how exciting the world outside was. There were many sweets, sweet fruits, and women with exposed bellies and thighs.

However, compared to beautiful women, Kong Qing preferred sweet fruits.

"Hey, there is. I'll bring it for you!" Upon discovering that Kong Qing was like an ordinary child, and would also be hungry and would also want to eat fruits, Yu Donghai's resistance towards Kong Qing instantly vanished.

Yu Donghai turned around to get some fruits.

Kong Qing hugged Lin Jiansheng's neck and turned to say to him, "Daddy, this uncle's soul smells very good and clean, just like..."

Unable to think of a specific adjective, Kong Qing said, "The shape of his soul is a dog."

Lin Jiansheng stopped talking.

Yu Donghai's beast form was a tiger, but his character was more like a dog's. A dog was a symbol of loyalty, and he was indeed a loyal servant, like a dog.

The three of them were eating fruit when the doorbell rang again.

This time, it was Yu Huang and Sheng Xiao.

Kong Qing ran to open the door, and Yu Donghai followed closely behind him.

"Yu Huang, Sheng Xiao, you're finally back. We can eat now!" Kong Qing said and ran to the dining room.

Yu Huang watched as Kong Qing bounced away. Only then did she look at the man with tears in his eyes. She opened her arms towards Yu Donghai. "Come, Father, give me a hug."

Yu Donghai hugged Yu Huang and patted her back forcefully. "You're back!"

"Yes, I'm back, Father."

Sheng Xiao stood behind Yu Huang and called out respectfully, "Uncle Yu."

Only then did Yu Donghai let go of Yu Huang, and turned around to wipe his tears. After his emotions stabilized, he said, "Enter the house. We're waiting for you guys to eat!"

"Okay."

Sheng Xiao walked into the room with fruit and lime wine in his hand. Lin Jiansheng immediately smelled the scent of lime wine. He quickly got up and took a bottle of lime wine from the bag before hiding it in his interspatial ring in front of Yu Donghai.

Yu Donghai sneered. "Poor bastard!"

Lin Jiansheng rolled his eyes.

The five of them sat around the table. Yu Donghai picked up a piece of pork ribs for Sheng Xiao, Yu Huang, and Kong Qing. "Try this pineapple pork ribs. I learned this from the military chefs."

Yu Huang liked sweet and sour dishes. Kong Qing liked them too. Only Sheng Xiao wasn't interested in sweet and sour dishes. However, Sheng Xiao had to eat the food his father-in-law picked.

Kong Qing licked the pork ribs and immediately praised, "Uncle, your food is so delicious! It's much better than my father's."

Although his father looked delicious, the dishes he made weren't delicious at all.

Yu Donghai snorted proudly. "I'm a head chef in the army now. Last month, when the army held a cooking competition, I even got second place."

"Impressive!"

Kong Qing put the piece of pork ribs into his mouth. He bit it lightly with his sharp little teeth, and everyone heard the sound of bones being crushed.

Lin Jiansheng felt distressed.

He immediately stopped Kong Qing. "Kong Qing, you can't eat bones when you eat meat." Kong Qing acknowledged aggrievedly before eating slowly.

After the meal, the few of them sat down on the sofa in the living room and discussed the details of the wedding together. Kong Qing stayed on the small sofa stool to watch cartoons.

Lin Jiansheng said, "As a Purifying Spirit Master, Yu Huang is also my only personal disciple. It's also appropriate for her to get married at the entrance of the Purifying Spirit Academy."

Yu Donghai said, "I'm her father, and my daughter is getting married. It's most appropriate for for her to get married in this house."

"Your stupid house doesn't look grand at all."

Yu Donghai retorted to Lin Jiansheng, "At least I have a lousy house. You don't even have a lousy house. So what if the Purifying Spirit Academy is imposing? No matter how imposing it is, it belongs to the country. It doesn't even have your name written on it!"

Lin Jiansheng suddenly threw out his bank card. "Who are you looking down on?!" Lin Jiansheng pointed at the card and said, "I have so much savings that I can't even count how many zeros there are. I can buy any house I want!"

Yu Donghai sneered. He mocked Lin Jiansheng, "Then go buy it! I think the Guian Prefecture villas in the north of Jingdu are quite imposing. Go buy one for Yu Huang!"

"Do you think I can't bear to?" Lin Jiansheng took out another card and threw it into Yu Huang's arms. He said confidently, "There are ten million spirit stones in this card. Ah Huang, take it and buy a large villa that you like!"

Ten million spirit stones was equivalent to one billion paper coins. It was more than enough to buy a villa in the Guian Prefecture.

Yu Huang immediately put away the card and held back her laughter as she thanked Lin Jiansheng. "Thank you, Mentor."

When Yu Donghai saw this scene, he suddenly stopped talking.

When Lin Jiansheng saw that Yu Donghai had suddenly lost his imposing manner, he snorted coldly and mocked Yu Donghai, "Why are you speechless? Seeing that I offered ten million spirit stones, are you envious? Feeling humbled?"

Yu Donghai glanced at Lin Jiansheng and his lips quivered. He then muttered softly, "Idiot, I'm provoking you. I deliberately made you pay to buy a big villa for Yu Huang."

Lin Jiansheng was speechless.

Sheng Xiao couldn't help but laugh. He quickly took a sip of tea and suppressed his smile.

When Lin Jiansheng heard Yu Donghai's words, he returned to his senses. He sat down on the sofa and thought of the ten million spirit stones he had given away. His heart ached so much that he couldn't breathe.

Yu Huang stood up and poured a cup of tea for Lin Jiansheng. She then walked over to massage Lin Jiansheng's back and legs. After a round of ingratiating, Lin Jiansheng was no longer angry.

"You're my only personal disciple. When you get married, I naturally have to prepare dowry for you." Lin Jiansheng patted Yu Huang's arm and glanced at Yu Donghai. He said in a sarcastic tone, "I definitely prepared more than your father did."

Yu Huang hurriedly replied, "Let's not compare. Father and Mentor being healthy is the best dowry for me."

Her words made the two elders feel comfortable.

After discussion, they decided to accompany Yu Huang to buy a big villa tomorrow. On the day of their marriage, Sheng Xiao would come to the big villa to marry Yu Huang.

That night, Yu Huang and Sheng Xiao stayed there.

There were only three rooms in the house. Lin Jiansheng and Kong Qing stayed in one room while Yu Donghai slept in the small bedroom. The master bedroom was left for Yu Huang and Sheng Xiao to sleep in.

So tonight, they had to sleep together.

Chapter 346: You're the Only Person I Lust After

The bed was quite big and was two meters wide.

As they were about to get married, Yu Donghai bought four red and pink condoms for Yu Huang. The moment they entered the master bedroom and saw the wine red blanket on the bed, Yu Huang and Sheng Xiao were speechless.

Sheng Xiao held back his laughter and commented, "It's quite... festive."

Yu Huang nodded. "Yes, you make it sound like tonight is our wedding night."

Sheng Xiao said, "Then, there's still something missing." He pointed at the bed and said, "You have to put the word 'happy' on it."

Yu Huang chuckled.

There was a separate bathroom in the master bedroom. Yu Huang asked Sheng Xiao to take a shower first while she went to Yu Donghai's room to talk to him.

After Yu Donghai finished showering, he took off his prosthetic arm and placed it on the window sill. When Yu Huang came in, Yu Donghai was sitting on the window sill and rubbing his knee.

"Does your knee hurt?"

Yu Donghai grinned at her and shook his head. "It doesn't hurt." This really wasn't considered painful.

Yu Donghai's room wasn't big, only having a 1.2-meter bed. Other than that, there was a three-door wardrobe and a bookshelf on one wall.

Yu Donghai was a person who loved to read. There were all kinds of books on the bookshelves.

Yu Huang took out a bottle of medicinal wine from the bookshelf and walked to the windowsill to sit down. She carried her father's short legs onto her legs, then bent down and used the medicinal wine to massage Yu Donghai's knee and prosthetic arm.

Yu Donghai had long adapted to the existence of artificial limbs, but after a day of action, the surface of his skin was still slightly swollen.

Yu Donghai leaned against the wall and looked at Yu Huang with a gratified expression. He sighed and said, "Unknowingly, we've been reunited for almost three years."

“That’s right,” Yu Huang said. “When we reunited, I just turned 18. In a few months, I’ll be 21.”

“I really didn’t expect that you would get married at such a young age,” Yu Donghai said. “In this day and age, commoners advocate getting married later. As a Beast Tamer, you got married as soon as you reached adulthood. I still feel a little reluctant.”

Yu Huang consoled Yu Donghai, “Father, it’s not that people nowadays advocate later marriage and childbirth, but that times are different. The people of the past didn’t have a good life. They were satisfied as long as they could live a good life. As for love, if they can make do without it. If they can live together, they won’t be picky.”

“But now, the people are living a happy life. Be it men, women, or girls, they all have more choices. No one is willing to make do. They all want to wait for the right person. But to find the person who is most compatible, there naturally has to be a process of selection. When we find the most compatible person, won’t we be old?”

Yu Donghai chuckled when he heard this, and he teased Yu Huang. “You’re beating around the bush because you want to tell Father that you found the person you were destined to be the most compatible with?”

Yu Huang nodded. “Yes.”

After living for more than two hundred years, she had seen at least nine hundred outstanding men. No man had ever made her heart flutter like Sheng Xiao did.

Her old heart was revived because of Sheng Xiao.

“Forget it. You have always been independent. I trust your judgment.” Yu Donghai pulled open the curtains and stared at the moon in the starry sky outside the window. He said, “I still remember how you looked when the Young Master carried you back from the Upper World. You were so small, as if you would break with a pinch. When I hugged you, my hands and feet were all stiff.”

“Occasionally, the Young Master would hold you in one hand while sunbathing. I was afraid that he would accidentally drop you to the ground. I’ve mentioned this to the Young Master a lot.”

“In the blink of an eye, that little child is about to get married. If the Young Master was still alive, he would definitely be very happy.” Every time he was happy, Yu Donghai would think of his dead Young Master, and he couldn’t help but feel sad.

Yu Huang didn’t tell Yu Donghai that she had a wisp of her father’s remnant soul. If she told him, she was afraid that her father would get his hopes up, and she was also afraid that she would be disappointed.

Yu Huang mentioned something else. “Father, I plan to participate in the Saint Tomb in three months.”

Yu Donghai had grown up beside Yin Mingjue, so he naturally knew what a Saint Tomb was. “Alright. Back then, the Young Master had also gone to the Saint Tomb and obtained the inheritance of a senior from the Yin Clan! If you can also obtain the inheritance, that would be great.”

When he spoke up to here, Yu Donghai thought of another matter. His expression instantly changed, and he said nervously, “But if you obtain the inheritance, then your identity as a direct descendant of

the Yin Clan will be exposed. At that time, that old bastard Yin Mingchong will definitely guess your identity.”

“This is what I want to tell you, Father.” Yu Huang put down Yu Donghai’s leg. She held Yu Donghai’s hands and told him, “Father, three months later, let’s return to the Yin Clan!”

Yu Donghai’s eyes widened. “Return to... the Yin Clan?”

“Yeah.”

Yu Donghai’s eyes instantly turned red. He hammered his palm on the marble table by the window and gritted his teeth as he said, “Then let’s kill our way back to the Yin Clan and scare that old bastard Yin Mingchong!”

...

The light in the living room was switched off, and only the light in the corridor was on. Yu Huang walked out of Yu Donghai’s room and saw Sheng Xiao standing beside the water dispenser in the living room.

Sheng Xiao held the glass of water and looked at her with shock in his eyes.

Yu Huang wasn’t sure how much Sheng Xiao had heard. She licked her lips and asked, “How long have you been standing here?”

Sheng Xiao held a glass filled with water and gulped down a mouthful of water. Then, he held the glass and stared at Yu Huang’s beautiful face. He said thoughtfully, “There’s only one Yin family descendant who wanders outside.”

Sheng Xiao tightened his grip on the cup. He asked hoarsely, “Are you... Yin Huang?”

Yu Huang fell silent.

Her silence told Sheng Xiao the answer.

“You’re Yin Huang.” Sheng Xiao sounded certain.

Yu Huang licked her lips again.

She suddenly strode to Sheng Xiao and took the glass from his palm. She drank the remaining half of the glass.

Yu Huang looked up at Sheng Xiao. She said, “Although I’m sorry that I didn’t tell you the truth, I had to do it. Sheng Xiao, the Yin family is too powerful, and my father and I were too weak in the past. If I told the truth too early, my father and I might have lost our lives.”

Yu Huang said in a domineering tone, “You have to understand. You’re not allowed to be angry.”

Why would Sheng Xiao be angry?

His heart ached.

Yu Huang and Uncle Yu didn’t even dare to return to the Yin Clan and were hiding their identities, so the matter was definitely related to Yin Mingchong.

Sheng Xiao was a smart person. He thought about Yin Huang's unusual disappearance and guessed Yin Mingchong's role in this matter.

The magnanimous and benevolent Grand Master Yin was actually a bastard who killed his niece to consolidate his power!

Sheng Xiao suddenly pulled Yu Huang to him and pressed her into his arms. He asked in concern, "Not long after school started, Grand Master Yin came to the academy to teach. Were you afraid of him?"

Yu Huang didn't want to hide it in front of Sheng Xiao. She nodded slightly. "Of course I was. Why wouldn't I be? I was just a Scholar back then, and he was Grand Master Yin, who was high and mighty. I even had to hold my breath when I faced him."

Hearing this, Sheng Xiao hugged her even tighter.

"Don't be afraid of him in the future." Sheng Xiao stroked Yu Huang's hair and back. He kissed the side of Yu Huang's face and said firmly, "If he dares to bully you, the Sheng family won't stand by and do nothing!"

Yu Huang suddenly smiled.

"What are you laughing at?"

Yu Huang stood up from Sheng Xiao's arms. She said to Sheng Xiao, "What would you think if someone said that I approached you on purpose to attract your attention so that I could cozy up to you and use your status to deal with Yin Mingchong?"

Although the real reason why Yu Huang was willing to marry Sheng Xiao was only because of love, she still asked about this possibility. Because when her identity was revealed, someone would definitely guess her motive for getting close to Sheng Xiao.

Sheng Xiao scratched her nose. "I will be grateful for being born in such a privileged family. I will thank my parents for giving me wealth and status."

"I'm extremely honored to be used by you."

Yu Huang smiled. "Keep your mind clear. Don't be used by others." Yu Huang grabbed Sheng Xiao's hand and said, "Sheng Xiao, I'm willing to marry you not because I lust after the power and status of the Sheng family. I only lust after you."

She was serious. Sheng Xiao blushed.

"It's getting late. Go back to your room."

Sheng Xiao put down the glass and pulled Yu Huang back to her room.

Back then, when they were buying furniture, Yu Donghai had put in a lot of effort into decorating the master bedroom. The mattress in the master bedroom was the most expensive one in the store. After Yu Huang took a shower, she laid on the bed in her nightgown and tried it on. She instantly felt comfortable and said, "Oh! This mattress is comfortable."

Sheng Xiao felt his body heat up when he heard her sweet voice. He closed his eyes and said sternly, "Go to sleep. Don't say 'oh'."

Yu Huang laid on her side. She stared at Sheng Xiao's handsome face and said deliberately, "Ah! This bed is so comfortable. It's so big and suitable..."

Sheng Xiao covered her mouth. "Shut up!"

Chapter 347: Yu Huang, the matchmaker

The soundproofing of ordinary houses wasn't good. In addition, there was a Level 9 Purifying Spirit Master living next door. Level 9 Purifying Spirit Masters had sharp hearing and could detect any commotion.

Sheng Xiao felt his body burning from Yu Huang's teasing. However, he didn't dare to do anything to Yu Huang. He didn't even dare to touch her.

Yu Huang was certain that Sheng Xiao didn't dare to do anything else. She reached out her hand on purpose to tease him.

Sheng Xiao had no choice but to hold Yu Huang's wrists.

Only then did Yu Huang become obedient.

Outside the neighborhood was the main road, and it was brightly lit at night. Yu Huang always slept poorly in places with lights. Before she slept, she closed the curtains tightly, but there was still light coming in.

Sheng Xiao could see Yu Huang's face clearly in the dim light. He suddenly pulled Yu Huang into his arms and pressed her hair. "There are still seven days."

There were seven days left before their wedding.

When her hands were free, Yu Huang traced Sheng Xiao's collarbone with her fingers. Sheng Xiao felt nervous and his body tensed up.

Yu Huang pressed her head on Sheng Xiao's shoulder and said softly, "In seven days, you can have me legally."

Sheng Xiao's breathing became heavier.

"Are we going on our honeymoon?" Sheng Xiao changed the topic.

Yu Huang asked him, "Where are we going for our honeymoon?"

"Xixia Ocean?" Sheng Xiao said, "Xixia Ocean is a famous resort in the Holy Spirit Continent. There's a mermaid resort there. Many rich people will go there for their honeymoon."

Yu Huang thought about it and shook her head to reject it. "Forget it. The situation is tense now. Let's not run too far."

Sheng Xiao felt a little regretful. He said, "You're only getting married once in your life. Are you really not going on your honeymoon? Won't it be a pity if you recall it in the future?"

“You really want to go?”

Sheng Xiao said, “I want to marry you, go on a honeymoon, and have children with you. I don’t want to miss out on any of them.”

Yu Huang was speechless.

She subconsciously declared, “I don’t want to have a child for the time being.”

“Don’t worry, we won’t have any children in the next few years. When we reach the cultivation level of the Prime Master, we will have more children.” The children of the two Prime Masters would be born with extraordinary talent.

Sheng Xiao was a responsible man. He wanted to give the best things to the child. So, he prepared to have the baby later.

Yu Huang heaved a sigh of relief. She didn’t want to raise a child at such a young age.

Although Yu Huang knew from Sheng Xiao that they would have two daughters in the future, they still talked about whether they would have a boy or a girl for a long time.

At two or three o’clock in the night, Sheng Xiao was the first to fall asleep.

Before she fell asleep, Yu Huang heard Sheng Xiao say, “I remember everything. The day we met, it was raining and there was a rainbow.”

Sheng Xiao closed his eyes.

Yu Huang was about to sleep. Her eyes widened when she heard this. She stared at Sheng Xiao for a long time before she snuggled into his arms and fell asleep peacefully.

The next morning, Yu Huang and Sheng Xiao were woken up by the sound of the old men and women dancing downstairs.

Yu Huang lifted the blanket and listened to the dance music downstairs. She realized that the person beside her was also turning over. She asked, “You’re awake?”

“Yes.” Sheng Xiao lay still. He didn’t move not because of the plaza dance downstairs, but because it would take some time for his morning erection to go down.

Yu Huang asked him, “Are you getting up?”

Sheng Xiao glanced at her and narrowed his eyes. “Wait for a few more minutes.”

Yu Huang saw his reaction as well. She pursed her lips and smiled before saying, “I’ll go make breakfast. What do you want to eat?”

“You can make breakfast?” Sheng Xiao put his hands behind his head and said, “We’ve known each other for so long, but I’ve only eaten the glutinous rice balls you cook. I’ve never eaten the food you cook.”

“Can I order?”

Yu Huang rejected him mercilessly. "No."

"Then whatever."

Yu Huang took off her pajamas in front of Sheng Xiao. She put on a thin sweater and jeans and left the bedroom.

Sheng Xiao, who only needed five minutes to get up, would need fifteen minutes after witnessing Yu Huang's change of clothes.

...

Yu Donghai had already woken up. He was wearing an apron and preparing to make breakfast.

Seeing Yu Huang walk out of the master bedroom, he hurriedly asked, "You're up so early. You were tired from the flight yesterday. You should have slept more this morning."

"The women downstairs woke me up."

Yu Donghai chuckled and said, "Isn't that lead dancer very beautiful?"

Yu Huang raised her eyebrows.

She came to the small balcony outside the living room and looked down at the small square downstairs. She saw the leading dancer at a glance. Actually, the other party wasn't old. She looked to be in her thirties and was quite beautiful. The main thing was her sexy figure.

She was the leader of the plaza dance team.

Yu Donghai also came to the balcony. He looked at the woman and said softly, "Her surname is Chen. It's said that she's a famous Scholar and a celebrity in our neighborhood."

Some Beast Tamers would never be able to break through to the Master Realm in their lives and would be Scholars forever. Although Madam Chen was only a Scholar, she was also respected by the residents of the neighborhood.

"You like her," Yu Huang said affirmatively.

Yu Donghai instantly blushed, and then his gaze dimmed. He sighed lightly and said, "She's still young, and she's even a Scholar. How could she possibly take a fancy to me?"

Yu Huang said, "But you were once a Supreme Master."

Yu Donghai shook his head. He didn't dare to have any other extravagant hopes. He said, "That was in the past. I'm only an ordinary person with a broken leg now."

Yu Donghai glanced at the woman again before turning around to enter the room.

She was out of his league.

However, Yu Huang grabbed Yu Donghai's hand and shouted towards the woman downstairs, "Beautiful woman downstairs, my father wants to ask you for your WeChat!"

The women and uncles dancing downstairs stopped at the same time. The entire neighborhood seemed to have pressed the pause button at this moment, and only the music box was singing.

Scholar Chen raised her head in surprise and looked upstairs. When she saw Yu Huang and Yu Donghai, the woman actually blushed a little. It was unknown if it was because of the dance or because she felt shy.

Every morning, Yu Donghai would hide on the balcony and peek at Scholar Chen. Today was the first time he had received Scholar Chen's response. He was excited and flustered.

Being stared at by the woman, Yu Donghai was already red to the neck.

He pulled his hand back from Yu Huang's palm in embarrassment and turned to enter the living room. He even muttered irritably, "You're too insensible. If you do this, people will think I'm a pervert!"

He wouldn't even have the chance to peek anymore.

Yu Huang laid on the balcony and said to the woman, "Pretty woman, my father has had a crush on you for a long time."

The beautiful woman stared at Yu Huang for a long time before saying, "You're Yu Huang, right?" Yu Huang! She was once the youngest movie queen in the Divine Moon Empire, and now, she was the only dual cultivator in the Holy Spirit Continent!

Scholar Chen didn't expect to see the legendary dual cultivator Yu Huang. She hurriedly took out her phone and opened the WeChat QR code. Yu Huang raised her eyebrows and guessed that the other party had recognized her. She smiled and opened her phone.

After sweeping it, she realized that the distance was too far. Yu Huang said, "Wait, I'll come down!"

Yu Huang ran downstairs and added the woman on WeChat.

When Scholar Chen saw her idol, she was extremely excited. She pulled Yu Huang and spoke for a long time before Yu Huang found an excuse to slip away.

After returning home, Yu Huang forwarded Scholar Chen's WeChat to Yu Donghai. "Father, I got Scholar Chen's WeChat."

Yu Donghai stood in front of the cupboard and stared at the WeChat name card on his phone. He was a little hesitant and nervous. "Do you think she will accept me if I add her?"

"Let's try." Yu Huang untied the rope around Yu Donghai's waist and put the apron on herself. "I'll make breakfast today. Father, you go watch Scholar Chen dance."

Yu Donghai's mind was filled with Scholar Chen, and he didn't fight with Yu Huang over cooking.

He exhaled, gathered his courage, and clicked on the friend request.

"What message should I send so she accepts?" Yu Donghai thought for a moment and said, "Chef Yu Donghai?"

Yu Huang rolled her eyes. "It's terrible. Just write Yu Huang's adoptive father."

Yu Donghai turned around to glance at Yu Huang, then asked skeptically, “Really?”

“Sure, she’s my fan.”

When he heard this, Yu Donghai obediently did as Yu Huang said.

In next to no time, Scholar Chen accepted his friend request. Yu Donghai carried his phone to the sofa and racked his brains to find a topic to chat with Scholar Chen on.

Chapter 348: Hidden a Sweet Egg

Lin Jiansheng walked out of the room while biting a cigarette. He saw Yu Huang cooking while Yu Donghai was sitting on the sofa and playing with his phone. He walked over and glanced at Yu Donghai’s phone page.

Seeing Yu Donghai staring blankly at a woman’s WeChat profile picture, he clicked his tongue and snatched Yu Donghai’s phone away. He bit his cigarette and typed—

[Hello, beautiful lady. I’m Yu Donghai. I’ve liked you for a long time.]

After sending the message, Lin Jiansheng threw the phone to Yu Donghai. He bit his cigarette and said in a daze, “If you like her, go after her. How can you woo her if you hesitate and dilly-dally? If you don’t make a move, other people will get her.”

Yu Donghai glared at him. “Leave me alone!”

When Yu Donghai saw that Scholar Chen had actually replied with a snicker emoticon, he glanced at Lin Jiansheng again and humbly asked, “She replied with a snicker emoticon. How should I reply next?”

Lin Jiansheng said, “Are you looking for a woman or am I looking for a woman? Think about it yourself.”

When Lin Jiansheng saw that Kong Qing had also come out, he hurriedly extinguished the cigarette butt and went to the bathroom to wash his face. Kong Qing went straight to the kitchen and stood beside Yu Huang while tiptoeing to watch her cook.

After a while, Sheng Xiao walked out of the master bedroom.

“Good morning, Uncle Yu.” Sheng Xiao had heard Yu Huang and Yu Donghai’s conversation just now. Naturally, he knew that Yu Donghai had a crush on a woman.

He walked to Yu Donghai’s side and sat down. He watched the awkward conversation between Yu Donghai and Scholar Chen. He felt awkward just looking at it.

Sheng Xiao couldn’t bear to watch any longer. He got up and went to the kitchen.

Yu Huang fried the egg roll wrapper and cut the egg roll wrapper and meat into thin threads. The water in the pot boiled and Yu Huang was cooking noodles inside. Sheng Xiao looked at her for a while and said, “Are you making egg and shredded meat noodles?”

“Yeah.”

Yu Huang told him softly, "My adoptive mother's culinary skills weren't good, so she only knew how to cook this. Back then, the conditions were bad, and it was difficult to find cooked wheat. Every year, only on our birthdays would my adoptive mother cook this."

Sheng Xiao knew that Yu Huang was talking about her parents during the Doomsday Era on Earth. He said, "Your parents must have had a good relationship."

"That's right. At that time, my adoptive mother told me that when I meet someone I like in the future, I must make him a bowl of egg and shredded pork noodles."

It was Yu Huang's family's tradition to make a bowl of egg and shredded meat noodles for the person they liked.

Sheng Xiao smiled when he found out that there was such a rich story behind the bowl of noodles. He said, "I'll eat them all later."

This was the first time Yu Huang had personally made breakfast. Lin Jiansheng and Yu Donghai expressed their anticipation. Kong Qing carried a big bowl and walked back and forth in the kitchen a few times.

Hearing Yu Huang say that the noodles were ready, Kong Qing took the bowl and went forward first. "I want a big bowl!"

Yu Huang filled a big bowl for Kong Qing.

Lin Jiansheng and Yu Donghai followed closely behind. The last person was Sheng Xiao. Sheng Xiao picked up his bowl of noodles and heard Yu Huang say, "I hid an extra fried egg under the noodles for you."

Sheng Xiao immediately felt that he was the most special person in Yu Huang's heart.

After taking a bite of Yu Huang's noodles, Lin Jiansheng immediately exclaimed, "It's delicious! This soup is also delicious. Ah Huang, I didn't expect you to be such a cook."

Yu Huang said, "That's all I know how to cook."

Yu Donghai chuckled and said, "This child's culinary skills are good. She's like me."

Lin Jiansheng sneered. "She's not your biological daughter. You sure know how to flatter yourself."

Yu Donghai said, "I didn't give birth to her, but I raised her!"

They started arguing again until they heard Kong Qing ask Sheng Xiao, "Sheng Xiao, why do you have an egg?"

Lin Jiansheng and Yu Donghai stopped arguing and looked at Sheng Xiao's bowl of noodles.

Everyone else had shredded meat and shredded egg. Why did Sheng Xiao have an egg?

Sheng Xiao was eating the fried egg full of love when he was caught. Sheng Xiao swallowed the egg calmly and replied with a smile, "Yu Huang said that this is a fried egg full of love."

Lin Jiansheng and Yu Donghai looked at Yu Huang at the same time. "We're not worthy of your love?"

Yu Huang was speechless.

Lin Jiansheng laughed at Yu Donghai. "Why didn't the daughter you raised give you a fried egg?"

Yu Donghai was speechless.

After the meal, Lin Jiansheng was very unhappy with Sheng Xiao. "Sheng Xiao, come with me for a while." Lin Jiansheng called Sheng Xiao to his room.

Sheng Xiao thought that Lin Jiansheng wanted to take revenge for the egg, but he felt that it wasn't the case.

Although Lin Jiansheng was stingy, he wasn't really petty.

After entering the bedroom, Lin Jiansheng asked Sheng Xiao to sit down. He said, "I've found out the origin of the thing in your mind."

Sheng Xiao asked, "Mentor, what is that?"

Lin Jiansheng threw an ancient book to Sheng Xiao.

Sheng Xiao realized that the ancient book had words from other continents written on it. He couldn't understand them. Sheng Xiao asked Lin Jiansheng, "Mentor, what is written on it?"

Lin Jiansheng stared at Sheng Xiao with an unreadable expression. He asked, "Have you comprehended the power of the Divine Master before?"

"The power of divinity?" Sheng Xiao shook his head subconsciously. "I didn't..." Sheng Xiao was uncertain again when he thought about how he had lost a memory in the Central Pagoda.

"Mentor, I'm not sure."

Lin Jiansheng thought of the memory that Sheng Xiao had lost and understood what he meant. "Perhaps you once comprehended the power of the Divine Master in the Central Pagoda."

"Mentor, is the golden particle in my mind the symbol of the Divine Master seed?"

"That's right." Lin Jiansheng opened the ancient book and pointed at a profound section of text. He said, "This ancient book comes from the Upper World. There are specialists in the Upper World who specialize in studying Divine Master. This ancient book records the research results of those specialists. According to them, Beast Tamers who have successfully comprehended the power of the Divine Master will have a golden Divine Master seed in their minds."

Closing the book, Lin Jiansheng continued, "As long as we call Yu Huang over and check if there are any golden granules in her mind, we can verify the guesses in the ancient book."

At this moment, the door was suddenly pushed open from the outside. Yu Huang, who was eavesdropping outside, swaggered in. "Mentor, help me check if there are any golden granules in my mind."

Lin Jiansheng complained to her, "Why are you eavesdropping outside the door? Are you afraid that I will bully Sheng Xiao?"

Yu Huang did not say anything, and her tacit agreement made Lin Jiansheng even angrier. "Alright, alright, I know you're protective of your husband!" Lin Jiansheng pointed at the bed and said, "Come and lie down!"

Yu Huang stuck out her tongue and hurriedly walked to the bed to lie down.

"Relax and focus."

Yu Huang quickly relaxed.

Lin Jiansheng's psychic power entered between Yu Huang's eyebrows. He had experience activating Sheng Xiao's memories before. This time, he quickly found the location where the Divine Master seed was hidden.

In the same position as Sheng Xiao's, Lin Jiansheng really saw a golden particle. The only difference was that the golden particle in Yu Huang's mind was much larger than Sheng Xiao's.

Chapter 349: Sheng Xiao: Call Me Young Madam

Lin Jiansheng understood.

He retracted his psychic power and met Yu Huang's puzzled eyes. Nodding gently, Lin Jiansheng said with certainty, "It's the Divine Master seed."

After confirming that he had also comprehended the power of the Divine Master, Sheng Xiao's expression became serious.

"Prime Master Fu Tian comprehended the power of the Divine Master. He was secretly killed and imprisoned in the Broken Cliff. Prime Master Fu Tian comprehended the power of the Divine Master and sacrificed himself in the Central Pagoda to save the people of the world."

"As for me, I lost my memory in the Central Pagoda as soon as I comprehended the power of the Divine Master." Sheng Xiao looked at Yu Huang thoughtfully. He said, "This is indeed a plan to kill the Divine Master seeds."

Yu Huang sat up and leaned against the wall. She was silent for a long time before saying, "Every assassination operation is related to the Central Pagoda. I suspect that that powerful energy is hidden in the Central Pagoda. There are still four and a half years before the Central Pagoda opens again."

Yu Huang's gaze was cold and solemn, and her expression carried some ruthlessness. She said, "I'll personally go to the Central Pagoda. I want to see which ghost is hidden in the Central Pagoda!"

Sheng Xiao stared at Yu Huang. He was worried, but he admired her more.

Lin Jiansheng sighed and said, "Alright, let's not talk about that for now. The most important thing now is to successfully hold this wedding."

Noticing that Lin Jiansheng had used the word 'successfully', Yu Huang asked thoughtfully, "Mentor, do you suspect that someone will take the opportunity to cause trouble at the wedding?"

“Your wedding will be grand and eye-catching. At that time, more than half of the elites of the Holy Spirit Continent will gather in Yufu City. If the Blood Peacock wants to establish its might, this is a good opportunity.”

Hearing that, Sheng Xiao said, “The Blood Peacock has been targeting young Beast Tamers all these years because he understands that he must get rid of the roots. Instead of spending so much effort to kill those superpowers, it’s better to kill all young Beast Tamers. After all, young people are the future of the continent.”

“Most of the guests who came to attend our wedding are Grand Master-level experts. The Blood Peacock doesn’t have the ability to challenge all the experts on the continent alone.”

After a pause, Sheng Xiao said, “The Saint Tomb trial in three months will be a test.”

The Saint Tomb was only open to young Beast Tamers. If the Blood Peacock’s people sneaked into the Saint Tomb and started a massacre there, that would be a real disaster.

“Your analysis makes sense. No matter what, we should be careful.”

“Understood.”

After figuring out the origin of the golden particle, Sheng Xiao’s worries disappeared. After lunch, he decided to bring Yu Huang to his house.

Sheng Xiao’s house was a two-storey Chinese-style villa. The villa was built beside a lake. The lake and the mountain behind it were Sheng Xiao’s territory.

This lake was called the Lovers Lake. It was a private lake that was not open to the public.

The weather was bright and warm. Sheng Xiao rode his motorcycle and carried Yu Huang through Jingdu to Lovers Lake in the suburbs.

The two of them drove towards the villa by the lakeside road. The servant noticed a motorcycle driving over and hurriedly shouted, “The Young Master is back!”

The Young Master was back.

All the helpers and servants in the villa instantly got busy.

Sheng Xiao had just parked the motorcycle at the entrance of his house when the closed door opened from the inside. A man in his early fifties in a black suit walked out of the house.

“Young Master! Miss Yu Huang! You’re back!”

Sheng Xiao got out of the car and pointed out sternly, “Call her Young Madam.” His voice was not loud, but it was loud enough for all the servants in the courtyard to hear.

The butler immediately changed his address and greeted Yu Huang respectfully, “Young Madam.”

Yu Huang nodded and followed Sheng Xiao into his house.

Inside, there was a private garden that was more than 200 square meters. There were pavilions and fish ponds. There was even a large patch of bell orchids.

Sheng Xiao told Yu Huang, "The underground two floors are the study and collection room. The first floor is the guest room and dining room. The second floor is where we live."

Yu Huang nodded and asked, "Then where do these servants live?"

"Other than the butler, everyone else lives in the house at the back of the mountain." After a pause, Sheng Xiao told Yu Huang, "The butler is a Grand Master. He is also the number one security guard in this house."

"How capable."

Sheng Xiao brought Yu Huang around the house. They went to his collection room and the study underground. Then, they went to the cloakroom beside the master bedroom.

Their wedding clothes were in the cloakroom.

"Because we need to worship the heavens, the wedding attire must be solemn and dignified. A typical wedding suit is not suitable, so Mother asked someone to design a Dragon-Phoenix wedding suit for us."

1

Sheng Xiao pressed the switch of the automatic cloakroom. The door of the cloakroom opened on both sides. The wedding dress in the middle of the cloakroom came into view.

It was a black Dragon-Phoenix wedding dress. A gorgeous phoenix was embroidered on the woman's wedding dress with golden thread, and on the man's wedding dress was a five-clawed golden dragon.

"Try it on and see if there's anything you need to change."

Hearing that, the maid standing outside the house immediately walked into the cloakroom and was about to help Yu Huang change her clothes. Sheng Xiao waved and chased them out. "All of you, get out."

The maidservants looked at each other and didn't dare to say anything. They hurriedly left the cloakroom.

Without help, Yu Huang couldn't put on the wedding dress herself. She smiled and asked Sheng Xiao, "Who will help me wear it after you chased everyone away?"

Sheng Xiao said, "I'll do it."

"Sure."

Yu Huang raised her hands. "Come, help me change my clothes."

Sheng Xiao took off Yu Huang's sweater and jeans personally. Then, he took off the gown and put it on Yu Huang.

Neither of them spoke during the process. Yu Huang could hear Sheng Xiao's heavy breathing clearly.

He could see her, but he couldn't have her yet. Wasn't he torturing himself?

The wedding dress was made according to Yu Huang's body size, so it was naturally suitable for her. The black wedding dress made Yu Huang appear even more noble and dignified. She was like a war goddess who could fight everywhere with a sword.

It had to be said that Yu Huang looked more noble and gorgeous than ever in her wedding dress. She looked extraordinary.

Sheng Xiao stared at her and his head hurt again.

Sheng Xiao pressed his temples and looked pained. "Ah..." Sheng Xiao suddenly knelt on the ground and groaned in pain while holding his head.

"Sheng Xiao!" Yu Huang was shocked. She quickly knelt down and held Sheng Xiao.

"Sheng Xiao, what's wrong?"

A little black dragon flashed across Sheng Xiao's eyes. Then, he slowly raised his head and looked at Yu Huang with a loving and sad gaze.

Yu Huang was stunned by his gaze.

Sheng Xiao placed his hand on Yu Huang's cheek. He looked at her gently and lovingly and shouted, "Huang'er."

Yu Huang was stunned.

"Huang'er." Sheng Xiao rubbed Yu Huang's face with his fingers. Tears welled up in his eyes as he choked on his tears. "You look so beautiful."

Yu Huang suddenly pushed Sheng Xiao away. In the next second, a long sword appeared in her hand. The tip of the sword was pressed against Sheng Xiao's neck. Yu Huang stood on a high ground and looked down at the man. She shouted coldly, "Get out of Sheng Xiao's body immediately!"

The affection in his eyes was true, but he was not Sheng Xiao.

The man knelt on the ground and looked up at her cold and beautiful face. He suddenly revealed a sad smile. "Do you really not remember me at all?"

Yu Huang clenched the sword in her hand tightly. She said again, "If you don't get out now, I'll kill you immediately!" Although she said that, the tip of the sword didn't really pierce into Sheng Xiao's throat.

The man suddenly smiled and said firmly, "You can't bear to."

Yu Huang was furious because she couldn't kill this soul that had suddenly appeared. Just as Yu Huang was about to get serious, Sheng Xiao suddenly fainted on the ground.

"Sheng Xiao!"

Yu Huang quickly carried Sheng Xiao to the master bedroom. The butler noticed the commotion and ran up. When he saw Sheng Xiao's reaction, he said, "Don't worry, Young Madam. Young Master's soul is unstable again. He will wake up when he's rested enough."

Yu Huang remembered that Sheng Xiao had said that he was missing a piece of his soul. That was why his soul had been weak since he was young and he often fainted.

When she thought of that man of unknown origin, Yu Huang couldn't help but feel worried.

Who was that person?

What was his relationship with Sheng Xiao?

Chapter 350: The Mistress Will Only Be You

The butler's name was Sheng Kai. He used to be the captain of Sheng Lingfeng's guards. From the day Sheng Xiao was born, Sheng Kai became Sheng Xiao's personal guard and butler.

Sheng Kai knew Sheng Xiao's condition the best.

He saw that Yu Huang was wearing a wedding dress and had a worried expression on her face. He hurriedly said, "Young Madam, go and take off your clothes first. This wedding dress will take a long time to customize. Don't dirty it or ruin it."

Yu Huang nodded. "Okay, please take care of Sheng Xiao."

"It's my duty."

Yu Huang returned to the cloakroom and peeled off the complicated wedding dress layer by layer. When she was about to put on her sweater, she realized that there were many female clothes hanging in the cloakroom.

She didn't know if it was purchased by the butler or Sheng Xiao's order.

She walked into the cloakroom and chose a light blue silk dress with a gray slim suit. She only changed her clothes, but she looked less girly and more charming.

When she returned to her room, the butler was brewing the elixir in the pantry outside the bedroom. Yu Huang saw that Sheng Xiao wouldn't wake up soon, so she sat beside the butler and watched him concoct the elixir.

When he saw that Yu Huang wanted to learn, a smile appeared on the butler's cold face.

Sheng Kai said, "Young Madam, it's quite troublesome to concoct this medicine. 30 types of spirit gathering spiritual herbs have to be carefully concocted with spiritual power while strictly controlling the amount. If you want to learn, I'll start over and demonstrate again."

"Okay."

Sheng Kai placed the 30 types of spiritual herbs neatly on the table. He pointed at the first ice-blue herb that looked like a blade of seaweed and told Yu Huang, "This is the first and most important medicine among the Spirit Gathering Pills. It's called..."

Yu Huang said first, "Spirit Gathering Grass."

Sheng Hua smiled and asked Yu Huang, "Young Madam, you've studied herbs too?"

“My mentor taught me about some medicinal herbs.” Lin Jiansheng gave a few books on medicinal herbs to Yu Huang and asked her to memorize them. However, Yu Huang had never had the time.

Although the medicinal herbs on the table were expensive, they were all relatively famous medicinal herbs of the Spirit Gathering attribute. Yu Huang said their names one by one.

Seeing that Yu Huang could accurately say the names of these herbs, Sheng Kai couldn't help but feel relieved. “It's much easier if you recognize these herbs.”

Next, Sheng Kai held a small weight and placed the herbs together according to a strict list. Then, he used his rich spiritual power to melt the herbs into medicinal foam and mixed them with the Holy Water of Light.

The butler took out a bottle of Holy Water of Light that was difficult to find in the outside world.

Yu Huang said, “The holy water of the elves is very difficult to obtain. Sheng Xiao must have used up a lot of it because of his illness.”

“That's right. The Sheng family and the royal family of the elves have always been in close contact. The elves will prioritize the Sheng family's needs every year, so we don't lack Holy Water of Light.”

“I see.”

With the Holy Water of Light, the medicinal foam immediately turned into a dark golden sticky substance.

The butler placed them and the spring water from Yufu City in a teapot-shaped pot and slowly boiled them. Only when it was dark and he smelled a strange medicinal fragrance did the butler turn off the fire.

“Alright, when they become cold, we can store them separately.”

At that moment, Yu Huang heard movement in the master bedroom next door.” Sheng Xiao is awake!” Yu Huang quickly got up and went to the master bedroom.

Sheng Xiao woke up and smelled the scent of the familiar medicine.

He heard footsteps from the next room. When he opened his eyes, he saw Yu Huang rushing over. “Wine.” Sheng Xiao grabbed another pillow and stuffed it behind his back. He leaned against the pillow and sat up. “Did I faint just now?”

“Yeah.”

Yu Huang told him what happened after he fainted.

Sheng Xiao was shocked to know that a second soul had appeared in his body after he fainted. He said, “This has never happened before.”

He asked Yu Huang, “Did that person say anything?”

Yu Huang shrugged and said with a smile, “He praised me for looking good in a wedding dress.”

Sheng Xiao was speechless.

Could it be that there was a love rival's soul in his body?

"Young Master." Sheng Kai walked over from the next door with a bowl of medicine. He stood at the door and bent down. "Young Master's soul power is unstable. Take a bowl of medicine first."

"Okay."

Yu Huang stood up and brought the medicine bowl over.

She sat by the bed with the bowl in her hand. She smiled and asked Sheng Xiao, "Do you want me to feed you or do you want to drink it yourself?"

Sheng Xiao's eyes flickered. He asked expectantly, "Can I let you feed me?"

"It's a special period."

"Then, feed me." Sheng Xiao opened his mouth and waited for Yu Huang to feed him the medicine.

When the butler saw this, he hurriedly turned around and left.

Yu Huang held the bowl and fed it to Sheng Xiao patiently. "Alright, rest for a while more. I'll read some books downstairs. Let's eat later."

"Yeah, okay."

Yu Huang stood up with the bowl in her hand. She turned around and took a few steps when she heard Sheng Xiao say, "Do you like all the clothes?"

Yu Huang stopped in her tracks. She turned around and looked at Sheng Xiao. "Did you prepare those clothes for me?"

Sheng Xiao shook his head. "I asked the butler and the others to prepare it." He paused and added, "They started preparing last year."

Yu Huang finally smiled. "Are you so sure that I will be the mistress of this house?"

Without hesitation, Sheng Xiao said firmly, "It will only be you."

When Yu Huang heard this answer, she felt extremely satisfied.

She sent the bowl into the kitchen and sat down at the tea pavilion in the courtyard. Just as she opened a book about medicinal herbs, her phone on the table rang.

Yu Huang opened WeChat on her phone and saw that it was the class monitor Jiang Shangfeng.

Jiang Shangfeng apologized to her on WeChat. He said, "I'm sorry, Yu Huang. I didn't expect Vivian's Weibo's post to cause you trouble."

Yu Huang was filled with confusion.

What trouble?

She replied to Jiang Shangfeng, "What happened?"

Seeing that Yu Huang still didn't know what had happened, Jiang Shangfeng hurriedly sent a voice message, "It's like this. We received an invitation to your wedding with Supreme Master Sheng this afternoon. Vivian was momentarily excited, so she took the invitation to your wedding and posted it on Weibo. It was discovered. Now, the entire internet is spreading the news of you and Supreme Master Sheng getting married."

Yu Huang replied to Jiang Shangfeng, "Okay."

However, Jiang Shangfeng said, "But everyone thinks that we're spreading rumors and doesn't believe that Supreme Master Sheng is willing to marry you. Now, they're mocking you on the internet."

Yu Huang was speechless.

She was beautiful and capable. Why was everyone so sure that Supreme Master Sheng didn't want to marry her?

Yu Huang said, "I'll handle this."

She had just sent the message when she received Vivian's apology.

Vivian said, "Yu Huang, I'm really sorry for causing you trouble."

Teacher Li also said, "Yu Huang, I received your wedding invitation. What's going on? Are you really getting married to the young master of the Sheng family?"
