

# She Shocks The Whole World After Retirement

Chapter 31: Swear To Become Strong!

Chapter 31

Yu Huang didn't believe Yu Donghai's words at all.

Saying that he had his legs cut off by his enemies and was forced to self-destruct in his beast form to live was a lie he had deliberately made up!

Yu Huang begged him, "Father, can you tell me the truth?"

Looking into Yu Huang's eyes, Yu Donghai knew that he could not hide the truth.

"...Yes!" He sighed helplessly and then revealed the truth. "Rank 6 Magic Snakes are famous ferocious beasts in the Abyss. When their power explodes, they are comparable to a Grand Master-level Beast Tamer. As a Supreme Master, I am no match for a Rank 6 Magic Snake. In order to bring you out of the Abyss alive, I could only self-destruct my beast form and successfully injure that Magic Snake."

Beast form was the lifeline of a Beast Tamer. Yu Donghai had exchanged his life for Yu Huang.

Yu Huang stared at the ugly scar on Yu Donghai's broken leg. Her fingers gently covered the scar as she raised her head and asked Yu Donghai, "Does it still hurt?"

Yu Donghai shook his head. "It's an old injury. It doesn't hurt much anymore."

Another lie!

Yu Huang looked at the wine pot on the table and thought to herself: If it really doesn't hurt, why would he drink wine to relieve the pain?

"Father, is that Magic Snake poisonous? You have to drink alcohol to ease the pain. Is it because the Magic Snake's venom is still in your body?"

After asking, Yu Huang saw that Yu Donghai kept his mouth shut and didn't utter a word. She knew that she had guessed correctly. "Father, if you're poisoned by the Magic Snake, what will happen if you don't get treatment? Will you die?"

When Yu Donghai saw that Yu Huang's face had turned pale from her own conjecture, he hurriedly explained, "Most of the ferocious beasts in the abyss are poisonous creatures. Rank 6 Magic Snakes are indeed poisonous. If an ordinary person were to be poisoned by a Magic Snake, their entire body would be paralyzed and they would die within a minute. At that time, I was already a Beast Tamer of the Supreme Master tier. The Magic Snake's poison was not enough to take my life, but it also made me feel very uncomfortable."

"Because the toxins have been lingering in my body, they would wander around my body every night. It was so painful that I couldn't sleep, so I had to drink alcohol to ease the pain every day."

Yu Donghai shook the wine jar and said with a smile, "This thing is my life-saving medicine."

Looking at the smile on Yu Donghai's face, Yu Huang was unable to smile. The reason why the original owner of the body was forcibly taken away from Yu Donghai was because Yu Donghai was alcoholic, and his legs were crippled.

But who knew that the reason he was reduced to such a state was all because of her?!

Yu Huang suddenly stood up and hugged Yu Donghai's shoulder.

The man's body under her arm was so thin that it made one's heart ache. It was as if there was only skin on his bones.

Thinking back to how her father used to be a well-built man, now that he had been tortured by his illness for so many years, Yu Huang felt both anguish and hatred.

If it wasn't for that despicable villain Yin Mingchong, how could Father have fallen from being a respected Supreme Master to being a poor person!?

Yu Huang hated Yin Mingchong to the extreme!

At this moment, the thought of becoming strong was deeply rooted in Yu Huang's mind.

Since she was destined not to be a Beast Tamer, she would become a Purifying Spirit Master!

No matter what, she had to become stronger!

Yu Huang knelt in front of Yu Donghai and stretched out her finger to swear to the heavens. She said, "I swear that I will work hard to become stronger and bring Father back to the Yin Clan!"

“One day, I’ll personally chop off Yin Mingchong’s legs and bury them with you! I’ll make Yin Mingchong admit his crimes in front of the entire clan!”

“I also want him to know that not only is he not Yin Mingjue’s match, but he isn’t even qualified to be a match against Yin Mingjue’s daughter!”

She would make Yin Mingchong pay tenfold for the harm she and her father had suffered!

## Chapter 32: The School Emblem of the Divine Realm Academy

Yu Donghai stared blankly at Yu Huang while tears glistened in his eyes.

The girl in front of him appeared so fragile, but her eyes were filled with unyielding determination.

Perhaps she could really bring him back to the Yin Clan and expose Yin Mingchong’s crimes!

Yu Donghai was suddenly filled with anticipation. He slammed the table and was unable to conceal his excitement as he said, “Good! I will wait for that day to come!”

Yu Donghai held onto the table as he stood up. He walked towards Yu Huang’s room with his walking stick.

Yu Donghai opened the wardrobe and took out a bronze badge from a secret drawer.

The badge had a pair of wings and a double snake scepter displayed on it. It was shaped like a shield. On the top of the badge, there were three small words engraved with bronze—

Divine Realm Academy!

Yu Donghai stared at the badge with a nostalgic gaze for a long time before using his finger to brush away the dust on it. He then took the badge and walked out.

“Reach your hand out.”

Yu Huang obediently stretched out her hands and received the badge from Yu Donghai.

She lowered her eyes. When she saw the design of the badge, she exclaimed, "This is the school badge of the Divine Realm Academy?" Today, Sheng Xiao had the same school badge on his chest. Yu Huang had a deep impression of it.

Yu Huang flipped the school badge over and saw the words "Yin Donghai" written on its back. These words appeared especially bright after the badge was rubbed. Clearly, its owner took good care of it.

"Yin Donghai... this is your real name? You were also a student of Divine Realm Academy?"

Yu Donghai nodded his head with some pride. He said, "I was originally a poor citizen of a small country. Because of the war, when I was five years old, I escaped to the Divine Moon Empire with my family. During the process, my mother fell seriously ill. In order to raise money to treat my mother's illness, my father could only sell me to human traffickers at a low price of 20,000. I was brought to the slave camp by human traffickers for auction. Young Master used 100,000 to buy me and gave me the name Dongzi. From then on, I became the Young Master's personal servant."

Although the Holy Spirit Continent had far more technological power than Earth, this world was still in the era of imperial power. 150 years ago, it was very normal for rich people to buy a few slaves for them to order around.

Because slavery was so inhumane, the Divine Moon Empire officially decided 50 years ago to abolish slavery, but there are still some countries that can legally traffick slaves.

"At that time, slaves had no human rights and were not qualified to take the beast master awakening test. Even if a very small number of slaves awakened to their beast form, their masters would not send them to a formal beast master academy to receive learning, and there were even tragic cases of slaves being killed by their masters for awakening to their beast form."

Upon hearing this, Yu Huang frowned and pointed out the truth mercilessly. "Because once a slave becomes powerful, the master will suffer."

"Yes." Very few masters would treat their slaves kindly. When they realized that their slaves had awakened their beast form, their masters would naturally think of ways to kill their own slaves.

Yu Huang asked Yu Donghai, "When did you awaken your beast form?"

Yu Donghai said, "13 years old."

That was something that happened a very long time ago, yet Yu Donghai clearly remembered what happened during that period of time. He said, "At some point in time, I awakened my beast form. After discovering that I had awakened my beast form, I was

worried that if my abilities were too strong, it would bring about a fatal disaster, so I had been hiding my strength. But the Young Master was very smart, so he quickly discovered my abnormality.”

“After the Young Master found out the truth, not only did he not punish me, he even gathered all the servants in his courtyard and publicly erased the slave imprint on my body. He even bestowed my surname to Yin and named me Yin Donghai.”

From that day onwards, Yu Donghai removed the label of a slave from his body and became a free man. He originally thought that meeting Yin Mingjue would be the start of his descent into hell. He never expected that Yin Mingjue was not his hell, but heaven.

“Not only did the Young Master restore my freedom, but he also personally wrote a letter of recommendation for me, allowing me to participate in the Beast Tamer Competition and successfully enter the Divine Realm Academy!”

To Yu Donghai, Yin Mingjue was no longer just a ‘young master’. He was Yu Donghai’s second parent, and Yu Donghai regarded him as a god.

“I see.” After hearing Yu Donghai’s explanation, Yu Huang finally understood why Yu Donghai was so loyal to Yin Mingjue.

However, Yu Huang didn’t understand Yu Donghai’s intention in giving this item to her. She said, “Since this item has a deep meaning to you, you should keep it well. I can’t accept it.”

Yu Donghai said, “I gave it to you because I hope you can bring it to meet someone.”

Yu Huang subconsciously asked, “Who?”

Yu Donghai said, “Lin Jiansheng!”

Yu Huang felt that this name was particularly familiar, but she couldn’t remember where she had heard it before.

Seeing that Yu Huang did not have any impression of Lin Jiansheng, Yu Donghai could not help but clench his right hand into a fist and knock Yu Huang on the head. He said in an unpleasant tone, “The President of the Purifying Spirit Academy’s branch is called Lin Jiansheng. Don’t you know?”

Yu Huang widened her eyes. “Dean Lin?” That old man actually had such a nice name?

“Yes, it’s him. Back then, Lin Jiansheng was accepted by Divine Realm Academy as the second place in the national college entrance examination. He also had a school badge like this. This thing cannot be duplicated and is unique. It represents our identity. If you want to be a Purifying Spirit Master, you can take this thing and look for him.”

All these years, because he was worried that Yin Mingchong would notice his tracks and expose the truth that Yu Huang was still alive, Yu Donghai had been hiding his identity.

He had asked Yu Huang to bring the school badge to meet Lin Jiansheng, which meant that both of their lives were in Lin Jiansheng's hands. From this, it could be seen that Lin Jiansheng was someone Yu Donghai trusted greatly.

Yu Huang asked Yu Donghai, "Father, do you have a deep friendship with Dean Lin?"

Yu Donghai sneered. "He's just a scrooge! Who has a deep friendship with him?!"

Yu Huang was speechless.

Yu Huang stared at Yu Donghai's proud expression, and understood that these two people were indeed very close.

However, a person like Lin Jiansheng would not easily trust Yu Huang with just a school badge. Yu Huang told Yu Donghai her concerns. She said, "What if Dean Lin doesn't recognize the school badge and only recognizes people? This thing is just an object. He might suspect that I stole it."

Yu Donghai snorted coldly, and said with extreme disdain, "Then ask him, when is he going to return the twenty thousand dollars he borrowed from me when he bought the doll?" After saying this, Yu Donghai limped towards the bathroom.

Yu Huang was pondering over Yu Donghai's words.

When Dean Lin was young, he borrowed money from her father to buy dolls?

What doll? A Barbie doll or a sex doll?
