

## A/N READ THIS

---

Okay I really cannot handle how awesome all of you are! I updated the last chapter, went on a walk and went to my schools lacrosse game, and I come back to over 100 notifications on people who started my book, others who read the last chapter, and its just all so amazing!

8 votes in 5 hours deserves a double update! So a er this not, I am going to go through the next chapter I have ready and make sure the grammar is all set then I'll update!

I had the chapter ready and I was going to wait a day or two but I just wanted to say thank you to you all for reading my book, you really don't know how much I appreciate it.

When I started this I really didn't think this many people would read it or even enjoy it! It was just something to try at the time so I figured why not!

Love you all so much!

Also not many people seem interested in The Powerful Mate, should I put it on hold until I finish this book? Probably 10-15 more chapters in this book!!
