

Silly Teen

Chapter 16

The so-called cigarette store is a kiosk that illegally sells cigarettes to students, and is also a gathering place for delinquent students in our school. As for the group of people who surrounded me, they were all Guan Dongxuan's people, and even those from our class, were among them. Guan Dongxuan watched me being surrounded and also turned his head and sneered at me.

"Jin Chao, I have tried my best to help you do things, but it didn't work, and still rely on me?" Guan Dongxuan then asked at me.

"Not so Brother Xuan, I also did not mean" I hurriedly said.

"Then what do you want? I've been annoyed with you all morning, if not for the sake of the past, I would have smoked."

Guan Dongxuan mouth with a cigarette in the drink sound.

"Brother Xuan, I just want to ask, the money, there is no left?" I gritted my teeth and said.

"Left over? I didn't ask you for the extra money, it's already good." Guan Dongxuan was impatient and waved his hand: "All right Jin Chao, you hurry up and get out. Otherwise, if you make me hang fire, I will really beat you up!"

Along with Guan Dongxuan's words, the people around, are looking at me intently.

Although I was a little scared in my heart, but I still did not leave.

"Don't you want to get out?"

Guan Dongxuan was really angry.

"Jin Chao, I think you really have itchy skin and need to be beaten up, right?" Our class, who followed Guan Dongxuan, just gave an angry cry at me. I gave him this drink, subconsciously is want to step back. But I gritted my teeth and continued to stand in the same place. As long as the 1,300 can be returned, even if they beat a beating.

You know, this one thousand three, can be equivalent to three months of my pocket money ah!

And Uncle Chen's salary, is not particularly high. Am I just going to stand by and watch the money that Uncle Chen got with his blood and sweat go down the drain?

"Guan Dongxuan, you guys are bullying Jinchao again, right?" Guo Xuefu suddenly appeared and stood out to help me speak.

"Cut, we bullied him?"

Guan Dongxuan gave a disdainful smile.

"If you guys aren't bullying him, why did you get so many people to surround him?" Guo Xuefu was about to come up and 'save' me from going out.

But I still stood my ground.

And Guan Dongxuan went along with my reaction and said to Guo Xuefu, "Guo University Committee, did you see that? It's this guy who doesn't want to go at all, not what I did to him."

When Guo Xuefu heard that, he immediately focused his eyes on me: "Jinchao, what are you still standing here for? Go!"

But I shook my head and said.

"Xuefu, you also do not care about this matter. I have something I want to discuss with Brother Xuan."

But when Guan Dongxuan heard it, he waved his hand and said, "I have nothing to discuss with you, get lost."

His words immediately made Guo Xuefu unhappy: "Guan Dongxuan, we are all in the same class, your tone can not be better? And usually Jin Chao has helped you so much, and as a result, this is how you treat him?"

Guan Dongxuan said in response to Guo Xuefu, "I just see him usually obedient, so I did not do anything. Otherwise, I would have killed him!"

Guo Xuefu's face also turned gloomy. Guan Dongxuan did not want to continue to dwell on it, just turn around and walk away. He left a group of his disciples, surrounded by us. Guan Dongxuan's words, is also let me completely cold heart. And then I, too, was dragged away by Guo Xuefu.

I looked at Guan Dongxuan's attitude, and naturally I knew that it was almost impossible for me to recover some of my losses.

Guo Xuefu dragged me to the entrance of the school, and asked me anxiously what was going on.

I was under her urging, my heart was also a tangle. But I thought about it, and finally told her about it. But after she heard it, her whole body was frozen: "Jinchao, how can you be so stupid? This kind of thing, you can just find the teacher ah, why do you need to find Guan Dongxuan?"

She said that I was obviously cheated by Guan Dongxuan.

And this matter also has something to do with her, and she also wants to try her best to help me out. It's just that we have different ideas from each other. I know, this kind of thing to go to the teacher, certainly not very effective, so will put hope in Guan Dongxuan's body.

Guo Xuefu could not understand my thoughts.

"Jinchao, what the hell are you thinking? This is 13,000! If you don't go to the teacher, can you still ask for two from Guan Dongxuan's hand by yourself?"

But I listened to her words, but I still stuck to my idea. I definitely will not go to the teacher until I have no other choice.

And Guo Xuefu is obviously exasperated by my persistence, she dropped a sentence: "Forget it, I'm too lazy to care about you!" That's how she turned around and left.

I sighed and went back home. Because Uncle Chen is in the unit at noon, so I usually cook my own food. In the process, Uncle Chen also asked me two days from the bank withdrew more than a thousand out, is something happened?

But this, I and Uncle Chen have to hide.

My bank card is opened in Uncle Chen's name. I also naturally know that I take money, Uncle Chen can certainly receive text messages. And this, I am also early to think of an excuse to deal with. When I went to the school in the afternoon, Guan Dongxuan was surprisingly still like no one else, and a few of his little brothers playing around.

"Brother Xuan, I want to talk to you."

I once again approached the door.

The first time I saw him, I was a little angry: "My day, you are not bothered ah? The line really want to talk, right? And I come to the toilet a trip!"

"Yoo-hoo, there's a good show!"

A few of Guan Dongxuan's minions said on the side.

I followed behind Guan Dongxuan, so I left the classroom with him. I don't know for what reason, Guo Xuefu hadn't arrived at the classroom yet. If she looked at this scene, I'm afraid she would have stopped me. And when Guan Dongxuan walked into the toilet, there was already a delinquent student smoking inside.

"Dongxuan, what's wrong?"

The person on the side asked as he smoked a cigarette.

Guan Dongxuan rolled his eyes and said.

"Sh*t, it's not this stupid bastard Jin Chao? It's not enough to bother me all morning, but he's coming for me this afternoon."

I lowered my head and said weakly: "Brother Xuan, after all, this is not a small amount of money ah"

"Oh, so what?"

Guan Dongxuan sneered at me.

I said in front of so many people, bravely, "Brother Xuan, you did not help me to get things done, how should I also return half of my money" I think so."

But Guan Dongxuan heard, directly is a big mouth on my face.

And Guan Dongxuan's little brother followed closely behind. A few people on the side worried that the movement in the toilet would bring in the teacher, and also after they played for a while, blocked Guan Dongxuan them.

Someone also advised me in the process, saying that since I was begging Guan Dongxuan to do something, even if things didn't work out, but I can't do that! And they were simply helping Guan Dongxuan to speak, helping him to establish the so-called moral high ground.

"Jin Chao, I'll tell you the truth. Money, I will not give you a single cent!"
