

Chapter 27

As Uncle Chen said that, he just punched the flesh and took a swing at Guan Dongxuan's dad. But Uncle Chen also picked a place, and did not start the fight in the office. Uncle Chen's one-sided beating of Guan Dongxuan's father was not as unpleasant as a street fight, but was instead a bloodbath.

The most anxious person watching this scene was Duan Chang.

The teachers at the side just watched, and did not come up to stop the fight. It was only when the head teacher greeted them that a few male teachers rushed forward to stop them. But by the time they came over, the fight was basically over!

"I'll tell you one last time. Chao is not a bastard! If you still dare to say that, I will still dare to beat you up like this!" Uncle Chen gasped and said with a cigarette in the corner of his mouth.

"Chief Guan, are you all right?"

"Hurry up and call the police!"

Between their words, I followed Uncle Chen's lead and left. I was a bit worried in my heart. But in comparison, Uncle Chen's attitude, it was very bland. He exhaled smoke rings, and he told me that it was fine, and also told me not to worry so much.

But after all, Guan Dongxuan's father is the 'chief', while Uncle Chen is just a 'piece of police'.

If Guan Dongxuan's father really pursued the matter, I'm afraid Uncle Chen would be in a lot of trouble too. And in response, Uncle Chen's expression relaxed and subsequently told me that he was backed up by my Uncle Xu. Uncle Xu is a police commissioner and will definitely not let Uncle Chen leave the police station.

But I was still worried and rushed to him to ask about the suspension.

"Ah Chao, you really shouldn't worry about it. Your Uncle Xu didn't really suspend me, he just gave me a week's leave to rest for a while." This was how Uncle Chen explained to me.

"Is that true Uncle Chen?"

I asked with some doubt.

"What, you don't believe in Uncle Chen's words anymore!" Uncle Chen was looking at me with some amusement. I knew that Uncle Chen was still angry in his heart, but he didn't want to bring his negative emotions to me when he faced me. So, he was smiling and talking to me as much as possible.

Uncle Chen drove me back and he told me not to go to school for the next two days and to rest at home.

Then Ms Lin did call me, and Uncle Chen answered the phone, which meant that he took time off with her. I sat at the desk in my room, thinking back to what had happened earlier, and I was even more angry.

Although Uncle Chen's beating of Guan Dongxuan's father had taken the edge off my anger. But as a result, Uncle Chen had to rest at home for a week. After thinking about it, I decided to go and talk to Guan Dongxuan. I wasn't so afraid of him anymore, and it was something that I had to face.

I told Uncle Chen that I was going out for a break and that was when I walked by the school before school ended in the afternoon.

I sat in front of the cigarette shop and just waited for Guan Dongxuan and the others to come out.

"Crap Brother Xuan, isn't that Jin Chao sitting there?" Guan Dongxuan's little brother, recognized me from afar.

"Shit, it's true!"

"He and his uncle ran out of school in the dust, and he dares to show up after school? It's like looking for death!"

"Let's go, go over and take a look."

Guan Dongxuan looked at me with a grim face and came towards me. I looked at him and also stood up from the bench. He stood close in front of me with a cigarette in his mouth and took a sharp puff before spitting the smoke in my face.

"Jinchao, you can do it. I'm still angry, and you dare to show up." Guan Dongxuan was in no hurry to make a move on me.

I said to him calmly, "I didn't come here at this hour to find you, but I want to settle this matter properly."

Guan Dongxuan's people were standing aside. There were even a few people from other classes who then came over to ask about the situation, with cigarettes in their mouths and some personalities painted on their bodies. If this were usual, I would have been too much of a wimp. But I had, in my heart, more or less the strength to fight it because of Manager Xu.

"Oh, want to solve it? What's your solution then?" Guan Dongxuan then asked at me.

"No trouble for each other!" I said straightforwardly. But Guan Dongxuan froze for a moment as he listened to my words. The juniors beside him also laughed mockingly.

"No trouble for each other?" Guan Dongxuan also laughed openly, "Jin Chao, are you a stupid-cunt?"

"That's right, that's right, it's simply laughable."

"Jin Chao, are you out of your mind? Don't you still know the difference between you and Brother Xuan?" Guan Dongxuan's little brother asked me, and then he added emphatically, "When you're in front of Brother Xuan, only he'll find trouble with you. Just you, you still want to find trouble with Brother Xuan? What an international joke!"

They all looked very unconvinced as they listened to my words. Even those people on the side were looking at my words, and they were all looking at me like I was a fool.

“You guys don’t believe me either. Don’t you guys know what happened yesterday?” I asked back at them.

“Wasn’t it just you who got beaten up?”

“You know better than to ask!”

“Aren’t you still injured here?” From their reaction, it was clear that they just didn’t know anything. Even Guan Dongxuan was the same.

And their reactions were also making me a bit confused Cao Ge shouldn’t have not told them ah.

“Jin Chao, look at your appearance. Don’t tell me that it was Cao and the others who were beaten up yesterday.” Guan Dongxuan just rushed to me and asked.

“Hahahahaha, how is that possible!”

“Brother Xuan, just don’t joke about it. Just a guy like Jin Chao can beat Brother Cao and the others?” Guan Dongxuan’s little brothers were also very unbelieving.

But I said to them, “What if I tell you guys that Cao Ge was really beaten up yesterday?”

They froze for a moment as they listened to my words. But they looked at me so seriously that they rushed to ask me about what happened yesterday. I didn’t explain too much to them, I just said, “The beating Cao Ge got yesterday was by me! And he didn’t dare to resist!”

And as they listened to my words, they even looked at me with great surprise.

The eyes of them that followed gradually changed from surprise, to weirdness, followed by a burst of laughter. How could they not believe that with a ‘little man’ like me being able to press Cao Ge and the others into a fight?

“Jin Chao, you’re blowing too much out of your bull, aren’t you?” Guan Dongxuan’s little brother asked at me with a big laugh.

“It’s simply laughing my ass off”

Guan Dongxuan covered his stomach and laughed.

“You guys don’t believe me yet.”

I said insistently.

But once Guan Dongxuan heard that, he looked at me with a serious look all of a sudden, “Jin Chao, I don’t care to listen to your bullshit here either. Don’t you want to settle this matter? Fine, now kneel down for me in front of everyone!”

“I won’t!”

Uncle Chen was already under pressure to help me out in the morning. If I kneeled down for him, then all that Uncle Chen had done would be for nothing.

“Oh, don’t you force my hand.”
