

Silly Teen 51

Chapter 51

I responded to her awkwardly, “Ms. Lin, let me explain. It’s just that something happened on our way back

“What’s the matter? Where’s Guan Dongxuan?”

“He was taken away by my friend, the very pretty woman who was by my side the day I returned to school.” I said hurriedly. But as Teacher Lin listened to my words, her expression dropped even colder.

“Do you want to explain anything else?”

Teacher Lin then asked me.

“Teacher Lin, I’m really telling you the truth, can you believe me?” I became anxious at once.

“It’s useless for me to believe your words, go and explain to the police.” That was all Ms Lin said. After she dropped these words, she simply turned around and walked away. I looked at her back, but my whole body froze in place raw. I wanted to chase after her, but I felt even more powerless.

This feeling was the same as when I met Guo Xuefu at the entrance of the Internet cafe at noon. I was so frustrated, but there was nothing I could do about it.

I continued to call Xu Ying, but her call was still not answered.

When I arrived at school the next day, Guan Dongxuan still hadn’t come to school. It was during recess that I was called to the office by the class monitor, Chen Xuan’er. In the office, there were already police officers waiting for me. The policemen were not from Uncle Chen’s office and did not show any favouritism to me.

They asked me, face to face, to tell them everything that had happened yesterday. They also asked me where I had found Guan Dongxuan.

They wanted to know exactly where Guan Dongxuan was now.

But I couldn’t give them a favourable clue, I couldn’t give them Xu Ying’s phone number!

“Student Jin, what are you hiding? If it’s true that it was you and your friend who found Guan Dongxuan and rescued him. Then why do you just refuse to give them the contact information of that friend of yours? Don’t you know how serious this matter is, really?”

Those policemen said very seriously.

“I really can’t say anything!”

I responded through clenched teeth.

“Why?” The policemen prodded me.

“I have my own concerns. All I can do, right now, is wait for her to contact me. I can’t reach her even now.” I then spoke to the policeman. All the while, Ms. Lin, who was listening to me, was always looking

at me with her arms around her chest. She had a look in her eyes that totally saw me as the bad guy in general.

“But if anything happens to Guan Dongxuan, do you know what kind of nature you belong to?” The policeman was warning me in a very serious manner.

In response, I was nodding my head.

Because of Uncle Chen’s presence, I basically had an understanding of these legal knowledge, basically. I knew that I was hiding something and that if something went wrong, I would also be held responsible. But at this point, I really can’t say anything!

The police officers at the side were very anxious when they saw that I was not saying anything, but they could not do anything about it.

It was because of this incident that the school called Uncle Chen over temporarily. Uncle Chen asked me what had happened, and I took him outside the office and explained the whole thing to him. Uncle Chen listened to my words and looked grave.

Uncle Chen could not find any good solution for the time being, and we could only wait for Xu Ying’s call.

But it was the process that the gang of policemen who came to the school had to be the ones to take me to the police station for the time being. This was a necessary process for them, and both Uncle Chen and I could understand it. I was sitting in the chair, and the policemen at the side were constantly setting me up to say what they wanted.

But I just didn’t say anything.

I was still waiting for Xu Ying’s call.

But Xu Ying didn’t know what she was doing, and she didn’t call back until late at night. And this made me feel even worse inside. After Uncle Chen got off work, he also brought me a midnight snack. It was almost 12 o’clock when the police officer in charge of the case suddenly came over.

He suddenly said to us, “This case has been closed, you can go back to rest.”

“Case closed? What happened?”

I was stunned for a moment.

“We don’t know exactly. But the victim’s father’s family called and took the initiative to have the case dropped.” The policeman was explaining to me.

“Come on Ah Chao, let’s go back.” Uncle Chen led me to stand up.

“Uncle Chen you said, the case is closed, does that mean Guan Dongxuan has come back?” I just asked at Uncle Chen.

Uncle Chen shook his head and said, “That’s not necessarily true. It’s possible that they were forced to cancel the case because of other things. It’s impossible to say.”

I would have to wait until tomorrow when I arrived at the school to find out exactly what was going on. I arrived at school early, having not slept much all night. But even though I had waited for more than half an hour until the class was about to start, Guan Dongxuan still did not appear.

I asked Mr. Lin for Guan Dongxuan's father's phone number and called him with great trepidation. But Guan Dongxuan's father recognised my voice and didn't tell me anything.

Guan Dongxuan didn't come for a day, didn't come for two days even, his seat was empty for a week long in a row!

Teacher Lin really couldn't help himself and found me in private. I was questioned, "Jinchao, where is Dongxuan? Why hasn't he come to school yet? And that friend of yours, what is she really about? What does she want with Guan Dongxuan? Hasn't she even contacted you in the past few days?"

I listened to Ms. Lin's barrage of questions, and I shook my head with her in a pang.

"What do you mean by shaking your head?"

"It means I don't know!"

"Jin Chao, tell me the truth, did you or did you not collaborate with others and kidnap Guan Dongxuan?" Teacher Lin asked at me very seriously. Her words. She had already asked me once a few days ago. The question was asked again at this time, which made me freeze for a moment, and then I couldn't help but let out a long sigh.

"Teacher Lin, I am also very serious to assure you now. I, absolutely did not kidnap Guan Dongxuan!" I said very solemnly.

"Teacher Lin, if you don't have anything else, I'll go back to my class first." I said and was about to turn around and leave.

I was in a very low mood, and Teacher Lin looked at me as if I was going to leave and was trying to say something. But she still didn't say anything and didn't stop me from leaving. Because it was recess time, there was basically no one in the corridor. And as I walked, unknowingly, I came to the rooftop.

Xu Dazhi looked at my appearance and hurriedly welcomed me over.

A group of them were standing on the edge chatting and farting, and when they saw my arrival, they greeted me instead. My attention fell on Xu Dazhi, "Xu Dazhi, give me a cigarette"

"Huh? Chao, what did you say?"
