Chapter 78

Ouyang Xiaxue her father's sudden words, not only let Ouyang Xiaxue froze, also more let me startled. I hurriedly came forward and explained to her, "Uncle, this matter is not what you think I am not Xia Xue's boyfriend. I'm just an ordinary friend of hers."

"Haha, I didn't think crooked either, you don't need to be so nervous." Her dad laughed, which also relaxed me.

"Come on, come in." He said and welcomed us in, pouring me a glass of water as well.

I sat down on the sofa in the living room and surveyed the surroundings, although this small home was not large, it was extremely homely and homely. And it was between my sitting down that he looked at Ouyang Xiaxue and asked, "By the way Xiaxue, the clothes on you, why are they different from when you went out during the day?"

"Uncle, it's better for me to explain this matter to you." I looked at Ouyang Xiaxue's embarrassed face, so I stepped forward and said.

"Oh?" Her dad looked at me in confusion instead.

I took a sip on my glass of water and explained the matter clearly to her dad. And as her dad listened, his expression grew even more serious. Her dad sat next to me and couldn't stop smoking a cigarette. It was all about the vicissitudes.

"Eh, it's all my fault for being so old and still so useless that I couldn't even protect Xia Xue! At that time, I shouldn't have tried to be brave and had to get Xia Xue around. At that time, if I had let Xia Xue follow her mother. Her life now wouldn't be so miserable." Her dad said with great difficulty.

"Dad, please don't say that. I don't care how life is going. As long as our family is safe and sound." Ouyang Xiaxue hurriedly sat down beside her dad and grabbed his hand, her eyes couldn't help but get a little red.

"But you're an adolescent girl too. But your requirements, dad many can not meet ah still have to let you go out to work to earn money. I really am" her dad said, and couldn't help but lower his head even more.

"Dad, don't say that, okay! I went out to work, that's what I wanted to do!" Ouyang Xiaxue cried.

I watched from the side, but was touched by their emotions.

I didn't interrupt them.

Instead, because of their situation, I thought back to my dad. Thinking back to when I was five years old, my dad grabbed bread from the mini-mart because I was hungry. Biscuits and water. He, for one, was just trying to fill my stomach. More so because I had been hungry for days at the time.

And every time I think of my dad and recall what happened when I was five years old, I have trouble controlling my emotions.

I even wanted to be like Ouyang Xixue, crying and letting out the emotions inside me as well. But I couldn't! It was only because my dad had repeatedly stressed to me that a man should not cry lightly when he has tears!

"Xixue, you're a good boy. It's just that Dad is sorry for you." Her dad said in a very painful way.

"Dad, it's really alright!"

Ouyang Xixue stressed once again.

"By the way kid, thank you so much for what happened today. If it wasn't for you, Xixue would have been today." Ouyang Xixue's father's words were interrupted by me.

I didn't let him go on: "It's okay uncle, as long as she's okay Right uncle, this matter, what are you going to do? I'm not sure if I'm going to be able to get the Golden Cross to intervene."

Those people are socialites, even if they go in, their people will still come to the door. Then when that happens, I'll be even less able to protect Xia Xue."

"Dad, why don't we leave here and go to another city?" Ouyang Xixue suggested.

But her dad shook his head and said, "No. Since I was a kid, I've been taking you around for so long because of me. What's more, you are now in high school, which is the most crucial period. If it affects your education and your life, I will regret it even more!"

"It's okay, Dad. Even if I go to another city, I will definitely be able to guarantee my studies." Ouyang Xixue said very seriously.

"No, I don't promise!"

Her dad said through deadly clenched teeth.

"Uncle, otherwise how about this. I usually don't have anything to do after class, I can go pick up Xixue." I stood up and said, even more so because I was a bit overwhelmed. The original me, helping Ouyang Xixue was more because I was just 'seeing injustice in the road'. But at this moment, I was truly touched by them.

And I am now considered capable.

I really intend to help Ouyang Xixue!

"Uncle, I know some people on the outside too. If something goes wrong with Xixue, I can help. If we really can't solve it, my uncle is still a police officer. I can ask him to step in and help us out." I was afraid that Ouyang Xixue's father would not agree, so I hurriedly added.

Her father was even more hesitant as he listened to my words.

According to my thought, maybe he mistook me for those delinquent students who were just like the gangsters after listening to my words.

I even told her dad about my situation, even the fact that my dad was still in prison, in order to make him believe me. And they listened to me with amazement.

“Uncle, as long as I am here, I will protect Xia Xue as much as I can!” I said very solemnly.

“But it’s too much trouble for you.”

Her dad’s expression was clearly hesitant.

“It’s okay. And when something like this happens, I have a better solution than you do.” I was afraid her dad wouldn’t agree.

“But why are you so determined to help Xia Xue?” Her dad was a little suspicious of my motives.

“Because because Jin Chao is my boyfriend!” Ouyang Xixue suddenly said so.

Her words were so raw that I froze.

How could I not have expected that!

“He’s your boyfriend?”

Her father looked at me suspiciously instead.

“Yes! We we’ve even kissed.” Ouyang Xixue was proud of herself in front of her dad and had nothing to hide!

“And did it have sex?”

“Dad, what are you talking about? We’re both still young!” Ouyang Xixue lowered her head in shame and pouted even more.

“It’s not like I’m an old curmudgeon, your father. Think back to when your-mother was that age, she was already married to me. What’s having sex?” Ouyang Xixue her father broke into laughter instead.

For a while, the atmosphere in the room also eased.

And while Ouyang Xixue her father laughed, he turned his head to look at me and asked me, “Son, your name is Jin Chao, right?”

“Yes, uncle.”

I said with a nod.

“It’s getting late, why don’t you call home and rest at my house for now?” Ouyang Xixue’s father suddenly said. His words immediately made me dumbfounded.

Did he really take me as Ouyang Xixue’s boyfriend?

“If you sleep, Xixue’s room”
