

I Am Born With A Silver Spoon Chapter 114

“Mom! No!” Zheng Yue was stunned when she saw this.

Her eyes widened and she quickly stopped her mother, but it was too late. The water had been splashed out.

Chen Hao didn't have time to dodge either.

Fortunately, her mother missed the target. The cup of hot tea only managed to land on Chen Hao's body.

Chen Hao was drenched at once and he was covered with tea leaves.

“Hmph, a person like you is not worthy of my daughter! Get away from her!”

Zheng Yue's mother angrily smashed the cup on the ground.

By doing so, she was giving off a message.

She wanted to let the Jiang family know that Zheng family was absolutely sincere.

As for the loser Chen Hao, she was too lazy to care about him.

“Hmph, you deserve it, Chen Hao. Raise your head, I want to record a video of you so that the whole department knows that you are a disgusting loser. Haha!” Jiang Weiwei laughed in relief.

Jiang's family also sneered.

Chen Hao never thought that Zheng Yue's mother would do this.

To what extent did she hate him for her to splash the tea on him in public?

With his hands, Chen Hao carefully picked the tea leaves on his body.

His eyes scanned everyone in the room furiously, especially Jiang Weiwei.

“Wei Wei, do you think I'm really poor? What would you do if you found out that one day, I was not poor but actually very rich?”

“And the rest of you, your behaviour of despising the poor and currying favor with the rich is disgusting. Just because someone is poor, it doesn't mean that they are not human beings. Why are you so arrogant? If you found out that you were the poor losers in my eyes, what would you do then?”

Zheng Yue thought Chen Hao was going to get angry, but his voice was surprisingly indifferent.

“Hahaha!”

“Chen Hao, you are a fool! You are going crazy thinking about money! You think you’re very rich? Oh please! I’ve recorded what you just said, so let’s show the world what an embarrassment you are!” Jiang Weiwei held her stomach and laughed with derision.

“Zheng Yue, is this person really your boyfriend? Haha, you still treat him as a human? Just look at him, does he look like a human? Poor scum, this kind of person should just die on the street for good. He is poor now and will always be poor for the rest of his life. He will never be successful!”

“You’re right! Look at his clothes. Zheng Yue, I know that you might be blinded by love, and I understand that. Well, Uncle Jiang managed to get three tickets to visit the outer section of the villa. Isn’t there an event at Hot Spring Villa today? Let Ziqiao and Weiwei accompany you. Go have fun together. Oh right, you used to be a supervisor in the villa right? You have to bring Ziqiao and Weiwei around!”

Jiang Ziqiao’s mother chimed in.

It looked like she knew how to handle things.

“1...”

“Just go, don’t mind me!”

Chen Hao said lightly. Zheng Yue wanted to shake her head, but she was too scared to refuse when she heard his tone.

Chen Hao finally understood that it was impossible for him to lead a simple college life.

There’s always someone out there looking for trouble!

There’s always someone out there looking to mock me!

In that case, there’s no need for me to submit to them.

At this time, Chen Hao reached into his pocket and wanted to take out a tissue to wipe his shirt.

With a thud, his Lamborghini car key fell out as he pulled out his tissues.

He really did not do it on purpose.

Chen Hao didn’t mean to prove them wrong in this way.

He reached out his hand to pick up the key.

“Oh! A car key? It looks weird!”

Before he could touch it, Jiang Weiwei had picked it up.

She looked at it closely.

“Pfft!” Finally, she scoffed.

“Oh dear! It’s a Lamborghini car key. My God, Chen Hao, do you drive a Lamborghini?”

“Haha, this car key is fake. Lamborghini keys don’t look like this!”

At first, Jiang Ziqiao was shocked.

However, when he looked closely, he smiled.

This car key was obviously different from the others. It looked like a controller with the logo of Lamborghini.

To be honest, not many people have seen this car controller.

Therefore, Jiang Ziqiao and Jiang Weiwei couldn’t be blamed for having this reaction.

“Hahaha, Chen Hao, I can’t imagine an idiot like you valuing your vanity this much. You even bought a toy car key. Please, if you want to amaze people, can’t you use a more realistic one?”

“I really don’t want to talk about him. Brother, let’s go to Hot Spring Villa in your Maserati. Zheng Yue, let’s go!”

“Hmph! Chen Hao, from today onward, the most disgusting person in our department is you! You should get lost immediately!”

Bang!

Jiang Weiwei threw the Lamborghini car key in front of Chen Hao.

Zheng Yue didn’t dare to go against Chen Hao, so she left reluctantly.

“Mr. Zheng, why don’t you follow us and have a look at Ziqiao’s new car?” Jiang Weiwei’s father suggested.

“All right, let’s go together! Damn, get out of my way!”

When Zheng Yue’s mother walked past Chen Hao, she gave him a hard shove.

“Sigh!”

Chen Hao exhaled heavily. He picked up the car key and followed them out.

In that case, he didn’t have to tolerate anyone anymore...

When he walked out, Jiang Weiwei and the gang hadn’t left. They had surrounded the Lamborghini Reventón while discussing heatedly.

“Oh dear! This is the one. Brother, do you know? I’m telling you, this car belongs to a rich tyrant in our college! Oh my gosh, he must be here! He must be eating in this restaurant!”

When Jiang Weiwei saw the car, she jumped excitedly.

She had always wanted to know this rich heir of Jin Ling.

“Ziqiao, do you know what car this is?”

At this time, Jiang Ziqiao’s father and Zheng Yue’s parents came.

Everyone was shocked.

They hadn’t noticed this car when they came here just now!

One look and you could tell that this car was a luxury car.

“It’s a Lamborghini. I don’t know what model it is, but it should be more expensive than a Lamborghini Veneno! Such luxury!”

“Oh my God!”

The Zheng family and the Jiang family all took a breath of cool air.

“This is a Reventón. It belongs to a rich heir in our school!” Jiang Weiwei hastily added.

While she was talking, Chen Hao walked past them.

“Chen Hao, what are you doing?”

“This poor loser hasn’t left yet?” Jiang Ziqiao sneered.

“Yes, what is this poor loser doing in the parking lot?” Zheng Yue’s mother said.

“This poor loser is here to take his car. Everyone, see you!” Chen Hao smiled softly and pressed a button on his car key. Beep Beep!

The car sounded and the headlights flickered. The roof retracted automatically and turned into a convertible.

Chen Hao climbed into the car.

“What?”

Everyone was dumbfounded, especially Jiang Weiwei. She almost let out a high-pitched scream.

C-Chen Hao’s the owner of this car? So that car key was real! Is this car really Chen Hao’s?

The mysterious rich guy in the faculty is Chen Hao. He must be the superb Ordinary Guy too!

“Ah! Chen Hao, what’s going on? Is this car yours? Is it really yours?”

Instead of feeling as if she had been slapped, Jiang Weiwei felt as though a bomb had just exploded in her heart.

Her whole body was trembling and she was bewildered!

Disbelief spread across her face.

It can't be! He was just a poor loser! What's going on here?❓❓❓❓❓
