

I Am Born With A Silver Spoon Chapter 157

More and more people surrounded the scene.

On the other hand, Xu Dayuan was getting more perplexed.

He had only brought along his men to stop Young Master Chen. In the end, nearly half of Jin Ling, including the military, government officials and the people from the business world came here.

Even if his cousin Xu Haishan came, he would never be welcomed with a sight as grand as this!

On the other hand, Chen Hao felt that he should not stay here any longer as he was surrounded by many people.

If he continued to stay here, his identity would definitely be exposed.

In addition to that, nobody was taking care of the unconscious driver. So, after greeting the big shots, he gave some orders to Li Feihong who had just arrived.

Then, they carried the cab driver into a car, bypassed the crowd and sped to the hospital.

As for the rest of the matters, he believed that Li Zhenguo would handle it well.

“I’ll be damned. There really is a crowd here!”

At this moment, Li Shihan and the rest of them who were led by Ding Hao managed to squeeze past the crowd after expending a lot of effort.

When they saw the spectacular scene before them, they were shocked to their cores. Chen Lin and Li Shihan’s mouths were wide open.

“Isn’t that Li Zhenguo?” said Ding Hao proudly when he saw Li Zhenguo standing in the middle of the scene, looking formidable.

“Huh? You even know a big shot like Li Zhenguo?”

Chen Lin and Li Shihan were surprised by Ding Hao’s connections.

“Yes, I do. Remember when we went up to Yunmeng Mountain for our picnic? Actually, Young Master Chen from Jin Ling had brought along Mr. Li to inspect the surroundings of the village that afternoon. Then, they even signed a series of contracts.”

“Hehe, my father is the village’s accountant and he was appointed as the accountant of the Yunmeng Mountain Village development project. Naturally, he has to get acquainted with Mr. Li. Didn’t I tell you last Monday that I went to Hot Spring Villa? You guys didn’t believe me. Hah, my father really did bring me up there and he even asked me to give Mr. Li a toast!”

This was the first development project that Chen Hao was in charge of. Naturally, Li Zhenguo took it seriously, so he definitely needed to personally receive all relevant personnel.

“Hmph, we don’t believe that you went to Hot Spring Villa, not even if you beat us to death,” said the other two girls with a mixture of envy and jealousy.

“Haha, do you think I am exaggerating?” Ding Hao raised his eyebrows.

“Enough of this, lad. Don’t be so arrogant.”

“I’ll be damned. This young man really likes to pretend to be a smart aleck. As long as there is a grand spectacle, people like him will pretend that he understands the situation better than anyone else and tell everybody that he is acquainted with certain people and much more. Why do you need to pretend to be a person that you are not?”

“That’s right, if you have the guts, why don’t you go up and greet them? Drop your pretentious act!”

Before Chen Lin and the rest of them were able to question him, the onlookers beside them had started to ridicule him with contempt.

“Watch and learn then!”

Ding Hao did not bother to explain himself any further. With his hands in his pockets, he walked toward Li Zhenguo under the surprised gaze of the onlookers.

“Mr. Li, nice to meet you. I didn’t expect to meet you here,” said Ding Hao reservedly.

Li Zhenguo was stunned. Then, he looked Ding Hao up and down and asked, “Who are you?”

“My father is Ding Xiangqian, nicknamed Ding Kun [1]. He is the accountant of Yunmeng Village. We met each other last week,” said Ding Hao anxiously. He was afraid that Li Zhenguo had forgotten him.

“Yes, I remember now. You are Ding Hao. There is nothing here for you to inquire about. It would be best if you left as soon as possible and went back home.”

When Li Zhenguo heard the name ‘Yunmeng Village’, he took it seriously and even proceeded to shake Ding Hao’s hands.

Then, he asked Ding Hao to leave quickly.

“Oh my God! Shihan and the rest of you, take a look quickly! Li Zhenguo really knows Ding Hao.”

At this moment, Chen Lin was very excited.

If possible, she would have screamed at the top of her lungs.

“Yes indeed.”

Li Shihan looked shocked, but at the same time, she looked at Ding Hao with a whole new level of respect.

Ding Hao was looking extremely handsome at this moment. This made Li Shihan feel that all the excellent men she had met in the past were nothing compared to him.

At this moment, Ding Hao looked satisfied as he returned under the respectful gaze of the crowd.

“Ok, Mr. Li told me to ask everyone to leave as soon as possible. He said that something big might be happening soon. I think we better do as he says,” said Ding Hao with a smile.

“Ok, Ding Hao. We will listen to you!”

Everybody quickly nodded and left. They have all forgotten about the embarrassing incident whereby they were made to look like a fool by Chen Hao.

Chen Hao was nothing compared to Ding Hao. Hah!

On the other side, Chen Hao had already sent the just cab driver to the hospital.

As for his orders to Li Feihong—he had ordered him to look after the family of the cab driver and to send them some money to express his gratitude.

Chen Hao decided to wait until Li Zhenguo had completely settled the matter before going back to Su Ziyue’s place.

Just when Chen Hao was thinking about where to go, he saw that somebody had tagged everyone in the class’s chat group. It turned out to be their tutor, Meng Cairu.

“At 3pm sharp, the whole class must gather at Block B of the University Student Entrepreneurship Base in the University City. Everybody must be there!”

Chen Hao was stunned as he thought to himself, Why do we need to gather there?

Just when he was feeling puzzled, he received a call from Yang Hui.

“Chen Hao, where are you? Did you see the message in the group?”

“Yes, I saw it. By the way, what is happening?” asked Chen Hao.

“Damn it, it’s all because of Han Siyu. Even though SameCity Live Streaming app has been upgraded to Extraordinary Live Streaming app, Han Siyu still maintains her position as the leading anchor through the support of the Extraordinary platform. She has already set up her own studio and is going to hold an opening ceremony tomorrow. So, she wants us to gather this afternoon to see if there is anything we can do to help out.”

“Sigh! We still don’t know what kind of jobs we want to do after graduation. Look at Han Siyu. She already has her own company!” said Yang Hui with a sigh.

Chen Hao did not say anything and merely smiled.

One could say that he had single-handedly made Han Siyu famous. For now, she was considered the most successful student amongst her peers. Rumor had it that her monthly income was approximately a hundred thousand.

She was indeed superb.

As for Yang Hui and the rest of his roommates, Chen Hao definitely would not forget them. Furthermore, he still had many opportunities in the future to return the favor.

Now that he was embroiled in a heap of trouble, Chen Hao really did not want to join them.

However, since everybody in his class would be there, it wouldn't be nice if he didn't go.

"Ok, let's meet up at the entrepreneurship base then."

With that, he threw the car keys to the bodyguards and grabbed a cab back to his college.

When he arrived at the designated location, he was already late by half an hour.

"Chen Hao, you're late! But you are not that late either, haha!"

Yang Hui patted Chen Hao's shoulder.

"Something came up, so I was late. By the way, why are you guys waiting outside? I thought we were supposed to start at 3pm. I'll be damned! Why isn't the door open yet? Where is Han Siyu?" asked Chen Hao as he looked toward the entrance of the base where an independent workshop stood. Its doors were still locked.

"Sigh! She is a famous anchor now and an internet celebrity. So if students like us are told to wait, then we have to wait. Han Siyu isn't here yet," said Yang Hui jealously.

They were all from the same class and their starting points were the same. Alas, Han Siyu had become an overnight internet celebrity and was earning huge paychecks. It was no wonder everybody was envious.

"Han Siyu is here!"

Suddenly, one of the students shouted.

Following that, Han Siyu stepped out from a Ferrari. Immediately after that, a lot of guys who were just idling about suddenly surrounded Han Siyu as they wanted to have their pictures taken with her. Apart from that, they wanted to greet her as well.

Alas, Han Siyu ignored them. She only put on her sunglasses and under the protection of her assistants, she walked toward the entrepreneurship base.

When Chen Hao saw that Han Siyu had become a different person compared to before, his gaze shifted slightly...
