

## I Am Born With A Silver Spoon Chapter 193

Chen Hao didn't expect that the amazing friend that Wang Liang kept bragging about was Li Yue.

Then again, he should have known.

There were only a handful of people in the school who drove a BMW 7 series, one of them being Li Yue.

When Li Yue saw Chen Hao, his eyes were blazing with anger.

Firstly, he was completely humiliated in front of a group of girls at the breakfast cafe.

Then, his 'goddess' Qin Ya seemed to have a complicated relationship with this boy. For instance, the incident that happened yesterday.

Qin Ya had been talking to Chen Hao at the library. Then, she even told Li Yue that she wanted him to bring her out for a movie and dinner.

Yet, when they were out of Chen Hao's sight, Qin Ya got out of the car like she was a different person.

Damn, after Li Yue returned home and thought about it the whole night, he felt weirder and weirder. Then, he came to a question—was Qin Ya using him?

So from yesterday night till today, Li Yue was indeed a bit depressed.

He wanted to use this opportunity to get things off his mind.

But he didn't expect to run into Chen Hao again!

Therefore, he was angry.

Li Yue put on his best poker face and arranged Chen Hao and the others to their seats.

"Young Master Li, there's no need for you to fuss around. Wang Liang can arrange everything. We have troubled you too much for today. After all, you're a young master at a listed company. We couldn't have you doing such things!"

"Mrs. Xu, wouldn't you agree? Sigh, the thing about Wang Liang's friends is that all of them are so talented yet so humble. They must be very close to Wang Liang! And don't worry, the expenses will be paid by Wang Liang and Li Mei!"

Mrs. Li praised Li Yue as she talked to Mrs. Xu.

On the other hand, Mrs. Xu did not utter a single word since she entered the room.

She was boiling inside.

Originally, the two families had similar backgrounds in the city. If they were really being compared, Xu Xia's family was better than that of Li Mei.

Furthermore, Xu Xia herself was doing better than Li Mei too.

Which was why Mrs. Xu had been haughty throughout this trip.

Numerous times she had imagined the scene of her future son-in-law picking her up, and how jealous Li Mei would be when she saw him.

And in the end? In the end!!!

Mrs. Xu just wanted to crawl into a hole at this time.

It wasn't just Yang Hui's identity that was incomparable to that of Wang Liang.

His circle of friends was also extremely different.

Li Yue was definitely something but what about the two beside Yang Hui?

The one with glasses was Li Rui and he was alright, being somewhat observant.

But look at the one named Chen Hao!

He was just a loser! What kind of joke was this?

Sigh! There was nothing more to say!

Li Yue joined the conversation at this moment.

"Don't mention it, aunties. You guys are my seniors and we would definitely make sure that you have a good time in Jin Ling. As for the expenses, I can cover all of it."

Saying that was one thing; doing it however was another.

Li Yue saw the two pretty girls sitting beside Chen Hao, hence, he said that with the intention to impress.

"How will this do? Forget about you, Young Master Li, it still wouldn't be right if Wang Liang wanted to pay for all. Besides, if Yang Hui was in the same position, he wouldn't agree to it too, right?"

Mrs. Li eyed Yang Hui as she spoke.

"Yes, we've already agreed to split the bill!"

Yang Hui nodded his head dejectedly.

"Splitting the bill is good. I would like to try the best dishes in Jin Ling today!"

After Mrs. Li was done, she started to order a few specialties and let Mrs. Xu order a few as well.

Mrs. Xu's temper flared up. She was determined to order more than Mrs. Li did.

What? My daughter's boyfriend could afford it!

Gradually, including alcohol, this meal had already reached thirty thousand.

Yang Hui had already broken out in cold sweat.

Of course Chen Hao knew what he was thinking.

He jabbed Yang Hui's shoulder and indicated to him to look at his phone.

Just then, Chen Hao transferred twenty thousand to him.

And told him to relax.

Just when he was done, Chen Hao felt something was off. He turned his head around and damn! Zhao Yifan and Lin Jiao, who were sitting beside him, looked eagerly at him.

It turned out that Zhao Yifan and Lin Jiao were secretly watching his every move.

Right up until they saw Chen Hao transferring money.

Though the two were mentally prepared, they were still shocked.

Yes! As they guessed, Chen Hao was not poor. Instead, he was extremely wealthy!

They had only made assumptions before because there was no concrete proof.

But now, the two of them had seen it with their own eyes that Chen Hao was transferring money to another account.

The most important thing was the balance in his account. Though they could not see the exact figures, there was a series of numbers!

"Ladies, do you want to drink anything? Would you like some wine? I ordered it specifically for you guys. Relax, I'll drive you guys home afterwards!"

Li Yue looked at Zhao Yifan and Lin Jiao.

He believed that they had already seen his prowess.

However.

They replied in unison, "No, we don't need any drinks!"

Then, Zhao Yifan turned to Chen Hao and said, "What do you want to drink? I'll pour it for you!"

She directly ignored Li Yue.

Li Yue felt like he had swallowed a bug.

Damn, why? Why did his beloved 'goddess' even treat Chen Hao so well?

To be honest, Li Yue had never seen Chen Hao as a competitor.

But now, Chen Hao became his greatest opponent!

Unfortunately, Chen Hao did not return any of Li Yue's snide comments during the meal. Even when Li Yue tried to initiate a conversation with Chen Hao, Chen Hao only responded by shaking his head with a bitter smile.

This made Li Yue feel as if he was punching cotton.

He grew very anxious.

After they had finished lunch and paid the bill.

Xu Xia was making arrangements for accommodations and prepared to get a taxi.

At this moment, Li Yue said, "You don't need to take a taxi. Few of us came here with our cars. Wherever you want to go, we can go there together. Come on, let's go to the car park."

"Also, you two beautiful ladies. You guys can sit in my car. It's spacious and comfortable!"

Li Yue invited Lin Jiao and Zhao Yifan.

The two girls did not reply.

At this moment, they had all arrived at the car park.

Li Yue pressed his car keys and his car beeped.

He hopped in the car and started the engine.

He was just about to drive when his friend said, "Li, go slowly. The car to your right is too close. Go slowly!"

"F\*ck, does it matter? It's just a Phideon!"

Vroom!

Initially, Li Yue had planned to go slow. But when this friend cautioned him, his ego surfaced.

If he really drove slowly, what would that make him?

Then, he stepped on the pedal to reverse his car.

Bang!

Suddenly, there was a crisp sound.

Li Yue felt his car wobbled, the rear end had already scraped the car beside it and it was very serious!

"F\*ck!"

Li Yue hit the steering wheel and came out of the car in anger.

“Yue, what do we do?” Wang Liang said nervously.

“What are you panicking about? Call the owner of the car. Worst comes to worst, we’ll just throw ten or twenty thousand him!”

Li Yue said nonchalantly.

“No, Yue. Look carefully. It seemed like this car isn’t a Phideon but a Phaeton with letters on the license plate!”

“What?”

Li Yue became flurried in a second. The lowest price for a Phideon was three hundred thousand.

But a Phaeton was different. Though it stopped selling, the price for one was at least a million or two!

And after a careful inspection, it was indeed a Phaeton!

He’s screwed...???
