

I Am Born With A Silver Spoon Chapter 351

"It's you?"

"It's you?"

Su Tongxin and the girl spoke almost at the same time. Apparently, both of them were surprised to see each other.

"Yifan, who's she? Why does she look so familiar to me?"

One of the girls asked curiously.

Yes, the leader of the group of girls was Zhao Yifan.

"Oh, she is Su Tongxin, the only one from our school who got accepted to do an internship at the best television station in Hong Kong," Zhao Yifan said in a voice tinged with jealousy.

Being a student from the Broadcasting Department of Jin Ling College, Zhao Yifan had also been given an opportunity to gain real-life experience from various companies and organizations.

The Broadcasting Department consisted of thirty students. All of them would be assigned to television stations or press and publication companies according to predetermined quotas. However, only the student with the most outstanding academic results would be eligible to receive the best placement.

"Yifan, is she the girlfriend of your ex-boyfriend whom you have mentioned before?"

Several girls standing beside Zhao Yifan started to see Su Tongxin with different emotions in their eyes.

After all, they were besties. It went without saying that they would take Zhao Yifan's side.

At that moment, both Chen Hao's current girlfriend and ex-girlfriend were present at the same place and time. This itself was an awkward situation.

Zhao Yifan concealed nothing from her besties.

During the period of time when the girls just got to Hong Kong, they talked about literally everything among themselves. Mostly, their conversations revolved around boys and they had compared each other's boyfriends to their own.

In fact, Zhao Yifan's first boyfriend, Zhuang Qiang, was not in the same league as their boyfriends.

In hindsight, Zhao Yifan had even denied the existence of that relationship.

After all, she got into a relationship with Zhuang Qiang because of a misunderstanding. She had mistaken him as the one who had helped her. As it turned out, Chen Hao was the one who had helped her instead of Zhuang Qiang.

When she thought about it, it was unlikely that there were any other guys out there as excellent as Chen Hao.

Chen Hao was a very mature and humble guy. Zhao Yifan admired his temperament a great deal.

Although her relationship with Chen Hao merely lasted for a day, Zhao Yifan still claimed him as her one and only ex-boyfriend.

All of her housemates were shocked when they got to know about Chen Hao's true identity. They thought it was too bad to have missed out on him.

Hehe!

Zhao Yifan's heart started to ache at the thought of Chen Hao.

If those mishaps had not happened, she would have been part of a wealthy family by now.

But... Sigh!

Subsequently, the mention of Chen Hao's name was sufficient to put her in a gloomy mood for one whole day, and it made her feel like she was in a fog.

Therefore, she made the decision to go to Hong Kong in an attempt to avoid seeing things or people who might trigger her to think of Chen Hao.

Now, an indescribable emotion crept up at the sight of Su Tongxin.

However, that kind of feeling had already faded a lot compared to before.

"Are you and Chen Hao fine?"

Zhao Yifan asked with some arrogance.

"Yes, we're good!"

Su Tongxin couldn't help but feel slightly jealous at the sight of Zhao Yifan. After all, Chen Hao had confessed his feelings to Zhao Yifan before in one of the corridors at school because of some misunderstanding.

Although she knew that nothing had happened between them, she was still quite uncomfortable around Zhao Yifan.

So, Su Tongxin would rather not tell her that she was having a fight with Chen Hao.

"Great then! I wish the both of you well!"

With a smirk, Zhao Yifan looked as though she couldn't care less.

If their encounter happened a month earlier, Zhao Yifan would surely feel upset at the sight of Su Tongxin. She would be consumed by jealousy and envy.

She was envious of Su Tongxin who had taken her boyfriend away.

She had robbed her of the wealthy and luxurious life she deserved. After all, Chen Hao was interested in her in the first place.

“Hmph, we all know that you’ve gotten yourself a rich boyfriend from Jin Ling City. Our Yifan is not too bad herself. Young Master Yang from Hong Kong is interested in her. Both Young Master Yang and Young Master Chen are from similar prominent families which own listed companies. They are not too different from one another. On top of that, Young Master Yang graduated from Harvard!”

The other girls started making comparisons between the two guys.

They were trying hard to build up Zhao Yifan’s self-esteem.

“I see!”

Su Tongxin merely nodded her head.

This was what made Zhao Yifan decide to change.

Back then, she blamed herself for looking down upon Chen Hao, who turned out to be a rich second generation heir. This was the main reason why their relationship never took place.

She couldn’t be more remorseful of her attitude toward Chen Hao.

However, Zhao Yifan’s horizons widened after detaching herself from the circles of people in Jin Ling.

There were many other guys out there as excellent and as wealthy as Chen Hao.

Therefore, she didn’t have much feelings toward Chen Hao now.

“Ah! It’s the cruise ship!”

All of a sudden, one of Zhao Yifan’s besties jumped excitedly.

“That’s Young Master Yang’s cruise ship. Yifan, he is going to bring us around with his cruise ship!”

A very extravagant-looking cruise ship was seen floating on the sea.

A young guy dressed in a bathrobe with a glass of wine in his hand was standing on its deck.

He was probably the Young Master Yang that the girls mentioned.

“Young Master Yang is so dashing!”

“Exactly. Yifan is such a lucky girl. Through a simple tea party, she had gotten acquainted with Young Master Yang. Yifan, just accept him as your boyfriend!”

The girls were so excited that there were almost tears at the corners of their eyes.

Zhao Yifan did not say a word. She was staring at Young Master Yang, hair blowing in the wind, with a grin on her face.

Soon, the cruise ship docked.

Young Master Yang hopped off the deck.

“So sorry that I’m late, Yifan!”

Young Master Yang stared at Zhao Yifan with a smile.

“It’s okay!”

Zhao Yifan tucked a few strands of hair behind her ear delicately.

“Young Master Yang, when can we start the cruise ship party?”

The rest of the girls cried enthusiastically.

“We can start any minute... Huh?”

He ended his words with a distracted face.

He had caught sight of Su Tongxin, who was standing at the side. She was much more elegant compared to Zhao Yifan.

“Yifan, is this lady one of your friends?”

Young Master Yang took off his glasses at once and asked in shock.

“Nope, I think she is just some stranger who is strolling on the beach,” Zhao Yifan answered with a hint of annoyance.

“What a coincidence, pretty lady. How about you join us for the party on my cruise ship?”

Suddenly, Young Master Yang bowed slightly at Su Tongxin and acted gentlemanly.

“Thanks, but I think I will pass!”

Su Tongxin gave an indifferent reply in the face of Young Master Yang’s enthusiastic invitation.

Young Master Yang’s face froze for a second.

He had never been rejected by girls in his whole life.

And now, he was being rejected in front of so many people.

“Pretty girl, I don’t think you know who I am,” Young Master Yang said as he shook his head helplessly with a bitter smile.

However, he did not insist on inviting her along.

“Young Master Yang, she is already taken. Her boyfriend is Young Master Chen from Jin Ling City!”

One of the girls offered.

“Oh? No wonder!”

Young Master Yang let out a bitter laugh before continuing, “However, the influence of a tycoon from Jin Ling would be confined to the area of Jin Ling City! I’m sorry if you’re not going to join us. Yifan, let’s go. I will bring you girls to enjoy the night breeze on my ship!”

Young Master Yang said while looking at Zhao Yifan.

Zhao Yifan was nodding with a smile and looking at Su Tongxin triumphantly at the same time.

Her eyes were trying to convey a message to Su Tongxin. Did you see that? Even though the guy I missed out on had turned out to be excellent, I have better men going after me!

As for you, Su Tongxin, even though the level of your beauty is impressive even to girls, you’re still a loser.

“Ah! Yifan, take a look at that... W-What is that?”

At that moment, the girls began to scream all of a sudden. This time around, their screams were out of shock instead of excitement!☹
