

I Am Born With A Silver Spoon Chapter 464

She kept her distance because deep down in her heart, she was still a proud little princess. So, naturally, she liked to mingle with people of high social standing like Shen Junwen, Fang Jiannan and Fang Yi.

It was understandable.

Chen Hao did not notice Hu Huimin and Xu Yangyang's look of disdain. He was paying close attention to their surroundings at the moment.

"Jiannan, come take a look. Look at the sugar figurines the kids are holding. I love it! I wonder where I can get it?" said Fang Yi as she pointed toward several children who were passing by. They were seated next to a window seat.

"You like these? I know where to get it. It is located 500 meters up North. If you want, I will bring you there," said Hu Huimin.

"Ok!"

Fang Yi stood up excitedly.

Following that, she turned her head to look at Chen Hao.

"San, can you accompany me since you have nothing to do anyway?" asked Fang Yi with a smile.

"Just leave him here. Let's go there by ourselves," said Hu Huimin.

There was a hint of disdain in her voice.

Chen Hao gave Hu Huimin a sideways glance.

"Let's go."

Fang Yi grabbed Chen Hao's arm.

"San, please go with Fang Yi. I will be more at ease if you accompany her there," said Fang Jiannan with a smile.

Only then did Chen Hao nod his head helplessly.

Hence, he accompanied Fang Yi and Hu Huimin there together.

Originally, he thought that once Fang Yi had bought the sugar figurine, she would return. However, to his dismay, Fang Yi had never seen so many fun and exciting things before. She wanted to buy and look at everything.

They took longer and longer to get back as they continued shopping.

"A-A-Ah!"

Chen Hao gave Fang Yi a pat on her shoulder, indicating that it was time to go back.

“There’s no rush! I want to look some more,” said Fang Yi with a smile.

“Since Mr. San wants to go back, then let him go back first then,” said Hu Huimin.

“No way! How boring would that be?!”

Fang Yi shook her head.

“Huh?”

At this moment, Chen Hao, who was prepared to persuade Fang Yi to go back, pricked up his ears.

Following that, his eyes narrowed as he turned his gaze away from them.

He saw at least a dozen figures rushing toward them.

On the other hand, Hu Huimin and Fang Yi did not have a clue about it at all.

Chen Hao reminded Fang Yi again.

Suddenly, the people picked up speed and ran toward Fang Yi .

Then, they grabbed her shoulders.

Another dozen people soon arrived and surrounded them in an instant.

Chen Hao’s shoulders were held down as well. At the same time, a gun was positioned upon Chen Hao’s waist.

“Stop moving, you stupid brat. I will beat you to death if you dare to move,” said the guy fiercely.

To be honest, Chen Hao could easily resist this attack. However, now, these people obviously had a plan, and it was a well-thought out plan.

It was easier to fight them straight away.

However, he was afraid that these people would misfire into the crowd and injure a passerby.

Moreover, he did not know what situation Fang Jiannan and the rest of them were in.

Hence, Chen Hao chose not to act rashly.

“Who are y-you guys? What do you all want?”

Fang Yi was abducted as well.

At this moment, she said those words in a frightened manner.

“They are bandits who want to kidnap us,” said Hu Huimin with a frown. Obviously, she had experienced this kind of situation before.

“Hmph! This pretty lady here seems calm. However, I am afraid that you won’t be able to keep your cool very soon. Hahaha!” said one of the guys wearing a peaked cap with a smirk.

“You guys are really bold. Do you know whose territory this is? Do you know who I am? How dare you abduct me! My sister is drinking coffee just nearby,” Fang Yi warned them out of fear.

“Hmph! How do we not know about this? You are the second Young Lady of the Fang family, Fang Yi, right? You are right, your sister, Fang Jiannan, is indeed drinking coffee. However, she had been invited over for a cup of coffee by our men. We just need you. So, let’s go!”

The leader of the gang gave Fang Yi a vicious slap.

Right then, an extended van drove into the crowd and quickly made its way toward them.

“Get into the car.”

With that, the 3 kidnapes were taken into the van.

On the other hand, Chen Hao was thinking whether he should act while they were on the road.

Although these men had guns, Chen Hao thought nothing of them.

“Is it done yet?”

A voice rang out from the walkie-talkie.

“It’s done. It was actually pretty simple,” said the leader.

Following that, Fang Jiannan’s voice could be heard from the other end of the walkie-talkie.

They have really been kidnapped, Chen Hao thought to himself.

At that moment, he decided to just sit tight in the car. He would think about what to do later when he met Fang Jiannan and the rest of them.

“Get in!”

A hood was draped over Chen Hao and the two girls. They were then pushed into a basement.

Only then were the hood taken off their heads.

The moment the hoods were taken off, Fang Yi saw that Fang Jiannan, Xu Yangyang, Lin Shengnan and Shen Junwen were abducted and left in the basement as well.

“Fang Yi, San, are you guys alright?” asked Fang Jiannan worriedly as she was tied to a stool.

“Jiannan, I am alright. Who... are they? How could they be so bold?” asked Fang Yi anxiously.

“Who are they? Haha! Who else can they be? They are definitely the Situ family’s dogs, all just a bunch of ungrateful dogs!” Fang Jiannan cursed.

“Stay put here! Later, somebody will come here to accompany you all,” said one of the men.

Following that, they all went out.

“I never expected there would still be some families who had secret rooms built,” said Hu Huimin.

“Yes, no wonder these men have guns as well. Moreover, it is the latest model from the Middle East. They pack a ton of firepower,” said Shen Junwen with a frown.

When Chen Hao heard this, he recalled that Shen Junwen and Hu Huimin were spies who were sent to the school to investigate a case.

Unexpectedly, they have been there for 6 months already.

Back then, he was curious as to what kind of case they were investigating.

“Shengnan, Yangyang, Huimin, I am sorry for dragging you all into this mess. But don’t worry, I will not let the Situ family’s people harm you all. You have my word,” said Fang Jiannan apologetically.

“It’s alright, Miss Fang. Now, the most important thing is to think of a way to escape from here quickly,” Shen Junwen, always the gentleman, said calmly.

“Sigh! If Chen Hao was here, then we would be safe. He is the most powerful amongst us. If he knew that we were in trouble, he definitely would come to our rescue,” Lin Shengnan cried out.

This was the first time in their life that Lin Shengnan and Xu Yangyang encountered this type of situation. Of course, they were scared.

When Chen Hao’s name was mentioned, the girls were startled, particularly Fang Jiannan who couldn’t help but look gloomy.

“It is useless. Even if Chen Hao hears about this, it is useless because something has happened to him,” said Fang Jiannan.

“Huh? Something has happened to him?”

Lin Shengnan, Xu Yangyang and Hu Huimin all looked at Fang Jiannan.

“Yes, it has been 6 months already, and we are still unclear whether he is dead or alive,” said Fang Jiannan.

“How could this be?” asked Lin Shengnan in disbelief.

“No wonder Wang Xiaohua’s company went bankrupt! It turns out that something happened to Chen Hao,” said Xu Yangyang dejectedly.

“Hmph! He deserves it.”

Suddenly, Hu Huimin’s voice rang out.

“Serves him right for keeping such a high-profile back then. He is such a show off. He thought that the world is his oyster since he has so much money. However, an unlucky person is still an unlucky person.”

When Hu Huimin thought about the incidents in the past, she couldn't help but feel pissed.
