

I Am Born With A Silver Spoon Chapter 482

“Sir, I still feel that this shirt that I got for you is not a good match. Why don’t we pull over in front and I shall get you another one?”

Along the way, Yu, who was seated next to Chen Hao smiled and asked.

Chen Hao took a look and gave a bitter smile. He said, “It’s okay, I feel that it’s rather suitable!”

Right then, Chen Hao glanced toward a commercial building. All of a sudden he jerked his head and stared hard at the building.

A young man had walked into the commercial building.

Yu asked, “What is it, Sir?”

Chen Hao said, “I think I saw my friend, it looks like him! Alright then, let’s pull over in front and head to the commercial building!”

The car then stopped right in the middle of the street.

Even though they blocked the road, nobody dared to mess with them and chose to move aside and went around instead. In Tagou Town, everybody knew that whenever they were convoys, it must belong to a big shot that nobody could afford to offend.

Chen Hao then brought Yu into the commercial building.

Slap!

Just as a young man was picking out a suit, he felt a smack on his shoulder.

He got a shock and immediately turned around.

He was initially stunned, and then his surprise turned to joy.

“Damn! Chen Hao?”

Chen Hao smiled and said, “Yang Hui, it really is you!”

Yang Hui excitedly said, “Chen Hao, y-you are okay? I heard that you were missing and got into an accident. Turns out that you are here in Tian City! No wonder nobody could find any information on your whereabouts!”

He smacked Chen Hao hard on the shoulder and said, “It’s great to see you here!”

“Oh right, Yang Hui, why are you here?”

After some catching up, Chen Hao asked as he was confused.

This was a rather bad part of the city and other than the locals who grew up here, nobody else would come here to expand their business.

Yang Hui helplessly coughed and said, "Don't even mention it. I am in the sales department for a big corporation in China and I was posted here! Sigh! This place is rather rough. Nine out of ten people on the streets have weapons on them!"

Chen Hao smiled.

Yang Hui jokingly said, "How about you, Chen Hao? We didn't hear any news of you for half a year. Have you been here all this while? Let me take a look and see if you are missing any limbs!"

When old friends bump into each other, it was not enough to have a heartwarming catch-up session. If there were no sarcastic remarks, it would be a waste of the relationship built back then.

Chen Hao said, "Nope, I am still in great condition. Not only that, I just arrived here a while ago. Due to certain issues, I lost contact with everyone for half a year."

"Sigh, I heard that you severed ties with your family. Don't despair, at least you had enjoyed what you were supposed to a year ago. Even though it's gone now, it was still a life worth living."

Yang Hui patted Chen Hao on the shoulder once more.

When old friends reunite, there would always be so much to talk about.

"Yang Hui, this is my contact number. After I have finished settling things within these two days, let's meet up!"

Chen Hao passed over his new telephone number to Yang Hui.

"Heh, who is this? Is she your girlfriend?"

Yang Hui took Chen Hao's number, then he turned around and looked at Yu and smiled.

Yu's face turned red from the question.

Chen Hao gave a bitter smile and said, "I will explain next time!"

"Alright, go ahead, Chen Hao. I also have to purchase some clothes as I have a very important client to meet tomorrow!"

Both of them gave each other a hug and just as they were about to leave, the voice of a girl was heard.

"Eh? Isn't this Manager Yang? What a coincidence!"

Yang Hui turned his head sideways and laughed. "Oh, it's General Manager Qin and General Manager Li! What a coincidence!"

Clearly Yang Hui had bumped into his clients.

Chen Hao also motioned for Yang Hui to go ahead with his matters.

Just as Chen Hao turned around and was about to leave, he was shocked after seeing the couple at their side.

The couple was none other than Qin Nuan and her boyfriend. They were the ones who humiliated him when he was in dire shape half a year ago and worked on a construction site.

“Damn! Chen Hao?”

Qin Nuan who was hugging her arms around her could not help but sneer after seeing Chen Hao.

Yang Hui said, “What? Chen Hao, you know General Manager Qin and General Manager Li? Haha, General Manager Li’s uncle is the one in charge of a large corporation over here. I am discussing the project with them now!”

Chen Hao casually nodded and said, “Sort of!”

Qin Nuan mocked. “Haha, Chen Hao, why are you pretending? What do you mean, sort of? Did you think you could forget me so easily? Did you forget that you had a short stint in the construction site? I was also the one that gave you your salary. Have you forgotten?”

Chen Hao merely glanced at her.

Originally, based on Fatty Wang’s description, Qin Nuan was not like that. For some reason, her personality had completely changed.

Qin Nuan snorted and said, “I guess you can’t make a living within the country and came over here. Let me tell you what, it wouldn’t make a difference for people like you no matter where you go. Even if you came here, you would only be someone’s lackey!”

“General Manager Qin, this is my good friend. Is there a misunderstanding between you two? He is a good person!”

Yang Hui defended Chen Hao when he saw that Qin Nuan was disrespectful and blatantly ridiculing Chen Hao.

“Your good friend? Oh, then I am sorry, Manager Yang, I think your cooperation with my husband’s uncle should be terminated. This project should also be made void, am I right, dear?”

Qin Nuan said as she clung onto her boyfriend’s arm.

“Of course!”

“General Manager Qin, you...”

Yang Hui was speechless.

He had been here for more than a week working on this project and now the deal was cancelled just like that?

Just then, a worker walked into the commercial building.

He shouted, "Who is the owner of the car with plate number xxxx? Move your car right away! Who is the owner of that car? Move it aside now! If not, I am going to call a tow truck!"

He raised his voice and shouted.

Naturally, there was no etiquette unlike back in China.

As long as there was a dispute, they would just take action right away. That was the culture here.

Qin Nuan's boyfriend then coldly said, "It's mine! My car is parked properly, what's wrong?"

"What's wrong, you ask? It is blocking the road, so you better move it aside now! Otherwise I will just tow your car away!" The employee rudely replied.

Qin Nuan's boyfriend did not want to lose face in front of Qin Nuan as well as in front of Chen Hao and Yang Hui.

Thus, he coldly said, "My uncle is Wu Gang! His nickname is Fatty Wu!"

"F*ck you and your Fatty Wu! I don't care if you're Fatty Wu or Skinny Wu! Move your car right away!"

The employee scolded.

Qin Nuan's boyfriend was in an extremely awkward position.

"Fine, let me go and take a look and see whose path I am blocking!"

Qin Nuan's boyfriend refused to yield.

He held Qin Nuan's hand and walked out.

"Exactly, let me call my uncle now and see if anybody dares to not show respect to him!"

"Sir, I am done purchasing your shirt!"

Just then, Yu ran over with a shirt she bought.

"Yang Hui, don't worry. Relax and give me a few days. Wait for my call!"

Chen Hao said to Yang Hui and then left with Yu.
