

I Am Born With A Silver Spoon Chapter 490

"I have no idea. I didn't expect him to follow us here!" Li Ningning replied with annoyance.

"What if he tells the school and the school tells my dad? I would be so dead!"

Yu Jinxiang was starting to panic.

"Don't worry, Jinxiang. I know how to shut him up. Don't you need a male for the race? Pick him. After a drive, who wouldn't be afraid of you?" The boy with glasses suggested.

"F*ck you!" Yu Jinxiang was about to give him a piece of her mind, but then she thought, This could actually work.

It was a good idea as she was irritated by him anyway. The class was humiliated early in the morning because of him.

Why not get him into her car and scare him to death? Seeing how dumb he was, he wouldn't dare tell on her.

It was settled then!

Chen Hao parked his electric bicycle and came up to them, saying, "Hey, do you all have no respect for the school? How could you all play truant?"

It was a long way and Chen Hao's electric bicycle had run out of battery, so he pushed it all the way here.

"Shut up and get in the car!" Yu Jinxiang ordered.

Chen Hao said incredulously, "Get in your car? Why do I have to get in your car? You all have to return to school!"

"Isn't your electric bicycle out of battery? I'm driving you back to school. Do you have a problem with that?" Yu Jinxiang said.

The students chorused, "Yeah, Mr. Chen. You have come all this way. Let Jinxiang drive you back to school. We'll take care of your electric bicycle."

The race was about to begin and everyone wanted to get it over with. Nobody wanted to stay here one second longer.

Nodding his head, Chen Hao said, "Alright then!"

Chen Hao knew Yu Jinxiang was up to no good and he wanted to know what she had up her sleeves, so he got in the car.

Click!

The doors of the car were locked.

“What are you doing?” Chen Hao asked in surprise.

“Haha, you idiot. You were fooled by me. Did you think I would really be this nice and let a loser like you in my car? You will be in this competition with me. I’m warning you, don’t throw up in my car after the race or I’ll kill you!” Yu Jinxiang warned.

Her opponent was already standing by.

Both of them honked to signal that they were ready.

Then, a big screen beside them began a countdown and the sound echoed around the arena.

“Beep!”

When it turned to zero, the two cars shot forward like a bullet fired from a pistol.

“Cool!” Yu Jinxiang shouted excitedly. Although she didn’t like the atmosphere here, the race was extremely exciting and she loved the thrill of it.

“Look out, look out!” Chen Hao was shouting too.

He was really scared by her driving and he clutched the handle tightly for dear life.

The hairs on his arms were standing up.

Yu Jinxiang’s driving was too insane but she had driving skills.

Her opponent fell far behind her.

This doesn’t make sense, Chen Hao thought.

He looked into the rear-view mirror. Her opponent had loads of opportunities to overtake them but he didn’t.

Chen Hao couldn’t help but frown.

“AH!”

Suddenly, Yu Jinxiang screamed.

Chen Hao looked forward and saw a roadblock in front of them.

Numerous steel poles flashed in their eyes.

Yu Jinxiang wanted to decelerate but it was already too late.

She closed her eyes and they crashed into it.

Bam!

Two tires were punctured and their car stopped in the middle of the road.

“Damn it, who put this roadblock here?” Yu Jinxiang swore angrily.

Chen Hao became alert immediately and looked around.

The car behind them stopped in time and blocked the road with the body of their car.

Trouble!

A voice in Chen Hao’s mind immediately warned.

The guy with Afro hair got out of the car with his lady friend.

“Hey, it’s too unfair. You people put a roadblock here. This doesn’t count. Let’s race again!” Yu Jinxiang said defiantly.

“Alright, Miss Yu Jinxiang. You can race as many times you like. You’re the second daughter of the Yu family after all. Hahaha!”

The guy with Afro hair cackled.

“H-How do you know my name?” Yu Jinxiang finally discovered that something was not right.

“Hmph, get out of the car now and save us all the trouble, Miss Yu!”

His face suddenly changed. Reaching for his hair, he tossed it aside and revealed his bald head.

At the same time, he took out a pistol and pointed it at Yu Jinxiang.

“Out of the car, now!” he roared.

Yu Jinxiang paled in an instant. She realized that she was being kidnapped again.

She raised her hands and got out of the car.

The woman also took out a pistol.

“Yan Wu, go kill that boy. Tell Mr. A that we have her and come pick us up quickly!”

“Okay!”

The woman nodded and went toward the front passenger seat of the car.

“Huh?”

Yan Wu froze.

She raised her head to look at the bald guy. “Wolf, the car is empty.”

“Empty? He was just in the car.”

Wolf dragged Yu Jinxiang to the car.

It really was empty.

“Damn, where did he go? Why didn’t I see anything?” Wolf was appalled.

He had vanished in the blink of an eye!

“You’re so dead!”

Just then, a voice rang out behind Wolf.

He turned around and saw a huge rock enlarging in front of his eyes!

Bam!

The rock hit Wolf directly on the forehead and Wolf fainted immediately.

Yan Wu wanted to fire her pistol but for some unknown reason, she couldn’t do so. She raised her arm but it had stopped in mid air.

“You’re next!”

The young man shouted and staggered toward her with the rock held above his head.

Bam!

Yan Wu also fainted from the blow.

Who else could this young man be but Chen Hao?

Chen Hao couldn’t expose his identity, so he had to act.

“Wow!” Yu Jinxiang exclaimed excitedly when she saw that she was saved. “Mr. Chen, y-you killed them! You’re so dead, you killed them!”

Chen Hao rolled his eyes. “They’re not dead. They just fainted. Their men are coming, so let’s leave now!”

“Oh, right. Let’s go!”

They climbed into Wolf’s car. Yu Jinxiang quickly turned the car around and drove back to the way they came from.

A couple of SUVs pulled to a stop at where Yu Jinxiang and Chen Hao had been minutes ago.

When they saw that Yu Jinxiang had escaped, and Wolf and Yan Wu lying on the ground unconscious, the leader punched the hood of the car heavily. “Damn it, she slipped right through our fingers! Who rescued her?”

“So boss, do we go after them?”

“Are you mad? Do you want to die? Everyone is at the foot of the hill. We have to leave with these two losers now!”

“Damn, Mr. Chen, you’re ruthless!” Yu Jinxiang said with some admiration.

“I had no choice. If I was not ruthless, we would have died.” Chen Hao thought, Thank God I was there, or else something really would have happened.

“Something’s wrong.” Yu Jinxiang seemed to recall something.

“What’s the matter?”

“When I got out of the car, you were still in the car. How did you appear behind them?” Yu Jinxiang asked.
