

## I Am Born With A Silver Spoon Chapter 493

Young Master Liu wasn't stupid. He listened to his men and instantly knew the stakes involved.

So he didn't say much afterward.

As for Chen Hao's Tian Long Group, it was indeed developing rapidly, especially after it had conquered the Five Forces in Tagou Town. Many men under the two brothers, Zhang Long and Zhang Hu, had returned one by one after their gang was torn apart by Wen Sen.

Tian Long Group had started in Tagou Town, but was already developing in Tian City now. Of course, they had received a lot of help from the Wei family.

Just then, the boy with glasses beside Chen Hao spoke up. "Tian Long Group really is the best dark horse. They are good!"

"How did Tian Long Group become so influential in Tian City in such a short amount of time?" A girl asked curiously.

The boy with glasses seemed to know a lot, so he explained, "I heard it's because their boss is very powerful and the Five Forces surrendered immediately after battling only for a round. No one dares to cross paths with them now in Tian City, apart from Wen Sen, who hasn't returned yet."

If Tian Long Group was helping Yu Jiang, this problem was counted as resolved.

Yu Jiang was extremely smug.

He went to the headmaster's office with Shen Meng and the other teachers.

When Shen Meng passed Chen Hao, she glanced at him and shook her head lightly.

She walked away without greeting him.

She had liked Chen Hao before.

After all, she was working now and wanted to find a boyfriend.

She had always been under the spotlight and was extremely popular since junior high school.

There was no doubt that she would pick her boyfriend carefully.

At first, she thought Chen Hao was good looking and had a certain air of elegance.

So she liked him very much.

Yu Jiang was nothing compared to Chen Hao back then.

But after spending some time with them and observing them carefully, Shen Meng found out that Yu Jiang was the perfect boyfriend for her.

Chen Hao was not as good as she thought and was dispensable to her.

Chen Hao could only smile bitterly at Shen Meng's change of attitude.

Technically, he was the one who helped solve today's crisis, but Yu Jiang took all the credit.

Ha!

This had happened numerous times before.

In the beginning, he would feel regretful and angry if he didn't tell others his true identity, like that time with Zhao Yifan.

But now, Chen Hao felt nothing.

He went back to the office later on.

When he was about to get off work, Chen Hao received a call.

He was taken aback because the call was from Yu Jinxiang.

"Mr. Chen, I'm at the Starbucks in the city center. Are you off work now? Can you come over here? I have something to tell you and it's urgent!" Yu Jinxiang said mysteriously.

"What is it? You're not trying to thank me for saving your life by buying me a cup of coffee, are you?" Chen Hao asked.

"Not only that. Just come over now and we'll talk!" Then, she hung up the phone.

Chen Hao frowned slightly. He would go even if he didn't want to because he wanted to keep a good relationship with Yu Jinxiang.

When he arrived, Yu Jinxiang had already ordered coffee and was sitting by the window, waiting for him.

Chen Hao was surprised to see that a girl around twenty-four years old was sitting beside Yu Jinxiang.

She looked the same age as himself.

She was very pretty like Yu Jinxiang, and they looked quite similar.

In contrast to Yu Jinxiang's innocent looks, this woman looked mature, which added to her charm.

"Sis, that's him!" Yu Jinxiang pointed at Chen Hao and said softly.

That woman sized Chen Hao up and nodded lightly.

Then, she stood up and left with her bag.

Chen Hao wanted to greet her but she ignored him.

"That's my sister, Yu Jinfei. Well? Is she pretty? You're gaping at her," Yu Jinxiang said smugly.

Chen Hao nodded. "What did you want to tell me?"

"You're in for something good. In fact, it's a godsend. You can finally have a girl that's way out of your league! To be honest, I've been looking for the perfect candidate for a very long time but I have finally discovered that you're the best choice!" Yu Jinxiang rambled on.

"What is it?" Chen Hao asked warily.

"Haha, listen carefully to what I'm about to say. It might be too shocking for you. Don't say I didn't warn you or faint from excitement!"

"My sister is looking for someone to marry into our family and I think you are the perfect candidate!"

"What?" Chen Hao's eyes widened and he stood upright. "Me? A live-in son-in-law?"

"Haha, are you excited? My sister saw you just then and she agreed!" Yu Jinxiang saw the astonished look on Chen Hao's face and thought he was too happy for words.

"Your sister is such a beautiful woman. I'm sure many men would go after her. Why does she need a live-in son-in-law?" Chen Hao said resignedly.

"It's a long story!" Yu Jinxiang sighed.

To make it short, it started after Chen Hao saved her. Yu Jinxiang had returned home and was told off by her parents.

Lately, Yu Jinxiang had been in a gloomy mood.

Chen Hao's hiccup with the classroom was only the tip of an iceberg. She was mostly worried about her sister.

Yu Jinxiang was very close to her sister.

After Yu Jinfei came back from abroad, she suffered from relationship problems and was unhappy everyday. It was like she had turned into another person, and she had even thought of suicide.

Yu Jinxiang was worried sick.

Yu Jinfei had been studying abroad in M Country and she had a boyfriend for many years.

But that a\*\*hole was actually engaged to someone else all this while.

Her sister wanted to marry him but he hesitated.

Yu Jinfei couldn't get over it and returned to Tian City furiously.

Before she left, Yu Jinfei said to her boyfriend angrily, "If you're hesitant to choose me, fine. You think you're too cool for school? I'm going to find the most useless person in the world to be my husband. I'm going to make you regret this!"

Then, Yu Jinfei returned home and told Yu Jinxiang to help her find such a person.

In summary, this person could be a loser but he had to be honest.

Yu Jinxiang had searched for a long time.

Finally, after being told off by her dad, she got it. She said to her sister excitedly, who was sitting by the window, "Sis, I think I know the perfect candidate!"

"Who is it?" Yu Jinfei asked.

"He's our new teacher. We all call him Mr. Coward," Yu Jinxiang said enthusiastically. "He's the one who saved me today. He's really honest and looks alright. Why don't I ask him out after he's off work? You can take a look at him. You can marry him if you like and piss that a\*\*hole off. After all, our teacher really is a loser, haha!"

"Alright then. Ask him out tonight and I'll take a look at him. If I'm satisfied with him, we'll sign a contract and we'll pretend to be a married couple for a year. One year later, I'll give him enough money to last a lifetime," Yu Jinfei said.

"No problem. You can count on me," Yu Jinxiang promised.
