

I Am Born With A Silver Spoon Chapter 501

“So you’re from the Takena family. Excellent, I was waiting for you!” Young Master Lei stood onstage, smiling lightly.

Takena Ichito went onstage and bowed slightly at Young Master Lei.

A great battle was on the verge of breaking out.

The commotion below the stage died out and everyone looked at the stage quietly.

“Though this Japanese is strong, I don’t think he’s a match for Young Master Lei because Young Master Lei is too strange.”

“Yes, but I think that Japanese will survive at least three rounds. He looks strong too!”

The audience murmured among themselves.

“Make your move. Let me see how powerful the Takena family is. Can they live up to their name?” Young Master Lei crossed his arms and said with a smile.

“Sure!”

Then, Takena Ichito moved so swiftly that a faint image was left in his original position.

Young Master Lei was stunned.

He had heard of the Takena family long ago and they were renowned for ninjutsu.

Young Master Lei thought he had already reached the peak of power.

He didn’t expect that someone would be stronger than him.

This person who was in front of him was extremely powerful.

Young Master Lei was tired after a dozen rounds of attack.

He wanted to attack his opponent with his secret move but Takena Ichito didn’t even give him a chance.

Bam!

When they reached the thirtieth round, a light on Takena Ichito’s chest flashed in front of Young Master Lei’s eyes, and he lost focus for a second. Immediately, he was kicked off the stage with a roundhouse kick.

“What?” The crowd stood up, unable to believe what had happened before them.

“Young Master Lei!” Lei Long’s men surged forward but looked warily at Takena Ichito.

Young Master Lei actually lost!

Takena Ichito nodded slightly and said, "Good game."

"Let go of me!" Young Master Lei broke free from his men and roared angrily.

"Good one. The Takena family is really cunning. The future is long! I give up my right to auction for the King Ginseng!" Waving his hand heavily, Young Master Lei sat down huffily.

"It seems like the Takena family is getting the King Ginseng!" Su Hong said anxiously as she stepped forward.

She was also stunned by the sight.

Takena Miko had already stood up and was preparing to go up the stage.

"Wait!" A voice suddenly rang out.

Everyone turned to look at the person who spoke.

"Mrs. Su, the competition isn't finished yet. Why rush to present the prize to the Takena Family? The Tian Long Group hasn't even competed yet."

The one who spoke up was Shen Wanshan.

"Oh right, Tian Long Group hasn't competed yet!"

"I heard that the boss of Tian Long Group is very strong. Is he the boss?"

"No, I heard that the boss is a young man."

"I thought Tian Long Group had given up a long time ago!"

The audience murmured among themselves.

"Sir, what's your name?" Takena Ichito asked expressionlessly.

"You're mistaken. I'm not your opponent. You will be fighting our master," Shen Wanshan replied.

"What? Mr. Chen has arrived?" Takena Miko's eyes glittered and she asked with a small smile.

"Of course he's here!" Shen Wanshan exclaimed, looking at a corner of the room.

"How do you know this Tian Long Group, Xiaobei?" Shen Lan asked the excited Xiaobei curiously.

Xiaobei answered, "Just wait and see. Don't ask anything yet!"

"What? Mr. Chen has arrived?"

Everyone looked around for him.

"Shen Meng, you're lucky that you came today. Now you have the chance to see the boss of Tian Long Group!" Yu Jiang was filled with anticipation as well.

“You mean, you have never met him?” Shen Meng tidied her hair and asked.

Yu Jiang laughed. “Of course I haven’t. My dad only saw him once from some distance away. Only the head of Tagou Town has met with him.”

Now, Chen Hao had finished observing all the forces.

Though he had fought many skilled people in the past six months, he knew these people were a tough crowd since the surprise attack on Shen Lan.

He didn’t want to step forward without knowing anything.

Now that he had seen them fight, he knew what he was facing.

He didn’t have to hide anymore, so he stood up.

“Huh? F*ck, why did you stand up, Mr. Chen?” Yu Jinxiang said with surprise.

Yu Jinfei glanced at Chen Hao and said with disgust, “It’s none of your business. Sit down now or mom will get angry and kick you out.”

“Yeah, why did you stand up? You’re such an embarrassment,” Yu Jinfei’s best friend said disdainfully.

Chen Hao flexed his limbs.

Ignoring them, he went straight to the stage.

“Is he mad?” Yu Jinfei’s best friend continued to insult him. “Has he been a coward for too long? Is that why he’s becoming mental?”

“Mr. Chen!” The people from Tian Long Group and Tagou Town stood up immediately and bowed to him.

“What?”

Everyone was taken aback.

Yu Jinfei was gaping.

Mr. Chen?

They were extremely respectful toward Chen Hao.

Did it mean that Chen Hao was the boss of Tian Long Group? Was he the mysterious Boss Chen?

They were blown away by this piece of knowledge.

Shen Meng and Yu Jiang saw Yu Jiang’s dad standing up to bow at Chen Hao. His dad also tugged Yu Jiang’s sleeve to make him stand up as well.

Yu Jiang finally reacted after Chen Hao adjusted his suit and walked past them.

The king-like aura emanating from Chen Hao made Yu Jiang stand up unconsciously.

“You... so you’re Mr. Chen?” Takena Miko’s eyes widened and chuckled.

“Miss Miko, I’m sorry I couldn’t tell you my identity,” Chen Hao apologized.

Shen Lan felt like she was dreaming and she stood up slowly.

After Chen Hao greeted Takena Miko, he went up to Shen Lan.

“Chen...”

“Shen Lan! Wait till I’m finished, then I’ll explain everything to you.”

Chen Hao caressed her lips lightly and indicated to her not to reveal his identity.

Shen Lan clutched his arm tightly and nodded.

Chen Hao patted Xiaobei’s head.

Then, he turned to look at Takena Ichito, who was standing on the stage.

“Can you represent the Takena family?” Chen Hao asked, glancing at Takena Miko who was standing aside.

When he shook hands with her, Chen Hao could clearly see that her right arm had been bandaged.

He recalled that a few nights ago, he had wounded a mysterious person clad in black. That person then vanished into thin air.

It seemed like there was definitely more to Takena Miko than what met the eye.

She was the true ace of the Takena family.

That was why he asked this question.

“Yes!” Takena Ichito nodded.

“Alright then. Let’s not waste time and get this started.” Chen Hao grinned and went up to the stage.
