

I Am Born With A Silver Spoon Chapter 649

“You!”

Wang Xiaomei was furious.

This person was so unreasonable!

“Honey, are you alright?”

Shooting Chen Hao and Ma Xiaonan a warning glance, she rushed up to the middle-aged man.

At this moment, his mouth was filled with blood.

Chen Hao had not slapped him very hard, so he was still conscious.

“Call General Manager Wu immediately! We can’t let him get away! I am so going to kill him!” the middle-aged man said ferociously.

Wang Xiaomei looked at Ma Xiaonan and Chen Hao angrily and said, “You two are so dead. Don’t go anywhere!”

Then, she started to call someone on her phone.

“Is the beaten up person General Manager Zhang? The General Manager Zhang from Great China Estate Agency?”

Meanwhile, spectators muttered among themselves.

“No way. General Manager Zhang is a fierce man. He’s in real estate development, and he’s active in both the underground world and the society. Moreover, General Manager Zhang is the cousin of General Manager Wu. Didn’t he just hit a poor student? Did this young man have to hit General Zhang? How brazen is he?”

“He’s so dead. Damn! Now there’s no way they can get away with it!”

The people around them sighed.

Some felt pity, and some only wanted a good show.

Soon, their voices died down a great deal as a middle-aged man went over to their direction, leading some men.

Naturally, the crowd recognized this middle-aged man. He was Wu Darong, a big shot in the real estate industry!

“What’s going on?” Wu Darong asked coldly after coming up to them.

He felt especially embarrassed when he saw that General Manager Zhang had been beaten to a pulp.

How dare someone disrespected him here?

It was obvious that they had a death wish!

Wang Xiaomei hastily retold what happened just then, adding all kinds of disingenuous details.

Then, crossing her arms, she went up to Ma Xiaonan with a sneer.

“Ma Xiaonan, weren’t you speaking sternly with words of righteousness just then? Go ahead and be cocky again. Let me see how capable you are!”

Wang Xiaomei looked at Ma Xiaonan smugly.

“And you two are both finished. Your addresses will be dug out, and your whole family will meet their doom unknowingly!” Wang Xiaomei announced coldly, warning everyone that this was the result of offending her.

The boy was so terrified by her threat that his knees were shaking.

He was especially frightened that Wang Xiaomei was not only punishing him, but also his family.

“How dare you have the nerve to hit others on my turf? You must have a death wish!”

Hearing the spectators discuss heatedly, Wu Darong roared angrily.

“She hit my student first!” Ma Xiaonan rebuked sternly.

Wu Darong wouldn’t only hear Wang Xiaomei’s side of the story, right? Would he be so unreasonable in front of so many people?

“Student? Which student did she hit?” Wu Darong questioned icily.

Then, his eye fell on the boy who was hit.

Smack!

But to everyone’s surprise, Wu Darong didn’t hear out their story, but lifted his hand and slapped the boy’s face hard.

This slap was even harder, and the boy fell to the floor directly.

“Did she hit him like this?” Wu Darong asked Ma Xiaonan with a sneer.

“You! You!”

Ma Xiaonan’s face was pale with anger.

“Humph, I am the organizer of today’s activity, and I wouldn’t have bothered putting you in a difficult position. But now, you were bold enough to cause trouble on my turf, so I won’t let it go that easily. How about this? Tell your family members to come here and kneel in front of my brother to beg for his forgiveness. I’ll forgive you then!” Wu Darong said coldly.

“Wu Darong is being unreasonable. If anything happens, he never punishes the person, but the person’s whole family! He’s too cruel!”

“These people are so doomed!”

The crowd continued to discuss.

“Miss Ma, let’s go!”

The boy who was beaten was weeping in terror. His family was already in a destitute state, and his parents worked hard for a living. But now, he had to tell his parents to come over and kneel.

Helplessness and fear overwhelmed him, making the boy shudder.

“Go? You seem to have underestimated the severity of this incident. The talk is about to start, so you better not waste my time. Apart from your family, call the management in your school to come here. You have to offer an explanation for hitting my brother!”

Wu Darong was a cruel man through and through, and he said that self-righteously.

Even other students were so scared that they didn’t dare to breathe loudly at this moment.

This thing was being blown up.

“Ma Xiaonan, do you understand now? There are some people you can offend, but there are some you can’t afford to!” Wang Xiaomei crossed her arms and screeched.

“Fine. If you really want people to come over, just tell my family to come over!” Chen Hao looked at Wu Darong coldly.

Originally, Chen Hao didn’t want to cause trouble. He only wanted to teach Wang Xiaomei and this middle-aged man a lesson.

But now, since someone wanted to make a big scene, Chen Hao wouldn’t mind either.

Looking at Chen Hao’s defiant expression, Wu Darong sneered, “Fine, tell them to come over then! I want to see just who it is that you bring!”

On that note, Chen Hao dialed a number.

Ten minutes later, numerous luxury cars and even cars from the government pulled up outside.

Who were these people?

Nearly every business giant in Jin Ling had arrived.

“President Li?”

Wu Darong’s face was already frozen with shock, and Wang Xiaomei was also taken aback.

This person... Who was he? Wu Darong thought as he gulped.

“My people are here. Why don’t you go talk to them?”

Chen Hao glanced at Wu Darong with a smirk.

“Young Master Chen, did this person offend you?” Li Zhenguo asked as he came up to Chen Hao.

Hearing the name Young Master Chen, Wu Darong nearly peed his pants.

Damn, Young Master Chen?

Yes, Master Ma Jin had said that Young Master Chen was here, and he himself had invited him enthusiastically.

But now, the person he had offended was Young Master Chen?

This...

Wu Darong was so terrified that he couldn’t breathe normally.

A commotion also broke out among the spectators.

Initially, there were quite a lot of people surrounding them, but after hearing who Chen Hao was, they respectfully gave way to him, putting a lot of space between him and themselves.

Chen Hao led Ma Xiaonan and the students back to their seats and sat down.

“So he’s Young Master Chen. How on earth did Ma Xiaonan find such a powerful person?”

Wang Xiaomei was extremely shocked.

Smack!

Wu Darong had lifted his hands and gave her a loud and clear slap.

“F*ck you, b*tch. You’re going to be the death of me!”

Wu Darong roared in anger and even wanted to kill Wang Xiaomei.

This was just a small interlude.

Wu Darong naturally knew what was coming for him.

Although the organizer of the seminar was shocked, the activity still continued.

Soon, two hours had passed.

Ma Jin had heard what happened, and he rushed over to Chen Hao hastily.

“Young Master Chen, I’m very sorry that you nearly got hurt!”

“That Wu Darong really had it coming!” said Ma Jin.

“Forget it, let bygones be bygones. Anyway, how are the arrangements with Master Ning Yuan?” Chen Hao asked. “Master Ning Yuan is already waiting for you in a private room. I’m here to show you the way!” Ma Jin replied.
