

I Am Born With A Silver Spoon Chapter 93

Chen Hao's interest was piqued, hence he asked Huang Yonghao for more details.

"Cough, Cough. Let me tell you this then, brother, the Cloud Manor is not just a simple residential place anymore. It's a symbol of nobility. As its name implies, this manor is built on top of Jin Ling Cloud Peak Mountain. The surrounding area is transformed into part of the manor. If you were to stand on top of it, it would be akin to standing above the clouds. You could enjoy a panoramic view of the mountains and rivers of the entire Jin Ling City!"

Huang Yonghao said with a sense of longing in his heart.

Was it that divine?!

Chen Hao asked, "Then it must be quite an expensive manor right?"

Chen Hao planned to buy a house. Besides, Chen Hao had decided to bite the bullet this time around and made the decision to spend 10 million on a manor. It would be more convenient to park his car and the likes there.

Thus, he wanted to ask the price of the Cloud Manor.

Pfft!

Huang Yonghao nearly spat out his wine. His eyes grew wide as he said, "Damn, brother. This manor is very expensive. Do you know how much it cost? A total of 700 million!"

If you were to use 700 million to invest or to run a business, it wasn't a problem for Huang Yonghao's father.

However, to spend 700 million to buy a manor that was of no use at all to your business, it was the equivalent of pure consumption. No ordinary rich man would do that.

Unless they really had too much money until they did not know where to spend it...

Hence, the housing price of this manor really scared Huang Yonghao.

Although Huang Yonghao was so generous today as to invite so many rich second generation heirs, he only spent approximately 600,000 to 700,000.

"Of course, this is nothing to you right? I recalled my godsister actually spending one or two hundred million to buy a custom made car to drive around!"

Huang Yonghao wanted to gauge Chen Hao's thoughts.

After all, he knew that this amount of money was nothing in Chen Hao's eyes.

However, Chen Hao still felt the pinch.

To spend 700 million on a house to live in! It was just too wasteful!

Chen Hao shook his head and decided to be more pragmatic and buy a 10 to 20 million manor then.

“It’s ok if you don’t want to buy it, brother. Let’s go there and see it for ourselves three days from now. That should be ok right?” Huang Yonghao said reluctantly.

If Chen Hao were to buy it, then Huang Yonghao would be able to stay there. That would truly be the epitome of being a wealthy person.

“Ok then. If I have the time, then let’s go there to enjoy ourselves!”

Chen Hao saw that Huang Yonghao had meticulously prepared a grand entrance for him. Even though he knew that Huang Yonghao approached him with a purpose in mind, however this feeling of being valued made him feel like he couldn’t hate him even if he wanted to.

Hence, he felt that it wasn’t right to refuse him, so he agreed.

After that, the second generation heirs continued surfing and doing other activities by the sea. They were truly enjoying themselves.

Of course, most of the girls had never left a circle, a circle where Chen Hao was the center of attention.

Wherever Chen Hao went, the girls would gather there.

Each one of them tried their best to flirt with him secretly to catch his attention.

However, Chen Hao was tired. He did not have the strength to entertain these beautiful young ladies.

Not long after that, it was evening already.

The cruise party was over.

Huang Yonghao initially invited Chen Hao to visit other places but was turned down gracefully by him. After all, he was not like Huang Yonghao, who did not care whether he had enough credits to pass or not.

It was Monday tomorrow and he still needed to attend his class!

Bai Xiaofei was in charge of driving and he drove Chen Hao back to school.

When he reached his dormitory, it looked empty. It seemed like Yang Hui and the rest of them went to the internet cafe again.

Chen Hao was tired from his activities for the past two days so he immediately fell asleep on his bed. He slept on until the creaking sounds of the opening doors woke him up.

“Yang Hui, isn’t Chen back already?!”

“What? He’s back? Then why did he switch off his phone?”

Yang Hui, Li Rui and the rest of the gang came back.

All of them were looking excitedly at Chen Hao who had just awoken.

“Oh, I switched off my phone a long time ago. I was too tired, hence I did not bother to recharge my battery. Sigh, it’s already 6pm. Why did you guys spend so much time online?”

Chen Hao looked at his watch and realized that he was asleep for more than 3 hours.

“What? Of course not! Chen Hao, I really doubt whether you went for a vacation these past two days or whether you went to find some lovely ladies. Didn’t you read our class group chat?”

Li Rui said excitedly.

Prior to this, Chen Hao had only told them that he was going out with a friend. He did not mention specifically what he was doing.

Hence, Li Rui and Yang Hui did not know what Chen Hao was doing these past two days.

As for the lovely ladies that Li Rui mentioned, Chen Hao really did go there.

All of them were beautiful!

At that moment, Chen Hao smiled and said, “What lovely ladies are you talking about? Tell me quickly what happened in our class?”

“Before you left, do you remember that Han Siyu was in battle for the position of star anchor? As expected, she was the champion of that competition and became the SameCity Live Streaming app’s number one girl. As a star anchor broadcast, just by the reward alone, Han Siyu received more than 200,000! Damn it!”

Li Rui really envied and hated her at the same time. He envied that she could earn so much in one day. Apart from that, he hated himself for not being born a woman.

“Since yesterday, numerous reporters have come and interviewed Han Siyu. The headlines were even more intimidating. It read: Jin Ling College’s Female Student Earned More Than 200,000 Within A Few Hours Of Live Streaming!”

“Oh my God! In short, many news stories related to her had started spreading around like wildfire. Because of the publicity, since this afternoon, several people from Jin Ling Television Station had come specifically to have a video interview with Han Siyu. Just now, we went as her classmates and were interviewed as well. Hehe, I managed to show my face on camera!”

Yang Hui then added on a few other things.

Only then did Chen Hao understand.

Han Siyu went viral and was interviewed. Naturally, they would interview the people around her. It was almost similar to the special interview programs on televisions. After the interview with the person themselves, they would go around interviewing her classmates, family, friends and so on.

Usually their comments were scripted.

Haha! He never expected that using his status as an Ordinary Guy to give Han Siyu some gifts would help finance the SameCity Live Streaming app and indirectly made Han Siyu a celebrity.

Chen Hao did not know whether to laugh or cry.

“Chen, change your clothes quickly. Today Han Siyu will be treating all of us to a meal. It’s at the same location where you treated us last time—Homecook Kitchen Restaurant. We have made reservations already and all of our classmates are going!”

Yang Hui patted Chen Hao’s bed and went to change his clothes.

“Ok!”

This time around, Chen Hao readily agreed.

First and foremost, he had enough rest already and he was feeling famished.

Secondly, he was the one who made her a celebrity. So wouldn’t it be reasonable if he were to go and have a meal at her celebratory party?

Chen Hao quickly changed into his clothes and ran downstairs along with Yang Hui and the rest of his roommates like a pack of hungry wolves.

At the campus entrance...

Chen Hao’s classmates were already gathered there.

Han Siyu wasn’t the same as last time. In the past, she was only an unknown anchor out to earn some money for a living. But now, she had become a real internet celebrity and was earning a lot of money.

Naturally, she became the center of attention.

“Siyu, are we calling a cab?”

Blondie was following behind her all the way. Ever since Xu Nan and his cousin Xu Chao beat up the son of Jin Ling’s rich tycoon, they were beaten up quite badly. Hence, they dared not go back to college. Now, only Blondie was left.

“Why should we call the cab? I have already contacted the service company and asked them to send 10 Audis here. Let us all go by car. Right Blondie, can you help me count the number of people and see who hasn’t arrived yet?”

“Ok!” Blondie set off on his task delightedly as if he was helping out his own family members with their affairs. He even shouted, “Ok, everyone, pipe down. Just give a shout when I call out your name!”

Not long after that, his task was completed.

Blondie ran over to Han Siyu and said, “Siyu, only Yang Hui, his roommates and Hao Lanlan are not here yet. Hao Lanlan said she was sick so she stayed behind in the dorm!”

“Ok, noted. Where are Yang Hui and his roommates? Why are they taking such a long time to change their clothes?!” Han Siyu stated coldly as she put on a pair of branded wine red-colored glasses and crossed her arms in front of her. After all, she was an internet celebrity and she needed to act like one.

“Here they come, Yang Hui and the rest of them are heading this way!”

At this moment, one of the girls shouted.

All 6 people from Yang Hui’s dorm were jogging toward them.

“Huh? I thought Chen Hao went for a vacation? Why is he back?”

“You’re right. Damn, I think he heard that we were having a meal, hence he came back quickly. Maybe he spent all his lottery winnings? Furthermore, he said that he was out on a vacation, but who knows whether he was working behind our backs or not!”

Before Chen Hao even managed to get there, waves upon waves of ridicules could be heard...
