

Skeletons 149

Chapter 149

The sun was shining brightly the next day.

Gale washed up in the evening, ate a simple breakfast, and got ready to go to work.

Just two steps away, she saw a person standing in front of the villa from a distance.

The figure was somewhat familiar.

Her expression changed completely when she took a closer look, and the bag in her hand fell to the ground.

Gale hurriedly ran forward. "Dad!"

Hearing this voice, Peter also turned to look at her. "Gale! "They hugged each other.

When Gale visited the prison in the evenings, she could see but not touch through the thick glass.

Unexpectedly, one day we can meet at such a close distance and breathe the same air!

"Dad, why are you here?" Gale was surprised and delighted. "Have you been acquitted?" "I don't know. Someone picked me up early in the morning and brought me here."

After many years in prison, Peter has lost his dignity.

His hair was gray, and his back was a little hunched. His hands were even more rough, covered with tiny holes, and several of them were still bleeding.

Gale looked distressed. "Dad, how well-maintained your hands were when they were used for surgery..."

"Oh, it's alright, my whole life... I won't get a chance on the operating table anymore."

"Dad, there will be a chance."

Peter smiled sadly and changed the subject. "Gale, where is this?"

"This is... Temperley Hall, Shawn's residence."

"What did he bring me for?"

—

Gale was also surprised. Yes... Shawn has come up with some tricks again!

“Come and let the father and daughter reunite.” Shawn put his hands behind his back and walked over unhurriedly. “You can have a good chat.”

Gale immediately protected her father behind her.

21

He raised his eyebrows. “What are you afraid of? You know how to be afraid?”

Gale was very vigilant. “You can’t be so kind.”

“Don’t think of me so badly. Speaking of which... this is my father-in-law. Please treat him well.”

Shawn had an unsmiling smile. His eyes were indifferent.

He looked oppressive.

“Father-in-law?” Peter’s face changed greatly. “Gale, you...you married him? How could you marry him!”

“How many women dream of being Mrs. Wood? She got this position easily.” Peter shook his head again and again. “No, that’s not the case... Gale, what happened?”

“Dad, it’s a long story. I’m fine.”

Gale squeezed his hand hard. Smile and make yourself look good.
