

Skeletons 418

Chapter 418

"It's fine if you don't love him, Gale. The Wood family ruined our family. This is a fact. He has no enmity with us now, but speaking of it, we do have a grudge against him!" Peter said sadly.

"During the two years I was in prison, what kind of life did your mother live? What kind of life did you live? Who did all this?"

"Love anyone, I will bless you and will not stop you. Only Shawn is a poison that cannot be touched."

Then, Peter looked at Shawn. "What can I do for you to let my daughter go?"

"Father-in-law..."

"Don't call me that. I can't bear it."

Shawn's eyes were fixed. "No matter what you think, Gale and I are married in the legal sense. As long as I don't agree, she will be my wife for the rest of my life!" He had never wanted to have someone so much in his whole life.

He wanted her.

If he lost it... Shawn could not imagine what kind of lunatic he would become!

With a plop, Peter suddenly knelt down at Shawn.

"I beg you, Mr. Wood. I don't care about anything anymore. I just want to live with peace of mind. I have retreated to this point. What do you want from me? You and Gale are not suitable, there is no fate, and together you torture each other with no result!" Peter said.

Gale quickly went to help him. "Dad!"

Peter pushed her away, still kneeling. "Mr. Wood, if you don't agree to a divorce, I'll just kneel here!" The wind blew the corner of Shawn's clothes.

He stood motionless, looking at Peter kneeling in front of him.

Countless people begged him and knelt to him.

However, Shawn could not bear Peter's kneeling!

Gale was so anxious that she was about to cry, "Dad, your legs are not good, don't go kneeling like this. Your legs will be ruined!"

"Even if I don't want these legs, I have to fight for divorce

for you! Gale, you are still young, and your life still has infinite possibilities. You can't stay by Shawn's side. It will be completely ruined!"

Shawn suddenly said, "Why would staying by my side ruin her life?"

"Because your family should be sorry to her for ruining her best youth! Gale can definitely find a suitable person, marry and have children! Even if she never marries, she is still a free person!"

"Mr. Warm, there is no suitable person. I am the most suitable person for her!"

As soon as the words fell, Shawn strode forward, bent down, and supported Peter's arm, trying to lift him up from the ground.

Peter waved him away. "If you agree to divorce, I'll get up!"

However, Shawn's strength was surprisingly strong, and with a little force in both hands, he forcibly helped Peter up.

The bodyguard in the distance had already prepared the wheelchair. He gave him a look, and the bodyguard immediately pushed the wheelchair over.

With Gale's help, Peter sat in a wheelchair.

Shawn put his hands on Peter's shoulders. "Divorce is not a trivial matter, and I also need to discuss it with my parents. Don't be in a hurry now."

"Yes. When will we discuss it? You can go through divorce procedures at any time!" Peter said.

"I will give you an answer."

Gale did not want her father to get angry, so she changed the subject. "Dad, you are free now after being released from prison. You must see Mom. I know you miss her very much, so I'll take you there now, okay?"

Peter's attention was diverted by the mention of Wendy.

"Yes, it's time to see your mother. I miss her very much, and she misses me too..." Peter murmured.

Gale pushed the wheelchair forward. "We will be here soon! She can see you now. With you here, I believe Mom will wake up soon!"

She bent over, leaning against Peter, speaking softly, with a smile on the corner of her mouth, looking like a good daughter.
