

## Still Loving You Nonetheless Chapter 1463

"Mm."

Ivy wiped away the tears on her face and said, "I heard that after Mrs. Shelby passed away, Suzy went back to her hometown. You might have to send someone to look for her there."

"Okay, I will."

Liam gave a light pat on her shoulder. "V, just focus on getting better. I can do the rest for you if you need me to."

"Thankyou," Ivy thanked him.

"No need for that," Liam held her arm and said, "here, lie down and get some rest. I'll bring Suzy to you tomorrow."

"Okay."

Looking at him, Ivy said, "Liam, Yanne is after all carrying your child. Don't hurt her too much. Pregnancy is...not easy."

"Seems like..." Liam went on, "it must have been tough for you back then too, right?"

"I'm sorry but I'm afraid I can't tell you that."

Looking at Suzy's calm expression, more tears welled up in Ivy's eyes.

It was exactly as Liam predicted - Suzy would never give her the answer that she wanted.

Ivy turned to Liam to ask for help.

He said that he could help her and that he would help to find her child. After all, Liam was the only person that she could rely on now.

And Liam seemed to have read her mind.

He walked over to Suzy and said, "Suzy, I know you are loyal to Mrs. Shelby but you have to admit that Mrs. Shelby had done a lot of wrong things. And you shouldn't turn a blind eye just because you're loyal to her. Even though Mrs. Shelby is not with US anymore, Ivy still has to bear the pain that she had brought upon her. Do you really have the heart to leave Ivy in this state?"

"Miss Ivy brought all of these onto herself," Looking at Ivy, Suzy went on, "Mrs. Shelby took you in and raised you up to be her future daughter-in-law, but look at you right now, you're nothing but a big disappointment."

"It's all my fault, Suzy. I am sorry to Mrs. Shelby," Ivy said, "but I should be the one being punished for my mistakes, not my child."

Liam walked over to Ivy who was quivering and pulled her into his arms. He then said to Suzy, "Suzy, as long as you tell me where the child is, I will give you whatever you want."
