

## Still Loving You Nonetheless Chapter 1464

Suzy looked at Liam and smiled. "Seems like you really do love Miss Ivy, huh? It is no wonder why Miss Ivy was so reluctant to seduce Mister Josiah."

Liam froze slightly as he looked at Ivy.

"What did you say? It's because of me that Ivy..."

"Don't listen to her, Liam," Ivy cut him off and went on, "I didn't do what I was told to because I couldn't bring myself to do it. It has nothing to do with you."

Liam, who felt slightly relieved, was let down again.

Smiling bitterly, he said, "V, how I wish that this was true."

He then said to Suzy, "Suzy, please do think about what I've just offered and let me know what you want."

"I must admit that your offer is really tempting, but..." Suzy shook her head and said, "I really don't have an answer for you."

"Give me a copy of your child's information. I will send people to look for her."

Ivy felt her heart thumping fast against her chest, she could finally see hope again but for some reason, tears started welling up in her eyes again.

Shaking her head, she said, "I don't know. I don't know anything about her. I didn't even know what she looked like because Mrs. Shelby had taken her away from me right after she was born. Aside from knowing that she's a girl, I don't know anything else..."

Liam gave it a thought and asked again, "Have you tried looking for her by getting a blood test?"

"I did, but..." Ivy shook her head again.
