

## Still Loving You Nonetheless Chapter 1500

Siena's adoptive parents expressed that they understood. They waved their hands and said, "It's fine. If it were me, we would cry happy tears too."

"Anyway, thank you very much," Liam said.

"Mister Liam, don't say such a thing. If not, we will be even more embarrassed," Siena's adoptive father said.

Siena's adoptive mother pulled Siena, who did not know much about what was happening, over to Ivy's side and gently said, "Siena, I'm sorry. I have never told you that Ivy is your real Mommy. I

Siena looked at her in shock. "Are you serious? Mommy Ivy is my real Mommy? The one that gave birth to me?"

"Yes, if not, how could I simply give you to any other person?" Siena's adoptive mother said with a smile, "In the future, you will be living with your real Mommy. Are you happy?"

Siena nodded before reaching her hand out and touching Ivy's face. "Mommy, why are you crying? Don't you want to be my real Mommy?"

"Siena!" Ivy suddenly hugged her.

"Darling, I have been looking for you for so many years. How could I not want to be your Mommy?" Ivy placed her hand on Siena's shoulders. "I have been looking for you for so long. Why didn't you come forward sooner? You made me look for you with so much difficulty."

"Liam, are you dumb or what?" Ivy was speechless.

"What?"

"Are you dumb? You have been drugged, and when you wake up, you don't even know if you have slept with the other person or not? II

Liam was speechless.

Although he still had no memories, he gradually understood.

"V, you..." He was stunned that he started to stutter, "What you mean is the person that you slept with back then...me?"

"If not? Do I look like the type of person who would simply sleep with another man?"

This time, it was Liam's turn to be baffled. He was bewildered.

His voice trembled instead this time. "Ivy, what are you saying? Can you say it once more?"
