The adoptive parents expressed their understanding. They waved their hands and said, "It's alright. If it were me, I'd be crying happy tears too."

"Anyway, thank you very much," Liam said.

"Mister Liam, you don't have to be so polite. Otherwise, we will be even more embarrassed," the adoptive father said.

The adoptive mother held Siena, who seemed a little lost. She pulled Siena in front of Ivy and said softly, "Siena, I'm sorry, Mommy never told you that Ivy is your biological mommy."

Siena looked at her in shock. "Really? Is Mommy Ivy my biological mother? Did she give birth to me?"

"Yes. Mommy wouldn't just pass you to a random stranger, right?" The adoptive mother smiled and said, "Siena, you will be able to spend time with your biological mommy in the future. Isn't that great?"

Siena nodded, then stretched out her palm and gently stroked Ivy's face. ' Mommy, why are you crying? Don't you want to be my biological mommy?"

"What do you mean?" Liam did not understand for a while.

"Are you a pig, Liam?" Ivy was speechless.

"Huh?"

"Are you a pig? You've been drugged so many times and you don't remember who you've slept with

Liam was speechless.

Although he still had no impression, he gradually understood.

'V, you..." He was stunned and began to stutter. "You mean that the person you slept with was...me?"

"What else would I be saying? Do you think I'd sleep with anyone?"

This time, Liam was stunned. He was about to go crazy. Even his voice trembled as he said, "What did
