

Still Loving You Nonetheless Chapter 1504

Ivy raised her hand and touched the top of Siena's hair. "God treated me well, and gave me back my daughter, and also gave me the child's father."

"No, you're wrong." Liam smiled and said, "God treated me well and sent the child and the child's mother back to my arms."

"Oh, spare me." Madam Sheldon shook her head unbearably.

Madam Sheldon finally believed that Siena was her own granddaughter.

She excitedly hugged Siena into her arms, and she burst into tears with joy. 'Great, our Sheldon family finally has a granddaughter! Great!'

'Grandma, you like Siena, right?' Siena asked sweetly.

"Nonsense! Of course, Grandma likes Siena. Grandma has always dreamed about a little grandson or a little granddaughter." Madam Sheldon choked as she said.

Liam and Ivy looked at each other and smiled.

After hugging Siena excitedly for a while, Madam Sheldon released her, and looked at her again.

"Now that you mentioned it, she looks a lot like Liam. Look at her nose, her ears...right? Am I right?" Madam Sheldon asked everyone.

Stanley immediately nodded in agreement. "Yes, yes, she looks like both Liam and Ivy."

After all, there was no need to stir up the past. This was the best ending.

Madam Sheldon suddenly changed the subject and said, "By the way, you just got off the plane, so you
must be tired. Hurry back to your room and rest."

"Grandma, I'm not tired!" Siena said.

"Yes, yes. If you're not tired, you can stay and let Grandma hug you. Let me take a look at you." Madam
Sheldon sat down on the sofa with Siena in her arms.

Seeing this, Liam pulled Ivy's little hand and said, "V, let's go. Let's go upstairs to rest."

Ivy nodded, and politely said to Stanley and Madam Sheldon, "Uncle, Aunt, we'll be going up and rest."

"Oh, why are you calling US 'Uncle' and 'Aunt'? You can treat US like your own parents." Madam
Sheldon corrected her with a smile. "Look at Siena, even she is calling US 'Grandpa' and 'Grandma'."

Ivy smiled and called out obediently, "Dad, Mom."

"Oh, that's really good!" Madam Sheldon responded happily.

Stanley glared at her angrily and said, "There hasn't been a formal marriage ceremony yet, and you're
already asking her to address US like parents."

'Why not? We can make up with the ceremony later." Madam Sheldon laughed and said, "Would you
mind it, Ivy?"

Ivy shook her head and said, "Mom and Dad, I'm honored and happy to be able to call you Mom and
Dad. Why would I mind?"

"Look, Ivy is so sensible." Madam Sheldon smiled with satisfaction.
