Raymond's observation was close enough. Alex just got new freedom and a new determination so he doesn't really like to be bounded for now

"It's fine, just make sure your daughter grips him close enough. If others hear about this, they will start to approach him

Raymond nod with a solemn face. "Then what should we do now with him, brother ?"

"How about we place him at our Royal Academy and make the Dean take him as his student since the dean himself was a rank 8 fire mage." The king suggested.

"I don't know if he wanted to enter our academy. I will try to persuade him. If he doesn't want, we need a different plan"

The king then nodded his head.

"I will go back home then brother" Raymond said

"Haiz.... you Raymond, do you know the news you bring, will make me can't sleep tonight"
