Then he chants with a new chant he created himself, not only the chant was shorter but also the power output was greater than fireball spell" Raymond repeated the story told by Alicia.

"This... You serious?" The king didn't believe what just he heard.

The grand duke only nodded.

"This..." The king shocked. And started doing what grand duke did just now. He grabbed Alex and scanning him up and down.

"....." Alex froze.

"Raymond... this Alex... His potential is limitless. I think he has more potential than our founder." The king said

"You mean... He might become a god? even our founder can't become a god. Don't you exaggerated a bit much brother?" Raymond said

"No.. I'm not exaggerating a bit. In truth, I think we still underestimated his potential" King confirmed what he said.

"If this was true then... our kingdom will have a god in a few decades. After the first ascended who ascend 5000 years ago, there's no one who has the potential to become a god anymore except our founder. But even he failed to become a god"

"Umu.. so what should we do now? First, we need to bind him to our kingdom"

"Yes... what should we do..." Grand duke recalled a bit "Brother, didn't Alicia said Alex make her disheartened"

"Ah... Nice one brother" And the two suddenly laughed. Alicia confused with his father and uncle, while Alex got a chill.
