

SOVEREIGN 2007

Chapter 2007: The Legacy Of The Celestial-grade Saint Inscription Master

Duan Ling Tian was already very surprised when he heard about the existence of the 10,000 Inscriptions Saint Weapons in the Dao Martial Saint Land from Liu Yun. After all, the Thousand Inscriptions Saint Weapons already cost 10 million Contribution Points in the Fire Worship Sect's Saint Land. How many Contribution Points would a 10,000 Inscriptions Saint Weapon cost then?

When Duan Ling Tian heard what Liu Yun said next, it was as though he was struck by a bolt of lightning. He did not regain his senses for a long time.

"The 10,000 Inscriptions Saint Weapons are the Super Saint Weapons on the Ten Great Saint Weapons Ranking?" Duan Ling Tian was completely shocked. Not even his wildest dreams did it occur to him that the ten great Super Saint Weapons on the Ten Great Saint Weapons Ranking were the legendary 10,000 Inscriptions Saint Weapons!

He did not encounter the other nine Super Saint Weapons on the Ten Great Saint Weapons Rankings, but the Devilseal Tablet was in his possession for a long time.

For this reason, he knew the Devilseal Tablet very well. Apart from being able to destroy a Devil Cultivator, it did not seem to possess any other special abilities. The energy boost from it was even inferior to an ordinary Saint Weapon.

When Duan Ling Tian heard Liu Yun's explanation, he finally realized this was part of the special characteristics of a 10,000 Inscriptions Saint Weapon.

The 10,000 Inscriptions Saint Weapons were different from Thousand Inscriptions Saint Weapons, Hundred Inscriptions Saint Weapons, and even Ten Inscriptions Saint Weapons.

The others would grant a high energy boost the higher the number the Saint Inscriptions that were inscribed on them. They would grant the user a more powerful attack.

The 10,000 Inscriptions Saint Weapons, however, were not focused on boosting one's strength. Duan Ling Tian knew this very well since the Devilseal Tablet was not a Saint Weapon that could boost one's strength.

'I can't believe the Super Saint Weapons on the Ten Great Saint Weapons Ranking are the legendary 10,000 Inscriptions Saint Weapons! Not only that, but there has only been one Celestial-grade Saint Inscription Master who could inscribe a 10,000 Inscriptions Saint Weapon in the history of the Dao Martial Saint Land!' When Duan Ling Tian thought about this, all kinds of emotions welled up in his heart.

At the same time, he also realized that a Celestial-grade Saint Inscription Master was a true genius!

In fact, the ten 10,000 Inscriptions Saint Weapons that he left behind still existed until now. Moreover, they were also acknowledged as the most powerful Saint Weapons in the Dao Martial Saint Land.

The successors even called them the Super Saint Weapons and they were even ranked on the Ten Great Saint Weapons Ranking! The Ten Great Saint Weapons Ranking represented the ten most powerful Saint Weapons in the Dao Martial Saint Land!

Until now, they had yet to be surpassed!

Naturally, Duan Ling Tian was well aware that whether it was his Seven Treasures Exquisite Pagoda or the few Celestial Supreme Treasures, including the Jasper Celestial Sword, in the Seven Treasures Exquisite Pagoda, all of them would easily be able to surpass the ten great Super Saint Weapons. They were not Saint Weapons but Celestial Supreme Treasures. They were not from this world. They came from the Devata Realm! For this reason, they could not be compared to other weapons.

In the Dao Martial Saint Land, the Celestial-grade Saint Inscription Master who left behind the ten great Super Saint Weapons that were ranked on the Ten Great Saint Weapons Ranking was indeed an unprecedented genius who left behind no legacy that was known.

“The Celestial-grade Saint Inscription Master and the Celestial-grade Inscription Pen are both legendary beings. As for the quasi Celestial-grade Inscription Pens, they could be refined by some quasi Celestial-grade Saint Refinement Masters who specializes in Weapons Refinement Dao,” Liu Yun continued to say, “Besides, the materials needed to refine quasi Celestial-grade Inscription Pens are very valuable and rare. Usually, only quasi Celestial-grade Saint Refinement Masters would take great pains to look for those materials. At this moment, one can see the might of our Fire Worship Sect and the other two great sects. As the three greatest sects in the Upper Province of the Dao Martial Saint Land, it’s not difficult for them to search for the materials needed to refine a quasi Celestial-grade Inscription Pen. Naturally, if a quasi Celestial-grade Saint Inscription Master wants to ask for one of the sects for help, he would have to promise something in return or join the sect.” Liu Yun paused for a moment before he said, “Most of the time, they would have to promise to help inscribe a few Thousand Inscriptions Saint Weapons in the future. This is also how the Fire Worship Sect procures most of the Thousand Inscriptions Saint Weapons.”

Duan Ling Tian nodded.

The quasi Celestial-grade Saint Inscription Master wanted to use the three great sects to help search for the materials needed to refine a quasi Celestial-grade Inscription Pen while the three great sects wanted the quasi Celestial-grade Saint Inscription Master to inscribe Thousand Inscriptions Saint Weapons. It was beneficial for both sides to help each other.

“For this reason, even a Celestial-grade Inscription Pen is not something that everybody could obtain, let alone the legendary Celestial-grade Inscription Pen. The value of a quasi Celestial-grade Inscription Pen is not something the Nine Star Inscription Pen could compare to,” Liu Yun said, helping Duan Ling Tian to understand how precious quasi Celestial-grade Inscription Pens were.

As for the Celestial-grade Inscription Pen, it was a legendary item that one could only obtain with luck.

“Senior Brother Liu Yun, earlier you said the Celestial-grade Saint Inscription Master only managed to inscribed ten 10,000 Inscriptions Saint Weapons in his entire life? Does this mean he has died?” Duan Ling Tian suddenly asked in confusion.

“Yes.” Liu Yun nodded. “His lifespan was not as long as ordinary people due to him inscribing the 10,000 Inscriptions Saint Weapons. Not only did it take a toll on his mental and physical strength, but it even took a toll on his lifespan! After he inscribed the ten 10,000 Inscriptions Saint Weapons, he could not break through to the Seventh Form of the Saint Celestial Stage, the Heaven Defying Form, during his lifetime. For this reason, he did not achieve immortality. Rumor has it that he was a martial genius with a dark indigo Innate Spiritual Root. However, due to the reason that the Dao Martial Saint Land hadn’t split into the Upper Province and Lower Province yet, the cultivation environment was not as good. Coupled with the fact that he had devoted his mind to the Inscription Dao, he couldn’t break through to the Seventh Form of the Saint Celestial Stage, the Heaven Defying Form, in time. If he had successfully broken through to the Seventh Form of the Saint Celestial Stage, the Heaven Defying Form, he would possess the lifespan of the universe. At that time, he would be able to inscribe more than ten 10,000 Inscriptions Saint Weapons.” Liu Yun sighed emotionally when he reached the end of his sentence.

“That senior did not leave behind any successor?” Duan Ling Tian asked.

“Legend has it that after he died, he left behind a legacy of his Saint Inscription Art, but until now, nobody knew where he left his legacy,” Liu Yun replied, “After he died, the three great sects, including our Fire Worship Sect, have sent out a huge number of people and spent a huge amount of resources just to look for the legacy left behind by that Celestial-grade Saint Inscription Master. However, the search was unfruitful.”

“In that case, does this mean the legacy left behind by the Celestial-grade Saint Inscription Master is actually at the Lower Province?” Duan Ling Tian asked again.

“Yes.” Liu Yun nodded. “At that time, the Dao Martial Saint Land hadn’t split into the Upper Province and Lower Province yet. The Dao Martial Saint Land only had the Lower Province at that time.”

‘How great would it be if I can find the place where the Celestial-grade Saint Inscription Master left his legacy!’ A thought suddenly rose in Duan Ling Tian’s mind. Naturally, he knew this was only an unlikely-to-happen dream.

So many years had passed, even the three great sects could not find the place where the Celestial-grade Saint Inscription Master left his legacy despite having spent a huge amount of resources. On what basis would he be able to find it?

After leaving the palace that sold Saint Weapons, Liu Yun continued to bring Duan Ling Tian and Liu Mu to the other palaces.

At the same time, wherever they went, more and more people stared at them. To be more accurate, they were staring at Duan Ling Tian.

“He’s Duan Ling Tian?”

“He’s the one who killed the true disciple, Yang Wen, and won a million Contribution Points?”

“I came too late and didn’t manage to witness the Death Duel between him and Yang Wen... What a pity!”

“What a pity? You should count yourself lucky! It’s said that more than 90% of the people who went to watch the Death Duel lost a lot of their Contribution Points. Almost everyone bet that Yang Wen would win.”

These Saint Land disciples who were staring at Duan Ling Tian only came to the Central Square not too long ago. For this reason, they did not get to witness the Death Duel between Duan Ling Tian and Yang Wen.

“Isn’t that Senior Brother Liu Yun next to Duan Ling Tian?”

“Senior Brother Liu Yun seems very courteous to him...”

“How could he not be courteous? Based on the strength Duan Ling Tian displayed today, even Senior Brother Liu Yun might not be a match for him!”

“That’s right! I heard that even Senior Brother Liu Yun and the three Palace Of Death’s Bronze Flame Elders couldn’t catch a trace of the sword technique that Duan Ling Tian cast to kill Yang Wen. This means Duan Ling Tian’s sword technique is so fast that even powerhouses at the Second Form of the Saint Celestial Stage can’t catch a trace of it!”

“I heard Yang Wen even consumed a forbidden pill that raised his Saint Origin to the Second Form of the Saint Celestial Stage. However, in the end, he was still killed by Duan Ling Tian!”

“What a waste! Such a high-grade forbidden pill should be worth at least several tens of thousands of Contribution Points, right? To think Yang Wen had wasted it just like that... What a waste!”

Many Saint Land disciples who recognized Liu Yun continued to discuss Duan Ling Tian’s strength among themselves.

Under Liu Yun’s guidance and Liu Mu’s company, Duan Ling Tian visited all the palaces in the Central Square and learned about them.

As Duan Ling Tian visited the palaces, news of him killing the true disciple, Yang Wen, in the Saint Land’s Palace of Death spread like a typhoon in the Saint Land. Not only that, but it even spread quickly to every mine and the Four Symbols Sanctums.

When news of it reached the Black Turtle Sanctum, the Black Turtle Sanctum broke into an uproar.

“Senior Brother Duan Ling Tian has only gone to the Saint Land for ten days, but he has already killed a true disciple? My Lord! Is this real?!”

“True disciple... It’s a true disciple! They’re the most outstanding Saint Land disciples in the Fire Worship Sect. All of them are at the Saint Celestial Stage or above! A true disciple is actually killed by Senior Brother Duan Ling Tian?”

Chapter 2008: Duan Ling Tian, A True Disciple!

“My goodness! How strong did Senior Brother Duan Ling Tian grow? To think he’s able to kill a true disciple in the Saint Land!”

In their eyes, true disciples were people they looked up to. They had a lofty position compared to the disciples in the Four Symbols Sanctums.

However, today, somebody had actually pulled a true disciple down from the pedestal they put the true disciples on. This person was none other than Duan Ling Tian who came from the Black Turtle Sanctum!

“A true disciple isn’t necessary a Saint Celestial Stage powerhouse! Don’t forget that in our Fire Worship Sect, as long as those geniuses with indigo Innate Spiritual Roots manage to break through to the Divine Saint Stage, they can become a true disciple too!” A Black Turtle Sanctum’s disciple said skeptically, “Perhaps, the true disciple Duan Ling Tian killed is this kind of true disciple whose cultivation base hasn’t reached the Saint Celestial Stage! In fact, whether it’s a Martial, Dao or Devil Cultivator, once they break through to the Saint Celestial Stage, the Saint Energies in their bodies would transform into the Saint Origin! The strength of a powerhouse at the First Form of the Saint Celestial Stage is far superior to the combined strength of ten powerhouses at the peak of the Quintessential Saint Stage!” Many people agreed with this Black Turtle Sanctum’s disciple words.

“That’s highly likely!”

“I think it’s impossible for Senior Brother Duan Ling Tian to kill a true disciple whose cultivation base has already entered the Saint Celestial Stage. The one he killed must be a true disciple who had an indigo Innate Spiritual Root.”

“I think so too!”

Many Black Turtle Sanctum’s disciples whispered among themselves. They did not think Duan Ling Tian who had only been in the Saint Land for ten days was capable of killing a true disciple who was a Saint Celestial Stage powerhouse.

“Humph! All of you are mistaken!” Just as a group of Black Turtle Sanctum’s disciples was expressing their doubts, a Black Turtle Sanctum’s disciple with a huge build stood out and interjected, “Based on the news I obtained, the true disciple Senior Brother Duan Ling Tian killed was a Saint Celestial Stage powerhouse called Yang Wen!”

Yang Wen!

Many Black Turtle Sanctum’s disciples frowned when they heard this.

“I remember now! There’s indeed a famous person among the true disciples in the Saint Land. He seemed to have broken through to the Saint Celestial Stage a few years back!” One Black Turtle Sanctum’s disciple exclaimed excitedly.

“I remember Yang Wen. Speaking of, he was from the same batch as me when we entered the Fire Worship Sect. Due to this reason, I’ve been paying attention to him.” Another Black Turtle Sanctum’s disciple sighed before smiling wryly. “He had already broken through to the Saint Celestial Stage and became a true disciple, but I’m still a Black Turtle Sanctum’s disciple.”

Then, a few Black Turtle Sanctum’s disciples confirmed this fact again. “Yang Wen was indeed a Saint Celestial Stage true disciple!”

Yang Wen!

True disciple!

Saint Celestial Stage powerhouse!

When the Black Turtle Sanctum's disciples confirmed this one after another, the other Black Turtle Sanctum's disciples broke into an uproar again.

"Yang Wen? Isn't he the eldest son of Yang Chong, the fifth elder of the Northern Plethora Sect?" At this moment, a Black Turtle Sanctum's disciple chimed in, "Duan Ling Tian killed him as well?!"

"The eldest son of Yang Chong, the fifth elder of the Northern Plethora Sect?" This Black Turtle Sanctum's disciple's statement also caused another uproar.

Many Black Turtle Sanctum's disciples expressed their doubts. "Are you sure?"

"Of course!" The Black Turtle Sanctum's disciple nodded confidently. "I entered the Black Turtle Sanctum at the same time as Duan Ling Tian. I'm originally a disciple from a third-rate force near the Northern Plethora Sect. Previously, I heard that the fifth elder of the Northern Plethora Sect had sent his eldest son, Yang Wen, to the Fire Worship Sect. As for his youngest son, Yang Wu, he entered the Fire Worship Sect at the same as me. However, due to his arrogance, he was killed by Duan Ling Tian for provoking him the instant he arrived," the Black Turtle Sanctum said in one breath.

"The true disciple, Yang Wen, is actually the eldest son of the fifth elder of the Northern Plethora Sect?" Upon hearing this, many Black Turtle Sanctum's disciples were dumbfounded. However, some people had a skeptical expression on their faces. They doubted the validity of the news.

At the same time, the Black Turtle Sanctum's disciple with a huge build who had quick access to the news spoke again. "Yang Wen was indeed the eldest son of Yang Chong, the fifth elder of the Northern Plethora Sect."

"I've also heard that fifth elder of the Northern Plethora Sect had two sons. His youngest son was killed by Senior Brother Duan Ling Tian the moment he arrived at the Fire Worship Sect. As for his eldest son, I've also heard he was sent to one of the three great sects. However, I had no idea he was in our Fire Worship Sect!"

"I can't believe the eldest son of the fifth elder of the Northern Plethora Sect was a true disciple in the Fire Worship Sect! Not only that, but he was a Saint Celestial Stage powerhouse as well!"

"What's more surprising is the fact that his eldest son is also killed by Senior Brother Duan Ling Tian!"

An expression of disbelief appeared on the Black Turtle Sanctum's disciples' faces as they discussed this among themselves.

"I'm certain Yang Chong, the fifth elder of the Northern Plethora Sect, is going to be so enraged to the point he would throw up blood he finds out that both his sons are killed by Senior Brother Duan Ling Tian, right?"

"Of course!"

“Wow, karma really comes fast! Previously, the fifth elder of the Northern Plethora Sect came in a fury and demanded Senior Brother Duan Ling Tian to commit suicide. Senior Brother Duan Ling Tian ignored him so he used Senior Brother Duan Ling Tian’s family to threaten him instead. However, currently, his other son is killed by Senior Brother Duan Ling Tian!”

“I wonder if he has found out anything about Senior Brother Duan Ling Tian’s background and family? If he hasn’t, then he really has suffered a big loss!”

“It’s said that the eldest son of Yang Chong, the fifth elder of the Northern Plethora Sect, had raised his Saint Origin to the Second Form of the Saint Celestial Stage after consuming a forbidden pill. However, in the end, he’s still killed by Senior Brother Duan Ling Tian!”

It was not only the Black Turtle Sanctum, but even the other three Sanctums were filled with similar discussions.

Duan Ling Tian instantly rose to fame again! His current reputation was unlike what it was before.

Currently, Duan Ling Tian’s strength had received the acknowledgment from everyone in the Four Symbols Sanctums!

A Fire Worship Sect’s disciple who walked out of the Four Symbols Sanctum and entered the Saint Land for slightly over ten days had killed a true disciple whose cultivation base had already entered the Saint Celestial Stage in the Palace Of Death.

This was the first time something so ridiculous had taken place in the Fire Worship Sect.

Usually, a Fire Worship Sect’s disciple who had just left the Four Symbols Sanctums and had just entered the Saint Land would not be so strong. They could not even compare to outstanding elite disciples in the Saint Land, let alone a true disciple.

One could say that Duan Ling Tian had re-written history in the Fire Worship Sect. It would definitely be remembered for years to come, and his name would be crowned in glory!

...

In a vast mansion in the east of the Black Turtle Sanctum, the Black Turtle Sanctum’s First Silver Flame Elder Li An who had just received the news was so enraged that his body began to tremble as his expression darkened.

Without warning, he raised his hand and was ready to slap the stone table in front of him. However, he held himself back in the end. Because of Duan Ling Tian, he had changed the stone table in his courtyard numerous times.

“Duan Ling Tian... How did he manage to kill Yang Wen? Moreover, he managed to kill Yang Wen even after he consumed a forbidden pill!” Li An had an expression of disbelief on his face.

Li An took a deep breath before he went to the Saint Land to find out exactly what had happened.

As an elder of the Fire Worship Sect, he could easily enter the Saint Land.

When Li An arrived at the Saint Land, he finally confirmed the news of Yang Wen being killed by Duan Ling Tian. Apart from that, he also learned in detail about what had transpired.

'Even the Palace Of Death's Bronze Flame Elders at the Second Form of the Saint Celestial Stage couldn't catch a trace of Duan Ling Tian's last technique?!' The moment Li An thought of this, a horrified expression appeared on his face.

He knew very well what this meant. This meant Duan Ling Tian could kill a powerhouse at the Second Form of the Saint Celestial Stage if he wanted to.

'It's suspected that Duan Ling Tian's strength is comparable to the Third Form of the Saint Celestial Stage when he cast his assist-type Divine Ability?' The instant he thought of this, his expression turned grave immediately. The killing intent in his eyes became obvious as though he was about to devour somebody. At this moment, an intense sense of danger rose up from the depth of his heart.

Previously, although Li An knew Duan Ling Tian would pose a threat to him in the future, he thought it would only be a few years later. However, he finally realized Duan Ling Tian did not need a few years to surpass him. After all, Li An was only at the Fourth Form of the Saint Celestial Stage.

"Duan Ling Tian, you're really good at concealing your strength..." Up until now, Li An thought Duan Ling Tian had been concealing his real strength and had only revealed his strength during his Death Duel with Yang Wen.

Li An's heart was laden with anxiety as he left the Saint Land.

After he left the Saint Land, he did not return to the Black Turtle Sanctum. Instead, he left in the direction where the first-rate force, Northern Plethora Sect, was located.

'I must notice Yang Chong immediately about this matter. I'm sure Yang Chong would spare no efforts in investigating Duan Ling Tian's background now that Yang Wen is dead! As long as we can find Duan Ling Tian's background and capture his family, Duan Ling Tian will definitely fall for our trap!' Li An thought to himself as he made his way to the Northern Plethora Sect, 'Duan Ling Tian must die! Otherwise, in a few years' time, even Yang Chong and I wouldn't be able to suppress him!' His heart burned with anxiety the more he thought about it.

...

Naturally, Duan Ling Tian was unaware of all that. Currently, he was in the process of becoming a true disciple.

In the Fire Worship Sect's Saint Land, apart from the two traditional methods, there was a third method in becoming a true disciple. That was to kill a true disciple whose cultivation base had entered the Saint Celestial Stage in the Palace Of Death!

Since Duan Ling Tian had successfully killed Yang Wen, a true disciple, he was going to become a true disciple as well!
