

2411 The Stubborn Duan Ling Tian

"I... N-never in my wildest dream would I imagine that you managed to obtain the extraordinary Celestial Supreme Treasure, the Seven Treasures Exquisite Pagoda!" Zhang Yi gulped. Like those crazed fans on earth in Duan Ling Tian's past life, he disregarded his image and pleaded, "Duan Ling Tian... C-can you please take the Seven Treasures Exquisite Pagoda out so I can have a look? Just one look is good enough!" He looked at Duan Ling Tian expectantly after he finished speaking.

A bitter expression appeared on Duan Ling Tian's face as soon as he heard Zhang Yi's words. He sighed before he said, "The Seven Treasures Exquisite Pagoda had been destroyed along with Elder Huo..."

"What?" Zhang Yi was shocked. He shook his head as he said, "Impossible! Absolutely impossible! How can there be any force in the mundane realm that's strong enough to destroy the Seven Treasures Exquisite Pagoda! As one of the most extraordinary Celestial Supreme Treasures, let alone the mundane realms, not many people possess the strength to destroy the pagoda even in the Devata Realms! Even a Great Overarching Golden Celestial wouldn't be able to destroy it!" He paused for a moment before he looked at Duan Ling Tian with a frown on his face as he said, "Duan Ling Tian, did you make a mistake? The Seven Treasures Exquisite Pagoda can't be so easily destroyed!"

Zhang Yi did not doubt that Duan Ling Tian had truly obtained the Seven Treasures Exquisite Pagoda before. Apart from the sad expression on Duan Ling Tian's face that could not be faked, Duan Ling Tian was able to speak about the Seven Treasures Exquisite Pagoda in great detail. However, he found it hard to believe that the Seven Treasures Exquisite Pagoda was destroyed.

Duan Ling Tian sighed again. "Indeed. There's no one strong enough to destroy a Celestial Supreme Treasure in the mundane Realms. Even Nine Tribulation Bodiless Celestials aren't capable of such a feat... The reason it was destroyed was due to Elder Huo, the Three-legged Golden Crow, sacrificing his life and the Seven Treasures Exquisite Pagoda to save my life. It was at that time the Seven Treasures Exquisite Pagoda was broken and our connection was severed."

A mournful expression appeared on Duan Ling Tian's face when he recalled the time he was forcefully sent back to the Lower Province of the Dao Martial Saint Land as though he had lost something extremely precious.

"The Three-legged Golden Crow sacrificed his life and the Seven Treasures Exquisite Pagoda?" Zhang Yi shook his head. "That's impossible! Although the Three-legged Golden Crow is the pagoda spirit of the Seven Treasures Exquisite Pagoda, it's impossible for it to destroy the Seven Treasures Exquisite Pagoda... The Seven Treasures Exquisite Pagoda is one of the most extraordinary Celestial Supreme Treasures. Even if the pagoda spirit has the strength to destroy the pagoda, its role as the pagoda spirit restricts it from destroying the pagoda. For lack of a better word, the pagoda spirit is only an accessory of the Seven Treasures Exquisite Pagoda. There's no way it could have destroyed the pagoda!"

Zhang Yi was very confident when he spoke about this. As a disciple of Celestial Masters Sect in Yan Huang Realm, apart from cultivating, he liked reading ancient books about Planet Yan Huang, one of the original cultivation planets in Yan Huang Realm. This was why he was so knowledgeable about Celestial

Supreme Treasures and why he was confident the pagoda spirit of the Seven Treasures Exquisite Pagoda could not destroy the pagoda.

Naturally, Duan Ling Tian desperately wished Zhang Yi's words were true, but he found it difficult to believe. After all, he also wished that Elder Huo was alive well and the Seven Treasures Exquisite Pagoda was not destroyed. "At that time, my connection with the Seven Treasures Exquisite Pagoda was severed. There was no doubt about it."

Duan Ling Tian thought to himself, 'Is it possible that I was wrong? However, I clearly lost my connection to the Seven Treasures Exquisite Pagoda. Moreover, Elder Huo shouldn't be able to break my connection with the pagoda.'

Zhang Yi had a solemn expression on his face as he said, "Tell me what happened in detail. I'm confident in my knowledge about Celestial Supreme Treasures and its souls. There's no way that my words are wrong!"

When Duan Ling Tian saw how serious Zhang Yi was, he recounted what happened in great detail. After he finished recounting what had happened, he looked at Zhang Yi and asked, "Now, do you still think the Seven Treasures Exquisite Pagoda isn't destroyed?"

"Of course!" Zhang Yi said confidently even after he listened to Duan Ling Tian's words, "Based on your words, the Three-legged Golden Crow, the pagoda spirit of the Seven Treasures Exquisite Pagoda, didn't have his full strength since the pagoda isn't completely restored. In other words, even if he sacrificed his life to save you, it wouldn't affect the pagoda at all. You assumed that he used the pagoda's power to self-destruct, but that's even more unlikely! Although the relationship between a Celestial Supreme Treasure and its artifact soul isn't really a master and slave relationship, there's no doubt that Celestial Supreme Treasures are superior to its artifact souls. An artifact soul can't destroy its Celestial Supreme Treasure!" He paused for a moment before he concluded, "Therefore, it's impossible for the Three-legged Golden Crow to sacrifice its life and the pagoda to tear a hole in the void to send you back to the Lower Province of the Dao Martial Saint Land!"

"But..." Duan Ling Tian said with a frown.

However, Zhang Yi interrupted Duan Ling Tian before Duan Ling Tian could speak. "According to what you said, there's only one possibility left. An external force probably intervened and sent you back to the Lower Province of the Dao Martial Saint Land and took the Seven Treasures Exquisite Pagoda away from you! The external force was probably strong enough to break the connection between you and the pagoda! In conclusion, the Seven Treasures Exquisite Pagoda and the pagoda spirit are probably alive and well!" He glanced at Duan Ling Tian before he added, "As for the pagoda spirit's instruction to put the Jasper Celestial Sword back in the Seven Treasures Exquisite Pagoda, I suspect that it was done deliberately so you would return the Celestial Supreme Treasure to the pagoda. After all, if you didn't want to return the Jasper Celestial Sword to the pagoda, there was nothing the pagoda spirit could do."

After Zhang Yi finished speaking, he remained silent to give Duan Ling Tian time to mull over his words.

"What kind of force can send me back to the Lower Province and take the Seven Treasures Exquisite Pagoda away from me at the same time? Naturally, I wish Elder Huo is alive and well, and the Seven

Treasures Exquisite Pagoda isn't destroyed, but I still find it hard to believe!" Duan Ling Tian stubbornly persisted in his views. After all, he could not imagine what kind of being would be capable of such a feat. Not only was the person capable of sending him back to the Lower Province, but he was also able to convince Elder Huo to deceive him into returning the Jasper Celestial Sword and severing his connection to the Seven Treasures Exquisite Pagoda. Moreover, he thought these were all Zhang Yi's speculations with no supporting evidence. Therefore, he was not convinced at all.

Zhang Yi was rendered speechless when he saw Duan Ling Tian refusing to believe him even though he had spoken so much. "You..." After a while, he only said helplessly, "Well, forget about it... If you ever visit Yan Huang Realm one day, you'll realize that I'm right!"

"Then, let's talk about it when the time comes..." Duan Ling Tian did not think Zhang Yi was lying to him, however, without any evidence, he found it difficult to believe Zhang Yi's words. His eyes flashed with determination as he said, "I'll definitely go to Yan Huang Realm!"

Liu Xia who was traveling next to them all this time had remained silent. However, inwardly, she thought Zhang Yi's words had merits. Unfortunately, she could see that unless she or Zhang Yi could provide evidence, it would be difficult to convince Duan Ling Tian otherwise. Therefore, she did not speak up to support Zhang Yi's words.

The three of them continued to travel in haste.

After a while, Duan Ling Tian who had sorted his thoughts out looked at Zhang Yi again and asked, "Zhang Yi, based on what you said earlier, there's an Eminent Celestial from Gao Village Sect who's less than 100 years old but is as strong as a Five Tribulation Bodiless Celestial. Apart from him, are there any Eminent Celestials like that in Yan Huang Realm?" He was, naturally, curious about all these personages.

"Of course!" Zhang Yi nodded and said, "There's also an Eminent Celestial from Mount Huaguo Sect whose strength is comparable to a Five Tribulation Bodiless Celestial. Moreover, he's even stronger than the one from Gao Village Sect!"

"Mount Huaguo Sect?" Duan Ling Tian was stunned when he heard Zhang Yi's words.

2412 An Eminent Celestial Comparable to A Seven Tribulation Bodiless Celestial?

When Duan Ling Tian heard Zhang Yi mention a strong force called Gao Village Sect, he had already felt shocked. However, he was even more shocked when he heard Zhang Yi mentioning Mount Huaguo Sect. He shook his head and smiled wryly, "Indeed. They're good brothers!"

Based on Duan Ling Tian's words, it was not difficult for Zhang Yi to figure out that Duan Ling Tian had also heard about Mount Huaguo Sect. "It seems like you've heard about Mount Huaguo Sect as well..."

Indeed. The founders of Gao Village Sect and Mount Huaguo Sect were brothers! They were not biological brothers, but they were brothers because they had the same master.

Since Zhang Yi found out Duan Ling Tian used to possess one of the top Celestial Supreme Treasures, the Seven Treasures Exquisite Pagoda, and that Duan Ling Tian used to communicate with the Three-legged Golden Crow, Elder Huo, he was no longer surprised by Duan Ling Tian's knowledge of Planet Yan Huang that was located in Yan Huang Realm.

“Yes, I heard it from Elder Huo.” Duan Ling Tian nodded, pushing everything to Elder Huo. “According to Elder Huo, Mount Huaguo Sect used to have an extraordinary cultivator called the Great Sage Sun Wu Kong. If I’m not mistaken, the founder of Mount Huaguo Sect is Sun Wu Kong, right?”

“That’s right!” Zhang Yi nodded before he said, “Whether it’s Mount Huaguo Sect or Gao Village Sect, both of them originated from Planet Yan Huang. The two sects had prospered in Planet Yan Huang before the Heaven and Earth Spirit Energy was depleted. After that, the people and monkeys from Gao Village Sect and Mount Huaguo Sect left Planet Yan Huang in search of a new place to live in along with countless other cultivators. Similar to Gao Village Sect and Mount Huaguo Sect, our Celestial Masters Sect is also founded in Planet Yan Huang and has a long history. Many forces that were established in other places in Yan Huang Realm can’t compare to us!”

“Since Gao Village Sect and Mount Huaguo Sect have an Eminent Celestial below the age of 100 whose strength is comparable to a Five Tribulation Bodiless Celestial, does the Celestial Masters Sect have someone like that as well?” Duan Ling Tian asked curiously.

“We do.” Zhang Yi nodded. A grim expression appeared on his face as he said, “His strength is not something ordinary Eminent Celestials can compare to. However, his strength is still considerably weaker compared to the two from Gao Village Sect and Mount Huaguo Sect.”

Zhang Yi’s emotion had changed, albeit subtly, when he spoke about this. Duan Ling Tian, naturally, noticed the subtle change. He could not help but ask, “It... It seems like you don’t really like that person from the Celestial Masters Sect...”

“Yes.” Zhang Yi did not bother to conceal this fact. He said irritably, “In the beginning, there was no enmity between us. However, there was one time when we were queueing up to accept tasks, his younger brother had jumped the queue. Just because I pointed it out and took issue with it, he felt as though I’d wronged his brother. Since then, he had begun to oppose me! It’s fine if I don’t meet him, but if I’m unlucky and I meet him, he’ll beat me up quite badly!”

Although Zhang Yi had spoken somewhat indifferently, Duan Ling Tian and Liu Xia could still hear the anger and humiliation in his tone. Duan Ling Tian even noticed Zhang Yi was clenching his fists so hard that his fingernails had pierced his flesh, causing blood to drip from his tightly clenched hands.

Duan Ling Tian asked, “What’s his name?”

Zhang Yi replied through clenched teeth, “Zhang Ting Jun!”

“Zhang Ting Jun... I’ll remember this name,” Duan Ling Tian nodded and said, “If we encounter him, I’ll make sure to avenge you.” It was only natural that he wanted to avenge Zhang Yi since he regarded Zhang Yi as a friend.

“Thank you, but there’s no need for that.” Zhang Yi rejected Duan Ling Tian’s kindness. He explained in a decisive tone, “I want to avenge myself!” This was also one of the reasons why he was so eager to enter the Beyond Heaven Secret Zone.

“Hmm.” Duan Ling Tian nodded. When he saw how resolute Zhang Yi was, he no longer harped on the topic. He turned to Liu Xia and asked, “Liu Xia! I remember you said the big mundane realm you’re from

is called Vast Cloud Realm. Are there any Eminent Celestials below the age of 100 whose strength is comparable to a Bodiless Celestial in Vast Cloud Realm?"

Yan Huang Realm where Zhang Yi came from had more than one Eminent Celestials with strength comparable to Bodiless Celestials. There were still three other mundane realms, excluding the Saint Province Realm where Duan Ling Tian was from. The three mundane realms were Vast Cloud Realm, Skyline Realm, and Mouro Realm.

Duan Ling Tian had already met people from the Yan Huang Realm, Vast Cloud Realm, and Skyline Realm. He thought to himself, 'I wonder if any of those people I killed to obtain the Celestial Sword was from the Mouro Realm?' He was attacked by two groups of people when he tried to take the Celestial Sword, he managed to kill all of them but he had no idea where they came from. The only thing he was certain of was that they were not from the Saint Province Realm. After all, in the Saint Province Realm, apart from him and the members of the Seven Absolutes Sect, no one had entered the Beyond Heaven Secret Zone. Perhaps, after a year or so, someone from the Saint Province Realm might enter the Beyond Heaven Secret Zone. Even then, he knew the identity of that person. It was Gan Ru Yan, his sister-in-law.

Liu Xia instantly responded to Duan Ling Tian's question, "Yes!" She began to tell him about the Eminent Celestials in Vast Cloud Realm who were less than 100 years of age and had strength comparable to a Bodiless Celestial. According to her, the weakest among them had strength comparable to a Three Tribulation Bodiless Celestial while the strongest had strength comparable to a Five Tribulation Bodiless Celestial.

"In other words... There aren't any Eminent Celestials in both of your mundane realms who have strength comparable to a Six Tribulation Bodiless Celestial?" Duan Ling Tian asked Zhang Yi and Liu Xia after Liu Xia finished speaking.

"Well, we can't be certain about that," Zhang Yi shook his head and said, "The one from Mount Huaguo Sect whom I told you about earlier... When I said his strength is comparable to a Five Tribulation Bodiless Celestial, that was ten years ago. I don't know if he has gotten any stronger after ten years. In Yan Huang Realm, he's the Eminent Celestial who most likely possesses strength comparable to a Six Tribulation Bodiless Celestial!"

Duan Ling Tian's eyes widened in surprise, "Comparable to a Six Tribulation Bodiless Celestial?" Such strength was comparable to his strength before he had obtained the Celestial Sword! After he recovered from his shock, he asked, "Then, do you think there are Eminent Celestials whose strength is comparable to a Seven Tribulation Bodiless Celestial in the other huge realms?"

"That's highly unlikely!" Zhang Yi shook his head immediately. He said confidently, "It's already absurd for an Eminent Celestial to possess strength comparable to a Six Tribulation Bodiless Celestial! How can there be Eminent Celestials who possess strength comparable to a Seven Tribulation Bodiless Celestial?!"

Zhang Yi continued to say, "An Eminent Celestial who possesses a Celestial Supreme Treasure would have strength comparable to a Three Tribulation Bodiless Celestial... If he managed to master an assist-

type Divine Ability from a Devata Realm, he might be able to possess strength comparable to a Four or Five Tribulation Bodiless Celestial. If he's lucky enough to also master an offensive Divine Ability, his strength would be comparable to a Six Tribulation Bodiless Celestial. Defensive and movement Divine Abilities won't raise one's strength at all. In other words, if an Eminent Celestial doesn't obtain the inheritance of a Great Overarching Golden Celestial, his strength would be comparable to a Six Tribulation Bodiless Celestial. That's the limit!"

Duan Ling Tian was thoroughly convinced by Zhang Yi's words. After all, just like Zhang Yi said, his assist-type Divine Ability, the Elementary Devouring Tactic, could raise his strength by two levels. After all, the Elementary Devouring Tactic was considered superior even in the Devata Realms. Other assist-type Divine Ability would only be able to raise his strength by one level.

Zhang Yi's voice continued to ring in Duan Ling Tian's ears. "Well, it's almost impossible for an Eminent Celestial to possess strength comparable to a Seven Tribulation Bodiless Celestial!"

2413 The Next Clue

"Extraordinary Celestial Supreme Treasures are extremely rare and valuable. Let alone the major forces in Yan Huang Realm, it's almost unheard of even in the Devata Realms..." Zhang Yi said as he glanced at Duan Ling Tian since he knew Duan Ling Tian used to possess the Seven Treasures Exquisite Pagoda. He sighed as he said, "It's really unfortunate that you lost the Seven Treasures Exquisite Pagoda. Otherwise, you'll definitely be even stronger than you are now! Although the Seven Treasures Exquisite Pagoda is not an offensive Celestial Supreme Treasure, the Jasper Celestial Sword is a top Celestial Weapon. With it, your strength would rise another level!" He sounded very confident when he spoke about this.

Duan Ling Tian only smiled bitterly in response. He had long known about these things that Zhang Yi said.

Zhang Yi said in an attempt to reassure Duan Ling Tian, "Anyway, don't worry. It's unlikely that there's an Eminent Celestial with strength comparable to a Seven Tribulation Bodiless Celestial in the Beyond Heaven Secret Zone. Moreover, even the major forces in Yan Huang Realm have one or two common Celestial Supreme Treasures at the most. I haven't heard of any forces that have a rare Celestial Supreme Treasure"

Duan Ling Tian nodded. He sighed in relief inwardly after he heard Zhang Yi's words. Since the strongest Eminent Celestials were comparable to Six Tribulation Bodiless Celestials and it was unlikely that there were Eminent Celestials comparable to Seven Tribulation Bodiless Celestials, he no longer had to worry about the competition. With his strength, he was far stronger than all of them. He felt extremely confident at this moment. After all, if he unleashed all his strength and techniques, and used the Celestial Sword, his strength was comparable to a Seven Tribulation Bodiless Celestial! Currently, he was two levels stronger than Feng Qing Yang before Feng Qing Yang had obtained the inheritance from a Great Overarching Golden Celestial.

After a while, a frown appeared on Duan Ling Tian's face as he thought to himself, 'I remember one of Senior Feng Qing Yang's competitors was an Eminent Celestial with strength comparable to a Six Tribulation Bodiless Celestial... Senior Feng Qing Yang's strength was only comparable to a Five Tribulation Bodiless Celestial at that time. How did he manage to obtain the inheritance from a Great Overarching Golden Celestial then?'

According to Zhang Yi, all of the Eminent Celestials, including the Eminent Celestial with strength comparable to a Six Tribulation Bodiless Celestial, were killed. Sword Saint Feng Qing Yang was the last one standing and managed to obtain the inheritance from a Great Overarching Golden Celestial!

“Zhang Yi,” Duan Ling Tian turned to Zhang Yi and asked, “At that time, Senior Feng Qing Yang only had strength comparable to a Five Tribulation Bodiless Celestial. How did he manage to obtain the inheritance from a Great Overarching Golden Celestial when there was an Eminent Celestial whose strength was comparable to a Six Tribulation Bodiless Celestial around?”

“I’m not sure as well,” Zhang Yi shook his head and said, “However, I have my own theory. It’s similar to all the theories in our Yan Huang Realm.”

“Please tell me,” Duan Ling Tian said eagerly.

“Many people, like me, assume that the Sword Cultivator, Feng Qing Yang, from your Saint Province Realm, obtained a Celestial Supreme Treasure while he was fighting with the other Eminent Celestials. We suspect that the Celestial Supreme Treasure was a Celestial Sword. Since he’s a Sword Cultivator, a Celestial Sword was definitely beneficial to him. At that time, his strength was comparable to Five Tribulation Bodiless Celestial, however, with the addition of a Celestial Sword, his strength would be comparable to a Six Tribulation Bodiless Celestial! This way, it makes sense how he managed to obtain the inheritance left by a Great Overarching Golden Celestial,” Zhang Yi explained patiently.

When Duan Ling Tian heard Zhang Yi’s words, his eyes brightened like the stars in the night sky. “You’re right! Why didn’t I think of this?”

Duan Ling Tian had forgotten about this because Feng Qing Yang’s strength came from his complete mastery of the Sovereign Heart Sword. He did not rely on any Divine Abilities from the Devata Realms at all to gain his strength that was comparable to a Five Tribulation Bodiless Celestial. He had assumed that even if Feng Qing Yang had obtained any extraordinary techniques or Divine Abilities in the secret zone, he would not have the time to completely master it. He had forgotten that if Feng Qing Yang had obtained a Celestial Supreme Treasure, he could use it immediately to raise his strength!

Duan Ling Tian was still lost in his thoughts when he felt the Feng Shui compass vibrating in his hand. The needle was spinning around as though it had gone crazy. “Have we arrived?” He looked around and discovered he was hovering above a vast lake. The surface of the lake was so calm that it looked like a mirror. “Is it possible that the second treasure vault is in the lake?”

“Hmm?” When Duan Ling Tian was surveying the lake beneath his feet, the Feng Shui compass began to vibrate violently again. He could clearly sense a force brewing in the Feng Shui compass. Although the force was not particularly strong, if it went out of control, it was more than capable of destroying the Feng Shui compass.

Duan Ling Tian quickly prepared to suppress the force that was running amok in the Feng Shui compass. However, to his surprise, the material that the Feng Shui compass was made from blocked his energy from entering the compass. He thought to himself, ‘It seems like the Feng Shui compass no longer serves a purpose...’

As soon as that thought rose in Duan Ling Tian's mind, he did not hesitate as he threw the Feng Shui compass, and it flew hundreds of meters away.

"Duan Ling Tian?" Zhang Yi and Liu Xia were, naturally, stunned by Duan Ling Tian's sudden action of throwing the Feng Shui compass away.

Bang!

Before Duan Ling Tian could reply to them, the sound of an explosion rang in the air.

Zhang Yi and Liu Xia saw the Feng Shui compass that had been thrown out by Duan Ling Tian had exploded into nothingness.

"It has served its purpose. We'll have to rely on ourselves next," Duan Ling Tian explained when he saw Zhang Yi and Liu Xia looking to him for an explanation. After speaking, he turned to study the lake beneath his feet.

Zhang Yi looked at the lake as well as he muttered, "So there's either an inheritance from a Great Overarching Golden Celestial or clues leading to it in this lake?"

Liu Xia grumbled. "Similar to the valley, my Divine Consciousness is restricted here as well."

Duan Ling Tian had also discovered that his Divine Consciousness was being suppressed by a force from the lake. Due to this reason, he was convinced their destination was the lake. He beckoned to Zhang Yi and Liu Xia before he said, "Let's go!"

Splash! Splash! Splash!

The sound of water splashing rang in the air as they entered the lake. It did not take long before the surface regained its calmness.

Once they entered the lake, it did not take long before they encountered a Formation.

Challenges presented themselves to the three people one after another. However, it was easy for Duan Ling Tian to deal with these challenges. With the valley serving as a lesson, he became more prudent in protecting Zhang Yi and Liu Xia. They passed the challenges smoothly and obtained the next clue.

Liu Xia had a gloomy expression on her face as she said, "This is not where the inheritance from a Great Overarching Golden Celestial is located..."

"This is only our second stop, and you're expecting to find the inheritance from a Great Overarching Golden Celestial? Aren't you being too greedy?" Zhang Yi shook his head.

"Let's go! Let's go to our next destination!" Duan Ling Tian said excitedly as he looked at the new Feng Shui compass in his hand.

They did not waste any time and began to travel to their next destination. After a while, Liu Xia who was extremely sharp-sighted suddenly cried out, "There's someone up ahead!"

As soon as Liu Xia had spoken, Duan Ling Tian also discovered the people up ahead.

“There’s two of them!” Zhang Yi said. He saw two figures flying in the distance. Based on their speed, he could tell they were at the Eighth Form of the Saint Celestial Stage.

After a while, three of them saw another four people trailing after the first two people.

“Why is everyone heading in that direction?” Three of them were puzzled.

“That’s...” Duan Ling Tian suddenly narrowed his eyes. He had just seen another figure flying in that direction. However, his speed was so fast that Zhang Yi and Liu Xia did not notice him at all. With Duan Ling Tian’s strength, it was not difficult for him to determine the other person’s cultivation base. “Four Tribulation Bodiless Celestial!”

After a while, Duan Ling Tian said to his companions, “Let’s check it out!” He made a decision to have a look at the place where everyone seemed to be going even though it was not the direction where the needle of the Feng Shui compass was leading them to. After all, the last time he encountered such a situation, he managed to obtain the Celestial Sword!

Chapter 2414 Pei Kun Shan, the Five Tribulation Bodiless Celestial

“Let’s go over and have a look.”

Zhang Yi and Liu Xia’s eyes brightened when they heard Duan Ling Tian’s words. They were certain there must be something there since there were so many people heading there. Moreover, those people were traveling in a hurry. This further convinced them that there must be something special in that place. However, they were unaware that a Four Tribulation Bodiless Celestial had also gone that way since they were too weak to discover his presence.

As they made their way there, they discovered many black dots coming from all directions. These black dots were people who were all heading to the same destination as them.

“There are so many people!” Liu Xia exclaimed when she saw this.

“There must be some sort of treasure there!” Zhang Yi said solemnly with a hint of excitement in his eyes.

“Let go!” Duan Ling Tian urged Zhang Yi and Liu Xia. He was excited as well when he saw this scene that was similar to when he obtained the Celestial Sword. He thought to himself, ‘Could there be another Celestial Supreme Treasure?’

Duan Ling Tian had been in the Beyond Heaven Secret Zone for quite a while now. Additionally, after speaking to Zhang Yi, his knowledge about the Beyond Heaven Secret Zone had increased as well. Apart from the inheritance from a Great Overarching Golden Celestial and the clues leading to it, he knew the secret zone contained other treasures as well.

These treasures were usually not hidden, but they were protected by many Formations. Anyone who wished to obtain the treasures would have to break the Formations just like Duan Ling Tian did when he obtained the Celestial Sword. At that time, the Celestial Sword was hiding in plain sight with many Formations protecting it.

When Duan Ling Tian, Zhang Yi, and Liu Xia arrived at the place, they stood among the crowd.

“Just as I thought!” Duan Ling Tian exclaimed when he saw a small silver bell with a red string hovering above the peak of the tallest mountain. The small bell emitted a silver light and the aura of a rare treasure.

Everyone could feel the aura from the small bell. It was obvious the aura was not restricted by the Formations at all. They looked at each other warily before they turned to look at the small silver bell with greed in their eyes. All of them looked as though they could not wait to rush up to the bell to take possession of it.

“It’s a Celestial Supreme Treasure!”

“Sure enough, it’s a Celestial Supreme Treasure!”

“This Celestial Supreme Treasure is mine!” A shirtless middle-aged man said domineeringly, “I’m Chi Gan, the Supreme Elder of the Famous Kings Sect from Vast Cloud Realm!” He directly revealed his cultivation base to intimidate everyone present on the scene.

‘A Four Tribulation Bodiless Celestial?’ Duan Ling Tian felt like laughing when he heard the shirtless middle-aged man’s words. Even a Four Tribulation Bodiless Celestial dared to boast so openly in here? After all, with so many people around, there must be many Four Tribulation Bodiless Celestials around. In fact, there might even be Five Tribulation Bodiless Celestials present at this moment.

Sure enough, at this moment, a grey-clad old man stepped forward and scoffed. “How dare a mere Four Tribulation Bodiless Celestial speak such big words and claim ownership of the Celestial Supreme Treasure? Do you believe I’ll kill you as soon as you make a move?!”

Boom!

As soon as the grey-clad old man finished speaking, a vast and terrifying force surged out of his body unreservedly.

“Five... Five Tribulation Bodiless Celestial?!” Chi Gan, the Supreme Elder of the Famous Kings Sect from Vast Cloud Realm, widened his eyes in fear when he realized there was someone stronger than him present on the scene. His heart sank immediately. He knew his chances of obtaining the Celestial Supreme Treasure were very low now. When he felt the pressure from the grey-clad old man who was a Five Tribulation Bodiless Celestial, he was not stubborn and instantly admitted defeat. He had an embarrassed expression on his face as he said humbly, “S-senior, I was just joking earlier...”

The grey-clad old man only scoffed in response to Chi Gan before he looked away.

“Five Tribulation Bodiless Celestial! He’s a Five Tribulation Bodiless Celestial!”

“With a Five Tribulation Bodiless Celestial around, there’s no chance of me obtaining this Celestial Supreme Treasure.”

“I guess we can only watch the show. With a Five Tribulation Bodiless Celestial around, who else would be able to snatch this Celestial Supreme Treasure away?”

“How unfortunate! I rushed here without resting. If I knew there would be a Five Tribulation Bodiless Celestial here, I wouldn’t have come at all. It’s really unbearable having to watch the Celestial Supreme Treasure falling into another person’s hands!”

A hint of regret could be heard in everyone’s voices as they discussed among themselves.

“He... I think this old man is the Supreme Guardian of Heavenly Notes Sect from Mouro Realm. His name is Pei Kun Shan!” It did not take long before someone from the crowd identified the grey-clad old man. After all, there were quite a few people from Mouro Realm among the people present on the scene.

“Pei Kun Shan? He’s the Supreme Guardian of Heavenly Notes Sect who passed his fifth Bodiless Celestial Tribulation three hundred years ago?”

“Yeah, that’s him!”

Duan Ling Tian thought to himself, ‘As it turns out, this Five Tribulation Bodiless Celestial is from Mouro Realm. I was just thinking that I’ve met people from the three other realms except for Mouro Realm... Now, not only did I meet someone from Mouro Realm, but I even met a Five Tribulation Bodiless Celestial from Mouro Realm!’

Liu Xia who was standing next to Duan Ling Tian said with a sigh, “How unlucky! I can’t believe there’s a Five Tribulation Bodiless Celestial here. I guess the Celestial Supreme Treasure is destined to be his!”

Although Zhang Yi remained silent, the disappointment in his eyes was obvious. Similar to Liu Xia, he did not think they stood a chance in obtaining the Celestial Supreme Treasure. After all, both he and Liu Xia thought Duan Ling Tian’s strength was only comparable to a Four Tribulation Bodiless Celestial. They did not think he would be able to defeat Pei Kun Shan.

Meanwhile, the people present, including a few Four Tribulation Bodiless Celestials, shook their heads as they discussed among themselves. A hint of unwillingness could be seen on their faces as they spoke. However, there was nothing they could do. They would only be seeking death if they tried to snatch the Celestial Supreme Treasure away from a Five Tribulation Bodiless Celestial.

“We don’t stand a chance.”

“The Celestial Supreme Treasure is destined to be his!”

Duan Ling Tian and Pei Kun Shan, the Supreme Guardian of Heavenly Notes Sect from Mouro Realm, were just about to make their moves to break the Formations when a voice rang in the air.

“Grandfather!” This voice caused Pei Kun Shan to halt his movements immediately.

“Hm?” Duan Ling Tian who noticed Pei Kun Shan’s reaction turned to look at the source of the sound. He saw two figures approaching from a distance. One was standing in front and one was standing at the back. It was obvious that the person who had cried out was the person at the back.

Duan Ling Tian could not help but smile when he saw the figure in front. It was as though he had seen his long lost sibling.

Pei Kun Shan laughed heartily when he saw the figure at the back. It belonged to a young man who was dressed in an embroidered robe. "Cheng'er, how come you're here?"

"Grandfather, I heard there's a Celestial Supreme Treasure here so I came here to have a look. I didn't expect to see you here! I guess this Celestial Supreme Treasure is destined to be yours!" The young man said in a flattering manner.

Whoosh!

All of a sudden, the young man dressed in an embroidered robe moved as though he had noticed something. In just a blink of an eye, he appeared in front of a girl, blocking her path when he noticed her intention to leave. The girl was the figure in the lead earlier. It seemed like this young man was chasing after her. He said, "Beautiful, why are you in such a hurry to leave?"

Chapter 2415 Kill You Along With Him!

The woman whom Pei Lian Chen, the grandson of Pei Kun Shan, the Supreme Guardian of Heavenly Notes Sect, stopped, said coldly, "Pei Lian Chen, I have no relations with you. Who are you to stop me from leaving?"

Pei Lian Chen smirked as he said smugly, "I can't do anything to you earlier since our strength is about the same. However, my grandfather is here now. There's no way you can escape. You'll be as helpless as a lamb on a chopping board once my grandfather seals your Saint Origin. At that time, I can do whatever I want to you." As he spoke, his eyes roamed lecherously all over the woman's body. From the moment he had laid eyes on this woman, he had taken a liking to her. His mind was filled with lewd thoughts and he could not wait to ravage her. Unfortunately, she was not any weaker than him so there was nothing he could do to her. Just like that, they were stuck in a stalemate.

For this reason, Pei Lian Chen was pleasantly surprised when he discovered his grandfather was here. His grandfather was a Five Tribulation Bodiless Celestial. Based on the situation, it seemed like his grandfather was the strongest person here. When he saw this, his covetous thoughts toward the woman instantly surfaced in his mind again. With his grandfather here, there was no way the woman would be able to escape.

As soon as the woman heard Pei Lian Chen's words, she turned to look at Pei Kun Shan warily. She thought about it for a moment before she finally said, "Senior, there's no enmity between us. Can you..."

Before the woman could finish speaking, Pei Kun Shan interrupted her with a scoff. "There's no enmity between us, but since my grandson has taken a liking to you, you should just obey his wish. It's an honor that you're able to catch his attention!" As soon as he finished speaking, he took a step toward the woman.

Boom!

In just a blink of an eye, a terrifying energy surged out of Pei Kun Shan's body and shot toward the woman like a bolt of lightning. It was obvious that Pei Kun Shan intended to seal her Saint Origin.

"No!" The woman cried out. A hint of despair could be seen in her eyes. After a while, a hint of determination filled her eyes. She clenched her jaw, it seemed like she had decided to commit suicide

before Pei Kun Shan could seal her Saint Origin. She would rather die than let Pei Lian Chen have his way with her!

At the moment the woman was about to implode the Saint Origin in her body to commit suicide, a familiar voice tinged with a sense of urgency cried out, "Xue Nai, stop!"

Han Xue Nai instantly halted her movement. She did not need to look to know that the person who had spoken was none other than Duan Ling Tian, the man whom she regarded as her brother. "Brother Ling Tian?"

Boom!

However, before Duan Ling Tian could reply to her, Pei Kun Shan's energy landed on Han Xue Nai's body, sealing most of her Saint Origin. Only a small portion was left so she could maintain her flight in the air.

Pei Lian Chen's eyes brightened when he saw this. As he prepared to capture Han Xue Nai, a purple-clad figure appeared next to Han Xue Nai like a ghost. As soon as he appeared, he sent his energy into her body and unsealed her Saint Origin.

Meanwhile, the people in the surrounding had broken up into an uproar. All of them had discovered an anomaly in the surroundings.

"The Heaven and Earth Spirit Energy is gone?"

"What's happening?"

"No, wait... The Heaven and Spirit Energy is slowly coming back, but they're extremely sparse!"

Meanwhile, Pei Kun Shan was staring at Duan Ling Tian who was standing next to Han Xue Nai. He discovered that Duan Ling Tian had already unsealed her Saint Origin. Apart from that, he also noticed Duan Ling Tian was looking at him with killing intent. He felt like a prey that was being hunted by a venomous snake. He knew the disappearance of the Heaven and Earth Spirit Energy in the surroundings was due to Duan Ling Tian since he saw the energy rushing into Duan Ling Tian's body.

How could Duan Ling Tian not feel murderous when he saw Pei Lian Chen and Pei Kun Shan targeting Han Xue Nai? Apart from being the successor of the Red Dust Progeny from the Seven Absolutes Sect, she was someone he regarded as his sister.

"An Eminent Celestial with an assist-type Divine Ability from a Devata Realm?" It was not difficult for Pei Kun Shan to determine Duan Ling Tian's cultivation base and the origin of his assist-type Divine Ability. He, naturally, thought the assist-type Divine Ability was from a Devata Realm since it was capable of absorbing all the Heaven and Earth Spirit Energy in the surroundings. With his Divine Consciousness, he could sense how quickly the purple-clad young man had absorbed the energy in the surroundings. No Divine Ability from the mundane realms was capable of such a feat.

Han Xue Nai who had regained her Saint Origin moved closer to Duan Ling Tian and asked excitedly, "Brother Ling Tian, what are you doing here?" She looked exactly like a child at this moment.

Duan Ling Tian shifted his attention away from Pei Kun Shan and looked at Han Xue Nai. The look in his eyes changed in an instant. It turned incomparably gentle. After all, he treated her like his biological sister. He said, "I saw many people making their way here so I came to have a look. Who knew I would meet you here!"

Pei Lian Chen's expression darkened. He stared at Duan Ling Tian and asked coldly, "Who are you?!" How could he not feel furious when the woman he had coveted for so long was looking at another man with such excitement?

Duan Ling Tian ignored Pei Lian Chen as he asked with a smile on his face, "Xue Nai, how do you want Brother Ling Tian to punish him?"

Upon hearing Duan Ling Tian's question, Han Xue Nai's eyes flashed with killing intent as she turned to look at Pei Lian Chen. She gritted her teeth and said, "Brother Ling Tian... I never want to see him ever again!"

"Okay." Duan Ling Tian nodded with a smile. However, upon closer inspection, one would be able to see the rage in his eyes.

Whoosh!

A gust of wind appeared as soon as Duan Ling Tian finished speaking. Pei Kun Shan had immediately moved to stand in front of Pei Lian Chen, shielding him.

Pei Lian Chen who was terrified sighed in relief when he saw his grandfather standing in front of him. After all, based on Duan Ling Tian's speed when he moved to Han Xue Nai earlier, he could tell that Duan Ling Tian was not weak. He knew he was no match for Duan Ling Tian, therefore, he thought he was going to meet his end earlier.

Pei Kun Shan who was shielding Pei Lian Chen asked coldly, "You're an Eminent Celestial who has mastered a Divine Ability from a Devata Realm. Which realm are you from and what force do you belong to?"

Pei Kun Shan had asked this question because he thought Duan Ling Tian must have an extraordinary background since he was able to master a Divine Ability from a Devata Realm. Therefore, if it was not necessary, he did not want to start a conflict with Duan Ling Tian. He might be a Five Tribulation Bodiless Celestial, but he was like an ant compared to the powerhouses in the top forces. Those powerhouses from the top forces were easily Six or Seven Tribulation Bodiless Celestials. In fact, they might even have Eight Tribulation Bodiless Celestials.

As soon as the people in the surroundings heard Pei Kun Shan's words, all their attention shifted to Duan Ling Tian. Naturally, they knew Eminent Celestials who had mastered Divine Abilities from Devata Realms were much stronger than ordinary Eminent Celestials. In fact, they were comparable to Three Tribulation Bodiless Celestials. There were only a handful of individuals like these in their respective realm. Moreover, most of these individuals were from the top forces in their realms. Their backgrounds were not something ordinary people could compare to.

Meanwhile, Zhang Yi and Liu Xia were looking at Duan Ling Tian worriedly. They knew he was from a small mundane realm and did not have any backing. Moreover, both of them thought his strength was only comparable to a Four Tribulation Bodiless Celestial. He was no match for Pei Kun Shan at all.

Zhang Yi quickly sent a Voice Transmission to Duan Ling Tian. "Duan Ling Tian, just say that you're from Mount Huaguo Sect in Yan Huang Realm... The old man won't dare to look for trouble with you if you say this!"

Duan Ling Tian did not heed Zhang Yi's advice. Instead, he said coldly, "Not only did you fail to educate your grandson, but you're also a terrible example for your grandson... Since you insist on protecting him, I'll just kill you along with him!"

'Kill you along with him!'

The entire place fell silent as soon as Duan Ling Tian finished speaking. Even Pei Kun Shan and Pei Lian Chen were stunned by his declaration.

Chapter 2416 Second Celestial Supreme Treasure

"Crazy! He's crazy!"

"He's insane! Even if he's an Eminent Celestial who has mastered a Divine Ability from the Devata Realms, his opponent is a Five Tribulation Bodiless Celestial... In the mundane realm where I came from, the most powerful Eminent Celestial only has strength comparable to a Five Tribulation Bodiless Celestial. They're as rare as a hen's teeth. Who does he think he is?"

"Maybe he's one of those extraordinarily strong Eminent Celestials?"

"Impossible! Do you know how rare those Eminent Celestials are? Moreover, even if he's one of those strong Eminent Celestials, he still wouldn't be a match for this Five Tribulation Bodiless Celestial."

"You're right. Look at him, he's obviously a greenhorn who doesn't know what's good for him!"

When the crowd regained their senses, they began to discuss among themselves. Most of them thought Duan Ling Tian was a fool.

"You said you'll kill me?" Pei Kun Shan looked at Duan Ling Tian disdainfully when he regained his senses. "Boy, I'll give you one more chance to tell me where you're from. Otherwise, I'll have to teach you a lesson on behalf of your elders!" His eyes flashed coldly as he spoke.

Pei Lian Chen glared at Duan Ling Tian with killing intent as he said to Pei Kun Shan, "Grandpa, why are you wasting words with him? Just kill him!"

Pei Kun Shan frowned when he heard Pei Lian Chen's words. He was reluctant to kill Duan Ling Tian. Naturally, it was not because he was benevolent. He was only afraid of the possibility that Duan Ling Tian might have a formidable background. After all, an Eminent Celestial who had mastered a Divine Ability from a Devata Realm had to come from a top-ranking force. Such a person definitely had a high status. If he killed someone like that, the members of his sect might come looking for him. Even if they were from another mundane realm, who knew if they would enter Mouro Realm through the point of entrance and exit in the Beyond Heaven Secret Zone?

“You’re going to teach me a lesson on behalf of my elders?” Duan Ling Tian sneered when he heard Pei Kun Shan’s words. He said indifferently, “How unfortunate you won’t have a chance to do so!”

Everyone, including Pei Kun Shan and Pei Lian Chen, was stunned speechless by Duan Ling Tian’s words. They could not figure out where he got his confidence from.

At this moment, a sword appeared in Duan Ling Tian’s hands. It was the Celestial Sword that was as translucent as a pool of water. “Sword Wielding Art!” His energy that was enhanced by the assist-type Divine Ability, the Elementary Devouring Tactic, surged into the Celestial Sword immediately.

Whoosh!

The Celestial Sword instantly lit up and emitted a destructive aura. Since the space in the Beyond Heaven Secret Zone was much more stable compared to the mundane realms, the force from Duan Ling Tian did not tear holes in the void.

“How’s this possible?!” Apart from Han Xue Nai who was standing the closest to Duan Ling Tian, Pei Kun Shan was the first to sense the destructive aura from Duan Ling Tian’s Celestial Sword. As soon as he sensed the energy, he felt his heart sink. His instincts told him that the person in front of him was dangerous. After a while, his expression changed drastically. Alarm began to blare in his mind when he verified that Duan Ling Tian was holding a Celestial Supreme Treasure. “No! I-is that a Celestial Supreme Treasure?!”

Xiu!

At this moment, the short-lived sound of a sword cry rang in the air.

Pei Kun Shan’s eyes widened in fear and shock. In just a blink of an eye, the Celestial Sword was only a mere foot away from him.

“No!” Pei Kun Shan hurriedly mobilized his Celestial Origin Energy. Although the speed was not slow, he did not think he would be able to completely mobilize his energy in time. Based on the speed of the sword, it was comparable to the speed of a Six Tribulation Bodiless Celestial or someone stronger.

‘He’s an Eminent Celestial whose strength is equivalent to a Six Tribulation Bodiless Celestial...’ This was Pei Kun Shan’s last thought as a soft noise sounded in the air. Something had pierced his glabella, effectively destroying his soul. Before he died, he finally understood why the purple-clad young man was so bold as to say he would kill him. As it turned out, the purple-clad young man was not boasting.

After killing Pei Kun Shan, Duan Ling Tian did not even waste any time before he turned around and used his sword to pierce Pei Lian Chen’s glabella as well. He had killed both of them with just one strike!

Xiu!

After killing Pei Kun Shan and Pei Lian Chen, the Celestial Sword drew an arc in the air as it flew back to Duan Ling Tian’s hand.

At this moment, time seemed to have stood still for everyone present. The Four Tribulation Bodiless Celestials, in particular, were thunderstruck since they managed to catch a brief glimpse of Duan Ling Tian's attack. It took them a while before they regained their senses.

"Even the strongest Five Tribulation Bodiless Celestial wouldn't be able to cast such an attack, right?"

"Since Pei Kun Shan who was a Five Tribulation Bodiless Celestial couldn't even react in time and dodge the attack, doesn't it mean this person is as strong as a Six Tribulation Bodiless Celestial?"

"Who is he? He has such heaven-defying strength despite only being an Eminent Celestial!"

The Four Tribulation Bodiless Celestials present on the scene felt their hearts thumping wildly in their chests when they discussed this among themselves.

Meanwhile, the rest of the people present on the scene finally regained their senses one after another. All of them were baffled. They saw Pei Kun Shan's body fading away while Pei Lian Chen's body fell to the ground. As a Bodiless Celestial, Pei Kun Shan had no physical body, therefore, when he died, he only faded away.

"This..."

"What's happening?"

"Pei Kun Shan... is dead?"

"H-he's a Five Tribulation Bodiless Celestial, how can he die so easily?"

"Pei Lian Chen is dead as well!"

Shock and disbelief could be seen on the crowd's faces.

Meanwhile, Zhang Yi and Liu Xia who had been worried about Duan Ling Tian were in a similar state as well. They did not expect Duan Ling Tian would be able to defeat a Five Tribulation Bodiless Celestial so effortlessly. His opponent did not even have the time to retaliate!

Zhang Yi felt chills running up his spine as he thought to himself, 'Killing a Five Tribulation Bodiless Celestial so easily as though he's killing a chicken... Does this mean his strength is comparable to a Six Tribulation Bodiless Celestial?' At this moment, he finally realized he had truly underestimated Duan Ling Tian. Contrary to his assumption, Duan Ling Tian was much stronger than a Four Tribulation Bodiless Celestial!

The only person who did not seem surprised was Han Xue Nai. After all, she had known Duan Ling Tian's strength was comparable to a Six Tribulation Bodiless Celestial before they even entered the Beyond Heaven Secret Zone.

As the current successor of the Red Dust Progeny, Han Xue Nai was very knowledgeable even though her cultivation base was only at the Eighth Form of the Saint Celestial Stage. "Brother Ling Tian, your sword..." She could tell Duan Ling Tian's sword was extraordinary.

Duan Ling Tian said with a faint smile on his face, "I obtained this Celestial Sword in the Beyond Heaven Secret Zone."

Although Duan Ling Tian's voice was not loud, everyone present heard his words clearly.

Celestial sword? A Celestial Supreme Treasure?

A Four Tribulation Bodiless Celestial said in horror, "That's why his attack is so terrifying! As it turns out, he was using a Celestial Supreme Treasure!"

The remaining Four Tribulation Bodiless Celestials turned to look at Duan Ling Tian in unison. An envious expression could be seen on their faces.

At this moment, many people's eyes were darting back and forth between Duan Ling Tian and the small silver bell that was protected by Formations.

"It seems like today he'll gain another Celestial Supreme Treasure."

Swoosh!

Just as expected, Duan Ling Tian vanished from his spot in just a blink of an eye. When he reappeared, he was next to the small silver bell. He had gone through the Formations as though the Formations were only there for show.

Chapter 2417 The Crowd Is Greatly Overwhelmed

Ding! Ding! Ding!

Duan Ling Tian held the small silver bell in his hand and shook it as he studied it. 'It should be a type of sound Celestial Supreme Treasure.'

As soon as this thought appeared in Duan Ling Tian's mind, he sent some of his energy into the bell before shaking it again. The sound of the bell was loud and clear.

Ding! Ding! Ding! Ding! Ding!

This time, when the bell rang, a terrifying sonic wave rippled out from the bell in Duan Ling Tian's hand.

In just an instant, many people began to cry out in pain. Those with a lower cultivation base even injured their internal organs and threw up blood.

"Ahhhh!"

"Ouch!"

"What's happening?"

Liu Xia who was caught unprepared threw up blood as well, causing her face to turn as pale as a sheet of paper.

Even Zhang Yi's face turned pale when the sonic wave hit him.

Only Eminent Celestials and those who were stronger than Two Tribulation Bodiless Celestials were not affected. There was only one Eminent Celestial present on the scene. However, there were many Second Tribulation Bodiless Celestials whose strength was similar to an Eminent Celestial present.

The effect the bell had on the people present was, in fact, quite weak. After all, Duan Ling Tian only sent a small amount of his energy into the Celestial Supreme Treasure since he only intended to test the bell out.

Duan Ling Tian continued to look at the bell in surprise as he thought to himself, 'The energy I sent into the bell earlier was at most comparable to the strength of a cultivator at the Seventh Form of the Saint Celestial Stage. However, the sonic wave managed to injure those at the Eighth Form of the Saint Celestial Stage. Moreover, it even affected the cultivators at the Ninth Form of the Saint Celestial Stage to a certain degree.'

The Three and Four Tribulation Bodiless Celestials who were present could, naturally, tell how much energy Duan Ling Tian had sent into the small silver bell. When they saw the people who were affected, they could tell how powerful the Celestial Supreme Treasure was. Their eyes brightened with greed as they looked at the bell. However, there was no doubt they did not dare to make a move even though they coveted the bell. After all, they knew they were no match for Duan Ling Tian. Moreover, Pei Kun Shan served as a lesson to them so they did not dare to act recklessly no matter how greedy they were. Those Four Tribulation Bodiless Celestials who caught a brief glimpse of Duan Ling Tian's attack were even more fearful. Duan Ling Tian had looked like the Grim Reaper when he killed Pei Kun Shan and Pei Lian Chen. It was better not to act recklessly. Their lives were more important than a Celestial Supreme Treasure after all!

"What a strong Celestial Supreme Treasure!"

"Since he's able to kill Pei Kun Shan who was a Five Tribulation Bodiless Celestial, this means his strength is comparable to a Six Tribulation Bodiless Celestial at least... We're only seeking death if we try to snatch that Celestial Supreme Treasure away from him!"

"I guess I really have no fate with this Celestial Supreme Treasure!"

"I'm really jealous that he possesses two Celestial Supreme Treasures. If only I cultivated the Soul Congregation Embodiment!"

When the ringing from the bell stopped and the sonic wave faded away, those people with a lower cultivation base finally heaved a sigh of relief. They shifted their eyes back to Duan Ling Tian. A hint of envy and fear could be seen in their eyes at this moment.

Duan Ling Tian smiled as he stared at the bell. 'This bell seems quite powerful...' In just a blink of an eye, he disappeared from his spot and reappeared next to Han Xue Nai. He looked at her and said, "Xue Nai, if I'm not mistaken, the Red Dust Progeny seems to include sonic attacks, right? This bell is too cumbersome! Moreover, I have no use for it so you can have it!"

Han Xue Nai was dumbfounded when she saw Duan Ling Tian passing the Celestial Supreme Treasure to her. She did not expect he would give her such a precious treasure. The bell was a Celestial Supreme

Treasure that was superior to all weapons in the mundane realm! Even if he did not have any use for it, he could have given it to one of her two sisters-in-law or Feng Tian Wu. As much as she knew that he cared for her, she knew very well that she was nothing compared to her two sisters-in-law and Feng Tian Wu.

Naturally, this was only Han Xue Nai's opinion. She was also very important to Duan Ling Tian since he regarded her as his sister.

'It's too cumbersome! I have no use for this bell so you can have it!'

Duan Ling Tian's words echoed in the crowd's mind. All of them seemed as though they were struck by a bolt of lightning when they heard his words. Some of them were so angry that they threw up blood.

What was cumbersome? It was a Celestial Supreme Treasure! How could it be cumbersome? What did he mean by he had no use for it?

Zhang Yi smiled bitterly. He had the same opinion as the people around him. He said as he shook his head, "Duan Ling Tian's words really make the rest of us feel speechless..."

As for Liu Xia who was standing next to Zhang Yi, she had a jealous expression on her face when she looked at Han Xue Nai. How she wished she was Han Xue Nai. She could not imagine how she would feel if someone gave her a Celestial Supreme Treasure.

Han Xue Nai did not take the bell from Duan Ling Tian. She said, "Brother Ling Tian, I think you should keep this Celestial Supreme Treasure for Sister Ke'er or Sister Tian Wu... Even if they can't use it, you can keep it for Sister Fei'er." Naturally, she also wanted to bell, but she knew she should not accept it.

Duan Ling Tian shook his head and said in a dissatisfied tone, "Xue Nai, it seems like you've become more disobedient in these few years that I didn't see you... Well, if you don't like the bell then I'll just throw it away and let others have it!"

Duan Ling Tian's words caused many people's hearts to ache. Heavens! How could he speak so casually about throwing a Celestial Supreme Treasure away?

At this moment, many people were staring at Han Xue Nai with a burning gaze. All of them had the same thought in their minds.

'Please say you don't like it! Please!'

'Miss, you must stick to your words! Don't accept it!'

Naturally, all of them wished Han Xue Nai would reject the Celestial Supreme Treasure so Duan Ling Tian would throw it away. At that time, they would have a chance of obtaining the small silver bell. Although they knew the chances were slim, they still could not help but hope for it. The Four Tribulation Bodiless Celestials, in particular, fervently prayed that Han Xue Nai would not accept the bell. After all, if Duan Ling Tian really threw it away, among the people present, they had the highest chances of obtaining the bell.

“Brother Ling Tian, you...” Han Xue Nai felt rather helpless when she heard Duan Ling Tian’s childish words. She was rendered temporarily speechless, causing the atmosphere to turn awkward.

“Just take it.” Duan Ling Tian simply threw the bell to Han Xue Nai before he flashed back to Zhang Yi and Liu Xia and left Han Xue Nai standing alone.

Everyone’s eyes were trained on the bell as Duan Ling Tian threw it to Han Xue Nai. It was as though they would immediately reach for it if Han Xue Nai did not take it.

Han Xue Nai had no choice but to take it. She looked at Duan Ling Tian appreciatively and said, “Thank you, Brother Ling Tian.”

“We’ve known each other for such a long time, there’s no need to be polite. Moreover, I’m not used to you being so polite!” Duan Ling Tian gazed at Han Xue Nai and shook his head. Then, he said, “Since we managed to meet, let’s stick together. Let me introduce you to these two people...”

Duan Ling Tian quickly introduced Han Xue Nai to Zhang Yi and Liu Xia. From the beginning until the end, he had treated everyone present as though they were air.

These people who were treated like air finally sighed in relief when Duan Ling Tian and his companions left. Then, they discussed among themselves.

“Who’s that man?”

“His strength is actually comparable to a Six Tribulation Bodiless Celestial despite only being an Eminent Celestial. I wonder which mundane realm he came from?”

“I don’t know... However, I’m certain he’s not from our Vast Cloud Realm.”

“Well, we don’t have someone like him in Mouro Realm either.”

Chapter 2418 Zhang Yi Attacks!

After Duan Ling Tian and his companions left, the crowd that was left behind, naturally, began to discuss him. After all, an Eminent Celestial who had strength comparable to a Six Tribulation Bodiless Celestial was rare even in a large mundane realm. How could they not feel curious?

Those who were present were from the four large mundane realms; the Mouro Realm, Skyline Realm, Yan Huang Realm, and Vast Cloud Realm. However, none of them had heard of such a person in their respective mundane realm!

“I’m from Yan Huang Realm, and I haven’t heard of such a person. If he’s really from Yan Huang Realm, then, he can only be that person from Mount Huaguo Sect,” a man from Yan Huang Realm remarked.

“Mount Huaguo Sect from Yan Huang Realm? Although I’m not from Yan Huang Realm, I’ve heard of this sect. Rumor has it that this sect is the strongest sect in Yan Huang Realm!”

A man from Skyline Realm was shocked. He could not help but say, “Based on your words, there’s an Eminent Celestial whose strength is comparable to a Six Tribulation Bodiless Celestial from Mount Huaguo Sect in Yan Huang Realm? Does this mean that man is from Mount Huaguo Sect in Yan Huang Realm?”

Many people shifted their attention to this man when they heard his words.

“No.” The man from Yan Huang Realm shook his head without any hesitation at all. “Based on my knowledge, the Eminent Celestial from Mount Huaguo Sect isn’t a Sword Cultivator. For this reason, I’m certain that the purple-clad young man isn’t from Yan Huang Realm nor Mount Huaguo Sect.” Then, he looked around and questioned, “Don’t you have any Eminent Celestials whose strength is comparable to a Six Tribulation Bodiless Celestial in your realm?”

“Well, we have Eminent Celestials like him,” a man from the Vast Cloud Realm said before he shook his head, “However, similar to you, I’m certain that the purple-clad young man didn’t come from our Vast Cloud Realm.”

“We haven’t heard about any Eminent Celestials whose strength is comparable to a Six Tribulation Bodiless Celestial in our Mouro Realm,” the people from Mouro Realm said.

“We have one in Skyline Realm... However, that man is a Saber Cultivator!” The person from Skyline Realm also shook his head.

“There are only two possibilities left...” A voice suddenly rang in the air, suppressing all the other voices. “One, the purple-clad young man may be from one of our four large mundane realms, but he keeps a low profile so we weren’t aware of his existence. Second, he’s from the small mundane realm, the Saint Province Realm!”

“The former theory sounds more plausible compared to the latter. After all, the Saint Province is a small mundane realm. How could they have an Eminent Celestial whose strength is comparable to a Six Tribulation Bodiless Celestial?” A man from Skyline Realm said with a frown.

The Saint Province Realm was a small mundane realm after all. If it was not because one of the keys to the Beyond Heaven Secret Zone was placed in the Saint Province Realm, they probably would not have known about the Saint Province Realm at all. The people from large mundane realms had a sense of superiority over those from small mundane realms.

“I agree. I think the strongest Eminent Celestial a mundane realm could have is those whose strength is comparable to a Three of Four Tribulation Bodiless Celestials!” Someone from Mouro Realm said.

“Indeed.” Many people from the Vast Cloud Realm agreed.

At this moment, a man from Yan Huang Realm said, “Have all of you forgotten who had obtained the inheritance from a Great Overarching Golden Celestial the last time the Beyond Heaven Secret Zone opened?” His words were akin to a bucket of cold water that was poured on those who had spoken earlier.

Someone exclaimed, “How could I have forgotten about that person! The last time the Beyond Heaven Secret Zone was opened, a Sword Cultivator called Feng Qing Yang from the Saint Province Realm obtained the inheritance from a Great Overarching Golden Celestial!”

This person’s words caused a huge commotion immediately.

“You’re right! I’ve forgotten about that person as well!”

“That Sword Cultivator from the Saint Province Realm is said to possess the strength of a Five Tribulation Bodiless Celestial despite being an Eminent Celestial even without relying on a Celestial Supreme Treasure!”

“At that time, an Eminent Celestial whose strength was comparable to a Six Tribulation Bodiless Celestial from our Skyline Realm was there as well... However, he still lost to that man at the end of the day!”

“Rumor has it that he managed to raise his strength to that of a Six Tribulation Bodiless Celestial because he obtained a sword-type Celestial Supreme Treasure. For this reason, he managed to successfully obtain the inheritance from a Great Overarching Golden Celestial!”

“Well, there are also rumors that said he managed to obtain the inheritance because the Great Overarching Golden Celestial who had left the inheritance behind was also a Sword Cultivator!”

At this moment, no one thought it was impossible for a small mundane realm to produce such a strong powerhouse. After all, Feng Qing Yang proved that it was entirely possible!

“If I’m not mistaken, Feng Qing Yang seemed to be the only Eminent Celestial who came from the Saint Province Realm...”

“You’re right. I’ve seen the records about what happened the last time the Beyond Heaven Secret Zone opened. It’s said that Feng Qing Yang was the only Eminent Celestial who came from the Saint Province Realm.”

“Indeed. I’ve also seen similar records. It’s said that among those who entered the Beyond Heaven Secret Zone from the Saint Province Realm, there was only one Eminent Celestial. The others were Bodiless Celestials! The ancestor of my sect was acquainted with some of the Bodiless Celestials from the Saint Province Realm. For this reason, he found out that Feng Qing Yang was the only Eminent Celestial below the age of 100 in the Saint Province Realm at that time!”

“The entire Saint Province Realm had only one Eminent Celestial below the age of 100? The foundation of small mundane realms is indeed inferior to large mundane realms. We have seven Eminent Celestials below the age of 100 in Skyline Realm during that era!”

As the discussion continued, many people began to feel disdainful of the Saint Province Realm again.

Naturally, there were some people who were wiser. One of them could not help but say, “Although there was only one Eminent Celestial below the age of 100 in the Saint Province Realm at that time, don’t forget that his strength was comparable to a Six Tribulation Bodiless Celestial after he obtained a Celestial Supreme Treasure.”

The reminder instantly silenced many who despised the Saint Province Realm.

However, there were some who were unconvinced. “Even then, we can only say that he got lucky!”

Someone suddenly said, “Don’t tell me all of you think the purple-clad young man is from the Saint Province Realm?”

There were some people who thought this was possible. However, most people thought Duan Ling Tian was from one of the large mundane realms.

...

Duan Ling Tian was, naturally, unaware of the discussion that was going on behind his back. At this moment, he and his companions had arrived at the destination where the Feng Shui compass had led them to. This place was a treasure vault that contained either an inheritance from a Great Overarching Golden Celestial or the clues leading to it.

Whoosh!

A gust of wind blew violently, stirring up sand everywhere.

Currently, Duan Ling Tian and his companions were hovering above a desert. Due to the sandstorm, the visibility was not that good. They did not have a clear view of the desert. Moreover, they could not use their Divine Consciousness to investigate their surroundings due to the Formations in the area.

“Sword!” Zhang Yi cried out. His Saint Origin began to surge as he lifted his hand. It did not take long before a sword that was intertwined with bolts of purple lightning appeared in his hand.

Chapter 2419 The Hermit of Green Lotus, Li Bai

‘Based on the ancient legend on earth, the disciples of Celestial Masters Sect, that was founded by Celestial Master Zhang Dao Ling, specialize in thunder attacks! It seems like it’s true!’ Duan Ling Tian thought to himself when he saw the lightning that was intertwined with Zhang Yi’s sword. He could see that Zhang Yi’s Saint Origin contained lightning attributes that allowed him to summon lightning easily.

Duan Ling Tian continued speculating inwardly, ‘Based on Zhang Yi’s posture, it’s likely that he’s a Dao Cultivator. Moreover, in the ancient legend from my past life, disciples from the Celestial Masters Sect are, generally, Taoist priests.’

“Lightning!” Zhang Yi cried out again.

Boom!

Thunder began to rumble in the sky immediately before a bolt of lightning struck down. The bolt of lightning was as thick as a huge tree trunk. Its force was extremely strong! Moreover, its speed and accuracy were incredibly high. It struck the place where Duan Ling Tian and his companions were hovering above like a dragon.

“Ah!” Han Xue Nai and Liu Xia exclaimed in unison when they saw the lightning striking in their direction.

Duan Ling Tian’s comforting words rang in their ears in a timely manner. “Don’t worry. This bolt of lightning won’t hurt us!”

Boom!

Thunder continued to rumble in the sky as the bolt of lightning finally made its target clear. It was heading to Zhang Yi as though it was going to devour him!

The bolt of lightning that was several times bigger than Zhang Yi carried with it a terrifying power as it prepared to strike down at Zhang Yi while Zhang Yi continued to wave his Thunder Sword above his head.

The following scene surprised everyone. When the thick lightning bolt came in contact with the Thunder Sword, it was instantly and greedily absorbed by the sword like a hungry child. It began to emit a dazzling purple light after it completely absorbed the lightning bolt.

Buzz! Buzz! Buzz!

The purple lightning bolts that surrounded the swords buzzed loudly at this moment.

Duan Ling Tian's eyes brightened when he saw this, "This method..." He could clearly feel the strong resonance between Zhang Yi's sword and heaven and earth! Based on this, he could tell Zhang Yi was probably one of the stronger cultivators at the Ninth Form of the Saint Celestial Stage. With Zhang Yi's comprehension of heaven and earth and his affinity with lightning, his Celestial Ascension Tribulation should be just around the corner.

"Lightning strike!" Zhang Yi cried out again.

Han Xue Nai and Liu Xia's eyes were trained on Zhang Yi's Thunder Sword at this moment.

Zhang Yi lifted the Thunder Sword before he slashed them down through the sandstorm.

Swoosh!

The sound of a sword cry rang in the air. Zhang Yi's sword cry was different from Duan Ling Tian's sword cry. Duan Ling Tian's sword cry sounded clear and pure whereas Zhang Yi's sword cry contained the low roar of thunder.

Boom! Boom! Boom! Boom! Boom!

When Zhang Yi slashed his sword down, there was a burst of light. Nine bolts of lightning shot out from the sword like nine purple wyrm dragons. These nine bolts of lightning converged into one gigantic bolt of lightning before it struck down at the desert ferociously. The light was so dazzlingly bright that even Duan Ling Tian had to squint his eyes.

Boom!

Duan Ling Tian and the two women were still squinting their eyes when an earth-shattering noise rang from under their feet. Accompanying the noise was a huge shockwave. However, the shockwave was quickly suppressed by Zhang Yi's Thunder Sword.

Boom! Boom! Boom! Boom! Boom!

After that earth-shattering noise died down, the sandstorm seemed to have disappeared!

Duan Ling Tian and his companions could see a giant pit in the midst of the desert. They could see an extensive palace hidden in the giant pit.

“Is this an underground palace?”

As soon as Duan Ling Tian had spoken, the palace of the gates opened automatically as though it was welcoming them. Before they regained their senses, a voice that was filled with vigor rang from the palace. It stunned Han Xue Nai, Zhang Yi, and Liu Xia and caused Duan Ling Tian to slightly frown. How could they maintain their composure at this moment?

“Young men, congratulations! You’ve arrived at the heaven-rank treasure vault I left behind. My name is Li Bai, and I’m also known as the Hermit of Green Lotus. I’m a Sword Celestial!”

Han Xue Nai, Zhang Yi, and Liu Xia’s eyes brightened when they heard these words. They were pleasantly surprised.

‘Heaven-rank treasure vault left behind by a Sword Celestial? It seems like this is an extraordinary place!’ Han Xue Nai thought to herself.

Duan Ling Tian lost his composure for a moment. ‘Li Bai? The Hermit of Green Lotus? Sword Celestial?’ In his past life, there was a famous poet in history who was called Li Bai, the Hermit of Green Lotus. Apart from being a famous poet, he was also an excellent swordsman.

‘Peerless swordsmen can kill a man in ten steps. They fought for justice without asking for anything in return.’ This was a poem from Li Bai. Coincidentally, it was also Duan Ling Tian’s favorite poem.

Duan Ling Tian felt his heart skip a beat as he thought to himself, ‘Is this Li Bai the same Li Bai in history from my past life?’

In Duan Ling Tian’s past life, Journey to the West was a fiction that was written based on mythology about Sun Wu Kong and Pig Monk. However, Li Bai was a real person in history from the Tang Dynasty!

‘Based on the time I’ve been in the Saint Province Realm, it seems like Li Bai was from 1,000 years ago! The Beyond Heaven Secret Zone had existed for a long time. Senior Feng Qing Yang came here hundreds of thousands of years ago and obtained the inheritance from a Great Overarching Golden Celestial who was also a Sword Cultivator. A Sword Cultivator...’ Duan Ling Tian was confused as he thought to himself.

Zhang Yi exclaimed, “Li Bai? The Hermit of Green Lotus? The Sword Celestial? Is he the famous Green Lotus Sword Saint from our Yan Huang Realm 1,000 years ago?”

Zhang Yi’s words caught Duan Ling Tian’s attention immediately. However, he was still confused. The Beyond Heaven Secret Zone opened hundreds of thousands of years ago...

“Zhang Yi, did you say Yan Huang Realm had a Green Lotus Sword Saint 1,000 years ago?” Duan Ling Tian asked with bright eyes.

Zhang Yi nodded before he said in a reverent tone, “The Green Lotus Sword Saint shared the same hometown as our Celestial Masters Sect; Planet Yan Huang. He was a genius in that era. Although Planet Yan Huang was lacking Heaven and Spirit Energy, he cultivated until he was able to leave that place! It took him less than a hundred years to pass the Celestial Ascension Tribulation and ascend to a Devata Realm. He’s widely acknowledged as the most outstanding genius in 10,000 years on Planet Yan Huang!”

Zhang Yi paused for a moment before he continued to say excitedly, "If the person who left this underground palace behind is truly the Green Lotus Sword Saint, this means he has already become a Great Overarching Golden Celestial! Only a Great Overarching Golden Celestial is able to leave a treasure vault in the Beyond Heaven Secret Zone!"

Zhang Yi continued muttering to himself, "His name is Li Bai. He's also called the Hermit of Green Lotus! It's him. It has to be him! What a genius! He actually became a Great Overarching Golden Celestial within 1,000 years!"

"Hold on!" Duan Ling Tian could not help but interrupt Zhang Yi who was getting more and more excited. "Zhang Yi, the Beyond Heaven Secret Zone has existed for a long time. The last time it opened was hundreds of thousands of years ago. However, Li Bai, the Hermit of Green Lotus, is only an ordinary man 1,000 years ago. How could he have left a treasure vault in the secret zone hundreds of thousands of years ago then?"

Chapter 2420 Three Types of Treasure Vaults

The ancient poet, Li Bai, was a figure from 1,000 years ago on earth where Duan Ling Tian used to live. However, the Beyond Heaven Secret Zone had existed for a long time, possibly even millions of years ago. The Beyond Heaven Secret Zone last opened hundreds of thousands of years ago. It was impossible for the Li Bai on earth to have left this treasure vault here based on the timeline.

Zhang Yi who was baffled by Duan Ling Tian's words asked, "Duan Ling Tian, don't you know that apart from people from the five mundane realms, Great Overarching Golden Celestials can enter the Beyond Heaven Secret Zone as well? Moreover, they can enter whenever they please."

"Great Overarching Golden Celestials from Devata Realms can enter the Beyond Heaven Secret Zone as well? There's such a thing?" Duan Ling Tian was, naturally, taken aback since he did not know about this matter. In fact, he did not even know about the Beyond Heaven Secret Zone before he entered it. He had thought it was called the Sword Saint Secret Zone and that it was left behind by Sword Saint Feng Qing Yang.

Han Xue Nai was similarly shocked when she heard this while Liu Xia remained unperturbed as though she had already known about all these things.

"The Beyond Heaven Secret Zone is actually a medium for Great Overarching Golden Celestials to find inheritors for their inheritances. The reason why this realm is so stable that even Nine Tribulation Bodiless Celestials aren't able to even leave a hole in the void is due to the fact that this secret zone was created by a Great Overarching Golden Celestial," Zhang Yi explained, "Although the stability of the realm is not comparable to Devata Realms, it's still much superior to mundane realms!"

Duan Ling Tian had discovered earlier that the secret zone was, indeed, very stable when he had attacked earlier. He had unleashed an attack that was comparable to a Six Tribulation Bodiless Celestial's strength earlier to kill Pei Kun Shan, but the attack did not leave any cracks in the void at all. Not even a Nine Tribulation Bodiless Celestial would have been able to leave a tiny crack on the void. After all, if they were capable of that, the keys to the Beyond Heaven Secret Zone would have lost their value.

“Great Overarching Golden Celestials and those who are stronger are usually very particular and have high requirements for their disciples. If they can’t find disciples they’re satisfied with in Devata Realms, it’s not unusual for them to turn to mundane realms. This is the reason the Beyond Heaven Secret Zone exists. In fact, our five mundane realms aren’t the only mundane realms connected to a Beyond Heaven Secret Zone. Most mundane realms are connected to a Beyond Heaven Secret Zone as well. Since there are so many mundane realms, it’s not too difficult to guess that there are many Beyond Heaven Secret Zones as well,” Zhang Yi continued to patiently explain, “This Beyond Heaven Secret Zone we’re in opens only once every hundred of thousands of years. Moreover, there’s only one inheritance from a Great Overarching Golden Celestial. This means only one person will be able to obtain the inheritance from a Great Overarching Golden Celestial every hundred of thousands of years. Imagine the chaos if there were no Beyond Heaven Secret Zones. It would be difficult for Great Overarching Golden Celestials to find inheritors in all the mundane realms.”

Duan Ling Tian was stunned by Zhang Yi’s words. Every mundane realm was connected to a Beyond Heaven Secret Zone? Previously, Elder Huo had told him there were 81 Devata Realms, but there were countless of mundane realms. Even if a Beyond Heaven Secret Zone was connected to a few mundane realms at the same time, the number of Beyond Heaven Secret Zones must be very high!

Duan Ling Tian had initially found it impractical when he learned that the Beyond Heaven Secret Zone would only open once every hundreds of thousands of years and only one person would be able to obtain the inheritance from a Great Overarching Golden Celestial. How difficult would it be for a Great Overarching Bodiless Celestial to search for an inheritor that way? However, when he found out that every mundane realm was connected to a Beyond Heaven Secret Zone, he realized it was not as impractical as he had thought. After all, the number of mundane realms were high. This means the number of Beyond Heaven Secret Zone was high as well. Who knew if there were hundreds of thousands, possibly millions, of Beyond Heaven Secret Zones out there? If there are hundreds of thousands of Beyond Heaven Secret Zones, this meant that even if the secret zones only opened once in a hundred thousand years and only one person would be able to obtain the inheritance, collectively, it meant that there would be one man each year who received the inheritance. If there were a million Beyond Heaven Secret Zones, this meant that there would be 10 men who inherited the inheritance in a secret zone every year. The numbers of inheritors were quite high when calculated in this manner. Therefore, Duan Ling Tian no longer found this method impractical.

Zhang Yi finally spoke up again, “Therefore, the Green Lotus Sword Saint, no, I should call him the Green Lotus Sword Celestial, has a high chance of being Li Bai from Planet Yan Huang. As long as he has already become a Great Overarching Golden Celestial, there’s no reason why he can’t leave his inheritance here.”

Speaking of which, Zhang Yi gazed at Duan Ling Tian and laughingly questioned, “Duan Ling Tian, you wouldn’t think that...the underground palace in front of us, has the inheritance left behind by that Green Lotus Sword Celestial Li Bai, would you?” After a while, he narrowed his eyes as he asked Duan Ling Tian curiously, “Duan Ling Tian, you can’t possibly think the inheritance from Li Bai, the Green Lotus Sword Celestial, is in the underground palace, right?”

Duan Ling Tian was confused by Zhang Yi’s question. “Isn’t this where the Green Lotus Sword Celestial left his inheritance?” However, based on Zhang Yi’s words, it did not seem to be the case.

“Of course not!” Zhang Yi shook his head. “Didn’t you hear Li Bai’s words earlier? He had said this is a heaven-rank treasure vault he left behind!”

“Isn’t the inheritance located in a heaven-rank treasure vault?” Duan Ling Tian asked.

Zhang Yi was rendered momentarily speechless by Duan Ling Tian’s ignorance. He really wondered how Duan Ling Tian managed to enter the Beyond Heaven Secret Zone half a year ago. Nevertheless, he still patiently explained everything to him. “You don’t know about heaven-rank treasure vaults? Well, in the Beyond Heaven Secret Zone, apart from the location of the inheritance from a Great Overarching Bodiless Celestial, there are three types of valuable sites. One of them is human-rank treasure vaults. Those are the places we had been earlier. This type of treasure vaults only contained clues leading to the inheritance from a Great Overarching Golden Celestial. After that, there are the earth-rank treasure vaults. It’s where Celestial Supreme Treasures are located. Generally, there’s only one Celestial Supreme Treasure in each earth-rank treasure vault. These treasure vaults are protected by Formations. Finally, apart from the location where the inheritance is located, the heaven-rank treasure vaults are places that contain the most valuable treasure!”

Before Zhang Yi found out that Li Bai was the one who had left this treasure vault behind, he had already been very excited when he heard the words, ‘a heaven-rank treasure vault’.

“Do heaven-rank treasure vaults also prohibit Bodiless Celestials from entering it similar to human-rank treasure vaults and the location of the inheritance from a Great Overarching Golden Celestial? Does this mean Bodiless Celestials are only able to obtain Celestial Supreme Treasure from earth-rank treasure vaults? It seems like they have not much to gain here!”

“Well, it’s not entirely inaccurate to say they don’t have much to gain in here. After all, if they discover the location of a heaven-rank treasure vault or the location of the inheritance from a Great Overarching Golden Celestial, they can still wait outside and look for an opportunity to snatch the treasure from those weaker than them.” A worried expression appeared on Zhang Yi’s face when he spoke about this. When he saw how indifferent Duan Ling Tian looked, he reminded him fearfully, “Duan Ling Tian, you can’t underestimate the Bodiless Celestials who have entered the Beyond Heaven Secret Zone. Many of them are Seven and Eight Tribulation Bodiless Celestials! There are even Nine Tribulation Bodiless Celestials!”

Duan Ling Tian’s calm facade cracked a little when he heard the words ‘Nine Tribulation Bodiless Celestials’. He asked, “Are there any Nine Tribulation Bodiless Celestials in Yan Huang Realm?”

“Of course!” Zhang Yi replied without any hesitation.

Duan Ling Tian felt his heart skip a beat when he heard Zhang Yi’s words. After all, knowing about Nine Tribulation Bodiless Celestials and the possibility of meeting one was a different matter.
