

Chapter 2471 Su Li's Potential

"It wasn't intentional. I believe Senior Sword Thirteen would understand and wouldn't blame you," Duan Ling Tian said in an attempt to comfort Su Li. He could feel Su Li's remorse, sorrow, and loss.

Su Li sighed emotionally. "Regardless, I still feel bad..."

"What's done is done. There's no point dwelling on it. I believe if Senior Sword Thirteen is looking down on you from heaven, he would want to see you live well," Duan Ling Tian said reassuringly.

"Alright," Su Li nodded before he said, "Duan Ling Tian, it's thanks to your wife that I was able to obtain the inheritance from a Great Overarching Golden Celestial. I need to thank you because I know she helped me because of you. Thank you."

"I heard about that. Is there a need for us to be so polite with each other?" Duan Ling Tian said with a laugh, "There's no doubt that Ke'er helped you, but you're also fated with it. Out of so many people, it chose you."

Su Li replied, "The Great Overarching Golden Celestial who left the inheritance here is a Sword Celestial. That's probably why the inheritance chose me since I was the only Sword Cultivator present at that time." He paused for a moment before he asked, "I heard Elder Xuan said you just arrived not too long ago. Why did you come so late? If you came earlier, I wouldn't be able to obtain the inheritance. After all, you're also a Sword Cultivator. I'm certain it would have chosen you if you were there."

"Perhaps, it's fate." Duan Ling Tian chuckled. "In hindsight, it's not a bad thing that I didn't obtain the inheritance from a Great Overarching Golden Celestial. After all, I already have a master. If I obtain the inheritance from a Great Overarching Golden Celestial, it would complicate things. I can't possibly turn away from my master just because I obtain the inheritance." Duan Ling Tian who had inherited the Sovereign Heart Sword had long acknowledged Feng Qing Yang as his master. He would not acknowledge another master apart from Feng Qing Yang.

Su Li laughed. "You're still the same as before... You're still incredibly carefree and open-minded."

"Carefree and open-minded?" Duan Ling Tian shook his head before he said, "You don't know this, but I was quite upset and unresigned when I discovered the inheritance from a Great Overarching Golden Celestial had been obtained. Only after I found out that you're the one who obtained the inheritance that I was able to let those feelings go. How can I be upset that my friend managed to obtain the inheritance from a Great Overarching Golden Celestial?"

Su Li laughed and said teasingly, "It seems like I thought too highly of you?"

From then on, their conversation became more light-hearted.

"Duan Ling Tian, I met your daughter before I entered the Beyond Heaven Secret Zone. Time really flies, you already have a child," Su Li said with a sigh. A hint of admiration could be seen in his eyes.

“Oh? You met Si Ling?” Duan Ling Tian’s eyes brightened. He laughed as he said, “Not only do I have a daughter, I have a son as well.”

“I know your daughter’s name is Duan Si Ling, but what’s your son’s name?” Su Li asked curiously.

“Duan Nian Tian,” Duan Ling Tian replied. Speaking about this, he missed his son even more. Not only did he miss his son, but he missed his other wife, Li Fei, as well. He missed his parents and good friends as well. Since his family and friends had vanished in the Lower Province of the Dao Martial Saint Land, he had never been able to see them. He thought to himself, ‘After I leave this place and return to the Saint Province Realm, I’ll look for my parents, Little Fei’er, and the others before going to Yan Huang Realm.’

“Nian Tian?” Su Li laughed. “If I’m not mistaken, you didn’t name my niece and nephew, right?”

“How do you know that?” Duan Ling Tian was slightly surprised. Indeed, he did not name his son and daughter.

“Their names contain profound meanings. They’re probably named by their mothers, right?” Su Li smiled.

“Yes.” Duan Ling Tian nodded. A sincere and happy smile appeared on his face. To a certain extent, the names of his two children represented the love of his two wives toward him.

After they chatted for a while, Su Li finally bade farewell to Duan Ling Tian. “Duan Ling Tian, if nothing changes, I’ll be in Yan Huang Realm for the next 100 years. We might be able to meet again if you visit Yan Huang Realm. If you don’t, I’m afraid we’ll only be able to meet after we ascend to a Devata Realm.”

A rather forced smile appeared on Su Li’s face at this moment. There were 81 Devata Realms, and each Devata Realm was extremely vast. Trying to find someone would be akin to looking for a needle in a haystack. Even after they ascended to a Devata Realm, he was not entirely sure he would be able to see Duan Ling Tian again. Their chances of meeting might be higher if they both achieved fame and glory in a Devata Realm. However, there were so many outstanding geniuses in the Devata Realms, it would be difficult to achieve fame and glory there.

“Don’t worry, I’ll definitely visit,” Duan Ling Tian said with a smile, “I don’t think I have much time in the mundane realm. Before I ascend, I’ll definitely visit Yan Huang Realm!”

Su Li nodded. “Good! I’ll wait for you!”

Duan Ling Tian seemed to be reminded by something as he said, “Su Li... How much did your strength increase after you obtained the inheritance from a Great Overarching Golden Celestial?” He had been very curious about this. From the moment he saw Su Li, he could feel the changes in Su Li. Moreover, he could clearly sense Su Li’s soul seemed to be stronger than his, and it gave him the feeling of danger. In the mundane realms, only Three Tribulation Bodiless Celestials or those who were stronger had souls stronger than him after all. Apart from that, only Bodiless Celestials who had cultivated the Soul Congregation Embodiment technique would be able to make him feel a sense of danger.

Su Li replied honestly, “My current strength is roughly on par with a Six Tribulation Bodiless Celestial. I’m not a Bodiless Celestial, but I can be considered as a Celestial. With just a thought, I can go to the Devata Realms.”

Su Li's condition was quite similar to Little Black, Little White, and Little Gold. After receiving inheritances from the Devata Realms, they managed to bypass the rules in the mundane realms. They could ascend to Devata Realms without going through the Celestial Ascension Tribulation.

Duan Ling Tian's eyes brightened. It seemed like he had guessed correctly.

"However, although my strength is comparable to a Six Tribulation Bodiless Celestial, I haven't mastered any Divine Abilities or Celestial Techniques from the Devata Realms. If I can master them, my strength shouldn't be weaker than a Nine Tribulation Bodiless Celestial," Su Li said confidently.

"Without mastering any Divine Ability and Celestial Technique from the Devata Realms, your strength is comparable to a Six Tribulation Bodiless Celestial?" Duan Ling Tian was shocked by Su Li's words. He had assumed some of Su Li's strength came from Divine Abilities and Celestial Techniques from the Devata Realms. He did not expect that Su Li had not mastered any Divine Abilities and Celestial Techniques from the Devata Realms. He could not help but exclaim, "The Yellow Thearch Mansion has indeed obtained a treasure!"

After all, once Su Li mastered Divine Abilities and Celestial Techniques from the Devata Realms, he would possess strength comparable to a Nine Tribulation Bodiless Celestial. Moreover, Su Li was not limited by the rules in the mundane realms and he was able to stay in mundane realms as long as he wanted to.

In comparison, Bodiless Celestials had to face the Bodiless Celestial Tribulation every 1,000 years. If the Bodiless Celestial failed the tribulation, he would die. If he passed all nine tribulations, he would have to ascend to a Devata Realm and would not be able to stay for long in the mundane realms. This did not apply to Su Li. For this reason, Duan Ling Tian said the Yellow Thearch Mansion had gained a treasure.

Su Li said solemnly, "I only promised to guard the Yellow Thearch Mansion for 100 years. After that, if I can't return to the Saint Province Realm, I'll ascend to a Devata Realm from Yan Huang Realm."

"Hm." Duan Ling Tian nodded.

"Duan Ling Tian, I have to go now... Let's meet again in the Yan Huang Realm after a few years!" Su Li finally left. Since Xuan Yuan Zhi and Ren Yuan Jie from the Yellow Thearch Mansion were still waiting for him, it would not be polite for him to keep them waiting for too long. Although Xuan Yuan Zhi had said he could take his time, he did not feel it was right to keep them waiting. Moreover, he had almost finished catching up with Duan Ling Tian.

"Alright, I'll see you again in Yan Huang Realm." A gentle smile appeared on Duan Ling Tian's face as he looked at his friend whom he had known since he was a teenager. His smile was like a gentle spring breeze.

When Su Li regrouped with the two people from Yellow Thearch Mansion, Xuan Yuan Zhi looked at Duan Ling Tian and said loudly, "Little brother Ling Tian, I'll wait for you in Yan Huang Realm! I have some good wine in my private collection. At that time, let's drink and enjoy ourselves!"

Duan Ling Tian laughed before he replied, "Don't worry, old brother. I'll definitely visit Yan Huang Realm!"

Swoosh! Swoosh! Swoosh!

The sounds of wind howling rang in the air before the three people vanished into thin air.

2472 Uninvited Gues

“Yellow Thearch Mansion?”

“Did that old man say he’s from Yellow Thearch Mansion?”

“Yellow Thearch Mansion is one of the most mysterious and reclusive forces in our mundane realm. Although not many people from the Yellow Thearch Mansion are known to the world, the top forces in our Yan Huang Realm such as the Mount Huaguo Sect and the Lion Camel Ridge don’t dare to simply provoke them!”

After Xuan Yuan Zhi, Su Li, and Ren Yuan Jie left, the Bodiless Celestials from Yan Huang Realm who were present on the scene began to discuss among themselves.

Naturally, they did not know much about the Yellow Thearch Mansion. They only knew it was a mysterious and reclusive force that was comparable to the other top forces in Yan Huang Realm.

Han Xue Nai cocked an eyebrow when she saw Zhang Yi was still in a daze even after those three had left. “Zhang Yi, they have already left... Why are you still in a daze?”

Zhang Yi regained his senses upon hearing Han Xue Nai’s words. An awkward smile appeared on his face as he said, “I’m just excited. I never thought I’d be able to meet the man in the rumor. I didn’t know Xuan Yuan Zhi from Yellow Thearch Mansion hasn’t ascended to a Devata Realm yet.”

“Xuan Yuan Zhi? That old man earlier? Is he that amazing?” Han Xue Nai asked before she muttered to herself, “He’s indeed clever for taking the initiative to get closer to Brother Ling Tian...”

Although Han Xue Nai knew the old man was strong, she did not know he was a Nine Tribulation Bodiless Celestial. She only thought the old man was a Seven or Eight Tribulation Bodiless Celestial at most.

“Of course, he’s amazing!” Zhang Yi replied, “Xuan Yuan Zhi is one of the two Nine Tribulation Bodiless Celestials from the reclusive force, Yellow Thearch Mansion, in our Yan Huang Realm...”

“Nine Tribulation Bodiless Celestial?” Han Xue Nai was shocked. “Zhang Yi, you... are you joking? That old man who took the initiative to get closer to Brother Ling Tian is a Nine Tribulation Bodiless Celestial?”

Han Xue Nai knew what it meant to be a Nine Tribulation Bodiless Celestial. They were the strongest existence in all mundane realms. Who would have thought that old from earlier was a Nine Tribulation Bodiless Celestial?

“Why would I joke about this? Do you know who’s the Free Cloud Sage in the Celestial Masters Sect whom he mentioned earlier? The Free Cloud Sage is the only Nine Tribulation Bodiless Celestial our Celestial Masters Sect. All of us in the sect address him as old ancestor,” Zhang Yi said reverently.

“That old man is a Nine Tribulation Bodiless Celestial...” Han Xue Nai still found this hard to believe. “A Nine Tribulation Bodiless Celestial is so polite to Brother Ling Tian? He even took the initiative to get closer to Brother Ling Tian... This is...”

“Currently, Duan Ling Tian is essentially as strong as a Nine Tribulation Bodiless Celestial,” Zhang Yi said, “The fact that he’s able to kill the strongest Eight Tribulation Bodiless Celestial in Mouro Realm proves that his strength is comparable to a Nine Tribulation Bodiless Celestial. It has made him famous in the Beyond Heaven Secret Zone! It won’t take long before he becomes famous in the other four large mundane realms as well.” Zhang Yi who understood the situation explained, “At that time, the four large mundane realms will know there’s another genius from the Saint Province Realm and the genius’ strength is comparable to a Nine Tribulation Bodiless Celestial without even obtaining the inheritance from a Great Overarching Golden Celestial.

Zhang Yi knew that after the closing of the Beyond Heaven Secret Zone, Duan Ling Tian’s name would become famous in the four large mundane realms like Feng Qing Yang.

Realization dawned on Han Xue Nai. “You’re right. Brother Ling Tian killed an Eight Tribulation Bodiless Celestial who possessed a Celestial Supreme Treasure earlier. Moreover, he was the strongest Eight Tribulation Bodiless Celestial in Mouro Realm. This is more than enough to prove that Brother Ling Tian is as strong as a Nine Tribulation Bodiless Celestial.” In the end, she laughed wryly. “Every time Brother Ling Tian demonstrated his strength, he didn’t fail to surprise us. I’ve become rather numb to it that it didn’t occur to me he’s now as strong as a Nine Tribulation Bodiless Celestial when he killed the strongest Eight Tribulation Bodiless Celestial from Mouro Realm earlier.’

Feng Tian Wu, Mu Yi Yi, and Gan Ru Yan were dumbstruck as they heard the conversation between Han Xue Nai and Zhang Yi. Duan Ling Tian had killed an Eight Tribulation Bodiless Celestial who possessed a Celestial Supreme Treasure? Since they had just come out, they were unaware of what had happened.

Three of them were truly shocked. An ordinary Eight Tribulation Bodiless Celestial who possessed a Celestial Supreme Treasure had strength comparable to a Nine Tribulation Bodiless Celestial, let alone the strongest Eight Tribulation Bodiless Celestial in a large Mundane Realm.

An astonished expression could be seen on Feng Tian Wu’s face as she said, “Brother Duan has grown so strong?”

Mu Yi Yi and Gan Ru Yan wore the same astonished expressions on their faces as well.

Among these women who just came out from the location of the inheritance from a Great Overarching Golden Celestial, the only one who remained calm was Ke’er. She was never surprised by her man’s feats as though it was a matter of course.

Duan Ling Tian was about to motion to Ke’er and the others to leave when he heard a commotion from the distance.

“It’s too frightening! Truly frightening!”

“That old man easily killed two Eight Tribulation Bodiless Celestials!”

At the same time, a few men who looked travel-weary could be seen in the distance as well.

Duan Ling Tian continued eavesdropping on their discussion and discovered some people were tailing Su Li, Xuan Yuan Zhi, and Ren Yuan Jie after they left. Those people coveted the Celestial Supreme Treasure that Su Li possessed. Those people did not attack him on the scene because they had seen the good relationship between Su Li and him and were afraid that he would intervene to protect Su Li. Those people were, naturally, afraid to offend him since they had witnessed him killing the strongest Eight Tribulation Bodiless Celestial in Mouro Realm.

Duan Ling Tian thought to himself as he shook his head, 'Those people are truly foolish. They didn't dare to attack Su Li earlier because they were afraid of me. For this reason, they followed him in hopes that they could kill him and snatch his treasure away. Would they still dare to do such a thing if they knew there was a Nine Tribulation Bodiless Celestial with Su Li?'

The group of people who had just arrived was still discussing this matter as their eyes were fixed on a few people who had just returned. These people who had just returned were part of the group who had tailed Su Li to snatch the Celestial Supreme Treasure away from him.

"He easily killed two Eight Tribulation Bodiless Celestial? Even the strongest Eight Tribulation Bodiless Celestial from Mouro Realm whom Duan Ling Tian killed wouldn't be capable of such a feat, right?"

"If those two Eight Tribulation Bodiless Celestials didn't have any Celestial Supreme Treasure, the strongest Eighth Tribulation Bodiless Celestial from Mouro Realm might be able to kill them."

"Well, I guess only those who're involved would know the situation at that time."

The people who had just returned from their failed attempt to rob Su Li did not manage to make a move earlier. They were all horrified when they saw the old man who was with Su Li easily killing the two Eight Tribulation Bodiless Celestial.

The discussion continued.

"That two Eight Tribulation Bodiless Celestials didn't use any Celestial Supreme Treasure. In fact, the old man didn't use a Celestial Supreme Treasure either!"

"Yes! All of them didn't use any Celestial Supreme Treasure at all!"

Many people were shocked upon hearing that. "They weren't using any Celestial Supreme Treasure?"

"Then, there's only one possibility left; that ordinary-looking old man must be a Nine Tribulation Bodiless Celestial!" Someone concluded.

"Nine Tribulation Bodiless Celestial!" Fear coursed through everyone's veins when they heard this.

Suddenly, a loud scoff reverberated in the air. It seemed to have come from all directions. It did not take long before a muscular figure appeared in the horizons before everyone's eyes. It did not take long before he arrived in front of everyone. This person's body was big and strong just like an iron tower, making him look formidable. He looked at Duan Ling Tian with greed-filled eyes as he said, "If the old fella isn't a Nine Tribulation Bodiless Celestial, do you think he would dare to speak to Duan Ling Tian?"

2473 Old Ancestor Qing Yue, a Nine Tribulation Bodiless Celestial!

As soon as everyone's eyes shifted to the muscular man who had just appeared, they heard a few voices rang in the air.

"Old ancestor!"

"Old ancestor!"

The onlookers instantly shifted their eyes to the people who had just reverently greeted the muscular middle-aged man. They discovered those people who had spoken were all old with the exception of a young man. It was strange to see those few old men bowing deferentially to the muscular middle-aged man as though they were worshipping Buddha.

It did not take long before a few Bodiless Celestials from Skyline Realm recognized the few old men.

"Aren't they from the Power Saint Sect in our Skyline Realm?"

"Indeed! They're from the Power Saint Sect!"

"I know that green-robe old man... He's a Seven Tribulation Bodiless Celestial and the Second Elder of Power Saint Sect!"

"I've met that blue-robe old man once... He's also a Seven Tribulation Bodiless Celestial, and he's the Third Elder of Power Saint Sect!"

From the discussion between the Bodiless Celestials from Skyline realm, everyone learned the background of those few people and that two of these people were Seven Tribulation Bodiless Celestials who held high positions in their sect.

The Second Elder swept his gaze around before he announced loudly, "This is Old Ancestor Qing Yue from our Power Saint Sect!"

Old Ancestor Qing Yue!

As soon as the Second Elder from Power Saint Sect spoke, almost everyone turned to look at the muscular middle-aged man with a hint of shock. As it turned out, the middle-aged man was someone so powerful.

On the other hand, the group of Bodiless Celestials from Skyline Realm had a horrified expression on their faces.

"Old Ancestor Qing Yue! H-he's Old Ancestor Qing Yue from Power Saint Sect?" A Bodiless Celestial from the Skyline Realm exclaimed with disbelief. He looked at the muscular middle-aged man fearfully as though the muscular middle-aged man was a ghost.

"I thought he's a Nine Tribulation Bodiless Celestial from the Power Saint Sect at most. Who knew he's Old Ancestor Qing Yue, the only Nine Tribulation Bodiless Celestial in Power Saint Sect?"

"Although I've heard about the only Nine Tribulation Bodiless Celestial in Power Saint Sect, I haven't seen him before. It's truly unexpected that I'd get to meet him here."

"It seems like he has set his sight on Duan Ling Tian. I'm afraid he came bearing ill intentions."

The Bodiless Celestials from Skyline Realm noticed that Old Ancestor Qing Yue had been staring at Duan Ling Tian intently ever since he had appeared. It was as though Duan Ling Tian had some special treasure on him.

More and more people began to notice this, and they could not help but speculate among themselves.

“It seems like he wants something from Duan Ling Tian based on the greed in his eyes.”

“Well, it’s likely that he wants something from Duan Ling Tian... and his companions.”

“The most precious things Duan Ling Tian and his teammates possess are the Celestial Supreme Treasures... According to a reliable source, I heard they currently have more than five Celestial Supreme Treasures between them!”

“More than five Celestial Supreme Treasures! Such great wealth!”

“Unfortunately, I’m far from being a match for Duan Ling Tian. Otherwise, I’m sure I’ll greedily covet Duan Ling Tian and his companions’ Celestial Supreme Treasures as well.”

If the onlookers could guess the muscular middle-aged man’s intention, Duan Ling Tian, naturally, could guess it as well.

“A Nine Tribulation Bodiless Celestial!” The expressions of Feng Tian Wu, Han Xue Nai, and others changed drastically. After all, it was not easy to deal with a Nine Tribulation Bodiless Celestial.

The only ones who seemed calm among Duan Ling Tian and his companions were Duan Ling Tian and his wife, Ke’er.

At this moment, Ke’er seemed to be in a daze as she looked at Duan Ling Tian. It seemed as though he was the only one she could see in this world. The muscular middle-aged man’s appearance did not interrupt her staring fest at all.

At this moment, the muscular middle-aged man, Old Ancestor Qing Yue, suddenly called out, “Duan Ling Tian!” Then, he looked at Duan Ling Tian greedily as he said in a low voice, “Although you didn’t obtain the inheritance from a Great Overarching Golden Celestial like Feng Qing Yang did, your strength is comparable to him at that time. It’s unfortunate. As the the saying goes, ‘The precious stone lands its innocent possessor in jail’. You and your companions will die today and all your Celestials Supreme Treasures are destined to be mine.” He did not beat around the bush and honestly declared his intention of killing Duan Ling Tian and his companions to snatch their Celestial Supreme Treasures.

“Oh?” Duan Ling Tian replied flippantly, “I’m afraid that just you alone are not qualified to kill us and snatch our Celestial Supreme Treasures.” He knew his strength well. He might not be able to defeat or kill a Nine Tribulation Bodiless Celestial, but he was confident their strength would be on par. For this reason, he was not afraid when he found the muscular middle-aged man was a Nine Tribulation Bodiless Celestial!

Duan Ling Tian’s nonchalance surprised many people.

“Based on Duan Ling Tian’s words, it seems like he’s not afraid of Old Ancestor Qing Yue!”

“As a Nine Tribulation Bodiless Celestial, Old Ancestor Qing Yue certainly has a Celestial Supreme Treasure. Duan Ling Tian must know this as well, and yet, he’s still able to remain so calm. He’s either putting up an act or he’s truly unafraid of Old Ancestor Qing Yue.”

“A Nine Tribulation Bodiless Celestial with a Celestial Supreme Treasure has to be the strongest existence in mundane realms, right?”

“That should be the case...”

Naturally, the opinion was split in half. Some of them thought Duan Ling Tian was just putting on an act, and some of them thought he was truly unafraid.

“When Duan Ling Tian killed that man from Mouro Realm earlier, his strength and speed are comparable to a Nine Tribulation Bodiless Celestial...”

“You’re right. So what if Old Ancestor Qing Yue possesses a Celestial Supreme Treasure? If Duan Ling Tian casts that Sword Formation, he’ll be able to snatch Old Ancestor Qing Yue’s Celestial Supreme Treasure away!”

“I think the battle between Old Ancestor Qing Yue and Duan Ling Tian can only end in a tie... I think it’s impossible for them to defeat each other.”

“I agree!”

There were people who had deeply studied and analyzed Duan Ling Tian’s strength who thought Duan Ling Tian was not any weaker than Old Ancestor Qing Yue. Therefore, they were full of confidence in Duan Ling Tian. There were also some who remained neutral, afraid of voicing out who they thought was stronger or weaker.

Many of the onlookers assumed Old Ancestor Qing Yue would be enraged by Duan Ling Tian’s words and attacked him immediately. However, they were surprised by the words they heard.

Old Ancestor Qing Yue said, “Indeed. I’ve witnessed your strength earlier. It’s certainly not any weaker than mine. Moreover, I haven’t found a way to counter the technique you used to snatch Celestial Supreme Treasures away. If we were to fight, we would be evenly matched.”

“Huh?” Duan Ling Tian raised an eyebrow in surprise. He did not expect to hear Old Ancestor Qing Yue admitting that they were on equal ground. He had thought Old Ancestor Qing Yue dared to openly announce his intention of killing him and his companions to snatch their Celestial Supreme Treasures was due to Old Ancestor Qing Yue’s blind confidence.

The onlookers were puzzled.

“What’s going on? Since Old Ancestor Qing Yue himself confesses that their fight would end in a tie, why did he sound so confident when he said he would kill Duan Ling Tian and his companions to snatch their Celestial Supreme Treasures?”

Suddenly, someone blurted out, “An accomplice?”

Suddenly, a sharp and piercing sound rang in the air.

Swoosh!

After a while, a figure descended from the sky, attracting everyone's attention, including Duan Ling Tian.

Chapter 2474 Another Nine Tribulation Bodiless Celestial

The person who had descended from the sky at an extremely fast speed like a dragon was an elder. He had descended and stood next to Old Ancestor Qing Yue, the Nine Tribulation Bodiless Celestial from Power Saint Sect.

The elder wore green robes, and his long brown hair that was not tied up fluttered in the wind like snakes that were prepared to attack. He looked ordinary, like someone who would not stand out in a crowd. However, his aura and bearing were not inferior compared to Old Ancestor Qing Yue.

"Elder ancestor!"

"Elder ancestor!"

As soon as the green-clad elder appeared, another group of people began to greet him reverently. Some people from Skyline Realm also recognized the people who had greeted this newcomer. This group of people was all powerhouses from Kun Mang Sect.

"He's from our Kun Mang Sect in Skyline Realm!"

"That's the Grand Elder of Kun Mang Sect, an Eight Tribulation Bodiless Celestial... Moreover, there's no doubt that the person who's standing next to him is the Third Elder of Kun Mang Sect, a Seven Tribulation Bodiless Celestial."

"Heavens! Even the Grand Elder of Kun Mang Sect greeted him so respectfully as Elder Ancestor... Is he the Heavenly Python Elder of Kun Mang Sect?"

"Apart from him, there's no one who would be treated this respectfully by the Grand Elder..."

In Kun Mang Sect, there were many Bodiless Celestials. There were more than a dozen Seven Tribulation Bodiless Celestials, three Eight Tribulation Bodiless Celestials, and one Nine Tribulation Bodiless Celestial who was the strongest person in the sect. The Nine Tribulation Bodiless Celestial was also known as the Heavenly Python Elder to outsiders.

"Another Nine Tribulation Bodiless Celestial?"

When the onlookers learned about the green-robe man's identity, a shocked expression appeared on their faces. Were Nine Tribulation Bodiless Celestials not supposed to be rare? Why were there so many Nine Tribulation Bodiless Celestials appearing one after another? There was Xuan Yuan Zhi, the Nine Tribulation Bodiless Celestial from Yellow Thearch Mansion, there was Old Ancestor Qing Yue from Power Saint Sect, and there was Duan Ling Tian whose strength was comparable to a Nine Tribulation Bodiless Celestial. Currently, even the Heavenly Python Elder from Kun Mang Sect in Vast Cloud Realm had joined in the fray!

“It’s not even noon, but I’ve already seen an Eminent Celestial whose strength is comparable to a Nine Tribulation Bodiless Celestial and three actual Nine Tribulation Bodiless Celestials!”

“I haven’t seen one in my entire life, but today itself, I’ve met three!”

At this moment, Duan Ling Tian had a grim expression on his face.

Han Xue Nai said in a hushed tone, “This Heavenly Python Elder stood next to Old Ancestor Qing Yue as soon as he arrived as though they’re already acquainted. Don’t tell me they plan to join forces?”

“That’s very likely. Otherwise, Old Ancestor Qing Yue wouldn’t be so confident that he’ll be able to kill all of us and snatch our Celestial Supreme Treasures even after he openly admitted that his strength is only on par with Duan Ling Tian,” Zhang Yi said worriedly.

“Two Nine Tribulation Bodiless Celestials...” Feng Tian Wu, Mu Yi Yi, and Gan Ru Yan were beginning to get worried as well at this moment.

Duan Ling Tian no longer looked as carefree as before. He was confident in facing one Nine Tribulation Bodiless Celestial, but he was not certain about two Nine Tribulation Bodiless Celestials.

Under everyone’s watchful gaze, the Heavenly Python Elder of Kun Man Sect from Vast Cloud Realm looked at Old Ancestor Qing Yue and said, “Brother Qing Yue, you and I agreed to kill Duan Ling Tian and his companions and their Celestial Supreme Treasures would be shared evenly between us. However, what if we can’t share it evenly between us? I don’t believe we’ve spoken about that.”

Upon hearing the Heavenly Python Elder’s words, Old Ancestor Qing Yue nodded. “Indeed, we didn’t speak about that.” He thought about it for a moment before he finally said, “What about this? If there’s an extra Celestial Supreme Treasure, we’ll each send out a disciple from our respective sect and let them battle it out. The winner will obtain the extra Celestial Supreme Treasure.”

“Sounds fair to me.” The Heavenly Python Elder nodded, agreeing with Old Ancestor Qing Yue’s suggestion.

Both of them spoke loudly as though no one was around.

Upon hearing their words, Han Xue Nai exclaimed, “Indeed. They’re working together!”

At this moment, many onlookers began to discuss among themselves as well.

“No wonder Old Ancestor Qing Yue is so confident right from the get-go even though he admitted his strength was evenly-matched with Duan Ling Tian.”

“It’s obvious now that his confidence comes from his alliance with the Heavenly Python Elder.”

“Even an actual Nine Tribulation Bodiless Celestial might not be able to deal with two Nine Tribulation Bodiless Celestials who join forces, let alone Duan Ling Tian who’s only an Eminent Celestial who has strength comparable to a Nine Tribulation Bodiless Celestial.”

“What a pity! Duan Ling Tian is so powerful and highly talented, it’s a pity that he’ll have to die today.”

“Even if he doesn’t die, he’ll be greatly weakened. Who knows if he’s even able to ascend to the Devata Realm... It’s truly a pity!”

At this time, Duan Ling Tian looked at the two Nine Tribulation Bodiless Celestials guardedly. He asked in a low voice, “I assume both of you have been here since a while ago and have been hiding?”

Upon hearing Duan Ling Tian’s words, Old Ancestor Qing Yue narrowed his eyes and said in a deceptively light tone, “Correct. The Heavenly Python Elder and I have been here since a while ago. In fact, we were here before you even arrived. We saw you kill the strongest Eight Tribulation Bodiless Celestial from Mouro Realm so we know your strength is comparable to a Nine Tribulation Bodiless Celestial. In fact, with your Celestial Technique that’s able to snatch Celestial Supreme Treasures, there’s a chance that a Nine Tribulation Bodiless Celestial might not even be a match for you. However, if one Nine Tribulation Bodiless Celestial is not enough to deal with you, what about two Nine Tribulation Bodiless Celestials?” Killing intent flashed in his eyes as he looked at Duan Ling Tian like prey.

“I have to say both of you are really patient to have waited until now.” Duan Ling Tian did not expect Old Ancestor Qing Yue and the Heavenly Python Elder had arrived so early and had witnessed everything.

The Heavenly Python Elder said, “We planned to join forces earlier to deal with the person who obtains the inheritance from a Great Overarching Golden Celestial. However, when you showed up, we decided to wait so we can deal with both of you. However, we didn’t expect...”

Duan Ling Tian interrupted the Heavenly Python Elder and said, “But you didn’t expect that I would get acquainted with another Nine Tribulation Bodiless Celestial, right?”

“Indeed.” The Heavenly Python Elder was not mad at being interrupted. In his opinion, Duan Ling Tian was a dead man walking. There was no point in getting angry with a dead man.

Duan Ling Tian continued speaking, “Therefore, you waited until they left before you made a move.” He was confident in his speculation.

“You are very smart,” Old Ancestor Qing Yue said as he narrowed his eyes, “Unfortunately, no matter how smart you are, you’ll die here today. If you want to find something to blame just blame the fact that you and your companions possess so many Celestial Supreme Treasures...”

Duan Ling Tian could see the greed in Old Ancestor Qing Yue’s eyes. He asked, “I am very curious. Why did you choose me and my companions instead of the person who obtained the inheritance from a Great Overarching Golden Celestial? Is it because of the Nine Tribulation Bodiless Celestial accompanying him?” It was not that he wished these two people had gone after Su Li and his companions, he was just genuinely curious.

“That’s a good question!” The Heavenly Python Elder said, “We chose you because we surmised that you have more Celestial Supreme Treasures. Moreover, although the inheritance from a Great Overarching Golden Celestial is amazing, there’s nothing we can do to obtain it.”

Chapter 2475 Leave Them To Me

“Moreover, the Nine Tribulation from the Yellow Thearch Mansion didn’t come alone. According to the information we obtained, there’s another Nine Tribulation Bodiless Celestial as well. They’re twins. Although the Beyond Heaven Secret Zone is vast, with their strength, they’ll be able to sense each other.

Even if two of us join forces, it'll take a while before we can defeat him. If his twin brother were to arrive before we dealt with him, we would be put in a disadvantageous position." The Heavenly Python Elder was honest and revealed the reason he and Old Ancestor Qing Yue had chosen Duan Ling Tian and his companions.

Old Ancestor Qing Yue stared at Duan Lingtian with greed written all over his face as he said, "With that, it's not difficult for us to choose you instead."

"So both of you thought I'll be an easier target..." Duan Ling Tian narrowed his eyes that were flashing coldly.

"Well, you can say that..." Old Ancestor Qing Yue said with a grin on his face, clearly confident about the upcoming battle.

As the atmosphere turned tense, the onlookers whispered among themselves.

"It seems like Duan Ling Tian is going to die today."

"It's not just him. I'm afraid his companions are going to die as well."

"What a pity! Those beauties next to him are going to die as well"

The onlookers stared unblinkingly at Duan Ling Tian and the two Nine Tribulation Bodiless Celestials as though they were afraid they were going to miss something if they did not pay close attention.

Duan Ling Tian felt a certain level of pressure as well, having to face two Nine Tribulation Bodiless Celestials. It would be impossible for him to defeat or injure them. Although it might be difficult, there was a chance he could escape unscathed. For this reason, he sent a Voice Transmission to Ke'er. "Ke'er, I'll ask San Dao to take you and Tian Wu away... I'll catch up to you once I escape from them."

"Brother Tian..." Ke'er regained her senses when she heard Duan Ling Tian's voice. She wanted to speak but was interrupted by him.

"Ke'er, let's just do it this way. Don't worry. I'm confident I'll be able to escape unscathed. Pass this message on to Tian Wu and the others, I'll tell San Dao to take all of you away."

As soon as Duan Ling Tian finished speaking to Ke'er, he told Chen Yi Ru in a grave tone to bring everyone away.

Chen Yi Ru could not help but feel worried. "Master, are you confident?" Although initially he was forced to acknowledge Duan Ling Tian as his master, as time passed, he truly considered Duan Ling Tian as his master. Put aside the fact that Duan Ling Tian's strength made him more than qualified to become his master, Duan Ling Tian had also treated him sincerely and even gave him a Celestial Supreme Treasure.

Duan Ling Tian said reassuringly, "I can't say for certain I'm 100% confident, but I'm 60 to 70% confident I'll be able to escape."

"60 or 70%?" Although Chen Yi Ru was still worried, he felt much more reassured now. "Master, don't worry. I'll bring them safely away from here and back to the Saint Province Realm!"

“Alright.” Duan Ling Tian felt more at ease after listening to Chen Yi Ru’s words as well.

Swoosh! Swoosh! Swoosh!

As soon as Duan Ling Tian finished speaking to Chen Yi Ru, the sound of wind howling reverberated in the air.

These sounds came from the Seven and Eight Tribulation Bodiless Celestials from Kun Mang Sect and Power Saint Sect.

“Damn it!” Duan Ling Tian’s expression changed drastically. He had planned to cast all his techniques to distract the enemy and provide a chance for his companions to escape. Who knew the powerhouses from Kun Mang Sect and the Power Saint Sect would surround them? It was as though they had seen through his plan. His expression was extremely dark at this moment.

“What? Duan Ling Tian, did you think we didn’t prepare for the possibility of you or your companions escaping? Do you really plan to risk your life and let them escape?” Old Ancestor Qing Yue asked with a chuckle when he saw Duan Ling Tian’s grave expression. Indeed. They had ordered their men to surround Duan Ling Tian and his companions.

Duan Ling Tian’s eyes flashed with killing intent as he said coldly, “Do you believe I can kill all of your people before our fight even starts?”

“Of course I do.” Old Ancestor Qing Yue did not seem angry. Instead, he said casually, “However, if you do that, the Heavenly Python Elder and I can also kill all your companions before we fight.” His killing intent was almost palpable when he spoke.

Swoosh!

Duan Ling Tian’s expression changed again. All his power surged out from his body and spread to the distance. A horrifying energy appeared, accompanied by numerous whirlpools. In just seconds, his Celestial Origin Energy that was mixed with Saint Origin Energy was raised to its limit.

“Duan Ling Tian, your assist-type Divine Ability is truly impressive... Let us witness your true strength!” Old Ancestor Qing Yue said loudly as soon as Duan Ling Tian cast the assist-type Divine Ability, the Elementary Devouring Tactic. As soon as he finished speaking, energy surged out of his body as well. Energy surged out endlessly as though a dam had broken.

Swoosh!

Similarly, energy began to surge out of the Heavenly Python Elder’s body as well. The energy that shot out of his body resembled snakes, it was an incredibly terrifying sight. His energy was not any weaker than Old Ancestor Qing Yue’s energy. It was obvious that their strength was evenly matched.

Boom! Boom! Boom! Boom! Boom!

The sounds of explosions reverberated in the air, shaking the void. A gust of wind blew violently at everyone present on the scene.

“This is the power of a Nine Tribulation Bodiless Celestials?”

Many people were shocked by the displays of power. The two Nine Tribulation Bodiless Celestials had not even acted, just their energies were already so powerful!

A melodious voice suddenly rang in the air. “Brother Tian!”

The voice seemed to contain some sort of magic as it vibrated in everyone’s ears. Everyone was startled. It seemed as though the melodious voice had drowned out all the noises in the surroundings.

“What kind of a trick is this?!” Everyone was puzzled. It did not take long before they discovered the voice belonged to a beautiful young lady.

She was peerlessly beautiful. Her presence made all the beautiful flowers in surroundings dimmed in comparison. At this moment, she was staring intently at Duan Ling Tian. Based on her gaze, it was clear that he was the only one she saw in this world. Many men were jealous of Duan Ling Tian when they saw this.

All of a sudden, Ke’er said again, “Leave them to me! I want to see how they’re going to kill all of us.”

“Ke’er....” Duan Lingtian froze as he looked at Ke’er in shock. He did not expect her to speak up at this moment and ask him to leave the two Nine Tribulation Bodiless Celestials to her...

At this moment, Ke’er looked as though she was prepared to deal with the two Nine Tribulation Bodiless Celestials on her own.

When Duan Ling Tian regained his senses, he wanted to tell Ke’er to not act recklessly since he assumed she was unaware of their true strength. However, it was too late...

Swoosh!

In just a blink of an eye, Ke’er disappeared from everyone’s sight.

Chapter 2476 Ke’er’s Strength

“How’s this possible?!” Duan Ling Tian’s mouth was agape as he watched Ke’er disappear before his eyes. Even a Nine Tribulation Bodiless Celestial at his full speed could not disappear before him without leaving traces behind.

Swoosh!

A beautiful figure reappeared and revealed itself near Old Ancestor Qing Yue and the Heavenly Python Elder.

It did not take long for everyone to identify the person who had just appeared. It was indeed the young woman whose melodious voice had attracted their attention earlier. At this moment, all the Eight Tribulation Bodiless Celestial felt as though their eyes had gotten blurry. They had discovered the young woman’s speed was so fast that they could not even catch her movements.

“How’s this possible?!”

“How fast!”

Even Old Ancestor Qing Yue and the Heavenly Python Elder were staring at her as though they had seen a ghost. After all, her speed proved that her strength was possibly on par with a Nine Tribulation Bodiless Celestial.

“This is bad!” Old Ancestor Qing Yue and the Heavenly Python Elder hurriedly took out their Celestial Supreme Treasures when they saw the young woman move her elegant hands. They knew she was about to make a move. They would only feel secure holding their Celestial Supreme Treasures at a time like this.

Initially, Old Ancestor Qing Yue and the Heavenly Python Elder did not plan to use their Celestial Supreme Treasures unless it was absolutely necessary. After all, they did not want to give Duan Ling Tian the chance to steal them away with his Celestial Technique. They would only be giving the advantage to Duan Ling Tian if they took out their Celestial Supreme Treasures. However, the woman who had appeared like a ghost before them brought with her a pressure and a sense of danger that caused them to forget everything and instinctively bring out their Celestial Supreme Treasures.

Ke'er looked at the Nine Tribulation Bodiless Celestials coldly as she said in an equally icy voice, “I wouldn't make much of a fuss if you only threatened to kill me... However, I won't stay idle since you threatened to kill Brother Tian.”

Boom!

As Ke'er spoke, she moved her elegant hands. The void shook and the air trembled and roiled violently. Although the sound it caused was not particularly loud, it sounded piercing to the human ears. Soon after, she moved her hands again and a blindingly bright light appeared out of nowhere.

“No!” Two loud cries rang in unison as soon as the blinding light appeared.

Everyone was horrified as they watched on. They could tell the two cries were from Old Ancestor Qing Yue and the Heavenly Python Elder.

“What kind of power is this?!” Duan Ling Tian was shocked. When the blinding light finally died away, he finally saw Ke'er. Where there were originally three figures standing, only one was left. The remaining figure belonged to his wife, Ke'er. As for the two Nine Tribulation Bodiless Celestials, they had disappeared without a trace. Two Celestial Supreme Treasures could be seen where the two Nine Tribulation Bodiless Celestials were standing earlier.

=

Whoosh! Whoosh!

Ke'er waved her hand and the two Celestial Supreme Treasures seemed to have a mind of their own as they flew to her. After obtaining the Celestial Supreme Treasures, she quietly put them away.

The Seven and Eight Tribulation Bodiless Celestials had just regained their senses and they were looking at Ke'er fearfully as though they were looking at a terrifying monster. If they did not witness this with their own eyes, they would have a hard time believing it.

“Did the two Nine Tribulation Bodiless Celestials die?!”

“Heavens! Is this real? The two Nine Tribulation Bodiless Celestials who wielded their Celestial Supreme Treasures are killed in just a blink of an eye! Moreover, she only moved her hands!”

At this moment, some Eminent Celestials from Kun Mang Sect and Power Saint Sect could be seen holding shattered Soul Pearls in their hands as they cried out in unison.

“Old Ancestor!”

“Old Ancestor!”

“This is...Old Ancestor’s soul pearl?”

“The Old Ancestor is dead?!”

Previously, these people were still hoping the two Nine Tribulation Bodiless Celestials did not die. Perhaps, they had escaped earlier. Maybe they did not have time to take their Celestial Supreme Treasures with them. However, their last shred of hope was dashed as they stared at the shattered Soul Pearls. Their old ancestors were undoubtedly killed by this crazy young lady.

“This is too frightening!”

“Who’s she?! How did she kill two Nine Tribulation Bodiless Celestials so easily?”

“Not only that, but those two Nine Tribulation Bodiless Celestials were wielding their Celestial Supreme Treasures as well!”

At this moment, an expression of shock and disbelief could be clearly seen on Han Xue Nai’s face. “Sister Ke’er...” Although she knew Ke’er had gotten stronger before she entered the Beyond Heaven Secret Zone, she did not expect Ke’er to be so strong. When she heard Feng Tian Wu and the others discussing Ke’er’s strength, she knew Ke’er’s strength was extraordinary, and still, she did not expect this. She shifted her eyes to Duan Ling Tian as she thought to herself, ‘Does this mean she’s stronger than Brother Ling Tian?’

Duan Ling Tian who was standing in the distance still had a difficult time believing what had happened. ‘Is she really Ke’er?’ He felt this person who was once so familiar had become foreign and alien to him. It was as though he was seeing her for the first time. However, when he saw the love and tenderness in her eyes, he quickly regained his senses. ‘No matter what, she’s still my Ke’er. However, I wonder how she became so strong?’ He was relieved to see that nothing had changed apart from the increase in her strength.

Duan Ling Tian continued thinking to himself, ‘Being able to kill two Nine Tribulation Bodiless Celestials who were wielding Celestial Supreme Treasures so quickly with just one move, perhaps, her strength is now comparable to a Golden Celestial from a Devata Realm...’

Duan Ling Tian had gained a basic understanding of Celestial ranking in Devata Realms after entering the heaven-rank treasure vaults in the Beyond Heaven Secret Zone. Once ordinary Celestials, or Eminent Celestials, ascended to a Devata Realm, they would be called Heaven Celestials. The strength of Heaven Celestials was stronger than Three Tribulation Bodiless Celestials in the mundane realms. Above the Heaven Celestials were the Golden Celestials. Needless to say, Great Overarching Golden Celestials were

way above Golden Celestials. For Ke'er to kill two Nine Tribulation Bodiless Celestials so easily, her strength had to be comparable to a Golden Celestial!

Although Duan Lingtian had learned about Ke'er's incredible strength from Feng Tianwu and the others, this was still beyond his expectation. If he did not witness this with his own eyes, he would have a hard time accepting or believing it.

"Sister Ke'er..." Even Feng Tian Wu had witnessed Ke'er's strength in the location of the inheritance from a Great Overarching Golden Celestial was shocked by the extent of Ke'er's power.

Naturally, Mu Yi Yi and Gan Ru Yan were equally as shocked. After all, two Nine Tribulation Bodiless Celestials, who were considered the strongest in mundane realms, had been easily killed by Ke'er.

Chapter 2477 Leaving

Whoosh!

Under everyone's watchful eyes, Ke'Er vanished. When she reappeared, she was already standing by Duan Ling Tian's side. She moved her delicate hands and held onto Duan Ling Tian's arm as she hugged him, looking extremely happy.

The onlookers who had personally witnessed Ke'er effortlessly killing the two Nine Tribulation Bodiless Celestials found it hard to accept her change in behavior. She was behaving so meekly in front of a man. They shifted their attention to Duan Ling Tian. He had become the focus of everyone's attention due to his wife, Ke'er.

"Duan Ling Tian..."

"Duan Ling Tian is already freakishly strong, how's it possible that the beauty by his side is so strong as well?"

"His woman is obviously stronger than him. I wonder what he has to offer that a peerless beauty like her chose to be with him."

"This lady is most likely a Celestial from a Devata Realm. Otherwise, it's impossible for her to be so strong!"

"Could she be the reason why Duan Ling Tian possesses strength comparable to a Nine Tribulation Bodiless Celestial despite being an Eminent Celestial?"

"That's possible."

The onlookers could not help but discuss among themselves. The younger men were filled with jealousy, envy, and resentment when they looked at Duan Ling Tian.

"Ke'er..." Duan Ling Tian knew Ke'er was still the same person he knew even though her strength had improved tremendously.

"Brother Tian." Ke'er leaned on Duan Ling Tian's shoulder. When she looked at Duan Ling Tian, her eyes were filled with so much love as though he was the only one in her world.

The onlookers had a hard time believing this was the same person who had killed two Nine Tribulation Bodiless Celestials earlier.

“Ke’er, are you hiding something from me?” Duan Ling Tian asked gently as he patted Ke’er’s head as though no one was present. He had a strong feeling it was not easy for Ke’er to obtain this level of strength. It was likely not as simple as she had made it out to be.

Ke’er stiffened slightly when she heard Duan Ling Tian’s question. In the end, she revealed the truth to Duan Ling Tian since she could not bring herself to lie to him.

“Burning the soul...” Although Ke’er had spoken about it lightly, Duan Ling Tian felt his heart ache. He knew how painful it was to burn one’s soul. He hugged her tightly when he found out about the grueling process of her obtaining her strength. He asked in a trembling voice, “Why are you so silly? What if something happens to you? What’s going to happen to Si Ling and me at that time?”

“Brother Tian, it’s not dangerous... I’m not so foolish as to give up on you and Si Ling just to increase my strength. The pain was bearable so I...”

Duan Ling Tian interrupted Ke’er before she finished speaking. “No! Y-you... Why didn’t you tell me? I would never allow you to do it if I had known!”

“I-I just want to be stronger so I can help you. I don’t want to be useless, and I don’t want to be a damsel in distress who has to be saved,” Ke’er said softly in response to Duan Ling Tian’s domineering words.

“Don’t say that! You’re not useless! We won’t have Si Ling without you. Moreover, I won’t be here today if it’s not because of you. I only pursue strength to protect you and our family,” Duan Ling Tian said, slightly agitated. He was slightly angry when he heard Ke’er words that were filled with self-doubts.

“Brother Tian, I-I was wrong...” Although Ke’er was stronger than Duan Ling Tian, she still acted like a delicate young girl in front of Duan Ling Tian. Upon hearing the slight anger in his voice, she instantly became anxious.

“Silly girl...” Looking at how meek Ke’er was, Duan Ling Tian’s anger faded away. Moreover, she had done this for his sake. If it were not for Ke’er, let alone Feng Tian Wu, Han Xue Nai, and the others, even he would have died today. He tightened his hold on her as though he wished to be one with her so they could stay together forever. “Silly, silly girl...”

“Brother Tian...” Ke’er returned Duan Ling Tian’s hug.

At this moment, the loving couple displayed their affections for each other as though there was no one present on the scene. Nobody dared to make a sound. They only watched silently, afraid of disturbing the couple. Who knew if the couple would kill them if they were displeased?

Some members from the Kraken Python Sect and Power Saint Sect were looking at the affectionate couple with hate-filled eyes. Even then, none of them dared to make a move. They would only be seeking deaths if they made a move. After all, that woman had effortlessly killed two Nine Tribulation Bodiless Celestials!

No one noticed Gan Ru Yan who was standing at the distance. At this moment, her eyes flashed with jealousy as she looked at her sister, Ke'er. In the past, she had only felt envious of her sister. However, after being reproached by Duan Ling Tian when they came out from the location of the inheritance from a Great Overarching Golden Celestial, twisted jealousy began to raise its head in her heart. She thought to herself, unresigned, 'We have the same parents, and we're twins. Why is her life so much better than mine? Why is our fate so different?' Although she was extremely jealous now, she was not driven to do anything extreme. As it was, she did not even dare to show her jealousy in front of others.

After some time, Han Xue Nai finally spoke up, "Brother Ling Tian, Sister Ke'er, it's... We're still here... More importantly, can I have Sister Ke'er back now, Brother Ling Tian?"

As soon as Han Xue Nai spoke, Ke'er who was blissfully unaware earlier, turned red. Then, she shyly extricated herself from Duan Ling Tian's arms.

Duan Ling Tian felt slightly unwilling to let Ke'er out of his arms. He said teasingly, "Xue Nai, you want to ask Ke'er about the method she used to rapidly increase her strength, right?" He knew he had gotten too caught up in the moment earlier and had unconsciously put on a show for everyone to watch.

Han Xue Nai laughed in embarrassment when Duan Ling Tian exposed her thoughts.

Ke'er felt embarrassed when she sensed the looks from Feng Tian Wu, Mu Yi Yi, and Gan Ru Yan. She quickly left Duan Ling Tian's side and moved to Han Xue Nai. Since Duan Ling Tian treated Han Xue Nai like his younger sister, she also treated her the same way. She could not help but blush. She did not care about the onlookers' opinion, but these were people she knew.

Duan Ling Tian who was also feeling discomfited by everyone's stare quickly said, "Alright, we should leave now."

Under everyone's watchful eyes, Duan Ling Tian and his companions left. People from Kun Mang Sect and Power Saint Sect heaved a sigh of relief when they saw this. After all, they were worried Duan Ling Tian would kill them for their ancestors' actions. However, it seemed like they were overthinking.

'I can't believe I saw a cultivator who's stronger than a Nine Tribulation Bodiless Celestial in the Beyond Heaven Secret Zone! Based on her strength, she has to be a true Celestial. Moreover, she's probably a Golden Celestial,' a knowledgeable Eight Tribulation Bodiless Celestial thought to himself.

Chapter 2478 Disheveled Nangong Brothers

"What?! The Devil Clans have invaded the Upper Province of the Dao Martial Saint Land as well?" Not long after they left the location of the inheritance from a Great Overarching Golden Celestial, Duan Ling Tian learned from Ke'er that the Devil Clans from the Land of Exile who had invaded the Lower Province had invaded the Upper Province as well. He paled instantly.

Duan Ling Tian thought to himself, 'The situation in the Saint Province Realm has worsened. I wonder if father, mother, Little Fe'er, and the others have left the Lower Province for the Upper Province? Actually, it would be better for them to remain in the Lower Province. It's relatively safer there. If they've gone to the Upper Province...' He forcefully stopped his train of thoughts that frightened him. 'I must return to the Saint Province Realm!'

Since the inheritance from a Great Overarching Golden Celestial had been claimed, there was nothing he wanted left in the Beyond Heaven Secret Zone. Hence, he did not plan to stay in the Beyond Heaven Secret Zone any longer. After learning the Devil Clans had invaded the Upper Province, he was even more eager to return to the Saint Province Realm.

Duan Ling Tian looked at everyone and said, "I'm planning to return to the Saint Province Realm!" His words were directed to Mu Yi Yi and Gan Ru Yan because he knew apart from these two, the others would follow him without any hesitation.

Just as expected, Han Xue Nai instantly said, "If Brother Ling Tian wants to go back, then, let's go."

"I'll follow you wherever you go, master," Chen Yi Ru said.

Zhang Yi said with a faint smile on his face, "Earlier, we had agreed on going to the Saint Province Realm before visiting Yan Huang Realm... We're just moving the schedule slightly up ahead."

Previously, Duan Ling Tian had already told Zhang Yi he would have to return to the Saint Province Realm first before visiting Yan Huang Realm. Therefore, Zhang Yi was not surprised by Duan Ling Tian's decision.

Duan Ling Tian intended to return to the Saint Province Realm to take care of the loose ends there. He could visit Yan Huang Realm, where he was from in his past life, with peace of mind after doing that.

Ke'er and Feng Tian Wu remained silent. There was no need for them to say anything. They would go wherever Duan Ling Tian went.

Mu Yi Yi looked at Ke'er and said, "Alright, let's return. After all, senior sister-in-law has already helped me obtain a Celestial Supreme Treasure."

When they were in the location of the inheritance from a Great Overarching Golden Celestial, Mu Yi Yi had obtained a Celestial Supreme Treasure that was incredibly suited for her with Ke'er help. Therefore, she was extremely satisfied.

"Let's return," Gan Ru Yan said curtly.

Seeing no objections, Duan Ling Tian brought everyone to the point of entrance and exit for the Saint Province Realm in the Beyond Heaven Secret Zone. "In that case, we'll return now!"

Since their group was quite big, it was inevitable that they would catch people's attention. There were some fools who intended to try their luck by attempting to rob them. It had to be said that these people were extremely unlucky. They were unaware that the people they intended to attack was the strongest group of people in the entire Beyond Heaven Secret Zone. Apart from having someone whose strength was comparable to a Nine Tribulation Bodiless Celestial, they also had someone whose strength was comparable to a Golden Celestial in the Devata Realms.

Among these groups of unlucky people, some of them had managed to obtain Celestial Supreme Treasures in the Beyond Heaven Secret Zone. For this reason, Duan Ling Tian and his companions gained many more Celestial Supreme Treasures. It was unexpected, but not unwelcomed.

“We’re here!” After traveling for a while, Duan Ling Tian and his companions finally reached the point of entrance and exit to the Saint Province Realm in the Beyond Heaven Secret Zone.

Similar to when they entered, the exit was a black hole in the air that seemed capable of devouring everything.

“Let’s go home!” Duan Ling Tian called out to the others before he held Ke’er’s hand. He took the lead to approach the black hole when suddenly a commotion rang in the air.

Whoosh! Whoosh!

Two distinct sounds of wind howling in the air rang loudly. It was clear that it was heading in their direction.

Duan Ling Tian and Ke’er instantly came to a halt and looked in the direction of the noise.

It did not take long before Feng Tian Wu, Han Xue Nai, and the others also turned to look.

In the distance, they saw two disheveled figures heading toward them at an extremely fast speed. It seemed like they were in a hurry. Their speed was comparable to an Eminent Celestial.

‘Nangong Chen? Nangong Yi?’ Duan Ling Tian raised an eyebrow as Ke’er eyes lit up. Both of them were the first to identify the two figures who were heading their way.

The disheveled figures were none other than the current successors of the Didymus Progeny, the Sixth Absolute of the Seven Absolutes Sect. At this moment, it seemed as though they were both running for their lives based on their hurried speed.

‘They improved so much? What did they encounter in the Beyond Heaven Secret Zone?’ Duan Ling Tian was surprised by the Nangong twins’ improvement. He even forgot about their disheveled state.

At this moment, Ke’er pointed out to Duan Ling Tian, “Their boots are Celestial Supreme Treasures.”

“Celestial Supreme Treasures?” Upon hearing this, Duan Ling Tian turned to look at the boots on the Nangong twins’ feet. He instantly sensed how remarkable the boots were. Indeed, they were Celestial Supreme Treasures.

The boots Nangong Chen wore were embroidered with life-like divine dragons while Nangong Yi’s boots were embroidered with equally life-like phoenixes.

After a moment, Chen Yi Ru exclaimed, “It’s Nangong Chen and Nangong Yi!”

“Nangong Chen and Nangong Yi!” At this moment, Feng Tian Wu, Han Xue Nai, and the others had finally recognized the two figures in the distance.

“Both of them are alive...” Han Xue Nai heaved a sigh of relief when she saw the Nangong twins alive and well. After spending a few years in the Beyond Heaven Secret Zone, she was aware of how dangerous this place was. It must have been tough for the Nangong twins as well. Moreover, they were both weaker than she was. “Eh! Their speed is incredibly fast!”

It did not take long before Han Xue Nai and the others noticed the Nangong twins' speed. Their speed was so fast that they had trouble catching their movements even though their cultivation bases were at the Eight and Ninth Form of the Saint Celestial Stage.

Chen Yi Ru explained, "Their current speed is equivalent to an ordinary Eminent Celestial."

"Equivalent to an Eminent Celestial?" Han Xue Nai and the others were shocked when they heard Chen Yi Ru's words even though they did not doubt him.

"How's it possible?!" Han Xue Nai cried out, "Both of them were only at the Seventh Form of the Saint Celestial Stage when they entered the Beyond Heaven Secret Zone... How are they moving so quickly?!"

"That... I'm not sure as well." Chen Yi Ru extended his Divine Consciousness and quickly discovered the Nangong twins' cultivation bases were still at the Seventh Form of the Saint Celestial Stage. He could not help but doubt himself. "I've checked using my Divine Consciousness, they're clearly still at the Seventh Form of the Saint Celestial Stage. Their speed is comparable to an Eminent Celestial even though they're still at the Seventh Form of the Saint Celestial Stage..."

Han Xue Nai and the others were puzzled.

"Both of them have a movement-type Celestial Supreme Treasure." Duan Ling Tian's voice rang out in a timely manner, causing everyone to turn to look at him in unison.

At this moment, the Nangong twins finally arrived before them.

"Duan Ling Tian? A-all of you are here?" The Nangong twins were surprised to see Duan Ling Tian and the others. They did not expect this.

"Why are you in such a hurry? I don't see anyone chasing you." Duan Ling Tian looked at the Nangong twins in confusion.

Upon hearing Duan Ling Tian's words, the Nangong twins shuddered in fear and their expressions changed drastically. They said urgently, "Duan Ling Tian! Hurry! Let's return to the Saint Province Realm!" They quickly moved toward the black hole, clearly eager to return to the Saint Province Realm.

Duan Ling Tian and Ke'er blocked their path instantly.

Duan Ling Tian asked with a frown, "What's happening?"

Nangong Yi said urgently, "Duan Ling Tian, let's talk when we're in the Saint Province Realm... If we don't leave now, it's going to be too late!"

Although Nangong Chen remained silent and did not lose his composure like Nangong Yi, a hint of anxiety could still be seen on his face as though they had encountered something truly terrifying.

Whoosh!

As soon as Nangong Yi finished speaking, a powerful Divine Consciousness from the distance shrouded the entire place in just a blink of an eye.

At the same time, colors drained from the Nangong twins' faces.

"We're doomed!"

2479 Anxious and Doubtful

"This Divine Consciousness..." Duan Ling Tian frowned as colors drained from the faces of the Nangong twins. Duan Ling Tian had already discovered the Divine Consciousness belonged to someone who was at or above the Seven Tribulation Bodiless Celestial.

Ke'er said promptly, "It's the Divine Consciousness of an Eight Tribulation Bodiless Celestial." She turned to Duan Ling Tian and asked softly, "Brother Tian, should I warn him off?"

"No need." Upon learning the Divine Consciousness belonged to an Eight Tribulation Bodiless Celestial, Duan Ling Tian narrowed his eyes and said indifferently, "I'd like to see this Eight Tribulation Bodiless Celestial who dares to target the members of my Seven Absolutes Sect!" Killing intent surged from his body as his eyes flashed viciously.

"Ah?" Although Duan Ling Tian and Ke'er were not conversing loudly, everyone heard their conversation due to the silence. The Nangong twins were, naturally, surprised by their conversation. They were already surprised when Ke'er accurately determined the cultivation base of that person hot on their trails. They were even more shocked when they saw Duan Ling Tian's indifference. Based on Duan Ling Tian's attitude, he did not seem afraid of the Eight Tribulation Bodiless Celestial?

'Is it possible that Duan Ling Tian has obtained the inheritance from a Great Overarching Golden Celestial?' This thought appeared simultaneously in the Nangong twins' minds when they saw how confident Duan Ling Tian was.

After arriving at the Beyond Heaven Secret Zone and speaking to those people from the other four large mundane realms, they had also learned about Feng Qing Yang. They knew that he was able to kill Eight Tribulation Bodiless Celestials and had strength comparable to Nine Tribulation Bodiless Celestial after obtaining the inheritance from a Great Overarching Golden Celestial.

"Tell me what happened?" Duan Ling Tian asked once the anxiety on the Nangong twins' faces disappeared.

"So..." Nangong Yi who had thought Duan Ling Tian had obtained the inheritance from a Great Overarching Golden Celestial sighed inwardly and recounted everything that had happened.

A few days ago, the Nangong twins encountered two groups of people fighting for a Celestial Supreme Treasures in an earth-rank treasure vault. They stayed back and watched, and the results were surprising. Both groups fought with all their might. In the end, only a few cultivators at the Eighth Form of the Saint Celestial Stage survived, even then, they were severely injured. At that moment, the Nangong twins made up their minds decisively and snatched the Celestial Supreme Treasures. It was the two pairs of boots on their feet.

Duan Ling Tian said with a slight surprise, "Both of you are quite lucky... You benefited from the situation and managed to obtain two Celestial Supreme Treasures. All of us have been to earth-rank treasure vaults, but they all only contained one Celestial Supreme Treasure respectively.."

“We might be lucky, but we’ve also attracted trouble...” Nangong Yi said with a bitter smile, “At that time, although the remaining cultivators at the Eight Form of the Saint Celestial Stage are severely injured, it would take a long time for us to kill them. Moreover, they had already used their communication jade tokens to call for backups. One of them even said an Eight Tribulation Bodiless Celestial from their sect was nearby. Both of us were afraid and could only think of returning to the Saint Province Realm.” He sighed as he said, “I’m sure you can guess what happened next...”

“Yes.” Duan Ling Tian nodded and smiled faintly. “Regardless, congratulations are still in order. Both of you managed to obtain a Celestial Supreme Treasure each. Moreover, it’s a movement-type Celestial Supreme Treasure.

Movement-type Celestial Supreme Treasures were much harder to refine compared to offensive Celestial Supreme Treasure. Hence, they were much rarer. Elder Huo, the Three-legged Golden Crow, Elder Huo, had told Duan Ling Tian about this. Apart from that, Elder Huo had also told him about the movement-type Celestial Supreme Treasures in the Jade Emperor Heaven. The only one that stayed in Duan Ling Tian’s memory was the movement-type Celestial Supreme Treasure called Wind Fire Wheels that was possessed by Nezha, the son of the Pagoda Bearing Heavenly King Li Jing.

Nangong Yi smiled bitterly as he said, “You can congratulate us if we survive this. Currently, an Eight Tribulation Bodiless Celestial has found us with his Divine Consciousness.”

Duan Ling Tian’s expression was calm as he said indifferently, “Don’t worry. A mere Eight Tribulation Bodiless Celestial isn’t strong enough to snatch your Celestial Supreme Treasures away under my watch!”

As soon as Duan Ling Tian finished speaking, a booming voice rang from the distance, causing the Nangong twins’ expressions to change drastically. “What an arrogant brat!”

Although Duan Ling Tian seemed extremely confident, the Nangong twins who were unaware of Duan Ling Tian’s strength were still affected by the arrival of the seemingly invincible Eight Tribulation Bodiless Celestial.

Whoosh!

The sound of wind howling rang in the air, displaying the speed of the incoming person. Duan Ling Tian and Ke’er were the only ones who could see his movements clearly.

The newcomer was a muscular red-clad old man. When he moved, he seemed like a ball of flames that was capable of destroying in his path. Based on his aura, it seemed like he could be considered as quite strong among Eight Tribulation Bodiless Celestials.

Duan Ling Tian thought to himself, ‘This old man’s aura is slightly weaker than the strongest Eight Tribulation Bodiless Celestial from Mouro Realm whom I killed.’

Whoosh!

A warm breeze blew past, and the red-clad old man arrived in front of Duan Ling Tian and his companions. His red robes fluttered behind him like flames dancing in the wind, making him look as though he was shrouded by fire.

“Lad, I’m truly curious... Who gave you the courage to say that I, an Eight Tribulation Bodiless Celestial, am not strong enough to snatch the Celestial Supreme Treasures under your watch!”

The red-clad old man had a square face, and when he glared, he looked like an angry gorilla. He radiated a cold aura that seemed to cause the surroundings’ temperature to drop.

Faced with the domineering red-clad old man, Duan Ling Tian said calmly, “What? Are you looking down on Eminent Celestials?”

“Hm?” As an Eight Tribulation Bodiless Celestial, the red-clad old man was definitely not a fool. Seeing Duan Ling Tian remained calm at this point, he could not help the doubts that rose in his heart. ‘Why is this brat so calm? What is he hiding?’ The more he thought about it, the more anxious he became, and his self-doubt began to grow. ‘Could he be...’

Soon after, the red-clad old man’s expression changed. As he was looking at Duan Ling Tian, he recalled something. “Are you the boy who obtained the inheritance from a Great Overarching Golden Celestial?” He was aware that the last time the Beyond Heaven Secret Zone opened, the person who managed to obtain the inheritance from a Great Overarching Golden Celestial had killed an Eight Tribulation Bodiless Celestial before he left. He reasoned that since this Eminent Celestial in front of him was clearly unafraid of him, an Eight Tribulation Bodiless Celestial, this purple-clad young man must have obtained the inheritance from a Great Overarching Golden Celestial!

Duan Ling Tian remained silent but Nangong Yi scoffed. “Well, let me tell you something since you’re smart enough to guess Duan Ling Tian has obtained the inheritance from a Great Overarching Golden Celestial. This person here can also be considered as the disciple of Senior Feng Qing Yang, the person who obtained the inheritance from a Great Overarching Golden Celestial the last time the Beyond Heaven Secret Zone opened!”

The red-clad old man’s expression changed drastically as soon as he heard Nangong Yi’s words.

Feng Qing Yang! The person who claimed the inheritance from a Great Overarching Golden Celestial the last time Beyond Heaven Secret Zone opened.

“Then, this means all of you are from the Saint Province Realm? I assume this must be the point of entrance and exit to the Saint Province Realm in the Beyond Heaven Secret Zone?” The red-clad old man pointed to the black hole in the void.

“That’s right.” Nangong Yi lifted his chin, clearly proud he was from the Saint Province Realm.

At this crucial moment, Duan Ling Tian suddenly chimed in, “I didn’t obtain the inheritance from a Great Overarching Golden Celestial.”

Upon hearing this, Nangong Yi’s smile froze on his face. Even Nangong Chen’s expression changed slightly.

The eyes of the red-clad old man brightened immediately. He was vacillating between leaving or not earlier. 'He didn't obtain the inheritance from a Great Overarching Golden Celestial?'

Seeing the old man's expression, Duan Ling Tian said with a smirk, "What? Do you think I won't be able to stop you just because I didn't obtain the inheritance from a Great Overarching Golden Celestial?"

2480 Back at the Saint Province Realm

Indeed. The red-clad old man thought the purple-clad young man who was an Eminent Celestial would not be a match for him since the purple-clad young man did not obtain the inheritance from a Great Overarching Golden Celestial! However, he was truly confused by the other party's behavior. Was the purple-clad young man bluffing or did he truly possess the strength to defeat him?

Suddenly, the red-clad old man's eyes widened as a thought appeared unbidden in his mind. He looked at Duan Ling Tian warily as he asked, "Wait a second... Are you Duan Ling Tian who killed the Seven Tribulation Bodiless Celestial who possessed a Celestial Supreme Treasure?"

Previously, the red-clad old man had heard the rumor of an Eminent Celestial called Duan Ling Tian who had effortlessly killed a Seven Tribulation Bodiless Celestial who wielded a Celestial Supreme Treasure. However, he had felt skeptical.

'Earlier, one of the twins called him Duan Ling Tian.' The red-clad old man recalled Nangong Yi calling the purple-clad young man Duan Ling Tian. It was not difficult for him to piece the puzzles together. If the rumors were true, it would explain why Duan Ling Tian was not afraid of him. Although he was an Eight Tribulation Bodiless Celestial, he did not own any Celestial Supreme Treasure. This meant his strength was on par with that Seven Tribulation Bodiless Celestial who wielded a Celestial Supreme Treasure.

'Duan Ling Tian managed to kill a Seven Tribulation Bodiless Celestial who owned a Celestial Supreme Treasure?' The Nangong twins were stunned by the red-clad old man's revelation. After all, they had not heard of the rumors.

The Beyond Heaven Secret Zone was vast and people were scattered everywhere. It was not a surprise that the Nangong twins did not hear about it even though the rumors had been running rampant.

"So what if I am and so what if I am not?" Duan Ling Tian answered ambiguously with a faint smile on his face. Killing a Seven Tribulation Bodiless Celestial who owned a Celestial Supreme Treasure? Not too long ago, he had just killed an Eight Tribulation Bodiless Celestial who owned a Celestial Supreme Treasure as well!

The red-clad old man's expression changed upon hearing Duan Ling Tian's words. Regardless, he was still an Eight Tribulation Bodiless Celestial. Since when had an Eminent Celestial dared to treat him in such a callous manner? However, there was nothing he could do at this moment. In the end, he decided not to take the chance and act recklessly. He scoffed and turned around, preparing to take his leave.

"This person sure is smart." Duan Ling Tian raised an eyebrow when he saw the red-clad old man had chosen to retreat. He had planned to kill the red-clad old man if the red-clad man intended to fight. Currently, his strength was already equivalent to a Nine Tribulation Bodiless Celestial. A mere Eight Tribulation Bodiless Celestial was indeed no match for him.

Upon seeing the red-clad old man leaving without a fuss, the Nangong twins were shocked. Duan Ling Tian did not even do anything, but the old-man was frightened into leaving just like that? It was... unexpected and unbelievable to say the least.

“A-are we dreaming?” Nangong Yi asked, stunned, as he looked at Nangong Chen who was standing next to him.

Nangong Chen shook his head to indicate that he was also at a loss. The brothers stared at each other, shocked and confused.

“Hey! Why are both of you in a daze? Both of you are really lucky. Not only did you survive in the Beyond Heaven Secret Zone, but both of you even managed to obtain two Celestial Supreme Treasures,” Han Xue Nai said.

Upon hearing her voice, they finally regained their senses. However, they did not respond to Han Xue Nai and looked at Duan Ling Tian with an expression of surprise and disbelief on their faces.

Eventually, Nangong Yi who could no longer suppress his curiosity asked, “Duan Ling Tian, is the Eight Tribulation Bodiless Celestial telling the truth? Did you really kill a Seven Tribulation Bodiless Celestial who possessed a Celestial Supreme Treasure?”

“Yes.” Duan Ling Tian responded to Nangong Yi’s question with a nod and a smile. To him, Nangong Yi was not only his friend, but he was also a member of the Seven Absolutes Sect. They were not just friends, they were brothers.

“It’s true!” Upon learning the truth, both Nangong Yi and the taciturn Nangong Chen were shocked to their cores. They felt emotional when they recalled the first time they met Duan Ling Tian.

In recent years, after being selected to join the Seven Absolutes Sect, they thought they would finally lessen the gap between them and Duan Ling Tian. However, it seemed like Duan Ling Tian had widened the gap again. They never once doubted Duan Ling Tian’s words since Duan Ling Tian had never lied to them before nor did he have a reason to lie.

When Han Xue Nai saw the shock expressions on the Nangong twins’ faces, she said playfully, “Why are you so easily shocked? It’s just a Seven Tribulation Bodiless Celestial with Celestial Supreme Treasure. Not too long ago, Brother Ling Tian had even killed an Eight Tribulation Bodiless Celestial who owned a Celestial Supreme Treasure.” The excitement was evident on her face when she spoke as though she was the one who had killed the Eight Tribulation Bodiless Celestial who owned a Celestial Supreme Treasure.

Han Xue Nai continued to say, “Moreover, that Eight Tribulation Bodiless Celestial seemed to be the strongest Eight Tribulation Bodiless Celestial in Muoro Realm! But what does it matter? He’s still killed by Brother Ling Tian!”

“What?!” Upon hearing Han Xue Nai’s words, the Nangong twins who had just regained their senses fell into a daze again.

“Duan Ling Tian, this... I-is it true?” Nangong Yi asked as he looked at Duan Ling Tian. It was as though he could only believe it after getting the confirmation from Duan Ling Tian.

Han Xue Nai pouted as she said sulkily, “What? Are you doubting my words?”

“Yes, it’s true.” Duan Ling Tian nodded.

Thus, the Nangong twins were thoroughly shocked again.

“H-how’s that possible? I thought you didn’t obtain the inheritance from a Great Overarching Golden Celestial? How did you get so strong?” Nangong Yi, naturally, did not doubt Duan Ling Tian’s words, he was just very curious.

“It’s a long story. I’ll tell you about it when we have the time.” Duan Ling Tian smiled before he added, “We’re heading back to the Saint Province Realm... If both of you don’t intend on staying here any longer, then, come with us.”

Then, without waiting for Nangong Yi’s response, Duan Ling Tian glanced at Ke’er and said smilingly, “Ke’er, let’s go.”

“Okay.” Ke’Er nodded obediently.

At the same time, Duan Ling Tian also called out to Feng Tian Wu, “Tian Wu.”

With that, three of them flew side by side as they entered the black hole and disappeared from everyone’s sight.

“I suggest both of you return with us. With your strength, it’s a miracle you survived until now and obtained two Celestial Supreme Treasures. If you want to stay alive, it’s best if you leave.”

Han Xue Nai, Mu Yi Yi, Chen Yi Ru, and the others reminded the Nangong twins before they entered the black hole.

In just a blink of an eye, the Nangong twins were the only ones left outside the point of entrance and exit to the Saint Province Realm in the Beyond Heaven Secret Zone.

“We should return.” The Nangong twins looked at each other before flying into the black hole, leaving the Beyond Heaven Secret Zone.

...

In the Saint Province Realm. In a valley hidden in a snowy mountain range in the northern region of the Upper Province of the Dao Martial Saint Land.

Whoosh!

The sound of wind softly blowing rang in the air of the snowy mountain range. Soon after, several figures appeared in the sky like heavenly soldiers.

“We’re back!” After being away for a few years, Duan Ling Tian took a deep breath. Although the Heaven and Earth Spirit Energy could not compare to the Beyond Heaven Secret Zone, this place was still home.

“Si Ling.” Ke’er who was standing next to Duan Ling Tian extended her Divine Consciousness to search for her daughter as soon as she arrived. She discovered her daughter was cultivating but was not in closed-door cultivation. She had only called out to her daughter because her daughter was not in closed-door cultivation. After all, she could have interrupted her daughter’s closed-door cultivation if she called out so suddenly. No matter how much she missed her daughter, she would not have disturbed her daughter if her daughter was in closed-door cultivation.
