

Chapter 2551 The Frustrated Heavenly Wave Mansion

Duan Ling Tian was unaware that his name had spread like a wildfire to the neighboring galaxies of Heavenly Wave Mansion. In fact, it did not seem like it was going to stop anytime soon since it was still spreading without showing any signs of slowing down. It was only natural since his feat was just too amazing and terrifying!

Although there were a few instances of Nine Tribulation Bodiless Celestials being killed before they could ascend to a Devata Realm, their cause of death was their failure to pass the tribulation, and therefore, being struck to death by bolts of lightning. There were very few Nine Tribulation Bodiless Celestials who were killed by another person. Most of those who managed to kill Nine Tribulation Bodiless Celestials were Celestials who had returned to the mundane realms. This had only happened a few times in the history of Yan Huang Realm, it was really rare. Ordinary Celestials were unable to return to mundane realms while Celestials who were capable of going to mundane realms were unwilling to do so since they wanted to avoid being affected by the secular karma in the mundane realms. Therefore, it was extremely rare for a Nine Tribulation Bodiless Celestial to be murdered.

For all these reasons, Duan Ling Tian's feat of killing the Nine Tribulation Bodiless Celestial from the Heavenly Wave Mansion had spread like a wildfire, shocking everyone who had heard it.

Meanwhile, a few people who had returned to Yan Huang Realm from the Beyond Heaven Secret Zone found the techniques the young man had used to kill the Nine Tribulation Bodiless Celestial from Heavenly Wave Mansion familiar.

"Duan Ling Tian? Sword Battle Formation? He's able to snatch Celestial Supreme Treasure from his opponents?"

Soon enough, they found out the young man who had been causing waves recently was a handsome young man who was dressed in purple robes. At that time, they realized this Duan Ling Tian was most likely the same person as the Duan Ling Tian who was also famous in the Beyond Heaven Secret Zone. In the Beyond Heaven Secret Zone, Duan Ling Tian had killed an Eight Tribulation Bodiless Celestial with a Celestial Supreme Treasure when they were outside of a treasure vault left behind by a Great Overarching Golden Celestial. They were, naturally, stunned by his feat again.

"It's really him!"

"I really didn't expect them to be the same person!"

"Why did he come to our Yan Huang Realm?"

"Are you sure it wasn't his female companion who had attacked?" Naturally, this person who had just returned from the Beyond Heaven Secret Zone was referring to Ke'er when he spoke about Duan Ling Tian's female companion, not Tang Xiao Xiao.

"Yes, he was the one who attacked!"

“Heavens! I thought maybe his female companion was the one who killed the Nine Tribulation Bodiless Celestial. Who knew he’s able to accomplish such a feat? I heard the Nine Tribulation Bodiless Celestial from the Heavenly Wave Mansion was killed in just a blink of an eye!”

“I also heard he killed the Nine Tribulation Bodiless Celestial from the Heavenly Wave Mansion after forcefully snatching his opponent’s Celestial Supreme Treasure away!”

“Although he’s just an Eminent Celestial, he’s as powerful as a Nine Tribulation Bodiless Celestial. He even mastered a technique that can snatch away his opponents’ weapons, regardless if it’s a Celestial Supreme Treasure or not. It’s only natural that without a Celestial Supreme Treasure, the Nine Tribulation Bodiless Celestials wouldn’t be able to defeat him who possesses a Celestial Supreme Treasure!”

Duan Ling Tian quickly became a household name in Yan Huang Realm. Many details about him were made known to people. They knew he was not from Yan Huang Realm, but the Saint Province Realm. They also knew he was only an Eminent Celestial and not a Nine Tribulation Bodiless Celestial. Furthermore, he had a companion whom people suspected was his wife. It was said that she had killed two Nine Tribulation Bodiless Celestials without using any Celestial Supreme Treasures in just a blink of an eye. It was said that she had the strength comparable to a Celestial from the Devata Realms.

It was only natural that every cultivator in Yan Huang Realm was shocked when they learned this.

“Heavens! How did such a freak appear?”

“Someone from a small mundane realm possesses such strength even though he’s just an Eminent Celestial. In the history of Yan Huang Realm, I don’t think there’s any Eminent Celestial who’s so powerful!”

“I really didn’t expect him to just be an Eminent Celestial!”

“Didn’t you hear? When he was in the Beyond Heaven Secret Zone, he had a female companion who easily killed two Nine Tribulation Bodiless Celestials?”

“For him to become so powerful even though he’s just an Eminent Celestial, I’m certain it has something to do with his female companion.”

“If I’m not mistaken, the Nine Tribulation Bodiless Celestial from the Heavenly Wave Mansion had cultivated the Soul Congregation Embodiment, right? Even if Duan Ling Tian is as powerful as a Nine Tribulation Bodiless Celestial, he’s still an Eminent Celestial. If he had launched a soul attack, Duan Ling Tian would have died!”

Similar conversations could be heard everywhere in Yan Huang Realm. Soon enough, news of this arrived in the galaxy that was ruled by the Celestial Masters Sect.

“D-Duan Ling Tian killed the Nine Tribulation Bodiless Celestial from the Heavenly Wave Mansion?” Zhang Yi, Duan Ling Tian’s friend whom he had met in the Beyond Heaven Secret Zone, was dumbfounded when he heard this news.

“Zhang Yi, you’re lucky to have a friend like him.” Shi Zhong, the Right Guardian of Celestial Masters Sect, said as his eyes shone with admiration. He was the one who had informed Zhang Yi about Duan Ling Tian’s feat. Although he witnessed Duan Ling Tian killing Zhang Chu He, the Left Guardian of the Celestial Masters Sect, he had thought the limit of Duan Ling Tian’s power was on equal footing with a Nine Tribulation Bodiless Celestial. He did not expect Duan Ling Tian was capable of killing a Nine Tribulation Bodiless Celestial! Moreover, rumor had it that Duan Ling Tian had easily killed the Nine Tribulation Bodiless Celestial in just a blink of an eye!

Shi Zhong thought to himself, ‘The Nine Tribulation Bodiless Celestial from Heavenly Wave Mansion shouldn’t be any weaker than our ancestor in the Celestial Master sect, right?’ He shuddered when he thought about this.

At this time, Zhang Yi nodded and replied, “Yes, I’m very lucky.” He had always felt that it was a stroke of good luck that he was able to be friends with Duan Ling Tian. He knew the old ancestor of the Celestial Masters Sect would pay attention to him now due to Duan Ling Tian. After all, Duan Ling Tian had even said he would visit him. Duan Ling Tian had even said in front of Shi Zhong, the Right Guardian of the Celestial Masters Sect.

Not much time would pass when Zhang Yi’s guess was proven right. Not only did he catch the attention of the old ancestor of Celestial Masters Sect, but he received a lot of help from the sect as well. He was granted access to the Divine Abilities and Celestial Techniques in the sect and could freely master them if he so wished. Naturally, this happened later on.

At this moment, Shi Zhong muttered to himself, perplexed, “However, the rumor said that the Nine Tribulation Bodiless Celestial from the Heavenly Wave Mansion had successfully mastered the Soul Congregation Embodiment. If he had used his soul attack, Duan Ling Tian who’s just an Eminent Celestial would not have been able to withstand such an attack.”

Zhang Yi speculated, “Maybe he didn’t know Duan Ling Tian was only an Eminent Celestial.” As it turned out, he was right.

...

The Heavenly Wave Galaxy. In the Heavenly Wave Mansion’s estate.

The Mansion Master of Heavenly Wave Mansion, Yang Qing Jian, had received all kinds of news about Duan Ling Tian.

“What?! H-he’s only an Eminent Celestial!” Yang Qing Jian almost fainted from anger when he heard about this.

The old ancestor of Heavenly Wave Mansion was a Nine Tribulation Bodiless Celestial who had successfully cultivated the Soul Congregation Embodiment! If they had known that Duan Ling Tian was only an Eminent Celestial, there was no doubt the ancestor of the Heavenly Wave Mansion could have easily killed Duan Ling Tian with a soul attack!

A Nine Tribulation Bodiless Celestial who had come to the Heavenly Wave Mansion to pass this news to Yang Qing Jian said with a forced smile, "Who would have thought that Duan Ling Tian is only an Eminent Celestial at that time?"

Yang Qing Jian, the Mansion Master of the Heavenly Wave Mansion, was not the only one who felt embarrassed and frustrated, all the members felt the same way as well when they finally learned about it.

"I can't believe Duan Ling Tian is only an Eminent Celestial."

"The ancestor had died in vain. He truly died in vain!"

Many people were lamenting about how their ancestor had died in vain. Previously, they had thought Duan Ling Tian was a Nine Tribulation Bodiless Celestial who had mastered a technique that could snatch his opponents' weapons away, helping to kill his opponents. For this reason, although they were angry, they had no choice but to admit that Duan Ling Tian was superior to their ancestor and acknowledged strength.

However, after discovering that Duan Ling Tian was just an Eminent Celestial, they almost threw up blood in anger!

...

Meanwhile, Duan Ling Tian had returned to the Saint Province Realm through the Beyond Heaven Secret Zone with Tang Xiao Xiao in tow. As soon as he arrived, he did not waste time and began to find out about the current situation in the Saint Province Realm. He sighed in relief when he discovered the Devil Clans did not cause any trouble while he was away.

'It's time to drive the Devil Clans back to the Land of Exile...' Duan Ling Tian thought to himself as he hovered in the air above Sin City. Then, he infused his voice with energy so that it would spread far and wide as he said, 'I, Duan Ling Tian, want to duel with the most powerful Devil from the Devil Clans. I'll be waiting 1,000 miles north of Sin City. If no one shows up at that time, I'll exterminate every single Devil on the Saint Province Realm!'

Chapter 2552 Ke'er's Influence

Duan Ling Tian did not speak very loudly, but due to the energy he had infused into his voice, everyone in Sin City, humans and Devils alike, heard him loud and clear.

The entire place fell silent for just a slight moment before the humans broke out in an uproar.

"Duan Ling Tian is making a move! He is finally making a move!"

"There is no difference between him or his wife making a move."

"After Duan Ling Tian's wife killed the dragon clan's patriarch who was a Nine Tribulation Bodiless Celestial, I've been waiting for them to chase the Devil Clans away. Now, they are finally making their moves!"

"The dragon clan's patriarch was a Nine Tribulation Bodiless Celestial, but he didn't attempt to drive the Devil Clans away. I'm certain there are Nine Tribulation Bodiless Celestials in the Devil Clans as well."

“Of course! I heard about it from the Devils!”

“What era is this? Not only are there monstrous prodigies like Duan Ling Tian and his wife, but even the dragon clan and Devil Clans have Nine Tribulation Bodiless Celestials.”

“Duan Ling Tian’s challenging the strongest powerhouse in the Devil Clans? I think he’s only helping his wife to challenge the powerhouse!”

“I agree. I have a friend from the dragon clan. He said Duan Ling Tian wasn’t strong enough to defeat their patriarch. It was his wife who killed the patriarch.”

The people who had heard Duan Ling Tian’s announcement began to discuss among themselves. Most of them thought Duan Ling Tian was only challenging the strongest powerhouse from the Devil Clans on his wife’s behalf. They were certain of this since it was his wife who had killed the patriarch of the dragon clan, not him. How could they know that his wife had already left the Saint Province Realm and would not be returning for at least 1,000 years?

On the other hand, the Devils who had heard Duan Ling Tian’s announcement were shocked. Their expressions changed drastically. They had heard of his wife’s strength, and they knew she had easily killed the patriarch of the dragon clan who was Nine Tribulation Bodiless Celestial. The strongest powerhouses in the Devil Clans were also Nine Tribulation Bodiless Celestials similar to the patriarch of the dragon clan.

“Hells! It’s Duan Ling Tian!”

“This means Duan Ling Tian’s wife will be making a move, right?”

“I’ve always been worried about this. It seems like the day has come.”

Previously, when news spread about Duan Ling Tian’s wife killing the patriarch of the dragon clan, it caused a huge commotion in the Saint Province Realm. Initially, the Devils did not put much stock in the rumors. However, as more evidence was revealed, they had no choice but to believe it! Currently, all the Devils knew there was a cultivator stronger than Nine Tribulation Bodiless Celestials in the Saint Province Realm. Moreover, she was the wife of Duan Ling Tian.

“Since Duan Ling Tian is coming for us, what can we do to defend ourselves?”

“Even the strongest among us is no match for his wife, right?”

The Devil Clans were panicking at this moment. In fact, some of the cowardly Devils had even left for the Exiled Realm that was also known as the Land of Exile to the people in the Saint Province Realm.

Naturally, there were many that stayed back in the Saint Province Realm, they were reluctant to leave. Therefore, they remained hopeful and decided to stay back. Who could blame them? After all, the Saint Province Realm was like heaven compared to the Land of Exile. Not only was the Saint Province Realm rich in Heaven and Spirit Energy, but it also had many types of cultivation resources. Moreover, the top powerhouses in the Devil Clans had no inclination to leave so they could only stay and soldier on.

After a long time had passed, they had forgotten about Duan Ling Tian. However, he appeared out of the blue today with a shocking challenge to the strongest Devil in the Devil Clans. The danger felt almost palpable to them, and they thought it was over for the powerhouse who would have to meet Duan Ling Tian! After all, they knew his wife had easily killed the patriarch of the dragon clan who was a Nine Tribulation Bodiless Celestial.

...

15 days later. Above a peaceful glacier that had been there for 10,000 years. The tranquility of the place was suddenly broken!

Whoosh! Whoosh! Whoosh!

The sound of wind whistling rang in the air. Several swift figures zoomed in from different directions. They were moving so fast that they left void tears in their wake.

Whoosh! Whoosh! Whoosh!

In just a blink of an eye, seven figures appeared in the sky above the glacier. They came to a halt in unison as though they had planned it in advance.

A middle-aged man dressed in a green robe glanced at everyone with a cold expression on his face. He was not putting on any airs, it was just the way he was. His face had always been expressionless, giving him an unapproachable aura. "Did all of you come because of Duan Ling Tian's challenge to Master Wu Ji?"

"Yes."

"That's correct."

"That's right."

The six remaining figures nodded in assent.

Bang!

Soon after, a loud explosion rang from beneath them. Following that, they saw the glacier beneath them seemed to have cracked. Many terrifying cracks rapidly spread all over the place.

Boom!

It did not take long before another explosion sounded and the glacier broke into pieces and sank into the cold water, creating splashes.

"What brought all of you here?" A cold voice that seemed to resound from all directions rang in the air at this moment, making it difficult for one to determine where the speaker was.

Seven of them trembled slightly when they heard the voice. They quickly bowed respectfully as soon as they saw an old man who seemed to have appeared out of thin air.

"Master Wu Ji!"

If other Devils were here, they would be shocked to see these seven Devils acting so deferentially. After all, these seven Devils had high positions in the Devil Clans! All of them were Eight Tribulation Bodiless Celestials! How could the others not feel shocked if they saw seven Eight Tribulation Bodiless Celestials bowing respectfully at an old man!

The old man had a medium build. His appearance was so ordinary that one would have a hard time picking him out from a sea of people. Despite that, he commanded such respect from the Devil Clans' Eight Tribulation Bodiless Celestials. Based on this, it was easy to tell that the old man was the only Nine Tribulation Bodiless Celestial in the Devil Clans!

"Duan Ling Tian wants to fight with me in half a month's time?" The indifferent expression on Wu Ji's, the old man, face darkened instantly when he learned about the challenge Duan Ling Tian had issued. The old man stared at the seven Devils intently before he asked in a deep voice, "Did he say I'll be fighting him or his wife?" This was an important question. There was a huge difference between fighting Duan Ling Tian and fighting Duan Ling Tian's wife.

Wu Ji was, naturally, aware of what had happened in the dragon clan's estate back then. He had learned that Duan Ling Tian's strength was on par with Nine Tribulation Bodiless Celestial. Even if Duan Ling Tian unleashed all his strength, he still could not defeat a Nine Tribulation Bodiless Celestial. It was his wife who had easily killed the patriarch of the dragon clan!

If Wu Ji were to fight Duan Ling Tian, he was confident the fight would end in a draw. After all, his strength was evenly-matched with the patriarch of the dragon clan. However, if he were to fight with Duan Ling Tian's wife, he did not think he would stand a chance to win at all. After all, even the patriarch of the dragon clan who was as strong as him had been killed by her in just a blink of an eye!

"He only said he wants to fight you, Master Wu Ji. He did not say if his wife will be fighting in his place," one of the Eight Tribulation Bodiless Celestials said as the others nodded.

Wu Ji, the old man, looked at them and asked, "What do all of you think about this?"

Although Wu Ji, a Nine Tribulation Bodiless Celestial, was the strongest powerhouse in the Devil Clans, he usually did not interfere in the clans' matters. He only focused on his cultivation as he waited for the tenth Bodiless Celestial Tribulation. He would only assist when the Devil Clans needed help. To him, there was no difference between staying in the Saint Province Realm or the Exiled Realm.

"We're at a loss as well. It all depends on you, Master Wu Ji. It'll be a huge risk for you if you accept the challenge and Duan Ling Tian's wife ends up being the challenger," another Eight Tribulation Bodiless Celestial from the Devil Clans added.

"Yes." Another Eight Tribulation Bodiless Celestial agreed. "You'll put yourself in danger if you accept the challenge. I can't speak for the others, but I don't think you should accept the challenge. You're the backbone of the Devil Clans, we can't afford to lose you!"

Chapter 2553 The Day of the Battle has Arrived!

Time flew by quickly. In just a blink of an eye, another half a month had passed.

The highly-anticipated day, the day of the battle, had finally arrived.

In the central region, thousands of miles north of Sin City, a large group of humans and devils gathered. Generally, with such a big group of humans and devils together at the same place, there would have been a bloodbath. However, as though they had come to an agreement beforehand, both groups stood at opposing sides peacefully.

Whoosh! Whoosh! Whoosh!

The sound of wind whistling rang in the air as more and more humans and Devils arrived. As soon as they arrived, they would stand with their respective faction. They stood at opposing sides as though they were troops of armies, poised for battle.

Time passed silently. When mid-day arrived, there were fewer and fewer people who were coming. However, the existing crowd was already extremely huge. With just a glance, a sea of heads packed tightly together like tunas in cans could be seen.

“Why isn’t he here yet?”

“Why are you so anxious? Duan Ling Tian said he’ll be here, but he didn’t state the time. It’s only noon now. Just wait patiently.”

“That’s right! Don’t tell me you’re afraid he won’t show up? Don’t forget, he’s the one who issued the challenge!”

“I heard that Duan Ling Tian is as strong as a Nine Tribulation Bodiless Celestial. Even if he can’t thoroughly defeat the Devil Clan’s Nine Tribulation Bodiless Celestial, the same could be said for his opponent as well.”

“I agree. The Devil Clans’ Nine Tribulation Bodiless Celestial is, at most, on par with Duan Ling Tian.”

The humans discussed among themselves. Unsurprisingly, their conversation revolved around today’s protagonist, Duan Ling Tian. The incident in the dragon clan had spread far and wide in the Upper Province. Therefore, most of them knew Duan Ling Tian was as strong as a Nine Tribulation Bodiless Celestial.

Someone scoffed. “So what if Duan Ling Tian’s strength is only comparable to a Nine Tribulation Bodiless Celestial? Don’t forget about his wife! She’s capable of easily killing a Nine Tribulation Bodiless Celestial!” Many people around him heard his words.

“That is right! Duan Ling Tian’s wife is capable of easily killing Nine Tribulation Bodiless Celestials. If she intervenes, there’s no doubt the Devil Clan’s Nine Tribulation Bodiless Celestial will die!”

“I’m more worried that the Devil Clan’s patriarch is going to be a no-show. After all, I’m sure he’s aware of Duan Ling Tian’s wife’s strength.”

“If the Nine Tribulation Bodiless Celestials from the Devil Clans doesn’t show up, not only would it be a humiliation to the Devil Clans, but his absence would also bring calamity to the Devil Clans. After all, Duan Ling Tian had said that if the strongest person from the Devil Clans is a no-show, he’ll kill everyone in the Devil Clans!”

“Wow! His words are truly domineering!”

As the humans discussed this, they could not help but feel a sense of pride. After all, Duan Ling Tian was human, he was one of their own. Moreover, he was their only hope to save the humans and drive the Devil Clans back to the Land of Exile or kill them!

“However, I truly didn’t expect that Duan Ling Tian who began to rise to fame in the Fire Worship Sect could reach such heights.”

“Yes. He’s merely a lad from the Lower Province. His previous achievements were already shocking enough. It seems like all of us had underestimated him.”

“Who would have known that a lad from the Lower Province who isn’t even 100 years old is capable of such incredible feats?”

“No matter what it is, we humans are lucky to have him on our side!”

“Indeed.”

“He would definitely go down in history if he manages to drive the Devil Clans back to the Land of Exile. He would become a legendary figure like Sword Saint Feng Qing Yang!”

“No! If he manages to drive the Devil Clans away, I think he’ll be even more legendary than Sword Saint Feng Qing Yang. After all, he would be contributing greatly to mankind!”

“Yes. In terms of contribution to mankind, Senior Feng Qing Yang definitely can’t compare to Duan Ling Tian.”

At this moment, many people were already imagining the scene where Duan Ling Tian and his wife chased the Devil Clans back to the Land of Exile.

Contrary to the humans, a cloud of gloom and silence seemed to hang over the Devils. All of the Devils wore a grim expression on their face.

An Ox-devil asked the Devils in his surroundings, “Do you think our Nine Tribulation Bodiless Celestial will come?”

“I can’t say for sure...”

“If I were him, I definitely wouldn’t come. After all, he might fight to a draw with Duan Ling Tian, but there’s no doubt Duan Ling Tian’s wife would be able to easily kill him!”

“It’s only natural if he doesn’t show up. After all, coming here like a suicide mission.”

“Regardless, I really hope he’ll show up. Otherwise, we’ll probably have to bear the brunt of Duan Ling Tian’s anger!”

“Me too. I decided to stay in the Saint Province Realm instead of returning to the Exiled Land because I hope the Nine Tribulation Bodiless Celestial from our Devil Clans will show up. Apart from that, if the Nine Tribulation Bodiless Celestial doesn’t show up, I don’t think Duan Ling Tian would leave us in peace even if we return to the Exiled Realm.”

“Yes. With Duan Ling Tian and his wife’s strength, we won’t be able to live if they intend to kill us. It doesn’t matter if we’re in the Saint Province Realm or the Exiled Realm!”

Although most Devils did not hold high hopes of their Nine Tribulation Bodiless Celestial showing up, all of them still stubbornly held onto hope. They hoped the Nine Tribulation Bodiless Celestial, the strongest powerhouse in the Devil Clans, would step out and protect them! Naturally, fear was mixed with their hopes as well. They were deeply worried that the Nine Tribulation Bodiless Celestial from their Devil Clans would not show up.

However, strangely, there was a group of Devils who seemed to be at ease, looking not the slightest bit worried. These Devils were from the Human-devil clan.

‘He should be here soon, right?’ Huang Qi Ling thought to himself. He was filled with anticipation at this moment. He was the only friend Duan Ling Tian had made in the Wandering Saint Palace.

“It’s a pity Sister Wen Jing decided not to come.” Huang Qi Ling could not help but sigh when he thought about that woman who refused to come. He knew her reason for this. After all, Duan Ling Tian certainly would not come alone. His wife would most likely be with him as well.

“Eh, master is here as well?”

Yuwen Haochen, the Palace Master of the Wandering Saint Palace, had arrived as well. Similarly, his eyes were filled with anticipation of his master’s, Duan Ling Tian, arrival.

Apart from that, there were quite a number of people from the Human-devil clan’s Three Palaces and Six Halls who were present on the scene as well.

At this moment, someone suddenly shouted, “He’s here!” This person’s voice drowned out all the chatters from the humans and Devils in the surroundings.

Everyone fell silent immediately, their hearts beating in trepidation. Who was it? Who had come?

Whoosh! Whoosh! Whoosh!

The sounds of wind whistling in the air rang and everyone turned to look in the direction of the sound that came from the north.

Several figures flew at an exaggerated speed. Due to their speed, only a few Bodiless Celestials could vaguely catch the figures’ movements.

Soon after, a Seven Tribulation Bodiless Celestials from the Devil Clans cried out in delight, “It’s Master Wu Ji! Master Wu Ji has come!”

“Master Wu Ji!” Another Seven Tribulation Bodiless Celestial from the Devil Clans exclaimed excitedly as well.

“Master Wu Ji?” There were also many Devils who were confused when they heard this. However, they quickly learned who Wu Ji was from Devils who were in the know.

“Master Wu Ji is the Nine Tribulation Bodiless Celestial from the Devil Clans!”

“H-he came?”

“I knew it! The Devil Clans are not cowardly. We’re all heroes. We will not hide and cower!”

Whoosh! Whoosh! Whoosh!

Eight figures appeared out of thin air like ghosts in front of everyone. They stood in the space between the humans and the Devils. They were led by an old man.

The old man who had a medium build and an ordinary appearance was currently the focus of everyone’s attention.

Upon seeing this old man, the humans who were confident in Duan Ling Tian and his wife’s strength still could not help but feel wary and afraid. After all, Duan Ling Tian had yet to arrive. They would surely die if the old man decided to vent his anger on them now.

“Where’s Duan Ling Tian?”

“I hope the Devil Clan’s Nine Tribulation Bodiless Celestial won’t vent his anger on us because of Duan Ling Tian’s challenge.”

“Duan Ling Tian, hurry up!”

At this time, it was high-noon. The humans were beginning to feel anxious since Duan Ling Tian had yet to arrive.

Chapter 2554 She Is Not Your Wife?!

“Master Wu Ji!”

“Master Wu Ji!”

The humans were feeling anxious at this moment while all the Devils present on the scene bowed respectfully at the old man who had just arrived, leading a group of eight people. For most of the Devils, this was their first time meeting the old man. Regardless, all of them saluted and greeted him when he arrived.

Although Wu Ji was a Nine Tribulation Bodiless Celestial, it had to be said that he was very courageous for coming here. After all, not only was he about to face Duan Ling Tian, but he would be facing Duan Ling Tian’s wife who was extremely strong as well!

“Master Wu Ji!”

“Master Wu Ji!”

All the commotion from the Devils caused the humans to feel even more anxious. They were afraid this Nine Tribulation Bodiless Celestial from the Devil Clans would indiscriminately kill them to vent his anger.

Suddenly, someone among the humans cried out, “He’s here! Duan Ling Tian’s here!”

All of the humans’ eyes brightened when they heard this. They began to look around their surroundings, hoping to catch a glimpse of Duan Ling Tian.

“There he is!”

“I see him! It’s Duan Ling Tian!”

Soon enough, the humans could see two figures coming from the west. One of them was a purple-clad young man. He had a good build, and he had a handsome appearance. Everyone was no stranger to this person. More than 90% of them had seen the portrait of this man.

A joyous and excited expression could be seen on the humans’ faces as they looked at Duan Ling Tian. Soon after, they shifted their attention to the beautiful woman next to Duan Ling Tian. They thought this must be the woman who had easily killed a Nine Tribulation Bodiless Celestial.

“Duan Ling Tian!”

“Is that Duan Ling Tian’s wife?”

“Of course! There’s only one woman beside him... Who else could it be?”

However, was that woman really Duan Ling Tian’s wife? Of course not.

Ke’er, Duan Ling Tian’s wife, the person who was capable of easily killing a Nine Tribulation Bodiless Celestial was no longer in the Saint Province Realm. In fact, she was not even in any Devata Realms. Currently, she was stuck in the Divine Offering Land. She would not be able to leave within 1,000 years.

“I’ve long heard from the dragon clan’s members that Duan Ling Tian’s wife is a peerless beauty. After seeing her, it seems like the rumors are true!”

“Indeed. Her beauty is peerless!”

“Such a beautiful lady. I’m afraid only a monstrous freak like Duan Ling Tian is worthy of her!”

“Well, that’s only in the Upper Province of the Dao Martial Saint’s Land.”

The humans discussed among themselves as they stared at the woman next to Duan Ling Tian. Clearly, they had mistaken her for Ke’er, Duan Ling Tian’s wife. Although the woman next to him was extremely beautiful, she was not his wife. She was Tang Xiao Xiao who had followed him here from Yan Huang Realm.

Whoosh! Whoosh!

Duan Ling Tian and Tang Xiao Xiao who were traveling side by side arrived near the humans and Devils in just a blink of an eye.

‘Is he the Devil Clans’ Nine Tribulation Bodiless Celestial?’ Duan Ling Tian’s eyes fell on the person leading a group of eight people. It was not difficult for him to guess the other person’s identity. Moreover, the discussions in his surroundings gave away the old man’s identity as well.

Duan Ling Tian and Tang Xiao Xiao quickly moved to stand in the space between the humans and the Devils.

“You’re Duan Ling Tian?” The strongest Devil in the Devil Clans, the only Nine Tribulation Bodiless Celestial in the clan, had been looking at Duan Ling Tian from the moment Duan Ling Tian had arrived until now.

“Yes,” Duan Ling Tian replied indifferently with a nod.

“You issued a challenge to me a month ago. However, up until now, I still don’t know if I’ll be fighting you or your wife?” The old man said without beating around the bush as he glanced at Tang Xiao Xiao who was standing next to Duan Ling Tian. He did not dare to stare at her for too long, afraid that it would incur Duan Ling Tian and his wife’s anger. After all, he was aware that he was no match for Duan Ling Tian’s wife!

Before coming over, Wu Ji had a discussion with the seven Eight Tribulation Bodiless Celestials from the Devil Clans who were standing behind him. If Duan Ling Tian was his opponent, he would fight him. It would be fine even if the result was a draw. However, if his wife was his opponent, he would surrender immediately and promise to bring the Devil Clans away from the Saint Province Realm, back to the Exiled Realm. By doing this, he might be able to live and avert the crisis that might hit the Devil Clans.

“My wife?” Duan Ling Tian furrowed his brows slightly, stunned, when he heard the old man’s words.

At this moment, everyone’s attention was focused on Duan Ling Tian as well as they waited for his answer.

The human, naturally, hoped that Duan Ling Tian’s wife would fight while the Devils hoped that Duan Ling Tian would fight.

Meanwhile, Huang Qi Ling, a disciple for the Wandering Saint Palace in the Human-devil clan, who stood among the Devils were perplexed. The woman standing next to Duan Ling Tian was not his wife. He knew this very well since he had seen Duan Ling Tian’s wife before. “S-she... She doesn’t look like Brother Ling Tian’s wife.” Although this black-clad lady was as beautiful as Duan Ling Tian’s wife, there was no doubt she was not Duan Ling Tian’s wife. He was dumbfounded. “What’s happening?”

“T-this... This...” Huang Qi Ling was not the only one who was puzzled. Even Yuwen Hao Chen, the Palace Master of Wandering Saint Palace, was confused. He had also seen Duan Ling Tian’s wife before so he knew the lady currently standing next to Duan Ling Tian was not Duan Ling Tian’s wife.

At this moment, the old man looked at Duan Ling Tian and said, “It’s no secret in the Saint Province Realm that your wife is capable of easily killing a Nine Tribulation Bodiless Celestial. If your wife is my opponent today, I’ll surrender and lead my clansmen back to the Exiled Realm. However, if you decide to be my opponent, I will fight with you. Even if our fight ends in a draw, I’ll still leave the Saint Province Realm with my clansmen. Naturally, our decision is made based on your wife.”

Based on Wu Ji’s words, the Devil Clans would return to the Exiled Realm because of Duan Ling Tian’s wife, not Duan Ling Tian!

Duan Ling Tian was momentarily stunned. When he regained his senses, he began to laugh uncontrollably.

The old man frowned. "What are you laughing about?"

"I'm laughing at you... You've never seen my wife before so you've mistaken a random person as my wife." When Duan Ling Tian finally stopped laughing, he said coldly, "This person next to me is only a friend, she's not my wife. My wife is no longer in the mundane realm so she won't be able to intervene with matters in the Saint Province Realm." He felt a stab of pain in his chest when he spoke about Ke'er. He lamented inwardly, 'Ke'er, must I really wait for 1,000 years before I can see you again?'

Upon hearing Duan Ling Tian's words, Wu Ji, the Nine Tribulation Bodiless Celestial, lost his composure slightly. He quickly extended his Divine Consciousness and probed the woman standing next to Duan Ling Tian. Indeed. She was only an Eminent Celestial.

"What?!"

"S-she's not your wife?!"

"Indeed, she's not your wife," Wu Ji finally said after confirming it with his Divine Consciousness. Previously, he did not probe Tang Xiao Xiao's cultivation base with his Divine Consciousness since he thought she was Duan Ling Tian's wife who was capable of killing Nine Tribulation Bodiless Celestials. He was afraid of offending her. However, once he heard Duan Ling Tian's words, he quickly used his Divine Consciousness to verify Duan Ling Tian's words.

The old man narrowed his eyes and said, "If what you said is true, I'm afraid with your strength alone, it's not enough to defeat me and drive the Devil Clans away from the Saint Province Realm!"

Duan Ling Tian grinned upon hearing the old man's words. A mocking smile appeared on Tang Xiao Xiao's face as well. This old man is too arrogant.

"You are so confident that I won't be able to defeat you?"

Meanwhile, the humans who were anticipating Duan Ling Tian's wife to kill the old man were shocked.

"What?!"

"The black-clad woman isn't Duan Ling Tian's wife?"

"H-how is that possible? If she's not his wife, who is she?"

"If she's not his wife, why did he bring her here?"

Chapter 2555 Shameless Boasting?

"Duan Ling Tian said his wife is no longer in the mundane realm and won't be able to intervene in the Saint Province Realm's affairs?"

Many people became deadly pale as Duan Ling Tian's words dawned on them.

"H-he's joking, right?"

"You're right... He must be joking. If it's true that his wife has left the mundane realm and can't interfere with the Saint Province Realm's affairs, logically, he wouldn't have publicly announced it, right?"

“Yes. After all, he’s not strong enough to defeat the Devil Clans’ Nine Tribulation Bodiless Celestial and drive the Devil Clans away on his own.”

After the humans discussed among themselves, many of their expressions changed for the better since they were certain Duan Ling Tian was just joking.

However, there was a small minority of humans who did not think Duan Ling Tian was joking. However, they felt he was too naive. After all, there was no need to disclose this to the Devil Clans. In their opinion, he could hide the fact that his wife had left. At least that would be able to keep the Devil Clans in check. They could not understand him at all. Even then, they did not dare to voice out their opinions. After all, Duan Ling Tian had no obligation to protect the humans. He was more than capable of protecting himself even if he could not defeat the Nine Tribulation Bodiless Celestial. Even if the Devil Clans stayed here, it would not affect him since he would be ascending to a Devata Realm soon.

“Joking? Do you really think he’ll joke about this?”

“There’s no reason for him to joke. I think he’s telling the truth. However, won’t this boost the morale of the Devil Clans?”

All of a sudden, the old man made a move. Energy surged out his body, causing the seven Eight Tribulation Bodiless Celestials standing behind him to scramble away in fear of getting injured. He unleashed his strength without any reservations. Flames appeared, making it look as though he was burning. It caused the void to tremble and distort before tears began to appear in the void.

Boom!

Naturally, Duan Ling Tian did not stay idle. He cast the assist-type Divine Ability, the Elementary Devouring Tactic, and absorbed much of the Heaven and Earth Spirit Energy around him. It improved his strength by two levels. After that, he glanced at the old man coldly and said, “You’re unworthy of me using my Celestial Supreme Treasure.”

The old man’s expression changed drastically when he heard this. He thought Duan Ling Tian was foolishly arrogant!

The onlookers were stunned by Duan Ling Tian’s words as well.

“Duan Ling Tian is too arrogant! Is he really not planning to use his Celestial Supreme Treasure to deal with Master Wu Ji?”

Someone scoffed. “If he doesn’t use his Celestial Weapon, he’s definitely not a match for Master Wu Ji.”

“Everyone knows he only fought to a draw with the patriarch of the dragon clan because of his Celestial Supreme Treasure. However, he’s going to forgo the Celestial Supreme Treasure now.”

“He’s too arrogant.”

The Devils discussed among themselves. All of them thought Duan Ling Tian was overly arrogant. In fact, the Devils were not the only ones who felt this way, even some humans felt the same way.

“He’s not going to use his Celestial Supreme Treasure? Has he gone mad?”

“Everyone knows he’s only a match for the patriarch of the dragon clan because of his Celestial Supreme Treasures... If it weren’t for his Celestial Supreme Treasure, the patriarch of the dragon clan would have defeated and killed him!”

“He’s being reckless!”

“So what if his strength has improved? Not much time has passed since then, how much could his strength grow? In such a short period of time, it’s impossible for it to grow to the extent where he can defeat or kill a Nine Tribulation Bodiless Celestial without a Celestial Supreme Treasure.”

“Impossible!”

“He’s crazy! Definitely crazy!”

The humans present on the scene could not help but shake their heads as they looked at Duan Ling Tian.

“Perhaps, he needs to be taught a lesson in humility.”

Among all the humans and Devils present on the scene, only Tang Xiao Xiao and a group of people who had interacted with Duan Ling Tian did not think he was being reckless or arrogant.

“If Brother Ling Tian is bold enough to say such words, he definitely has the strength to back his words!” Huang Qi Ling from the Human-devil clan was very confident.

“Master is not a reckless person.” Yuwen Hao Chen believed in Duan Ling Tian as well.

It was similar for the members of the Human-devil clan since they had seen what Duan Ling Tian was capable of when he was in the Lower Province. They did not doubt Duan Ling Tian had the strength to do what he had said.

When Wu Ji, the Nine Tribulation Bodiless Celestial from the Devil Clans, heard Duan Ling Tian’s words, his expression darkened. He asked, “Did you say I’m not worthy of you using your Celestial Supreme Treasure?” He thought he had heard wrongly.

Duan Ling Tian asked nonchalantly, “What? Can a Nine Tribulation Bodiless Celestial go deaf due to his age?”

A myriad of expressions flitted across the old man’s face. He could not hold back his anger and said, “Good! Very good! Since you’re so arrogant, I’d like to see how strong you are without your Celestial Supreme Treasure!”

Bang!

The old man stomped his feet, and a huge void crack instantly appeared. It looked extremely terrifying.

Bang! Bang! Bang! Bang! Bang!

The old man shot forward like a cannonball toward Duan Ling Tian. Explosions rang in the air, and the void distorted before it cracked in his wake. It was a spine-chilling sight.

Bang!

When the old man was near Duan Ling Tian's side, he waved his arm, and a vast energy shot out like a terrifying beast at Duan Ling Tian.

The old man's aura was so domineering and awe-inspiring!

Faced with the old man's full-force attack, Duan Ling Tian said in a teasing tone, "Is that all you got?" Then, he continued in an indifferent voice, "Your strength is merely equivalent to the dragon clan's patriarch... It seems like I have overestimated you!"

"Shameless boasting!" The old man cried out coldly. His voice made people feel as though they were in an ice cave.

"Well, you'll find out soon enough!" Duan Ling Tian's tone was flat as always, but as he spoke, he started moving.

Swoosh!

Duan Ling Tian lifted his hand and bent it slightly before he struck at the old man like a dragon.

Xiu! Xiu! Xiu! Xiu! Xiu!

A bright white light shot out of Duan Ling Tian's palms. They were sword rays! Thousands upon thousands of sword rays shot out before they eventually formed an impressive Sword Formations.

Xiu! Xiu! Xiu! Xiu!

As soon as the Formation was completely formed, it shot out at lightning speed, leaving afterimages in its wake. This was part of the offensive Divine Ability, the Thirteen Green Lotus Swords.

Boom!

Bright light shone dazzlingly from the Sword Formation and an even stronger energy burst forth.

"H-how's this possible?!" The old man cried out. He could clearly sense the terrifying aura from the Sword Formation. It was definitely stronger than a Nine Tribulation Bodiless Celestial! Only Golden Celestials from the Devata Realms were able to exert such force!

Bang!

The old man's expression changed drastically before his body expanded like a balloon and exploded into a bloody mess. One could faintly see bits of golden sparks shimmering in the air.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

Then, Duan Ling Tian's Sword Formation continued on its trajectory, dispelling the old man's attack and destroying the bloody mess that was the old man!

Chapter 2556 Heaven Demon Blood Escape Tactic

Although Duan Ling Tian did not use his Celestial Supreme Treasure, with his current strength, he was stronger than Nine Tribulation Bodiless Celestials. This was due to his complete mastery of the offensive

Divine Ability, the Thirteen Green Lotus Swords. This Divine Ability was superior even among the Divine Abilities from the Devata Realms. After he cast this Divine Ability, his strength had increased by three times.

Whoosh! Whoosh! Whoosh!

Duan Ling Tian's Sword Battle Formation alone at its full force was comparable to the full-force attack of a weak Golden Celestial from the Devata Realms. However, even the weakest Golden Celestial was extremely powerful compared to people in the mundane realms. Not even Nine Tribulation Bodiless Celestials were a match for them.

The strength of a Nine Tribulation Bodiless Celestial was only comparable to a Heavenly Celestial in the Devata Realms. One should know that in the hierarchy in the Devata Realms, Golden Celestials ranked higher than Heavenly Celestials. It was only natural that even the strongest Heavenly Celestial was not a match for the weakest Golden Celestial.

Apart from Duan Ling Tian and his opponent, the Nine Tribulation Bodiless Celestials from the Devil Clans, only the seven Eight Tribulation Bodiless Celestials from the Devil Clans could vaguely see Duan Ling Tian's Sword Battle Formation.

As for the others, they only felt the wind blowing and heard the sound of wind whistling in the air.

"How's this possible?!"

"He... He's not even using a Celestial Supreme Treasure, and yet, he's already so strong? He had effortlessly dispelled Master Wu Ji's full-force attack! He even forced Master Wu Ji to cast the Heaven Demon Blood Escape Tactic?!"

"Heavens! Is he really human?!"

"Didn't people say his strength is only comparable to the patriarch of the dragon clan even after he wielded his Celestial Supreme Treasure? What nonsense! He can clearly kill a Nine Tribulation Bodiless Celestial without the help of a Celestial Supreme Treasure!"

"Is it possible that he has been hiding his strength?!"

The seven Eight Tribulation Bodiless Celestials from the Devil Clans were shocked by what they could vaguely see of Duan Ling Tian's power. If they did not witness this with their own eyes, they would not believe Duan Ling Tian possessed this level of strength.

"With his strength now, even if he's not as strong as his wife, he has to be pretty close, right?"

"Where did Duan Ling Tian and his wife come from? How is it that these people from the Lower Province become so monstrously powerful when they're not even 100 years old!?"

As difficult as it was for the seven Eight Tribulation Bodiless Celestials from Devil Clans to believe this, the truth was laid bare before their eyes. They could no longer look the other way and pretend that nothing happened.

At this moment, Duan Ling Tian said, "I take back my words from before. You're slightly stronger than the patriarch of the dragon clan. My attack would have definitely killed him."

When the onlookers regained their senses, they saw Duan Ling Tian looking in the distance, in the northeast direction. He seemed to be talking to himself. After a moment, they saw a beam of blood-red light appearing in the distance where Duan Ling Tian was looking at. After that, it began to distort before it turned into mist. Eventually, it condensed into a figure of a human. A familiar figure appeared in front of them.

"Master Wu Ji?"

"Master Wu Ji, what... are you doing?"

The Devils recognized the person who had just appeared. However, they were confused. The person who had appeared was Wu Ji, the strongest person in the Devil Clans. He had been lucky enough to survive Duan Ling Tian's Sword Battle Formation attack. However, the elder before them seemed to have weakened and aged considerably at this moment.

Meanwhile, the humans looked at each other in confusion. They had no idea what had just happened. Although there were no Eight Tribulation Bodiless Celestials among the humans, there were a few Seven Tribulation Bodiless Celestials. They could not see clearly what had happened, but they knew Duan Ling Tian and that Nine Tribulation Bodiless Celestial had fought. Apart from that, Duan Ling Tian had the upper hand and was about to kill his opponent when his opponent suddenly escaped using some mysterious technique.

"This Nine Tribulation Bodiless Celestial from Devil Clans seems to be injured? It doesn't look like a light injury either."

"What happened? Wasn't he attacking at Duan Ling Tian before he escaped? How come he ran back here?"

"On the contrary, Duan Ling Tian has just been standing there the entire time."

All of a sudden, a Seven Tribulation Bodiless Celestial from the Devil Clans seemed to have recalled something and cried out, "The Heaven Demon Blood Escape Technique! Master Wu Ji cast the Heaven Demon Blood Escape Tactic from our Devil Clans. In the past hundred thousand years, no one has managed to master this technique!"

The Devils were shocked when they heard this.

It was no secret that the Devil Clans were skilled at Blood Escape Tactics. Even Celestials who cultivated Devil techniques could cast Blood Escape Tactics. However, the Blood Escape Tactics had different levels. The Heaven Demon Blood Escape Tactic was the most powerful Blood Escape Tactics in the mundane realms.

As for the Devil Clans in the Devata Realms, they had much stronger Blood Escape Tactics, but it could only be cast in the Devata Realms.

For this reason, there were no Blood Escape Tactics in the mundane realms that were stronger than the Heaven Demon Blood Escape Tactic.

The side effect of the Heaven Demon Blood Escape Tactic was not too significant. It would consume 90% of the caster's physical strength, and the caster could only regain strength in a natural manner, without the use of potions or pills.

"Unless one is in a life or death situation, most people wouldn't cast the Heaven Demon Blood Escape Tactic. After all, it would deplete one's strength and it would take a while before the strength is recovered."

"I still can't believe Master Wu Ji has mastered the Heaven Demon Blood Escape Tactic... However, now that he had cast the Heaven Demon Blood Escape Tactic, it means he's in great danger now!"

"Life or death situation? Doesn't this mean that Duan Ling Tian almost killed Master Wu Ji earlier?!"

"Yes!"

The Devils were shocked and in awe that Wu Ji had mastered the Heaven Demon Blood Escape Tactic. However, they knew the fact that he was forced to cast the technique did not bode well for him.

'Heaven Demon Blood Escape Tactic?' Duan Ling Tian looked at the strongest Devil from the Devil Clans. 'This old man seems interesting.'

Finally, Duan Ling Tian looked at Wu Ji and asked in a deceptively soft voice, "Now, do you still think I'm bluffing?"

Upon hearing Duan Ling Tian's words, various expressions flitted across the old man's face. His eyes seemed to dim as he sighed. "Not only does your wife possess the strength of a Golden Celestial, but I didn't expect your strength is not inferior to hers as well." He paused for a moment before he said, "If you had used your Celestial Supreme Treasure, I... I wouldn't have been able to cast my Heaven Demon Blood Escape Tactic in time!"

Upon hearing Wu Ji's words, the expressions of the Devils in the surroundings changed drastically. Even without using his Celestial Supreme Treasure, Duan Ling Tian was capable of killing a Nine Tribulation Bodiless Celestial! How strong would he be if he had used his Celestial Supreme Treasure?

"Duan Ling Tian hid his strength so well!"

"As it turns out, his strength is not inferior to his wife!"

"I can't believe this! How is Duan Ling Tian so strong?"

Apart from a select few, everyone from the Devil Clans was frightened out of their wits. They only hoped Duan Ling Tian would spare their lives at this moment. It was clear that the Devil Clans had lost. There was no way for them to turn the tables.

On the contrary, the humans present on the scene were elated.

"Heavens! Duan Ling Tian is so powerful!"

"Judging from the words of the Nine Tribulation Bodiless Celestial from the Devil Clans, Duan Ling Tian isn't any weaker than his wife!"

“Yes. He couldn’t even defeat Duan Ling Tian. Moreover, from the beginning, Duan Ling Tian didn’t even wield his Celestial Supreme Treasure. Otherwise, he would be even stronger!”

“To think I thought he was being arrogant earlier. I truly underestimated him!”

“You’re not the only one. All of us jumped to conclusions too quickly.”

When the humans remembered their behavior toward Duan Ling Tian earlier, they felt remorseful.

At this moment, Duan Ling Tian looked at the old man and asked, “If I’m not mistaken, after you cast the Heaven Demon Blood Escape Tactic, you could’ve escaped, and I wouldn’t have been able to trace you. Why didn’t you do that?”

Chapter 2557 Xia Jie’s Token

“You could’ve easily run away and saved your own life...” Duan Ling Tian looked at the old man in front of him curiously. “If I intend on doing that, I wouldn’t have come today.” The old man had lost his composure earlier. Currently, his expression had turned rather unsightly as he forced a smile on his face. “I was under the assumption that your wife would accompany you. I’ve confirmed that her strength is comparable to a Golden Celestial from the Devata Realms.”

“So, you didn’t run away for the sake of your clansmen?” Duan Ling Tian asked indifferently.

“Yes...” The elder did not bother to hide his intention.

“Based on your strength, once you successfully overcome the tenth Bodiless Celestial Tribulation, you’ll be able to ascend to a Devata Realm. You’re so close to your ascension, is it really worth throwing it all away for the sake of your clansmen?” Duan Ling Tian asked again.

“It doesn’t matter whether it’s worth it or not... They’re my kin!” The old man replied.

The Devils from the Devil Clans felt emotional when they heard the old man’s words.

“Master Wu Ji!”

“Master Wu Ji!”

Even the small minority who were confident their patriarch would be able to stop Duan Ling Tian from destroying the clan was touched when they heard these words. Their respect for their patriarch rose even higher.

At this moment, the old man looked at Duan Ling Tian and said solemnly, “Duan Ling Tian, I have a request before I die. I hope you can spare the lives of my clansmen. The seven Eight Tribulation Bodiless Celestials from my Devil Clans will lead my clansmen back to the Exile Realm. After they leave, the Saint Province Realm, they’ll repair the space barrier between the two realms and return the peace to the Saint Province Realm.” A hint of pleading could be heard in his tone when he reached the end of his sentence.

The Devils from the Devil Clans were further touched by the old man’s words.

“Master Wu Ji!”

“Master Wu Ji!”

Duan Ling Tian glanced at the old man and asked, “When did I say I’m going to kill you?”

“You... You’re not going to kill me?” The old man was taken aback, and he looked at Duan Ling Tian in disbelief.

At the same time, the Devils looked at Duan Ling Tian hopefully, hoping that he meant what he said.

Duan Ling Tian did not directly reply to the old man’s question. Instead, he said calmly, “Apart from the Human-devils, I’ll give the rest of the Devils three months before all of them have to leave the Saint Province Realm! In case any of you think about pulling a trick after I leave, just so you know, I went to the phoenix clan half a month ago and gave the two Eight Tribulation Bodiless Celestials a Celestial Supreme Treasure each. The phoenix clan will be able to keep the Devil Clans in check.”

Upon hearing this, the old man could not help but feel slightly envious. Although he was a Nine Tribulation Bodiless Celestial, he did not possess a Celestial Supreme Treasure. And yet, the two Eight Tribulation Bodiless Celestials from the phoenix clan were given a Celestial Supreme Treasure each.

Similarly, the seven Eight Tribulation Celestials from the Devil Clans were also envious when they heard Duan Ling Tian’s words.

Since Duan Ling Tian had dealt with the matter regarding the Devil Clans, he did not plan to waste his time here any longer. He looked at Tang Xiao Xiao and said to her, “Let’s go.” He casually waved his hand and opened a tear in the void before bringing her away with him in just a blink of an eye.

The Nine Tribulation Bodiless Celestial from the Devil Clans only sighed in relief once Duan Ling Tian had left. Previously, he was still afraid that Duan Ling Tian would suddenly change his mind.

At this moment, a Seven Tribulation Bodiless Celestial who felt bitter about what happened said, “Master Wu Ji, although Duan Ling Tian might have strength comparable to a Golden Celestial from a Devata Realm, he’s only an Eminent Celestial. We can easily find a Bodiless Celestial who cultivates the Soul Congregation Embodiment technique to deal with him!”

The old man scoffed before he said sternly, “Indeed, he’s just an Eminent Celestial. However, what about his wife? If his wife isn’t an Eminent Celestian and we kill him, it’ll only spell doom for our clan!” He paused for a moment before he continued to say, “Moreover, even if we find a Bodiless Celestial who cultivates the Soul Congregation Embodiment technique, with Duan Ling Tian’s current strength, it’s still too risky for us to try anything. If we fail, we’ll be doomed.”

The old man’s words silenced the Seven Tribulation Bodiless Celestial.

Meanwhile, before Duan Ling Tian left, he had sent a Voice Transmission to the two familiar faces in the crowd, Huang Qi Ling and Yuwen Hao Chen from the Wandering Saint Palace. “Stay in Sin City. I’ll return to see you once I’ve dealt with things.”

Both of them could not help but feel excited when they heard Duan Ling Tian’s message. It seemed like the god-like man had not forgotten about them.

...

Whoosh! Whoosh!

After opening a tear in the void, Duan Ling Tian brought Tang Xiao Xiao away from the Upper Province to the Lower Province of the Dao Martial Saint Land.

Duan Ling Tian felt more at ease now that he had dealt with the matter regarding the Devil Clans. Even if the Celestial Ascension Force appeared and he had to ascend to a Devata Realm, he could leave without any worries. Moreover, he had arranged for the two Eight Tribulation Bodiless Celestials from the phoenix clan to make sure the Devil Clans would leave the Saint Province Realm by giving them a Celestial Supreme Treasure each.

“Cloud Continent!” As soon as Duan Ling Tian returned to the Lower Province of the Dao Martial Saint Land, he did not waste any time and made his way south to the Cloud Continent, his hometown in this life. The Foreign Lands and the Ten Great Dynasties were located on the Cloud Continent, and his hometown was located in a small corner of the Ten Great Dynasties. He still had some family and friends who were still living there. He had no intention of disturbing them and only planned to look at them from afar. He wanted to see them before he had to leave the Saint Province Realm. After this, he planned to leave for Yan Huang Realm and wait for the Celestial Ascension Force there.

Duan Ling Tian was not aware of it, but subconsciously, he was in a rush to leave the Saint Province Realm because of the sad memories this place brought to him. After all, Ke'er, his family, and friends were taken away from him by Yun Qing Yan here. Whenever he thought about them, his heart would ache and he would be filled with self-blame for being too weak to protect his family and friends.

Duan Ling Tian thought to himself, ‘With my current strength, I wonder what the Heaven and Earth Phenomenon would be like?’

The Cloud Continent was a unique place. If one were to unleash their strength here, one’s power would be able to manifest the Heaven and Earth Phenomenon. A long time ago, when Duan Ling Tian’s power was still in its infancy, his power would manifest as the ancient mammoths or ancient horned dragons’ silhouettes.

Boom!

With just a thought, Duan Ling Tian unleashed his power, and they surged out, unrestrained, like wild horses. His energy rose like a flame, shrouding him within.

Whoosh! Whoosh! Whoosh! Whoosh! Whoosh!

As soon as Duan Ling Tian heard a peculiar noise above him, he quickly looked up. He was curious about what kind of Heaven and Earth Phenomenon he had manifested.

Duan Ling Tian was taken aback. Instead of a Heaven and Earth Phenomenon, he only saw the Heaven and Earth Spirit Energy hanging above him like dark clouds in the sky. He wondered inwardly, ‘Do I have to wait a little longer?’

Duan Ling Tian waited for a while but there were no changes in the sky.

Tang Xiao Xiao who stood next to Duan Ling Tian could no longer contain her curiosity. She asked, "What are you doing?!"

Upon hearing Duan Ling Tian's explanation, Tang Xiao Xiao also unleashed her strength to manifest a Heaven and Earth Phenomenon. However, her result was similar to Duan Ling Tian's result. She speculated aloud, "Perhaps, we're too strong and our strength exceeds the limit of the Heaven and Earth Energy here that's why we can't manifest a Heaven and Earth Phenomenon."

"That's possible." Duan Ling Tian nodded and gave up on trying to manifest a Heaven and Earth Phenomenon.

"Hm?" Duan Ling Tian froze just as they were about to continue on his journey.

"What?" Tang Xiao Xiao stopped moving as well as she looked at Duan Ling Tian in confusion.

Duan Ling Tian did not reply to Tang Xiao Xiao. He lifted his hand without any explanation, and a shining jade token appeared in his hand.

"This jade token... Isn't this from that senior?" Tang Xiao Xiao recognized the jade token. It was given to Duan Ling Tian by Xia Jie.

The jade token shone with a blinding light before it suddenly flew toward the south as though it was leading Duan Ling Tian somewhere.

2558 The Devata Artifact, The Seven Orifices Exquisite Sword!

"What's happening?" Duan Ling Tian was confused when he saw the jade token flying south, leaving only a streak of dark green light in its wake. He quickly regained his composure and flew after it with Tang Xiao Xiao following suit. Although the jade token's speed was not slow, its speed was nothing compared to Duan Ling Tian's speed. It did not take long for him to catch up to it.

"What's this?" Tang Xiao Xiao asked in confusion.

"I'm not sure as well. Before this, I sensed a movement in my Spatial Ring. When I took the jade token out to examine it, it was vibrating in my hands as though it was trying to escape. Then, when I released my grip, as you saw it, it flew off on its own," Duan Ling Tian replied with a helpless smile on his face.

As Duan Ling Tian kept his eyes on the dark green jade token, he saw the light brightened again. Strangely, he could sense a hint of excitement from the jade token even though it was an object.

"I see." Realization dawned on Tang Xiao Xiao. "It seems like it's leading you somewhere."

"Yeah." Duan Ling Tian nodded. However, he was still confused. Why did the jade token suddenly move? Where was it leading him?

Whoosh!

Duan Ling Tian lifted his hand, and a sword materialized in his hand. The sword was unlike any other sword. Most swords were about three-foot-long, but this sword was only a foot long. It looked like a longer dagger. It seemed as though it was made from the same material as the jade token.

When Tang Xiao Xiao looked at the sword, she could tell it was not made from ordinary jade. “This sword...” She recalled it was given to Duan Ling Tian by that incredibly strong powerhouse, Xia Jie.

Previously, Xia Jie had given Duan Ling Tian two items; the jade token and the sword.

Currently, the jade token was leading Duan Ling Tian somewhere while he held the sword in his hand. He looked at the dagger-like sword in his hand and thought to himself, ‘Third uncle is a powerful celestial from the Diving Offering Land. It stands to reason the items he has given me aren’t ordinary items.’ When Xia Jie had given him these items, he had put them away without thinking it about too much since he had to rush back to the Saint Province Realm. He had been so busy that he had completely forgotten about it until the jade token began to move in his Spatial Ring.

Duan Ling Tian had no idea what was so special about the sword. It did not seem like a Celestial Supreme Treasure nor did it look like a weapon from the mundane realms.

Whoosh! Whoosh! Whoosh! Whoosh! Whoosh!

When Duan Ling Tian sent some of his energy into the sword to test the water, the sword began to vibrate violently. After a while, it seemed as though it was going to shatter. He was shocked when he saw this.

Crack!

A moment later, a clear noise rang in the air as the sword Duan Ling Tian held in his hand shattered.

“It... broke?” Duan Ling Tian was thoroughly shocked. “Is this sword really from one of the most powerful celestials from the Divine Offering Land?”

At this moment, Duan Ling Tian could not help but doubt Xia Jie. However, a familiar voice suddenly rang in his ears. “Brat, the sword I’ve given you is called the Seven Orifices Exquisite Sword. It’s a Devata Artifact!”

Duan Ling Tian could tell it was Xia Jie’s voice. Xia Jie must have placed a spell on the sword. “The Seven Orifices Exquisite Sword? A Devata Artifact?” A forced smile appeared on his face. The sword that had broken so easily was a Devata Artifact?

However, it did not take long before Duan Ling Tian widened his eyes in shock again. After the sword had shattered, a red light had suddenly appeared. The red light grew before it turned into a red sword ray. Following that, an orange light appeared before turning into a sword ray as well. Then, a yellow light, a green light, a turquoise light, a blue light, and a purple light appeared consecutively and turned into sword rays. Seven sword rays, the colors of a rainbow, appeared before Duan Ling Tian who was in a daze.

Similarly, Tang Xiao Xiao was also shocked when she saw this. “Watch out!” She suddenly cried out. She saw the broken sword slicing through the air toward Duan Ling Tian. Unfortunately, her warning came too late.

However, even if Tang Xiao Xiao had reminded Duan Ling Tian in a timely manner, he still would not avoid the broken sword. This was because he heard Xia Jie's voice again. "The shattered sword is just an illusion. The illusion will break once you infuse your energy into it. It would need a little of your blood to activate."

The shattered sword sliced Duan Ling Tian's palm, leaving a wound that was neither shallow nor deep. The blood that seeped out was extremely eye-catching.

"Hm?" In the next moment, Duan Ling Tian saw the seven sword rays shoot out as though they were attracted by something.

The seven sword rays shot toward the wound on Duan Ling Tian's palm. He braced himself for the pain, but he discovered the sword rays did not hurt him. Instead, it seemed to enter the wound on his palm, causing his palm to tingle.

"W-what's happening?" Tang Xiao Xiao who witnessed the entire process was baffled. She saw Duan Ling Tian's wound healing at a visible speed when the seven sword rays entered the wound.

Soon after, a mark appeared in the center of Duan Ling Tian's palm.

"This mark..."

Both Duan Ling Tian and Tang Xiao Xiao's eyes were glued on the mark. If it was just a normal mark, they would not have been so surprised. However, the mark was in the shape of a sword.

At this moment, Xia Jie's voice rang in Duan Ling Tian's ears again. "After it's been activated, the Seven Orifices Exquisite Sword will appear and disappear with just a thought from you. It'll dwell in your body." Upon hearing this, he quickly tested it out. However, he discovered he could not sense any trace of the sword in his body at all. 'Didn't third uncle say the sword would dwell in my body?' He was, naturally, confused.

"Hm?" Soon after, Duan Ling Tian felt a strange feeling in his body. The feeling was not just limited to his body, he felt it in his bones and blood as well. A thought appeared in his mind. 'It seems like the sword is not just dwelling in my body. It has become a part of me...'

Duan Ling Tian calmed down and looked at the sword-shaped mark on his right hand as he thought to himself, "Seven Orifices Exquisite Sword!" As soon as the thought appeared in his mind, he discovered a constantly changing beam of light had appeared above his right hand. Shortly after, it solidified into a sword that seemed as though it was made of glass.

Then, Xia Jie's voice appeared again. "This Seven Orifices Exquisite Sword belonged to my late friend. Although it's a Devata Artifact, it has lost its sword soul. Without its sword soul, it's only about as strong as the top Celestial Supreme Treasures in the Devata Realms."

2559 Tang Xiao Xiao's Ascension!

'Comparable to top Celestial Supreme Treasures in the Devata Realms?' Duan Ling Tian's eyes widened when he heard Xia Jie's words. According to the Pagoda Spirit, Elder Huo, the Celestial Supreme Treasure, the Seven Treasures Exquisite Pagoda, that he had obtained by chance was also a top Celestial Supreme Treasure. However, because the pagoda was broken, its full strength could not be exerted. He

learned from Elder Huo that top Celestial Supreme Treasures were extremely rare in Devata Realms. Moreover, Elder Huo had also told him Devata Artifacts were usually only possessed by Heavenly Emperors of Devata Realms. All Devata Artifacts usually have artifact souls. This was the extent of his knowledge of Devata Artifacts. He did not ask for further explanation from Elder Huo previously. After all, at that time, obtaining a Devata Artifact was like a dream. Although Duan Ling Tian was surprised Xia Jie would give him a top Celestial Weapon, he was still able to maintain his composure. After all, although it was broken, he had once possessed the Seven Treasures Exquisite Pagoda that was also a top Celestial Treasure. The artifact soul of the pagoda, Elder Huo, was both his teacher and his friend.

Duan Ling Tian thought to himself, 'According to third uncle, this Devata Artifact, the Seven Orifices Exquisite Sword, only has strength comparable to a top Celestial Weapon because it has lost its artifact soul! Even then, it's much stronger than my Celestial Sword! It's even stronger than the Jasper Celestial Sword from the Seven Treasures Exquisite Pagoda!' After he had tested the sword, it was clear it was stronger than the swords he had owned.

A hint of excitement rose in Duan Ling Tian's heart. Even without its artifact soul, its power was comparable to a top Celestial Weapon. Moreover, it was not in need of repair like the Seven Treasures Exquisite Pagoda.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

Duan Ling Tian sent his energy as an Eminent Celestial into the Seven Orifices Exquisite Sword and sword ray appeared on the tip of the sword. The sword ray shot out and left a hideous crack in the void. If he had used his ordinary energy as an Eminent Celestial and sent it into his Celestial Sword, the Celestial Sword would not have been able to have such an effect!

Duan Ling Tian continued to study the sword as Tang Xiao Xiao said in surprise, "It seems like the sword is really extraordinary!"

Duan Ling Tian who was delighted to have obtained such a treasure replied with a smile, "Of course! This sword is comparable to top Celestial Supreme Treasures in the Devata Realms. How can it not be extraordinary?"

"A-are you j-joking?" Tang Xiao Xiao was shocked by Duan Ling Tian's words. The sword was comparable to top Celestial Treasures in the Devata Realms? Since she was from Tang Sect that had a long history in Yan Huang Realm, she was quite knowledgeable. She had, naturally, heard of top Celestial Treasures in the Devata Realms. However, it was only a legend. The sect had never seen nor possessed a Celestial Supreme Treasure of that level before. How could she not feel shocked?

"Why would I lie to you?" Duan Ling Tian shook his head. Meanwhile, with just a thought, he put the Seven Orifices Exquisite Sword away. It turned into a streak of light and disappeared into the mark on his palm without a trace. He could feel the Seven Orifices Exquisite Sword that had become a part of him in his body.

When Tang Xiao Xiao finally regained her senses, she said, "I forgot this sword was given to you by Senior Xia Jie. Even that man from the Divine Offering Land who's stronger than Heavenly Emperors is afraid of Senior Xia Jie. It's not surprising that the weapon he gave you is so extraordinary." A hint of

envy could be heard in her voice when she spoke. After all, was there anyone who would not feel moved by a top Celestial Supreme Treasure?

Duan Ling Tian fell silent when he heard Tang Xiao Xiao's words. "The Divine Offering Land..." These three words were the thorn in his heart. It was difficult to remove.

When Tang Xiao Xiao saw Duan Ling Tian had fallen silent and his dark expression, it was not difficult for her to guess Duan Ling Tian was reminded of something unpleasant. Moreover, he had told her about the anguish he had buried in the depth of his heart. She felt bad for mentioning the Divine Offering Land and quickly apologized, "I'm sorry."

Duan Ling Tian regained his senses, and his expression turned slightly better. He shook his head and said, "Don't worry about it. There are things I won't be able to stop thinking about even if you don't mention it. I would only be deceiving myself if I blame you!" He did not think she was at fault since this was his problem.

Tang Xiao Xiao said solemnly, "I believe you'll certainly possess the strength to gain your father-in-law's approval and be reunited with your wife after 1,000 years!"

"Thank you." Duan Ling Tian smiled.

At this moment, Tang Xiao Xiao's expression suddenly changed as though she had sensed something. "Hmm?"

Upon seeing this, Duan Ling Tian asked, concerned, "What's going on?"

Tang Xiao Xiao smiled bitterly. "I-I think I'm leaving the mundane realm before you..."

Duan Ling Tian was startled by Tang Xiao Xiao's words. His eyes lit up as he asked, "Did you feel your Celestial Ascension Force?"

Tang Xiao Xiao nodded. "Yes." Then, she said with a sigh, "I didn't think my Celestial Ascension Force would come within ten years after I successfully passed my tribulation. I think I have to leave now."

"This is good news, right? Why do you speak as though it's a bad thing?" Duan Ling Tian shook his head as he smiled.

"Duan Ling Tian, I don't know when we'll meet again, but I'll never forget that my life belongs to you!" Tang Xiao Xiao said solemnly.

Duan Ling Tian said in an equally solemn voice, "Don't mention it anymore. Your life belongs to you, not me. I was helping my friend out when I killed that Nine Tribulation Bodiless Celestial from the Heavenly Wave Mansion. I don't expect anything in return. You don't owe me anything."

Boom!

Tang Xiao Xiao was about to reply when a deafening sound rang from the sky.

Duan Ling Tian sensed a peerless energy in the air that shrouded Tang Xiao Xiao. "So this is the Celestial Ascension Force?"

Whoosh!

Then, Duan Ling Tian saw a flash of light. When the flash of light disappeared, Tang Xiao Xiao had also disappeared. Everything happened in just a split second that it took him a moment to regain his senses. 'So she has ascended? I wish her all the best in the Devata Realm!'

Although Duan Ling Tian merely saw Tang Xiao Xiao as an ordinary friend, they had been together for some time. Therefore, he felt rather reluctant to part with her when she suddenly left. 'There's no feast that doesn't end, I hope we'll meet again in the Devata Realm.' He suppressed the sense of reluctance he felt as he followed after the jade token that Xia Jie had given him.

'Crimson Sky Kingdom?' Soon after, Duan Ling Tian discovered the jade token had not only brought him to the Azure Forest Imperial Kingdom where the Seven Star Sword Sect was located, but it had led him to his hometown, the Crimson Sky Kingdom!

2560 The Black Stone

Duan Ling Tian's hometown in his current life was in the Saint Province Realm. To be precise, he came from the Crimson Sky Kingdom that was a part of the Ten Great Dynasties on the Cloud Continent that was located in the Lower Province of the Dao Martial Saint Land in the Saint Province Realm. He had many memories in the Crimson Sky Kingdom. He had some friends still living here, therefore, he had returned to take a look at them. However, he did not expect the dark green jade token that was shining with a mysterious light would lead him here. Since that jade token had brought Duan Ling Tian to the Crimson Sky Kingdom, its speed began to slow down.

Upon seeing this, Duan Ling Tian was puzzled. 'Its speed seems to have slowed down. Does this mean the destination is somewhere in the Crimson Sky Kingdom?'

Xia Jie had also left Duan Ling Tian a message regarding the dark green jade token. According to Xia Jie, he had obtained the jade token by chance. At that time, Xia Jie received a message that said the secret of the jade token could only be decrypted by someone with 99 Heavenly Veins. All these years, Xia Jie had tried to discover the secret of the jade token, but it was futile. Xia Jie was even further convinced the jade token was special since even the Clan Leader of the Xia family in the Divine Offering Land, his elder brother, could not leave a mark on the jade token nor decrypt its secret.

Xia Jie had also told Duan Ling Tian that he had met a few people with 98 Heavenly Veins, but he had never met someone with 99 Heavenly Veins in the Devata Realms, the Divine Offering Land, and other realms similar to the Divine Offering Land. He was not even sure if someone with 99 Heavenly Veins existed, therefore, he was not convinced the jade token could only be decrypted by someone with 99 Heavenly Veins. It was only until he met Duan Ling Tian that he discovered someone with 99 Heavenly Veins existed. He had urged Duan Ling Tian to discover the secret of the jade token since both he and his brother were convinced the jade token was extraordinary.

For this reason, Duan Ling Tian was certain the secret that the jade token held had to be extraordinary even though he had no idea why only someone with 99 Heavenly Veins would be able to decrypt its secret. He did not dwell too much on this and focused on the jade token that was still leading the way. He slowed down his speed as well as he continued to follow the jade token that had decreased its speed.

'Fresh Breeze Town is up ahead.' Duan Ling Tian had followed the jade token to Swallow Mountain County before passing the Aurora City. At this moment, he was approaching Fresh Breeze Town. Fresh Breeze Town was the starting point of his current life.

The jade token suddenly came to a halt at a place that was a few dozen miles away from Fresh Breeze Town. Duan Ling Tian, naturally, came to a halt as well.

Swoosh!

All of a sudden, the jade token began to vibrate violently before it seemed to transform into a bolt of lightning as it flew out again.

Duan Ling Tian followed the jade token into the barren hills. Although the barren hills were located near Fresh Breeze Town, he had not been here before nor did he hear of anyone coming here. Based on how treacherous the terrain in the barren hills was, it was clear why the residents from Fresh Breeze Town did not come here. After all, with their cultivation bases, it would be difficult for them to navigate the terrain. Those with a higher cultivation base, similar to Duan Ling Tian, would leave Fresh Breeze Town to Aurora City after possessing a certain amount of strength. The saying, 'Man struggles upwards while water flows downwards,' was true.

Duan Ling Tian continued following the jade token to one of the valleys in the desolate barren hills. The jade token finally stopped moving and hovered above a floating black stone.

Duan Ling Tian was puzzled. Although the black stone was darker than normal stones, it looked extremely ordinary. If it were not for the jade token, he would not have paid any attention to it. He was rendered speechless when he saw this. 'The jade token brought me all the way here just to lead me to this stone?'

Even then, Duan Ling Tian still picked up the black stone. After all, there must be a reason why the jade token that Xia Jie had given had led him to the black stone. As soon as he picked up the black stone, a voice rang in his ears. "The secret of this stone can only be decrypted by someone with 99 Heavenly Veins."

This was similar to what Xia Jie had told Duan Ling Tian.

Duan Ling Tian studied the black stone intently, but he could not see what was so special about the stone. The jade token was shrouded by a mysterious light so one could tell it was extraordinary. However, there was nothing extraordinary about the black stone!

'Hmm?' Duan Ling Tian was looking at the black stone with a skeptical expression on his face when he discovered the surface of the stone was emitting heat. Soon after, a mysterious light, not dissimilar to the jade token's light, shrouded the black stone. He smiled bitterly when he felt a repelling force from the black stone. "That hurts! I thought someone with 99 Heavenly Veins is able to decrypt the secret? Why can't I decrypt the secret?" Then, he reached out and grabbed the jade token that was hovering in the air.

As soon as Duan Ling Tian grabbed the jade token, his expression changed drastically. He felt as though he had been struck by a bolt of lightning as the jade token and the black stone's energies suddenly flowed into his hands. He could clearly feel the two energies entering his Saint Veins. The two energies coursed through his 99 Saint Veins before they suddenly fused, shocking him. He discovered he could not stop the two energies from fusing. At this moment, he was deeply aware of the gap between his strength and the two mysterious energies.

Duan Ling Tian, naturally, felt apprehensive. He was not sure how the fusing of these two energies would affect him after all. Who knew if it would be detrimental to him?

At this moment, Duan Ling Tian discovered the two energies that had fused separated again and rushed into his left and right hand respectively into the jade token and black stone.

'They're gone.' Duan Ling Tian heaved a sigh of relief. He was truly worried the energies that were running amok in his body earlier would impact him negatively.

At this moment, the black stone in his left hand and the dark green jade token in his right hand suddenly emitted a light that surged into the sky before an energy forced him to release his grips on the items. Then, the two items flew out of his hand and rose into the air.

'W-what's happening?' Duan Ling Tian watched as the jade token and black stone that had flown out of his hand began to shine blindingly bright, causing them to look like two blazing suns. In just a moment, the two items suddenly flew and collided with one another!
