

Chapter 3401: Shiva Ping

Based on the old monk's Celestial Origin Energy that was boosted with the law of life, it was apparent the old monk was a Celestial Emperor who was fairly powerful. At the very least, Duan Ling Tian could tell the old monk's Celestial Origin Energy was more powerful than his. Moreover, he could sense fused profundities in the old monk's energy. Hence, he was certain the old monk was a titled Celestial Emperor.

"Thank you for saving us, sir!" Fang Ji and the others hurriedly thanked the monk and bowed. Relief and happiness were written all over their faces.

At this moment, Li Rou finally pulled away from Duan Ru Feng's embrace. She frowned slightly when she looked at the old monk who had suddenly appeared.

"Old monk," Duan Ling Tian said with a hint of frostiness, "Don't interfere in what you don't understand."

"Young man, it's not good to be vicious," the old man said as he shook his head.

Duan Ling Tian no longer bothered to waste words with the old monk who appeared out of nowhere. Instead, he said to Elder Huo, "Elder Huo, don't kill him."

Elder Huo nodded and attacked immediately. He launched a triple-fused profundity from the law of fire; a sea of flames appeared immediately and swept toward the old monk.

The old monk was defenseless against the sea of flames even with his double-fused profundities from the law of life.

Bang!

With just one move, Elder Huo sent the old monk flying.

The old monk spat out a mouthful of blood; his aura weakened considerably.

With this, Fang Ji and the others felt as though they had returned to hell again. Their expressions had just changed when Duan Ling Tian lifted his hand and instantly killed all of them with his space energy. The horrified expressions were still imprinted on their faces even after their deaths. In that split second before their deaths, they thought it was better if the old monk did not appear and give them false hope. They had thought they were saved; who knew the old monk was so easily defeated by the old man standing behind the purple-clad young man?

After killing the five men, Duan Ling Tian looked at Duan Ru Feng and Li Rou with a smile as he said, "Father, mother, let's go to the Smudge Crow Sect..."

Li Rou's eyes brightened upon hearing these words. "Alright!"

Following that, Li Rou left Duan Ru Feng's arms and moved to Duan Ling Tian's side. She held his hands and studied him before she said, "Tian'er, you've changed a lot... You must have suffered a lot of hardships over the years..."

Tears streamed down Li Rou's face as she spoke. Although she had no idea what Duan Ling Tian had gone through, for him to become a Celestial Emperor at such a young age, she was certain he did not have an easy time.

Swoosh!

At this moment, Elder Huo reverted to his true form, a Three-legged Golden Crow, to bring the Duan family to the Smudge Crow Sect.

During their journey there, Li Rou sat next to Duan Ling Tian and said, "Tian'er, tell me about your experience over the past few hundred years..."

"Alright." After being separated from his mother for so long, Duan Ling Tian was overwhelmed with emotions when they were reunited. There were so many things he wanted to tell her. He told his mother about everything that had happened from the moment they were brought to the Divine Offering Land.

Duan Ru Feng listened intently as well. After all, he had not heard about what happened to Duan Ling Tian yet. Previously, when Duan Ling Tian offered to tell him about what happened, he had told Duan Ling Tian to wait until they found Li Rou.

Whenever Duan Ling Tian recounted dangerous situations he encountered, Li Rou felt herself breaking out in cold sweat as she instinctively tightened her grip around Duan Ling Tian's hand.

...

Meanwhile, after Duan Ling Tian and his family left without even sparing a glance at the old monk, the compassionate expression on the old monk's face had disappeared and was replaced by viciousness and ruthlessness.

He cursed loudly, "Who are they? They dare to hurt me, Shiva Ping? Damn it!"

He continued to mutter to himself, "They said they're going to the Smudge Crow Sect? Where's that? I'm going to look for elder brother and ask him to avenge me. So what if that person has mastered triple-fused profundities? My elder brother is the strongest titled Celestial Emperor under the Tatum, the Heavenly Emperor of the Purple Revelation Heaven!"

Following that, the old monk made his way to the transportation site in the Scholar Woods City to make his way to the Inked Heavenly Emperor's palace.

...

Naturally, Duan Ling Tian was unaware of the old monk's thoughts. He would not have expected that the seemingly compassionate old monk had such a ruthless side to him.

With Elder Huo's help and Li Rou giving them directions, it did not take long for them to arrive at the Smudge Crow Sect.

As she stood outside of the Smudge Crow Sect's estate, Li Rou's eyes burned with flames of fury.

At this moment, Duan Ling Tian suddenly called out, "Huan'er." He just remembered he had yet to introduce Huan'er to his mother. He felt rather nervous about his mother getting angry at him for finding another companion while Ke'er was still being held captive in the Divine Offering Land. He thought he could ease the situation if he let Huan'er help his mother in dealing with the Smudge Crow Sect and help the Elegant Sect.

"Brother Ling Tian." Huan'er who was in closed-door cultivation quickly came back to her senses as soon as she heard Duan Ling Tian's voice. "What happened?"

"Huan'er, I've found my parents. You should come and meet them. You should help my mother out with some matters as well to build a good relationship with her..." Duan Ling Tian said, feeling slightly embarrassed.

"Your parents?" Huan'er was clearly nervous as well when she heard she was about to meet Duan Ling Tian's parents. Nevertheless, she obediently left his Little World.

Swoosh!

Duan Ru Feng and Li Rou were naturally startled by the sudden appearance of another person. When they finally had a good look at Huan'er, they were stunned by her peerless beauty.

"You are Huan'er, aren't you? Tian'er's father had mentioned you to me. It seems like you're a good girl," Li Rou said with a smile. She seemed satisfied with Huan'er.

Li Rou's reaction was much better than Duan Ling Tian had expected.

Meanwhile, Huan'er blushed when she heard Li Rou's words. She greeted Duan Ling Tian's parents shyly, "Uncle, aunty..."

In fact, Huan'er only found the courage to greet Duan Ru Feng and Li Rou because of Duan Ling Tian's encouragement through Voice Transmission. She felt slightly awkward, but due to Li Rou's warm personality, it did not take long before Huan'er got along with Li Rou.

Upon seeing this, Duan Ling Tian sighed in relief. At the same time, he saw his father discreetly giving him a thumbs-up. He was not sure if his father was praising him for finding such a peerless beauty or praising his ability to deal with the situation. Now that he had calmed down, he said, "Mother, although Huan'er is younger than Si Ling, she's already a Celestial Emperor. In fact, her cultivation base is higher than mine. She can help you to deal with the Smudge Crow Sect..."

Then, he continued to say, "We'll wait outside to ensure no one from the Smudge Crow Sect gets away..."

Li Rou said in feigned anger, "You haven't married Huan'er yet, but you're already ordering her around. How are you going to treat her once she marries you?"

Li Rou was naturally aware of her son's intention. She knew he wanted Huan'er to build a good relationship with her. Hence, she held Huan'er's hand and asked with a smile, "Huan'er, will you help me?"

“Of course, aunty. It’s my duty to help you...” Huan’er replied. She no longer felt awkward around Li Rou.

At this moment, Duan Ling Tian said through Voice Transmission, “Huan’er, please do as my mother says; there’s no need to show mercy. Nine out of ten members of the Smudge Crow Sect are disgusting human beings.”

After listening to the treatment of the Elegant Sect by the Smudge Crow Sect, Duan Ling Tian knew that the Smudge Crow Sect was not a righteous sect. In his opinion, it was not a pity to annihilate the sect. However, he knew he could not directly annihilate the Smudge Crow Sect. After all, there were still a number of members from the Elegant Sect who were held captive in the Smudge Crow Sect. The annihilation of the Smudge Crow Sect would have to wait until the members of the Elegant Sect were rescued. He was sure this was what his mother wanted as well.

After Huan’er left with Li Rou, Duan Ling Tian, Duan Ru Feng, and Elder Huo stood guard outside of the Smudge Crow Sect’s estate.

Duan Ling Tian extended his Divine Consciousness following that. After becoming a Celestial Emperor, this was the first time he had covered so much ground with his Divine Consciousness.

...

Huan’er and Li Rou caused a commotion as soon as they entered the Smudge Crow Sect’s estate.

After two days and two nights, the two women were still not done dealing with the people in the Smudge Crow Sect. Despite Li Rou’s hatred, the way she dealt with things was still rather lenient.

...

Duan Ling Tian did not find it strange that Li Rou and Huan’er were taking such a long time; this was within his expectations.

During this time, he was not idle. Those who tried to escape from the Smudge Crow Sect’s estate were instantly killed by his space energy.

...

On the third day.

“Hmm?” Elder Huo suddenly looked up into the distance.

Duan Ling Tian and Duan Ru Feng’s noticed Elder Huo’s sudden movement and followed the direction of his gaze.

As soon as they looked up, they saw two figures flying toward them from the distant sky.

Duan Ling Tian was not familiar with the person flying in the lead, but he recognized the person flying at the back. It was none other than the old monk who tried to save the lives of Fang Ji and the others but was taught a lesson by Elder Huo instead.

Chapter 3402: Shiva Nu

“Interesting...Did he find someone to help him?” Elder Huo smiled faintly as he looked at the two figures in the distance. “I wouldn’t have shown mercy if I knew he would come looking for trouble...”

“I didn’t expect this as well...” Duan Ling Tian said as he shook his head, “I was being gracious by sparing his life since he looked compassionate. To think, he dares to bring help and return to look for trouble...”

At this moment, the old monk had already arrived in front of the Smudge Crow Sect. He had brought a fat middle-aged monk who was two meters tall with him. As soon as he saw Duan Ling Tian, Duan Ru Feng, and Elder Huo, he cried out, “Brother! It’s them!”

Shiva Ping, the old monk, glared at Duan Ling Tian and Elder Huo. The compassionate expression on his face from a few days ago had vanished without a trace and was replaced by a vicious expression; he looked like a completely different person.

Meanwhile, a huge wine gourd could be seen hanging on the waist of the fat middle-aged monk. The wine gourd was the size of a five or six-year-old child. Upon hearing Shiva Ping’s words, he looked at Duan Ling Tian, Duan Ru Feng, and Elder Huo. When his gaze landed on Elder Huo, he narrowed his eyes and asked frostily, “Are you the one who injured my third brother?”

“That’s right.” Elder Huo took a step forward toward the fat monk fearlessly. “Your third brother intervened in matters unrelated to him and tried to save those who deserved death. I had spared his life because I felt he harbored no ill intentions. Do you intend on seeking revenge on his behalf?”

“He’s my brother; is it so surprising for me to stand up for him?” the fat monk said, “Sir, state your name. A titled Celestial Emperor who had comprehended triple-fused profundities can’t be a nobody.”

There were reclusive and sectless titled Celestial Emperors in the Devata Realms, but their numbers were not a lot. Most titled Celestial Emperors who had reached a certain level of strength would mostly join heaven-grade forces or the Heavenly Palace of their respective Devata Realms.

The fat monk had learned from his third brother that the red-clad old man before them had learned how to fuse three profundities. With such strength, he was certain the red-clad old man had to be somebody important.

“Perhaps, you should introduce yourself first,” Elder Huo said indifferently to the fat monk.

Before the fat monk could speak, Shiva Ping scoffed. Then, he lifted his chin arrogantly and said, “You better listen carefully. My eldest brother is Shiva Nu, the strongest titled Celestial Emperor under the Purple Revelation Heaven’s Heavenly Emperor. His title is the Wine Gourd Celestial Emperor!”

After Shiva Ping finished speaking, he stared at Elder Huo’s face intently, looking for traces of fear.

“So you’re the Wine Gourd Celestial Emperor, Shiva Nu.” Elder Huo nodded as he looked at the fat monk, Shiva Nu. “Tatoo, the Heavenly Emperor of the Purple Revelation Heaven, and I can be considered acquaintances. We had a chat once...”

Shiva Nu frowned upon hearing these words. “You’re acquainted with our Lord Heavenly Emperor?”

Tatoo was the name of the Heavenly Emperor of the Purple Revelation Emperor. He lived a reclusive life and did not make any new friends since he became the Heavenly Emperor of the Purple Revelation Heaven. It was not because he was opposed to it; it was mostly due to the circumstances. After all, once

one had reached a certain height, it would become more difficult for them to find friends on equal ground with them. As the saying went, 'It's lonely at the top.' For this reason, most of Tatoo's friends were people he knew before he became a Heavenly Emperor. He was someone who valued friendships, therefore, he almost never said no to friends who sought help from him.

Knowing this, Shiva Nu's attitude eased up slightly when he found out Elder Huo was acquainted with Tatoo.

On the other hand, Shiva Ping's expression turned unsightly upon hearing Elder Huo's words. "Are you sure you're acquainted with our Lord Heavenly Emperor? I think you're lying to get out of this situation after finding out about my brother's identity..." Although he was not certain if Elder Huo was lying, he was unwilling to give up. He continued to say, "I'm rather curious actually. Who are you? How do you know our mighty Lord Heavenly Emperor?"

Elder Huo glanced at Shiva Ping icily. A disdainful smirk appeared on his face as he turned back to Shiva Nu and said, "I'm Elder Huo, the Three-legged Golden Crow from the Heavenly Palace of the Solitary Destructive Heaven... I met Tatoo when he came over to the Solitary Destructive Heaven to congratulate our Lord Heavenly Emperor's return from the Asura Hell. If you're truly the strongest titled Celestial Emperor under Tatoo, I'm sure you must have heard about this matter..."

Back when Feng Qing Yang just returned from the Asura Hell, many Heavenly Emperors had come to the Solitary Destructive Heaven to congratulate him. Among them was Tatoo, the Heavenly Emperor of the Purple Revelation Heaven. Most importantly, the other Heavenly Emperors were disdainful of Tatoo and ostracized him at that time. He did not even get to speak to Feng Qing Yang at length after greeting Feng Qing Yang. The only person he had spoken at length with was Elder Huo; at that time, he had even invited Elder Huo to visit the Heavenly Palace of the Purple Revelation Heaven.

"Are you the Golden Crow Celestial Emperor?" Shiva Nu's eyes widened imperceptibly. It was just as Elder Huo had said; when Tatoo returned from the Solitary Destructive Heaven he had mentioned Elder Huo. That was when he had first heard of the Golden Crow Celestial Emperor from the Heavenly Palace of the Solitary Destructive Heaven.

Shiva Nu was quick to regain his senses. After taking a deep breath, he said with an attitude that was much more polite than before, "As it turns out you're Elder Huo. I apologize if I have offended you..."

Although Shiva Nu and Elder Huo were peers with both of them being subordinates of a Heavenly Emperor, Tatoo could hardly compare to Feng Qing Yang. Due to the differences in strength between the two Heavenly Emperors, Tatoo even had to curry favor with Feng Qing Yang. For this reason, Shiva Nu was respectful toward Elder Huo.

Before Elder Huo could reply, Shiva Nu said sternly, "Third brother, apologize to Elder Huo now."

Shiva Ping had recounted everything to Shiva Nu so Shiva Nu knew Shiva Ping's conflict with Elder Huo was just a minor one. Even if it was a major one, he would still make Shiva Ping apologize. When he saw the dissatisfaction and unwillingness on Shiva Ping's face, he warned Shiva Ping through Voice Transmission, "Let me tell you, even if I don't consider the Heavenly Emperor of the Solitary Destructive Heaven, I'm not confident I can defeat the Golden Crow Celestial Emperor. Our Lord Heavenly Emperor

once told me the Golden Crow Celestial Emperor should be ranked second among the titled Celestial Emperors under the Heavenly Emperor of the Solitary Destructive Heaven. This means his strength is below Meng Luo, the Heavenly Savage Celestial Emperor. The Golden Crow Celestial Emperor isn't someone we can afford to offend!"

After listening to Shiva Nu's words, despite feeling unwilling, Shiva Ping still apologized to Elder Huo. "I apologize, Elder Huo. I was wrong, and I hope you can forgive me."

"There's no need for you to apologize to me," Elder Huo said as he turned to look at Duan Ling Tian who stood beside him and said, "This is the Young Master of the Solitary Destructive Heaven, the only true disciple of our Lord Heavenly Emperor. He's the one you should be apologizing to..."

Shiva Nu's expression changed instantly. He had assumed Shiva Ping had only offended Elder Huo; he did not expect Shiva Ping to have offended the only true disciple of the Heavenly Emperor of the Solitary Destructive Heaven as well. He inhaled deeply and looked at Shiva Ping meaningfully with a dark expression on his face. "Third brother."

At this time, a hint of fear could be seen in Shiva Ping's eyes. There was no need for Shiva Nu to warn him anymore as he bowed and said, "Young Master, I was nosy. I hope you'll forgive me."

Duan Ling Tian had no intention of making a big deal out of this matter so he nodded and said indifferently, "Let this be the end of this matter."

"Thank you, Young Master." Shiva Nu was quick to express his gratitude. Following that, he asked with a smile, "Young Master, since you're here in the Purple Revelation Heaven, why don't you visit our Heavenly Palace? I'm sure our Lord Heavenly Emperor will be happy to meet you."

Elder Huo was certain Duan Ling Tian would refuse the invitation when Duan Ling Tian nodded. "Alright. However, I'm afraid it'll have to wait until my mother is done dealing with the Smudge Crow Sect."

"It's fine, it's fine. We can wait," Shiva Nu said enthusiastically. After that, he asked curiously, "Young Master, the Smudge Crow Sect is just a sixth-grade sect; I wonder how it's related to your mother?"

Meanwhile, Shiva Ping alternated between looking at Duan Ling Tian in awe and avoiding Duan Ling Tian's gaze. He thought to himself, 'The true disciple of Heavenly Emperor Feng Qing Yang? I know he only had a few nominal disciples in the past. His status should be of equal value with Meng Luo in Heavenly Emperor Feng Qing Yang's eyes.'

'Heavenly Emperor Feng Qing Yang's divine artifact was destroyed when he was forced to enter the Asura Hell. Despite that, I heard after he left the Asura Hell, he gave Meng Luo a divine artifact. This means that Heavenly Emperor Feng Qing Yang probably collected many divine artifacts while he was in the Asura Hell.' Greed flashed in Shiva Ping's eyes, and he quickly lowered his head to hide it. 'If this young man is Heavenly Emperor Feng Qing Yang's true disciple, it stands to reason that Heavenly Emperor Feng Qing Yang must have given him a divine artifact as well... Even our Lord Heavenly Emperor doesn't own a divine artifact...'

Chapter 3403: The Heavenly Emperor of the Purple Revelation Heaven

Duan Ling Tian briefly summarized his mother's experience in response to Shiva Nu's question.

Shiva Nu said furiously, "This Smudge Crow Sect is utterly devoid of conscience! If all the major sects in the Purple Revelation Heaven are like them, the Purple Revelation Heaven would be doomed. This kind of sect shouldn't exist!" Then, he looked at Duan Ling Tian and said righteously, "Young Master, just say the word and I'll annihilate the Smudge Crow Sect on your behalf!"

"There is no need to use a hammer to kill an ant. My mother can handle it," Duan Ling Tian said with a faint smile.

...

After waiting for another day and night, Duan Ling Tian finally saw Li Rou and Huan'er.

At this moment, Huan'er was supporting Li Rou who wore a dark expression on her face. Although the Smudge Crow Sect had been destroyed, she was not happy at all.

A group of women, ranging from young to old, followed behind Li Rou. Most of their eyes were red, speaking of the grievances they had suffered.

"Tian'er," Li Rou said when she arrived in front of Duan Ling Tian, "I'd like to send them back to the Elegant Sect before leaving with you. Can you think of a way to protect them after our departure? All the powerhouses from the Elegant Sect have perished; it would be tough for the sect even if I'm around..."

"Elder Li Rou!"

Before Duan Ling Tian could reply, a group of Elegant Sect disciples fell to their knees and said in unison, "Please return and stay in the Elegant Sect to lead us!"

Although they knew Li Rou's strength was not strong enough to protect the Elegant Sect, they had witnessed Huan'er's strength. In their opinion, if Li Rou stayed, Huan'er would stay as well. With the protection of someone like Huan'er, the Elegant Sect would definitely be better than before.

Li Rou said gently but firmly, "Don't worry. Before I leave, I'll make sure the sect is well-protected. I won't let any of you be bullied or wronged again!" However, a frown appeared on her face as she continued to say, "I've already told you I can no longer stay in the Elegant Sect. As for Huan'er, it's even more impossible for her to do so..."

The group of Elegant Sect disciples could detect a hint of impatience in Li Rou's tone so they wisely remained silent. Even if there were other elders from the sect present who were stronger than Li Rou, there was nothing they could do to force Li Rou to stay. After all, the peerless beauty next to Li Rou was so powerful that it was beyond their imaginations. They had seen how the Celestial Lord from the Smudge Crow Sect could not even withstand a blow from Huan'er before he died.

At this time, Duan Ling Tian smiled faintly before he said reassuringly, "Mother, I know what to do..."

Following that, Duan Ling Tian and the others accompanied Li Rou to escort the members of the Elegant Sect back to the sect's estate.

After everything was dealt with, before they left, Li Rou looked at the Elegant Sect's estate with a hint of reluctance. "Tian'er, they..."

Since Duan Ling Tian had not told Li Rou about his plan to protect the Elegant Sect after their departure, she could not help but worry. Moreover, to leave after escorting them back to the sect felt like she was abandoning them.

“Mother, we’ll visit the Heavenly Palace of the Purple Revelation Heaven with Senior Shivan Nu before I deal with the matters of the Elegant Sect,” Duan Ling Tian said with a smile. Following that, he sent his mother a Voice Transmission and continued to say, “Mother, I plan to ask for a favor from the Heavenly Emperor of the Purple Revelation Heaven; I’ll ask him to look after the Elegant Sect. I know the sect means a lot to you so I won’t just abandon the sect...”

Although Duan Ling Tian was grateful to the Elegant Sect for taking care of his mother during his absence, he knew they could not stay for long. Even if his mother and Huan’er could stay, it would only attract trouble. The best solution was to ask for a favor from the Tatoo, the Heavenly Emperor of the Purple Revelation Heaven, to look after the sect after their departure. This was the only reason he had accepted Shiva Nu’s invitation to visit the Heavenly Palace of the Purple Revelation Heaven and to meet Tatoo.

Although Feng Qing Yang was much stronger than Tatoo, the Purple Revelation Heaven was not the Solitary Destructive Heaven. It was only natural that Tatoo had a bigger influence here. For this reason, he decided to meet Tatoo.

...

When the group arrived near the Heavenly Palace of the Purple Revelation Heaven, Shiva Ping said, “Eldest brother, I’ll take my leave first.”

Shiva Ping did not even spare Duan Ling Tian and the others a glance before he made his way to the nearest transportation site. No one noticed the greed flashing in his eyes.

...

The Heavenly Palace of the Purple Revelation Heaven was located high up in the sky among the clouds above a desert. From afar, it was shaped like a huge crouching beast.

“Lord Nu!”

As soon as they arrived at the gates of the Heavenly Palace, everyone they encountered greeted Shiva Nu respectfully. This treatment was not surprising since Shiva Nu was the strongest titled Celestial Emperor after the Heavenly Emperor of the Purple Revelation Heaven. His position was similar to Meng Luo’s position in the Heavenly Palace of the Solitary Destructive Heaven. In the absence of the Heavenly Emperor of the Purple Revelation Heaven, Shiva Nu would be in charge.

“Our Lord Heaven Emperor lives in the mountain valley over there.” Shiva Nu pointed at a huge floating island that was like a world of its own as he led Duan Ling Tian and the others to the eastern side of the island.

Currently, Duan Ru Feng, Li Rou, and Huan’er had already returned to Duan Ling Tian’s Little World. Only Elder Huo remained outside to accompany Duan Ling Tian.

As soon as they stepped foot into the valley, a burst of laughter rang in the air.

“Elder Huo, it’s been a while since we last met!”

Duan Ling Tian saw a courtyard up ahead. A tall and muscular old man who was 1.9 meters tall could be seen standing outside at this time. His hair was cropped close to his head, and what could be seen of them was greyish-white. He was dressed in a luxurious golden robe that would be considered tacky back on earth.

‘So this must be Tatoo, the Heavenly Emperor of the Purple Revelation Heaven. Otherwise known as the Great Origin Celestial Emperor?’ During their journey here, Duan Ling Tian had learned a little about Tatoo from Elder Huo.

“Lord Tatoo,” Elder Huo greeted Tatoo with the respect he was due before he introduced Duan Ling Tian to Tatoo.

“Greetings, Heavenly Emperor Tatoo...” Duan Ling Tian said with a bow.

Tattoo said with a smile, “There’s no need for you to be so formal. After all, you can be considered as my junior nephew since your Heavenly Emperor Feng Qing Yang’s true disciple. You can just refer to me as Junior Uncle if you don’t mind.”

Although Duan Ling Tian knew Tatoo was trying to curry favor with him because of Feng Qing Yang, he obliged and called out, “Junior Uncle...”

“Junior Nephew Duan, since this is the first time we meet, I should prepare a meeting gift for you. However, as Heavenly Emperor Feng Qing Yang’s true disciple, I’m sure you lack nothing. Therefore, I shouldn’t embarrass myself by giving you material items. Instead, I’ll give you my word. If there’s anything you need help with in the future, just say the word, and I’ll do what I can.”

Tattoo’s generosity shocked even Shiva Nu. Regardless of Tattoo’s strength in comparison to other Heavenly Emperors, he was still a Heavenly Emperor who ruled a Devata Realm, after all.

Upon hearing Tattoo’s words, Duan Ling Tian’s lit up immediately. Since Tattoo himself mentioned this, he said without beating around the bush, “Junior Uncle Tatoo, to be honest, there’s something that I need your help with...”

“Hm?” Tattoo was stunned. He did not expect Duan Ling Tian would have something to ask from him so quickly. He could not help but smile bitterly as he thought to himself, ‘Although I’m nowhere as powerful as your master, my words still hold weight. Are you really going to use it so easily?’

Duan Ling Tian knew what was going through Tattoo’s mind so he shook his head and said, “Junior Uncle Tatoo, please don’t misunderstand me. It’s not that I take your promise lightly, but only you can help me with this matter...”

“Hmm?” Tattoo looked at Duan Ling Tian with a hint of curiosity. “It seems like I’ve misunderstood you. What is it that you need my help with?”

Duan Ling Tian’s expression turned solemn as he said, “Junior Uncle Tatoo, my mother...”

Tatoo listened as Duan Ling Tian explained what had happened. In the end, Duan Ling Tian said, "Although the Elegant Sect is just a mere seventh-grade sect, my mother was there for some time, and she cares about the sect's future. At present, the sect isn't strong enough to protect itself. Therefore, I hope Junior Uncle Tatoo will warn the other sects and clans to stay away from the Elegant Sect to ensure the sect's safety. There's no need to raise the strength of the sect or anything like that. As long as the sect is safe, that's more than enough..."

Although Duan Ling Tian could easily intimidate the forces around the Elegant Sect to stop them from harassing the Elegant Sect, the effect of the intimidation would not last for long since he would not be in the Purple Revelation Heaven. It would be much more effective for Tatoo, the Heavenly Emperor of the Purple Revelation Heaven, to take action.

"Is that all?" Tatoo, who had been expecting Duan Ling Tian to ask for a huge favor, was dumbfounded when he heard Duan Ling Tian's request. In the end, he said, "Junior Nephew Duan, there's no need for you to waste my promise on such a small request..."

Chapter 3404: A Stalemate

Duan Ling Tian smiled wryly. Then, he said solemnly, "Junior Uncle Tatoo, this might be a small matter to you, but it's important to me. The sect matters to my mother, therefore, it matters to me as well..."

"Alright," Tatoo said with a sigh, "Your mother is truly lucky to have a son like you. In any case, I'll help you with this matter, but there's no need to waste the promise I've given you on it..."

It was beneficial for Tatoo to have a connection with Duan Ling Tian, after all. If Duan Ling Tian used up the promise so quickly, he would lose all connections to Duan Ling Tian. He wanted to maintain a good relationship with the purple-clad young man in front of him. After all, the purple-clad young man was the only true disciple of Feng Qing Yang, the Heavenly Emperor of the Solitary Destructive Heaven!

"Thank you, Junior Uncle Tatoo." Duan Ling Tian hurriedly expressed his gratitude.

Tatoo did not waste time. He looked at Shiva Nu who was standing next to him and said, "Ah Nu, pass down my words. From now on, the Elegant Sect is under the protection of the Heavenly Palace of the Purple Revelation Heaven. Those who act against the sect will be considered as acting against the Heavenly Palace!" His eyes glinted coldly when he spoke.

"Understood, Lord Heavenly Emperor," Shiva Nu responded before he left.

After Shiva Nu left, Tatoo invited Duan Ling Tian to stay for a few more days in hopes of bettering his relationship with Duan Ling Tian. However, Duan Ling Tian politely refused the invitation and said he had urgent matters to attend to.

Now that Duan Ling Tian had found his parents, his daughter, Feng Tian Wu, and Feng Wu Dao, he was even more eager to find the others. 'Little Fei'er, Nian Tian, Xue Nai, and Junior Sister Mu Yi Yi's Soul Pearls are all intact; I must find them soon...'

He felt even more worried about the others ever since he rescued his mother. After all, if he did not arrive in time, his mother would have died. He was afraid the others would be in similar situations like his mother, and he would arrive too late to save them.

Tatoo did not force the matter. He said with a smile, "I'll summon someone to bring you to the transportation site in the palace..."

"In that case, I shall summon someone to bring you to the Transportation Formation which leads to the Solitary Destructive Heaven." Tatoo said smilingly.

Soon after, a grey-clad old man with an extraordinary bearing appeared. It was clear he was someone important. When he smiled, he looked even more terrifying than if he were to frown. "Young Master Duan, Elder Huo, this way please..."

Duan Ling Tian bade farewell to Tatoo before he and Elder Huo followed the grey-clad old man.

Before they arrived at the transportation site, a figure rushed toward them. It was none other than Shiva Nu. "Young Master Duan, Elder Huo, you're leaving so fast?"

"Senior Shiva Nu, I thought you've left for the Elegant Sect?" Duan Ling Tian was confused when he saw Shiva Nu. He assumed Shiva Nu had left to pass down Tatoo's words.

"I was about to leave when it occurred to me that I didn't know if you're leaving or staying. If you decided to leave, I thought I'd send you off before I leave for the Elegant Sect..." Shiva Nu said with an amicable smile.

"I appreciate the thought, Senior Shiva Nu," Duan Ling Tian said with a small smile, "However, there's no need for that..."

"Don't worry. It won't take up much of my time; the transportation site is just up ahead..." Shiva Nu said. Then, he turned to say to the grey-clad old man, "Li Yu, I'll accompany Young Master Duan and Elder Huo to the transportation site; you may take your leave now."

"Understood, Lord Nu." Although the grey-clad old man, Li Yu, was also a titled Celestial Emperor in the Heavenly Palace of the Purple Revelation Heaven, he was only slightly above average among his peers. How could he dare to disobey Shiva Nu who was the strongest titled Celestial Emperor under Tatoo?

After Li Yu left, Shiva Nu took over and led Duan Ling Tian and Elder Huo to the transportation site enthusiastically.

It did not take long before they arrived in front of a huge stone platform that contained the Transportation Formation.

Two old men stood guard over the Transportation Formation. They were merely ordinary Celestial Emperors. After all, it was impossible for titled Celestial Emperors to do such menial tasks. The duo greeted Shiva Nu as soon as they saw him, "Lord Nu!"

Shiva Nu nodded indifferently at the two old men. After that, he turned to look at Duan Ling Tian and Elder Huo. "Young Master Duan, Elder Huo, I hope we'll have a chance to meet again."

"Senior Shiva Nu, you can visit us at the Heavenly Palace of the Solitary Destructive Heaven when you have time," Duan Ling Tian said with a smile. "However, I won't be in the Solitary Destructive Heaven for some time due to certain matters. However, I'll definitely return once I've dealt with everything."

"You're welcome to visit any time." Elder Huo had also nodded at Shiva Nu.

“Alright.” Shiva Nu nodded and watched Duan Ling Tian and Elder Huo fly toward the stone platform.

Before Duan Ling Tian and Elder Huo landed, Shiva Nu suddenly called out, “Wait a minute!”

Duan Ling Tian and Elder Huo stopped in their tracks immediately.

Without waiting for Duan Ling Tian to speak, Shiva Nu said with a slight frown, “I just received a message from the Lord Heavenly Emperor...”

“Hm?” Duan Ling Tian and Elder Huo looked at Shiva Nu in confusion.

Shiva Nu flew up to the stone platform and said, “Elder Huo, the Lord Heavenly Emperor says he has a gift for Heavenly Emperor Feng Qing Yang. I said that I’ll fetch the item and pass it to you, but he said it’s inconvenient for me to do so. Do you mind collecting the item?”

“Hm?” Elder Huo frowned slightly; the matter was too sudden after all. What could Tatoo have for Feng Qing Yang?

“Elder Huo, just go,” Duan Ling Tian said with a smile, “It’s not too far away. You’ll be done in a few minutes. Junior Uncle Tatoo seems nice; don’t make him wait...”

“Understood.” Elder Huo nodded before he transformed into a ball of flames and flew up into the sky, disappearing in just an instant.

As soon as Elder Huo left, Shiva Nu’s eyes flashed coldly.

Following that...

Bang! Bang!

Two loud explosions rang in the air. They came from the two old men who were guarding the Transportation Formation. Their bodies had exploded and were strangely emitting vitality energy.

After a moment, Duan Ling Tian discovered the two old men were already dead a long time ago. They were probably killed by the vitality energy.

A thought appeared in Duan Ling Tian’s mind instantly. ‘The law of life!’

Boom!

As an attack fell on Duan Ling Tian, a huge tree promptly shrouded him. However, the tree seemed to be under a huge pressure at this moment; it looked like it was on the verge of collapse.

Duan Ling Tian spat out a mouthful of blood before he said weakly, “Senior Shiva Nu, what are you doing? You won’t be able to get away with killing me! Let alone my master, even Heavenly Emperor Tatoo won’t let you off!” His voice grew weaker and weaker as he said, “I’m really curious. Why did you send Elder Huo away just to kill me? When did I offend you?”

Shiva Nu laughed heartily upon hearing Duan Ling Tian’s words. “Duan Ling Tian, your response is really fast. I didn’t expect you to dodge my sneak attack. You’re right; Shiva Nu has no reason to kill you. There’s no enmity between both of you after all. Before you die, open up your eyes to see who I am!”

With that, Shiva Nu's huge belly began to shrink. After a short moment, Shiva Nu had vanished. In his place stood Shiva Ping.

Duan Ling Tian was taken aback. Shiva Ping had left long before they entered the Heavenly Palace of the Purple Revelation Heaven. Moreover, he was surprised he did not sense Shiva Ping's disguise at all. "I didn't expect it to be you. Where did you learn the technique? And why do you want to kill me?"

"What do you think? Of course, it's for the divine artifact in your possession," Shiva Ping said with a sneer. Following that, Celestial Origin Energy boosted with the law of life swept out toward Duan Ling Tian. Then, he watched as he said, "Brat, if it weren't because we're running out of time, I would have made you suffer before killing you! Now, die!"

Chapter 3405: Mu Yi Yi's Whereabouts

Whoosh! Whoosh! Whoosh!

Similar to the law of wood, apart from possessing the ability to injure and kill, it possessed the ability to heal as well.

When Shiva Ping attacked, the unique silhouette of a snake-like plant appeared. It was green and covered in deadly-looking thorns. After boosting his Celestial Origin Energy with the law of life, he swiftly sent it toward Duan Ling Tian. It was as though tens of thousands of saber rays were sweeping toward Duan Ling Tian and the Pine Willow Divine Tree from the Godly Image Phenomenon.

All of a sudden...

Boom!

A thunderous explosion rang in the air and the ground shook just as Shiva Ping's attack was about to land on the Pine Willow Divine Tree. A terrifying and deadly flame surged, destroying his attack.

'Why is he here? Didn't he leave?' Shiva Ping's expression changed drastically when he saw the red-clad figure shrouded in flames.

The person who appeared in the nick of time in front of the Pine Willow Divine Tree to stop Shiva Ping was none other than Elder Huo.

Shiva Ping was confused. He had lured Elder Huo away so what was Elder Huo doing here?

At this time, Duan Ling Tian's voice rang in the air. His voice sounded clear and strong unlike how weak it was before. It was as though everything was an act earlier.

"Elder Huo, it seems like I was mistaken. I thought Shiva Nu was up to no good, but it turned out to be Shiva Ping instead..."

Following that, Shiva Ping watched as the Pine Willow Divine Tree disappeared; in its place stood a purple-clad young man who was looking at him mockingly at this moment.

Duan Ling Tian looked at Shiva Ping as he coldly asked, "You must be wondering why Elder Huo is here..."

Shiva Ping's expression grew worse as he listened to Duan Ling Tian's words.

“When you said Heavenly Emperor Tatoo had told you that he wanted to see Elder Huo, I thought it was strange. After all, he could have just contacted the person who was leading us here... Moreover, in Heavenly Emperor Tatoo’s eyes, Shiva Nu should’ve already left the Purple Revelation Heaven. That’s why I told Elder Huo to go along with your plan and pretend to leave so I can see what you’re trying to do. As it turns out, you masqueraded as your brother to kill me... I really didn’t expect it to be you; I was so sure it was your brother who harbored ill intentions. After all, your disguise was flawless and impressive. If I’m not mistaken, it should be your innate skill, right?” Duan Ling Tian said as he looked at Shiva Ping mockingly.

At this time, Duan Ling Tian knew Shiva Ping was not human but a type of plant, based on Shiva Ping’s earlier attack. It should be a plant with strong camouflage skills. Otherwise, Shiva Ping’s disguise would not be without flaws.

Shiva Ping’s expression darkened now that his plan had been exposed. He hurriedly reverted to the snake-like plant earlier and fled, looking like a green dragon.

“Trying to escape?” Elder Huo sneered. With a wave of his hand, he sent the Seven Treasures Exquisite Pagoda after Shiva Ping. It caught up quickly and took Shiva Ping down.

Bang!

Shiva Ping fell to the ground. No matter how hard he struggled, he could not free himself from the Seven Treasures Exquisite Pagoda’s restraint. When he finally realized he could not free himself, he grew terrified. He knew if he did not beg for mercy now he would definitely die. “Young Master, I’m sorry! I was... I was just joking earlier...”

Duan Ling Tian said derisively, “Didn’t you say you want my divine artifact earlier? Don’t you want it anymore?”

Shiva Ping trembled. “Young Master, I-I was just joking...”

Duan Ling Tian asked frostily, “Why do you think I possess a divine artifact?”

Shiva Ping replied honestly, “In my opinion, Heavenly Emperor Feng Qing Yang must have obtained more than one divine artifact when he was in the Asura Hell since he gave the Heavenly Savage Celestial Emperor a divine artifact after his return. Everyone has heard about this. I heard from my brother that even Heavenly Emperor Tatoo thinks that Heavenly Emperor Feng Qing Yang must have obtained a few divine artifacts during his time in the Asura Hell. If that was true, I was sure he would have given you one as well...”

“I see. So you planned to kill me and snatch it away...” Duan Ling Tian nodded with a faint smile on his face.

“Young Master, please forgive me! Please show mercy!” Shiva Ping did not hesitate to grovel when he sensed the killing intent Elder Huo emitted while controlling the Seven Treasures Exquisite Pagoda.

Duan Ling Tian smiled icily as he said, “Shiva Ping, you might not be aware of this... Although I’m Heavenly Emperor Feng Qing Yang’s true disciple, I’ve yet to meet him. How could he have given me a divine artifact when we haven’t even met?”

Duan Ling Tian's words were like an unexpected lightning bolt that struck Shiva Ping silly. He felt like a joke. From the beginning until the end, his actions were futile. He thought he would be able to gain a divine artifact by killing Duan Ling Tian; who knew Duan Ling Tian had not even met Feng Qing Yang? Then, he began to say in desperation, "Young Master, you can't kill me! If you kill me, my eldest brother will definitely hunt you down!"

Duan Ling Tian cocked an eyebrow. "Is that so?" Then, he turned to Elder Huo and said, "Elder Huo, since he's so sure about his eldest brother's stance, let's bring him to Heavenly Emperor Tatoo. I want to see how this matter plays out..."

...

Tatoo was surprised when he saw Duan Ling Tian and Elder Huo returning to his cultivation ground.

"Junior Uncle Tatoo..." Duan Ling Tian briefly recounted what had happened to Tatoo.

Tatoo's expression grew darker and darker as he listened to Duan Ling Tian.

At the same time, Shiva Ping did not stop pleading for his life. "Please show mercy, my lord! I was temporarily blinded by greed. Please spare me! My brother has been so loyal to you all his life so please spare me..."

Tatoo ignored Shiva Ping. He remained silent as though he was lost in his thoughts. After a while, he finally said indifferently, "I've just spoken to your brother and told him about what happened. He said it's time for you to take responsibility for your actions. He said he has done enough for you all this time, cleaning up your messes. Since you offended the Solitary Destructive Heaven, there's nothing he can do to protect you now..."

Shiva Ping fell into despair when he heard Tatoo's words. Suddenly, a strange black mist shrouded him. When the black mist dissipated, all that was left of Shiva Ping was a puddle of blood with a Spatial Ring sitting in the center.

Tatoo, who did not move at all when he attacked, asked, "Junior Nephew Duan, are you satisfied with the way I dealt with this matter?"

"Thank you, Junior Uncle Tatoo." Duan Ling Tian nodded and expressed his gratitude.

Before Duan Ling Tian and Elder Huo left, Tatoo said, "Junior Nephew Duan, Shiva Nu wants to clarify that he doesn't take this matter to heart. In fact, he and Shiva Ping aren't related by blood. Shiva Nu treated Shiva Ping as his brother because they grew up together. For many years, Shiva Ping had offended many people without any care due to Shiva Nu's status as the strongest titled Celestial Emperor under my command. This time, it was Shiva Nu who requested that I kill Shiva Ping."

Duan Ling Tian shook his head and said with a faint smile on his face, "There's no need to explain, Junior Uncle Tatoo. I'm not the kind who would unreasonably shift the blame to another person..."

With that, Duan Ling Tian and Elder Huo left.

This time, Duan Ling Tian had spent quite a long time in the Purple Revelation Heaven. After all, he had to deal with the matters regarding the Elegant Sect. He knew his mother cared about the Elegant Sect, and if he did not ensure the safety of the sect, his mother would definitely worry and feel unwilling to leave.

With Tatoo's promise to protect the Elegant Sect, Duan Ling Tian knew he had helped lift the weight off Li Rou's shoulders.

...

After leaving the Purple Revelation Heaven through a Transportation Formation, Duan Ling Tian said, "Elder Huo, let's continue to look for the others..."

The duo continued to search through various Devata Realms.

"Little Fei'er, Nian Tian, Xue Nai, Junior Sister Mu Yi Yi... Where are you?"

Since Duan Ling Tian found a few of his loved ones, he managed to find out the status of the others whom he had yet to find through their Soul Pearls. Apart from those he found and Ke'er, who was still in the Divine Offering Land, the only ones who were still alive were Li Fei, Duan Nian Tian, Han Xue Nai, and Mu Yi Yi.

With Li Rou's close brush with death, Duan Ling Tian grew even more desperate to find the others. He was afraid something would happen to them if he failed to find them quickly enough.

One day, after traveling to a few Devata Realms and arriving in the Luo River Heaven, Feng Tian Wu suddenly said, "Brother Duan, I received a response from Senior Sister Mu Yi Yi!"

Duan Ling Tian's eyes brightened immediately. "Where's Junior Sister Mu Yi Yi now?"

Although Mu Yi Yi was not younger than Duan Ling Tian, she was considered as Duan Ling Tian's junior sister since she was ranked below the Fog Rain Progeny in the Seven Absolutes Sect,

On the other hand, Mu Yi Yi was ranked higher than Feng Tian Wu who was the successor of the Blazing Phoenix Progeny so Feng Tian Wu had to address her as senior sister.

Chapter 3406: Mu Yi Yi is Possessed

Mu Yi Yi was a heaven-defying Dao cultivator and the successor of the Second Absolute, the Prophet Progeny, in the Saint Province Realms's Seven Absolutes Sect. She was also one of Duan Ling Tian's friends who were brought to the Divine Offering Land by Yun Qing Yan from the Yun Clan. She was later sent back to the mundane realm by Ke'er's third uncle, Xia Jie, the Third Master of the Xia family.

However, Mu Yi Yi was sent to another mundane realm instead of the Saint Province Realm due to an accident. Similar to the others, after absorbing the Heaven and Earth Spirit Energy in a Realm of Gods, her innate talent rose. It was not long before she ascended to a Devata Realm called the Luo River Heaven.

Things went well for Mu Yi Yi even after she had ascended to a Devata Realm. She was the proud female prodigy of the Luo River Sect. The Luo River Sect was the force that the Heavenly Emperor of the Luo River Heaven belonged to. In fact, the Heavenly Emperor of the Luo River Heaven was also the Sect

Leader of the Luo River Sect. This had been the tradition of the Luo River Heaven; the Heavenly Emperors were always the Sect Masters of the Luo River Sect. It was rather to the Qilin clan in the Ten Thousand Beasts Heaven. The only difference was there was a slight distinction between the Qilin clan and the force at the Heavenly Palace of the Ten Thousand Beasts Heaven whereas the Lu River Sect and the Heavenly Palace of the Luo River Heaven were considered one and the same.

Currently, Mu Yi Yi was a Four Phenomenon Celestial Lord; she was also the disciple of the Saint Girl of the Luo River Sect. The Saint Girl of the Luo River Sect was the biological daughter of the Heavenly Emperor of the Luo River Heaven.

When Duan Ling Tian finally met Mu Yi Yi, he could hardly recognize her.

“Junior Sister Yi Yi.”

“Senior Brother Duan.”

Mu Yi Yi was dressed in all white. Her aloofness made Duan Ling Tian feel as though she was a different person from the Mu Yi Yi he used to know. When she greeted Duan Ling Tian, her tone was indifferent. Although she was not a particularly cheerful person in the past, she was still friendly to Duan Ling Tian.

Duan Ling Tian mused inwardly, ‘It seems like time has changed her into a different person...’

“Junior Sister Yi Yi, I’m here to...” Duan Ling Tian told Mu Yi Yi about his plan to bring her away from the Luo River Heaven and that he could provide her with a better cultivation environment. Although she had changed, he believed she did not lose her innate goodness. Nevertheless, as a precaution, he did plan to let her enter his Little World. Since he did not fully trust her, he felt would be inviting trouble if he let her know about the existence of the Five Divine Elements and the Heaven and Earth Spirit Energy from the remnant of a Realm of Gods in his Little World. He could not but put his guard up after he sensed her change.

“Senior Brother Duan, who is this?” Mu Yi Yi asked after Duan Ling Tian finished speaking. She shifted her eyes to Elder Huo who was standing behind Duan Ling Tian.

“This is Elder Huo,” Duan Ling Tian said and introduced Elder Huo to Mu Yi Yi.

Elder Huo frowned slightly when he looked at Mu Yi Yi. Then, he said to Duan Ling Tian through Voice Transmission, “Young Master, I sense two soul auras in your junior sister’s body...”

Duan Ling Tian asked in confusion, “Two soul auras? What does that mean?”

“It seems like she’s possessed, but the possession isn’t complete,” Elder Huo explained.

“She’s possessed?” Duan Ling Tian narrowed his eyes. It was not the first time he had heard about possession. In fact, he had experienced it when he was in the mundane realm. His soul had traveled from Yan Huang Realm to the Saint Province Realm before entering the body of the Rebirth Martial Emperor. At that time, his soul and the Rebirth Martial Emperor’s soul had struggled for dominion over the body. Fortunately, he was not bound by the heavenly rules of the Saint Province Realm and was able to take control of the Rebirth Martial Emperor’s body. Although the Rebirth Martial Emperor’s memories slowly faded away as time passed, it helped him to build a great foundation that paved the way to where he was today.

Duan Ling Tian asked skeptically, "Isn't it difficult to possess a celestial? It'd be difficult even for a Celestial Emperor to possess another celestial since the celestial could destroy his or her own body. Even if the possession is successful, it's said one's cultivation base would not advance after that. For all these reasons, no one would possess another person unless it's absolutely necessary..."

"You're right. What I said is just my speculation; I'm not entirely sure," Elder Huo said.

At this time, Duan Ling Tian recalled Feng Tian Wu was the one who contacted Mu Yi Yi and arranged for them to meet at the entrance of the Luo River Sect. He asked, "Tian Wu, why don't you come out?"

Feng Tian Wu seemed unwilling to leave Duan Ling Tian's Little World. She said hesitantly, "Brother Duan, I don't know if I'm mistaken, but Senior Sister Yi Yi seems strange. She feels like a different person from when we spoke to each other..."

Feng Tian Wu could sense something was amiss with Mu Yi Yi. She was hesitant to meet Mu Yi Yi because the current Mu Yi Yi was like a completely different person.

Duan Ling Tian studied Mu Yi Yi for a moment. He could see there was not even a trace of delight at all in her eyes at being reunited after so long. His heart sank immediately; was Mu Yi Yi really possessed?

At this time, Elder Huo said, "Young Master, I suggest we take her and leave. I can sense a weak soul aura in her body; it should be her real soul. The stronger soul doesn't seem to have any intention of destroying her soul. Instead, it seemed like it's trying to... make her soul submit..."

"Make her soul submit?" Duan Ling Tian frowned.

"Yes!" Elder Huo nodded. "If it could make her soul submit, it would inherit all her memories and knowledge. It would be able to complete the possession perfectly without any side effects. However, not everyone is capable of using this technique. Even among titled Celestial Emperors, very few are capable of this..." A hint of fear could be heard in Elder Huo's voice when he spoke.

"Alright. Let's bring her away!" Duan Ling Tian said solemnly. Physically, Mu Yi Yi seemed fine, but he knew possession was a serious matter.

Elder Huo nodded slightly. He immediately restrained Mu Yi Yi without any hesitation.

Following that, Duan Ling Tian and Elder Huo brought Mu Yi Yi away from the Luo River Sect.

The disciples of the Luo River Sect guarding the entrance were stunned when they saw Mu Yi Yi being taken away.

"Junior Sister Mu Yi Yi has been kidnapped!"

"Hurry! Inform the elders!"

"Hurry! Inform the Saint Girl! If anything happens to Junior Sister Mu Yi Yi, we're dead!"

...

Duan Ling Tian and Elder Huo did not encounter any obstacle as they returned to the Heavenly Palace of the Solitary Destructive Heaven through the Transportation Formation in the Luo River Heaven.

Now that they had returned to the Heavenly Palace of the Solitary Destructive Heaven, Elder Huo released Mu Yi Yi from his restraint.

Due to the restraint, Mu Yi Yi had been unconscious the entire time. Now that she regained her consciousness, she looked at the unfamiliar surroundings in confusion. Although she did not know where she was, it was not hard to figure out Duan Ling Tian had taken her away from the Luo River Sect. "Senior Brother Duan, what are you doing?"

Duan Ling Tian did not beat around the bush and coldly asked, "Who are you? Why did you possess Junior Sister Mu Yi Yi?"

"Senior Brother Duan, what are you talking about?" Mu Yi Yi seemed stunned and confused by Duan Ling Tian's question. However, the subtle panic that flashed in her eyes briefly did not escape Duan Ling Tian's notice.

"Elder Huo, under such circumstances, what should we do?" Duan Ling Tian asked. He was confident Elder Huo would have a solution since Elder Huo suggested bringing Mu Yi Yi back to the Heavenly Palace of the Solitary Destructive Heaven.

Sure enough, Elder Huo said, "I've sent a message to the Profound Soul Celestial Emperor. He should be able to help us since he specializes in soul attacks."

Shortly afterward, a medium-build middle-aged man with dark green messy hair flew toward Duan Ling Tian and Elder Huo. His hair fluttered in the air like dark green pythons even though there was no breeze. As soon as he arrived, he bowed. "Greetings, Young Master. I'm Mo He, the Profound Soul Celestial Emperor."

Duan Ling Tian was slightly surprised by Mo He's hair. When he regained his senses, he hurriedly said, "Senior Mo He, Elder Huo must have told you everything, right?"

Mo He nodded as he studied Mu Yi Yi. His eyes flashed with a green light as a strong soul energy and his Divine Consciousness swept toward Mu Yi Yi.

At this moment, Mu Yi Yi could no longer remain calm. She glared at Mo He and said threateningly, "I don't care who you are, but if you act recklessly, my mother will never let you get away with this! My mother is the Sect Leader of the Luo River Sect and the Heavenly Emperor of the Luo River Heaven!"

Mo He, shocked by Mu Yi Yi's words, instantly withdrew his soul energy and Divine Consciousness before he looked at Duan Ling Tian and Elder Huo.

Duan Ling Tian sneered before he said, "So, you finally decided to come clean?"

Chapter 3407: Annihilate Her

The Sect Leader of the Luo River Sect, also the Heavenly Emperor of the Luo River Heaven, had a pair of twin daughters. One of them was the Saint Girl of the Luo River Sect, and the other was the soul who possessed Mu Yi Yi.

When the Heavenly Emperor of the Luo River Heaven gave birth, the younger twin's chances of surviving were incredibly low due to her physical disabilities. For that reason, the Heavenly Emperor of the Luo River Heaven forcibly extracted her youngest daughter's soul before letting it take shelter in her eldest daughter's body. Hence, many people thought she only had one daughter.

This was, naturally, just a temporary measure. After all, the Heavenly Emperor of the Luo River Heaven loved both of her daughters equally; how could she allow her youngest daughter to take possession of her eldest daughter's body? Since long ago, she had planned to look for a suitable body for her youngest daughter.

Alas, many years passed, but the Heavenly Emperor of the Luo River Heaven still did not find a suitable body. It was only when Mu Yi Yi joined the Luo River Sect 100 years ago, that she discovered the perfect vassal for her youngest daughter. It was also for this reason that the Saint Girl of the Luo River Sect accepted Mu Yi Yi as a disciple. The clueless disciples of the Luo River Sect were envious at that time because the Saint Girl had never accepted a disciple before.

Although the Heavenly Emperor of the Luo River Heaven was the Sect Leader of the Luo River Sect, most of the sect's affairs were handled by the Saint Girl of the sect. Therefore, the Saint Girl was only second to the Sect Leader in the sect. Even the titled Celestial Emperors of the sect had to listen to her orders.

Mu Yi Yi was naturally unaware of the Saint Girl's intention to let her younger twin sister possess her body. In order to avoid suspicion, the Saint Girl treated her exceptionally well. After gaining her trust, the Saint Girl cast a spell on her when she let her guard down, allowing the Saint Girl's twin sister to possess her. She did not even have time to retaliate.

The name of the Saint Girl of the Luo River Sect was Feng Jian Yu, and her younger twin sister was called Feng Jian Xue.

'I just need another ten years to completely take over her body, soul, and memories!' Feng Jian Xue thought to herself anxiously. She really regretted letting Mu Yi Yi's memories overwhelm her for a moment, resulting in her meeting Duan Ling Tian. She did not expect to be knocked unconscious and kidnapped to an unfamiliar place.

When Feng Jian Xue saw Mo He, the Profound Soul Celestial Emperor, she could tell Mo He was incredibly strong. His soul energy had almost crushed her soul before it even swept over her. Although her eldest twin sister was a titled Celestial Emperor, Feng Jian Xue who was only taking shelter in her sister's body was naturally not strong. Feng Jian Yu was a Nine Palaces Celestial Emperor, but she was only a Ten Directions Celestial Lord. The difference between the strength of the twin sisters was like a chasm.

At this time, Duan Ling Tian was finally certain his junior sister was possessed. As his junior sister and the successor of the Prophet Progeny in the Seven Absolutes Sect, he naturally would not allow any harm to come to her. Moreover, it was his fault that she was kidnapped to the Divine Offering Land and fell prey to the Luo River Sect later on. It was because of the change in her constitution and innate talent after being in the Divine Offering Realm that she was chosen to be possessed by Feng Jian Xue.

Feng Jian Xue took a deep breath to calm down before she said, "Duan Ling Tian, my possession of Mu Yi Yi is nearly complete. Even if I leave her body now, it won't be without side effects for her. In fact, her

brain might be damaged. If you let me go and send me back to the Luo River Sect, I'll let this matter slide. Otherwise, it'd be too late for you when my mother and eldest sister come looking for me. Before I met you, I'd informed my eldest sister about it. I even told her that you're Mu Yi Yi's senior brother in the Saint Province Realm's Seven Absolutes Sect..." Her tone grew threatening nearing the end of her words.

Duan Ling Tian looked at Mo He and asked skeptically, "Is it really impossible for my junior sister to regain control of her body without any side effects? Is it true that her brain might be damaged?"

Mo He nodded with a grim expression on his face. "She's telling the truth. The possession is almost complete, and she has worn down the original soul a lot. Therefore, there'll be many side effects when the incomplete soul of your junior sister regains control of her body. It's impossible for her to return to the way she was..."

Duan Ling Tian's expression darkened. His eyes glinted coldly as he asked, "What if my junior sister devours the soul that's possessing her?"

As soon as Duan Ling Tian's voice fell, Feng Jian Xue laughed. "It won't work. Not only is she incapable of such a feat, but even if she's capable, I won't allow her to succeed. Duan Ling Tian, your only option is to send me back to the Luo River Sect. I promise I'll let this matter go. In fact, for Mu Yi Yi's sake, it's not impossible for me to maintain a friendly relationship with you. My mother is the Heavenly Emperor of the Luo River Heaven, and my sister is the Saint Girl of the Luo River Sect; if you need help in the future, you can look for me! You should consider yourself lucky for being able to meet someone like me! Ordinary people can only dream about it!"

Feng Jian Xue looked at Duan Ling Tian arrogantly; she grew more and more confident as she spoke. Naturally, all her words were lies. She planned to have Duan Ling Tian killed when he returned her to the Luo River Heaven. She knew she was no longer in the Luo River Heaven because she had tried to send a message to her eldest sister and her mother but did not receive a response.

'Junior Sister Mu Yi Yi...' Duan Ling Tian's expression turned unsightly. He had been delighted to hear his junior sister was alive; he did not expect her to be in a state worse than death. Moreover, there was nothing he could do to help her. Even Mo He, whose ability was acknowledged by Elder Huo, was helpless. After a moment, he asked Mo He through Voice Transmission, "Is it truly impossible to save her?"

"Yes, Young Master. This is because of the irreversible damage on her soul," Mo He replied.

"Alright," Duan Ling Tian responded. He looked at Feng Jian Xue and slowly said, "It doesn't matter if it's impossible to return my junior sister to her original state. Annihilate the soul possessing her. Even if my junior sister suffers from the side effects, at least she'll still be alive!"

"Duan Ling Tian!" Feng Jian Xue's expression changed drastically. "Do you know what you're doing? You're really going to kill the beloved daughter of the Heavenly Emperor of the Luo River Heaven? If you kill me, not only you, but the people around you are doomed!"

Mo He smiled bitterly as he said, "Young Master, is it necessary to take such drastic measures? If she's telling the truth..."

In Mo He's opinion, it was an act of madness to kill the daughter of the Heavenly Emperor of the Luo River Heaven. Although the Heavenly Emperor of the Luo River Heaven was no match for Feng Qing Yang, it was still best to avoid trouble if necessary.

Duan Ling Tian said decisively, "Senior Mo He, don't worry. Just do as I say. Let Elder Huo bear witness that I'll shoulder all the consequences for this..."

Elder Huo said to Mo He, "Make a move. The Heavenly Emperor of the Luo River Heaven is nothing. Even if she knows the Young Master is behind this, there's nothing she can do about it."

Upon hearing Elder Huo's words, Mo He no longer hesitated. A formidable soul energy shot into Mu Yi Yi's body, causing her face to distort in fear and anger. She cried out wretchedly, sending chills running up everyone's spines, before she asked with great difficulty, "D-duan Ling Tian, who... who are you?"

Based on Elder Huo's words, Feng Jian Xue realized she had underestimated Duan Ling Tian. After all, her memories of him from Mu Yi Yi were from their time in the Saint Province Realm.

Before Duan Ling Tian replied, Elder Huo said tonelessly, "What do you think? We're in the Heavenly Palace of the Solitary Destructive Heaven. Our Young Master is our Lord Heavenly Emperor's only true disciple!"

Chapter 3408: Situ Zhu Qing, The Heavenly Emperor of the Luo River Heaven

"Y-you're the true disciple of Feng Qing Yang, the Heavenly Emperor of the Solitary Destructive Heaven?!" Feng Jian Xue who was in excruciating pain was shocked by this revelation. She roared in pain and anger, "Although Feng Qing Yang is stronger than my mother, do you know who my father is? My father is..."

Before Feng Jian Xue finished her words, her soul was destroyed by Mo He.

Since Mo He was a titled Celestial Emperor who specialized in soul attacks, it was indescribably easy for him to destroy the soul of Feng Jian Xue who was a mere Ten Directions Celestial Lord. If he did not have to consider Mu Yi Yi's soul, it would have been even easier for him to destroy Feng Jian Xue's soul.

"It's done."

Mu Yi Yi's flashing eyes suddenly dimmed before it regained a little bit of life.

"Huh? W-who are you?" Mu Yi Yi asked as she looked at Duan Ling Tian and the others fearfully. Her behavior was like that of a three-year-old child now.

Although Duan Ling Tian had prepared himself for the worst, his heart still sank when he saw Mu Yi Yi acting in such a manner. She was no longer the elegant Mu Yi Yi of the past.

"Elder Huo, can you confirm that the woman's soul has been destroyed?" Duan Ling Tian asked.

"Yes. It's been destroyed." Elder Huo nodded.

Duan Ling Tian inhaled deeply before he said to Feng Tian Wu who was in his Little World, "Tian Wu, I'm afraid I'll have to entrust Junior Sister Mu Yi Yi to you for now. She will need your care and guidance during this time."

Mu Yi Yi who was like a child now would definitely need guidance. Feng Tian Wu was undoubtedly the best candidate to look after her since the two women had a close relationship.

Feng Tian Wu suppressed the heaviness she felt in her heart and said, "Brother Duan, I'll take care of her."

After Mu Yi Yi entered his Little World, Duan Ling Tian looked at Mo He and said, "Senior Mo He, thank you for your help!"

"Young Master, you're being too courteous. It's an honor to serve you," Mo He said with a smile.

"Senior Mo He, remember to keep this matter to yourself." Duan Ling Tian could not help but remind Mo He when he recalled Feng Jian Xue's unfinished words. If it was possible, it was best if the Heavenly Emperor of the Luo River Heaven remained unaware. Under normal circumstances, it would be indeed difficult for the Heavenly Emperor of the Luo River Heaven. After all, all she knew about Duan Ling Tian was his name. It would be like searching for a needle in the ocean for her to look for Duan Ling Tian in all the Devata Realms.

"Young Master, rest assured. I'll keep this to myself," Mo He hastily replied. He knew if Feng Jian Xue was truly the daughter of the Heavenly Emperor of the Luo River Sect, his life would be in danger as well even if Duan Ling Tian had promised to shoulder the consequences. After all, he was the one who dealt the killing blow. Moreover, he was just an ordinary titled Celestial Emperor in the Heavenly Palace of the Solitary Destructive Heaven. For all these reasons, he was determined not to tell a single soul about this matter and pretend it never happened.

As though he could read Mo He's thoughts, Duan Ling Tian said, "Don't worry. If news of this spreads, I'll say I'm the one who destroyed her soul."

Upon hearing these words, Mo He sighed in relief inwardly.

After Mo He left, Duan Ling Tian looked at Elder Huo. "Elder Huo, based on her words, it seems like her father is not a simple person. Do you know who her father is?"

"I have no idea." Elder Huo shook his head. Since he did not pay attention to gossip, he had no idea at all. "I'll ask around, but now isn't the time to do so..."

"No, there's no need to ask around at all," Duan Ling Tian said hastily, "It'll only allow the Heavenly Emperor of the Luo River Heaven to find us faster. Since master hasn't returned, we'd be at a disadvantage if she comes looking for us..."

"You think she'll come looking for us?" Elder Huo was stunned. Then, he shook his head as he laughed. "She won't have the guts to do such a thing unless she loves her daughter to the point where she doesn't mind everyone and everything she holds dear falling into ruins. Don't forget that she still has another daughter..."

Based on Elder Huo's words, he seemed confident that the Heavenly Emperor of the Luo River did not have the support of a stronger force.

...

In the Luo River Heaven's Luo River Sect...

A huge commotion broke out after Mu Yi Yi was taken away.

Feng Jian Yu, the Saint Girl of the sect and the person in charge, left with a group of powerhouses to search for Mu Yi Yi. However, their search yielded no results.

'Where did Duan Ling Tian bring little sister?' Feng Jian Yu, the Saint Girl of the Luo River Sect, was dressed in a silver robe. She looked holy and elegant as a white energy flashed around her.

At the same time, two old women trailed behind her. One of them wore a white long loose robe while the other was dressed in a black long loose robe. Their faces were both expressionless.

Suddenly, Feng Jian Yu's expression changed drastically; she felt her heart sink. She had casually checked her Spatial Ring and discovered one of the two Soul Pearls that was intact 15 minutes ago had shattered.

'Little sister!'

Apart from Feng Jian Yu and her mother, only a few trustworthy people knew of Feng Jian Xue's existence.

'Little Sister died, but Mu Yi Yi's Soul Pearl is still intact. Did Mu Yi Yi's senior brother discover his junior sister was possessed so he killed little sister to help Mu Yi Yi regain control of her body?' Feng Jian Yu thought to herself as her eyes shone coldly and her body emitted a terrifying killing intent.

The two old women's expressions changed as well. Although they were titled Celestial Emperors in the Luo River Sect, they were unaware that Feng Jian Yu had a younger twin sister.

"Did something happen to Miss Yi Yi?"

"Elders, continue the search for Mu Yi Yi... I need to return to the sect to speak to my mother!" Feng Jian Yu said. Without waiting for the two old women's reply, she vanished into thin air after she finished speaking.

...

The Heavenly Palace of the Luo River Heaven was naturally the Luo River Sect's estate.

At this moment, Feng Jian Yu rushed into a forbidden area in the sect where those who entered without permission would be killed instantly. She cried out, "Mother!"

Situ Zhu Qing, the Heavenly Emperor of the Luo River Heaven, was in the middle of cultivation when Feng Jian Yu appeared. Upon sensing the urgency in her daughter's voice, she emerged from a huge courtyard that was built on a vast stone platform.

“Yu’er, what’s wrong? Why are you so anxious?” Situ Zhu Qing was familiar with Feng Jian Yu’s temperament. Her daughter was always calm, and it was rare for her to lose control of her emotions. For this reason, she knew something must have happened for her daughter to come looking for her with such urgency.

“Mother!” Feng Jian Yu fell to her knees and lowered her head as she said, “Please punish me!”

“What happened?!” Situ Zhu Qing frowned.

“Mother, I failed to take care of little sister and deserve to be punished!” Feng Jian Yu said as her body trembled.

Situ Zhu Qing’s expression changed drastically upon hearing these words. She opened her Spatial Ring and discovered her youngest daughter’s Soul Pearl had shattered.

“No! Impossible!” Situ Zhuqing widened her eyes in disbelief. Although she had tried her best to stay calm, she was so overwhelmed by her emotions that her Celestial Origin Energy began to surge into the surroundings.

Feng Jian Yu hurriedly mobilized her Celestial Origin Energy to protect herself.

However, just as quickly as it started, Situ Zhu Qing’s Celestial Origin Energy vanished without a trace. She composed herself and asked tonelessly, “What happened? How did Xue’er die? Didn’t she possess Mu Yi Yi’s body? Didn’t I tell you to keep an eye on her and to never let her leave the Luo River Sect?” Her voice turned cold at the end of the words; she clearly blamed Feng Jian Yu. At the same time, killing intent shone in her eyes.

Chapter 3409: A God

“Mother, this is what happened...” Feng Jian Yu hurriedly recounted what happened. “Two days ago, little sister received a message meant for Mu Yi Yi. However, there was no reaction from Mu Yi Yi’s soul when the message was received. Based on Mu Yi Yi’s memories, little sister found out the person who sent the message is Feng Tian Wu, Mu Yi Yi’s junior sister. Feng Tian Wu was conveying a message for Duan Ling Tian; he’s Mu Yi Yi’s senior brother in the mundane realm. He said he wanted to meet Mu Yi Yi. Duan Ling Tian is the reason Mu Yi Yi and his family and friends were brought to the Divine Offering Land. That was also when they were separated. Since her innate talent and constitution underwent a big change after being in the Divine Offering Land, I thought her body would be the perfect vassal for little sister. I didn’t expect Mu Yi Yi would become the reason for little sister’s death...” Her expression was one of sorrow when she spoke. She did not expect her little sister to die.

“Feng Tian Wu, Mu Yi Yi, and Duan Ling Tian were disciples of a sect in the Saint Province Realm called the Seven Absolutes Sect. Mother, you know that little sister told me everything she learned from Mu Yi Yi’s memories. I remember her saying that Duan Ling Tian was the successor of the Seven Absolutes Sect’s First Absolute, the Fog Rain Progeny; Mu Yi Yi was the successor of the Second Absolute, the Prophet Progeny; Feng Tian Wu was the successor of the Fifth Absolute, the Blazing Phoenix Progeny. Duan Ling Tian came to meet Mu Yi Yi at the entrance of the sect. However, not much time passed before he suddenly ordered his subordinate to kidnap her away. The disciples guarding the entrance couldn’t even react in time. However, they remember Duan Ling Tian’s appearance so a portrait of him

has been drawn out. There was an old man following him, but the disciples didn't pay much attention to him so they don't remember what he looks like..."

After Feng Jian Yu finished speaking, she brought a portrait out and handed it to Situ Zhu Qing.

The portrait of a young man with extraordinary bearings looked so realistic that those who knew Duan Ling Tian would definitely be amazed at how life-like it was if they were to see it.

"Duan Ling Tian?" Situ Zhu Qing's eyes flashed with killing intent again as she looked at the portrait. She asked through gritted teeth, "What about Mu Yi Yi's soul? Is it destroyed as well?"

Since Situ Zhu Qing did not possess Mu Yi Yi's Soul Pearl, she was unaware that Mu Yi Yi was still alive.

"No. She's still alive. That's why I believe Duan Ling Tian must have discovered that Mu Yi Yi was possessed by little sister and brought her away," Feng Jian Yu said solemnly, giving voice to her suspicion.

"Very well..." A terrifying killing intent surged out of Situ Zhu Qing's body.

"After she left to meet Duan Ling Tian, I didn't hear from little sister at all. This means she must have been unconscious and restrained so she couldn't contact me. With that, there are only two scenarios left. One, she was killed before the restraint was lifted. Two, she was brought out of Luo River Heaven so she couldn't contact me..." Feng Jian Yu said.

"Investigate Duan Ling Tian at once!" Situ Zhu Qing said coldly, "If there isn't any clue in the Devata Realms, send someone to the Saint Province Realm in the mundane realm to investigate Duan Ling Tian's descendants. Remember to kill everyone! If nothing comes out of the investigation, kill every living creature in the Saint Province Realm! They should feel honored to be my daughter's sacrificial offerings!"

Situ Zhu Qing's voice was so cold that even Feng Jian Yu felt chills running up her spine.

"Mother, I'll order our men to investigate Duan Ling Tian immediately." Feng Jian Yu narrowed her eyes. "If nothing comes out of the investigation, I'll personally go to the Saint Province Realm and kill every living creature as a sacrifice for little sister!"

"I'll arrange for someone to investigate him as well." Situ Zhu Qing nodded. At the same time, she put away the portrait in her hand. "I'll keep this portrait. Tell the others to draw another one for you."

"Understood." Feng Jian Yu nodded.

"You may leave now," Situ Zhu Qing said.

Before Feng Jian Yu left, she tried to comfort her mother. "Mother, the dead can't be brought back to life. Please don't be too sad and watch over your health..."

"Leave. I'm fine," Situ Zhu Qing said dismissively.

After Feng Jian Yu left, Situ Zhu Qing's gaze grew colder. "How dare you kill my daughter! I hope you're prepared to die! It doesn't matter who you are or where you are! I hope I can catch the culprit within a few hundred years. Otherwise, I might have to ask that person for a favor."

Situ Zhu Qing's eyes softened briefly and a bitter smile appeared on her face at the end of her words. Only she and her daughters knew who fathered them. Their father was a god in a Realm of Gods; a superior being whom even the Heavenly Emperor of the Luo River was not a match for.

...

Duan Ling Tian knew Situ Zhu Qing, the Heavenly Emperor of the Luo River Heaven, must be searching for him in a frenzy now. However, he was not too bothered since he thought it would take years for her to find him. Nevertheless, even if she succeeded in finding him now, he did not regret his actions at all.

'If Yun Qing Yan didn't kidnap Junior Sister Mu Yi Yi, she wouldn't possess such extraordinary innate talent and be targeted by the people from the Luo River Sect.' Duan Ling Tian blamed himself for what happened to Mu Yi Yi. Therefore, he would never regret killing Feng Jian Xue. If he were stronger, he would have killed everyone in the Luo River Sect who was privy to Mu Yi Yi's possession.

Feng Tian Wu said gravely, "Brother Duan, since Senior Sister Yi Yi's intelligence is affected because her soul is damaged, I'm afraid she'll remain this way for the rest of her life. A normal child's intelligence will develop as time passes, but I'm afraid this won't be the case for Senior Sister Yi Yi..."

Upon hearing this, Duan Ling Tian's eyes reddened as he clenched his hands tightly. 'Junior Sister Mu Yi Yi, rest assured... One day, I'll go to the Luo River Sect and kill everyone who's involved in this matter. Although I can't completely avenge you know, at least I killed that person who possessed you.'

Elder Huo, who could sense the turmoil in Duan Ling Tian's heart, swiftly changed the topic. He said, "Young Master, should we bring the two little fellows from the dragon clan with us and let them stay in your Little World?"

Duan Ling Tian knew Elder Huo was referring to Little Black and Little White. He nodded. "Yes."

Although Elder Huo did not know the actual conditions of Duan Ling Tian's Little World, he knew its cultivation environment was far superior to any places in the Devata Realms. Even the Heavenly Palace of the Solitary Destructive Heaven's cultivation environment was no match for Duan Ling Tian's Little World, which was almost like a miniature Realm of God. This was the reason he suggested bringing Little Black and Little White into Duan Ling Tian's Little World to cultivate.

Since the core element of a Realm of Gods, a Tree of Life, was in his Little World as well, the Heaven and Earth Spirit Energy would never be exhausted unless something happened to him.

Therefore, although Little White and Little Black were still in closed-door cultivation, Duan Ling Tian woke them up.

"Brother Ling Tian!"

The duo was naturally delighted when they saw Duan Ling Tian. The entire purpose of their visit to the Heavenly Palace of the Solitary Destructive Heaven was to meet him.

"Brother Ling Tian, you've returned?"

“Little Black, Little White, there are guests waiting in my Little World. Both of you should meet them,” Duan Ling Tian said with a smile.

“Guests?”

Little Black and Little White did not think much about Duan Ling Tian’s words. They thought he was referring to Little Gold. However, their eyes lit up in surprise, excitement, and happiness when they saw familiar faces they had not seen in a long time.

Little White was so overwhelmed by emotions that she rushed forward to hug Feng Tian Wu and Li Rou. “Senior Sister Tian Wu, Aunt Rou...”

Chapter 3410: Li Fei, Duan Nian Tian, and Han Xue Nai

Apart from Ke’er and Lo Fei, the three little fellows were the closest to Feng Tian Wu and Li Rou.

At this moment, after meeting the two women after so many years, let alone Little White, even Little Black’s eyes flashed with emotions.

At this moment, the usually aloof Little Black was like an excited child as he called out, “Sister Tian Wu, Aunt Rou, Uncle Feng...”

Little White’s eyes glistened with tears; she was unable to hold back her emotions.

...

Meanwhile, outside of the Little World.

“Elder Huo, let’s go!”

Duan Ling Tian and Elder Huo left the Solitary Destructive Heaven again through the Transportation Formation in the Heavenly Palace of the Solitary Destructive Heaven.

Duan Ling Tian’s heart was rather heavy when he left. Although he found his father and Feng Wu Dao in rather good circumstances, his mother and Mu Yi Yi’s circumstances had shaken him. Since he arrived in time, he was able to rescue his mother and avoid a tragedy. However, he arrived too late to help Mu Yi Yi. Therefore, he could not help but worry about those he had not found. Although their Soul Pearls were intact, he did not feel reassured at all; after all, Mu Yi Yi’s Soul Pearl was intact as well. Chills ran up his spine when he thought about what happened to Mu Yi Yi again. He prayed fervently that the loved ones he had not found were safe.

“Little Fei’er, Nian Tian, Xue Nai...”

...

In the Heavenly Palace of the Floating Heaven that was located in the Floating Territory.

The Heavenly Palace was located high above the clouds, overlooking a vast expanse of water. It was a huge floating island that was as majestic as the Heavenly Palace of the Purple Revelation Heaven.

In fact, most Heavenly Palaces in the Devata Realms were mostly similar. They were located high up in the sky so they were not easy to locate and were rarely disturbed.

At this moment, in a courtyard located in a secluded valley, a stunning purple-clad woman could be seen stroking the branch of a plant in front of her. When she removed her hand from the branch, it caused two leaves to fall. She looked at the two falling leaves in a daze as she murmured, "In just a blink of an eye, three hundred years are about to pass since I came here. Once I become a Celestial Emperor, I'll be able to leave the Floating Heaven to search for that scoundrel, mother, father, and Si Ling in the other Devata Realms."

"Sister Fei'er!"

A voice rang in the air, breaking the purple-clad woman out of her reverie.

"Xue Nai?"

After a few moments, a figure flew into the courtyard. It was a beautiful woman whose expression was one of indescribable excitement.

"Xue Nai, what's going on?" The purple-clad woman was none other than Li Fei who had left the Purple Spike Realm and came to the Floating Heaven three hundred years ago. At that time, she had brought her son, Duan Nian Tian, and Han Xue Nai to the Floating Heaven as well.

"Sister Fei'er! I received a message from Sister Tian Wu," Han Xue Nai said excitedly, "After I responded, I received another message from her saying Brother Ling Tian is scouring the Devata Realms and searching for us. They're in the Floating Heaven now! Aunt Rou, Uncle Ru Feng, and Uncle Wu Dao are with them as well! They've all been reunited! Little Black, Little White, and Little Gold are with them as well! I've already told Sister Tian Wu that you, Nian Tian, and I are together!"

Following that, Han Xue Nai's excitement seemed to diminish slightly as she asked hesitantly, "Should... Should I tell her about our location?"

"Tell her! Of course, you have to tell her! Why wouldn't you tell her? Even if that scoundrel didn't come looking for me, I would've gone looking for him once I become a Celestial Emperor!" Li Fei's eyes reddened before tears rolled down her face like pearls. She was so impatient to reunite with the others that she sent a message to Feng Tian Wu as well. "Tian Wu, we're in the Heavenly Palace of the Floating Heaven. After traveling through the Transportation Formation, go to the Floating Territory's Grand Mansion and find an inn to lodge in. I'll meet all of you there with Nian Tian and Xue Nai!"

...

Meanwhile, Feng Tian Wu was rather moved when she heard Li Fei's voice. Although she had heard from Han Xue Nai that she was with Li Fei, she still could not help but feel emotional when she heard from Li Fei.

"Big Brother Duan!" Feng Tian Wu handed Li Fei's Soul Pearl to Duan Ling Tian and said, "Sister Fei'er is also in the Floating Heaven!"

Duan Ling Tian had already guessed Feng Tian Wu had found someone when she handed a Soul Pearl to him. However, his expression brightened even more when he discovered she had found Li Fei.

"Little Fei'er..."

In this life, Duan Ling Tian had two official wives: Ke'er and Li Fei. Although he tried to be impartial, there was no doubt that Ke'er and Li Fei held slightly more important positions in his heart. After all, the two women were with him the longest after he came to this world. In regard to this, he felt slightly guilty toward Feng Tian Wu and Huan'er.

Duan Ling Tian was no less excited than Li Fei as he sent a message to her, "L-little Fei'er, I'm coming to meet you now!"

...

In Duan Ling Tian's Little World, Duan Si Ling, Duan Ru Feng, Li Rou, and the three little fellows also heard that Li Fei had been found.

"Sister Fei'er is in this Devata Realm?"

"Sister Fei'er has been found?"

The three little fellows' eyes shone with excitement.

Meanwhile, Duan Si Ling was also overcome with emotions. "We've... We've found Second Mother?"

Although Ke'er and Li Fei were both Duan Ling Tian's wives, Li Fei had also always considered herself second to Ke'er since she had met Duan Ling Tian later. Ke'er naturally did not care about such trivial matters, but Li Fei had asked Duan Si Ling, Ke'er's daughter, to address her as Second Mother and even told her son, Duan Nian Tian, to address Ke'er as First Mother. Needless to say, both children addressed their respective mothers as 'mother'.

Before they were separated, Li Fei's care and love for Duan Si Ling was not any less compared to her son. In fact, she seemed to spoil Duan Si Ling more than Duan Nian Tian. Therefore, the relationship between her and Duan Si Ling was very good. Duan Si Ling treated her as though she was her real mother as well.

"Fei'er is in this Devata Realm? Nian Tian as well?"

Li Rou and Duan Ru Feng were also moved when they found out their daughter-in-law and grandson had been found. Although they were happy, they could not help but worry about their present circumstances.

"Are they alright?" Li Rou asked.

"Aunt Rou, don't worry. Sister Fei'er is fine. She's the direct disciple of the Purple Spike Celestial Emperor. The Purple Spike Celestial Emperor is the true disciple of the Heavenly Emperor of the Floating Heaven Celestial Emperor and one of the two strongest titled Celestial Emperors under the Heavenly Palace's command," Feng Tian Wu explained. She knew everyone would be worried about Li Fei's circumstances once they found Li Fei was in the Floating Heaven. Following that, she said to Duan Ling Tian, "Brother Duan, Sister Fei'er wants us to take the Transportation Formation to Floating Territory's Grand Mansion. She said to look for an inn there and that she'll meet us there..."

...

Outside of the Little Word.

Upon hearing Feng Tian Wu's words, Duan Ling Tian hurriedly said to Elder Huo, "Elder Huo, let's head to the nearest transportation site!"

"There's news?" Elder Huo was keenly aware of the sudden change in Duan Ling Tian's emotions. His eyes lit up when he heard Duan Ling Tian's words.

"The remaining three people are all in the Floating Heaven!" Duan Ling Tian smiled.

The Floating Heaven was the 78th Devata Realm Duan Ling Tian had visited. There were only three Devata Realms he had yet to search. At this time, he finally found all his surviving family and friends.

...

At the same time, Li Fei sent a message to her son, Duan Nian Tian, asking him to come and see her.

When she saw her son, she said with a smile, "Nian Tian, your father is coming to meet us!"

"Father?" Duan Nian Tian's eyes brightened immediately as a dazzling smile appeared on his handsome face. "I thought we would have to wait until you become a Celestial Emperor before we'd be able to look for father and the others. I didn't expect father to find us first!"

Initially, Li Fei wanted to leave the Floating Heaven to look for Duan Ling Tian and the others. However, when her master discovered her intention, her master forbade her from leaving and dispatched experts to guard her in the dark. If she left the Floating Heaven, they would definitely bring her back. However, it had to be said the Celestial Emperors guarding her would not use excessive force to bring her back even if she escaped. As long as she did not leave the Floating Heaven, she was free to do what she wanted.

Li Fei replied, "I've already told your father to meet us at the Grand Mansion. When they find an inn to settle down, they'll let us know. At that time, we'll head over there to meet them."

Duan Nian Tian nodded; he could barely suppress his excitement. The person he admired most in his life was his father. Although he had met many titled Celestial Emperors in the Heavenly Palace of the Floating Heaven, none of them could compare to his father at all.

At this moment, Han Xue Nai asked with a frown on her face, "Sister Fei'er... I know you want to meet Brother Ling Tian... However, if Kong You Yi finds out about this, I'm afraid he'll come looking for trouble..."
