

Special Forces God Level Extraction System - Chapter 1017

Chapter 1017: Kill It

Chapter 1017

Li Shengxian and Lin Kai were dumbfounded after seeing these two people.

what's the situation?

After entering the room, the man carrying the camera pointed the camera at Li Shengxian.

“Brother Tiger, what are you?”

Li Shengxian asked very suspiciously.

And Xu Wenhui smiled slightly and said, “Haha, you’ll know in a while.”

After all, Xu Wenhui stood up and completely freed the place.

The superb beauty in a bikini also showed a charming smile on her face.

I saw the superb beauty sitting directly next to Li Shengxian, and nestled against Li Shengxian.

“Thirteenth Younger~”

The voice of that beauty made Lin Kai goose bumps all over.

Seeing that beautiful woman's fingers gently stroked Li Shengxian's chest back and forth, Li Shengxian looked at the super beautiful woman and the camera, and suddenly seemed to understand something.

He looked at Xu Wenhui.

"Brother Tiger, you!"

I saw Li Shengxian stand up directly!

But as soon as he stood up, Li Shengxian's face instantly turned red!

At this time, Li Shengxian seemed to be drunk, unable to stand still!

With a plop, Li Shengxian directly sat down on the sofa.

Li Shengxian has a very strong sexual desire at this time!

When the woman saw this and knew that her chance was coming, she lay on Li Shengxian's body and began to untie Li Shengxian's clothes.

"Thirteenth Young Master, let the slave family take care of you~"

Xu Wenhui hugged his arms and smiled: "Hehe, thirteenth youngster, don't blame me, the Li family will be taken over by your elder brother sooner or later. Rather than befriend you, it is better to befriend your elder brother.

"When the video of you and this beautiful lady's overnight passion goes out, you will not be eligible to be the heir of the Li family in the future."

That's right, Xu Wenhui and Li Haoxian have a very good relationship!

It's just that outsiders never know!

This time, Li Haoxian wanted to use Xu Wenhui's hand to ruin Li Shengxian!

The reputation is so bad that Li Shengxian will naturally not be the heir of the Li family.

Lee Ho-hyun, what a conspiracy!

Li Shengxian's face flushed, he wanted to push the woman away, but at this time, he couldn't exert any strength.

The red wine just now has been drugged!

Xu Wenhui hugged his arms and looked at Li Shengxian mockingly.

And Lin Kai on the side was ignored by everyone. No one opened Lin's eyes. Lin Kai looked like air in their eyes.

Lin Kai smiled when he saw this.

Seeing Lin Kai stood up from his seat, he looked at Xu Wenhui.

"Do you treat me as air?"

Hearing this, Xu Wenhui looked at Lin Kai. After seeing Lin Kai, Xu Wenhui frowned:

"Who are you? Li Shengxian's driver? Or a bodyguard?"

“Take advantage of your good mood, get out!”

Lin Kai is not as good as Xu Wenhui’s eyes!

In Xu Wenhui’s eyes, Lin Kai is a fart!

An ant that he can squeeze to death with one hand, such a person of no use value, Xu

Wenhui would not bother to talk to him.

That Huang Mao jumped out at this moment, pointed at Lin Kai’s nose, and cursed:

“Fuck! Boy, our boss told you to go, didn’t you hear?”

Huang Mao’s fingers almost poke Lin Kai’s nose!

And Lin Kai’s eyes also flashed a hint of viciousness.

I saw Lin Kai grabbed Huang Mao’s finger directly with one hand, and then he broke it!

Click!

A sound of broken bones came clearly!

Ten fingers connected to the heart! That kind of pain caused Huang Mao to scream at

that time.

“Ahhhhh! My fingers!”

Lin Kai kicked Huang Mao’s belly, and Huang Mao’s body flew away.

thump!

Huang Mao fell heavily to the ground.

“Oh, where did the crazy dog dare to bark in front of me?” Lin Kai’s eyes were full of cold colors.

When Xu Wenhui saw this, his eyes became cold.

This is in his place!

And Lin Kai actually beat him in his turf, Lin Kai didn’t take him seriously!

“Heh, kid, I think you want to die!” Xu Wenhui said angrily.

Lin Kai smiled coldly when he heard the words, and said, “Hehe, I think the one who wants to die, is it you?”

After all, Lin Kai directly waved his arm and slapped Xu Wenhui’s face directly!

Snapped!

Lin Kai was so fast that Xu Wenhui had no time to react, and there was a slap print on his face.

A trace of blood dripped from the corner of his mouth.

The whole room was quiet instantly.

Everyone looked at Lin Kai blankly.

This kid is too courageous, right? Even Xu Wenhua dare to fight?

Xu Wenhua's little brothers are dumbfounded, Xu Wenhua is a famous earth emperor in the underground world of Donghai City! And this Lin Kai is too courageous, right?

Xu Wenhua also froze for a while, but then Xu Wenhua reacted.

He roared: "I will give him away for Lao Tzu!"

Xu Wenhua let out a loud roar, and the younger brothers standing at the door reacted.

At that time, more than a dozen people came in directly from the door!

They waved their fists and rushed towards Lin Kai!

Lin Kai glanced at them coldly, put his hands in his pockets, and didn't even move.

boom!

A dozen gangsters hadn't ran to Lin Kai's front, only a wall of air appeared directly in front of Lin Kai!

A dozen punks hit the gas wall one after another!

Wow!

A group of punks all fell.

Only Lin Kai could see it, and the hidden **** protected him in front of Lin Kai.

After seeing Lin Kai's wicked methods, more than a dozen punks got up from the ground one after another and looked at Lin Kai with vigilance.

Xu Wenhui was also taken aback when he saw this.

However, with his character, how can he stand it?

“Er Gouzi! Get out!”

Xu Wenhui let out a loud roar, and saw a person stand up from the group of punks.

The man was extremely thin and looked stubborn, but at this moment, he drew a pistol from his waist and aimed it at Lin Kai!

“Brother Tiger! Here it is!”

“Fuck! What is your kid crazy? Can you fight? Can you be faster than bullets?”

Er Gouzi yelled.

Lin Kai squinted at Er Gouzi, a flash of killing intent flashed through his eyes.

With the murderous eyes, even if Er Gouzi saw it, he couldn't help taking a step back.

The person in front of him seemed to be a demon crawling out of the dead pile, his eyes were too scary!

But Er Gouzi held on, holding the pistol in his hand.

“I hate people pointing a gun at me.” Lin Kai said coldly.

Afterwards, Lin Kai waved his hand and said, “Kill it.”

After listening to Lin Kai’s words, everyone looked confused.

Who is he talking to?

In this room, apart from him and Li Shengxian, there are no outsiders!

Li Shengxian is lying on the sofa now, unable to bounce!

But then, soon everyone knew.

I saw Er Gouzi’s body flying out of thin air!

The pistol in his hand also turned into a twist.

He seemed to be caught by someone’s neck, his eyes widened, and he couldn’t

breathe.

boom!

Er Gouzi’s body hit the ground hard! A deep pit appeared on the concrete floor!

Er Gouzi’s eyes widened, and a burst of blood spurted out, seeing that there was more

air in and less air.

Chapter 1018: Live Performance

Chapter 1018

Ergouzi is dead, Xu Wenhui's henchmen are dead!

The expressions of everyone at the scene changed, and everyone couldn't help but backed two steps away from Lin Kai.

Xu Wenhui's face was also very ugly.

As the underground emperor of Donghai City, didn't he have never seen a dead person, he had never seen such a strange way of death!

He didn't know how his subordinates died!

It seems that there is an invisible person by everyone's side.

This makes Xu Wenhui very jealous of Lin Kai, it seems that the other party is not easy!

Lin Kai put his hands in his pockets, looked at Xu Wenhui's men, and said, "Who else wants to die? Squeak, I will satisfy you."

After listening to Lin Kai's words, everyone was silent.

Everyone bowed their heads.

From the wall of air just now to the invisible man killing.

All reveal that Lin Kai is not an ordinary person, and he will not end well if he opposes him!

Xu Wenhui looked at Lin Kai with a look of fear, and asked, "Who are you?"

Lin Kai smiled slightly and said, "Hehe, who can kill you!"

Lin Kai just said this, only a cold light flashed by, and a dagger appeared out of thin air!

Yes, it just appeared out of thin air.

A dagger appeared directly on Xu Wenhui's neck! Close to Xu Wenhui's neck, as long as the dagger is moved lightly, Xu Wenhui will die on the spot!

After Xu Wenhui noticed the dagger on his neck, his body stiffened.

He did not dare to move, standing still, the sweat of the size of a bean on his forehead had fallen.

“Now as long as I say a word, you can die.” Lin Kai smiled slightly.

Lin Kai’s smile was like a devil’s smile in Xu Wenhui’s eyes!

Xu Wenhui’s men also panicked, standing still at a loss.

“Let your people out first.” Lin Kai said lightly.

After listening to Lin Kai’s words, Xu Wenhui dared not refute. He waved his hand and said, “All out! Without my order, you are not allowed to come in!”

After listening to Xu Wenhui’s words, a dozen people looked at each other and lined up to walk out of Xu Wenhui’s office.

Lin Kai found a sofa and sat down, and Erlang’s legs were raised.

The cameraman and the sound picker also looked at Xu Wenhui at a loss, they didn’t know what to do!

At this moment, Lin Kai slightly raised his hand.

The dagger resting on Xu Wenhui’s neck disappeared.

Xu Wenhui breathed a sigh of relief. At the same time, he was even more jealous of Lin Kai. The other party was definitely a big man he couldn’t afford!

“Give him the antidote.” Lin Kai said lightly.

His words are orders, no doubt!

Xu Wenhui personally handed the antidote to Li Shengxian, and Li Shengxian swallowed it in one mouthful after receiving the antidote.

His flushed face has improved a lot.

“You like filming very much!” Lin Kai smiled slightly and looked at Xu Wenhui with a playful look.

“You, go and serve him, you two, continue recording!” Lin Kai glanced at the three people on the side and said coldly.

At this time, in Lin Kai’s hands, there was already a dark pistol spinning in his hands.

The beauty was trembling all over, she didn't dare to disobey Lin Kai's order, but saw that she came to Xu Wenhui's side and hugged Xu Wenhui with fear.

Subsequently, the superb beauty began to take off Xu Wenhui's clothes.

And Lin Kai looked at all this with a smile.

At this time, Xu Wenhui also understood that the other party was going to retaliate!

If you want to make an indecent video of Lee Seung Hyun, the other party should make an indecent video of yourself!

Xu Wenhui is still unable to resist, and resisting is death!

"Master, this is a misunderstanding! Master, how did this matter end?"

Xu Wenhui deserves to be the underground emperor of Donghai City. Although he was nervous at this time, he did not panic. He went straight to the subject and asked.

Lin Kai glanced at Xu Wenhui: "Don't be nonsense! First film!"

But Lin Kai didn't give Xu Wenhui that opportunity at all.

Xu Wenhui is a cry without tears.

There was no alternative, Xu Wenhui and the superb beauty fell on the sofa in full view.

The cameraman carried the camera and started recording.

Soon after, the indecent picture appeared in front of Lin Kai, and Lin Kai watched all this with great interest.

"Now I ask you, saying a wrong sentence, there is one less bullet in my gun, do you know what I mean?" Lin Kai asked lightly.

Xu Wenhui nodded and said, "I...I understand..."

"Who asked you to prescribe Li Shengxian?" Lin Kai asked.

Xu Wenhui dared not conceal something, and said: "Li Haoxian."

"Why should you give Li Shengxian medicine?"

Lin Kai continued to ask.

And Xu Wenhui continued to answer: "Because he feels that Li Shengxian is threatening him, the Patriarch of the Li family is about to choose an heir. Li Haoxian wants to belittle Li Shengxian and make himself the second-generation heir of the Li family."

Xu Wenhui said truthfully.

"What benefit did you take Li Haoxian?" Lin Kai continued to ask.

This is a fatal question!

Xu Wenhui would not help Li Haoxian for no reason. There must be some shady transactions in private.

"He promised to give me 5% of the shares in the Lee Group."

Xu Wenhui gritted his teeth and said.

After listening to Xu Wenhui's words, Li Shengxian on the side hated that he was gnashing his teeth.

"Seller Thief!"

You know, the Li family is the richest family in China! Five percent of the shares of the Li Group will be worth billions in one year!

This Li Haoxian is really willing to get the position of heir!

"Is there any evidence that you and Li Haoxian have such an activity?" Lin Kai continued to ask.

Lin Kai is not stupid. Now that the gun is in his hand, it's just such a video, which can't prove anything at all. Lin Kai needs evidence!

It proves that Li Haoxian and Xu Wenhui have collusion!

"In my phone, there is... a screen recording!"

Xu Wenhui said profusely.

The beauty under him was also sweating.

Lin Kai heard this and picked up Xu Wenhui's cell phone from the table.

It seems that Xu Wenhui is not stupid, he is afraid that Li Haoxian will go back, so during the video call, he deliberately recorded a screen.

Lin Kai quickly found the video. After finding the video, Lin Kai put the phone in front of the camera lens and recorded it all.

The voices of Xu Wenhui and Li Haoxian came from the phone.

“You help me drug Li Shengxian and find a way to make an indecent video of him.”

“After everything is done, I will give you five points! From the Li Group!”

“Really? Lee Ho-hyun, don’t lie to me!”

“How could I lie to you? I will become the head of the Li family in the future, and I still need your support from Brother Tiger!”

...

At this time, Lin Kai threw the phone on the sofa, with a playful smile on his lips.

“Haha, all right, give me the memory card in the camera.”
