

Special Forces God Level Extraction System – Chapter 1019 - 1050

Chapter 1019: Have The Ability To Kill Me

Chapter 1019: Have The Ability To Kill Me

Soon after, a storage card appeared in Lin Kai's hands.

This storage card is proof that Li Haoxian can be defeated!

Lin Kai handed the card to Li Shengxian casually. After Li Shengxian took the card, a trace of hatred flashed across his eyes.

"When Dad comes back, I will ruin you!"

Li Shengxian never intended to fight for the position of heir, but his eldest brother has been clinging to him.

First he asked him to compete with Shao Xin for the project, and now he wants to pour dirty water on Li Shengxian. Although Li Shengxian has a mild temper, it does not mean that he has no temper.

He Li Shengxian made up his mind, Li Haoxian, I, Li Shengxian, will fight you to the end!

At this moment, Xu Wenhui fell on the sofa, wiped the sweat from his forehead, and looked at Lin Kai with fear.

Lin Kai glanced at Xu Wenhui and said, "Don't worry, I won't kill you, kill you and dirty my hands."

After that, Lin Kai looked at Li Shengxian and said, "Let's go?"

Li Shengxian nodded.

Then, the two left very coolly.

Soon after, the two sat in the Rolls Royce.

Li Shengxian looked at the memory card in his hand, and everything that he had just experienced was like a dream to Li Shengxian.

"Lin Kai, thank you." Li Shengxian said gratefully from the heart.

"If it weren't for you, I couldn't win that project yesterday."

“If it weren’t for you, I might have been framed today.”

Li Shengxian said.

Lin Kai smiled slightly and said, “Hehe, I don’t have many friends with Lin Kai, but as long as it is my friend, Lin Kai will treat him sincerely.”

What Lin Kai said was from his heart.

Li Shengxian doesn’t have many friends. Most of them are wine and meat friends. He doesn’t have many friends like Lin Kai who can make friends.

At this moment, Li Shengxian vowed silently in his heart that when he took control of the Li family, he would repay Lin Kai’s kindness!

Then, Lin Kai drove back to Li’s house with Li Shengxian.

After returning to Li’s house, Li Shengxian rushed back to his room.

And Li Haoxian was standing on the balcony on the fifth floor looking at Li Shengxian who had returned to Li’s house. The corner of Li Haoxian’s mouth showed a triumphant smile.

Now he still doesn’t know that Li Shengxian was not framed.

Lin Kai shrugged, and he returned to his room.

Then, Lin Kai washed a little and took a good rest in the room for a day.

The next day, Li Shengxian did not go out, and Lin Kai also had a day of leisure.

After greeting Li Shengxian, Lin drove the Rolls-Royce and went out.

It’s been several days since I came to Donghai City, but Lin Kai hasn’t been to Leiyuan Group. After all, it is Lin Yuan’s company, so he should take a good look.

Leiyuan Group is very easy to find. Once you enter the word Leiyuan in the navigation, the address will pop up.

Leiyuan Group was not established in the city center, but in the suburbs.

Lin Kai drove the Rolls Royce and arrived at Leiyuan Group after more than an hour.

Although established in the suburbs, the Leiyuan Group in front of us is very big!

It occupies a large area and the land here is not expensive, so the entire Leiyuan Group occupies a very wide area.

What greeted us were the four characters of the domineering Leiyuan Group!

There are three huge office buildings in the rear, each of which is no less than eighteen stories.

Behind the office building is a piece of production factory.

Good you are Lin Yuan! In just one year, the Leiyuan Group of this size was created.

It seems that your ability is really strong!

Lin Kai was sitting in the car and remembered the scenes of Lin Yuan in Lin's house.

Lin Yuan is a genius, he has always been a genius of the Lin family since childhood, and Lin Kai has always been a waste wood of the Lin family.

Lin Yuan is a high-achieving student and a returnee. He is proficient in everything from social interaction to ability.

Looking at Lin Kai at that time, he had no advantages other than eating, drinking and having fun.

It was precisely this kind of Lin Kai who defeated Lin Yuan that made Lin Yuan's heart gradually pervert, and he refused to accept it!

As a result, Lin Yuan is now even more terrifying!

He is very capable! The strength is also very strong! He will be Lin Kai's terrifying opponent!

Lin Kai sighed and glanced at the pedestrians outside the car.

Lin Kai's car is very domineering, after all, it is a Rolls-Royce Phantom worth tens of millions, so whenever a passerby passes by, he can't help looking at this top luxury car.

But Lin Kai got out of the car and lit a cigarette, looked at the distant scenery, and relaxed.

At this moment, a silver BMW sedan drove out of Leiyuan Group.

The brand-new BMW stopped when it was driving next to the Rolls-Royce Phantom.

The car window slowly dropped, and a familiar face appeared in front of Lin Kai.

“Yeah, Lin Kai!” Zhang Ji was naturally the speaker.

Zhang Ji was originally working with Leiyuan Group. After discussing business, he took his girlfriend out to relax, but he didn't expect to meet Lin Kai here.

Lin Kai glanced at Zhang Ji, frowning.

In the co-pilot of the BMW car, there was a beautiful lady who looked very young, wearing a short red dress, showing youthfulness.

“Husband, who is he?”

The girl blinked and asked curiously.

After all, behind Lin Kai, there is a Rolls-Royce Phantom worth millions!

Her boyfriend only drove a BMW of more than one million dollars.

“He?” Zhang Ji smiled contemptuously and said, “Hehe, he is just a stinky driver. Look at his aura, he doesn't look like a person who can afford a Rolls-Royce Phantom!”

After listening to Zhang Ji's words, the girl's expectant eyes disappeared.

She sat back on her seat with her arms folded and said, “Cut! I thought it was a big man! It turned out to be just a stinky driver!”

Zhang Ji nodded, and he looked at Lin Kai, a cruel look flashed through his eyes.

He had booked a ticket with Shao Xin to kill Lin Kai.

Therefore, after seeing Lin Kai, Zhang Ji would naturally not have a good tone and expression on Lin Kai.

“Boy, don't you think you can fight Shao Shao if you can fight?”

“I advise you, now hurry up and kneel in front of Shao Shao, and beg Shao Shao to spare your life! Otherwise, after two days, you won't even know how you died!”

After listening to Zhang Ji's words, Lin Kai said coldly, “Noisy.”

“Zhang Ji, do you take my words to your ears?”

“I said the day before yesterday. You have two days to survive. Tomorrow, I will take you into the coffin myself!”

A killing intent radiated from Lin Kai's body.

Lin Kai's eyes were even more frightening.

After listening to Lin Kai's words, Zhang Ji also got goose bumps, but sensibly told him that Lin Kai was just a stinky driver, and should I be afraid of him?

"Haha! You are a little driver, you want to put me in a coffin?"

"Idiot dreams!"

"Canglong can't kill you, right? Wait, I'll go back and ask a more powerful killer to shoot you!"

"It's just a small driver. He also boasted that he wanted to take me into the coffin?"

"Tomorrow? Hahaha! Tomorrow happens to be Lao Tzu's birthday! Lao Tzu is holding a birthday party at Juxian Villa. You have the ability, come and kill me!"

Chapter 1020: Juxian Villa

Chapter 1020: Juxian Villa

After Zhang Ji finished speaking, he glanced at Lin Kai very contemptuously.

Lin Kai smiled slightly and said, "Ha ha, all right."

Hearing this, Zhang Ji rolled his eyes, stepped on the accelerator and left!

Lin Kai watched Zhang Ji leave without a touch, a chill flashed in his eyes.

All those who want him to die, Lin Kai will not make him feel better!

No matter who he is, no matter how deep his background is!

At this time, Lin Kai took out his mobile phone, silently edited a text message, and then chose to send it.

Afterwards, Lin Kai got on the Rolls-Royce Phantom and drove away from the door of Leiyuan Group.

...

Soon after, Lin Kai returned to Li's house.

In Li Shengxian's room, Lin Kai tilted Erlang's legs and drank coffee. He did not look like a driver at all, but looked like the owner of the manor.

Not far away, Li Shengxian also looked at Lin Kai helplessly.

Lin Kai has been in his room for three hours.

“Tomorrow is Zhang Ji’s birthday, and he has a birthday party.”

Lin Kai said suddenly.

Li Shengxian was taken aback when he heard this, and said, “It’s his birthday, what’s the matter? I won’t go if I don’t deal with him.”

Lin Kai smiled slightly when he heard the words, and said, “Hehe, no, you must go.”

“Why?” Li Shengxian asked very puzzled.

“The courtesy must come. After all, tomorrow is his death date.” After saying that, Lin Kai raised his head, a cold light flashed in his eyes.

After seeing Lin Kai’s eyes like this, Li Shengxian suddenly realized.

At the same time, he felt sad for Zhang Ji in his heart. Who is not good for you to offend, you must offend Lin Kai?

“Okay, I will go.” Li Shengxian nodded and agreed.

...

Time flies, and soon, it came the next day.

Juxian Villa is a relatively large entertainment club in Donghai City.

Gathering and having fun here are integrated, and it is considered a relatively high-end entertainment club in Donghai City.

Today, Juxian Villa has already been packaged, and the person who has packaged Juxian Villa is naturally Zhang Ji.

At the gate of the villa, there are four doormen standing, and luxury cars often enter the villa.

Inside the villa, it was very lively. The parking lot was full of luxury cars, and the hall was full of people who came to celebrate Zhang Ji’s birthday.

Zhang Ji is also a well-known young master in Donghai City, and his contacts are very wide. There are thousands of people who just came to celebrate his birthday today.

And Zhang Ji stood at the entrance of the hall of Juxian Villa.

Today Zhang Ji wore a white suit with a smile on his face. He stood at the door to welcome every guest who came to celebrate his birthday.

Behind him, gifts are piled up like a hill.

If you can observe carefully, you can find that today's Juxian Villa has extremely strict security!

Although Zhang Ji didn't open Lin's eyes, Zhang Ji's heart trembled when he thought of Lin shooting the security guard.

Therefore, he invited a security team from the security company to come today.

There are thirty people!

With these thirty people, Zhang Ji is not afraid of him Lin Kailai! It's okay if Lin Kai doesn't come. If Lin Kai comes, he will definitely let Lin Kai come back!

...

On the other side, after Lin Kai finished washing, put on black clothes and went out.

Soon, Lin Kai came to the back garden of the manor.

At this time, a man in black had been waiting for Lin Kai in the back garden for a long time.

This is an ancient warrior at the level of a martial artist. He is wearing a black suit with a shadow embroidered on his chest. The man here is a rudder master of the shadow gate!

And Lin Kai is the hall master.

"Meet the hall master!"

Upon seeing Lin Kai, the man in black immediately knelt down towards Lin Kai.

The Shadow Gate has power in every part of China, including Donghai City. Lin Kai ordered the Shadow Gate disciples from Donghai City to come.

"Brothers are here, right?"

Lin Kai asked.

The rudder master nodded heavily and said, "All a hundred people are here!"

"Okay, buy me a coffin, another bell, and then go to Juxian Villa." Lin Kai ordered.

"Yes!"

The shadow door disciple agreed directly.

Lin Kai nodded and returned to the castle from the back garden.

At this time, Li Shengxian was already dressed neatly.

I saw Li Shengxian wearing a black tuxedo suit with shiny hair, and Li Shengxian who was seriously dressed up was still very handsome.

After seeing Lin Kai, Li Shengxian's eyes lit up and said, "Lin Kai, how is it? I am handsome, right?"

Hearing this, Lin Kai smiled and nodded: "Handsome."

"Look, this is the gift I prepared for Zhang Ji!"

After all, Li Shengxian took out a red gift box, and in the red gift box was a Patek Philippe watch worth millions.

"Anyway, today is his last day in the world, so I will be more generous. He can use this watch when he takes it to the underworld."

After listening to his words, Lin Kai also laughed.

At that time, Lin Kai drove on Li Shengxian's Rolls Royce, took Li Shengxian, and drove directly towards Juxian Villa.

...

The Juxian Villa was already overcrowded at this time.

Inside the hall, it is very lively, with people coming and going.

Those who came to Zhang Ji's birthday party today were all celebrities in Donghai City.

The reason why they came to Zhang Ji's birthday party was to celebrate Zhang Ji's birthday, and to expand their contacts here.

This is also the reason for Zhang Ji's birthday party.

At the gate of the hall, Zhang Ji stood under the door to welcome the guests who came to celebrate their birthday.

At this time, Zhang Ji's eyes lit up because a big man was coming.

"Oh! Shao Shao! Looking forward to the stars and the moon, you are finally here!"

Zhang Ji said excitedly.

I saw Shao Xin walking towards Zhang Ji, surrounded by a group of young and old.

Shao Xin's face also showed a faint smile: "We are friends. Today is your birthday, why wouldn't I come?"

After listening to Shao Xin's words, Zhang Ji's face was also light.

I am Shao Xin's friend!

At that time, the eyes of several people around Zhang Ji had changed.

"Hahaha! Thank you Shao Shao for joining us!"

Zhang Ji laughed loudly.

Shao Xin took a gift box from the person behind him, a rectangular gift box.

"Today is your birthday, and there is nothing to give you. This is a bottle of Romani Conti that I have treasured for a long time. I will give it to you today."

After listening to Shao Xin's words, everyone around was bright.

Romani Conti, this is the top red wine!

Look at the vintage of this bottle, it should be around the 80s.

This bottle of red wine is worth at least 300,000 yuan!

Shao Xin is really generous!

And Zhang Ji was also flattered at this time. He took the wine box with both hands: "Thank you Shao Shao! The gift Shao Shao gave is so expensive, I feel embarrassed to accept it!"

"Hahaha!"

There was a burst of laughter around.

The corner of Shao Xin's mouth also raised a smug smile.

Chapter 1021: All Visitors Are Guests

Chapter 1021

Shao Xin's ability to come to Zhang Ji's cheer and give such an expensive gift shows that Zhang Ji has a good relationship with Shao Xin, which makes Zhang Ji's face bright!

At that time, Zhang Ji accompanied Shao Xin into the hall.

The guests who should come are almost here.

In the hall, various celebrities from society wandered among the people with their wine glasses, and there was a loud voice on the scene, very noisy.

And Zhang Ji looked at the scene in front of him very satisfied.

This is my strength!

Almost half of the rich second generation in Donghai City came to join him.

This is the energy of his Zhang Ji! This is his Zhang Ji's strength!

At this moment, a girl in a white dress came from not far away.

She wore a pair of crystal high heels under her feet, with long hair tied behind her head, and her neck like a swan neck was more noble.

She is Zhang Ji's girlfriend, the girl Lin Kai met yesterday, Li Liying.

"Husband, everyone is almost here, right?" Li Liying asked.

Zhang Ji smiled slightly and said, "Hehe, almost all came."

Li Liying looked at everyone present and looked at Zhang Ji with admiration: "Wow, husband, you are great!"

"So many big people are coming to cheer you up!"

When Zhang Ji heard this, his face also showed a triumphant smile: "Hehe, that is, your husband is in Donghai City, and his size is a figure!"

At this time, a middle-aged couple came from outside the door.

The middle-aged couple, who are in their fifties, are dressed very luxuriously. The man is holding a mahogany cane and the woman is wearing a cheongsam. They are very old-fashioned.

“Dad! Mom!”

Zhang Ji greeted him and shouted.

This middle-aged couple is Zhang Ji’s parents.

That man, Zhang Ji’s father, was named Zhang Zhenjiang.

Zhang Zhenjiang is also a well-known big man in Donghai City. He is the boss of Zhenjiang Real Estate Company. Zhang Ji also relied on his father and became famous among the wealthy circles of Donghai City.

As soon as Zhang Zhenjiang appeared, many people smiled at Zhang Zhenjiang.

Most of the people who came today, some came for Zhang Ji’s face, and some came for Zhang Zhenjiang’s face.

Zhang Ji may not be a big man, but his father is Zhang Zhenjiang!

Shao Xin walked over quickly at this time. After seeing Zhang Zhenjiang, Shao Xin smiled and said: “Uncle Zhang, long time no see.”

At this time, Shao Xin was very humble and looked like a junior.

After seeing Shao Xin, Zhang Zhenjiang was also a little surprised. Shao Xin’s father had a much higher status in Donghai City, but he did not expect that Shao Xin would also come.

“Little letter, long time no see.” Zhang Zhenjiang smiled.

“Ah, this is Shao Xin? It really is a talented person!” Zhang Shi was surprised at this time.

She has never met Shao Xin.

Shao Xin smiled and nodded, and said, “Auntie, I am Shao Xin, Zhang Ji’s good friend.”

Shao Xin also deliberately bit the words “good friend” very hard.

Zhang Ji’s status is naturally inferior to Shao Xin, but Shao Xin is about to take over the position of company executives, so he has to establish his own contacts.

This is why he came to Zhang Ji's birthday party.

"Well, my family Zhang Ji has a good friend like you, so I don't worry that he will suffer a disadvantage in society in the future." Zhang said with a smile.

Shao Xin smiled and nodded.

Zhang Zhenjiang looked at the wealthy house and asked: "Zhang Ji, all your friends are here, right?"

Hearing the words, Zhang Ji glanced at the people at the scene and nodded: "Almost all are here."

"Well, today you are the protagonist. Dad will accompany you on stage to speak a few words."

Hearing this, Zhang Ji's eyes lit up, nodded and promised: "Good dad, please."

Then, Zhang Ji supported Zhang Zhenjiang and stepped onto the podium in the center of the lobby.

And when the two of them stepped onto the podium, the scene immediately became quiet, and thousands of people were watching them both.

"Everyone!"

Zhang Zhenjiang's voice sounded.

"Today is my son Zhang Ji's birthday. I am very pleased to see that my son has so many friends."

"I, Zhang Zhenjiang, am also old, and my son will soon inherit my property."

"I hope that in the future, everyone can support my son a lot. If my son does something wrong, I hope everyone can bear it."

After that, Zhang Zhenjiang bowed to everyone.

At this time, the audience applauded.

Zhang Ji's face also overflowed with a smile.

Zhang Zhenjiang is announcing to everyone that Zhang Family will soon be in charge of Zhang Ji!

"Thank you all for coming to my birthday party. Everyone is a guest. Eat and drink!"

At this time, Zhang Ji also smiled at everyone.

There was a burst of laughter immediately below.

At this moment, the waiter's shout suddenly came from the door.

"Li Shengxian is here!"

When the waiter shouted so, everyone looked at the gate.

I saw a person standing at the gate.

Lee Seung Hyun in a tuxedo!

With a gift in Li Shengxian's hand, a meaningful smile appeared on his face.

After seeing Li Shengxian, Zhang Ji raised his eyebrows.

He and Li Shengxian have never dealt with each other very much! He did not expect that Li Shengxian would come to his birthday party.

After Shao Xin saw Li Shengxian, his face became gloomy.

Li Shengxian robbed his project that day. He still remembered this grudge!

Zhang Ji naturally noticed Shao Xin's face. He knew that at this time, he couldn't show Li Shengxian a good face!

"Yeah, isn't this Li Shengxian?"

"You are such a rare visitor!"

Zhang Ji said strangely.

Li Shengxian smiled when he heard the words and strode into the lobby.

"Haha, it's your birthday for the last time anyway, so naturally I want to come and see it."

After listening to Li Shengxian's words, Zhang Ji frowned and asked, "What do you mean?"

"Means nothing."

Li Shengxian shrugged and saw him put his gifts on the table.

“This is a limited edition of Patek Philippe, it is my birthday present to you!”

After listening to Li Shengxian’s words, everyone exclaimed, this Li Shengxian’s shot is really generous!

Birthday gifts are watches worth millions!

After seeing the famous watch, Zhang Ji’s face looked better.

“All those who come are guests, Young Master Thirteen, please feel free!”

Zhang Ji said angrily.

Li Shengxian strode into the lobby, found a place to sit up at random, and raised Erlang’s legs. Next, there is a good show!

“The guests are almost here! Everyone must eat and drink today!”

Zhang Ji greeted.

But at this moment, a cold voice came from outside the door.

“Almost here? Zhang Ji, are you afraid that you forgot about me?”

As soon as this cold voice sounded, thousands of people at the scene looked towards the gate!

I saw a man standing at the gate!

Behind the man stood two guards in black.

Chapter 1022: Uninvited Guest

Chapter 1022: Uninvited Guest

“Who?”

Zhang Ji immediately looked at the gate.

I saw Lin Kai standing under the gate.

Lin Kai was dressed in black, with a black cloth tied to his arm, with a cold expression on his face.

Behind him are two guards dressed in black.

Blindfolded, unable to see the face.

“Lin Kai?” Zhang Ji’s voice raised.

He did not expect that Lin Kai would actually come!

Lin Kai once said yesterday that he would be sent into a coffin at his birthday party today, and he really came at this time!

There is an uproar now, everyone can see that Lin Kai is here to kick the hall!

“Who is this person?”

“I do not know!”

“I know him! He is Li Shengxian’s driver!”

“Driver? The driver is so arrogant?”

...

There was a voice of discussion.

Shao Xin, who was sitting in the front, had a hint of hatred flashing through his eyes.

He hates Lin Kai to the bone! Lin Kai killed two of his men! Lin Kai once severely stomped Shao Xin’s face under his feet!

Looking at Lin Kai again, he entered with a negative hand.

“Zhang Ji, two days ago, I said that you have two days to survive.”

“Now two days are up, Lin Kai, I will send you into the coffin today!”

As soon as Lin Kai’s words came out, the scene exploded!

what?

This person actually came to kill Zhang Ji?

In full view?

Isn’t he a lunatic?

Even Shao Xin would not dare to kill Zhang Ji in the public! Behind Zhang Ji, but Zhang Zhenjiang!

After listening to Lin Kai's words, Zhang Ji was furious: "What a big tone!"

"Kill me? Just rely on your little driver?"

"It's just right, I specially reserved a hand for you, come here!"

Zhang Ji yelled. At that time, countless bodyguards rushed in from outside the door!

These bodyguards are five big and three thick one by one. It looks like Kong Wu is powerful, there are a total of thirty!

The 30 bodyguards all held weapons such as electric shock sticks in their hands!

As soon as these people appeared, they directly surrounded Lin Kai and his two men.

Upon seeing this, Zhang Zhenjiang sneered with his hands behind him: "Heh, where did the thief come from? In a big tone, you want to kill Zhang Zhenjiang's son?"

"In Donghai City, no one can touch my son Zhang Zhenjiang!"

There was a burst of laughter at the scene.

In their opinion, Lin Kai is a fool!

Want to kill Zhang Ji with two people? And it's still under the public!

Isn't this a fool?

Only Li Shengxian smiled and shook his head. He knew that Lin Kai was terrible, and he knew what Lin Kai had said, he would definitely honor it!

Lin Kai glanced at Zhang Zhenjiang coldly and said, "Are you Zhang Ji's father?"

"Come here, give gifts!"

Lin Kai said loudly.

After that, I saw a man in black behind Lin Kai strode forward, and the man in black came to Zhang Zhenjiang and handed a red box in his hand to Zhang Zhenjiang.

Zhang Zhenjiang took the box and opened it.

I saw a bank card in the box.

"There are five million in this card, which is my birthday gift from Lin Kai to Zhang Ji!"

Lin Kai said loudly.

After listening to Lin Kai's words, Zhang Zhenjiang shook his head and sneered, "Heh, now I just think of giving gifts?"

"Late!"

In Zhang Zhenjiang's view, Lin Kai gave him 5 million, nothing more than a temporary regret, for fear of offending Zhang Zhenjiang.

There was a sound of discussion at the scene.

"Five million? The shot is generous enough!"

"But, even if he gave Zhang Ji five million dollars? He lost face to Zhang Ji today, Zhang Ji will not let him go!"

"This man seems to be a fool!"

...

Zhang Ji glanced at the bank card and sneered: "Hehe, you are just a small driver. Can you have five million?"

After all, Zhang Ji picked up the bank card and threw it on the ground casually.

"Furthermore, even if you have five million, do you think I will let you go?"

"Lin Kai, you are too naive!"

After listening to Zhang Ji's words, Lin Kai laughed at the time: "Haha, is it?"

"Zhang Ji, these five million are a gift from Lin Kai, and it can be considered as a pension for your father."

"Lest you say that Lin Kai is rude!"

"But, there is gratitude for gratitude, revenge for revenge!"

"What Lin Kai said, I will never break my promise!"

"Now that the gift is given, the enmity between us should also end!"

After that, Lin Kai applauded directly.

Snapped! Snapped! Snapped!

Three beeps.

Afterwards, everyone only felt a tremor on the ground.

Boom! Boom! Boom!

Everyone looked at the gate in unison.

Behind Lin Kai, a group of people appeared!

All are men in black in black!

They all covered their faces and couldn't see their faces clearly, but their eyes were very cold, and their eyes could make people shudder!

There are nearly a hundred people in black!

At that time, people stood behind Lin Kai!

Not only that, among the hundreds of people in black, several others are carrying a huge black coffin!

There is a big sacrifice on the coffin!

In addition to a huge coffin, there are several people carrying a huge clock!

Send the bell? This is to send Zhang Ji off!

These hundreds of men in black are extremely powerful!

And Lin Kai stood with his hand in hand, from his body, it exudes an imperial aura, looking down at the world!

Lin Kai at this time couldn't look directly at him!

Although he is just an ordinary person now, although he does not have a trace of spiritual power in his dantian at this time.

But Lin Kai at this time gave people a deadly sense of danger.

This person can't be offended!

After Zhang Ji and Zhang Zhenjiang saw the coffin and the clock, their faces changed drastically.

Zhang Zhenjiang was even more so angry that his chest was up and down, and his breathing became short.

Zhang Zhenjiang is a person in Donghai City, when he was so insulted?

The other party sent the bell and the coffin to his son! The other party didn't put him in the eyes of Zhang Zhenjiang at all!

The thirty bodyguards surrounding Lin Kai were also shocked at this time, and none of them dared to approach Lin Kai.

Because of the hundreds of people behind Lin Kai, the pressure on them is too great!

"Go ahead, how do you want to die?"

"Also, if you have any last words, please explain them."

"I will try to satisfy you."

Lin Kai said lightly.

As if talking about a trivial thing.

Zhang Ji was flushed with anger, he said angrily: "Lin Kai! Do you dare to kill me?"

"So many people are watching!"

"If you kill me, you will never escape the East China Sea!"

Lin Kai heard this, as if he hadn't heard it, but saw Lin Kai put up one of his fingers and said, "You have three minutes left."

Zhang Ji was even more furious when he saw Lin Kai ignored him.

Lin Kai brought so many people here, if he was really messed up, he might really die in his hands!

At this moment, Zhang Ji looked directly at Shao Xin.

"Shao Shao! This Lin Kai is too rampant!"

"Besides, it's because of you... I offended Lin Kai!"

Chapter 1023

Shao Xin's face was also green.

At this moment, everyone looked at him.

Just now, Shao Xin patted his chest and said that he was a good friend of Zhang Ji. If he chooses to ignore him at this time, his reputation as Shao Xin will be wiped out.

Besides, isn't it just a little driver?

Shao Xin snorted and stood up: "Lin Kai!"

"Don't mess around here! Get out of me!"

"If you have to be obsessed, don't blame me for being rude to you!"

Shao Xin's reprimand sounded.

And Shao Xin's words were nothing but a joke in Lin Kai's ears, and Lin Kai laughed at that time.

"Hehe, Shao Xin, if you don't want to die, just sit down for me!"

Lin Kai's eyes were filled with contempt.

Even Shao Xin didn't pay attention to him!

When Shao Xin heard the words, his face was green.

"you!"

Thousands of people at the scene looked at Shao Xin!

If he Shao Xin can't handle even a small driver today, then what Shao family elder Shao Xin is he?

"Okay! Since you're obsessed with understanding! Don't blame me for being impolite!"

After all, Shao Xin directly took out his cell phone and dialed a call.

Soon after, the phone was dialed.

"Hello? Brother Tiger? It's me, Shao Xin."

"I encountered a little trouble, can you come over?"

“It’s in Juxian Villa.”

“Okay, thank you Brother Tiger.”

After that, Shao Xin hung up the phone.

“Brother Tiger?” Zhang Ji asked curiously, “Could it be Xu Wenhui?”

Shao Xin nodded, sneered at the corner of his mouth: “Yes, it’s him!”

After listening to Shao Xin’s words, there was a burst of exclamation around him.

Shao Xin deserves to be Shao Xin! Even Brother Tiger can please!

Brother Tiger is a famously ruthless character in Donghai City. When Brother Tiger comes, Lin Kai will die!

With Shao Xin’s support, Zhang Ji’s waist became hard.

Zhang Ji looked at Lin Kai arrogantly, and said arrogantly: “Lin Kai! Brother Tiger is coming soon. If you kneel down and beg me now, I might let Shao Shaowang open up.”

“Otherwise, when Brother Tiger comes, it will be too late to say anything!”

Facing Zhang Ji’s threat, Lin Kai just glanced at his watch.

“You have one minute left.” Lin Kai said lightly.

After listening to Lin Kai’s words, everyone’s expressions changed.

It turns out he didn’t put Shao Xin in his eyes at all! He didn’t even hear a word of Shao Xin’s words!

So crazy!

Shao Xin’s eyes are full of coldness.

But he knew that after a while, Lin Kai would kneel in front of him and beg him!

More than people? May I ask who is a big man in Donghai City? There are more people with Brother Tiger?

Zhang Zhenjiang came to Zhang Ji with his hands behind his back and protected Zhang Ji.

“Son, don’t be afraid, I am here today, I want to see who can touch my son!”

Zhang Zhenjiang's words are full of domineering!

At this time, Lin Kai glanced at his watch and said, "The time is up."

"Zhang Ji, explain your last words."

Lin Kai said lightly.

The tone is beyond doubt.

After listening to Lin Kai's words, Zhang Ji was furious. With so many people behind him, could Lin Kai really dare to kill him?

"I'll explain your mother's last words! I think it's you who is damned today!"

As soon as Zhang Ji said, the chill in Lin Kai's eyes flashed.

At that time, Lin Kai waved his hand and said, "Kill!"

With Lin Kai's words, two men in black walked out immediately behind him, and the two men in black walked directly towards Zhang Ji without saying a word!

And Zhang Ji couldn't help taking two steps back.

"Come on! Protect me!" Zhang Ji yelled.

The 30 bodyguards he invited also protected Zhang Wei for Tuantuan.

However, in front of the ancient warriors, ordinary people are too fragile.

I saw two men in black rushing wildly, rushing directly to the crowd! These are two masters at the martial arts level!

At that time, everyone only heard a wailing sound, and they didn't know what was going on, people who had fallen to the ground!

Thirty bodyguards were all brought down! It only took less than three seconds!

At this moment, the two Shadow Sect disciples had already arrived in front of Zhang Ji, and Zhang Ji's eyes were full of horror!

In the eyes of the two men in black, there was no emotion at all, one of them pulled out the dagger from his waist, without saying anything, slashed directly at Zhang Ji's neck!

Stabbed!

A burst of blood spurted out!

Zhang Ji covered his neck and opened his eyes wide.

He didn't expect that Lin Kai's people would really do it!

And so powerful!

Death came too soon, too suddenly!

Zhang Ji couldn't accept this result for a while.

Feeling the sharp pain in his neck, Zhang Ji realized that Lin Kai was not joking, he really came to send him on the road today!

Plop!

Zhang Ji knelt on the ground.

Blood also ran down his neck.

"Well"

He wanted to say something, but as soon as he spoke, more blood would gush out.

After killing people, the two men in black wiped their daggers and strode back behind Lin Kai.

At this time, the scene was as silent as death.

Killed!

That Lin Kai killed Zhang Ji in front of thousands of dignitaries!

But Zhang Zhenjiang's body trembled slightly, his eyes were almost red when he looked at Zhang Ji who was about to die!

This is his only son!

"son!"

Zhang yelled and hugged Zhang Ji quickly.

And Zhang Ji looked dying!

Shao Xin on the side also watched this scene blankly.

This Lin Kai is so terrible!

The last time two security guards were shot and killed in front of him! Now kill Zhang Ji in front of him again!

He doesn't take human life seriously!

Is this person a demon?

Shao Xin was dumbfounded.

He couldn't believe this scene before him!

Lin Kai glanced at Zhang Ji's corpse and shook his head: "I said it a long time ago. Today I will come and take you into the coffin, but you just don't believe it!"

Lin Kai patted the mahogany coffin on the side and said to Zhang Ji, who was about to die, "This coffin is made of high-quality golden nanmu. It's a good journey."

Lin Kai's indifferent voice entered the ears of everyone on the scene.

His voice makes people shudder!

This person is completely a demon who kills without blinking!

"Lin Kai! I want you to kill and pay for my life! I want you to bury my son!"

Zhang Zhenjiang roared at this moment!

He is very angry!

Today is his son's birthday. Today was originally a good day for Zhang Ji, but Lin Kai made it a memorial day for Zhang Ji!

He can't bear it!

Hearing this, Lin Kai smiled while holding his arms.

"Hehe, sir, if you can live a few more days, then live a few more days."

"Don't provoke me, otherwise, your son's fate will be your fate!"

Lin Kai's voice clearly passed into Zhang Zhenjiang's ears.

Arrogant! It is too arrogant!

But at this moment, a burst of footsteps suddenly sounded!

Chapter 1024: Frog At The Bottom Of The Well

Chapter 1024

At this moment, sudden change!

From outside the hall, countless people rushed in!

These people are all fancy little bastards, most of them have tattoos and their hair is colorful!

In their hands, they all held weapons such as blades and steel bars.

Very large number of people!

Hundreds of people came!

As soon as this group of punks appeared, they directly blocked the entire door! And surrounded Lin Kai's people!

The faces of the gangsters all showed arrogant expressions.

There are more of them than Lin Kai!

After seeing this scene, everyone exclaimed, because everyone knew that he was coming! Brother Tiger is here!

At this time, Zhang Ji had completely died, lying motionless on the ground, and he had become a dead person.

Shao Xin is not sad when Zhang Ji is dead, on the contrary, he is very angry!

Today, he must make Lin Kai lose his life! Lin Kai didn't put him Shao Xin in eyes at all!

At that time, Shao Xin sneered: "Lin Kai! You are dead! A little driver who dares to kill my friend of Shao Xin, Shao Xin will avenge Zhang Ji today!"

After all, Shao Xin walked quickly to meet the group of punks.

At this time, a man appeared at the gate of the hall.

The man, who was 1.8 meters tall, had a bald head and no eyebrows, and looked very vicious.

Behind him, a group of people followed.

He is Xu Wenhui, the emperor of the underground world of Donghai City!

“Brother Tiger!” Shao Xin yelled and greeted him quickly.

Due to too many people, Xu Wenhui did not see Lin Kai. After seeing Shao Xin, a smile appeared on his face.

Shao Xin asked him for help, and that was to send a lavish silver to his pocket!

“Shao Shao, who would dare to ask about you?”

Xu Wenhui asked in a voice.

The people at the scene all looked at Xu Wenhui, Xu Wenhui’s name can be described as thunderous.

As soon as he appeared, everyone looked at Xu Wenhui with a very respectful look.

This Xu Wenhui is not easy to provoke, there are hundreds of people under him! The appeal is very powerful!

No one wants to offend him.

“Brother Tiger, someone killed my friend!”

Shao Xin said angrily.

“Oh?”

After listening to Shao Xin’s words, Xu Wenhui was also very curious.

How dare someone kill someone in the public?

“Brother Tiger, you help me settle him, and after the matter is done, I will give you one million!” At this time, Shao Xin whispered in Brother Tiger’s ear.

When Brother Tiger heard the words, his eyes lit up and he nodded: “Dare to bully my friend of Xu Wenhui, and dare to kill my friend’s friend. This simply doesn’t put me in the eyes of Xu Wenhui!”

“Who is it? Let me see!”

Xu Wenhui said loudly.

After listening to Xu Wenhui's words, Shao Xin smiled triumphantly.

He looked at Lin Kai, his eyes gloating.

Those eyes seemed to say that you are finished!

"Brother Tiger! It's him!" Shao Xin pointed at Lin Kai.

Upon hearing this, Xu Wenhui also looked at Lin Kai.

However, after seeing Lin Kai, Xu Wenhui was confused.

There was a buzz in his mind, it was actually him?

Lin Kai, someone he will never forget!

The scene where Lin Kai killed him yesterday made Xu Wenhui very jealous when he thinks about it.

This evil star is a master! Not to provoke! Looking at the hundreds of people behind Lin Kai, they were all murderous.

This group of people is definitely not easy to mess with!

"Lin Kai! You are done!"

"When Brother Tiger comes, I see how arrogant you are!"

Shao Xin said proudly.

Zhang Zhenjiang came to Xu Wenhui's side tremblingly at this time and said: "Ahu, you must avenge my son!"

Zhang Zhenjiang and Xu Wenhui are also related.

Moreover, Xu Wenhui is not as old as Zhang Zhenjiang, so Zhang Zhenjiang called Xu Wenhui to scream.

At this time, Xu Wenhui's face was ugly.

"Brother Tiger, how do you deal with him?" Shao Xin asked.

From beginning to end, Lin Kai put his hands in his pockets and kept silent, only looking at Shao Xin with a joking look.

"Little cat, I advise you not to be nosy." Lin Kai said lightly.

After hearing Lin Kai's words, Shao Xin was furious: "How the **** are you talking to Brother Tiger? Do you know who Brother Tiger is? The underground emperor of Donghai City!"

"Brother Tiger wants you to die, just a sentence!"

"As long as Brother Tiger..."

Snapped!

Before Shao Xin's words were finished, a very crisp slap fell on his face!

This slap shocked Shao Xin!

Shao Xin covered his face and looked at Xu Wenhui with an incredible expression. It was Xu Wenhui who beat him!

Seeing Xu Wenhui's angry face, he roared: "How the **** are you talking to Mr. Lin?"

Mr. Lin?

When these three characters came out, everyone on the scene was confused.

Only Li Shengxian's mouth showed a playful smile.

Who is Mr. Lin? Is that Lin Kai?

Even Xu Wenhui wants to call Lin Kaiwei Lin? Do they know?

I saw Shao Xin covering his face and did not respond for a long time.

Looking at Xu Wenhui again, he quickly walked towards Lin Kai, with a pleasing smile on his face: "Mr. Lin, I'm sorry, I didn't know it was you!"

But Lin Kai had a smile on his face and did not speak.

This smile made Xu Wenhui shudder.

At this moment, Xu Wenhui looked at his subordinates and roared: "What the **** are you doing standing there? Still holding the blade? This is my eldest brother! You all have to be called Master Lin!"

After listening to Xu Wenhui's words, all his staff were stunned.

Then, they all yelled: "Master Lin!"

At that time, Xu Wenhui's people surrounding Lin Kai also dispersed.

After seeing this scene, everyone on the scene was confused.

This one was completely over, even Xu Wenhui was with Lin Kai!

Moreover, it seems that Xu Wenhui respects Lin Kai very much. Is it possible that Lin Kai is a great man?

Shao Xin held his face and stayed there for a long time.

He could not accept this result!

Xu Wenhui, who he needs to rely on, is actually like a little brother in front of Lin Kai?

Who is this person?

Lin Kai also looked at Shao Xin with a smile.

"Very disappointed?"

"Your dependence, in my eyes, is just an ant-like existence."

After all, Lin Kai touched Xu Wenhui's big bald head, just like a dog.

And instead of being angry, Xu Wenhui showed an expression of enjoyment on his face.

After seeing this scene, Shao Xin clenched his fists even more.

Zhang Zhenjiang also watched all this blankly.

"Shao Xin, I know you have a background, do you think Lin Kai is just a driver?"

"Just a little ant that you can pinch to death at will?"

"Coincidentally, in my eyes, you are also an ant."

"This world is huge, and you are like a frog at the bottom of a well. You think you are strong enough, but in the eyes of some people, wanting to kill you is just a sentence."

Chapter 1025: First Madman

Chapter 1025

"I advise you."

“Don’t provoke anyone who can’t be offended, otherwise you may be the next person to be in the coffin.

After all, Lin Kai smiled faintly.

Shao Xin’s face was pale, unable to refute.

At this time, Lin Kai looked at Zhang Ji’s father, Zhang Zhenjiang.

“I killed your son, you may hate me, you may not be convinced, I can understand.”

“Do you know why I killed your son? Your son bought a killer to kill me.”

“I know that in the eyes of you rich people, what you pay attention to is that the weak eat the strong, and the weak deserve to die!”

“However, since you have the intention of killing, you must have the consciousness of being killed!”

“Zhang Zhenjiang, right? If you want revenge, I welcome it at any time, but remember, you have only one chance!”

Lin Kai raised one of his fingers.

After that, Lin Kai waved his hand and said, “Go!”

As soon as Lin Kai spoke, the hundreds of Shadow Sect disciples behind him all turned around and walked towards the door with strides.

There were thousands of people on the scene, and no one dared to stop Lin Kai.

Come and walk openly, this is Lin Kai!

And Lin Kai’s face has been deeply embedded in everyone’s mind, and everyone can’t forget this person.

The most madman in Donghai City, Lin Kai!

Seeing Lin driving away, Xu Wenhua hurriedly shouted: “Go slowly, Lord Lin!”

Afterwards, Lin Kai’s figure disappeared in the realization of everyone.

The scene also became deadly silent.

...

Soon after, Lin Kai returned to Li's house.

In his room, Lin Kai took a shower and lay on the sofa with a glass of red wine in his hand.

The hidden **** stood in front of Lin Kai.

“Master, do I need to give you Shao Xin...”

With that said, Yinshen made a wipe of his neck.

Lin Kai heard the words, smiled and shook his head: “Ha ha, no need.”

“On the Baidao, there is Jiulong Mountain behind me.”

“On the underworld, there is a shadow gate behind me.”

“Looking at the entire East China Sea, who is Lin Kai's opponent?”

“It's just an ant, need it to assassinate him?”

“Furthermore, I have a reason for Lin Kai to kill. He didn't want to kill me, so why should I kill him?”

After listening to Lin Kai's words, Yinshen nodded.

“Master atmosphere.”

Bang bang bang!

At this moment, Lin Kai's door was knocked.

“Come in!” Lin Kai said.

Then, the door opened and only a housekeeper Li was standing at the door.

“Mr. Lin, my young master wants to see you.”

Steward Li respectfully said.

After listening to steward Li's words, Lin Kai raised his eyebrows: “Oh?”

Lee Ho Hyun wants to see himself?

I'm not familiar with Lee Ho-hyun!

“Young Master is waiting for you on the balcony on the fifth floor.” After that, Butler Li exited Lin Kai’s room.

Lin Kai stood up, wearing slippers, and walked directly towards the fifth floor of the old castle.

Soon after, Lin Kai came to the balcony on the fifth floor.

On a sofa, Li Haoxian sat cross-legged with a pot of tea in front of him.

Looking down, it is half of Li’s house with pleasant scenery.

After Lin Kai came, Li Haoxian didn’t even turn his head.

“Come? Please sit down.” Li Haoxian’s voice was relatively mild.

Lin Kai was also rude and sat directly opposite Li Haoxian.

“Is there anything you want me to do?”

Li Haoxian looked up at Lin Kai, and when he saw that Lin Kai was actually wearing pajamas and slippers, his brow furrowed.

Lin Kai is just a small driver, who dares to meet him in such a casual dress, which makes Li Haoxian a little uncomfortable.

But Li Haoxian still held back.

“Lin Kai, right?” Li Haoxian asked.

Lin Kai nodded and said, “It’s me.”

“I heard that you were a friend of Shisan? Now you are driving Shisan?” Li Haoxian raised his eyebrows and looked at Lin Kai.

Lin Kai nodded again after hearing this.

At this time, Li Haoxian was no longer talking nonsense, he took a bank card from his pocket and threw it on the table.

“There are one million in this card. Help me monitor Li Shengxian. He will report everything he does to me, is it okay?”

Li Haoxian looked at Lin Kai aloft.

He seemed to see how Lin Kai couldn’t wait to agree.

After all, in this world, there is no absolute friendship, only absolute money.

Lin Kai laughed when he heard the words, "Hehe, young and old, you might have found the wrong person."

Lin Kai rejected Li Haoxian.

After listening to Lin Kai's words, Li Haoxian frowned. He didn't expect Lin Kai to reject him.

"Two million!" Li Haoxian said again.

In his opinion, the reason Lin Kai refused to agree was only because of insufficient money.

There are no things in this world that money cannot solve. If there are, then add money!

After listening to Li Haoxian's words, Lin Kai smiled again and shook his head: "Young Master, I am not that kind of person."

"Three million!" Li Haoxian gritted his teeth and said.

And Lin Kai's face also showed an impatient look.

Lin Kai stood up, tidied up his pajamas, and glanced at Li Haoxian.

"Young Master, if you have time to frame your brother, you might as well have a fair and honest contest with your brother. I, Lin Kai, look down on the conspiracy behind the scenes!"

After listening to Lin Kai's words, Li Haoxian was furious.

boom!

Li Haoxian slapped the table and said angrily: "Do you dare to talk to me like this? Are you afraid that I will kill you?"

After listening to Li Haoxian's words, Lin Kai smiled disdainfully: "You can kill me if you have the ability, but I only give you one chance, remember, just once!"

Lin Kai raised one of his fingers.

After that, Lin Kai shook his head and hummed a little song before leaving.

Looking at Lin Kai's back, Li Haoxian's eyes flashed a trace of cruelty.

He already knew that yesterday's thing was unsuccessful, but he didn't know that Li Shengxian had evidence of collusion between him and Xu Wenhui.

"A little driver dare to be so rampant?"

"Want to die? Then I will satisfy you!"

Li Haoxian was so angry that his chest went up and down.

When Li Shengxian falls, you, a little driver, will naturally have no good fruit!

Thinking of this, Li Haoxian picked up the phone on the table. This call was made to the president of the company.

"Hey?"

"Let Shengxian Li go to Dafeng Entertainment to sign the spokesperson for our new product tomorrow!"

"Say hello to Dafeng Entertainment. Except for me personally, no one else should sign a contract!"

After all, Li Haoxian hung up the phone.

This time, I see how you Lee Shengxian hides!

...

Lin Kai returned to his room, the sky gradually dimmed, and Li Shengxian also finished handling his own affairs outside and returned to Li's house.

After Li Shengxian returned to Li's house, he rushed to Lin Kai's room.

Li Shengxian did not knock on the door, and walked directly into Lin Kai's room.

"I said Lin Kai, you can do it! Today, I saw that kid Zhang Ji died in front of my eyes, so don't mention how refreshing it is!"

Chapter 1026: Gale Again

Chapter 1026

"You are too happy too soon." Lin Kai said with a slight smile.

"What do you mean?"

Li Shengxian sat down and looked at Lin Kai with a puzzled look.

Lin Kai then relayed what Li Haoxian had said to Li Shengxian today.

After listening to Lin Kai's words, Li Shengxian gritted his teeth with hatred: "This Li Haoxian is really conspiring!"

"It's really not ruthless and unstable!"

Lin Kai nodded.

Lin Kai knew exactly what kind of person Li Shengxian was.

Li Shengxian does not like power, nor is he interested in the position of the heir in the family.

But he was very much loved by the owner of the family, and he became Li Haoxian's number one enemy.

Lee Ho-hsien does not hesitate to use the following three abuses to force Lee Shenghyun into submission.

This made Li Shengxian very angry!

"What are you going to do?" Lin Kai asked.

Li Shengxian squinted his eyes for a moment and snorted coldly, "Hmph, my brother won't make me feel better, and I won't make my brother feel better!"

"When my dad comes back, I will give the video to my dad!"

After listening to Li Shengxian's words, Lin Kai nodded, this is also a way.

Soon after, Li Shengxian left Lin Kai's room.

...

Silent overnight, and soon, the next day came.

After Lin Kai finished washing, he dressed neatly and went downstairs.

The silver Rolls-Royce Phantom stopped in front of Lin Kai.

Soon after, Li Shengxian also walked downstairs, and he strode towards Lin Kai with a gloomy expression.

Soon after, the two got into the car, Lin Kai glanced at Li Shengxian, and asked, "What? Another problem?"

Li Shengxian shook his fist and said, "I don't know if this is a problem."

"In the morning, my elder brother's person notified me and asked me to sign an artist as the image spokesperson for our company's new product."

"Signed artist?" Lin Kai raised his eyebrows upon hearing this.

Li Shengxian nodded and said, "Yes, you sign an artist, do you know Li Shaohan?"

Hearing this, Lin Kai raised his eyebrows and said, "I seem to have heard of it somewhere, but I have no impression."

"Li Shaohan is a relatively famous first-line celebrity in Donghai Province. It is considered a traffic star. Our company gave her 10 million advertising endorsement fees and let her serve as the image spokesperson for our company's new products."

"Everything is negotiated, just waiting for me to sign the contract in the past."

Lin Kai nodded when he heard the words, "Isn't this good?"

"Who knows if something goes wrong?" Li Shengxian smiled helplessly.

In the struggle between him and his elder brother, his elder brother has always had the upper hand, and Li Shengxian can only respond passively.

Lin Kai smiled slightly and started the car directly: "Say, where to go?"

"Dafeng Entertainment Company!"

"Ok?"

...

Soon after, Lin Kai and Li Shengxian came to the gate of Dafeng Entertainment.

This company is very stylish. Although it is only a subsidiary, it has a 38-story building.

Downstairs of the company, people come and go, very lively.

Lin Kai never thought that the company that Li Shengxian cooperated with was actually a company under his own name.

It seems that Dafeng Entertainment is developing very quickly! In just a few months, Dafeng Entertainment has a branch in Donghai City.

Lin Kai felt very pleased.

It seems that Wang Zhentian is indeed a business prodigy!

The two got out of the car and walked into the company together.

The company is very stylish, the floor is spotless, high-level white-collar workers come in and out, and the front desk lady is very beautiful.

As he walked, Lin Kai said, "Is Dafeng Entertainment Company you are cooperating with?"

Li Shengxian heard the words and nodded: "Yes, this Dafeng Entertainment Company is very capable in the entertainment industry, and it is also the most famous entertainment company in Beijing."

Lin Kai laughed when he heard this.

When Li Shengxian saw this, he was very curious: "What are you laughing at?"

Lin Kai smiled and shook his head, and said, "Haha, it's nothing."

The two went to the front desk together, and the beautiful front desk lady asked politely: "Two gentlemen, who are you looking for?"

Li Shengxian said indifferently: "A phone call with you, Mr. Zhao, said that Li Shengxian of the Li Group came to negotiate a contract with him."

When I heard of the Li Group, the lady at the front desk did not dare to neglect, and quickly picked up the phone and dialed out.

Soon after, the lady at the front desk hung up the phone.

"Please, Mr. Zhao is waiting for you on the eighth floor."

Then, a receptionist led the two towards the elevator.

The two walked into the elevator together, and the elevator rose slowly. Soon after, the elevator reached the eighth floor.

Li Shengxian and Lin Kai walked out of the elevator together. As soon as they walked out of the elevator, they saw a beautiful shadow rushing over.

“Yeah, Young Master Thirteen, you are such a rare guest!”

I saw a woman in a close-fitting suit greeted me.

The woman looked twenty-eight or ninety-nine years old, she was in excellent shape and well maintained, just like a little girl, with a smile on her face.

Li Shengxian shook hands with the woman and smiled: “Haha, Mr. Zhao, it’s been a long time.”

This one is the vice president of Dafeng Entertainment Branch.

Lin Kai glanced at her, but she didn’t even look at Lin Kai.

She didn’t even know that the young man standing in front of her was actually the chairman of Dafeng Entertainment Company!

“Thirteenth young man, please come inside.”

Zhao Qian smiled.

Then, Zhao Qian led the two into her office.

In the office, it is very grand and luxurious.

The desk is made of mahogany, the sofa is made of leather, and even the tea is top-notch Dahongpao.

“Please sit down.” Zhao Qian asked Li Shengxian to sit down.

As for Lin Kai, she didn’t even look at it.

“Thirteenth young man, is there something going on when I come to our company this time?” Zhao Qian asked, sitting opposite Li Shengxian, raising Erlang’s legs.

Li Shengxian smiled slightly, took out a contract from his briefcase and put it on the table.

“The last time someone in our company talked to you about cooperation, the endorsement fee of 10 million yuan, I have prepared the contract, do you think it is not convenient to sign?”

After listening to Li Shengxian’s words, there was a meaningful smile on Zhao Qian’s face.

“It turned out to be this thing, Young Master Thirteen, I’m afraid you will come for nothing this time.”

After listening to her words, Li Shengxian’s heart slammed at that time, as expected, something happened!

“Oh?” Li Shengxian asked puzzledly: “Why?”

“The artist you want to sign is a very popular artist under our company, a traffic superstar!”

“Li Shaohan, how much influence is in the East China Sea, should you know it in your heart?”

“This ten million is not enough!”

Zhao Qian’s words were very direct, and she was not afraid of offending Li Shengxian.

After all, Dafeng Entertainment Company is also a big company, and it has nothing to do with the business of the Li Group. Even if the Li family is the most wealthy family in the East China Sea, she is not afraid to offend the Li family.

Chapter 1027: Li Shaohan

Chapter 1027: Li Shaohan

Besides, only she knows the way behind this.

Li Shengxian frowned upon hearing this.

If the task cannot be completed this time, Li Haoxian will definitely chew his tongue.

After all, this time the cooperation was negotiated by Li Haoxian’s people last time. This time he came, Li Shengxian, but it didn’t work?

“Mr. Zhao, didn’t you say that you could win the endorsement last time with ten million?”

Li Shengxian frowned and asked.

Zhao Qian smiled slightly and said, “Hehe, the last time was the last time. The times have been changing. You can let Li Shaohan endorse, 100 million.”

Zhao Qian directly raised a finger of her own.

A billion?

Li Shengxian's eyes widened.

What celebrities advertising costs are worth 100 million?

This is simply bullying Li Shengxian! If one billion won the contract, Li Shengxian would be laughed at by the Li family!

"Mr. Zhao, are you a bit bullying?" Li Shengxian's expression darkened.

Zhao Qian shook her head when she heard the words, holding her arms and saying, "How could I bully you?"

"After all, Li Shaohan has a lot of traffic, she is worth the price!"

After Li Shengxian listened to Zhao Qian's words, his heart was even more angry.

This is obviously bullying him Li Shengxian!

Li Shengxian clenched his fist. At this time, he had an urge to get up and leave.

But he told himself that he could not do this!

If he really did this, then he would become the biggest joke of the Li family!

Seeing Li Shengxian's expression of anger but not speaking, Zhao Qian also showed a playful smile.

"Haha, Thirteenth Young Master, you don't have to be embarrassed."

"Although you can't afford Li Shaohan, I have prepared three equally popular female artists for you. Would you like to see?"

After listening to Zhao Qian's words, Li Shengxian suppressed the anger in his heart and said, "Oh?"

"In!"

Zhao Qian gave an order, and the door of the office was pushed open at the time, and only three women walked in from outside.

After seeing the three women, Li Shengxian frowned.

He is angry!

The first woman, fair-looking! No fame either!

The second woman is very fat, she is somewhat famous, but this woman is a comedian!

The third woman was very short and looked a little silly.

Where is the female artist? These are clearly three crooked melons!

Zhao Qian is laughing at him, Li Shengxian!

Zhao Qian pretended to meet Li Shengxian at the elevator door just now, and she came to laugh at and embarrass Li Shengxian today.

boom!

Li Shengxian slapped the table fiercely and stood up: "Zhao Qian, you are deceiving too much!"

Li Shengxian was completely angry this time!

And Zhao Qian was holding her arms, not tepid, with a faint smile on her face.

"Thirteenth Young Master, why are you making such a big fire? The ones I found for you are all our company's fine products!"

Zhao Qian deliberately bite the word "exquisite" very hard.

The three "extreme" women also secretly laughed at this time.

Li Shengxian was so angry that his chest rose and fell, his face flushed.

At this time, Li Shengxian wanted to kill the Zhao Qian in front of him!

Zhao Qian hugged her arms with a smile on her face. That's right, she and Li Haoxian were in collusion. To be precise, she had a leg with Li Haoxian!

She is also Li Haoxian's woman.

Li Shengxian threatened Li Haoxian's position in the Li family. As Li Haoxian's half wife, she naturally wanted to help him.

At this time, Li Shengxian felt a deep weakness.

He has not been in the Li family for so many years, and he has not developed his own strength, so that now when it comes to choosing the heir, he is beaten by Li Haoxian so hard to fight back!

Li Haoxian's connections and strength are not comparable to him, Li Shengxian!

He Li Haoxian is the heir of the Li family recognized by the outside world!

Lin Kai saw all this in his eyes, and there was a chill in Lin Kai's eyes.

This Zhao Qian helped Li Haoxian bully Li Shengxian, Lin Kai naturally couldn't stand it! The most important thing is that Zhao Qian represents Dafeng Entertainment Company! She is ruining the company's reputation!

Just as Lin Kai was about to get angry, the sound of high heels stepping on the ground suddenly sounded.

clatter! clatter! clatter!

"Yeah, is it so lively?"

I saw a woman walked in from the outside. As soon as this woman appeared, the three women gave up quickly.

I saw this woman wearing a pair of red high heels under her feet and a very refreshing short skirt on her lower body. She was very slim.

And her facial features are extremely delicate.

Not a celebrity face, but a very distinctive celebrity face.

However, between her eyebrows, there is always an arrogance.

The person here is Li Shaohan.

Li Shaohan who is very popular among Dafeng Entertainment Company!

After seeing Li Shaohan, Zhao Qian's face showed a cordial smile.

After all, Li Shaohan is the company's treasure in the East China Sea, even if she is the vice president, she has to give three points.

"Shaohan, why are you here?" Zhao Qian asked with a smile.

Li Shaohan hugged her arms and sat on the sofa unceremoniously. She glanced at Li Shengxian and said, "Who is this? I haven't seen it before!"

Zhao Qian heard this and said, "He? He is the thirteenth youngest of the Li family!"

"Oh."

Li Shaohan looked at Li Shengxian up and down when he heard the words.

She had heard of Li's thirteenth youngest.

However, the 13th Young Master of the Li Family in her eyes was nothing more than a wealthy young master who did nothing.

According to rumors, the Li family's thirteenth master only knew about eating, drinking and having fun, and had no management of the family's businesses, and she was not the second-generation heir of the Li family.

"It turned out to be the thirteenth youngest of the Li family, what are you doing in our company?" Li Shaohan asked politely.

Li Shengxian snorted coldly and said, "What you are doing is not important anymore!"

Li Shengxian knew that the signing of Li Shaohan had already fallen through, and now it is useless to say more!

at this time. Zhao Qian came to Li Shaohan's side with her arm in her arms, and said, "This thirteenth youngest member signed you as the spokesperson for their company's products on behalf of the Li family."

"It's just that, they only bid 10 million, which is really shabby."

"With Shaohan, your current worth is at least one hundred million!"

After all, Zhao Qian blinked at Li Shaohan.

Li Shaohan has also been in the entertainment industry for a long time. After seeing Zhao Qian's eyes, Li Shaohan understood everything.

In fact, the endorsement fee of 10 million is not low for Li Shaohan.

But Li Shaohan knew that Zhao Qian must have her reason for doing this.

At that time, Li Shaohan and Erlang raised his legs and said proudly: "Of course, I, Li Shaohan, can be regarded as a first-line star in Donghai Province, with a mere ten million, so I want to sign my contemporary speaker?"

"Really toad want to eat swan meat!"

Li Shaohan mocked.

After listening to Li Shaohan's words, Li Shengxian frowned.

He is angry!

Chapter 1028: I Know Wang Zhentian

Chapter 1028 I Know Wang Zhentian

“Li Shaohan, I admit that you have some influence in Donghai Province, but you are also pushing your nose on your face, right?”

“Ten million endorsement fee is not enough? Is it possible that you think you are an international superstar?”

Li Shengxian said angrily.

That Li Shaohan is also a high-ranking person all year round. Since her big fire, everyone around her has been pleased with her and surrounded her. When did anyone dare to question her?

As soon as Li Shengxian’s words came out, Li Shaohan was angered at that time.

“Presumptuous!” Li Shaohan said angrily: “What kind of thing are you? You dare to point fingers in front of me?”

“Thirteenth Young Master? Even if you are behind the Li family, you are only ranked thirteenth in the Li family!”

“Really consider yourself the heir of the Li family?”

With Dafeng Entertainment Company behind him, Li Shaohan spoke very hard.

And Li Shaohan’s words hit Li Shengxian’s pain point, and Li Shengxian’s eyes were red at the time.

“You **** want to die!”

After all, Li Shengxian raised his slap, wanting to slap Li Shaohan’s face!

He is also a young master from a wealthy family anyway. When has he been so angry?

But as soon as Li Shengxian took the shot, Lin Kai immediately stopped him.

“Thirteen, for the sake of such a **** woman.” Lin Kai smiled lightly.

After listening to Lin Kai’s words, Li Shengxian snorted and withdrew his hand.

Just now, Li Shengxian’s bluffing made Zhao Qian and Li Shaohan very scared, but immediately, gloomy expressions appeared on their faces.

Zhao Qian hugged her arms and snorted coldly, "Huh! Li Shengxian, can you still want to hit someone?"

"Li Shengxian, you must be self-aware!"

"You are only ranked thirteenth in the Li family. The heir to the Li family must be your elder brother! And I have some friendship with your elder brother. If you know each other, your elder brother will become the emperor in the future, you can still be a prince."

"If you don't know each other, you won't even be able to drink Northwest Wind when your eldest brother takes over!"

Threat! Naked threat!

Then Li Shaohan stared at Lin Kai very angrily.

Lin Kai dared to call her a **** just now!

"You! Did you call me a **** just now?" Li Shaohan said furiously.

"Do you know who my old mother is? My old mother is a superstar Li Shaohan! Do you dare to scold me? Who are you? Have the ability to say!"

Lin Kai took a cold look at Li Shaohan after hearing this, "You don't deserve to know who I am."

Lin Kai stood with his hand, full of force, standing beside Li Shengxian, not like Li Shengxian's driver at all, but like Li Shengxian's elder brother.

"I don't deserve it!"

Li Shaohan narrowed his eyes and said, "Today, I will let you know if I am worthy!"

After that, Li Shaohan looked at Zhao Qian.

Zhao Qian also readily understood.

She looked at Li Shengxian.

"Li Shengxian, let your people apologize and admit their mistakes. I don't want to make things ugly."

After listening to Zhao Qian's words, Li Shengxian laughed at the time.

Ha ha, let Lin Kai go to apologize?

They didn't know who Lin Kai was, and they couldn't realize the horror of Lin Kai at all!

"Humph!"

"You have the ability, you let him apologize!"

Li Shengxian sneered.

After listening to Li Shengxian's words, Zhao Qian nodded her head with a sneer:
"Hahaha, okay, it's really a toast and no fine wine!"

Then, Zhao Qian took out her cell phone and dialed a call.

"Hey, Captain Wang, take your people to my office on the eighth floor, hurry!"

After that, Zhao Qian hung up the phone.

Li Shaohan hugged her arms, with a proud look.

Lin Kai put his hands in his pockets, sat on the sofa, and poured himself a cup of tea, with a calm appearance.

Seeing Lin Kai so calm, Li Shaohan was even more angry.

Is he not afraid? Is he not afraid of himself?

I am Li Shaohan!

"Oh, it's pretty good! I'll wait for the security guard to come up, I see how you do it!"

After listening to her, Lin Kai smiled slightly without refuting it.

At this time, Lin Kai looked at Zhao Qian with great interest. Lin Kai was very interested in this woman.

Oh, don't get me wrong, it's not that interest.

This woman is the vice president of Dafeng Entertainment's Donghai branch, and she is also a high-level executive of Dafeng Entertainment.

And this vice president is now helping people from other families suppress his good friends, but for this, Lin Kai has already seen her very upset.

"Zhao Qian?" Lin Kai asked.

Hearing this, Zhao Qian glanced at Lin Kai, her face full of disgust.

“What? Are you busy? Tell the security guard when you have something!”

After listening to Zhao Qian’s words, Lin Kai laughed at the time.

If she knew that she was the chairman of Dafeng Entertainment, how would she react?

“What is your relationship with Wang Zhentian?” Lin Kai asked.

Since she is the vice president of the branch, she must be inseparable from Wang Zhentian.

Because he is a throwaway shopkeeper, Wang Zhentian is responsible for all the affairs of the company.

After listening to Lin Kai’s words, Zhao Qian sneered: “Hehe, do you still know Mr. Wang?”

“To be honest, I am an old classmate of Mr. Wang!”

“President Wang saw that I had some talents, so he made me the vice president of the branch. Why? You don’t want to say that you know Mr. Wang?”

After all, Zhao Qian rolled her eyes in contempt.

Upon seeing this, Li Shaohan laughed.

“Oh, hey, you dont have a bad tone, seeing how you wear it!”

“It’s Wang Zhentian as soon as you speak. People who don’t know think you are Wang Zhentian!”

Li Shaohan’s words were full of mockery.

Li Shengxian also looked at Lin Kai with a look of confusion, is it possible that Lin Kai even knew Wang Zhentian?

It is impossible to think about it. A person like Wang Zhentian is a big figure at the same level as his father, and Wang Zhentian is in the capital. Lin Kai is from Jiangbei. How could he know Wang Zhentian?

At this time, Lin Kai smiled slightly and said, “Haha, I don’t know what to say, I really know Wang Zhentian.”

“Moreover, even if Wang Zhentian saw me, he would not dare to say a word of bullshit.”

After listening to Lin Kai’s words, the whole scene fell silent.

After a few seconds, a burst of laughter broke out.

“Hahahahaha!” Zhao Qian laughed into her belly: “I’m really laughing at me! President Wang dare not say a word of **** when I see you?”

“You can really blow!”

Li Shaohan smiled and trembled: “Hahaha! Why don’t you say that you are the richest man in the world?”

The three ugly women who were called in by Zhao Qian just now all laughed.

At this moment, Li Shengxian also had an awkward expression on his face.

He didn’t know whether Lin Kai’s words were true or not, but the atmosphere at the scene was really embarrassing.

This time, Lin Kai exaggerated.

Lin Kai smiled and shook his head when he saw it. He knew that many people didn’t care about the truth he was telling him, and even listened to it as a joke.

Chapter 1029: Hey? Chairman?

Chapter 1029 Chairman?

“Whether you believe it or not, in fact, the chairman of Dafeng Entertainment is not Wang Zhentian, but me. Wang Zhentian is just a worker under me.”

After listening to Lin Kai’s words, there was another silence at the scene.

Soon after, another burst of laughter broke out.

Everyone was amused by Lin Kai’s words.

“Hahahaha!”

“Oh my God! I’m so laughing at me!”

Zhao Qian laughed and tears fell.

Li Shaohan was also ridiculously laughing, and even coughed.

“Haha! Haha...cough cough cough...”

Lin Kai’s words undoubtedly became the biggest joke on the scene!

Tens of thousands of people at Dafeng Entertainment Company know that the company's boss is always Wang Zhentian, but Lin Kai said that he is the boss of Dafeng Entertainment Company. This is really a big joke!

At this moment, even Li Shengxian covered his forehead.

Lin Kai's words are indeed ridiculous! Shame and shame!

"I said, brother, you are a bit bragging!" Li Shengxian whispered in Lin Kai's ear.

After listening to Li Shengxian's words, Lin Kai couldn't laugh or cry. Lin Kai knew that what he said was really unbelievable, which Lin Kai could understand.

At this moment, a rush of footsteps sounded.

I saw a dozen security guards rushed in from outside the door!

Everyone is strong!

In their hands, they all held rubber batons and other weapons, with sturdy backs and thick eyebrows, and their faces looked horrible.

"Mr. Zhao, what's the matter?" Captain Wang, the security captain, stood up and asked.

Zhao Qian finally stopped her laughter, she looked at Lin Kai and Li Shengxian.

"Get out of these two people!"

After that, Zhao Qian sneered.

Tomorrow everyone in Donghai City will know that Li Shengxian came to Dafeng Entertainment to negotiate a contract but was kicked out.

This incident will discredit Li Shengxian!

And Lee Ho-hyun will definitely be satisfied with this result!

After listening to Zhao Qian's words, Captain Wang sneered: "Hehe, great!"

After all, Captain Wang waved his hand and took his group of people directly towards Lin Kai and Li Shengxian.

Lin Kai glanced at the group of people and said lightly: "As you are smart people, hurry up now, I don't need to care about you like you."

After listening to Lin Kai's words, Captain Wang was taken aback for a moment, and then he sneered: "Ha ha, Xiao Bailian, his tone is not small."

"I have a dozen people, I want to see how you care about us!"

After all, Captain Wang rolled up his sleeves and rushed forward directly.

But Lin Kai shook his head with a look of regret on his face.

Captain Wang led a dozen people directly to Lin Kai and Li Shengxian!

But at this moment, a wall of air suddenly appeared in front of Lin Kai and Li Shengxian!

A dozen security guards had just arrived in front of Lin Kai and hit the gas wall one after another!

And the air wall has a strong resilience! At that time, a scream sounded.

More than a dozen security guards were all kicked out like footballs!

Thump thump!

The bodies of a dozen security guards slammed into the wall, and they fell to the ground, seeing that they had lost their ability to fight.

Lin Kai shook his head and said regretfully: "I've said it a long time ago, why don't you listen?"

Upon seeing this, Zhao Qian and Li Shaohan were dumbfounded.

They didn't even see Lin Kai take action, and the dozen or so security guards had already failed!

This person is too terrifying, right?

There was also a sneer on Li Shengxian's face.

This is Lin Kai's strength! Start rough with Lin? That is simply playing a big sword in front of Guan Gong!

And Zhao Qian deserves to be someone who has seen the world, she narrowed her eyes and said, "Are you an ancient warrior?"

Lin Kai smiled slightly when he heard the words, "Hehe, right?"

Cultivators are much stronger than ancient warriors, and they are all cultivators.

After listening to Lin Kai's words, Zhao Qian's face became a little ugly. She knew the horror of the ancient martial artist, and she also knew that she might not be able to drive Lin Kai and Li Shengxian out today.

But she is not worried. Even if she can't drive them out, but she doesn't sign a contract with them, they will not have good fruit when they return to Li's house!

Zhao Qian didn't worry about Lin meeting being rude to herself, because Dafeng Entertainment was behind her! Lin Kai dare not!

"Huh! It turns out to be an ancient warrior!"

"What if you are an ancient warrior? Do you dare to touch my hair?"

Zhao Qian asked proudly.

When Li Shaohan saw that Zhao Qian was so emboldened, she also felt so emboldened.

Li Shaohan hugged his arms and said, "Haha, just a fool!"

Lin Kai laughed at what they said.

It is true that the poor ancient warrior is just a reckless man, but he is different, his own strength is enough to make all the people in this building disappear within ten minutes!

I am not a fool, I am a terrifying god!

Of course, Lin Kai won't explain all this to them, explaining to them is just playing the piano to the cows.

"I don't want to tell you two women so much."

"I'll give you a chance now. Zhou Ziqian is in the East China Sea, right? Call her over."

Lin Kai said lightly.

Zhou Ziqian is an artist Lin Kai signed in Beijing.

While in Beijing, Lin Kai felt that Zhou Ziqian had great potential, and Zhou Ziqian really lived up to Lin Kai's expectations. Under the company's cultivation, Zhou Ziqian has now become a traffic superstar of China!

Zhou Ziqian has 30 million fans on Weibo!

After listening to Lin Kai's words, Zhao Qian was dumbfounded. She looked at Lin Kai like a fool.

"Do you really think of yourself as the chairman of Dafeng Entertainment?"

"Do you know who Zhou Ziqian is?"

"Zhou Ziqian is the superstar of our company!"

"You sign up when you say you sign? Who do you think you are?"

At this moment, Li Shaohan also glanced at Lin Kai with a look of disgust.

She said in a sour tone: "You can't even sign me, do you still want to sign Zhou Ziqian? It's really a toad who wants to eat swan meat!"

After listening to the two of them, Lin Kai became a little impatient.

Lin Kai took out his phone, glanced at them, and said, "It seems you are really obsessed with it!"

"People like you don't deserve to stay in my company, I will call you now!"

After all, Lin Kai dialed Wang Zhentian's phone directly!

After listening to Lin Kai's words, the two girls pretended to be very scared.

"Oh, don't you scare us to death! The two of us have little courage!" Li Shaohan pretended to be afraid.

Zhao Qian rolled her eyes even more.

In her eyes, Lin Kai's actions are no different from a fool, and even worse than a fool!

Soon after, Lin Kai's call was connected.

"Hello? Chairman?" Wang Zhentian's unbelievable voice came over the phone.

After all, Lin Kai, the shopkeeper, is really clean. Apart from his own absolute stake in the company, he has nothing to do with the company at all!

Chapter 1030: Snow Store

Chapter 1030

“It’s me.” Lin Kai said lightly.

After hearing Lin Kai’s voice, Wang Zhentian on the phone was still very excited.

After all, Lin Kai can be said to be his second parents. After all, Lin Kai helped him when he was most difficult.

“Does our company have a vice president named Zhao Qian? There is also an artist named Li Shaohan?”

Lin Kai asked.

After listening to Lin Kai’s words, Wang Zhentian on the other side of the phone was silent for a while and immediately replied: “Yes, Chairman, what happened to the two of them?”

Lin Kai said directly: “I accompany the thirteenth youngest of Donghai Li family to sign the contract. Zhao Qian sits on the floor and raises the price. Li Shaohan originally only had 10 million endorsement fees, but they now want 100 million! Zhao Qian is interfering with the Li family. Infighting!”

“Li Shaohan’s attitude is extremely arrogant!”

“These two people, do you know what to do?”

Lin Kai’s voice was very cold, Wang Zhentian could hear him, and Lin Kai was very angry now!

Wang Zhentian is a veteran in the workplace, and he knows what he should do now.

“I know!”

“I will fire Zhao Qian right now! Let her get out of the company!”

“Also, I will completely block Li Shaohan!”

“The snow is hidden in the company, look, are you satisfied?”

After listening to Wang Zhentian’s words, Lin Kai nodded in satisfaction: “Yes, just do it!”

After that, Lin Kai hung up the phone.

After the phone hung up, the two women were looking at Lin Kai mockingly.

“What? What did Mr. Wang say?” Zhao Qian asked with a mocking face.

She didn't believe that Lin Kai's call was made to Wang Zhentian!

Lin Kai said lightly: "You have been fired, and she was blocked by Xue Zang."

After listening to Lin Kai's words, the second daughter burst into laughter.

Li Shaohan laughed, this is really a big joke!

Block her from Xue Zang?

You know, banning Xue Zang is a catastrophe for artists!

Before the company signs contracts with artists, they will sign contracts for many years. For example, Li Shaohan signed a contract for 20 years.

If you give her to Xue Zang, then she won't get any resources or exposure. She hasn't been able to go to other companies to develop, and if she goes, she will be in breach of contract!

Coupled with the ban, it can be said that it ruined the future of an artist!

She didn't believe that Lin Kai had that strength at all! Because she knows that blocking and snow hiding herself will cost the company a lot of money!

Li Shaohan didn't believe it, and Zhao Qian didn't believe it even more.

He and Wang Zhentian are old classmates! Moreover, Wang Zhentian knew his abilities, it was impossible for Wang Zhentian to expel himself!

Lin Kai doesn't have that great face!

Besides, looking at Lin Kai's shabbiness, he should be an errand runner under Li Shengxian. He has such strength?

The second daughter didn't believe Lin Kai had such strength at all!

Li Shengxian's expression was also quite complicated. He glanced at Lin Kai. At this time, he didn't know whether Lin Kai was bragging or whether it was true.

At this moment, the phone rang, and the phone on the desk rang suddenly.

Zhao Qian glanced, her expression changed at that time.

Because the call was from Wang Zhentian!

What a coincidence? Just when Lin Kai hung up, did Wang Zhentian call?

Li Shaohan's smile disappeared after seeing the phone.

"Mr. Zhao, it's Mr. Wang's call." Li Shaohan's expression was a little ugly.

Zhao Qianping regained her feelings and smiled and said: "It must be President Wang who is looking for something to do with me. Do you believe he has that kind of strength?"

After hearing what Zhao Qian said, Li Shaohan was also relieved.

Yes! Can Li Shengxian's errand runner have that kind of strength?

Zhao Qian answered the phone directly and pressed the speakerphone.

"Hello? President Wang?"

After the call was connected, Wang Zhentian's roar came from over there: "Zhao Qian! Who the **** did you provoke?"

Wang Zhentian roared together, and Zhao Qian was stunned.

Who did you provoke?

Did you provoke Lin Kai?

Is it Lin Kai?

Zhao Qian glanced at Lin Kai, her face changed, and her ominous premonition became more intense.

"President Wang, what's wrong with you?" Zhao Qian asked cautiously.

"Are you **** ashamed to ask?"

"From now on, you will be fired!"

Wang Zhentian roared.

After listening to Wang Zhentian's words, Zhao Qian was dazed.

I was fired? This is a job with an annual salary of over 10 million! Was he fired like this?

Zhao Qian couldn't accept this result for a while.

"President Wang, why? My ability is obvious to all!" Zhao Qian felt very wishful.

Wang Zhentian sighed and said, "Oh, don't you understand? You have offended someone who shouldn't offend!"

After listening to Wang Zhentian's words, Zhao Qian's heart slammed.

Offended someone who should not be offended? Is this person Lin Kai? Is it the young man in front of him?

Zhao Qian couldn't believe it at all!

"The chairman called me just now, and I also booked a ticket with the chairman. You were fired!"

Chairman?

Zhao Qian was completely confused.

Lin Kai in front of him is really the chairman?

"Mr. Wang, aren't you the chairman of the company?" Zhao Qian's voice trembled.

Wang Zhentian faintly replied: "I am not the chairman! The chairman is a hands-off shopkeeper, I am just a part-time job!"

After hearing Wang Zhentian's words, Zhao Qian seemed to be thunderous!

The young man standing in front of him is really the chairman!

He didn't brag just now!

Zhao Qian regretted all the actions she had done in front of the chairman just now.

Everything I own is a donation from others! Your own desk, your own company, and your own luxury car all belong to others!

And he was actually proud in front of him just now!

Isn't this or you anymore?

Li Shaohan's face also changed drastically.

She also couldn't accept this result.

"Also, there is someone named Li Shaohan in the company? Tell her that she was blocked by Xue Zang!"

After Wang Zhentian said, he hung up the phone.

“Dududu...”

Hearing the sound of the phone being hung up, the office became quiet for a moment.

You can hear the sound of a pin falling on the quiet face.

Lin Kai tilted his Erlang's legs and looked at the two people in front of him with a smile.

This is the result he wants!

And Li Shengxian looked at Lin Kai with admiration.

Lin Kai is simply his idol! Li Shengxian never thought that even Dafeng Entertainment was under his brother's name!

My brother is a big man!

Zhao Qian's face was dead gray.

“Chairman, I...”

Zhao Qian wanted to say something more, but was interrupted by Lin Kai reaching out, “You don't need to say.”

Lin Kai directly reached out and stopped her: “I gave you a chance, but you didn't cherish it. You have been fired!”

Lin Kai's voice was very unfeeling.

After listening to Lin Kai's words, Zhao Qian was completely dumbfounded.

At this time, she even had a suicidal heart!

Damn Lee Ho Hyun! You actually let me offend my boss! Since you make me uncomfortable, I won't make you uncomfortable either!

In fact, Zhao Qian understood that Li Haoxian definitely didn't know the identity of Lin Kai, otherwise he would not let her do this.

But at this time, Zhao Qian couldn't provoke Lin Kai, so she could only cast her anger on Li Haoxian.

She decided not to tell Li Haoxian the truth, she wanted Li Haoxian to offend Lin Kai!

I'm sorry, don't you too!

Chapter 1031: See Also Zhou Ziqian

Chapter 1031 Seeing Zhou Ziqian Again

At this moment, seeing Li Shaohan change her previous arrogance, she looked at Lin Kai pitifully.

Li Shaohan is still a little pretty, such a pitiful outfit, ordinary men really can't stand it.

But who is Lin Kai? Master who has read countless people!

Naturally, Lin Kai would not eat her.

"Chairman, I was wrong. I'll be the endorsement for the 13th Young Master for free. Do you think it is okay? Don't block Xue Zang me!

Li Shaohan said pitifully.

At this time, Li Shaohan even hinted to Lin Kai: "Chairman, as long as you don't block me, what you say is what you say..."

After Lin Kai listened to her, he laughed at the time: "Hahaha! Do you still want to endorse Thirteen? Are you worthy? A **** like you is not worthy to survive in my company!"

"Also, for a **** woman like you, when I stretch out my hand, do you deserve it?"

After listening to Lin Kai's words, Li Shaohan's face was ugly.

It seems that Lin Kai is determined to want Xue Zang to block her!

Just as Lin Kai spoke, a beautiful figure suddenly appeared at the door of the office.

A pair of close-fitting jeans and a pink jacket, even if the clothes are loose, can't hide her hot figure.

The figure is bumpy, very attractive.

She wears sunglasses and a peaked cap, even so, she is still very stunning!

Her complexion is very white, so white that women envy and make men impulsive. Under the sunglasses, there is her attractive little cherry mouth.

Especially the eyes under the peaked cap are very moving, as if they can speak.

After seeing Lin Kai, a smile appeared on the corner of her mouth.

“Chairman!”

Lin Kaihe everyone in the office looked at her.

The person here is Zhou Ziqian!

The current Zhou Ziqian is no longer the previous Zhou Ziqian!

In the past, Zhou Ziqian was just an intern who came to Beijing to find a job, but now Zhou Ziqian has become a superstar!

She not only has a huge influence in Donghai City, but also has a certain degree of influence internationally.

She is Zhou Ziqian that Lin Kai held out in one hand!

After seeing Zhou Ziqian, Li Shaohan and Zhao Qian were dumbfounded.

You know, superstars like Zhou Ziqian don't usually come here!

And now, she appeared!

In fact, when he was downstairs, Lin Kai sent a text message to Zhou Ziqian, with an attitude of giving it a try, wanting to see if Zhou Ziqian was in the East China Sea.

But she didn't expect that she was really there. After learning that Lin Kai was looking for her, Zhou Ziqian came to the branch without stopping.

After Lin Kai saw Zhou Ziqian, a smile appeared at the corner of his mouth.

“You came.”

Zhou Ziqian came to Lin Kai graciously, and blinked at Lin Kai mischievously: “Yes! Chairman, do you miss me?”

The current Zhou Ziqian, who changed his former youthfulness, actually joked with Lin Kai.

Lin Kai glanced at Zhou Ziqian up and down, and Zhou Ziqian was very different now from Zhou Ziqian before.

The figure has improved, his face has also improved, and even his temperament has become different.

If Zhou Ziqian used to be a shy flower that has not yet bloomed, the current Zhou Ziqian is definitely a flower that has bloomed.

She is so attractive.

“I want to kill you, baby.” Lin Kai joked.

Zhou Ziqian gave Lin Kai a white glance.

Li Shaohan watched Zhou Ziqian appear in front of her. After seeing Zhou Ziqian, she had a sense of superiority. After seeing Zhou Ziqian, she looked like an ugly duckling and saw a white swan, only inferiority.

In front of Zhou Ziqian, her Li Shaohan was nothing but an 18-line star.

In terms of appearance, academic qualifications, cultivation, and fame, she is not as good as one tenth of Zhou Ziqian! In front of Zhou Ziqian, she only had an inferiority complex.

“Boss, are you looking for me for something?” Zhou Ziqian asked curiously.

Lin Kai glanced at Li Shengxian and said, “Of course there is something. I want you to cooperate with my brother and be the spokesperson for my brother’s products.”

Li Shengxian was overjoyed when he heard this.

You know, Zhou Ziqian’s popularity is very high!

Moreover, Zhou Ziqian’s schedule is very full, and I want to invite Zhou Ziqian to be the spokesperson of their Li family’s new products, but it takes a lot of effort!

And now, a lively Zhou Ziqian is standing in front of him!

“It turned out to be an advertisement?” Zhou Ziqian tilted her head for a moment.

“Since it’s your friend, the boss, I can’t refuse it! Boss, tell me, how do you shoot?”

Lin Kai smiled slightly and said, “Free shooting.”

free?

After hearing these two words, Li Shengxian’s eyes widened.

Please Zhou Ziqian today’s spokesperson, at least one billion investment!

And now, Zhou Ziqian wants to shoot a free ad for him!

If this matter were passed to his father's ears, his father would definitely have a high look at him!

Lee Ho-hyun, you want me to make it difficult for me to sign the contract? But I will let you see now, I got Zhou Ziqian's contract for free!

I see how you embarrass me!

"Okay! Boss, you have the final say!" Zhou Ziqian smiled.

Li Shengxian glanced at Lin Kai very gratefully: "Brother, how do you make me appreciate you?"

Lin Kai smiled slightly and said, "Hehe, I'm all said to be brothers, so why would you say you are grateful or not?"

"If there is no problem, sign the contract now?"

"It is good!"

After listening to Lin Kai's words, Li Shengxian and Zhou Ziqian hit it off, and the two immediately began to sign the contract.

Soon after, the contract was signed.

Lin Kai glanced at Zhao Qian and Li Shaohan coldly, and then left the office with Li Shengxian.

Taking the elevator, the three of them came to the first floor of the company together.

On the first floor, Zhou Ziqian's agent was waiting for Zhou Ziqian. Seeing Zhou Ziqian come down, the agent ran to Zhou Ziqian without stopping.

"My grandma! The shooting is about to start, why are you still here?" the agent asked anxiously.

Zhou Ziqian didn't take it seriously, she glanced at Lin Kai, waved her hand mischievously, and said, "Boss, I'm leaving now!"

Lin Kai smiled and waved.

Then, Zhou Ziqian's back disappeared from Lin Kai's sight.

After Zhou Ziqian left, Li Shengxian looked at Lin Kai with admiration.

"I said, brother, you really gave me one surprise after another!"

“Even Dafeng Entertainment is yours!”

Lin Kai scratched his head and said with a smile: “Hehe, this was accidentally made, it’s not worth mentioning.”

After listening to Lin Kai’s words, Li Shengxian wanted to hammer Lin Kai to death.

The world’s top 500 companies, just made them? These words are simply too beating!

With that, Lin Kai walked out of Dafeng Entertainment Company with Li Shengxian.

After the contract was concluded, Li Shengxian’s mood improved significantly, and a smile appeared on his face.

Chapter 1032: Policemen

Chapter 1032

As soon as he walked out of the Dafeng Entertainment Company, Lin Kai frowned immediately because he found that there were three or four police cars parked beside Li Shengxian’s Phantom Car.

A dozen policemen stood beside the police car.

The dozen or so policemen were all young policemen wearing pistols, and each looked serious.

It looks like a detective.

And beside this group of policemen, two people stood.

Zhang Zhenjiang, and Zhang’s.

It was actually two of them! Lin Kai’s eyes squinted immediately, it seems that they are still alive!

Li Shengxian obviously also spotted this group of policemen. After seeing the policemen, Li Shengxian frowned.

“Lin Kai, do you want to avoid it first?”

Li Shengxian asked.

After all, Lin Kai killed people in front of so many people that day, and Zhang Zhenjiang was also related to people on the official road. Meeting the police was really tricky.

After seeing the policeman, Lin Kai smiled slightly and shook his head: "Ha ha, no need."

After that, Lin Kai strode towards the dozen or so policemen.

Li Shengxian followed closely.

At this time, Zhang Zhenjiang had already spotted Lin Kai and Li Shengxian, and after seeing them, a trace of hatred flashed through Zhang Zhenjiang's eyes.

"It's him!" Zhang Zhenjiang only heard a roar. At that time, a dozen policemen around him all looked at Lin Kai!

Later, the dozen or so policemen all pulled out their pistols, pointed them at Lin Kai, and surrounded Lin Kai!

The action was very fast, and the muzzles of a dozen black holes had been pointed at Lin Kai's head.

But Lin Kai stopped, put his hands in his pockets, and looked at the group of policemen in front of him very calmly.

Zhang Zhenjiang gritted his teeth and looked at Lin Kai: "Captain Feng, it is him! It is he who killed my son!"

Captain Feng, a middle-aged policeman next to Zhang Zhenjiang, looks like he is about forty years old.

He was wearing a uniform, a face with Chinese characters, and his expression did not look irritable.

He is the captain of the third detachment of the Criminal Police Brigade.

At this time, Captain Feng also looked at Lin Kai: "Do you know why I arrested you?"

Lin Kai heard the words, smiled and nodded, and said, "I know."

"Just know!"

Captain Feng coldly snorted and glanced at Lin Kai very hatefully: "What I hate the most is you, the rich second generation who relies on a little power in your family and doesn't put the law in your eyes!"

"I watched the surveillance video, you are the mastermind! Zhang Zhenjiang's son died in your hands, now come with us!"

Captain Feng didn't give Lin Kai a chance to quibble at all. He came to catch Lin Kai today!

Seeing this, Li Shengxian quickly stood up to excuse Lin Kai.

"Captain Feng, I think this is a misunderstanding. I have a good relationship with the captains of the Criminal Police Brigade. Look..."

Before Li Shengxian had finished speaking, he was interrupted by Captain Feng: "Thirteenth Young Master, needless to say!"

"Who am I? I believe you know better than anyone!"

"I have offended quite a few rich second generations, not bad this one!"

Captain Feng snorted coldly and said.

After listening to Captain Feng's words, Li Shengxian glanced at Lin Kai in embarrassment.

This Captain Feng is indeed one of the criminal police officers with a very weird temper. He only looks at the law, not the favors.

It is precisely for this reason that he offended many people in the East China Sea.

The rich second generation provokes even more.

However, Captain Feng has a lot of background behind him. Even if he offends so many rich second generations, no one can shake his position in Donghai City.

Don't think he is just the captain of the criminal police brigade detachment, but all the rich second generations respect him for three points.

Because he really dared to arrest people!

After a person is taken away, he will never let him go!

At this time, Li Shengxian whispered in Lin Kai's ear: "Lin Kai, I'm in trouble, this Captain Feng is not easy to provoke!"

"He is determined to catch you, he will definitely catch you!"

"Don't do it! If you attack the police, this matter will be troublesome! Looking back, I will find a way to get you in the prison!"

Li Shengxian has prepared for the worst.

At this moment, Zhang Zhenjiang sneered and looked at Lin Kai: "Lin Kai, you are really stupid!"

"You think you can do whatever you want if you have a lot of people?"

"If you assassinate my son, I can't find evidence to bring you to justice."

"But you, stupid, killed my son in front of so many people. I will let you go to the funeral of my son now!"

Zhang Zhenjiang's eyes are full of hatred.

At this time, the voice of Zhang's crying voice also came: "Captain Feng, you have to be the master of our family! Such a beast must definitely be punished for him!"

Captain Feng looked at Lin Kai with a cold look: "You two, don't worry!"

"I, Feng Qingbo, will never let go of any bad guy!"

"take away!"

After all, a dozen policemen behind Captain Feng were ready to control Lin Kai!

More than a dozen pistols pointed at Lin Kai, as long as Lin Kai dared to act rashly, they would shoot without hesitation!

"Wait a minute!"

At this moment, Lin Kai spoke.

The dozen or so police officers also stopped and looked at Lin Kai.

At this time, Lin Kai put his hand in his pocket, ready to take out something Captain Feng to look at.

After seeing this scene, that Zhang Zhenjiang sneered, eyes full of contempt.

The reason why he approached Captain Feng was because Captain Feng enforced the law impartially. He is a policeman and has a lot of background behind him!

Even if Lin Kai was looking for a relationship, he would definitely not run away!

"Hehe, want to call someone to find someone?"

"Don't worry, no one can save you!"

“Captain Feng always enforces the law impartially, even if you find the East China Sea General Administration, Captain Feng will not let you go!”

“Because you killed someone!”

Zhang Zhenjiang sneered.

Captain Feng also looked at Lin Kai coldly.

“If you want to call, just call.”

“The evidence is conclusive, I will never let anyone go!”

Captain Feng’s attitude is also very tough.

Upon hearing this, a smile appeared at the corner of Lin Kai’s mouth.

“Hehe, who said to you, I’m looking for someone?”

After all, Lin Kai took out a certificate from his pocket.

Lin Kai casually threw the ID to Captain Feng.

Captain Feng also quickly caught the ID.

After seeing this scene, Zhang Zhenjiang sneered: “Hehe, no matter how old you are, Captain Feng will enforce the law impartially. Your set is useless in front of Captain Feng!”

Zhang Zhenjiang had a smug expression on his face.

He knew that this time Lin Kai was dead!

After listening to Zhang Zhenjiang’s words, Lin Kai shook his head and smiled. How do you know the power of Jiulong Mountain?

Sure enough, Captain Feng’s face changed immediately after seeing the ID.

The cover of Jiulong Mountain has taken him by surprise!

Most people don’t know what kind of organization Jiulongshan is, but Captain Feng knows what kind of organization Jiulongshan is.

In ancient times, it was Jin Yiwei! The emperor’s guard!

Chapter 1033: Killer?

Chapter 1033: Killer?

Captain Feng opened the ID tremblingly. After seeing Lin Kai's position, Captain Feng's hand trembled.

Lin Kai is actually a captain!

He is quite clear about the classification of Jiulong Mountain.

The lowest level is the cave owner.

The leader of the cave is the group leader.

Team leader up is the team leader!

The captain is the deputy mountain owner.

Lin Kai is actually a captain! The captain of a hundred people under his control!

In Jiulong Mountain, Lin Kai's status is not low!

"It turned out to be Captain Lin..."

Captain Feng returned the ID to Lin Kai with both hands.

"Yes, Team Lin..." Zhang Zhenjiang just wanted to continue with Captain Feng's words.

But then he found something was wrong.

what? Captain Lin?

What Captain Lin?

I saw that Captain Feng's face had completely changed, the eyes he had just looked at Lin Kai were full of disgust.

And now he looked at Lin Kai's eyes with respect.

It seems that the person in front of him is his superior.

"Captain Feng, what is the captain?" Zhang Zhenjiang asked confused.

The Zhang also followed by and said: "Yes, Captain Feng, you must enforce the law impartially! The entire East China Sea is the most honest and incorruptible official you are!"

After listening to the two of them, Captain Feng showed a serious expression on his face.

“I have always enforced the law impartially!”

Captain Feng said sharply.

“Then you can let someone arrest him now!” Zhang Zhenjiang said very puzzled.

After listening to Zhang Zhenjiang’s words, Captain Feng snorted coldly: “Humph! Mr. Lin is of a higher level than me! Strictly speaking, I have no right to manage Mr. Lin’s affairs!”

Captain Feng said the truth!

After listening to Captain Feng’s words, Zhang Zhenjiang was confused.

Out of control?

what’s going on?

Is it possible that the young man in front of him has some extraordinary background?

Looking at Lin Kai again, Lin Kai kept looking at Zhang Zhenjiang with a smile, and he was not scared at all.

No wonder he is so confident, it turns out that he still has an identity!

At that time, Zhang Zhenjiang’s face became extremely ugly.

“Have you heard? My level is higher than him.” Lin said with a smile.

After listening to Lin Kai’s words, Zhang Zhenjiang’s face was pale.

At this moment, Li Shengxian on the side quietly gave Lin Kai a thumbs up.

High! Lin Kai is really high!

As his own brother, Lee Shengxian is getting more and more invisible.

At this moment, I saw Captain Feng salute Lin Kai directly: “Captain Lin, sorry, I didn’t recognize you just now.”

Lin Kai smiled slightly when he heard the words, patted Captain Feng on the shoulder, and said, “It doesn’t matter, you are the best policeman I have ever seen.”

Even if Lin Kai was in his early twenties, talking to Captain Feng was like a senior talking to a junior.

And Captain Feng didn't dare to be negligent.

This is Lin Kai's strength!

Captain Feng nodded emphatically, then Captain Feng glanced at Zhang Zhenjiang and said, "Captain Lin's identity is confidential. I hope you don't pursue this matter. That's it."

"Close the team!"

After all, Captain Feng took a dozen people and left!

Come fast, go fast!

"This"

At this moment, Zhang Zhenjiang watched Captain Feng lead people away with a stunned mouth.

This result exceeded his expectations!

He didn't expect that even if Captain Feng came, there was nothing he could do with Lin Kai. This young man's background was so terrifying!

Lin Kai glanced at Zhang Zhenjiang with a smile, and said, "Ha ha, Zhang Zhenjiang, is this your method?"

"Is this how you avenge your son?"

"It's just that!"

"Want revenge? You have to be strong!"

"I'll give you another chance to take revenge. If you still can't, don't blame me for killing you!"

After all, Lin Kai smiled coldly, walked directly beside Zhang Zhenjiang and sat in the Rolls-Royce Phantom.

Li Shengxian also got in the car, and then Lin developed the car and left.

And Zhang Zhenjiang's face was extremely ugly.

Zhang was also at a loss.

“Zhenjiang, what should I do?”

Zhang asked.

Zhang Zhenjiang stood there for a long time. After a long time, Zhang Zhenjiang snorted coldly: “Humph! It seems that this kid has this identity.”

“I can’t just let him go!”

“Even if I spend my wealth, I will let him die!”

When Zhang Zhenjiang spoke, his eyes were red!

“Send a high price to find the killer, find the ancient warrior! Kill him!”

...

On the other side, Lin Kai and Li Shengxian have returned to Li’s house.

In Li Haoxian’s room, with a bang, Li Haoxian slammed his fist on the table, his face was full of anger.

Let Li Shengxian bid for an impossible bid, Li Shengxian succeeded!

Ask Li Shengxian to buy a bar, and Li Shengxian succeeded again!

Let Li Shengxian go to negotiate the contract, Li Shengxian succeeded again!

All his attempts to frame Li Shengxian have failed!

Li Shengxian successfully demonstrated his great strength in front of everyone in the Li family!

If he waits for his father to come back and sees Li Shengxian behaving so well, maybe his status will fall to Li Shengxian!

This made Li Haoxian feel a huge sense of crisis!

“why?”

“Why would the big star Zhou Ziqian sign with him? And it’s still free?”

Li Haoxian roared angrily.

He doesn’t understand!

The secretary on the side shivered, and she shook her head: "I don't know, and, Zhao Qian can't be contacted..."

Li Haoxian's eyes were red, he stared at the ground and clenched his fists.

Father is coming back soon!

I must find a way to solve this problem before my father returns!

Don't let Lee Shengxian show a good side to his father!

It seems that there is only one last way left.

"Li Shengxian, Li Shengxian, I was thinking about brotherhood and didn't want to use this hand."

"But you forced me!"

At this time, Li Haoxian took out his mobile phone, found a phone number that had not been contacted for a long time, and dialed it.

...

At this moment, in Lin Kai's room, Lin Kai was sitting on the sofa with Erlang's legs upright.

Standing in front of him is the hidden god.

Yinshen lowered his head and said, "Boss, Li Haoxian made a call and sent a killer to kill Li Shengxian."

Upon hearing this, Lin Kai nodded.

Lin Kai had long felt that Li Haoxian was not a fuel-efficient lamp, so he had always sent a hidden **** to stare at him in secret.

Sure enough, after repeated frame-ups failed, Li Haoxian was about to kill his own brother!

"What a cruel Li Haoxian!" Lin Kai stroked his chin, narrowing his eyes.

To be honest, Lin Kai wanted to kill this Li Haoxian very much, but Lin Kai knew that Li Haoxian was Li Shengxian's eldest brother, and there was no reason for him to intervene in the Li family affairs.

But Li Shengxian was his brother, and Lin Kai naturally wouldn't watch his brother be in danger.

Immediately, Lin Kai glanced at Yinshen and said, "Xiaoyin, you have worked hard. Recently, you are responsible for protecting Li Shengxian's safety."

After listening to Lin Kai's words, Yinshen looked at Lin Kai with a worried expression and asked, "Boss, what about you?"

Lin Kai smiled slightly and said, "Hehe, don't worry about me, the one who can kill me is not born yet."

"Yes!"

Since Lin Kai had spoken, Yinshen naturally did not dare to refuse.

At that time, Yinshen's body gradually disappeared into the air, and he went to protect Li Shengxian.

Lin Kai squinted his eyes, hummed a little song, took out his mobile phone, and silently opened a handful of King Pesticide.

...

Chapter 1034: Sloppy Man

Chapter 1034 Sloppy Man

The whole night passed quickly.

Early the next morning, the phone in Lin Kai's room rang.

Jingle Bell!

The phone rang very quickly.

Lin Kai got up from the bed and answered the phone: "Hello?"

"Mr. Lin, someone is looking for you outside the gate. He said his name is Canglong." Butler Li's voice came over the phone.

Canglong?

Lin Kai immediately thought of the killer who came to assassinate him.

He came to find himself?

“understood.”

After that, Lin Kai hung up the phone.

After hanging up the phone, Lin Kai got up to wash, and then walked out of the castle without delay.

Soon after, Lin Kai came to the gate of Li’s house.

Outside the manor, a man stood.

The man looks like a 27-year-old man wearing a camouflage uniform and looks very cheap.

He looks a little vicissitudes, but also a little restrained, it seems that he can’t let go.

The blade-like face is very tough, but between the eyebrows, there is a hint of timidity.

After seeing this man, Lin Kai sighed. The former soldier king has now fallen to the end of the scene.

However, Lin Kai could also understand that he killed the hostage by mistake. This should be his nightmare all these years!

“Look for me?” Lin Kai walked out of Li’s house.

“Mr. Lin, this is a bank card.”

After seeing Lin Kai, Canglong handed the bank card to Lin Kai with both hands.

This is the last time Lin Kai gave Canglong the bank card.

Lin Kai raised his eyebrows, Lin Kai did not expect that this man would actually return the bank card to himself.

“My wife can’t use that much money, this is the remaining money, I will pay you back.” Canglong said.

After listening to Canglong’s words, Lin Kai was even more surprised, returning the free money to himself?

“Oh?”

Lin Kai took the bank card with his two fingers.

“You are such a weird person.” Lin Kai said with a slight smile.

“Perhaps.” Canglong looked at Lin Kai with sincerity: “Mr. Lin, you are my benefactor. I want to invite you to dinner.”

After listening to his words, Lin Kai also laughed.

It just so happened that Lin Kai has nothing to do now, this meal is edible.

“Okay, let’s go.”

Lin Kai nodded and followed Canglong out of Li’s house.

Canglong led Lin Kai to a restaurant.

The restaurant is not too big, but it is definitely not too small.

And such a restaurant is already a big restaurant for Canglong. After entering the restaurant, the two found a place to sit down, and the waiter immediately handed over the menu.

Canglong handed the menu to Lin Kai with both hands: “Mr. Lin, you order.”

Lin Kai nodded, and after randomly ordering a few dishes, he gave the menu to the waiter.

“Mr. Lin, I am here to kill you. Instead of killing me, you helped me. This makes me ashamed.”

“After I went back, I thought about it carefully. Indeed, if I were a killer, I would really be sorry for the clothes I wore on my body before!”

“But I can’t even pay 10,000 yuan for my wife and child, and I am even more ashamed!”

“I want to understand, I shouldn’t live in self-blame! I want my wife and children to live a good life!”

As he said, Canglong’s eyes showed strong expectations.

Lin Kai poured him a glass of wine.

“You are a man, let’s talk, what do you think?” Lin Kai asked with a slight smile.

Canglong looked at Lin Kai with sincere eyes: “Mr. Lin, I want to follow you!”

“puff”

Lin Kai spit out a sip of beer that he drank!

Good guy, he was looking for himself to find a job!

After seeing this scene, the upright Canglong scratched his head and said: "I don't have any survival skills. The only thing I have some value in is my skill."

"Mr. Lin, you are a good person. I can rest assured if I follow you. I want to be your bodyguard. Do you think it's okay?"

After hearing Canglong's words, Lin Kai also smiled slightly.

Canglong as his bodyguard?

Protecting him by himself is almost the same.

"I don't need a bodyguard." Lin Kai smiled slightly.

After hearing Lin Kai's refusal, Canglong's face immediately showed anxiety.

"Mr. Lin, I can be your servant!"

"I am strong, I can do rough work!"

"I just need a job!"

Canglong's attitude is very sincere.

After seeing such a sincere Canglong, Lin Kai's heart also softened.

A dignified seven-foot man, now he wants to be his servant for a job, he was once a soldier!

Lin was happy.

"Being my bodyguard? Okay, then you can do it and let me see what your unique skills are!" Lin laughed.

After listening to Lin Kai's words, Canglong couldn't wait to stand up.

"Look!"

After all, Canglong turned somersault on the spot!

Pedal!

One somersault steadily landed!

“Hahahaha!” There was a burst of laughter around.

And Canglong was also coming, and he turned several somersaults in a row, attracting the attention of many people in the hotel at that time.

Lin Kai was also amused by Canglong.

Canglong, who had turned somersault, scratched his head very upright and laughed.

“Hehe, for the sake of you being able to somersault, yes, allow you to follow me and be my bodyguard.”

“What do you think of giving you a salary of 10,000 yuan a month?”

After listening to Lin Kai’s words, Canglong was overjoyed.

“thank you boss!”

“But, I have inquired about the market, and now the bodyguards are only between 6,000 and 8,000 a month.”

“I only need six thousand!”

“Besides, I spent a lot of the money you gave me. The money is deducted from my salary. Do you think it will work?”

Canglong looked at Lin Kai very much.

Lin Kai patted him on the shoulder, smiled and nodded, “Okay.”

Soon after, the waiter came with the dishes.

The two of them left the restaurant after they were full.

Lin Kai drank some wine, his face flushed slightly, Canglong followed behind Lin Kai, acting as a bodyguard.

At noon, the weather was getting hotter and hotter, and the sun was getting bigger and bigger, Lin Kai began to feel a little hot.

He took off his coat casually and walked with his coat in hand.

“This sun is really dazzling!”

Lin Kai glanced at the sun above his head and vomited.

“Right?” Lin Kai said to the Canglong behind him.

“Ok?”

But after a while, Lin Kai found that Canglong did not hear a voice.

Looking back, Lin Kai was stunned.

Behind Lin Kai was empty.

Canglong has disappeared!

what’s the situation? Where is the Blue Dragon?

At this time, Lin Kai felt that something was wrong.

Lin Kai’s hand has already touched his pocket, **** it, the hidden **** is not by his side!

Lin Kai just took out his cell phone, and with a swish, a dart shot over!

Lin Kai’s phone was nailed directly to the wall!

Lin Kai was shocked!

He has no idea where the darts come from!

Chapter 1035: Fall Into The Dead

Chapter 1035

Lin Kai now is not an ancient martial artist, nor is he a cultivator, he is just an ordinary person!

Even if he has the level of special forces, Lin Kai is definitely not an opponent of ancient warriors!

At this time, Lin Kai found that there was a blood stain on the ground.

The place where this piece of blood is located is exactly where Canglong stood just now.

Looking along the blood stains, Lin Kai found that the blood stains had entered an alley beside the road.

Lin Kai subconsciously walked along the blood stains.

The alley is very dark and there is no one.

After walking for a while, Lin Kai was shocked.

Because Canglong was lying in front of him!

I saw Canglong's eyes widened, blood was constantly pouring out of his mouth, and his stomach was full of blood!

Obviously, he was pierced through his abdomen with a sharp weapon!

Seeing, it's no longer possible!

Canglong clutched his stomach, widened his eyes, and looked at Lin Kai.

"Yes... I'm sorry..."

Canglong's vague voice came.

Every time he said a word, the blood in his mouth would gush out.

"I...I still...I didn't protect you, so I... died..."

As Canglong spoke, tears flowed down uncontrollably.

The dignified seven-foot man did not cry even after being stabbed several times by the enemy, but now, he blames himself for crying for not protecting Lin Kai well.

Lin Kai came to him quickly, seeing the blue dragon look like this, Lin Kai felt a pain in his heart.

"Canglong, don't be like this, you will be fine!"

Lin Kai said anxiously.

Snapped!

As soon as Canglong grasped Lin Kai's hand, he held Lin Kai's hand tightly!

"Quick...Go away!"

"He is terrible!"

Canglong exhausted the last strength of his whole body and said these two words.

Afterwards, Canglong lay on the ground, motionless, his eyes widened, and he couldn't catch his eyes!

After seeing this scene, Lin Kai's body involuntarily stepped back several steps, and his back directly leaned against the wall.

Lin Kai can't accept it!

Can't accept that people around you die in front of you!

At that time, Lin Kai's eyes were red.

Who did it?

Who the **** is it?

“Who? Get out for Laozi!”

“get out!”

Lin Kai roared.

At this moment, a man quietly walked out from the corner of the alley.

In his hand, he held a dagger, a dagger stained with blood.

Canglong was killed by him!

It was a middle-aged man about 30 years old.

He was shabby, and his clothes were very sloppy.

But the breath radiating from him really makes people feel very scary.

Wu Sheng!

“Sorry, someone spent a billion to buy your life!”

The sloppy man spoke.

Lin Kai was angry at the time: “Buying my life, why are you killing him?”

Lin Kai roared.

The sloppy man's mouth showed a scornful smile: “Buy one get one free.”

After all, the sloppy man came to Lin Kai almost instantly, and the dagger in his hand directly knocked on the back of Lin Kai's neck.

boom!

Lin Kai was knocked out.

...

When I woke up again, I didn't know how long it took.

There was a crackling sound around, like the sound of burning wood.

Lin Kai gradually opened his eyes, and the surrounding area became dark.

There was a bunch of burning wood in front of him, and the scruffy man was sitting by the fire, warming the fire.

There was a sharp pain in Lin Kai's head. The scruffy man was really cruel! Lin Kai went into a coma for one day.

Lin Kai, who woke up, began to look at the surrounding environment.

He seemed to be in a deep mountain and old forest.

But now Lin Kai was hung from a big tree, yes, he was hung.

Lin Kai's hands were hoisted high, if it weren't for Lin Kai's body to be much stronger than the average person, I'm afraid these hands are useless.

"Don't think about running away, you can't run away."

At this moment, the scruffy man who was on the fire suddenly said.

It seemed that he knew he was awake.

"Why didn't you kill me?" Lin Kai asked.

The sloppy man laughed: "Oh, why do you want to kill you? Someone wants to kill you by himself."

The sloppy man had just said this, when a light came on.

The lights of the car lights, in the distance, a car came over.

It was an Audi a6, an old car, and it was worthless.

But the license plate number of this car is extremely high-profile, Leopard!

The car drove over from the dirt road, very bumpy all the way.

Soon after, the car stopped in front of Lin Kai, the door opened, and Zhang Zhenjiang got out of the car.

On the other side, Zhang also got out of the car, holding a photo frame in his hands.

In the frame is a black-and-white photo, which is Zhang Ji who was killed by Lin Kai!

Sure enough, it was both of them!

Lin Kaixin thought that it was the two of them, and Lin opened up to them, but Lin Kai never thought that because of his kindness, a good person would die for this!

Lin Kai hate!

Zhang Zhenjiang looked at Lin Kai, and Zhang Zhenjiang's eyes were filled with hatred.

He backed his hands and came to Lin Kai's front: "Heh, what do you have to do now?"

"Where was the prestige when I killed my son?"

"Now you are like a bereaved dog! I can kill you with one thought! Young man, don't be too arrogant!"

At this time, Zhang came to Lin Kai holding the photo frame.

She glanced at Lin Kai fiercely, and then at the photo in her hand.

"My son!"

"Father and mother are here to avenge you!"

"Look at it!"

At this time, the scruffy man who had been burning the flames said lazily: "Let's talk, how do you think he died?"

With that, the sloppy man pulled out the dagger stuck on the ground, stood up, and walked towards Lin Kai.

Zhang Zhenjiang glanced at Lin Kai viciously, and said, "Ling Chi!"

This Zhenjiang is really cruel!

Actually want to give Lin Kai to Ling Chi!

Ling Chi is an extremely cruel torture. The victim will be cut off from his body with one knife after another. The flesh from his body will not be cut off much, and only a small piece will be cut off each time.

Will cut more than 3,000 knives on people!

Let the prisoner live in pain and die!

It seems that this Zhenjiang really hates Lin Kai!

The sloppy man laughed when he heard the words, "Oh, yes, but you have to add money."

Hearing this, Zhang Zhenjiang gritted his teeth and said: "I will add 100 million more!"

"okay!"

Hearing the words, the sloppy man directly agreed and walked towards Lin Kai.

At this time, Lin Kai didn't have a trace of aura in his body, he was not an opponent of a master of martial arts.

Whoosh!

The sloppy man directly threw the dagger in his hand, and the dagger directly cut the rope tied to Lin Kai's hand. With a plop, Lin Kai's body fell to the ground severely.

Then, the corner of the sloppy man's mouth showed a sneer.

"Haha, don't blame me, take people's money and help them eliminate disasters."

After all, the sloppy man holding a dagger gradually approached Lin Kai.

Chapter 1036: Mysterious Woman

Chapter 1036

At this time, I saw the scruffy man approaching Lin Kai with a dagger.

A cold light flashed on the dagger, which was extremely bright in the dark night.

In the eyes of the sloppy man, there was indifference and no emotion.

He has killed too many people. In his eyes, life is very cheap and worthless at all!

Lin Kai gritted his teeth and looked at the sloppy man. At this time, Lin Kai was not his opponent at all. After all, he was a master of martial arts level, and Lin Kai was just an ordinary person now.

“He gave you one billion? I gave you two billion! Helped and killed them!”

At this time, Lin Kai gritted his teeth and said.

After listening to Lin Kai’s words, the sloppy man laughed.

“Oh, give me two billion?”

The scruffy man looked at Zhang Zhenjiang and Zhang’s.

In the eyes of the two of them, nervous eyes appeared.

If the scruffy man really opened his eyes when seeing money, then they would be the people who died today!

But the scruffy man didn’t do anything to them.

“Boy, as a killer, you have to have the professional ethics of being a killer. Since they gave money first, then they are the gold masters.”

“Today, I only kill you!”

After listening to the sloppy man, Zhang and Zhang Zhenjiang breathed a sigh of relief.

Fortunately, this killer has professional ethics.

At this point, the scruffy man was ready to do it again.

“Wait a minute!”

Lin Kai gritted his teeth and said again.

Lin Kai is not afraid of death, but he does not want to die!

“I am from Jiulong Mountain! Do you dare to kill me? I have Jiulong Mountain ID in my pocket!”

Lin Kai revealed his identity at this time!

After hearing what Lin Kai said, the scruffy man was taken aback.

Jiulong Mountain? These three words are indeed like thunder.

Jiulong Mountain is the most powerful official power in China! If Lin Kai is really from Jiulong Mountain, then he is in serious trouble!

At this moment, I saw the eyes of the sloppy man twirl.

Afterwards, the scruffy man sneered: "Hehe, if you are really from Jiulong Mountain, then I can't let you go. I know how serious it is to offend a person from Jiulong Mountain!"

"Don't use your identity to scare me, boy, today you will definitely die!"

After all, a cruel look flashed through the eyes of the sloppy man, and he pulled Lin's arm directly, ready to cut the flesh on Lin's arm!

But at this moment, a whistling sound rang out!

A silver needle lased directly!

boom!

The dagger in the hands of the sloppy man was directly knocked into the air!

The sloppy man's body also took a few steps back.

"Who?"

The sloppy man was shocked!

He did not expect that at this time, someone would be able to shoot down the silver needle in his hand!

Lin Kai's eyes were also squinted, because he knew that it was not the Four Great God Kings who had come, and Lin Kai could feel that the four of them were still near Li's house.

Who is that?

At this moment, a person came out from the darkness.

The man was dressed in black, and his whole body was completely wrapped in black clothes.

Only a pair of eyes were revealed.

Looking at the curve, she looks like a woman with a bumpy figure.

Her eyes were piercing, with a hint of murderousness.

As soon as the woman appeared, the sloppy man's body became tight.

This woman is a master!

Because she was able to sneak into his territory without him noticing, she was already a master.

Without a word, the woman walked directly to the scruffy man.

The sloppy man looked at the woman very vigilantly: "Who are you?"

"Report your name!"

And the woman still did not speak, she walked towards the scruffy man.

The sloppy man gritted his teeth at this time, the ones who came are not good, and the ones who are good won't come. In that case, don't blame me for being polite!

At that time, only a sloppy man yelled, Wu Sheng's momentum was directly released, and he slapped the woman with a palm!

And a trace of murder flashed through the woman's eyes!

I saw her shot instantly, one hand easily caught the sloppy man's palm!

boom!

I saw the woman's body not moving at all!

But the sloppy man's body has withdrawn several steps!

Shocked eyes flashed across the eyes of the sloppy man. The woman in front of him was very powerful! He is not an opponent at all!

At this moment, the sloppy man has only one idea, and that is to run!

If you don't run at this time, I'm afraid I won't even be able to save my life!

The speed of the master of the martial arts level was full, still extremely terrifying, with a whistle, I saw the sloppy man's body directly flew out!

But he is faster, she is faster!

The speed of a woman can only be described by teleporting!

Whoosh!

The woman appeared in front of the scruffy man in an instant, and grabbed the scruffy man's neck!

Whoosh!

It was another teleportation, and the woman returned directly to Lin Kai with the scruffy man.

That martial arts-level master is like a child without combat effectiveness in front of the woman!

She is definitely not just a master-level master, even a master-level master, she can't kill Martial Saint so easily!

And the sloppy man covered his neck, his eyes were full of fear, and the woman in front of him was really terrifying.

There is no emotion in the woman's eyes.

She threw the sloppy man on the ground, and then stepped on it directly!

Click!

A sound of broken bones sounded, and a large chunk of the sloppy man's chest was sunken in!

"Ah!"

There was a roar, and the man roared.

And in the eyes of a woman, there is no emotion at all.

She raised her foot again and stepped on it!

Snapped!

This time, the sloppy man's chest was almost flattened by one foot!

The sloppy man also vomited blood, and the blood was mixed with the internal organs of the sloppy man.

The sloppy man's eyes widened, seeing that he could not survive.

A master of the martial arts level, in front of this woman, is like a chicken and dog, and is not able to withstand a single blow!

After killing the scruffy man, the woman took a deep look at Lin Kai.

Then, with a swish, the woman's figure disappeared into the air.

Teleport!

Lin Kai was stunned.

Lin Kai originally thought that he was going to die!

But I never thought that at this time, someone would appear to save myself!

who's that person?

The person's body was wrapped tightly, and Lin Kai didn't recognize who she was.

But the look in her eyes gave Lin Kai a feeling of deja vu.

Lin Kai felt that he knew her! But just can't remember who she is.

Lin Kai rubbed his aching head, stood up from the ground, struggling hard at will, Lin Kai tore the rope in his hand.

Afterwards, Lin Kai looked at Zhang Zhenjiang and Zhang's family.

Zhang Zhenjiang and Zhang looked at the sloppy man who was dead, both of them were dumbfounded.

This plot is reversed, too fast, right?

Chapter 1037: Dingsheng Ancient Building

Chapter 1037

At this time, Lin Kai looked at them two coldly.

These two people were already dead in Lin Kai's eyes.

Lin Kai will not let anyone who wants to die on his own live in this world, this is the bottom line!

At that time, Lin Kai slowly walked towards the two people.

However, Zhang Zhenjiang and Zhang looked at Lin Kai with fear, and stepped back.

“Don’t mess around!”

“I tell you, whether you are a gangster or a white way in Donghai City, it is related! If you dare to move me, I promise...”

Zhang Zhenjiang’s eyes widened before he finished speaking.

I saw him covering his neck.

The blood flowed down the gap in his hand, and he had already been sealed off without even seeing how Lin Kai made the move.

“Well”

At this time, Zhang Zhenjiang was already speechless.

“Zhenjiang!” Zhang cried out in surprise, and quickly helped Zhang Zhenjiang.

Lin Kai glanced at the Zhang clan coldly, and said, “Go to the funeral of your son!”

Soon after, the bodies of Zhang Zhenjiang and Zhang were lying on the ground.

The picture of Zhang Ji in Zhang’s arms was crushed by Lin Kai’s foot!

Lin Kai strode away from the scene.

...

Soon after, Lin Kai returned to Li’s house.

After entering the bathroom and taking a hot shower, Lin Kai changed into clean clothes and lay on the sofa.

At this time, the door was knocked.

Bang bang bang!

“In.” Lin Kai said lightly.

The door opened and closed again, and Yinshen walked quickly to Lin Kai’s side.

“Boss, two killers came to kill the thirteenth youngsters today, and I solved them all.”

Lin Kai nodded when he heard the words.

After experiencing what happened today, Lin Kai didn't dare to let the Yinshen leave him.

"Let Lishen protect Li Shengxian, you follow me." Lin Kai said.

After listening to Lin Kai's words, Yinshen's eyes flashed with joy.

He is willing to follow Lin Kai, and it is his honor to follow Lin Kai.

"Yes!"

Yinshen agreed and prepared to walk out of the room to do what Lin Kai explained.

"Wait a minute." Lin Kai suddenly stopped Yinshen.

At this moment, Lin Kai took out a photo from his arms and handed it to the Yinshen.

That is a picture of Canglong.

"Find this person's family, give his family a generous pension, and tell his family that he is gone."

Afterwards, Lin Kai sighed.

Yinshen nodded and agreed, took the photo, and left Lin Kai's room.

...

The next day, Lin Kai was standing next to the Rolls-Royce Phantom car downstairs in the Lijia Castle.

Li Shengxian has walked out of the castle.

Today's Li Shengxian is dressed very casually. He is wearing a pair of large pants and a pair of flip-flops on his feet.

The upper body is also a simple black T-shirt.

"What? No need to work today?" Lin Kai asked.

Li Shengxian smiled and said, "No, my elder brother made things difficult for me twice and again. Today, it finally stopped. I can finally take a break."

After listening to Li Shengxian's words, Lin chuckled.

Thirteen ah thirteen, if not, you were a dead person last night!

Li Shengxian didn't know that his elder brother sent someone to assassinate him, and Lin Kai didn't plan to let him know about this matter.

Li Shengxian and Lin Kai got into the car together, and Lin Kai asked, "Where to go?"

"Dingsheng ancient building." Li Shengxian said.

Upon hearing this, Lin Kai was quite curious: "Where is that place?"

"You'll know when you get there." Li Shengxian smiled mysteriously at Lin Kai.

Lin Kai turned on the navigation, and according to the navigation prompts, led Li Shengxian towards the Dingsheng Ancient Building.

Soon after, the Rolls-Royce Phantom stopped at the gate of the Dingsheng Ancient Building.

The ancient building in its heyday is really as its name suggests. This is an ancient building with seven stories high.

The architectural style looks like the Tang Dynasty, with an antique look.

Glazed tiles, red brick walls, wooden doors, and paper window paper, everything is antique.

And at the gate of Dingsheng Ancient Building, there are full of luxury cars parked.

Down to Mercedes-Benz Audi, up to Ferrari Rambo, everything.

Lin Kai and Li Shengxian got out of the car and went straight to the inside of the Dingsheng Ancient Building.

After entering the ancient building, Lin Kai instantly understood that this was a place. It turned out that it was an antique shop.

"This ancient building is the most famous antique shop in Donghai City!"

"My dad will be back soon, and my family, including me, are all preparing gifts for my dad!"

"As my father's favorite son, I naturally have to express it."

Li Shengxian smiled at Lin.

Lin Kai suddenly realized that Li Shengxian was trying to please his father!

At that time, Lin Kaigan glanced over.

There are many antiques on the first floor, and the prices are all very expensive, almost all of them are 100,000 yuan.

However, there is a reason why this ancient building is so famous. Lin Kai took a look with the golden pupil. Three out of ten antiques here are genuine!

This has the highest ratio of true to false in the antique industry.

Moreover, the antiques here are of high quality.

“It’s boring here, I’ll take you to the second floor.” Li Shengxian smiled at Lin.

Then, Li Shengxian led Lin Kai directly to the second floor.

On the second floor of the stairs, there were four security guards. After checking the identity of Li Shengxian, they were released.

“This ancient building at its peak also recognizes money. Whoever has more money can go to higher floors.”

“The higher the floor, the better the quality of antiques!”

“As my Li family, I can go up to the fifth floor at most.”

Li Shengxian said smugly.

After listening to Li Shengxian’s words, Lin Kai was quite surprised.

You know, the Li family is a big family in Donghai City! The Li family was once the richest family in Asia!

But even so, Li Shengxian can only reach the fifth floor?

Li Shengxian took Lin Kai as he walked, and said, “This ancient building of prosperity has already existed in the Tang Dynasty.”

“At that time, Dingsheng Ancient Tower was controlled by a big figure in the East China Sea.”

“When it comes to the scene, this ancient building at its peak is now considered to have a history of several hundred years.

“Moreover, no one can provoke the identity of the boss behind this Dingsheng Ancient Building.”

While speaking, the two have reached the fifth floor.

There are almost no people on the fifth floor, and only a handful of people on the huge fifth floor are looking at antiques.

Lin Kai also looked at the antiques here, when Lin Kai was shocked.

Six of the ten antiques here are genuine!

Among the ten authentic pieces, two more are treasures.

The quality of this fifth floor antique is really high!

The price also surprised Lin.

The least antiques will cost 500,000 yuan!

Expensive antiques, even over one billion!

“Brother Thirteen?” At this time, a voice sounded.

Li Shengxian and Lin Kai looked around.

I saw a young man walking towards Li Shengxian with an old man.

Li Shengxian frowned: “Brother San?”

Chapter 1038: Li Longxian

Chapter 1038 Li Longxian

Third brother?

Lin Kai looked at that person, who was between his eyebrows, and looked exactly like Li Shengxian.

It seems that this person should be Li Shengxian’s third brother.

And behind this, there was an old man standing.

The old man in Tang suit, in his sixties, has white hair on the temples, and is unsmiling.

“Yeah, third brother, are you also picking antiques for dad?” Li Longxian asked with a smile.

Between his eyebrows, there was a trace of disdain.

Because Li Longxian belongs to the eldest brother, he has a very good relationship with Li Haoxian, and he is also the first horse under Li Haoxian.

And Lee Seung Hyun, as Lee Ho Hyun’s great enemy, will naturally not be seen by Lee Long Hyun.

Li Shengxian nodded without a smile and said, “Yes.”

Hearing this, Li Longxian smiled and shook his head: “Although the antiques of this ancient building are good, but there is nothing good below these five floors!”

“The real good things are on the sixth and seventh floors!”

After listening to Li Longxian’s words, Li Shengxian nodded slightly.

“The third brother is right, but if you want to go to the sixth and seventh floors, you need to have a certain identity, otherwise there is no way to go up!”

Li Shengxian said, shook his head, expressing regret.

If possible, he would also like to take a look at the sixth and seventh floors, but unfortunately he does not have that qualification.

After listening to Li Shengxian’s words, Li Longxian smiled triumphantly at the time: “Hahaha! Since it is a gift to his father, I should naturally pick a good antique!”

“Brother Thirteen, let me introduce you to the one behind me.”

After all, Li Longxian invited the old man behind him out.

The old man walked out with his hand and glanced at Li Shengxian contemptuously, without even saying hello, very arrogant.

“This one is the president of Donghai City Antique Club!”

Li Longxian introduced quite proudly.

After listening to Li Longxian’s introduction, Li Shengxian was surprised.

The president of the antique club?

You know, the antique club has a very high status in Donghai City, and it can be said to be an official organization.

And that old man is actually the president, with a lot of background!

“With the identity of President Chu, it shouldn’t be difficult to take me to the sixth floor?”
Li Longxian smiled triumphantly.

He is showing off!

After listening to his words, Li Shengxian’s face turned dark.

In this way, the antiques he selected are definitely not as good as Li Longxian’s!

When you give it to your father, your father might not like it!

“Hahaha! Thirteenth brother, I’m here today. I actually chose a gift for my elder brother to give to my father. Seeing you are so pitiful, why should I take you to the sixth floor?”

Li Longxian asked with a smile on his face.

In fact, he was mocking Li Shengxian.

If Li Shengxian agrees, then he borrows his elder brother’s light, then he becomes a joke in his eyes.

Li Longxian didn’t plan to take Li Shengxian up, but just said casually.

Li Shengxian said with a dark face, “No need!”

Hearing a change in Li Shengxian’s tone, Li Longxian snorted, “Humph! Then you can stay on the sixth floor! The seventh floor is not for people like you!”

After all, Li Longxian took the chairman Chu and walked towards the stairs.

At the entrance of the stairs, there are people who are specially responsible for guarding.

After the person in charge of the guard checked the identity of Chairman Chu, he respectfully let him go.

When he went upstairs, Li Longxian looked back at Li Shengxian triumphantly, his eyes were full of mockery.

And Li Shengxian had a gloomy face and said nothing.

A hint of envy flashed through his eyes.

Obviously, Li Shengxian also wanted to be on the sixth floor.

“Why? This sixth floor is difficult to get on?” Lin asked with a smile.

Li Shengxian nodded and said, “Yes, as the thirteenth youngest of the Li family, I can go to the fifth floor at most.”

“On the sixth floor, either your identity is very special, or your life experience is unprovoking, you can go up.”

Li Shengxian replied.

Upon hearing this, Lin Kai smiled slightly and said, “Hehe, a very special identity?”

Li Shengxian nodded.

“Go, I’ll take you up.” Lin Kai smiled lightly.

After listening to Lin Kai’s words, Li Shengxian was taken aback for a moment: “Huh?”

Without saying a word, Lin Kai led Li Shengxian to the entrance of the stairs.

But as soon as they arrived at the entrance, the two were stopped.

Standing guard at the top of the stairs were four burly men with explosive muscles and bulging waists. Obviously, there was a real thing nearby.

“Thirteenth Young Master, as you, cannot enter the sixth floor.”

The security guard apparently knew Li Shengxian too, and said directly without being polite.

As the security guard of the Dingsheng Ancient Building, he is also extremely hard to speak.

At this time, Li Shengxian shrugged at Lin Kai and said, “Let me tell you, we can’t get up at all!”

“My third brother just relied on Chairman Chu to go up, we are not qualified to go up!”

Li Shengxian said helplessly.

Lin Kai smiled slightly, took out a token from his pocket, and dazzled it in front of the four security guards.

“Can you go now?”

Lin Kai took out his token and shook it in front of the four security guards.

The four security guards were extremely dismissive of Lin Kai, but when they carefully looked at the token in Lin Kai’s hand, all four of them stared.

Because the token in Lin Kai’s hand is the token of the Shadow Gate!

That’s right! It is the token of Shadow Gate!

The Shadow Gate is well-known throughout China, because the Shadow Gate is the largest unofficial organization of ancient warriors in China!

Shadow Gate is also very difficult to join, the disciples of Shadow Gate are all ancient warriors, and their strength is not low!

The most important thing is that the people of the Shadow Gate come and go without a trace, and they are all masters! Those who have offended the Shadow Gate will never know how they died!

The most important thing is that this token in Lin Kai’s hand is a hall master token!

Lin Kai is actually the hall master of Shadow Gate!

You know, the hall master of the Shadow Gate can govern a hundred people!

Moreover, Lin Kai is still so young, he is already the hall master at such a young age, this person must be a master!

At that time, the four security guards trembled all over.

A security guard quickly stepped aside and said to Lin Kai respectfully: “It turns out to be the hall master of the Shadow Sect. Just now we had no eyes on Taishan. Please come in quickly.”

There is a big change in the security’s attitude!

And Li Shengxian stared at all this blankly.

Your brother, so awesome?

Li Shengxian is getting more and more shocked, and Lin Kai has given him too many surprises!

Lin Kai is becoming more and more invisible!

At this time, Lin Kai pulled Li Shengxian who was in a daze, and smiled: “Go? What are you doing in a daze? Don’t you want to go to the sixth floor?”

“what?”

Li Shengxian was stunned for a moment, then he reacted: “Yes, the sixth floor.”

At that time, Li Shengxian followed Lin Kai to the sixth floor in a daze.

Li Shengxian went up in a daze, because he has not yet realized that his brother is the Hallmaster of the Shadow Gate.

This incident was a big surprise for him.

My brother, his identity is real one after another!

First defeated the master, then hundreds of billions in the bank card, then he was the chairman of Dafeng Entertainment Company, and then he was Jiulongshan, and now there is another shadow gate, his brother is about the same age as himself. , But why is he so awesome?

Chapter 1039: How Did It Come Up?

Chapter 1039: How Did It Come Up?

Li Shengxian couldn’t figure it out, and even had a hint of envy for Lin Kai.

How nice if I were Lin Kai?

But Lin Kaidang’s own brother was also quite good, Li Shengxian thought so.

At that time, the two reached the sixth floor.

The sixth floor is very large and empty. There are almost no people on the sixth floor, only a few people.

Lin opened his eyes and saw that the antiques here are indeed much higher in quality than the layers below!

Moreover, there are almost no fakes here, almost all of them are genuine.

It seems that the antiques here are for the upper class people to see. No wonder so many people want to come to the sixth floor with their heads broken. There are so many good things here!

“Wow!”

At that time, Li Shengxian came to the counter and looked at the various antiques in the counter, just like a hillbilly who had never seen the world.

Even Li Shengxian was the first time he came to the sixth floor.

“What do you think of this?”

At this moment, Li Shengxian pulled Lin Kai over and asked Lin Kai.

Li Shengxian pointed to a blue and white porcelain from the Tang Dynasty.

There is a note below, this blue and white porcelain is extremely intact, and extremely beautiful, innocent and white, and looks very atmospheric.

Such antiques are extremely conspicuous in this place.

This blue and white porcelain costs 50 million yuan.

Lin Kai glanced at it, smiled, and said, “Hehe, although this blue and white porcelain is genuine, it is not worth 50 million at all. This thing was casually fired in a folk kiln in ancient times and is not worth money.”

Li Shengxian originally asked Lin Kai casually, but didn’t expect Lin Kai to give him any answer.

After listening to Lin Kai’s words, Li Shengxian was shocked again.

“Do you even know antiques?”

Lin Kai smiled slightly when he heard the words, and said, “Hehe, I know a little bit.”

Lin Kai has golden pupils, and Lin Kai can see clearly no matter what kind of antique it is.

At that time, Li Shengxian gave Lin Kai a thumbs up.

He was really convinced of his brother!

My own brother is almost an almighty! He knows everything! And it’s involved in every aspect! This is a place that Li Shengxian admires most.

“Yo? Lee Shengxian?”

At this moment, a cold voice came.

The two looked back and saw Li Longxian walking over with Chairman Na Chu.

Li Longxian's face was full of surprised expressions.

He didn't expect that Li Shengxian would actually appear in this place. After all, this place is not qualified to enter Li Shengxian!

President Chu held an antique in his hand, and he glanced at Li Shengxian, his eyes full of disdain.

Now, Li Shengxian is not in his eyes at all.

After all, Li Shengxian is only ranked 13th in the Li family. In the eyes of Chairman Chu, only Li Haoxian, the first heir of the Li family, is qualified to speak to him.

"How did you get in?" Li Longxian asked with a frown.

He was very curious about this question.

And Li Shengxian put his hands in his pockets and said proudly: "My brother brought me in!"

After that, Li Shengxian hugged Lin Kai's shoulders with an arrogant appearance.

After listening to Li Shengxian's words, Li Longxian looked at Lin Kai at that time.

I saw him look up and down Lin Kai, and after that, Li Longxian laughed.

"Hehe, did he bring you in?"

Obviously, Li Longxian did not believe Li Shengxian's words at all!

"Yes!" Li Shengxian nodded and said proudly.

My third brother has always looked down upon himself, and now he finally has a chance to show off in front of his third brother!

"Haha, thirteen, do you think I am stupid?"

"This kid sells goods all alone, and he's still your driver, don't you know if I am?"

"Are you really confused as the third brother?"

Li Longxian smiled at that moment holding his arms.

Almost everyone in the entire Li family knows Li Shengxian's details, so Li Shengxian can't lie to him!

After listening to Li Longxian's words, Li Shengxian stammered.

Yes, Lin Kai is his driver, so how should he explain that his driver is very powerful?

Is it possible for him to say that his driver is actually the chairman of Dafeng Entertainment?

My driver is actually from Jiulongshan?

Your driver is actually from Shadow Gate?

Who believes it?

No ghosts believe it, right?

At this time, President Chu sneered: "Hehe, how the two of them got in is actually very simple."

After listening to Chairman Chu's words, Li Longxian turned around.

"Oh?"

"Is President Chu you know?"

President Chu smiled and nodded, and said, "Hehe, they must have said to the security guard below that they are with me, so the security guard let them in."

"After all, you are his brother."

After listening to Chairman Chu's words, Li Longxian suddenly realized.

What President Chu said makes sense!

He is Lee Seung Hyun's third brother! And the security guard might think that Li Shengxian was with him, so he let them in.

"So this is ah!"

Li Longxian suddenly realized.

Randomly he glanced at Li Shengxian very mockingly.

Lee Seung Hyun, didn't you just hear it well? He also said not to come up together. Isn't it sneaking up with my light now?

Haha, Li Shengxian, you are nothing but that!

“I said Brother Thirteen, everyone is a family, you want to come in, when I invited you just now, can’t you just follow along?”

“Now I sneak up again, why? Are you afraid that the third brother will not help you? Is the third brother that kind of person?”

“You sneaked up and said that your own driver brought you up. You are like this, making the third brother look down on you very much!”

Li Longxian’s face was full of mockery.

And Li Shengxian was also a little angry at this time, he said angrily: “My brother really brought me up! Don’t believe me, I will take you down and ask the security guard!”

After listening to Li Shengxian’s words, Li Longxian sneered, he just thought that Li Shengxian was irritated.

“Hahahaha! Thirteen, I know you love face, I won’t tear down your platform.”

“In that case, just hang out here!”

Having said that, Li Longxian was about to leave with an arm around him.

He plans to let the whole Li family know this after returning to the Li family, and let the Li family see his Li Shengxian face!

And Lin Kai hadn’t spoken aside, and looked at Li Longxian with a smile.

This matter was, after all, the Li family’s own business, and Lin Kai didn’t plan to provoke them if he didn’t provoke him.

At this time, Li Longxian had already arrived elsewhere with the President Chu, and they were picking antiques.

Since President Chu is the president of the Antique Club, he obviously has real strength, and his vision is very good.

Lin Kai saw that every time President Chu referred to antiques, they were relatively valuable antiques in the antique pile.

Chapter 1040: Upper Seventh Floor

Chapter 1040

At that time, Li Shengxian snorted and said, “Humph! They can think whatever they want! I don’t care!”

After all, Li Shengxian took Lin Kai to see antiques.

Li Shengxian is not very proficient in antiques.

But he knows a truth, it must be the more expensive the better!

At that time, Li Shengxian brought Lin Kai to a bowl.

This bowl looks very old. It is estimated that this bowl has a history of several thousand years.

And the price of this bowl is also extremely expensive, one hundred million!

Although Li Shengxian is a member of the Li family, he is the youngest one after all. The financial power is not in his hands at all. One hundred million is the limit for him.

“Lin Kai, can you help me see, how about this bowl?” Li Shengxian asked.

After listening to Li Shengxian’s words, even if Lin Kaidang opened his golden pupil, he looked at the bowl Li Shengxian was referring to.

At that time, the bowl was exposed under Lin Kai’s eyelids.

Year, about a thousand years.

It is also made by folk kilns.

The value is around 8 million.

Lin Kai shook his head and said, “This bowl is worthless.”

After listening to Lin Kai’s words, Li Shengxian was going to give up this bowl.

Although he didn’t know whether Lin Kai understood antiques, Lin Kai was his brother, and he believed what his brother said.

“You said it’s worthless, then let’s change to an antique.”

Just after Li Shengxian had finished speaking, there was a contemptuous laughter behind him.

“Ha ha ha, say poor if you are poor, is it worthless?”

When the two turned their heads, they saw President Chu looking at them with contempt.

“Do you know antiques? Isn't it worth the money? This bowl has at least a thousand years of history! One hundred million is worth the money!”

President Chu sneered.

After all, he is the president of the antique club and has always been very proficient in antiques.

After hearing a little driver say that a bowl worth 100 million was worthless, he couldn't stand it anymore.

“A little driver who dares to speak arrogantly? Do you know antiques?”

“This bowl was first identified by my hands. If you don't understand, don't talk nonsense!”

President Chu said coldly.

He didn't open up Lin's eyes at all, he was reprimanding Lin Kai!

When Lin Kai heard this, he also laughed: “Hehe, then you, the president of the antique club, are really a fake name!”

Lin Kai is not afraid of the president of this antique club at all.

“you!”

President Chu was also furious when he heard this.

He did not expect that a little driver would dare to talk back!

In the entire Donghai City, who sees himself and can't give himself three points of face? And this little driver dared not to give himself face, and said he was a false name!

At that time, President Chu was angry!

At this time, Li Longxian was also angry after listening to Lin Kai's words.

But instead of scolding Lin Kai, he scolded Li Shengxian.

“Thirteen, this is your driver? This is the quality of your driver? Really, what kind of driver there is, what kind of master is there!”

“Li Shengxian, no wonder you can't beat Big Brother everywhere. What can you learn with such a person?”

At this time, Li Shengxian's face was dark.

He angered: "What kind of person am I with, does it have anything to do with you?"

After listening to Li Shengxian's words, Li Longxian sneered: "Haha, very good, Li Shengxian, you dare to talk to me like this now, right?"

"Are you the current Li family or the old Li family? Are you the thirteenth youngster or the former thirteenth youngster?"

"You are the most pampered!"

"But let me tell you! The Li family is about to change the sky! Father is old! He is going to rest! He is going to retire!"

"In a few days, the whole Li family will belong to Big Brother!"

"And I'm the confidant of Big Brother! Then, I can deal with you as much as I want!"

"I can make you a joke for the entire Donghai City!"

Li Longxian's words are very rampant.

He told the thoughts of everyone in the Li family.

You, Lee Shengxian, are going to die soon!

And Li Shengxian's face was very ugly.

Without Lin Kai's help, what Li Longxian said would become reality in a few days!

But now, he Li Shengxian is not afraid! Because Lin Kai is by his side!

"Haha, are you so sure that the heir of the Li family is my eldest brother, not me?"

Li Shengxian squinted at Li Longxian.

After listening to Li Shengxian's words, Li Longxian seemed to have heard a funny joke, and laughed.

"Ha ha ha ha ha ha ha!"

"It's ridiculous!"

"Do you think you are the heir of the Li family?"

At this time, I saw Li Longxian patted President Chu on the shoulder and laughed.

And President Chu's face was full of smiles.

"Li Shengxian, in Donghai City, who doesn't know that Li Shengxian likes to play? Since childhood, you haven't managed the big and small things at home. You have been managing the broken ship in Jiangbei!"

"In Donghai City, you have no contacts and no support. What do you use to fight against Big Brother?"

"Do you take your father's love for you?"

"Father spoils you very much, but he is not a fool! Father knows whom to hand the Li family, and the Li family will become better!"

"So you, it is impossible for you to become the heir of the Li family!"

Li Longxian spoke very loudly, and almost the entire sixth floor heard it.

Lin Kai was really impatient at this time. At that time, he pulled Li Shengxian's hand and said, "Let's go thirteen, don't be familiar with this crazy dog."

"Let's go to the seventh floor."

Li Shengxian glanced at Li Longxian when he heard the words and nodded.

At that time, the two walked towards the seventh floor together.

After listening to Lin Kai's words, Li Longxian was taken aback.

WTF? The seventh floor? These two people still want to go to the seventh floor?

"Let me go, your driver's tone is crazy! Going to the seventh floor?"

"I am not qualified to go, are you two qualified?"

Li Longxian yelled at him behind his back.

Upon seeing this, President Chu also smiled and shook his head: "Hehe, these two young people are really ignorant!"

"Go, go over and take a look and see how the two of them get to the seventh floor!"

Even President Chu himself is not qualified to be on the seventh floor. He doesn't believe that Li Shengxian and that stinky driver have that strength!

At that time, the two quickly chased them, wanting to see how Lin Kai and Li Shengxian got to the seventh floor.

Soon after, the two of them came to the top of the stairs to look.

Li Longxian's face was full of mockery: "Hehe, don't you two want to go to the seventh floor? Go! I want to see how you two went up!"

After listening to Li Longxian's words, Lin Kai smiled slightly, took out the shadow gate token directly from his pocket, and dazzled in front of the security guards.

Chapter 1041: Do You Want To Come In?

Chapter 1041 Do you want to come in?

In Li Longxian's eyes, Lin Kai's attitude in this painting is entirely pretentious, pretending to be confident.

After all, Lin Kai is just a broken driver.

In his capacity, it is impossible to have any intersection with Shengding Ancient Tower.

Li Longxian shook his head and sneered: "As a person, you must recognize reality. With you, a stinky driver, if you can enter the seventh floor of an ancient building, I..."

Before finishing speaking, several security guards standing at the door bowed together and made a gesture of asking.

It was obvious that Lin Kai and Li Shengxian were invited in.

See this scene.

Li Longxian was suddenly struck by lightning, his face jumped wildly, his face was full of incredible color.

This... how is this possible?

What is his identity, Lee Long Hyun?

At this moment, it is no better than a broken driver?

Standing aside, holding his arms, President Chu, who was about to watch the joke, saw this scene and almost bit his tongue in shock.

"Do you want to come in? In the light of my brother?"

Li Shengxian turned around and looked at both of them, with a smug and sneer at the corner of his mouth.

“After all, on the seventh floor of Shengding Ancient Building, the two are not qualified to contact.”

“If you don’t cherish this hard-won opportunity, you may not be able to set foot on the seventh floor for a lifetime.”

As soon as these words came out, Li Longxian and Chairman Chu turned red, and they opened their mouths to refute, but they couldn’t say a word.

Both of them were so embarrassed that they wanted to find a place to sew in.

Growing up, when was a stinky driver put one?

Lin Kai had a straight body and said with a smile: “If the two of you don’t go in, Lin will take the first step.”

After that, he turned and walked towards the seventh floor.

Li Shengxian hurriedly followed Lin Kai, staring at his back, very happy.

If there is no Lin Kai-zai today, it will be embarrassing if he is afraid that his father will come back and fail to present a decent gift.

Of course, Li Shengxian was more surprised than happy.

How did Lin Kai manage to get in and out of Shengding Ancient Tower at will?

Looking at the entire Donghai City, there are thousands of people and Dagui who can enter the seventh floor of the ancient building.

Lin Kai did what others couldn’t do!

The two figures drifted away.

Chairman Chu and Li Longxian recovered their calm.

“This place must be found back.” Li Longxian gritted his teeth, looking fierce.

If this matter is not resolved, let others know that he is not as good as a smelly driver.

In the future in Donghai City, he will no longer be able to hold his head up!

“Heh.” Chairman Chu sneered: “Since Li Gongzi wants revenge, following them in is the best choice.”

“With my identity and eyesight, can I choose a baby, but I can’t choose him? I don’t know the hillbilly who popped out from there?”

Li Longxian’s eyes suddenly brightened, and his heart was full of excitement: “This action will not only embarrass the two of them, but also take the opportunity to pick the baby and give it to my father?”

Weighing the pros and cons, the two no longer have the slightest hesitation, and quickly walked to the seventh floor.

It’s just more or less, it seems a little emboldened.

Especially the security guards at the door, with a slight chuckle, looked at them intently.

Let them wait to leave on the spot.

There is no doubt that in the eyes of others, President Chu and Li Longxian at this moment are shameless and shameless.

Just now he ridiculed others as the driver, and now licked his face to follow.

It’s ironic and funny.

...

...

The seventh floor of Shengding Ancient Building.

As soon as Li Shengxian stepped into it, he was attracted by the dazzling array of antiques.

There are more antiques on the seventh floor than on the sixth floor, and each one is very valuable.

The most popular items here are porcelain and jade, each of which seems to be made by nature and made by natural craftsmanship.

They are not so much antiques as they are works of art.

Not only is it perfect, but at the first glance, you can feel the breath of years.

“This is the first time I have come to the seventh floor in my life, and I still have my brother’s light.”

Li Shengxian returned to his senses, smiled at Lin Kai, and said heartily.

His heart became more grateful to each other, and his feelings became more sincere.

“Let’s take a look first, I’ll pick a gift.” Lin Kai didn’t say much, patted Li Shengxian on the shoulder, turned and walked aside.

No matter what I thought, just turning around, I bumped into it.

Take a closer look, the person who came is not someone else, but Li Longxian.

Li Longxian hadn’t noticed that the other party was Lin Kai, and cursed, “Which dog doesn’t have eyes...”

Lin Kai waved his hand blankly and interrupted, “Didn’t the two of you get into the seventh floor? How did you get in?”

This statement came out.

Li Longxian, who was originally arrogant, was speechless.

I tried my best to find an explanation, but found that I couldn’t find it.

President Chu also felt extremely embarrassed, the seventh floor was so big, how could he have thought that they would run into each other so soon?

Hearing the movement, Li Shengxian poked his head out from behind and sneered: “It must be the third brother who told the security guard that he was walking with us and was put in.”

Lin Kai pretended to be surprised: “Is that so?”

“Then I invited Master Li just now, why didn’t you go with me? Are you afraid that your brother will not only not help you, but also laugh at you?”

Li Shengxian’s eyes widened, pretending to be an exaggeration: “Does the third brother think that my brother would be so shameless? Am I that kind of person?”

President Chu and Li Longxian’s faces turned green.

Isn’t this what they said to Lin Kai and Li Shengxian when they were on the sixth floor?

Now, the other party had originally returned it.

The most important thing is that Lin Kai's ability to enter the sixth floor is based on his own ability.

And they?

It really came in cheeky.

However, President Chu is also a good individual, and a sneer hangs from the corner of his mouth when his eyes roll.

Then he put his arms around his chest, showing an arrogant posture.

"A hillbilly like you is not qualified to come in, because you can't discern and identify treasures."

"But I'm different. What kind of identity do I need to introduce again?"

Li Longxian's eyes widened, staring at President Chu, very surprised.

This old boy is really personal, and that will do.

Why didn't he think?

Immediately began to agree: "You are a broken driver, what treasures should you learn? How many cattles are you, you don't know?"

"Chairman Chu is right. You won't choose when you enter the seventh floor. It's a violent thing."

Li Shengxian was itching with angry teeth. It was the first time he saw such a shameless person.

It's obviously white, but they just call it black!

Lin Kai shook his head and chuckled lightly, but didn't care.

It was the first time he heard that someone would be shameless and say so fresh and refined.

"Thank you, please leave. Don't delay Lin from doing things."

After all, without waiting for the two of them to react, Li Longxian and Chairman Chu took a step back.

Lin Kai walked to the side with no one else, his eyes on the antique rack, wandering freely, looking for the antique he liked.

Chapter 1042: Qin Dynasty Yuxi

Chapter 1042 Qin Dynasty Jade Seal

Lin Kai looked for it very seriously, because of the existence of the golden pupil, he could analyze the value of antiques and how rare they are on the market in an instant.

However, such a special method of identification is definitely a complete joke in the eyes of a normal appraiser.

Li Longxian stared at Lin Kai nervously, clenching his fists subconsciously.

He was a little worried, Lin Kai really found some treasure.

After all, the broken driver in his eyes was unexpected in his behavior and style.

“What is Li Gongzi nervous about? Relying on his way of appraising treasures, if you can find good things, Laozi’s last name is written upside down!”

President Chu had a disdainful sneer at the corner of his mouth, his eyes flirty, his hands clasped his chest, and a tall gesture.

“Chairman Chu is right.”

Li Longxian nodded hurriedly, and the doubts and worries in his heart were instantly dispelled.

Who is President Chu?

That is Donghae City, the president of the Antique Club, whose ability to appraise treasures can be called the number one existence in the East China Sea!

Lin Kai?

A little yellow-haired boy who jumped out of nowhere, who has never heard of his name, how much can he have?

With him, can you compete with President Chu?

Compared to Jianbao’s ability, Lin Kai is not even worthy of carrying shoes to President Chu!

“Just wait and see his jokes.” President Chu sneered and patted Li Longxian on the shoulder.

Then, he turned and walked towards the shelf where the antiques were placed.

In a blink of an eye, Chairman Chu put Lin Kai aside.

In his capacity, Lin Kai was completely a clown in his eyes. It would be a shame to care about a little bit of him with him.

Now there is no need to take action, just wait quietly, Lin Kai chooses antiques, and then laughs at him, so that he takes the initiative to embarrass, and has no place.

Li Longxian looked at Li Shengxian and Lin Kai with a sneer in his heart.

Thirteenth brother, I will see how you end up this time, don't be ashamed later, throw it at grandma's house.

Both he and President Chu are confident.

Lin Kai's body was like a straight javelin, a golden light flashed in the eyes of the stars.

In just a few minutes, he patrolled the entire seven-story antiques.

Among them, there is no item that Lin Kai likes.

Although these antiques are invaluable outside.

But in Lin Kai's eyes, it seemed unremarkable.

This is not a dress and a big head, but tomorrow Li Shengxian will present a gift to his father, which is extremely important.

It is necessary to achieve the effect of a pear blossom pressing a begonia, the beauty of the group.

Only in this way can it stand out among the thirteen sons of the Li family.

"What's the matter?" Seeing Lin Kai's disappointed look, Li Shengxian couldn't help frowning, feeling a little nervous.

Lin Kai was about to speak.

Li Longxian pretended to be exaggerated and answered loudly, with a gloating tone:
"What else?"

"There must be too many babies to recognize which one is true or false."

"I just pretended to be, I didn't know how to pretend, why don't you pretend now? The smelly driver is laughing!"

President Chu burst into laughter, and tears of laughter almost flowed out: "You are the most able-bodied hillbilly I have ever seen. You don't know my baby. I advise you to get out of here, lest you won't be able to get off the stage later."

Li Shengxian's face was red and he wanted to rebut.

But Lin Kai still frowned, full of anger, and he swallowed abruptly.

Obviously, Lin Kai really encountered a problem, otherwise he would not have said a word.

Just now.

Lin Kai's search gaze suddenly locked in one spot, and said, "I found it, Lin promised that you will be a blockbuster tomorrow."

Li Longxian and President Chu looked at each other when they heard the words, and they were surprised by the eyes of each other.

Is it possible that this country boy, half-hearted, really found out what treasure he could not succeed?

Lin Kai's tone was too heavy and too sure.

The two of them became confused and could not tell the truth.

"That's great, thank you Big Brother Ye." Li Shengxian almost jumped up excitedly, his face full of joy.

At this moment, he didn't have the slightest doubt and chose to trust Lin Kai.

This shows what status Lin Kai has in his heart.

"Follow me."

Lin Kai walked forward first, followed by Li Shengxian.

The two crossed over a dozen antique racks, finally stopped and arrived at their destination.

However, Li Longxian and Chairman Chu also chased them quickly.

Looking straight ahead, there are few bronzes, and the rest are porcelain and jade.

Therefore, this bronze is particularly eye-catching.

Lin Kai stretched out his white and slender hand and grabbed a rusty, muddy, damp bronze.

The start is extremely heavy, with a pungent smell.

The bronze ware is covered with mud and rust, and it is no longer able to distinguish the original appearance.

“My god, my eyes are going to be blind. I have been working on it for a long time. This bronze is the baby you said.”

“According to my guess, this should be a common bronze ware during the Qing Dynasty, with a maximum value of 500,000.”

“With it, do you want to show off the Qunfang tomorrow? I think it’s almost like the smelly Qunfang.”

President Chu looked up to the sky and laughed, almost laughing.

He has been in the antique circle for so many years, masters and Xiaobai have seen him.

But this is the first time he has met such a mentally handicapped guy, which is really ridiculous.

“Brother Thirteen, you are a driver friend, you are really a talent, just like you.”

Li Longxian gave a chuckle, shaking his head constantly.

But at this moment.

Silent Lin Kai suddenly turned his head, his eyes cold and terrifying.

The moment the two met his gaze, they shuddered involuntarily.

As soon as their hearts beat faster, Lin Kai said solemnly: “This is the jade seal used by Qin Dynasty Yingzheng.”

The moment the sound fell, the entire seventh floor was swallowed by dead silence!

This

This is really endless!

The jade seal used by Qin Shihuang himself!

Anyone who knows something about history knows what this thing represents!

Qin Shihuang is the most mysterious and domineering emperor in history!

And his personal use of jade seal, the meaning is really extraordinary.

If what Lin Kai said is true, the bronze ancient artifacts are really the words of Ying Zheng Yuxi.

Tomorrow the prestige of the thirteen sons of the Li family will be robbed by Li Shengxian alone, and will become a highly anticipated existence.

“Is this... special, impossible!”

Li Longxian thought of tomorrow, the scene where Li Shengxian would shine, like a cat with its tail stomped on, screaming and refuting Lin Kai.

“Yes, it’s impossible. Don’t talk nonsense here. How could Yingzheng’s Yuxi appear here!”

President Chu blew his beard and stared, shaking his head frantically.

The few rich and powerful people who had been quietly selecting, heard the movement, all ran over.

After understanding what happened, they stared at Lin Kai contemptuously and shook their heads.

Obviously, no one believed Lin Kai’s words.

“My brother said yes, it is.” Li Shengxian took a step forward, so proud.

He trusts Lin Kai very much. Even if Lin Kai makes a mistake in his judgment, he will stand by Lin Kai’s side.

Chapter 1043: It’s Really He’s Bi

Chapter 1043

Li Shengxian was furious, his eyes were red, staring at the bronze in Lin Kai’s hand.

This thing can fall into the hands of anyone, but it must not fall into the hands of Li Shengxian.

They are competitors.

Once Li Shengxian dedicated this thing to his father, his status and status will plummet.

However, Li Shengxian will be reused by his father, soaring into the sky.

Although he is not sure whether what Lin Kai said is true or not, he must make a sure-fire plan in advance.

“Ha ha.”

President Chu sneered, touched the goatee, and walked back and forth.

Talking eloquently: “As far as the old know, Qin Shihuang personally used the jade seal, but he spent fifteen cities in exchange for the Heshibi jade, and made the jade seal.”

“This antique in your hand is obviously made of bronze. How could it be the jade seal used by Qin Shihuang?”

“Boy Huang, are you crazy or wishful thinking?!”

Never seen the world, just never met the world.

Don't even have this common sense, and dare to speak arrogantly?

President Chu sighed in extreme disappointment, without any real heart.

Such a person really does not deserve to be his opponent.

“I remembered that the records in the history books are exactly the same as Chairman Chu said, so this is impossible. Qin Shi Huang personally used the jade seal.”

Li Longxian was clever, and suddenly remembered that he went to school and the content recorded in history books.

He let out a long sigh of relief, and was almost deceived by Lin Kai this dog.

“Boy, I advise you to hurry up and go home, read more books, and be less embarrassed here!”

“Just like this, you still come to appraise treasure, and don't look at how many pounds you are. Are you worthy?”

“Don't be ashamed. If I were you, I would have squirmed with my tail and my head.”

The few powerful and powerful, who passively attracted over, couldn't help but ridicule.

They thought that the Jade Seal of the Qin Dynasty had really appeared, so how could they not be angry when they thought it was a rubbish?

Li Shengxian was stunned in the same place, his face was blue and white.

Yes.

He naturally knows that the jade seal of the Kingdom of Qin is made of Heshibi jade, and it cannot be made of bronze.

“Brother Lin, let’s go.” Li Shengxian grabbed the corner of Lin Kai’s clothes, his expression was extremely ugly, and his voice was small and faint, for fear that others would hear it.

Today, I was really embarrassed, and Li Shengxian didn’t know how to end it.

Lin Kai held Qin Chao Yuxi tightly in his hands and scanned the surrounding circle blankly.

I found that the eyes of people around him were full of ridicule and ridicule.

Lin Kai sighed and walked towards the door.

He really doesn’t bother to care about each other.

But it hasn’t taken two steps yet.

President Chu suddenly stood in front of Lin Kai, arrogantly saying: “You just seemed to be very prestigious. You didn’t put this guild leader in your eyes, or even humiliated the guild leader in public. Now that you lose, you want to leave?”

“In the world, is there such a cheap thing? You think too well, right?”

“What do you want?” Lin Kai put his hands in his pockets, cast a cold glance at President Chu, his voice was low.

President Chu gave a gloomy smile: “No, as long as you kneel to apologize, the old man will show mercy and forgive you once.”

Lin Kai’s eyelids drooped, looking at each other pretendingly: “Spare me once?”

He is curious.

How did you provoke the other party?

Isn't it true that Chairman Chu and Li Longxian are always targeting him and Li Shengxian from beginning to end?

And he just counterattacked, to the opponent's mouth, turned out to be good for him?

"Yes, as long as you kneel down and apologize, I will spare you once."

Chairman Chu said triumphantly.

At this time, Li Longxian was complacent and pointed to Lin Kai's nose pretentiously and said: "Of course, there is another option. As long as you can prove that the bronze in your hand is Qin Chao Yuxi, we will let you go."

His tone was full of playful abuse, playing Lin Kai as a monkey.

The things in Lin Kai's hands were clearly bronzes, and it was impossible to have anything to do with He Chobi.

In the eyes of others, Lin Kai is a loser, no matter which choice he makes, he has to kneel down.

Because he will definitely lose!

"You...you two, don't deceive people too much!"

Li Shengxian roared at the two like an angry master.

"Yo-yo-yo, the thirteenth brother is angry?" Li Longxian played with his palms, pretending to be relaxed and freehand: "But third brother, I have given your friend a chance. How to choose is his business, what are you yelling at me?"

"You obviously know that this bronze can't be a jade seal, and you have to make things difficult. You are sincere and embarrassing him!"

Li Shengxian's eyes were very cold, and Li Longxian looked closely.

Li Longxian sneered constantly, pointed at his nose, and said arrogantly: "Just sincerely make things difficult for him, what can you do?"

"I just wanted to trouble him today, either he knelt down and apologized, or crawled out!"

President Chu's tone was neither salty nor light, "Kneel? Or climb?"

Li Shengxian was furious and about to get angry.

Lin Kai took a step forward, stood in front of him, and said with a light smile: "Lin, choose Jianbao."

This statement came out.

Wow—

There was a lot of laughter from the whole hall, deafening and unconscious, and the entire seven-story building was shaking.

This act is completely a joke in a joke.

The matter has been told so clearly to him, why doesn't he understand?

Is it really a funny one?

"Well, no matter what you choose, you lose your dignity. I'll give you this opportunity."

President Chu put his arms around his chest and said high up, with a teasing expression.

Li Longxian sneered.

Onlookers watched the powerful and shook their heads constantly.

At this moment, when everyone looked at Lin Kai, a word appeared in their hearts, that is-mentally retarded!

"Please get a small saw."

Lin Kai waved his hand, regardless of Li Shengxian's dissuasion, he insisted on trying to the end.

In full view, the saw was quickly handed to Lin Kai by the waiter.

"Let's get started." President Chu raised his brows and made a gesture of asking, his eyes were very ironic.

Everyone's eyes gathered on Lin Kai.

"Chichichichi!"

Lin Kai's movements were slow and light, as if he was afraid of hurting the baby in it.

Over time, a small gap appeared in the center of the bronze.

“Pretending to be a ghost, and the class door is making an axe. If it is really Yuxi, I will eat it on the spot.”

“The old man used half-life experience as a guarantee, it is definitely not a jade seal!”

President Chu said decisively.

When the others heard this, their sneers became more obvious.

suddenly.

There was a “click” sound.

The bronze is open!

Looking at it, one is engraved, and it looks like a golden dragon, as if to break free from it.

It seems that the sky is blooming with golden light.

boom—

President Chu was so frightened that he could lay an egg with his big mouth.

This

This

It turned out to be the Jade Seal of the Qin Dynasty Chuan Country, made of Hesbi!

He feels his head is about to explode!

“Ying Zheng Yuxi!”

Everyone screamed, shocked and shocked.

“No...impossible!” Li Longxian slumped to the ground, his face like gray, shaking his head constantly, repeating this sentence.

This was too shocking, and Lin Kai could see through the contents just by observing it with the naked eye.

too terrifying!

Who is he!

Chapter 1044: So Big

Chapter 1044

Just ask the entire Donghae City and the entire national border.

In the antique circle, who can have such a powerful ability to appreciate treasures?

Can you see what's inside with just a glance? !

This Lin Kai is the only one in the country!

For them, why He's Bi is hidden in the bronze is no longer important.

The important thing is that Lin Kai won, and won thoroughly!

"Brother Lin, you, you are too good!" Li Shengxian exclaimed in surprise.

He was really shocked today.

"It is not advisable to stay here for long."

Lin Kai didn't say much. After speaking, he put away He Choi and walked toward the door in a stride.

Li Shengxian excitedly followed Lin Kai and kept talking, but Lin Kai didn't respond a word.

Watching the two go away freely.

Li Longxian slapped Chairman Chu's face: "Isn't you a guarantee, can't it be He's Bi? What guarantee do you have now?"

President Chu's face turned red and white. He was humiliated by a stinky driver, and he was slapped.

But a rebuttal could not be said.

After all, it was him that was wrong, and this mistake would make Li Longxian lose a lot of things.

Turning over with him was also expected.

But, the most annoying thing, the culprit Lin Kai, smiling, swaggered away from them.

The two were so depressed that they almost vomited blood, what a...

...

...

After leaving, Lin Kai and Li Shengxian parted ways.

He's Bi Yuxi will be kept by Lin Kai, and will be handed over to Li Shengxian until Li Shengxian's father returns tomorrow.

After all, this thing is too precious to be careless.

Once a little goes wrong, what is lost is priceless!

After parting with Li Shengxian.

Lin Kai came to the meeting place with the hidden god.

In front, is an extremely dense bamboo forest.

A gust of wind blew past, and the boundless bleak bamboo leaves fell on Lin Kai's shoulders.

"tread."

With the sound of footsteps, Yinshen appeared in front of Lin Kai.

Lin Kai put his left hand in his pocket and picked up a bamboo leaf with his right hand, his eyelids drooping: "What do you want to report?"

"Boss, do you remember the killer who killed you last time?"

Yin Shen bowed ninety degrees, put his hands in front of him, and asked respectfully.

Canglong?

Lin Kai's slightly narrowed eyes flashed a cold light, but he did not speak.

Instead, he raised his finger to signal Yinshen to continue speaking.

"Someone is making trouble with his family, so I came to inform you before." Yinlong's voice gradually became cold.

Lin Kai stroked the bamboo, and said with a chuckle: "I'm very courageous..."

“I’m good at finding death!”

After the second half of the sentence fell, the stiff bamboo burst instantly, and then collapsed, throwing up a burst of bamboo leaves.

There is still a chuckle on his face, but this smile makes people feel like a spring breeze.

Shocking!

For whom did the hidden dragon die?

Died because of him Lin Kai!

If the blue dragon is not dead, Lin does not need to take action in this matter, but he is dead...

“Prepare a car.”

Lin Kai shook his wrist, his eyes were cold.

After the two got into the car, Yinshen sat in the driver’s seat and headed away in one direction!

In the car, Yinshen gave Lin Kai a detailed account of the cause and effect.

It turned out that after the death of Canglong, the enemies who had offended him all came to the door and attacked Canglong’s family.

“Speed up and get to the destination as soon as possible.”

Lin Kai flicked the soot, and stared out the window, with a cold killing intent, like a cold wave!

The temperature inside the car suddenly reached freezing point.

Yinshen shuddered involuntarily.

...

...

Diguancun, Donghai City.

The door of a mansion opened, and the bleak wind blew by, setting off countless white silks.

White smoke floated out of the mourning hall, rising straight into the sky.

At the door, stood a delicate girl, wearing a white mourning dress, with crystal tears hanging from the corners of her eyes.

Obviously, the death of her father dealt a heavy blow to her.

The girl's real name is Chen Qu and she is Canglong's biological daughter.

At this moment, a lady dressed in bright red, followed by a twenty-year-old youth, walked over quickly.

"Mom, I like this woman."

The young man whose real name was Zhang Chen had dark eyes like a poisonous snake, and his eyes locked on Chen Qu in an instant.

Chen Qu's facial features are not stunning, but they appear very fresh and refined.

In particular, her newly developed figure, although not full, can be regarded as protruding and warping.

Coupled with a white mourning dress, it gives people a sense of sight of a fairy going down to earth.

The lady named An Jiejie looked at Chen Qu when she heard the words, and a smile appeared on the corners of her mouth after careful examination.

"Yes, I am qualified to be my son's servant."

She praised briefly.

The term slave and maid is by no means as simple as a servant in Zhang's family, but an absolute manipulation and absolute obedience to the master's orders.

Zhang Chen has no father since he was a child, so he has a strange character and his character is extremely vicious.

In addition, the family's power is so powerful that the mother has always satisfied her requirements, not refused.

Zhang Chen's personality has already seriously deviated from the path of normal people.

But An Jiejie still spoiled her.

“Your father is dead?” An Jiejie stepped forward, staring at Chen Qu with a pair of eyes, very fierce, like a wolf choosing people to eat.

“Yes, yes auntie.” Chen Qu took a step back nervously.

“Since your father is dead, no one will care about you in the future, and you will live in my Chen family from now on.

“This matter can’t be rejected, it’s not negotiable, this is an order!”

“Do you understand?”

An Jiejie’s tone was cold, and her eyes were cold.

“From now on, you will be my woman.” Zhang Chen stepped forward, licking his lips with his tongue, and smiled sorrowfully.

Chen Qu swallowed nervously and did not dare to speak.

“Let’s go, let’s see if this dog is a real death or a fake death.” An Jiejie finished speaking, and walked towards the center of the mourning hall with catwalks regardless of others.

Zhang Chen kept staring at Chen Qu, as if looking at his own plaything.

Just when Chen Qu didn’t know what to do.

A car drove straight into the courtyard.

Then, a pair of black Martin boots stepped out of the car.

“She is the daughter of Canglong.” Yinshen reminded in a low voice.

Lin Kai adjusted his cuffs, stepped forward quickly, came to Chen Curved surface, smiled and said, “Are you Chen Qu?”

“Brother, are you?” Chen Qu blinked, wondering.

“I’m Lin Kai, your father’s best friend during his lifetime.”

Before Lin Kai finished speaking, Zhang Chen suddenly took a step forward and stared at Lin Kai with a grinning smile: “Don’t, stay away from me, the woman is too close!”

He paused every word, gritted his teeth, and was full of murder.

Lin Kai still smiled, showing two rows of white teeth, “Is he your boyfriend?”

"I don't know." Chen Qu shook his head like a rattle.

"That's a big courage, since I said it, then you are, you have no right to choose, you know how cheap!"

Zhang Chen broke out suddenly, reaching out his hand to pinch Chen Qu's neck.

Lin Kai snapped his fingers.

boom!

Yinshen rushed forward with a sharp slap, and instantly smashed Zhang Chen's face.

"roll!"

Chapter 1045: You Are Tired

Chapter 1045 You Are Tired Of Life

With one blow, Zhang Chen fell horribly, with gold stars in his eyes.

He was supporting the ground with both hands, in a slightly embarrassed state, feeling the heat on his chest, an anger suddenly surged to his forehead.

In his capacity, which high-ranking official is usually respectful when seeing him?

Now, on this one-third of Donghai City, there is an unknown person who will hit him?

How presumptuous, how rampant this is? !

"Trouble, stay away from her."

"I'm sorry for being rude."

Lin Kai put one hand in his pocket, with a cold smile on the corner of his mouth, and looked down at him condescendingly.

Zhang Chen wiped the blood that overflowed from the corner of his mouth, not irritated, his eyes became playful.

Rolling his eyes like this, he looked at Lin Kai.

"Very interesting, you are in the East China Sea, the first person who dares to touch me."

"However, I will make you regret it next time."

Zhang Chen stood up, patted the dust on his body, snorted, and quickly walked towards the center of the mourning hall.

“Brother, thank you.”

Chen Qu walked forward in small steps, clutching his clothes tightly with both hands, and said nervously:

“His identity is not simple, you should leave now...”

Lin Kai rubbed her head, as if caring about his sister, whispered softly:

“Your father and I were best friends when he was alive. Today, Lin came here to clean up your family’s affairs.”

“No matter who it is, if you dare to offend half a point, you will not forgive!”

Words fall.

Lin Kai strode out, a powerful wind and cloud, holding the aura of the universe, coming like a stormy wave.

The sharpness is revealed.

Murderous!

He came today to find and solve the problem. There is no need to compromise and be low-key.

There were many people in the mourning hall, but no one in formal clothes came to express condolences.

They smoked cigarettes, smiled hippily, and slapped around.

The dead are completely ignored.

Just as Lin Kai entered the mourning hall.

Hundreds of eyes fell on Lin Kai.

The murderous air on him was too shocking and drew the attention of the audience.

“This...Which man is this? Why have you never seen it in Donghai?”

“Should be the son of Dagui, a senior official from other provinces? I can vaguely feel a sense of extravagance.”

The crowd was talking, whispering, not daring to speak loudly, for fear of disturbing the man in front of him.

Lin Kai glanced at the crowd and found Zhang Chen.

Zhang Chen raised his middle finger, smiled gloomily, and did not answer.

Lin Kai turned his head silently, placed his gaze in the center of the mourning hall, and then walked forward quickly.

Seriously and solemnly drew out three incense sticks and slowly lit them.

But at this moment.

A discordant voice came.

“I said, my friend, it’s just a dead trash, do you need to be so serious? Give him incense? Don’t you think you have lost your worth?”

Lin Kai turned his head and looked at each other.

The speaker sits on a chair made of pear wood.

He is wearing a white Tang suit with a goatee, his eyes are muddy, but he is full of spirits, giving people a vigorous atmosphere.

The old man’s real name is He Dong. There are thousands of martial arts halls opened in Donghai City, and he is quite famous in the ancient martial arts circle.

Although it has not achieved the position of the head of the Wushu Association, it is not something ordinary people can provoke.

After all, the other’s disciples and grandchildren, as many as hundreds of thousands, who dare to offend easily?

When he opened his mouth, everyone looked at him and bowed their heads slightly, their expressions were extremely respectful, and they did not dare to make any blasphemy.

This shows how terrifying this person’s influence is.

“The deceased is the big one. Is your statement too presumptuous?”

Lin Kai shook his wrist, a trace of impatience flashed between his eyebrows, and his voice was slightly cold.

The voice is heard.

Like thunder.

The dignitaries stared at Lin Kai strangely.

This

Dare to talk to How old?

Is this crazy? !

Still not afraid of death? !

That is how old he is known as the chief coach!

Can you provoke the yellow-haired boy who didn't know where he came from?

At this moment, everyone thought that Lin Kai was crazy.

Is seeking a dead end!

Zhang Chen slightly probed, with a teasing sneer on the corner of his mouth, and said to An Jiejie:

"Mom, we don't need to act this time. He dared to offend He Lao. He will be divided by five horses later, and there is no place to bury him."

An Jiejie twiddled her long hair and said jokingly: "Then let's see how this fool, who doesn't know himself, was played to death."

I don't know where the dog stuff came out, dare to do something to my son.

You are so tired of chopsticks!

The two smiled at each other, then put their arms around their chests, intending to watch a good show.

"Young man, I'm very angry." He Dong smiled slightly, took a sip from his teacup, and never looked at Lin Kai again.

After all, such a small person, he is too lazy to have general knowledge.

If you care about each other, that time is a real loss.

As far as He Dong is concerned, Lin Kai is nothing more than a reptile, whatever his love is.

Lin Kai's eyelids drooped, quite impatient.

Then, turned around, ready to continue the incense.

But right now.

Suddenly a young man in a black suit walked out of the crowd. He pointed to Lin Kai's nose in the air and cursed:

"Are you deaf? You didn't hear what Elder He said, so you still dare to continue offering incense?"

"If you are looking for death, just say it straight, I can satisfy you at any time!"

After the young man finished speaking, he sorted out his suit with a smug smile on his lips.

His real name is Pan Yang and he is a real estate agency. He has long heard of the name of Mr. He. This time he saw this opportunity to please him.

Thus he was appreciated by He Lao, and then soared into the sky.

"Trouble, shut your stinky mouth." Lin Kai rubbed his temples, his eyes were already terribly cold.

The incense being interrupted by fleas three times, this has violated his taboo!

To put it bluntly, these people are looking for death!

"Yeah, why don't you want to be familiar with you. You really think you are a human being. Believe it or not, what am I going to kill you?"

Pan Yang pretended to curse angrily, but looked at He Lao to observe He Lao's reaction.

Unexpectedly, when he saw it, he was facing He Lao's eyes.

He smiled heartily, waved at him, and said, "Come on, don't be familiar with the little people."

Pan Yang was overjoyed in his heart. As the so-called quest for wealth and danger, he won the appreciation of He Lao, and he will surely soar in the future.

I have to thank, that dog thing that does not open eyes, is my stepping stone!

He was very happy in his heart, his steps were cheerful, and he walked towards He Lao whistling.

See this scene.

Lin Kai's eyes darkened slightly, his eyes gradually cold.

Noting the hidden spirit in this scene, the spirit is tense, and then he took a step and patted Pan Yang on the shoulder: "Handsome guy, wait."

"What..." Pan Yang turned his head, about to yell at him.

call—

A burst of qi suddenly hit.

Yinshen clasped Pan Yang's head with one hand, pulled down fiercely, and then elbowed.

Bang bang bang—

The clashing sound keeps coming.

The sole of Yinshen's feet hit Pan Yang's chest severely.

A pair of cold eyes swept the Quartet.

He shouted coldly: "Dare to step on my husband, you are very impatient!"

boom!

The whole hall was silent, and the audience was shocked!

Chapter 1046: I Have Limited Patience

Chapter 1046 I Have Limited Patience

This act is daring!

That's an old man, even if you don't give you face, you can't move.

Ho Lao exists like that, is you a yellow-haired boy who can provoke you?

Hundreds of eyes turned from shock to abuse.

No one thinks that Lin Kai can survive in He Lao's hands.

In Donghai City, He is honored as the chief instructor, not only because of his high martial arts, he has studied martial arts for many years.

It is because he has hundreds of thousands of disciples and grandchildren.

It is not an exaggeration to say that He only needs to raise his arms, and the whole Donghai City will tremble three times.

With just a word of his, hundreds of thousands of disciples and grandchildren can crush Lin Kai into mash.

He looked at Pan Yang, who had passed out under the feet of Yinshen.

The wrinkled face suddenly became gloomy.

He didn't want to care about such little people.

As a result, the other party wounded someone he liked.

This matter has completely evolved into a different nature!

This is hitting him in the face, and the place must be retrieved.

otherwise

This incident will become a stain on his wise life, and he will never be able to raise his head in front of others!

"Young man, you are very angry, but you are too crazy!"

"There are some people that you can't provoke in your entire life. Today, the old will let you fully understand!"

"The old man will give you an explanation within three minutes!"

He slapped heavily on the armrest of the chair, the palm of his hand fell, and the whole ground was clearly visible, shaking up countless fine dust.

Lin Kai's drooping eyelids cast a casual glance at him.

After the hands were negative, the fingers interlocked.

He was calm and gentle, and said: "Don't be too noisy, it disturbs my brother's spirit in the sky."

“You have to explain. Lin will give you an explanation.”

When the rest of the people heard this, a teaser flashed across their lips, but in the end they were still subdued?

Wasn't it tough just now?

Why don't you install it?

“A person who knows the current affairs is a handsome man.” Old He chuckled, his expression extremely disdainful.

How could this kind of ants not listen to their own words?

He was just so angry that he didn't deserve it.

The whole room burst into laughter, and almost overturned the house.

Obviously, Lin Kai turned into a joke in their eyes.

“Yinshen, give him an explanation.” Lin Kai raised his finger and tapped in the air.

“Yes, sir.”

Yinshen nodded slightly, then lifted his right foot and slammed it down!

boom!

Pan Yang made a heart-piercing scream because of the pain, his facial features became distorted.

Scarlet fresh blood gushed out from his mouth like spring water.

In an instant.

The laughter stopped abruptly.

Instead, a strong shock!

He Lao with a smile, his cheeks jumping wildly, his eyes became red and bloodshot.

“Okay, what a brash!”

“How dare you slap Ho Lao in the face like this? What's so special!”

Everyone subconsciously issued, exclaiming.

Lin Kai's every move today instantly overthrew the worldview they had previously established.

In their eyes, He Lao is admired by thousands of people and cannot be profaned.

This kind of thing has never happened before.

Don't talk about today's thing, just yelling in front of He Lao, no one dares.

But today...

The other party not only offended He Lao's dignity over and over again, but even opened his face and beat him in the flesh.

This is so incredible and shocking.

It's so explosive.

"How satisfied with this explanation?" Lin Kai asked with a soft smile and a soft voice.

It was as if he was afraid of disturbing the other party, and didn't know how old Lin Kai respected him.

He looked at Lin Kai's expression, his face flushed, and his whole body was shaking with anger.

He raised his index finger and pointed at Lin Kai: "Could it be that you really want to die?"

"You know who I am. It's easy to kill your stupid fool?!"

Lin Kai shook his wrist, revealing his watch, playing with it in every possible way.

Did not speak for a while.

The air became silent for a moment.

After a long time, Lin Kai raised his eyelids slightly and said coldly, "We can try."

The two eyes face each other.

Lin Kai's eyes were the same, just a glance at each other, He Lao felt a surge of pressure.

It was like a sharp knife piercing his heart.

Silently, drops of cold sweat rolled down He Lao's cheeks.

He swallowed hard, his voice became hoarse: "Since you want to play, the old man will stay with you to the end!"

Although Lin Kai's momentum completely crushed him.

But He Lao, who is an old world, has never seen any kind of character after so many years.

How could it be easily intimidated by a yellow-haired boy?

The atmosphere suddenly became serious.

Those of you who are not too big to watch the excitement, no one dares to speak at this time.

Now, they also understand.

The young man in front of him is not easy to provoke the winner.

Although there is a high probability that they are not old enough to fight, it is absolutely easy to pinch them to death!

Therefore, they obediently closed their mouths.

"Since Mr. He is here, it is better to go to Zhuxiang, after all, the dead are the biggest."

Lin Kai inserted the three sticks of incense into the incense burner and worshipped three times, the expression in his eyes became increasingly cold.

Canglong died because of him.

He must help each other to settle the funeral.

Canglong's family must also be taken care of.

Today, the matter of offending Canglong and making trouble in the mourning hall is not over yet.

Everything, but just the beginning.

"Boy, as an old man, don't say that he is alive, even if he is dead, I won't be qualified to bow down!"

“Speaking of madness, he becomes a ghost, and he has to kneel on the ground and call me so old.”

He tapped the handrail with his fingers, very calm.

For him, the good show is just the beginning.

How could he let it go easily, this brave unknown person?

“You must offer incense today.” Lin Kai smiled softly.

“reason?”

He laughed dumbly and found it particularly interesting.

These words are not ordinary arrogance.

“Because you are here.” Lin Kai narrowed his eyes, “because I am standing here!”

The overtones are very simple.

I’m standing here, you must kneel.

No reason is needed, just because I let you incense and bow to my brother three times!

“Interesting, interesting, indeed interesting.”

“You don’t have that qualification yet.”

He shook his head and chuckled, but his voice was heavy.

“Tell me, where did you come from? Why are you so arrogant?!”

Zhang Chen, who had been silent, stood up suddenly, putting his hands in his jacket pockets.

Looking at Lin Kai with dark eyes, he said fiercely.

Others are afraid of Lin Kai, he is not afraid of being beaten today, he must return the original one!

Don’t know.

Not only did Lin Kai ignore him, he didn’t even glance at him.

Staring at He Lao with scorching eyes, he said briefly: “You get incense, or can’t you?”

“My patience has always been limited. I will make a choice as soon as possible, otherwise...the consequences will be hard to bear!”

Chapter 1047: What Are You

Chapter 1047

“Haha, what a big consequence, what a joke!”

“Today, it doesn’t matter if you are a crossover or the son of someone’s senior official Dagui.”

“In front of the old, you don’t have the qualifications for half prestige!”

Old He kicked on the ground, his whole body soared into the air, and then his feet stood on the ground.

After he held his hands, his head was covered with gray hair, which was constantly shaking by the wind.

He looked fierce and fierce, not like an old man in his sixties or seventies, and even more vigorous than a young man.

This shows that this man has deep martial arts accomplishments and a deep understanding of health preservation.

Lin Kai narrowed his eyes and frowned slightly.

The other party’s sudden attack made him feel a little uneasy.

I don’t know what the old thing is about.

Just when he was uncertain.

Boom boom boom –

A hum of engines resounding through the sky came from outside the courtyard.

Immediately after.

A young man wearing a white training suit walked out of the car and rushed into the hall with a rush.

Their steps are orderly, and although they are not as straightforward as a war zone, they are also strict.

Everyone eats five big and three thick, and his muscles are like iron bumps.

Coupled with their tall stature, taking a step forward, it is as suffocating and fearful as a mountain is pressing over.

However, the most terrifying thing is not these, but their number.

Looking far away.

It is densely packed and black, which causes extremely heavy psychological pressure.

This group of people not only filled the mourning hall, but even the courtyard was surrounded by water.

A smile flashed at the corner of Lin Kai's mouth, and it looked calm and calm.

He said how this old thing suddenly had such confidence.

It turned out that he had secretly informed that his disciples and grandchildren had come to help out.

It looks like...

This old thing, today is a plan to play endlessly!

"Boy, you should understand now that there are some people you can't afford to offend in your entire life!"

Old He snorted coldly, scorning Lin Kai with a lofty attitude.

Now his attitude is completely superior.

It seems that Lin Kai has been trampled under his feet.

"The old people are not allowed to pay homage to you, you shouldn't pay homage to them. For decades, you are the first person who dares to take my words as deaf ears!"

The implication of He Lao's words.

He is the biggest king here, and his words are the king's law and the decree.

No matter who it is, he should not disobey his orders.

Rebellion against others, die!

At this moment.

Everyone on the scene stared at Lin Kai with pity.

Judging from the current battle, Lin Kai has no chance of survival at all.

Even if he could walk out alive, he would have to have one arm and one leg removed.

This is not to distrust Lin Kai's ability.

Rather, the current situation is completely unilaterally crushed.

How many people in the world can face the siege of thousands or tens of thousands of martial artists with bare hands?

Almost, it does not exist!

He took a deep breath and chuckled softly: "Don't say that the old man is bullying the small, I will give you another chance."

"Now either you take down the mourning hall of this dog in public, or the old man will pull his body out of the coffin and humiliate him in public!"

His attitude is extremely playful.

Don't you have a deep relationship with Canglong?

The old do not worry about killing you, not only to humiliate you, but also to play you alive.

Only in this way can the hatred of the old heart be solved!

He couldn't think about it, the next scene, Lin Kai's humiliation scene, must be very happy!

Lin Kai stared at him indifferently, pointed his finger at the center of the hall, and said briefly: "Kneel down, incense, and apologize."

"It seems that you still can't tell the situation."

"Since you want to die, then I will do it..."

He Lao laughed dumbly. This kid really didn't see the coffin and didn't cry. In that case, don't blame me for being cruel.

But just when he was about to laugh.

Lin Kai suddenly took out the Shadow Gate Medal and threw it on the ground.

After seeing what it is.

He Lao's laughter stopped abruptly. Instead, his facial features were frozen and his face trembled.

This state stunned the onlookers.

They are all medals looking at the ground for unknown reasons.

After seeing what it was, everyone's brains were about to explode!

Shadow Gate!

This young man turned out to be from the Shadow Gate!

What the hell...

That is the largest unofficial dark organization in the country!

Its influence spreads across the entire national border, and its influence is even more extraordinary.

Looking at the entire national border, there are almost no organizations that can be compared with Shadow Gate!

"Hiss"

Countless people sucked in cold air, constantly ups and downs, and did not disperse for a long time.

Silently.

Drops of cold sweat slipped off He Lao's forehead.

At this moment, his temples swelled frantically, scared to death, and the six gods have no master.

What is he?

In front of ordinary people, it may be high, but in front of the shadow gate, it is definitely the ant among the ants.

"How old is it?"

Lin Kai smiled slightly, folded his hands on his chest, and stared at him straightly.

This word came into the ear.

He was clever, he recovered, grinned and said: "Misunderstanding, misunderstanding, this is totally a misunderstanding."

Then he turned around, turned his back to Lin Kai, and wiped the cold sweat from his forehead.

To his disciples and grandchildren, yelled: "Everyone line up and give the Canglong brother incense!"

The attitude at this time, compared with the previous attitude, was a complete turn of 180 degrees.

Lin Kai stood in front of the black-and-white photo, silently looking at them.

"The old man comes first, and must not be rude."

He put on a dignified and solemn expression, walked forward quickly, took out three incense sticks, and quickly lit them.

Then, showing a pious attitude, he whispered: "There are many offenses for the old today, please don't take offense, little brother."

An Jiejie looked at Lin Kai with a green face.

She finally realized the seriousness of the matter.

The young people in front of them, whom they never put in their eyes, are not something they can offend.

In other words, it was easy for Lin Kai to kill them.

"Mom, what's the matter with you? Your complexion is so ugly? What are you afraid of? Isn't it just a crippled kid?"

"I really don't know what is going on with these people."

Zhang Chen didn't understand what the Shadow Gate represented, let alone the medal.

Therefore, it is easy and freehand.

An Jiejie was so frightened that she didn't hear what her son said.

Here.

He finished the incense, smiled slightly at Lin Kai, and said, "I'm so sorry about today's affairs."

After speaking, turn around and walk down.

But at this moment.

Lin Kai suddenly shot, clasping He Lao's arm with his five fingers, pressing hard.

Suddenly.

The sound of bones bursting like fried soybeans came out.

He Lao was so painful that his facial features were distorted, bending over like a shrimp.

"I'm so fooled?"

Suddenly.

Lin Kai lifted his big foot, and slammed He Lao's head, with a pair of eyes, killing intent!

boom!

He Lao couldn't bear the huge pressure, his knees were inlaid on the floor.

Chapter 1048: What Do I Stand For?

Chapter 1048 What do I stand for?

Just now so arrogant, I am the only one in the sky and the earth.

He even demolished his brother's mourning hall.

If Lin Kai didn't show up today, I'm afraid Canglong would be humiliated after his death.

What makes Lin Kai most ridiculous is that.

The other party did such a rebellious thing, in a few words, put on a stick of incense, and wanted to expose it?

The great truth is on your side!

All the benefits of the world have been absorbed by you alone!

"You are a human being, and my brother is also a human being. Why do you stand above me? Why do you want to humiliate him after his death?"

Lin Kai's slightly narrowed eyes suddenly opened.

With a raise of his right hand, a gust of wind roared away.

"Snapped!"

Humiliating slapped He Lao's cheek.

The red palm prints are visible to the naked eye.

"Aren't you a heavenly king? Fight back now!"

"Call your disciple and grandson, and kill me!"

Lin Kai opened his bow from left to right, beating and cursing, slapped dozens of slaps in an instant.

He was beaten and trembled all over, blood spilled from the corner of his mouth.

But he didn't dare to resist the slightest bit, just begging for mercy with difficulty: "The old man dare not, please forgive me, my husband this time."

"This"

The corners of everyone's lips twitched wildly, watching this scene, they only felt that their eyes were broken.

The person in front of him, who was smashed, kneeling down and begging for mercy, is really the youngest person who is usually above him?

Everyone was shocked, even He Laos disciples and grandchildren found it incredible.

This young man is so fierce!

He Lao didn't dare to say a hard word, and he had to beg for mercy carefully.

What the hell...

Why haven't you seen such a man in Donghai City before?

Most importantly, how old is this person?

It's terrifying to achieve such an achievement just in his twenties!

"Sir, sir, please give me a chance." Old He stared at Lin Kai and said sincerely: "I promise to satisfy you. Whatever you say, the kid will follow his plan."

Lin Kai turned abruptly, with his hands behind his back, and shouted coldly: "All those who have humiliated my brother's spirit in the sky, inform their family members, come and kneel down to express their condolences."

"As long as I find out, there is no one to come, let alone kill!"

As his voice fell, a sense of solemnity filled the hall instantly.

At this moment.

No one dared to play tricks and took out their mobile phones to notify their families to come.

He Lao didn't even dare to hesitate. If he made the man in front of him dissatisfied, he might not see the sun tomorrow.

Following Lin Kai's order came out.

The entire Donghai City seemed to be in an earthquake, and the people who were difficult to count were moving closer to Canglong's home.

This movement attracted the neighbors around and came to watch.

Don't understand what is going on.

Finally, a message came out.

The young man who did not know where he came from, personally participated in the funeral of Canglong.

Just a word came out, He Lao, who is respected as the head of the master, all knelt on the ground and informed his family that he would come to worship the dragon.

"Who is it? Donghai City has never heard of such a person!"

"It's so fierce. How old is it that hundreds of thousands of disciples and grandchildren can't be recruited by a single person.

The voice of discussion continued to spread, either in a pub or a hotel.

In just a few hours, Lin Kai became the focus of the entire Donghai City.

The neighbors who came to join in the excitement were shocked and shocked when they saw the scene in front of them.

Didn't these people come to trouble the Canglong family?

Why are they all kneeling?

And they are so prominent, because a young man kneeled?

This is too... shocking the world, right?

In the highly anticipated situation.

Lin Kai is still calm and calm, as if standing on his home court.

The temperament of a soldier burst out.

He focused on Zhang Chen and walked up quickly.

“You just said, whose woman Chen Qu is?”

Lin Kai asked.

“You may be mistaken, it’s not my woman, it’s my servant.”

“Being a slave and maidservant is the blessing she has cultivated in her eight lifetimes.”

“Like this kind of wild species without a father, I can take her in, it’s already a lot of face.”

Zhang Chen shook his head, laughed constantly, and opened his mouth as Kyogen.

Lin Kai, who had a serious face, suddenly chuckled when he heard this.

“Just because you have a good family and strong strength, can you deprive a person of freedom at will?”

“You say she is a slave, so she must go with you?”

An Jie’s complexion was tense, and when she heard this, her heart almost popped out of her throat.

He hurried forward to please Lin Kai and explained the matter clearly.

Unexpectedly, Lin Kai pushed her away coldly: “No one can intervene in this matter.”

The implication is that it won’t work if I am the king of heaven!

“Yes!”

“She was born humble and fate is lower than grass, so she is destined to kneel at my feet!”

“Strength is respected, don’t you understand the truth since ancient times?”

Zhang Chen smiles continuously and is full of fun.

He took a step forward and said: “I’m interested in that woman, if you dare to intervene, believe it or not, I want you...”

The words are not over yet.

An Jiejie’s face was fierce, and she slapped Zhang Chen directly on the face.

“Naughty animal, don’t hurry down on your knees!”

After speaking, no matter what Zhang Chen’s reaction was, he knelt on the ground first.

He lowered his head and said respectfully: “Sorry, the child is ignorant and does not understand the way of being a human being. Please also my husband must be extremely forgiving and forgive him this time.”

“Mom...you, you...”

Zhang Chen clutched her cheeks and looked at her in astonishment, not knowing what was going on.

Isn’t it just a yellow-haired kid?

So what are you afraid of him?

An Jiejie hurriedly grabbed him and whispered: “This is the person from the Shadow Gate, do you know what the Shadow Gate represents?”

“Within the national border, it represents the supreme authority. If he wants to kill us, it will be easy!”

boom!

These words caused Zhang Chen’s brain to freeze on the spot.

Shadow Gate!

The supreme authority on the border!

What did you just do?

How dare to take the initiative to provoke such a character?

This

Am I crazy about him?

“Don’t hurry up and apologize to Mr.” An Jiejie cursed with a hate for iron.

Zhang Chen hurriedly bowed his head and said: “I’m sorry, I’m sorry, I don’t know, I don’t understand.”

“Please rest assured, I will definitely clean up the follow-up process and compensate them accordingly.”

The corners of Lin Kai’s mouth rose slightly, and a coldness flashed in his eyes.

Then he turned around, walked toward the door, and said in a low voice: “Whoever dares to think a little bit carefully, I know.”

“Next, it’s not as simple as it is now!”

Yinshen followed Lin Kai closely.

Everyone stared at Lin Kai’s leaving back, shuddering in their hearts.

Such a character, who would dare to provoke half a point again, wouldn’t it mean that he wanted to die? !

He Lao and Zhang Chen are extremely grateful that there is still room for recovery, otherwise they will go to the Yellow Spring today.

Chapter 1049: Li Longxian

Chapter 1049

Compared with the joy of the two, more people believe that today’s scenes are a visual feast.

With my own efforts, suppress so many heroes on the scene.

How wonderful it is, how exciting it is.

Although no one knows what Lin Kai’s identity is, what he has seen and heard today is enough to brag about half a year at the wine table.

...

...

Lin Kai drove towards Li's house in a car.

After getting out of the car.

He came to the back garden of Li's house and sat in the pavilion, tasting tea silently.

In the back garden, fascinating and magnificent flowers are planted, which are expensive and full of varieties.

As the wind blew, a fresh floral fragrance came from the breath.

For Yu Linkai, there is no place he likes more in Donghai City of Nuo Da.

Just now.

Li Shengxian ran over in excitement and saw Lin Kai in the pavilion, smiling more openly.

"Brother Lin, my father will be back tomorrow morning. You must get up early."

He sat on the bench and said joyfully: "If I soar into the sky this time and get the attention of my father, I must repay Big Brother Lin for his recent help."

Lin Kai poured a cup of tea on his own, and said, "You should be more careful, none of your brothers are fuel-efficient lamps."

Li Shengxian knows naturally.

These days of open and secret struggles left him physically and mentally weak. If Lin Kai were not around, he would have died long ago.

The luckiest thing is to lose the qualification to compete and become a waste that no one cares about.

He took a deep breath and thought of today's rumors.

Shen said: "Brother Lin, did you know that a legend appeared in Donghai City today?"

Lin Kai was a little surprised, put down the tea cup in his hand, and asked a little interestingly, "What's going on? I haven't heard of it."

He racked his brains to think, but he didn't want to understand, which powerful character appeared in recent days.

When Lin Kai asked this, Li Shengxian opened the conversation and said very excitedly.

“Just today, he single-handedly suppressed the chief coach Ho Lao.”

“Forcing his tens of thousands of disciples and grandchildren to kneel down, you don’t know what kind of scene it was!”

“Tens of thousands of people kneel alone! What a hero this is!”

Li Shengxian spit out the stars flying, his eyes showed worship.

If there is a chance, he must make friends with the other party. Such a character can be regarded as a true man who is indomitable.

After Lin Kai understood, his face was strange, and the tea he had just drunk almost spewed out.

It’s been a long time.

The legend in his mouth is himself?

Seeing Lin Kai’s appearance, Li Shengxian thought he thought he was deliberately bragging and exaggerating.

He hurriedly explained: “Brother Lin, I’m not talking nonsense, there is something really happening, the whole Donghai City is talking about him.”

“Unfortunately, I don’t know his name or where he came from. He appeared out of thin air and disappeared out of thin air.”

In fact, many people went to ask He Lao who the other party was.

But it was all pushed over by He Lao, and no news was revealed.

Therefore, Lin Kai’s identity has become more fascinating, and the more people talk about it, the more powerful it becomes.

“I’ve heard about this thing a little bit.” Lin Kai nodded, pretending to be serious.

Li Shengxian breathed a sigh of relief and said, “From now on, he is my goal, and I have to do like him and beat the crowd!”

Lin Kai smiled slightly and said nothing.

He doesn’t want to explain this matter, so it’s better to be a low-key person.

If you surround yourself with too much halo, the trouble will increase.

...

...

In the office.

Li Haoxian was sitting at the office, wandering around the secretary with his palms, with a smirk at the corner of his mouth.

“hate.”

The secretary pretended to be delicate and screamed.

The whole person threw into Li Haoxian’s arms.

Li Haoxian had a very strong temper, and he held the secretary with one hand, put her on the table, and was about to do something.

The door was suddenly broken open.

Immediately after.

Panting and panicking, Li Longxian ran in from the door.

“What are you doing? Are you crazy, won’t you knock on the door first when you come in?!”

Li Haoxian was angry and pointed at Li Longxian’s nose and yelled.

“There is a major event, about the father’s return tomorrow to offer a gift.” Li Longxian panted, and sat down on the boss chair.

Li Haoxian didn’t even look at him.

Reach out.

“Prickly” sounded.

The secretary’s stockings were torn to pieces.

“Brother, stop playing, it’s really important.” Li Longxian yelled in a hurry.

“If you have something to say, and let it go, with my thirteen brother, can he stand out in the gift tomorrow?”

“Don’t be funny.”

Li Haoxian showed a little bit of disdain.

He couldn’t be more clear about his brother’s ability.

A simple-minded wimp is gone.

But in the next second.

Li Longxian said, “He, he found the Qin Dynasty Yuxi and Choi!”

“And I plan to dedicate it to my father tomorrow. How does my brother feel?”

Li Haoxian’s smile stopped abruptly.

Instead, the color is rich and heavy.

“Is this true? Did he really find He’s Bi?” Li Haoxian took a step forward with cold eyes and asked.

“My brother saw with his own eyes, there was absolutely no fraud.”

Li Longxian swears to heaven.

Hiss.

Li Haoxian immediately took a breath, the previous contempt disappeared, replaced by a solemn color.

Li Longxian absolutely dare not deceive him.

Since he said so, it is 100% true.

“Think of a way to steal He’s Bi, and he definitely can’t let him make a successful gift tomorrow!”

Li Haoxian slapped heavily on the table, his tone beyond doubt.

“I understand, but... I don’t know where He’s Bi is hidden.”

The corners of Li Longxian’s mouth twitched, which is simply nonsense.

Things are in the hands of others and they must be well protected. How can they be easily found by them?

“My words, don’t want to repeat it a second time!”

Li Haoxian’s eyes were gloomy, and his voice was like a winter wind.

Presenting the Qin Dynasty jade seal, it can represent the heaven and the earth, and the meaning is extraordinary.

Even more frightened is the jade seal of Qin Shihuang, the most domineering in history, which is even more remarkable.

By then, his status will definitely plummet, and Li Shengxian will definitely succeed in taking the position.

This is not what he wants to see.

“Okay, brother will do it now.”

Li Longxian was very dissatisfied, but still smiled respectfully.

After all, the future life depends on Li Haoxian, otherwise he would have turned his face long ago.

Finished.

He hurried out of the company and called Li Shengxian.

“Hey, what’s the matter?”

Li Shengxian, sitting in the garden, was surprised when he received the call.

The two of them almost fought today, when the other party called him?

What medicine is sold in this gourd?

Li Longxian chuckled and said, “Brother, I thought about what happened today. I’m a bit sorry for being a brother.”

“After all, we are our biological brothers, and we have our feelings there. We shouldn’t become enemies for profit.”

Chapter 1050: Will Count

Chapter 1050

“In fact, in my brother’s eyes, this is not worth the loss. Brothers’ feelings are more important than anything else.”

Hearing Li Longxian's words, Li Shengxian's heart ran past 10,000 grass and mud horses.

what's the situation?

When I went to Shengding Ancient Tower today, didn't he sneer at me and be busy with each other?

Why is it like a different person?

"What does this mean? Is it possible that he wants to reconcile with me?" Li Shengxian covered the microphone, looked at Lin Kai, and asked.

Lin Kai snorted: "You are really naive. According to my guess, he probably wants to take away your He Choi."

"So pretend to be reconciled, and after I get He's Bi, I'll turn my face with you."

Li Shengxian almost exploded angrily, "Is he so insidious? No, I must kill him!"

With that, he clenched his fists, stood up, and was about to leave.

Lin Kai hurriedly said, "Don't worry, although we don't know whether he meant it is true or not, but we can just use it."

"You promise him first and see what he says next."

Hearing this, Li Shengxian recovered his calm.

Then he smiled and said to the phone, "Brother, I thought about it, you are right."

Li Longxian was overjoyed, he was such a fool, so foolish.

"In that case, my brother must invite you to drink today and apologize to you, so as to turn the fighting into a jade."

Li Shengxian was obviously taken aback, "Now?"

"Just now!" Li Longxian categorically cut the railway.

Li Shengxian glanced at the time, just now at two o'clock in the afternoon, which kind of wine did he drink?

Does anyone have an atmosphere when they drink so early?

The sun is headed.

He turned to look at Lin Kai, wanting to see what Lin Kai had.

Unexpectedly, Lin Kai nodded.

Li Shengxian hurriedly replied: "Yes, but I have to wait for me to clean up."

"That's all right, let's see you later, I will send the address on your mobile phone."

After Li Longxian hung up the phone, he sneered and hurriedly reported the results to Li Haoxian.

After that, I came to the hotel and took the lead in ordering food and wine.

He deliberately mixed the wine and water to make a high-quality wine, all he wanted was to get Li Haoxian drunk.

At that time, it is easy to find He's Bi.

While he was preparing, Lin Kai took Li Shengxian to the antique market, looking for counterfeit He's Bi.

When everything is ready.

Both sides met each other with ghosts.

...

...

Suger Hotel.

370 boxes.

The table is full of fresh and delicious food.

Li Longxian sat in the main seat, looking at the wine in the bottle, a smug smile flashed across his mouth.

Brother Thirteen, Brother Thirteen.

With your innocent head, you can't think of killing you. What am I going to do today?

Tomorrow, I will see how you make a fool of yourself.

It's too late to come at Li's house.

Just as he was thinking, the door of the room suddenly opened.

After seeing Lin Kai and Li Shengxian.

With a smile on Li Longxian's face, he hurriedly stood up to greet him. He didn't know how good the relationship between the three of them was.

It's just that he felt a little unhappy, and Lin Kai actually followed.

This guy has repeatedly ruined my good deeds, and this time he found a chance and must beat him severely.

"Come, come, sit." Li Longxian quickly pulled the chair away and invited the two to take a seat.

Lin Kai and Li Shengxian looked at each other, and both saw the smile in each other's eyes.

"Brother, after you told me your heart-wrenching words today, I also thought about it."

"In fact, I don't want to destroy the harmony between the brothers, fighting openly and secretly. This is not only exhausting, but more importantly, the relationship is also destroyed.

"You have been taking care of your brother for so many years. Today, the main reason is not to chill you."

Li Shengxian sits boldly, the scene is impeccable, no one can fault it.

"No need to say anything. The main fault was me today. I personally offered my brother a glass and apologized to my brother."

Li Longxian stood up, took the first wine, and put it on Li Shengxian's table.

Then he took out ordinary foreign wine and filled himself with it.

"Brother accompany you."

Li Shengxian smiled slightly, then raised his head and drank it all.

Seeing that the other party didn't notice the strangeness, Li Longxian became more and more proud.

Lao Tzu is indeed a genius, and the design of the plan is so seamless that no one can detect it.

Afterwards, he drank the foreign wine and showed a smile: "We will expose the past."

"From now on, if you have any difficulties, I will tell my brother, I will do my best to help you!"

Li Shengxian just felt that his head was about to explode.

Although the wine just now is sweet in the throat, it feels like a breath of air is in it.

After drinking it, his head seemed to be covered with a layer of tulle, half drunk but not drunk.

And the stomach is hot like a fire, which is extremely uncomfortable.

Sitting on the chair, he didn't say a word for a while, just hiccups constantly, and his face became more ruddy.

Lin Kai was surprised when he saw this scene.

What kind of wine is this, so strong?

Can't you eat a cup?

"Brother, I should apologize for what happened yesterday." Li Longxian poured wine as he said, smiling like a flower.

Lin Kai sneered.

Lao Tzu's.

I didn't expect you to be so insidious, get such a strong drink, and come and **** us.

Then let's see tomorrow to see who put the one in.

"Not much to say, it's all in the wine." Lin Kai was too lazy to talk nonsense with the other party, and drank it in one fell swoop.

Then he learned to be Li Shengxian, lying on the table half-drunk.

See this scene.

Li Longxian's face drooped suddenly.

He asked them, "Where is He Choi?"

Li Shengxian was very unconscious at this time, and said directly and honestly: "On Brother Lin, it has always been on him."

Lin Kai lifted his eyelids slightly, pretending to be apathetic: "That's right."

"Hehehe, two idiots."

Li Longxian took a bite proudly, staring at Lin Kai and said: "Your kid is very arrogant today, why isn't it arrogant now?"

"Even if you have great abilities, in front of Grandpa, you are still far away. Tomorrow you two will wait to cry."

As he talked, he searched Lin Kai's body, and within a short while he found Gao Fang's He Choi.

Then he whistled and walked towards the door.

Waited ten minutes.

After confirming that Li Longxian had left, Lin Kai opened his eyes and regained his previous spirit.

Then he set up Ning Tin's drunk Li Shengxian and rushed to his home.

I never thought that as soon as I left the house, I was stopped by a waiter.

After listening carefully, I discovered that Li Longxian ran away without checking out.

If Li Shengxian was still awake, he would surely vomit blood with anger.

He who lied to us didn't say anything, and the money was not settled. It was a deception!

The two quickly returned home and fell asleep.

Early the next morning.

Li Mansion then put on lights and festoons, and there was a deafening sound of firecrackers.

Obviously Li Shengxian's father is back!
