

## Special Forces God Level Extraction System – Chapter 1057 - 1088

### Chapter 1057: Do You Like Finding Death?

Chapter 1057 Do You Like Death?

The sales lady smiled slightly and made a gesture of asking, "Please wait a moment."

Then, very intimately, two comfortable chairs were moved from a distance for Lin Kai and Li Shengxian to sit down.

She handed a tablet to Lin Kai and introduced: "I don't know what your budget, sir, we have a picturesque building. The most valuable thing is the mansion in the front."

"Different from the modern style building, similar to the ancient general and prime minister's mansion, it is also the most prominent place in the whole real estate plan that demonstrates the distinguished status.

She said while observing Lin Kai's expression, as if she wanted to see Lin Kai's intentions clearly.

As long as Lin Kai frowned a little now, she would shut up and introduce it to a cheaper place.

Having been in the sales industry for so many years, whoever is not a human being can basically tell what the other person thinks at a glance.

But Lin Kai casually played with his tail fingers, sitting gracefully, listening quietly without interrupting the slightest.

The sales lady was immediately happy, and it seemed that the other party was not bad at all.

Xindao, it seems that as long as the other party is satisfied, he can finalize it today and get the commission.

Suddenly the introduction was even harder: "This house sits on an area of 600 square meters, with three floors above and below, all built in antiques."

"The current price is 80 million yuan, and it has been refined. Two hundred square meters of underground residence will be given away, and another underground parking space will be given away."

“In two months, the price of this house will rise to 150 million yuan, do you think about it, sir?”

Lin Kai didn't answer the call, instantly zoomed in on the olive map, carefully observed the decoration inside, and then took another look at the surrounding environment and geographic location.

Slightly satisfied.

Li Shengxian sat on the chair and almost fell asleep. Hearing the conversation of the other party, he interrupted and said: “On this set, no introduction is needed. Pay immediately!”

Finished.

With his head tilted, the whole person fell asleep and snored in a loud voice.

The sales lady twitched her face and was a little surprised, but she couldn't say anything. After all, this is a big customer.

When these words came out, they attracted the attention of many people.

The dozens of rich and famous people who almost came to see the house all looked here, but after seeing who said it, they chuckled lightly.

People are drunk, what you can believe?

However, in the next second, Lin Kai handed the tablet to the other party, stretched his waist, put his hands behind his back, and looked inside the building.

The mountains and rivers are indeed beautiful, the environment is also very good, and it is very suitable for living.

Seeing Lin Kai's attitude, the sales lady asked with a little disappointment: “Sir, have you considered it?”

Lin Kai frowned slightly and said, “My brother said just now, didn't you hear?”

“Trouble as soon as possible, Lin still wants to hurry back to sleep.”

He has always been a person with strong self-control, his work and rest are very regular, and he does not want to break his habits because of these little things.

Huh?

When the sales lady heard this, her jaw broke.

Eighty million!

That's 80 million. It's so easy for you to decide? !

"My grass, it's real or fake? Eighty million didn't even look at it, just decided it directly?"

"It's so courageous, which son's brother?"

"Aren't you talking big? Your brother drank too much, but you didn't drink too much..."

There was a lot of discussion in the crowd, and the elegant posture of the rich became extremely ordinary at this moment, which was shocking.

Even if you have money, 80 million is not a small amount. How can you make such a hasty decision?

"Trouble as soon as possible." Lin Kai couldn't help laughing when he saw the sales lady dazedly and reminded.

"Well, I'll call the manager right away." The sales lady hurriedly recovered, nodded frantically, and called the manager.

This house is not for her to make a decision. After all, it is the General Mansion, the most prominent house in the real estate.

I don't know how many high-ranking officials Dagui secretly booked and need to say hello in advance.

"What, someone wants to pay now to buy the General's Mansion? What's the name, and which family member?"

When the manager heard the sales lady's words, he was shocked and hurriedly asked.

"I don't know his origin and identity. I have never seen him in Donghai, but his aura is very strong. He is smaller and stronger than the group who ate with the manager."

"I don't know how to describe it. Generally, I feel like a soldier, but he is more oppressive than a soldier, just like an ancient general."

The sales lady kept talking without surprise.

"Please wait a moment, I'll be there in three minutes."

The manager scratched his head and was very upset. This house has been booked by a local lady, who just flew back from abroad today.

I plan to settle the payment tomorrow and move in.

At the same time, there are two big players competing. It will be very difficult for him to be caught in the middle.

...

...

The sales lady hung up the phone, showing a professional smile, and said: "Please wait a while, sir, someone will take care of it soon."

She was extremely inclined to Lin Kai to buy this suite. The 3% commission was tens of millions!

It is the money she can earn after working for several years, even decades!

"There are ten minutes left, I want to go back to sleep, I hope as soon as possible." Lin Kai raised his hand, looked at the watch, and said expressionlessly.

Lin Kaiyue was like this, and the sales lady became more and more nervous. When getting along, the pressure was too strong.

She couldn't bear it.

Said it was three minutes, three minutes later, I saw a man in a suit with a manager's sign hung on his body and walked in quickly.

The sales lady stood on one side and smiled slightly: "This gentleman wants to buy the general mansion."

"I'm sorry, I'm very sorry, someone has already booked this house..." The manager rubbed his hands nervously and glanced at Lin Kai.

Xindao, he is indeed a good person, and I hope that the other party will not make trouble.

He had already informed the lady on the way to come over now, and he estimated that he would be there soon.

Lin Kai said coldly, "Are you sure, didn't fool me?"

"Sir, you are just joking, how dare I fool you, true is true, false is false."

The manager was taken aback, and quickly explained.

Lin Kai slowly stood up, held Li Shengxian, and walked outside the door.

The sales lady and the manager hurriedly stepped forward to help, and blamed themselves: "I am really incompetent. The other party's status is too noble. I am in a dilemma. Otherwise, I will sell this house to my husband."

Several people just walked to the door.

A woman wearing red high heels, a cheongsam and long golden wavy hair walked forward.

She has a high-profile posture, holding a brand-name bag.

When she heard the manager and Lin Kai several people, she instantly recognized Li Shengxian.

The expression in his eyes suddenly became cold and stern, he stepped forward quickly, and slapped Li Shengxian's face with a slap: "Who am I? It turns out that you are a dog who wants to buy my house!"

"Are you afraid that you forgot to do so, why did you kneel and beg for mercy in front of this girl?"

She sneered again and again, very arrogant.

But his wild face suddenly became fearful.

because.

Lin Kai glanced at her with a murderous intent, and gave her a cold look: "Do you like looking for death?!"

## **Chapter 1058: Arrogant**

Chapter 1058

"What the hell..." The woman whose real name is Dong Shu opened her mouth to curse.

But Lin Kai asked indifferently again: "Do you like finding death?!"

Dong Shu shuddered in fright, and she held the words in her mouth abruptly, not daring to say a word.

Lin Kai was too fierce, and he had a lot of life on his hands.

When it gets cold, there is a breath of blood.

When the manager and the sales lady saw this scene, they were also shocked and at a loss.

This

How can you beat people indiscriminately?

It may not matter if you hit Li Shengxian, at most apologize, but the gentleman next to him...

What the hell...

Are you blind or can't tell, how easy is this guy?

That posture is stronger than your father, I don't know how much, do you dare to provoke him?

Dong Shu.

The daughter of a third-tier family in Donghai City, with assets worth about 300 million yuan, and her network of connections is mixed.

Speaking of the identity may be ordinary in Donghai City, but it is not a vulgar thing, the reason for its reputation.

It is because of Dong Shu's father.

Dong Shu's father's name is Dong Chen, and he is 40 years old. He is a good crossman. To describe it in the past, he is straw sandals.

Straw sandals are called straw sandals, which are good for people, making friends all over the world and walking in many places.

It can be said that no matter how many families are in Donghai City, they have something to do with Dong Chen. This is the terrible thing about each other.

It is one of the famous figures in Donghai City, and it is definitely not easy to provoke.

There is only one girl under his name, that is Dong Shu, who is very much loved at home and often attends various activities behind his father.

Therefore, the reputation is extremely high, and there are few who don't know Dong Shu.

But also because of Dong Chen's doting, Dong Shu's character is extremely arrogant and domineering, she has to get what she likes anyway, even if it is murder and arson!

Also because of Dong Chen's relationship, some big people love him, and even if there is a conflict, they will give way.

After calming down for a while, Dong Shu returned to her original aura, holding her head up high.

With constant sneers in my heart, how could I be afraid of an unknown person?

The yellow-haired boy who didn't know where he came from, dared to be so mad about himself.

However, the purpose of her coming today is not to quarrel or fight fiercely, but to give the person who robbed her house a harsh lesson.

"Go away, this is my business with Li Shengxian, don't interfere!"

Dong Shu's tone was like an order, while Lin Kai was her subordinate, without any politeness or respect.

No matter how strong the opponent's aura is, as far as she is concerned, that is, the grasshopper that does not know where it comes from, does not need to pay too much attention to it, and is too lazy to care about reptiles.

Lin Kai smiled slightly, and happened to take advantage of this opportunity to train Li Shengxian.

Then he stepped back by half a minute.

At this time, Li Shengxian recovered a little soberness. After all, he was pumped so hard that even a pig should wake up.

"It's you!"

The moment he saw the other party clearly, he recognized the other party's identity.

"Bullies are addicted to bullying? If my brother hadn't supported you in the first place, would you or him count as something?"

It turns out that Li Haoxian and Dong Shu secretly joined forces to insult Li Shengxian.

He leisurely remembered how miserable he was at the beginning. Originally, Li Haoxian just wanted to teach him a lesson, nothing more.

I didn't know that this person took advantage of his brother's strength to beat himself up, and asked him to kneel down and lick shoes for this bitch.

Li Shengxian refused, and was tortured alive.

In the end, he apologized and knelt down to beg for mercy.

Because he couldn't bear the pain.

Reluctant decision.

"If it weren't for this girl to show mercy and let you go alive, you would have died long ago, so there is no right to say five and six in front of me!"

"However, you seem to be very arrogant these days? Even dare to \*\*\*\* this girl's house? Are you tired of life?!"

Dong Shu embraced her arms and shouted leisurely.

"I remember when I knelt down at the time, you were wearing a skirt with underwear...none?"

With a sneer from the corner of Li Shengxian's mouth, he moved forward, his eyes glowing fiercely, staring at her.

Dozens of onlookers were surprised and shocked.

Huh?

The daughter of dignified Dong Chen, the most famous daughter of straw sandals in Donghai City, doesn't even wear underwear?

Are they still seen completely by others?

This Nima...

There was a hint of panic in Dong Shu's expression, "You don't spit people here!"

"Is it right? Some people know it in their hearts."

"I said you made me so miserable at the beginning. Why didn't my brother bother you? It turns out that you were \*\*\*\* by my elder brother. It is said that you are still lying on the ground like a pug?"

Li Shengxian won the power and did not forgive others, pressing on every step, and he did not hide his shame from the past.

Instead, speak out openly.

If he didn't drink alcohol today, the chances of him doing this are unlikely.

Even if he changed to the former Li Shengxian, he would not dare to say that even after drinking.

But today is different from the past, and today is not what it used to be.

He remembered that he was cultivated by Lin Kai!

"Oh my God, this is too messy, isn't it? I usually stand up high, but I didn't expect to be such a person behind my back..."

"You look so good, why are you so waves? If you like Xiaoni, I can upset you tonight!"

The foul language of the crowd swept across the sky.

Dong Shu sneered, "What? Are you trying to taste the power of my Dong family?"

This statement came out.

The foul language that was unbearable to the ears suddenly stopped.

No matter how slutty Dong Shu she is, it is not their group of people who can think and humiliate wildly.

After all, the Dong Familys abilities are among the best in Donghai City, and killing them is easy!

Now Li Shengxian will be rectified very miserably, after all, he is just the youngest son in the Li family.

Li Haoxian still has a leg with Dong Shu, and no one will stand up for him.

"Fun dog, I order you to kneel down on my knees right away!" Dong Shu pointed to Li Shengxian's nose and said angrily: "You are so bold now that you dare to humiliate me. I must kill you alive today!"

"Don't take a pee and look at yourself, what is it that deserves to be rampant in front of me?!"

Li Shengxian pretended to smirk and raised his eyebrows: "Okay? But you have to wait for me to take out the phone and take a picture of the scenery under your cheongsam."

"Could it be that Miss Dong didn't wear it today...hehe?"

Dong Shu's face turned red, because she really didn't!

"You dog, dare to slander me, I will blow your dog's mouth!"

Dong Shu hurried forward, raising her hand and smashing it towards Li Shengxian's face.

But at this moment.

Lin Kai stretched out his five fingers, grabbed her arm in an instant, and pulled her backhand to grab her hair.

Then pull down, elbow on one knee.

Bang bang bang—

Dong Shu looked at Venus and was beaten.

When everyone saw this scene, they were frightened and their hearts beat faster.

This

How dare to shoot Dong Shu so cruelly? Tired of life? !

Is he crazy?

## **Chapter 1059: Good Weather For Killing**

Chapter 1059

"Cough cough cough."

Dong Shu's voice was low, and she opened her mouth to spit out a big mouthful of blood, as if she was coughing up from her lungs.

Lin Kai's shot was neither light nor heavy, and there was no need to care about it.

"You slap my brother, I teach you that it is better to die than to live, and to live in pain!"

boom!

He flipped over with one hand, and Dong Shu's body rotated 360 degrees.

Immediately after.

He stepped out neatly, and Dong Shu hit the ground straight, becoming a stepping stone for Lin Kai's feet.

He had already planned to leave, and he didn't want the house.

No matter what I thought, the other party used this to attack his brother in public, not mentioning the previous entanglement, just talk about today.

She Dong Shu takes herself too seriously!

I don't know the so-called, mad and complacent!

"You, do you dare to hit me?!" Dong Shu stared at the condescending Lin Kai, angrily.

"You are the king of Yan, or the king of heaven, you can beat Li Shengxian, but I can't move you half?!"

Lin Kai chuckled lightly, exerting slight pressure on the soles of his feet.

Suddenly, Dong Shu's facial features became distorted with pain, and she screamed hoarsely: "I am Dong Chen's daughter. I will not finish this matter with you today. I definitely want you to go around without eating!"

Lin Kai narrowed his eyes, feeling boring, and said: "Go back and inform your old dog, buy the General's Mansion, and personally deliver it to me, and then give my brother 100 million in compensation."

"Otherwise, if I killed your Dong family, there would be no way to heaven and no way to enter the earth!"

Then, without stopping at all, he led Li Shengxian towards the home.

Everyone hasn't recovered, they are still in shock.

"My grass!"

"Who is this person? He dares to be so overbearing and order the Dong family, who is the Dong family? He dares to target it like this?"

"This Nima is too scary, I really haven't seen anyone dare to fight the Dong family!"

What Lin Kai did today has shattered and rebuilt their worldview time and time again.

This person's words and deeds are too terrifying!

"Wait for this girl, I must ask you to die!"

Dong Shu, who was wearing a gorgeous cheongsam before, now looks extremely embarrassed, staggered into the sports car, stepped on the accelerator to the end, and left.

This farce did not end there, but just started.

...

...

Dong Shu returned home, sat on the dressing table, looked at the bruises on her face, her teeth itchy with hatred.

She swears that no matter what the price is, she must make Lin Kai regret not the original, and that \*\*\*\* Li Shengxian will also retaliate thoroughly.

"Shushu, look at what gift I brought you here."

A gentle voice came from the door, only to see a young man dressed in expensive casual clothes and a Rolex green water ghost on his hand.

Holding a gift box in his hand, the packaging is extremely delicate, it seems to be a gift carefully prepared for the other party.

This person's name is Xu Guang, he is the heir of the second-line Xu family in Donghai City, worth about one billion yuan, and is extremely closely related to the local gray forces.

Secretly do some smuggling, illegal business.

On the bright side of the Donghai market, they are just entrepreneurs, but everyone knows what they are doing secretly.

Even Dong Shu's father treats Xu Guang respectfully. Such a vicious gangster must not provoke half a point.

Even Dong Chen brought the two together and became a couple, already planning to make a marriage.

"You just came here. People are going to die today. I was beaten and almost disfigured. People don't want to live anymore."

Dong Shu, who didn't feel aggrieved, couldn't hold back her emotions after seeing Xu Guang. She lay on his shoulders and started crying loudly.

Xu Guang hugged her, hands down very dishonestly, and immediately felt the real touch.

He likes such a woman. She is pretentious, can pretend, talk a lot, and play with a lot of tricks, which makes people very comfortable.

Suppressed by the strength of his family, this woman definitely didn't dare to mess around.

"People are wronged to death, you still think about those things." Dong Shu said weepingly, and moved her body forward.

"Leave this to me, do you know the name? Is there a phone call?" Xu Guang pushed her against the wall all at once, tearing her clothes violently...

Dong Shu cooperated, grievingly said: "I don't know what it is called, but I can contact him when I contact Li Shengxian."

"No problem, let it be a waste, see how I trample him to death today!"

While Xu Guang was busy, he took out his cell phone to make a call and notify his friends.

I didn't mind what I was doing, and I was not afraid of others hearing it.

After a while, Dong Shu's nature was exposed, and she became wild and bold.

In just such a short time, Xu Guang made more than 30 phone calls, and none of the people he contacted was a layman, all heirs of large enterprises in Donghai City.

With such ability, one can imagine how much energy this person has mastered.

Moreover, looking at this battle, Lin must be driven to death!

Soon some dark clouds and rain ended.

The two sat on the sofa sweating profusely.

"In this one-third of acre, I haven't seen anyone yet, dare to break ground on Tai Sui's head, even my Xu Guang woman dare to touch it!"

"Is he tired of living?!"

Xu Guang gritted his teeth and looked fierce, so funny, I don't know who Dong Shu is?

What a daring thing!

"Now call Li Shengxian and let me meet that dog stuff." He snorted coldly.

"People like you like this, very masculine, I love you to death." Dong Shu stepped forward and kissed him and took out his mobile phone to make a call.

...

...

Li Shengxian and Lin Kai, who are far away at home, are sitting on the sofa, preparing to eat something.

Suddenly the phone rang suddenly.

Seeing Li Shengxian eating happily, Lin Kai took the initiative to answer the phone:

"Hello, who?"

"My Dong Shu man, ask the dog that moved my woman today to answer the phone!"

Xu Guang's unceremonious humiliation said, anyway, he is also a small person, no need to be half polite, what should be courtesy and then soldiers, all lead to the back!

"I am, since you want to solve it, let's talk about the gameplay, and Lin will stay with him to the end."

Lin Kai's complexion was cold, his eyelids drooped, and he was not afraid.

"play?"

"Are you playing with me? Are you worthy of him?!"

"Okay, I'll wait for you at Junhao Hotel and be there within half an hour, otherwise I will kill your house and hack your whole family to death in front of you!"

Xu Guang smiled fiercely, with a playful attitude.

"almost there."

Lin Kai hung up the phone, shook his cuffs, turned to the clothes hanger, put on a black windbreaker, and held a long black umbrella.

it's raining outside.

Thunder broke out, and the rain hit the ground like crazy.

The air became humid.

As soon as Lin Kai walked to the door, Li Shengxian asked, "Didn't you call me? What's the matter, Brother Ye?"

"I'm so sorry to you, I caused you trouble again."

He is not a fool, and he can naturally guess what happened. 80% of Dong Shu's \*\*\*\* is causing trouble.

"It's okay. They are mainly looking for me. I will take care of this. You continue to eat and sleep."

Words fall.

He opened the umbrella and strode out, instantly engulfed by night and rain.

## **Chapter 1060: Go To The Meeting Alone**

Chapter 1060

The torrential rain outside the door engulfed the noise of the entire city.

Lin Kai walked in the rain and hurried to Junhao Hotel.

Although, he didn't know what kind of identity the other party was, and how much authority he held.

But Lin Kai was not afraid.

...

...

Junhao Hotel is a symbol of honor in Donghai City.

Those who can come here to consume and live are either rich or expensive.

This hotel in Donghai City ranks among the top three in terms of consumption. If you go in for a meal, you won't be able to get it without 50,000 or 60,000.

At this moment.

Inside Junhao Hotel.

The hall, which is usually overcrowded, is sparsely sparse at this time, with almost no people in sight.

This is extremely abnormal.

Xu Guang sat at the dining table in the middle of the hall, with a cigarette in his mouth and a playful smile on his face.

“Boy, I hope you don’t let me down, don’t plant it!”

In order to welcome Lin Kai, Xu Guang spent 5 million to cover the entire hotel.

When he is doing things, he least likes to be disturbed and prefers to be quiet. That’s why he took such a move.

To him, five million is just a drizzle, and it’s nothing.

Behind him, stood two rows of young people, glanced at them, they looked like a dozen or twenty people.

None of this group of people is a simple role, they are all wealthy family heirs.

Among them is a young man, the most outstanding, standing in the crowd like a crowd.

He is extremely vigorous and does not look fierce, but he has a strong aura.

Especially a pair of his eyes, exuding a sharp cold light.

This person is Xu Guang’s cousin, Xu Zhe, who urinates in society and fights with others.

The way his father cultivated him was completely turning him into a wild wolf, so this person was extremely powerful.

Fighting ability is the most powerful in this group.

“Xu Zhe, don’t do it until there is no order from me.”

“It’s been a long time in Donghai that no one dared to provoke me like this. It happened to let me stretch my bones and play with him alive.”

Xu Guang shook his neck and suddenly made a crackling sound of bones.

In recent years, the Xu family has become famous, and many families have chosen to avoid the three-pointer and treat them with courtesy, so that he can’t find any problems.

After so many days without hands, his bones are almost rusty.

Finally came across a reptile who took the initiative to hunt for death, and he couldn't be killed easily anyway.

The most enjoyable way is to play around first, and then slowly die.

Just now.

The hotel door suddenly opened.

Lin Kai, who was in a black trench coat, shook his umbrella, and walked quickly towards Xu Guang's location.

After seeing the comer.

There was a sneer at the corner of Xu Guang's mouth, and he hurriedly got up and ran towards Lin Kai.

He opened his arms and wanted to give Lin Kai a hug to show his enthusiasm.

He laughed and said, "Look, I'll just say that this kid has a seed, he won't let us down, he really came to die!"

With that, he was getting closer and closer to Lin Kai, just when he was about to hug.

Lin Kaimo shifted his footsteps, then put one hand in his pocket, "Who do you represent?"

Xu Guang's open arm's hand suddenly stiffened in mid-air, his expression a little ugly.

The other party dared to not give him face so much, is it his death?

However, after a brief thought, he smiled, put the matter behind, and clapped in the air.

"Boy, I really admire you now, not only dare to go to the meeting alone, but also dare to reject me."

Xu Guang walked to the table and tapped the table while talking.

Lin Kai was expressionless, pulled the chair away and sat on it.

Crossed his hands on his chest, looking at him with a cold expression: "If you have something to say quickly, if you have a fart, let go, Lin has never been patient."

In fact, he was not here alone, and the hidden \*\*\*\* was still secretly protecting him.

So no matter where he went, he didn't have the slightest fear.

Even more afraid of these shrimp soldiers and crabs?

"Do you know why I called you? Do you know that the woman you beat today is my Xu Guang's woman?!"

Xu Guang lifted Erlang's legs and put them directly on the table, looking arrogant.

It's as if where he put Xu Guang's name, even the king of heaven could not move.

It's so rampant, it's so domineering.

Lin Kai nodded slightly, and finally understood the cause and effect, although the other party had already said it on the phone.

But he really didn't know who Dong Shu was.

After all, he really wanted to pay attention to what the other party was called.

"Now I'll give you two options, the first to break a leg, and be a dog for my woman for a year."

"Secondly, I will interrupt your limbs now and throw your reptile under the Dongjiang Bridge to feed the fish."

"Xu has limited patience. You only have three minutes to make a decision. If it is out of date, I will send you directly to the king!"

Xu Guang drank a sip of wine leisurely, pursed his lips, and smiled sharply.

He believed that Lin Kai would definitely choose the first plan, after all, the person who knew the current affairs was Junjie.

Since he was not qualified to fight the Xu family, he said unceremoniously that he would not be able to see the sun tomorrow as long as he gave an order.

"I'm pooh, you don't even look at his bird, you are not qualified to be a dog for your sister-in-law, poor toad!"

"Come on, don't you hurry down on your knees and give Xu Ge a kowtow thanks to Dade?"

"Tsk tusk, stray dogs also have spring? It's a blessing to be able to be a dog for my sister-in-law, which can't be repaired in eight lifetimes."

“This kid probably saved the world in his last life?”

The irony of teasing and sneer was unnoticeable, and the whole room was extremely harsh.

But Lin Kai remained silent.

Suddenly, he raised his head and asked indifferently: “I’m very curious, so don’t ask, why did I move her?”

Hearing the sound, Xu Guang laughed up to the sky, tears of laughter almost streaming out.

He almost felt that he had misheard his ears. Such a stupid and idiotic question, could this kid ask?

Really mentally retarded!

“I tell you, with her identity, don’t say beat you, humiliate you, even if you kill you, you shouldn’t resist half a point!”

“Nothing else, just because she is my Xu Guang’s woman!”

Xu Guang grabbed the glass and slammed it on the table, making a violent noise.

Hear the sound.

Lin Kai stood up slowly, arranging his cuffs very gracefully, and nodding: “I understand.”

After that, stepping forward, walked towards Xu Guang.

His cousin Xu Zhe took a step forward, trying to prevent Lin Kai from approaching.

“Now that you understand, then quickly kneel down, learn two dog barks, and listen to me...”

Xu Guang was chattering, laughing and laughing.

suddenly.

Lin Kai appeared in front of him like an autumn breeze.

Between sparkling flints.

The five fingers came out to contain Xu Guang’s neck in an instant, and then he lifted it up high.

“Are you crazy?! Still tired of life?!”

The young people around, seeing Lin Kai’s bold and reckless action, shouted harshly.

## Chapter 1061: Let Him Roll Over

Chapter 1061 Let Him Roll Over

Xu Zhe was a little surprised. He didn’t expect Lin Kai to move so fast when he killed him.

He actually caught his cousin directly under his nose.

This is an incredible thing for him.

Xu Zhe recovered and hurriedly took a step forward, his tone was not half polite: “Boy, I asked you to put him down, did you hear?!”

Xu Guang smiled slightly and waved his hand, pretending to be relaxed: “Don’t be nervous, everyone, I believe he is a smart man.”

“I will definitely make the most correct choice, you say, am I right, crawler, uh...”

Before he could finish his words, Lin Kai’s palm slammed hard.

A sense of suffocation suddenly hit.

gradually.

Xu Guang’s face turned red, as if he was about to suffocate. He opened his mouth to say something, but found that he could not speak at all.

“Dog things, you don’t know good or bad!”

“Brother Xu Zhe, hurry up and beat this kid to death.”

In their hearts, they have a deep trust in Xu Zhe’s strength.

As long as Xu Zhe takes the shot, Lin Kai can be subdued in minutes, without any effort.

After all, Lin Kai looked too thin and thin to compare with Xu Zhe.

“Since you are toasting and not eating fine wine, I will send you on the road!”

Xu Zhe’s facial features suddenly became extremely fierce, and his huge fists suddenly came out.

The moment he punched, the air was shaking violently, making a humming sound.

One by one, the green tendons burst out, and the whole arm looks like steel.

“If you don’t want to die, just retreat!”

Lin Kai glanced at him coldly and said in a low voice.

“Hehe, I can’t see the coffin and cry, why don’t you pretend now? Are you scared?”

“This kid will be beaten up later, he kneels and begs for mercy, I dare to bet you, just keep your eyes open.”

Everyone sneered again and again, folded their hands on their chests, waiting to see the jokes.

“As long as my punch hits your head, it will definitely kill you on the spot!”

Xu Zhe thought that Lin Kai was bluffing and let out a grin, and the strength of his fists increased again.

boom!

Lin Kai suddenly twisted his body, and slammed his left fist out.

Big fist vs. small fist, black fist vs. white fist.

Collide together in an instant.

Xu Zhe suddenly retreated three steps, vomiting a mouthful of blood.

Click and click

The bones of his right arm were broken every inch and there was a trembling crackling noise.

Boom!

This scene was like five thunders, everyone was shocked and their jaw dropped.

“No, this is impossible!”

Xu Zhe was panting hard, feeling the tearing pain from his right arm, still unable to accept this fact.

After so many years of painstaking practice, he couldn't even beat the opponent's punch?

With this punch, his right arm burst directly?

"Hiss."

The people around them kept sucking in shock and trembling, their eyes burst, and a strong color of fear flashed in their eyes.

What the hell...

How powerful is it to beat people like this? Isn't it too shocking?

Terrible!

In Lin Kai's hands, Xu Guang was like a little chicken, without the ability to resist.

He almost suffocated now.

I didn't see what happened here. I just thought about how to find the vitality and broke free of Lin Kai's pliers-like hand.

"boom!"

Lin Kai flicked it casually and threw Xu Guang at his feet.

Then stepped on with one foot, sat on the chair, picked up the chopsticks and started eating.

"Huhuhuhu."

To regain the right to breathe, Xu Guang felt a kind of fortunate after the disaster.

Everyone trembled, and they dared not look at Lin Kai. This grandfather was too vigorous.

From entering to the present, it was only a few words or two, which directly made the scene look like it is now.

Looking at the entire Donghai City, Lin Kai is the only one!

"Thank the waiter, give me the bottle of Erguotou. These are too soft and do not meet my taste."

Lin Kai smiled slightly, and directed at the waiter who was standing far away, already scared, snapped his fingers and ordered.

“This...this Nima?!”

Everyone’s cheeks are jumping wildly, you don’t seem to know who you have offended?

That’s the Dong family, that’s the Xu family!

Both of them are offended by you. Now you are not in a hurry to run away. Instead, you are sitting here, drinking and eating leisurely?

What courage?

Or are you really not afraid of death?

“Boy, I order you to let me go immediately, otherwise I will tell you that you can’t eat it!”

“Do you know the Dong family? Donghai Dong family! If you have heard of it, you should know that it is easy to kill your trash!”

Xu Guang, who was lying under Lin Kai’s feet, returned to normal at this time and threatened Lin Kai loudly.

“Oh.”

“If you don’t say, I forgot, there are still two people who haven’t come over.”

“Since it’s all here, then the new hatred and the old hatred should be provoked in one shot and calculated together.”

Lin Kai lowered his head and said to Xu Guang with a smile.

Xu Guang was dumbfounded.

What, what do you mean?

It doesn’t count if he hit me, and he plans to clean up the Shi Dong family?

This Nima...

Lin Kai’s behavior has broken everyone’s expectations time and time again, making everyone feel incredible!

Obviously, in everyone’s expectation, Lin Kai should have fled away.

Where can I say that the other party not only does not run away, but also retreats to advance, and must actively attack the Dong family.

Everyone: "..."

"Hidden God."

"Please ask that Miss Dong over, please be polite."

"And by the way, let her father know and let him roll over to see me."

Lin Kai ate the lobster while giving orders, looking extremely casual.

Xu Guang looked at Lin Kai inexplicably, and said, "You kid won't get lost, are you crazy? Who are you talking to?"

Everyone felt that Lin Kai had a problem with his mind.

Who is the hidden god?

where?

They looked around, but they didn't see anyone else except the waiter.

Just when they were uncertain.

A voice suddenly came out in the air: "Yes, sir."

Then, there was no sound anymore, it seemed that someone had gone away.

Xu Guang swallowed his saliva with difficulty, becoming more nervous and his mind becoming more confused.

"You hurry up and let me go, otherwise, the Dong family will come and they will definitely not spare you lightly. As long as you let me go now, I can still give you a way out."

He roared hoarse.

Lin Kai frowned slightly, surprised, and said, "Didn't I already ask someone to invite them?"

Xu Guang realized that the matter was serious!

Yes!

He has already invited the Patriarch of the Dong family, what is he still talking about here?

But these are not important.

The important thing is why this person has the courage to attack the Dong family alone.

he

Who is he and what status?

Hiss.

Xu Guang took a deep breath and fell into deep thought.

But things seemed to be in a deadlock, unless Dong Chen, the head of the Dong family, came to break it.

## **Chapter 1062: Me Lin Kai**

Chapter 1062 Me, Lin Kai!

The atmosphere on site became extremely solemn.

Everyone carefully controlled the breathing, not letting themselves out.

For fear of disturbing Lin Kai, for fear that he would notice himself.

They finally came to understand that the young man in front of him was definitely not a person waiting to be idle.

At least before Dong Chen came, there would be no conflict with Lin Kai.

They plan to look at the situation before making a decision.

Time slowly passed.

About twenty minutes.

Yinshen carried a woman with one hand and walked over from the door. During the whole process, his face was blank and his expression was extremely serious.

It makes people feel like a robot.

Dong Shu, who was caught by the hidden god, was struggling frantically, with a trace of hideousness in the corner of her mouth, but after seeing who was inside.

Dong Shu gradually recovered her calm.

Yinshen threw her to the ground without any mercy.

Dong Shu was smashed so hard that she hurriedly stood up, staring at Lin Kai coldly, and said, "Who am I? It turns out that you are a blind bastard."

"This girl advises you, still think about how to exchange for my forgiveness, otherwise, this girl will definitely want you to die. If you don't believe it, let's just wait and see!"

She had already called her father before she came, and the other party must know her location and location.

As long as her father comes over, everything will be pushed horizontally.

All forests will become dross.

Kneeling to beg for mercy!

Lin Kai poured a cup of tea in a hurry, blew a mouthful of heat, and smiled slightly: "Miss Dong, Lin has a question, I want to ask you."

"Cut." Dong Shu raised her brows and sneered extremely contemptuously, and said: "What's the matter? Are you subdued now?"

"As for me, there is nothing wrong with me, but my heart is too soft."

"As long as you are like a dog, crawling over and licking my shoes, I will forgive you once."

In fact, when she observed Lin Kaijian's eyebrows and stars, she looked very beautiful, especially his face was as sharp as a knife, full of masculinity.

I want to taste it instead of the dark clouds and rain.

If it tastes good, keep it as a male dog and play around when it's okay.

otherwise.

How could she be a feminine woman like her, and her voice is so charming and charming?

Lin Kai was still calm and gentle, with a gentle smile, looking very gentle and gentle.

Xu Guang lay under his feet and gritted his teeth while seeing Lin Kai's appearance.

He is a gentle thug!

He really couldn't think of other adjectives to describe Lin Kai.

This guy was just so fierce, but he has always maintained extremely elegant.

I don't know if I really thought that he was a very gentleman, but he was actually a violent thug.

"Lin wants to ask, where is the real estate certificate of the General Pavilion? Where is my brother's compensation?"

Lin Kai crossed his hands and stood on the table, as if his sister had heard what Dong Shu had just said.

Hear the sound.

Dong Shu's face changed immediately: "What a fool, haven't you figured out the situation until now?"

"Don't go out to inquire, Dong Chen, the girl's father, what status and status does this girl represent in Donghai City!"

"Is it you or him, can the yellow-haired boy provoke it?!"

Dong Shu was so angry, what did he do.

What kind of wild cats and wild dogs threatened to come to their Dong family?

It's really ridiculous.

"Smelly mouth." Lin Kai raised his index finger and shook it: "Lin Mou hates the most stinky dog thing in his life!"

"You are so brave, you dare to scold..."

Dong Shu opened her mouth to break the curse.

The hidden god, who had been silent, suddenly took a step, using both hands together, and gusts of wind roared away.

Bang bang bang

In an instant of effort, the momentum was heavy, and the slap in the face was clear and audible, resounding throughout the hall.

When Dong Shu was beaten, blood was vomited, her cheeks swelled, and she kept coughing up blood downward.

The braids that she had tied behind her head fell apart at this moment, making her whole person look extremely embarrassed.

“In my opinion, what Ms. Dong said is that there is no real estate certificate and compensation?”

Lin started to pick up the teacup and tasted it slowly.

When putting down the teacup, he raised his eyebrows and commented briefly: “Yes, the taste is sweet, without the slightest bitterness, the taste is good, it is a good tea.”

Dong Shu lowered her head without saying a word. Now she was almost dying of pain. She didn't want to do anything except biting her teeth to endure the pain.

As long as he delays time until his father comes, Lin Kai will die without a place to bury him!

Hey, boy, I see you this time, it's hard to escape with wings.

Really mentally handicapped, I haven't noticed until now, something is wrong?

But this is just what I want.

Lin Kai stood up in a chatty manner, stretched out a hand, and carefully observed the painting hanging on the wall.

Xu Guang was able to breathe, and hurriedly stood up, no longer lying on the ground.

But at this moment.

Ta Ta Ta-

A rush of footsteps came from a distance.

Turned his head and looked.

A young man dressed in dark green is like a sharp blade, full of fierce aura.

There were about two dozen of them, but they formed a row, capable and tidy, with an orderly pace.

The body was full of gunpowder smoke, killing, violent, a humanoid killing machine.

The head is a middle-aged man, his body is relatively bloated, but in every move, full of strong sense of oppression.

This person is not bystander, but the head of the Dong family, Dong Chen.

“Which one is not eye-opening bastard, who touched my Dong Chen’s daughter, stand up immediately!”

Dong Chen’s voice is not loud, but it is full of penetrating power, and his voice can be heard throughout the hall.

Hear the words.

Lin Kai, with his hands on his back, slowly turned and looked at Dong Chen.

At this time, Lin Kai regained his previous indifferent aura. After losing his hands, his aura was extremely strong.

It’s as if there are thousands of troops and horses, soldiers approaching the city, all-powerful!

hiss.

For a moment instead of looking at each other, Dong Chen couldn’t help but sucked in a cold breath, shocked in his heart.

This aura.

It was crushed, crushing him, a little unbearable?

Who is he... on earth?

Dong Chen, who was planning to push everything, suddenly felt wrong. This person shouldn’t be offended easily, and it is the best choice to turn fighting into jade.

After all, his eyes never go wrong when he looks at people, and this young man is definitely not bad.

“Father, take a look, I was beaten by this dog, and beaten like this, you must take revenge for your daughter!”

Dong Shu cried and ran to Dong Chen, complaining very aggrieved about Lin Kai’s evil deeds.

Dong Chen pushed her away, quickly came to Lin Kai, smiled and said, “I don’t know how to call Mr.?”

“Lin, Lin Kai.”

Lin Kai gave a brief introduction, then sat in a chair and continued to eat the meal he hadn't finished.

He ignored Dong Chen for a while.

## Chapter 1063: Unparalleled In The World

Chapter 1063

Lin Kai eats deliciously, full of sweetness.

Dong Chen stood still, very angry, and wanted to swear.

But in the end he still didn't speak.

After all, he really can't figure out the identity of the other party now.

The more Lin Kai was like this, the more doubtful he was.

Who is the person who mixes in the arena?

Especially the old world like Dong Chen will not make mistakes easily.

“Ahem.”

After he cleared his throat, he squinted and smiled: “Hello, Mr. Lin, this is Dong Chen, Dong Shu's father.”

“The main purpose of this visit is to resolve this conflict. If you do not speak, it is difficult for me to do it.”

Lin Kai's drooping eyelids lifted slightly and glanced at Dong Chen carelessly.

Yinshen hurriedly stepped up and said, “Please don't talk. My husband hates being disturbed by others when eating.”

“What's the matter, you will talk about it when my husband finishes his meal.”

Dong Chen's cheeks jumped wildly, his teeth almost broken.

An elder of him, such words are already polite to Lin Kai, which can be said to be enough for the face.

In the end, the other party actually gave him such a sentence.

What are you going to talk about after he finishes eating?

This yellow-haired kid from Nima is so handsome that he doesn't even bother me?

He is so tired of life!

He took a deep breath, not letting himself fall into impulse.

This kind of old rivers and lakes almost couldn't hold back their emotions in front of Lin Kai. One can imagine how humiliating his behavior is.

But in the eyes of Yinshen, this has already given the other side a big face.

To put it bluntly, Lin Kai only needed a word before he could kill the other party instantly.

When you go to catch Dong Shu, you can also kill all of his people.

Dong Chen's behavior, in his eyes, is ignorant!

"Which, I'm very busy, can Mr. Lin tell me the specific process of the matter?"

Dong Chen really couldn't hold back his temper, and hurriedly stepped forward and asked.

Lin Kai raised his palm, took out the handkerchief, stroked his mouth every inch, finally set his eyes on Dong Chen.

He looked coldly and said: "You shouldn't ask me about this, and I don't bother to explain it to you."

I don't want to explain.

Ask your daughter if you want to.

That's it.

Dong Chen patted his head, pretending to be suddenly enlightened, and whispered: "My brain, why have I forgotten this?"

Immediately, taking small steps, quickly came to Dong Shu's side and asked the cause and effect.

Dong Shu didn't tell a lie, she told the truth completely.

Hear the last.

A cruel smile flashed at the corner of Dong Chen's mouth, meaning that his daughter suffered such a heavy revenge after slapped that cheap dog from the Li family?

His daughter, hitting Li's thirteenth youngster, he has to bear it, shouldn't be so rampant!

He even rushed to his house, forcibly arrested his daughter, and called him to inform him to come and pick up his daughter.

This

Is there anyone more crazy than him in the world?

Dong Chen quickly walked towards Lin Kai, this time he planned to fight it out, no matter what the identity of the other party was.

Can't suppress his Dong family to such a degree.

And he has nothing to be afraid of, after all, behind him is the number twenty man.

So many people, killing a Lin Kai, wouldn't it be a sledgehammer?

"I have understood the matter. Now I need your Excellency to give me an explanation and compensation."

"Otherwise, I will definitely let you eat it today."

"As long as you are obedient, I can be your friend."

He said as he sat down in the chair.

Lin Kai smiled slightly, raised his hand, and said, "So even if your daughter is at fault first, are you planning to cover it to the end?"

"So even if you take the initiative to trouble me and want to choke me to death here, you still need Lin to not fight back?"

Dong Chen's smile was sweeter than Lin Kai's: "Yes, your kid is really smart, you can do it at all. I like dealing with smart people like you."

Just when he was about to sit on the bench.

"Who gave you the courage to sit with me?!"

Lin Kai slapped his chopsticks heavily on the table.

In an instant.

The table was torn apart, sawdust flew across, and the sound of cracking was endless.

Dong Chen instantly stiffened in place, his eyelids jumped wildly, and an old face turned red.

No matter how good he is, he can't hold back at this moment.

After all, the other party repeatedly and repeatedly did not give him face, and even humiliated him in public!

“Father, you talk nonsense with him, just ask someone to kill him, just a nameless person, don't worry.”

Standing in the distance, Dong Shu shouted towards this side, very proud.

Dog stuff, I see how crazy you are this time.

Codes.

More than twenty people, can't you kill you alone?

This girl doesn't believe in this evil!

“Everyone, kill!” Dong Chen gritted his teeth and gave orders without hesitation.

boom!

More than 20 people were acting fiercely at this moment, and they charged towards Lin Kai with killing intent.

Their fists are like steel, full of explosive power.

If this punch is smashed, not to mention it is a human being, even if it is steel and iron, a dent will appear.

It's so scary!

The atmosphere on the scene was full of murder in an instant.

Lin Kai sat motionless in the same place, letting the roaring cold wind blow his bangs.

Show his sword eyebrows and stars!

“Hahaha, isn't your kid arrogant? Why are you so scared now? Trash!”

“Sure enough, it’s a bullying and fearful waste. Uncle Dong came to subdue on the spot!”

“I thought it was such a hard bone, it turned out to be like a grasshopper in front of Uncle Dong!”

Xu Guang and his friends all gloated and laughed constantly.

“Okay, there is no need to stay, the next thing, these people will take care of it, we can go back.”

Dong Chen had no plans to stay, and he didn’t even look at Lin Kai.

In his mind, Lin Kai didn’t have any chance of living, and he was completely dead now.

It should be understood that that is capable of killing more than twenty good players who are belligerent. He, a twenty-year-old yellow-haired boy, can have any ability to survive this situation.

“dead!”

Those two dozen people, carrying domineering qi, hit Lin Kai’s head with a punch.

But at the moment when his fist was about to fall on Lin Kai’s head.

“Those who approach, kill without mercy!!”

With a flick of Yinshen’s big sleeve, a surging weather wave suddenly burst.

“boom!”

In an instant, there was a loud noise.

Twenty people, all of them flew upside down at this moment, and their muscles and bones broke every inch, bleeding from their bodies.

“Choose some gifts for my father tonight...”

Dong Chen walked and An Dongshu, he was talking, suddenly turned his head.

After seeing the situation clearly, his whole head was almost exploded!

Notice his expression.

The others turned their heads curiously.

More than twenty people all fell to the ground at this moment, suffering extremely miserable deaths and injuries.

In an instant, everyone was struck by lightning.

A chill came from the soles of the feet to forehead.

They were so scared that they almost lost their souls!

This Nima...

## **Chapter 1064: Mr. He**

Chapter 1064

Even after killing them, Lin Kai was so mighty.

In a blink of an hour, he defeated more than 20 brave, brave and powerful fighters? !

This is really incredible.

This scene at the scene.

Subverted all three views!

Although they were specific, they didn't know who shot it and who was so powerful.

But it must be closely related to Lin Kai!

Dong Chen was on the spot, his limbs stiff, and his mouth slightly opened, causing the cold wind to continue to pour into his mouth.

There was no silent sound at the scene, as if engulfed by deathly silence.

Everyone is like a statue, petrified in place, motionless.

"Without my order, who gave you the courage to take a step here?"

A cold wind blew, and Lin Kai's bangs were lifted, revealing his magnificent eyes.

Those eyes were like cold electricity, and they all bowed their heads one after another, and the heart trembled.

From the beginning to the present, Lin Kai has been sitting on a chair, no matter what methods and measures the opponent takes, he has never moved half a point.

That aura is really an overbearing impulse, the gods block and kill the gods, and the Buddha blocks and kills the Buddha's domineering meaning!

Dong Chen's heart was panicked. It was the first time that Dong Chen had been in the rivers and lakes for so many years that something was beyond his control.

Now he really doesn't know what to do or how to deal with the following matters.

After all, he has turned his face with each other.

Lin Kai stood up slowly, with his head held high, like a sharp sword out of its sheath, with sharp edges!

His eyes are extremely sharp.

Three steps and two steps, quickly came to Dong Chen.

He raised his index finger, tapped Dong Chen's forehead lightly, and asked with a smile: "Just now, you seem to be beheading me on the spot?"

"And blatantly threatened that Lin was just an ant that could be pinched to death at the feet of your Dong family?"

Dong Chen regained his composure.

Take a long breath.

With a smile on his face, he said to Lin Kai: "When things have reached this point, your Excellency should stop."

"Today it is indeed my Dong family who made the mistake first. I am here to apologize to you, and please do not pursue it."

Lin Kai snorted coldly, then folded his fingers together after holding his hands.

It was the first time he heard such a ridiculous joke.

If he were an ordinary person, even if he died today, he would only be dumb to eat coptis.

Now that the other party sees that they are not opponents, they use an apology to smooth out the grievances between the two parties.

This is simply robber logic!

If you lose, you will apologize and solve it. If I lose, I will lose my life?

God's truth, all of them are on your side!

All the cheapness in the world has been swept away by you!

"Now I give you a chance to use all the strength of your Dong family and kill me!"

"Either Lin will send you Dong's family now, and all go to \*\*\*\* to see the King of Yama!"

"Lin has limited patience, make a decision as soon as possible!"

Lin Kai shook his neck, his tired body, said in an unquestionable tone.

A sneer appeared at the corner of Dong Chen's mouth, "Did you deceive people too much?"

"I have already apologized to you, you don't want to get into it. If my Dong family really does start, I'm afraid you will kneel and beg for mercy!"

Who is Dong Chen?

The famous straw sandals of Donghae City!

His network is spread over half of the country, and he knows countless people.

All he needs to do is to dial out. I don't know how many powerful and powerful people come to support.

It's just that he is unwilling to use this method, because once it is used, he will owe favor to the other party.

Therefore, he wanted to use a threatening method to let Lin Kai stop.

"No matter who you are, either you kill me or I kill you, give you a chance, don't know what to say."

Lin Kai glanced at him indifferently: "If I want to kill, even if the king of heaven comes, I can't stop it!"

Dong Chen suddenly sneered, and his expression became extremely playful: "Well, well, since you are sincerely looking for death, I don't mind sending you to the Yellow Spring!"

Now he has completely sacrificed his life, and he owes him a big deal.

Otherwise, it will be difficult to get out of this gate today, and it is likely to die on the spot.

Since the other party does not eat soft or hard, then he does not need to be polite!

“This person is so courageous. In this case, he didn’t slap the opponent to death, but gave him a glimmer of hope.”

“Maybe this is the self-confidence of the strong, no matter what means you use, I am just playing the remaining naive tricks!”

For a moment, the waiter standing on the side looked at Lin Kai’s eyes, full of worship.

After all, this kind of courage is not something everyone can have.

Only those who live at the top can have such courage to act.

“Now I will notify Mr. He to come right away.”

Dong Chen’s expression suddenly became solemn, and when he mentioned Mr. He’s name, he did not dare to show no respect.

“What, He, Mr. He?!”

Everyone exclaimed in unison, and everyone’s face changed and changed, and then fell into shock.

The waiter in the distance, looking at Lin Kai, suddenly became pity.

It’s a pity that such a young man will die soon.

Mr. Nahe holds great power and is a well-known figure in Donghai City.

Even if it is the gray leader, or the top honor of Bai Dao, he dare not provoke the slightest.

All of them are respectful and respectful. To Mr. He’s requirements, that is to do their best to satisfy!

Mr. He, whose real name is He Zun, has always been responsible for protecting the safety of Donghai City and has military power in his hands!

He Zun has the ability to push everything horizontally!

“Uncle He is coming over? That’s great, I won’t have to see this \*\*\*\* anymore!”

Dong Shu cheered and couldn’t help herself.

“Mr. He...”

Xu Guang's face was solemn, and he didn't expect things to be so violent.

Originally, he still admired Lin Kai's courage very much, and planned to make friends with Lin Kai anyway after the incident was over.

Unexpectedly, he was going to die so soon now!

What a pity... what a pity!

Lin Kai has already shown such a strong strength, but after He Zun's name appeared, the comments on the scene turned out to be one-sided.

One can imagine how powerful He Zun is.

Even if it is not the native hegemon of Donghai City, the hegemon dare not provoke half a point.

This is He Zun!

The master of Donghai City, really few people can provoke him!

Lin Kai provokes him, which is equivalent to sentenced Lin Kai to death!

Now even if Lin Kai knelt down and begged for mercy, he might not have a chance to survive! This is his strength! He could kill Lin Kai with a word!

"The twenty or so fighters were given to me by Mr. He to protect me from safety."

"Unexpectedly, you kid is so bold and dare to hurt his subordinates."

"Even if you kneel down to beg for mercy this time, Mr. He won't be at all mercy. You must be killed on the spot!"

Dong Chen put his arms around his chest and said smugly.

## **Chapter 1065: I Didn't Know It Was You**

Chapter 1065 I Don't Know It Is You

Mr. He is well-known, and he takes good care of his men.

Now that he has more than 20 subordinates, dead and wounded, when He Zun learns about it, he will inevitably be furious and order Lin Kai into a sieve on the spot.

While dialing the phone, Dong Chen gloated at Lin Kai, wanting to see how Lin Kai reacted.

It is a pity that his complexion has always been plain as water, and the ancient well has no waves.

Sitting on one side quietly sipping tea, even commenting, it seemed calm and inattentive.

But this posture fell in the eyes of everyone, pretending to be calm and bluffing.

They didn't believe that there was no fear in Lin Kai for a character like Mr. He.

"Uncle He is here later, don't worry about killing this reptile, interrupt the limbs first, I want him to kneel on the ground and lick my shoes clean like a dog!"

"It's better to have two more dog barks and three shouts to the master. If you disobey this girl's order, I will beat her crazy begging for mercy."

In Dong Shu's red eyes, violent madness bloomed.

The humiliation suffered by Lin Kai was that she had never endured it in her life.

One can imagine how much she hates Lin Kai in her heart.

The most important thing is that this person does not know where he came from, and he is not a high-ranking official.

If it is a high-ranking official, it is fine. After all, the identity of the other party is there, and it will not be too shameful if he is humiliated.

He humiliated her if he moved her for a long time!

Lin Kai lifted his eyelids slightly when he heard the words, a coldness flashed in his heart.

Just now.

There was a sudden footstep outside the door.

When everyone heard this voice, their hearts tightened, and they turned their heads and looked at the door.

I see.

A middle-aged man with a majestic figure and a lofty sullen body with a strong aura and a smell of gunpowder.

His eyes are extremely sharp, like a hungry wolf.

The shoulder resistance medal, the gun at the waist, and the hands and feet, showed a sense of boldness.

“Who is it? Brother Dong, who was it, and wounded my subordinates, was it a bear heart and leopard gall?!”

“How courage is he is fat enough!”

As soon as He Zun entered the arena, he showed strong dominance, didn't say much, went straight into it, and asked the teacher!

“Mr. He, you came just right.”

Dong Chen made three steps and two steps before quickly catching up, showing a flattering smile.

The whole person is like a second child, kneeling and licking each other frantically.

But in this scene, everyone didn't think there was the slightest problem. Dong Chen knelt and licked Mr. He Zun, it was an honor for him to cultivate for ten years!

To be able to have such a close relationship with He Zun is really envious of others.

“It's the dog thing. I don't know how to praise him. He has to come in person. In fact, I know that in his capacity, he is not qualified to let you do it.”

“If you do it, it would be a sledgehammer.”

Dong Chen madly flattered him and bent over to ninety degrees.

“Do not.”

“My brother's matter, I must do it myself.”

“Kill him on the spot!”

He Zun raised his head slightly, a sense of solemnity burst out suddenly, and the temperature of the air dropped to freezing point.

He stepped forward and walked towards Lin Kai.

When the people around saw this scene, their eyes widened in excitement, staring scorchingly, and they didn't dare to miss it.

A sneer flashed at the corner of Dong Chen's mouth, fighting with me, you and he are still tender!

On the other hand, Dong Shu trembled with a smile, and said: "Uncle can be merciful, don't let him die so happily, it is fun to torture!"

The waiters sighed, closed their eyes and did not dare to look at them, a little unbearable.

But at this moment.

He Zun suddenly felt that the person in front of him was unusually familiar, and the closer he got, the stronger the sense of familiarity.

Unexpected.

His heart twitched violently, and he whispered: "You, what is your name?"

He was a little nervous, and suddenly felt something big.

"I, Lin Kai." Lin Kai gave him a casual glance and replied.

Everyone felt baffled, why did Mr. He suddenly ask the other person's name?

Don't you kill the unknown?

"Me, Lin Kai."

These words kept echoing in He Zun's mind, and for an instant a face in his mind overlapped with Lin Kai in front of him.

boom!

Did not hesitate.

He Zun knelt on the ground and shouted hoarsely: "Subordinate He Zun, see the Lord of Jiulong Mountain!"

Rumble—

This behavior and remarks are nothing short of shocking to everyone here!

"Subordinate He Zun, see the Lord of Jiulong Mountain!"

Dong Chen's heart pumped and he almost died on the spot. This young man turned out to be the lord of the Nine Dragon Mountain?

A mountain owner in his twenties? !

"Hiss."

Everyone around him took a breath, and was at a loss.

Almost petrified in the wind!

Dong Shu's complexion became ashen, and a chill came up behind her back, reaching her forehead.

His lips trembled frantically, but couldn't say a word.

Lin Kai sat on the spot and didn't speak, just looking at He Zun silently.

The atmosphere freezes instantly.

He Zun swallowed frantically, his burly body shivering clearly.

He had heard of Lin Kai's name in the North Camp, that was a generation of soldiers, king of soldiers!

And he still stopped at Jiulong Mountain, no matter what, he could not provoke him.

No wonder when he came in, he felt so familiar with the other party. It turned out that he was Lin Kai from the famous army camp!

Ticking...

The more Lin Kai adopts this attitude, the more nervous he becomes, and drops of cold sweat roll down his cheeks.

The tense palms are already covered with viscous sweat.

"Ha ha."

Lin Kai laughed twice, put down the tea cup in his hand, and asked gently: "I just heard Mr. Dong say, can you slap me to death?"

"I even heard you say that you want to kill Lin on the spot? And kill the chicken with a knife?"

His smile bathed in the spring breeze, matched with his face, looks very beautiful.

But this smile fell in the eyes of everyone.

Really frightened!

Although the other party's words were calm, anyone could hear the bleak murderous aura inside.

"No, no no."

"The kid really doesn't know that it's the owner of the mountain. You know, you don't dare to be arrogant."

"However, one person is responsible for doing things, no matter how the mountain owner punishes him!"

"I, He Zun, will never frown!"

He Zun lowered his head deeper, even if he died in Lin Kai's hands, he was willing.

In the years when he joined the army, Lin Kai's name has been ringing in his ears, and he has long regarded him as his idol.

"I have no grievances with your Excellency, let's retreat."

Lin Kai's expression suddenly became cold, and then he didn't even look at He Zun.

A pair of cold eyes stared at Dong Chen, "Now, what tricks do you have, use it together."

"If not, all your Dong family members have died!"

## **Chapter 1066: Lee Shengxian's Plan**

Chapter 1066 Li Shengxian's Plan

Dong Chen clenched his heart, clenched his fists secretly, and glanced at He Zun, who was kneeling on the ground, shivering.

He swallowed hard.

Dong Chen regretted it very much. He couldn't imagine what he was doing just now.

Did you provoke a military colonel?

And still a big school in his twenties?

Am I crazy?

No matter how great the Dong family is, no matter how many people they know, can they be the opponent in front of him?

Then he is the lord of Jiulong Mountain!

Probably the youngest mountain owner since the border!

Now he really has a hard time talking, even if he calls all the people he knows, it is useless.

Because no one he knew could suppress Lin Kai, but Lin Kai would be crushed.

He is dead end.

“Oh, I can meet the conditions that Mr. has set out earlier. The General Pavilion and the expensive compensation will be delivered tomorrow morning.”

“And my Dong family will move elsewhere and never show up in the East China Sea again. I only ask the mountain lord to be able to open the net and don’t kill them all!”

boom!

High above, the arrogant and domineering Dong Chen knelt on the ground with a bleak expression, and there was unconcealable regret between his brows.

In his eyes, Lin Kai has always been a humble ant, a bed bug that can be crushed to death at will.

Now he turned and became the lord of Jiulong Mountain. Even if the scenery is infinite, He Zun, who is almost standing at the top of the East China Sea, must worship.

What is he, in front of the other person?

The saddest thing is.

The other party allowed him to resort to all means, and he couldn’t help the other party.

No matter what he is, there is only one ending, and he loses completely!

Is this the king standing on top?

“I am satisfied with the above conditions, but an additional condition needs to be added.”

Lin Kai smiled slightly, looked at Dong Shu playfully, and said, "You, kneel down immediately, give Lin a lick clean shoes!"

Dong Shu's face was flushed immediately, and she exclaimed like a cat stepping on its tail: "You don't know good or bad, why should I kneel and lick your shoes."

As soon as she said it, she regretted it.

It was true that things changed so quickly that she returned without a response.

Impulse.

"Because I can easily kill your Dong Family!" Lin Kai's eyes were cold and his voice was beyond doubt.

Dong Shu swallowed his saliva with difficulty, staying still, feeling at a loss.

She turned to look at Dong Chen and Xu Guang, wanting them to speak for help.

But who would dare to know that there are tigers in the mountains, and lean toward them?

Didn't you see the He Zun who holds the power of soldiers and horses, all kneeling on the side, so scared that he is so scared that he has no master?

Don't say it's pleading.

Everyone wants to escape quickly.

But Lin Kai stood here, they dare not!

Dong Shu bowed her head and knelt down on the mountain, her face burning hot.

But there is no choice, no other way.

She couldn't forget how she treated Lin Kai and how arrogant she was when she gained power.

Now that the other party is back, it is...fair and just.

Of course, she also understood what Lin Kai meant. Before, she told Lin Kai to kneel down to learn how to bark, and she called the owner three times.

Now the other party wants to give back everything before.

"This is the end of the matter. All the rest will go out. Leave her alone and stay here."

Lin Kai closed his eyes slightly, with a cold expression, and ordered to leave.

All of you immediately left the scene like a rabbit, like an amnesty.

Go to the door.

He Zun and Dong Chen walked forward side by side, and said, "Why would you dare to provoke him? Are you tired and crooked?"

"Do you know what kind of character he was in the barracks? What means and strength did he possess?"

Dong Chen took a deep breath and smiled bitterly: "Mr. He, now I finally understand what it is called, the outer building of Qingshanlou outside the mountain."

"Fortunately, the other party did not rush to kill, otherwise even if the intestines are regrettable, it will not help. I can only be fortunate and will never retaliate."

He Zun stood with his head held high, his hands behind his back, and he leaned against a willow tree.

He whispered: "Do you know why he didn't kill your Dong family, and why didn't he reveal his identity in the first place?"

Dong Chen really didn't think about the key points, and asked in astonishment: "Why?"

He Zun sneered, stretched out his index finger, and lighted his head and said: "In his eyes, your Dong family doesn't count as a single feather, it can't be killed, it doesn't matter whether it's killed or not.

"Although your Dong family is good, the mountain lord hasn't put you in his eyes at all. You are not worthy!"

"Second."

"His identities are nothing to show off for him, because he doesn't think that those hypocritical glorious vacancies can prove his strength."

When Dong Chen heard this, his face was even more ugly than eating shit.

He couldn't accept this fact, it was too shocked!

With such strength, in the eyes of the opponent, is he even qualified to take a look?

Ugh.

...

...

The Junhao Hotel has been cleared, and there are no others besides Che Lin Kai and Dong Shu, and even the waiters leave nervously.

Lin Kai stood there, overlooking Dong Shu who was kneeling on the ground.

Observing carefully, her figure is protruding backwards, her legs are slender, and she is wrapped in a pair of black stockings.

Coupled with the slightly stunning facial features, she is definitely a fascinating stunner, and she is even more afraid that she will be proficient in her skills and show off her waist and limbs.

If you change to another man, I'm afraid that he would have acted on him long ago and be executed on the spot.

But in Lin Kai's eyes, even if she had desire, she was just a simple tool.

Seeing the surrounding environment, Dong Shu immediately became active.

Kneeling on the ground and walking, quickly climbed to Lin Kai's feet, and said, "Master."

With this sound of her master, she was completely conquered.

Now she is completely free of it, as long as she can please Lin Kai's favor, it doesn't matter what price she pays.

however

Lin Kai looked at her coldly: "Trouble, shut your stinky mouth!"

"Master, people know it was wrong, don't be angry, okay."

but.

Just now.

Li Shengxian suddenly appeared outside the door, seeing the scene in front of him, he felt a pleasure of revenge.

At the beginning, this \*\*\*\* almost tortured herself to death, and she was always aloof, arrogant, and arrogant stepping on his head.

Now, so embarrassed, he almost laughed happily.

Li Shengxian was informed by Lin Kai that this person had an antagonism with him, so how to resolve it, let him decide.

“Leave it to you.” Lin Kai patted him on the shoulder, passed him, and quickly walked to the door.

It’s not long.

There was a charming voice inside.

Accompanied by screams begging for mercy.

Lin Kai frowned slightly, feeling a little impatient, Li Shengxian’s change was too great, as if he had been blackened.

hope.

He only became like this when he was hit by the pleasure of revenge.

## **Chapter 1067: Clues**

Chapter 1067

Lin Kai stood at the door and smoked a few cigarettes silently.

Suddenly, thick smoke skyrocketed, blocking the line of sight.

A face was reflected by the smoke.

When the smoke cleared, it was clear that Li Shengxian came.

at this time.

Dong Shu hugged Li Shengxian’s arm tightly, her face was shining brightly, and she yelled sweetly: “Master.”

Lin Kaixin was a little surprised.

I don’t know what happened.

“Brother Lin, please don’t let Dong’s line leave the East China Sea. Next, I need to use my baby to help me.”

Li Shengxian bowed deeply, his attitude was full of respect, and he didn't dare to be presumptuous.

This Dong Shu usually walks very close to Li Haoxian, is it because of a car shock, a field battle or something.

Moreover, Li Haoxian's defense against Dong Shu is relatively weak. With this chess piece, it is not impossible to completely overthrow Li Haoxian's authority in the family.

Lin Kai thought slightly and said with a chuckle: "Yes, just follow your arrangement."

He felt very relieved that this little guy finally had some ideas of his own and knew to take the initiative.

It seems that the teaching these days has not been in vain.

For him, the presence or absence of the Donghai line is a trivial matter at all.

Just a group of reptiles, there is no difference between living and dead.

"Brother Lin, do you want to go back together? I came by car."

Li Shengxian made an invitation with a smile, and walked behind Dong Shu with his palms very presumptuously.

Lin Kai showed a smile that a man understands, waved his hand and said, "You go back, I have other arrangements."

"Then I'll go ahead and see Brother Lin at home."

Li Shengxian and Dong Shu walked side by side, waved their hands, then got into the car and left.

The rainstorm dissipated and the air became extremely fresh.

It can make people feel happy between breathing.

The stars came out, blinking under the curtain of night.

The water on the street exists on both sides, and the body feels slightly humid.

Lin Kai passed a supermarket, bought a bottle of beer and drank while walking, watching the surrounding scenery.

But my heart is very irritable.

For so many days, why hasn't any news of the Leiyuan Group been sent out? Could it be that the other party has hidden so deeply?

It seems that without an intelligence network, it is difficult to dig out the opponent from Donghai City.

But there is another way he can find Leiyuan Group, and that is to offend the entire East China Sea power and the big family.

He didn't believe it, that group of people had no contact with Leiyuan Group.

But he was never the one who took the initiative to cause trouble. This method was a bit rebellious to him and he didn't want to do it.

"Forget it, wait a minute."

Lin Kai flattened the can after drinking and threw it into the trash can.

He understands that as a hunter, he must remain calm before the prey appears.

Just now.

A bright red Ferrari whizzed past Lin Kai.

The driver was a very fashionable woman with black curly hair, wearing a cheongsam, a pair of white stockings on her legs and high heels.

She glanced at Lin Kai, suddenly frowned, and then backed the car.

He said hello to Lin Kai, "Hey, this handsome guy, are you interested in going for a drink?"

Hear the words.

Lin Kai looked cold and wanted to refuse, suddenly the woman in front of her looked very familiar.

A familiar face emerged in his mind.

It was a shameless girl, fifteen or sixteen years old, dressed in rags and never dressed up.

Because of her poor family background, she was often laughed at as a beggar. When she was in school, her male classmates often bullied her.

The girl who fought against him cried every time.

Lin Kai was twelve years old at that time, and stood up for him, only to be beaten up together.

“You... Lin Qianqian?”

Lin Kai didn't dare to recognize each other, and asked tentatively.

After all, that girl for more than ten years is notoriously ugly, can't wear clothes, can't dress up, and is messy all day long.

But now the lady in front of me has an extraordinary temperament, and between her words and actions, she is also full of strong self-confidence.

It's also a sports car Ferrari, a famous French brand.

He couldn't connect her to Lin Qianqian, who was disgraced.

But it looks like a child.

“Unexpectedly, Brother Lin can still remember people, so we haven't been in contact for ten years?”

Lin Qianqian smiled slightly and took out a box of thin cigarettes from the car. After lighting it, she raised her eyebrows: “Would you like one?”

“You have changed so much, I dare not recognize it.”

Lin Kai took the initiative to get in the car, shook his head and said with emotion, saying that the eighteenth change is true.

But this woman is really very attractive at the moment, regardless of her looks, temperament, or figure, she is top-notch and impeccable.

“After I finished high school, I went to study in Germany. Because of my poor family background, I worked hard to earn money part-time during school and did some small business. Now it is considered a slight achievement.”

“How about you, Brother Lin?”

She suddenly stretched out her hand, pinched Lin Kai's chin, and stuffed the two puffs of cigarettes into his mouth.

“Is this... not so good?” Lin Kai was stunned, this little girl is too unrestrained now, isn't this just indirect kissing?

“Shhh, don't talk.”

Lin Qianqian squeezed his chin without letting go, and looked at Lin Kai's face carefully.

The facial features are sharp, the skin is slightly rough, but it is still fair, the clothes are casually matched, and every word and action is full of strong confidence.

Lin Kai showed a smirk, and suddenly stretched out a big hand to embrace her waist.

"Why? Looking at me like this, do you like me?"

As a man, he was never willing to change in this regard. After all, he is a man, how could he be molested by a woman.

Therefore, anti-going is the main thing.

"You have become handsome, but Brother Lin, the person I am most grateful for in these years is you."

"So, you don't know that I always want to contact you and have a drink."

Lin Qianqian showed a charming smile and whispered in a low voice, she was not as strong as she was just now.

When she was a child, she was the ugly duckling of the school, the object of ridicule.

Lin Kai bravely went out to protect her. Although he could not beat the opponent, when he fell to the ground, he hugged her desperately to prevent her from being hurt.

She still remembers that scene still fresh and remembers very clearly.

At that time she asked Lin Kai, why did you protect me?

Lin Kai rubbed her head and said, "I don't want to protect you, I just can't see so many men bullying a little girl."

"Although you are sloppy and dirty and your clothes are dirty, you are prettier than them, because you have a kind heart, and you will not bully people. A few of them bully, that's despicable people, I can't see!"

Just because of that.

Lin Qianqian admired Lin Kai very much at the time, but unfortunately from a different family background, she was destined to have little overlap.

After graduating from junior high school, the two of them...have no contact at all.

“Do you know Leiyuan Group?” Lin Kai didn’t know what she was thinking, but asked briefly.

Lin Qianqian raised her head to think, and said: “It seems to have heard a partner mention it, but I haven’t seen it in Donghai. What’s wrong? What’s the problem?”

Lin Kai held her hand excitedly, and finally found some clues today.

## Chapter 1068: Shen Moli

Chapter 1068

Lin Kai’s performance fell in Lin Qianqian’s eyes and seemed a little inexplicable.

Regardless of whether she wanted to break her head, but also did not understand, Lin Kai investigated what Leiyuan Group did.

Lin Kai will not tell the cause and effect.

After all, he and Lin Qianqian are still not familiar with each other.

“If you have time, can you invite your friend out and I will treat him to a light meal?”

Lin Kai regained his composure, with a smile on his face, staring at each other, and said.

“Since you opened your mouth to me, naturally you have to do everything you can to help you.”

Lin Qianqian raised her hand and looked at the Longines watch: “However, it is now eleven o’clock in the evening. He is likely to have a rest. I will ask him to come out and meet you tomorrow.”

Lin Kai nodded, it’s really not good to disturb others so late.

“Now is a good time to go to the bar, fasten your seat belt and sit firmly!”

After Lin Qianqian said, without giving Lin Kai a chance to react, she stepped on the accelerator to the end.

The Ferrari sports car instantly turned into an angry bull, crushing across the street, roaring frantically!

On the way, through chatting, Lin Kai learned that Lin Qianqian had opened a company and was the president of the company with an annual income of about 200 million yuan.

It's a veritable Bai Fumei.

She has been back to China for eight years, and most of them have looked for Lin Kai, but because Lin Kai is in Beijing, no information has been found.

Soon, the car stopped.

In front is a bar called No.6, which is very luxuriously decorated, with condensed flashes and dazzling extraordinary.

Lin Qianqian turned off the car, stepped on high heels and walked down, with a LV bag slung on her shoulder and a cigarette in her mouth.

Full of the breath of royal sister.

Lin Kai observed carefully, and could not see how perfect her figure is.

Now standing up, the opponent's height turned out to be a little over 1.70 meters tall, plus the long and slender white legs, just one glance made the man feel happy.

She came forward naturally, showing a sweet smile, and wrapped Lin Kai's arm: "Look at what I do, go in."

Lin Kai stepped forward and walked towards the bar.

The staff in the bar saw Lin Kai and Lin Qianqian, their eyes straightened for an instant.

This is the first time I have seen such a superb beauty in this bar.

Especially when she still holds the Ferrari key in her hand, it is even more eye-catching!

Lin Qianqian directly opened the most expensive deck, and under the guidance of the waiter, the two entered the bar.

Just went in.

Deafening, extremely exciting music is introduced into the ears.

The air smelled of alcohol, and the men and women on the dance floor shook their bodies, blending with the atmosphere of the scene.

Stimulate everyone's hormones!

Lin Qianqian sat on the deck, tilted her slender white legs, and a smirk appeared at the corner of her mouth.

Because the live music was too noisy, she leaned into Lin Kai's ear and said, "I haven't seen you for so many years, but you have grown a lot, and you look cold."

This is her first impression of Lin Kai today.

Lin Kai couldn't help being clever.

The hot breath hit his earlobe, making him itchy.

Turn around and take a look.

Lin Qianqian stared at him straightforwardly, carefully watching his reaction with a smile.

Seeing Lin Kai's state, she proudly raised her eyebrows.

"It's hard for me to imagine that you can transform yourself into a Bai Fumei."

Lin Kai said half jokingly.

He was surprised.

Who can imagine that a little girl who has been bullied since she was a child and has no power to tie a chicken to this point.

The people who bullied her back then are afraid that they can't even compare with the other side's hair, right?

Lin Qianqian lowered her head, opened the zipper of the bag, and took out a delicate box from it, her expression suddenly became serious.

It contains a million-dollar designer watch, which she has bought for a long time.

I always wanted to give it to Lin Kai, but unfortunately there was no chance before.

"I'll bring it for you." She took out her watch and brought it to Lin Kai herself: "Don't worry, the money is nothing to me, it's just repaying the original favor."

The implication of this statement, you Lin Kai must not think that I like you.

Sending you a gift is just an expression of your help to me.

That's it!

Lin Kai shook his head and chuckled, not speaking, he was not so passionate yet.

“I’ll go to the bathroom first, wait a moment.” Lin Qianqian put everything on the deck, stood up quickly, and walked towards the bathroom.

Lin Kai rested his chin, thoughtful.

Although this woman seemed to treat herself extremely enthusiastically.

But he always felt some barriers in it.

It seems that you must have a good relationship with this woman.

After all, if you want to find the Leiyuan Group, you have to rely on Lin Qianqian.

...

...

Lin Qianqian stood in front of the bathroom mirror, her complexion became very cold, she wiped her hands clean, lit a cigarette, and leaned against the sink.

Just now.

A woman walked towards Lin Qianqian, slightly raised her head, her expression on her face was full of meanness and arrogance.

Lin Qianqian hurriedly smirked when she saw the visitor: “Ms. Shen, I didn’t expect to meet you here. Could it be that I was in the lead today?”

The noble woman named Shen Moli trembled with a smile covering her mouth.

“Hiding me for half a month, how dare you come out today? Could it be that you have already thought about transferring the contract of that project to my Shen family?”

Lin Qianqian narrowed her eyes slightly and spit out a smoke ring.

Not long ago, as the president of the company, she personally stepped down to participate in a project competition.

Get the project contract by rolling means.

But this touched the brow of Miss Shen, the daughter of the local wealthy Shen family.

That day was the first time that Shen Moli applied to the family to participate in the bidding. As long as the matter was solved perfectly, she could control part of the family business.

Where did she think that she was passed by the other company because of lack of experience.

In any case, she must get this item at all costs.

Lin Qianqian took the contract, and she immediately focused on Lin Qianqian, intending to put pressure on her to take the contract back.

Therefore, it became the scene in front of me.

“Why should I hide? Since I do business in the East China Sea, I am not afraid that others will trouble me.”

Lin Qianqian severely broke the cigarette \*\*\*\* and threw it on the ground, her voice said coldly.

“So, are you planning to hand over the contract to sister?”

Shen Moli’s eyes were silky, her smile was endless, and her attitude was extremely gentle, as if she was talking to her girlfriend.

It is really impossible to do not know, thinking that the two are competitors.

“Ms. Shen, your family is indeed very capable, but when you say this, I doubt it, are you dreaming?”

What a joke.

She Lin Qianqian paid a big promise and won the contract. Why should she let you go?

“Have you forgotten that Bar No. 6 is owned by my Shen family?”

Shen Moli’s face suddenly turned cold, and she waved her big hand: “Security guard, take her down for me!”

## **Chapter 1069: Defiant**

Chapter 1069

As Shen Moli’s voice fell.

Ta Ta Ta-

The security guard with a baton rushed over, with a fierce look on his face, without any hesitation, raising his strong arm and attacking Lin Qianqian.

Naturally, Lin Qianqian is not a fuel-efficient lamp. Over the years, she has been working hard in the business world and has studied Sanda for a while to protect herself.

There is also time to do it.

The moment the other party rushed over, Lin Qianqian reacted quickly, retreated three steps, and avoided the opponent's attack.

The security guards jumped into nothing, and a sense of anger suddenly rose in their hearts.

Then, raising the baton, there was no frantic attack from Ling Xiang Xiyu.

“Play well, beat me hard, if you beat me to death today, I will give you money!”

Shen Moli stood by, watching this scene with a smile, pinching her waist, very arrogant.

This dog dared to swallow her Shen Moli's contract and did not pee and look in the mirror to see what he was!

And he dared to talk to her so arrogantly, it was simply a bear heart and leopard courage!

Although Lin Qianqian has good skills, she is still just an ordinary person, not as good as a man in physical strength and lethality.

She was even more afraid that there were dozens of people on the other side. As the saying goes, two fists are hard to beat four hands. She was captured by security guards not long after.

At this moment.

Lin Qianqian was captured by the opponent and forced her to kneel in front of Shen Moli.

She didn't say a word, just a pair of big eyes, staring at Shen Jasmine full of anger.

“Hehe, dog stuff, fight with me, you are still tender!”

“At first, my daughter didn't want to go to war, it's you, a dog, I don't know what is good or bad!”

Shen Moli was condescending, smugly sneered at each other triumphantly.

then.

Raising her slender palm, she slammed it towards Lin Qianqian's cheek.

"Shen Moli, I competed fairly and with my own strength, I got the project contract."

"If you do this, you have broken the business rules and will be condemned by all companies in the East China Sea!"

"Don't you be afraid, will I expose this matter?!"

Lin Qianqian struggled madly, but she couldn't shake her at all. The security guard's palms were like iron tongs, confining her tightly.

She really couldn't understand.

If your Shen family is powerful and powerful, can you behave nonchalantly without putting everything in your eyes and breaking the unspoken business rules?

If this matter was because of Lin Qianqian's use of improper means to compete, she was willing to be beaten and punished.

Even give up the contract.

But she was treated like this just because of the competition for her duty.

How not to be angry?

How not to be wronged? !

"Dog things, dare to threaten me, lower your head to my daughter!"

There was a fierceness flashing in Shen Moli's eyes, she suddenly raised her high heels and stepped on Lin Qianqian's head fiercely.

Immediately.

Lin Qianqian felt a violent pain, which came from the Tianling Gai, and almost instantly, she almost passed out from the pain.

The heels of those high-heeled shoes hit people's head fiercely, and it was absolutely heart-piercing pain!

She lowered her head subconsciously, and kept sucking in cold air, her facial features deformed with pain, and she let out a roar like a beast.

But no matter how loud her voice is, it can't be louder than the dj outside.

Therefore, the grievance she suffered today is destined to be invisible to others.

All submerged in this deafening, grumpy music.

Seeing Lin Qianqian lowered her head, Shen Moli was very satisfied with a slight nod, and said with a smile: "Yes, is this the right thing? A lowly maid like you should always be stepped on by this girl."

"I really don't understand, where are your confidence and qualifications, raise your head and speak in front of me, you reptile, you are not worthy!"

Lin Qianqian's breathing became rapid, her heart exploded with anger, but she was unable to resist.

She silently remembered this matter in her heart, and waited until that day to find an opportunity.

She Lin Qianqian will inevitably return the humiliation she suffered today a hundred times, ten thousand times!

"Well, tell Ben Qianjin, where did you hide the contract?"

"If you don't say anything, I will kill you on the spot and throw it into Dongjiang to feed the fish."

Shen Moli embraced her arms, raised her head slightly, and said in a light voice.

For her Shen family, killing a Lin Qianqian is naturally effortless, and no clues will be found.

Therefore, Lin Qianqian would never doubt the authenticity of her words.

"In and in our company's safe, I will notify the secretary now and take your people to get it."

A secret smile appeared on Lin Qianqian's face, and the anger and hatred in her eyes disappeared instantly.

She was never incompetent and furious.

She only knew that if the other party could not get the contract today, she would definitely die!

"It's perfect, but there is still one thing missing, you immediately apologize to this daughter!"

“Because you snatched the contract, the family members looked down on the daughter, you must apologize!”

Shen Moli bent down and smiled playfully, hitting Lin Qianqian’s cheek with her palm, and said, “This is the price you have to bear for doing something wrong, isn’t it?”

“I’m sorry, I’m all to blame. I shouldn’t be the master and \*\*\*\* Miss Shen’s contract.”

“It’s all my fault...”

Lin Qianqian spoke immediately, her voice was very sincere, making it unclear what she was thinking.

just

She didn’t understand what she was apologizing for.

What did she do wrong?

Fair play, did she do it wrong?

“Yes, those who know the current affairs are handsome.”

Shen Moli admired her attitude very much, and then forcefully took the Longines watch worth 3.5 million yuan from her wrist.

With a chuckle: “In order to show your sincerity, this watch is given to me.”

After speaking, he stepped on high heels, took a catwalk, and left the scene in a flash.

The rest of the security guards followed closely behind.

Lin Qianqian was extremely embarrassed at this time, and she did not have her previous noble and elegant temperament.

Her nose was swollen, her body was bruised, and her face was red and blue.

Especially the hair on the head was stained with a trace of blood.

Just now, Shen Jasmine’s foot was directly stepped on her head, and a wound appeared.

“This matter is not finished today, I must find a way to return it!”

Lin Qianqian gritted her teeth, stood up from the ground staggeringly, and walked forward.

Where do I know, before I took two steps, I saw a familiar figure.

Lin Kai saw her in this state, and a cold murderous intent flashed in his eyes, “Who is it?”

He hurriedly stretched out his hand to support Lin Qianqian, full of murderous intent!

“Brother Lin, you don’t need to worry about this matter today, you can’t afford to offend the other party, and I have nothing to do.”

“Really.”

Lin Qianqian took a deep breath, shook her head, and forced a smile.

She really didn’t want Lin Kai to be involved in this matter.

The other party was the well-known Shen family in Donghai City, and Lin Kai’s involvement in it would certainly not get the slightest benefit.

You may even lose your life.

## **Chapter 1070: Arrogant**

Chapter 1070

Although Lin Kai did not have deep feelings for Lin Qianqian.

But in the final analysis, Lin Qianqian is still his friend.

Even more frightened, Lin Qianqian played a major role in investigating the Leiyuan Group, and he would intervene in this matter anyway!

“You are so stupid.”

Seeing her forceful smile, for fear that her worried look touched Lin Kaixin’s softness.

He hugged Lin Qianqian’s head and hugged tightly.

“Brother Lin, people are really wronged, Qianqian doesn’t understand why it is so difficult to live in this world.”

“I obviously didn’t do anything wrong. Why do people always stand up and say that I am wrong? Is it possible to reverse black and white if the power is so powerful?”

Lin Qianqian couldn’t stay strong anymore, lying in Lin Kai’s arms, she cried so much that her body kept trembling.

“Did you know Brother Lin, I’ve lived such a big life, and I have never seen a person who treats me better than Brother Lin!”

“That’s why people are very impressed with you. That’s why I have been looking for you for several years. That’s why I gave you a gift.”

Lin Kai was silent, just hugged her.

God knows how Lin Qianqian came here alone for so many years.

God knows how many grievances Lin Qianqian hides in her heart?

Behind everyone’s scenery is hidden a sad journey that is unacceptable.

just

Many people can’t see, they don’t want to see, they can only see each other’s majestic, nothing more.

This world has always been, only looking at the result but not the process!

Lin Kai has a deep understanding of this!

“I’ll take you to the hospital, take care of yourself, don’t be stupid.”

Lin Kai took her away from the bag, took the key out of it, started Ferrari, and whizzed towards the central hospital.

...

...

In the ward, there was a lot of whiteness.

There are fragrant white flowers on the head of the bed, and the walls are painted with white paint.

And white bedding, white bed.

Lin Qianqian lay on the hospital bed and fell asleep, with crystal tears still hanging in the corner of her eyes. She was greatly wronged today.

Lin Kai sat aside, holding the medical certificate issued by the hospital in his hand.

Fortunately, Lin Qianqian did not suffer much personal injury, just a little skin trauma, and she only needs to rest for a while.

Looking at the vast night outside the window.

Lin Kai stood up, with his hands folded, a strong vigor burst into his eyes.

“The subordinates have already found out the cause and effect of Lin Qianqian’s incident. This is the detailed story. Please go through it!”

Suddenly.

The hidden \*\*\*\* appeared behind Lin Kai without warning, bowed ninety degrees, and presented the document with both hands.

Lin Kai stretched out his white and slender palm to take it, then flipped through it.

“Ha ha”

“What a Shen family, doing things so domineering, standing in the East China Sea for fifty years, with strong assets, is it not ashamed to bully a little girl like this?”

A coldness flashed in Lin Kai’s eyes, if it was evenly matched.

But doing so is completely bullying the weak, not at all ashamed!

How can you be worthy of the name of the Shen family?

“One more thing, why does He Zun call me the mountain lord today? I don’t have any impression of him, and I am not the mountain lord.”

Lin Kai remembered what happened at the hotel, so he asked.

“It may be a slip of the tongue, or you may be the deputy mountain master, but call you the deputy mountain master for fear that you are unhappy and will kill him.”

Yinshen replied respectfully.

Lin Kai just smiled slightly, thinking about it, in that case, the other party was already scared stupid.

How can you still make this fatal mistake in the workplace?

Besides, Lin Kai, the deputy mountain master, was temporarily promoted, just to make the Shadow Sect feel that Lin Kai had a status in Jiulong Mountain.

“Prepare, I will personally visit the Shen family tomorrow and take back a lot of the things Lin Qianqian lost!”

Lin Kai casually took out a lighter from his pocket, his eyes burst with coldness, and then quickly burned the document.

“Subordinates understand.”

Yinshen nodded heavily, then disappeared into the ward in an instant.

The sky gradually brightened.

The sun rises from the east.

The blazing sun once again filled the earth.

Lin Qianqian woke up from her dream, slowly opened her eyes, and she saw Lin Kai's face, and she immediately showed an embarrassed smile.

Said: “I'm really sorry, I worried you all night, didn't you sleep?”

She felt a little distressed, because Lin Kai's eyes were red and bloodshot, and it was obvious that he didn't sleep all night.

“We are friends.” Lin Kai waved his hand without explaining too much.

The implication of this statement is that we are friends and we should do these things without being polite.

“Then you hurry up and rest for a while, I have nothing to do.” Lin Qianqian felt soft and moved.

In her life, she is really not such a gentle and considerate man to protect herself.

I couldn't help thinking in my mind what a happy picture would be if I married Lin Kai.

Lin Kai didn't know what the other party was thinking.

He waved his hand and said, “I have work to do today, and I will rest at night when I go back. It's okay.”

He stayed in the barracks all year round, sometimes performing tasks, but stayed up for days and nights.

To him, this level is like a drizzle, Zhang Fei's eating bean sprouts is a piece of cake.

“That, that's all right.”

After she finished speaking, she became interested again and asked: "Where do you work? What do you do?"

Lin Qianqian thought, if Lin Kai had a difficult life, she could work in her own company.

Then you can see Brother Lin every day.

"Help some silly girl, be fair." Lin Kai smiled slightly and said half-jokingly.

Who is Lin Qianqian?

Having been in the society for so many years, it is absolutely personal.

Immediately he exclaimed: "I forbid you to go, why are you helping me? Are you crazy? Do you know who the other person is? What can you do to help me?!"

She was crazy like a cat with its tail stepped on, her hair exploded all over.

"No, I have come here on behalf of Miss Shen."

Suddenly, the door was kicked open by gravity.

I saw a young man with dyed yellow hair and ear studs, with a smirk on his mouth, coming from the door.

"If the information is correct, this lady is Miss Lin Qianqian, right?"

The young man whose real name is He Jun, with the document in his hand, asked politely.

Although he looks like a gangster, he looks really handsome, just like a star idol on TV, a little fresh meat.

The temperament is gentle and elegant, and the accomplishment is very high.

"It's me." Lin Qianqian's heart tightened, and a bad premonition rose from her heart.

What does the other party mean?

Why did you send someone over?

"Miss Lin, please sign the document, don't make it difficult for me." He Jun took out a pen, attached the document, and handed it to Lin Qianqian.

Lin Qianqian was a little confused.

But after seeing the contents of the file, his face suddenly became gloomy.

That document is a transfer book!

Just need Lin Qianqian's signature, and her company will become effective and handed over to Shen Moli.

## Chapter 1071: Your Words Are Too Much

Chapter 1071 You Have Too Many Words

"Sorry, I can't sign."

Lin Qianqian threw the pen and document in her hand on the bed, her eyes full of coldness.

This is simply too deceptive.

The Shen family just snatched her contract worth 300 million yuan yesterday, and today they are going to kill them all, eating her meat and eating her bones.

Even her company will not let it go.

"Oh?"

"In this case, Miss Lin will become miserable. You also know what the Shen family represents in the East China Sea."

"A small company like yours, with a word from Ms. Shen, it will collapse instantly. Please be more interesting."

With a smile on his face, He Jun picked up the pen and file and put them in Lin Qianqian's hands again.

Lin Qianqian's face was extremely gloomy.

But she can do nothing.

She felt so helpless and sad for the first time!

Obviously that is her thing, why can't it be protected? Why is it that a word of others makes oneself into a situation where it is difficult to survive.

at this time.

Lin Kai, who had been silent for a long time, suddenly reached out and took the document in his hand.

He squinted his eyes and looked at the other party: "This document is not impossible to sign."

"It's just that Lin needs a reason, what on earth does his Shen family make?"

He Jun heard this, raised his index finger, swayed, and said: "First, the Shen family is a big household in Donghai City, and its entertainment industry accounts for 50% of the Donghai.

"Secondly, Shen Jiaquan is very powerful, with a wealth of wealth, and is extremely powerful wherever he goes."

"I will tell you something more transparent, that is, the Shen family has unparalleled authority. If you want you to live, you will live, if you want to die, you will die, understand?"

He Jun is a little impatient, what is this?

Do you still need to ask this idiot question?

Lin Kai raised his eyebrows, and said in surprise, "So, what does this mean is that the Shen family is trying to win?"

"Since you understand, there is no need for me to explain more, it's just to grab and grab."

"But with the strength of the two, it seems that they can only nod their heads in agreement, or stubbornly fight, and finally get the price of death."

He Jun sneered extremely ironically and shook his head.

"So his Shen Jiaquan is so powerful that he can take away the company that others have put in several years of hard work and effort to build?!"

Lin Kai asked again, but his eyes were extremely cold and stern, and his voice was like an arctic wind, with ice piercing into the bones.

"Yes, you can say that, please sign as soon as possible. I have other schedules to be arranged next."

"I don't have time to talk to you two reptiles, ink here!"

He Jun finally couldn't bear it, his eyes became impatient, and his voice said quickly.

He originally thought that solving such a small company was a matter of hand.

Unexpectedly, the other party was so ignorant to promote, and negatively resisted.

This is really a rare thing. He has served the Shen family for so many years, and this is the first time he has seen someone who dares to say no to the Shen family.

To him, Lin Kai is bold and unforgivable!

The majesty of the Shen family cannot be offended, let alone be resisted by others!

“Get out of trouble. I will personally visit Shen’s house in the afternoon to discuss and discuss how this matter should be resolved.”

Lin Kai reached out his hand to pick up an apple and said casually.

Afterwards, she looked at Lin Qianqian with a smile and said, “Eat some fruit to quench your thirst.”

After speaking, he said nothing, picked up a fruit knife, and began to peel the apple.

He is extremely skilled, although he is not serious, but the apple peel has not broken.

This behavior.

It’s not just He Jun who is dumbfounded.

Lin Qianqian was also dumbfounded.

In her impression, Lin Kai is a very impulsive person, and it should be a big fight at this time.

No matter what I thought, he was so calm, obviously he was planning to move.

Hiss.

And his attitude is too cold, unlike Lin Qianqian’s impression of Lin Kai’s style of acting.

“Are you he, are you kidding me?”

He Jun leaped wildly, gritting his teeth.

What is his name?

In the afternoon, I went to visit Shen’s family in person and discussed how to solve this matter.

Mr

Which one is he?

Just you, it's unworthy to give Shen's shoes, so go to Shen's to discuss opinions?

Is it almost dead, right?

"It's ridiculous, it's ridiculous, I have never heard such a ridiculous joke in my life!"

He Jun can't help laughing, his previous astonishment and shock disappeared at this moment.

It seems that today I have to teach this kid a good lesson to let him know what the Shen family is!

"By the way, last time I asked about your partner and asked about Leiyuan Group to postpone it for now, and wait until your body recovers."

Lin Kai gently handed the apple over, stretched out his hand, and gently rubbed Lin Qianqian's head.

Lin Qianqian nodded blankly, then took the apple and took a bite of the apple like chewing wax.

She didn't have any mood to eat apples, but thoughts were flying around to wonder what was going on with Lin Kai.

What kind of identity is he, what has he experienced, can he be so calm and steady.

Moreover, this aura is much stronger than the aura of a business tycoon she has seen in her life.

Lin Kai took a deep breath and said lightly: "Don't worry, I will take care of this for you..."

"Thank you to sign. If you don't sign, don't blame He Jun for being cruel and not giving you two hope of survival!"

Seeing that Lin Kai ignored him, He Jun immediately felt dull and thought that Lin Kai was arrogant and lawless.

Immediately interrupting Lin Kai's words, he opened his mouth and scolded.

Lin Kai pressed his index finger to his brow, his eyes flashed with deep impatience.

He hates it the most in his life when others disrupt his plans.

I hate people even more, just interrupt indiscriminately!

“Your words are too much!”

There was a burst of cold light in Lin Kai’s eyes, with a murderous intent, gushing out.

“Lao Tzu is already considered polite. If you change to the past, I will have someone break your bones...”

Just when He Jun uttered his words.

Lin Kai pointed out his five fingers and instantly picked up the fruit knife on the table.

Turning his back to He Jun, he threw it out!

Between the electric light flint.

The fruit knife turned into a flash of lightning, tearing the void, and rushing straight towards He Jun.

Like a flood, the killing intent suddenly broke out.

He Jun was extremely nervous, his body stiffened at this moment, his entire body stood tall, and his pupils shrank sharply.

The fruit knife is getting bigger and bigger in his eyes.

“Hey!”

The fruit knife pierced He Jun’s neck instantly, and a blood arrow shot into the void.

He slammed heavily on the ground, the boss with staring eyes, he couldn’t figure out why Lin Kai had the courage to move him.

Of course, the most important thing is.

He came to understand that the man in front of him was definitely not a waiting person, nor was he someone he could provoke!

But even the wireless regret in my heart does not help.

boom!

Lin Qianqian saw this scene, her brain crashed on the spot, and she shuddered: "That's it... just kill the Shen family?!"

"Papa Papa."

Lin Kai clapped his hands, and Yinshen walked out quickly from outside the door.

Lin Kai didn't even look at it, took out his handkerchief, wiped his palms, and casually ordered: "Take care of the scene."

## **Chapter 1072: Either You Pay Someone Or I Kill Someone**

Chapter 1072 Either You Pay Someone or I Kill Someone

Although Lin Qianqian was scared, she still stared at Lin Kai with scorching eyes.

It is too manly.

Just like a heroic tough guy in a movie, one can't help but feel admiration.

Lin Kai stepped forward and walked outside the door without staying any longer.

Lin Qianqian's heart tightened: "I don't know how much ability you currently have, nor what identity you are."

"But I think that escape is the clearest choice at the moment. You can't beat the Shen family!"

She is not naive, she cannot treat Lin Kai like a Spider-Man.

Lin Qianqian naturally inferred and thought about it.

If Lin Kai was really good, he wouldn't have heard of Lin Kai's name in Donghai City these days.

He is just an unknown person.

What about the Shen family?

Sitting on billions of assets and owning hundreds of entertainment venues in Donghai City, they are highly powerful and the people they know are all high-ranking officials.

Such a person.

Compared with Lin Kai, it was no different from sending to death.

Lin Kai looked back suddenly, smiled slightly, and said: "Whoever dares to move you, I must help you get it back."

When Lin Qianqian heard these words, her heartbeat speeded up instantly, feeling a little bit at a loss.

Random thinking, is it possible that he likes me too?

But the next sentence shattered all her fantasies in an instant, and Lin Kai continued: "Nothing else, just because you are my friend."

Finished.

Quickly left.

When he came to the street, he hurried towards the Shen family.

Just now.

A call was made to Lin Kai's cell phone. After the call was connected, Li Shengxian's voice came from inside: "Big Brother Lin, where are you chic? Why didn't you see you today?"

"There are things to be handled, and I can go back tonight." Lin Kai said as he walked, very coldly.

Li Shengxian has long been accustomed to Lin Kai's tone and didn't mind, saying, "There is something I need to tell Brother Lin."

"Due to some reasons, the reception of the wind was not smooth. A banquet will be held tomorrow, and our juniors will give gifts."

"And my father said, Brother Lin must be present!"

Lin Kai hung up with a hum.

He knew what these words meant. It was Li Shengxian's father, Li Cheng's family, who wanted to win over Lin Kai.

And tomorrow, he should be introduced grandly, right?

Moreover, this banquet is definitely not a private situation, it is definitely an open invitation to everyone in the business circle, with good looks and demeanor.

At that time, Li Haoxian will definitely bring out the fake He's Biyu.

By the time

Hehe.

The show begins,

Yinshen quickly cleaned up the chores in the hospital, and appeared behind Lin Kai at this time, silently following him.

He really couldn't understand.

Could this group of people eat bear heart and leopard gall?

Dare to provoke my husband?

It's true that the Tu Emperor has been sitting for a long time, I don't know who is the king in charge of killing!

Ahead.

Shen Family Mansion.

It is very spacious, and the decoration is extremely luxurious. From the outside, you can feel the rich financial resources of the Shen family.

At the door stood tall and tall guards, there were more than a dozen guards wearing uniforms, full of energy!

Moreover, Lin Kai could feel the \*\*\*\* smell of them.

This group of people does not have a generation to wait, all of them are the masters with blood on their hands.

In fact, these more than a dozen guards, who were once mercenaries in South America, were all invited by the Shen family at a high price.

Specially responsible for protecting the safety of the Shen family.

This shows that the Shen family is definitely a well-known and prosperous household in Donghai City.

“The two of you, please stay and show relevant identities.” One of the guards, seeing Lin Kai and Yinshen, quickly stepped forward and stopped them.

And his eyes were like poisonous snakes, up and down, looking at Lin Kai and others.

My heart suddenly stunned, this breath is quite good!

Lin Kai smiled slightly and said kindly: “Please inform Patriarch Shen that I have come to Lin Kai. The main purpose is to get justice for Lin Qianqian.”

“understood.”

The guard’s eyes sank, and it turned out that the visitor was not good.

Then hurriedly walked towards the courtyard, intending to inform the Shen family.

In the courtyard.

Under two cherry blossom trees.

An old man over sixties sits in a chair, sipping tea, and watching the scenery in the courtyard.

Although his eyes were already muddy, they were full of vigor, as if years were passing by, extremely vicissitudes of life.

And he is not angry with himself, with the coercion of a superior.

This person is the head of the Shen family, that is, Shen Moli’s grandfather, Shen Changqing.

The guard stepped forward and whispered: “A young man came outside the door. The visitor was unkind. He wanted to see you. Do you think you should kill or drive away?”

“Oh?”

Shen Changqing lifted his eyelids slightly and glanced outside the door: “No.”

It’s ridiculous.

What kind of cat or dog can see him?

When he was Shen Changqing?

This kind of miscellaneous fish simply doesn’t know what is good or what is wrong.

“The subordinate will go and chase him away now.” The guard finished speaking and was about to go outside.

can

Lin Kai had already walked in from the door, striding across, carrying a powerful aura.

A pair of cold and stern eyes swept across the wasteland.

In just an instant, Shen Changqing, who was sitting under the cherry tree, was locked.

Shen Changqing’s eyes narrowed slightly and the corners of his mouth twitched. This person is good, but the person who came is bad.

I just don’t know, where did he have the confidence to run wild on the Shen family’s turf?

“Notify Shen Moli to get out and see me.”

Lin Kai raised his head slightly, his body was heavy and lofty, his ten rings interlocked, and his voice calmly gave orders.

“Why do you need someone? Why don’t you report your name?”

“And, my granddaughter, you can see me if you say you see it?”

Shen Changqing shook his head and chuckled. The young people nowadays are really lawless and angry.

When he came up, he uttered a lot of words, not afraid that the wind would flash his tongue?

After all these years, what kind of battles and scenes he has never seen?

Therefore, he did not care about the current situation.

“Let Shen Moli, get out and see me!”

Lin Kai narrowed his eyes, and suddenly a cold light burst out, his tone was very cold, and it was a little frightening.

“Ha ha ha...”

Shen Changqing laughed dryly, did not speak, picked up the tea cup, tasting tea in silence.

The guard was also amused, staring at Lin Kai with a teasing look in his eyes.

They didn't even bother about how Lin Kai got in, nor were they concerned.

After all, a reptile, there is no need to care about these minor details.

Is it possible that this kind of waste can be turned upside down in the Shen family?

The atmosphere was full of irony for a while.

The laughter kept coming into Lin Kai's ears.

After a long time.

Lin Kai finally felt impatient and frowned slightly.

Just now.

boom!

Yinshen took a step, kicked on the ground, and suddenly a violent wave of air whistled away from the ground.

!

The entire ground, the entire Shen family's mansion, pieces of rubble were trembling crazily.

A flock of birds, frightened, hurriedly left.

The air wave whistled out with the dust, rushing towards the guard.

The guard let out a scream and was killed instantly on the spot.

Shen Changqing's hand holding the teacup stiffened instantly, not knowing where to put it!

"Either you pay someone or I kill someone!"

Lin Kai stepped out one step, a chill instantly filled the audience!

No matter who died, to him, it was just an insignificant ant!

Kill when you kill, never be merciless!

## **Chapter 1073: Otherwise Kill**

## Chapter 1073

Shen Changqing was instantly dumbfounded on the spot.

The endless cold wind poured back into his mouth, making his limbs numb, like a sculpture.

“Why, always ask my husband to repeat the words twice?”

“Why do you have to make my husband angry?”

Yinshen made a half-step mistake of Lin Kai and stood behind Lin Kai, with a blank expression on her face, and she couldn't see what she was thinking about.

Lin Kai fiddled with his tail fingers in every possible way, without saying a word.

Looks cold.

Hearing this huge movement, Shen Moli's father, Shen Long rushed out of the living room quickly.

Seeing that the Shen family mansion was demolished, it was like ruins.

An anger instantly filled Chen Long's face to crimson red, his teeth rattled.

What the hell...

For fifty years in Donghai City, no one has dared to be presumptuous in the Shen family. This time the other party is not only presumptuous.

Half of the house was demolished.

Are you tired and crooked?

He wanted to speak loudly, but he squirmed his lips. After all, he didn't say anything, he didn't dare!

After all, my father was in a daze and didn't speak.

And the coldness on Lin Kai's body made his scalp numb!

Shen Changqing took a breath and came back to his senses. The hand holding the teacup was straining because of the force.

You inexplicably come to the door and order the old man to let his granddaughter get out.

Then, without saying anything, half of the mansion was demolished.

And killed one of my guards as soon as he shot!

To the end.

Or is my Shen family wrong?

Shouldn't my Shen family make you angry?

Too overbearing, right?

"Before you have figured out the cause and effect, are you a bit too presumptuous in doing this?"

"You don't put my Shen family in your eyes at all?"

Shen Changqing slapped on the table with a heavy slap, and the tea cup suddenly fell apart, making a hum that resounded through the world.

Lin Kai stepped forward, stretched out his hand to pick up a cherry blossom, and stood beside Shen Changqing.

Appreciating carefully, smelling the smell of cherry blossoms.

He said coldly: "It is your responsibility if you don't know what your granddaughter did."

"Could it be that Lin taught your granddaughter to be like this? I am not her father."

Shen Long stood aside, hearing this, he almost didn't vomit a mouthful of blood.

Shen Changqing didn't speak, he didn't know what his granddaughter did outside that was insulting.

Without understanding the cause and effect, if you speak indiscriminately, it is indeed uncontrollable.

"Long, see where Jasmine is, and contact her as soon as possible."

Shen Long hurriedly lowered his head and said: "I know my father, I will call her now." quickly.

The scene fell into a long period of silence.

No one spoke again.

The Shen family's guards all walked out of the dark, standing in the distance at this moment, staring at the situation closely.

They want to do something to solve this problem.

But before Shen Changqing spoke, they could not make a decision without authorization.

"Good Dahongpao, alas." Shen Changqing sighed, looking at the dust and tea scattered on the ground, feeling a little distressed.

He doesn't feel sorry for the money, but he really likes tea.

Lin Kai's behavior is no different from destroying his beloved baby.

Lin Kai clings to a cherry blossom, watch it carefully.

In fact, he really likes these beautiful but lonely artworks.

To him, life is like a flower, after blooming, it will die.

"Your Excellency, in fact, there is no need for such a big fight for some trivial matters."

"It's three million. It's a bit of care to make up for my granddaughter's fault."

When Shen Changqing saw that Lin Kai did not speak, he took the initiative to speak to the other party.

It's not that he doesn't want to start with Lin.

But not willing.

After all, his Shen family is a well-known householder, and because of some minor incidents, he injured a reptile.

When it is spread out, people will say that his measure is small, and it will definitely outweigh the gain.

When he reached this point, he didn't care about millions, and he cared more about his reputation.

Lin Kai smiled slightly: "You old thing, do you love feathers?"

"However, even if you spend 300 billion, this matter today cannot be resolved."

After speaking, he took the initiative to pull up a chair and sat down slowly, observing the distance, and stopped speaking.

Shen Changqing's complexion suddenly sank.

What's the big deal?

What did his granddaughter do?

When he was in doubt, Shen Jasmine, wearing a cheongsam and black stockings, quickly walked from the door.

When she saw Lin Kai, she subconsciously glanced twice.

She swears that she has never seen such an outstanding young man in Jianghai City.

The facial features are sharp like a knife, and the aura is extremely powerful.

But after only two glances, a hint of discomfort flashed through. She didn't like the look in Lin Kai's eyes very much.

It was as if all the secrets had been leaked by him.

Can't hide at all.

"Oh, I'm exhausted, I finally finalized the contract in the past half month."

"Grandpa, is your grandson particularly capable? Can you give me some business?"

Shen Moli acted like a coquettish in a delicate voice, and she took Shen Changqing's arm and rubbed it back and forth.

"Hehe, when did Grandpa break his promise?"

"As long as you take down the contract, Grandpa will leave the business to you."

Shen Changqing rubbed her head fondly, then poured a cup of tea for her.

Lin Kai stared at Shen Jasmine, and said coldly, "Return all the things you robbed. There is not much time and Lin has not much patience."

This statement came out.

The expression in Shen Moli's eyes suddenly turned dark, and the corners of her mouth evoked a gloomy chill.

What dog thing?

Dare to talk to her in this tone?

Lively twisted?

“Do you know this little friend? He will see you as soon as he comes over. Did he cause something outside?”

Shen Changqing scolded harshly.

Shen Moli snorted and let out a sigh of relief: “Who are you? What do I, Shen Moli, need you to point out?!”

“Also, since I got something in my hand, I would never vomit it out. It’s a mess, a mess!”

It was the first time she met with each other, so naturally she didn’t know each other.

“grandfather.”

“I grabbed this contract, but I don’t think I made a mistake.”

“After all, the resources of this world have always been limited, and certain resources are only possessed by the strong.”

Shen Moli didn’t feel any guilt, but was justified, complacent, and talked freely.

“It turns out that, although the handling method is a bit too strong, it is not a big deal.”

“Your Excellency just come over and fight for this little thing?”

“If this is the case, I am afraid that you will not be able to get out of this gate today!”

Shen Changqing stood up suddenly, slapped on the table with a slap, chills flashing in his eyes.

“money.”

“I do not care.”

Lin Kai shook his wrists, and then put his hands behind his back: “But, it’s a crime to injure Lin’s friend!”

“Today, your Shen family must give an explanation to Lin, otherwise they will kill!”

## **Chapter 1074: The Shen Family Is Too Crazy**

## Chapter 1074 The Shen Family Is Too Crazy

“Your Excellency, could it be that my Shen family was completely ignored?”

“The old man has lived for so many years, and there are not a few people who have seen it, but it is the first one to see you like you, dare to be so presumptuous in my Shen family!”

Shen Changqing’s face was gloomy as water, and he stood up suddenly, a fierce flash in his eyes.

He has never been afraid of things.

I was even more afraid that the Shen family had been in the East China Sea for so many years. I really didn’t think that this yellow-haired boy could shake the Shen family.

With his cold voice fell.

Hu Hu Hu-

The guards of the Shen family overlapped one after another, and strong figures quickly covered the entire Shen family mansion, blocking the water surrounding the mansion.

All of a sudden.

The air is full of killing.

Everyone stared at Lin Kai with enthusiasm, clenched fists, ready to do it.

however.

It is in this situation.

Lin Kai was still calm and calm, with his hands behind his back, ignoring the hundreds of strong men in front of him.

He turned and stepped.

Walking towards Shen Changqing, with a smile between his mouth: “It’s a coincidence, it’s the first time Lin saw that someone made a mistake, so he can be confident.”

Shen Changqing’s complexion suddenly changed.

My heart trembled very much.

A pair of vicissitudes of life, staring at Lin Kai closely, did not speak for a long while.

He was a little lacking in confidence, and he was amazed.

Before he knew Lin Kai's identity, he didn't dare to do it easily.

If the opponent is really just killing it single-handedly, can he be so calm in the situation in front of him?

This young man is really amazing, what kind of character is he?

Unexpectedly, Shen Changqing felt that his head was a little big, but his expression was cold on the surface, which was \*\*\*\* for tat.

At this level of him, he has already practiced his ability to hide emotions to the point of perfection.

Shen Moli suddenly raised her head, her eyes were fierce, teasing: "I have to say, you are the most courageous person I have ever seen."

"However, I didn't \*\*\*\* it, but the \*\*\*\* offered it with both hands and gave it to me!"

She had guessed who Lin Kai was here for, sneering in her heart, she didn't care at all.

Lin Qianqian has been doing business in Donghai City for so many years, and she knows her background and background very well.

If there are really powerful and powerful people behind her, it is impossible for her to not know, and it is impossible for her to attack the other party.

Therefore, she can be absolutely sure that Lin Kai is just one bug that her Shen family can crush to death at will.

"Grandpa, you step back first, because he is not qualified to talk to you directly."

Shen Moli stood up, pushed Shen Changqing back, and walked in front of Lin Kai, her face full of helplessness.

In fact, according to reason and common sense, Lin Kai is not qualified to talk to her.

However, the people in her family are the youngest in her family, so she can't help but say something to this reptile.

Shen Changqing retreated to the back and smiled with relief.

It seems that her granddaughter is really mature, as long as she can handle this matter.

Then you can consider and give her the full power of the company to take care of, and you can do some assistance by yourself.

Heard her remarks.

Lin Kai raised his hand and said coldly, "Go on."

He was really curious about how far Miss Shen's family could swell.

What level can black and white be reversed?

"This is true. This young lady definitely didn't lie to you. If you don't believe me, I can show you evidence. At that time, I filmed the video. I was afraid she would deny it."

Shen Moli looked playful, smiled playfully, raised her eyebrows, and took out a mobile phone from her bag.

At this moment, she was not in a hurry to kill Lin Kai, she just wanted to play with him.

She stretched out her slender white fingers and operated on the phone, and within a short while, there was the sound of fists.

"Oh, why Lin Qianqian was beaten by someone? When I recorded the video, I didn't even notice."

"Ohhhhh, what's the matter with her, why did she kneel down for Ben Qianjin, is it possible that Ben Qianjin is her mother?"

Shen Moli was covering her mouth, her smile trembled, tears almost streaming down.

That video was not from the side, it was the last time that Shen Moli called the security guard in the bar to subdue Lin Qianqian.

Lin Kai's eyelids lifted slightly, "I only wanted to make trouble for you alone. It seems that I can only use the human way to cure the human body. This is the method."

In an instant.

Lin Kaixin was full of murderousness.

He wanted to cause harm to his family, but he didn't expect that this family would be so conscientious, not distinguishing right from wrong, and selfish.

Then, only give the other party a heavy price!

"Oh, brother, your angry look makes me so scared. Don't scare others."

Shen Moli sneered disdainfully. You still want to avenge me, next life!

Lin Kai frowned, rather impatient.

He was about to order the stealth to do it.

Suddenly outside the door came the hum of the engine's reputation.

I see.

A bright white extended version of Lincoln rushed straight into the courtyard.

Everyone's complexion changed when they saw the car.

"Father, Li Cheng's family is here!"

Shen Long looked solemn, and quickly walked forward, whispering a report to Shen Changqing, respecting each other.

"Notify the next person, hurry up to meet him, and Jasmine will go with him!"

Shen Changqing looked a little flustered, and hurriedly ordered to go down, then, smiling, walking towards the car like a second kid.

Li Chengjia once appeared on the Asian rankings and is an extremely successful entrepreneur.

Even now it is not as good as before, but the lean camel is bigger than the horse. Even if the Li family is down, his Shen family still can't compare.

A real business wizard who is famous in Asia.

And the Shen family was just playing in the East China Sea. Compared with the Li family, it was just a little trouble, little fish and shrimp.

Can't compare.

In just two minutes, everyone had forgotten Lin Kaijii.

For Shen Long, Shen Changqing and Shen Jasmine.

What is Lin Kai?

Not even qualified to occupy their memory.

“I didn’t seem to be here at the right time. What is the Shen family doing today? Why is it so lively?”

Li Cheng’s family got out of the car and looked at Shen Changqing with a smile and asked.

Shen Changqing smiled and flattered, and bowed: “I am planning to get rid of a reptile, but I don’t know what wind is blowing Mr. Li over?”

“Uncle Li, you happened to be here, just now my grandfather was still talking about your name.”

“Said to ask you for advice and advice on how to do business. No, you are here.”

Shen Moli said sweetly, she was completely different from her attitude towards Lin Kai, she was really too enthusiastic.

More passionate than seeing my father.

“Ask for business, I don’t think it is necessary?”

“After all, the Shen family is so mad nowadays that they don’t put me in the eyes at all!”

Li Chengjia snorted coldly, and his eyes were completely indifferent after holding his hands.

## **Chapter 1075: Disregard The Heroes**

### Chapter 1075

Shen Changqing’s heart clicked, his face pale as paper.

The scene suddenly became deadly silent, and everyone stared at Li Chengjia’s expressions, only feeling the cold hairs rising all over.

If it provokes this dissatisfaction, I am afraid that the entire Shen family will suffer.

“No, I don’t understand. I have never been disrespectful to Mr. Li. Why did you say that?”

Shen Changqing’s heartbeat speeded up, his tense palms were already covered with viscous sweat, he took two breaths of cold breath, trying to restore his composure.

Li Chengjia remained expressionless.

Shen Changqing gritted his teeth and sternly reprimanded: "Jasmine, did you provoke the Li family's son? Did you do something wrong?!"

Shen Moli hurriedly complained: "Grandpa, I won't provoke Young Master Li. That's Uncle Li's child and Jasmine's brother. I won't, I promise!"

"Ha ha"

"It seems that Mr. Shen still doesn't know me well?"

"My children are wronged outside, and that is because they are not up to date, and I will never stand up for them."

Li Chengjia glanced at Shen Changqing coldly, stepped forward, and said, "I'll talk about this later."

His steps are fast, and as he walks, a passionate smile appeared on his face, like a chrysanthemum in full bloom.

Shen Changqing, Shen Moli, and Shen Long all lowered their heads, frowning and pondering, where did they provoke Li Cheng's family?

Therefore, my heart was flustered, my head was confused, and I didn't make a clear picture of the situation in front of me.

But in the next second.

The Li Cheng family, who was just angry, suddenly bowed and said, "The head of the Li family, Li Chengjia, has met Mr. Lin. Please don't blame him. You will come here!"

boom!

When everyone saw this scene, they just felt like five thunderbolts!

Shen Changqing's horrified souls were stunned and almost disappeared.

Shen Moli's legs softened and she almost knelt on the ground.

Everyone from the Shen family turned their mouths straight and their temples swelled frantically.

This

What is his situation?

Li Chengjia, the owner of the Li family, who was once famous in Asia, bowed in front of a yellow-haired boy, with a smile on his face to please?

It's incredible!

It's too terrifying!

This Nima...

Hiss.

Everyone kept sucking in cold air, covering one another, ups and downs for a long time, and they didn't disperse for a long time.

They were all on the spot, like sculptures.

The wind is too much.

The chill is all over the body.

They shuddered and reacted.

"What, what to do, dad? This one, we can't afford to provoke this one!" Shen Long asked in a panic.

Shen Changqing suppressed the fear in his heart and waved his hand: "Don't panic, don't panic."

At this moment, he didn't know what to do.

there.

Li Chengjia smiled slightly, bowed and said, "I came today mainly to apologize to Mr. Lin."

"What happened a few days ago, it is true that I made the mistake first, and I can't help but please don't take it to heart."

Although he said that he was here to apologize, but he actually came to test Lin Kai's attitude.

Li Shengxian informed Li Cheng's family of Lin Kai's banquet tomorrow.

But Li Chengjia felt something wrong in his heart and hurried over.

after all.

After the conflict with Lin Kai that day, he left the Li family directly and never came back.

He was afraid that Lin Kai would really leave the Li family.

“I will visit tomorrow, and I don’t need Mr. Li to come personally.” Lin Kai responded with a cold expression: “I still have important things to deal with.”

“understand.”

Li Cheng’s family gave a grin and quickly walked towards the car, without even looking at the Shen family, preparing to leave quickly.

See this scene.

Shen Changqing’s heart tensed and stopped Li Cheng’s path, and asked tremblingly: “Sir, this one, who is this one?”

“Who?”

“I don’t know who he is, but if your Shen family doesn’t want to die, please apologize honestly.”

“Anyway, I can’t afford to provoke, and I dare not intervene for a while!”

Li Chengjia snorted coldly, and passed by. After getting in the car, he ran away, as if running away.

Shen Changqing was silly on the spot.

Li Cheng’s family can’t afford it?

It’s a big deal!

At this moment, many people were already surrounded outside the door, all of them were Shen Changqing’s neighbors. There was such a big disturbance, it would be strange if no one came.

and.

The people living here are either rich or noble, and none of them are ordinary people.

They probed their heads to observe the conditions inside.

“What’s the situation? So many Shen family guards have come out, is there someone making trouble in the Shen family?!”

“It’s impossible, isn’t it? These days, there are really people who are not afraid of death and provoke the Shen family?”

The rich and powerful find it incredible, this is too terrifying, too exaggerated.

How does the Shen family exist?

Except for the existence of several top Li Cheng family, who would dare to be so presumptuous?

At this time.

A young man with fat head and big ears walked out of the crowd before he could figure out the situation.

Taking a horoscope, holding his head high, pointed at Lin Kai in the air and yelled: “Dog stuff, kneel down to Mr. Shen right away, have you heard?”

“Otherwise I will interrupt your dog legs later!”

He is pretending to be a tiger, triumphant and complacent.

After speaking, with a pleasing smile, he looked at Shen Changqing, and wanted to lean on the big Buddha of the Shen family.

But the next second!

“Snapped!”

Shen Changqing slapped a fierce slap directly on his head, and then did not hesitate.

boom!

Kneeling directly on the ground with his legs, he tremblingly said: “Mr. Lin’s matter today, the old man must give you a satisfactory explanation!”

Seeing this, Shen Long also knelt on the ground and shouted: “Please also Mr. Lin not to rush to kill, my Shen family will definitely meet your conditions.”

Shen Moli was already shocked and stupefied, and it took several seconds to react and knelt on the ground fiercely.

“Wh, what’s the situation?” The fat-eared young man almost bit his tongue in shock.

This?

The head of the Shen family actually knelt down?

The other party is still a yellow-haired kid?

“Hurry up for Laozi, dog stuff.” Shen Changqing lowered his head and gritted his teeth, his voice suppressed to the extreme.

What he did.

Don't you dare to speak wildly without seeing yourself?

It's good for you. When you came up, I took Lao Tzu to scold him and talked to me.

Do I know you?

If Lin Kai misunderstands our relationship, I will kill you on the spot!

If you want to die, I want to live another two years.

“Hiss.”

The dignitaries who were onlookers suddenly felt that the matter was big, and immediately fled. They didn't dare to hesitate.

Seeing this scene, the fat-eared young man ran out frantically, running faster than a rabbit.

“You, get out of here.” Lin Kai took out the handkerchief, wiped the sweat on his cheeks, and instructed Shen Jasmine.

Shen Moli was almost crying now, and she glanced at her father and grandpa timidly.

She was very scared, did not dare to go forward, nor faced Lin Kai.

Unexpectedly, the two of them didn't even look at her, their heads lowered, and they dared not say a word.

## **Chapter 1076: Now Continue To Be Arrogant?**

Chapter 1076 is still arrogant now?

In desperation.

Shen Moli moved forward on her knees, the more she moved forward, the more nervous and scared she was.

It was clearly visible that her body was trembling frantically.

Lin Kai looked at her silently, picked up the tea cup on the table, and drank it in one fell swoop.

“Sir, you actually misunderstood, you really misunderstood the relationship between me and Lin Qianqian.”

Shen Moli raised her head, her face pale as paper, and a smile appeared, looking very ugly.

Lin Kai did not speak.

The handkerchief stroked the heart of the mouth every inch, and the remaining tea was wiped clean.

“In the past few years, Lin Qianqian and I have been brothers and sisters, and we have the best relationship. How could I humiliate her and bully her?”

The more Lin Kai took this attitude, the more nervous and fearful Shen Moli became.

At this moment, the voice of speaking was trembling.

“You find security to beat her.”

“You snatched her watch, and told her to kneel down and apologize to you without dignity, not to mention the contract she had obtained so hard to take away.”

“I also want to take away her company. This is what you mean by brothers, sisters?”

A sneer spread from the corner of Lin Kai’s mouth and asked calmly.

This behavior is not only to drink other people’s blood, but also to eat Lin Qianqian’s bones!

This is what Shen Moli calls deep love and righteousness?

Shen Moli was immediately speechless, unable to say a word, but still wanted to try to explain.

“Since it is so affectionate and righteous, Lin does not mind playing with you.”

Lin Kai raised his index finger, lightly nodded Shen Jasmine’s head, and said, “Take it away!”

With the voice falling.

Yinshen shot her hands instantly, claspng Shen Moli's collar with five fingers, as if he was holding a little chicken, and lifted her up.

Then, walked quickly toward the door.

Shen Moli struggled frantically, frightened and frightened, crying for help hoarsely: "Grandpa save me, I don't want to die yet, I'm still young and don't want to die!"

Shen Changqing's complexion was crimson, and his anger was extreme.

Angrily said: "Your Excellency is too much, even if my granddaughter is at fault, but it is not enough to give a life!"

Lin Kai glanced at him coldly, too lazy to respond.

Yin Shen whispered: "Don't worry, my husband is not interested in the lives of you ants yet."

"After all, the blood is too dirty, my husband cleans himself up and never likes dirty hands."

Shen Long's cheeks jumped wildly, speechless.

This Nima...

Although my Shen family is not a commercial hegemon, at least I am a well-known and prosperous household in Donghai City.

Don't even have the qualifications to die in your hands?

Too overbearing, right? !

The hundreds of guards of the Shen family all gathered around at this time, rushing in their footsteps, with a murderous intent on their bodies.

Both were staring at Lin Kai and the two men.

however.

It was under this circumstance that Lin Kai strode across with an overwhelming aura after holding both hands down.

One kind.

Knowing that there are tigers in the mountains, the domineering spirit of leaning towards the tiger mountains suddenly spread like turbulent waves.

“One step closer.”

“Kill without mercy!”

Yinshen’s sharp eyes swept the crowd.

Everyone felt the gaze of the hidden god, and suddenly felt cold all over, and a crisis of death came to mind.

The aura of the Grandmaster Realm is really too strong, so powerful that everyone’s scalp is numb, and it is difficult to resist!

Lin Kai left the Shen family safe and sound.

The dignitaries onlookers, seeing this scene, were suddenly shocked, and their faces were full of surprise.

“This Nima...?”

“Just left? Half of the Shen family mansion was demolished, the eldest lady of the Shen family was arrested for life, and left without such a thing?”

“But... no one dared to stop!”

Lin Kai who was able to do this in Donghai City was simply unprecedented.

It is the only one in the East China Sea!

This is him, too fierce, sturdy and domineering, too exaggerated!

...

...

Inside the ward.

Lin Qianqian sat up halfway, her brows furrowed, her state of anxiety, a pair of slender and white palms tightly held together tightly.

“Lin Kai, you must have nothing to do, and you must come back safely.”

“If you die, then I... then I will live in guilt for the rest of my life.”

A drop of tears kept slipping from the corner of Lin Qianqian’s eyes.

She blamed herself very much. She had known that she shouldn't have recognized Lin Kai at first, and she had known that she shouldn't have been involved in this matter.

The energy of the Shen family is too great.

Lin Kai went here, nine dead for a lifetime!

Lin Kai, Qianqian is so sorry to you, really sorry...

But at this moment.

The door to the ward opened,

Lin Kai walked over from the door, and also captured Shen Jasmine alive.

"Get away and apologize!"

Lin Kai took a cigarette out of his pocket and smoked it silently, his eyelids drooping, and he looked very impatient.

He just wanted to deal with it as soon as possible, otherwise it would be difficult to get out.

As soon as Shen Moli was put down by the hidden god, she rushed directly to Lin Qianqian and knelt on the ground with a "bang".

She tightly grasped Lin Qianqian's arm and said, "Sister, you must forgive me, and you must intercede for me, I don't want to die yet."

"For what happened yesterday, my sister is very sorry, as long as you can forgive me, I can meet all the conditions you set."

"Please... please help me this time!"

Bang bang bang—

After finishing speaking, no matter what kind of expression Lin Qianqian was, Shen Moli shook her head frantically, and the room could hear an echo.

boom!

This scene is like thunder bombarding the mind.

Lin Qianqian's head was about to explode, her eyes staring like copper bells, she looked at Lin Kai strangely.

“What, what’s going on?”

“You, how did you give the Shen family?”

Too shocking to the world, beyond imagination!

Is this the Lin Kai he knew?

He is an unknown person, what method did he use to achieve this step?

“How she hurt you in the first place, now she takes it back.”

A smile appeared at the corner of Lin Kai’s mouth and said lightly.

Lin Qianqian finally recovered.

It emerged in my mind how she was forced to apologize on her knees and kowtow yesterday!

“Snapped!”

Lin Qianqian gritted her teeth, slapped her face suddenly, and shouted angrily: “Aren’t you arrogant yesterday? You continue to be arrogant now!”

Shen Moli is almost regretful now.

What kind of thing is it?

Where does Lin go, the former richest man in Asia had to bow to his knees and call it Mr. Lin respectfully.

What a shit?

On the right side, the shoes are not suitable?

Didn’t you eat the courage of the bear heart and leopard, seeking your own death?

“I’m sorry, I’m sorry, I will return all your things, and I will compensate you, which will definitely satisfy you.”

Shen Moli continued to button her head, so scared that she kept crying for mercy.

She was really nervous and terrified.

“Get out of here right away, and when this lady gets better, let’s settle this account carefully.”

Lin Qianqian waved her hand, her eyes flashed with disgust.

Shen Moli did not dare to leave, and gave Lin Kai a timid look.

Lin Kai's face was expressionless and not acting.

Only then did Shen Moli hurriedly stood up and ran towards the door.

## Chapter 1077: Dog Blood

Chapter 1077

This subtle reaction shocked Lin Qianqian, Lin Kai, what kind of person are you?

"If the sir has no other instructions, the subordinates will retire first."

Yinshen bowed slightly, clasped fists in both hands, and whispered.

Lin Kai nodded slightly, and after hearing the order, Yinshen disappeared into the ward instantly.

Lin Qianqian stared at him, the meaning in her heart was difficult to understand.

Could Lin Kai really be his real son?

"Thank you." She gave a bright smile and thanked her heartily.

She knows very well what a woman asks for in her life, she is nothing more than a man, standing on your side regardless of black and white, right and wrong.

Even if he had made a huge mistake and was an enemy of the world, he would not hesitate.

When you are wronged, he can do his best to help you get justice back.

This

Probably the best man in every woman's heart is even more precious than Prince Charming.

The time has come to five o'clock in the afternoon.

As the sun sets, half of the sky is dyed red by the sunset.

It looks like a perfect picture.

Lin Kai walked to her, stretched out his hand to stroke her head, and said gently: "You are still the same as before, not much changed."

"Have an orange."

Lin Qianqian personally pushed aside the oranges and fed them into Lin Kai's mouth.

Lin Kai looked stiff.

Suddenly noticed that his behavior was a bit too ambiguous.

Immediately stepped back and said embarrassingly: "If you misunderstood, I'm sorry."

He really just regarded Lin Qianqian as his sister.

If, as a brother, it is normal to touch his head and show intimacy.

But he was afraid that the other party would misunderstand...

This behavior and attitude made Lin Qianqian's heart tense, her face dimmed and her head lowered.

Did not speak for a long time.

She clenched her palm tightly, the orange had been squeezed, and the water was splashing everywhere.

"you"

"Don't you like me half?"

"Lin Kai, let me tell you the truth, this girl likes you."

Lin Qianqian's facial features were extremely gloomy, she raised her head and stared at Lin Kai with a strong attitude.

Lin Kai felt a little overwhelmed and froze in place.

He doesn't know why.

Why did Lin Qianqian say such things suddenly?

Since ancient times, there have been heroes to save the United States, some people may think it is very old-fashioned.

But don't forget one sentence, beauty loves heroes.

Throughout the ages, how many beauties have accompanied heroes?

Many people should clearly understand Diao Chan's story.

At this moment, in Lin Qianqian's heart, Lin Kai is her hero, giving her the safest sense of security in the past twenty years.

"I like you."

Lin Qianqian held her head high, walked quickly off the hospital bed, stared at Lin Kai with a dull face, and said loudly.

Her tone was strong and strong, beyond doubt.

No one understands how she came over these years!

A person is abroad, a person works hard, and a person rushes.

No one cares, no friends to say something intimate.

There is no man to make her feel that she is dependent.

Knowing Lin Kai, she has never regretted or regretted it in her entire life.

Finally, a world-famous hero came to her side, no matter what, she must seize this opportunity.

Must get him!

Lin Kai squirmed his lips, just about to speak.

Unexpectedly, Lin Qianqian suddenly approached and slammed him on the wall, "You don't like me? Or do you think I am not beautiful, or is my figure bad?"

"I have learned Sanda and practiced yoga. I will never let you down in figure. I am proficient in all kinds of piano, chess and calligraphy. I understand French, German, English and Mandarin!"

"The only drawback is that I can't cook, but I can learn."

Lin opened his mouth, speechless.

It was the first time he saw others promoting himself like this, and it was also the first time he was confessed so strongly by a girl.

He hadn't thought about such things in his entire life.

Where did you know that it came so fast.

“Sorry, my mind is a little messy.” Lin Kai couldn’t resist, and quickly left the ward.

He really couldn’t figure out what happened to Lin Qianqian, why suddenly she seemed to be a different person.

Lin Qianqian returned to the bed.

A smug smile was outlined at the corner of his mouth.

Unexpectedly, Lin Kai, who was just so powerful, had such an embarrassing side.

seem?

Have no love experience?

in fact.

With Lin Qianqian’s appearance, coupled with her slender and fair skin, wrapped in black stockings, plump and well-proportioned legs, and her body that is protruding backwards.

For any man, he would praise the best stunner.

In that situation just now, he would definitely throw him on the bed and spoil him fiercely.

Can’t hold it at all.

But Lin Kai did not.

Otherwise, there is no need to wait for her Lin Qianqian to come forward. Not long ago, the best product named Dong Shu had long been kneeling down and docile her.

Lin Kai stayed in the corridor for ten minutes, but still couldn’t find a way to deal with Lin Qianqian.

So he turned and left, found a car, and hurried in the direction of Li’s house.

...

...

At this time, Li’s house was decorated with lanterns and festoons, and people were hanging couplets, moving wine and decorating the yard.

The atmosphere at the scene was extremely lively, and everyone was busy preparing for tomorrow's banquet.

When Lin Kai passed by.

The subordinates changed their colors and hurriedly bowed: "I have seen Mr. Lin."

Such respect is not only the arrangement of Li Cheng's family, but also their most true thoughts.

After all, the young man in front of him was a madman who suppressed the entire Li family with one hand.

How dare they disrespect?

Lin Kai went around in Li's house, but Li Shengxian and Li Haoxian did not find them, so they didn't know what they were busy with.

Except for the subordinates of the Li family, the thirteen sons of the Li family and Li Cheng family are all absent.

Hearing from others, it seemed that I was going to invite the local rich family in the East China Sea to post an invitation.

Lin Kai sighed and turned around to go back to his room.

Where did I think, suddenly I heard a woman's voice.

The voice was charming and beautiful, although it was relatively small, it was still caught by Lin Kai's ears.

He followed the voice and frowned suddenly.

Isn't that the house where Li Haoxian's wife Wang Rong lives?

Immediately, he stepped forward curiously and gently opened the door.

Haven't taken two steps yet.

I saw Wang Rong with a hot body and exquisite features lying on the bed, eyes closed, rewarding herself with passion.

The voice is getting louder and louder, and the waves are getting stronger.

In an instant, Lin Kai's complexion was flushed, and his heart was broken. How could such a thing happen?

The strangest thing is, why did she do this?

Could it be that Li Haoxian can't satisfy her without paying public rations at night?

Lin Kai hurriedly turned around, trying to escape.

Without knowing that he had just moved, Wang Rong opened his eyes and saw Lin Kai at a glance, and said charmingly: "Don't, don't go, brother..."

Lin Kai froze, speeding up his pace and leaving.

No matter what I thought, Wang Rong was faster than him, rushing to hug him.

"..." Lin Kai was full of black lines on his forehead.

## Chapter 1078: The Banquet Begins

Chapter 1078

The other party's behavior was extremely dishonest. Lin sneered happily. He didn't expect this woman to be so stray.

He didn't just come to Li's house at all, and he seemed to be inferior.

He forcibly suppressed the burning fire in his heart and kept himself calm.

And quietly, he gestured to him in secret.

Almost instantly.

The hidden \*\*\*\* appeared behind Wang Rong and knocked her out.

Seeing Wang Rong, who was lying on the ground, was \*\*\*\* and enchanting.

Lin Kaixin makes a living, but Zhengzhou has no way to rectify Li Haoxian, so you take the initiative to send it to the door.

It just happened!

Yinshen let out a smirk and said, "Sir, let me solve this kind of thing, and promise that she won't recognize me later."

Finished.

He carried Wang Rong and walked into the room.

At this time, the room was extremely dim, the lights were not turned on, and even the face of the person could not be seen clearly.

So even if you have any monitoring equipment, you are not afraid to expose flaws.

Lin Kai sat in the living room, listening to the sound coming from inside, let out a chuckle involuntarily.

...

...

Three hours later.

Wang Rong stepped out of the bed and took a breath, her calf trembling wildly.

The whole body is soft, without a trace of strength.

Get out of the room.

She looked at Lin Kai as if she had found a treasure, hot and crazy.

“I remember when I first came to Li’s house, you seemed to look down on me? You said I was a dumpling?”

Lin Kai sat in a chair, poured a cup of tea on his own, and asked coldly.

He disguised well, and Wang Rong didn’t notice the slightest flaw.

Wang Rong hurriedly acted like a baby, and leaned over Lin Kai’s body, and whispered in a low voice: “Oh, isn’t this family now conquered by you?”

“It’s watery when I think of you. I must have known that you are such a ferocious man. Who would say that to you, wishing to call your father every day.”

She has been begging for mercy and begging.

But Lin Kai didn’t let it go, and Wang Rong couldn’t stand it.

“Don’t contact me for such matters in the future,” Lin Kai said coldly, and then quickly left the room.

Seeing him leaving behind, Wang Rong quickly returned to the room and took out the memory card from the pinhole camera.

She held it tightly, and a successful smile flashed at the corner of her mouth: “Lin Kai, do you really think that you will escape from my palm?”

“From now on, I will teach you to belong to Wang Rong alone.”

Originally, today’s scene was arranged by Li Haoxian, whose purpose was to seize Lin Kai’s handle.

And Wang Rong was also very cooperative. After all, she was dissatisfied with her desires, and even feared that Lin Kai could be a tough guy who could defeat the entire Li family alone.

The strength is extremely terrifying, for Wang Rong, this is also an opportunity to climb the dragon and attach the phoenix.

How can you let it go?

can

Now that the evidence is in hand, she has other ideas. Instead of following Li Haoxian to rectify Lin Kai, it is better to follow Lin Kai to rectify Li Haoxian.

At this moment.

She has been completely conquered by Lin Kai, and that powerful fighting ability is exactly what she desires and needs.

...

...

The next day, night.

Hundreds of luxury cars flocked to the Li family residence, men and women walking side by side.

They are dressed in designer hand-made clothes and wear watches that show their identity.

The whole body exudes a kind of aura of a superior.

The number of people increased and the atmosphere of the banquet was ignited. They were very polite and literate, but they talked about business.

As if not letting go of any opportunity to make money.

For ordinary people, this may be just a banquet for the rich, whose main purpose is to have fun.

But for these corporate celebrities, any party banquet is a good opportunity to make business partners and make money.

Depending on the location, what you see is naturally different.

All the 13 sons of the Li family were present at the moment.

Li Haoxian was holding a wine glass and greeted everyone frantically, as if there was no one who didn't know him.

Wang Rong stood beside Li Haoxian, facing Lin Kai who was sitting on the sofa, winking and licking her lips.

Li Shengxian looked blank and said, "Brother Lin, my sister-in-law...?"

She doesn't know why.

Why did Wang Rong suddenly have this attitude?

Lin Kai said jokingly, "I played her, do you believe it?"

He didn't intend to tell the other party the truth, and it was not suitable to talk about this kind of topic on this occasion.

Li Shengxian's face jumped, picked up the goblet, drank the red wine in it, and jokingly said: "Believe, how can you not believe it? With Brother Lin's ability to conquer all my sister-in-law, I believe it. "

Lin Kai lit a cigarette and asked, "Aren't you angry or angry?"

Li Shengxian smiled more openly, and put his arms around Lin Kai's shoulders and said: "How can I be angry? This is a very good chess piece. Maybe she will become me and defeat Li Haoxian's sharpest sword!"

"Moreover, a woman who is unstable in her bones will cheat sooner or later. Rather than make others cheaper, it's better to make a big brother Lin."

Put it in the past, maybe Li Shengxian can't accept it.

Can be put now.

That is simply wonderful.

Lee Ho Hyun is just an enemy, a pure enemy. As an enemy, how could Lee Seung Hyun feel ashamed for the enemy?

“Very advanced, but I don’t like it.” Lin Kai flicked the soot, his expression cold.

Li Shengxian sighed and whispered, “I don’t like it either, but...I have no choice.”

Just now.

Li Haoxian, holding a glass of wine, quickly walked towards Lin Kai, and introduced with a smile: “I would like to introduce this grandly, this is Lin Kai, the driver of my thirteenth brother.”

Behind him stood a middle-aged man with a smile on his face, but after hearing this.

His face was instantly drooped, and he coldly snorted: “Mr. Li, if you do this, are you humiliating me? A driver, what can I introduce?”

Li Shengxian smiled slightly and said, “He is the most trusted and reliable person around me.”

“That’s it, I’m lucky enough to meet.” The middle-aged man showed a smile and stretched out his hand to shake hands with Lin Kai.

Lin Kai played with the watch Lin Qianqian gave him, his eyelids drooped, and he didn’t even glance at the other person.

He is not interested in this person.

The middle-aged man, whose real name is Zhang Chen, suddenly froze in place, he didn’t close his hands, and he didn’t know where to put it.

An anger rose in my heart, grass, a driver dared to put on the score in front of me, too tired, right?

“Introduce grandly, this is Zhang Chen, Uncle Zhang, a well-known stocks tycoon. He invested 5 million in the previous year, and he just made 300 million speculation.

“Moreover, I’m currently considering investing in some businesses. As an inherent asset, maybe the thirteen brothers have a chance to cooperate with him.”

Li Haoxian’s face was ugly, this Lin Kai was too crazy.

But he didn’t dare to be arrogant in front of Lin Kai, after all, he still vividly remembered the last time.

He understands that if he becomes presumptuous, he will not get any benefits at all.

Li Shengxian smiled without speaking.

He knew that Li Haoxian was not good, so he would not be fooled.

Said to do business.

Maybe it was stumbling in secret, trying to cheat him!

## **Chapter 1079: Too Lazy To Bother About Crawlers**

Chapter 1079: Too Lazy About Reptiles

With the current situation, Li Shengxian already understood.

Among my own brothers, no one is my own brother.

It is an enemy through and through. No one can be trusted, only oneself can be trusted!

Zhang Chen's expression of excitement cooled down. How about these two people facing themselves?

Is this simply not putting me in the eye?

It's really funny. I don't even look at my status or status. How dare I be so rampant in front of me?

What angered him most was that a little driver didn't put him in his eyes.

Since the banquet was hosted by the Li family, many business tycoons at the scene focused their attention on Li Haoxian.

After sensing the movement, everyone turned their attention to Zhang Chen and others.

After feeling everyone's gaze, Zhang Chen felt completely lost, and shouted: "Sure enough, there are any kind of dogs!"

"You are a driver, I really don't know, what qualifications do you have to play here!"

"Do you think you are more noble than everyone on the scene?!"

He hummed coldly, deliberately raised his voice, and pointed at Lin Kai's nose angrily.

This statement came out.

The crowd suddenly made a voice of dissatisfaction.

“What about him... When did the Li family’s driver be eligible to join the party?”

“It’s so disgusting, where is such a person’s qualifications equal to me.”

“I don’t look down on people either. To tell the truth, my one month’s consumption may be his family business that he has worked hard for ten years!”

There was ridicule, sarcasm, and roar of laughter.

Of course more is anger.

Zhang Chen raised his head, arrogantly like a white swan, overlooking Lin Kai with a condescending attitude.

I am very proud.

You want to fight with me because you are a stinky driver?

Just lie down at the feet of Lao Tzu and accept my anger!

A sneer flashed at the corner of Li Haoxian’s mouth, which happened to be the result he wanted.

You have no reason to trouble me now, right?

I will definitely return all the humiliation I suffered a few days ago, and let you know how much I Li Haoxian has!

“You...” Li Shengxian slapped angrily on the table, and suddenly wanted to stand up.

But at this moment.

Lin Kai, who had been silent, shook his wrists, stood up, and stopped Li Shengxian.

then.

Place his eyes on Zhang Chen.

Not waiting for Lin Kai to speak.

Zhang Chen’s eyes widened, pretending to be scared and said: “Everyone sees it, he is angry, he wants to do it, he is indeed a hillbilly, without any quality!”

The rich and powerful sneered again and again.

They stopped the business conversation, picked up the goblet, leaned on the sofa, and watched the theater excitedly.

“I didn’t expect to see such an interesting scene. A driver and Zhang Chen got on the bar. I don’t know how long he can be arrogant!”

“Just watch the show. I will break the dog driver’s leg and discount his waist later. It is really interesting to hear him begging for mercy.”

Sitting in their position is most related to interests, and the lives and deaths of others have nothing to do with them.

What’s more, some people have special hobbies.

Lin Kai slowly sipped the red wine, lowered his head, his eyelids drooped.

He pursed his lips.

Then he raised his head slightly, pretending to be puzzled: “When will you represent everyone?”

His eyes were cold, his tone was like ice, and his face was cold.

His eyes are as sharp as a knife, sharp and sharp, full of offensiveness.

At the moment Lin Kai’s eyes were touched, Zhang Chen couldn’t help but shudder, feeling a little flustered.

This time, he became even more angry.

I must not lose face here!

“Isn’t it?”

“What is my status as Zhang Chen? It is your great honor to talk to you. You should respond to me instead of being rude and not even looking at me!”

“You know that with a word of mine, you can never stand up in your life. Are you unworthy and arrogant in front of me!”

A smirk was drawn at the corner of Zhang Chen’s mouth, and he gritted his teeth and shouted coldly.

“Where did the dog move? Move back!”

Lin Kai frowned slightly, rather impatient.

Li Haoxian gave Li Haoxian a cold look, then sat on the sofa, tilted Erlang's legs, and looked out the window silently.

Li Haoxian gritted his teeth secretly in his heart, grass, you are really arrogant.

How dare you teach me how to do things in the crowd!

However, he dared not clashed directly with Lin Kai, so he could only smile helplessly and spread his hands: "This gentleman, I can't control it!"

After he finished speaking, he stepped back, planning to sit on the mountain and watch the tiger fight.

"How dare you insult Mr. Zhang as a dog? You are so courageous! Do you know how powerful Mr. Zhang's stock trading methods are?"

The young man whose real name was Rongshan slowly walked out of the crowd. He tugged on his suit and raised his head high, his face full of disdain.

"Sit on the well and watch the sky bugs."

"Mr. Zhang Chen earns money a day, the amount you look up to in your life!"

"With your identity and strength, even if you kneel down and shout grandpa to Mr. Zhang, it is reasonable, and no one can pick it out."

Rongshan's friend Zhang Zhiqu walked to the right of Rongshan, smiled slightly, and said insults.

The other dignitaries nodded silently when they heard this.

Nothing is wrong, this world has always been the weak and the strong. As the weak, you should be bullied.

Lin Kairen couldn't help laughing and waved his hands again and again.

Then he held his cheeks, looked out the window, and said, "I understand what a few people mean. I won't speak anymore. Can you let me go?"

He is too lazy to care about each other.

With his knowledge and identity, no matter how well these people mix in Donghai City, they are nothing more than a group of grasshoppers and reptiles.

Saying a word to them is losing one's worth.

And these humiliating remarks, as far as Lin Kai is concerned, are just a group of dogs barking, and he is too lazy to hit them!

Li Shengxian was not at his level, unable to calm down.

“Grass! What are you guys like, shut your mouth!”

Li Shengxian rushed into the crowd, stood up and overturned the table fiercely. The drink instantly broke.

All of a sudden.

The crackling sound of glass cracking was endless, resounding throughout the hall.

“Rong is not talented, now he is making investments, his worth is not too high, only worth 80 million.”

“But I'm only nineteen years old. I must be worth ten times in two years.”

Rong Shan smiled slightly, bowed and said, but the corner of his mouth showed a teasing look.

Zhang Zhiyu flicked the soot, his face calm: “My situation is similar to Brother Rong, of course I can't compare with the two.”

“Even though I am worth a lot of money, I dare not talk to your driver. Such a rampant and small-minded driver, I have seen it today!”

Li Shengxian's teeth creaked, and his angry chest kept rising and falling.

About to speak.

Lin Kai interrupted: “Don't bother, just as they said, it is indeed Lin who was wrong. Just drink with peace of mind.”

## **Chapter 1080: Grand Introduction**

Chapter 1080

He really doesn't bother to care about each other.

If you care about this kind of ants, I'm afraid you will annoy him to death.

“Grass! Had it not been for Brother Lin to speak, I would have to kill these three wastes alive today!”

Li Shengxian clenched his fists, buzzed with anger, and sat on the sofa fiercely with a fierce face.

“I didn’t see it, you are so cute?” Lin Kai was amused and poured him a glass of wine in person.

Li Shengxian settled down and said nothing.

The dignitaries are shaking the goblet, waiting for them to fight, so they can applaud.

No matter how hard I thought, Lin Kai, who was just so rigid, was actually subdued at this time.

I couldn’t help but shook his head, with a disappointed look on his face.

Zhang Chen nodded slightly and said, “You kid is still a little self-aware, so don’t be so crazy in the future.”

Both Rong Shan and Zhang Zhiqun agreed, and they agreed with this statement.

Someone changed the subject and said: “I heard that Mr. Li from Li Chengjia invited us to come today. The most important thing is not for us to pick him up.”

“But for another thing, it is said that a young and promising young man joined the Li family and wants to introduce it to us!”

As soon as this remark came out, the crowd resounded violently.

“To be introduced so solemnly by Mr. Li, he must be a person with hands and eyes open to the sky, and it depends on Mr. Li’s respectful attitude.”

“It seems... the identity and origin of the other party is more powerful than Mr. Li!”

Huh!

The crowd was sighing, and more people were looking at the crowd quietly, trying to find out the young and promising young man in advance.

When the time comes to build a good relationship, you will surely be able to fly into the sky.

They understand the weight.

Notice.

Li Chengjia was once the richest man in Asia, a famous big man, with extraordinary energy and methods.

Can beat the richest man in Asia, what else...

It is conceivable that this person is so powerful, it is by no means comparable to their generals!

"I heard that this person is very low-key and should not take the initiative to publicize. Don't waste your time. I have found the gentleman. Please respect him."

"However, people are more dead than people, and you have to throw away goods. Look at the gentleman who has such a powerful strength.

"Look at the arrogant driver just now. It's like a world. Only a soil bun can do this, right?"

While speaking, Rong Shan suddenly turned his head and pointed the arrow straight at Lin Kai.

Lin Kai frowned and his eyes were terribly cold.

Zhang Chen echoed: "Just take care of what he is doing, it's just a bully. He really thinks that he is the driver of the Li family, so I dare not move him?"

"Believe it or not, I will be able to ask Patriarch Li to hand you over to me in a few moments and leave you at my disposal?"

Zhang Zhiyu sneered: "After all, he is a slave. If the master wants him to die, he must die, and if he wants him to live, he must be born."

The three people believed that Lin Kai was living at the bottom and should not resist or speak.

He deserved to look up at them and bow down to please.

After all, in their eyes, the difference between Lin Kai and the dog is no different.

The rest of the people have been indifferent to this matter, but are thinking about how to make friends with that young and promising young man.

The door suddenly opened.

Hundreds of eyes all fell to the door.

I saw Li Chengjia in Chinese tunic suit walking from the door with a smile on his face.

The rich and powerful all said hello: "I have seen Mr. Li!"

"I have seen Mr. Li..."

His attitude is extremely respectful, as if he had met his idol.

Seeing how enthusiastic you are, Li Chengjia waved his hand and smiled heartily:  
"Everyone, please keep quiet. I have a few words to say."

He said as he walked, and soon came to the front of the banquet.

Then, his face was extremely serious and said: "Don't worry about me today, I want to introduce you to a young talent."

"It is no exaggeration to say that this person's achievements are above mine, but his age is only in his twenties!"

Hiss—

When you heard this introduction, you immediately took a breath and trembled.

In his twenties, can he ride on Li Cheng's head?

Too terrifying, right? !

Rong Shan, Zhang Zhiqun and Zhang Chen whispered to themselves: "We must make friends with this character, even if I kneel down, I will do a business with him."

When Lin Kai heard this introduction, he couldn't help but sullen: "It's too exaggerated, too exaggerated."

He doesn't feel that his own things and glory are capital to show off.

I felt a little ashamed, after all, so many people were listening.

He was meant to be heard by Li Shengxian. Where did he think about it, after Zhang Chen heard it, he said sarcastically: "What kind of thing do you want to compare with that gentleman?"

When he spoke of the gentleman, he looked extremely respectful, clasped his fists in his hands, and held them high.

"It's really funny, what you can't do, others can't do it, sit and watch the trash, I baw!"

Zhang Zhiqun and Rong Shan said in unison.

“Quiet everyone!”

“Now I want to invite that gentleman to come to the stage, let everyone know and meet each other.”

Li Chengjia on the stage clapped his hands and pulled everyone’s eyes over.

At this moment.

Everyone is mentally tense and concentrated.

“Mr. Lin, please come on stage.” Li Chengjia said with a slight smile.

Zhang Chen rubbed his hands in excitement, and was about to talk a few words when the other party walked out.

Lin Kai heard the other party calling himself, and stood up slowly, before taking any steps.

Rong Shan and Zhang Zhiqun rolled their eyes: “Grass, what are you doing when you stand up? In front of Mr. Li, you dare to be presumptuous and live impatiently?!”

The rest of the dignitaries who were close to Lin Kai were full of black lines on their heads, and quickly left, moving away from Lin Kai.

For fear, Li Cheng’s family would think that Lin Kai was with them.

“It’s okay, just take a look.” Lin Kai smiled slightly, and dealt with it casually.

Then, strode forward.

Seeing him coming, Li Cheng’s family hurriedly greeted him and said with a flattering smile: “Mr. Lin, if you are dissatisfied with this arrangement, it is my fault.”

boom!

This scene was like a nuclear bomb explosion, shocking everyone on the spot!

Zhang Chen’s mind was almost exploded, Liu Shen Wuzhu was terrified, and he was shocked and shocked.

This

This is the young and promising young man they speak of. Does Li Cheng's family have to treat him like this?

Rongshan shivered all over, and 10,000 alpacas rushed past in his heart.

A chill came from the soles of the feet to forehead.

Me, who did I provoke by accident?

Over, over, over!

Zhang Zhiyu was so scared that he almost fainted. This is a hole in the sky for himself, I'm grass!

Today's matter is big, really big!

## **Chapter 1081: Make Money And Make Great Progress**

Chapter 1081 Wealth Develops Broadly, One Step Up!

Everyone was unbelievable and shocked.

Li Cheng's family greeted each other with a smile, and the supreme existence of apologizes.

Is it a stinky driver who can abuse them casually?

Is it the villain to win, the clown?

At this moment, the three Zhang Chen didn't have the courage to stand in place, so they wanted to escape and leave the scene.

But leaving at this time, they were afraid of touching Lin Kai's anger, and they might have to pay a painful price.

Suddenly, I was confused and at a loss.

"I don't have to watch a speech on stage. I introduce myself. My name is Lin Kai. I am very good friends with Li Shengxian."

Lin Kai gave a gentle smile and bowed slightly to everyone.

"Of course, Lin has a small request today. I hope you will have the opportunity to cooperate with Li Shengxian on more projects."

Lin Kai spoke again.

“That is inevitable! Mr. Lin speaks, we are 100% support!”

“After today, I will eliminate all my partners and only work with the Li family.”

“Mr. Lin really is a righteous man. I feel so guilty. There are very few people like you in this society!”

“All of us will follow Mr. Lin!”

Many business tycoons laughed out loud, all expressing their unconditional support for Lin Kai.

After Lin Kai finished speaking, he quickly returned to his position, and then said nothing.

Suddenly, the rich and powerful rushed up, holding the goblet, and came to toast.

Of course, there are still hundreds of people who start to please Li Shengxian and print out the contract on the spot.

Must cooperate with Li Shengxian!

The most funny thing is that some people want to introduce their daughter to Lin Kai and Li Shengxian, don't need the bride price, and accompany the donation of 30 million.

Li Shengxian looked at the scene, feeling very illusory.

When will I have such a large energy?

Are these people really coming to work with themselves?

And I'm still vying for a while, for fear of missing it!

“Grass!” Li Haoxian saw the scene at the scene, and his anger was about to split. This was not the result he wanted.

Immediately stood up from his seat and walked towards the three of Zhang Chen.

Zhang Chen looked at him tremblingly and said: “You lie to me, you dare to cheat me!”

“As Li's family, you must know his identity. Others are low-key and unassuming, so you or he will hurt me, right?”

Zhang Chen was so angry that he stepped forward, holding Li Haoxian's collar tightly with both hands, almost lifting him up.

Li Haoxian was very calm and smiled and said, "Mr. Zhang, it's not time for you to be angry now. You have offended him, can he let you go?"

"I advise you to quickly find a way to get him down, and then you can live and survive!"

This statement came out.

Zhang Chen suddenly became clever, and his anger was extinguished by cold water.

Yes, Lee Ho-hyun is right.

Regardless of whether he cheated me or not, for now, it is no longer important.

The important thing is how to get this thing down so that you can live.

"Solved by violence, just find someone to kill him!"

Rong Shan suggested.

Without a word, Zhang Chen quickly walked towards Lin Kai, he already had his own thoughts in his mind.

The dignitaries surrounding Lin Kai saw Zhang Chen approaching, and the corners of their lips suddenly showed a touch of gloat.

Quickly let go of a road, let him come to Lin Kai's side.

After seeing him, Lin Kai frowned slightly and was very confused. What did he do?

"I know Mr. Lin's status is extraordinary, but Zhang Chen is not jealous. If you want to fix me."

"I will never back down, even if I die, I will bite off a piece of your flesh!"

Zhang Chen squinted his eyes and said with a solemn expression. There was no falsehood in these words, and there was even a hint of threat.

"Yes, the three of my families will never compromise with you. If you insist on having trouble with us, you will not hesitate to kill you today!"

Zhang Zhiqun and Rong Shan echoed the Tao.

The atmosphere became deadly silent in an instant.

There was a sneer at the corner of Lin Kai's mouth, but he didn't actually put them in his eyes, and didn't care.

Even now they have forgotten their existence.

Unexpectedly, they stepped forward now, planning to kill themselves with them?

“You know, from the beginning until now, Mr. Lin hasn’t said too much.”

“It’s your cynicism and cynicism. Now you are not only looking for trouble, but also threatening?”

All of you were itchy teeth, and attacked the three of them in unison.

It was obvious that they found the fault first, but Lin Kai remained silent and didn’t say anything excessive.

Why are these three still reluctant?

“I’m telling you, I know the underground dragon head in Donghai City. As long as he takes action, you must die without a place to bury you!”

“I hope Mr. Lin can let go of the past, and no longer pursue our mistakes!”

Zhang Chen raised his head slightly and said proudly.

But at this moment.

Suddenly an unexpected guest came outside the door.

There are hundreds of people.

Their footsteps are swift, like a well-trained team.

See this scene.

Everyone was shocked on the spot, not knowing why.

The leader of the crowd was Dong Chen. He ignored everyone’s gaze and quickly came to Lin Kai.

Just got a firm foothold.

“boom”

Kneeling directly on the ground with a sound, holding a bank card and real estate certificate in both hands, said: “Mr. Lin Xiaodong is late, please don’t be offended.”

“Last time I offended you, it was indeed my Dong family who made the mistake first. Now I apologize to you!”

“In addition, thank you Mr. Lin for letting me go to the Dong family, otherwise my Dong family would be dead!”

Falling with his voice.

Hundreds of Dong family members standing behind him all knelt on the ground.

It was like a thunderstorm, a tsunami, a magnitude ten earthquake.

You can clearly feel that the floor is shaking violently.

“My Dong Jia Dong Chengshu, I am extremely grateful to Mr. Lin for a large number of people, and the prime minister can hold the boat in his belly!”

“My Dong Jia Dong is not flat, I would like to express my heartfelt thanks to Mr. Lin for his forgiveness!”

“Bless Mr. Lin to rise up step by step, make a lot of money, and reach the sky in one step!”

“Bless Mr. Lin to rise up step by step, make a lot of money, and reach the sky in one step!”

Boom boom boom –

They all kowtowed their heads in thanks, their voices were deafening, and the top of the entire hall was almost overturned.

The onlookers were dumbfounded when they saw this scene, and almost bit their tongues in shock!

“what!”

“The Dong’s family, a famous Wanghu in Donghai City, was almost wiped out by him! Today is the whole family here to apologize?!”

“My goodness!”

“Too, too terrible!”

Who is this Lin Kai?

The clan kowtows to apologize, this... this Lin Kai is Jiang Hai’s only one!

Zhang Chen was almost scared to death by the bombardment, and he never dared to be tough again.

Kneeling down at Lin Kai's feet, he begged for mercy: "Mr. Lin, the kid deserves a million deaths. Please forgive me!"

Lin Kai stared at him blankly: "Why?!"

Zhang Chen and others suddenly snorted, their expressions changed.

The cold sweat, like a waterfall, instantly soaked his body.

"Why?" Lin Kai asked again.

## Chapter 1082: Killed

Chapter 1082

Lin Kai questioned twice in a row, leaving Zhang Chen speechless and unable to say a word.

Yes.

Why?

At the beginning, they took the initiative to humiliate Lin Kai. Lin Kai did not fight back, but instead apologized and remained silent.

But, if so, they didn't let Lin Kai go either.

It was even more arrogant and arrogant to take Lin Kai's life.

"me"

Zhang Chen knelt on the ground, with his head buried deep in his chest, and he couldn't say a word.

He didn't know what to say.

Now he doesn't make sense at all.

Lin Kai stood up slowly, his eyes crossed the upper layers of frost, and he scanned the three Zhang Chen coldly.

Coldly said: "From the very beginning, I didn't plan to make trouble for a few people, because Lin is not so busy, nor in the mood to care about you, some trivial things!"

Hearing this, Zhang Chen's pale face showed a smile, and said in surprise: "Thank you, Mr. Lin, let me live alone..."

It was too early to be happy.

Next second.

A cold color flashed in Lin Kai's eyes: "But you just don't know what is good or bad, you have to repeatedly and again provocation!"

"Could it be that you are really Lin, can people be deceived?!"

When Zhang Chen heard this, he was trembling with fright, and his heart almost popped out of his throat.

Madly begging for mercy: "Mr. Lin, I deeply feel my mistake, and there will never be similar things happening in the future."

"From now on, I Zhang Chen, no, the whole Zhang Jiawei is your head. As long as you let me go, I will listen to you!"

Rong Shan and Zhang Zhiqun have a difficult meaning in their hearts.

Obviously Lin Kai and the two of them are almost the same in age.

But why can we achieve such an achievement?

Even the once glorious Li family, the head of the Li family must respect it.

They finally understood that in front of Lin Kai, the three of them were just a grasshopper that could be crushed to death by each other at will.

"The two of me have the same ideas as Mr. Zhang Chen. Please let us go."

When Rong Shan and Zhang Zhiqun talked, they used tremolo.

Hiss.

When everyone on the scene saw this scene, they all took a cold breath and showed shocked expressions on their faces.

Lin Kai stood on the spot at this time, his body was as tall as a javelin, and his shoulders were as wide as a mountain.

A king-like aura is born spontaneously.

Most people who were suppressed couldn't breathe.

"Kill."

Lin Kai flicked his sleeves, turned his back to the three of them, folded his hands, and then clasped his fingers.

A face is extremely cold.

With the voice falling.

Dong Chen's complexion suddenly became fierce: "How dare you humiliate Mr. Lin, let's kill him!"

boom!

The Dong family who followed Dong Chen stood up instantly, let out a roar that resounded across the sky, and killed the three Zhang Chen.

The scene is extremely chaotic.

All the rich and powerful have changed their colors, standing where they are.

Too fierce!

Is this Lin Kai's influence?

Dong Chen, who is famous in Donghai City, looks at his horse head and strives to be loyal?

This incident caused the dignitaries on the scene to fall into solemn contemplation.

quickly.

This is the end of a farce.

Zhang Chen and others fell in a pool of blood and died on the spot!

At this moment.

Everyone was stunned, not daring to say a word, the air exuded a dignified smell of blood, which stimulated everyone's nerves and scalp.

Lin Kai sat on the sofa blankly, picked up a glass of wine, and drank himself.

At this moment, a young man walked up and said with a light smile: "The death is good, the death is wonderful, these three dogs, how can they be qualified to humiliate Mr. Lin?"

"This means that Mr. Lin has a large number of them. If I were you, I would have pinched them to death. You gave them a way to survive, and you dare not know what is good or bad!"

This statement came out.

The other dignitaries quickly laughed and echoed: "Yes, in their capacity, it is not worthy to give Mr. Lin shoes, it is simply seeking a dead end!"

"I'm pooh, these three dogs deserve to die if they die, they are more than guilty!"

Lin Kai listened to these words without saying a word, but his eyes became tighter.

Li Shengxian was thoughtful.

It turns out that this is a powerful treatment.

It turns out that this is the overbearing after mastering power and fist!

No one dares to disobey his own meaning.

I also want

Become such a strong man!

Things have gone so far, and the banquet is no longer necessary.

Li Cheng's family, who recovered from the shock, cleared his throat and said with a smile: "Everyone, everybody, what happened today is really embarrassing."

"This is the end of the banquet. I am really sorry if there is any lack of hospitality."

The dignitaries bowed and saluted one after another, saying: "Thank you very much for Mr. Li's hospitality today. We are indebted to us!"

After speaking, he ran away like a rabbit.

Yaoyao fled on the spot.

They really didn't want to face Lin Kai, the gentleman's momentum was too strong.

Standing with him, I always feel terrified and afraid of saying something wrong.

Fortunately, Li Cheng's family came out in time to relieve the siege, otherwise, they really don't know what to do.

When they left, only Dong Chen and his group were left on the scene.

Dong Chen knelt on the ground and looked at Lin Kai for a long while without saying a word, with a smile on his face.

Lin Kai smiled and said, "Okay, leave the things behind, you can go back now."

"Mr. Lin will encounter some minor problems in the future, although I will notify Xiao Dong, I will definitely try to solve it."

"The bank card password is posted on the bank card, and Mr. Lin will pass it to Master Li Shengxian for me."

Dong Chen politely saluted, and then took his own people and walked towards the door in a stride.

In an instant.

The banquet became extremely silent.

No one thought that this banquet would end in this way, which is simply incredible.

"Shengxian has one thing that needs to be handled by you."

Li Cheng's family stood far away, staring at Li Shengxian with a serious expression, his voice solemn.

Tomorrow this matter is very important, we must deal with it cleanly, otherwise it will be very difficult.

"whats the matter?"

Li Shengxian happily stood up and hurriedly walked towards Li Cheng's house.

He knew that as long as this matter was done, his father would definitely take a high look at himself.

At that time, I might be able to take the name of the Li family heir.

In his view, this is a very important opportunity.

"There is an item to be auctioned at the auction house tomorrow. I need you to take it down, and it can only be taken at a price of four billion at most!"

Li Chengjia took a deep breath, and solemnly ordered.

“What, what project?” Li Shengxian was a little shocked, four billion?

This price is too expensive!

Once these four billion are paid, I am afraid that the entire Li family’s business will fall into a crisis of capital shortage.

## Chapter 1083: Inevitable

### Chapter 1083

But even so, Li Chengjia insisted on taking down this project. One can imagine how important this project is.

Li Chengjia smiled slightly and said: “Ten years ago, someone wanted to create a fantasy paradise, which can also be said to be a paradise.”

“At that time, the other party invested a total of 20 billion yuan, but halfway through the construction, there was a car accident and he died on the spot.”

Fantasyland, built with unconstrained ideas, involves most animations.

Including, Cinderella, Joyous, Qin Shimingyue, Disney series animation, etc...

According to the original design, the inside must be imaginative, like a fairy tale world.

When this project was just finalized, it attracted the attention of foreign media and internal media.

In just one month, reports from various parties were flying all over the sky, shocking overseas and half of the earth.

How ambitious is this to create such a paradise?

This is simply impossible for everyone, but the other party is almost done.

unfortunately

Halfway through, he died.

If that person is still alive, his current influence should be able to affect the entire world, right?

“Take it first, you must take it down, and I will figure out the rest of the rest.”

Li Cheng's complexion is extremely heavy, this project is bound to win!

"Father, I think I can do it perfectly. If you want the simple little guy like Thirteenth to pass, let alone four billion, you can't do it if you give him 40 billion!"

Li Haoxian suddenly walked over from a distance and glanced at Li Shengxian's gaze, full of sneers.

No one knows Li Shengxian better than him.

This guy used to be a trash who only knew about pleasure.

Now that Lin Kai is by his side, he has a little promise.

If Lin Kai is not there, I am afraid that he would not be qualified to talk to his father.

Li Chengjia fell into silence immediately.

Although he doesn't like Li Haoxian, Li Haoxian's ability is beyond doubt.

This boy is cruel and unscrupulous, although it does not conform to his own business principles.

but

I have to say that Li Haoxian is definitely a good hand in business.

When Li Shengxian saw this scene, he immediately promised: "Father, I don't need four billion yuan, I can take this project down!"

"Okay, are you promising?"

"The ability hasn't improved, but the bragging skills have become stronger?"

"I believe this, our father won't believe it!"

Li Haoxian sneered, folded his arms around his chest, and said confidently.

His father is not old and confused, how could he believe you, it is like talking about Dashan.

Li Chengjia nodded and said, "Well, let this matter be handled by the two of you. Who can take this project down at the least cost, I will give the other party full responsibility for this project in the future!"

He naturally understood Li Shengxian.

It's just that now he can't figure out how many methods Li Shengxian has.

After all, Li Shengxian has changed too much recently, and this son doesn't understand it himself.

"Okay, please let my father wait and see, I will definitely take down this project at a price of four billion!"

Li Haoxian showed a smug smile, turned and walked outside the door.

"Brother, you should take a good look, how did I get the control of Fantasyland with your brother!"

After he left.

Lin Kai and Li Shengxian bid farewell to Li Cheng's family one after another.

Then, he came to his room.

Li Shengxian sat on the table, frowning, frowning and said, "How should this matter be handled?"

"Since my brother said so confidently, he must have a way to take down this project at a very low price."

Lin Kai flipped through the phone, looking with gusto.

Hearing what he said, Lin Kai sneered and said, "Don't daydream, you see what it is."

After he finished speaking, he handed the phone to Li Shengxian.

The mobile browser is full of news about "Fantasy Paradise".

"Fantasyland, which was once a smash hit after ten years, has once again surfaced. After the president of Fantasyland died in a car accident, his company is now on the verge of bankruptcy."

"In desperation, I took out the fantasy paradise and sold it. The starting price was 2 billion."

"As we all know, the capital invested in Fantasyland was 20 billion, but now it has dropped tenfold."

"This company sells in such a cheap way. It is conceivable that the company has really entered a financial crisis."

Li Shengxian continued to read down.

“Fantasy Paradise, managed by Xinhe Group, just released the news and attracted the attention of countless tycoons at home and abroad.”

“According to reliable sources, there are already tens of thousands of consortia from overseas, flying back to the border of Donghai City, planning to take the fantasy paradise and build it with all their strength!

There have been news reports about the resale of Fantasyland.

Even meager, Zhihu, Toutiao, each page is ranked first in the hot search.

It can be said that the top ten searches on these major platforms are all related to fantasy paradise.

“Which one of you is still confident that you can win this project with four billion?” Lin Kai asked with a smile while crossing his hands, holding his cheeks.

Li Shengxian’s face was green.

Stuttering: “So many business tycoons and so many consortia have to participate, how can it be possible to get it, my father...this time is really crazy!”

“Do you want to take it down?” Lin Kai asked pretentiously.

“Yes! But at present, it is impossible. I can’t compete.”

Li Shengxian sighed, shook his head, and stopped talking about it: “Brother Lin, you should rest first. It’s getting late, I’ll go back and tell my father clearly.”

After speaking, he bowed his head and left Lin Kai’s room in despair.

Tomorrow’s auction will be a feast for everyone’s attention, consortiums and media.

The purpose of Li Chengjia’s wanting to take down Fantasyland is simple.

That is once again hitting the top position of the richest in Asia.

It’s a pity that his current funds, competing with so many consortiums, are just like whimsical.

“Who said.”

“Can’t take it down?”

Lin Kai played with the teacup, raised his eyelids slightly, and said, "Yinshen, I found out the information materials of the consortium overnight, and none of them can let it go."

"Help him again and see if he can secure the identity of the Li family heir!"

The voice of the hidden \*\*\*\* came from secret: "Subordinates take orders!"

In an instant, Yinshen left the house and went to investigate the other party's materials and information.

Lin Kai took a shower and lay on the bed with a smile on his lips.

Tomorrow must be a good day.

After all, there are so many people with faces and faces, and it will definitely become very interesting.

Just don't know.

Where did Lee Ho-hyun's self-confidence come from, saying that he would take it down to Fantasy Paradise?

## **Chapter 1084: All Present**

Chapter 1084

in fact.

Li Haoxian, who saw these news, was also caught in a huge sense of crisis.

He understood that he couldn't take it down.

But there is no worries, because in this case, he can't get it, so Li Shengxian can't get it!

The next day, early morning.

The sky was dark and bright.

The air was full of dew and frost.

Lin Kai put on a windbreaker to resist the cold air and walked onto a bridge.

His eyes are like a sword, pointing straight into the distance.

As far as I can see, it is the fantasy paradise that sensationalizes the whole world.

The hidden \*\*\*\* appeared quietly beside Lin Kai at this time.

Lin Kai didn't look back, but smoking a cigarette, facing the cold wind, and asked in a low voice, "Is the investigation clear?"

"Mr. Huijin, it has been investigated clearly."

"Of all the current business tycoons and consortia, the most competitive one is the Zijin Consortium!"

"At this time, please review the relevant information of the other party."

Yinshen bowed ninety degrees and handed the document in his hand to Lin Kai.

Lin Kai stretched out his white and slender fingers to take it, and flipped through it on the spot.

The Zijin Consortium is composed of hundreds of representatives of the rich.

Affiliated to overseas companies, but in recent years has been developing within the borders, with a total of 30 billion in assets!

The representative of the capital consortium is named Li Wenhan.

"Apart from him, are there no other competitors?"

Lin Kai put the document away and asked blankly.

He spit out heavy smoke and looked far away again.

"Yes, but there is no shortage of courageous reptiles who dare to despise Mr."

Yinshen responded respectfully.

"I understand." Lin Kai nodded, and then walked quickly towards the auction.

At this time before the auction house.

There are already full of luxury cars, none of them are vulgar, most of them are overseas luxury cars worth millions or even tens of millions.

Some men and women wearing expensive, hand-made costumes were chatting and laughing at the door.

See Lin Kai coming over.

Li Shengxian, who had been waiting for a long time, greeted him quickly: "Brother Lin, why are you here? Today we just join in the fun and can't get it down."

"It doesn't matter." Lin Kai raised his hand and smiled slightly: "Go in and rest, it's too cold outside."

"it is good."

Li Shengxian led the way and soon came to a hall.

The decoration of this hall is antique, and the air exudes a scent of sandalwood. After inhaling the tip of the nose, you can feel a moment of peace.

The layout of the entire hall is imitated ancient times.

Tables in twos and threes, chairs made of pear wood.

It does not seem to have a sense of style.

The auction has not yet started, so many people are sitting in the hall and waiting patiently.

They wear uniforms, with a breath of superiors all over their bodies.

It feels very unusual.

Lin Kai sat down silently, raised Erlang's legs, and lit a cigarette.

It seems to be chatty in every way.

In this auction, those who dare to come in are either rich or expensive.

It is absolutely impossible for ordinary people to be there.

Just now.

A sound of footsteps came from outside the door.

I see.

A man wearing a trench coat with a slightly chubby figure and a cigar in his mouth, surrounded by hundreds of people, walked in quickly.

This person comes in.

The members of the consortium who were waiting patiently all showed a look of respect, and hurriedly stood up and smiled: "I didn't expect that Mr. Li Wenhan would also come today."

But my heart is very disappointed.

Because they know that if Li Wenhan is here.

Fantasyland is absolutely impossible, falling into their hands.

"Mr. is him, the representative of the Zijin Consortium, Li Wenhan."

"That is to say, 100% of the people who can win Fantasyland in this auction."

Yinshen stood beside Lin Kai, facing his ear, whispered.

Hear the words.

Lin Kai didn't do anything, just silently observing the other party.

"Hehe, everyone came to compete in Fantasyland today? But Li is bound to win today. Please give me a face."

Li Wenhan smiled heartily and patted them on the shoulder like a big brother.

"Yes Yes Yes."

The others nodded repeatedly, not daring to refute.

But at this moment.

The corner of Li Wenhan's eyes swept to Lin Kai, and a flash of surprise flashed in his eyes.

He smiled and said, "Who is this little brother? Could it be a rookie who just appeared?"

The members of the consortium, upon hearing this, hurriedly looked at Lin Kai, frowning when they saw Lin Kai smoking a cigarette.

This person has no self-cultivation.

Dont you know that smoking is not allowed in public?

"Not interested in introducing." Lin Kai glanced at him coldly and said casually.

Li Wenhan's complexion suddenly stiffened, such a mad boy, he didn't give any face.

However, he smiled and said in the tone of a person who came by: "It's better not to smoke here. You are young and ignorant, I can understand."

"But if you want to do business, you must pay attention to your words and deeds, and don't leave a bad impression on others."

He didn't feel at Lin Kai's rudeness, he was half unhappy, and he didn't care at all.

Instead, he explained to Lin Kai in an elder's tone.

however.

Lin Kaili was too lazy to bother with each other.

After all, everyone present today is his competitor.

There is no need at all, pretending to have a good relationship with the other party.

"The young people are really angry now." Li Wenhan shook his head, turned around to find a place, and sat down.

Never pay attention to Lin Kai's half point again.

Originally, this incident was over, no one took it to heart.

Where do you know.

A member of the consortium wearing gold wire glasses suddenly stood up from the crowd and murmured: "You dog, Mr. Li speaks, don't you hear him?"

"If you ask you to put out the cigarette, please put out the cigarette as soon as possible. Do you know who Mr. Li is?!"

"If he wants your life, he can kill you as a dog with just one sentence!"

Lin Kai frowned suddenly and crushed the remaining cigarette butts.

"This is true. Young people still need young people to solve it."

Li Wenhan commented with a smile.

The others laughed and agreed.

The spectacle man pushed his spectacles, a smile flashed at the corner of his mouth, he was very proud of himself, and he entered Li Wenhan's eyes.

can

Just the next second.

Lin Kai took out another cigarette and ignited it.

With an apologetic smile, he said, "I'm really embarrassed, Lin has a big addiction to cigarettes."

In an instant.

Li Wenhan's face became gloomy, this person was deliberately antagonizing him, this was his face!

But still did not say much.

After all, he's just a small person, so he's bound to lower his worth.

"I'm so rash to your mother, is it true that the dog can't understand human words? Mr. Li asked you to put out the cigarette!"

The man in glasses shouted angrily and rushed towards Lin Kai quickly, aggressively.

## **Chapter 1085: The Fox Fakes Its Power**

Chapter 1085

He came to Lin Kai and stretched out his hand to \*\*\*\* the cigarette from Lin Kai's mouth.

Then, he threw the cigarette on the ground and crushed it with his feet.

He cursed: "You dog, you really don't know good or bad. Even Mr. Li dares to offend. I don't think you know how to write dead words!"

Lin Kai kept smiling and looked at him without saying a word.

Li Wenhan sat in the distance, with a cigar in his mouth, watching this scene with interest.

He currently admires the man with glasses named Xu Hui very much.

Although this person has some villains, but at least he will look at the situation and know that he has a motivated heart to climb up.

Few young people nowadays are so smart.

Most of them have good eyes and low hands. Lin Kai in front of them is a good example.

“Not bad.” Li Wenhan nodded slightly, pointed at Xu Hui’s spectacle man, hooked his hand, and said: “Come on, boy, sit next to me.”

When the others heard this, they all praised Xu Hui.

“This young man is really good. If he teaches it in the future, he will definitely make a big deal!”

“Maybe I can become Mr. Li’s successor.”

“Oh, I’m so envious of Mr. Li. I came to the auction and found such a treasure.”

There was constant discussion in the hall, and everyone was extremely flattering.

Xu Hui felt a little fluttering when he heard this, and gave Lin Kai a cold glance, his posture very disdainful.

But my heart is very happy.

Hehe.

You foolish idiot, has become my stepping stone. I dont know where to act.

From now on, I will become the successor of Mr. Li.

what about you?

Just a bug that lives in the dark sewer forever!

I did not expect that Xu Hui, a secretary of the consortium, could have such a day. I am so grateful for this. You are a waste!

He was elated, bent over like a second kid, and walked towards Li Wenhan.

But at this moment.

Yinshen took a step forward, reached out a hand to clasp his shoulders, and whispered: “Handsome guy, please stay!”

Xu Hui looked back suddenly, and after seeing that it was Lin Kai’s person, he immediately yelled: “Grass, muddy horse, give me your hand quickly than the cub...”

The words are not finished.

boom!

Yinshen slammed his hand down, bending his right leg, which turned into a flash of lightning, and hit Xu Hui's stomach fiercely.

Bang bang bang—

His movements were capable and neat, and he hit hundreds of elbows in an instant.

A moment of effort.

Xu Hui bent into a shrimp-like shape, and kept spitting out, his facial features became distorted because of the pain.

But it's not over yet.

Suddenly.

Yinshen raised his right foot, stepped Xu Hui under his feet, and shouted: "Dare to use my husband as a stepping stone, you are so brave!"

Hum

This scene caused everyone to be struck by five thunders, and the brain crashed on the spot!

Everyone was stunned in place, like a sculpture, with their mouths open and their faces full of incredible and shocked colors.

This

Is he tired of life, or is he sincerely seeking death?

How dare to do it here!

It doesn't matter if you do it here, but that person who is optimistic about Mr. Li Wenhan, do you dare to move? !

The scene became extremely silent, and no one spoke.

Li Wenhan's face suddenly became gloomy, he shook his wrists, and his voice solemnly said: "Your Excellency, is this too much?"

"Within three seconds, I will limit you to give me an explanation, otherwise, don't blame me for being polite!"

He didn't want to care about this with Lin Kai, and didn't get angry.

However, how could this son be so unsure of what is good or bad, and dare to beat him in public, this is humiliating him!

It is the first time for him, Li Wenhan, to travel abroad and domestically for so many years, he has encountered such audacious choppy!

Damn it!

Lin Kai glanced at him unexpectedly, pretending to be puzzled: "Mr. Li wants Lin to give him an explanation, can you hear it?"

"Subordinate, I'll give him an account!" Yinshen turned to look at Lin Kai and bowed slightly.

A smile appeared at the corner of Li Wenhan's mouth, and his heart said, this is just the truth.

Contempt flashed from the corners of the others' lips.

After all, I'm still subdued, what's the arrogance just now?

But in the next second.

The Yinshen suddenly raised his foot and slammed Xu Hui's head heavily.

"boom!"

The sound of bones hitting the floor, like a thunderstorm, resounded throughout the hall.

"what!"

Xu Hui roared into the sky and let out a heart-piercing roar, his whole body trembling with pain.

He kept shivering, sucking in a cold breath, looking very embarrassed and miserable!

"I don't know, is Mr. Li satisfied with this explanation?"

Lin Kai stood up suddenly, folded his hands, and then clasped his fingers.

A pair of cold eyes bloomed with extremely cold light, sweeping around, listening to all directions!

Invisible, a powerful aura spread out!

Everyone was shocked.

This

This behavior is to fight Mr. Li Wenhan to the end!

I really don't know, where is your confidence!

"Young man, you are too crazy!" Li Wenhan slapped heavily on the table, with a cold smile on his mouth.

He was fairly calm and didn't feel so angry about it.

The cigar was still smoking, he lowered his head, looked at his wrist, and said: "I don't know, your arm, can you penetrate my thigh!"

"Lin Mou disliked it the most in his life. Other people's gesticulations, and others' guidance!"

"Secondly, what Lin is going to do, what he wants to do, it is not his turn to intervene by an irrelevant person!"

"Mr. Li, you seem to like to be nosy?!"

Lin Kai crossed his hands and stood in front of him, his waist straight, like a sharp sword.

The aura is terrifying!

At this moment.

Li Wenhan became suspicious, because the aura on Lin Kai's body was too strong, he didn't look like a layman at all.

What's more, he speaks and does things with an indisputable, kingly tone.

After thinking for a while, he smiled slightly and said, "I don't know, where is this gentleman, and what business does he do?"

"What business do I do, and how does it have to do with you?"

Lin Kai was not at all polite, and said in an extremely cold voice.

"Your Excellency, don't be too arrogant!"

“You may come from an unusual background, but you think that Li Wenhan can be handled at will?!”

Li Wenhan’s face was ashen, and he was humiliated again and again today, even with the best of his cultivation, he couldn’t help but burst out.

Lin Kai smiled slightly and stopped talking.

“What the hell...” Li Wenhan’s anger erupted like a volcano!

He is planning to shoot.

Yinshens cold voice came one by one: “Army!”

“fire!”

Li Wenhan’s head seemed to be slammed with a giant hammer, and his heart trembled suddenly.

military

Hiss.

The members of the consortium at the scene, upon hearing this, all took a breath.

Looking at Lin Kai again, he was already full of fear.

But it was only a short-lived truth.

Then the look became interesting.

## **Chapter 1086: Why Don’t We Try?**

Chapter 1086 How About We Try?

Tsinghua Unigroup is affiliated to overseas.

Naturally, they also do business overseas, and naturally they also dabble in business that violates laws and regulations.

For example, the business that Yinshen just said, they naturally participated in it.

Therefore, apart from the previous shock, there is no more fear.

They didn't expect that this man was so young and did business so vigorously.

"Ha ha."

Li Wenhan smiled coldly and walked quickly towards Lin Drive.

When he came to the front, he directly sat next to Lin Kai, his attitude became gentle.

Lin Kai's eyelids drooped, playing with his watch, without even looking at him.

I simply ignored the opponent.

"Maybe your Excellency thinks that he is very good, but in front of Li, there are not many qualifications for presumptuousness!"

"Even if you are an overseas owl."

"It's no exaggeration to say that you must kneel at my feet in front of me!"

Li Wenhan's voice was strong and strong, without the slightest tremor. One can imagine how confident he was.

For so many years, he has worked hard overseas.

Behind him, there are hundreds of rich foreigners who support him, and he has money.

He also has people.

Whether it is overseas or in the mainland, there is his network of relationships, which can be said to be complicated.

Not afraid of Lin Kai at all.

"Oh."

"But now Lin wants you to kneel at my feet!"

Lin Kai raised his eyelids slightly and said casually.

He dismissed it, and didn't care at all about the identity of the other party or the existence of it.

For him, no matter who the other party is.

Anyway, there are courageous crawlers.

If he wants to kill, I can't stop the king!

"I think you are tired and crooked!" Li Wenhan suddenly slapped the table.

Yin Shen immediately took a step forward, and a killing intent spread out.

The surrounding air is full of cold breath.

"Huh!"

Li Wenhan quickly took out an iron tool from his pocket, and the dark, cold nozzle pointed it at Lin Kai's head instantly.

Following his actions.

The members of the Zijin Consortium all pulled out a cold iron tool from their pockets, with hundreds of nozzles, all with a unified goal and the same direction.

this moment.

Everyone stood tall and almost fell off the bench in fear.

This Nima...

They all carry weapons along with them, and they are also white desert eagles.

Who can resist it?

This young boy is afraid that he will die today, right?

however.

When everyone is nervous and afraid.

Lin Kai was making tea on his own, crossing his hands, resting his chin, and looking at them with a smile on his face.

There is no fear at all.

"Since you want to play, why don't we try, whose head is harder?"

After Lin Kai asked, he raised Erlang's legs and his complexion became cold.

Huh?

Li Wenhan was a little surprised. I only need to tap my finger lightly to make you die on the spot.

You have not even the slightest fear, are you confident?

This?

The situation exceeded everyone's expectations.

According to common sense, any person would be scared.

This kind of situation, I really can't tell, what is beneficial to Lin Kai!

What they didn't know was that there were four master-level powerhouses behind Lin Kai, and they only needed him to give an order.

Before they pull their fingers, this group of people will die on the spot!

Just when it was deadlocked.

There was a sweet bell.

Everyone who comes to the auction knows that this is the start of the auction.

In other words, they have to prepare for capital verification to enter the market!

In other words, without sufficient assets and money, it is impossible to pass the audit at all, and it is precisely the auction that cannot enter.

"Sir, the auction has started." Yinshen reminded in a low voice.

Li Wenhan quickly put away the weapon and waved his hand to the hem of his hand, and the scene resumed its previous silence.

to him.

A little Lin Kai can't compare with the project of Fantasy Paradise!

After all, they are businessmen who do business, whose main purpose is to make money.

Of course, he would not let Lin Kai go so easily, he planned to kill Lin Kai on the spot after the matter was over!

"Capital verification enters the infield."

Li Wenhan waved his hand and walked inside.

But at this moment.

Lin Kai smiled slightly and said, "Mr. Li, don't worry, you can leave this small matter to your hands. Lin has something to say to you."

Li Wenhan frowned and looked at Lin Kai, not knowing why.

Is this kid really looking for death sincerely?

Want to provoke me now?

I didn't know that Lin Kai took out a bank card from his pocket and handed it to Yinshen, "Help me do it, let me talk to Mr. Li Wenhan first."

"Subordinates take orders."

Yinshen got the bank card and followed the army to verify the capital.

But the moment I saw the bank card.

Li Wenhan was stunned in the same place, and a strong sense of fear appeared in his heart.

He had heard of that bank card.

It is a big purple gold flower card with unlimited overdraft limit. With this card, you can spend it in many overseas countries.

Only five cards were issued in total.

There are only a handful of people who can have it in China!

And everyone who can have it has powerful resources, or people who have made great contributions to the country.

Can imagine.

Five big purple gold flower cards can get people within the border, but only three people.

It is conceivable that this requires what high conditions and what a strong identity!

Rao is Li Wenhan, who has no qualifications, and has this card.

In an instant.

Drops of cold sweat flowed down Li Wenhan's forehead, his complexion changed from ruddy to pale.

Stiff all over.

This time I really hit the iron plate!

This is definitely not something they can provoke!

The total strength of the entire overseas backbone is not enough for the one in front of you, slapped!

"Mr. Li, what's wrong with you? Are you feeling sick?"

Lin Kai looked back and saw Li Wenhan's state, continuously inexplicable.

Li Wenhan swallowed hard, and said: "I still have something to deal with, take a step ahead, please do it yourself."

He speaks quickly, and his footsteps become more rapid, as if he is running away.

can

Lin Kai quickly stretched out his hand, grabbed his shoulder, and smiled and said, "Mr. Li, what are you doing? What is it, you are not participating in the auction?"

Li Wenhan stiffened, showing a smile that was uglier than crying, and said, "Lin, Lord Lin, I beg you to put me in a fart."

Lin Kai was slightly surprised: "Why did you say this?"

"It's really urgent." After Li Wenhan finished speaking, he took another step.

I dont know that Lin Kai is reluctant, put his arms around his shoulders, and smiled lightly: "I heard that Li and Li are bound to win the Fantasy Land project."

"And it's the richest person in the consortium on the scene. Your big name Lin has heard of it a long time ago."

"If you leave, how does Lin think of you showing off?!"

Li Wenhan was about to cry, and begged his grandpa to tell his grandmother: "I was really wrong, Master Lin, Master Lin, I shouldn't point fingers at you, shouldn't be rude to you, it's really wrong!"

He was so frightened that he called me Lord Li in your capacity.

Am I looking for death? !

## Chapter 1087: No One Dares To Follow

Chapter 1087

The atmosphere on the scene suddenly became weird.

The hundreds of consortium members present at this moment all felt their scalp numb.

Although they don't understand what happened, but...

At the very least, they understand very well.

The young man is not as simple as it seems.

They didn't want to stay here for a second, let alone face Lin Kai, for fear of Lin Kai's sudden attack.

But no one dared to leave.

Didn't you see it?

Li Wenhan of the Zijin Consortium, the most powerful person on the scene, are all standing there. Who dares to escape?

"Okay, okay." Li Wenhan agreed with difficulty, but still tried to find an opportunity to escape the scene.

can.

Lin Kai directly put his arm around him, holding him up and walking away, giving him no chance at all.

Li Wenhan was suffering at this time, and his heart was full of bitterness.

Myself...

How did you provoke this master?

Such an existence is not something that one can offend at all, it is no exaggeration to say.

If this person wants his own life, he only needs a word, and he will not see the sun tomorrow.

Li Shengxian watched this scene from the sidelines, and the meaning was difficult to understand.

Brother Lin is too domineering.

Looking at everyone at the scene, who is a lowly person?

Even if a person is randomly selected, he is also the overlord of a party, the leader of a certain industry.

But such a group of heroes, business tycoons.

Being pressured by Big Brother Lin, I dare not let it go!

so amazing!

Move forward.

There are floor-to-ceiling windows all around, no matter where you do it, you can see the scenery outside.

at this time.

All of you have taken your seats.

Lin opened up with Li Wenhan, found a place at random and sat down.

The other members of the consortium were sitting in their own positions, not daring to breathe.

“Sir, this is your bank card, please keep it.” Yinshen walked over and handed the bank card to Lin Kai.

After Lin Kai took it, there was no sound.

Li Wenhan was extremely nervous and found that his palm was covered with viscous sweat.

He took a deep breath and forced himself to calm down.

then.

He smiled and said: "I haven't heard of it, Master Lin's name, you are too low-key. If you had said it earlier, things would never have gone so far."

"Yeah." Lin Kai nodded slightly and responded indifferently.

Li Wenhan was speechless. Now, I really don't know what to say.

After waiting for a few minutes.

Lin Kai frowned slightly and looked very impatient: "When will the auction officially begin?"

"There are still eight minutes." Yin Shen hurriedly reported.

Lin Kai knocked on his watch, categorically saying: "Within nine minutes, this project is finalized, I have no time to waste here."

"Remember, I only give out 2 billion. If anyone is bold, you can bid with me!"

The voice fell off.

It can be seen to the naked eye that all members of the consortium present trembled, their spirits became tense, and they were terrified.

I am...

The corners of Li Wenhan's mouth twitched, which is too domineering.

That's a project worth tens of billions of dollars, so you can take it down with just two billion dollars?

But there is no consortium present, dare to talk nonsense!

Today, as long as Lin Kai sits here, no one will dare to act arrogantly!

Too overbearing!

Suddenly Li Wenhan's eyes lit up, his gaze was placed in front, he looked at a young man, and smiled: "Do you know, who is that?"

Lin Kai heard this and followed Li Wenhan's gaze.

After seeing who the other party is, Lin Kai chuckled and said, "Li Haoxian, the eldest son of the Li family, right?"

“Yes, I didn’t expect that his Li family will also come today. The Li family used to be the richest man in Asia, but unfortunately now... not so good.”

“But it shouldn’t be underestimated, Master Lin should pay more attention.”

Li Wenhan kindly provided the other party’s information.

Lin Kai was very interesting. He didn’t expect this guy to actually come, but he didn’t know what bargaining chip the other party had.

He holds four billion, how dare he come here to compete?

Li Haoxian noticed that someone behind him was talking about him, and immediately turned his head and saw Lin Kai and Li Shengxian at a glance.

A sneer flashed over the corner of his mouth involuntarily.

Today I will let you take a good look at my abilities and how I took this project down.

“Now the auction of Fantasyland will officially begin soon.”

“Before starting, I want to give you a detailed introduction, Fantasyland.”

On the auction stage, a 60-year-old man walked out. He laughed kindly and clapped his hands.

Everyone’s attention was instantly placed on him.

The old man said loudly: “Fantasy Land has invested a total of 20 billion, and has already bought the copyright of all the cartoon characters to be designed.”

“As long as you put in some more funds and the construction continues, it will be fine, and there is no need to invest a lot of funds.”

“Now the auction has officially started, with a starting price of 2 billion.”

As his voice fell, no one spoke.

Lin Kai tapped on his watch and said, “There is one minute left.”

“Two billion.” Yinshen raised the sign in his hand and bid for Lin.

Li Wenhan pursed his lips and scanned for a week, but no one dared to speak.

He turned to look at Lin Kai.

After Lin Kai said that, he picked up the magazine and watched it carefully. He didn't care about the situation here.

This

Li Wenhan swallowed hard, how overbearing and confident this is?

A word came out.

Looking at the heroes present.

Who dares to compete with it? !

"Two billion once, two billion twice..." The old man stared at the scene incredibly with his eyes full of confusion.

what happened?

With so many powerful consortia present, why is there no one asking for the price?

Li Haoxian's eyes widened, shocked.

Lin Kai put the magazine in its original location.

After losing his hands, he clasped his fingers and walked slowly toward the door without stopping for half a minute.

His towering body was instantly noticed by everyone.

Some people are puzzled, why did this person leave midway?

"Two billion, the third time, the deal!"

The old man's teeth rattled and he slammed a hammer on the table.

The final word.

The dust settled!

They finally understood why Lin meeting left early.

It turned out that the moment he stood up, the auction was over!

"Hiss."

Countless people came back to their senses, and they kept sucking in cold breath, looking at Lin Kai's back, their hearts were extremely complicated!

What is the origin of this one?

What character? !

So, at the lowest price of 2 billion, have you got the fantasy paradise worth 20 billion in your hands? !

It's too shocking, too unbelievable!

In an instant.

All the media rushed up and questioned the various consortiums.

There have been overwhelming reports of the news that Fantasyland was sold at a price of 2 billion.

## **Chapter 1088: Mysterious Person**

Chapter 1088

The news that the fantasy paradise was taken for 2 billion, like a storm, spread throughout the entire capital.

Related reports are like bamboo shoots after the spring, and they are pouring crazily.

The top forces of all parties standing on the national border were taken aback.

They sent their subordinates to Donghai City to find out.

Why is it that someone who has such a huge strength can crush hundreds of consortia?

Didn't even say a word of dissatisfaction, and asked the other party to take away the project of Fantasyland with a reserve price of 2 billion?

They have to worry.

Because that mysterious person has surpassed their control!

I was very jealous.

...

...

Today's wind is very strong, the sky is gloomy, and it seems vaguely raining, and the air is full of humid smells.

Walking on the street, you can feel the slight cooling sensation.

Lin Kai put one hand in his pocket, his black windbreaker danced with the wind, and the high wind lifted his bangs, revealing a pair of grand eyes.

With half of a cigarette between his fingers, he was vomiting.

Staring at the age-old, unmanaged fantasy paradise for many years, I was stunned.

"Mr."

The hidden \*\*\*\* stood behind him, seeing him in a trance, did not dare to be too disturbed, his voice was gentle.

"speak."

Lin Kai spit out the thick smoke without looking back.

"I just received a call from Ms. Lin. There is a party tonight and I want you to accompany her."

"One more thing, it is said that the relevant media has published your photos on the platform, do you think you need to deal with it?"

Yin Shen asked respectfully.

"About me, don't give out half a minute. Within ten minutes, the tail will be truncated."

Forest development calls the shots.

"Subordinates do it now."

After Yinshen finished speaking, he took out his mobile phone and started making a call.

Within three minutes, all platforms received news, and ten minutes did not arrive, all speculated articles about Lin Kai's photo identity.

All that was deleted was clean, and there was no trace of it.

But it is sparse and normal behavior.

But shocked business tycoons in all walks of life.

Notice.

With so many platforms in China, even if you are worth tens of billions, others cannot listen to you, let alone give up the enthusiasm.

Even more fearful is the terrorist operation of clearing all information in such a short period of time in five minutes?

Who is behind it has aroused speculation from all parties.

But in the end it was nothing.

No matter who it is, he dare not touch, Lin Kai's mold.

Otherwise, if one is not careful, it will be a murderous disaster, with endless troubles!

"Make arrangements for the party."

"Who is the initiator and why the party?"

Lin Kai slowly turned around, the windbreaker was blown by the gale, making a reputation similar to drumming.

"It seems that today is Miss Lin's birthday."

"The person who initiated the party was a young lady from Ms. Lin's hometown. The identity and the like are quite ordinary, so there is no need to mention it."

Yin Shen told Lin Kai all the news he knew.

Lin Kai nodded slightly, dropped the cigarette \*\*\*\* on the ground, and crushed it out: "I understand."

"I wanted to give him a heavy gift, but the necklace is not in the release period, but two days later."

Yinshen was a little apologetic, and said: "The subordinates are not doing things badly, please be punished."

in fact.

According to common sense, as both of him and Lin Kai, it only takes a word to pass, and the other party will offer this precious gift with both hands.

The release date, to them, seems to be nonexistent.

The God of Yin knows that Lin Kai never likes to bully others when he does things, and even less like to give orders.

After all, the other party didn't offend himself.

"It's okay, you can make up the birthday present in two days." Lin Kai waved his hand.

Time passed in a hurry.

In a blink of an eye it came late into the night.

Lin Kai took a taxi and stopped in front of a big hotel.

Just got out of the car.

Lin Qianqian, who wore a luxurious evening dress and stood out from the crowd, quickly greeted her.

She has a pair of white silk on her legs, which looks uneven and slender, which looks very seductive.

Coupled with her exquisite facial features, wherever she goes, there will be a lot of attention.

This is not.

A few celebrities stood outside the door, staring at Lin Qianqian, her eyes straightened and swallowing secretly.

I wished that the hungry tiger threw Lin Qianqian down to the ground and rectified the law on the spot.

"Which daughter is this? This is too beautiful, especially those big white legs."

"Why have you never seen this daughter? Didn't it come from another province?"

Passers-by who were walking saw Lin Qianqian, they immediately froze in place and put them on their feet in the air, without knowing how to fall.

But in the next second.

In their eyes, they can only see from a distance and can't play with the best fairies.

Like a good girl, she flew into Lin Kai's arms.

She hugged Lin Kai's arm tightly, and said, "Handsome man, I thought you were not coming. I waited for this girl to sweat profusely."

Lin Kai pursed his lips and stretched out his hand to touch her forehead: "You started to molest me again, there is no sweat on your head."

"Furthermore, I don't even come to attend my friend's birthday. Are we still friends? Could it be that you don't treat Lin as a friend?"

Lin Qianqian pursed her mouth immediately, shaking Lin Kai's right arm with both hands, and said: "I'm not allowed to talk nonsense with your eyes open, we are not friends."

"You are a man and I am your woman. Do you understand now? If you understand, change your words quickly."

Lin Kai looked stiff.

He was able to continue this sentence, but she shook her arms, and they all dangled on her delicate and white legs as mutton jade.

That feel...

It makes him a little hard to hold back.

It seems that Lin Kai's embarrassment was discovered.

Lin Qianqian smiled in her heart and stretched out her hand to pinch the bridge of Lin Kai's nose: "What? Are you shy? Are you a big man still shy?"

Finished.

She didn't wait for Lin Kai to react, so she turned around and entered Lin Kai's arms.

And unceremoniously, ignoring everyone's eyes, grabbed Lin Kai's hand and placed it on his waist.

In an instant.

Those who watched the scene were furious, 10,000 swear words, and opened their mouths: "The good cabbage has been swept away by pigs!"

They looked at Lin Kai with crimson eyes, and they wanted to push Lin Kai away on the spot and replace him.

A yellow-haired young man gritted his teeth and said: "The society under the rule of law has saved you! Grass!"

"Hurry up, let's go." Lin Kai's embarrassed face was bleeding, but his face was thousands of degrees.

Looking at it with so many eyes, it was ashamed to be thrown at grandma's house.

He really has no experience in dating or anything.

If you let him kill in public, or do it in public, he will never be shy or vague.

"Since ancient times, heroes have been saddened by Beauty Pass. This girl doesn't believe it. You should be as true as a rock, and you are not half tempted by me."

Lin Qianqian blinked her beautiful big eyes, moved her body forward, her mouth pressed towards Lin Kai's mouth.
