

## Special Forces God Level Extraction System –

### Chapter 1089: Naive Trick

Chapter 1089: Childish Trick

Lin Kaiyi said, "Since you want to play, I will play with you to the end!"

After speaking, kiss him.

Where do you know.

Lin Qianqian gave a smirk, pressed her index finger to his mouth, and said, "Oh, does Brother Lin like someone else?"

"Otherwise, why do you have to force a kiss for some reason? Tell me quickly if you like me."

"As long as you say, you want to be my man, tonight..."

Lin Qianqian glanced at Lin Kai's legs, her eyes were silky, and she said delicately.

"Hurry up and go to the party, your friends are impatient to wait." Lin Kai's head is full of black lines, who did you learn this from?

If you don't kiss me, do you have to say I kiss you forcibly?

Reverse black and white, its not like you reverse black and white!

"Huh, a piece of wood, mud can't support the wall!"

Lin Qianqian grunted angrily, stepped on high heels, and walked towards the hotel angrily.

at this time.

At the entrance of the hotel.

A man walked out in a panic, his facial features were very cold and severe, with a hint of femininity between his eyebrows, and his senses were very handsome.

Compared to those on the big screen of the movie, the little fresh meat with makeup is more than ten times more beautiful.

His skin is very fair, always with a faint smile, giving people a very gentle feeling.

This person's name is Luo Rou, and his name is somewhat girlish.

Luo Rou stopped here, and everyone who came and went couldn't help but look at him more.

Because it is so outstanding.

This looks, put it in any woman's circle, can eat very well!

"Qianqian, where did you go? I looked for you for a long time and asked the front desk to find out that you came out!"

Luo Rou saw Lin Qianqian, walked up quickly, and asked softly.

Where do you know.

Lin Qianqian pushed him away, and said coldly: "In a bad mood, don't bother me."

Luo Rou's face with a squinted smile instantly drooped down.

This person and Lin Qianqian are childhood sweethearts and have grown up together since childhood.

He had a crush on Lin Qianqian for many years, but he has never taken up the courage to confess.

It's just because Lin Qianqian's attitude towards him is always calm, like a real friend, without any impurities.

"boom!"

When Luo Rou was lost, Lin Qianqian's high-heeled shoes suddenly broke off. She was unsteady, twisted her ankle, and then fell to the ground.

After Luo Rou noticed this, she quickly stepped forward, "Is it all right? I will take you to the hospital for an examination immediately."

He was very flustered, reaching out his hand to hug Lin Qianqian.

Lin Qianqian watched his movements, her brows suddenly twisted together, and said: "No need."

Luo Rou's hands suddenly stiffened in place, very embarrassed, but still did not show the slightest anger.

Suddenly.

Lin Qianqian saw Lin Kai walk in, her eyes lit up, "My foot seems to hurt my bones, it hurts!"

"Then I will take you to the hospital quickly." Luo Rou continued to stretch out his hand.

Lin Kai's voice came: "Thank you, but let me handle this matter."

Luo Rou raised her head and looked at Lin Kai in surprise, feeling that the young man in front of him was familiar.

Only for a while, I remembered where I saw it.

But before long, he blurted out: "Lin Kai!"

"you know me?"

"But these things will be discussed later."

Lin Kai asked suspiciously, then reached out to Lin Qianqian's leg and waist, hugged her up, and said, "Send to the hospital?"

"You don't need to go to the hospital for this small injury, won't you handle it?"

Lin Qianqian chuckled, suddenly stretched out her hand to embrace Lin Kai's neck, and said: "I think you can handle it."

Lin Xinxin was very speechless, why did he seem to have fallen into a trap?

However, Lin Qianqian's foot injury is not fake.

He just sprained his foot, so he can naturally handle it. After all, in the army for so many years, bruises and other injuries are trivial things experienced every day.

to him.

Dealing with the wound, this wound, is simply grasping.

"Okay, then." Lin Kai sighed, walked into an empty box, and put Lin Qianqian on the chair.

Looking at the back of the two leaving.

Luo Rou's teeth creaked, you trash Lin Kai, how dare you confuse my woman, I told you that you can't eat it today!

"Codes!"

"Unexpectedly, it was almost successful, and was cut off!"

Luo Rou thinks that Lin Qianqian will be tempted by herself as long as she handles this matter well.

But what he didn't know was.

Lin Qianqian was really injured, and the purpose was to get Lin Kai in contact with herself.

The target candidate is not him.

Otherwise, even if it hurts to death today, Lin Qianqian will not let Luo Rou move her hair.

Her character has always been this way.

After so many years of hard work alone, he has long been independent and self-reliant, and he is very assertive.

When passing by Lin Kai's box, Luo Rou glanced at the two coldly, and then quickly returned to her box.

At this moment, inside the box.

Lin Qianqian looked at Lin Kai, stretched out her long white and slender legs, and said, "What are you doing in a daze, won't you? Help me quickly, my bones are about to hurt."

Lin Kai Leng stayed in place, a little at a loss.

He does fix bones and treat small injuries like sprains.

can

Now we are facing a completely different goal!

He hasn't treated a woman yet.

So for a while, I was a little timid and didn't dare to do it.

"Aren't you tough when you avenged me? Are you courageous?"

"What's the matter? No more men now?"

Lin Qianqian was a little irritable, and glanced at Lin Kai with extremely disdain, "Maybe you can't do it below?!"

"Don't think I don't know what tricks you are playing."

Lin Kai sneered, shook his head, and said, "Since you want to, it's just to satisfy you."

Finished.

Stretched out her big hand and took off Lin Qianqian's shoes.

Her feet are small and delicate. They are like a piece of art, and they feel extremely soft and cool.

Coupled with the white silk wrapped around the feet, it is even more fascinating and beautiful.

"hiss."

The moment when she touched the wound, Lin Qianqian raised her neck and let out a painful sound, her beautiful facial features trembled slightly.

From the corner of his eye, he secretly looked at Lin Kai.

I was very happy.

Since it is the man I like, no matter what method is used, he must take it for himself.

Lin Kai.

As long as you don't cut off contact with me, you will definitely not escape the palm of this girl.

I'm not worried that I will take you down for a while.

Just like doing business negotiations, there must be a rhythm and a degree of relaxation.

Only in this way can you completely win over your heart.

She moaned softly.

Making Lin Kai a little angry, he naturally knew that Lin Qianqian was deliberate and was deliberately teasing him.

Since that incident happened in the ward a few days ago, Lin Qianqian's attitude towards him has completely changed!

With a smirk in his heart, he put his palm on the base of his leg with a slight revenge.

In an instant.

Lin Qianqian's eyes widened, and a panic flashed in her expression.

## **Special Forces God Level Extraction System - Chapter 1090 -**

### **Chapter 1090: Have A Good Heart**

Chapter 1090

Although she was a little sloppy in her mouth and behavior, she was definitely not someone who could be touched by others.

Just when she was in a panic.

Lin Kai suddenly put her feet down, stood up, and stepped forward quickly.

The distance between the two is very close.

The face almost touched the face.

Lin Kai's eyes were full of aggression, like a sharp sword out of its sheath, which made people look at it, but it trembled.

Lin Qianqian blinked her eyelashes in a panic, and said, "What are you doing?"

"Don't you like it very much, is that so?" Lin Kai suddenly stretched out his hand, pinched her chin, a coldness flashed from the corner of his mouth.

Lin Qianqian's body suddenly froze, she struggled with all her strength, trying to escape Lin Kai's palm.

But Lin Kai's hands were like pliers, her grandmother confined her.

Although Lin Kai couldn't use his cultivation skills now, he had a solid foundation after so many years of training in the team.

Ten ordinary adults are not his opponents.

She was a female classmate, and wanted to use her strength to break free from a general who was born in a serious barracks?

It's just whimsical.

"You hurt me." Lin Qianqian struggled frantically, stretched out her hands, and slammed towards Lin Kai.

I don't know, she didn't push Lin Kai away.

instead.

Lin Kai also pressed towards her.

But at this moment.

"what!"

With a scream, it cut through the box full of ambiguous.

I see.

At the door stood a girl with big eyes. She was wearing a very ordinary floral skirt with shawls.

At this time, the cheeks were red like apples, and Lin Kai and Lin Qianqian were looking towards her.

A woman named Li Yuanyuan hurriedly covered her cheek with her palm.

"Yuanyuan..." Lin Qianqian's face jumped wildly. She didn't expect that her state would be seen by her good girlfriend.

"Is this, is this your boyfriend?" Li Yuanyuan asked, spreading her fingers, observing the two through their fingers.

"No!"

Lin Kai and Lin Qianqian said in the same voice.

"This is a misunderstanding!"

The two of them spoke in unison again.

Two sentences are finished.

The two looked at each other, and both found the incredible color in each other's eyes.

"Puff." Li Yuanyuan covered her mouth and laughed, and said, "Even if you are not a couple, you are going to be fast. You think you have to talk about it in advance."

Lin Qianqian hurriedly stood up and quickly walked towards Li Yuanyuan: "I just got a cramp, and I haven't recovered yet."

"Just ask him to do me a favor, so that when I said something awkward just now, he became angry, and then it was like that..."

Li Yuanyuan smiled slightly, with red cheeks, and said: "Sister Qianqian, you don't need to explain to me, I believe everything you say."

Finished.

She laughed a little teasingly, her eyes were obviously distrustful.

"Oh." Lin Qianqian was full of black lines on her forehead, and she really didn't know how to explain it. Now she is really two big heads.

But she suddenly recalled, isn't this the result she wanted?

can

Before Lin Kai took the initiative to admit, she still didn't want to spread rumors like this. Although she satisfied her heart, everything was fake!

"Lin Kai go over and eat." Before leaving, Lin Qianqian called to Lin Kai: "I'm really sorry just now, I shouldn't be joking with you."

"You go first, I will wash my face."

Lin Kai took a deep breath, adjusted his state, he really lost control.

Over the years, he has seen and experienced all kinds of battles.

Also ensure that I can handle everything well.

but

Only feelings, only women, he has never touched before, without the slightest experience.

He went to the bathroom and began to wash his face.

Suddenly a teasing voice came: "Unexpectedly, the husband can't play with a woman. He was played around by a woman. It will be passed out in the future. The name of the husband, hehe..."

Lin Kai was not angry.

Because he knows that anger is meaningless.

Instead, he raised his head and laughed at himself: "Since you are so experienced, don't you take me to play after the birthday party this evening?"

Yinshen hurriedly responded: "I think it's better to forget it, there are not many innocent little boys like Mr., please keep your innocence."

"This is my greatest contribution to society."

He said and laughed out loud.

Lin Kai took the towel and wiped his face clean, and said, "You are getting fatter and fatter now, even I dare to laugh."

Yinshen did not respond.

He knew that Lin Kai never regarded himself as a subordinate.

It's a brother who values very much, so he dare to be so presumptuous.

But I dare not go too far.

In his heart, Lin Kai is absolutely the most majestic and innocent existence!

...

...

In the luxurious box of the hotel.

Luo Rou sat in the main seat, looking at the three chairs that were still empty, a sneer flashed across his mouth.

You Lin Kai will come in later and see how I can fix you.

Dare to \*\*\*\* a woman from me, and don't look at how many cattles you are.

"This is Luo Rou, Mr. Luo?"

Suddenly a young man stood up on the seat, held up a wine glass, toasted to Luo Rou, and said: "I didn't expect Mr. Luo to be so young and could achieve such high achievements."

"You can get a large box on this day. Whether it is your identity or money, at your age, it is one of the few in Donghai City!"

This statement came out.

Everyone nodded in agreement and said, "That's not it. I heard that it costs one million for a box with a size of this day. This is really not something ordinary people can consume!"

The price of one million includes the consumption of drinks and food.

This is a package launched by the hotel to show the identity of the guests, but the consumption is not that much.

But for the rich, spending money to buy face is very worthwhile!

"Haha, I'm a little bit into it, everyone had a good meal today, even if it gave me Luo Mou face."

Luo Rou smiled slightly and did not put on airs, raising the glass and drinking with everyone.

In fact, there is suffering in my heart.

He came from a very ordinary background and didn't have much money on hand. Today's consumption is not what he paid, but another boss.

That boss had long been interested in Lin Qianqian, so he was willing to pay for it.

I heard that he will also be there today, but he will be late.

Although the other party also likes Lin Qianqian, Luo Rou thinks that he can control the situation and the other party will not be too much.

"Boss Luo is really magnificent, please take care of the juniors in the future, I am very grateful."

The others agreed, and Luo Rou was almost boasted.

At this time, Luo Rou realized how respectable money is. It turns out that this is the power of money.

It's really good!

"Luo Rou, when did you get rich? Why don't I know?"

Lin Qianqian walked into the room, and her brows were suddenly frowned when she heard everyone's comments.

The two of them came from the same origin, but Luo Rou didn't achieve much, and only had a monthly salary of three to four thousand yuan.

Where did the money come from today to open a one million box?

It's a fantasy!

## Chapter 1091: Domineering Chen Shan

Chapter 1091 Domineering Chen Shan

What Lin Qianqian didn't know was.

Luo Rou sold her, only to exchange for this opportunity to make her head.

And if it is not handled properly, Lin Qianqian is likely to be in danger.

When Luo Rou saw Lin Qianqian coming, a smile appeared on the corner of her mouth, and she quickly stepped forward to greet her like a second child.

Xi Han asked Nuan with concern: "Qianqian, is your foot still hurting? It really doesn't work. I'll take you to the hospital."

"I think that kid doesn't know how to treat bruises. Don't be fooled by him. It's better to go to the hospital."

Several people sitting in the seats.

Seeing this scene, my eyes suddenly brightened, and a plan came into my heart.

Immediately joined in the excitement: "It turns out that Qianqian and Luo Rou are girlfriends!"

"These two people stand together, they are really talented and beautiful, a pair of golden boys and girls, it is really a match made in heaven!"

“I don’t know when you can drink the wedding wine of both of you?!”

The atmosphere in the box was instantly ignited to its peak.

Heard these words.

Luo Rou was extremely happy in her heart, these people’s mouths were really sweet.

But he knew that all this was fake.

If Lin Qianqian is really his girlfriend, that would be great.

Unfortunately.

This is completely impossible.

Lin Qianqian’s face suddenly became gloomy, she glanced at a few people coldly, and then sat aside unhappy.

I picked up the wine by myself and drank it myself.

I didnt even bother to the people here.

A discerning person knew Lin Qianqian was angry because of what they said.

Luo Rou felt very embarrassed, and a little angry in her heart. How about so many people, don’t you give me some face?

but.

If so, he didn’t dare to get angry with Lin Qianqian.

Simply put, he is Lin Qianqian’s licking dog.

Just when everyone was embarrassed.

The door suddenly opened.

I saw that a middle-aged man hung a big gold chain, a big watch, and dressed like a nouveau riche.

As soon as he walked in, everyone looked at him.

Luo Rou showed a flattering expression, and walked forward with a grin, and said: “Mr. Chen, why didn’t you tell me in advance before you come, so I can meet you.”

“What to pick up? The purpose of my coming today is mainly to look at beauties.”

“Hurry up and tell me where is Qianqian?”

The middle-aged man, whose real name is Chen Shan, licked his mouth squintly and let out a smirk.

“It turned out to be President Chen. Why did you come here today if you don’t sell cars? Is it a lot of skill?” Lin Qianqian glanced at the other party while holding the wine glass.

Chen Shan.

Well-known local car dealers, whether it is overseas cars, Ferrari, Lamborghini, these well-known luxury cars.

Or perhaps it’s a luxury car that few people know that it is very popular overseas but nobody knows about it in mainland China.

They are sold in Chenshan’s company.

He and Lin Qianqian have known each other for a long time, and Chen Shan didn’t know each other a day or two, and wanted to take Lin Qianqian as his own.

He thinks that today is an opportunity, so he booked a box and went there in person, wanting to conquer Lin Qianqian.

however.

Lin Qianqian’s attitude really made him feel bad.

Chen Shan took a deep breath, walked quickly towards Lin Qianqian, and smiled slightly: “Isn’t it President Lin’s birthday today? How could I be absent?”

Lin Qianqian looked at him in surprise: “How do you know that today is my birthday?”

Luo Rou suddenly slammed in his heart and lowered his head with a guilty conscience.

“About President Lin’s birthday, I also prepared a surprise. I don’t know if Miss Lin can go out with me.”

“I will leave it to them to deal with the matter here. I promise that this surprise will satisfy Miss Lin.”

Chen Shan made an inviting gesture.

But I was very happy in my heart. As long as you go out with me, you can't run anyway today.

Even if it is a crime, it will not hesitate!

As a veteran, he has a way to convince Lin Qianqian.

Can't conquer a little woman after living for so many years?

"Sorry."

"I'm not in the mood to go out with you, please leave, please."

"My birthday, there is no need to invite an outsider to participate."

Lin Qianqian shouted sharply, her attitude was extremely determined, she had already guessed what was going on in her heart.

The appearance of Chen Shan must have something to do with Luo Rou.

"Thank you, Miss Lin, come with me. Chen has prepared this gift for a long time."

"So many people are watching, you won't give me face, right?"

Chen Shan's tone suddenly became cold and stiff, with a hint of threat.

Implications.

I just give you face today, don't be shameless.

otherwise.

Teach you can't eat and walk around!

"Don't go." Lin Qianqian retorted loudly without fear at all.

"Meaning maid, I don't think you will fight for three days, go to the house to reveal the tile!"

Chen Shan shouted angrily, raised his hand, and smashed Lin Qianqian's face.

"Don't pretend to be garlic with Lao Tzu here, and toast and not eat fine wine, you and he are tired of life!"

"Even my Chen Shan's moldy dare to touch!"

He was angry, his chest moved up and down, and his eyes became extremely harsh.

The slap fell.

Lin Qianqian, a petite figure, was slumped, with scarlet palm prints on her cheeks, very clear.

When the rest of the people saw this scene, they didn't dare to breathe.

Because they knew that they couldn't offend Chen Shan at all.

If he rushes in, Chen Shan will retaliate against them.

Small people like them naturally cannot afford to offend an existence like Chen Shan.

Li Yuanyuan was very scared and nervous, but very anxious in her heart. That was her best friend. How could she bear to watch him in danger?

then.

She grabbed Luo Rou's arm and said, "Go and help, don't you like Qianqian?"

Chen Shan snorted coldly, pinched his waist, glanced at everyone with a stern eye, and said angrily: "If anyone dares to intervene in this matter today, don't blame Lao Tzu for being polite!"

This statement came out.

Luo Rou, who was about to move, stopped and stiffened.

His face was ugly, and he gritted his teeth.

The other party was really angry, and it was inevitable for Lin Qianqian.

He said with difficulty: "I don't want to save, but I can't save it at all."

Li Yuanyuan stomped his feet anxiously, and kept muttering to himself: "Then what to do...hurry up and think of a way!"

"Smelly bitch!"

"I told you not to give me face, let you treat me indifferently, today I want to turn you into my dog!"

Chen Shan stepped forward, raised his hand, and the gesture was about to beat Lin Qianqian.

Lin Qianqian's eyes are full of despair, she can't be Chen Shan's opponent at all, the opponent's strength is too great.

She just slapped it down, and now she is dizzy.

Can't get back to God.

The self-defense skills learned can not be used at this moment.

"Hey, I let you know what you are in front of me!"

The smile on Chen Shan's face grew stronger.

"Is it comfortable to hit a woman?"

"It's really interesting. I didn't expect Lin to see such a good show."

Lin Kai applauded and walked in through the door with a smile.

Although laughing.

But his eyes were cold, inch by inch.

## **Chapter 1092: I Wait For Him To Come**

Chapter 1092 I'll Wait For Him Over

"Which non-open-eyed \*\*\*\* dares to take care of my business, is it too crooked?!"

"Do you know who I am? I advise you to close your stinky mouth quickly, otherwise the consequences will be hard to bear!"

Chen Shan pointed at Lin Kai in the air, his eyes filled with disdain.

I was very surprised.

What's going on today, why suddenly an unknown person jumped out.

Is my name Chen Shan so low now?

All wild cats and wild dogs dare to provoke me!

"Lin Kai, get out of here right away, there is no place for you to speak!"

Luo Rou, who was standing in the crowd, suddenly spoke, and said coldly with a targeted taste.

Lin Kai frowned.

Without even looking at each other.

He quickly came to Chen Shan and asked with a smile: "Which manual my friend is the only one? Left hand or right hand?"

"Both hands hit? Why..."

"Do you still want to do it with me?"

"Okay, since you want to play, then I will have fun with you."

Chen Shan was full of drama and abuse. Looking up and down Lin Kai looked more and more interesting.

Looking at his outfit, isn't he a special character?

but.

What if the other party has an extraordinary background?

In Donghai City, this three-acre land, apart from the top few, who wouldn't give him Chen Shan's face?

Even if Lin Kai was beaten, his fathers came, and he didn't dare to say anything in front of him Chen Shan!

"Since both hands have moved, both hands have been chopped off." Lin Kai said casually with his eyelids drooping behind his hands.

That kind of attitude, he didn't care at all, he didn't care about the other party at all.

Luo Rou snorted and said, "This is Mr. Chen, a well-known domestic automobile agent named Chen Shan, he is worth a lot of money."

"Do you still want to move him? I advise you to kneel down honestly and give Mr. Chen three deductions and nine bows, saying that it is not necessarily that Mr. Chen will be merciful and spare you a dog!"

He thought in his heart that he couldn't save Lin Qianqian, and he didn't dare to oppose Chen Shan. What kind of thing are you.

Dare to fill the head here?

"Lin Qianqian is your friend?"

“If it is, please shut your mouth!”

Lin Kai squinted his eyes slightly, staring at the opponent with a bad expression.

It’s hilarious.

Your friend, if you don’t help, others stand up for Lin Qianqian, and you are still sarcasm.

He really didn’t know who Luo Rou was with!

What a dull thing!

Despicable and shameless villain!

Luo Rou put her arms around her chest and laughed and said, “I have said it very clearly. Since you don’t listen, you will die later, don’t rely on me. After all, I didn’t remind you.”

“Dog bites Lu Dongbin and doesn’t know the kind of dog things!”

Lin Kai spread his hands, shrugged, and looked at Lin Qianqian, expressing his helplessness.

Lin Qianqian was also greatly disappointed.

Unexpectedly, Luo Rou turned out to be such a person, causing trouble, and now it turned out to be this attitude.

So many years of feelings are really a waste of time in business.

But other than that, she wasn’t very angry.

After all, I was not too good to Luo Rou, and it was reasonable not to help if something happened.

“Boy, kneel down to me right now, have you heard?!”

“Believe it or not, if I dial out now, your father will personally come to teach you, and I don’t need me to act!”

Chen Shan saw that Lin Kai was so emboldened, and thought Lin Kai was his brother, so he had such a sentence.

“Did you break the hand yourself, or should I break it for you?!”

Lin Kai didn't answer, but went straight to the subject, looking at him with murderous expression.

"Hahaha..." When Chen Shan heard this, he clutched his stomach and laughed, tears almost streaming out.

Having said so much about feelings, this person didn't listen at all!

Don't know what kind of existence you are? !

He Chen Shan can swear to heaven, this is the funniest joke he has heard this year.

"Haha."

"This kid is really frustrated, and he still wants to cut Mr. Chen's hand? It's not me who blows, even if it is Mr. Chen's hair, he is not qualified to touch it!"

"It's so laughable!"

In the box, there was a roar of laughter, which was extremely ironic and extremely playful.

In the eyes of everyone.

Lin Kai couldn't be Chen Shan's opponent, after all, a young man, such an old man, and his strength was not tolerated.

But in the next second.

The laughter came to an abrupt end.

The Hidden God appeared in front of everyone strangely, placed a token in his hand in front of Chen Shan, and whispered: "You continue?"

Above that token.

Carved with a five-clawed golden dragon.

Below are the beautiful mountains and rivers.

Engraved with two characters,

Jiulong Mountain!

"Nine... Jiulong Mountain?!"

Li Yuanyuan recognized the words on it and let out a scream.

Boom boom boom –

In an instant.

Chen Shan was so frightened that he almost lost his soul, his pupils shrunk into a needle, and he looked at the token tremblingly.

other side

The other party is someone from Jiulong Mountain!

“Hiss.”

Everyone at the scene took a cold breath, their faces full of incredible colors.

Jiulong Mountain!

It was an official organization similar to the Dragon Group, and it was definitely a behemoth, whether it was an organization or enterprise on the national border.

It only takes a word from the other party to make him evaporate, and there is no trace of it.

“Gudong.”

The cold sweat on Chen Shan’s forehead rolled down like rain.

He couldn’t help but his heart almost popped out of his throat.

Things are big!

It even provokes people from Jiulong Mountain.

What the hell...

Am I tired of life?

“Mr. Chen, you continue to say?” Lin Kai rubbed his temples and asked slowly.

Chen Shan checked wildly, said?

Talk about wool!

What the hell, you are from Jiulong Mountain, I dare to say something arrogant!

Isn't that self-defeating?

Lin Kai pulled a chair over, leaned back on it, stretched out an index finger, pointed at Chen Shan and said, "Two choices."

"One, cut your two hands and disappeared from my eyes."

"Second, fight with me to the end, call all your connections and kill me!"

Chen Shan lowered his head, thinking about electrical engineering.

Suddenly thinking of my boss, there was a rush of hope, and he whispered: "Haha, don't be so serious, I just made a joke."

"I hope that in the face of my boss, He Zhishan, you can open up to me and let the past go!"

Lin Qianqian, who had not spoken all the time, her eyes widened when she heard this.

"He... Mr. He?"

When she heard the name, the corners of her mouth twitched and she kept sucking in cold air, her eyes filled with fear.

"Mr. He Zhishanhe!"

Luo Rou shuddered and almost fell to the ground in fright.

Immediately afterwards, he wanted to leave the scene.

Everyone knows, things are big!

Mr. He is no ordinary person, it is a black and white existence, and it is well-known in the world.

"Break your limbs and throw it at the door!"

"I'll wait for this Mr. He to come over!"

Lin Kai waved his hand and gave orders.

Yinshen immediately took a step forward.

Chen Shan only felt a solemn killing intent, rushing toward his face!

## Chapter 1093: Escape

Chapter 1093 Escape!

He kept going backwards, trying to escape.

But how could the hidden \*\*\*\* let him do what he wanted?

Lin Kai let him die now, there is absolutely no possibility until tomorrow!

“You can’t kill me, Mr. He won’t let you go!” Chen Shan yelled loudly, full of fear.

“Really?” Lin Kai said with a smile: “Then I really want to try it.”

He is never threatened.

Unless you can kill him.

Chen Shan watched the hidden \*\*\*\* approaching him step by step, his Adam’s apple was rolling up and down, his legs were already wet, exuding a disgusting smell.

“Really rubbish.” Lin Kai left this sentence coldly, never looking at him again.

I thought it was a man, but I didn’t expect it to be a bully.

Wasn’t it crazy just now?

Why are you afraid now?

Lin Kai sneered, full of disdain.

The long stick in Yinshen’s hand was about to hit Chen Shan’s leg.

Chen Shan didn’t know where the courage came from, so he rolled on the spot and avoided it.

“Since you are so cruel, don’t blame me for being cruel!”

Speaking, Chen Shan rushed directly to Lin Kai, drew out a dagger from somewhere and pressed it to his neck.

“Your kid is not very capable, keep going crazy!”

“Want to kill me? Come on?”

“I want to see, what can you kid do!”

Chen Shan looked at everyone madly, because he had offended Jiulong Mountain anyway.

In any case, it is a dead end, so there is no need to keep face.

In that case, it's better to fight, maybe you don't have to die!

"Do you think you can kill me?"

Lin Kai's tone was calm as if he was talking about the weather today, without any sense of urgency.

You must know that once Chen Shan shakes his hand, he will be in a different place.

Chen Shan felt that Lin Kai was just bluffing, and some people were not afraid of death.

"As long as you keep me safe, I will let you go!"

"Do you think that's possible?"

"Then don't blame me for not..."

Before he could finish speaking, Lin Kai's mouth curled up with a smile, and his elbow hit Chen Shan's chest heavily, and he backed a few steps in pain to stabilize his body.

"hiss."

Chen Shan clutched his chest, feeling the pain in his chest as he breathed.

"Aren't you very capable?" Lin Kai grabbed Chen Shan's chin and forced him to look up at him.

People around, watching this scene, don't know what to do.

Many people even took advantage of this effort to sneak away.

When the gods fight, they are the mortals who suffer.

"Kill me if you have a kind, Mr. He won't make you feel better!" Chen Qiang stalked his neck and stared at Lin Kai viciously.

He felt that Lin Kai was bluffing, so what if he was from Jiulongshan?

Mr. He has a wide range of contacts that he can't even imagine.

It depends on the owner to beat the dog!

Moving him is tantamount to hitting Mr. He in the face, and he will wait to die.

“Dead duck has a hard mouth.”

He Zhishan?

He really didn't take it seriously.

“Resolve him.”

After leaving such a sentence, Lin Kai wiped his hands and walked towards Lin Qianqian.

“Don't worry, it's all right.”

“You are so handsome!” Lin Qianqian hugged him, her expression agitated.

This made Lin Kai a little speechless, because he thought that this girl was scared, and just thought about how to comfort her.

Unexpectedly, this girl did not play cards according to common sense.

Looking at Chen Shan who was dragged aside by the hidden god, Lin Qianqian couldn't help but say: “Can you let him go?”

She knew that Jiulong Mountain was very powerful, but Mr. He would not provoke him.

She looked at him worriedly: “I'm fine, so let him go.”

Lin Qianqian said so, even though Lin was still angry in her happiness, it was hard to refuse.

“it is good.”

Lin Kai walked in front of Chen Shan, picked up the dagger he had thrown to the ground, and faced his face without hesitation.

“This is to make your memory long, not anyone, you can mess with it!”

Chen Shan stared at Lin Kai with scorching eyes, risking to crush a bit of silver teeth first.

He has never been so insulted.

What a Lin Kai, he remembered it!

“Why do you want to kill me?” Lin Kai patted Chen Shan’s face with the back of a knife:  
“If you have the ability, do you?”

Lin Kai’s words really owe him a beating.

Even Lin Qianqian felt that she was not cheap.

“You wait for me!”

“Waiting for the big drive at any time.”

Standing up, Lin Kai pulled Lin Qianqian away, unwilling to take care of his posture.

The people around looked at him fearfully, and no one dared to speak.

Even if someone wanted to curry favor with Chen Shan, when they saw the hidden \*\*\*\*  
standing beside him, they didn’t dare to step forward.

Chen Shan looked at the two of Lin Kai and his palms were already bloody.

“You wait for me!”

Today he suffered such a big humiliation, he would never let them get better.

Lin Kai didn’t have the slightest interest in what he was thinking.

Knowing that he thinks so, it is estimated that he will take a bath and change clothes on  
the day when he is ready to get everything back, and give him face.

Lin Kai walked away from Lin Qianqian and stared at Chen Shan behind him.

“Aren’t you afraid of Mr. He getting revenge on you?” Lin Qianqian looked at him  
worriedly.

No one knows the name of He Zhishan, no one knows.

“Why don’t we go and apologize to him. With the background of Jiulong Mountain, it’s  
not too much to come to him.”

After a long struggle in her heart, Lin Qianqian said something like this.

She knew that Lin Kai was proud, but she didn’t want to offend Mr. He because of  
herself.

The person at the top of the pyramid is not something they can provoke.

“You let him come, and you just scrap him!”

“I want to see if he has three heads and six arms!”

Looking at Lin Kai’s lofty look, Lin Qianqian didn’t say what she wanted to say.

“Luo Rou, what are you going to do with it?”

Lin Kai looked at Luo Rou not far away with a smile on his lips.

After Luo Rou saw his smile, her whole body froze in place, unable to move for a long time.

He felt like he was being stared at by a fierce beast, and he went to an ice cave.

Thinking of Luo Rou, Lin Qianqian sighed and said nothing.

From now on, the two of them have nothing to do with each other.

Seeing Lin Qianqian’s expression, Lin Kai only felt distressed in her heart.

Holding back the anger in his heart, he said, “How do you want to teach him?”

Those who dare to provoke him are really embarrassed.

In that case, don’t blame him for being cruel!

“It’s all over, it’s unnecessary.” Lin Qianqian smiled lightly.

Seeing Lin Kai didn’t speak, Lin Qianqian looked up and saw him staring straight at herself.

She couldn’t help but play tricks.

He hugged Lin Kai’s neck and exhaled: “What have you been staring at me for? Are you thinking about something unspeakable?”

The warm breath hit the neck, and Lin happily itchy.

“You little villain!”

## **Chapter 1094: Live In The Same Room**

Chapter 1094

Suddenly hugged by Lin Kai, Lin Qianqian froze in place, unable to move.

“Don’t you like this very much?”

The warm breath sprayed on Lin Qianqian’s neck, causing her to get goose bumps.

“Lin Kai, you...” Lin Qianqian wanted to reach out and push him away, but after touching Lin Kai’s chest, her whole body froze.

The tentacles are hard, just like him.

After a moment of stunned, Lin Qianqian returned to her previous appearance, suddenly she threw herself into Lin Kai’s arms and hugged him tightly.

Now Lin Kai was stunned, and he maintained a rigid posture, not daring to move.

“Brother Lin, don’t you like people like this? Why don’t you continue?”

Listening to Lin Qianqian’s teasing voice, Lin Kai pushed her abruptly and fled.

After leaving the hotel, looking at the bright lights in the distance, the temperature on his face was considered to have dropped.

“Sir, I never found out that you would be scared off by a woman.”

“Shut up!” Lin Kai gave a vague look with some irritation.

What a shame today.

If this spreads out, Lin Kai will not be confused.

The hidden \*\*\*\* on the side naturally knew that Lin Kai was not angry, so he couldn’t help laughing.

This made Lin Kai even more embarrassed, and he wanted to rush in to find his place.

But thinking of Lin Qianqian, he shuddered abruptly.

The military parade felt that a woman was a terrifying creature.

After a long time, Lin Kai looked at the busy traffic and asked, “Where is Li Shengxian?”

Li Shengxian must be placed in the position of Patriarch as soon as possible.

He didn’t want to delay any longer.

“Li Shengxian already has a plan, plus the fantasy paradise, it has already won half of it.”

“I know.”

Lin Kai waved his hand, and withdrew with a sense of consciousness.

Just as he was about to leave, he saw Lin Qianqian rushing out with half of her face covered.

“Brother Lin, where are you going? Why don’t you wait for others?”

Lin Qianqian hugged his hand, causing Lin Kai to think wildly.

“I’m going back first, so you can rest early.”

As he said, she got into the taxi on the side, and before he could close the door, Lin Qianqian squeezed in without denying it.

“I will sleep with Brother Lin tonight.”

The forward driver, hearing these words, couldn’t help but glance back.

“You shut up!” Lin Kai gave her a fierce look.

How can a girl be so unobstructed?

Is it possible that after a few years in a foreign country, this is really unrestrained?

Lin Qianqian knew that Lin Kai was embarrassed, and stopped teasing him.

Without words, Lin Kai looked at Lin Qianqian and felt a headache when he got out of the car.

“You want to be with me?”

“Of course.” Lin Qianqian said as expected: “You saved me, I naturally want to agree with her.”

“shut up!”

Lin Kai gave her a fierce look and walked straight in, looking unwilling to pay attention to him.

Lin Qianqian didn’t get angry, and followed him every step of the way, just like a follower.

As soon as he entered the house, Li Shengxian hurriedly greeted him and said with a grin: “Brother Lin, let me tell you, my sister-in-law is looking for me to fight today...”

Before he finished speaking, Lin Qianqian who followed up attracted his attention.

“This, this...”

He stared at Lin Qianqian dumbfounded, and then looked at Lin Kai, revealing a meaningful smile.

“Brother Lin, I didn’t think about it.” He punched Lin Kai, showing a smile that everyone knew.

Seeing him like this, Lin Kai wanted to give him a kick.

“Since you have something tonight, I will leave first.”

She smiled at Lin Qianqian, turned around and left.

Two people were left with big eyes and small eyes, and no one spoke.

In the end, Lin Kai compromised: “Turn left on the second floor to the guest room. Everything is new, so you can sleep wherever you go.”

Then he was ready to leave.

When I was in the barracks before, it was not that I had never slept with women.

But they were all comrades-in-arms, they were all brothers to each other, and they didn’t care at all.

But now it is different. This is a living woman who is also interesting to herself. How did you let him take over?

“Brother Lin, don’t you sleep with others?”

Lin Qianqian hugged Lin Kai from behind, rubbing his head gently against his back.

“You go to bed, I’m going to rest.”

Lin Kai pushed him away and went straight into his room, closing the door with a “bang”.

Looking at him, Lin Qianqian smiled and trembled.

She thought Lin Kai was really interesting.

It’s interesting to tease him like that occasionally.

Lin opened up in the room and looked at the smoke hovering in the sky, not knowing what he was thinking.

“Lin Yuan.”

He murmured to himself, he didn't expect this person to hide so deeply, he couldn't find it after searching for so long.

The patience is about to disappear, but Leiyuan Group has no news.

He knew he had to wait, but his heart was upset, making him a little irritable.

When he was thinking about something, the knock on the door interrupted his thoughts.

“Brother Lin, you open the door, and there is something I want you to help.”

Lin Kai opened the door and saw Lin Qianqian who was wearing only a bath towel. He was taken aback and slammed the door directly.

Lin Qianqian was holding the tip of her red nose and muttering unhappy, “Fortunately, I have a quick response, otherwise I have to have an operation.”

“Brother Lin, you open the door.”

“What's your business?”

Thinking of those slender and white thighs, Lin Kai only felt his cheeks warm.

“Brother Lin, people are afraid.”

Lin Qianqian stretched the ending, acting like a baby.

“you”

“what!”

Before Lin Kai finished speaking, she was interrupted by Lin Qianqian's sudden scream.

“What's the matter?” Lin Kai opened the door abruptly and saw a wretched man holding Lin Qianqian's neck tightly.

“Who are you?” Lin Kai looked at the man with a cold face: “Let her go!”

Someone dared to break the ground on Tai Sui's head, which really eats the gall of a bear.

“What kind of thing do you dare to order Xiaoye?”

The man touched Lin Qianqian’s slender thighs, showing a look of intoxication.

Lin Kai was too lazy to talk nonsense with him. He was in a irritable mood at first, but there were still people who came here to get bad luck. It seemed that he didn’t want his life.

“Hidden God.”

Lin Kai shouted, and Yinshen appeared in front of several people with an ugly expression.

“Sir, I got it wrong!”

Yin Shen’s face was cold, and the whole person exuded a terrifying aura.

He just went out for a while, and he was touched in. This is really his negligence.

“it’s not your fault.”

Lin Kai’s tone was indifferent, no wonder it was hidden.

After all, when people eat whole grains, it is inevitable that there will be times of urgency.

The man who was ignored on the side couldn’t help but speak: “What are you two doing slyly!”

“Hurry up and find a room for the Lord, let me enjoy it!”

## **Chapter 1095: Plan**

Chapter 1095

“What are you talking about?” Yinshen looked at him coldly, and the momentum burst out of his body instantly made the man froze.

“Sir, how do you deal with this person?”

“Throw it out.”

Now Rinka is upset and doesn’t bother to dwell on this matter.

Yinshen nodded, carrying the person and disappeared instantly.

“You let me go!”

The man struggled vigorously.

“you sure?”

Hearing this, the man looked down and peed his pants in fright.

“Ahhhhhhhhhhhhhh!” He hugged Yinshen’s arm tightly: “Brother, I was wrong, I know I was wrong. Please, don’t throw me down!”

The Yinshen didn’t bother to care about him, so he found a place and threw it down for him.

As soon as he went back, he saw Lin Qianqian in Lin Kai’s arms, crying pear flowers with rain.

“Brother Lin, I was scared to death, I want to sleep with you!”

Speaking, Lin Qianqian held Lin Kai tightly, not letting go.

Seeing this scene, Yinshen held back a laugh.

Since this Lin Qianqian came, he would see Lin Kai look so embarrassed every few moments.

If this scene were seen by Lishen, it would definitely be shocked.

But he was used to it.

“Yinshen, you are responsible for protecting her tonight.”

Suddenly pulling Lin Qianqian out of her arms and throwing it into the arms of the hidden god, Lin Kai left with red ears.

Suddenly being put into such a big beauty in his arms, Yinshen almost couldn’t help it.

Lin Qianqian got down from the arms of the hidden \*\*\*\* and asked with a smile: “Little brother, what do you think Brother Lin likes?”

“Sir, you can’t tell others at will.”

Had it not been for Lin Qianqian’s follow-up relationship, he wouldn’t talk nonsense with her.

“Little brother, will you tell them?”

“Then you said Brother Lin would like me?”

“How can I say that I am also fair and beautiful with long legs, and the long legs are not bad. Why does he look down on me?”

...

Had it not been for Lin Kai's order, Yinshen would have been unable to bear his endless chatter.

After finally getting through to dawn, he came to Lin Kai like a reclusive escape.

Li Shengxian walked over in the morning dew, smiling and carrying things.

“Brother Lin, how was last night?”

Looking at Li Shengxian who winked, Lin Kai couldn't wait to slap him.

“To shut up!”

Lin Kai glared at him, and asked angrily, “How is the fantasy paradise?”

Mentioning this matter, Li Shengxian smiled and said, “Brother Lin, my dad asked me to invite you to the family meeting tonight.”

Lin Kai nodded, indicating that he knew it.

“What are you going to do next?”

“Hehehe.”

Li Shengxian smiled wretchedly, and murmured a few words close to Lin Kai's ear.

After Yinshen heard Li Shengxian's plan, he almost couldn't hold back a laugh.

I have to say that under Lin Kai's teaching, Li Shengxian is no longer the same Xiaobai.

After speaking, Li Shengxian looked at Lin Kai nervously: “Brother Lin. What do you think of this plan?”

“Really good.”

Lin Kai nodded, showing an appreciative look.

But it's a bit too mean.

But he also knew that if he wanted to become the head of a big family, how could he do without any means?

The saliva that Li Shengxian said was splashing, Lin Qianqian wore a cheongsam and walked down curledly.

“Brother Lin, what are you talking about?”

Lin Qianqian smiled and lay down behind Lin Kai with a bright smile.

Lin Kai frowned, did not say anything in front of Li Shengxian.

But Li Shengxian looked at Lin Qianqian and said, “Brother Lin, there is a banquet tonight, why don’t you take her with you?”

Looking at Li Shengxian who winked, Lin Kai couldn’t wait to slap him.

“Thank you, little handsome guy.” Lin Qianqian cast a wink at him and looked at Lin Kai.

“I have something else, you guys talk.”

Lin Kai didn’t bother to pay attention to them, got up and left.

Looking at the back of him leaving, the two people in the room had their own thoughts, not knowing what they were thinking.

Invisible for a while, he asked tentatively: “Sir, are you in a bad mood?”

“I’m fine.”

Lin Kai shook his head and stared at the scenery in the distance.

If it weren’t for Lin Qianqian’s knowledge of Leiyuan Group’s news, he wouldn’t entangle her too much.

Although he regarded her as his younger sister, her thoughts made him feel very troubled.

Lin Kai took out the cigarette in a irritable mood, vomiting clouds and fog.

Yinshen didn’t know what he was thinking, so he quietly stood by.

“Who is that, there is such a lack of public morality!” A sharp female voice interrupted Lin Kai’s thoughts.

Then there was the sound of high-heeled shoes, and a woman swaying angrily walked over.

“You shameless smoking here?”

The woman’s apricot eyes widened, obviously out of anger.

“Do you know that this lady hates the smell of cigarettes, so quickly kill me, or don’t blame me for being impolite!”

He took out a bottle of water from his arms and poured it on Lin Kai’s face without hesitation.

Seeing that the water was about to splash on Lin Kai’s face, he didn’t evade and surprised the woman.

“Oh, run away!” The woman stomped anxiously, trying to pull him away.

Before he could get close to Lin Kai, he was pushed away by the hidden god, and all the water was counted on him.

Seeing this scene, Shen Yuexin apologized with some embarrassment: “I’m really sorry for that, I thought you would avoid it!”

She quickly ran out of a tissue to wipe her invisibility, but he avoided it.

“Let’s go.”

Lin Kai was completely in a bad mood when she was engaged in such a way, with a black face, and she shunned anyone who saw it.

Because of this, Li Shengxian did not dare to disturb him.

It is sinking and night falls.

Looking at the lights outside the window, Lin Kai rubbed his brows.

“Brother Lin, shall we go?” Li Shengxian looked at him cautiously, for fear of angering him accidentally.

He didn’t want to disturb him, but his dad’s calls came one after another.

Without exception, they were all asking when they came in.

“Let’s go.”

Lin Kai casually took a windbreaker and put it on, making his body look like a jade.

The night color merged with the black windbreaker. If you didn't look carefully, you couldn't even see Lin Kai's figure.

When the two arrived at Li's house, everyone in the Li family, headed by Li Cheng's family, had already been waiting at the door.

When they saw the two, Li Cheng's family hurriedly greeted them: "Mr. Lin. You are here, with this expression."

Li Cheng's family was smiling. If this was seen by outsiders, they would definitely suspect that this was the decisive Li family Patriarch?

"Say something quickly, I don't have that much time to waste."

He wouldn't be too lazy to come here if he didn't give Li Shengxian face.

Li Haoxian on the side looked at Lin Kai of Zhongxing Pengyue, his teeth tickled with hatred.

"I will definitely not let you go!" He secretly swears in his heart, lowering his head to cover up the murderous intent in his eyes.

Lin Kai looked back at Li Haoxian, revealing an intriguing smile.

"President Li, what do you think of Li Shengxian?"

## **Chapter 1096: Shame**

Chapter 1096

"This"

Li Chengjia hesitated for a moment, not knowing how to answer.

In her heart, Li Shengxian has indeed grown a lot, but he is still far from the heir in his mind.

However, Li Shengxian had Lin Kai behind the big Buddha, and he couldn't say anything bad.

Looking at everyone for a while, I don't know what to do.

"Why, is it difficult to answer?"

Lin Kai asked deliberately, and he did it to give Li Shengxian face.

Let everyone understand that he, Lin Kai is supporting Li Shengxian.

If you want to move him, first weigh yourself.

See if you can beat him.

“Naturally it is good.” Li Chengjia replied: “Being next to Mr. Lin, he has grown a lot.”

“I believe that as long as he continues to follow you, the future achievements will be limitless!”

This is also how Li Chengjia is testing Lin Kai to see what position Li Shengxian has in his heart.

At the same time, he was also asking for a position for Li Shengxian, as long as he could continue to follow him.

Why can't Li's family be in line with Lin Kai?

At that time, let alone the entire East China Sea, there are not many people in the entire border who dare to challenge their Li family.

Lin Kai didn't laugh, and naturally knew why he said that.

Along the way, Li Cheng's family kept looking for topics to talk to Lin Kai.

However, Lin Kai didn't have the thought of talking with him at all, except for occasionally nodding, he didn't speak again.

That's how it made Li Cheng's family happy.

When everyone came to the meeting room, Li Chengjia respectfully invited Lin Kai to sit down.

“No.” Lin Kai didn't even look at him, found a spot and sat down.

Seeing this, Li Cheng's family didn't say much.

Today's theme is no longer Lin Kai, but Li Shengxian.

“Shengxian, come here.” Li Chengjia beckoned for Li Shengxian to come over.

To everyone in the Li family, he said, “Shengxian is indispensable for winning the contract of Fantasyland this time!”

Talking about Li Chengjia laughed loudly, and everyone quickly met.

“Yes, Seung Hyun deserves to be a descendant of my Li family.”

“It’s really good, there is the style of the owner!”

...

For a while, there was a burst of praise in the conference room.

Listening to those voices, Li Shengxian felt cold in his heart.

This group of them is nothing more than a bunch of clutter.

Didn’t you follow Lee Ho-hyun to belittle him that time?

Listening to those voices, Li Haoxian felt like a fire was burning in his heart.

“Father, my younger brother did win Fantasyland, but he also caused great trouble to the Li family!”

After Li Haoxian had finished speaking, the entire conference room fell silent.

He held his head up and pointed at Li Shengxian: “We couldn’t have taken it down in Fantasy Paradise, but he actually offended Li Wenhan.”

“These two things, which is more important, I think everyone is clear.”

He said that on purpose.

First, I told everyone that the reason why I didn’t take the Fantasy Paradise was for the sake of the Li family.

Secondly, it means that Li Shengxian is a fool who doesn’t consider the consequences of doing things.

After listening to Li Haoxian’s words, the whole meeting room was only left with breathing.

It seemed that the voices that praised Li Shengxian just now were illusions.

Li Haoxian is naturally satisfied with this effect.

He looked at Li Shengxian with a provocative smile.

With him?

He is still a little tender.

Li Shengxian smiled at him disapprovingly, without feeling the slightest nervousness.

“Sung Hyun, what your elder brother said is true?”

Li Cheng’s family has no sense of urgency.

What a joke.

Based on the relationship between Li Shengxian and Lin Kai, Li Wenhan dare to find something for the Li family?

Unless he is impatient.

“It’s true.”

In the whole East China Sea, who does not know, who does not know? He has no need to lie at all.

“Patriarch, this matter shouldn’t be handed over to Shengxian. Look, it has caused such a big trouble to the Li family!”

“It’s really a waste of inadequate success and more than failure. The Li family will kill you sooner or later!”

“Patriarch, this matter must be severely punished! Why don’t we give the contract of Fantasyland to the Ziguang Consortium, that is not something we can provoke.”

...

Listening to the voices of those people, Li Shengxian didn’t fluctuate at all.

What is the human heart like?

He had seen it a long time ago.

“Father, I think my brother should apologize to Li Wenhan for this matter!”

Li Haoxian stared at him with gloomy eyes: “My brother caused us to suffer such a thing from the Li family, he should be expelled from the house to calm the anger of the Ziguang Group!”

“Young Master is right!”

“Patriarch, how can I say that Young Master Thirteen also let the Li Family take the Fantasy Paradise, should we discuss this matter?”

For their words, Li Chengjia didn't care at all.

As long as Lin Kai is there, there will be no trouble in their home.

After pondering for a long time, Li Chengjia said, “This time Shengxian has done a great job to Li Jia. Tomorrow he will entertain the rich and powerful in the East China Sea.

“You just leave, Ho Hyun stays with Seung Hyun.”

Now that he has decided, everyone has no objection to step down one by one.

Li Chengjia said sternly: “Ho Hyun, apologize to your brother!”

His son is capable and capable, but if his voice is too competitive, he will repay him.

If you really put the Li family. It's over if it's in his hands.

“Why!” Li Haoxian looked unconvinced.

Why should I apologize to a waste?

“Kneel down!” Li Chengjia looked at him with a gloomy expression.

It's really the opposite, not even listening to what he said!

With a “plop” Li Haoxian knelt on the ground and lowered his head. Everyone couldn't see the look on his face.

“apologize!”

The two words were like a mountain, pressing \*\*\*\* Li Haoxian's heart.

He clenched his fist tightly, his face was full of madness!

Why!

Why should he apologize?

“I don't want to apologize to waste!”

“Shut up, you rebel!”

Li Cheng's family slapped him directly without thinking.

“If there is no Lin Kai, Li Shengxian can do it with that crap? It’s just a domineering thing!”

What he said was really the truth.

He really couldn’t do it without Lin Kai’s help.

But who makes luck is also part of strength.

Lin Kai, who had not spoken all the time, grabbed Li Haoxian by the chin and forced him to look at himself: “Are you accusing Lin of meddling?”

“No...no.” Li Haoxian swallowed, then spit out such a sentence with difficulty.

He thought he could defeat Lin Kai, but when he faced him again, the deep sense of fear struck him again, and he couldn’t move.

“Since it’s not, then I don’t look at someone like Lin.”

Lin Kai’s tone was faint, but to Li Haoxian, it was like a reminder.

“Gudong.” With a cry, Li Haoxian’s forehead was full of sweat, and soon he was sweating all over.

“Mr. Lin, you have misunderstood what I meant.” Li Haoxian looked aggrieved: “I mean my brother is a trash, no one is useless.”

## **Chapter 1097: Banquet**

Chapter 1097

“Really?” Lin chuckled mildly.

He took the handkerchief that Yinshen handed over and wiped it clean slowly.

“But how do I think you are accusing me?”

Lin Kai looked at him and threw the handkerchief directly on his face.

There was a fire in Li Haoxian’s heart, if it weren’t for Li Chengjia’s quick response to hold him down, it would be over.

He stared at Lin Kai fiercely, thinking that he was insulting himself.

“I didn’t!” He gritted his teeth and squeezed out these words, and said nothing again.

"There is no best." Lin Kai didn't bother to talk to him and asked Li Shengxian to take him to the guest room to rest.

After Lin Kai left, Li Chengjia's face was gloomy and taught him: "Haoxian, you are too impulsive!"

I thought he was a mature and stable man, but I didn't expect it.

However, the heir of the Patriarch in his mind has never been him, and it doesn't matter what it is.

Thinking of Li Shengxian's changes during this period, I feel quite satisfied.

At least this son is good.

"Dad, why can he insult me so much?" Li Haoxian yelled unconvincedly: "Just because of his identity?"

"If he doesn't have that level of identity, he wouldn't be a fart!"

In his opinion, Lin Kai is just a domineering thing.

Not really capable at all.

"Snapped!"

With a crisp sound, Li Haoxian was beaten and tilted his head.

Less than a minute. A clearly visible palm print appeared on the cheek.

"You rebellious son, do you want the entire Li family to be buried with you?"

He knew that Li Haoxian wanted revenge, but he couldn't take the entire Li family to gamble!

"Dad, I know what I'm doing!" Li Haoxian returned angrily: "I will definitely make him worse than dead!"

Seeing Li Haoxian with a dark look in his eyes and a crazy look, Li Chengjia sighed, and he already had a decision in his heart.

This can't go on anymore, if Li Shengxian is really capable, then the matter should be settled.

"You go down first." Li Chengjia waved his hand wearily, thinking of being alone.

What he didn't know was. The seeds of hatred pierced deeper and deeper in Li Haoxian's heart.

Unless Lin Kai can be killed, otherwise he will never untie this knot in his life.

Yue Lang Xing Shu, in Li's guest room, Lin Kai looked at Li Shengxian and slowly said, "You decide for yourself."

He has his own ideas, what he can do is to make him understand what he wants while experiencing him.

Looking at Li Shengxian with sullen eyes, Lin Kai suddenly regretted the decision he had made.

Turning a piece of white paper into pitch black is what he really wants to see?

But Lin Kai quickly put this idea behind him.

The final result is not something he can control, it depends on whether Li Shengxian can keep his heart.

The sky was white, and the morning glow reflected the sky, which made Lin Kai feel much better.

Originally unwilling to attend the Li family's banquet, he couldn't hold back Li Shengxian's pleading.

After changing into a suit, Lin Kai looked at his expressionless self in the mirror, and the corners of his mouth curled up slightly, revealing a gentle smile.

"Let's go."

He said to the air, holding the tent, like a gentle and polite gentleman.

Since the last incident, the people in the hemisphere who came to this banquet have known him.

As soon as he saw him, he saw the prey like wild dogs, and surrounded him.

Looking at the cheeks with false smiles in front of him. Lin Kai was a little impatient.

"Step aside."

Following the passage where everyone was allowed to go, Lin Kai casually found a secluded corner to sit quietly.

Some people who attended the banquet for the first time were confused and talked a lot.

“Who is that person? What’s so cool about that?”

“Who knows, maybe the son of a big family.”

Li Haoxian listened to those discussions, thinking about it.

Pretending to be casual and said, “People who don’t know where they are from, dare to be presumptuous here.”

After hearing his words, the two brothers looked at each other and showed a tacit smile.

Seeing the two walking towards Lin Kai, Li Haoxian smiled and turned to leave.

Although the family of these two people is not very good in the East China Sea, it can’t stand the power of others abroad.

This time it was the family who asked them to come back for the experience and provoke them to see how Lin Kai solves it.

The sound of everyone’s conversation, the sound of wine glasses colliding, is endless. Lin Kai only felt noisy.

Before he left, there were two more shadows.

“Who are you kid? Don’t tell your grandpa to step away!”

“Go away.” Lin Kai didn’t bother to talk to them.

Because of the Leiyuan Group’s affairs, he was upset, unexpectedly looking for something for him.

“What did you kid say? Let the uncle go? I won’t see what you are?”

As he said, he wanted to reach out and grab Lin Kai’s clothes.

The moment he met Lin Kai, he turned sideways slightly and directly avoided.

Grabbing one of the man’s hands, one lifted, one tugged, directly dislocated.

“what!”

The man yelled while clutching his arms, his nose and tears streaming down his nose.

The movement here also attracted everyone's attention.

After seeing Lin Kai, many people gathered around.

"Mr. Lin. What is going on?"

"It's okay, don't bother me." Lin Kai frowned, very impatient with them.

"You dog, you dare to hurt me, I think you are impatient!"

The son-in-law stared at Lin Kai fiercely, enduring the pain and took his dislocated arm back.

Just at this point, Lin Kai aroused him to admire him a little.

"Hurry up and give you Grandpa Zhang, I knelt down and kowtow to apologize. Maybe I have a lot of it, so I won't care about you."

Zhang Tao looked at Lin Kai condescendingly, with a superb look, as if being able to talk to him was a supreme glory.

"You are dumb."

Seeing that Lin Kai hadn't spoken for a long time, Zhang Tao pushed him impatiently:  
"Dog stuff, you have to let Grandpa do it!"

"Do you want to die?" Lin Kai stared at him calmly, his face gloomy.

"How do you talk to your grandfather?" Zhang Tao patted the table, very domineering.

Someone recognized Zhang Tao's identity, and his face suddenly changed.

"This is Mr. He's godson."

"What are you talking about, that's Mr. He who can eat black and white?"

"He actually provokes such a big man, even if he has the ability to reach the sky, there is only a dead end."

...

Listening to those discussions, Lin Kai was a little curious about that Mr. He.

Who on earth is it so powerful?

Lin Kai ordered: "Yin Shen, go and check his news."

But to everyone, he seemed to be talking to himself, talking to the air.

But because of his identity, everyone dare not say anything.

But Zhang Tao laughed directly: "Don't you be a lunatic, you are talking to the air!"

## Chapter 1098: Zhang Tao

Chapter 1098

After seeing Lin Kai still did not respond, Zhang Tao was so angry.

No one has ever dared to ignore him so much. He was the first.

I must teach him a lesson, so that he understands that he can not provoke anyone.

"I will give you one last chance, kneel down and call me grandpa, and I will let you go!"

The people around looked at them, and no one dared to speak for a while.

The background of these two people is not something they can offend.

At the same time, everyone felt sad for the Li family.

Today these two, no matter who is in an accident, the Li family can't eat.

Lin Kai frowned and drank coldly, "Shut up."

"Dare you let me shut up!" Zhang Tao pointed to himself and said, "Do you know who I am? You are a trash, you dare to yell at me!"

"Kneel me right away!"

"You are so noisy, can't understand people?"

"What did you change?"

Lin Kai almost said that he was not a human being, but what he meant was similar.

"Do you dare to scold me?" Zhang Tao waved his fist and rushed directly.

It's really annoying to dare to scold him like that.

"Why not?" Lin Kai asked him back: "You can only scold me. I call you wicked?"

"It's just right for me to scold you, but it's intolerable for you to scold me!"

Lin Kai couldn't say anything when he heard his double standard.

"Throw him out!"

Yinshen appeared directly in front of Zhang Tao, like a little chicken, grabbing his clothes and going out.

"You let me go!" Zhang Tao struggled vigorously, still yelling.

"You turtle son, wait for the labor and management to see if I won't kill you!"

"Asshole, if you have the ability, you put me down, I won't make you feel better!"

"Noisy!"

The Yinshen naturally couldn't tolerate him insulting Lin Kai so much, just punching him in the stomach without hesitation.

"puff."

Zhang Tao directly spouted a mouthful of blood, which was still mixed with some pieces of meat.

The power of the hidden \*\*\*\* can be imagined, it is a big mountain, which can be punched through.

Not to mention Zhang Tao, a mortal man, this is because the hidden \*\*\*\* has not exhausted all his strength, otherwise he would have been killed.

"He hit Zhang Tao?"

"Aren't you afraid that Mr. He will ask him something? You are really courageous!"

...

Lin Kai turned a deaf ear to the surrounding discussions.

"roll!"

Spit out a word indifferently, and the people around instantly scattered, for fear of touching him.

Yinshen mentioned Zhang Tao as he walked out of the Li family's gate and ran into Li Cheng's family and everyone in the Li family head on.

"Master Yinshen, what did you mention?"

Li Chengjia naturally recognized Zhang Tao's identity, and his face became pale when he thought of Mr. He who was about to come.

He wanted to rescue people from the hidden gods, but Lin Kai was not something he could provoke.

For a time, Li Cheng's family was so anxious that they were like ants on the hot pot, but they could not find a clue.

When Li Haoxian on the side saw Zhang Tao, his eyes rolled, and he thought about it.

Originally, he was still thinking about how to cause Lin Kai trouble.

Unexpectedly, he would send it to the door himself. It was God who helped him.

Li Haoxian leaned in to Li Cheng's ear and whispered: "Dad. We have to save people, or if Mr. He knows, we will be finished."

Hearing what he said, Li Chengjia nodded, not as entangled as before.

No matter what happens in the future, Zhang Tao absolutely must not have an accident here.

It doesn't matter if Lin Kai is offended because of this.

Then they got in touch with Mr. He. There is no need to continue to be afraid.

Li Chengjia asked respectfully: "Mr. Yinshen, can you give me this gentleman?"

Yinshen glanced at him blankly, and walked forward without stopping.

Zhang Tao, who was held in his hand by him, struggled, his face flushed.

"Mr. Yinshen, you..."

"You are noisy."

What else did Li Chengjia want to say? When Yinshen said that, he didn't dare to speak for a moment.

Suddenly Li Haoxian took a step forward: "Trouble you to put Young Master Zhang down, or don't blame us for being impolite!"

Obviously he was going to make a comeback, and now he directly pulled the entire Li family into the water.

When Mr. He knows about this, he will only be grateful to him, who will let him speak.

“Why don’t you want to be polite?” Yinshen stared at him so directly.

The murderous aura on his body seemed to be real, and Li Haoxian couldn’t breathe under pressure.

He also killed people, but how can he compare with the hidden god?

Li Haoxian clenched his fists tightly, his face pale, and his clothes had been soaked in cold sweat.

He didn’t even dare to raise his head and look at the hidden god. He just felt like he was being stared at by a poisonous snake. He might be killed at any time.

The change at the door also attracted many guests around, and everyone gathered around to see what happened.

Someone in the crowd recognized Zhang Tao and hurriedly shouted: “Who are you, let Young Master Zhang come down!”

Speaking of a short stature, a fat man ran over like a penguin.

The moment he was about to meet Zhang Tao, he was hidden by the hidden god.

Originally Yinshen wanted to do it, but thinking of Lin Kai’s character, he changed his mind.

“President Li, my husband said people, don’t let people disturb him.”

Leaving such a sentence, Yinshen threw Zhang Tao out of the gate, turned around and left.

Zhang Tao lay on the ground and shouted: “You wait for labor and management!”

After Yinshen left, Li Cheng’s family quickly ran over and carefully helped Zhang Tao up.

“Master Zhang is really sorry, are you okay?”

“Am I okay?” Zhang Tao kicked the fat man just now: “Do you think I am okay?”

“Tell him, wait for the little master and see how I kill him!”

Speaking of Li Chengjia’s hand, he limped and left.

“Haoxian, go and send Young Master Zhang back.”

There are still so many dignitaries this time, not to mention the presence of the great Buddha Lin Kai, he really can't go away.

Needless to say, Li Haoxian chased after him.

“Master Zhang, I'll take you back.” Li Haoxian smiled flattery, and carefully supported him, just like a slave.

Seeing him like this, everyone not only didn't think he was humble, but was envious of him.

As long as he is not stupid, he can have a relationship with Mr. He. That is the supreme glory and the blessing of several lifetimes.

“Humph.” Zhang Taoming glanced at him and asked, “Who is that person?”

“That person, this...” Li Haoxian hesitated for a long time and couldn't say one thing.

Seeing his embarrassed look, Zhang Tao became angry and slapped him up.

“My little master asks you something, dumb?”

“No, no.” Li Haoxian quickly apologized: “We really can't afford anyone, so don't make me embarrassing!”

“Am I embarrassing you?”

## **Chapter 1099: Strike Up A Conversation**

Chapter 1099

“No, no.” Li Haoxian waved his hand quickly.

The aggrieved person in my heart can't do it, a trash, is it because there is a good foster father who dares to call him five and six.

When he succeeds in getting in touch with Mr. He, he will definitely look good at that time!

“Hurry up then!” Zhang Tao roared, tugging at the wound at the corner of his mouth, and he took a breath of pain.

Li Haoxian hesitated for a while, and thoughtfully said: “If I say, please do not forget to save my life.”

“No problem.” Zhang Tao held his head high: “Don’t worry, no one dare to move the person Zhang Tao wants to protect in the entire East China Sea!”

In this way, Li Haoxian is naturally not good to shirk anything.

Besides, he did it on purpose. Why did Zhang Tao think of what he said if he didn’t do that?

“Master Zhang, it’s not that the villain doesn’t want to say, it’s that Lin Kai is too arrogant.”

Li Haoxian looked so grievous and bitter, adding fuel and jealousy, not knowing how much dirty water was spilled on Lin Kai.

After listening, Zhang Tao looked angry: “Okay, I dare to look down on my foster father so much, I won’t let him go!”

Speaking, Zhang Tao took out his mobile phone and called.

After the call was connected, Zhang Tao, who was still arrogant and domineering, seemed to be a different person, his tone called aggrieved.

“Godfather, someone scolded you today. I was too angry to reason with him, so he sent someone to beat me.”

Hearing him say this, Li Haoxian felt that he was still not home with his ability to reverse black and white.

The other end of the phone didn’t know what was said, Zhang Tao’s smile was called a brilliant.

After hanging up the phone, Zhang Tao said with a vicious expression: “Tell that Lin Kai, let him wash his neck and wait, and see how I can kill him in a while!”

Li Haoxian had already blossomed with joy in his heart, but he didn’t show anything on his face. Instead, he said in embarrassment, “That’s not good, after all, Lin Kai also has a lot of background.”

“With my godfather, what are you afraid of!”

Zhang Tao said so, and Li Haoxian naturally did not continue to shirk.

He wanted to see how capable this Lin Kai was.

At the same time, in the banquet hall, under the dazzling lights, Lin Kai smoked a cigarette for himself, staring into the distance in a daze.

Not far from him, a few ladies pointed at him and said something.

“Sir, do you want to treat them?”

“Let them go.” Lin Kai looked indifferent.

The mouth grows on them, so you can say whatever you like.

After a few minutes, the ladies came to him cautiously.

“you”

“Which smoker are you?”

The leading lady was interrupted before she could finish her words.

Looking up at the woman, Lin Kai lowered his head and did not speak.

It was the leading celebrity who gave her a vicious look, her eyes full of sternness.

When she looked at Lin Kai, she regained her tenderness.

“May I sit by your side?”

Although she asked this, she had already sat down.

After the woman sat down, she glanced at Lin from time to time. Seeing that he didn't mean to speak, she couldn't help feeling a little angry.

In other words, she is also a celebrity pursued by everyone in the East China Sea. How could she not be moved when she came to him?

“Could it be that my charm has declined?” she asked herself secretly.

But those men looked at them with endless desires.

Thinking of the bet she had just made with them, she went straight to Lin Kai's direction, but she didn't expect to be avoided by him.

He threw himself into the air and looked at the mocking eyes of the ladies. An Yixuan was not angry.

She was born with a golden spoon in her childhood. She wanted the stars for the stars and the moon for the moon. No one dared to treat him this way.

The more he thought about it, the more angry, An Yixuan stood up and said angrily: "Don't be shameless! Do you know how many men in the East Sea want to get this lady's relatives? You are a rubbish, what's wrong about you?"

"An An, don't say it." Shen Yuexin, who was talking about Lin Kai that day, pulled her arm, but was thrown away.

"Am I talking to you, are you deaf?" An Yixuan snatched the cigarette from Lin Kai's hand and threw it out.

Lin Kai looked up at her and said coldly: "Get out."

"You try it again?" An Yixuan's lungs were almost exploded.

She must take a good lesson, this \*\*\*\* who doesn't know the heights!

"roll."

An Yixuan directly picked up the wine glass on the side and threw it at Lin Kai's head.

Although Lin Kai responded quickly and avoided, some wine stains were inevitably stained on his clothes.

Lin Kai frowned, a little unhappy.

He just wants to stay quietly today, why do he always look for things with his eyes open?

"Do you think Lin is very bullied?" Lin Kai looked at him like that.

He was clearly sitting, but An Yixuan felt like an ant, crawling under his feet.

Throwing this unrealistic idea out of his mind, An Yixuan arrogantly said: "What are you pretending to be! This lady is pouring wine on you, that is because you are attracted to you, don't know what to do!"

"is it?"

Lin Kai showed a gentle smile and Junyi's face was plated with a layer of gold under the light. It's like a high god.

An Yixuan looked at Lin Kai like this, and his heart suddenly beating extremely fast.

She couldn't help but speak: "If you are willing to be the minister of this lady's skirt, I can forgive you for your sins tonight?"

“The minister under the skirt?”

Lin Kai sneered, without saying, Yinshen kicked him out.

“Sir, you can desecrate, too?”

Yinshen pinched her neck and lifted it directly to her.

An Yixuan only felt that the air was getting thinner. She breathed desperately, only feeling a pain in her chest, and her eyes were full of gold stars.

“Let her go.”

Lin Kai didn't mean to kill innocent people indiscriminately. Now that he has been taught, forget it.

Yinshen threw her out directly, and one can imagine the power of a grandmaster casually throwing her away.

With the huge impact, An Yixuan flew back, not knowing how many tables had been crashed along the way, and the sound of crackling was endless.

Such a loud noise naturally attracted the attention of everyone, and they asked whose son this was, he was so arrogant that he dared to make trouble in Li's house.

“Yixuan.”

The cry of grief from a man attracted everyone's attention.

A fat man carefully helped An Yixuan, who was unconscious, up.

“Who did it, get out of here!” With red eyes, he looked at the people around him furiously.

“I.”

“Is your kid so tired and crooked, even if no one of me Ann, I dare to move? Believe it or not, let you expose the corpse to the wilderness tomorrow!”

“You can try.”

There are many people who want to kill him. If he has this ability, I don't know how many people will treat him as a guest.

After Lin Kai finished speaking, a young man next to Fatty said disdainfully: "I don't know where the sky and the earth are, and I don't see where this is, where is it for you to speak with a parasite?"

## Chapter 1100: Solve

Chapter 1100

"I'm a parasite, what are you? Parasites are nothing, go away."

Lin Kai screamed, his aura exploded, and the atmosphere in the entire hall suddenly froze.

Everyone just found it difficult to breathe, and they didn't even have the courage to speak. Their backs were already soaked in cold sweat.

"Who is this person, who has such a strong sense of oppression."

"It's worthy of being a young talent in the mouth of Family Li, really amazing!"

...

For a time, everyone was pregnant with ghosts, and no one dared to speak.

"Ok?"

An Yixuan in An Mou's arms let out a cry, which made everyone's hearts relaxed.

"Dad, my whole body hurts so much." She looked at An, her tears sliding down her cheeks like no money.

"Good girl, don't be afraid, Dad will avenge you!"

After finishing talking, An gave An Yixuan to the young man aside, and walked to Lin Kai's side in one step at a time.

He looked up at Lin Kai with a gesture of charity: "I will knelt down and apologize to my woman, otherwise today next year will be your anniversary."

The people in the crowd who knew Lin Kai's identity couldn't help laughing.

"Who do you think you are, it's so shameless."

After the man said, he looked at Lin Kai: "Mr. Lin, this person is threatening you, it's really disgusting!"

He said this deliberately, in order to sell Lin a favor and let him remember his goodness.

"What kind of thing are you qualified to talk nonsense in front of me?" An Mou didn't even look at that person, with an ignorant attitude.

Seeing this, someone next to him immediately sarcastically said: "This man, he just doesn't have eyes. I don't know who to fawn on, so don't follow the wrong master."

The person who helped Lin Kai speak was furious, but he didn't say anything.

"Whose dog hasn't been chained tightly? The dog ran here to bark?"

"You bastard, you call me a dog?"

"If you want to say that, then you are it." Lin opened a cigarette and leaned against the sofa with an elegant posture.

"You can get me out of here!"

His attitude angered An Mou, he had never been so ignored before.

"Noisy."

After Lin Kai finished speaking, Yinshen went over without hesitation, and slapped An's face.

There was a crisp sound, and everyone felt pain.

An Mou was directly drawn in the air and turned three hundred and six times, and then fell to the ground severely.

His cheeks swelled at a speed visible to the naked eye.

An Mou covered his face and said slurredly: "You wait for me!"

"Wait, just wait!"

An Mou covered her face, and left with the young man in a dingy manner.

When everyone saw this, they scattered and discussed.

"Let's go."

Lin Kai didn't bother to stay here anymore.

"Shengxian, I have something to do, so I will leave first."

Li Shengxian grabbed him and said with a smile: "Brother Lin, I have prepared a good show tonight. Wait a minute."

"What are you going to do?"

"Naturally, I gave my elder brother a big gift."

There was a smile on Li Shengxian's face, but Lin Kai looked very uncomfortable.

"You decide for yourself." He didn't say much.

It is impossible for oneself to be by his side to help him all the time.

"Brother Lin, you can leave later."

Li Shengxian clutched his arm tightly, not letting him leave.

Seeing Li Shengxian's appearance, Lin Kai got goose bumps all over, and quickly threw him away.

"I am not interested in men."

"Brother Lin, what are you talking about?" Li Shengxian was taken aback for a while, laughing out of breath.

Even the hidden \*\*\*\* on the side couldn't help laughing.

Lin Kai knew that this was a misunderstanding, his face was gloomy, and he gave a cold snort, and stopped paying attention to the two of them.

Yinshen and Li Shengxian looked at each other, and they rarely followed him in a tacit understanding, and no one dared to speak.

As Li Cheng's family took the stage to speak, the whole banquet gradually came to an end.

Seeing that it was almost time, Li Shengxian gave Lin Kai a word and walked onto the stage.

"At your request, enjoy the Fantasyland!"

The voice fell, and the big screen behind him changed instantly.

It is a bird's-eye view of the entire fantasy paradise. It looks beautiful, just like the castle in a fairy tale.

As the lens pulled in, everyone understood its beauty bit by bit.

The cartoon characters inside are all lifelike.

None of the theme venues are completely restored as if they were moved from a book.

As time passed, suddenly the camera flickered and the background became dim.

Before everyone knew what was going on, I heard a woman's gasp from inside.

The voice was charming and sultry, full of desire.

Some people with poor self-control at the scene have already had their brains.

"What's going on, it's about to be closed!" Li Chengjia roared, his face pale.

No matter who this person is, the occurrence of this kind of thing on this occasion will have a huge impact on the reputation of the Li family.

"Dad, it can't be closed for the time being, I'll have someone to deal with it immediately." Li Shengxian left anxiously.

The screen continued, gradually revealing a woman's body.

The beautiful figure makes the blood spurt.

The woman is like a bitch, letting the man behind her move.

The man's face was not revealed, only a tattoo on his right wrist was visible.

When seeing this woman and the tattoos, Li Cheng's family almost didn't come up at once and fainted.

At this moment, the screen flickered, and it became a scene of Fantasyland again.

But everyone no longer cares about watching these exquisite anime characters, they are still reminiscing about what they just saw.

"Come, see off."

Li Chengjia looked at the crowd out of breath, looking like he could not faint.

Even though these dignitaries want to stay and watch the excitement, the Li family is not something they can offend, so they can only find excuses to leave.

“Come here, call me that couple of dogs and men!” Li Chengjia sat down with Li Shengxian’s support.

“Father, pay attention to your body.” Li Shengxian said nothing except caring about his body.

This is also the point of brilliance. If he starts to punish Li Haoxian at this time, he will also be unlucky with him.

“Hmph, this rebellious child is mad at me. Why haven’t those two \*\*\*\* come yet?”

Li Cheng patted the table angrily, everyone in the Li family on the side looked at me and I looked at you. No one dared to speak.

“Father, what’s the matter with you asking me to come?” Wang Fang looked at everyone in the Li family, not knowing why he had a bad feeling in his heart.

“You slut, my Li family does not have a spoiled daughter-in-law like you!”

Wang Fang looked at Li Cheng’s family in amazement, completely not sure what was going on.

Seeing Li Chengjia nodded, Li Shengxian quickly explained the ins and outs.

After listening, Wang Fang was stunned.

“This is impossible!”

Wang Fang screamed and yelled: “This is impossible, Li Haoxian, you count me!”

## **Chapter 1101: Punishment**

### Chapter 1101

“What did you say?” Li Chengjia “rubbed” and stood up: “You said Haoxian calculated you?”

Now Li Cheng’s family only thinks that their brains are buzzing, originally thought it was just the eldest daughter-in-law and the third son having an affair.

In the end, another one came out here, which was calculated by the eldest son?

Who do you make him believe?

“So I didn’t read it wrong that day.”

“What did you say?” Li Chengjia turned to look at Li Shengxian and asked what he knew.

Li Shengxian looked at Wang Fang with a tangled expression, but did not dare to speak.

“You say, I will support you!”

“I heard by chance that that day, the eldest brother told the third brother to give him his sister-in-law.”

“What are you talking about?” Li Cheng’s family looked at Li Longxian who had just arrived, and roared angrily: “You rebellious son, get out of here!”

Li Longxian shrank, afraid to look at Li Cheng’s house.

He was stunned for a while, and then said cautiously: “Father, I wonder what is wrong with you calling your son over?”

“You still have the face to ask me what’s the matter?” Li Chengjia patted the table, not beating.

Li Longxian looked at everyone and didn’t understand what happened.

Li Shengxian quickly explained to Li Longxian, and after receiving it, he fell directly on the ground and shook his head vigorously.

“It’s impossible, how could I follow, follow...”

Li Longxian looked at Wang Fang and couldn’t say a word.

Li Shengxian also got the news soon and came back. Seeing Li Longxian kneeling in Hu’s house, he was a little confused.

“Father, what happened to the third brother and Fang’er?”

Li Shengxian looked worried: “Father, please give them a chance. Although they have made mistakes, they won’t be so exciting.”

Listening to Li Haoxian’s words, Li Chengjia laughed in anger.

“Good good, really my good son!”

“father”

“shut up!”

“Shengxian, explain to him!”

Li Shengxian quickly explained the ins and outs to Li Haoxian.

After listening to Li Haoxian, he understood why those people looked at him like this.

“Father. This is fake, someone must have framed me!”

“Framed you?” Li Chengjia pointed to the two kneeling on the ground and said: “You are so brave. For the position of the head of the family, you can give your own daughter-in-law to your younger brother. What a patience!”

All the members of the Li family on the side bowed their heads and said nothing.

“It’s you, Li Shengxian, you framed me!” Li Haoxian yelled with an angry face.

Then he seemed to react, and quickly lowered his head: “Father, I’m sorry, it was the son who made a mistake.”

He was just anxious, and now that he said so, it would make Li Chengjia more angry.

Seeing Li Haoxian saying this, Li Shengxian was stunned for a moment, and sighed in his heart that his brother was not easy to deal with.

“You go down first, and a few brothers stay.”

After everyone in the Li family went down, Li Cheng’s family looked a little tired and said, “Ho Hyun, you can handle this, don’t destroy the relationship with the Wang family.”

Li Haoxian was taken aback for a moment, but he didn’t expect Li Cheng’s family to punish him sooner than I did. This was unexpected.

After speaking, he looked at Li Longxian with a look of disappointment: “As for you, you don’t need to interfere with the Li family’s affairs. Go and take care of Old Shi.”

After speaking, Li Chengjia beckoned and asked Li Shengxian to help him and leave.

Seeing the two people leaving behind, Li Haoxian risked breaking a bit of silver teeth first.

He suddenly slapped his head back and slapped Wang Fang away. He sneered and said, “You are very good, collude with Li Shengxian to calculate me!”

“Don’t worry, I will satisfy you!”

After speaking, he looked at Li Longxian, snorted, and let people take them away.

On the other side, Li Shengxian followed Li Cheng’s house with some doubts, not understanding what he meant.

“Can’t you figure out why I’m thunder and rain a little bit less?”

Li Chengjia said tiredly: “You big brother, Chengfu Shen, you are not his opponent.”

“You, the fire is not good enough. If I punish him now, you will be finished tomorrow.”

Although I don’t understand why Li Chengjia said that, Li Shengxian nodded and said, “Thank you, father.”

“You go back, I’ll stay a while.”

After letting Li Shengxian leave, Li Cheng’s family returned to the study and said respectfully to Lin Kai: “Mr. Lin, the things you explained have been completed.”

Originally, he wanted to punish Li Haoxian, but at that time the words Yinshen gave him made him change his mind.

“I know.”

Said that Lin Kai was about to leave, but was stopped by Li Cheng’s family.

“Mr. Lin, why did you do this?”

“Leave him to Shengxian to practice his hands.”

Hearing what he said, Li Chengjia nodded and understood what he meant.

At the same time, I feel fortunate for my previous decision.

Lin opened the door of Li’s house and saw Li Shengxian walking back and forth.

Seeing Lin Kai, he quickly greeted him: “Brother Lin, you can figure it out.”

“what happened?”

“My dad actually let go of Li Haoxian today, why do you think this is?”

“Think of it myself.”

Leaving such a sentence, Lin Kai turned and left.

Under the illumination of the street lamp, his shadow was stretched long, and soon disappeared.

The one who left Li Shengxian scratching his head in place couldn't figure out what was going on.

On the other side, Lin Kai stopped abruptly and said to an unknown place: "Come out, aren't you tired after following along?"

"Yeah, kid can do it."

A man who was 1.8 meters tall and covered in flesh appeared in front of them.

"Why, the rest of you are reluctant to practice?"

"It's not already."

As his voice fell, seven or eight burly men walked over.

Wherever he went, a \*\*\*\* breath came.

"Whose person?"

"Ask so much \*\*\*\* what to do, my eldest brother asked me to directly kill this rookie."

Speaking of this, a man stood up, waved his big fist, and rushed towards Lin Kai's face.

The fist wind brought up fluttered Lin Kai's hair, revealing a smooth forehead.

Just as he was about to hit Lin Kai, a pair of slender hands firmly grasped him.

No matter how much he drags, he doesn't move.

"You let go of me!"

He raised his foot and kicked towards Lin Kai, but he stepped directly on his kneecap, and the whole person fell to the ground with a "bang".

"You guys go together."

"Fuck, the little boy looks down on us."

"You must teach him a lesson!"

The remaining big guy rushed over.

Lin Kai stood there, unmoved.

The moment they approached, the hidden \*\*\*\* appeared, stepped on the ground, and instantly shook everyone out.

The four scattered pieces seemed to have eyes, and they hit them accurately, leaving blood holes.

“Do you want to continue?” Lin Kai wiped his hands in disgust when looking at the few people who fell to the ground.

## Chapter 1102: Settle Down

Chapter 1102

“You...” The man in the lead looked at Yinshen with a shocked expression on his face.

He couldn't figure out where he came from, and he was still so powerful.

“Puff, cough, cough.” He spouted a mouthful of blood and lay on the ground languidly, venting more and less.

Yinshen raised him directly: “Who sent you here?”

“I'm just dead, I won't betray my employer!” He snorted coldly, unwilling to talk to Yinshen.

“give it to you.”

Lin Kai left a sentence and turned to leave.

“Since you don't say it, don't blame me for being impolite!”

Speaking of Yinshen stepped down, the head under his feet was directly crushed, red and white sticky things mixed together, it looked a little disgusting.

“puff.”

The man didn't expect Yinshen to be so cruel, and a mouthful of blood came out in anger.

“You...how can you...can be so cruel!”

It took a long time for the man to say such a sentence.

“I’m cruel?” Yinshen asked back: “You didn’t be cruel when you killed my husband?”

Had it not been for the husband to find out about the news here, he would have turned the entire East China Sea upside down.

A group of ants have repeatedly made trouble for the husband.

“Either say, or they die!”

Looking at those brothers, the leader wanted to refuse with stubbornness, but in the end he could only bow his head.

“The An family sent us.”

Knowing the news he wanted, Yinshen threw him out, striding away from Meteor.

Seeing him leave, the leader breathed a sigh of relief, at least their lives were saved.

But before he was happy for long, a huge force came from somewhere, and his life was lost on the spot.

“Aroused him, and still want to live? Wishful thinking.”

“Who did it.”

Lin Kai was smoking a cigarette and wandering aimlessly in the street.

Seeing the people coming and going on the street, he suddenly felt a little dull.

“settle down.”

“Ah.”

Lin Kai sneered, and walked towards An’s house.

Looking at the door carved with dragons and phoenixes, Lin Kai asked, “Is it here?”

As soon as they walked over, the guard came over and asked respectfully: “Sir, may I ask you something?”

As for the kind of things that dogs look down on people, it won’t happen here at all.

Because these doormen are professionally trained, and some big people always like to keep a low profile.

“I’m looking for An, please inform the master.”

“please wait.”

Soon the guard came over and said: “Please come in, Mr. An is waiting at home.”

The guard nodded, Lin Kai walked in slowly like a stroll in the courtyard.

An Jia An Yixuan kept walking around the house, asking from time to time: “How long will the \*\*\*\* arrive?”

Knowing that Lin Kai was coming here, An Yixuan’s first thought was that he came to apologize.

Even though he was acquainted, he knew that Anjia was not something he could offend.

“Don’t worry, when he comes, Dad will teach him a lesson for you.”

An Mou took An Yixuan to sit down, and handed him a fruit to soothe his emotions.

The doorbell rang, and the servant hurried over to open the door.

“Is this Mr. Ann’s house?”

“Please come in.” The servant hurriedly turned sideways so that Lin Kai could come in.

As soon as he opened a forest, An Yixuan “rubbed” and stood up: “Are you here to apologize to this lady? You still know what you know.”

“Come over and knock my head three times, and be my plaything in peace in the future. If you take care of me, you may be spared.”

Seeing her arrogant look, Lin Kai couldn’t help but chuckle.

“Mr. Ann, has your woman been so unabashed?”

“What are you talking about! Are you accusing my daughter?” An Mou patted the table and glared.

“I tell you, this lady gives you a face, don’t you don’t want it, or be careful to throw you to feed the crocodile.”

“Then I’m so scared.”

Although Lin Kai said so, there was still a gentle smile on his face, and there was no fear at all.

“You fool me!” An Yixuan glared at him and threw himself into An’s arms, acting like a baby: “Dad, look at him, you hurry up and get him to be beaten to death.”

“Yi Peng, did you hear what your sister said.”

“Naturally I heard it.”

The handsome man who was next to An came over during the conversation.

He was topless, and his bronzed skin did not match his face, as if he were two people.

“Dare to bully my sister, it won’t make you feel better.”

Speaking of pushing hard under his feet, the whole person rose into the air, his legs seemed to be mixed with the momentum of a daughter, and he kicked hard towards Lin Kai.

The expected scream did not happen, An Yipeng looked at Lin Kai who was slightly sideways with a solemn expression.

Expensive carpets and floor tiles were scattered everywhere, and the room was messy for a while.

“It’s a rat, it’s very sensitive.”

An Yipeng said and rushed to Lin Kai again.

Lin Kai entangled with her lazily, found a sofa, tidied up her clothes, and sat down slowly.

“Hidden God.”

An Yipeng who flew into the air, as if being controlled by some unknown force, kept that posture and couldn’t move it.

“How is this going!”

He yelled and struggled, unable to escape.

“what did you do to me!”

He looked at Lin Kai in horror, as if he was something terrifying.

This completely exceeded his cognition, and he didn’t know how to deal with it.

“Let it go.”

After finishing talking, An Yipeng fell directly from the air and fell a dog gnawing shit.

Some got up in a panic, ran to An Yixuan and the others quickly, staring at him with guard.

“You are a human, a ghost!”

An Yipeng has never encountered such a thing, completely beyond common sense.

How could someone put a person in the air?

This is not scientific at all.

Lin Kai ridiculed in a rare good mood: “Yinshen, he said you are a ghost.”

“Sir, how can you still play pranks.” Yinshen’s tone was somewhat helpless.

Speaking of the hidden god, appeared directly in front of the three.

In the empty location, a person suddenly appeared, and everyone was frightened to see it.

Not to mention the things that Yinshen did just now, the Anjia trio took a few steps back in fright, and An Yixuan even screamed.

“Didn’t you ask me to apologize?” Lin Kai crossed his hands and looked at them in time: “Do you have the ability to make me apologize?”

An Mou looked at Lin Kai with fear in his eyes.

He had heard of these ancient warriors more or less, but he didn’t expect to meet them today.

The person who owns the ancient martial arts has an extraordinary identity, and even provokes such a big man.

The more I thought about An, the more scared he became. He provokes them and disappears unconsciously one day.

“Dad, what’s the matter with you?” An Yipeng looked at An Mou beside him with some doubts.

“Lin...Mr. Lin?” He stepped forward and said cautiously: “It’s because we don’t know Taishan. Please don’t count the villains.”

## **Chapter 1103: Dedicated**

## Chapter 1103

“Dad, what do you mean?”

An Yixuan yelled dissatisfiedly: “Why do you apologize for such a waste, brother, go and kill him.”

An Yipeng looked at the hidden \*\*\*\* on Lin Kai with a bitter heart.

He couldn't survive a single move under that person, and killed him?

It is simply a fantasy.

“You shut up!” An Mou yelled at her, annoyed.

I blame myself for spoiling her, and I can't even see what the situation is now.

Kill him?

If he doesn't kill them, he just burns incense.

An Yixuan did not expect that An Mou would yell at her, tears falling on the ground like no money.

Instead of Chang An, they had already gone to comfort her.

But now both of them look at her lazily.

The huge mental gap made An Yixuan feel uncomfortable, but he didn't know what to do.

Lin Kai laughed and watched the farce between their family quietly without speaking.

When An reacted, he knelt on the ground with a “plop”, for fear that their behavior just now made Lin Kai even more angry.

“Please, forgive us. I promise there will be no next time.”

When he said that, Ann kowtowed his head, and after a while, blood flowed down his forehead.

“Dad, what are you doing!” An Yixuan came over and wanted to help him up.

“Why do you apologize to him? It's a trash, Dad, get up quickly.”

“Shut me up!”

An Mou looked at her, and only felt his brain buzzing.

If he thinks he is clever, how could he have such a stupid daughter.

What kind of form is it now, can't she see it?

"You knelt down and apologize!"

As he said, he pulled An Yixuan fiercely, staggered her, and fell directly to the ground.

"What are you doing, Dad!" An Yixuan rubbed his ankle, his lungs were about to explode.

She roared angrily: "You \*\*\*\* hurt you, I won't let you go!"

"Sister, don't say anything." An Yipeng on the side quickly covered his mouth, cold sweat slid down his cheeks.

"Mmm..."

An Yixuan struggled, how could he not get away.

"Oh, I'm a rubbish." Lin Kai leaned on the sofa and looked at the three of them condescendingly.

"Yinshen, blow them up."

He sat up, put his elbows on his knees, crossed his hands, and leaned forward slightly with a smile: "This is the first time I have seen people so arrogant."

"But it's a pity that I used it in the wrong place."

Without waiting for them to speak, Yinshen slapped An Yipeng's face.

The strength of his slap is conceivable, and An Yipeng was directly drawn and flew out.

It stopped when it hit the side wall.

"Ahem."

The blood ran down the corners of the mouth, spitting out a mouthful of blood, with three or four teeth mixed in it.

Seeing this scene, An Yixuan was instantly scared.

Just now she felt that Lin Kai was acting as a big-tailed wolf.

But looking at the most powerful brother in his mind, he was solved by a slap.

The brain she lost because of her anger was considered back.

Looking at Lin Kai in horror, An Yixuan kept on his hind legs.

But behind her is the table, there is no way to go back.

“Don’t come here!”

She screamed loudly, waving her hands constantly in front of her.

“Please, Mr. Lin, let my daughter go.” An Mou kept kowtow to Lin Kai.

“My daughter is spoiled, she is not bad, please.”

Looking at An who was begging for mercy, Lin Kai didn’t feel the slightest fluctuation in his heart.

He has long been used to such things.

Seeing that Lin Kai was unmoved, An gritted his teeth and said cruelly: “As long as you can let my daughter go, I will give her to you.”

He said that besides saving An Yixuan, he also found himself a backer.

Lin Kai was no ordinary person at first glance. If he could get along with him, he would benefit from it in the future.

When An Yixuan on the side heard this, his eyes instantly went cold.

She had seen Rong Junlang’s Lin Kai a long time ago, if it hadn’t been for a big reversal, he would have become her servant.

Now hearing her father’s suggestion, she endured the pain and stood up from the ground.

“As long as you let us go, you can do anything.” He gave Lin Kai a wink.

Looking at An Yixuan, whose eyes were convulsive, Lin Kai felt that he couldn’t understand this.

“roll.”

Looking at An Yixuan who twisted the water snake’s waist and walked away from him, Lin Kai was a little disgusted.

“Is they not beautiful enough?”

Unexpectedly, An Yixuan turned around and fell straight into his arms.

Fortunately, Lin Kai responded quickly and avoided.

Otherwise, she really made her in his arms, he was afraid that he would be sick and unable to eat for a few days.

He really has no interest in this kind of social flower.

If he wants to find a woman, isn't it a matter of minutes?

Not to mention anything else, even with Lin Qianqian, An Yixuan was also completely defeated.

An Yixuan put on a seductive pose.

“Brother Lin, are you taking good care of others?”

Lin Kai almost vomited out without holding back.

The hidden smile on the side was uncomfortable.

Looking at Yinshen, Lin Kai stood up: “One arm, one leg.”

Leaving such a sentence, he rushed out from Anjia as if fleeing.

The three people of Yinshen and Anjia stared at them.

After seeing Lin Kai leave, An Yixuan looked at Yinshen.

“Brother, people are so uncomfortable.”

In other words, Yinshen is also a sturdy man.

However, he knew what he should do and directly pushed An Yixuan away.

Turning his hand into a knife, he slashed directly at her arm.

“Brother, what are you doing?” An Yixuan rubbed his unresponsive arm, a little confused.

Before she could speak again, she smelled a \*\*\*\* smell.

Then I felt a sharp pain in my arm.

She turned her head and looked over and saw her arm being held in her hand, blood gushing.

“what!”

She yelled and fainted directly.

Without waiting for the An family father and son to come forward, he stopped the bleeding for An Yixuan and walked towards the two.

“My lord, please let us go.”

An and An Yipeng kept kowtow begging for mercy.

But for the hidden god, it has no effect at all.

When Lin Kai made them pay, they must pay.

Stop the bleeding for them, hit 120, Yinshen turned and left.

Since Lin Kai didn't intend to take their lives, he naturally wouldn't violate it.

After coming out, Lin Kai stood in front of the garden not far away, looking at the delicate flowers, looking at the unknown place without anxiety.

Hearing the movement behind him, his tone was a little cold: “Take care of it?”

“It's done.”

“Let's go.”

In the breeze, Lin Kai walked into the depths of the green plants until he could not see him.

## **Chapter 1104: Invite**

Chapter 1104

Before he got home, he received a call from Li Shengxian.

The voice on the phone asked him to come to Li's house anxiously, saying that Li Cheng's family had a very important thing, and he wanted to tell him.

“what happened?”

Lin Kai asked, but Li Shengxian didn't know what happened, so he could only urge him to come quickly.

"I know."

After hanging up the phone, Lin Kai drove to Li's house.

As soon as he arrived at the gate of Li's house, he saw Li Shengxian walking back and forth.

Seeing him coming, Li Shengxian ran over quickly: "Brother Lin, you can be regarded as coming."

"I don't know what exactly happened, it seems that Zhang Tao wants to avenge you."

"He has a relationship in the family, and his background is not small, and my dad is also a little worried."

"I know."

Lin Kai nodded without saying much.

As for the backer in Zhang Tao's mouth, it should be Mr. He.

He wants to get in touch with that Mr. He now.

Hearing from others, he has personal connections in both black and white, and his sphere of influence is not small.

Maybe he knows the news of Leiyuan Group.

One day he couldn't find news of Leiyuan Group, he couldn't feel at ease in one day.

Looking at Lin Kai who didn't care, Li Shengxian didn't know what to say.

This is what the emperor is not anxious and the \*\*\*\* is anxious.

"Brother Lin, if you can't, you'll be soft when you come."

After saying this, Li Shengxian took a sneaky glance at Lin Kai's expression, for fear that he would shoot himself to death.

He also knew what kind of person Lin Kai was, so it was naturally impossible for him to bow his head and admit his mistake.

But the person behind Zhang Tao, even his dad, can't afford it.

In the entire East China Sea, there are only a few people that their Li family can't afford to offend.

He didn't want Lin Kai to get into trouble.

"Head down?" Lin Kai sneered, and walked into Li's house without saying anything.

He knew it was Li Shengxian for his good.

But bowing your head is impossible.

Let him bow his head?

can!

Unless you kill him.

As soon as he entered the living room, Li Cheng's family greeted him: "Mr. Lin, you are here."

"What are you looking for?" Lin Kai sat on the sofa beside him and took out his cigarette without hesitation.

Do not breathe, just let it burn quietly.

"Mr. Lin, this matter...Oh."

Li Chengjia sighed, his face a little ugly: "Do you still remember Zhang Tao who was thrown out by Master Hermit?"

"He is Mr. He's adopted son, and his old man already knows about this."

"The words have been released. If you don't kneel down to apologize to Zhang Tao, you will be divided into five horses."

After finishing talking, he carefully observed Linka's expression, for fear that he would be unhappy, and he would just demolish the Li family.

Originally, he didn't want to intervene in this matter.

After all, when the gods fight, they are ordinary people who are unlucky.

But who let this happen in their Li family, who else can they find without him?

Lin Kai patted the soot that didn't exist on his clothes, and stared at him blankly: "Let me apologize? Ha, let him roll over and apologize to the labor and management!"

As soon as he finished speaking, an arrogant voice came from the door.

“Who do you think you are? You want me to apologize to you? What are you?”

“If you are acquainted, kneel down and knock grandpa a few times, then call grandpa a few more times, and I will let you go.”

After he finished speaking, the temperature of the whole room dropped instantly.

Everyone felt that the back of their neck was chilly, and they got goose bumps.

But I looked around and didn't know what was going on.

“Let me kneel and call you grandpa, do you dare to agree?”

With that said, Lin Kai stood up, grabbed his head, and pressed it down without hesitation.

Zhang Tao's face pressed tightly to the table, no matter how hard he struggled, he couldn't escape Lin Kai's restraint.

“You let go of your labor and management, otherwise you want you to look good.”

Zhang Tao kept cursing, Li Chengjia on the side wanted to say something, but no one on either side couldn't afford to offend, so they could only stare.

Naturally, Li Shengxian stood firmly on Lin Kai's side and would definitely not speak for Zhang Tao.

“I am a person who hates others calling themselves a master in front of me.”

While speaking, he grabbed Zhang Tao's head and slammed it against the table.

The sound of “touching” is just listening to the sound, and everyone feels it hurts.

“waste.”

Lin Kai loosened Zhang Tao's hand, took the handkerchief that Yinshen handed over, and carefully wiped his hands.

“You dare to treat Master Zhang like this, you are really impatient.”

Speaking, Li Haoxian rushed in from the door, and carefully helped Zhang Tao up.

“Master Zhang, are you okay?”

He turned his head and stared at Lin Kai fiercely: "What do you think you are?"

"Don't think you have an ancient warrior and go to heaven."

"I tell you, in front of Mr. He, you are not even a fart."

"It seems that the lessons you have received are not enough."

As Lin Kai took a step forward, Zhang Tao trembled with fright.

Li Haoxian stared at him viciously, gnashing his teeth.

It was all because of him that caused Li Cheng's family to be more and more unwilling to see him.

How could his trash brother be in charge of the entire Li family?

As long as he is dead, the waste of Li Shengxian is useless at all.

Now he has caught up with Mr. He, killing them both is just around the corner.

He couldn't help laughing when he thought of how they would lie in front of him like a dog, kneeling and licking himself.

"What do you want?"

Li Haoxian stood in front of Zhang Tao, swearing to protect her.

"Trash."

Speaking of Lin Kai's punch without hesitation, Li Haoxian took Zhang Tao and the like were blown out.

"Ahem."

"puff."

The two fell to the ground holding their chests.

Li Haoxian never thought that Lin Kai dared to touch Mr. He's godson.

But this is good.

Only then can he use Mr. He to take revenge.

Seeing the anger flashing in Li Haoxian's eyes, Li Chengjia became even more disappointed.

It's one thing that he is capable, but it's too easy to get into the horns.

Once the Li family was handed over to him, it might harm the entire Li family for selfish desire.

In any case, he is also Mr. He's godson, and Li Cheng's family can't sit idly by.

"Master Zhang, are you okay?"

"Go away."

Pushing away Li Cheng's house, Zhang Tao smiled staggeringly, staring at Lin Kai sullenly.

"Your kid is very capable, right? You come to Tianmeng Pavilion at 8 o'clock tonight."

Speaking of dropping an invitation, he was ready to leave.

"pick it up."

Looking at the hidden \*\*\*\* in front of him, Zhang Tao felt that he had misheard.

"what did you say?"

"Pick up the invitation card and hand it over to the gentleman respectfully."

Lin Kai didn't explain this, but so what?

No one can insult Mr.

To deny it is to fight for their lives, and they want them to kneel at the feet of their husband to apologize.

"Are you sick, let labor and management pick it up for you, what are you going to count?"

## **Chapter 1105: Heavenly Court**

Chapter 1105 Heavenly Dream Pavilion

"What are you?"

Yinshen stepped out, and the murderous aura on his body rushed towards Zhang Tao.

Where did he feel such a scene?

For a moment, he only felt like falling into an ice cave, as if being on the battlefield, he might die at any time.

“Master Zhang, what’s wrong with you?”

The moment Li Haoxian grabbed Zhang Tao’s arm, his expression changed.

He seemed to be clutching a body that had been dead for a long time.

It was because of Li Haoxian’s touch that Zhang Tao was able to react.

He felt as if he was weighing a thousand pounds on his back, and he knelt down uncontrollably.

Picking up the invitation card on the ground with trembling hands, he knelt like that and moved to Lin Kai’s side little by little.

Like a minion, he approached the invitation with respectful hands.

“get out.”

If he received an amnesty, Zhang Tao staggered and stood up from the ground, and ran away without looking back.

“Stop, did I let you go?”

Lin Kai’s words caused Zhang Tao and Li Haoxian to stop, and they raised their legs stiffly, feeling extremely uncomfortable.

Lin Kai walked slowly to Li Haoxian’s side, and looked at his bruised face with a gentle smile.

But in Li Haoxian’s eyes, this smile was the same as that of the devil.

In his heart, Lin Kai is a suit thug.

Don’t think he is usually polite, but he starts to act like a madman.

Especially with his current appearance, Li Haoxian felt that he might die at his hands at any time.

“Mr. Lin, what are you doing?” Li Chengjia looked at Lin Kai with a smile on his face, alive and well with an old chrysanthemum.

In other words, Li Haoxian is also his son, although he does not like him.

But when it can create benefits for the Li family, it is natural not to let others easily.

“My business, it’s your turn to intervene?”

In a word, Li Cheng’s old face flushed red, but he dared not refute it.

Li Shengxian watched this scene silently, and the thoughts in his heart grew stronger.

The father, who has been aloof since childhood, is now like a dog.

The huge gap brought about by power has made him more and more white about what he should want.

“Next time, don’t let me notice your little moves, otherwise it won’t be a matter of one arm.”

As he said, he took a rice-sized object from his cuff and crushed it severely.

Then he grabbed Li Haoxian’s arm and twisted it without hesitation.

Li Haoxian only felt a huge force hit, and the whole arm was bruised.

There was a “cracking” sound, and all the bones were broken.

“Ah, you bastard, you let me go, I want to kill you, I want to kill you!”

Li Haoxian yelled loudly, his face was pale and his whole body was shaky.

“Ho Hyun.”

Li Chengjia yelled, looked at Lin Kai, and he was relieved to see that he still had the same expression just now.

At this time, dare to provoke Lin Kai, thinking that scrapping one arm is not enough?

“Fuck me, you bastard, let me go, ah!”

He clutched his arm and moved backwards.

“Next time it won’t be as simple as an arm.”

After saying that, Lin Kai stopped looking at them again, turned and left.

Seeing him leaving behind, Li Haoxian’s eyes were bloodshot, like an evil ghost.

“Lin Kai, I want you to die.”

“Snapped!”

Li Chengjia slapped him without hesitation, and he was relieved to see that Lin Kai had disappeared.

“If you want to die, don’t drag down the whole Li family.”

Speaking coldly, he didn’t want to look at him more.

“My dear big brother, I hope your arm will be bad.”

Li Shengxian left such a sentence and turned and left.

“You wait for me.”

He looked out the door with a crazy look, and didn’t know what he was thinking.

If you dare to treat him this way, you must make them pay.

Thinking of what was going to happen tonight, Li Haoxian showed a smug smile.

Let them be proud for a while, and some of them will cry.

He held his right hand and left with Zhang Tao.

When the tired bird came home, the sky gradually darkened.

Looking out the window, a posture of storm is coming.

Li Shengxian looked up at him: “Brother Lin, do you really want to go?”

You don’t have to think about it to know that Zhang Tao must be uneasy and kind.

“Naturally going.” He also wanted to inquire about Leiyuan Group news, why not go.

A thunderstorm sounded, accompanied by thick lightning, piercing the sky.

Then the sound of “cracking” was endless, and the whole earth was plunged into the rain.

“got windy.”

Li Shengxian didn’t understand what it meant when Lin Kai said such a nonsense.

“Brother, you think it’s like this today, so don’t go.” Li Shengxian spared no effort to persuade him.

Tianmeng Pavilion is clearly Zhang Tao’s site, who knows what will happen after going there.

Coupled with the support of Mr. He behind him, it must be difficult to deal with.

“I am leaving.”

With such a word in mind, Lin Kai took an umbrella in his hand and got into the rain curtain.

Li Shengxian took an umbrella and wanted to rush in, but the strong wind blew him, making it difficult for him to move.

After such a short time, he could no longer see Lin Kai.

In the rain curtain, Yinshen was supporting a protective cover.

In the eyes of outsiders, the rain seemed to have life, automatically avoiding the man.

Lin Kai, in a black trench coat, looked like a ghost in the rain.

Not long after Lin Kai came to Tianmeng Pavilion against the wind and rain.

Looking at the attic with warm yellow lights makes people feel warm.

Pushing open the door, I saw Zhang Tao and a group of brothers waiting inside.

“I didn’t expect you to be on time.”

“Lin has always been punctual.”

“Humph.” Zhang Tao snorted coldly, and stopped paying attention to him.

“Excuse me, where is Mr. He?”

The reason why he came today is for He Zhishan.

Seeing him asking his godfather, Zhang Tao didn’t say anything, and the son-in-law on the side couldn’t help it.

“Who does he think she is? Mr. He can see if he wants to?”

"I really want to fly to the branch. I'm crazy. I want to use this method to get Mr. He's attention."

"You see that he looks like a little white face, maybe he is a duck."

...

Listening to the insults to himself, Lin Kai still smiled.

Don't know why, looking at his smile, Zhang Tao thought of Li Haoxian's broken arm.

"Shut up!" He yelled a little annoyedly, feeling irritable.

When those prince brothers heard him say this, they didn't dare to speak for one or two moments.

The entire Tianmeng Pavilion was quiet for a while, only the sound of raining outside.

As if Lin Kai couldn't feel the awkward atmosphere at all, he casually found a place to sit down and looked at the crystal lamp above his head, wandering beyond the sky.

After enduring it for a long time, a young man next to Zhang Tao couldn't help it.

"You are so special so that you don't give Zhang Shao face? Don't you roll over and apologize to Zhang Shao?"

"Are you talking about me?"

## **Chapter 1106: Meet**

Chapter 1106

Lin Kai tilted his head and looked at him like a teenager next door.

"Who else can you be?"

The brother-in-law walked over with a grumpy expression, "Hurry up and apologize to Young Master Zhang, or be careful to kill you."

Looking at the chattering people in front of him, Lin Kai felt a little irritable.

"Yinshen, why do you say that there are such fake fox legs?"

"Who are you talking to?" The son-in-law looked around, except for Lin Kai, the rest were theirs.

“They want to climb up, but they can only curry favor with others. Maybe the joy in their hearts is blooming.”

After Yinshen’s voice sounded, everyone except Lin Kai changed their expressions.

They looked around with alertness, as if they were looking for something.

But the whole hall was unobstructed, and nothing was useful.

The brother-in-law who had just spoken, boldly, roared with trembling lips: “Fuck, I tell you kid, don’t pretend to be a fool, I don’t believe your grandpa.”

“Who are you grandpa?” Lin Kai frowned and looked at him blankly.

When he saw it this way, the son-in-law took a few steps back quickly, otherwise he would look at him.

Although I don’t know how Lin Kai did it, no one is afraid of the situation just now in this ghostly weather.

“Don’t pretend to me, believe it or not, grandpa, I will kill you, grandson tortoise!”

“is it?”

Lin Kai stood up and walked towards the man step by step.

He took a step forward, and the son who had just spoken took a step back.

The brother-in-law didn’t understand what was going on. He was even more afraid to see Lin Kai than to see his grandfather.

“Aren’t you going to kill me? Come on.”

“Don’t come here!” The son-in-law leaned against the door of Tianmeng Pavilion, looking like he was ready to open the door and escape at any time.

Before he could open the door, the door behind him was suddenly opened.

He was unprepared and leaned back directly.

“The one who doesn’t have long eyes, let me get out of him.”

He stood up from the ground holding his butt, wiped the rain off his face, and yelled loudly.

“Are you talking about me?” A majestic voice rang in his ear.

Before he could speak, the younger brothers headed by Zhang Tao bowed respectfully.

“Good father.”

“Hello, Mr. He.”

Hearing this “Hello, Mr. He,” the young master turned around slowly and stiffly.

The Adam’s apple rolled up and down, afraid to look at the person next to him.

“You scold the old man for not having eyesight?”

After finishing talking, a thin man stood up beside He Zhishan.

Both hands were as fast as lightning, poking his eyes fiercely.

In the blink of an eye, only a red hole was left in the eyes of that son’s brother.

“what!”

He just yelled, he hurriedly covered his mouth, clutching his legs tightly, not letting himself scream.

He knows some of Mr. He’s rules.

If at this time, dare to scream, Xiaoming will be completely finished.

Someone said before that Mr. He was a cruel tyrant.

The next day, the whole family disappeared without a trace.

This is the benefit of rights.

Even if you are afraid, you can only hold back.

“throw it out.”

Mr. He was handed the black umbrella in his hand to the people behind him, and looked at the people in the hall with a smile.

“Very well, sit down.”

Hearing what Mr. He said, everyone was amnesty.

One by one sat on the sofa cautiously, not daring to breathe.

It's obvious that Lin Kai is an alien.

"Why don't you say hello to me?"

Lin Kai asked him, "Why do I say hello to you?"

What is his ability to say hello to him?

Don't look at him, he is something.

Hearing this, everyone thought that Lin Kai was absolutely dead.

Without looking at who he was facing, he was really impatient to dare to speak to Mr. He like this.

Someone supported him, Zhang Tao stood up and said, "What kind of thing do you have to talk to my foster father?"

"I advise you to kneel down and apologize to my foster father, or throw you into the sea to feed the fish!"

Lin Kai turned a deaf ear to Zhang Tao's words, and didn't even look at him.

This Zhang Tao was so angry that it would have happened long ago if it hadn't been for Mr. He's presence.

"He Zhishan? Really?"

Lin Kai folded his hands and found a comfortable position to lean on the sofa.

Everyone waited for Mr. He to get angry, but he didn't expect him to laugh, "It's been a long time since no one called me that."

"A bunch of chopsticks, naturally I dare not."

"that's right."

The people who are called strays dared not speak.

"Your kid is very nice." Mr. He looked at him with a smile.

It's been a long time since that junior, so I'm not afraid of him.

This Lin Kai is really good. At a young age, with a calm mind, he will become a master in the future.

Thinking of what Chen Shan said to himself, he pondered for a while and said: "I know you have some friction with Chen Shan. It's better to look at my face, forget it."

"Forget it?" Lin Kai sneered.

What kind of face can he He Zhishan have here?

Forget it?

Extremely ridiculous.

"Forget it, let him kowtow to Lin Qianqian to admit his mistake and compensate for his mental losses."

"Junior, don't go too far!"

He Zhishan looked at him with a gloomy face.

Let Chen Shan kneel for him?

Isn't this just hitting him in the face?

It really made Chen Shan kneel down and admit his mistake. Where did he put He Zhishan's face?

"Sir, let me kill this scumbag! How dare you insult Mr.!"

Speaking of the person behind He Zhishan, half of the long sword in his hand was pulled out.

"Cutsy?"

Lin Kai sneered, nodded, and the hidden spirit rushed straight towards the person.

The sudden change made everyone present stunned.

As for the person behind He Zhishan, the moment Yinshen shot, stood with him.

"At a young age, there is indeed arrogant capital."

He Zhishan clapped his hands and appreciated it very much.

At that moment, Lin Kai's momentum burst into his body, which made him feel a little frightened.

What kind of family can cultivate such an outstanding junior?

This is precisely because of this, he did not kill Lin Kai.

“Not better than you, after all I can’t go to heaven.”

“You ant, how do you talk to Mr. He?”

“Get off.” Lin Kai looked at him coldly: “The master speaks, it’s your turn for a dog to interrupt?”

“you”

The man wanted to say something, but was stopped by He Zhishan.

“At a young age, it’s better not to be too much.”

“I’m too much?” Lin Kai couldn’t help laughing.

“Junior, what are you laughing at!”

“Are you in charge?”

Lin Kai’s words changed He Zhishan’s expression instantly.

Although he had a good impression of him, it was not enough to let him ride on his head and shit.

If this spreads out, wouldn’t the fat sister lose her teeth?

“Junior, is this your attitude?”

## **Chapter 1107: Stay With Me**

Chapter 1107: Stay By My Side

“Is there anything wrong with my attitude?” Lin Kai smiled and looked at him, without realizing what he had just done.

Those princes looked at Lin Kai with shocked expressions, and couldn’t help but step back.

Dare to talk back to Mr. He, it really eats the gall of the bear.

No one dares to provoke Mr. He in the East China Sea of Nuo Da.

“Hahahaha, good good.”

Everyone looked at Mr. He in amazement, but he didn't expect that he was not only not angry, but also very happy.

“No one has spoken to me like this for many years.” He Zhishan's tone was slightly nostalgic.

Everyone around him talked to him respectfully and fearfully.

I'm afraid he will kill them if he doesn't like it.

I have to say that Lin Kai is indeed very angry with him.

“Junior, I can give you a chance to stay by my side.”

When the voice fell, Zhang Tao was the first to retort: “Foster father, how can you let him be by your side? Have you forgotten what he did to me?”

“Foster father, he is an ant, what qualifications does he have to serve you?”

Zhang Tao's chest was constantly skinned, and his red eyes stared at Lin Kai viciously.

It is ridiculous that an ant wants to sit on an equal footing with him!

How much effort did he take to stay with Mr. He?

How much did it cost to become He Xian's godson?

Even if he was by Mr. He, he couldn't even compare to a dog.

But this is the glory he returned after desperately!

Let everyone in the East China Sea be greedy for the glory!

Just him?

With just a few words, can you step on him to the top?

impossible!

As long as Zhang Tao is there, it is absolutely impossible!

“Lin Kai, let me tell you, if you are acquainted, immediately kneel down and kowtow to me, otherwise don't blame me for being rude!”

Zhang Tao gasped for breath, his whole person looked like an angry beast, choosing someone to eat.

Regarding Zhang Tao's overstepping, the people behind Mr. He just prepared to do it, but he stopped him.

He wants to see what Zhang Tao has the qualifications to continue to be his son.

Had it not been for his cruelty, he would not have accepted him as a righteous son.

I hope he will not be disappointed.

Otherwise, there is no need to live.

On the other hand, Lin Kai turned a deaf ear to Zhang Tao's words.

With Erlang's legs tilted, Lin Kai leaned on the sofa with a leisurely look: "Why do you think you let me stay by your side?"

He leaned forward slightly, showing a smile: "What do you think you are?"

"Junior, don't be too presumptuous!" He Zhishan looked at Lin Kai with a calm face.

No one has ever dared to be so presumptuous in front of him.

"Shut up!" Lin Kai frowned and looked at him, with a look of disgust: "Don't influence me to watch the show."

Turning his head to look at the two people in a ball, even his eyes were reluctant to give He Zhishan alms.

"Stop playing."

He Zhishan glanced at him suspiciously, and before he could speak, a loud noise caught his eye.

"Sir, take a sigh of relief as you ordered."

Speaking of Yinshen, the person holding it in his hand threw it to the ground.

After seeing the non-human-shaped people on the ground, those elder brothers only felt cold on their backs, and wanted to take the door out.

Rao He Zhishan was also stunned for a moment, unexpectedly Jiang Chen was beaten up like this.

“Sir, I will avenge Jiang Chen!”

Talking about the other person next to He Zhishan, a very strong aura broke out, and the young man in the house could not breathe.

“thump.”

“thump.”

What’s more, he knelt down without holding on for even a minute.

“Junior, you are very good.”

He Zhishan nodded appreciatively, but it was a pity that he was destined to not use it for him.

“Old stuff, so can you!”

He Zhishan clutched the armrest of the sofa, his face was pale: “Lin Kai, don’t let me give you a face!”

Dare to challenge him, really knowing what to do.

“I’ll give you a face, do you want it?”

“Damn, how do you talk to your husband? What is your special size? It’s not worthy to give your husband shoes!”

“Mister gives you a face, you dare not want it, you are not brave! Miscellaneous, I will make you regret it for a while!”

Jiang Ke looked at Lin Kai with a cold face. In his eyes, he was already a dead person.

Anyone who offends He Zhishan must die!

“Make me regret it?” Lin Kailai became interested: “How do you make me regret it?”

There is really nothing in this world that makes him regret.

“Sir.” Jiang Ke looked at He Zhishan, the meaning was obvious.

Just let him take a shot and directly abolish this choppy.

“He Zhishan, I’ll give you face and call you your sir. Don’t be shameless. Is the dog by your side worthy to talk to me?”

“Who are you calling a dog?”

“roll.”

Lin Kai didn't even look at him: “He Zhishan, I will give you a chance to tell me the whereabouts of Leiyuan Group, otherwise don't blame me for being polite!”

He Zhishan's expression instantly changed when he heard Lin Kai's words. He looked at him up and down, not knowing what he was thinking.

Looking at his expression, Lin Kai couldn't help but breathe a sigh of relief when he knew the news of the Leiyuan Group.

But from this point of view, Lin Yuan's possession is indeed deep enough.

Only with an identity like He Zhishan did he know these things.

“Leiyuan Group!” He Zhishan grasped the handrail, his knuckles whitish: “How did you know.”

“Just tell me about them, nothing else has nothing to do with you!”

“Lin Kai, are you sincerely not giving me face?”

He Zhishan looked at Lin Kai with a cold face.

It is commendable for the courage to give him face and hurt him.

Had it not been for him to be a manufacturable, he would not be tolerated so much.

“Face?” Lin Kai took out a cigarette, lit it and let it burn slowly.

Looking at the rising smoke, he smiled: “What do you think you have face?”

“Jiang Ke, teach him a good lesson!”

“Don't worry, I will let this chopstick kneel before you begging for mercy.”

He moved his wrist and walked forward.

“Your opponent is me!”

The Yinshen stepped forward, grabbed Jiang Ke's shoulders, rose into the sky, and disappeared into everyone's sight instantly.

The sudden change made He Zhishan stunned.

I didn't expect Lin Kai to have such a strong person around him, so he really should not be underestimated.

The two did not speak, and looked at each other quietly.

The son-in-law in the room only felt as if he was pressing a mountain on his back, and he couldn't breathe heavily.

He Zhishan looked at Lin Kai, becoming more and more frightened.

Unexpectedly, at a young age, his mind was so calm.

"Lin Kai, are you really unwilling to stay with me?"

He still wanted Lin Kai to follow him because of the love of money.

He has not found a suitable successor until now.

The moment he saw Lin Kai, he just thought it should be him.

"Stay by your side and be a dog for you?" Lin Kai looked at him with a smile.

"Don't you know, how many people dream of this glory?"

## **Chapter 1108: Anger**

Chapter 1108

"Glory?" Lin Kai sneered, "It's ridiculous."

Be a dog for him?

It was almost the same as letting him be a dog.

Seeing Lin Kai's attitude, He Zhishan felt more appropriate.

Have a backbone.

It will become a great weapon!

"What do you think of me being your foster father?"

Hearing this, don't say it was the brothers who were stunned.

If this is known by those big people outside, you will definitely be shocked.

Who is He Zhishan?

That's a big man with hands and eyes open to the sky.

He only needs to do what he wants and who he wants, without telling anyone at all.

Today, he even came to discuss with a young man in his twenties. Why are they not surprised?

"You be my son."

"Lin Kai, don't be shameless!" He Zhishan slapped the table and rose furiously.

Really a brat who doesn't know the height of the sky.

He gave him such a face, and even dared to refuse.

I really don't want to live anymore.

"Am I shameless?"

Lin Kai sneered, patted the smoke that did not exist on the legs of his pants, and stood up.

"What do you think you are?"

He walked into He Zhishan step by step and looked at him condescendingly.

"Do you think you are great?"

"presumptuous!"

He Zhishan stood up suddenly, his face flushed with anger.

What a Lin Kai, really courageous.

But the brain is not very bright.

"I really thought you were invincible if you were a little accomplished? In my eyes, a finger can crush you."

"You can try."

Lin Kai folded his arms and looked at him: "Don't speak big words, flash your waist."

“As for you, just tell me the news of Leiyuan Group obediently, or don’t blame me for being polite.” Lin Kai patted He Zhishan’s face, smiling brightly.

It’s hard to find out about the people of Leiyuan Group, that is, he has to get some news from his mouth.

“Who are you for your special code!” Zhang Tao stood up abruptly and pushed Lin Kai away.

“You can touch my foster father’s face? What do you think you are?”

“Hurry up and apologize to my foster father, or I will blow you up.”

“Break my mouth?”

Lin Kai sneered and slapped Zhang Tao’s face while raising his hand.

This slap slapped him directly.

“hiss.”

After a while, Zhang Tao got up slowly.

He shook his head, a little dazed, and couldn’t remember for a moment that he was there.

After seeing Lin Kai in front of him, he yelled: “Like, here...”

He didn’t even finish a sentence, and he felt that something was wrong.

He quickly touched his cheek with his hand, and when he touched it, he immediately yelled in pain.

I only feel that half of my face is burning, but if I don’t touch it, there is no pain at all.

“Lin Kai, you are hitting me in the face!”

He Zhishan looked at Zhang Tao’s face, very angry.

This is his son. What is the difference between beating him and beating himself?

“So what?” Lin Kai leaned back on the sofa lazily, unwilling to pay attention to him.

“Apologize to Tao’er.”

“I found that you people like to make people kneel and apologize. Do you think you are the emperor?”

Lin Kai sneered: “What kind of thing are you? You deserve to be in front of me?”

He said with a punch and pointed directly at Mr. He’s stomach.

He Zhishan didn’t expect that Lin Zhuan would suddenly be in trouble. If it were not for the people behind him, he would be pulled out in time and get down, fearing that it would kill him.

“You dare to hit me!”

This time He Zhishan was completely angered.

Originally, I still cherished Lin Kai a little, thinking he was a talent.

It now appears that it is nothing more than a waste that cannot see the situation clearly.

“What happened to you?”

Lin Kai wiped his hands and threw the handkerchief into the trash can in the corner without looking.

“Trash, you should stay in the trash can.”

“kill him!”

He Zhishan looked at Lin Kai indifferently, as if looking at a dead person.

As for why he asked about the Leiyuan Group just now, he didn’t bother to care.

What if it has something to do with that behemoth?

As long as he is dead, can they really kill him?

Unless the boss of Leiyuan Group doesn’t want to live anymore.

Lin Kai stood still on the spot, and at the moment the person touched him, he stepped back slightly and escaped easily.

“The kid is not ready to die!”

The man yelled and went to Lin Kai again.

The boy brothers around couldn’t see their movements at all.

I only felt that afterimages flashed in front of me.

“Huang San, a quick fight and a quick decision.”

“You forced me.”

The man called Huang San, moved his muscles and bones, his body seemed to be swollen a bit, his clothes were broken.

Looking at Huang San, who was exuding strong blood, Lin Kai frowned.

He always doesn't like this taste.

“Let you see what it means to be infinitely close to the master.”

Huang San stood on the spot, without wind, his whole body was rising steadily, and the air in the hall became thick and it made people unable to breathe.

“Boy, you are still the first person to withstand my attack completely.”

Speaking of Huang San, he appeared behind Lin Kai in an instant, his big fists rattled, and his scalp was numb.

Looking at the motionless Lin Kai, Huang San thought he was frightened.

He opened his mouth wide, showing a cruel smile.

He couldn't help his blood boil at the thought of the brain splashing scene.

The fist blows Lin Kai's hair, and the moment he touches Lin Kai, a fist firmly grasps him.

Before he could react, the meridians were all broken, and the whole arm was already hanging softly beside him.

Huang San stared blankly at the hidden \*\*\*\* that suddenly appeared, and still some did not react.

After stunned for three to five seconds, he let out a distorted cry and rolled all over the floor.

He only felt that there was a force in his body that was constantly hitting his meridians, and he didn't want to live.

Even if he had the intention to block it, but because of a broken arm vein, there was no way to block it, and he could only let the force destroy it in his body.

“Who are you! Who are you!”

Huang San didn't believe that he would lose to an unknown man.

You know he is the first person under the master.

Who can beat him!

He unexpectedly seemed to have thought of something, his eyes widened suddenly, his expression unbelievable.

“You turned out to be...”

“Just what you think.”

Lin Kai looked at him squintedly, but looked like a demon in Huang San's eyes.

He actually provokes such an existence, and it is already a blessing to survive.

He Zhishan didn't expect that Huang San would also lose, and his evaluation of Lin Kai became even higher.

But his murderous intent was even heavier.

It is no longer possible for the two of them to coexist peacefully.

Either you die or I live.

Lin Kai, must die!

Seeing He Zhishan's gloomy gaze, Lin Kai grinned and revealed a bright smile.

“Are you sure you won't tell me?”

“Are you threatening me?”

“You can think so too, but I think I'm asking you.”

## **Chapter 1109: Joker**

Chapter 1109

“The people who threatened me are dead.”

He Zhishan looked at Lin Kai blankly, without any emotion in his eyes.

As far as he is now, he can say this sentence completely,

“But the people I threatened are dead.”

“You?” He Zhishan sneered, but he didn’t doubt what Lin Kai said.

“Mr. He, please tell me what I want, or don’t blame me for being impolite.”

“For those who make me dissatisfied, I don’t mind hurting the killer.”

Lin Kai looked at He Zhishan gracefully, and didn’t feel that there was any problem with what he said just now.

“He won’t be scared to be silly, he can even say such things?”

“Fuck, so awesome? Even Mr. He dared to threaten.”

“Nice ass, you’re a fool. Look, it’s absolutely terrible to provoke Mr. He.”

...

Lin Kai turned a deaf ear to those discussions.

It’s just a group of clowns talking to themselves.

“Lin Kai, do you want your life anymore?”

Lin Kai leaned forward and looked at He Zhishan with a gentle smile: “It’s your life that you don’t want.”

People who didn’t know thought they were good friends.

After all, it seems that there is no arrogant posture between the two of them.

“You can try.”

“Try it?”

Lin Kai waved his hand, and the hidden \*\*\*\* appeared behind He Zhishan instantly.

“Do you think you are alive?” He Zhishan glanced at Lin Kai’s back, showing a smug smile.

Lin Kai didn’t have a powerful bodyguard.

How many people want his life in He Zhishan?

How many people want to take his place?

But forty or fifty years have passed, and he has climbed higher, but those people are dead, wounded, and who else is vying with him?

“It’s a waste of a newly promoted master.”

Lin Kai’s tone was casual as if to say how the weather is today.

For the grandmaster who moved mountains and reclaimed the sea, there was no slightest awe.

You must know that as long as he moves lightly, his life is over.

“You said the master is a waste?”

The person behind him appeared to be an old man with a short stature and a wretched face.

Holding a wooden fish in his hand, wearing a robe, relying on it is a monk.

“If a monk is like you, no one will worship the Buddha.”

“What nonsense are you talking about!” The wooden fish in his hand exerted a slight force, something that seemed unremarkable, instantly scratched Lin Kai’s neck.

“You hurt Mr.!”

The hidden spirit was full of riots, and He Zhishan was the first to bear the brunt.

No matter how high his status is, as long as he is not a master, he can’t hold back the suffocating aura emitted by the hidden god.

“puff.”

He spouted a mouthful of blood and looked at Lin Kai with a languid breath, not as energetic as before.

Those elder brothers around were even fainted by the shock.

“Mr. He!” The monk yelled, trying to attack Lin Kai, but the aura of the hidden \*\*\*\* was so shocking to take a step back.

“You... how is this possible!”

He stared at the hidden \*\*\*\* in disbelief, wondering if he had read it wrong.

This turned out to be a master!

Still such a young master!

There are countless masters in the entire country, and he does not remember such a young one.

The youngest grandmaster now is in his forties, but the hidden \*\*\*\* looks only in his 20s.

“Mr. Mover, die!”

Speaking of Yinshen, he threw away He Zhishan and rushed towards the old man.

The two soared into the sky, and fighting here inevitably hurt ordinary people.

“Mr. He, do you want to tell me?”

“Daydreaming!” He Zhishan snorted coldly, “I can also threaten you?”

“Junior, don’t do whatever you want with a little achievement. I don’t know that a word of mine can make you fall into the dust.”

“This sentence is also given to Mr. He.” Lin Kai smiled and saw him.

He would not say for a while, that Lin Kaigang, who was bored and was about to call Li Shengxian, saw Lin Qianqian’s help message.

After reading the above content with one glance and three lines, Lin Kai stood up blankly, his whole body was cold and frightening.

“Hidden God, let’s go!”

Lin Kai went straight back into the rain after finishing talking.

The hidden \*\*\*\* who fought with the monk, kicked him and followed.

When they went to where Lin Qianqian was, she was already unconscious.

Looking at Lin Qianqian in a coma, Chen Shan wiped the non-existent saliva.

“Master Chen, do you see what you promised me?” Luo Rou smiled, rubbing her hands back and forth, which is annoying.

“Don’t worry, Chen Shan did what I said.” He patted Luo Rou on the shoulder and smiled blindly.

He had wanted this stunner a long time ago, and was destroyed by Lin Kai last time.

She didn't have such good luck this time.

As for Lin Kai, Mr. He will not let him go.

Luo Rou looked at Lin Qianqian on the bed, even though his body was covered with scars, but there was a trace of messy beauty, and the blood of the people watching was spurting.

But thinking of what Chen Shan had promised him, he abruptly endured it.

As long as there are those things, what kind of woman can he not find?

"There is no password, next time you have a good look, remember to find me." Chen Shan patted his shoulder, revealing a look in your eyes.

"Don't worry, don't worry," Luo Rou took the card and smiled and closed the door and went out to show off.

Looking at Lin Qianqian who was unconscious, Chen Shan had already burned himself in flames, and he wished to fight for three hundred rounds immediately.

"Little beauty, you are finally mine."

With his identity, I don't know how many women have played.

There are many people who are better than him, but who makes him feel good.

He stroked Lin Qianqian's thighs, the milky touch made him want to stop.

"Unfortunately, if you wake up, it would be so beautiful."

Chen Shan couldn't help laughing.

Lin Kai and the others had arrived at this time.

Looking at Luo Rou, who was standing at Menzai, Lin Kaixin's bad premonition became more and more popular.

"Where is Lin Qianqian?"

"How did you come?"

After seeing clearly that the person was Lin Kai, Luo Rou's legs trembled and she leaned on the door and dared not speak.

What he did that day is still fresh in his memory.

If he found out about the house, his life would be over.

After swallowing, Luo Rou endured the fear in her heart and said: "I...I don't know where Qianqian went, I just came here. Why don't we go together, let's go together."

Saying that he stretched out his hand as if he was going to pull Lin Kai's arm, but he avoided it.

"Resolve him."

Lin Kai kicked the door open and entered the house.

Smelling the smell of blood inside, his face became more and more ugly.

Hearing the movement, Chen Shan ran out, and saw the murderous Lin Kai, who was directly frightened to the ground, embarrassed between his crotches.

"You, you... why are you here!"

He pointed to Lin Kai, how could he not believe that he could come back alive.

"Didn't you go to see Mr. He?"

## **Chapter 1110: Is It A Man Or A Ghost?**

Chapter 1110 Are People or Ghosts?

"Why are you back?" Chen Shan looked horrified, and kept backing up, hitting the wall behind him before stopping.

Fumbled around on the ground with his hands, grabbed a glass bottle on the side, held it tightly in front of him, and looked at Lin Kai.

Knowing that writing the glass bottle will not harm Lin Kaizao at all, at least holding this one will feel safe.

"Ha ha."

Lin Kai went straight to the house without even looking at him.

Seeing Lin Qianqian covered in scars, Lin Kai became more calm.

After confirming that Lin Qianqian had all skin injuries, she breathed a sigh of relief.

After Lin Qianqian was covered with a quilt, Lin Kai Dama Jindao sat in front of Chen Shan: "You did it?"

"No...not...not me!"

Chen Shan shouted and waved his hands constantly.

Whether he did it or not, he can't admit it.

What Lin Kai did that day is still fresh in his memory.

"Not you?"

Lin Kai directly grabbed Chen Shan by the neck and pulled him up.

"Dare to make Lin Qianqian's idea? Forgot what I said to you?"

Chen Shan "gudong" swallowed, not daring to look directly at Lin Kai.

He couldn't say that he knew that Lin Kai had gone to find Mr. He, so he started on Lin Qianqian.

After all, if you provoke Mr. He, there must be no return.

But who thought he had come back unscathed.

There are only two possibilities. One is that he directly defeated Mr. He.

But this possibility, he thinks it is unrealistic.

Then there is only the second possibility.

That is Mr. He's love for talent and let Lin Kai stay by his side.

Thinking of this possibility, he was like falling into an ice cave.

He couldn't afford to offend Lin Kai's identity.

Now another Mr. He has been added behind him, he has only one dead end.

As for what Mr. He appointed a car dealer?

As long as Mr. He wants to, anyone can be.

"Master Lin, please, let me go, I won't dare anymore!"

He kept begging, hoping that Lin Kai could give himself a way to survive.

“Why let you go?”

While speaking, Lin Kai directly punched Chen Shan in the stomach, and he shouted out in pain.

He wanted to curl up, but was caught by Lin Kai, he couldn't do it.

“Tell me what I said?”

Grabbing Chen Shan's arm, he pulled it down without hesitation.

The severe pain caused Chen Shan to faint on the spot.

Lin Kai frowned, a little unhappy at the smell of feces and urine in the air.

He threw Chen Shan to the ground and frowned when he looked at Lin Qianqian who was unconscious.

After thinking about it, let Yinshen hold her and send her to the hospital.

Although you can deal with it yourself, you still have to be careful if you are a girl.

“Sir, why don't you hold Miss Lin?”

“Trouble.” Lin Kai frowned and dropped the words coldly.

The hidden \*\*\*\* behind Liu was suffocated and uncomfortable.

Thinking of what Lin Qianqian did before, Lin Kai felt that if she hugged her, she would definitely be mistaken, and it would be better to provoke women less.

When she arrived at the hospital, Lin Qianqian's injuries were quickly dealt with.

I randomly found a ward and lived in.

Looking at Lin Qianqian who was unconscious, Lin Kai looked out the window, thinking about how to get news of Leiyuan Group from her.

“Hey, brother.”

“Brother, call you!”

The sudden voice interrupted Lin Kai's thoughts, turning his head to see a man winking at him.

“Something?”

Lin Kai did not remember that he knew him.

“Oh, brother, don’t be black.”

The man pointed to Lin Qianqian on the bed, and asked in a low voice, “Brother, where did you get this kind of top quality?”

“Just looking at it, I can’t help it.”

The man chuckled, his smile a bit wretched: “I didn’t expect you to look like a dog, and you play so hard with women.”

Having said that, Lin Kai understood what the man wanted to say.

Glancing at him coldly, looking unwilling to pay attention to him.

Who knows that this man is a brain-disabled man, completely unable to recognize the situation.

Obviously Lin Kai didn’t want to talk to him anymore, and it stuck on like a dog skin plaster.

He stretched out his hand to pat Lin Kai, but he suddenly avoided him.

“Oh, brother, discuss something?” He took out a cigarette and handed it to Lin Kai.

Lin Kai glanced at him impatiently and moved away, looking unwilling to say more.

“Brother, can you leave a contact information?” He pointed to Lin Qianqian on the bed and wiped the non-existent saliva.

“roll.”

Lin Kai didn’t have the slightest affection for this kind of man.

“How do you talk, don’t be shameless.”

The man grabbed Lin Kai’s shoulders: “Why are you enjoying yourself? What’s wrong with your brother?”

“roll.”

Lin Kai only felt sick for the foul language he said.

“Your uncle, don’t be shameless!”

He grabbed the thermos bottle beside him and threw it at Lin Kai.

“Are you looking for death?”

Lin Kai stared at him indifferently, without any intention to dodge.

The thermos bottle fell apart at the moment it touched him.

The flying fragments reflected the man’s horrified face.

“You, you, you, you are not human! What are you!”

He kept on his hind legs, and his whole body was about to cry.

How could a normal person burst a thermos bottle out of thin air?

“Big brother, please, let me go.”

“I know it’s wrong, I don’t know Taishan, please.”

Looking at the crying man, Lin Kai felt a little disgusted.

“Destroy his descendants and throw them out.”

“Yes.”

The man looked around in horror, but there were only three of them in the entire ward.

Thinking of the voice just now, I just feel cold all over.

“You are a man or a ghost, please let me go, I was wrong.”

He kept kowtow begging for mercy, and Lin Kai looked at him blankly, only feeling sick.

He has never had much patience for such men who play with women casually.

Closing his eyes, Lin Kai couldn’t help but think of the scene he saw.

Young children are carrying weapons, and naked men can be seen everywhere in the street.

There was a shocking silence in the air.

After lighting a cigarette, Lin Kai looked at the patient outside the window and sealed this memory in the bottom of his heart.

“Sir, it’s done.”

Yinshen looked at Lin Kai worriedly, only that he was worried.

He didn’t know what to do, so he could only stay with him like this.

“Go to He Zhishan’s house tomorrow night.”

Seeing He Zhishan’s attitude, he knows the Leiyuan Group.

Now that it’s hard to get the news about them, Lin Kai will naturally not give up.

“Then Miss Lin?”

“When did the doctor say she would wake up?”

Looking at Lin Qianqian who was unconscious, Lin Kai sighed and couldn’t leave her alone here.

But the little girl in memory has grown up.

## Chapter 1111: Unconvinced

Chapter 1111

“tomorrow.”

“understood.”

Leaving such a sentence, Lin Kai left straight away.

I was a little irritable walking around in the small garden outside, thinking about what happened after I came to the East China Sea in my mind.

It stands to reason that the Leiyuan Group is not a small group that is unknown. Why doesn’t anyone know?

Besides, He Zhishan’s identity is a little clearer, why don’t you want to say it?

Looking at his expression, Leiyuan Group should be an existence he can’t afford either.

If this is really the case, he can completely let Leiyuan Group support him.

“Why on earth?”

Lin Kai muttered to himself, his thoughts flew for a while.

“How can you smoke in the hospital?”

A somewhat stern female voice interrupted Lin Kai’s thoughts.

Turning his head, he saw a nurse lady staring at him angrily.

“Isn’t this a hanging sign?”

Lin Kaixun glanced at the “Smoking Area” sign on the side.

When he said so, the nurse’s face flushed.

In fact, she is a caregiver hired by others.

It seems that Lin Kai is mostly a gold master, plus the long and beautiful look, he wants to hook up.

After all, that woman doesn’t want her own man, how much money does a handsome guy go for?

Thinking of the old man he had just hooked up recently, his eyes on Lin Kai became even more fiery.

“Ah, I remembered it wrong, I’m really embarrassed.” She stuck her tongue out, looking embarrassed.

Seeing that Lin Kai was unmoved, he looked for the topic again: “Why don’t I ask for a drink, it’s a plea for it.”

While speaking, he directly took Lin Kai’s arm and kept rubbing Lin Kai’s arm.

She still didn’t believe that there was a man who had no idea when he saw her.

“open!”

Lin Kai shook her arm away and wiped the place she had just grabbed with a handkerchief in disgust.

If I changed to another girl, I would have been angry, but the nurse quickly apologized: “I’m sorry, brother, they really didn’t mean it.”

“roll.”

Lin Kai left without a word coldly.

The nurse looked at his back with a smile that was sure to come.

“Hmph, you will belong to my old mother sooner or later.”

Lin Kai didn't know her thoughts.

After returning to the ward, looking at Lin Qianqian who was unconscious, she was a little confused.

Logically speaking, they are all skin traumas. Why have they not woken up until now?

Just as Lin Kai was about to go out, he ran into the nurse just now.

“Mr. Lin? I'm so sorry about what happened just now. I'm Li Rui, can I invite you to dinner?”

“Not interested in.”

What else did Li Rui want to say, after seeing the man walking by, she thought about it.

She grabbed Lin Kai's arm, and before he pushed herself away, she leaned back on her own, looking like she was being pushed away from the outside.

“My feet hurt so much, can you help me up?” She looked at Lin Kai pitifully.

This tearful look makes anyone feel distressed when he sees it.

Lin Kai left without even looking at him.

“Are you OK.”

A man ran up the corridor and helped Li Rui up.

Step forward and stop Lin Kai: “Are you still a man? Treat women like this? Your mother is not a woman?”

Lin Kai looked at him suspiciously, wondering if he had a brain disease.

“Step aside.”

Lin Kai looked at him coldly.

“How do you say something special?” The man looked at him angrily: “You pushed people down and didn't apologize?”

“Are you blind?”

“Who are you scolding? Tell me again?”

The man rolled up his sleeves, as if fighting.

“You are blind.” Lin Kai repeated blankly.

“You are looking for death!”

“Don’t do it!”

Saying so, Li Rui threw directly into Lin Kai’s arms.

The soft touch made Lin Kai stiff, and the pungent perfume scent constantly impacted his nerves.

Lin Kai only felt nauseous for a while and pushed her away: “Stay away from me.”

Now the man couldn’t help it: “You are so special to wait for me, what’s so arrogant, believe it or not, let my dad kill you!”

Lin Kai didn’t know how many times he had listened to such ruthless words, he was already immune.

“You can try it.” Lin Kai moved his wrist, looking disapproving.

“I don’t know how high the sky is.”

He said that he rushed over, and before he could get close to Lin Kai, he was kicked out.

“Fuck.”

The man lay on the ground and couldn’t get up for a long time.

“Aren’t you asking your father to kill me? Come on.”

Lin Kai looked at him blankly, and he felt guilty.

“Do you know who my dad is?”

The man looked poignant: “Do you know the Li family? My dad is the brother-in-law of the Li family master!”

“Wow, that’s amazing.” A light burst into Li Rui’s eyes.

If she could get involved with him, and then completely get involved with the Li family, she could hardly imagine.

“Are you afraid, get out of here and apologize?”

“apologize?”

Lin Kai slapped his face and knocked out all the teeth in his mouth.

Before he yelled out, Lin Kai kicked his stomach.

“You can ask your dad to come to me.”

“I won’t let you go!”

Before he could finish, Lin Kai kicked his kneecap.

With a crisp “click”, the man directly uttered a pig-killing cry, which attracted the entire floor of the building to watch.

“I’m not convinced? Hold it for me. Or just beat me to the point.”

Leaving such a sentence, Lin left without returning at the beginning.

Inside the ward, Lin Qianqian was awakened by a huge scream outside.

It stared at the surrounding environment blankly, but couldn’t react.

After a while, she said blankly: “Lin Kai, why are you here?”

Saying that she was struggling to get out of bed, but he tugged at the wound on her body, and it took a breath of pain, and she didn’t dare to move for a long time.

“The doctor asked you to take a good rest. It’s all skin trauma. It will be fine in a few days.”

“I…” Lin Qianqian looked at Lin Kai and was afraid to ask that sentence.

She kept the body for so long, just want to give it to him.

Thinking of what happened that day, Lin Qianqian couldn’t help shaking.

She was afraid that she would really suffer.

“what happened?”

Seeing Lin Qianqian's pear blossoms raining, Lin Kai comforted: "Don't worry, there is nothing wrong with being injured."

"Really?" Lin Qianqian raised her head and looked at him expressively.

"Naturally it is true."

"Great."

Lin Qianqian didn't care about her injuries, she threw herself into Lin Kai's arms and wept bitterly.

After all, she is a girl, no matter how strong she is, she will inevitably be afraid of such things.

"It's all over." The rare Lin Kai didn't resist Lin Qianqian's contact, and patted her on the back.

With a "bang", the door of the ward was kicked open.

"Is that my son you beat?"

A fat-eared man walked in vainly.

## Chapter 1112: Waste

Chapter 1112

"Come here, just give him a discount on his legs. Grandma's legs, even my son dared to move, really impatient!"

The man stared at Lin Kai angrily, wishing to cramp him.

He is such a baby boy, he really loves him on the cusp of his heart.

Normally, he couldn't bear to say even a heavy sentence, he even beat his son like that.

What a crime!

"roll."

Lin Kai looked at the eight or nine people who broke in with an ugly expression.

"Who is your kid scolding?" The bodyguard behind the man stood up and said, "This is Wang Qiang, the brother-in-law of the Patriarch of Li Cheng's family. You speak with respect."

“Respect?”

Lin Kai sneered, “I didn’t care about Li Cheng’s family.”

But it’s just a bullshit, what’s so good about it.

“What are you talking about!” Wang Qiang pointed at Lin Kai, wishing to kill him.

“You scolded my brother-in-law, you’re done, you wait!”

As he said, he took out the phone and said what Lin Kai had said, adding to his jealousy.

I don’t know what the other side said, his whole smile is called a brilliant.

After hanging up the phone, he looked at Lin Kai arrogantly: “Your kid is just waiting for it to be done. My brother-in-law will be back in a while.”

“I am waiting!”

Being stared at by Lin Kai like this, Wang Qiang and the others only felt that their backs were chilly, and they wanted to turn around and ran away.

“What do you look at, carefully dig out your eyes.”

“roll.”

Lin Kai didn’t bother to talk to them. He was in a bad mood about the Leiyuan Group.

This group of people rushed over to find him something, really impatient.

“Say it again with special codes!”

A burly man stood up behind Wang Qiang, looking eager to try.

“Boss, let me teach him a lesson.”

“Don’t beat it to death.”

For his bodyguard, Wang Qiang is very confident.

This was chosen by Li Cheng’s specialists, who used to be an internationally renowned employer.

The bodyguard moved around and walked towards Lin Kai slowly, with a strong sense of oppression.

Lin Qianqian looked at Lin Kai worriedly, even though he knew his identity was not simple.

But with his bones, he is still uncertain whether he can resist the punch of the big man.

“Lin Kai, otherwise we apologize.”

“Do you think that’s possible?”

Lin Kai turned her head to look at Lin Qianqian, the confident light in her eyes made her feel depressed.

Even at this stall, the bodyguard did not hesitate to punch.

“forest”

Lin Qianqian exclaimed and couldn’t help covering her eyes for fear of seeing the scene of blood splashing.

But after waiting for ten seconds, nothing happened.

She opened her eyes and saw Lin Kai clutching the bodyguard’s fist, making him immobile.

“You...How is this possible!”

No matter how hard he tried, he couldn’t pull his hand out of Lin Kai’s arms.

Lin Kai’s subordinates pressed hard, and gradually the big man’s expression instantly changed

He twisted at a speed visible to the naked eye, like twisting.

“what!”

No matter how hard the big man struggled, he couldn’t get rid of it.

“Why are you still stunned, a trash, come on.”

After Wang Qiang shouted so, the rest of the report also rushed up.

Lin Qianqian immediately stood in front of Lin Kai. She had learned women’s self-defense techniques and could help a little bit.

Before she could do anything, Lin Kai was dragged behind her.

Looking at the bodyguards, Lin Kai directly kicked the head of the man's belly.

The person carried by the huge force flew directly back, and did not stop when he hit the person behind him.

Just like that, he kicked all of them directly.

"Ahem, puff!"

The headed man vomited a mouthful of blood and lay on the ground, unable to get up.

He felt that his internal organs seemed to be displaced by a kick, and he couldn't get enough energy for a long time.

"You trash, get out of here!"

Wang Qiang was unable to move under the pressure of the group of people, and the air in his chest became less and less.

He only felt a hot pain in his chest, a feeling of breathlessness.

When Li Cheng's family arrived, they saw Wang Qiang being pressed by a group of big men, looking half-dead.

"What's the matter?" He asked people to pull up Wang Qiang.

"Brother-in-law, you are here."

"I'm not your brother-in-law." Li Chengjia looked at Wang Qiang impatiently.

Had it not been for his sister to know her secret, he would not have come.

"Brother-in-law, you didn't know that the stinky boy was so arrogant just now, he actually scolded you."

"I wanted to teach him a lesson. I didn't expect to be beaten by him." Wang Qiang looked at Li Cheng's aggrievedly, and almost shed a few tears.

"Brother-in-law, you must take revenge for me."

"I want to see who is insulting me, Li."

Li Chengjia snorted coldly, and walked into the ward with an unhappy expression.

After seeing Lin Kai in the house, he was stunned.

“Lin...Mr. Lin.” Li Chengjia felt his throat dry, but he didn’t expect Lin Kai to scold him.

Thinking of what he had just said, he couldn’t wait to go back in time, he had never been here.

Wang Qiang on the side didn’t notice the abnormal appearance of Li Cheng’s family at all.

Excitedly waving his arms: “Brother-in-law, it’s him, it’s this stinky boy who doesn’t know the heights of the sky, let people beat him to death!”

“You shut up!” Li Chengjia turned his head and slapped Wang Qiang’s face fiercely.

Pointing at him trembling, didn’t say a complete sentence for a long time.

After a while, he slowed down and quickly ran over to apologize to Lin Kai: “Mr. Lin, this is a misunderstanding. I didn’t participate at all. As for him?”

Li Chengjia glanced at Wang Qiang: “Whatever you do,”

As for his sister has her own secret, it is not important anymore.

The most important thing now is how to make Lin Kai not angry.

Otherwise, let alone him, even the whole Li family will be finished with it.

Wang Qiang stared at the humble Li Cheng’s family in a daze, somewhat confused about the situation.

In his impression, his brother-in-law is a very capable person.

Some big people in his eyes will bow their heads when they hand them over.

But why did he bow his head today?

Or for such a young person?

Isn’t the identity of this young man simple?

Wang Qiang was immediately taken aback by the thoughts that came to her mind.

If this is really the case, his little fate is here to explain.

Thinking of this, Wang Qiang staggered and knelt down directly to Lin Kai.

“I don’t know Taishan, sir, please let me go, I will never dare anymore.”

“I’m waiting for you to kill me.”

“What did you say?” Li Chengjia kicked Wang Qiang’s heart directly, and he couldn’t even speak in pain.

“You still want to kill Mr. Lin, it’s really a life and death thing.”

As he said, he turned to look at Lin Kai: “Mr. Lin, what do you want to do with him?”

## Chapter 1113: Night Detective

Chapter 1113

“give it to you.”

For such ants, Lin Kai completely ignored his thoughts.

Since Li Chengjia wants to perform, give him a chance.

“Bring him back to Li’s house first.”

After letting the bodyguards go down, Li Chengjia carefully looked at Lin Kai.

After a long time, he still couldn’t help but speak: “Mr. Lin, are you feeling well? Why did you come to the hospital?”

“friend.”

Seeing him say this, Li Chengjia nodded and didn’t ask more.

Because of Li Cheng’s family, Lin Qianqian only felt that the atmosphere in the room was very tense, which made her feel a little uncomfortable.

After thinking about going there for a long time, Li Cheng’s family still couldn’t help but say: “Mr. Lin, I wonder if you can enjoy the light tonight and come to the humble house for a casual meal?”

Since knowing Lin Kai’s identity, he has urged Li Shengxian to have a good relationship with Lin Kai.

But he also knows that a big man like him is not that simple.

If he were replaced by the former Li Shengxian, he would be a little worried.

But now that there is no such concern, he has indeed learned a lot by following Lin Kai.

Seeing that Lin Kai didn't speak, Li Chengjia thought for a while and wanted to continue to say: "Shengxian said he wanted to give you a gift. Do you think you should give it to you?"

What Li Shengxian wanted to give him a gift was just an excuse he made.

Lin Kai knew what was going on when he thought about it, but he didn't want to agree.

"No need to."

Seeing Lin Kai's refusal, Li Chengjia couldn't say anything.

He sat awkwardly, a little uneasy,

To be honest, it was the first time he experienced this feeling after so many years.

"Is Patriarch Li okay?"

"Something and something."

Li Cheng's family can naturally hear what Lin Kai means.

He wiped the non-existent sweat on his forehead, wishing to slap himself twice.

Tell me why he is so insightful.

Unexpectedly, Lin Kai shared the same room with a beautiful woman and accompanied her in the hospital. The relationship was not easy.

He glanced at Lin Qianqian, remembering her appearance.

I think I must be checked carefully when I go back. It would be best if I can have a good relationship with her.

"I have something else, so I won't bother you."

Speaking of Li Chengjia leaving respectfully, Lin Qianqian sighed.

She looked at Lin Kai and felt that he was more mysterious.

What has gone through to make a person grow to this height?

Looking at him, Lin Qianqian vowed in her heart that she must work harder.

How else would she be worthy of him?

“I have something to do. You will be discharged from the hospital later.”

Lin Kai left without waiting for Lin Qianqian’s response.

“Lin Kai, Lin Kai, you come back to me!”

Lin Qianqian looked at his back, furious.

How come there is such a man.

“Sir, why did you leave Miss Lin alone?”

“She has nothing to do.”

Upon hearing this answer, Yinshen had no idea how to answer.

Except for a sigh, my husband is really a straight man of steel.

Lin Kai knew what Yinshen thought, and he would just laugh it off.

Lin Kai walked around the street aimlessly, watching the children laughing and playing in the playground, suddenly a little envious.

“Let’s go.”

Throwing away the cigarette in his hand, Lin Kai smiled as he looked at the colorful playground.

Under the moonlight, the two slowly arrived at He Zhishan’s home.

“This is where He Zhishan settled today.”

Looking at the deserted villa, the two moved in quickly.

“Go and fix those people.”

Lin Kai admired the surrounding scenery and walked slowly to the gate of the villa.

“Who?”

He Zhishan’s steady and powerful voice passed through the wooden door.

“Mr. He, we should continue the topic that day.”

“Lin Kai?” He Zhishan’s voice was a little puzzled.

In the silent night, he could even hear the drag of the chair.

“How did you come in here?” He Zhishan reacted after asking.

There is a master who protects him, why can't he come in?

Lin Kai asked politely: “Should you not invite me in for a cup of tea?”

“How nice is it to be my successor?”

He Zhishan sighed. After seeing what Lin Kai threw at him, he was stunned.

He looked at the token in his hand over and over, wondering if he had read it wrong.

“Are you from Jiulong Mountain?”

“Chen Shan didn't tell you?”

“What a Chen Shan!” He Zhishan slapped the table, and he was actually calculated.

He was not afraid of Jiulong Mountain, but who made him owe their mountain owner his life.

“No wonder you are so great at a young age, and the future is limitless.”

He Zhishan wanted to pat Lin Kai's shoulder, but he avoided him.

A little embarrassed, he retracted his hand and sighed.

“Why do you want to know the news of Leiyuan Group?”

At first he wondered, how could Lin Kai know about Leiyuan Group?

Even he knew very little about that group.

Although the group knows few people, it should not be said that many companies in Donghai have their investments behind them.

“I have a grudge against their chairman.”

“Puff, cough cough.”

He Zhishan, who was drinking water, almost choked to death with a sip of water.

“Do you know what you are talking about? Even if I am in front of them, nothing counts!”

He stared at Lin Kai blankly, thinking that he was really a newborn calf who was not afraid of tigers, and even said this.

“The chairman is my brother, of course I will kill him.”

“Cough cough, cough cough.” He Zhishan quickly put the tea cup aside, he didn’t dare to drink water, otherwise he would really be choked to death.

Listen, is he talking human words?

He is going to kill his brother, the chairman of Leiyuan Group.

I am not afraid of the wind flashing my waist.

But thinking of Jiulong Mountain, he suddenly felt that it was not so difficult.

After all, Leiyuan Group is just a group, although there are many bigwigs behind it.

But if it confronts the state apparatus, it is not enough.

“The news can tell you, but you must promise me one thing!”

“what’s up?”

Lin Kai couldn’t figure out why He Zhishan’s attitude changed so quickly.

“I’ll talk about the conditions later.”

He Zhishan sighed, it can be considered as leaving a way for himself.

“Do you know why you couldn’t find news of them in the East China Sea? Because he didn’t use the name Lei Yuan at all.”

“impossible.”

Lin Kai denied that if he hadn’t found it in Donghai, he would not come back.

“You listened and finished.”

He Zhishan stood up and said to him: “They do not know how many investment companies are under their company, just one of them.”

Lin Kai frowned, listening to He Zhishan telling him the news of the Leiyuan Group, his face became ugly as he listened.

“If I wanted to bring down the entire Leiyuan Group, would it be tantamount to opposing 80% of Donghai’s enterprises?”

## Chapter 1114: Fairy Jump

Chapter 1114

“You can say that.” He Zhishan nodded.

Leiyuan Group has invested a lot in the East China Sea.

Once Lin started him, most companies in the East China Sea would be in financial crisis.

In order for their company to survive, they would not let Lin Kai go.

Although Jiulong Mountain is supporting him, it is impossible for them to fight against the entire Donghai without Lin Kai?

He told him this because he hoped that he could give up this idea.

How can I say that they are also brothers, what can’t you say?

“In that case, it depends on whether they have this ability.”

Lin Kai stood up, his whole body’s momentum rising steadily.

Isn’t it a Leiyuan Group?

He Lin Kai can still be afraid of their failure?

“Those who block me, die!”

In one sentence, it seemed as if there were thousands of troops rushing out.

The strong \*\*\*\* aura exuding from Lin Kai made He Zhishan a little frightened.

It is estimated that the people who walked out of the sea of blood in the corpse mountain are just like that.

Although he knew that Lin Kai was determined, he couldn’t help but persuade: “You still think about it.”

He has already determined that Lin Kai is his successor, plus the relationship with Jiulongshan.

After a hundred years, he can definitely do better.

“Thank you for the news.” Lin Kai bowed to He Zhishan and disappeared into the night.

“Master, what’s wrong with you?” The butler looked at the silent He Zhishan, and gently put a piece of clothing on him.

“This East China Sea is going to change.”

His voice fell, and a thunder blasted in the air.

Then a flash of lightning seemed to split the sky in half, instantly bright as day.

“Master, the wind is blowing, and the night is cool.”

The housekeeper supported He Zhishan back to the room cautiously.

The moment he turned around, the pouring rain poured down.

“Yes, the wind is blowing.”

At the same time, Lin Kai, who had just left the gate of the villa, looked helpless at the sudden heavy rain.

“Sir, are you okay?”

When Yinshen arrived, Lin Kai’s whole body was soaked, and his whole person looked extremely embarrassed.

“The nearest hotel.”

In a blink of an eye, Yinshen led Lin to the nearest hotel.

“Who?”

The front desk of the hotel carefully looked at the sudden Lin Kai, with a little fright on his brows.

No one would be afraid of someone suddenly appearing on this rainy day.

“Open a room!” Lin Kai handed out his ID card, a little irritable.

His clothes were wet, which made people feel uncomfortable.

The front desk glanced at the ID card, opened the room smoothly and handed him the room card.

Lin Kai felt much more comfortable after taking a hot bath.

Leaning on the bed, boringly flipping through the magazines in the room, the movement from the door attracted his attention.

“Who?”

As soon as he walked over, there was a delicate voice outside the door: “Handsome man, help, someone is going to kill me.”

“You can call the police.”

Leaving such a sentence, Lin Kai didn’t answer any movement outside the door.

“Handsome man, can you open the door, okay? They are here, help me!”

The woman kept tapping the door, her voice full of fear.

Listening to the chaotic footsteps coming from the corridor, Lin Kai only felt irritated.

He seemed to have no hesitation about such nosy.

“Handsome guy, help me...”

Hearing the girl sliding down the door feebly, the whole person kept crying.

Lin Kai, distracted by the sound, suddenly opened the door.

The woman was unprepared and fell straight into the door.

“Ouch.” The woman got up quickly: “Thank you, thank you.”

To be honest, the whole person wanted to rub Lin Kai.

“Stay away from me.”

Lin Kai frowned and pushed her away, wondering if he was old?

Why are girls so open now?

Pounce on seeing a man?

The woman still didn't give up trying to pounce on Lin Kai, but she was pushed away several times without repentance.

"Either stay well or get out!"

Listening to the movement outside the door, the woman smiled at Lin, sitting on the side staring straight at him.

"Handsome guy, you said that the night is long, not as good as the two of us..."

Saying that she was going to pass, Lin Kai stood up directly.

"You are here, I'm opening one."

Leaving such a sentence, Lin Kai opened the door and frowned unhappy after seeing the dozen or so big guys there.

"Thank you, please."

With that, Lin Kai pushed them away, ready to leave.

But he was stopped by that man.

"Have you seen a woman with a hot body?"

Lin Kai's face was not red, and his heart was not beating. "No."

"Really?" The man's tone was obviously distrustful.

Before Lin Kai could speak, a woman with ragged clothes rushed directly into the arms of the man at the end.

"Hey, Brother Long, I'm scared to death." The woman buried her head on the chest of Brother Long and complained: "He insists on pulling me in and asking me to play with him."

"I disagree, and he tore at my clothes. Fortunately you came in time, otherwise I would really be finished."

After listening to the women, look at their group of people, no matter how stupid they are, you know what is going on.

He has run into a fairy jump.

The Long brother dragged the slippers, he looked like he was pulling, with a cigarette in his mouth: "Boy, is the woman you moved?"

“For her, I’m really not interested.” Lin Kai’s tone was full of disdain.

If nothing else is to compare with Lin Qianqian, she is a scum.

Is it okay, he finds a woman of unknown origin?

What a joke.

“What do you mean?” The Long brother stared at him angrily: “Fuck your kid, are you a woman who looks down on me?”

“Should I look at her?”

Lin Kai was too lazy to continue talking nonsense with them, pushed away the one who was blocking him, and was about to leave.

“You can stop me!”

Brother Long grabbed Lin Kai’s arm: “Did labor and management let you go?”

“The woman who moved me either lost money or left an arm.”

Although there are two choices, it goes without saying that most people will choose to give money to keep things quiet.

These people dare to do these things so boldly. At first glance, they are not ordinary people. There is definitely someone who supports them.

Generally speaking, the publisher will choose to keep things quiet.

There is no need to offend these rogues for money.

“roll.”

Lin Kai was not in the mood to talk nonsense with them, and provoke him again and again.

“Do you say it again?” Long Ge stretched out his tattooed arm and placed it on Lin Kai’s shoulder.

“roll!”

Lin Kai shook his arm and walked straight forward.

Seeing him like this, the people of Long Ge would naturally not give up.

They have done this kind of thing for so long, and no one dares not give them this face.

Unexpectedly, he encountered a hard stubborn situation today. It seems that he must be taught him a lesson.

“Stop for labor and management!”

## Chapter 1115: Hit Small

Chapter 1115

Talking about those big guys surrounded the whole walk, trapping Lin Kai in the middle.

“Damn, either give the money or I will kill you!”

Brother Long was very irritable. He really thought he was a human being, and he dared to be true to him.

“You can try.” Lin Kai stared at them blankly.

A group of people who do not live or die, look at their appearance, I don't know how many people are there.

“Brothers, give it to me. Just beat me crippled.” Long Ge said irritably: “The special code even dare to move Lao Tzu's woman and beat me fiercely!”

Brother Long is too angry. He has done a lot of this kind of things, so he dare to be tough with him?

Then try it, and you'll be scared after a fight.

Isn't it necessary to give him money obediently?

He looked at Lin Kai confidently. These people were carefully selected by him, and they have a very good way of torturing people.

They hit people on weak places, such as heading bones.

It's not enough to give you pain, and there will be no obvious scars.

Even if they called the police afterwards, nothing was found in the injury inspection.

If it is really not open, he can still take this opportunity to blackmail him severely.

The sturdy man over there moved his wrist and walked towards Lin Kai with a grinning grin.

“Boy, you’d better pay the money obediently, don’t let the brothers do something, don’t break your little white face then.

“You say it again?” Lin Kai stared at them with a sullen face.

The hidden \*\*\*\* who protected Lin Kai in secret, carefully moved a few steps back.

Lin Kai hated people saying that he was a little boy, and he really wanted to kill him to say so.

“You little white face, still...”

“what!”

“boom!”

Before he finished speaking, Lin Kai kicked him out, slammed into the wall, and fainted on the spot.

“You really dare to hit me!”

Brother Long shouted, distressed.

He had found these people with great pains, and it was enough for him to feel distressed by hurting one casually.

“Beat me to death!”

Now that Brother Long doesn’t care, Lin will not pay the meeting anymore.

He just wanted to teach Lin Kai a good lesson and make him pay the price.

“Destroying yourself!”

Lin Kai just looked at them like that, his aura rising steadily.

As soon as those people were about to start, they felt cold all over, as if they were being stared at by something.

But they didn’t care about that much, and rushed straight up.

In addition, this is a corridor, and the range of activities is relatively small, and it is crowded with two or three people side by side.

“Boy, die!”

A big man weighing two hundred jins slammed Lin Kai with a big fist.

For his own punch, he must be himself.

Just a piece of iron, if he beats it like this, it will leave a mark.

Not to mention Lin Kai's flesh and blood.

But the face slapped so quickly.

Before he could laugh out loud, his fist was clenched when he came in.

As if to embrace him, his elbow hit his chest fiercely.

Lin Kai looked weak, but his strength was extremely painful.

The strong man was beaten back a few steps, and when he reached the ground, he even sat down on the so-called Long Brother under his butt.

"You stand up for Lao Tzu, are you trying to kill me?"

Brother Long was yelling and struggling. The brawny man wanted to get up, but his chest hurts. He just climbed halfway and went down heavily.

"what!"

Brother Long looked at the seated leg and felt that he was going to waste.

He was lying on the ground, his internal organs and the pain in his legs would torture him crazy.

"Give me... kill him!"

He looked at Qin Hao with red eyes, it was he who caused himself to be like this, and he must not be let go!

Seeing this, the big guys rushed over.

Lin Kai also didn't bother to waste time, behaved ruthlessly, without mercy.

These people are habitual offenders at first sight, and they must be taught a lesson.

"what!"

"my hand!"

Soon the shouts of the big man filled the corridor.

Some tenants wanted to see what happened here. They secretly opened the door, and saw people stumbling in the hallway. They closed the door with a frightened “bang” and did not dare to make a sound.

“You want me to lose money!” Lin Kai stepped on Brother Long’s belly, squatting down and looking at him with a smile: “The night fairy jumped, did it hit me?”

“You leave the labor and management, you wait for me, I won’t make you feel better!”

“is it?”

Lin Kai directly broke a finger of him.

“Ah ah ah ah ah ah ah!”

He screamed and fainted.

“waste.”

Let Yinshen take a bottle of water and splash it on Brother Long’s face without hesitation.

“Ahem.”

He wanted to wipe the water off his face, but the pain from his fingers made him unable to speak.

“You...you wait for me, I won’t... let you go! Your special code... wait for death!”

Brother Long said this sentence intermittently, looking at Lin Kai with an arrogant and painful expression.

“Then I will wait here!”

After that, he kicked him in the stomach, tidied his clothes, and went downstairs.

Seeing Lin coming down at the front desk, the whole person shrank under the table, trembling not to look at him.

She knew everything here.

She also heard the screams upstairs.

Now that Lin Kai had come down, he subconsciously thought that he was in trouble.

“Change rooms.”

“Huh? Ah, good good.”

She stood up quickly and handed Lin Kai a new room card in a rush.

The front desk breathed a sigh of relief when Lin Kai went upstairs.

“Sir, do you really want to wait for them here?”

Looking at the heavy rain outside the window, Lin Kai said with a smile, “It’s okay anyway, isn’t it?”

Hearing what he said, the hidden \*\*\*\* stopped speaking immediately.

Since Lin Kai wanted to play, he was responsible for protecting his personal safety.

“Yin Shen, where do you think Lin Yuan is?”

Yinshen couldn’t answer this question for a while, so she could only stand quietly by the side.

But Lin Kai didn’t need him to answer, he was just a little bored.

Now it is necessary to let Li Shengxian sit as the head of the Li family as soon as possible, so that he can concentrate on searching for news about Leiyuan Group.

At the same time, Brother Long in the corridor slowly awakened from the pain.

Looking at the toppling subordinates, the whole person can’t wait to cramp Lin Kai!

“You wait for me!”

He gritted his teeth and took out his cell phone to call his dad.

He still doesn’t believe it, there is no one in the East China Sea that Wang Long can’t beat!

Although his Wang family is not as good as the Li family, he can’t find out where to go!

A trash, dare to treat him this way, really impatient!

After hanging up the phone, Wang Long kicked one of his men and asked him to go downstairs to get the medicine box.

“Master, your hands, really don’t need to go to the hospital?”

“Fuck him, I will never go without killing him!”

Wang Long gazed at the bodyguard on the ground, and the bodyguard on the side shivered abruptly.

## Chapter 1116: Here Comes The Old

Chapter 1116

The bodyguard ran downstairs without daring to turn his head.

When he came up with the medicine, the bodyguards were already awake.

Wang Long looked at his hand with a gloomy expression, his face was pale and bloodless.

The finger was broken abruptly, and the pain can be imagined.

Unexpectedly, after Wang Long woke up, he could endure so long.

If Lin Kai saw it, he would inevitably admire a little.

This person really can bear it. If there is a chance in the future, it will only be a blink of an eye.

But he knew that there would be no other emotions except sigh.

You don't mess with him, and you won't take the initiative to make trouble.

Don't blame him for being rude if you provoke him.

“How long will my dad arrive?”

Wang Long just felt that his entire arm hurts and lost consciousness. He wanted to hit the wall and fainted.

Thinking of the insult he had just received, Wang Long wanted to kill Lin Kai.

Damn, he grew up so old, how could anyone dare to treat him this way?

Who sees him is not all flattery? Want to kneel and lick him?

“Fuck, I must kill this kid!”

Wang Long patted the table. It was Bie Linkai's hand that broke his finger. He rubbed his feet in pain, and the sweat on his forehead kept dripping.”

Their voices spread into the room where Lin Kai was, causing him to frown a little displeased.

“Sir, how about I deal with them?”

Yin Shen said, ready to do it.

It is an unforgivable sin to even dare to disturb Lin Kai’s rest.

“Let them go.”

Lin Kai is not interested in taking care of them. If it were not because of the rain, he would not go out and would not stay here.

Seeing what Lin Kai said, Yinshen was not talking, and the room was quiet for a while only breathing.

As soon as Lin Kai closed his eyes and fell asleep, he was awakened by the noise outside.

He can’t sleep well if he moves a little bit.

“Sir, Wang Long’s people are here.”

“understood.”

Lin Kai did not speak, standing by the window holding a glass of water.

After a long time stretched out his hand to catch the rain.

Raindrops the size of broad beans still hurt in the hands.

Not long after Lin Kai woke up, Wang Long saw his father Wang Kang.

“Dad, here you are!”

He quickly walked over and complained with aggrieved expression: “Dad, look at this call for me! Why didn’t he give me money when he moved my woman?”

A big man who was about eight meters tall complained to an old man with a short stature. How do you look at this picture, how it makes people feel peaceful.

Seeing the wounds on Wang Long’s hand and body, Wang Kang would be furious.

The dog who didn’t open his eyes dared to move his son, which was really impatient.

“Huh, I beat my precious son like this, chopped off his hands, and threw him into the street to beg!”

He wants to see what he has, dare to be so arrogant!

“Go and see where he is in the room!”

Soon the bodyguard ran up and said respectfully: “People are in room 418.”

Wang Kang led people over without knocking, and kicked open.

Lin Kai, who was drinking water, glanced at the kicker in displeasement.

Yinshen immediately understood, and went straight to beat the man to the ground.

Wang Kang didn't expect Lin Kai to be so arrogant that he would dare to beat his own people in front of him.

“Boy, do you know who I am?”

Wang Kanglong walked into the room and sat on the sofa beside him, with his own momentum.

However, it was of no use to Lin Kai and Yinshen, this made Wang Kanggao take a look.

But so what?

If you provoke his son, you will not let him go easily!

“Are you the one who beat my son?”

“Are you blind?”

“How to talk to my dad!” Wang Long glared, feeling that Lin Kai was too arrogant.

“Boy, do you know who I am?”

“Who are you, I don't know, and I don't want to know!”

Lin Kai walked to him slowly and looked at him condescendingly: “Thank you two to apologize to me.”

“Hahahaha.” Wang Kang couldn't help laughing, as if what Lin Kai said was funny.

But in his opinion, it is indeed the case.

Let him apologize?

The tone is not small!

Don't look at him, what a thing he is!

"It's true that a newborn calf is not afraid of tigers, boy, if you kowtow to me now and apologize, I won't hold you accountable, or don't blame me for being rude!"

"You can try!"

Wang Kang was so irritated by Lin Kai, it was the first time he encountered such arrogance.

"In that case, don't blame me for being impolite!"

I think Wang Kang has been in the East China Sea for more than ten years. If he was beaten in the face by a junior, wouldn't it be a joke if he spread it out.

Since Lin Kai is not obedient, call him obedient.

Following his order, the people behind him pulled out a machete from his back, flashing cold light in the light.

"Cut off his arm for me!"

Those people charged up with machetes.

However, in Lin Kai's eyes, he felt that they had something wrong.

I don't even look at where this is, the space is so narrow, and I am not afraid of hurting myself.

"Resolve them!"

He walked straight to Wang Kang with a smile on his face.

"Do you know you are afraid?" Wang Kang looked high up: "Apologize to my son, and then leave two arms, this matter is over."

"Leave two arms?" Lin Kai nodded, "It's really a good idea."

"Your kid is still aware of current affairs, quite..."

Before Wang Kang could finish, Wang Long was caught by Lin Kai.

He stared at Lin Kai blankly, not seeing what had just happened.

“Do you say I want your arm?” Lin Kai looked at Wang Long’s arm, his smile looked a little crippled.

“You let go of Lao Tzu, you grandson tortoise, believe it or not, I let you hack you to death!”

Wang Long struggled vigorously, but couldn’t break free.

He looked at Wang Kang as if asking for help. He knew how Lin Kai was capable. He would be killed if he was not careful.

“Let go of my son!” Wang Kang stared at him blankly: “As long as you let him go, I can let you go!”

Lin Kai couldn’t help laughing when he listened to Wang Kang’s bold words.

Are these people so arrogant?

Forever, only state officials are allowed to set fires, and the people are not allowed to light up lights.

Others can do whatever they want, as long as they fight back, it is their fault.

“What do you think you are?” Lin Kai looked at him and asked, “Even He Zhishan has no face in my place. Do you think you can do it?”

“You actually called Mr. He’s name directly, you just wait to die!”

Staring at Lin Kai fiercely, Wang Kang can be sure that he is finished.

Just tell Mr. He what he just said, and he will wait to die.

“so what?”

Lin Kai was too lazy to talk nonsense with them, it was a waste of time.

“Yinshen, stop playing.”

As he said, he grabbed Wang Long’s two arms and unloaded it directly for him.

The huge pain made him faint suddenly.

“Give it back to you.” Lin Kai directly pushed Wang Long over.

## Chapter 1117: You Have Face?

Chapter 1117 Do You Have Face?

How could Wang Kang watch his son helplessly, fell to the ground, and rushed to block him.

But Wang Long's weight of nearly 200 catties is no joke.

As soon as he supported Wang Long, before he could stand firmly, he was carried by his weight and descended.

If he hadn't sent away the hand holding Wang Long in time, the whole person would have been crushed under him.

But even so, he was led by a stagger and fell on Wang Long's body.

"Ahem."

Wang Kang's 50 or 60-year-old body really couldn't stand such a toss.

Even if he fell on Wang Long's body, he still felt pain all over his body.

"How dare you treat my son this way, I will kill you!"

Originally wanted to save his life, since he doesn't know how to promote him, don't blame him for being cruel.

"Kill me!" Lin Kai couldn't help laughing when he heard this.

These people are really interesting, and they will kill him at every turn.

But the result?

Who has succeeded?

"Do you think I was scared?"

Looking at Lin Kai's polite manner, Wang Kang couldn't imagine that this was a person who started so harshly.

Looking at Wang Long's soft hands hanging on the side, Wang Kang felt that the word "clothed beast" was the most appropriate description for Lin Kai.

Although he didn't do anything to the girl, but look at how ruthless he was. Is it human?

“Come on, catch him for me!”

After Wang Kang finished speaking, he didn't come over for a long time.

He turned his head and saw that the people he had brought were lying on the ground straight, unable to get up.

“How can this be!”

He stared at the hidden \*\*\*\* in disbelief, he thought his men would solve them soon.

But the result?

It was him who suffered heavy losses.

Looking at it this way, he is the only one left here.

Seeing Lin Kai and the two physically strong, Wang Kang suddenly felt a little scared.

He reached out and fumbled behind him, and fell heavily on the sofa.

“How is this possible?”

He was a little suspicious of his eyes, obviously they should be crying bitterly at him, so he bowed his head to apologize.

“Mr. Wang, do you think you can kill me now?”

Seeing Lin Kai smiling all over his face, Wang Kang suddenly calmed down.

He has nothing to panic. The reason for bringing those people here is just to solve the matter as quickly as possible.

Since they are not willing, let's talk about it.

“I advise you to lower your head and apologize.” Wang Kang looked like he was holding the winning ticket: “My identity is not something you can provoke.”

“Either kneel down and kowtow to apologize, or you two just wait to be imprisoned to death.”

After hearing what he said, Lin Kai looked at the Yinshen suspiciously: “He said he wants to imprison me?”

“Yes, sir.”

“What’s so funny about this!”

Wang Kang patted the table and looked at Lin Kai angrily.

It is really unreasonable, dare to look down on him so much.

“Do you know who I am?” Wang Kang raised his chin slightly, with an arrogant look: “Our Wang family is a first-class family in the East China Sea, second only to the Li family.”

“If you are acquainted, admit your mistakes as soon as possible, otherwise you will not be able to leave unscathed despite your great abilities.”

“is it?”

Lin Kai was too lazy to talk nonsense with him and threw him a token directly.

“Do you dare to give me what tattered thing?”

He said that without even looking at the token, he threw it directly on the ground.

When he turned his head, he suddenly saw the golden dragon and a few words carved on it.

Don’t know why, he suddenly felt a little nervous.

“Huh, it’s probably a mess!”

He forced himself not to think about the token, but the shadow seemed to be stuck in his mind.

Lin Kai glanced at Yinshen, a little to laugh.

If the owner of Jiulong Mountain knows that Jiulong Mountain’s token is treated this way, he might be so angry.

“You two don’t want to die, just kowtow to me and apologize!”

Wang Kang looked at them and felt that they were struggling to death.

Could it be that they still have any powerful identities?

Apart from Mr. He and Li Cheng’s family throughout the East China Sea, Wang Kang is really not afraid.

“Are you sure you don’t look at that token?”

“What’s so good about a broken cat!” Wang Kang’s tone was full of disdain.

It’s just something that scares people, but can it scare him?

He Wang Kang has been around for many years, how can two young people be able to frighten him?

Lin Kai raised his eyebrows at Yinshen, as if watching a good show.

He suddenly looked forward to it. Wang Kang looked like the token when he looked at the situation.

It must be fun to come.

“Mr. Wang, you should take a good look.”

Yinshen lifted Wang Kang’s neck, pressed his head, and forced him to look down at the token.

He struggled hard to resist, but after seeing what was on the token, he was directly stunned.

Looking at the token, he could not speak for a long time.

“This... how is this possible!”

He rubbed his eyes vigorously, wondering if he had made a mistake.

How could it be the token of Jiulong Mountain?

But the golden dragon and the three characters carved on it reminded him.

Thinking of what he had just done, he wanted to slap himself twice.

This is nothing, it’s just a dead end.

Wang Kang carefully held up the token and handed it to Lin Kai with trembling hands.

“Look at this, it’s really flooded into the Dragon King Temple. The family doesn’t recognize the family.”

“This is all a misunderstanding, misunderstanding!”

“What misunderstanding!”

Wang Long, who woke up in a leisurely manner, immediately became unhappy when he heard the words his father said.

“Dad, what can you tell them about special codes?”

He clutched his arms, stood up awkwardly, and stared at the two men sullenly: “Dad, I want them to kneel down and kowtow to apologize to me, and be a dog for my life!”

Damn, dare to beat him like this, he won't let them go!

“You shut up!” Wang Kang glared at him fiercely. For the first time, he felt that his son was so unsightly.

Didn't you hear what he just said?

How could he possibly offend these two identities?

The two of them just don't trouble them.

“Dad!” Wang Long looked at Wang Kang aggrievedly, but he did not expect that he would scold himself for two outsiders.

“I don't care, I want them to be dogs for me!” Wang Long looked reluctant.

As usual, Wang Kang would definitely agree to his request without saying a word.

But these two, he really can't do anything.

“Hurry up and kneel down to apologize to the two adults!”

“Dad, what are you talking about?” Wang Long walked up to them, his face full of disbelief: “Why should I apologize to them? I should feel lucky if I didn't kill them.”

“Evil son, why did I give birth to such an wicked son like you!” Wang Kang hammered his leg, looking distressed.

## **Chapter 1118: Kneel Down And Beg For Mercy**

Chapter 1118

Wang Kang couldn't say a word of anger now, why did he give birth to such a thing.

Usually it's fine if you don't have 4-6. At this time, I dare to give him a temper, really spoiled.

“Immediately apologize to the two Jiulongshan adults!”

“I don’t care what kind of \*\*\*\* adults they are, so I immediately said...”

Before he finished speaking, he suddenly turned his head to look at Wang Kang on the side, his Adam’s apple rolled up and down, and he couldn’t say a word for a long time.

“Dad, what did you just say?” Wang Long wondered if he had heard it wrong.

Jiulong Mountain, is that powerful organization no less than the Dragon Group?

Did he offend such a big man?

Although I don’t know much about Jiulongshan.

But from Wang Kang’s mouth, he also understood that as long as they thought of it, the Wang family would be wiped out in an instant and would no longer exist.

Turning his head to look at Lin Kai and Yinshen on the side, Wang Long knelt down with a “plop”, shaking all over.

He actually provokes such two big Buddhas, isn’t this asking for his own demise!

“Big...sir, I’m sorry. It’s a small one, not Taishan.”

He kept kowtow, because of his arm injury, he just kowtow two times and fell directly to the ground, struggling to get up.

“My lord, please, I know I was wrong!”

Wang Long looked at the two men with expressionless faces, tears almost came out.

What is he doing?

Even though he was ignorant outside, he knew that all of this was given by the status of the Wang family.

If the Wang family were gone, he would be a shit.

“Two adults, my son also knows he was wrong, please let him go.”

Wang Kang looked at the two with hopeful eyes, hoping that they would show some face.

In other words, their Wang family is also a decent person in the East China Sea. Give them a face. If something happens in the East China Sea in the future, their Wang family will naturally sell a favor.

“Don’t you want me to kneel down and apologize?”

Lin Kai didn’t think he was a soft-hearted master.

Since you provoke me, you have to pay the price.

Let him kneel down to apologize?

It’s commendable courage.

Hearing Lin Kai’s words, Wang Kang and Wang Long looked at each other, their clothes were soaked in cold sweat.

If the people in Jiulong Mountain knew about this, they would have finished it completely.

This word spread, but he was completely despising Jiulong Mountain.

After a long silence, Wang Kang said cautiously: “I don’t know what the two of you want, I will try my best to satisfy it!”

Now I can only hope that these two bigwigs have important things to come here.

It is their Wang family who can help, otherwise it would be hard to say.

After a long silence, Lin Kai began to smell: “Do you know Leiyuan Group?”

Only the little news from He Zhishan is really too little.

Now I can only hope that there are people in the East China Sea who know the Leiyuan Group news.

Otherwise, looking for a hidden group in the East China Sea would be tantamount to finding a needle in a haystack.

Hearing these four words from Leiyuan Group, Wang Kang’s expression changed instantly.

But after all, it was a human spirit who had been messing around for many years, and adjusted his expression in an instant.

However, with such subtle movements, Lin Kai’s eyes did not escape.

“Leiyuan Group? What is that?” Wang Kang was puzzled: “The two adults are really sorry, I haven’t heard of this Leiyuan Group.”

“is it?”

“When... of course.” Wang Kang reluctantly squeezed out a smile, in a cold sweat.

I don't know if it was his illusion, I always felt that Lin Kai had already seen through himself.

He raised his head and glanced at Lin Kai secretly, then quickly lowered his head.

Yin Xin thought that she might not find herself.

In any case, I have been around for many years, and it is too embarrassing to be seen by a junior.

Lin Kai shook his head, “Since I don't know, don't blame me for being rude.”

He winked at the Yin Shen, and the Yin Shen immediately understood, and walked straight to Wang Long's side.

“Big big, sir, what are you doing?”

Wang Long looked at Yinshen tremblingly, and even said nothing.

“Don't do anything!”

Although Yinshen said so, he was not at all polite.

Directly facing Wang Long's head bone is a kick.

“what!”

Wang Long continued to stretch his legs and struggled, and after a while, he passed out in pain.

Even though Yinshen was in control when he kicked, how could Wang Long, an ordinary person, be able to withstand such a kick as a master?

Looking at Wang Long in pain, Wang Kang always felt that Lin Kai was deliberate.

In order to let him tell the news about Leiyuan Group.

He wanted to know, where did Lin Kai get the news about Leiyuan Group?

And why does he want to inquire about this?

Although Lin Kai is from Jiulongshan, he chose the latter compared to Leiyuan Group.

The reason is simple, Leiyuan Group can bring him more benefits.

Furthermore, he did not dare to tell the news of Leiyuan Group, otherwise he would be dead.

After thinking about it, he decided not to tell Lin Kai.

“Mr. Wang, I have limited patience.”

After talking about Wang Long, Wang Kang slammed a punch in the stomach.

The pain caused him to spout a mouthful of blood, which was mixed with food scraps.

He arched his body, uncomfortably lifted by the hidden \*\*\*\* in the air.

He is just such a son, and now he is treated like this, how can you make him stand it?

For a while, Wang Kang was at war between heaven and man, not knowing what to do.

Seeing that Wang Kang was still unmoved, Lin Kai directly let Yinshen continue to do it.

Listening to Wang Long’s shout, Wang Kang’s heart seemed to be dripping blood.

“Stop, stop, please stop!” Wang Kang jumped directly on, grabbing the Yinshen’s hand, but he was thrown out.

“Why should I stop?”

“I know the news of the Leiyuan Group.” Wang Kang sat on the ground with a dejected expression. He really couldn’t help watching his son suffer.

“Let me say it, but I must promise me one condition!”

Wang Kang stared directly at Lin Kai. Since the decision is made, there is no need to regret it.

But thinking of Leiyuan Group, he still has to leave a way for his son and root for the Wang family.

“If I speak out, they are likely to chase me down.” Wang Kang said coldly: “I hope you can keep my son and Wang’s company at that time!”

These are the two things he can’t let go of in his life.

He paid such a big price, Lin Kai should pay him what he deserves.

“Okay.” Lin Kai agreed, one company and one person exchanged Leiyuan Group’s news, and it was worth it.

“Okay, then I will tell you!”

Wang Kang sighed and gently dragged Wang Long aside.

“Before speaking, I want to know why you know Leiyuan Group?”

## Chapter 1119: News

Chapter 1119

“Can I refuse to answer this question?”

“No!” Wang Kang stared at him straightforwardly, not afraid of angering Lin Kai.

Whether it was because he had the news that Lin Kai needed, or some other reason, he had to know.

This can be said to be crucial to him.

“I have a grudge against the chairman of Leiyuan Group.”

Lin Kai just said this, as for other things, there is no need to tell him.

Hearing his words, Wang Kang’s expression instantly changed, and he stared at Lin Kai for a long while and sighed.

“It’s your personal business, or the entire Jiulong Mountain.”

“personal.”

Wang Kang didn’t say it for a long time, he really didn’t know what to say.

If it’s the entire Jiulong Mountain, that’s fine.

After all, with such a national weapon, it can be said to be a very easy task to solve a Leiyuan Group.

Besides, he didn’t need to be so frightened when he told the news about them.

But this is Lin Kai’s personal business. Even if he has a close relationship with Jiulongshan, Jiulongshan would not act on Leiyuan Group because of him.

Because he doesn't know how much the companies invested by Leiyuan Group pay taxes a year.

That's a sky-high number!

Furthermore, he was also afraid that after saying that, their Wang family would also be implicated by him.

But Lin Kai has already agreed, so I can't go back.

With a sigh, Wang Kang was sitting aside with a sad expression.

"I advise you to give up. The entire East China Sea is not something you can fight against."

"I will kill their chairman."

With Lin Kai's words, Wang Kang just felt like a murderous army attacked him, and he was surprised that he hadn't spoken for a long time.

After a long time, he nodded and told him all he knew about Leiyuan Group.

After speaking, Wang Kang leaned heavily on the sofa, and his whole person looked like a teenager.

"I have told you everything I know, and I hope you will keep your promise."

His only hope now is that his son will not have any trouble.

As for other things, it depends on God's will.

"I will do it if I promise you."

"It is good."

Wang Kang nodded and called someone to take them away.

The dark clouds outside the window gradually dissipated, the sun shone on the ground, and a rainbow appeared in the sky.

Before leaving, Wang Kang couldn't help but look back: "You'd better not mess with them. If you can, just reconcile."

He got in the car and left without looking back.

It was not until Wang Kang left for a long time that Lin Kai turned and left.

“It’s so deep.”

Even though Wang Kang told him so much news, he still didn’t know where the Leiyuan Group was.

It seems that it can only come slowly step by step.

“Sir, what are you going to do?”

“You said the companies he invested in were bankrupt or acquired, what would happen to him?” Lin Kai showed a playful smile.

Looking at the hustle and bustle of the city in the distance, Lin Kai’s mouth curled up slightly, revealing a smile.

After not returning for one night, when Lin Kai returned, he saw Li Shengxian staring at him with red eyes.

“Brother Lin, you are back, you scared me to death.”

Li Shengxian jumped directly over, like a koala, hung tightly on him.

“It scared me to death. I made so many calls, why didn’t you return one to me.”

God knows how many phone calls Li Shengxian made to Lin Kai, but he didn’t answer any of them.

In addition to the heavy rain yesterday, although he sent out without deceiving people, he found nothing.

Fortunately, they are back now, otherwise he will let his father find people all over the city.

Li Haoxian walked in at the stall where they were talking.

“Yeah, it seems that I came here by accident.” Although he said so, he found a place to sit down.

“What are you doing?” Li Shengxian stared at him with unkind eyes.

There must be nothing good for him to come here.

“Do you think I’m willing to come?” Li Haoxian stood up, staring at him coldly: “It’s just a trash, what right do you have to fight with me?”

As he said, he took out an invitation card and threw it directly on the table: "Mr. He asked me to send it to you. If you don't go, you will be responsible for the consequences."

Then he stood up and walked slowly to Li Shengxian.

"Do you think you can be better than me with Lin Kai's backing?"

He couldn't help but laughed out: "Trash is trash. Do you think he can protect you for the rest of your life?"

"Have you forgotten that he offended Mr. He? You know Mr. He's position in Donghai."

"Hahahaha."

Said Li Haoxian and left with a smile, leaving an angry Li Shengxian.

If he had changed his role, he would have rushed to fight Li Haoxian in anger.

But after Lin Kai's teaching, he could not.

Doesn't he think he can't rob him?

Then you can show it to him so that he knows that he can't stay on his head for the rest of his life.

"Brother walk slowly and don't give it away."

Hearing Li Shengxian say such words, Li Haoxian was indeed surprised.

But I still disdain more in my heart.

But it was Lin Kai who was there to guide him.

If Lin Kai were not there, he would still be a \*\*\*\* from before.

Thinking of Lin Kai, Li Haoxian gave a sinister smile.

I prepared a big gift for him, I hope he can like it then.

"My dear brother, you have to go on time."

After he left, Li Shengxian stared at Lin Kai and said, "Brother Lin, you have offended Mr. He. Now he invites you to go, you..."

He paused, his expression a little sad: "It's all my fault, if only I were stronger."

Looking at Li Shengxian who blamed himself, Lin Kai showed a smile.

Fortunately, he still maintains his innocence.

Originally he was worried that he would completely teach Li Shengxian.

Now it seems that he is thinking too much.

“Don’t worry, I will be fine.”

Lin Kai did not tell Li Shengxian that he and Mr. He had reconciled.

As for Li Haoxian’s wishful thinking, I am afraid it will be empty.

“Brother Lin, don’t worry, I will definitely work hard in the future!” Li Shengxian promised, patted his chest.

He also needs to become stronger and can help Lin Kai.

“Then you have to work hard.”

Lin Kai went upstairs with such a sentence.

“Brother Yinshen, do you think Brother Lin doesn’t believe me?” Li Shengxian grabbed his hair and muttered to the air with a distressed expression.

Seeing him like this, Yinshen couldn’t help laughing out loud.

“You have worked very hard.”

“Yinshen, you said I taught him this way, is it right or wrong?”

Lin Kai looked out the door, not knowing what he was thinking.

“Mr. did everything right.”

In Yinshen’s eyes, even if Lin Kai murdered and set fire, it was right.

“You guys,”

Lin Kai shook his head helplessly.

“Hidden God, we...”

Before he finished speaking, he was interrupted by the ringing of the phone.

Looking at the name on the screen, he rubbed his eyebrows.

“what happened?”

## Chapter 1120: Mean Woman

Chapter 1120: Bite Woman!

“Brother Lin, don’t you want anyone else?” Lin Qianqian’s voice came from the other end of the phone.

“Just say something.” Lin Kai didn’t bother to talk nonsense with her.

Calling him at this time is definitely something.

Sure enough, Lin Qianqian on the other end of the phone was silent for a long time without speaking.

“Lin Kai, I hope you can do me a favor.”

It took Lin Qianqian a lot of courage to say such a sentence.

Originally, she had given up this cooperation, but after knowing that Lin Kai’s identity was not simple, she couldn’t help thinking about it.

If this cooperation can be obtained, then her company can become a second-tier company in the East China Sea.

This is a big temptation for her.

“As long as you can help me, I...I can promise you on any condition!”

This sentence was almost spoken through gritted teeth, because she was not sure what conditions Lin had put forward.

“What are the conditions?”

“Of course, doesn’t Brother Lin want to get someone’s body?”

“No.” Lin Kai categorically refused: “What do you want me to help.”

It’s someone who exists as a younger sister. If you can help, just help.

Lin Kai looked out the window and found a reason for himself.

He doesn’t like to be nosy as a person.

“Brother Lin, don’t you love others?”

Even through the phone, Lin Kai can imagine Lin Qianqian’s expression.

Shaking his head, he felt a little helpless: “Let’s talk.”

Naturally, Lin Qianqian knew what was important, so she didn’t want to talk to Lin.

“I want to win the cooperation with the Wang family, but there are three or four companies competing at the same time.”

She paused and continued: “So I want to use your identity to win this cooperation.”

After finishing speaking, Lin Qianqian felt a little nervous.

In fact, she originally wanted to trick Lin Kai to go with her.

But after thinking about it, I decided to confess.

There is no need to fall out with Lin Kai because of such an incident.

“I promise you.”

“Lin Kai, if you are different...”

“Wh... what?” Lin Qianqian said excitedly: “You agreed?”

She still wanted to talk to Lin Kai for a long time, but she didn’t expect that he agreed directly.

She was walking around the house a little excited, not knowing what to do.

“Lin Kai, whether this matter is done or not, I will give you a great gift!”

“Okay.” Lin agreed with a smile.

“That’s all right, I will give you the time position, then you remember to come on time.”

After chatting with Lin Kai, Lin Qianqian hung up.

When she hung up, she was so excited that she couldn’t wait to jump three feet high.

After finishing her mood, she asked the secretary to prepare the materials. She is bound to win this cooperation.

This matter was an extremely important matter to her, but to Lin Kai, it was nothing more than a very ordinary matter.

Looking at the hung up call, he shook his head helplessly.

“Yin Shen, go and check the Wang family that Lin Qianqian cooperated with.”

Since I promised to help, I must be serious.

As for the banquet that Li Haoxian said, he wanted to see what was interesting.

Compared to Lin Kai’s leisurely life, Li Shengxian was a bit irritable as if he burned his ass.

Looking at the news sent by his subordinates, I wished to rush to Li Haoxian’s house and kill him.

“Damn, dare to calculate Lin Ge. Fuck!”

He slammed the table hard, making him a little grumpy.

After a while, he commanded: “Go, help me that big brother.”

“Remember to leave evidence, and hope that he will prepare a gift by himself.”

Looking at the sulky smile on Li Shengxian’s face, his subordinates shuddered and left quickly.

If Lin Kai saw Li Shengxian’s appearance, he didn’t know how he would feel.

In the blink of an eye, it was the day Lin Qianqian had agreed with him.

Early in the morning, Lin Qianqian drove here to pick him up.

Lin Qianqian lay on the car window, and said to Li Shengxian, “Handsome guy, where is Brother Lin?”

“Ge Lin hasn’t gotten up yet.”

“Are you waiting for me to wake him up?”

Saying that Lin Qianqian got off the car, smiled and went to Lin Kai’s room.

“Brother Lin, do you need someone to wake you up.”

She fell directly on the bed as she said, and got up from the bed screaming for the next second.

“What is it?” She looked at the squirming mass on the bed in shock, a little scared.

When she just jumped on it, she obviously felt that she was not alone.

She was soft and moved on her own, and she didn't know what to think for a while.

“Harry, come down.” Li Shengxian yelled on the bed, and a German shepherd rushed off the bed instantly.

“Ge Lin's room is next to it.”

Li Shengxian pointed to the room on the left, making Lin Qianqian look embarrassed.

“You are here.” Lin began to hold a glass of water and looked at Lin Qianqian with a smile behind her back.

I don't know why, seeing this scene, Lin Qianqian only feels that her heart is beating uncontrollably.

What she said before like Lin Kai is nothing more than a woman's worship of a powerful man.

Until this moment, Lin Qianqian was sure that she really liked this man.

“What are you in a daze?” Lin opened his cup and turned to go out.

Lin Qianqian was stunned for a moment, and hurriedly followed, feeling a little embarrassed for what she had just lost.

Lin Qianqian's quietness was not normal along the way, but it made Lin Kai a little uncomfortable.

When Lin Qianqian got out of the car at the meeting place, she was stopped.

“Miss Lin, what are you doing here?”

Looking at the thief-eyed man in front of him, even though Lin Qianqian was a little disgusted, she still put on a smile: “Mr. Li, what do you do here, I will naturally do it.”

“Is it?”

Saying that Mr. Li stepped forward and reached out to hug Lin Qianqian's waist, but she avoided him.

“President Li, please also respect yourself.” Lin Qianqian’s tone was a little harsh, and the eyes staring at him were very unkind.

“Hahahaha, self-respect?” The man called President Li couldn’t help laughing.

“Lin Qianqian, what do you pretend to be a chaste woman?”

He snorted disdainfully: “I really thought I didn’t know, you, a woman, can develop the company like this in just one or two years. Is it because you have the ability?”

“Who knows how many old men you got before you got the contract after you slept with it.”

“Get out!” Lin Qianqian looked unwilling to pay attention to him.

“I am not like you. For cooperation, my wife can give it to others!”

Lin Qianqian’s scars are naked.

No one in the entire East China Sea knows. He Li Haisheng got his wife drunk and put it in someone else’s bed for a cooperation.

Then he slandered others who slept with his wife and got cooperation.

Had it not been for his wife who overheard the conversation between him and his lover, I wouldn’t know!

“You bitch, try it again!”

## **Chapter 1121: Scared**

Chapter 1121

“You are just a trash, relying on women’s trash!” Lin Qianqian raised her head slightly, with a somewhat arrogant attitude.

For such a man, she really does not want to say more.

If it weren’t for the company’s business, she might have to cooperate with him, Lin Qianqian would not say anything nonsense to him.

If it weren’t for the man his wife was with, who had a face in the East China Sea, no one would have cooperated with him long ago.

“Grass, stinky woman, you say it again!”

Li Haisheng stared at Lin Qianqian angrily, he most hated others for taking this out.

I didn't expect Lin Qianqian to say it once, but she dared to say it a second time.

“You are just a waste, cuckold yourself!” Lin Qianqian said these words without hesitation.

As usual, she naturally wouldn't be so impulsive.

Today, with the support of the big boss, she is rarely arrogant once.

As for whether these people will embarrass her after Lin Kai leaves?

This simply does not exist.

With Lin Kai's identity, even Li Cheng's family has to flatter.

Even if he left, in order to keep in touch with Lin Kai, Li Cheng's family would naturally take care of her, Lin Kai's only woman in her early days.

For this reason, Lin Qianqian was not afraid of Li Haisheng.

“You bitch, see if I won't kill you!”

Speaking of Li Haisheng facing Lin Qianqian's face, he came.

Lin Qianqian just stood there, without any intention of giving in.

Sure enough, it was in Li Haisheng's hand, and the moment she hit her, she was caught by a hand with distinct bones.

“It is impolite to hit a woman.”

When the secret hidden \*\*\*\* heard this, he almost laughed.

Is it impolite to hit a woman?

How did he remember that when he was abroad, he was so cruel that he was so scared that the women would turn around and run away when they saw him.

“Who are you?” Li Haisheng frowned and stared at Lin Kai for a while, then suddenly realized that he hit you: “Oh, you are her little white face.”

Lin Qianqian subconsciously covered her eyes when she heard the words "little white face".

I always feel that this Li Hai is dead, and with an identity like Lin Kai, I should most hate others saying that to him.

As expected, Lin Kai's expression changed and he broke one of his hands directly.

"Keep your mouth clean, or I don't mind teaching you for your parents."

"You...you wait for me!"

Li Haisheng covered his hands, his lips trembled, unable to say a word.

"Waiting for the big drive at any time."

Speaking, Lin Kai stretched out his hand and followed Lin Qianqian into the venue.

Looking at the back of the two of them, Li Haisheng showed a sullen smile.

If you dare to provoke him, don't blame him for being rude.

A socialite, a little white face, he wants to see where they can go.

He clasped his hands, snorted coldly, and left the venue.

Although it is not convenient for him to do it, his wife's lover can do it.

For those people who laugh at themselves and dare to say that they cuckold you, it is a group of shameless pens.

How could they know how much benefit they would exchange for themselves with their own wife.

Without looking at them, Li Haisheng turned and left.

Lin Qianqian, who arrived at the venue, took Lin Kai and kept introducing him to various partners.

Although Lin Kai's expression was a little cold, he answered with ease.

In just over ten minutes, no fewer than seven or eight people promised to introduce their daughter to him.

"Peach blossoms are pretty good." Lin Qianqian gave him a jealous look.

If I knew he was so popular, I wouldn't take him to meet those partners.

"Qianqian." A man interjected with a grin: "I like you the most, unlike him, just a scumbag."

He rolled his eyes at Lin Kai.

"Master Zhang, I am not familiar with you."

Lin Qianqian pulled Lin Kai to leave, but was stopped by Zhang Zekai.

"Qianqian, he can go, you can't!"

He said that he walked over and wanted to take Lin Qianqian's hand, but he threw it away.

Zhang Zekai was not angry either, he was still smiling: "Qianqian, you don't know that I like you."

"My dad has agreed with us. When do you think we are married?"

"Brother Zhang is domineering, so soon he will embrace the beauty."

"Sister-in-law, you quickly agree!"

.....

Lin Qianqian felt a little irritable listening to their noise.

Seeing Lin Kai on the side with a playful look, she felt her cheeks burst into red.

"Shut up, you guys!"

She stared straight at Zhang Zekai and said: "I said, I won't like you in my life, you should die of your heart!"

Saying that she pushed Zhang Zekai away, she wanted to pull Lin Kai away.

Although Lin Kai's identity is not simple, she didn't want to cause him trouble.

After all, this time I want to borrow his identity and win this cooperation, which has already helped him a lot.

"Lin Qianqian, stop for me!" Zhang Zekai dragged her back.

“Do you want this contract today?” Zhang Zekai stared at her scorchingly: “As long as you are engaged to me, I will give it to you!”

If Zhang Zekai said this when she did not meet Lin Kai, then Lin Qianqian would definitely agree without hesitation.

But it's different now.

“Sorry, I don't need it, thank you.”

Lin Qianqian is grateful to Zhang Zekai. Without him, she couldn't have a firm foothold in the East China Sea so quickly.

But if I don't like it, I just don't like it.

“Is it because of him?” Zhang Zekai grabbed the collar of Lin Kai's clothes and wanted to do it, but finally let it go.

He looked at Lin Qianqian's nervous expression, her heart seemed to be pierced by a needle.

Taking a look at Lin Kai, he left dejectedly.

After two steps, he suddenly ran back and said: “If you are not good to Qianqian, I will kill you.”

After Zhang Zekai left, Lin Kai spoke lightly: “He is very nice to you, it is a good choice to marry him!”

“You shut up!” Lin Qianqian looked at him angrily.

I have clearly expressed my heart, why he is like a wood.

Lin Kai touched his nose, a little helpless, he was telling the truth.

Just when Lin Qianqian was so angry, a gentle female voice came from the side.

“Miss Lin?” The woman stretched out a hand: “I am Li Haisheng's wife Ding Rui.”

“Ms. Ding is good.” Lin Qianqian stretched out her hand and took a quick look.

I have to admit that even though Ding Rui is in her 30s, she still maintains the same care as a girl in her twenties.

“I'm sorry my husband just happened.”

Ding Rui asked politely: "If possible, I also hope that Miss Lin can do me a favor and apologize to my husband."

Seeing Lin Qianqian's reluctance, Ding Rui quickly explained: "I know this matter is very difficult, but I still want you to go. Otherwise..."

She sighed and said, "Otherwise Zhang Tianrui will deal with you."

"why?"
