

Special Forces God Level Extraction System

Chapter 11: Patriarch

Chapter 11 The Position of Patriarch

“No, I heard that Xiaokai has been punished many times in the army, and his performance in the recruit company is also very poor. Now the recruit company has an elimination system, and each company will eliminate several of the worst soldiers.”

“The young man was born with a dainty personality, and he was even more arrogant and arrogant since he was young. If he is cut off by the recruit company, he will be a shame on the Lin family!”

Lin Lei banged on the table, staring straight at the Lin Ting couple.

“If you want me to say, it’s better to let Xiaokai come back early and continue to be his young master of the Lin family and make a fool of yourself in the army, but we lose the face of the Lin family.”

Lin Lei’s words were straightforward. He was not afraid to offend Lin Ting. In the Lin family, the two brothers were of equal power, but Lin Ting was the head of the family.

Lin Ting and Liu Yun looked at each other and both laughed bitterly.

Even if he is in the army, he is not an unbelievable son!

Lin Lei’s thoughts could be seen by the couple. It was nothing more than the inheritance of the Patriarch’s position. Lin Ting also wanted to pass the Patriarch’s position to his son, but Lin Kai’s unconvincing performance really embarrassed him.

Now that Lin Yuan has returned from overseas, the competition for inheritance rights on behalf of the Lin family has officially begun! Let him Lin Kaigen and Hongmiao righteous, but he has nothing to do, he has no specialties at all, and he has a dull nature. How can he fight Lin Yuan?

Now Lin Lei even named Lin Kai and asked him to come back from the army to criticize Dou Lin Kai in person!

To lose face in the army, that is the face of the Lin family!

He Lin Lei wanted to take away Lin Kai's right to inheritance from the Patriarch!

Although Lin Ting can see Lin Lei's thoughts, he has no reason to refute Lin Lei, because of his son, he just can't live up to it!

"Xiaokai is still young, let him practice in the army." Lin Ting smiled helplessly.

"Hehe." Upon hearing this, Lin Lei laughed out loud at the time: "Second, I don't tell you, you should know in your heart, who is Xiaokai? Young Master Lin, what else can he do besides eating, drinking and having fun?"

"Let me be clear, Xiaokai's performance in the army is not ordinary! Five kilometers armed cross-country, he can find a big tree to sleep under!"

"Through the name of the Lin family, they did evil in the army, and those chiefs didn't dare to control him because of our Lin family."

"Recruitment company layoffs, even if Xiaokai can rely on our Lin family to stay in the army, but he is in the army, but our Lin family's reputation will be corrupted!"

"What's more, Xiaokai is still the heir of the Lin Family Patriarch, this...How can I feel relieved to hand over the huge Lin Family to Xiao Kai?"

Having said that, Lin Lei still showed a distressed look, shook his head and laughed bitterly.

Lin Ting frowned, Lin Lei's words were awkward, and he said nothing of his son. Although Lin Ting was angry, he could not refute Lin Lei.

Liu Yun lowered her head very sadly. As a mother, Liu Yun loved Lin Kai very much. It can be said that Lin Kaiwan's personality is the result of Liu Yun's doting since childhood.

Now that Lin Lei has been so scolded by the forest, Liu Yun has no reason to refute even though she is reluctant in her heart.

Because of Lin Kai, it was really bad, so bad that Liu Yun hated iron and steel!

Looking at Lin Yuan, he is a talented person, both civil and military, with a high degree of education and high emotional intelligence. Compared with Lin Kailai, he is a thousand miles stronger!

Liu Yun can only envy.

"Big Brother, what should you do?" Lin Ting frowned and asked.

Lin Lei glanced at Lin Yuan, laughed, and said: "According to me, rotten wood cannot be carved. Since Xiaokai is not up to date, our Lin family is enough to let him spend his childhood to grow old."

"You can let him come back and continue to be his young master of the Lin family."

"As for the heir to the Lin family, Xiaokai is really not suitable. My son Xiaoyuan is capable of taking this responsibility."

"Anyway, we are all a family. Whoever is more suitable for the next generation of Patriarch, let him be, second brother, what do you think?"

Lin Lei looked at Lin Ting with a smile, and directly stated the purpose of this trip. He concluded that Lin Ting had no room for refutation!

Because of him lei, he is both sentimental and rational, have the upper hand!

Lin Kai couldn't do it, so let his son be the head of the family! Anyway, you and I are brothers, how do you refuse?

Sure enough, this time, it stumped Lin Ting and wanted to give up the position of the heir of the Patriarch? How can Lin Ting be willing?

But his own son, he really can't! How to reject lei? Lin Ting couldn't think of any reason to reject Lin Lei!

And Lin Kai, who peeked outside the door, listened to all Lin Lei's words!

That **** young Lin Kai was already about to defeat his huge Lin family, he was really disappointed!

No, the Lin Family now will be their own Lin Family in the future, and he cannot give up the position of Patriarch!

Immediately, Lin Kai opened the door, carried his bag, and walked into the living room.

"Parents, uncle, cousin, I'm back." Lin Kai stepped into the living room and immediately attracted everyone's attention.

"Xiao Kai?" Lin Ting and Liu Yun were shocked when they saw Lin Kai. They obviously didn't expect to see their son at this moment!

Lin Lei was also shocked, but after seeing Lin Kai's backpack, he was overjoyed!

It was cut down! This time, he Lin Lei even had an excuse to let Lin Kai go down!

Even the recruits can't survive for three months. How can they be the heads of the family in the future?

Lin Kai's cousin, Lin Yuan, looked at Lin Kai with a smile at this time, and after looking up and down, Lin Yuan shook his head in disdain.

I haven't seen him for many years. This cousin of my own still has this kind of virtue. He doesn't have the aura of everyone's demeanor.

"Xiao Kai, why are you back? Let Mom see if you are thin." Liu Yun ran to Lin Kai and looked at Lin Kai dotingly, touching Lin Kai's head with both hands.

The first time I saw my mother, Lin Kai was flattered, but feeling Liu Yun's love for him, Lin Kaixin was still warm.

In his previous life, Lin Kai was an orphan, but no one loved him.

"Mom, I'm not thin, I'm fine." Lin said with a smile.

boom!

Only hearing a muffled noise, Lin Ting slapped on the table and stood up angrily.

Lin Ting's face was angry, and the blue veins on his forehead were violent. He pointed at Lin Kai, his fingers trembled.

"You, you...you trash! You still have the face to come back? The recruits can't even stay? I don't have your son! Kneel me down!"

Lin Ting was really so angry that he was exploded. Originally, he was criticized by Lin Lei, and he was depressed.

Now that Lin Kai had actually been laid off, and the position of the head of the Patriarch had to be handed over, the anger in Lin Ting's heart suddenly exploded.

Lin Ting picked up one side's cane and walked quickly towards Lin Kai.

"Today I won't beat you to death, an unsuspecting waste!"
