## Chapter 1141

### Chapter 1141: Kowtow

Chapter 1141

“what did you say?”

Ai Ping turned and stared at Wang Kang, as if he had said something heinous.

“You said my daughter did something wrong?”

Looking at Ai Ping who sneered, Wang Kang didn't know what to say for a while.

The two people next to him saw this scene and couldn't help but gloat.

“Mr. Wang, you don't care about Miss Ai's identity. Is he a pariah who can insult?”

“You even hit Miss Ai, so you should teach him a good lesson. It is light to kowtow to

Miss Ai and apologize.”

...

Looking at the two people stirring up trouble, Wang Kang showed a sneer.

It's just two fools who don't know the so-called.

Thinking about his status as Wang Kang, would he not know that Ai Ping can't afford to offend him?

Since he dared to do this, it means he has a stronger backstage.

"Boy, you kowtow to my daughter now, or don't blame me for being polite."

"I don't see what I am, and I am worthy of bullying my daughter."

"If you don't want your house to be over, you can kneel down for me."

...

Listening to Ai Ping's endless talk, Lin Kai couldn't help but pucker his ears: "It's really annoying."

"What are you talking about?" Ai Ping's chest heaved violently.

Dare to say he is noisy?

What a courage!

After so many years, who has not seen him respectfully?

"Young man, don't be too arrogant, or you won't know how to die."

Ai Ping glared at him, clapped his hands and walked in with a man about two meters away.

The muscles all over his body are like cast steel, radiating under the light.

He shook his fist, and the fist wind he brought up blew the hair of several people.

“I interrupted his limbs.” Ai Ping said viciously: “I will throw him into the wolves and let him watch his death with his own eyes.”

Although he knew that Lin Kai would be fine, but Wang Kang was still a little worried.

Can't help but persuade: “Mr. Ai, don't do this anymore.”

“Go away.” Ai Ping pushed him away, disdainfully said: “I tell you, Leiyuan Group will not give you a penny this time, and it will not in the future. Just wait for it to be finished.”

Lin Kai, who had been motionless, couldn't help but raise his eyes when hearing Leiyuan Group.

It seems that it is really from Leiyuan Group.

“Mr. Ai, you still...”

Before Wang Kang had finished speaking, he was pushed aside by Ai Ping.

“Come on to me.”

Following Ai Ping's order, the big man waved his fist and struck him.

Wang Kang couldn't help closing his eyes, for fear of seeing some \*\*\*\* scene.

But the expected screams did not sound.

Ai Ping looked at Lin Kai incredulously, wondering if he had read it wrong.

There was an invisible barrier in front of him, separating him from the big man.

“How is this possible?”

Even the big man was a little unbelievable, punching punch after punch.

“Resolve him.”

When everyone was still wondering, the big man was suddenly picked up by a mysterious force.

“How is this going?”

Several people looked at the big man who seemed to be floating in the air, dumbfounded.

This is completely beyond their understanding.

A clear “click” sound interrupted everyone’s thoughts.

The big man who was still struggling had his neck crooked and lost his breath.

At this moment, the mysterious power seemed to disappear, and the man fell straight down from the air.

With a “boom”, the tea sets on the table were scattered all over the floor.

Ai Ping stared at the big man in a daze, his voice a little dry, and his eyes on Lin Kai were full of horror.

He didn't expect that he was putting up a hard problem.

After a while, he seemed to have recovered his voice: “This gentleman, just... just now, it was all misunderstandings, misunderstandings, hahaha.”

He laughed twice, a little embarrassed for a while.

Looking at Lin Kai who was unmoved, Ai Ping didn't know what to do.

But soon he returned to normal, provided that he ignored his trembling body.

Sitting on the sofa not far from Lin Kai, Ai Ping said cautiously: “What happened just now is over, I am from Leiyuan Group, I don't know you...”

What he meant was obvious. Apart from asking about Lin Kai's identity, he was also telling him that he was also someone with a background.

Since I have already apologized for this matter, let's just go over it, otherwise no one will look good at that time.

Lin Kai ignored his subtext.

“Don't you want me to kneel and apologize?”

Seeing Lin Kai's smiley face, Ai Ping's heart throbbed.

"This matter is over, I will invite you to dinner when I have time, let's..."

"Sorry, I have nothing to say to the person who provokes me."

The clay figurine still has three points of anger, let alone Ai Ping, a big living person.

Avril Lavigne couldn't help it before he spoke.

"Don't think you are very good, what's so good about killing someone."

She looked disdainful: "My dad is a member of the Leiyuan Group. If you are acquainted, you should quickly admit to me."

The smile on Lin Kai's face got bigger when she said that.

Ai Ping looked arrogant and looked at Lin Kai with his head held up slightly: "I want this lady to apologize to you. I really don't know how high it is."

"Hurry up and kneel down for me and apologize."

Looking at the arrogant Avril Lavigne, Lin Kai threw a golden token directly to Ai Ping.

Ai Ping was still a little disinclined when he got it in his hand.

But after seeing the things on it clearly, his breathing was stagnant and his face flushed.

The three words "Nine Dragon Mountain" clearly appeared in his eyes.

After a while, a flattering smile appeared, holding the token in both hands, and cautiously handing it over to Lin Kai.

“I don’t know it’s an adult from Jiulong Mountain. The younger one has eyes but doesn’t know Mount Tai. I hope you don’t care about it.”

Leiyuan Group is indeed great, but his small branch manager can’t do enough to look down upon Jiulong Mountain.

When Avril Lavigne saw her invincible father, she instantly became humbled and did not react.

“Dad, what are you doing?”

Avril Lavigne reluctantly pulled Ai Ping’s clothes: “What do you apologize to him, you let him apologize to me!”

When Avril Lavigne said so, Ai Ping’s heart almost stopped beating.

After a moment of stunned, he pulled Avril fiercely, she didn’t have any defense, and fell directly to the ground.

With a “boom” sound, it hurts to hear the sound.

“Hurry up and apologize to your lord.”

“Why?” Avril held her neck high and rubbed her knees, with a proud look.

“You rebellious son!” Ai Ping was angry, but also a little helpless.

It was because he was too spoiled with this daughter and gave her up.

“Even when the boss met the people from Jiulongshan, he treated each other politely.”

With that said, Avril Lavigne looked at Lin Kai in surprise, and said nothing for a long time.

“Dad, are you saying that his identity is similar to the boss?”

## **Chapter 1142: Lin Yuan’s News**

Chapter 1142 Lin Yuan’s News

“almost.”

The three words, like a big mountain, pressed hard against Avril Lavigne, making her almost breathless.

Looking at Lin Kai in a daze, Avril Lavigne couldn’t accept it.

One bite of a pariah, but what?

He can’t afford to offend him at all.

“Yes... I’m sorry.” Avril knelt on the ground, feeling a little at a loss.

She never thought that things would turn out to be like this.

Even if her father is powerful and powerful, it is useless to face such a big man.

“We didn’t know it was the adults of Jiulong Mountain. I hope you don’t care about us.”

Ai Ping raised his hand to wipe the cold sweat on his forehead from time to time, and he was frightened.

The two people who had just agreed with them were so scared that they sat on the ground and couldn’t get up for a long time.

“It’s a pity that I like to care about things the most.”

Lin Kai grinned, showing dazzling teeth.

“Yinshen, throw them two out.”

“Yes.”

Before the two people could react, they felt that they were being lifted up.

They struggled vigorously, even peeing their pants in fright.

Lin Kai frowned at the smell of fishy smell in the air.

“what!”

With a scream, the two were directly thrown from the second floor by the hidden god.

But fortunately, it was thrown on the table, and it wouldn't be broken.

Everyone looked at the two people who suddenly fell from the second floor, and no one dared to step forward for a while.

In the private room on the second floor, Avril fainted when she saw them being lifted by the volley.

“Big...sir, our boss and you...know and know your mountain master.”

Ai Ping's lips trembled, and he couldn't say a complete sentence for a long time.

But what he said made Lin Kai stunned.

Unexpectedly, Lin Yuan met the owner of the mountain.

But as I want to come, Leiyuan Group is not a small mess, and the understanding is normal.

“so what?”

Lin Kai looked at him with his arms folded.

They know it's their business, it's his shit?

Even if it was blocked by the mountain master, he would kill Lin Yuan.

When Lin Kai said this, Ai Ping's face paled in shock.

Just like this, he can make ghost movies without putting on makeup.

“Where is Lin Yuan?”

“Chief...President?” Ai Ping was taken aback for a moment, somewhat unclear.

“What did you ask the president for the news?”

He stared at Lin Kai suspiciously, if the news of other people, naturally he could say.

But Lin Yuan's, he really can't help it.

“Do you say it or not?”

Ai Ping was a little scared when Lin Kai looked at it this way, and almost fell to the ground.

For a while, he said with a bitter face: “It's not that I don't tell, I really don't know.”

“I'm the manager of a branch. It's harder to get a start at the head office.”

“Besides, the president's news is confidential, I really don't know.”

Ai Ping almost wanted to cry without tears, he thought that Lin Kai was going to give himself a chance to survive.

But who came up with the idea, Lin Kai actually asked this, isn't this plainly not letting him live.

Lin Kai frowned and looked at Ai Ping, unexpectedly he didn't even know about him as the manager.

However, it is also normal for Lin Yuan to be such a careful person, he didn't know.

Just as Lin Kai felt a headache, where to go to get news of Lin Yuan, Avril spoke up.

“I know a place where the president occasionally goes.”

After she finished speaking, Lin Kai stared at her straightforwardly, and she was frightened.

“where is it.”

Lin Kai couldn't help being a little surprised, but he didn't expect to get some news by himself.

“In fact, he doesn’t go there often, just like that two or three times occasionally.”

Avril Lavigne looked at Lin Kai for fear that he would be angry.

She knew this by accident. It was precisely because she knew where, her father would become the manager of the Leiyuan Group branch.

“He occasionally goes to a villa on the East Sea.”

Avril tilted her head for a moment and said: “Sometimes she will bring a woman there.”

“A woman?”

Lin Kai had some doubts. He still knew Lin Yuan, and he couldn’t have been devoted to the same one for too long.

But Avril Lavigne didn’t have the guts to lie to herself.

“I’ve seen that woman, she is the daughter of a small family in Donghai.”

Speaking of this, Avril is a little confused: “I don’t understand why the family is still the same as before.”

“The woman’s surname is Li, she is really beautiful, and the means are good.”

...

Avril Lavigne told Lin Kai what she knew, for fear that his unhappiness would kill them both.

After speaking, Avril Lavigne and Ai Ping looked at Lin Kai eagerly, with obvious meaning.

But now Lin Kai didn’t pay attention to them at all, thinking about something for himself.

He wants to know what is special about that woman that deserves his attention?

Lin Yuan is not a person who will get dazzled by beauty.

Mostly that woman, where can I help him?

The room was silent for a while, and Avril Lavigne and Ai Ping were frightened, for fear that Lin Kai would not let them go.

If he knew his identity was so simple, they wouldn’t be dead.

But it's too late to say anything.

Ai Ping secretly glanced at Lin Kai, wondering if it was his illusion, but always felt that Lin Kai looked a little like Lin Yuan.

But after all he hadn't seen Lin Yuan himself, so it was hard to say.

Wang Kang looked at the pensive Lin Kai and couldn't help but persuade him: "Lin Kai, don't worry, take your time, you won't get news easily."

In fact, he still hoped that Lin Kai would find Lin Yuan later.

Because only in that way, he has more time to leave a way for himself and his two sons.

"I know."

Lin Kai is naturally not anxious, he is just a little irritable.

After coming to the East China Sea for so long, I still don't know anything about Lin Yuan.

But the power he can use now is too little, there is no way at all.

Rubbing his bulging eyebrows, Lin Kai felt a little irritable.

Seeing him talking, Ai Ping couldn't help but speak: "Big...sir, can we leave now."

He was really scared now, for fear that Lin Kai would kill himself.

"go away."

Lin Kai didn't bother to pay attention to the two of them, but it was just a fake tiger.

Hearing Lin Kai's words, the two of them crawled out of the private room.

The two leaned against the door, just about to take a breath, they saw a few bosses coming over, seeing them like this, they looked astonished.

"What are you guys?"

"Go!" Ai Ping tidied up his clothes and stood up from the ground.

He gave them a ferocious look, then turned and left.

"What garbage thing."

The few bosses snorted.

As soon as Avril Lavigne wanted to have an attack, she was dragged away by Ai Ping.

“Which adult is still there, if you bother him, you won’t know how to die.”

Avril shuddered at the thought of the person who was killed by Lin Kai.

No need to say anything from Ai Ping, and leave like running away.

## Chapter 1143: A Word Makes You Die

Chapter 1143

For Ai Ping and Avril, Lin Kai didn’t bother to care about them at all.

Whatever they provoke, they will not be ignored.

Now he just wants to know all the news about a woman surnamed Li as soon as possible.

Although I’m not sure if Lin Yuan has contact with her, it is better than knowing nothing.

“This will trouble you. Give me the information tomorrow.”

Hearing what Lin Kai said, Wang Kang was stunned for a moment. He just wanted to refuse, but he didn’t have the courage.

It is naturally not so easy to find a woman who has a relationship with Lin Yuan.

But if he refuses, he may die even worse.

“I will be here tomorrow afternoon.”

Leaving such a sentence, Lin Kai left directly.

Seeing him leaving behind, Wang Kang felt helpless.

But who can’t let him.

“Sir, can Wang Kang find it? Why not let me go.”

Yinshen felt somewhat uncomfortable with Lin Kai's entrusting such things to others.

Since he is here to protect Lin Kai, naturally everything is left to him.

It is their supreme glory to be able to do things for your husband.

Now that this opportunity is given to others, Yinshen is naturally uncomfortable.

Lin Kai naturally didn't know what Yinshen was thinking.

He thought the hidden \*\*\*\* was because Wang Kang was unreliable.

"There is free labor, why not use it?"

Since some people flatter themselves, naturally they want to make the best use of their things.

Regarding Lin Kai's statement, although Yinshen was a little unhappy, he didn't say anything.

When Bai Ju passed the gap, when Li Shengxian went downstairs the next day, he saw Lin Kai still maintaining the same posture he had returned yesterday, motionless.

"Brother Lin, did you sit here all night?" His tone was a little surprised, as if this was something extraordinary.

"What's the problem?"

Li Shengxian smiled wryly to Lin Kai taking what he took for granted.

"By the way, Brother Lin, you remember to go home with me today, Tianshi Huang is waiting."

Seeing Li Shengxian's obsession, Lin Kai only felt ashamed.

"I have something to go now."

After Lin Kai left, Li Shengxian said to himself: "Is Lin Kai's expression disgusting just now? Is he disgusting Tianshi Huang? How can I dislike Tianshi Huang, Huang..."

If Lin Kai heard him talking to himself, he would definitely be angry.

In order not to waste time, Lin Kai drove a car casually.

The silver-gray young wolf attracted the hearts of men and women who don't know how many.

As soon as he arrived at Wang's house, before he could park the car, Wang Wei rushed over.

Just like seeing a beautiful woman, facing the car, groping around, even lying on her body, just like his wife.

"Brother Lin, can you lend me this car to drive?" Wang Wei looked at Lin Kai embarrassedly, his eyes full of expectation.

He had already liked this car at the beginning, but the global limited edition could not be bought at all. He didn't expect to bump into it today.

"Whatever." Lin Kai threw the car key to him and turned to enter.

When he entered, Wang Kang was already waiting for him.

Seeing him coming, he quickly passed the information in his hand,

"To be honest, I am a little confused, why would Lin Yuan arrange his woman in that kind of place?"

"That woman followed him, so she can walk sideways in the East China Sea."

"But in the society of the East China Sea, there are basically no women coming."

Because of this, this information is still exhausting.

After reading the information in his hand at a glance, Lin Kai handed over a contract to Wang Kang.

"This is a contract with the Li family. It's the remuneration for this time. If you have something to do, please ask Li Shengxian."

He did this by killing two birds with one stone. It not only gave Wang Kang benefits, but also helped Li Shengxian.

"This..." Wang Kang was full of surprises after reading the contract in his hand.

"I'm leaving first." He got the news and he was not conducive to the delay.

Because his car was driven away, he simply asked Wang Kang to find one for himself.

“Sir, this woman has a problem.”

“What’s the problem?” Lin Kai couldn’t help but look at Yinshen.

Yinshen quickly replied: “When you asked me to check something, I saw this woman many times.”

“Every time it’s in a different man’s house, but without exception, those men are men with a face and a face in the East China Sea.”

“I think this is also the cleverness of this woman. It has something to do with so many men, but no one knows.”

After being said by Yinshen, Lin Kai knew why Lin Yuan had been in contact with her so much.

It is through this social flower that he co-authored some people in Donghai to help him.

No wonder he has searched for so long and has not found any news about Lin Yuan.

“Let’s go, I will meet this woman.”

With all the twists and turns, I finally got to the place where the woman was.

Looking at the tattered and rotten places around, Lin Kai frowned.

Unexpectedly, this woman can hide, knowing that she is in such a place.

Most people would not think that she was in collusion with so many big people, and naturally there was no shortage of money.

So if you look for her, you will subconsciously go to the rich area.

Unexpectedly, it would do the opposite. In such a slum, it would naturally not be noticeable.

“Let’s go.”

Enduring the stench in the air, following the muddy road full of garbage under their feet, the two slowly walked to the place where the woman was.

“This is where Liman lives.”

They knocked on the door three or four times, and no one came to open the door.

Wang Kang stayed here to monitor her but said that Li Man did not go out today.

Then one explanation a week is that she deliberately did not open the door.

“Kick away.”

“boom.”

With a loud noise, the iron door of Li Man’s house hit the wall and bounced back fiercely.

The two walked in, and there were two worlds inside and outside.

Here, up, down, left and right, four houses were opened up to form a duplex two-story.

“Li Man, come out if you know you are at home.”

In the past five or six minutes, there was no response at all.

Winking a wink at Yinshen, he immediately disappeared.

In less than a minute, a woman’s scream came from the second floor.

“Who are you, let me go immediately!”

Li Man was struggling vigorously in the arms of the hidden god, disheveled like a madman.

“Believe it or not, you are waiting for endless pursuit in the East China Sea.”

Li Man yelled a little angrily, threatening Lin Kai with delusion and making them give up.

Maybe it is useful for others, but for Lin Kai?

The slightest effect is useless.

They have been among the dead, how can they be afraid of her threat?

“Miss Li, you’d better be obedient, otherwise I don’t know what I will do.”

Lin Kai’s words instantly calmed Li Man.

She knew that since they were not afraid of their own threats, they had a lot to come.

“Come on, why are you arresting me?” She sat on the sofa and stared at Lin Kai.

# Chapter 1144: Let Me Go

## Chapter 1144

Seeing that Lin Kai and the others were silent, Li Man was a little confused.

But if they can find themselves here, naturally they have some understanding of their own news.

Taking a look at Lin Kai, the clear and handsome face not only made Li Man a little moved.

More importantly, at the first glance, she felt that he looked a lot like Lin Yuan

Thinking of Lin Yuan, Li Man felt a little uncomfortable.

He hasn't been here for a long time, maybe he was hooked by that little fairy.

Seeing Li Man staring at him in a daze, Lin Kai naturally knew why.

It's mostly because he looks like Lin Yuan.

"What's the matter with you looking for me?" Li Man took out a cigarette and lit it slowly: "It's best if something really happens, otherwise I will let you die without a place to bury you."

"You can try." Lin Kai leaned forward slightly and said with a smile: "Look who died worse?"

In a daze, Li Man seemed to see Lin Yuan again.

At that time, he also looked like this, the only difference was what he said.

"What is your relationship with Lin Yuan?"

The sudden question made Li Man stunned, and looked at him with some doubts.

"What do you ask this for?"

She thought that Lin Kai was looking for herself to ask the boss of Donghai, but she didn't expect to ask Lin Yuan.

But because of this, she looked at Lin Kai more vigilantly.

Although she didn't know what Lin Yuan was doing, it was her beloved man, and naturally he would not betray him.

"You only need to answer." Lin Kai is not interested in talking nonsense with her.

"I don't know who Lin Yuan you said is."

Li Man's answer made Lin Kai want to laugh.

"You'd better say it obediently, I'm not patient."

"Don't do it if you are not good, I don't know what you said Lin Yuan."

Li Man has made up his mind that no matter what Lin Kai does to him, he won't tell any news about Lin Yuan.

Regarding Li Man, Lin Kai had already been mentally prepared, and asked Yinshen to take out the things prepared in advance.

"Let's see for yourself."

Li Man glanced at him hesitantly, and picked it up after all.

When she saw what was in the photo, her face instantly turned gray and her breathing was a little short.

In the photo, Lin Yuan hugged a naked woman, entangled to death, the expressions of the two were clearly photographed.

And these photos are still pictures of Lin Yuan and different women.

Of course these photos are true or false.

Li Man clutched the photos tightly, some even wrinkled, and his body trembled slightly.

But she still pretended to be okay, and said indifferently: "What do you mean by showing me these photos? I don't know them either."

"In that case, don't you want to enter the gate of our Lin family?"

"What did you say?" Li Man stood up with a "rub", and kept looking at Lin Kai.

Seeing the similar faces of the two, she didn't know for a moment whether to believe Lin Kai's words.

“Lin Yuan is my elder brother.”

Although Lin Kai didn't want to admit this fact, he couldn't change it.

“What you said is true?”

“Naturally it is true.” Lin Kai smiled and told him some of Lin Yuan's secrets, including the birthmark on his body.

Naturally, outsiders will not know these things.

Hearing Lin Kai's words, Li Man's doubts were dispelled.

“Are you really his brother?”

“Don't you think we look alike?”

Lin Kai rejects the fact that Lin Yuan looks like himself.

Otherwise, Linger, who would not harm them, almost had an accident.

But now that he can get Lin Yuan's news without any effort, he doesn't mind using it.

Seeing the similar faces of the two, Li Man's heart was completely dispelled.

“You don't know where your brother is?” Li Man smiled and poured water on them.

“He has been away from home for more than a year, and there is no news. It was hard to track down here, but there was no clue.”

Lin Kai deliberately scratched his hair, and the whole person looked a little distressed: “My father wants him to go back to inherit the position of the head of the family, and he has to choose a good helper.”

After taking a look at Li Man, Lin Kai continued to see her attentive, “A family like ours doesn't care about life experience at all, but it depends on individual ability.”

This sentence can be said to be on the cusp of Li Man's heart, and couldn't help but smile for a while.

“Don't worry, I will let you know if your elder brother has news.”

She looked at Lin Kai eagerly and inherited the entire Lin family. What a huge business empire that should be!

I still remember that Lin Yuan told her before that Leiyuan Group was just what he played with.

“Your eldest brother was here last month, and asked me to pay attention to the news about Master Huang and he disappeared.”

“Then do you know where my elder brother often goes in Donghai?”

Li Man thought for a while and told Lin Kai a few positions.

After speaking, she looked at Lin Kai and said, “Can you tell me the news about those women?”

“What are you going to do?” Lin Kai asked knowingly.

He drew such a big cake for Li Man, and she naturally wouldn't let others take a share.

Seeing Lin Kai's question, Li Man said frankly: “Since your family pays attention to ability, even if I have solved those women, there is no problem at all?”

Lin Kai smiled slightly: “Naturally, there is no problem.”

Seeing him say this, Li Man's heart was relieved.

Before she could speak, she felt a pain in her neck and she passed out.

“Check here well.”

Lin Kai only believed half of Li Man's words.

A woman who can become Lin Yuan will naturally not be silly and sweet, otherwise she will not be allowed to control the East China Sea.

Looking at Li Man who was unconscious, Lin Kaixin suddenly noticed.

Although he was a bit disgusted, as long as he could find Lin Yuan.

“Sir, this was found in her room.”

After receiving the information handed over by Yinshen, Lin Kai smiled when looking at the remarks on it.

It really didn't take much effort. This thing helped him a lot.

“Take her and go.”

He still needs Li Man's help for some things, so naturally he won't leave her alone.

Fortunately, there are sparsely populated places here, otherwise someone would have called the police if they did this.

Back at Li's house, Li Shengxian was startled looking at the woman thrown to the ground by the hidden god.

"Ge Lin, human trafficking is illegal."

"Then you go report me?" Lin Kai said, blocking Li Shengxian didn't know what to say.

After a while, he came over with a smile, "Knowing that Brother Lin wouldn't do such a thing."

"Take good care of this woman, I still have use."

Seeing Li Shengxian carrying Li Man upstairs, Lin Kai couldn't help but recall the contents of the information.

"Yin Shen, where do you think Lin Yuan is?"

## **Chapter 1145: Old Stuff**

Chapter 1145

"Subordinates don't know." Yinshen looked at Lin Kai with some shame, his face flushed slightly.

As a subordinate, it is really useless to be unable to share the worries for her husband.

Thinking of this, Yinshen's desire to kill Lin Yuan became even stronger.

As long as it is the person Lin Kai wants to kill, he will do his best.

Lin Kai didn't know what Yinshen thought.

Even if I know, I won't say much.

In name, they are their own subordinates, but in fact, they are already brothers.

"Let's check those places Li Man said." Lin Kai sighed, hoping that what Li Man said was true.

If not, don't blame him for being cruel.

Yinshen turned and left, what Lin Kai said, he did what.

After Li Shengxian threw Li Man to the second floor, he ran down quickly.

“Hey, Brother Lin, what do you want this woman to do?”

He was a little confused about what Lin Kai was going to do.

Although he knew what Lin Kai's ultimate goal was, what did he mean to bring a woman back every other time?

Bring it back, you still asleep?

Just watch?

“She knows what I want.”

Upon hearing this, Li Shengxian's eyes lit up instantly.

“Brother Lin, do I need to help you.”

Recently, following his father, he has learned a lot, and he is thinking about how to know what he wants from others.

“give it to you.”

Anyway, Liman is not of much use to himself.

Since Li Shengxian wants to help, let him go.

Seeing Lin Kai trusting himself so much, Li Shengxian naturally would not let him down.

After Li Shengxian left, Lin Kai sat in the living room alone.

Looking at the decoration in the house, I don't know why Lin Kai laughed suddenly.

“Old stuff, come out, have something hidden with me.”

After five or six minutes, Lin Kai couldn't help laughing when no one came out.

“Sure not to come out?”

Lin Kai stood up, looking like he was about to leave: “Then I will go out.”

Seeing that he was really leaving, a puffy voice sounded: "You are really not fun."

A tattered old man with a mahogany sword on his back appeared in front of him.

"Are you willing to show up?" Lin Kai turned around and took it out of the refrigerator, two bottles of beer, and threw a bottle to him.

"It's really a sin for you to talk about you, Taoist priest, drinking alcohol."

"What's the matter with the Taoist priest? I'm not a monk." Huang Tianshi opened the beer indifferently, took a sip, and could not help but let out a "Ah."

"How's your kid doing?"

"It's okay, let's talk about it, what's the matter this time?" Lin Kai didn't believe that this old thing would come to him for no reason.

"Remember the man who gave you the fortune teller two days ago?"

Lin Kai frowned and thought for a while, remembering the person he saw at Li's house that day, and asked suspiciously: "What's the matter?"

"Hahahaha, your kid is dead."

Heavenly Master Huang couldn't help laughing: "That's something I newly researched out of the old man. With a human skin mask, the whole breath has changed."

"Just blow it." Lin Kai didn't believe what this old thing said.

Seeing Lin Kai didn't believe it, Huang Tianshi sighed helplessly: "Sure enough, I can't lie to you."

"That person is my new apprentice."

"Your apprentice is older than you?"

"What's the matter then?" Huang Tianshi looked indifferently: "I won't mind even if he kneels down and calls me father."

"Okay, let's talk about business."

"Someone followed me these past two days." Huang Tianshi's face was unprecedentedly solemn.

Since arriving at Li's house, he has lived in the simplest form and hardly touches outsiders.

But because of this, someone discovered his whereabouts.

Yesterday he deliberately pretended to be out, but he did not expect someone to follow him.

Fortunately, his escape skills are superb, otherwise he would really explain where he is.

After listening to Huang Tianshi's words, Lin Kai's face was unprecedentedly solemn.

He thought that Tianshi Huang was in Li's house, and there would be nothing wrong for a while.

How can I say that the Li family is also a well-known figure in the entire East China Sea.

Generally, no one would offend the Li family in idleness, but now it seems that he thinks too easily.

"So what are you going to do?"

"Hahaha, whoever knows me, my little friend."

Huang Tianshi patted him on the shoulder and said, "I want you and your apprentice to pretend to be me."

Lin Kai pondered for a while and nodded in agreement.

This is not a big deal, and nothing will happen if you have the protection of a hidden god.

"This is the pill, you can eat it boldly."

Looking at the appearance of Tianshi Huang, Lin Kai always felt that the little yellow pill in his hand was a bit unreliable.

"Are you sure you can eat it?"

"Don't worry." Huang Tianshi took advantage of Lin Kai to finish speaking, and put it directly into his mouth.

Lin Kai looked at this old man with a bitter expression, but he was helpless.

"Are you sure it's really okay?" Lin Kai's tone was hesitant.

He didn't know whether it was a psychological effect or some reason, but he suddenly felt a little pain in his stomach.

"It shouldn't be there." Huang Tianshi scratched his head, a little embarrassed:  
"Hahaha, I have diarrhea, it may have something to do with my seafood."

After listening to Huang Tianshi's words, Lin rushed to the toilet without answering at the beginning.

He just felt his stomach surge, as if something was stirring back and forth.

Seeing Lin Kai doing this, Huang Tianshi touched his nose with embarrassment.

"Unexpectedly, this side effect is like this, it seems to be improved."

If Linka heard him, he would definitely strangle him.

Looking at the environment here, thinking of Lin Kai, Huang Tianshi directly fell asleep on the sofa.

Because someone followed him recently, he hasn't slept well for five or six days.

When Lin Kai managed to solve it and came out clutching his stomach, he saw Tianshi Huang sleeping on the sofa.

Thinking of what happened to him, Lin Kai didn't fight out, and kicked him without hesitation.

"Who? Who?" Huang Tianshi stood up and looked at the surroundings vigilantly: "Who dares to move this heavenly master, be careful that this heavenly master calls the sky thunder to blast you."

"You hold a sky thunder, let me see?" Lin Kai glanced at him indifferently, and collapsed on the sofa somewhat collapsed.

Seeing that it was Lin Kai, Huang Tianshi rubbed his nose awkwardly, and didn't dare to look at him.

"Hey, Lin Kai, I didn't expect it to be like this."

He couldn't tell Lin Kai that he just wanted to thoroughly determine the side effects of this pill.

If he knew it, even ten lives would not be enough.

“You get out of here.” Lin Kai didn’t want to look at him, for fear that one could not help killing him directly.

## Chapter 1146: Live In

Chapter 1146

“Hey, don’t do this, don’t do this.” Huang Tianshi said so, but his body ran to the door without hesitation.

I was afraid that Lin Kai would attack him so that he could escape easily.

Suddenly thinking of what Li Shengxian said to himself yesterday, he couldn’t help but ask: “By the way, what is the reason for the Li family to look for me?”

“It’s for this matter.” Huang Tianshi sighed and slowly moved to the sofa opposite Lin Kai.

“I want you to live in Li’s house, so that I can protect my old man.”

Looking at Huang Tianshi, a rough old man, posing like “I’m so scared, you protect me”, Lin Kai wished to vomit all the food overnight.

“Be normal.”

I don’t know if Lin Kai didn’t realize it, he always felt that he was even more shameless after seeing this old thing this time.

“Okay, the old man still has important matters to deal with, so let’s not talk to the little friends.”

Before Lin Kai could speak, Tianshi Huang was gone.

“This old thing.” Lin Kai shook his head helplessly, his face a little ugly thinking of what he said to himself.

“Brother Lin, guess what did I ask?”

Seeing Li Shengxian rushing down happily, Lin Kai knew why he ran so fast.

Before he could think about it, Lin Kai was very interested in what Li Shengxian asked.

“What did you ask.”

“You can’t guess it.”

Li Shengxian smiled, wondering if it was because of Huang Tianshi’s influence, Lin Kai felt that this smile was a little wretched.

“This Li Man, she also has a lover, and this lover is one of Lin Yuan’s assistants.”

“Are you sure what she said is true?”

“Of course.” Li Shengxian looked proud.

“Okay, thank you.”

Lin Kai did not expect that Li Shengxian would actually ask something useful.

It now appears that Li Man’s lover must also be in the East China Sea.

As long as you find him, Lin Yuan’s whereabouts will be much easier.

“Brother Lin, what would you say to me, thank you, as long as I can help you.”

Li Shengxian was a little embarrassed when Lin Kai said so suddenly.

“By the way, when are you going by Brother Lin?”

Li Shengxian couldn’t help his excitement at the thought of seeing Master Huang.

But Lin Kai felt a little uncomfortable in his stomach.

He felt uncomfortable all over his body thinking of what kind of pill he had to take.

“Go in a while.” Now Lin Kai can go a while later, just a while later.

“Brother Lin, we just...”

“Sir, this is something that was just found.” Yinshen’s words interrupted Li Shengxian’s silent words.

Although knowing that they are serious about this, Li Shengxian couldn’t help but glanced at him with a vengeful look, which made Yin Shen a little confused.

“It seems that what Li Man said is true.” Lin Kai did not expect that Li Man had no doubt about himself, which made him feel a little confused.

“Go and see Wang Long at night.”

Lin Kai didn't expect Wang Long to have a leg with Li Man.

It seems that Lin Yuan played a big game of chess.

Use different women to win connections with yourself.

Those women who also suffered were foolish, otherwise Lin Yuan would not succeed.

"Also let Anmou's son come over."

Looking at the names on Li Man's list, Lin Kai's face grew gloomy.

"Don't let Li Man run away, I will ask her personally when I come back tomorrow."

Leaving such a sentence, Lin Kai went straight upstairs.

Li Shengxian looked at his back and wanted to say something, but could only weakly shut up.

Lin Kai looked at the news that Li Shengxian asked, and the news that Yinshen found, and slowly drew a clear map in his pen.

Little by little, filling in the blank space completely, Lin Kai looked a little surprised.

I have to say that his eldest brother is indeed not a simple character.

What he wants is for the entire East China Sea to become an existence that transcends everything under his control alone.

"Lin Yuan."

Lin Kai muttered to himself, showing a cold smile.

With him, naturally, his plan will not succeed.

When Lin Kai went downstairs, the sky was already dark.

The soft light of the street lamps fell on the ground, and the surroundings looked warm.

"Let's go."

Upon hearing Lin Kai's words, Li Shengxian stood up from the sofa with a "rub", as if he would set off at any time.

"go."

When the two drove to Li's house, butler Li was waiting at the door early.

"Mr. Lin, please come in."

When the two entered, they saw an immortal Taoist sitting beside Li Cheng's house.

He looks like a celestial and surpassing master.

When people look at it, they feel that they are cultivators and they are very reliable.

"Mr. Lin, you are here."

Li Cheng's family quickly stood up and introduced to Lin Kai: "This is Huang Tianshi, the nobleman of our Li family."

Speaking of which, Li Cheng's family is a bit embarrassed.

What age is this, aristocratic families like them are still superstitious, and how many people laugh at them.

"Hello, Tianshi Huang, this is Lin Kai."

Lin Kai smiled and stretched out his hand, the two pretended not to know each other.

When shaking hands, both of them used Anjin, and no one would let anyone else.

If it were not for Li Chengjia to see something, they would have to decide the outcome.

"I am calling you this time. It is also Mr. Huang's intention. I don't know the specifics."

After speaking, Li Chengjia didn't speak, and directly handed over the right to speak to Huang Tianshi.

Looking at Li Cheng's family who bowed to Tianshi Huang, Lin Kai didn't know what to say.

"Mr. Lin is of great help to your Li family. If you can live in, it is naturally good."

Li Chengjia's eyes lit up when he heard that he was good to the Li family.

Since Lin Kai came here, he still sees what his little son has done.

Compared with before, it's really improved too much.

Not because of Lin Kai's reason, the Li family couldn't win so many orders so quickly.

But to be honest, Li Cheng's family really didn't know what to do if Lin Kai wanted to live in.

Although Li Shengxian has a good relationship with Lin Kai, he still has some risks.

After all, in Lin Kai's identity, someone could assassinate him at any time. If something happened in Li's house, ten lives would not be enough.

As if seeing Li Cheng's misgivings, Master Huang Tian said slowly: "This little friend, I need to live with me for this to work."

Hearing what Huang Tianshi said, Li Cheng's family looked at Lin Kai hesitantly: "Mr. Lin, can you stay at Li's house for a few days?"

"Naturally."

Seeing Lin Kai agreed, Li Cheng's family can be said to be relieved.

"You leave first, I have something to tell this little friend."

Li Cheng's family looked at Huang Tianshi and wanted to warn him that this master could not provoke him.

But he can't afford to offend both sides, there is no other way but to sigh.

## **Chapter 1147: Sneak Attack**

Chapter 1147

After confirming that they had left, Huang Tianshi spread out on the chair, looking lazy.

It's very different from the appearance of that worldly expert just now.

Li Shengxian looked at Huang Tianshi in a daze, but he still didn't react.

"You can move over today." Huang Tianshi leaned against Lin Kai, "I always feel that someone is plotting against me."

"Stay away from me."

Looking at the two familiar people, Li Shengxian felt that his brain capacity was not enough.

"So you know each other?"

“Naturally, I knew it.” Huang Tianshi also wanted to restore his image in front of Li Shengxian, but the possibility is unlikely.

Li Shengxian felt a little embarrassed when he thought of how he had been praising Tianshi Huang desperately before Lin Kai.

Looking at Li Shengxian’s expression, Tianshi Huang and Lin Kai felt a little funny.

Also because Li Shengxian was here, the two of them didn’t say much.

After Li Shengxian went out, he was immediately called away by Li Cheng’s family.

“What did Tianshi Huang explain to you?” Li Chengjia looked at him nervously.

What Huang Tianshi said is 100% correct.

As long as it is beneficial to the Li family, he will abide by it.

Thinking of Lin Kai’s confession before coming out, Li Shengxian said one to one.

After listening, Li Chengjia’s face was full of joy, and the corners of his eyes and brows were filled with an unconcealable smile.

“Good, good.” Li Chengjia patted Li Shengxian on the shoulder, looking like Rong Youyan.

“As expected of his father’s good son.”

The father and son left with a smile while talking.

What they didn’t know was that not long after they left, Li Haoxian had a gloomy face, looking at the two talking and laughing in front of him.

“Li Shengxian, wait for me!”

Li Haoxian looked at the crushed leaf in his hand, threw it to the ground without hesitation, and stepped on it.

“It’s just a trash, what right do you have to fight with me!”

Li Haoxian’s tone was full of anger.

Why can that waste be appreciated by Huang Tianshi?

As long as there is a relationship with Huang Tianshi, even if he is Li Shengxian still the boy before, everyone in the Li family will think about it.

Not to mention that Li Shengxian now is different from before.

“Lin Kai, let’s go to death together.”

Li Haoxian smiled sullenly, and he would pay the price if he dared to fight with him.

Lin Kai and Huang Tianshi discussed Lin Yuan’s affairs in the room.

In fact, Huang Tianshi also calculated a divination for Lin Yuan.

However, Lin Yuan is not a vegetarian, no matter how many times he counts, it is useless.

Otherwise, he would have been found and killed.

“Do you have any news here?” Lin Kai said, winking at Heavenly Master Huang.

The two have known each other for so long, and Tianshi Huang naturally knows what this means.

He nodded slightly, Huang Tianshi stood up and said, “Is there any news, I still have no clue.”

“By the way, I’ll tell you...” Huang Tianshi deliberately pulled the ending sound long, and didn’t finish it for a long time.

“Lin Kai, it’s that...”

With a “pop”, the lights in the room dimmed, and the whole environment was dim.

The moment the light went out, Lin Kai and Tianshi Huang rushed out without hesitation.

The people outside the door hadn’t reacted before they saw them rushing out.

“Kill them.”

With an order, those people directly took out their daggers and rushed over.

In this environment, using thermal weapons is a very unwise choice.

Lin Kai took advantage of the darkness and rolled directly to a person's feet without hesitation.

He took the dagger in his hand and knocked him out.

At the same time, he reached his teammate's side and wiped his neck.

The battle ended quickly, and within four or five minutes, these killers had been resolved.

To be honest, Lin Kai didn't think it was done this time by someone who wanted Master Huang Tian's orders.

Because these assassins are so horrible, there is no lethality, they are ordinary people with no cultivation.

Those who have hatred with Tianshi Huang know his identity, and it is certainly impossible to send ordinary people.

The final explanation was that someone wanted to kill Lin Kai.

"Look at you, and you've gotten me out of trouble."

Tianshi Huang slowly fumbled on the corpses, feeling nothing of fear.

"Yin Shen, dispose of the body."

Lin Kai dragged the person who stunned into the room.

Splashing a glass of water directly on the face woke people up.

As soon as the man woke up, he struggled vigorously and couldn't get rid of it.

Looking at the two sitting in front of him, the killer felt a little humiliated.

It was the first time he met such a powerful person, and it would be impossible in the future.

"Go ahead, who sent you here."

"If you want to kill or slash, whatever you want, I cannot betray the employer's news."

"is it?"

Lin opened a look, and Huang Tianshi directly slapped it down, and the yellow rosewood table was instantly broken into scum on the ground.

Seeing this scene, the killer couldn't help swallowing.

I even wondered what would happen if I slap it on myself.

But in the end it is someone with professional ethics, even though he is a little scared in his heart, he still stubbornly said: "You do it."

Lin Kai only felt stupid looking at him with a look of death.

He is naturally clear about the rules of the killer.

But it's clear that it should be despised or despised.

"You also have a 50-year-old mother in your family who is seriously ill, a sister who is in college, you..."

The assassin was stunned when he watched Huang Tianshi speak out the situation in his home without a word.

It is impossible for them to know their own information.

Not to mention that this is the first time he has come to assassinate them, and it is impossible to know.

"You... how could you..." He stared at the two in a daze, without knowing how to react.

"Tell us the news of your employer, and in exchange, tell you where your mother is."

This condition proposed by Lin Kai can be said to be quite tempting.

I knew that the company had taken away their family members as hostages in order to let them work well and not betray the company.

Now that he heard that his mother could be found, the killer couldn't help his throat itching.

After a long silence, the killer finally couldn't help it: "How do I know, are you lying to me?"

"How do you think we know the information just now? Is it because we know you?"

Lin Kai's words caused the killer to fall into contemplation, based on what Huang Tianshi had just shown, they wanted to know who the employer was, but it was easy.

But they have to exchange with themselves, and the killer is thinking for a while whether he thinks too much.

"How are you thinking?" Lin Kai folded his arms and stared at him indifferently.

Naturally, he will not help someone who wants to kill himself for no reason.

Who made him be moved by the news that Tianshi Huang just told him.

"Is it right that as long as I tell who the employer is, you will not only let me go, but also tell me where my mother is?"

## Chapter 1148: Court Death

Chapter 1148 Looking for death!

"Naturally." Lin Kai agreed.

Speak out, he will naturally follow the spilled water.

There is no need to deceive people for this.

Seeing Lin Kai agreed, the killer was also relieved.

"In fact, we don't know who the employer is."

After talking about Lin Kai and the others being angry, he quickly said: "Every task is given to us by the company."

"As for the employer this time, it is the Li family, specifically the son of Li Cheng family, we don't know."

Lin Kai and Huang Tianshi looked at each other and nodded slowly.

In fact, both of them knew who did it.

The reason to ask this killer is just to be sure.

Seeing them laugh so strangely, the killer "gudong" swallowed, always feeling that something was wrong.

For a long time, he weakly asked, "Can you tell me, is my mother's whereabouts?"

In fact, he was a little worried in his heart, if Lin Kai and them turned back, he would really be over.

"Hidden God."

As the sound fell, the killer stared at them blankly, and fell to the ground.

"His mother is in country m, write him the specific location and throw it out."

"Yes."

Yin Shen disappeared with the killer.

Before the hidden \*\*\*\* arrived, the killer woke up.

He stared at the dark patches under his feet in a daze, completely wondering what was going on.

The biting cold wind made him almost frozen, and moved his body a little uncomfortably, making him frightened.

He actually flies in the sky!

How is this possible?

Do not ride any flying devices. How could he fly?

But this is the fact.

"Send you to the port, your mother is in country m..."

After Yinshen finished speaking to him, no matter what the assassin asked, he did not speak.

"Arrived."

Throwing the assassin directly from three to four meters in the air, Yin Shen left without looking back.

If he falls to death, he is unlucky.

On the other side, Lin Kai listened to Huang Tianshi's endless chattering, feeling a headache.

“I said I’m not interested, so don’t find it for me.”

Lin Kai didn’t know what to say. He really regretted knowing this old man.

If you want a girl, you find it.

What is the beautiful name, find it for him?

Looking at Lin Kai who was impatient, Tianshi Huang smiled, looking very wretched.

When Yinshen came back, he saw Huang Tianshi facing Lin Kai.

He stood in front of Lin Kai in an instant, looking at him angrily.

Although the two had known each other for a long time, the hidden \*\*\*\* couldn’t accept that Huang Tianshi had an idea about Lin Kai.

His husband, being so young, how could he be tainted by his old and rude?

“Yinshen, let go!” Huang Tianshi looked at him helplessly, wondering what this was doing.

“I warn you, stay away from my husband, it’s not something you can think of!”

Lin Kai was directly confused by Yinshen’s words, and did not know what the situation was.

After reacting, his face was as black as the bottom of the pot.

“Go down.”

“Sir.” Yinshen glanced at Huang Tianshi, wanted to say something, snorted coldly and disappeared.

“The old-fashioned charm is undiminished back then, you are all overwhelmed by me.”

With a look of narcissism, Huang Tianshi watched Lin Kai directly gave him two feet.

“I have something else, go ahead, be careful yourself.”

“Don’t abandon me.” Huang Tianshi looked at Lin Kai pitifully, and almost took a small handkerchief to wipe his tears.

“Come tomorrow.”

“Then you go early and return early.”

Lin Kai clenched his fists tightly, and beat him half to death for fear that he couldn't help it.

After leaving Li's house, Lin Kai felt much better.

“hidden”

Before he could speak, he felt that he had been hit by something on his leg.

Looking at the skateboard beside his feet, Lin Kai kicked directly to the side, ready to leave.

As a result, within two steps, he was stopped by a child.

“You kicked my skateboard?”

“Sorry, I didn't pay attention just now.”

Now that the owner had found it, Lin Kai naturally brought him the skateboard.

He seemed to stay away from troubles.

In addition, because of what Huang Tianshi said to himself, he was unwilling to pester more.

When he was about to leave, he was stopped by the kid.

“You, buy me a new one.”

“Why?” Lin Kai frowned and looked at the child displeased.

“You trash picker, you touched my skateboard and got me dirty. You must buy me a new one.”

The little boy was akimbo, with a domineering look.

“Give you money, wash it away.”

Lin Kai took out a thousand yuan and handed it to the little boy. He was too lazy to talk about things that could be solved with money.

“Who picks up \*\*\*\* like you?” The little boy grabbed the money in Lin Kai's hand and threw it directly on the ground.

After throwing it, it didn't count, and I stepped on it severely.

"My skateboard is worth hundreds of thousands." The little boy looked triumphantly:  
"You must pay me, or I will let my dad kill you, a beggar."

"roll."

For the little boy, Lin Kai didn't worry about pestering him.

It's just a spoiled child.

"what did you say?"

"roll!"

After Lin Kai finished speaking, the little boy sat directly on the ground, crying.

"Mom, mom, help, someone beat me, mom..."

The sharp voice spread far away, and the startled birds scattered on the branches.

After a while, a woman weighing one hundred fifty sixty jins ran over and wiped the little boy's tears distressedly.

"My baby, what's wrong?"

"Who is bullying you, tell your mother, kill them."

"This is the garbage picker!"

Seeing someone supporting him, the little boy's arrogance became even more arrogant.

Pointing at Lin Kai, he turned black and white: "He hit me and wanted to take my skateboard."

"A trash picker, let Dad beat him to death!"

"Good good, let my father beat him to death."

The woman stood up holding the little boy strenuously, pointed at Lin Kai and said,  
"Hurry up and apologize to my baby."

"It's disgusting that such a big person still snatches children's things!"

"Oh, apologize?"

Lin Kai sneered, "Do you not know the virtue of your son?"

"What do you mean?"

This made the woman anxious: "You said my son lied?"

"What are you, is it necessary for my son to lie?"

"I really haven't seen such a shameless adult, I'm ashamed."

"If I had a son like you, I would have strangled him a long time ago."

"Then why don't you strangle your son?"

Lin Kai said, the angry woman almost fainted without coming up.

"You garbage picker, dare you scold me, you...you wait for me!"

"Waiting for you to die?"

## **Chapter 1149: One By One**

Chapter 1149

"Shut up to me!" The fat woman panted, feeling her eyes black.

How come there are people who speak so annoyingly?

"Waiting for my death, now I will kill you!"

As the fat woman put the little boy down, the two rushed straight to Lin Kai.

"Let you scold my son and see if my old lady won't kill you!"

"You pick up rubbish, kill you, kill you!"

Lin Kai was a little speechless as he watched the big and small rushing towards him.

"It's really troublesome."

One person and one foot, simply solve it,

After the two loud noises, the mother and the son lay on the ground and yelled "Ohhhhhhh".

“Do you want to continue?”

“I won’t make you feel better!” At this time, the fat woman didn’t forget to say something harsh.

“If you have the ability, don’t go, I’ll call someone over to kill you now!”

“I’m busy.”

After finally knowing the news of Lin Yuan, he naturally wanted to verify the news, so there is no time to make trouble with them.

“You’re still not a man!” the fat woman yelled, “If you are a man, you just wait here, otherwise you are a eunuch!”

It is impossible for any man not to be angry when he hears a woman say this.

This is about the dignity of men.

“You let them come!”

Lin Kai looked at the two with his arms folded, but just called for someone to come, no matter how many people came, it was useless!

“You wait!”

The fat woman took out her mobile phone from her bag and cried out in tears.

In her words, Lin Kai is a heinous bastard.

She is a strong mother who has been bullied and never forgets to protect her son.

Listening to fat women, Lin Kai wondered, are all women like this?

Just call someone for help, and still have so many scenes?

After hanging up the phone, the fat woman pulled up the little boy with a pretentious look.

“Just wait to die, my son will be here in a while.”

“I am waiting.”

After waiting for a few minutes, two men with exactly the same length and big build ran over.

“Mom, is he bullying you and brother?”

“Don’t worry, our two brothers will teach him how to be a man.”

Talking that the two moved their bodies, grinning and drove to Lin.

“Big brother, second brother, kill the trash picker and make him arrogant!”

The little boy cheered on happily.

“go to hell.”

The two of them fisted Lin at the same time one after the other, and they had escaped once, not necessarily two.

Unexpectedly, Lin Kai would let them hit him, which made them laugh.

But when their fists were about to touch Lin Kai, they were stunned.

Seeing Lin Kai grasping their hands, they looked rare and weak, but like steel, they couldn’t pull them out.

The fat woman urged a little impatiently: “Son, what’s the matter with you? Hit him quickly.”

“Mom, we...”

Before he finished speaking, he was thrown out by Lin Kai.

“Do you want to continue?” Lin Kai clapped his hands and moved his bones.

The fat woman glared at him and quickly helped her two sons up.

“Are you okay.”

“Mom, don’t worry, I must teach him a lesson today!”

After finishing pointing at Lin Kai: “If there is a kind, just wait for me to call someone.”

“Call it.”

After the two brothers hung up the phone, they had a terrible smile.

“My uncle and my uncle will be here in a while, so don’t be scared to pee by then.”

“Hahahaha.”

Listening to their cheerful smiles, Lin Kai felt a little indifferent, so let them linger for a while.

Lin Kai stood aside boredly, watching them, mother and child, in an affectionate scene.

“How long will it take for them to arrive.”

Lin Kai was a little impatient and didn't have time to spend so much time with them.

Before they could answer, there was a rough voice.

“Is that my sister your kid bullied?”

Then two strong men approaching two meters tall came over.

“Who is bullying my sister-in-law and my nephew?”

“Uncle, uncle, you are here.”

Seeing someone supporting me, the arrogance of the mother and son, I immediately became arrogant.

“It's my mother he bullied. We took revenge, but we were defeated.”

“Not only that, he still scolds you. It's useless to say that uncle and uncle are useless, and that you...”

“What else did you say about us?”

Hearing the two brothers say this, the two of them were naturally furious.

It is really impatient to dare to scold them like this.

“Also that you are not men.”

Listening to their words, Lin Kai was thinking that this kind of thing can be inherited.

Any man who is said to be not a man by other men will be 100% angry.

Not to mention that Lin Kai beat their sister/sister-in-law, which is even more furious!

“Boy, is that what you said?”

The two of them waved their fists and stared at Lin Kai with a vicious look.

If this is replaced by a timid child, it is estimated that they will directly cry.

“I didn’t say it, but you don’t believe it either.” Lin Kai spread his hands together, looking helpless: “In that case, it’s better to do it!”

Little did they know that Lin Kai’s appearance was a kind of provocation in their eyes.

Even a man couldn’t help it.

The two rushed towards Lin Kai from left to right, looking like they were about to put him to death.

“It’s very troublesome.”

Lin Kai bent over, escaped the attack of someone, and punched him in the stomach.

At the same time, one leaned back, his fist hit the other person’s face without hesitation, and he flew them directly.

“Grass, the brat has some abilities.”

“It looks like you have to fight seriously.”

The two looked at each other and rushed out at the same time.

Lin Kai looked at them helplessly, which was really troublesome.

I was too lazy to continue to take care of them, grabbed a person’s fist directly, turned around, approached his arms, hit his chin directly with the fist, and stunned the person directly.

“You are looking for death!”

Seeing that he stunned one person, the two brothers rushed up.

But it is useless if the number of people is dominant.

Lin Kai solved the problem of three under five divided by two, lying on the ground one by one, yelling “Oh, oh,” constantly.

“You, you...you don’t come here!” The fat woman looked at him with a little fear: “Wait for my husband to come, and when my husband comes, you are dead!”

“Sorry, I don’t have that time.”

She called as she pleased, and she didn’t have to wait any longer.

They are like Calabash Baby saving Grandpa, one by one.

“You stop me!” The fat woman stared at him fiercely: “Don’t you want to leave, or don’t blame me for being polite!”

“Why are you welcome?” Lin Kai looked back at her helplessly.

Really think that if you don’t hit a woman, you won’t really not do it?

## Chapter 1150: Confess

Chapter 1150

“Just don’t leave, or you will die miserably.”

The fat woman stared at him fiercely, at her son, brother and uncle, and she had the heart to kill Lin Kai.

Whether she was in her natal family, married and had children later, or in her husbands family, she had never suffered such a grievance.

Be sure to give him some color today!

Lin Kai didn’t care about fat women’s words.

“Goodbye.”

With a word, Lin Kai was ready to leave.

But he was caught by the fat woman: “You are not allowed to go!”

Too lazy to say something, Lin Kai directly threw it over the shoulder to the fat woman and threw it to the ground.

“Ouch.” The fat woman yelled, lying on the ground, unable to get up for a long time.

“What did you do to Shufang?” A man looked at Lin Kai with a look of resentment.

“I’m going to kill you!”

The man felt distressed and lifted the fat woman up, comforting her softly.

“Little bunny, you really don’t know the heights of the sky, believe it or not, I will kill you immediately!”

“Even my wife dares to fight, it’s really alive...”

When the man looked up to see Lin Kai’s face clearly, he was stunned for an instant.

“Lin Linlin...Mr. Lin!”

The man took two steps back in disbelief, rubbed his eyes vigorously, and found that he was right.

He just turned against the light, he didn’t see Lin Kai’s face clearly.

Now that I see it clearly, I can’t wait to draw my own two big mouths.

It’s not good to offend anyone, but to offend this killing god, this is not asking for hardship.

Thinking of the Patriarch’s account of himself, Li Ye couldn’t help crying.

“Mr. Lin, these are all misunderstandings, all misunderstandings.”

Looking at Li Ye with a flattering face, the fat woman was too mad, and she slapped him directly.

“He beat my old mother like this, you still ignore me to take revenge?”

Fat women feel that they are wronged, and their husbands usually turn to them, so why not today.

Looking at his daughter-in-law, Li Ye pleased Lin and laughed, and quickly pulled her aside.

“Remember the Mr. Lin Kailin that the owner said? This is it.”

“What are you talking about?” The fat woman exclaimed and glanced at Lin Kai furtively, feeling that she was dead soon.

She never thought that she would offend such a big man. This is not sincerely seeking death.

Thinking of what she had just said, the fat woman’s bowels were blue.

“Then what should I do?” The fat woman took Li Ye’s hand, anxiously.

“Apologize first.” Li Ye sighed and touched the fat woman’s head. She didn’t mean to do this, and hoped that Lin Kai could let them go.

After the two of them discussed it, they turned around and found that Lin Kai was missing.

“Where is Mr. Lin?” The fat woman looked around in a daze, but did not see Lin Kai.

“Just left.” His son got up from the ground feebly, feeling the pain all over his body.

“Mom, why did you let that person run away?” The younger son kicked and beat the fat woman a little displeased.

“Shut up for me!” The two sons shouted in unison, frightening the little boy.

The adults of them are not fools, so naturally they can see something from Li Ye’s expression.

“Dad, what is the identity of that person?”

“Oh.” Li Ye sighed and said, “Even if the Patriarch sees him, he has to bow his head.”

A few people look at me and I look at you, their faces are shocked, and they can’t say a word.

“Hurry up and kill him, a garbage picker, dare to touch me!” The little boy looked at them dissatisfied.

“Send my brother to Li’s house tomorrow, so I can’t continue to be used to him.”

Li Ye sighed and helped the fat woman to leave.

The little boy stomped the ground in dissatisfaction, yelling to make Lin Kai look good.

The two brothers looked at each other, knocked him out, and lifted them away.

After they left, Lin Kai came out from behind the tree on the side.

Looking at the mosquitoes bite out of the bag, some are already swollen, a little helpless.

He is good in everything else, but he is too easy to attract mosquitoes.

Enduring the itching on his body, Lin Kai galloped all the way to the store.

Before paying, I took out a bottle of mosquito repellent and sprayed it on my body, which made me feel better.

Just as Lin Kai was about to pay, he was dragged by a woman: "You guy, why use things indiscriminately without paying?"

"The owner has seen it, I will pay for it naturally, and thank you for your reminder."

Because of the pimple on his body, Lin Kai felt a little inexplicably irritable.

"How do you talk, you guy!" The woman held Lin Kai with a dissatisfaction.

"I'm just reminding you, what are you doing?"

"Trouble let go, thank you."

Lin Kai frowned and looked at her, his face increasingly ugly.

The pungent perfume scent constantly floated into his nose, making him want to vomit.

Not to mention that this woman has a stinky odor with a mouth.

"How do you guys talk, I won't let go, you can hit me if you have the ability!"

The woman struck her neck and looked like "who is afraid of whom".

The shopkeeper on the side couldn't look at it, and couldn't help holding his nose, and said, "Thank you, lady, can you please let this gentleman check out?"

"What's your attitude?" The woman pointed at the shopkeeper and shouted, "I'm helping you, are you venting your anger with eyes?"

"Do you know that you know the report, I helped you, and it's fine if you don't ask me to pay, and you scold me?"

"Are you still a human being? Isn't your mother silly? Didn't you tell you to raise this thing?"

...

The woman kept talking openly, completely ignoring the feelings of the people in the store.

The rotten smell constantly impacted the nerves of several people, and they wanted to turn around and run away.

Seeing that they were not talking, the woman became even more energetic: "Did you hear me talking in a special way? Will you answer, you..."

"Can you shut up?" Lin Kai looked at him blankly, and the murderous intent on his body went straight to the woman.

In a trance, the woman seemed to see a sea of blood on the corpse mountain, her back was cold, she stood still and did not dare to move.

"roll!"

With one word, the snacks in the woman's hands fell on the ground with a "plop" and ran away without looking back.

"I'm really sorry for causing you inconvenience." The owner looked at Lin Kai embarrassedly and handed him a box of gum.

"This is given to you for free."

"No need to."

After paying, Lin Kai left in a irritable mood.

If a person is unlucky, even drinking cold water will clog his teeth.

It's not that he was splashed with water when he came out.

"Oh, hello, I'm really sorry." A man leaned on the car and looked at Lin Kai grinningly: "Just treat you as free from washing your face and no money."

He waved his hand and got in the car and left.

"Sir." Looking at Lin Kai with a gloomy expression, Yinshen stood aside and dared not speak.
