

Special Forces God Level Extraction System –

Chapter 1151: Lesson

Chapter 1151

“Follow up.” Lin Kai spit out two words coldly.

Yinshen lowered his head and dared not speak, and followed Lin Kai with him.

There was a lot of anger burning in his heart, and he even dared to splash Mr. Water. It was really impatient for him to live.

After taking a look at the car at his feet, Yinshen decided to teach him a lesson.

Because in the urban area, apart from crowded people, Lin Kai is unwilling to attract attention and save trouble.

Otherwise they would have already done it.

After arriving in the suburbs, the man walked around without knowing how long, and the man parked his car outside a villa.

As soon as the man got out of the car, Lin Kai and the others appeared behind him.

Turning his head and seeing two people, the man was startled and almost fell to the ground.

After a while, he patted his chest and reacted: “Fuck you uncle, dare to scare your father and me?”

When he turned on the car lights, he could see the faces of the two people clearly.

“It turned out to be you.” The man looked at Lin Kai and said cynically, “Why do you think Dad can wash your face well? Want to give you money?”

As he said, he stretched out his hand to pat Lin Kai’s shoulder: “Don’t worry, Dad doesn’t need money.”

“father?”

Lin Kai sneered and punched the man directly in the face.

Just hit him out, if it wasn't for a car next to him, he might decide where to fly.

It took a while before the man stood up, covering his face.

"Fuck!"

Staring at Lin Kai fiercely, the man took out a steel pipe from the co-pilot and held it in his hand.

"Want to get me, what are you?"

The man "pooh" disdainfully said: "Do you know who I am? You inquire about the whole East China Sea, no one dares to have trouble with my Leopard brother."

"Tell you kid, reincarnate in the next life with bright eyes!"

Speaking directly, waving the steel pipe and rushed over.

The blow he was bound to win was lightly held by Lin Kai with one hand.

"How... how is this possible!"

He pulled the steel pipe back hard, but in front of Lin Kai, his inside was no different from an ant.

"Aren't you trying to make my eyes brighten? Why don't you?"

Lin Kai showed a kind smile, and before he could react, he hit his stomach with a punch.

"puff."

The man was directly spit out, and some blood stains could be seen in the food scraps.

"Ahem."

Brother Leopard arched himself like a cooked prawn, unable to stand up straight for a long time.

"Aren't you going to wash my face?"

Lin Kai motioned to Yinshen to take Brother Leopard and swagger into the villa.

However, the security guard of a villa wanted to stop Lin Kai, but he fainted with a punch.

Fill the bathtub with water, Lin Kai grabbed the man's head and pressed it down hard.

"how are you feeling?"

Without waiting for Brother Leopard to speak, he pressed down again,

Brother Leopard only felt that there was less and less air in his lungs, and he couldn't help but open his mouth to breathe.

But there was water in his nose and mouth, and one mouth choked him to cough.

This cough is even worse.

Gradually, Brother Leopard only felt that his eyes became more and more blurred, and he even saw countless faces of people who had been persecuted by him.

When he thought he was going to die, the whole person was suddenly pulled up.

Fresh air poured into his nasal cavity, and he couldn't help coughing violently, and a little blood leaked from his ears and nose.

Regardless of so much, his greedy breathing, the feeling just now, he never wanted to experience it again.

"Is it fun to wash your face?"

Lin Kai pulled his hair and forced him to look up at him.

Seeing Lin Kai's handsome face, Brother Leopard's Adam's apple rolled up and down, his throat became dry and he couldn't say a word.

It took a while before he shivered and said, "Big Brother, I was wrong, I really, cough, cough, know that I was wrong."

If it weren't for being dragged by Lin Kai like this, he would have liked to kowtow to him directly.

"is it?"

Lin Kai smiled and threw Brother Leopard to the hidden god: "See what you can ask."

Yinshen had already held a fire in his heart, and now that Brother Leopard was in his hands, he would naturally not make him feel better.

Lin Kai took seriously to wash his hands, and looked at the whole villa leisurely.

When I saw the group photo hanging on the wall, I was taken aback.

The woman in the photo is really the one Li Man said has something to do with Lin Yuan.

This discovery made Lin Kai feel a little funny.

It seems that God is helping him, and anyone who finds things for himself can bring clues to himself.

“Who is the woman in the picture? Do you know Lin Yuan?”

Fearing that they would abuse him, Brother Leopard quickly replied, “That woman is my sister. As for what Lin Yuan heard from my sister, I really don’t know the specifics.”

After speaking, Brother Leopard had no time to breathe, and continued: “But I can take you to see my sister, and I will tell you all who know.”

He kowtowed his head as he said, and soon there was blood oozing from his forehead.

“Stun, take it away.”

“Sir, what should I do next?” Yinshen looked at Brother Leopard who passed out.

“Let him take us there tomorrow.”

The more he investigated, the more Lin Kai felt that Lin Yuan’s purpose was not simple.

But what it is, he is not sure now.

If he wants to know the answer, he can only find Lin Yuan as soon as possible.

With a sigh, Lin Kai checked the inside and outside of the entire villa, and it really made him find something.

Taking a casual glance at the things on the notes, Lin Kai’s face became more and more ugly.

“Come back home.”

After leaving the two words coldly, Lin Kai came directly to Brother Leopard’s car and left.

After arriving at Li Shengxian’s house, he directly pushed away the person who was rushing forward and went straight to the house where Li Man was detained.

“Bang” kicked the door directly.

Li Man in the room had just come out of the shower, wrapped in a bath towel, and was dragged by Lin Kai.

“Tell me what you recorded!”

“What are you talking about?” Li Man struggled hard, looking innocent, as if he didn’t know what Lin Kai was talking about.

“Are you sure?”

“I really don’t...”

Before Li Man finished speaking, Lin Kai picked up the fruit knife on the side and pierced her hand without hesitation.

“Ah ah ah ah ah!”

Li Man closed his eyes and screamed loudly.

“Say or not?”

“Ah ah ah ah ah!”

“If you call again, cut off your tongue.”

Just after speaking, Li Man immediately stopped screaming, opened his eyes slowly, and he was relieved to see that his hands were fine.

“If you don’t say it, you won’t be so lucky next time.”

Li Man looked at Lin Kai and then looked at the notebook on the table. He was a little nervous.

She didn’t expect Lin Shanxi to find this thing, but it was too late to say anything.

“I have this thing too, I can take you to find it.”

Chapter 1152: Secret

Chapter 1152

“But I have one condition.” Li Man stared directly at Lin Kai: “I have taken you there. No matter what happens, my safety must be guaranteed!”

“Otherwise, even if you die, I won’t tell you what the content of that thing is!”

“Because of the things recorded above, only I can understand it!”

“Okay.” Lin Kai agreed, not just to save her life, it was easy.

Seeing they agreed, Li Man couldn’t help but breathe a sigh of relief.

But looking at the notebook on the table, she was thinking again.

If Lin Yuan knew about this, she would really be over.

But the current situation, there is no room for her to choose.

With a sigh, Li Man couldn’t help but speak: “If Lin Yuan wants to kill me one day, you must protect me from death!”

What he said, it can be said that the lion has opened his mouth.

What is Lin Yuan’s strength?

Killing her was just a matter of moments.

At that time, Lin Kai wanted to save, and he might not be able to save it.

“it is good.”

Lin Kai agreed, but it was not difficult to save her life.

Li Man stared directly at Lin Kai, trying to see something on his face.

But after watching for a long time, I didn’t see anything.

For a long time she sighed and said, “I hope you will do what you say.”

Li Man looked at the world outside the window and said: “Driving, I will tell you how to get there.”

Under Li Man’s guidance, they came to a remote alley without turning.

Looking at the surrounding environment, Lin Kai frowned, but Yinshen felt that something was not good, how could his husband come with such a thing.

“Sir, let me go, you are waiting here.”

“No need to.”

Lin Kai refused coldly. He had been to the disgusting environment before, and it was nothing more than a mess.

“Let’s go.”

Li Man took them around along the alley, and soon arrived in front of a small bungalow.

“right here.”

He took out the key from his arms and opened the door, a musty smell came out, and the choking person coughed.

Looking at the messy room, Lin Kai just felt unable to step down.

But Li Man seemed to have not seen those things, walked straight to the corner, picked up the floor tiles below, and took out the contents.

“This is it.”

Li Man handed the little notebook in his hand to Lin Kai: “I don’t know what theirs is. What Lin Yuan told me at the time, let me find out the location of their money in the family.”

“I remember once, Lin Yuan mentioned it to me occasionally and asked the company’s shareholders.”

Looking at the notebook in Lin Kai’s hand, Li Man showed a wry smile: “In the beginning I didn’t understand why he asked me to do this until later.”

As if recalling something painful, Li Man fell to the ground, hiding his face and crying.

Lin Kai just looked at her blankly, and Li Man’s mood only improved after ten minutes.

“He took me to look at the bottom of those people, and some of them were abruptly skinned.”

Li Man looked at Lin Kai in horror: “Do you know that kind of scene? I was frightened.”

“But Lin Yuan woke me up abruptly and let me watch it with my own eyes. He put on some people peeled skins.”

I was scared at first, but the more I see it, it doesn't matter.

Li Man couldn't help but laughed at himself: "I wanted to run away from him at the time, but who gave him evidence of my shame."

Lin Kai looked at Li Man quietly and listened to her slow chatter.

After a long time, Li Man's voice lowered.

"Let's go."

I have got the things I want, so naturally there is no need to stay here.

The moment Lin opened the door, I heard Li Man yelling: "Can you kill Lin Yuan? Kill him!"

Li Man's face was full of anger. Whatever you love or not, is long gone.

When Lin Yuan showed the devil's side to it, she had already given up.

"it is good."

Needless to say, she would kill Lin Yuan as well.

Seeing Lin Kai's promise, Li Man smiled relievedly.

She has long been tired of such a life, but she has no way to change it.

When she thought she could only do this in her life, Lin Kai's appearance broke everything.

Looking at Lin Kai in a daze, Li Man only hoped that he could do what he said.

Thinking of Lin Yuan's horror, she couldn't help showing a wry smile.

After arriving home, Li Man looked at the contents of another notebook and said his guess.

After listening to it, Lin Kai had to admire Lin Yuan's idea, which was indeed very powerful.

Seeing Lin Kai's expression, Li Man bit his lower lip and hesitated for a long time and said: "No, you should give up. Lin Yuan is not a simple person."

In fact, Li Man knew her wish and the possibility of fulfilling it was too small, but she just had hope.

“You go up first.”

Lin Kai didn't care about Li Man's words.

He knew Lin Yuan was better than many people, but what about that?

Li Man looked back at Lin Kai step by step and saw that he had no intention to speak, so he could only leave.

“Sir, according to the list, Lin Yuan has already done one-fifth.”

“If you continue to give him time, the entire East China Sea will become something in his palm.”

“In time, in terms of his ambition, even the entire national border is not impossible.”

Lin Kai naturally knew what Yinshen meant.

It's just that Lin Yuan's whereabouts are too secret now, and he can't be found for a while.

“Let the old Huyou find someone to stare at those first- and second-rate families in the East China Sea, Lin Yuan can't stretch his hand so long temporarily.”

“Yes.”

Feeling the breeze blowing from the window, Lin Kai's mood improved a little.

In the evening, countless birds came home, chirping, and it made people feel warm when they watched it.

But in Lin Kai's eyes, there was a different feeling.

Suddenly the birds fluttered around as if they were surprised.

And that location, you can just see where he is now.

Lin Kai's expression changed, his feet vigorously rushed out of the window, and rushed toward the place where the birds were shocking the sun.

He was careless just now, when people were so close, he found out.

Speeding all the way, Lin Kai could already see the clothes.

“Fuck you uncle, chase your sister.”

The man yelled, and kept throwing all kinds of garbage backwards.

Although Lin Kai dodged from left to right, among the woods, it affected him somewhat, and it didn't take long for the two of them to distance themselves.

“Hmph, I still want to catch up with Xiaoye.” Looking at Lin Kai, that person's speed became faster and faster, making it difficult to see what it was.

“It's kind of interesting.” Lin Kai also picked up speed instantly, and was about to catch up.

Chapter 1153: Do You Dare To Touch Me?

Chapter 1153 You Dare To Touch Me?

The man looked back and saw that Lin Kai was only two or three meters away from him, and he almost fell from the tree.

“Fuck, it's still human.”

He couldn't help but spit out swearing, feeling that his speed was already fast enough, he didn't expect Lin Kai to be so perverted.

“What the **** is this.”

The man looked back at Lin Kai from time to time, wishing to install a rocket on his feet.

It was Lin Kai's laid-back look, following the man not far away.

In the end, the man couldn't hold on. Sit on the ground, crying without tears.

“Brother, what do you want?”

Rubbing his aching legs, he wanted to give Lin two punches.

Is this doing human affairs? I'm tired like a dog, he's refreshing, and there's nothing wrong.

How to look at it, how to make people feel angry.

“Why follow me.”

“What did you say?” The man looked surprised: “What do I follow you for? You are not a woman.”

“Why did you appear there.”

“You said that.” The man sighed, a little helpless: “He came with a female thief. She disappeared after entering your house. I saw you as soon as I was about to go in.”

“Thinking you were in a group, I was so scared that I turned around and ran away.”

Speaking of it, this man was angry. He lost his good wallet and was chased by someone like this. His legs ran thin.

“You said someone came into our house?”

Lin Kai frowned and looked at the man with doubts.

If someone comes in, he will naturally find out.

“Yes.”

The man helped the big tree to stand up: “I originally planned to go in. Don’t you know that I squatted for almost an hour, but you came back.”

Looking at Lin Kai, the man didn’t bother to talk nonsense: “Anyway, I don’t want to do anything, just whatever you want.”

Like a rogue, the man stretched out his hand, looking as if he was taking care of it.

Looking at the man, Lin Kai dragged him away.

“What are you doing, let me go!”

“Follow me back!”

“What did you say?” The man yelled, and shook off Lin Kai’s hand forcefully.

“What are you kidding me about? Go back, how far have I ran, I’m out of strength.”

Speaking, sitting directly on the ground, leaning against the big tree, looked like a rascal.

“Take him and go back.”

The man glanced at him suspiciously, not understanding what was going on.

As soon as I was about to ask, I felt like I was being lifted up, but there was no one around me.

“Gudong” swallowed, the man felt his back feel cold.

“Then what, brother, who are you talking to?”

“This is not after the founding of the country, no ghosts are allowed, you say yes, haha.”

The man laughed twice, and dared not move.

Taking a look at the man, Lin Kai rushed to the house without any nonsense.

If what this man said is true, Li Shengxian would be in danger.

Speeding all the way, when Lin Kai pushed away from the house, it was quiet.

Winking a wink at Yin Shen, he walked straight upstairs.

Sure enough, in the second room on the left hand side, I heard a “whoop” sound from inside.

“You’d better be obedient, or I’ll kill you!” A woman’s voice came from the room.

Li Shengxian could not say a word because his mouth was blocked.

“Oh, obediently, I will let you go when my sister finishes getting things.”

The woman was humming a song, looking for something in the room, and from time to time there was a crackling sound.

“Living in such a good house, there is not even a valuable thing.”

The woman complained dissatisfiedly, opened the door and walked out.

As soon as she opened the door, she was stunned.

Looking at Lin Kai in front of him, he hesitated for a second, and rushed into the house just now without looking back, preparing to escape.

But at such a close distance, how could Lin Kai let her go.

He grabbed her leg and pulled it back directly.

“Your sister.”

The woman twisted her legs and moved with her body, trying to get rid of Lin Kai’s restraint.

It’s a pity that she underestimated Lin Kai’s strength, and it was useless to do whatever she did. On the contrary, one leg hurts.

Seeing that she couldn’t escape, the woman changed her way.

“Everyone is the same person, there is no need to fight and kill, handsome guy, right?”

That also gave Lin Kai a wink.

“Tied up.”

He threw it to the hidden **** aside, and Lin Kai went to see Li Shengxian’s situation.

As soon as he took the tape from his mouth private, Li Shengxian began to complain: “Brother Lin, you can be regarded as going home.”

“You don’t know how fierce this woman is, she also took those two notes.”

Originally, Lin Kai thought, but he was just a little thief, so he left it to the police.

Li Shengxian’s words made him change his mind.

Looking at a woman **** like a bug, you don’t need to think that it was Li Shengxian who did it.

“Who sent you here.”

“What are you talking about?” The woman looked innocent, as if she didn’t understand what Lin Kai was talking about.

“Really?” Lin Kai stretched out his hand and said, “Give me those two notes.”

“What notes?”

“Are you making up your mind, don’t admit it, thinking I can’t help it?”

“I don’t know what you are talking about!” The woman glared at Lin Kai, as if she was wronged.

“You big man, what do you care about with me?”

“I didn’t take your things, please let me go quickly, otherwise it will make you look good!”

“Know that there is someone on the sister, you can’t afford to offend.”

“Then I really want to try.”

Lin Kai looked at the man he had just caught and said, “Do you want to leave here?”

“Think about it!” The man had been thinking about it for a long time. He felt that these were all abnormal people, for fear that he would die accidentally.

“I’ll leave this woman to you, play whatever you want.”

“This... not so good.”

The man said so, but the halazi almost came out.

Who wouldn’t like to be such a beautiful woman with a hot body for nothing.

“What did you say?” The woman yelled and stared at Lin Kai angrily, as if he had done something heinous and bad.

But for women, what Lin Kai just said was really excessive.

Seeing the man approaching step by step, the woman backed away in horror: “You gotta get out of here, get out of here!”

“If you dare to touch me, I will let someone castrate you tomorrow!”

“You gotta **** off, don’t touch me...!”

The woman screamed loudly, but it was of no use at all, and she was stripped of her clothes soon.

There was nothing else on the ground except clothes, which surprised Lin Kai.

Logically speaking, it shouldn’t.

Since she took the transcript, there was no other place except hiding it on her body.

Besides, she has never left Li Shengxian’s sight, how did she do it?

“Huh, what is this?”

Chapter 1154: Accompany Me On A Blind Date

Chapter 1154

But soon, the man discovered something was wrong, and he found a small book on the woman.

“Brother, is this your thing?”

The man held the book and handed it to Lin Kai.

At first glance, it turned out to be a note he had lost.

Seeing this, Lin Kai had to admire this woman, and tried to hide things too.

Thinking of another notebook, he said, “She has another one, find out.”

“immediately.”

The man randomly touched the woman’s body, causing her to shudder.

He really admired this woman, and even thought of such things.

Lin Kai threw the note on his hand to the man, asking him to take out the contents for himself.

Fortunately, this woman, who is not a fool, knows to put a protective film on the outside.

Lin Kai took out the tissue and wiped his hands constantly.

Even if I go to the bathroom and wash with hand sanitizer, I don’t know how many people still feel a little sick.

“Sir, are you okay?”

Seeing this coming in, to be honest, Yinshen wanted to laugh.

Encountered this kind of abnormal?

How many men wanted to touch them, but when they arrived at him, they were despised like this.

“It’s okay.” Lin Kai couldn’t help but glanced at his hand with a cold look.

“I’ll leave the rest to you.” Lin Kai glanced at the woman and walked out quickly, as if she was a devil.

Li Shengxian limped down downstairs and looked at Lin Kai with some doubts: “Brother Lin, why is your face so ugly?”

“It’s okay.”

“Haha.”

“What’s wrong?” Li Shengxian looked at the suffocating hidden god, and Lin Kai, who had a sullen face, looked a little confused.

“Yin Shen, why don’t you go up together?”

“no need.”

He doesn’t have this habit.

Looking at the two, Li Shengxian felt like a fool.

The sudden ringing of the phone interrupted the conversation of several people.

“what happened?”

Lin Qianqian’s voice came from the other side.

“Brother Lin, I will accompany someone to do something today, and I will pick you up later.”

Before Lin Kai could answer, Lin Qianqian hung up the phone quickly.

“Brother Lin, I...”

Suddenly, Li Shengxian patted his thigh, and he looked like he was burning with anger: “I’m going, I forgot Li Man.”

Lin Kai shook his head helplessly as he watched Li Shengxian running upstairs “chuch”.

Taking out the notes between Li Man and the woman, Lin Kai looked through it slowly.

The light reflected on his face and coated him with a layer of golden light, which looked like an immortal who could not eat fireworks.

But this beautiful atmosphere didn’t last long before it was interrupted.

Seeing Lin Qianqian who was rushing in, Lin Kai felt helpless.

“Hurry up with me, it will be too late in a while.”

Before Lin Kai could react, Lin Qianqian dragged him out.

He pushed Lin Kai into the co-pilot, kicked the accelerator, and the car galloped away like an off-string arrow. It didn't take long for it to disappear.

Lin Qianqian tensed her body on the way: “Brother Lin, you have to help me today. I didn't expect that I would have a blind date one day.”

When it comes to this matter, Lin Qianqian is full of fire.

Whoever happened to be, she couldn't be angry with him, she could only bite the bullet.

“How can I help you?”

Originally, Lin Kai didn't intend to intervene, but for his sister's sake, let's help her once.

“You'll know when you get there.”

After the two arrived at the restaurant, they went straight to the previously reserved place.

Seeing the agreed time, half an hour has passed, and a man with a greasy figure and a rough man walked over slowly.

“I'm here so early, it seems that I can't wait to marry into our family. It's not bad.”

Looking at the splashing saliva star, Lin Qianqian leaned back in unison with Lin Kai, for fear of getting on her body.

The air smelled of leeks and garlic, and the smoker wanted to vomit.

The man didn't seem to see the expressions of the two of them, and kept talking.

“When you get to my house, you will pay your salary, and bring the children to you for washing and cooking. You must have a boy.”

“My parents are getting older, you have to serve them every day.”

“I am a person of great ability, and I will be able to fly into the sky when the boss of the company sees my plan.”

“So while you are now, you hurry up to fudge me, and give me 10,000 pocket money every month.”

“You are not allowed to spend money yourself, and...”

Listening to the man’s tirade, Lin Qianqian suspected that there was a problem with her ears.

This is still Ma Bao Nan and Phoenix Nan, this is beyond description.

“Well, interrupt, I have no interest in marrying you.”

“What did you say?” The man’s sudden voice attracted many eyes from the store.

Looking at Lin Kai on the side, Lin Qianqian felt a little embarrassed, she didn’t expect to meet such a superb person.

“You don’t look at yourself. You want nothing. If you don’t marry me, who else can you marry? You are worthless, and you are still obedient.”

Talking that the male **** stretched out the salty pig’s hand, he was ready to attack Lin Qianqian.

Before he could touch him, he was caught by Lin Kai.

As a male, Lin Kai only felt that he was too embarrassing.

“Fuck, didn’t you hear her say that you don’t like you?”

“What kind of green onion are you?” The man stared at Lin Kai unhappily, looking like he was dragging to the sky.

“You little boy, do you know how rich my family is? It takes minutes to kill you.”

“Those who are acquainted, get out, don’t disturb me talking to my wife.”

“Who is your wife?”

Lin Kai and Lin Qianqian went back in unison.

Seeing Lin Kai said this, Lin Qianqian suddenly felt sweet in her heart, and even wondered if he liked herself.

“You bastard, dare you scold me!” The greasy man patted the table with an angry look.

Pointing to Lin Kai angrily shouted: “You wait for me, I will let my mother come right away!”

After speaking, he took out his cell phone and started calling.

With this operation, let alone Lin Kai, even the onlookers were dumbfounded.

“You all bully me, I won’t make you feel better.”

After hanging up the phone, the man’s arrogance was very arrogant: “Hurry up and apologize to me.”

Pointing to Lin Qianqian and said: “Hurry up and serve your husband to eat, or I will beat you!”

“As a daughter-in-law, I can’t even do this little thing!”

“Lao Tzu’s money is not spent for you in vain. If you want to spend Lao Tzu’s money, you must serve Lao Tzu! Hurry up! No ink! Otherwise I won’t give you a cent!”

The man sat on the chair with a pretentious look.

It seems that Lin Qianqian is his daughter-in-law, his servant, and he is the lofty head of the house, with a condescending appearance.

“What are you?” Lin Kai grabbed his hair directly and forced him to look at himself: “Who do you think you are?”

Chapter 1155: Hit Hard

Chapter 1155

“Get me as far away as you can.”

Lin Kai feels that this kind of person is a waste of resources all the time when he lives, but he can’t die.

“Do you dare to scold me?” The greasy man pointed at Lin Kai, Lanhua’s fingers trembled, as if he had been wronged.

“Do you know who I am?”

“You dare to do this to me, I’m going to break your leg!”

“If someone throws you into the sea to feed the fish, you must make you look good!”

...

The greasy man said no, his saliva splashed, and everyone around him consciously gave him room to play.

“Don’t talk if your mouth smells bad.”

“You, you!” The greasy man pointed at Lin Kai, shaking with anger.

After seeing the woman at the door, he pushed away the people in front of him and ran over.

“Mom, they bullied me!”

The greasy man looked aggrieved: “Hurry up and let people teach them a lesson!”

“I want all of them to apologize to me!”

The people around, looking at the bodyguard behind the woman, were too scared to speak.

After a while, one person said, “Madam, this is a misunderstanding. Don’t you know that this pair of dogs is so disgusting that they bullied the young master.”

“Good point.” The woman waved and said, “Come here.”

Someone started this, and the rest followed suit.

Before long, there were two or three people beside Lin Kai besides Lin Qianqian.

“You group of licking dogs!” a girl said indignantly: “They are wrong if they are wrong. There is no need to get used to them.”

“Little girl, you are so courageous.”

The woman glanced at the woman and said to the bodyguard behind her: “Teach them well, don’t keep your hands.”

Seeing that the owner wanted to call the police, the woman directly took out a bank card: “Shut up if you don’t want to die! There are five million in it.”

Hearing the woman say this, the shopkeeper immediately hung up the phone.

Seeing the burly bodyguard walking away from him, the three people were a little scared.

“Why, let’s go there too.” A man pulled his girlfriend in fear.

“Go, you go! I won’t go!” His girlfriend is the girl just now.

The man sighed and ran over before the bodyguards came over, making the girl very angry.

“Boy, you just apologize to my son obediently. As for that woman?”

The woman frowned and looked at Lin Qianqian critically: “Big **** is a good man.”

“You will get the certificate from my son tomorrow and give you 1,000 yuan in pocket money every month.”

“As long as you can give birth to my old Chen family a grandson, pocket money every month, eh.”

The woman frowned and thought about it, letting people think she was going to say what amount.

“I will give you two thousand per month.”

“Know that it’s not common in families like ours, you still obediently obedient.”

“But if you can’t give birth to a grandson, you will pay my family a million for mental damage.”

...

Everyone was stunned to hear the woman’s shameless words.

“This aunt, is it more than two thousand?”

Lin Qianqian smiled slightly and said: “That’s really sorry, it’s not enough for me to eat a meal.”

“You prodigal thing, give me your money quickly!”

Talking to direct the bodyguards: “Catch me that stinky woman, take all the valuables from me, and dare to spend my money.”

“I saw this shameless for the first time.”

Lin Kai glanced at Lin Qianqian sympathetically, and unexpectedly encountered such a superb.

Looking at the bodyguards, Lin Kai grabbed the chair beside him and threw it out.

The solid wood chair smashed heavily on the person, and the bodyguard who was in pain fell directly to the ground.

“Trash, kill him quickly!”

The woman kept yelling, and the noisy person’s ears hurt.

“It’s really noisy!”

After saying a word, Lin Kai rushed to the crowd in an instant.

Before everyone could see what he did, they clapped their hands and walked back to Lin Qianqian.

“You little...”

Before the woman finished her words, she saw her bodyguard, holding her body one by one, lying on the ground, screaming in pain.

“This this this...”

The woman looked at Lin Kai, her face instantly turned white, sweat dripping down her forehead.

“Don’t come here, let me tell you, my family is very rich, if you hit me, you will be over.”

“As long as you don’t hit me, I will give you one thousand yuan, no, two thousand.”

Seeing Lin Kai pressing harder, the woman burst into tears with her nose and tears.

“Ten thousand, ten thousand is a lot, you can buy a building, really can’t be more!”

The people around listened to the woman and couldn’t help laughing.

Ten thousand?

is it a lot?

“Don’t trouble her in the future, or wait for death.”

Leaving such a sentence, Lin Kai pulled Lin Qianqian away.

It's just two silly lacks, nothing nonsense.

Walking out for some distance, Lin Kai wanted to shake off Lin Qianqian's hand, but she did not expect her to hold it tightly.

"Brother Lin, do you like people?"

She lay on Lin Kai's chest, drawing circles with one hand constantly.

"Let go of me." Lin Kai pressed her away with a cold face, frowning uncomfortably.

Seeing Lin Kai's reaction, Lin Qianqian felt helpless.

"Brother Lin, you think I'm properly Bai Fumei, why don't you like it?"

This is where Lin Qianqian can't figure it out, why Lin Kai just stays unmoved.

Suddenly she seemed to have thought of something, grabbing Lin Kai's hand, and said solemnly: "Brother Lin, you must not like men!"

"If you really like it, if you really like it, I will...just..."

Lin Qianqian stomped her heart and said, "I'll go for **** reassignment surgery!"

Lin Kai pushed Lin Qianqian away and arranged her clothes.

Frowning and looking at her impatiently: "I'm not interested in men."

If this were replaced by someone else, Lin Kai would not speak to her so tenderly.

Lin Qianqian was relieved to see that Lin Kai didn't seem to be telling lies.

"Brother Lin, let me tell you..."

Before he could finish a sentence, a van passing by directly grabbed Lin Qianqian's arm and pulled him up.

Even if Lin Kaiyan grabbed her arm quickly, but at such a fast speed, if he didn't let go, Lin Qianqian's arm would be finished.

"Brother Lin..."

There were only endless echoes for a time, scattered in the air.

In the urban area, the hidden **** cannot be allowed to appear directly, otherwise it would be bad if it caused a sensation.

Looking for a car on the side of the road, Lin Kai directly threw the owner to the co-pilot and went down as soon as the gas was on.

The car owner hadn't reacted yet, under the influence of inertia, he slammed into the front windshield and fell back.

“you are”

The owner of the car hadn't finished speaking yet, so he was so scared that he grabbed the handle on the side and screamed.

“Fuck it, **** it, big brother, you **** slow down!”

Chapter 1156: Directly Scrapped

Chapter 1156

“Shut up!” Lin Kai stared at the car in front, constantly changing directions in the traffic.

Fortunately, it is not the peak time, otherwise it is really hard to say.

Every time you change lanes, overtake must be accurate, otherwise an accident will happen if you are not careful.

“Stop! Stop it!”

The owner screamed aloud, and he felt that if this continued, he would be done.

But Lin Kai continued to overtake in the traffic just as if he hadn't heard it.

If it were not for the fear of throwing himself out, the car owner would have liked to grab the steering wheel directly.

“If you don't want to die, just shut up!”

After Lin opened such a mouthful, the car owner looked at him weakly, not daring to say a word of nonsense.

Only the hand holding the handrail tightly revealed his inner tension.

“You **** drive faster.”

The people in the car in front kept urging the driver.

At first they thought they had thrown Lin Kai away, but they didn't expect to catch up so quickly.

"It's already the fastest!"

The driver was too anxious, he stepped on the accelerator.

Speeding all the way, the two cars soon left the city.

Without other cars, the speed will be faster.

Had it not been for the reason that Lin was driving a taxi, he would have caught up with the Mercedes in front.

"What are you doing! Stop it!" the driver yelled, with an expression wishing to faint.

There is a curve ahead, and everyone knows that when you cross a curve, you have to slow down!

But when he got to Lin Kai's place, he couldn't do it. He just didn't see the curve.

When the Mercedes-Benz in front had already slowed down, the accelerator stepped on to the end and caught up.

"You slow down!"

At this time, the driver didn't dare to let Lin Kai step on the brakes, otherwise the brakes suddenly would cause the tires to slip and they would be finished.

But Lin Kai didn't seem to hear it, staring straight at the curve.

At the moment of turning, he knocked the steering wheel to death, and the parking space was rubbed against the guardrail next to him, sparks splashed.

For an instant, the owner just felt that his heart was about to stop beating.

It took a long time before he breathed heavily.

Wiping the sweat from his forehead, he also walked through Guimenguan.

The Mercedes-Benz in front did not expect Lin to do this at the meeting, and was a little anxious for a while.

They wanted to get rid of it, but Lin Kai just stuck to the bottom of their car.

“What are you doing!” The owner wanted to jump off the car. He didn’t expect Lin Kai to accelerate even at such a close distance.

With a “bang”, the taxi slammed into the bottom of the Mercedes-Benz car.

Had it not been for the quick response of the Mercedes-Benz driver, the wheel would have rushed towards the guardrail as soon as the wheel slipped.

However, Lin Kai kept crashing as if he hadn’t seen it, and it didn’t take long for the two cars to start smoking.

The people in the Mercedes-Benz couldn’t help cursing: “Fuck him, this lady is a lunatic!”

At such a fast speed, they kept hitting them, this is not looking for death.

“Grass, pull over, or it’s really over.”

Smelling the smell of smoke coming from the car, several people felt a little scared.

“But he...”

“We are hostages, what are we afraid of!”

Speaking, the third child grabbed Lin Qianqian who was unconscious and put a dagger on her neck.

Seeing this, the driver could only stop slowly.

Seeing them stop, Lin Kai drifted and blocked them directly.

As soon as it was stable, the owner of the car climbed down from the car and spit on the side.

“Your kid wants to die, don’t **** hold us.”

The third child stared at Lin Kai viciously, wishing to kill him.

“Release people.”

Looking at Lin Qianqian who was unconscious, Lin Kai only felt angry.

After just such a short time, Lin Qianqian’s face has a lot of bruises.

“Let it go?” The youngest sneered, as if he had heard a big joke: “Boy, let me tell you, if you are okay now, or brothers will kill you!”

“Ha ha.”

Lin Kai sneered, not wanting to talk nonsense with them.

“Brother, come on!”

Since Lin Kai is so ignorant of good and bad, don't blame them.

Originally, he didn't want to see blood today, it was he who insisted on being cheap.

Forty or five big men, those steel pipes rushed straight towards Lin Kai.

The car owner on the side just finished vomiting, and saw a group of people rushing towards him fiercely, and he fainted.

“Boy, go to hell.”

The leader yelled, and the steel pipe in his hand hit Lin Kai's head.

This blow, he is bound to win.

I didn't know how many fools were taught by this trick.

Who would have thought, he hit with all strength and was taken down by Lin Kai lightly.

“How can this be!”

He pulled back hard, the steel pipe was still held by Lin Kai.

“Brothers, kill him for me!”

Just when his brothers rushed up, Lin Kai directly let go and threw him a big horse.

“Oh, a bunch of trash.”

Lin Kai grabbed a person's head and pointed at his stomach.

Seeing the person behind him, the one turned around, kicked over.

“what!”

With a scream, the two lay motionless on the ground, and a large amount of blood flowed out from under the person who was lying on the ground.

“You actually killed my brother, I want to kill you!”

The person under her body, the person pushing away, rushed over without looking back.

Without turning back, Lin rushed to the two people in front, grabbed one of them by the arm, turned around, hit his elbow heavily on his head, and fainted.

Before the other person could react, grabbed his hand and pulled forward. The knife in his hand was directly stuck in the belly of the other person.

“waste time.”

A hand knife knocked him out, and Lin Kai looked at the youngest.

“Did you let her go or let me do it?”

“Don’t... don’t come here.” The third child looked at Lin Kai in horror, unexpectedly encountering hard stubble today.

But thinking of the hostage in his hand, he breathed a long sigh of relief.

Before he was happy for a minute, the hidden **** quietly appeared behind him, slapped him down, and died directly.

Catching Lin Qianqian who was in a coma, Lin Kai said indifferently: “The hands and feet are simply gone.”

“Yes.”

An invisible breath permeated here, and then only felt that there was a flash in front of the eyes, where the hamstrings of those people showed a blush.

“Go.”

He threw the car key to the driver, and also threw a card, leaving here slowly.

When the driver woke up at a leisurely pace, looking at the corpses all over the floor, he didn’t come up in a breath and passed out again.

When it was almost at night, he was scared holding the things on his body and drove away without looking back.

At the same time, Lin Qianqian looked at the ceiling above her head blankly, but she still didn't react.

"What's wrong with me?"

"You are in the hospital, inhaled an excessive amount of ethanol, stay two days longer.

"Where are you going?" Lin Qianqian looked at Lin Kai who opened the door and couldn't help holding him.

Chapter 1157: Are You Teaching Me To Do Things?

Chapter 1157 Are You Teaching Me To Do Things?

"I have something to do, so I will leave first."

When he first arrived at the hospital, Li Shengxian called him and told him to go to Li's house as soon as possible.

It's just that Lin Qianqian didn't wake up all the time, so he was a little worried and didn't leave.

Now that she woke up, naturally there was no need to stay.

"Take me with you, okay?"

Lin Qianqian blinked her eyes and looked aggrieved: "Brother Lin, do you have the heart to let your family be here?"

"Have a heart."

Leave the two words coldly, break Lin Qianqian's hand, and leave without hesitation.

"Lin Kai, you idiot!"

Lin Qianqian was holding her hair a little irritably. Why did she run into such an elm bump, it was really annoying.

Lin Kai didn't have the slightest interest in knowing what Lin Qianqian thought.

Then threw the blood-stained trench coat to the trash can aside.

Lin Kai's white shirt, black trousers, and handsome face attracted the hearts of many little girls.

When he arrived at Li's house, Li Shengxian was stunned when he saw him in this outfit: "Brother Lin, did you seduce the little girl?"

"roll."

Pushing him away mercilessly, he walked straight to Li Cheng's study.

After entering the study, Lin Kai felt a little headache because of the smell inside.

"What's the matter with me?"

He stood at the door, looking at the few people in the house blankly.

Before Li Cheng's family could speak, a bald man smiled flatteringly: "Mr. Lin, you will be seated soon."

"No need to."

Looking at the man in disgust, Lin Kai moved aside.

When Lin Kai did this, the man smiled awkwardly: "Mr. Lin, this is Li Chengze, his brother, you don't have to be polite with me."

"Chengze, shut up!" Li Chengjia glared at him, it was a trash that couldn't see the form.

"Mr. Lin, let's go out and talk."

With that, Li Cheng's family got up, ready to leave with Lin Kai.

He was also vomiting because of the smell here. If it hadn't been for Lin Kai to come and couldn't find him, I wouldn't stay here.

"Where are you going, stay here and say!"

An old lady coughed heavily, causing Li Cheng's family to stop, but it was just that.

"Li Chengjia, you unfilial son, do you dare to disobey me?"

Regardless of how old the old lady was, she was in good health, and she was in front of them in just a few steps.

When she came over, there was a smell of perfume mixed with something else, and the smell came out.

“Stay away from me.” Lin Kai looked at her disgustedly, and took out a handkerchief to cover his nose.

“What’s the matter with you junior?”

The old lady slammed on the ground with a cane, and said displeasedly: “How can I talk to my ancestors?”

“If it weren’t for your use, I would have let you go.”

“When you talk to me in the future, you have to kneel and say, respectfully call the ancestors, you know?”

“shut up!”

Li Chengjia glanced at Lin Kai. When his stepmother said these words, his heart almost stopped beating.

This is not looking for death, what status is Lin Kai?

Is she a woman who knows nothing and can afford it?

“Dare you say me?”

The old lady snorted coldly and pointed to the two of them and said, “Kneel me down immediately. I won’t be allowed to get up if I kneel for not enough day.”

After finishing speaking, he looked up and down Lin Kai and said, “You are not bad and you happen to be a housekeeper for my granddaughter.”

“From now on, you will be responsible for the food, clothing, shelter and transportation of my granddaughter.”

Seeing the old lady aloft and arrogant, Li Chengjia wanted to shoot him to death.

“Come on, take the old lady down!”

If she can’t say that anymore and irritates Lin Kai, the whole Li family will really be over.

“You bastard, how do you talk to me?”

The old lady almost fell to the ground angrily: "I tell you, I must kneel and admit my mistakes!"

"This is what made you like this after Mr. Lin came."

"Good, good."

The old lady pointed at him and said: "You hurry up and kneel down and admit your mistakes, and save me morning and twilight every day!"

"I will do whatever I want you to do in the future. But just a junior, dare to talk to me like this?"

"Are you teaching me to do things?"

Lin Kaitong glanced at her, the smile on his face gradually disappeared.

- "What are you?"

Walking slowly to the old lady's side, enduring the smell in the air, the whole person was a little irritable.

"what are you doing?"

The old lady took a step back in fear, and then as if reacting, she gave a cold snort, and her eyes were very uncomfortable.

"You junior, what right do you have to talk to me?"

"Hurry up and kneel down and apologize, and don't look at your identity!"

The old lady is very angry. Although this son is not filial to herself, he hasn't disobeyed herself. But look now.

"It's all you dead star, talking nonsense!"

"When I arrive at my Li's house, I really don't know how to measure."

"I'm the ancestor of this family, do whatever you want!"

...

The old lady babbled endlessly, as if she had been wronged.

"Done?"

“How do you talk?” The old lady clutched her chest with an uncomfortable look.

“throw it out.”

“What are you talking about?” The old lady’s volume rose by eight degrees in an instant, and she was a little uncomfortable to hear her sharply.

“Don’t move you because you are an old man, get out!”

“What are you, this is my house, believe it or not, I’ll let you kill you!”

“Li Chengjia, did you hear that, kill him for me!”

“Take the old lady away, and this shit-chucking stick. You are not allowed to go out for three months!”

What a joke, in front of Lin Kai, they count as a fart.

But even without Lin Kai, he wouldn’t say much to this stepmother.

“Li Cheng’s family, you are an unfilial son, you are mad at me!”

The old lady kept yelling, and the listener had a headache.

After leaving, Lin Kai glanced at Li Cheng’s house and walked out.

The smell in this study is really unacceptable.

“Mr. Lin, I’m really sorry.”

“Go ahead, what’s the matter?”

“Hey.” Li Chengjia sighed, looking a little embarrassed.

After a long time, he seemed to have made up his mind: “Mr. Lin, I know that Haoxian did not do the right thing, but I still hope you can let him go once. As for the future.”

Li Cheng’s family looked at Lin Kai, and then said for a long time: “I will provoke you in the future, just do what you should do.”

There was really no way this time, otherwise he wouldn’t open his mouth.

He didn’t expect that his own son would do such a dirty thing. If this continues, the Li family will sooner or later be embarrassed by him.

Lin Kai glanced at Li Cheng's house, his face was calm, thinking that it was mostly Li Shengxian who came here.

Seeing that Lin Kai didn't speak, Li Chengjia couldn't help but speak again: "You are in the face of Shengxian, give me a chance."

Chapter 1158: Fox Fake Tiger

Chapter 1158

"Only this time."

"Good, good." Li Chengjia quickly thanked.

Even though he was dissatisfied with Li Haoxian's 10,000 in his heart, he was his own son after all.

Not to mention that he created so much interest for the company before, and some shareholders did not agree to let him leave.

If Lin Kai grasped this matter and didn't let it go, he really couldn't help it.

"Mr. Lin, this is a little care, not respectful."

Li Cheng's family took out a beautifully packaged box and gave it to Lin Kai.

To be honest, he was a little reluctant.

You know that the emperor green jade is not so easy to find.

But Lin Kai gave him face, so he couldn't say nothing.

"No need to."

"This..." Li Cheng's family also didn't understand Lin Kai's preferences, and didn't know what to say for a while.

"Where did Seung Hyun go?"

"He, went to the library, I will let the butler take you there."

Speaking to call the butler, let him lead the way.

Along the way, the butler walked to a place, and when he saw that Lin Kai was interested, he explained it to him. If he was not interested, he said nothing.

I have to say that this butler is very good.

“Sir, the master is inside.”

After the butler respectfully sent him in, he left.

As soon as I entered, I heard a loud noise coming from inside.

Listening to Li Shengxian’s angry cry, Lin Kai walked over.

“Fuck you uncle, let go of labor and management!”

A man about the same size as Li Shengxian yelled loudly.

Li Shengxian was riding on the man’s body at this moment, with one hand tightly on his neck.

“You say it again? I broke your mouth!”

“It’s just a rubbish! There’s no use for fart. You **** try me again.”

As soon as he finished talking, Li Shengxian tried harder, wishing to kill him directly.

“what!”

The man struggled vigorously, wanting to break free, but he couldn’t use any strength.

Looking at the people around him, Li Shengxian yelled fiercely, “Whoever dares to come over, I will kill him!”

“Li Zexian, aren’t you very capable? Come, continue to be able to take a look at me!”

After a while, Li Zexian was strangled and rolled his eyes.

With a cold snort, he got off Li Zexian with some disdain.

Li Shengxian would not let him go unless he didn’t want to kill him.

“I tell you, don’t let me hear a word from now on.”

“Aren’t you **** relying on Lin Kai’s dog thing, you are nothing without him.”

Li Zexian gave a “bah”, clutching his aching neck.

Unexpectedly, this stinky boy is so good, he bullied him, and dared to resist.

“Try another **** curse!”

Speaking of Li Shengxian, he fell directly on Li Zexian, punching him in the face.

The little brothers on the side saw this scene and rushed over.

“Fuck, try another curse!”

Li Shengxian endured the pain on his body and pinched his neck tightly.

It’s okay to bully him, but if anyone scolds Lin Kai, absolutely not!

Even if he died, he must teach them well!

“Kill me to death!”

“Who are you going to kill?”

Lin Kai walked over with long legs, slowly.

“You are a super scumbag!”

A little brother slapped Lin Kai without looking, and pushed him away.

After Li Shengxian saw it, he let go of Li Zexian and rushed over to the little brother directly.

“Who is your special mother hitting!”

“Shengxian, get up.”

“Brother Lin!”

Li Shengxian got up quickly when he shouted so, but the group of people didn’t plan to let him go and gave him five or six feet.

“Can’t you hear me?”

Lin Kai frowned and glanced at them, pointing his finger forward.

Before those people could react, I felt like I was kicked to the ground by something.

“Go and treat the wound.”

After walking a few steps, Lin Kai turned around and said, “As for them, throw them to Patriarch Li.”

“Yes.”

Yinshen found a rope casually, tied a few people together, and ran into Li Cheng’s study.

With a sudden sound, Li Chengjia was so scared that he almost fell off the chair.

After seeing that it was his son, he quickly asked the butler to untie them.

As soon as he was untied, Li Zexian jumped over and hugged his thigh, and began to cry and cry: “Father, you have to be the master for your son.”

“What happened!”

Li Cheng’s expression was also a bit ugly. In their Li’s family, the young master of his family was tied into a ball and threw it over, which was a shame.

“Father, you don’t know how arrogant Li Shengxian is, so he scolded you and said that the Li family belongs to him.”

“We will all be killed in the future, father, you have to be the master for me.”

Seeing Li Zexian crying and crying, Li Chengjia kicked him away.

How could he have such a shameful son.

“Go, Li Shengxian can find it for me.”

Li Chengjia naturally did not believe what he said.

He also saw what Li Shengxian looked like now.

However, what Li Zexian said is not impossible.

Seeing Lin Kai coming with Li Shengxian, Li Cheng’s family quickly stood up: “Mr. Lin, why are you here too?”

“It’s nothing, I just think Patriarch Li really gave birth to a good son.”

Lin Kai sat directly on the chair beside him, the mahogany table was knocked a few times with his hand, and it was directly broken to the ground.

“I don’t have many advantages, but there is one, and that is grudges.”

Lin Kai grinned and smiled happily at Li Zexian on the ground.

“You, you, you see what I do!” Li Zexian shrank behind Li Cheng’s house in a little fear, for fear that he would cause trouble for himself.

“Mr. Lin, what is going on?” Li Chengjia was completely confused by Lin Kai’s words.

“Where did we do this wrong, you say.”

“My dog will not speak with you.”

With Lin Kai’s words, Li Chengjia almost fell to his knees in fright. Fortunately, he was supported by the housekeeper.

“No, what are you talking about.”

“Li Zexian called Brother Lin a dog thing.”

“What did you say!” Li Chengjia clutched his chest, wondering if he had heard it wrong.

How courageous this is to say such things.

Thinking of Lin Kai’s identity, and the Grandmaster bodyguard next to him, Li Cheng’s family almost didn’t come up.

“He is talking nonsense, father, don’t listen to him talking nonsense.”

Li Zexian naturally knew that Lin Kai’s identity couldn’t be offended. He was just a bit of a mouthful for a while, who would have thought that he would hear it.

“The library is monitored. You will know what happened after checking it.”

“Go, check monitoring.”

Now he only hopes that his son is not that stupid.

If it were done like this, the Li family could not keep him.

After the housekeeper left, Li Zexian couldn’t help it anymore and threw himself down next to Lin Kai and began to apologize: “Mr. Lin, I was wrong, I didn’t mean it.”

“I’m just angry that Li Shengxian can rely on you to act like a tiger, I just can’t understand him.”

“What qualifications do you not understand?”

Chapter 1159: Seduce

Chapter 1159

“I’m...that’s...” Li Zexian didn’t say a complete sentence for a long time.

He is full of three words now.

He is done!

This time it’s completely over!

“I’m still young, I don’t want to die, my father, please, help me!”

Seeing Li Zexian’s appearance, Li Chengjia didn’t want to say a word.

Why did he give birth to such a trash? He dare to say anything.

Looking at Lin Kai, who was calm and relaxed, he opened his mouth and couldn’t say a word.

He really has no face to say.

Originally, because of Li Haoxian, he pleaded.

But here’s another one now, isn’t this a joke?

No way, he could only look at Li Shengxian for help.

“I won’t speak for him!”

He knows who is good to him.

There is no need to be unhappy with Lin Kai for a fool.

“Ugh.”

With a sigh, Li Cheng’s family didn’t know what to do.

If you change to someone else, this matter is fine.

Lin Kai's status is so noble, they simply can't afford it.

Soon the butler came back, leaned to Li Cheng's ear, and whispered the contents of the monitoring.

After listening, Li Cheng's face was pale, and the blue veins on his forehead were slightly aerated.

"Several Li Zexian, I really raised a good son."

He said that he kicked him directly, it was not over yet, it was a punch and kick at him.

"Butler, go, drive that **** out of Li's house!"

"Father, what are you doing?"

Li Zexian looked at him in horror, a face full of regret.

"You get out of here, I'm not your father!"

Li Chengjia coughed and fell into a chair.

He really didn't expect that his son who had been raised for more than 20 years was in vain.

Seeing this scene, Li Shengxian couldn't help showing a sneer.

He had already found out, but he couldn't bear it.

Unexpectedly, today, the wrong situation was exploded.

Lin Kai looked at the smile on Li Shengxian's face and sighed.

I hope he will not forget his original self.

"Dad, don't be angry, don't be angry with your body." Li Shengxian brought a glass of warm water to Li Chengjia to moisturize his throat.

He took a sip, looked at the woman coming from the door, and threw it over.

With a "pop", the scared woman shivered.

She raised her head and looked at him with rain: "Master, what are you doing?"

Lianbu moved lightly, walked to Li Cheng's house, and patted him on the back.

"Go away from me!"

Thinking of the green hat she had worn for more than 20 years, Li Chengjia couldn't wait to kill her.

Even though the woman was pushed to the ground, she still did not forget to put on a sultry pose: "Master, what are you doing?"

I have to say that she is in her forties, and she is about the same size as a girl in her twenties.

"What am I doing!"

Li Chengjia sneered, pointed at Li Zexian and said, "Let's talk about whose son is this!"

"You better tell me the truth, or I will kill him!"

Hearing what Li Chengjia said, the woman's face turned pale in an instant, but she adjusted it in an instant, and the speed made people wonder if she was dazzled.

"Master, this is forced."

The woman said loudly, how miserable she was.

Even Lin Kai, a big man, sighed after hearing that, this woman is really terrible.

Hearing her say so, Li Chengjia felt a little distressed.

Just about to help him up, he realized when he saw Lin Kai on the side.

"Huh, you bitch."

"The butler pulled him down for me and locked him up. And this wild species, he won't belong to my Li family anymore, you know what to do."

"Father, father, please let your son go." Li Zexian took Li Cheng's thigh, not letting go.

However, he was soon dragged down by Li's subordinates.

The woman looked at this scene and couldn't help but threw herself down before Lin Kai interceded, "Mr. Lin, please help me."

I have to say that this woman is very smart and knows who can speak.

She held Lin Kai's leg and rubbed one hand gently along the leg.

There were a lot of exposed clothes, but she pulled them down a lot. From Lin Kai's perspective, it could be clearly seen.

"Mr. Lin, as long as you can help me, any conditions are fine!"

After speaking, he didn't forget to wink Lin Kai.

Fortunately, Li Chengjia couldn't see it from the angle, otherwise he would really be **** off.

"Go away."

Lin Kai didn't have the slightest affection for such a woman.

Women still don't give up.

Lin Kai only felt a little sick when he felt the soft, boneless hand on his leg.

"Don't let me do it!"

"Mr. Lin, what do you mean?"

The woman blinked at him, making people feel like she was an aggrieved girl.

Lin Kai didn't want to talk to him again, so he walked aside.

The woman hurriedly followed, which also made Li Chengjia see her disheveled.

What Lin Kai did, Li Cheng's family saw clearly.

This can only be done by this woman herself.

Li Cheng's family was clutching his chest, feeling black for a while.

He really has a good woman, who just seduce other men in front of him, in private, still don't know how sorrowful it is.

"Housekeeper Li, I have broken her tendons and hamstrings, and find ten beggars for her, so that she can enjoy it!"

In an instant, the woman's face turned gray and Dad sat on the ground, unable to say a word.

She didn't seem to react until the servants met her.

"You guys get out of here."

She crawled to the legs of Li Cheng's house and cried out: "Master, I know I was wrong, and I will never dare anymore."

"Take it down!"

Even after some distance, the woman's cry can still be heard clearly.

Naturally, Lin Kai would not stay to watch the excitement, and stood up to say goodbye: "I have something to do, so I will leave."

Li Cheng's family also knew why Lin Kai did this, and he sighed, not holding back.

"Shengxian, send me Mr. Lin."

Li Cheng's family seemed to be a teenager in an instant, and with the help of the housekeeper, he left slowly.

Leaving Li's house, Lin Kai looked at Li Shengxian and asked, "You have planned this matter?"

When Lin Kai said this, Li Shengxian scratched his head embarrassedly: "I knew about this a long time ago, and originally planned to wait."

"But who made this **** dare to scold Brother Lin, I will definitely not make him feel better!"

Looking at the indignant Li Shengxian, Lin Kai sighed, "I'm leaving now."

Along the way, from silence to busy traffic, Lin Kai stood on the sky bridge, watching the crowds coming and going.

I couldn't help feeling very much in my heart.

"Human, what a strange creature."

"I think you are also very strange."

Chapter 1160: Help

Chapter 1160

The sudden female voice made Lin Kai stunned.

When she turned around, she saw a woman leaning against the other car and looking at him.

“Why, seeing the beauty can’t move?”

It is not that she is boasting, she is indeed a big beauty.

Seeing Lin Kai not speaking, Ai Qian couldn’t help but want to laugh: “Is it the main thing?”

“No.”

Lin Kai shook his head, beauty is beautiful, but compared to Lin Qianqian, it is a lot worse.

“Men are like this.”

Lin Kai couldn’t comment on Ai Qian’s words.

This is true for most men, but it does not mean all.

Ai Qian didn’t seem to see Lin Kai’s unwillingness to talk to her, and said to the side for herself.

From time to time, he flicked his hair and glared at Lin.

“I have something to do, so I will leave first.”

Lin Kai has no interest in talking to strange women.

In many cases, if there is nothing wrong, he will not take the initiative to approach a woman.

Ai Qian didn’t seem to expect Lin Meeting to be like this, her expression was a bit wrong.

I took the initiative to talk to him, and I didn’t care about myself, so I planned to leave?

“You stop me!”

Ai Qian was so angry that she felt that her face was a little unsustainable.

People chasing him are filled with the entire East China Sea. Why does he ignore him?

But it is precisely because of this that Ai Qian feels challenging.

Originally speaking with Lin Kai, it was just for fun.

Now he has succeeded and aroused his interest.

“Something?”

“I just want to treat you to a meal, by the way.”

“Not interested in.”

“Don’t leave!” Ai Qian stopped in front of Lin Kai, swearing not to stop without achieving her goal.

“If you don’t accompany me, don’t even think about leaving today.”

“The brain is sick.”

Pushing Ai Qian away, Lin Kai walked away quickly.

As soon as Ai Qian was about to catch up, she realized that she could not find him.

“Fuck, I must get you!” Ai Qian showed a sure smile.

Isn’t it just a man, she still doesn’t believe it, she can’t fix him!

After she left, Yinshen and Lin Kai reappeared on the bridge.

“Sir, this figure is fine too, why are you unmoved?”

Yinshen really couldn’t understand why Lin Kai didn’t have the slightest interest in those things.

“not interested.”

This kind of thing is a waste of time for him.

If you have time to be busy with such things, it is better to check Lin Yuan’s whereabouts.

“What is Ai Ping doing recently?”

With a cigarette in his mouth, Lin Kai put his hands in his pockets, leaned his back on the railing of the flyover, and looked at the sky in the distance.

It was dark clouded just now, and the sky was clear in the blink of an eye.

“As before, Leiyuan Group was not contacted.”

Yinshen’s words made Lin Yuan a little irritable.

It stands to reason that as the branch manager of Leiyuan Group, he naturally has to report to the headquarters every three cars and five.

However, Ai Ping has nothing to do every day, and has no other work except spending time and money.

“People are watching.”

Lin Kai sighed. After so long, there is still no news of Lin Yuan.

He even doubted whether Lin Yuan was still in the East China Sea.

Yinshen pointed to a person who had just passed under the overpass and said, “Sir, do you see that person?”

“chase.”

Regardless of other things, the two jumped off the skybridge quickly.

When the people in front heard the movement, they looked back and saw that it was Lin Kai, and ran without thinking.

Within two steps of running, I felt that I had hit something and fell heavily on the ground.

“What are you going to do?”

“Where is Lin Yuan!”

Lin Kai didn’t expect to be overjoyed. This person Lin Kai had seen him several times in the Lin family, and he was a loyal dog beside Lin Yuan.

“I don’t know, Master, please, let me go.”

He kept kowtow to Lin Kai, and his face was smeared with blood after a while, looking a little scary.

Seeing people stop around, prepare to watch the excitement.

Let the Yinshen hold him, and soon melted into the crowd and disappeared.

Along the way, I didn't dare to say anything from Jin San, the whole person shrank, like a quail.

After arriving home, Yinshen threw him directly on the ground: "Let's talk, where is he."

"I really know, Master, I haven't followed Master Yuan for a long time."

Jin San lay on the ground and trembled all over. He didn't expect to come out to let the wind go, but Lin Kai caught him.

But Lin Yuan's news, he really didn't know.

Since coming to Donghai six months ago, he has lost news of Lin Yuan.

Judging from Jin San's expression, it didn't seem like a fake.

Lin Kai couldn't help being agitated for a while, even Jin San didn't know where he was?

How can Jin San say that he has been with him for more than ten years, and he is very loyal to him.

"When was the last time you saw it?"

"half year ago."

Jin San retelled the scene that day to Lin Kai carefully.

After speaking, he gasped for breath.

Frowning at Jin San, Lin Kai waved his hand a little irritably, "I will leave it to you."

Looking at the sunset outside the window, burning clouds covered the sky, breeze blowing, leaves rustling.

In Lin Kai's eyes, the originally beautiful scenery only felt irritated.

"Lin Yuan, where can you go?"

Lin Kai stood motionless in front of the window like a sculpture.

After Yinshen's trial of Jin San, when he saw Lin Kai like this, he stood aside with his head down, without speaking.

When Li Shengxian came over, seeing this scene, his feet froze in the air just like that.

He snarled at the hidden **** and winked.

Seeing that Yinshen did not understand, he asked with lips: "Brother Lin, what's the matter?"

Yinshen shook his head and waved for him to leave.

When Lin Kai was thinking about things, he hated being interrupted by others.

Li Shengxian nodded, and walked forward lightly.

The voice of "Cila" made Lin Kai come back to his senses.

"Brother Lin, I'm sorry." Li Shengxian scratched his head embarrassedly.

He was already very careful, but he didn't expect to make noise.

"By the way, Brother Lin, what you asked me to check is pretty impressive."

"What did you find?" Lin Kai was a little surprised for a while, but she didn't expect to find it.

Even Li Cheng's family does not necessarily know the news of Leiyuan Group.

"But it's useless." Li Shengxian sighed and passed the information in his hand to Lin Kai.

After reading it, Lin Kai rubbed his eyebrows with a headache.

I really didn't expect Lin Yuan to hide so deeply, even the top families in the East China Sea, and few knew about it.

"Brother Lin, don't worry, I will continue to investigate."

"Yeah." Lin Kai sighed without saying anything.

Just as Li Shengxian was about to speak, Lin Kai left directly.

Looking at him, I can only shut up.

"Yin Shen, go and agree to He Zhishan, I will go over tomorrow."

I don't know why, Lin Kaiyue thought the more he felt that He Zhishan's performance that day was wrong.
