## Chapter 1161: Unexpected

Chapter 1161: Unexpected

“Brother Lin, can I go together?” Li Shengxian smiled.

He is curious about He Zhishan.

Although I have seen it a few times, I haven’t had close contact.

Now that he has this opportunity, he will not let it go.

“whatever.”

Lin Kai leaned on the sofa, recalling what happened that day, always feeling that everything was revealed to be abnormal.

Although Jiulongshan has a big name, He Zhishan does not have to put his posture so low.

“Brother Lin, you...ah!”

Li Shengxian hadn’t finished saying a word, and was directly thrown aside by Yin Shen.

“Yinshen, what are you doing!”

As soon as he finished speaking, he was stunned, and a clear bullet appeared in the place where he had just stood.

If it hadn't been for Yinshen to pull him away, he would be killed now.

Li Shengxian wiped the cold sweat on his forehead, unable to stand up with soft legs.

Seeing Lin Kai and Yinshen waiting in a stern formation, he crawled behind the sofa for fear of affecting them.

“Sir, five people, one is on the top floor.”

“Ok.”

Lin Kai responded coldly, picked up the fruit on the table, and threw it at the switch on the wall.

In an instant, the room was completely dark.

Lin Kai rolled on the spot and pushed Li Shengxian: “Don't go to the second floor, just find a place to hide.”

He continues to be here, but will become the target of those people.

Li Shengxian also knew that he could not help, even though he knew that the dark Lin Kai could not be seen, he nodded heavily and ran to the bathroom to hide.

“Who will send it.”

Lin Kai smiled in the darkness, his eyes sparkled, and he was about to move.

Since someone is willing to play with him, you are welcome.

The room was completely dark, and the snipers came in with night vision goggles through commanding them.

The sound of “click” the lock cylinder turned clearly reached Lin Kai’s ears.

He crouched behind the sofa with a cat, there was a blind spot in sight, they couldn’t see it when they entered the door.

When the first person walked to the sofa, the second walked in cautiously.

“It’s safe now.”

Speaking in a low voice, the first person made a gesture and continued to move forward.

As a result, as soon as he came out, he felt his ankle grabbed by a hand.

Before he could react, he fell directly to the ground.

With a sound of “Kaba”, his neck broke directly.

This incident made the second person stunned.

Then the hot weapon in his hand “dada” fired at the sofa.

The expensive imported sofas were beaten in tatters.

The voice gradually weakened, and the second man moved forward cautiously, the thermal weapon in his hand already ready to go.

But when he walked in, it was already a corpse.

As soon as he turned his head, he felt that something cold and icy had slipped past his neck.

“I...cuckoo.”

Before the words were finished, a pillar of blood rose up into the sky, and the third person who followed was directly chilled.

Wiping a smudge of blood on his face, the third person jumped directly to the side.

Without waiting to stand firm, he directly half-kneeled on the ground, and shot at the position where Lin Kai just stood.

“Quick, quit! People are not in the house, people are...”

Before he finished speaking, he felt something cold on his neck.

What it was, he naturally recognized it.

Goose bumps all over his body instantly.

“Who sent you?”

“We can’t betray the employer!”

He said so, already holding the already small palm thunder in his hand.

Before he pulled the trigger, Palm Thunder’s magazine was removed.

Then he felt cold in his neck and looked at Lin Kai who was walking in front of him with  
horror.

Three people died, and the sniper on the top of the building, no matter how stupid it is, it  
is impossible to let the rest of the people rush in.

“retreat.”

He swiftly put away his weapon, and changed his clothes three or five times.

He glanced at the room where Lin Kai was, put on his hat, and prepared to leave.

“Where are you going?”

“from”

The man was short, avoiding the foot passed by the hidden god, and a military stab was  
already in her hand.

“who are you?”

“The one who wants your life!”

The man didn't talk nonsense with Yinshen, made a vain move, and rushed down the top of the building as soon as he turned around.

Yinshen looked at him and followed him unhurriedly.

After the man climbed down strenuously, he carefully observed the surroundings.

Seeing that Yinshen didn't follow, he was slightly relieved.

“Baihu Baihu, what's the situation with you?”

After waiting for a few minutes without a response, the man knew something was wrong.

Regardless of other things, when he turned around and was about to leave, he felt a pain in his neck, and then he fell forward.

When Yinshen came back carrying the man, Li Shengxian was already cleaning the house.

“Sir, caught it, there is no sign on him.”

“Wake up.”

Lin Kai grabbed the man's face and pressed it directly into the basin.

“Puff, cough...cough cough.”

Seeing him awake, Lin Kai pulled him out again and threw it aside.

“Go ahead, whoever sent it.”

“You killed me, I won’t say it.”

“Yinshen, take him to experience the feeling of jumping off a building.”

“Yes, sir.”

Yinshen directly carried the man to the highest building in the East China Sea.

“What are you going to do!” The man looked down, just as if a monster opened his mouth and was waiting for him.

“You’ll know in a while.”

Speaking of Yinshen, he threw it directly to the man.

“what!”

The howling wind blew across his face, and the man felt as if his face had been cut by a knife.

The sense of weightlessness filled his mind, like a hand, holding his heart tightly, slowly tightening it.

“what!”

Gradually, he could see the busy traffic below, and the man closed his eyes in fear.

If he just fell down like this, he would immediately become a stall of meatloaf.

When the man thought he was bound to die, the hidden \*\*\*\* that suddenly appeared,  
grabbed his clothes and pulled him up.

Sitting on the ground in shock, the man was panting heavily, his clothes were soaked  
with sweat.

“Huhuhu...”

The man looked at the hidden \*\*\*\* with horror, as if he was some demon.

“Speak, or do it again.”

Thinking of what he had just experienced, the man only felt his scalp numb, and he  
wanted to run away immediately.

If you give him a happy one, you will die.

But torturing people like this, really few people can stand it.

“I...” The man took a bite and saw Yinshen preparing to do it, and said immediately:

“Say, I’m talking!”

“Let’s go.”

Speaking of Yinshen lifting his neck, he returned to Li Shengxian’s house.

“Go ahead, who sent it.”

# Special Forces God Level Extraction System - Chapter 1162

## Chapter 1162: Kill It Then

Chapter 1162

“It’s Li Family Li Chengze.”

The killer looked at Lin Kai in shock, they were demons.

Even if he killed so many people, he didn’t get as cruel as Lin Kai.

“Li Chengze.”

Lin Kai couldn’t help laughing. He couldn’t wait to do it so soon.

Thinking of the old lady of the Li family, Lin Kai’s smile became brighter.

Yinshen stepped back silently, for fear of accidentally affecting him.

Li Shengxian, who was cleaning aside, turned red when he heard the man’s words.

Lin Kai did so much for him, his grandmother actually wanted to kill him, how do you make him accept it?

Li Shengxian raised his head for a long time and looked at Lin Kai with embarrassment, “Brother Lin, I’m sorry.”

“You are not to blame for this.”

He is not a person who does not distinguish between right and wrong, this matter has nothing to do with Li Shengxian, naturally there is no need to anger him.

Although Lin Kai said so, Li Shengxian still felt sorry.

Thinking about it, he couldn’t help but speak: “I have to tell my dad about this.”

After being silent for a while, Li Shengxian continued, “Actually, my dad wanted to kill his grandmother a long time ago.”

“My grandmother was killed by her, and so was my mother.”

“This opportunity can just give my dad an excuse, and it can also give you a nasty anger to Brother Lin.”

“You handle it.”

Since there is Li Shengxian, Lin Kai won't intervene much.

Li Chengjia will naturally give him a satisfactory answer.

Seeing Lin Kai agreed, Li Shengxian immediately called Li Cheng's family.

Not long after I hung up, someone from the Li family came.

Li Cheng's family brought the elders of the Li family and Li Chengze, who was \*\*\*\* with five flowers, and the old lady of the Li family who was crying together.

After entering the room, everyone in the Li family looked a little ugly when they saw blood that hadn't dried up.

Li Shengxian had already told them about the specific situation on the phone.

If this matter is true, their Li family will be completely finished.

“Mr. Lin, are you okay.” Li Chengjia looked at Lin Kai cautiously, for fear of angering him accidentally.

He really didn't expect his younger brother to be so capable, he could even do such things.

But don't think about it, you know it was his stepmother who instigated it.

Lin Kai glanced at the blood stains on the floor with a smile, “What do you think?”

Li Chengjia looked at him and didn't know what to say.

“If you are over there, you can ask yourself.”

After seeing the man over there, the old lady Li's face changed.

She directly grabbed Li Cheng's family and pointed at Lin Kai and cursed: “It is because of such a thing that you \*\*\*\* my son?”

“What kind of thing is he? What right do I have for the Li family to listen to him like this!”

“I don't care, I must let him go, and I have to kowtow to my son and apologize.”

Hearing the words of the old lady of the Li family, let alone the Li Cheng family, the expressions of the elders of the Li family changed.

“shut up!”

The great elder glared: “There is no room for you to speak here, get me aside!”

He has long had no affection for this domineering old lady.

If it weren't for the face of the old lady who died of Li's illness, he wouldn't even care about her.

“How do you talk to me?”

Taking advantage of the old lady's quarrel with the elder, Li Cheng's family and several other elders have already gone to ask the man.

After getting a definite answer, everyone in the Li family felt that the sky was falling.

What kind of evil their Li family made, they even spread such two prodigal things.

“Li Chengze, Li Chengze, you really deserve to be the good son of the Li family, you are killing the whole Li family.”

When Li Chengze heard what they said, he didn't care at all: “It's just to find someone to kill him, it's not a big deal.”

When the old lady of the Li family heard him say this, she looked at the crowd with a pale face, and was afraid to speak.

However, after Li Chengze seemed to have not seen everyone's gaze, he said without shame: “Our Li family is a top family in the East China Sea. He is what he dares to say.”

“My mother said, as long as you kill him, no one will dare to touch the Li family. I do it for the sake of the Li family!”

Seeing Li Chengze's proud look, Li Cheng's family and the elders felt that their hearts almost stopped beating.

Who is Lin Kai?

The people of Jiulong Mountain are backed by the master behind them.

Let alone the Li family, if he really moved him, the master behind him would ruin the entire East China Sea in minutes.

Seeing what Li Chengze had said, the old lady of the Li family was also excited: “I asked Chengze to do it.”

"It's nothing more than a hairy boy. You don't need to kneel when you see me, and you dare to talk back to me. That's the opposite!"

The old lady sat on a chair beside her and scanned the crowd with her eyes: "Don't tell me anything about his distinguished status, where can he be distinguished?"

"It's the legendary Mr. He, seeing me, he won't be so unreasonable."

"Huh, nonsense!"

Li Chengjia glared: "Mr. He won't be unreasonable to you? What kind of thing are you worthy of seeing Mr. He?"

"How do you talk to me? I'm the ancestor of the Li family!"

The old lady was so angry that she felt that Li Chengjia was deliberately disobeying herself.

"Have you seen it? See that this is your Patriarch, it's better to let Chengze be."

When the elders heard his words, they all sneered.

Let her trash son be?

There is no need for their Li family to exist in the East China Sea!

The elder of the Li family said: "Patriarch, this matter must be severely punished and not loaned to give Mr. Lin a perfect result."

A pair of brave mother and son, if they continue to stay in the Li family, they may not be sure what kind of disaster it will bring to the Li family. We must find a way to solve them this time.

"They didn't want to kill Mr. Lin, then let them die."

As soon as the second elder of the Li family had finished speaking, there was an echoing voice.

"I agree!"

"I think it's totally possible, otherwise who knows how to give Huo Huo Li's house!"

...

Listening to the people in the Li family, Li Chengze was so scared that he ran directly to the old lady: "Mom, look at them, I have done good things for the Li family, and they still want to kill me!"

"You are so deceiving, I won't let you go!" The old lady gritted her teeth and looked at them, her eyes wishing to slash them.

Regarding the words of their mother and son, the Li family paid no attention to what they said.

After the discussion, Li Chengjia said tentatively: "Mr. Lin, since they are ready to attack you, we decided to put them to death directly. Do you think this result is okay?"

"Then kill it."

Lin Kai smiled, "Of course murder is illegal, but I think you can do it."

"right?"

## Chapter 1163: Who Do You Say He Is?

Chapter 1163 Who Do You Say He Is?

Facing Lin Kai's smiling face, I don't know why Li Chengjia only felt cold on his back and cold sweat on his back.

He glanced at the elders, turned around and replied: "We will naturally satisfy you."

"That's good."

After that, Lin Kai got up and left, walked to the second floor stairs and said, "Remember to clean this place."

"Yes."

After Lin Kai left, the old lady clamored to kill him.

Everyone in the Li family looked at him with indifference.

A dying person, no matter how she makes noise.

"Why do you want our mothers to die? What are you guys!"

"I tell you, dare to move us a try!"

“Just stun, don’t disturb Mr. Lin.”

Li Chengjia didn’t want to waste any time because of this incident.

Everyone in the famous Li family in the East China Sea carefully cleaned the whole house to one side, and then left quietly after making sure that there was nothing left.

Lin Kai stood on the second floor and looked at them, with an inexplicable smile on his face.

“Sir, would you do that?”

“Will do.”

Those in the Li family are not fools, and this is also a good opportunity for the Li Cheng family.

When Li Shengxian returned, Lin Kai and Yinshen were already asleep.

He looked at the thing in his hand, sighed, and decided to talk about it tomorrow.

As time passed by, Fanxing gradually hid her figure.

The sun slowly climbed up from the east, and the morning glow filled the sky.

Before Lin Kai was asleep, Li Shengxian couldn’t wait to knock on the door.

“What’s the matter?” Lin Kai rubbed his painful eyebrows and looked at Li Shengxian excitedly.

“Brother Lin, do you remember the house we bought before? Just the general mansion.”

Li Shengxian gave him the key in his hand as if offering a treasure: “Why don’t we go and see?”

Lin Kai couldn’t help but feel curious about the house he saw that day.

“Let’s go.”

Seeing Lin Kai’s promise, Li Shengxian was so happy that he ran out to buy him breakfast.

This is a gift he gave to Brother Lin, which is naturally worthy of joy.

When they got to the property, three or four cars were blocked at the gate of the community.

Don't let people in, don't let people out.

"Brother Lin, wait a minute."

Li Shengxian went down to negotiate with the car owners.

"Hey, brother, move the car to nowhere, are we anxious to get in?"

"Go away, who is your brother?"

A woman with heavy make-up looked up and down at Li Shengxian, showing a disdainful smile.

"Just can you afford a house here? It's ridiculous to me."

I couldn't help laughing out loud.

Li Shengxian frowned and glanced at the woman, too lazy to pay attention to her, but just a plaything.

"Brother, please get out of the car, let's say hello to my brother if I have something to do."

"That can't work." The man turned his head to look at Li Shengxian: "Didn't you hear my woman say it? Can you buy a house here?"

"Don't force me here, you know, hurry up and roll me!"

Li Shengxian is not a temperamental person, since it's not good to be negotiated, don't blame him.

"Either get out of here now, or I will find someone to smash the car for you."

"Brother Long, what did people hear?" The woman lay in the arms of Brother Long and said with a smile: "I'm so scared, he's going to smash our car."

"You try to smash one, who won't give me three-point thin noodles in Donghai?"

He opened the car door and went down, pointing to Li Shengxian's chest and said, "I tell you, don't act on me, what is your special code?"

The man stared at Li Shengxian disdainfully: "Hurry up and get rid of me, don't be an eyesore here."

"What kind of thing do you dare to talk to me like this?"

In other words, Li Shengxian wouldn't make him feel better before, let alone now.

He directly pressed the man's chest and pressed him to the car: "Don't give me so much nonsense, move the car away, or you will be killed!"

"You let go of my husband, you let go!"

The woman yelled aside, constantly reaching out to beat Li Shengxian.

"Smelly bitch, get out of here!"

Li Shengxian didn't have the habit of not hitting a woman, so he kicked her away.

"It's a mess, you dare to beat Lao Tzu's woman!"

Brother Long struggled hard, his face flushed red, and he wanted to kill Li Shengxian.

Because of this situation, the people in the two cars behind also got off.

"Who is the special code for your kid, dare to move our Long brother?"

A kid dyed with yellow hair wanted to pull Li Shengxian away.

"Fuck." Li Shengxian slapped his face without thinking.

"Hurry up and move the car to me, or don't blame me for being rude!"

"What are you."

The few people clamored to clean up Li Shengxian.

"You... wait a minute."

A thin man with eyes stopped them.

"Glasses, you're an egg, isn't it just a fight or a fart."

Speaking of that Long Brother directly kicked him, and he staggered.

"No, not afraid."

The glasses blushed and whispered, "Don't you know him?"

"Who is this kid?" Long Ge looked at him up and down, and shook his head: "It doesn't look like a super character."

“He is the son of the Li family, the youngest son.”

The glasses looked at Li Shengxian, and when he saw him looking at him, he quickly lowered his head in fear.

Seeing him say this, everyone opened their mouths in surprise.

After a while, that Long brother asked with some fear: “What you said is true? Is that the top family Li family?”

“Yes.”

Hearing the affirmative answer from the glasses, Brother Long and the others only felt thunder rolling over their heads.

There are only two words in my mind, and that is “it’s over.”

They actually offended the Li family’s son. Isn’t this seeking their own death?

Who doesn’t know that the Li family protects shortcomings the most, they have nine lives, and they are not dead enough.

After a while, Brother Long turned his head stiffly: “Um, Brother Li, we don’t know Taishan, don’t worry about it, we will move the car right away.”

Saying that they moved the car aside quickly.

Looking at Li Shengxian, who was expressionless, he didn’t know what to do.

“Li... Brother Li, please, please.”

Li Shengxian looked at them indifferently and suddenly felt a little dull.

They looked at their own eyes, just as those in the Li family looked at Brother Lin.

“Is this right?”

He looked at his hand and smiled.

That being the case, he has to work harder before he can help Brother Lin.

“go away.”

Li Shengxian was too lazy to waste time, and he felt boring anyway.

Unexpectedly, this group of people actually lay on the ground and rolled aside.

Li Shengxian, who was offended, was amused.

“Sung Hyun, let’s go.”

## Chapter 1164: Cooperation?

Chapter 1164 Cooperation?

“immediately.”

Li Shengxian responded and drove over.

This can scare the group of people like Long Ge. What is the identity of the person in the car who can command him to move him?

“Brother Lin, what do you think of that house?”

“Go to Ai’s house.”

“what?”

Li Shengxian was taken aback for a moment, then quickly turned around and walked towards the destination Li Shengxian gave him.

What he didn’t know was that his approach scared Brother Long and the others to tears.

They felt that it was because of them that Li Shengxian was angry.

Thinking of the position of the Li family in the East China Sea, they would like to be killed directly.

What they think, Li Shengxian doesn’t know and has no interest.

Now he is following up to discuss the house.

Although it took a lot of setbacks to get this house, it is generally good.

Thinking of Dong Shu, Li Shengxian sneered.

Now she should have fun with her good brother.

I hope they will be so happy then.

“What do you think?”

“Nothing.” Li Shengxian shook his head, naturally not telling Lin Kai his plan.

There is no need to talk about such disgusting things and dirty Brother Lin's ears.

Seeing that he didn't want to say anything, Lin Kai didn't ask much.

Soon I reached the location of Ai's house.

"Let's go."

Lin Kai took the jacket that Yinshen handed over, opened the door and got out of the car.

The guard would have received Ellu's notice long ago and let them go.

When they arrived at the door of Ai's villa, Ai Luer was already waiting for them.

"You are here."

Elur smiled and led them in.

Entering the house, looking around and not seeing Ai Ping, Li Shengxian couldn't help but ask: "Where is your father? Didn't he ask Brother Lin to come over?"

"I made an appointment."

Elur sits on the sofa beside her gracefully, like a lady.

"Mr. Lin, I'm sorry about the last time."

Elur seemed to have completely forgotten the unhappiness she had had before, and treated Lin Kai like a friend.

I have to say that Elur is indeed very powerful. She did this to a large extent and made people feel comfortable and willing to talk.

"I have invited you this time, hoping to discuss a cooperation with you."

Ai Luer didn't talk nonsense, and said the purpose of calling them this time straight to the point.

"You also know that my father is the branch manager of Leiyuan Group, but to be honest, he has no real power."

Speaking of this, Elur couldn't help showing a wry smile.

Her father paid a lot for this family and Leiyuan Group.

But the result?

All the results were taken away by the manager of the headquarters!

She is not willing to go on like this!

But what about that?

But now it is different. After meeting Lin Kai that day, she had a plan in her mind.

He is so similar to the chairman, whether it is related or not, it is helpful to them.

Not to mention that Lin Kai is constantly looking for news about Leiyuan Group. This is the basis of their cooperation.

“I can help you get more news from Leiyuan Group.”

Elur showed a confident smile, she didn't believe that Lin Kai could refuse this temptation.

“I have to say, you are very good at catching people's weakness.”

Lin Kai looked at Ai Luer approvingly, she was really good.

“What are your conditions?” Lin Kai leaned on the sofa and looked at her with a smile.

Hearing Lin Kai's words, the smile on Elur's face couldn't hide.

This sentence shows that Lin Kai agreed to cooperate with her.

With the joy of holding back her heart, she smiled and said: “My condition is very simple. Help my father get promoted! Only when he gets promoted can we get more news.”

I have to say that Elur is very smart. If Lin Kai wants to get the news, he must help her father. Of course, her father cannot leave Lin Kai.

This can be said to be tying two people to the same boat, and no one can just eat.

“I can promise, but.”

These two words instantly made Elur's heart lifted, for fear that Lin would go back in a meeting.

Missing this opportunity, it would not be so easy to help her father find a promotion opportunity.

“I don’t know anything about Leiyuan Group. How can I help your father?”

Hearing Lin Kai’s question, Ai Luer’s hanging heart was relieved.

She thought it was something, she didn’t expect this to be.

“This is very simple, you just need to let the Li family accept the capital injection from Leiyuan Group.”

“As for the conditions, it is one percent of the shares.”

Ai Luer smiled and said, “The Li family’s great cause does not need Lei Yuan’s help.”

“If this cooperation can be won, it will be very helpful to my father’s promotion.”

Ai Luer simply explained why Leiyuan Group had to cooperate with the Li family.

I have to say that Lin Yuan’s plot is very big.

Combining what Li Man and the others said, Li Shengxian also guessed what he wanted to do.

“I can’t agree to this for Patriarch Li.”

Although Lin Kai could do this, he didn’t want to.

There is no need to harm the Li Family for Lei Yuan, let alone Li Shengxian.

Seeing Lin Kai’s refusal, Li Shengxian, who has been silent all the time, said, “Promise is acceptable, but he may be the headquarter!”

Li Shengxian explained: “You also know that the Li family has a big business. The little capital you mentioned is a drizzle for the headquarters.”

“So you can inject capital into the branch and get more shares.”

“Although not as good as my own, it is also a good start.”

“It will not make your chairman doubt, it will also help your dad’s position.”

After that, Lin Kai nodded appreciatively, having to say that Li Shengxian’s progress was really great compared to before.

Not to be clear, she also offered conditions that Elur could not refuse.

Elur looked at Lin Kai, biting her lip, not knowing what choice to make for a while.

“Your chairman is very suspicious. You think your father suddenly cooperated with the Li family headquarters, what would he think?”

Lin Kai’s words are tantamount to the last straw on the camel.

Elur was heartbroken and nodded and promised: “Okay, I will tell my father clearly, I hope you can all abide by the agreement.”

“This is natural.”

Seeing that the matter was finalized, Elur couldn’t help but breathe a sigh of relief.

As long as her father’s position goes up, she sees that Su Yue dare not look down on her!

You can rest assured that as long as the cooperation is successful, I will be responsible for passing the news to you. “

“If you don’t abide by the agreement, I think with the Li family, you can completely accept Lei Yuan’s divestment.”

Ellu’s words can be regarded as dispelling Li Shengxian’s worries.

He was afraid that he would agree, and in the end Elur did nothing, which would delay Lin Kai’s time.

“If there is nothing wrong, we will leave first.” With that, Lin Kai got up to leave.

“Are you in such a hurry to leave?” Ai Luer leaned forward slightly and looked at Lin Kai with a smile: “Sir, why don’t you stay and \*\*\*\* craft?”

## **Chapter 1165: I Want To Buy Him**

Chapter 1165 I Want To Buy Him

“Not interested in.”

Lin Kai directly refused her invitation.

Li Shengxian took a look around and said, “If you want, you can stay.”

Before Li Shengxian could speak, Ai Luer answered: “I am not interested in him.”

“Sir, your answer really makes me sad.”

Elur touched her long legs and looked at Lin Kai pitifully.

The tears of a beauty are most pitiful.

It's just that here in Lin Kai, she would only make him feel disgusted.

"Then you continue to be sad."

Lin Kai patted the non-existent dust on his clothes and prepared to leave.

"Don't, sir, please stay, and then they will serve you well."

What Elur said is that they are all adults, so they naturally understand what they mean.

Lin Kai frowned and pushed her away with disgust: "Sorry, I'm not used to others being so close to me."

"Sir, you..."

"I didn't expect it, Elur, you will catch up with the post one day."

A coquettish but domineering voice came through.

With the sound of high-heeled shoes, a woman with a fiery figure in a cheongsam walked in slowly.

"I thought I heard it wrong through the door. I didn't expect it, ha ha ha."

The visitor looked up and down Lin Kai: "The long one is okay, no wonder our beautiful lady Ai would do this."

"Su Yue, you eavesdropped on us!" Ai Luer stared at her angrily.

Thinking that she might have heard about what she had discussed with Lin Kai before, she was a little scared.

Su Yue's father is better than her father, if she finds Lin Kai, her plan will be finished.

Want to surpass Su Yue's father's plan, it would be over.

As if he could see what Elur was thinking, Lin Kai explained lightly, "She just came."

Although it is not clear how Lin Kai knew, she still breathed a sigh of relief, as long as she didn't hear it.

"What are you talking about?" Su Yue glanced at them suspiciously, always feeling that he had missed something.

“It’s nothing.”

Elur said disgustingly: “Nothing, please leave my house as soon as possible.”

If it wasn’t for her dad’s face, Elur wouldn’t say a word to her.

It’s just a rubbish, obviously not capable, but also a self-proclaimed appearance.

She couldn’t do anything except rely on her father Yang Wu and Yang Wei.

“Ailur, how do you talk?” Su Yue sat down beside Lin Kai.

He tried to reach out and grab his chin, but he avoided it.

“A little boy, what kind of temper!”

Su Yue snorted coldly, trying hard to catch Lin Kai.

“roll.”

Elur looked at Lin Kai with some worry, even though he knew his identity was not simple.

But seeing him being molested like this, apart from being a little scared, she was also faintly excited.

“Damn, you try to hide for my old lady!”

Su Yue patted the table and stepped on the sofa with one foot, looking like a bully.

“You better be obedient to me, or don’t blame me for being impolite!”

“If it wasn’t for your okay length, what qualifications do you have to talk to this lady?”

“roll.”

Lin Kai was a little tired of Su Yue, feeling that she was mostly mentally ill.

“Man, you succeeded in getting my attention.”

Su Yue looked at Lin Kai with interest, and felt that he was a different man.

When other little white faces saw her like this, they had already rushed forward.

“I go first.”

Lin Kai didn't want to say anything to Su Yueduo for a minute, she was just a narcissistic woman.

Seeing that Lin Kai was leaving, Ai Luer was also relieved.

She was afraid that if she continued to stay here, Su Yue would know something extraordinary.

"Then go slowly."

"Wait!" Su Yue directly blocked the door: "Eluru, your identity is not simple for speaking to a little white face."

Although Su Yue was mentally ill, she still had some IQ.

If it is really a little white face, Elur can't be so respectful to him.

"none of your business!"

Elur clenched her hand nervously, blocking Lin Kai's face, preventing her from approaching.

"Elur, who is he?"

Su Yue felt that Lin Kai was not simple, no matter what his identity.

It is definitely not easy to make Elur so nervous.

In any case, she will get this man too!

"I will buy this man with a hundred million!"

Hearing Su Yue's words, Elur's heart almost stopped beating, she didn't even dare to turn her head to look at Lin Kai's face.

Thinking of Lin Kai's identity, Elur felt a bit dry in her throat.

She only felt that her back was chilly, and silently moved aside.

"Elur, did you hear that."

Su Yue looked at Ai Lu'er impatiently: "Although the identity of this little white face is not simple, one hundred million is not enough, and at most another fifty million!"

"Don't be too tight-lipped, just a good-looking man."

“Compared with so much money, what is important to him?”

Su Yue didn't think that Elur would refuse the conditions she offered.

“Impossible!” Elur refused without even thinking.

What a joke, don't say whether she has the qualifications to agree.

Just as she said a promise, their Ai family was finished.

“What! Do you dare to refuse?” Su Yue wondered if he had heard it wrong.

“A little boy, do you still want to sell at a sky-high price?”

Su Yue felt that Ai Luer was just sitting on the ground and raising the price, but she was just a little white face.

“You said I'm a little boy?”

Originally, Lin Kai didn't want to waste time on this kind of thing, but Su Yue repeatedly said that he could still ignore it?

“Aren't you just a little boy, how come so much bullshit!”

“Don't be shameless, or be careful that I won't let you stand in the East China Sea!”

Su Yue held her chin high and looked arrogant, as if she had given Lin Kaitian a great honor.

“is it?”

Lin Kai couldn't help but want to laugh, grabbing Su Yue's chin, and forcing her to look up at herself: “Do you think the whole East China Sea is yours?”

“This is natural!”

Su Yue struggled, trying to break free of Lin Kai's restraint, but he grasped hard, and it didn't take long for her to feel the burning pain of her jaw.

“I'm going to see it!” Lin Kai threw her away directly.

Su Yue staggered, bumped into the corner of the table aside, and stopped.

“hiss.”

Taking a breath, Su Yue only felt a burning pain in her waist.

“You dare to hit me!”

Su Yue glared at him, wishing to kill Lin Kai.

A little white face actually committed the crime and dared to move her.

“You’re done, I won’t let you go!”

Elur, who had been silent for a while, heard Su Yue saying this and couldn’t help but speak: “I advise you to leave as soon as possible, otherwise you won’t know how to die by then.”

## Chapter 1166: Kneel

Chapter 1166

“Elur, what do you mean?”

Su Yue glared angrily, staring at Ai Luer angrily: “There are still people in the East China Sea that I can’t afford to offend?”

“Dare to hit me, I will let her die without a burial place!”

“I’m telling you this little white face!” Su Yue pointed at Lin Kai and said loudly: “You’d better apologize to me next time, or I will let people kill you in minutes!”

Su Yue stared at Lin Kai angrily, her chest rising and falling violently.

“Fuck, dare to move me!”

“What kind of thing are you!” Ai Luer slapped Su Yue on the face without thinking.

With a “pop”, Su Yue and others were stunned.

Elur looked at her indifferently, she could be regarded as selling personal affection to Lin Kai, letting him know that she was on his side now.

“Su Yue, get out of here right away! Don’t show off with me!”

In fact, Ai Luer was also taking advantage of Lin Kai’s identity to let out a sigh of relief.

She had long been unable to understand Su Yue, who was always aloof.

All day long, it will only provoke troubles, and will always fight her.

Now that there is such a good opportunity, there is no need to use it for nothing.

So what if the Su family came to the door?

As far as their status is concerned, Lin Kai can't be moved.

Su Yue was stunned for a long time before reacting.

"You dare to hit me!"

She touched her face, a little unbelievable.

You must know that although Elur could not be said to be servile to herself, she would never do it!

How can she have the guts now?

"You dare to hit me!"

Su Yue yelled and rushed towards him!

Before she could come forward, Lin Kai kicked her.

Although she has no interest in the fight between the two women, Elur is her own partner, so she naturally wants to ensure her safety.

However, Elur was taken aback for a moment, but she didn't expect Lin to save after meeting. Frozen for a moment, somewhat happy.

However, Su Yue was kicked by him, and she lay on the ground for a long time without getting up.

It took a long time for her to hold the table aside and slowly climb up.

"You dare to hit me!"

Su Yue panting heavily, enduring the pain on her body, slowly walked to the side of the sofa.

"Just say it if you want to die!"

Looking at the two people who were just as okay, Su Yue wanted to kill them.

After a while, Su Yue directly picked up the fruit on the table and threw it at the two.

Lin Kai avoided it, but forgot that Ai Luer couldn't do much, and was hit by the fruit.

"It's a grassy horse!"

Elur was not a fuel-efficient lamp either, she rushed towards Su Yue directly.

At a time, two women fought into a ball, you pulled my hair, I scratched your face, screaming endlessly.

Lin Kai poured a cup of tea and stood by, watching the fight between the two leisurely.

After a while, the two stopped panting.

Both of them looked disheveled, just like a beggar.

“Elur, wait for me with your special code!” Su Yue didn’t forget to take a pillow and threw it directly.

Seeing Lin Kai who stopped the pillow, Su Yuefei was furious.

She just took out the phone and started calling someone, but she didn’t believe it anymore, and she couldn’t cure a little white face.

“You wait for me!” Su Yue hung up the phone with a vicious word.

She was guarding here, waiting to see how Lin Kai was taught.

Elur looked at Lin Kai worriedly, even though he knew his identity was not simple.

But this doesn’t mean that Su Yue knew each other, and the group she called would listen to her.

“Sir, I will block Su Yue for you, so hurry up and go.”

Lin Kai gave Ai Lu’er a little surprised, but she didn’t expect that she would say something like this.

“No.” He wanted to see how Su Yue was going to deal with himself.

Seeing his insistence, Elur had no other choice but to worry.

Soon the person Su Yue called came, and a dozen or so five-and-three men came in, and a fierce aura rushed toward their faces.

“It’s you little white face, my moving sister?”

The leading man stared at Lin Kai fiercely: “Hurry up and kneel down and apologize, otherwise the \*\*\*\* will be shot out for you.”

“You can try!” Lin Kai looked at them indifferently.

Drinking tea with an elegant posture can be said to have completely ignored them.

His attitude makes this group very popular.

“Brother, I must teach this stinky boy a lesson, his grandma’s, what’s so arrogant!”

“We must kill him, dare to not give our brother a little face!”

...

Those little brothers clamored to kill Lin Kai.

“Boy, did you hear me!” The big man headed by Su Yue’s brother Su Tian looked at him and said, “Apologize or die, you choose.”

“I choose you to die!”

“Fuck, you kid I will kill you!”

Saying that he rushed to him directly, before waiting for him to come, he was kicked directly by Lin Kai, hit the wall behind, fell off, and fainted directly.

“Brothers, give it to me!”

It’s all like this, if you don’t do it, it’s as if you are afraid of death.

Is he Su Tian that kind of person?

With an order, a group of younger brothers rushed over.

But it’s just a weak chicken, it’s not worth it.

“Sister, don’t worry, elder brother will vent your anger!” Su Tian patted his chest and assured Su Yue.

As a result, as soon as he finished speaking, he heard the screams of his little brother.

Turning his head, he saw that Lin Kai was cleaning up the two younger brothers who had not fallen.

“This... how is this possible!”

Su Tian looked at Lin Kai blankly, feeling a little unbelievable. How could he be so powerful with a little white face?

Seeing his sister staring at him, Su Tian’s face was a little bit uncontrollable.

I just said to vent her anger, but I didn't expect to be slapped so quickly.

"Sister, don't worry, look at your brother."

Su Tian didn't believe it, he couldn't beat a little white face, and rushed towards Lin Kai directly.

"Boy, wait for death!"

Su Tian threw a fist without hesitation, it could be said that it took an eight-point effort, but he didn't expect to be caught by Lin Kai lightly.

"This... how is this possible!" Su Tian stared at him in disbelief, looked at the hand holding his fist, and some did not react.

Before he could say anything, Lin Kai grabbed his arm and pulled him over.

"What are you..."

Before Su Tian had finished speaking, he felt like a heavy blow in his stomach, and blood spurted out.

"Who is the spicy chicken?" Lin Kai pointed at his back again, if it weren't for being dragged by her, he would just lie on the ground.

"Don't you want me to kneel?" Lin Kai sneered at him.

Su Tian looked at him with a little horror, and suddenly regretted why he would provoke such a person.

"Who is kneeling now?"

Lin Kai pointed at his knee, and the pain made him kneel directly on the ground.

The "bang" sound makes people feel painful.

"Do you want to continue?"

## **Chapter 1167: The Su Family Can't Afford It Either**

Chapter 1167

Su Tian looked at Lin Kai, grinning in pain, unable to say a word.

He looked at Lin Kai with a flushed face, with a sense of humiliation, born from his heart, and wanted to kill him immediately.

But he can't do anything like this.

He clenched his fists tightly, his eyes were bloodshot.

"You let go of my brother!"

Su Yue seemed to have just reacted, rushing towards Lin Kai with ferocious eyes.

Lin Kai stood still and let him rush over.

Elur saw Su Yue, thought for a moment, and rushed over.

The two fell heavily to the ground, and Su Yue directly fainted.

"You let go of my sister!" Su Tian struggled to go over and help Su Yue up.

He doesn't have any other advantages, but he loves his sister the most.

It was his father who said a few words about Su Yue, and he wanted to turn his face on him.

Not to mention Ai Luer, who directly knocked Su Yue into a faint.

"You guys are very interesting." Lin Kai kicked Su Tian directly, stomping on the ground, unable to move.

"Always motionless, people kneel down and apologize, why can't you do it?"

Lin Kai couldn't understand, what are the advantages of these people?

Because they are rich, they are superior?

For them, Lin Kai did not want to interfere.

As long as they stay on their own feet and don't provoke themselves.

However, there is no shortage of blindness in this world.

"What do you mean!" Su Tian looked up at her strenuously: "This world is originally the weak and the strong!"

"I have this qualification, why can't I bully them?"

Seeing Su Tian's unconvinced look, Lin Kai couldn't help laughing.

“If you follow what you said, it would be okay for me to kill you? Because I am better than you?”

Lin Kai looked at him indifferently, as if looking at a dead person.

The world is naturally dominated by the weak and the strong, but being strong does not mean that you can bully others at will.

“What do you mean!” Su Tian looked at Lin Kai with a little fear, and his throat was itchy. I want to say something, but I don’t know what to say.

“Isn’t the weak and the strong as you said?” Lin Kai looked at him with a smile, “Naturally do what you say.”

“How can you do this!”

Su Tian looked at Lin Kai and wanted to run away from him immediately.

“I tell you, if you hurt me, the Su family will not let you go!”

“Really?” Lin Kai didn’t care about it, but he was just a Su family, which really didn’t deserve his attention.

Seeing Lin Kai’s attitude, Su Tian knew that no matter what he said, he would not listen.

The Su family little overlord who has been arrogant for half his life has only now realized the seriousness of the problem.

He looked at Lin Kai, opened his mouth several times to say something, but couldn’t say anything to beg for mercy.

Thinking that he has been arrogant for so long, how could he be easily subdued?

Seeing Lin Kai stepping on his back, Su Tian finally gave in.

“Yes... I’m sorry!”

He roared out loudly, his face flushed and he wanted to find a place to sew in.

“I’m sorry?” Lin Kai couldn’t help but laughed, “It’s really rare that you, like you, can’t help but say such things.”

Lin Kai moved his feet, looked at the dust on his shoes, frowned impatiently.

“Remember to handle it yourself.”

It was at Ai Lu'er's house. Thinking of the cooperation between the two, he still saved her face.

"Mr. Lin, go slowly." Elur sent Lin Kai out respectfully.

After sending Lin Kai away, Ai Luer looked at Su Tian on the ground with a mocking attitude.

I really didn't expect the two Su family's overlords to suffer here today.

"I really want to take a photo for you." Elur muttered to herself, and couldn't help taking out her phone and taking a photo.

"What are you doing!" Su Tian stared at Ai Lu'er angrily, trying to grab the phone in his hand, but his body hurts and he can't get up.

"It's nothing, naturally I will take it for you."

Su Tianya squeaked when she heard Elur's words.

"If you are dissatisfied, go to Mr. Lin."

After a pause, Elur said with a smile: "But you can't afford to provoke anyone, even the entire Su family."

"It's just a waste, and we can't afford it?"

Su Tian was a little impatient, but just a little white face, what made them worth fearing.

"Hehehe, just keep thinking about it."

With such a sentence, Elur called the butler and sent them to the hospital directly.

As for other things, she doesn't care.

Lin Kai was very concerned about the news of Leiyuan Group, and she was the one who could help him, so naturally she wouldn't just watch her accidentally.

After sending them away, Elur couldn't help laughing anymore.

In the future, their Aijia will become real masters!

Rather than relying on the Leiyuan Group's relationship, I have to worry about whether I will be replaced that day.

Lin Kai just knew Elur's thoughts and wouldn't care, but it was just mutual benefit.

The faint sunlight, through the gaps in the leaves, fell on the faces of several people, making it difficult to see the expressions on their faces.

Li Shengxian looked at Lin Kai shrouded in the sun, and felt very stable. He no longer needed to worry about whether he would be killed by them one day.

“What are you thinking?” Lin Kai looked back suspiciously. Li Shengxian stood still and did not leave.

When the breeze blew, Li Shengxian showed a happy smile, and he looked enthusiastic.

“It’s not that Brother Lin is so good, that little girl who will be cheaper in the future.”

Hearing what he said, Lin Kai was taken aback and couldn’t help laughing.

“Don’t be mean-mouthed.”

“I’m telling the truth!” Li Shengxian patted his chest. It looks like “you believe me”.

Yinshen looked at the smile on Lin Kai’s face, a little grateful to Li Shengxian.

Since the matter of Lin Yuan, the husband has not been so happy for a long time.

Several people stepped on the path full of fallen leaves, and the sound of “creaking” seemed like a beautiful movement.

“You remember to go back and tell your dad what Elur said.”

“Brother Lin, I’m doing errands, so don’t worry!”

In fact, Li Shengxian is selfish in doing this.

As long as that branch has the intervention of other companies, it is much easier for him to arrange for people to enter.

He wants to cannibalize Li’s company bit by bit, and slowly infiltrate, so as to add enough chips to himself.

Li Haoxian is not so easy to defeat, even with Wang Fang’s help, but coming down so many times, except to make his father hate him more, nothing else has no effect.

“Don’t give them too much, take your time.”

A smile came up at the corner of Lin Kai’s mouth. With such a good bait as the Li family, Lin Yuan would not be fooled.

## Chapter 1168: What Are You

Chapter 1168 What Are You

“I know.” Li Shengxian nodded. He also wanted to take this opportunity to develop his own power. Naturally, he would not let out too much of the company’s shares.

“By the way, Brother Lin, what’s the matter with you and Lin Yuan?”

This question has been held in Li Shengxian’s heart for a long time, but it has not been asked.

Today he couldn’t help it anymore and couldn’t help but ask.

They said that Lin Kai looks a lot like that Lin Yuan, and they still have the same last name.

Li Shengxian felt that most of them were related by blood. As for why he wanted to kill each other, he somewhat understood.

It’s like their family, their brothers, fighting for the position of Patriarch.

In fact, he is also curious about what happened.

Lin Kai glanced at Li Shengxian, thinking he wouldn’t ask.

“Nothing big, it’s about the same as you.”

He didn’t want to explain so much, so he just found an excuse to stop him.

Li Shengxian would naturally hear it, but Lin Kai said so, he would not be uninterested.

A few people walked like this, no one spoke.

In the eyes of passers-by, they saw two handsome men walking one after another, like a couple.

There are even some girls on the roadside, holding their mobile phones and taking pictures of them, they also give pointers.

Li Shengxian looked at Lin Kai in front and couldn’t open his mouth for what he wanted.

In fact, he knew the answers to some questions.

But people are very strange, always want to hear the other person answer in person.

Suddenly, there was a harsh brake sound, and Li Shengxian yelled and rushed forward without thinking.

“Brother Lin!”

He yelled, before waiting for him to pass, he was dragged by the back of his neck by Yinshen.

“Brother Lin!”

He looked at the place where the car crashed and rushed over like crazy.

“come back!”

Lin Kai’s sudden voice reminded Li Shengxian.

He stared at Lin Kai’s direction blankly, and rushed forward.

After confirming that he was holding the vivid Lin Kai, his hanging heart was let go, and then there was endless anger.

Looking at the sports car hitting the side of the road, he sent Lin Kai to directly drag the driver from the driving seat.

Looking at the man who was slapped his head, but still a little dazed, all he didn’t even think about was a punch.

Just because of him, Lin Kai almost killed him.

That was a light in his life, without this light, he didn’t know how crazy he would do.

“Fuck you, your eyes are useless. Donate them to those in need. You can use them for ass.”

“Your mother is a fool, don’t you look at the road when you drive?”

“I killed you!”

...

Li Shengxian punched and punched, and it didn’t take long for the man to be beaten with a blue nose and swollen face.

I was dizzy because of the crash. It was even more stunned for a while to be engaged by Li Shengxian.

After reacting, looking at the scar on his body, the man looked furious.

“What the \*\*\*\* are you, dare to beat me?”

Ease of ethics is not good, things are really going wrong today, I even met such a fool.

“What happened to me just hitting him? You can hold back if you have the ability!”

Because of loudly speaking, the scars on his face were fiercely painful, and his tears were about to come out because of the pain. It was the first time he was beaten like this!

“Asshole, dare to hit me, I’m really impatient!”

He looked at the disused sports car and kicked it up, as if he couldn’t help himself. After a while, the body was covered with footprints.

Looking at An Yizhe who was crazy, Lin Kai didn’t want to waste time: “Let’s go.”

It’s just a person with a brain disease, so there is no need to worry about it.

Although Li Shengxian was dissatisfied, Lin Kai had said so, he had to leave with him.

Asking them to leave, An Yizhe naturally stopped and stopped the three of them.

“You guys stop for me, and I want to leave if I hit, there is no such good thing in the world!”

He stretched out \*\*\*\* and said, “Either let me fight and fight back!”

“Either you will be my attendant for a year, and if I let you jump into the sea, you have to go!”

Lin Kai couldn’t help laughing when he heard what he said, really dare to speak.

Without needing to speak with him, Li Shengxian slammed him back.

It was because he didn’t teach him well. As a result, Li Shengxian, who was angry, could find an excuse to vent.

“Who do you think you are?” Li Shengxian looked at him condescendingly by virtue of his height advantage: “Licking his face, saying this, I really laughed at me!”

“You almost hit us, do you still feel honored?”

“We don’t want you to have an arm and a leg. It is your great honor.”

“Dare to compare with your father here? What are you?”

...

Li Shengxian directly scolded An Yizhe, he looked at Li Shengxian blankly, and didn't know how to refute it.

After a while, he roared like thunder: “You vulgar thing, dare to talk to me like this?”

“Do you know who I am? I am the one you can't afford to provoke in your entire life.”

“Anyone who is acquainted, hurry up and make a choice, unexpectedly find someone to kill you!”

An Yizhe looked at them arrogantly, but just a group of untouchables, dare to talk to him like this?

It was a real laugh to threaten him shamelessly.

Speaking of their own identity can scare them to death.

Looking at the triumphant An Yizhe, Lin Kai and Li Shengxian couldn't laugh.

“Excuse me, what is your identity?”

“Do you know Anjia? Do you know An? That's my dad!”

Hearing him say An, Li Shengxian and Lin Kai looked at each other and couldn't help laughing.

That's An?

Every time I saw Lin Kai, I wanted to kneel and lick it. Maybe he would offend Lin Kai for a son?

Just because Lin Kai hit them in front of him, An Mou didn't dare to talk nonsense.

“What are you laughing at!” An Yizhe was so angry that he threw the car key in his hand directly at them.

“A group of untouchables, quickly apologize to the little master!”

“What qualifications do you have, let us apologize!”

Lin Kaichong Li Shengxian nodded, he can handle this kind of thing.

Li Shengxian grinned and walked towards An Yizhe step by step, scaring him back and forth.

“What are you going to do? Don’t come here! Otherwise I won’t let you go!” He threatened loudly, but it was of no use to Li Shengxian.

But it’s just a settlement, what if it’s a fight?

“Now I also give you two choices. One is to kneel and apologize for us, and the other is that I just abolished your arm!”

“Dare you!” An Yizhe looked at Li Shengxian in fear.

The stubborn insider roared: “Do you know what Anjia is like? You can’t afford to offend it!”

“Really?” Li Shengxian couldn’t help laughing: “But it’s a pity, I don’t care about the settlement!”

## Chapter 1169: Peach Blossom

Chapter 1169

After a long moment, An Yizhe asked furiously: “What do you mean?”

Even dare to look down on them to make a home, really eat the guts of a bear!

It’s just a lowly untouchable, who gave him the courage to say such a thing!

An Yizhe’s chest was undulating violently, and even the wound on his face was painful.

A pair of eyes looked at them sullenly, as if they were their own enemies.

“You are done!” An Yizhe stared at them angrily.

He must make them pay, dare to look down on him so much.

“Too much nonsense!” Lin Kai slapped him directly and fainted. Let Yinshen call An Jia and get the goods back.

As far as he knows, Donghai has a face and a face, but the surname is An, and they are settled.

“There are really anyone.” Li Shengxian sighed and shook his head, feeling An Yizhe is a strange thing.

“Didn’t you do the same before?”

Li Shengxian shook his head in embarrassment after being dismantled by Lin Kai like this. He didn’t know what to say, so he could only laugh twice.

“I was too young before, I was young and ignorant.”

Lin Kai shook his head funny, without saying much.

To be honest, Li Shengxian’s progress is indeed not small, but it is not enough.

“By the way, Brother Lin, what do you think the girl behind is doing with us?”

Li Shengxian tilted his head and glanced back, and the girl was scared to hide behind the tree.

“Maybe it’s because of your beauty.”

Lin Kai made a rare joke that scared Li Shengxian.

“Brother Lin, don’t you.”

Li Shengxian glanced at the small girl behind him: “It’s not that you don’t know me, you like the kind of \*\*\*\* and buttocks. You really have no interest in such dry bean sprouts.”

When he thought of doing things, he was just as flat as himself, and he instantly lost interest.

Looking at Li Shengxian who was frowning, Lin Kai couldn’t help laughing.

But it is true. The little girl is just like a young man if she doesn’t have long hair.

“Brother Lin, don’t make fun of me.”

Before they finished speaking, the woman walked over.

Standing in front of Li Shengxian timidly, feeling a little shy.

Li Shengxian looked at Lin Kai with a bitter face, and he wouldn’t really let him get it right.

“Hello, do you have a girlfriend?”

The girl’s words made Li Shengxian shudder.

Replied without thinking, “Yes, we have been together for a long time.”

He thought that by saying this, the girl would dispel her thoughts about herself.

He was shocked directly by the girl's words.

"You don't have a girlfriend at all, I watch you, no, I can tell at a glance!"

"Watch me!" Li Shengxian looked at the girl angrily.

The security near his house is OK, how does she monitor herself?

Seeing that she had missed her mouth, the girl lowered her head and bit her finger, a little embarrassed: "I just like you so much, just want to know what your life is like!"

Then she turned to look at Lin Kai: "Brother, let me help you kill this man!"

The girl's expression was a little crazy: "It's really unforgivable that he dared to instruct his brother to do something!"

Lin Kai glanced at the girl and felt that she probably had a mental problem and her brain was abnormal.

"Let's go."

Li Shengxian didn't want to pay attention to this woman with a sick brain, and quickly followed.

Seeing the two of them leave, the girl instantly quit.

Trembling, he took out a butterfly knife from a large pocket beside him and followed them closely behind them.

"Why are you bullying brother, I won't let you go!"

The girl murmured to herself, took the knife in her hand, and thrust it directly at Lin Kai's back.

She felt that it was Lin Kai's fault, so why did she instruct her brother.

When the butterfly knife stabbed Lin Kai, the girl's hand was caught.

Lin Kai yelled out hard and hurt, and the folding knife in her hand fell directly.

"What are you doing!" Li Shengxian stared at the girl angrily, and breathed a sigh of relief when Lin Kai was not injured.

"Brother, don't be angry, Xiaoya knows it was wrong."

The girl opened her eyes, her expression was a little sick, and she kept muttering: "You can't make your brother angry, or your brother won't like herself!"

"You're really sick!" Li Shengxian couldn't beat him, and couldn't figure out how he got into such a pervert.

Lin Kai frowned and looked at the girl. He didn't say anything, let him handle it by himself.

After solving Lin Yuan's matter, he will leave Donghai sooner or later. It is impossible to tell him what to do with everything.

"Why don't you stay in a mental hospital!"

Had it not been for her mental illness, he would have done it a long time ago.

After being yelled at by Li Shengxian, the girl looked at him more enthusiastically, as if she couldn't wait to eat him.

Seeing Lin Kai and Li Shengxian's chills.

It is also Li Shengxian's unlucky, not knowing how to provoke such a girl.

Li Shengxian pulled Lin Kai's arm and whispered: "Brother Lin, let's go, I'm afraid I can't help but do it!"

Seeing the two of them being so close, the girl only felt that a heart seemed to be roasted on a fire, and it was a little uncomfortable.

"Brother, why are you treating him so nicely?" The woman was a little unconvinced, thinking that Lin Kai was a bitch, and separated her from Li Shengxian's bitch.

She chased up to ask questions, but was thrown away by Li Shengxian, and one of them couldn't stand still and fell directly to the ground.

Seeing the hand held by Li Shengxian, the girl couldn't help but laughed hehe: "Great, brother touched me, I know, brother likes me!"

Lin Kai shook his head helplessly, feeling that the girl was completely hopeless.

Before she could react, the three left directly.

When the girl recovered, there were no more people in front of her.

But she was not worried at all, and a weird smile appeared at the corner of her mouth: "Brother, you are mine! It can only be mine! No one can take it away!"

Thinking of Lin Kai just now, she seemed to be muttering to herself: "You said I want to kill him?"

Tilted his head and waited for a while, as if someone was talking to her.

The girl jumped ecstatically: "You think I'm going to kill him too, it's great!"

The two knew nothing about the girl.

When Li Shengxian came home, he rummaged the house inside and out, but found nothing.

"Fuck, that crazy woman, how did she watch me!"

Li Shengxian felt his scalp numb when he thought that he had been being watched by that crazy woman all along.

"There is no monitoring device at home."

As early as when he lived here, he let Yinshen check it.

## **Chapter 1170: Medicine**

Chapter 1170

"Then how did she do it?" Li Shengxian couldn't understand why.

He can't wait to rush to the mad woman and question her well!

I don't remember, knowing such a woman, how could she know her own information?

"Think of it myself." Lin Kai glanced at him and thought he was just a pig brain.

Don't you know remote monitoring without monitoring equipment?

Li Shengxian scratched his head, not embarrassed to ask more.

He wanted to ask Yinshen what was going on. But thinking of what Lin Kai said before, I had to give up.

Looking at Li Shengxian scratching his head, Lin Kai wanted to laugh.

Li Shengxian wanted to break his head, but couldn't think of it. In the end, he had no choice but to give up.

Looking at the messy home, he resigned himself to tidy up.

When it was time for dinner, after thinking about it, I ordered takeaway.

It didn't take long for the knock on the door to sound, and Li Shengxian looked at the takeaway food with some doubts, but he didn't expect it to be delivered so soon.

Lin Kai glanced at the delivery staff who were there. He didn't know why he always felt a little familiar, but he didn't remember who it was for a while.

"Brother Lin, Yinshen has eaten."

Li Shengxian couldn't help but move his index finger while looking at the delicious food.

Lin Kai wanted to say something, seeing him like this, he could only shut up.

Li Shengxian's mouth was full of food, and when Lin Kai could not move, he asked vaguely, "Brother Lin, are you swollen and don't eat it?"

"eat."

Lin Kai picked up the food, glanced at it, sneered at the window of the dining table, and then ate the food into his mouth.

It didn't take long for Li Shengxian to feel a little dizzy, and there were ghosts in everything he saw.

"Brother Lin, why am I...how am I a little unclear!"

Li Shengxian rubbed his eyes, still feeling a little fuzzy.

As soon as he stood up, his legs were soft, he lay directly on the table and fell asleep.

Seeing him like this, Lin Kai glanced at Yinshen, and pretended to be unconscious on the table.

The two were waiting, waiting for the appearance of the person who prescribed the medicine.

As early as when Li Shengxian opened the food, Lin Kai smelled something wrong.

I wanted to tell him, but it was too late to eat so fast.

But that's okay, it will save Li Shengxian can't pretend when that happens.

The two had waited patiently for almost half an hour, and heard a slight “click” from the door.

Then he approached them slowly.

“Brother, if you are mine at last!”

A girl’s fanatical voice sounded, and Lin Kai and Yinshen knew who it was without guessing.

This is definitely the girl with a brain problem when they came back.

I didn’t expect her to move so quickly, so quickly.

The two were lying on the table, no one moved, quietly waiting for her next move.

But with a comfortable gasp, they didn’t feel anything else.

The girl’s tone was a little shy: “I want to get rid of these two guys who are getting in the way, so I can be with my brother forever.”

The sound of footsteps slowly moved to Lin Kai’s side, and he felt a pair of calloused fingers rubbing on his face.

“I didn’t expect you to be so valuable.”

The woman “chuckled” and laughed: “That person said, as long as I can catch you, let me and my brother be together forever.”

“I thought it was difficult for you to deal with it. It was worth his money. Now it looks like it’s just a waste.”

“It’s really unlucky for my brother to be friends with you.”

Lin Kai couldn’t help laughing at what the girl said.

She fell in love with Li Shengxian, and he was really \*\*\*\* for eight lifetimes.

Lin Kai was waiting, waiting for the girl to call the person she worked with.

Sure enough, after five or six minutes, seeing that they were not awake, the girl started calling.

Through the phone they knew that in ten minutes, that person would come over.

Lin Kai had to take a good look, who would dare to do such a thing!

After a while, Lin Kai felt that he was \*\*\*\* by something, and he didn't even need to think about it.

After tying them up, the girl can be said to be up and down in front of Li Shengxian, not letting go.

Lin Kai was even thinking, if Li Shengxian knew afterwards, he would be sickened.

Our bell rang, and the girl said with a grin: "Brother, please wait patiently."

After opening the door, a somewhat familiar voice came.

"Have you caught those two untouchables?"

"It's just two rubbish. Naturally, I got it with my hands." The girl was a little arrogant, as if she had done something great.

"Good job."

At this moment, Lin Kai heard it, the voice was the voice of An Yizhe who almost ran into him.

Unexpectedly, he was so lingering and cooperating with such a lunatic.

"Since you have caught them, don't worry, I will fulfill my promise."

An Yizhe kicked Lin Kai's feet, his voice full of pride: "It's not five million, I'll give it to you."

"And that man, huh, can't teach him, it's really cheap for him."

Hearing that he was about to move Li Shengxian, the girl instantly became unhappy: "Are you going to move your brother? If you move him, I will kill you!"

An Yizhe looked at the crazy-looking girl, and stepped back in fear.

He almost forgot just now that Li Shengxian is her weakness, and he absolutely cannot mention it.

"Don't worry, I won't move him."

Seeing him say this, the girl put down the knife in her hand.

"Take them away, I'm going to sleep with my brother."

An Yizhe glanced at the girl disgustingly, no wonder Li Shengxian looked down on her, and looked no different from a man.

“You help me get them out.”

The girl originally wanted to refuse, but they couldn't be with Li Shengxian if they didn't leave, she could only agree.

Knowing what they want, Lin Kai and the others don't need to install it.

Easily broke free, Lin Kai moved his body with the rope on his body: “No trouble.”

“You, you, this... how is this possible!”

An Yizhe pointed at Lin Kai and shouted, “Didn't you say that they all passed out, did you catch them? What's the matter?”

Seeing them safe and sound, the girl was also dumbfounded. She obviously watched them eat it with her own eyes. It could not be okay.

“It's impossible, how can they be okay?”

The girl is also a little confused, obviously Li Shengxian has not woken up yet.

“Don't give me nonsense, don't catch them quickly, or you don't want to be with your brother!”

When An Yizhe yelled, the girl instantly reacted and rushed over with a knife.

“No one can stop me from being with my brother, I will kill you!”

## **Chapter 1171: No Son**

### Chapter 1171

The girl screamed and rushed towards them, as if she was her father-killer enemy.

“You two bad guys, you should die!”

When the girl rushed over, Lin Kai twisted his wrist, grabbed the girl's wrist, and gently applied force. She threw the knife in pain.

“what!”

The girl yelled, moved her wrists back several times, and stared at him viciously.

“You two dare to resist, you really don’t know what to say!”

An Yizhe stared at them angrily, looking like he could eat them.

It was a shame to dare to treat him that way, he would never let them get better.

“I’m telling you, if you mess with me to settle down, you will be over!”

“Really?” Lin Kai put his arms around his chest, looking at him in time.

“Excuse me, how can I be finished?”

“I will make you hard to survive, to die!”

“I’m so scared.”

Although Lin Kai said so, his expression could not show the slightest fear, and An Yizhe blushed with a thick neck.

“Hmph, I forgot to tell you, my dad will be here in a while, then, hum.”

An Yizhe sat on the sofa by the side, with a leisurely look.

He still didn’t believe it, and when his father came, they would dare to be so arrogant!

Anyone who provokes them to settle down will die miserably, even they are no exception!

“I am waiting!”

Lin Kai was a little curious, what would Anm do with his son?

If I let him go once, it doesn’t mean I will let him go a second time.

People’s patience is limited.

Soon An Mou arrived at Li Shengxian’s house in sweat.

When An Yizhe called him and said where he was, he felt that something was wrong.

The result is here, it really is.

When he saw Lin Kai and Yinshen in the room, his heartbeat thumped and he wanted to jump out of his throat.

Not to mention seeing Li Shengxian unconscious on the table.

No matter what the coma was because he was unconscious, this matter has nothing to do with his family.

Who made his son here?

At the same time, they offended Lin Kai and the Li family, and An wanted to faint on the spot.

His sons and daughters, why are they lacking in their heads, they keep working hard at Huo Huo'an.

An Yizhe didn't notice An's face at all, and was so happy to see his father coming over.

"Dad, these three idiots are looking for trouble for me!"

An Yizhe said angrily, "I just almost pretended to be dead. Is there anything to be angry about? Is there death?"

"Who did you say almost killed?"

An Mou was holding her chest, feeling a little difficult to breathe.

These three, no matter which one, he cannot afford to offend.

What happened to his son, he almost killed them?

Is this too happy?

"It's the one sitting on the sofa!"

Seeing his son nearly killed Lin Kai, An Mou's lips trembled, and he couldn't say a word.

This is a big man in Jiulong Mountain, let alone hit him to death, even if he scolded him, he didn't have the courage.

But what did his son say?

Almost killed him?

Before An Mou came back, An Yizhe continued: "They provoke me, so naturally they want to retaliate."

"Just let this silly woman give them medicine."

Said that An Yizhe stared at Lin Kai and Lin Kai grimly: "But these two \*\*\*\* dare to deceive me!"

“Dad, you must teach them well, I want them to die!”

Seeing his son’s look of resentment, An Mou felt like after falling into an ice cave.

What kind of sin was he doing, and finally let Lin open up and settle down, and his little son has caused such a big thing again.

At this time An Yizhe realized that there was something wrong with An’s face, and couldn’t help but ask: “Dad, what’s the matter with you?”

“You get out of here, I don’t have your son in my home, and you will never be my son again!”

An Mou severely slapped An Yizhe on the face, staggering him.

An Yizhe stared at him blankly, and did not realize what happened for a long time.

Shouldn’t it be his father who helped him teach Lin Kai them?

How could it become like this?

“Dad, what are you doing?” An Yizhe didn’t know what to say.

“What am I doing? You still have the face to ask what I do! Cough cough.”

Ann glared: “How come I have a son like you!”

“Do you know who this is? Lord of Jiulong Mountain!”

An Mou pointed to Li Shengxian who was unconscious on the table and said, “Who knows who is in trouble? Li Shengxian, the son of the best family in the East China Sea!”

“You dare to touch them, it’s amazing, I don’t have a son as good as you!”

Although An Yizhe didn’t know what Jiulong Mountain was, he knew about the Li family.

It is absolutely impossible for his father to lie to himself, this is all true.

Not to mention Lin Kai’s Jiulong Mountain, even the Li family can’t bear it.

“Dad, isn’t this true?”

In fact, An Yizhe is deceiving herself and others, wanting to find a little psychological comfort for herself.

“Not really? I think!”

An snorted coldly, and said to Lin Kai: “Mr. Lin, I don’t have this son. Whatever you do!”

After talking about Ann, he was ready to leave, he was not a fool.

In the current situation, An Yizhe can only be abandoned, otherwise the entire Anjia will be finished.

In fact, he had already heard it from his son’s words.

When Lin Kai was almost killed for the first time, he didn’t do anything, just to save Anjia’s face.

But who came to think, his thoughtless son, dare to look for something a second time.

Lin Kai gave them a good face, and he couldn’t make an inch.

“Dad, don’t do this!” An Yizhe took An’s arm with a horrified look, but was thrown away by him.

“It doesn’t matter how far you roll and how far you go!”

Anmou nodded to Lin and left directly.

The back figure is decisive, and it makes people feel distressed.

An Yizhe stared blankly at the figure of An leaving, how could he not believe it was true.

“How is this possible?” he muttered to himself.

According to what he thought, it shouldn’t be like this.

Shouldn’t Lin drive them unlucky?

Why is he now?

After a long moment, An Yizhe cursed at them: “You bastards, you are liars!”

“Don’t think that people who pretend to look like dogs can really have that kind of identity!”

“You are just a bunch of humble parasites, humble stuff.”

“Hurry up and admit me your mistake, or you will be killed!”

Now An Yizhe wholeheartedly believes that this is Lin Kai and their conspiracy.

The person who had just spoken to him was definitely not his father, and his father would not let others go.

Looking at An Yizhe, who looked like a madman, Lin Kai rubbed his brows with a headache: "Is this crazy?"

## Chapter 1172: Find

Chapter 1172

Yinshen thought about it seriously and replied, "Mostly."

Only families like them can better understand what kind of energy a big family like the Li family has.

If you tell an ordinary person, he will only sigh, it's amazing.

There is a feeling of hopelessness.

But it is different for them. They have power in their hands and know their power.

Therefore, they will be more afraid of more powerful forces.

Now I have offended the two big guys all at once. How could An Yizhe not be crazy?

"Go and wake up Li Shengxian."

Lin Kai had a headache, so it was good to pretend to be crazy.

If it is really crazy, it will only be sent to mental illness.

The \*\*\*\* the side has never spoken.

Seeing that Yinshen was about to touch Li Shengxian, he rushed over without thinking, and tightly protected her behind him.

"You demons, stay away from your brother!"

She waved the dagger in her hand and stared at the hidden \*\*\*\* warily.

Too lazy to waste time with her, Yinshen directly knocked her out.

"What's wrong with me!"

Li Shengxian wiped the water off his face, a little confused.

“You still have the face to ask?”

For Li Shengxian this time, Lin Kai was really disappointed.

To know that when he reached his position, too many people wanted his life.

Not to mention that Li Haoxian was still staring at her.

Since my home is being monitored, I should have a longer snack.

When Lin Kai shouted, Li Shengxian lowered his head, his face flushed, he was careless about this.

If it weren't for the presence of the two of them today, I wouldn't know what would happen to me.

After all, he still underestimated the hearts of some people.

If you want to kill him, naturally you will no longer care about the bottom line of morality.

“Brother Lin, don't worry, there won't be another time.”

This time is enough for his long memory!

Seeing An Yizhe who yelled like a madman, Li Shengxian showed a cruel smile.

Whether it is true madness or false madness, he must become a complete madman.

“Also, you also think of a solution to that girl.”

For such a woman, Lin Kai really feels no blessing, it is simply deadly.

Because of this incident, he felt that women were getting more and more scary.

“I know.”

Li Shengxian squatted down and looked at the woman on the ground. She had to say that she was really good.

But the more I look at it, the more Li Shengxian feels something is wrong.

He couldn't help but say: “Brother Lin, do you think she is a bit like Mr. He?”

Being reminded by Li Shengxian, if you look closely, it really is.

“Brother Lin, do you think she is Mr. He’s missing daughter for many years?”

Regarding He Zhishan’s other daughter, Lin Kai didn’t know about it.

Since Li Shengxian has said so, it is better to use the tricks.

The only thing that gave him a headache was how to make her obedient.

Lin Kai couldn’t help but turn his gaze to Li Shengxian aside.

“Brother Lin, what do you think of me like this?”

Li Shengxian took two steps back with some fear, always feeling that Lin Kai had some ulterior conspiracy.

“She is Mr. He’s woman, you must let him cooperate.”

“No, Brother Lin, you...”

If he were to change to a normal woman, he would never say a word.

But this woman, he felt that he really couldn’t do it.

Who knows, when did she go crazy and kill herself?

However, thinking of He Zhishan’s status, Li Shengxian gave his heart a bit, and agreed.

Although I don’t know why she likes herself, it doesn’t matter anymore.

As long as this woman listens to herself and can help herself achieve what she wants.

Seeing Li Shengxian’s promise, Lin chuckled and said nothing.

Although it is not sure if they are father and daughter, it doesn’t matter.

It is natural to make a full set of acting. If it is not for He Zhishan’s daughter, giving him this status is even a disguised compensation.

“Sir, what do you think?”

“It’s nothing.”

Lin Kai sighed and looked into the distance, not knowing what he was thinking.

He just suddenly felt that he was unscrupulous.

I was afraid that I would become the same person as Lin Yuan.

In fact, if you think about it carefully, aren't they just a kind of people?

Lin Kai shook his head funny, laughing at how he could have such emotions for no reason.

"By the way, Mr. Lin Qianqian is looking for you."

Lin Qianqian called him just now.

"what's up?"

"Invite you to a banquet."

"Do not"

"He Zhishan will also go."

Yinshen's words made him change his attention.

"When?"

"The night after tomorrow."

There are only two days left, and I hope she can cooperate well, otherwise she can only use strong means.

When Li Shengxian took care of the family affairs, Lin Kai had already left.

Looking at the woman who fell to the ground, he confessed his fate to tie her up.

Otherwise, who knows if this woman will burst out suddenly.

This whole is a madman. What is a joke with a madman?

After tying the woman, Li Shengxian was a little confused: "What did Brother Lin do?"

What are you doing, dont tell yourself.

Lin Kai, who was worried about him, looked at the gray-headed Tianshi Huang in front of him, somewhat helpless.

"You old thing, what can I do this time?"

"How do you talk!"

Tianshi Huang looked righteous: "We are friends, can't we find you if there is nothing wrong?"

"Do you think you are this kind of person?"

After being demolished by Lin Kai like this, Tianshi Huang scratched his head, a little embarrassed.

Haha quickly, think about it and fool around.

"Look at what you said. Don't worry, I will definitely not cheat you. It was all accidents before, hahaha, accidents,"

Looking at the awkward Huang Tianshi, Lin Kai sighed helplessly: "Okay, let's talk about it."

This is the master who does nothing without climbing into the Three Treasures Hall.

Seeing Lin Kai had said so, Tianshi Huang would naturally not continue to shirk.

He sighed, his expression low: "I'm in trouble."

These words made Lin Kai excited, and it was definitely not a simple matter to make this old thing troublesome.

"I don't know where a female grandmaster came out, saying she wants to be with me!"

"Am I like that kind of old and disrespectful person? Naturally I refused, but she actually haunted me!"

In fact, Lin Kai quite wanted to say that he was an old and disrespectful person.

But looking at his face, you know that this is not so simple.

"It's just that, she doesn't know how many things have harmed me, and she robbed my tripod! My tripod, that's my beloved baby!"

Speaking of Huang Tianshi, he slapped his thighs and cried, looking aggrieved.

A lot of age is not ashamed.

Listening to his deafening cry, Lin Kai only felt a little uncomfortable in his ears.

"Don't cry!"

## **Chapter 1173: Wronged**

## Chapter 1173

“I will cry!”

Huang Tianshi glared at him, as if he was a bully.

“Why don’t you make me cry!”

Tianshi Huang stood up and accused him: “Do you know how wronged I am? Do you know what that woman did to me?”

“It’s fine if you don’t help me get the things back, do you still say that?”

“You are obviously gloating? You just can’t see me!”

...

What Huang Tianshi complained was crying.

The listener was sad, and the listener wept.

In the end, even Lin Kai felt that if he didn’t help him, he would feel a deep sense of guilt.

“Stop talking, what do you want?”

Lin Kai clutched his faintly aching head and said, “What else do you do besides getting your tripod back?”

“You still understand me!”

Tianshi Huang hammered Lin Kai, and there was no noise in an instant, as if the person who was crying and crying was not him.

The speed of this face change is unmatched.

“I must let her learn a lesson, let her understand that my Huang Tianshi is not bullied!”

Tianshi Huang clenched his fists tightly, with a firm look.

Lin Kai, who was watching, couldn’t smile.

“Aren’t you trying to make her look good, but are you going?”

When Lin Kai said this, Huang Tianshi was like a frustrated ball, sluggish.

Lin Kai gave Lin Kai a stubborn look. He squatted directly on the ground, looking aggrieved: "I want to, but I can't beat her!"

"Hahahaha."

Lin Kai couldn't help but laughed out loud.

However, he also wanted to know how sacred this female grandmaster was, and could force this old fool to this point?

"What are you laughing laughing!"

Huang Tianshi stared at him angrily, and sighed deeply.

He felt that he was so unlucky to provoke such a cruel woman.

Not to mention taking his tripod, but still want him.

Tell me something, who can not be angry when you meet?

If you can beat her, do you need to make him laugh at yourself?

Looking at Tianshi Huang who was panting, Lin Kai shook his head funny.

"You don't know the details of that female master?"

"If you know it, you should say it. With my Huang Tianshi's face, who doesn't give me three points of thin face."

"But you, there is no clue, just like it appeared out of thin air."

This caused him a headache, and there was no way to find out, otherwise he would not come to Lin Kai.

The words of Huang Tianshi made Lin Kai fall into contemplation.

This is strange, unless it is a grandmaster who has been hidden for many years, otherwise, as he said, with his face, it is impossible to have no clues.

But the grandmaster who has not been out for many years can't get angry with him?

The more I thought about it, the more Lin Kai felt that something was wrong.

"You have been more careful these days, I will arrange for someone to check as soon as possible."

Lin Kai's face was a bit solemn, and there were no clues at all, but it was not so easy to check.

Tianshi Huang squatted down on the ground with his head down, holding a dry pipe, and smoking "tap bat", and his whole face was smacked.

Now I can only wait, and there is no other way.

"This will trouble you."

"I have news for you."

Tianshi Huang nodded, his whole person was a little awkward.

"My dear Xiao Huang Huang, why are you here?"

The sudden female voice scared Huang Tianshi into a spirit and threw directly on Lin Kai, just like a koala.

"You get out of here! You crazy woman, give me back my tripod!"

Tianshi Huang stared at his surroundings angrily, the aura of the whole person rising steadily, and the whole space felt a sense of depression for a time.

"Ouch, Xiao Huang Huang, why are you so angry?"

The female grandmaster didn't know where she was, and the voice came from all directions.

"I don't have time to play with you today. We will see you another day. And this kid, remember to come together."

Said that the whole world was quiet, only the whistling wind remained.

"Fuck!" Master Huang slapped the tree beside him, squatting down on the ground somewhat decadently.

If you find someone, you cant find someone, and you cant find any information. What do you ask him to do?

It was the first time that Lin Kai saw such a Huang Tianshi, patted him on the shoulder, no one said anything.

After a long time, Huang Tianshi sighed deeply and got up from the ground.

"If you can't find it, you can't find it. It's better not to cause trouble."

In fact, he just noticed that he was not her opponent at all.

What's the use if you can find the information?

Think of it as a disaster.

"I will help you."

"I know."

Tianshi Huang suddenly regretted his actions.

He knew Lin Kai's character best, but this matter was not so easy to solve.

This matter, just let it go.

Looking at the decadent Huang Tianshi, Lin Kai felt a little uncomfortable.

The two of them just sat quietly, watching the night, and no one spoke.

Gradually, a white fish belly appeared in the east, and the sky was red with the rising sun.

"Oh, my old bone sat with you all night. You have to make up for me!"

Looking at Tianshi Huang who reached out to ask for something, Lin Kai instantly wanted to put away his sympathy.

I really couldn't think of it at the time, how could I sympathize with such a thing.

How long has passed since it was obviously his problem, but now it has become his own fault.

"What do you mean by this expression? Are you unwilling?"

Tianshi Huang crouched on his hips, with a high-pitched look that made Lin Kai look helpless.

"You better go back quickly."

The Lin family was really scared. He continued to stay here and couldn't help but kill him.

"Humph."

Tianshi Huang glanced at him proudly and left directly: "You are not rare."

Looking at his appearance, Lin Kai didn't know what to say.

After finally sending it away, Lin Kai ordered: "At all costs, find someone to find out."

Suddenly there is a female grandmaster, how can it not make people think?

After thinking about it, he decided to conceal it.

If you notify Jiulongshan, this matter will be difficult to handle, after all, the old huyou tripod is still in her hands.

When the two of them walked back in the morning dew, they saw Li Shengxian's big and resentful face.

"Brother Lin, why do you let me be with this crazy woman myself."

Speaking of this, it is a bitter tear.

Not long after he tied the mad woman, she woke up.

I saw my mouth yelling constantly: "Brother, I really like it."

"Brother, I love you so much" and so on, his scalp numb.

He looked at him with that kind of fanatical look, as if he was some delicacy, scared him to sleep all night.

"Remember what we said yesterday?"

Lin Kai looked at Li Shengxian with a smile, but that smile looked like a demon in his eyes.

## **Chapter 1174: Discuss**

Chapter 1174

"Brother Lin, I suddenly regretted it." Li Shengxian couldn't help crying.

He wanted to go back in time and go back to yesterday.

Just dont have anything to do with Mr. He!

It's really impossible for him to talk to that crazy woman.

The look in her eyes was really scary.

He felt that if he let himself talk to her, he was afraid that his life would be lost.

“Do you want to regret it?”

Lin Kai looked down at him, and there was no emotion in his dark eyes.

The slightly raised lips made Li Shengxian feel that if he dared to say a word, his life would be over.

“Hahaha, haha.”

He laughed twice and waved his hand quickly: “How can I go back, look at what you said, Brother Lin.”

“That’s good.”

Lin Kai patted Li Shengxian on the shoulder and said earnestly: “Go and talk, let her agree.”

“I see.” Li Shengxian walked upstairs in frustration.

He glanced at Lin Kai who was following him, and sighed helplessly.

As soon as he entered, the girl stared at him closely, and shouted excitedly: “Brother, you came to see Xiaoya, Xiaoya is so happy, I know that my brother likes Xiaoya the most.”

“Brother Lin.” Li Shengxian turned his head and looked at Lin Kai pitifully. He really couldn’t do it.

“Come on!”

Seeing Lin Kai’s “it’s nothing to do with himself” appearance, Li Shengxian only felt that his heart could help him.

With a helpless sigh, Li Shengxian looked at Xiaoya in front of him and sighed.

“Do you know your parents?”

Xiaoya was taken aback when she heard Li Shengxian’s parents mentioning it, her expression a little dazed.

After a while, he said in a gloomy mood: “I haven’t seen them.”

Seeing her saying this, Li Shengxian was more sure.

“We know your father, so we will help you get home.”

“Help me get home?” Xiaoya stared at her blankly, her eyes lit up suddenly: “Will my brother be with me?”

“will not.”

“I won’t answer!” Xiaoya stared at her with burning eyes and shouted loudly: “I will only be with my brother!”

Li Shengxian rubbed his head with a headache and said, “You can help me when you go back.”

“Can I help my brother?” He said, Lin Chen brightened Xiaoya’s eyes.

“How can I help brother?”

Li Shengxian briefly talked about the matter, and after hearing it, Xiaoya agreed without thinking.

I don’t know why, seeing her innocent appearance, Li Shengxian suddenly felt a little intolerable.

After all, Xiaoya may not have anything to do with He Zhishan. For their selfishness, they were too selfish to drag her down into this maelstrom.

“Brother Lin.” Li Shengxian looked back at Lin Kai, wanting him to give himself an answer.

“You decide.”

He was asking Li Shengxian to choose, and at the same time he wanted to know whether the things he had done before were right or wrong.

“Forget it, Xiaoya, we are not sure if it is your father.”

“What your brother says, Xiaoya will do.”

Xiaoya stared at Li Shengxian enthusiastically, as if he was the meaning of her own existence.

Staring at such fiery eyes, Li Shengxian felt like a mouse in a stinking ditch and couldn’t help running away.

After he left, Lin Kai looked at Xiaoya, neither of them spoke, and the atmosphere was a bit embarrassing for a while.

After a while, Xiaoya took the initiative to speak: "If you dare to bully your brother, I will kill you."

"Actually, I am curious, why do you like him so much, as far as I know, he doesn't know you."

Seeing Lin Kai mentioned this matter, Xiaoya's face flushed slightly.

"I was saved by my brother accidentally."

Xiaoya's tone was a little sad: "I went to learn from others to be a princess, but I didn't sell myself. I didn't expect that one day I was almost caught by a customer. The overlord gave me a bow. My brother saved me."

"From then on, I will work at night and follow my brother during the day."

"As long as I can see my brother every day, I am satisfied."

Every time Xiaoya mentioned Li Shengxian, her spirit was in such a state of excitement.

Lin Kai sat aside, silently, being a quiet listener.

In fact, he felt that Xiaoya was too extreme, and his love for Li Shengxian was already a bit distorted.

But even if she said it, she wouldn't care.

After talking about it for a long time, Xiaoya suddenly looked at him and asked: "Are you the person your brother likes?"

With this question, the water in Lin Kai's mouth was sprayed directly, and it was the first time he was so gaffe.

"Ahem."

Lin Kai stared at her for a long time, but couldn't figure out why she could ask such a question.

"You don't need to answer, as long as your brother is happy."

Looking at the smiling gentle Xiaoya, Lin Kai shook his head, feeling that he really didn't understand a creature like a woman.

"What can I do to help brother?"

"You can do anything, but don't be too deliberate."

In fact, Xiaoya doesn't need to say it, Xiaoya also understands.

Staying in a sensual place for a long time, observing words and looks are the simplest basic skills.

"I will do my best to help my brother!"

For her, Li Shengxian is the only meaning of her existence.

As long as you can help him, let her die without hesitation for a second.

"I hope you remember what you said today."

Lin Kai suppressed his worry, he could see that Xiao Ya was not stupid.

Therefore, he cannot guarantee that after having the life of Master, she can still stick to her heart.

"You have also seen that when you saw Shengxian, your mental state was not right. You have to learn to exercise restraint or you will harm him."

"Good." Xiaoya nodded and agreed.

When Li Shengxian calmed down, when he came back, he found that Xiaoya was already sitting on the sofa beside him, and he was so scared that he stood still and couldn't move.

"Brother, why are you standing there?" Xiaoya tilted her head and looked at him with a lovely appearance.

"This, this...you...this..." He looked at Lin Kai and then at Xiaoya, somehow he couldn't figure out what was going on.

"You can stay here for a while, and I will arrange for you to meet tomorrow."

"it is good."

Xiaoya stood up, looked at Li Shengxian reluctantly, then turned upstairs one step at a time.

"Brother Lin, how did you do this?" God knows how hard Li Shengxian held back.

It is really amazing to make Xiaoya look like a normal person.

"She will cooperate with you."

Leaving a word, Lin Kai took a piece of clothing and left the house.

Li Shengxian was left in a daze, still a little confused.

“What the \*\*\*\* is going on.”

But it doesn't matter. With Xiaoya's help, Mr. He will care about him soon.

He just didn't know exactly what was going on.

“As long as you are ready, remember to go tomorrow.”

“Okay, I see.” Li Shengxian nodded, not saying anything.

## **Chapter 1175: This Is My Daughter?**

Chapter 1175 Is This My Daughter?

Since Lin Kai said so, Li Shengxian would naturally not ask.

Looking at the direction of the second floor, Li Shengxian sighed and left.

When he wanted to ask Lin Kai again, he had already gone out and disappeared.

Here, Lin Kai put his clothes on his arms and stood on the side of the road. His long body was erect, and he looked like an elegant young man. Many people on the side of the road turned to look at him.

“Sir, what are we going to do?”

“Nothing, just just walk around.”

Lin Kai just felt that his thoughts were a little confused, so he wanted to sort out his thoughts.

He quietly looked at the busy traffic on the opposite side, and his heart calmed down.

“Mr. Lin?”

The sudden voice interrupted Lin Kai's thoughts, and when he looked up, he saw He Zhishan's butler staring at him and smiling.

“Please get in the car.”

“Mr. Lin, I happen to be looking for you for something.”

As soon as he got on the bus, the butler looked at him with a smile and said, "Master hopes you can attend tomorrow's banquet."

"He has something very important to tell you."

"A very important thing?" Lin Kai nodded without asking much.

Since the butler has said everything and will tell himself tomorrow, there is no need to ask more.

"Tell you sir, to be mentally prepared tomorrow, I want to give him a big gift."

The butler was stunned for a moment, and then agreed with a smile: "Okay Mr. Lin, I will convey it for you."

After sending Lin Kai home, the butler left.

"Brother Lin, did you tell Mr. He?" Li Shengxian stared blankly at the back of the housekeeper He's leaving, still a little dazed.

They are not 100% sure yet, how can they tell Mr. He?

If this were false, they would be finished.

"I just met on the road, I have a sense of measure."

Seeing Lin Kai didn't say anything, Li Shengxian was relieved.

To tell the truth, only a woman's help can be used to talk to Mr. He, and he still feels a little uncomfortable.

Li Shengxian turned over and over all night and couldn't sleep.

Early the next morning, Lin Kai looked at his dark circles in a daze, "Are you going to be a thief?"

"Brother Lin, stop teasing me." Li Shengxian lay on the table weakly, not wanting to move.

Had it not been for seeing Xiaoya coming down from upstairs, he would have fallen to the ground.

After eating breakfast and wiping his hands clean, Lin Kai stood up and said, "Let's go."

Wearing a black tuxedo, Lin Kai's whole person was set off, just like a nobleman who came out of the Middle Ages.

There was nothing to say all the way, and when they arrived at the banquet place, they were already full of voices.

As soon as they entered the hall, they were taken away by the He's housekeeper.

"Please, you are already waiting for you now."

The butler glanced at Xiaoya suspiciously, feeling a bit familiar.

Under the leadership of the housekeeper, we went straight to the private room on the third floor and saw He Zhishan sitting inside.

He Zhishan stood up in shock when he saw Xiaoya who came with Lin Kai and them.

"Mr. He, long time no see."

"Long time no see, who is this?" He Zhishan couldn't wait to know Xiaoya's identity.

Lin Kai smiled and asked, "Mr. He, what do you think?"

He Zhishan looked at Xiaoya and couldn't say a word.

On the contrary, Xiaoya didn't feel at all for him.

Although Lin Kai knew from their mouths that this was probably his father, she still didn't feel anything.

She has been alone since she was a child, and suddenly there was an extra family member. For her, nothing has changed.

"It looks too much like me."

When He Zhishan said so, the butler also reacted.

"It does."

Just now Xiaoya lowered her head, he couldn't see clearly.

Looking at it like this now, two people are like a mold, carved out.

"Lin Kai, who is this girl?" He Zhishan looked at him hopefully.

"The specifics are still unclear, and an appraisal is needed."

He Zhishan also reacted to what he said.

With an identity like him, there are too many interested people who want to get involved.

Although Lin Kai wouldn't do this, he was afraid that someone else did it.

"We will go now."

He Zhishan couldn't wait for a minute. He told the host of the banquet, and then left with a group of people.

When you arrive at the hospital, you can directly use your identity to produce results as quickly as possible.

Rarely, He Zhishan walked around a little anxiously, and his whole person looked very different from usual.

As time passed by, He Zhishan became more and more anxious.

After anxiously waiting, the doctor finally came out.

Seeing the appraisal result, He Zhishan's hands trembled, and Xiaoya couldn't say a word.

"My daughter, I finally found you."

He couldn't help holding Xiaoya in his arms, tears running down.

Xiaoya frowned and struggled vigorously.

"My good daughter, I am a father." He Zhishan looked at her heartbroken, his face full of self-blame.

It's because he accidentally lost his daughter.

She suffered so many years, no wonder she didn't want to be close to herself.

"Lin Kai, I owe you a great favor."

He Zhishan solemnly said: "If you ask me to do anything in the future, I will definitely help you!"

The weight of this sentence is very heavy.

If he could say this sentence, he could see that Xiaoya's position in his heart was still very important.

He Zhishan looked at Xiaoya with an indifferent expression and kept admonishing himself not to be anxious.

But in the face of your own biological daughter, how do you let him control his emotions?

He wanted to say something, but looking at Xiaoya's situation, he couldn't say anything.

"Do you want to go home with Dad?"

"No, I want to be with my brother!" Xiaoya looked at He Zhishan resistingly.

Anyone who wants to separate her from Li Shengxian is a bad person in her eyes.

"brother?"

He Zhishan looked at Li Shengxian suspiciously, a little confused about what was going on.

Li Shengxian gave a wry smile and explained the ins and outs.

After speaking, he sighed: "Mr. He, you should take your daughter back quickly."

Now he was really scared and stayed with Xiaoya.

If you are not careful, you will lose your virginity.

Seeing Li Shengxian's disgust, He Zhishan blew his beard and stared: "Do you dare to dislike my daughter? What qualifications do you have?"

In He Zhishan's eyes, his daughter is so good that he cannot tolerate a word from others.

"You are not allowed to talk about brother!" Xiaoya red eyes, staring at He Zhishan angrily.

Xiaoya protects Li Shengxian very much, and does not recognize her father.

Seeing his daughter treat herself like this, He Zhishan only feels chilly.

"Xiaoya, I am a father! Will you go home with your father?"

## **Chapter 1176: Who Are You**

Chapter 1176

"I won't!" Xiaoya looked at him vigilantly, clutching Li Shengxian's clothes tightly, not letting go.

"Go back with your dad."

If it wasn't for He Zhishan's being here, he really wanted to throw Xiaoya away.

"I don't!" Xiaoya stared at Li Shengxian with red eyes, thinking that he just wanted to abandon herself.

Seeing Xiaoya's appearance, He Zhishan had no other choice but to sigh.

"You always have to go home."

Seeing Li Shengxian's serious look, Xiaoya just didn't let go.

"I don't want to go back!"

She just wanted to stay with Li Shengxian all her life.

"Do you think your current status is worthy of him? Donghai Li's family is an orphan girl who can enter without power and influence?"

Lin Kai's words can be described as a shock of thunder, which exploded in Xiaoya's heart.

Before, she just thought, looking at him from a distance, and seeing him very happy.

But people are greedy, the more they get, the more they want.

The more she came into contact with Li Shengxian, the more she was reluctant to give up.

Xiaoya felt pain in her heart when she thought that he would marry other women and have children in the future.

"Okay, I'll go back with you!"

It is not difficult to tell from Lin Kai's words that her father's identity is not simple, and she should be worthy of Li Shengxian.

Seeing Xiaoya's promise, He Zhishan breathed a long sigh of relief and cast a grateful look at Lin Kai.

And Li Shengxian, seeing Xiaoya agree, was also agitated.

I want to come back and go back. With He Zhishan's love for her, it should be difficult to go out.

He Zhishan held Xiaoya's hand tightly, for fear that his daughter, who had lost more than two decades, would disappear by accident.

Being so led by him, Xiaoya suddenly felt that it would be nice to have such a father.

When they returned to the banquet venue, everyone cast doubtful glances at Xiaoya.

What is He Zhishan's identity?

Any bit of news about him is worthy of their attention.

Now he suddenly brought a girl back, and everyone wanted to know what was going on.

"Xiaoya, you wait here with Lin Kai first, and I'll take care of something."

He Zhishan told Xiaoya about everything, for fear that something might happen to her.

Xiaoya didn't care about He Zhishan's advice, but she didn't notice the corner of her mouth at all, and she raised it slightly.

After speaking, He Zhishan glanced at Xiaoya and hurried upstairs.

After he left, Xiaoya held Li Shengxian's clothes tightly without letting go.

Seeing He Zhishan leave, these people are no longer idle.

"Where did this sparrow come from? Still thinking of flying on the branch with Mr. He?"

"Look at what things this is wearing, and have a face with two handsome guys."

"Who knows, who makes people thick-skinned. Hahaha."

...

Xiaoya didn't care at all as if she hadn't heard the ridicule of those women.

"Look at her, pretending to be cold, thinking you are something."

"Who knows, look, he still wants to hook up with Mr. Lin."

...

Lin Kai frowned as he listened to the discussion of those people, his face a little ugly.

After all, He Zhishan asked him to take care of Xiaoya.

“If you can’t speak, just shut up.”

Lin Kai’s words made those women’s comments disappear instantly.

They looked at Lin Kai and dared not say a word. After all, Lin Kai’s identity was not something they could afford.

“What kind of thing are you! This lady will just say what she wants!”

A domineering voice sounded, and a woman walked straight to several people, slapped Xiaoya in the face.

“court death?”

Lin Kai grabbed his wrist and twisted it so hard that he yelled out in pain.

“You dare to hit me, I will kill you!”

The woman shouted loudly, wishing to kill Lin Kai.

“What kind of thing do you dare to show off in front of you again!”

The woman yelled loudly: “Do you know who I am? My mother is about to marry Mr. He, and I will be Mr. He’s daughter from now on!”

“What are you guys, dare to do something to me here!”

Hearing what she said, the people who were planning to persuade them all stopped thinking.

I don’t know what the girl has to do with Mr. He.

But here is the person who is about to become Mr. He’s daughter. They still have a clear distinction.

“I tell you, apologize to me immediately!”

The woman raised her head slightly and said, “Otherwise, I will let my dad kill you, a group of lowly people.”

“It’s really a mistake to let you trash come here!”

In Tang Xin’s view, these people are simply waste.

What's your identity?

What are their identities?

Let alone scold them, even if they were to be beaten to death, they would have to suffer for her!

"Kneel me down right now!" Tang Xin said with his head held high, "Where are you talking about it!"

Tang Xin stared at them a little angrily, daring to ignore her, really bold.

"roll."

Lin Kai glanced at him, let alone becoming He Zhishan's daughter, even He Zhishan himself, he wouldn't necessarily save face.

"what did you say?"

Tang Xin wondered if he had misheard. Knowing his identity, he still dared to speak to himself like this?

I really don't want to live anymore!

"you"

"What are you?" Lin Kai slapped him directly, staggering her. If it weren't for the person beside her, she would have fallen to the ground.

"What if you are He Zhishan's daughter?"

Lin Kai sneered and said, "You can't take it wrong!"

"What did you say!" Tang Xin screamed, picked up something on the side table, and threw it at Lin Kai.

She throws it like this, and many people who watch the excitement have also suffered.

If it weren't for Mr. He's face, they wouldn't let her off easily.

Lin Kai dodged those things, rushed to her to kill in an instant, pinched her neck, and directly lifted it up to her: "Just say it if you want to die!"

Originally didn't want to cause trouble, since she is looking for death, then she will be fulfilled.

“You let me go, you... let go...”

Tang Xin kept struggling, only feeling that the air in her chest was getting scarcer. Even if she tried her best to breathe, there was no breath of air except for bursts of pain in her chest.

Her eyes turned black for a while, and she saw her mother in a daze, saying something to her.

She wanted to speak, but she couldn't say a word.

I don't know how long it took. When she was about to faint, she felt her neck loosened and she fell to the ground.

Lie on the ground softly, without any strength.

She felt as if she was being helped up, and after a while, she reacted.

“Cough cough, cough cough!” He coughed violently, as if to cough up his lungs.

When He Zhishan came down, he saw a group of people threatening Lin Kai them.

Thinking of the ugly faces of these people, he immediately became calm and squeezed in.

Tang Xin saw He Zhishan, as if he had seen a savior, and whispered, “Dad, they bullied me!”

## **Chapter 1177: I Do Not Know You**

Chapter 1177 I Don't Know You

“what did you say?”

He Zhishan wondered if he had heard it wrong, and quickly looked at Xiaoya.

He is a daughter like Xiaoya, how could there be other daughters?

Is this a joke?

It was hard to get my daughter to agree to go home with me, saying nothing that an outsider could harm my daughter and ignore me.

But when I heard this in Candy's ears, He Zhishan was angry and asked her what was going on.

I have to say that she is really good at replenishing her brain.

Tang Xin felt stiff at the thought of He Zhishan's support.

Pointing to Lin Kai and them, he shouted, "I see, you trash!"

"Tell you, if you don't kneel down and apologize, you will be over!"

"Mr. He is my father, he has provoke me, and the entire East China Sea has no place for you."

...

Lin Kai and the others did not speak, and looked at He Zhishan with a smile.

When Lin Kai looked at it like this, He Zhishan only felt an old face, flushed, and he had never been so embarrassed.

Let alone this girl, he doesn't even know him, how could it be her father?

Seeing Xiaoya who was silent on the side, He Zhishan was really angry and anxious.

If this misunderstands my daughter, it will be over.

But he wanted to know why Tang Xin said that, so he could only endure it first.

"Did you finish?"

He Zhishan couldn't help it a long time ago, but he just didn't say anything.

"Dad, hurry up and let people clean them up!"

Tang Xin stamped his foot, pointed at them and said, "They bullied me so much, it's too much!"

"I want to throw them into the harbor to feed the fish! Chop them up and throw them in!"

After finishing talking, Tang Xin held his head high and walked to Lin Kai and the others arrogantly: "Don't you think you are great? Are you going to be crazy?"

"What kind of special code is worth talking to Miss Ben.?"

"Apologize to me as soon as you know, or you can go company with the shark."

“Is it?”

Lin Kai put his hands in his pockets and looked at him with a smile.

Under the illumination of the light, there was a stubborn smile on the corner of his mouth, which made people feel shocked.

Tang Xin was bewitched by Lin Kai’s smile, looked at him blankly, and walked up to him in a mysterious manner.

He wanted to reach out to touch Lin Kai’s face, but was opened by him with a slap.

“You dare to hit me!” Tang Xin breathed fire in his eyes, wishing to kill Lin Kai.

“How about hitting you?”

Lin Kai grabbed his chin and forced him to look at himself: “You said He Zhishan is your father? You ask him, does she know you?”

The people around were shocked when Lin Kai called He Zhishan’s name directly.

“He wants his life? Dare to say that, Mr. He?”

“It’s so bold! I think I’m tired and crooked.”

“Look how long he can be arrogant, and see how Mr. He cleans up him!”

...

Lin Kai turned a deaf ear to the surrounding discussions.

He looked at He Zhishan and waited for him to speak.

He Zhishan couldn’t wait a long time ago. Now that Lin Kai spoke, he naturally wouldn’t save him much face.

“I don’t know her, and I don’t have this daughter!”

When this remark came out, everyone present was shocked.

Those who originally believed in Tang Xin turned back one after another and began to accuse her.

This is a good opportunity to please Mr. He. Maybe he was taken in by Mr. He. How could they let it go?

“She pretended to be Mr. He’s child? How bold!”

“This is the impatience to live, in front of Mr. He, dare to say that, it’s really fatal!”

...

“No, Dad, what are you talking about?”

Tang Xin looked at He Zhishan blankly, never expecting that she would say that.

Her mother clearly said that she is going to marry He Zhishan, and she will be the eldest of the He family.

How could it be like this now?

How could He Zhishan deny her?

Looking at the mocking gazes around him, Tang Xin felt the sky spinning around and he wanted to faint.

She looked at He Zhishan hopefully and asked, “Dad, do you know Tang Fang? Don’t you want to marry my mother?”

“Naturally know it.” He Zhishan had a bit of disgust on his face. He said that this girl is so shameless, who turned out to be the child of a bitch.

Seeing He Zhishan knowing his mother, Tang Xin’s heart rekindled hope: “Aren’t you going to marry my mother? What is going on now?”

“Heh, shall I marry that \*\*\*\* of your mother?”

He Zhishan looked at her coldly: “I am not blessed to accept a femme woman like her!”

He Zhishan was very angry when he mentioned Tang Fang.

He even dared to calculate him, if it hadn’t been for someone to protect him, he would be over that time.

Unexpectedly, it was not enough to teach her a lesson, and I dared to spread rumors online.

“Let me hear it again, you will disappear from the East China Sea forever.”

Tang Xin swallowed and couldn’t help taking a step back.

I don't know if it was her illusion. I always felt that He Zhishan would kill her if so many people were there.

She no longer dared to talk nonsense now, and now she has become the laughing stock of the entire East China Sea.

Choosing his fists tightly, Tang Xin couldn't wait to kill his mother.

It's that \*\*\*\* who lied to herself, otherwise how could she be so ugly?

The people around didn't expect to reverse so quickly, their gaze at Tang Xin turned from envy to disgust.

"It's really unexpected. I dared to pretend to be Mr. He's daughter. We would have been cheated if Mr. He hadn't revealed it."

"Yeah, really have a scheming."

...

Indeed, who in the entire East China Sea does not know the fame of Mr. He?

She said she was Mr. He's daughter, and no one really dared to question her.

Tang Xin looked at the people who evaded himself and couldn't help but tears.

She looked at He Zhishan and suddenly felt that what an outsider said was true.

If he is not ruthless, how can he be in his current position?

"Since someone wants to impersonate my daughter so much, I will let you know who is the real Miss He Jia!"

He Zhishan walked over and took Xiaoya's hand and walked to the front.

For what He Zhishan just said, everyone has a guess, but they are not sure.

"This is my biological daughter and the only eldest lady in the He family, He Wenya!"

He Zhishan's gaze slowly swept over the people present, and the people he saw bowed their heads.

"If anyone dares to pretend to be my daughter, wait for you to bear my anger!"

After finishing talking, someone immediately complimented him loudly.

“Congratulations, Mr., for getting her back, she is really gentle and lovely.”

After speaking, everyone began to follow suit.

“It’s Ms. He, she is really extraordinary.”

“Congratulations, Mr. He, I will have a banquet for Miss He tomorrow to celebrate.”

...

## Chapter 1178: Jealous

### Chapter 1178

Everyone rushed to praise Xiaoya, and they could not wait to use all the words of praise.

Tang Xin stared at the stage blankly. The glamorous Xiaoya only felt that her heart was throbbing.

“Why!”

She stared at Xiaoya fiercely, only to feel jealous.

Why can she get everything?

Obviously she should be enjoying those things, but now?

A woman who didn’t know where she came from, just so forcibly took everything about her?

She is not reconciled!

All this is what she deserves, and it’s all because of the \*\*\*\* He Wenya who snatched it from her.

Hearing the compliments of the crowd, Tang Xin only felt that those voices, like a sharp sword, pierced his heart fiercely.

With red eyes, she stared at several people on the stage fiercely, muttering to herself: “I want to kill you! Kill you!”

As long as she died, she would belong to Mr. He’s daughter, and those things would belong to her.

Groping on the ground, looking at the broken wine glass on the ground, Tang Xin couldn't help but smile.

"It's all mine!"

She squeezed the crowd and walked to Taishan long.

Looking up at the few people on the stage, there is growing desire in my heart.

"It's mine soon!"

Everyone was still complimenting Mr. He, without even noticing that Tang Xin was so close to them.

"go to hell!"

With a roar, the fragments in Tang Xin's hand slashed against Xiaoya's hand.

The blood shot out directly, spraying Tang Xin's face.

As if she hadn't felt it, she wiped the blood from her face and smiled wildly.

"Go to hell, as long as you die, it's all mine!"

Tang Xin waved the fragments in his hand and looked at Xiaoya on the side, laughing wildly.

He Zhishan and the others had already reacted, he kept Xiaoya behind and kept backing away.

Looking at them, Lin Kai felt a little helpless, really didn't know what they were thinking.

With a stride, she grabbed Tang Xin's wrist and knocked out the fragments in her hand.

He grabbed her arm and twisted it back fiercely, so that it screamed with pain.

After He Zhishan arranged for someone to send Xiaoya to the hospital, he slapped Tang Xin in the face.

"Well, dare to hurt my daughter, I won't let you go!"

It was really unexpected that Tang Fang taught such a good daughter.

In front of him, he dared to bully his daughter, and he didn't know what was going on.

And Tang Xin also woke up because of He Zhishan's slap.

Looking at the wolves and the angry He Zhishan, she realized what she had done.

“No...not me, not me!”

She shook her head and yelled, and she kept on the ground, struggling back and forth.

Looking at the blood all over the floor incredulously, Tang Xin only felt that his eyes turned black.

What did she do!

In front of He Zhishan there are so many officials and dignitaries, and he hurt Mr. He's daughter!

It's her mother, it's useless to have connections.

Offending Mr. He in the East China Sea, what is the difference with seeking ones own death?

“Mr. He, Mr. He, I know I was wrong!”

Candy yelled frantically: “My mother is not going to marry you, please, give me a chance! Please!”

She didn't want to die yet, she was still young, and she still wanted to enjoy youth.

“I said that I have nothing to do with your mother that bitch!”

He Zhishan squeezed her chin tightly, and Tang Xin's tears and nose flowed in pain, looking extremely embarrassed.

“Aren't you arrogant?”

He Zhishan directly dragged her down, looked at the people present and said: “He has something to deal with, so he won't be accompanied.”

Everyone naturally knew what they were going to do, and they all said politely.

Tang Xin was dragged by the security, and only felt a burning pain in his back.

But what made her more terrified was how He Zhishan would punish her.

On the way back, He Zhishan asked, “Mr. Lin, what do you want to do?”

Lin Kai naturally knew why He Zhishan asked, “I won't interfere.”

For this kind of thing, he is not interested.

When they passed, Tang Xin had already been cleaned up. His face was covered with cross-staggered palm prints, and he couldn't see his original appearance.

Seeing He Zhishan and the others coming, Tang Xin struggled to climb over.

"Mr. He, I know I was wrong, please let me go!"

She kept kowtow, praying for He Zhishan's forgiveness, and after a while, blood flowed down her cheeks.

Lin Kai and the others did not have the slightest sympathy for her embarrassed appearance.

It's just the blame.

"Don't you like hitting people? Satisfy you."

He Zhishan called the people on the sidelines and said: "You should know how to do it, don't let her die, I want her to survive or die!"

"Don't worry, sir."

Speaking of that, the man holding a whip full of staggered spikes in his hand, walked towards Tang Xin with a grinning grin.

The forbidding whip, under the man's hands, kept making scary sounds.

Tang Xin shrank in fear, regretting why he had acted hard.

But now it was too late to say anything, she didn't even have a chance to escape.

With the whistling wind, the long whip ran straight towards Tang Xin's body.

Even if she flees desperately, in the limited space, she can't scan anywhere.

The long whip hit him fiercely, scraping off countless pieces of meat.

"what!"

Tang Xin rolled around in pain, but that person kept shooting as if he hadn't seen it.

After watching it for a while, Lin Kai felt bored and left.

"Let's go back."

Lin Kai took a cigarette out of his pocket and held it in his mouth. It was ruffian, attracting the attention of many people.

“Sir, Miss Lin is opposite.”

Lin Kai looked up and saw Lin Qianqian, who was standing across the road, waving at her.

The hot figure attracted the attention of many men, and he wanted to stick his eyes on her.

“What’s the matter?”

Lin Kai calmly pulled away from Lin Qianqian, the smell of her perfume made him feel a little uncomfortable.

“Brother Lin, don’t you want anyone else?” Lin Qianqian hugged his arm and put her head on his shoulder.

“you”

“Don’t talk.” Lin Qianqian said in a quick tone: “There is a man on the other side who has been following me, sent by my opponent.”

“I’m not sure what he is going to do, help me!”

Since working with the Li family, more and more people have begun to look jealous at her.

In just a few days, she has suffered more than five attacks of various kinds.

She originally wanted to tell Lin Kai, but in the end she didn’t know why she gave up.

“Let’s go.”

He hugged Lin Qianqian stiffly and walked forward.

“I really can’t do anything. You have to find a way to help me this time.”

Lin Qianqian didn’t want to bother Lin Kai, but without his help, she really didn’t know what to do.

## **Chapter 1179: Behind The Scenes**

Chapter 1179

“I know.”

Lin Kai nodded and agreed, but it was a small matter.

Seeing his promise, Lin Qianqian was also relieved.

To be honest, she was really not sure that Lin Shanxi would not help her, after all, to be honest, the two of them had not yet reached that point.

“Dear Brother Lin, do you like people?”

Lin Qianqian drew circles with one hand on Lin Kai’s chest, smiling brightly.

When she said that, Lin Kai stiffened instantly, holding her hand and tightening slightly.

“Why do you want to agree with your body?”

“Of course it’s okay, why not just tonight?”

After Lin Qianqian finished, Lin Kai really wanted to let go if it wasn’t for the thought that someone was following her.

Seeing Lin Kai’s gloomy face, Lin Qianqian couldn’t help laughing.

It’s really interesting. Now there are not many men as innocent as him.

Now that I was met by myself, it was naturally inevitable.

Regardless of that consideration, being with Lin Kai is the best choice.

For Lin Qianqian’s thoughts, if Lin Kai knew her, he would definitely regret helping her.

“People are gone, let go.”

Lin Kai pulled Lin Qianqian out of her arms, smelling the perfume on her body, her face a little ugly.

“Don’t use these things in the future, they smell bad.”

Leaving such a sentence, Lin Kai turned and left.

Lin Qianqian was stunned for a while before realizing what he was talking about.

“Hahahaha.” Lin Qianqian smiled and her stomach hurts, she didn’t expect Lin Kai to be so boring.

Listening to the laughter coming from behind, Lin Kai went into a mess and almost hit a tree.

“Ouch.”

Suddenly a female voice sounded, and when he approached Lin Kai, he saw something, which turned upside down to himself.

Lin Kai, who didn't even think about it, took a step aside, but he didn't expect that the woman's abruptly twisted body fell to his body.

“Who is she!”

Lin Qianqian looked at the woman lying in Lin Kai's arms, she only felt that a heart was being roasted on a fire.

Although she knew that the two had nothing to do with each other, she just felt uncomfortable.

“I don't know.” Lin Kai directly pushed the woman in her arms out, regardless of whether she fell to the ground or not.

The woman staggered back a few steps, and still fell to the ground.

“Brother, what are you doing?”

The woman raised her head and looked at her pitifully, and the people watching were passionate.

Being stared at so wronged by her, there are really few male confessions that can resist.

Unfortunately, Lin Kai is one of the few men. She didn't care about her charm.

“roll.”

Lin Kai looked at the woman disgustingly, and his eyes flashed with final light.

By coincidence, fell on him? What kind of person do you really think he is a big fan?

“Handsome guy, my ankle is twisted, can you help me?”

The woman clutched her ankle and looked at Lin Kai pitifully.

It is difficult for any man to hold onto a woman like this, let alone a big beauty.

However, Lin Kai was not a person who pitied and cherished Yu, even if she died in front of him on the spot, she would not have the slightest fluctuation in her heart.

“Let’s go.”

Looking at the back of Lin Kai leaving, the woman hammered the ground hard, really underestimating her.

After they walked away, the woman got up from the ground.

“Go and check the information of the two of them, I want detailed information.”

She didn’t believe it, Lin Kai could really just guard Lin Qianqian alone.

There is a big beauty like her, who wholeheartedly wants to be a junior, but few men refuse.

What she didn’t know was that after Lin Kai and the others left, he asked Yinshen to check her information.

“Does she have any problems?”

In fact, Lin Qianqian thought it was quite normal, and when she saw a handsome guy, she naturally wanted to start a conversation.

“You don’t know her identity?”

I have to say that Yinshen’s work efficiency is very fast. In less than an hour, all the information of that woman has been in Lin Kai’s hands.

After reading the above content, Lin Kai handed the information to Lin Qianqian: “Do you think she doesn’t know you? There are many things, not for no reason.”

I have to say that Lin Kai’s words are quite right.

Lin Qianqian received the information with some doubts, and after reading it in three lines, everything was wrong.

“So it’s this \*\*\*\* woman!”

Because of the hard work, the information in her hand has been crippled in a disarray.

She really didn’t expect Yao Na, it was really good.

Knowing that there is someone behind him, I want to pry the corner.

But she didn't look at what she was, and dared to \*\*\*\* her!

"I will find a way to deal with it!"

She didn't know the master behind the scenes, so she couldn't do many things.

But now that I know it, it's much easier to deal with.

What a beauty plan, really interesting.

Lin Qianqian left after she finished speaking. Yao Na put her off behind her back before, but now she wants to get it back!

"Sir, are you okay!" Yinshen looked at Lin Kai worriedly, a little angry in his heart.

There have been too many things in the recent period, but he hasn't been able to help. He is really a failed subordinate.

"It's okay."

Lin Kai waved his hand and let the Yinshen go down, he wanted to be alone.

After Yinshen left, Lin Kai sat by the window, looking at the scenery outside, not knowing what he was thinking.

There is no clue as to where Lin Yuan is.

Although I got some news from Ai Ping, it didn't make much difference for him.

The power of He Zhishan and Li Cheng's family in the East China Sea is still good.

Even if they used all their contacts, they still haven't found any news about the Leiyuan Group.

"Is it hidden so deep?"

Lin Kai muttered to himself, for a moment he couldn't think of where Lin Yuan might be.

He also wondered if Lin Yuan would have left the East China Sea, but so far no news has come.

Of course it is also possible that Lin Yuan had already left.

But apart from Donghai, there was no other clue. He could only look around like a headless fly, and he might find it at some point.

“Lin Yuan, Lin Yuan.”

Lin Kai closed his eyes, fell backward, and fell heavily on the bed.

The sudden sense of weightlessness made Lin Kai stunned for a moment, and then his whole body relaxed.

His spirit is too tight and needs a good rest.

Lin Kai opened his eyes and stared at the ceiling without blinking.

There was a little cautious footstep outside the door, clearly reaching his ears.

He just lay down, motionless.

The voice paused in front of the door, then opened the door lightly.

With a “click”, the door was closed.

Lin Kai closed his eyes and felt a person appear by the window, looking at him motionlessly.

Where that person could not see, Lin Kai used a test hand to signal Yinshen.

The Yinshen, who was about to do it, stopped in an instant, waiting for his next move.

The man standing next to his bed said with some disdain: “I thought you were so good.”

## **Chapter 1180: For You Man**

Chapter 1180

The man walked around the bed and made sure that there was no threat, his steps became more brisk.

He moved quickly but carefully turned the whole room through.

I didn't know what he was looking for, but I rummaged through it and didn't find what he wanted.

“Fuck, it's so secretive?”

He looked at Lin Kai who was sleeping, stretched out his hand several times, and put it back.

If Lin Kai found out, he would be finished.

But thinking of the tasks the employer had given him, he bit his head and stretched out his hand.

As a result, as soon as his hand touched Lin Kai's clothes, he felt as if he had been caught by something, unable to move.

"What's going on?" He looked at the empty place in horror, tried hard, and found that he still couldn't pull it back.

Looking around, he found nothing, and a layer of cold sweat could not help but seep on his forehead.

With a sound of "gudong", he swallowed, and suddenly felt that the whole room was gloomy and windy, and his back was also chilly.

"In broad daylight, you can live to hell!"

Thinking of the money from the employer and suppressing the fear in his heart, Zhang Jian forced himself to calm down.

What age is this, how could there be ghosts?

Don't scare himself.

When he pulled his hand back again, he felt light and fell directly behind him.

"hiss."

He rubbed his aching back, somehow not sure what was going on.

He tentatively reached out his hand, almost touching Lin Kai's clothes, and he was not caught by anything like the last time, which made him breathe a sigh of relief.

"What's so scary?" He said indifferently, with a fearless look.

When he reached out and grabbed Lin Kai's clothes and was about to reach in, Zhang Jian only felt that the sky was spinning.

After he reacted, he found that Lin Kai had been grasped by both hands and pressed on the bed.

"Let go of me for your special mother!"

He struggled vigorously, but he didn't expect to be calculated by Lin Kai.

"Who sent you here!"

Lin Kai's voice was like ten thousand years of Xuanbing, icy cold.

Zhang Jian held his head high, looking like "What did you say, I don't know".

"Hurry up and let me go, or don't blame me for being rude!"

Zhang Jian struggled vigorously, but his strength was huge, and it didn't take long for Lin Kai to tie him up with a rope.

Looking at Zhang Jian, who was still struggling, Lin Kai didn't bother to talk nonsense with him.

"Yinshen, leave it to you."

Yinshen appeared directly in front of Zhang Jian, so scared that he fainted directly.

In the blue sky and white sun, a big living person suddenly appeared in front of him, who is not afraid.

After a glass of water passed, Zhang Jian woke up and looked around blankly.

When I saw the hidden god, his face turned pale.

Sweat dripped from my head like rain.

"Are you a human or a ghost!"

He wanted to retreat, but he was bound by a chair and couldn't move at all.

Zhang Jian closed his eyes and shouted continuously: "I didn't do anything bad, don't kill me!"

Listening to his screams, the hidden gods will scheming: "As long as you tell the truth, I will let you go! Otherwise, I will let you go down to the eighteenth \*\*\*\* and get rid of your skin!"

Being so scared by the hidden god, the room instantly filled with a smell of fishy smell.

"I said I said."

I'm afraid it's a step too late. His life is over.

"It was a woman who asked me to do this. I didn't know him. She said she would give me half a million after the fact. There are pictures on the phone!"

"Three years ago, I stole a woman's money, I didn't mean it."

“Two years ago...”

...

Zhang Jianke, you said yes, everything is no big or small, and you have explained all the bad things that you have done since childhood.

“Okay, shut up.”

After Yinshen finished speaking, Zhang Jian, who was still eloquent just now, shut up immediately.

A hand knife knocked Zhang Jian stunned, and Yinshen went to report to Lin Kai: “Sir, I’m asking.”

“It’s a bit capable, I found out so quickly.”

Lin Kai made a sneer at the corner of his mouth. I didn’t expect it. I just ran into that Yao Na today, and it didn’t take long for someone to come over and ask for trouble.

“She wants a contract?”

Lin Kai frowned and thought about it, not remembering what contract he had.

“It seems that Miss Lin signed a contract with the Li family.”

“It’s a good calculation.”

It doesn’t matter if you seduce him yourself, and send someone over to steal things, which is the best of both worlds.

“Sir, what are you going to do?”

Yinshen was already ready to take action on Yao Na. He was really impatient to send someone to attack Lin Kai.

“Play well with her.”

It just happens to be boring recently, so it’s better to pass the time.

“Yes.”

Lin Kai looked at Zhang Jian, who was unconscious, and couldn’t help but smile.

“Use his cell phone to call that Yao Na.”

Since you want to seduce a man so much, please satisfy her.

When Yao Na came over, she saw Lin Kai lying motionless on the bed like a dead pig.

“What did you do to him?” Yao Na breathed a sigh of relief after making sure that Lin Kai was still breathing.

She thought Zhang Jian killed Lin Kai, so she would be in trouble.

“Can’t find anything.” Zhang Jian spread his hands and said, “You don’t want to be with him, this is not an opportunity.”

Zhang Jian winked at him: “You are all asleep, what do you think he is thinking about?”

I have to say that Zhang Jian’s proposal made Yao Na very excited.

It’s rare to see a man like him who has respect for his identity and ability.

She couldn’t help thinking, if she had a relationship with him, could the whole Donghai do whatever she wanted?

However, she was also a little worried, and it was not uncommon for Lin Kai to turn his face and deny people.

Seeing Yao Na’s hesitation, Zhang Jian fanned the flames on the side: “If you take a picture then let him give you the contract. How about it, it won’t make you embarrassed.”

Having to say Zhang Jian’s words, it is said that Yao Na’s heart is up.

“You go out.”

After closing the door, Yao Na couldn’t help licking her lips.

“Lin Kai, I see how you quibble at that time.”

...

Listening to the sound coming from the room, Lin Kai couldn’t help but sneer at the corner of his mouth.

The Lin Kai in the room just used the pill that Lao Huyou gave him.

“Sir, it’s all taken.” Yinshen handed a video tape to Lin Kai.

## **Chapter 1181: You Threaten Me**

## Chapter 1181

“understood.”

Lin Kai put the video tape aside casually.

Looking at Yinshen, Lin Kai waved his hand and asked him to figure out a solution.

Yinshen glanced at Lin Kai hesitantly, and disappeared.

“Am I not normal?”

Lin Kai stared at him for a long time, then sighed slightly.

No response is impossible, but after passing a few women in Donghai, they didn't feel anything.

“a?”

He himself doesn't know who he likes now.

But it doesn't matter, he doesn't care about this kind of thing.

Besides, Lin Yuan's matter has not been dealt with yet, he really has no thoughts.

...

Lin Kai opened the door and went in, only to feel a scent, rushing to his forehead, choking him coughing.

Taking a look at the video recorder on the wall, Lin Kai walked over and turned it off.

When the hidden \*\*\*\* came back, the sky was already dark.

Seeing Lin Kai sitting in the living room, the whole person was hidden in the darkness, a little embarrassed for a while.

“Sir, I'm sorry, I...”

“Go and wake the two upstairs.”

Lin Kai would not say much about this kind of thing.

Yinshen adjusted his state, a bucket of ice water went down, and the two people on the bed started to “rub” and get up.

“what!”

“Who!”

Yao Na screamed, and when she saw the hidden \*\*\*\* on the bed, she grabbed the wet quilt and wrapped it around her body.

“Who are you!”

She stepped back a little aggrieved, and threw herself into Zhang Jian’s arms behind her without looking, and burst into tears.

“Lin Kai, look at him quickly, you even splashed us with water, you hurry up and kill him!”

Speaking, lying in Zhang Jian’s arms, feeling tears.

Zhang Jian was immediately stunned, and couldn’t figure out what was going on.

Why do I sleep in the same bed with Yao Na when I wake up?

The most important thing is that he still calls himself Lin Kai?

Yao Na couldn’t help feeling a little scared when she saw the people behind her kept silent.

She has also heard of Lin Kai’s name.

Is a moody, cruel master.

If he doesn’t like doing this by himself, isn’t it over?

She slowly withdrew from Zhang Jian’s arms, lowered her head slightly, showing her delicate collarbone.

Moving slowly, he raised his head and said, “Lin Kai, I don’t know what’s going on. It’s like that when I wake up.”

She said with red eyes and cried: “It must be Lin Qianqian who calculated me, it really has nothing to do with me.”

After speaking, she also saw the face of the person behind her, and was immediately stunned.

After reacting, he slapped Zhang Jian’s face without hesitation.

“How could it be you?” She held the quilt and stared at Zhang Jian viciously: “Where is Lin Kai?”

I didn't expect that he would dare to calculate himself, really bold!

Zhang Jian was still in a daze, so Yao Na slapped him in the face and his temper came up.

Isn't it your own employer? Isn't it just that you have some bad money? What else is so arrogant about being slept by yourself?

“You can give me a special shot and try again?”

Zhang Jian slapped Yao Na's face with a slap, and slapped her on the head tilted, and a slap print appeared on her face in no time.

When Lin Kai heard the movement coming upstairs, the two had already become a ball on the bed.

Pull my hair, I pinch your face, no one will be outdone.

“Mr.”

Lin Kai didn't speak, and just looked at them like that.

After ten minutes, the two let go of each other breathlessly and collapsed on the bed.

When she saw Lin Kai behind her, Yao Na got up from the bed and wanted to pounce on him.

“Lin Kai, why do you treat me this way!”

She asked Lin Kai loudly: “I don't care if you are in bed. What do you mean by finding such a man and putting it on my bed!”

Yao Na panted heavily and looked at Lin Kai with anger.

She felt that this was why Lin Kai didn't want to be responsible, so she deliberately put Zhang Jian on her bed.

“Sorry, I am not interested in a woman like you.”

This sentence was a blow to Yao Na, and she was so angry that she didn't say anything for a long time.

“Don't believe me, you can see for yourself!”

The projector on the wall was turned on, and Yao Na saw that she took the initiative to fall into Zhang Jians arms...

She clearly remembered that the person on the bed was Lin Kai, how could he suddenly become Zhang Jian?

"How could this happen?" She couldn't figure out what was going on.

Lin Kai on the side still looked calm.

But it was just a trick for Yao Na, which was a piece of cake for the hidden god.

"Yao Na, I advise you not to start with Lin Qianqian, otherwise I can't guarantee that she will sell these things to major TV stations. You should know the consequences by then."

Yao Na was very angry at Lin Kai's threat, and she was helpless.

The knuckles turned pale because of the force, she wanted to refuse, but she didn't even have the right to refuse.

Thinking of Lin Qianqian's harmless appearance, Yao Na couldn't wait to spit out a bit of blood.

I really underestimated her, thinking it was a little white rabbit, but unexpectedly it was a poisonous snake hiding in the dark.

"Okay, I promise you!"

Yao Na shuddered in pain with just a few words, just like a meat cut.

"I want to remind you, Lin Kai don't think that Lin Qianqian is what you see."

At this point, she naturally wouldn't let anyone care about Lin Qianqian.

"Do you think you are alone behind her?"

Yao Na smiled disdainfully: "Behind her is a big investor. Half of the companies in the East China Sea are involved. What do you think you are?"

After listening to what Yao Na said, the Leiyuan Group came to Lin Kai's mind for the first time.

But Lin Qianqian just told herself that she had heard it.

In fact, Lin Kai didn't want to doubt that when he was a child, the sister he protected had learned to deceive himself.

This was unexpected to Lin Kai, and he was a little disappointed.

The thoughts in his heart changed a lot, Lin Kai still had the indifferent expression on his face: "So what?"

"It's not how."

## Chapter 1182: Can't Wait

Chapter 1182

Yao Na sneered and said, "You are really a good dog by Lin Qianqian."

"What she asks you to do, you can do it, it's amazing."

Yao Na clapped her hands, her eyes full of mockery.

No one can insult Lin Kai!

Yinshen grabbed Yao Na by the neck and directly lifted it up to her: "You say it again?"

The cold voice made Yao Na shiver abruptly.

She only felt that it was more and more difficult to breathe, and her face was flushed, making her uncomfortable.

Holding Yinshen's hand, patted constantly, trying to let him go.

But how is this possible?

Had it not been for Lin Kai's existence, Yinshen would have divided her into five parts.

Anyone who insulted Lin Kai would not make her feel better.

"Throw it out, don't dirty your hands."

For Lin Kai's orders, Yinshen can be said to be 100% implemented.

Regardless of whether Yao Na wears clothes or not, she just lifted her by the neck and threw her out of the gate.

The moment she touched the cold floor, Yao Na had a shiver all over her body.

"Lin Kai, wait for me with your special code!"

Yao Na is no different from a crazy woman now.

She was wrapped in a quilt and couldn't call her assistant to pick her up.

Finally ran to the guard and wanted to borrow a phone call, but the guard had a good harassment.

Looking at the criss-crossing and bruising marks on her body, Yao Na just wanted to kill Lin Kai.

Lin Kai didn't have the slightest interest in knowing what Yao Na thought.

There is just one more enemy left and right.

With so many enemies, he didn't see anyone and killed him.

Zhang Jian looked at the two, feeling a little scared.

A big naked man, like a quail, shrunk pathetically into a ball, looking funny.

"What do you want to do?" Zhang Jian looked at them with fear.

Feeling that they are the devil, I regretted how I saw the money in the first place, and agreed to it.

It is certainly not an ordinary person who can make Yao Na pay so much money.

He is a small citizen who keeps his own feet and is now in such a big trouble.

"It's nothing."

Lin Kai looked at him with a smile, but in Zhang Jian's eyes, the smile looked like a devil.

"you"

Before he finished speaking, Zhang Jian stunned his head and fainted.

"Since you are dizzy, throw it into the sea and feed the fish."

Just finished saying this, Zhang Jian opened his eyes with a smile.

"What are we going to do, talk well, talk well, and make money with kindness."

Looking at his flattery look, Lin Kai felt a little speechless.

"Come here tomorrow afternoon. If you don't come, you are at your own risk."

“Are you coming?” Zhang Jian was crying, just like his mother who had just died.

Seeing Lin Kai’s expression, he nodded quickly: “Tomorrow must be on time, so now... can I go?”

“get out.”

Zhang Jian breathed a sigh of relief, like a pardon, grabbed a sheet and ran away.

He was not afraid of being seen by others, so he ran out in a trivial manner.

After solving them, Lin Kai’s mind was still echoing what Yao Na had just said.

Because it was the younger sister she protected when she was a child, Lin Kai didn’t investigate her, but this was not the reason she deceived herself.

Sending a message to Lin Qianqian, asking her to come over tomorrow, Lin Kai leaned on the sofa with a headache.

The night sky is full of stars, and the moon is half hidden by clouds, like a shy little girl.

The night breeze blew, and the leaves rang “swooshing”, like a piece of beautiful music.

In the silent night, a “click” broke, and the night sky.

The bird on the branch heard the sudden sound and was frightened.

Lin Kai couldn’t help laughing at the movement coming from outside the window.

I can’t hold back my breath. I came so soon.

Turning off the light, the room plunged into darkness.

Lin Kai sat on the sofa in the living room, motionless, like a sculpture.

Time passed, and the world returned to silence, with only a few occasional owl calls.

The sound of “cuckoo” made people feel a little scared.

“coming.”

Lin Kai muttered to himself, and then felt a night wind blowing into the room, dissipating the sultry heat in the room.

After the people outside came in, they went straight to the second floor without stopping, and walked to Lin Kai’s room.

Obviously, the investigation has already been done.

Looking at the bulging part of the bed by the moonlight outside the window, the knife in his hand was chopped off without hesitation.

As soon as he saw the cut, he felt something was wrong.

I opened the quilt and saw that there was no one on the bed.

“What about people?”

He tightly held the knife in his hand and carefully looked at the whole house, wondering where Lin Kai might be hiding.

“Boss, found nothing.”

“This is impossible!”

Before they came, they had already investigated, and Lin Kai never left here.

But why are people missing now?

“Are you looking for me?”

The sound from behind shocked the two of them, and the knives in their hands almost fell to the ground.

The two of them froze, afraid to move.

They didn't even notice anyone coming behind them. How did Lin Kai do it?

Turning around abruptly, the two slashed at the back.

But when they stopped, there was nothing in their sight.

Lin Kai was gone again.

“How is this possible?”

The two looked at each other incredulously, which was completely beyond their understanding.

How can a normal person have such a fast speed.

The sound of “gudong” swallowing was clearly audible in the silent night.

The two of them walked out on tiptoe, and no one dared to speak.

“You are leaving now?”

Lin Kai’s voice appeared again.

The two of them were so scared that they didn’t stand firm, and rolled straight down the stairs.

The two lay on the ground and couldn’t get up for a long time.

A smell of fishy smell filled the air, disgusting.

A person cried and said, “Big Brother, is he a man or a ghost?”

I thought it was a big deal, but whoever expected to encounter such a thing.

Don’t let the time come when the money has not been made, and your life will be taken in.

“I don’t know this.” The eldest brother in his mouth was also dumbfounded, and he didn’t understand how it became like this.

“Let’s go, brother, I haven’t married a wife yet.”

“Walk around.”

He really said that, and the two got up from the ground quickly, and ran out without looking back.

“Where are you going?”

Lin Kai, wearing white clothes, suddenly appeared at the door, and the two of them screamed in fright, rolled their eyes and fell to the ground.

“Mr.”

For Lin Kai like this, Yinshen is really helpless.

Who would have thought of Mr., there is such a side?

“Throw them out.”

## **Chapter 1183: Conceal Something**

Chapter 1183

After a glance at the two people who passed out, Yinshen sympathized with them.

Originally, Lin Kai didn't intend to say that, who knew that Li Shengxian had to play like this.

After solving them, Lin Kai looked at the house with a headache.

I'm so angry that all cats and dogs can patronize.

"Sir, why don't you go there?"

"No, I will move to Li's house in two days. The old Huyou has had too many things recently."

Lin Kai had a headache, leaning on the sofa with his hands on his head.

The news of that female grandmaster has not been investigated yet.

This has to be suspected, this is a conspiracy.

The old Huyou had never offended people before, and it was not so easy to figure out who did it.

Lin Kai just sat on the sofa and thought about it all night without any clue.

When Li Shengxian came down early the next morning, he was shocked to see Lin Kai like this.

"Brother Lin, what's wrong with you?"

"It's okay."

Lin Kai stood up, moved his body, staring at the morning sun outside the window in a daze.

The ringing of our bell interrupted Lin Kai's thoughts.

Opening the door, Lin Qianqian appeared outside with breakfast.

"Brother Lin, do you miss others? Otherwise, why would you wait for them early in the morning?"

Lin Qianqian cast a wink at him and squeezed in through the crack in the door.

Because the gap in the door was relatively small, she almost stuck her whole body on Lin Kai's body.

“Brother Lin, you...”

“Talk in the study.”

Seeing Lin Kai’s appearance, Lin Qianqian no longer smiled hippily.

Lin Kai didn’t talk too much nonsense with her, and asked straightforwardly: “Let’s talk, what is your relationship with Leiyuan Group.”

“What Leiyuan Group?” Lin Qianqian stared at her suspiciously: “I just heard this name by chance, and I don’t know it.”

“is it?”

Lin Kai looked at her coldly, with some experiments in his heart.

Sure enough, people will change.

For the benefit, it is really unscrupulous.

Lin Qianqian didn’t understand what Lin Kai was doing.

He took the information he handed over and looked at it in three lines.

After reading it, the whole person sank heavily into the sofa, clutching his hair, his face a little unbelievable.

“How can this be?”

She couldn’t believe it, but it was written in black and white that it was impossible to make a mistake.

“He clearly told me, no, it has nothing to do with them!”

Lin Qianqian walked around the house a little violently, still yelling.

Lin Qianqian sighed heavily while holding her hair with her hand, and fell to sit on the sofa.

“I don’t know what Leiyuan Group invests in me.”

She looked straight at Lin Kai, his reflection in her moist eyes.

“The reason I feel familiar is because they have found me.”

“But the conditions you can see are too much.”

Lin Qianqian spread her hands, shrugged and said, "As you know, I have paid too much for this company and it is impossible to promise."

"They found me many times and I thought they gave up."

"I didn't expect to change a company."

Lin Qianqian's tone was a little helpless, she thought that Leiyuan Group had given up.

Unexpectedly, the use of roundabout tactics, a new face, hurt myself to this point.

But it was too late to say anything. Lin Kaiben wanted news from that company, but he didn't expect to forget it.

Looking at Lin Qianqian's annoyed look, Lin Kai couldn't help laughing.

Dont check the companies that invest in them?

Since Lin Qianqian is unwilling to say it, don't say it.

I have time to wait.

"What else do you want to say?"

Looking at Lin Kai's attitude, to be honest, Lin Qianqian felt a little confused.

Lin Kai has helped him a lot for so long, and if he suddenly changes his mind, he will not lose much to himself.

But what do you ask her to say?

She doesn't know anything.

Seeing Lin Qianqian's blank face, Lin Kai had no hope for her.

Whether it is true or not, or false or not, let him go.

Left and right are just a Leiyuan Group, and he has time to spend with him.

Lin Qianqian glanced at Lin Kai cautiously, what she wanted to say, did she not speak.

"You go." Lin Kai didn't want to say much.

Lin Qianqian sighed, turned around and left. Just when she reached the road, she felt black in front of her and fainted.

“Sir, leave this to me, you sometimes feel so soft-hearted.”

I have to say that what Yinshen said was right, it was his little sister when he was a child.

Lin Kai couldn't bear to do anything with her.

Of course, the premise of all this is that when she didn't touch her bottom line, otherwise he would not let anyone go.

After a long silence, Lin Kai nodded gently.

Yingshen carried Lin Qianqian who had passed out of a coma, and found a room on the second floor.

When Lin Qianqian woke up, she found herself kidnapped.

“anyone there?”

The voice kept thinking back in the empty space, but no one appeared.

I don't know how long it has been, maybe a few hours or tens of minutes, Lin Qianqian has already adapted to the darkness in front of her.

A dazzling light suddenly pierced her eyes.

The sudden light made her unable to open her eyes at all, she just felt that her eyes were black.

“who are you?”

The man did not answer, and the light disappeared.

After Lin Qianqian felt that her eyes had returned to normal, the light appeared again.

After a few times, Lin Qianqian collapsed a little.

“What do you want to do?”

“Hand over your company!”

“impossible!”

Lin Qianqian shouted: “Even if I agree, the investors behind me will not agree!”

This was what Yinshen was waiting for. He deliberately asked doubtfully: "Do you have any investors, didn't you start from scratch?"

Lin Qianqian became dumb when asked by the hidden god, she even forgot about it.

Because Lin Kai asked about himself before, he forgot about it.

"Better hand over your company, otherwise I won't let you go!"

"Behind me is Leiyuan Group!"

Lin Qianqian yelled and said everything she knew.

In fact, she only recently learned about it from investors.

Originally planned to tell Lin Kai, but was delayed by things.

When the result was about to tell him, he already knew.

I really couldn't cleanse myself by jumping into the Yellow River.

After listening to what she had explained, Yinshen knocked her out again.

"Brother Lin, this is all Lin Qianqian knows."

Since this incident, Yinshen's affection for Lin Qianqian has disappeared.

My husband tried his best to help her, how did she return?

"I know." Lin Kai nodded, it seems that Lin Qianqian doesn't know much.

But then you can start from the investment company behind her, maybe you can find something useful.

## **Chapter 1184: Justify**

Chapter 1184

When Lin Qianqian woke up, she found that she was already in the hospital.

She couldn't help but laugh at herself a little, she was really an indissoluble bond with this hospital recently.

Others are proud of their love and career.

When I got here, I became proud of my career, and my body was in bad luck.

Turning his head, he found that Lin Kai was asleep on the sofa next to him.

Thinking of what she had concealed from Lin Kai before, Lin Qianqian only felt that her heartache was beyond the reach.

After doing something like that, he still treats himself well as always.

Looking at Lin Kai's sleeping face, Lin Qianqian only felt a heart beating fast.

He sighed, thinking about the past, and still some lingering fears.

In fact, at that time, she also thought about whether this matter was done by Lin Kai?

But in the end she denied it.

Because he didn't need to do this.

If he wants to know what is going on, he can ask himself, and she will say it too.

Even now, she couldn't figure out who did it. If she didn't call it out, she would be her enemies.

Otherwise, they won't have their own company as soon as they come up.

If Yinshen knew, he would definitely laugh out loud. Unexpectedly, I asked casually, throwing the scapegoat to others.

"you're awake."

Lin Kai's voice interrupted Lin Qianqian's thoughts.

Looking at Lin Kai, she gave a grateful smile: "This time I trouble you again, Brother Lin."

Looking at Lin Qianqian's smile, thinking of what she said before, Lin Kai's smile was a little faint.

"You have a good rest, I'm leaving now."

"forest"

Lin Qianqian wanted to say something, but Lin Kai had already left.

Seeing his disappearing back, Lin Qianqian only felt a pain in her heart.

Blame her, why not tell him at the beginning?

Now Lin Kaili is definitely uncomfortable.

If this matter were put on herself, she would also be upset.

Sighing, Lin Qianqian stared at the ceiling in a daze.

After leaving the hospital, Lin Kai asked Yinshen to check the investment company behind her.

He stood at the entrance of the hospital, looking at the tired crowd, and sighed.

All beings are suffering.

But still have to live.

“Step aside!”

Lin Kai felt that his shoulder was hit hard, and then he heard shouts from behind.

“Catch the thief!”

Without thinking about it, Lin Kai reached out and grabbed his shoulder, slid down, grabbed him by the wrist, and grabbed him back.

“Fuck you uncle, don’t give me nosy!”

Looking back, Lin Kai gave Lin Kai a vicious look, and the dagger in his hand slid towards Lin Kai without hesitation.

An old but worried voice shouted loudly: “Child, let go!”

Lin Kai turned a deaf ear to the old man’s cry and directly knocked out the dagger in her hand.

Grasping his arm and twisting it back vigorously overpowered him.

The man knelt on the ground, struggling vigorously.

Seeing that I was struggling, I began to beg for mercy: “Hero, I was wrong, I know I was wrong.”

“Please let me go, this time you will divide half of the money.”

“To shut up!”

Lin Kai was too lazy to listen to nonsense, so he fainted and called the police.

This kind of thing is best handled by the police.

After Lin Kai knocked the man out, the old voice sounded just now: "My child, why are you disobedient? That's a knife. What should I do if I hurt you? Let the auntie see."

Before Lin Kai could react, he felt that he was being dragged around, and he was constantly being touched by a pair of rough but warm hands.

Seeing that there was nothing wrong with him, the old lady breathed a sigh of relief: "You are scared to death, aunt, fortunately you are fine."

The old lady, Aunt Zhang, looked at the wallet in the thief's hand, and after thinking about it, she took out a dozen of them and handed them to Lin Kai.

"My child, too many aunts can't give you. Thank you so much. Don't be too small."

"No need to."

He just saw an uneven road and didn't want to repay him.

"How can this work!"

Aunt Zhang insisted on giving Lin Kai money, but he couldn't help but accept one hundred at the end, and Aunt Zhang kept talking about it.

Lin Kai was planning to leave, and Aunt Zhang insisted on holding him and inviting him to dinner.

Lin Kai, who couldn't hold Aunt Zhang, followed behind like a little poor.

After walking around for a long time, the two came to a dirty small alley.

As if afraid of Lin Kai's disgust, Aunt Zhang explained with a smile: "It's just that it's dirty outside, it's not like this at home."

Aunt Zhang said with a sigh: "I don't know what my son does. I have to let the family stay here. You said it's not because you have no money to buy it in the city."

Listening to Aunt Zhang's words, I don't know why Lin Kai always felt that this matter was not easy.

Followed Aunt Zhang into the house slowly, and when he entered the house, Lin Kai showed a "sure enough" expression.

Don't look at Aunt Zhang's house in such a dilapidated alley, but the decoration of the house is not inferior to that of the top family of the Wang family.

"Aunt Zhang, take the liberty to ask, what does your son do?"

Seeing Lin Kai raised this question, Aunt Zhang sighed: "This kid, tell me what company I am working for. Just find a company that needs investment."

"We don't know the specifics. It is said that their company invested in other companies at least tens of millions."

"I don't know a bad old lady. I don't see anyone day by day. I call my family hundreds of thousands every month."

Aunt Zhang was not afraid of Lin Kai's intention to see Cai, so she told Lin Kai about her son's situation seriously.

After listening to it, Lin Kai's first thought was that Aunt Zhang's son could not be separated from the Leiyuan Group.

He didn't expect that an accidental act of courage would bring such a big surprise to himself.

"Aunt Zhang, when will your son come back?"

"I don't know. I will tell you in advance every time I come back."

Aunt Zhang sighed, her eyes full of kindness when she looked at Lin Kai.

She is half of her body buried in the loess, naturally she doesn't care about the money.

The only thing I think about is my son, who can accompany myself more, but even such a wish cannot be realized.

Now suddenly seeing Lin Kai who is about the same age as her own son, she subconsciously regarded it as her own son.

Lin Xinzong was also very moved. Looking at the wrinkled Aunt Zhang in front of him, Lin Kai's heart also felt pity.

Aunt Zhang, she was really pitiful.

Seeing Aunt Zhang's gaze, Lin Kai helped her sit down cautiously: "If you don't dislike it, I will come to see you every day."

"Well, what a good boy." Aunt Zhang patted Lin Kai's hand and couldn't help but tears.

“Don’t leave today, and try the aunt’s craftsmanship.”

Lin Kai couldn’t help but agree to it.

## Chapter 1185: Bully Bullying

Chapter 1185

“I tell you, don’t trouble my old lady here!”

If Lin Kai had not come today, Aunt Zhang would not have made such a big fire.

Instead of throwing a few thousand dollars to him as usual, money is of no use to her after all.

It might be because Lin Kai looks so much like her son, she subconsciously wants to protect him.

“Bad old lady, you quickly get the money for the little master, or you will be killed!”

A slouchy voice sounded outside the door: “What do you want me to do, believe it or not, I will tear down your house in a while.”

“A bad old lady, dare to be arrogant to me?”

Speaking outside the door, there was a more intense slamming at the door.

Aunt Zhang was so angry that she was about to go out with a kitchen knife, but was stopped by Lin Kai.

“Don’t tell me the child, Aunt Zhang will protect you.”

She seemed to have completely forgotten that Lin Kai had helped her catch the thief before.

Seeing Aunt Zhang who was going out aggressively with a kitchen knife, Lin Kai touched her nose and followed behind her.

It was the first time that he was so protected when he grew up.

The gangster was about to kick the door, but Aunt Zhang opened the door.

Lin Kaiyan quickly pulled Aunt Zhang to the side, and the gangster fell directly to the ground without getting up for a long time.

“Fuck you uncle, dare to shame me!”

The gangster spit out sputum and stared at the two men fiercely: "If you are acquainted, give me the money quickly, otherwise don't blame me for being polite."

Grandma's legs, this old lady is usually not good at obedient, and today she is hardened.

It's really annoying to dare to talk to him like this.

If it hadn't been for seeing how much money the old lady had, it would have made him cool for a while, it would have killed her long ago.

Looking at Lin Kai who was standing by and not speaking, the little \*\*\*\* touched his chin, thinking that this old lady was so arrogant today that most of the people supported her.

"I said the old woman, who is so arrogant today, it turns out that the son is back."

The little \*\*\*\* walked up to Lin Kai arrogantly, grabbed his clothes and took a look.

"I thought it was so rich, it's not just a stall."

He clapped his hands and said, "Boy, go and inquire, who doesn't know my Long brother?"

"As for you, if you don't want to die, just give me money. Otherwise, don't blame the labor and management for being rude, even if you kill you, no one dares to say anything."

"You get out of here!" The old lady waved the kitchen knife in her hand, frightened that Long Ge aroused, and quickly stepped back.

After reacting, I felt a little embarrassed to do so.

Standing in front of Aunt Zhang like a remedy, he arrogantly said: "Chop, you can chop if you have the ability."

"Want to scare you Long Brother me? What a joke."

Looking at Brother Long who stretched out his hand, Aunt Zhang brandished a kitchen knife and chopped it down.

She was not a vegetarian before, if it weren't for her age, she didn't want to cause trouble, and she wouldn't speak to him in a good voice.

Since she is so ignorant now, don't blame her.

Brother Long didn't expect that Aunt Zhang would really do it, and he was stunned for a while without reacting.

Lin Kai was surprised and returned to normal.

It is not a joke for an old lady to live in such a mixed place for so long.

Seeing that the kitchen knife was about to fall into his own hand, Long Ge woke up like a dream and fell to the ground all of a sudden, but it was also because of this that he hid.

Seeing that Aunt Zhang was about to do it again, Brother Long didn't care about anything else, so he ran away crawling around.

"Little Yakuza, really looking for death."

Aunt Zhang dragged Lin Kai in angrily, and said as she walked: "I will see that they don't have to give them face in the future, a bunch of messy dogs!"

Hearing what Aunt Zhang said, Lin Kai couldn't help laughing.

The big difference before and after Zhang Aunt surprised him a bit.

"You wait here, I'll cook."

Looking at Aunt Zhang's back, Lin Kai couldn't help laughing.

Before long, the clamor of Brother Long rang out again.

Seeing Aunt Zhang carrying a kitchen knife and rushing out, Lin Kai quickly stopped her.

"Aunt Zhang, let me go, I'm still waiting for you to cook for me."

Aunt Zhang glanced at Lin Kai suspiciously, but nodded, "Then you should be more careful."

After Lin Kai opened the door and went out, he saw Brother Long standing outside with a dozen younger brothers.

"Let that old lady get out of me!"

Brother Long arrogantly said: "And you, just looked down on me, right?"

"Apologize to the Lord immediately!"

“Apologize? What are you?”

“Brothers taught me a lesson. He dare to look down on me. I’m so impatient!”

Talking about the group of younger brothers, they rushed over with sticks.

“It’s really troublesome.”

Lin Kai looked at them impatiently, a group of mindless things.

“go to hell.”

A man carrying a baseball bat, without hesitation, hit the head on the incoming.

Seeing that Lin Kai had no intention of avoiding it, he couldn’t help but laughed: “This is a \*\*\*\* fool!”

As a result, before the baseball bat fell on Lin Kai, he was caught and threw it directly over the shoulder.

Without waiting for those people to react from the shock, Lin Kai rushed in.

In less than two minutes, those people fell to the ground one after another, leaving Brother Long standing alone.

He looked at Lin Kai blankly, his eyes full of fear.

“This... how is this possible?”

He couldn’t even think about what happened before him. So soon, his brothers were defeated?

Seeing Lin Kai walking away from him step by step, Brother Long wanted to escape.

But his legs didn’t listen at all, and stood still on the spot trembling.

“Didn’t you finish talking about killing me?”

Lin Kai grabbed him by the neck and lifted him up.

Brother Long grabbed Lin Kai’s hands and struggled constantly, trying to break his hands away.

But no matter how hard he tried, it won’t help.

“If you come to trouble Aunt Zhang again, go and die.”

After leaving such a sentence, Lin Kai directly threw Brother Long out, hitting a trash can not far away, and then stopped.

Brother Long was directly stunned, and it took a long time to react.

Struggling to get up and escape, he really knew he was scared.

Provoking such a big man, he is afraid that he will be finished.

When Lin Kai returned, Aunt Zhang came out with a dish.

Seeing him come back, he quickly put down the dishes and looked at him seriously.

“It hasn’t been injured for a few days, those gangsters, just ignore them.”

“Aunt Zhang, I’m fine, they will not harass you anymore.”

Looking at the smiling gentle Lin Kai, Aunt Zhang couldn’t help tears.

She is an old man and hasn’t enjoyed the feeling of being with her son for too long.

Lin Kai’s appearance undoubtedly gave her a lot of comfort.

“Wait, the soup I made before I went out was so good immediately. You can eat these three dishes first.”

## **Chapter 1186: Say Or Not**

Chapter 1186

Aunt Zhang greeted Lin Kai for dinner, but she ran to the kitchen to keep busy.

“Let’s eat together.”

Yinshen had been drooling looking at the dishes on the table, but suddenly a big living person appeared. He was afraid that Aunt Zhang would be scared?

“Sir, isn’t this bad?”

“It’s okay.”

Seeing Lin Kai said this, Yinshen appeared directly, looked at the food on the table, and moved his index finger.

It has been a long time since he had eaten such a delicious meal.

Seeing that he was happy to eat, Lin Kai went to the kitchen.

“Aunt Zhang, I have a friend here. I’m sorry to tell you in advance that it’s okay.”

“Are you friends here?” Aunt Zhang said with some surprises: “You don’t tell me earlier, I’ll cook a few more dishes.”

Seeing Aunt Zhang opened the refrigerator and went to prepare other things, Lin Kai quickly stopped.

“Don’t be busy, there is enough for us.”

Speaking strongly, she pulled Aunt Zhang out to sit down and eat.

The Yinshen nodded at Aunt Zhang stiffly, sitting still, afraid to speak.

“You kid, hurry up and eat.” Aunt Zhang kept picking up vegetables for the two of them.

Faced with such concern from their elders, both of them were a little at a loss.

But I have to say that this meal is the happiest meal the two have eaten in recent years.

Accompanying Aunt Zhang to gossiping for a long time, because there are still things the two of them are preparing to leave.

Chatting with Aunt Zhang made both of them feel very relaxed.

“You two go back slowly, come and see my old lady if you have nothing to do. Eat more, more...”

Aunt Zhang took the trouble to tell them, and the two of them felt warm.

“You go back quickly.”

The two had just left the alley where Aunt Zhang’s house was and ran into a young man in a suit and leather shoes.

“Why are you here?” The young man looked at him vigilantly, stopping them from leaving, as if they were thieves.

“Trouble, give way.”

Lin Kai didn’t want to talk nonsense with him, and was about to pass by, but was caught by the man.

“You little gangsters, asking for money from an old man all day long, what kind of ability!”

“I tell you, if I ask my mother for money again, I will kill you!”

Speaking of men reaching out, the meaning is obvious, that is, to let them hand over the money.

“Shall we find someone to ask for money?” Lin Kai couldn’t help laughing.

“Laughing fucking, hand in the money as soon as possible, or get you in!”

“Sorry, get out of trouble.”

“Toast and not eat fine wine!”

The man in the suit said, waving his fist, and hit Lin Kai.

“what!”

Looking at the fist held by Lin Kai, the man in the suit felt a sharp pain in his arm.

Because it was very close to Aunt Zhang’s house, Aunt Zhang, who heard the movement, ran out in a hurry, for fear that they might encounter those little punks.

When she went out to see the two people fighting in a group, Aunt Zhang hurriedly shouted: “Stop it, you two!”

Seeing Aunt Zhang rushing over, the two were also very scared.

“Yin Shen, stop Aunt Zhang!”

“Mom, don’t come over!”

Hearing the other’s name, the two stopped instantly.

Lin Kai pulled up the man in the suit who fell to the ground by himself.

“You are Aunt Zhang’s son?”

“Lin Kai, are you okay?” Aunt Zhang breathed a sigh of relief when Lin Kai was not injured.

Looking at her embarrassed son, Aunt Zhang stopped typing out: “Okay, Zhang Ye, you don’t have to come back, and you will make trouble when you come back. What do you want?”

Speaking of Aunt Zhang, she did not hesitate to act on Zhang Ye, hitting him with his head in arms.

“Mom, I know I was wrong, don’t fight.”

Ten minutes later, several people were already sitting in the living room of Aunt Zhang’s house.

“Thank you so much for helping my mom today.” Zhang Ye scratched his head embarrassedly.

“If you have anything in the future, just speak up.”

“what do you do?”

Originally Zhang Ye didn’t want to say anything, but Aunt Zhang saw it and slapped him directly.

“What can’t you say?”

Seeing this scene, Lin Kai only felt that Aunt Zhang was really a divine assist.

“Do you know Leiyuan Group?”

Seeing Zhang Ye lift the Leiyuan Group, Lin Kai instantly sat upright.

Today is a worthwhile trip.

“Let me tell you, Leiyuan Group...”

Mentioning the Leiyuan Group, Zhang Ye’s chattering box was opened up, and what he said was an endless stream.

Lin Kai just wanted to insert a sentence, but couldn’t say it.

If Aunt Zhang hadn’t suppressed her by force, she would have to listen to him bragging.

Finally Zhang Ye stopped, Lin Kai asked, “Why didn’t I hear the news from Leiyuan Group?”

“Including many companies, I don’t know that the investor behind them is your company.”

Seeing Lin Kai mentioning this, Zhang Ye patted his thigh, looking like seeing each other late.

“I have this question too, but it was requested by the above, there is no way.”

“As for why you can’t see the Leiyuan Group, it is because many people have some companies.”

...

Zhang Ye probably told Lin Kai about the news he knew.

I have to say that his news is very important.

This is to make him understand why there is no news about Leiyuan Group for so long.

Co-authoring them is selling dog meat.

As for the identity of the founder of Lin Yuan, according to Zhang Ye, few people have seen it except the manager of the head office.

Even if he had already joined the head office, he had just heard of it.

“It’s so deep.”

I have to say that Lin Yuan is indeed very conspiring, and it can be said that he has worked hard for the success of his plan.

Now that I have some information provided by Zhang Ye, it is much easier to find Lin Yuan.

“Don’t worry, just mention my name later.”

Zhang Ye slapped his chest and said, “Many of them don’t know Leiyuan Group, but Zhang Ye still knows it. I brought their investment.”

“it is good.”

Lin Kai agreed, but what he thought was how to solve those companies.

As long as these companies are gone, Lin Yuan’s plan will not be realized for a while.

“Lin Kai, what do you think?”

I don’t know if it was his own illusion, Zhang Ye always felt that when he just looked at him, a murderous intent flashed in his eyes.

But he didn’t remember that he knew Lin Kai, he thought it was a mistake.

“It’s nothing.”

Lin Kai got up and said goodbye: “I have something to do, I will talk another day.”

“Row.”

Zhang Ye smiled and sent Lin Kai out. It’s been a long time since he met someone who came to chat like this.

When leaving, Lin Kai glanced at Zhang Ye and showed a smile.

“Yinshen, find a chance tomorrow and catch him.”

Although I am a little sorry for Aunt Zhang, it is common for Zhangye not to go home for ten and a half months.

“Yes, sir.”

Although there is news from Leiyuan Group, the whereabouts of Lin Yuan is still unclear.

However, as long as the Leiyuan Group was destroyed, he would have to appear.

## **Chapter 1187: Can’t Understand People**

Chapter 1187

Knowing so much news, Lin Kai felt more comfortable.

There was a smile on his face all the way, which drew many little girls and blushed when they saw him.

Yinshen looked at the little girls and couldn’t help but said, “Sir, don’t be charming.”

“Is there?” Lin Kai didn’t think he had any charm.

Looking at the girl with a blushing face who wanted WeChat in front of him, Lin Kai was a little surprised.

“Sorry, please find someone else.”

Lin Kai had no interest in this kind of chatter, exposing his privacy.

The girl didn’t expect that she would be rejected, and she stood there in embarrassment for a while.

After a while, she still said without giving up: "Handsome guy, add WeChat, I..."

"Excuse me, don't you understand human words?"

The girl didn't expect a handsome guy like Lin Kai to be like this.

When he said that, she felt that everyone around her was looking at herself with strange eyes.

"You wait for me!"

With a word left, the girl blushed, wiped tears from her face, and ran away without looking back.

"Sir, it's just as straightforward as you refused."

If this is changed to another man, and being accosted by such a beautiful girl, I can't wait to agree.

In fact, Yinshen still doesn't know why Lin Kai hates girls so much?

Sometimes they even dislike their approach.

"Let's go."

Lin Kai didn't want to explain more, so he drove directly to Wang Kang's company.

It's not that the old guy is doing something famous, he wants to show him a very powerful baby.

When they arrive at the company, it happens to be the point of work.

Such a cool sports car, parked at the door, attracted many people to take pictures.

As soon as the two got off the car, they were greeted by a wave of eyes.

For so many people, Lin Kai frowned impatiently and waited for them to leave before entering the company.

I was stopped by the front desk as soon as I entered the company lobby.

"Do you have an appointment?"

"No, your king agreed with me."

Hearing Lin Kai's voice, the front desk was a little surprised, and then said with a little sarcasm: "So it's you."

"You can't go up without an appointment."

"You can call your manager Wang, my name is Lin Kai."

This is someone else's job, and Lin Kai will naturally not embarrass him because of this.

"You don't understand human language?" Yang Qian frowned and said impatiently: "I don't know if you can't go in without an appointment."

After that, she looked at Lin Kai proudly and told him to treat herself the same way before.

Deserve it.

As for him, he wanted to go in and see them, Mr. Wang, which was a real laugh.

I don't see what I am.

"You can call your President Wang."

"Who do you think the king is always?"

Yang Qian stared at Lin Kai disdainfully: "I advise you to get out and don't let me call someone."

Looking at Yang Qian, Lin Kai took out his cell phone and called Wang Kang.

"I'm in your company, and the front desk won't let in. You must be happy and come down to pick me up."

Lin Kai hung up without waiting for Wang Kang to speak.

Yang Qian couldn't help laughing when she heard what Lin Kai said.

"Who do you think you are? Did you ask Mr. Wang to come down to pick you up? You laughed so hard at me."

Talking to the other little girl at the front desk, she covered her mouth and laughed.

"For people like him, just ask the security to drive out."

Speaking of Yang Qian, she began to call the security guard over: "Captain Zhang, some people come here, there are people making trouble here, and they don't want to leave."

After a while, five or six people in security uniforms ran over.

"Sir, please leave."

"What if I don't?" Lin Kai sat on the sofa in the hall, with Erlang's legs tilted, looking disapproving.

"Sir, I hope you don't make us embarrassed."

The security captain has seen more people, and it is natural to see that the two of them are extraordinary and do not want to cause trouble.

But Yang Qian couldn't hold back that Yang Qian had a relationship with the personnel manager. If he wanted to stay here, he could only please her.

"I'm waiting in the hall, and I won't be embarrassed by you?"

"This..." The subject sighed, "It is reasonable to say that it is fine, but you have also seen it."

The captain sighed, also a little embarrassed.

He did so, so that the men on the side could not stand it.

Stand up directly and say: "Captain, what are you talking nonsense with him? Get out of here, don't let us do it!"

"Look at what you are. Is this a place where you can come?"

"You shut up!" The captain quickly apologized: "Sir, I'm sorry, but I didn't teach the subordinates well."

"You said let me go?"

Lin Kai stood up and looked at him condescendingly, "Why don't you give me a demonstration?"

"What did your kid say? What a cow, don't let me kick you out!"

"You can try!"

Lin Kai kicked him out, sliding for more than ten meters on the smooth floor before he stopped.

For a long time, the man clutched his chest and got up: "Ahem."

"Sir. You're too much." The captain's face was a little ugly.

"Do you have an opinion? Huh?"

Lin Kai tidied up his clothes and said with a smile: "I don't want to cause trouble, please let me go."

He sat on the sofa, picked up the newspaper on the side and read it.

Those security guards dare not speak.

One kick kicks people so far, none of them can hold it.

Yang Qian saw that they hadn't driven Lin Kai away for a long time, and let him beat the company's people.

Stepping on seven or eight centimeters high heels, he walked over and slapped the security captain in the face.

"How did you become a security guard? Blind?"

Yang Qian pointed to Lin Kai and said, "I haven't seen the person he hits the company? You don't know how to do it?"

"What's the use for the company to ask you? Don't you eat every day?"

Yang Qian looked at the smile on the face of the security captain, and she was furious.

Just like a wood, the brain is sick.

"Hurry up and kick him out of me, or I will let you go out tomorrow!"

Being threatened by Yang Qian like this, the security captain changed his face instantly.

Looking at Lin Kai, he opened his mouth several times and couldn't say anything.

After a long while sighed: "Sir, you should leave, otherwise we really have to do it."

In fact, let alone him, those people under his staff were a little panicked facing Lin Kai.

But it is better to be beaten than to lose your job.

“I see who dares to do it!”

There was an angry male voice, and the security guards turned around immediately.

“President Wang, why are you here?” Yang Qian covered her mouth and looked at Wang Kang in disbelief.

Suddenly there was a bad feeling in my heart.

Wang Kang didn't even look at them, and walked straight to Lin Kai, with a panic expression: “Mr. Lin, I'm really sorry, I wasted your time.”

“The people in your company are really amazing.”

## **Chapter 1188: Fuck Off**

Chapter 1188 Get Out!

When Lin Kai said this, Wang Kang was so frightened that he would have fallen to his knees if it hadn't been for so many people.

Chong Lin chuckled embarrassedly, and Wang Kang said to the security guards: “Go to the personnel department and leave.”

Hearing this, these security guards look at me and I look at you. There is no other way but to sigh.

They were also unlucky, and they did not expect to encounter a hard stubble.

“and many more.”

Lin Kai stopped them: “The captain doesn't need to go.”

The sudden surprise made the security captain open his mouth in surprise, and he wondered if he had heard it wrong.

He scratched his head and looked at Lin Kai with some embarrassment. His attitude was so bad just now, and he let himself stay, really his great benefactor.

The other security guards thought about it too, but thinking of his previous attitude towards Lin Kai, he dared not say a word.

“Sir, thank you so much.” After speaking, the security captain found aside and said nothing.

After all, Mr. Wang has come down, so he can express his gratitude as a little security guard. As for the rest, I will talk about it later.

Seeing the performance of the security captain, Wang Kang nodded in appreciation.

“Mr. Lin, I’m so sorry, let’s go up and say?” Wang Kang sat in a “please” posture.

Everyone is not a fool, and it is natural that Lin Kai’s identity is unusual.

Yang Qian stared at this scene blankly and couldn’t help shouting: “How is this possible! What is he, how can President Wang come down?”

Yang Qian shuddered at the thought of offending such a big man.

So she would rather believe that this is all fake.

With her relationship in this company, it is too simple to resolve this matter.

Immediately she pointed to Wang Kang and yelled loudly: “He must not be President Wang, maybe this person invited to drag him!”

“Wang is always someone who can be seen by an ordinary person if he wants to? No appointment needed?”

“Everyone, call the police and take them away?”

...

Everyone looked at Yang Qian with foolish eyes, and couldn’t help shaking their heads.

This person is afraid that his brain is sick.

How dare you say that Mr. Wang was faked?

What a joke!

They don’t know what President Wang looks like?

Besides, this is the Wang family group. Do you think those people are all fools?

Will a fake President Wang walk down with the secretary?

“Immediately let her go!” Wang Kang glanced at Yang Qian in disgust.

How can the company have such waste?

What a shame.

“Why are you letting me go!”

Yang Qian is now breaking the jar. She pointed to Lin Kai and said, “You are so bold and dare to pretend to be President Wang!”

“I tell you, what are you?”

“This is the Wang Group, not a place where you can go wild!”

...

Listening to Yang Qian’s endless cursing of Lin Kai, Wang Kang only felt that his blood pressure was rising.

The veins on his forehead were beating constantly, if it weren’t for good self-cultivation, he would have done it a long time ago.

“shut up!”

“Why are you making me shut up!”

“I don’t know the importance of things!” Wang Kang slapped his face unbearably.

This slap didn’t show mercy at all, and with great force, he directly knocked Yang Qian back down.

She fell heavily on the marble floor, so pain that she couldn’t get up.

“Let her get off now!”

Wang Kang couldn’t wait for someone to throw her out immediately. It was a shameful thing.

“Niece, why did you fall to the ground?” a wretched voice came with a little nervousness.

“Uncle, someone hit me.” Yang Qian aggrievedly nestled in the arms of her uncle.

But their relationship, how you look at it, makes people suspicious.

“That \*\*\*\* beat you, uncle teaches him for you!”

“Special, the niece of labor and capital dared to move, really looking for death!”

“I’m the \*\*\*\* in your mouth.”

“What? You...”

Yang Kuan looked at Wang Kang, and swallowed the remaining half sentence abruptly.

“Wang... Mr. Wang is good.” Yang Kuan lowered his head, wishing to kill Yang Qian.

It was Wang Kang who beat her, and she didn’t know to remind herself.

You messed up with the big boss of the company, do you want to continue working here?

“Clean up the bedding and get out of here!”

Wang Kang didn’t even want to look at them, shameful things.

If he didn’t come early and didn’t come late, he chose Lin Kai to make trouble for him when he came.

If you provoke this big Buddha, none of them will have a better time.

Yang Kuan looked at Wang Kang blankly, daring not to speak.

Looking at Yang Qian, who was still crying in her arms, she kicked out without thinking: “Your super star, labor and capital were killed by you!”

Yang Qian looked at Yang Kuan blankly, completely at a loss as to how to react.

All her fantasies were broken, Wang Kang was offended, and the whole East China Sea had no place for her.

Looking at Lin Kai who was standing by and silent, Yang Qian suddenly regretted it.

Why do you want to do such a thing for a little bit of lust?

If she did nothing, wouldn’t it be the case?

But now, it’s too late to say anything.

“Mr. Lin, let’s go.”

Lin Kai followed Wang Kang to the top floor. After the secretary went out, Wang Kang handed him a copy of the information.

“Actually, I’m not sure about this, should I tell you.”

He sighed, folded his hands on his knees, and looked a little serious: "But I think you should know."

"I don't know what is going on with you and the Li family. But you still...oh."

"Beware of it."

Regarding this matter, Wang Kang also struggled for a long time before he said it.

Originally, this matter had nothing to do with him, but if he said it, he might even make a fuss.

But who made him appreciate Lin Kai's identity and background? For his sons, he must do so.

After reading the information in three lines, Lin Kai sneered and put the information on the table.

I really didn't expect Elur to have some ability to make the Li family bleed so much.

But I want to come to Lee Shengxian to do a lot of effort inside.

To be angry, when he saw this information, he was taken aback.

Unexpectedly, Li Shengxian would be so cruel in order to get the position of Patriarch as soon as possible.

This is also good, it will be faster to find Lin Yuan.

Wang Kang looked at Lin Kai with no expression on his face, and he couldn't figure out what he was thinking.

"This matter owes you a favor."

It could not have been this way, but he had contributed to this incident alone.

Since Wang Kang has voted for a peach, he naturally wants to report to Li.

Wang Kang was stunned for a moment, but he didn't expect Lin Hui to say that.

His favor is not easy to get.

"Then what do you think of this matter?"

When he knew this, he was surprised.

The Li family didn't need the Leiyuan Group at all, and the sudden movement made him somewhat flustered.

Had it not been for Lin Kai's relationship, he would have gone to Li's house long ago.

## Chapter 1189: Nothing To See

Chapter 1189

"Nothing to see."

"This..." Wang Kang didn't know what to say for a while.

The two of them stared at each other, and no one spoke.

After a while, Wang Kang couldn't help but speak: "For this matter. You have nothing to say?"

This shouldn't be.

It stands to reason that Lin Kai is full of hostility towards Leiyuan Group.

The Li family can be said to stand with him.

Now that the Li family is cooperating with Leiyuan Group, he should be anxious?

There is something wrong with this reaction now.

He always felt that Lin Kai seemed to be brewing something big.

Suddenly he seemed to have thought of something, and couldn't help but speak: "Mr. Lin, this matter will not be..."

"Just what you think."

"This...you can't do this?"

"Do you think they have the guts?"

Seeing Lin Kai's self-confidence, Wang Kang was stunned for a moment, and then burst into laughter.

He was too worried. In terms of Lin Kai's identity, Li Cheng's family did not dare to do anything to him.

Moreover, Leiyuan Group's cooperation with the Li family seems to be inseparable from Lin Kai.

"I don't want anyone else to know about this."

"This is natural, I will send someone to block the news."

Everyone is wise and understands everything, and naturally understands what to say and what not to say.

"This will trouble you."

In the East China Sea, his sphere of influence is not large.

Since someone is willing to come forward, this is the best.

Hide yourself in the darkness, wait for an opportunity, and wait for the prey to appear.

What he had was patience, and slowly spent time with Lin Yuan.

"Mr. Lin, calling you this time is related to Mr. He."

"What does it have to do with He Zhishan?" Lin Kai looked at him with some confusion.

The two of them should have no intersection.

"Mr. He has a relationship with Leiyuan Group, or he knows Leiyuan's boss."

"What did you say?" Lin Kai frowned and looked at Wang Kang, somewhat disbelief.

If the two of them really knew each other, He Zhishan would not reveal anything to him.

But maybe, He Zhishan is one of the overlords of the East China Sea.

In order for Lin Yuan to dominate the entire East China Sea, the two of them could not work together.

It just depends on whether He Zhishan can accept the life under the fence.

Wang Kang also knew that Lin Kai would not believe it, even when he first got the news, he was a little skeptical.

But this matter was confirmed repeatedly by him, and the two really knew each other.

He didn't know exactly how it was, but it didn't prevent him from bringing back some powerful evidence.

Looking at the things Wang Kang handed him one by one, Lin Kai's expression became colder and colder.

He was careless.

He even forgot that characters like He Zhishan were the target of Lin Yuan.

Thinking of what He Zhishan said to himself before, Lin Kai couldn't help but laugh.

It's no wonder that I haven't found news of Lin Yuan for so long.

With the help of He Zhishan, a local snake, coupled with Lin Yuan's own strength, it would naturally not be so easy.

Wang Kang glanced at Lin Kai secretly, only to feel trembling all over.

He was also a high-ranking person for a long time, but under the pressure of Lin Kai's whole body, he only had to surrender.

"This is up to you."

In fact, Lin Kai didn't believe in what Wang Kang gave him.

No one can say whether Wang Kang will set himself up.

But it didn't matter. For him, it was just helping him find Lin Yuan's whereabouts as soon as possible.

"I will send someone to follow this matter."

Wang Kang sighed. To tell the truth, he really didn't want to get involved.

Their level of fighting between big brothers and small fish and shrimps like him is simply to die.

Perhaps in the eyes of ordinary people, his identity is beyond reach.

But only he himself knew that in front of the real boss, he was like a cannon fodder.

"sorry to bother you."

Lin Kai stood up and walked for two steps, then suddenly stopped and said, "The two of them have already arranged to be sent away."

"Thank you Mr. Lin."

Wang Kang's heart finally let go.

As for Lin meeting not to threaten him with them, Wang Kang didn't care.

Although I have not known Lin Kai for a long time, he believed that he would not do such a thing.

He himself didn't know why he had such a mysterious confidence in Lin Kai.

"Then go slowly."

After sending Lin Kai downstairs, Wang Kang left, and there were a lot of things in the company waiting for him to take care of.

Out of the company's door, the hot sun shines on people's faces, making people feel a little confused in the trance, what season is this after all.

Squinting at the sun above his head, it took Lin Kai a long time before he lowered his head and blinked a few eyes before adapting.

"It's so hot."

Lin Kai took off his jacket and put it on his arms, looking like an elegant gentleman.

Before he could take a step, he felt his thigh was hugged.

A woman begged loudly: "Mr. Lin, right? I know I was wrong, please let me go!"

"Sorry, I can't help you."

For Yang Qian, Lin Kai didn't care much.

Its no wonder someone else is fired during my working hours.

"You can do it." Yang Qian held Lin Kai's thigh tightly and prevented him from leaving.

Knowing that she was thrown out, she woke up like a dream.

Looking at her uncle who was thrown out with her, Yang Qian just felt like she was finished.

She wants nothing, but to get into the Wang family, she still depends on his uncle.

Now their two nephews and uncles have offended Wang, and there is no company at all, so they dare to ask for them.

Thinking of her uncle, who is usually kind to herself, turned into that look in an instant, Yang Qian wanted to turn back time.

You said she was okay because of her own selfishness, provoke Lin Kai to do anything.

I'm all right now. I picked up a rock and hit my own foot.

She had no other choice now, but hoped that Lin Kai could give herself another chance.

"Please, as long as you tell Mr. Wang, my uncle and I don't have to leave."

She blinked and wrote with big eyes, crying pears with rain. Even though her appearance can only be regarded as the upper-middle class, she couldn't hold back the aura of the little white lotus all over her body, which made people want to protect her.

But by the way, what she faced today was Lin Kai.

Not to mention her, even if Lin Qianqian provoked him and knelt down in front of him to beg for mercy, she might not be softened.

"Get out of trouble, don't delay my time."

Listening to Lin Kai's polite words, Yang Qian couldn't help but feel springy.

I think Lin Kai definitely cares about him, otherwise he wouldn't talk to him like that.

"Mr. Lin." She grabbed Lin Kai's leg and kept rubbing one hand on it, "As long as you can help me, you can promise anything."

When he said that, Xiang Lin cast a wink. Everyone was an adult, so they naturally understood what this meant.

## **Chapter 1190: In A Scapegoat**

Chapter 1190

Lin Kai knelt down, pinched her chin with his hand, and forced her to look up at herself.

Seeing his deliberately weak look, he couldn't help but smile and asked, "Anything can be agreed?"

When he asked such a question, Yang Qian smiled and felt that Lin Kai had agreed.

She said that there are not many men who can escape her tears.

You know, in order to make herself cry more beautiful, she has studied for a long time.

Clenching her fist tightly, Yang Qian forced herself not to be too happy.

She lowered her head slightly, a shy thing, revealing a slender neck: "Hate, don't you know, anything is fine."

Looking at her shy look, Lin Kai only felt sick for a while.

Released the hand holding her chin, Lin Kai stood up, took out the handkerchief from his pocket, and carefully wiped every finger clean.

He did this, no doubt like a loud slap, slamming her face fiercely.

Looking at Lin Kai blankly, Yang Qian asked expectantly: "You...what do you mean?"

"I think you should donate your eyes to those in need."

"Huh?" Yang Qian didn't respond for a while, just staring at Lin Kai in a daze.

To outsiders, she looked like a nympho, drooling at Lin Kai.

"Can't tell, I think you are dirty?"

Lin Kai's words, like a sharp knife, pierced Yang Qian's heart fiercely.

In an instant, her face became pale and she fell to the ground, without responding for a long time.

"I have something to do, so I will leave first."

Lin Kai then threw the handkerchief directly on Yang Qian's head.

"You bastard!" Yang Qian yelled angrily, rushing over without thinking.

As a result, Lin Kai directly pressed his head, unable to move.

"Don't challenge my bottom line?"

If it weren't for the fact that he didn't want to do it directly in the public, Lin Kai would just give her up.

It was not until Lin Kai walked far away that Yang Qian sat slumped on the ground.

For just that moment, she felt that she was going to die.

The noon sun shines on her body warmly, and only Yang Qian is cold all over her body.

Lin Kai stretched out his hand with some enjoyment, and the sun fell on his hand, making people feel happy.

Looking at the people coming and going along the way, Lin Kai rarely walked around in a leisurely manner.

Recently, because of the Leiyuan Group's affairs, his whole person has become a little tight.

In the park, under the cover of green trees, grandpa and aunty practice Tai Chi and stroll around.

Lin Kai also followed behind a group of uncles, playing Tai Chi slowly.

"Ohhhhh, you stop me."

Lin Kai looked up suspiciously, and continued to follow the movements of the uncles and practice Tai Chi together.

"Let you stop, do you hear?"

"Young man, what are you yelling!" An uncle yelled in full anger: "We have practiced well. You shouted so badly, something went wrong, you pay for it!"

When the old man called out such a call, the man was unhappy at the moment.

"You think I am willing to shout!"

The man looked like he was aggrieved, walked up to Lin Kai, pointed at him and said, "Don't look at him, what he is playing, and he has the face to play Tai Chi here, which is embarrassing!"

Speaking of "Bah" to Lin Kai, he spit out.

"It's up to you to do whatever you want."

Your uncle deserves to be your uncle, so he went back without hesitation.

"There are so many types of Tai Chi, you know them all."

Several uncles put Lin Kai in the middle: "Don't be afraid, young man, you are fighting against him."

"You belong to the Wu family, right."

An old man smiled and said: "Rigid and soft, relaxed and natural, not bad."

Lin Kai was a little surprised that this old man could recognize him.

After all, most people nowadays, in order to keep fit, most of them study Chen's.

Seeing Lin Kai chatting with them, the man felt jealous in his heart.

All this should be his!

It was he who had a happy chat with his future father-in-law!

"You little third, get out of here!"

He rushed towards Lin Kai, but Lin Kai avoided him.

On the contrary, he fell a dog and chewed on the ground because he was too late to react.

"I will kill you!"

He got up from the ground and rushed towards Lin Kai without thinking, but was stopped by a somewhat angry female voice.

"Li Qiang, what do you want to do!"

Then a slender figure rushed in front of Lin Kai, looking like a baby guard.

"Li Qiang, I tell you, don't come to my father, I have told you countless times, I don't like you!"

"You don't like me, who do you like?" Li Qiang stared at Zhang Xue a little angrily.

"Do you like this little white face?" Li Qiang pointed at Lin Kai and said loudly, "What's the use of him? Do you know him? Just because you have seen him several times? Why!"

Li Qiang was going crazy with jealousy. Why would a goddess who has been thinking about it for a long time, why would he like a man who hasn't seen each other a few times?

He is not reconciled!

Why can't he do so hard?

He wants Lin Kai to die!

Lin Kai watched this farce and didn't know what was going on.

But obviously, this is a scapegoat.

As for that girl, he didn't even know it.

What about the male junior in Li Qiang's mouth?

Zhang Xue seemed to see Lin Kai's doubts, and blushed and looked at him embarrassedly: "I'm sorry Mr. Lin, for causing you trouble."

"I know you don't know me, I belong to Miss Lin Qianqian's company."

"Don't worry, I will take care of this matter."

Zhang Xue is not a stupid woman, Lin Kai has a relationship with Lin Qianqian.

She was not stupid yet, she made all this public when she didn't get Lin Kai.

Otherwise, Lin Qianqian's methods alone would be enough for him to die countless times.

But whoever thought of his plan was bumped into by this idiot before implementation.

Of course she knew that Li Qiang liked herself, but she did not have the slightest affection for people like him.

It's just a tool that can be used.

It also happened to take this opportunity to let Lin Kai see her grievances.

"Li Qiang, I know you like me, but why are you following me?"

"I've been avoiding you so much, please stay away from me in the future."

...

Zhang Xue looked like a pear blossom with rain, Zhang's father and the few old men beside him could not bear it long ago.

Li Qiang stared at Zhang Xue blankly, completely unable to understand, why did things become like this?

"Zhang Xue, what do you mean?"

Li Qiang looked like he wanted to eat people: "What happened to me following you? I did it for your own good! You don't know what is good or bad!"

“Now you want to break my relationship for a little white face?”

## Chapter 1191: What A Joke

Chapter 1191

“I am not friends with you.”

Zhang Xue couldn't wait to get rid of the relationship with Li Qiang immediately.

She was talking to the male god, and by her means, flying on a branch and turning into a phoenix was just around the corner.

She even had some fantasies about the life of the rich.

Thinking of those, she couldn't help but spring heart rippling.

She said that, Li Qiang understood.

Co-working with her, this is climbing high branches, and he doesn't need him as a poor flower protector.

“Zhang Xue, you bitch, you play with labor and capital!”

Li Qiang was so angry that his chest was constantly rising and falling, wishing to kill her on the spot.

When I was using myself, what Brother Qiang called it was an intimacy.

I dont need it now, so I dont know myself? Still want to kick yourself?

Being a \*\*\*\* again, and setting up a memorial arch, should all the good things in the world be shared by her?

“That little white face, let me tell you, this woman is not a good thing!”

“Do you know how she used to call me? It's a joke if you don't know me!”

The words are said to be worthwhile, and Li Qiang is not a shameless person.

Since she is unkind, don't blame yourself for being unrighteous.

He didn't add any fuel or jealousy, and he unreservedly told what Zhang Xue had done for himself in the past few years.

Listening to Li Qiang's words, Zhang Xue's heart was raised directly, for fear that Lin Kai would misunderstand herself.

After listening to him, Zhang's fatherly face was pale, and in front of his own face, he slandered his daughter in such a way as if he was a dead person?

"You kid don't talk nonsense, I think you are not a good thing!"

If it hadn't been for Zhang Xue to stop him, Zhang's father would have liked to go and kill him.

In the hearts of all fathers, his own daughter is always the best.

"Mr. Lin, I'm really sorry. I've caused you trouble."

Zhang Xue tilted her head and wiped tears from her face, creating a weak but strong influence.

Seeing the two dogs biting the dog, Lin Kai only felt a little funny.

"Mr. Lin, don't be upset about this."

Zhang Xue looked at her aggrievedly: "I blame it all, you are in a bad mood."

People who didn't know thought it was acting like a baby between lovers.

"Sorry, I don't know you, there is no bad mood."

Lin Kai's words directly made Zhang Xue's expression stiff on her face, looking funny and funny.

When Li Qiang heard him say this, he couldn't help laughing: "Zhang Xue, are you arrogant bitch?"

"Who are you scolding!"

Zhang Xue yelled and rushed directly.

Seeing that his daughter was beaten, Zhang's father naturally couldn't sit idly by.

Following the group of old men who practiced Tai Chi, they also rushed in.

Looking at the gangsters, Lin Kai naturally gave full play to the fine qualities of the five-good youth and called the police uncle.

He believed that the police uncle would handle such things.

After hanging up the phone, Lin Kai glanced at them and turned to leave.

I have to say that Lin Kai felt much better after watching such a farce.

“Yin Shen, how is the investigation?”

Yinshen said with some shame: “Two companies have been investigated, and the rest are still being verified.”

His speed is really too slow. The husband gave him this task yesterday, but it is only two families now. I am really ashamed of my husband’s teachings.

If Lin Kai knew what he thought, he would laugh out loud.

With such a large East China Sea, relying on limited information, it is not a small number to screen out companies that have cooperation with Leiyuan Group.

Lin Kai had planned to wait a while, but Yinshen could find out so quickly.

“Good job, go back and give you a holiday.”

Facing Lin Kai’s praise, Yinshen scratched his head in embarrassment.

But there was some excitement in my heart. If the three of them knew that they were praised by the husband, they might be jealous.

“Since it’s found out, let’s take a trip.”

It just happens that the time for rest is not short, and you can move your muscles and bones.

“Yes, sir.”

He drove a car casually and went straight to the nearest house.

Squinting his eyes and looking at the towering buildings, I have to say that Leiyuan Group is really rich.

It is to invest in a small company, just a few hundred million.

But I have to say that some of Lin Yuan’s men are still good, with unique vision.

The Internet can be said to be the key support object in the future, let alone the rapid development of technology today.

Investing in a technology company can be said to be profitable.

Let alone invest in a company that develops software that combines chat with games.

When the two went in to go upstairs, they were politely stopped by the lady at the front desk: "Hello, who are you looking for?"

Comparing the two chapters, Lin Kai feels that Wang Kang's company, regardless of its scale, is still inferior to this company in many places.

"Excuse me, I am looking for Mr. Kang, my name is Lin Kai."

"Please wait a moment, I will ask the secretary."

The front desk took the two of them to rest on the sofa beside them, and poured water on them quickly.

After waiting for two minutes, the front desk came over and respectfully said: Hello, Mr. Lin, Mr. Kang asked you to go up, please follow me.

The front desk took them and took the elevator directly to the top floor.

"I'm sorry, I can't enter here. The innermost room belongs to Mr. Kang. I'm sorry to cause you trouble."

The front desk bowed deeply to him and took the elevator down.

Looking at the silent top floor, I have to say that Mr. Kang will still enjoy it.

Apart from his office and a meeting room in such a large place, all that is left is a leisure place, and a swimming pool has been built.

"Let's go."

Lin Kai admired the famous painting last time and walked slowly to the inside.

Mr. Kang's vision is good, of course financial resources are also possible, but he will not hang many famous paintings here.

As soon as the knock on the door sounded, the office door was opened.

An elegant man in his thirties wearing a linen three-piece suit opened the door: "Mr. Lin, please come in."

After asking about their tastes, he grinds coffee for them by himself.

"Mr Kang still needs to do it himself?"

Kang Lai glanced at him and replied with a smile: "I am a person, just can't be idle."

"Besides, don't you think hand-ground coffee is better?"

"Of course."

The two were drinking coffee and talking quietly, like a pair of old friends who have known each other for many years.

"Mr. Lin is really knowledgeable, Kang Kai admires him."

Kang Kai did not expect Lin Kai's knowledge reserves to be so rich.

Even those seniors who have been in the mall for many years can talk to him for so long.

For people who are similar to themselves, people always want to associate with him.

Kang Kai is no exception.

It's nice to have such a friend who accompanies one's own chats.

"I think Mr. Lin is very suitable to be my friend."

## **Chapter 1192: You Are Right**

Chapter 1192 You Are Right

"Really?" Lin Kai glanced at him, picked up the coffee, and took a sip of it slowly.

"I'm not kidding you, I'm telling the truth."

He hadn't felt this way for a long time, and it was too difficult to meet a like-minded person.

He even felt that if he missed Lin Kai, it would be difficult to find such a friend in his life.

Listening to Kang Kai's words, Lin Kai shook his head funny.

I have to admit that he is indeed a good person.

But this does not mean that Lin Kai is going to let him go.

Blame it on his relationship with Leiyuan Group.

Kang Kai talked freely for most of the day without seeing the slightest response. He couldn't help but feel a little confused.

Turning his head to look at Lin Kai, who was holding Erlang's legs on the side, "Mr. Lin, why are you not talking?"

He thinks his topic should be very attractive.

Everyone is a person and will not be attracted to him.

But Lin Kai's reaction made him somewhat disappointed.

"Mr. Lin, are you not interested?"

"I'm curious, why do you, such a knowledgeable person, go in business?"

Apart from curiosity, Lin Kai also wanted to explore Kang Kai's bottom.

It is still uncertain whether Kangkai knew about Leiyuan Group or through a manager like Zhang Ye.

Kang Kai froze for a moment, then laughed.

To be honest, this is the first time he has been asked this question.

Those people talked to him either for cooperation or for something else.

No one has ever asked him if he really likes business.

Looking at Lin Kai, Kang Kai couldn't help showing a bitter smile: "I said I was forced, do you believe it?"

After saying this, Kang Kai regretted it.

What he said was like a joke.

Now that the company is so big, it can be said that half of Donghai's network industry is in his hands.

Telling people that now, it sounds like just a deception.

"What can't you believe?"

Lin Kai's words instantly stunned Kang Kai, and the coffee cup in his hand fell uncontrollably to the ground.

With a “click”, there was a crisp sound from the cup body hitting the ground.

The splattered fragments, along with the liquid in the cup, bounced fiercely in the air, and fell again.

Kang Kai could even hear his own heart beating non-stop.

There was a slight rapid breathing in his ears, and it was not until Lin Kai looked at him that Kang Kai woke up like a dream.

Before he knew it, he actually shed tears.

From that time to now, he has almost forgotten what it feels like to cry.

Taking off his glasses, Kang Kai rubbed his painful eyebrows and restored his usual calmness.

“I didn’t expect Mr. Lin to believe it.”

Kang Kai sighed and told what happened to him.

If it were not for his mother’s sudden illness, he would not be controlled by others.

It would not be for the benefit of that person to turn himself into a cold-blooded businessman.

“Mr. Lin, what do you think of my story?”

Kang Kai put his hand on his side and grabbed it on the boss chair. For the first time, Zhenqi’s seat was messed up by him, and the skin was even broken in some places.

“Do you think you are telling a story?”

“you!”

Kang Kai looked at Lin Kai in shock, tears flickering in his eyes.

He really didn’t expect that Lin Shanxi believed in himself so much.

“Do you know Leiyuan Group?”

Kang Kai frowned and shook his head: “I haven’t heard of it.”

“I see.” Lin Kai nodded without asking much.

Since he doesn’t know, this matter is much easier.

Now Kang Kai is mostly under the control of others, as long as his concerns are resolved, Lin Yuan will lose a very important source of information.

“But I heard investors say.” Kang Kai explained the situation in detail.

Sometimes human beings are just weird.

Obviously it was the first time the two of them met today, but Kang Kai felt very cordial, making him feel like he wanted to subconsciously believe.

After listening to Kang Kai’s words, Lin Kai can be sure that Lin Yuan is slowly allowing these companies to accept Leiyuan Group.

It seemed that Lin Yuan could not wait.

Thinking of this, Lin Kai couldn’t help but smile.

The fox tail finally cried out.

He didn’t believe it and couldn’t catch Lin Yuan.

As for patience?

What I have is.

“What are you thinking.”

Kang Kai always feels that this Leiyuan Group is very powerful.

He naturally knew Lin Kai’s identity.

It is no simple group that can let him speak in person.

“Do you know how many companies like you in Donghai are invested by Leiyuan Group?”

“What did you say.” Kang Kai stood up from the chair in surprise: “You said I was invested by Leiyuan Group? This is impossible.”

Kang Kai froze for a moment, and said, “They are selling dog meat?”

“You can say that.”

“Fuck.”

Kang Kai couldn’t help cursing, he felt like a fool, being played around.

I didn't expect that the investment company behind me was someone else.

If anything happens in the future, the company may decide what will happen.

After thinking about it for a long time, he said, "If you don't talk secretly, you can tell me how to help you."

He Kang Kai has never been a person controlled by others.

What a Leiyuan Group, they actually played with each other.

Seeing Kang Kai said this, Lin Kai was not surprised.

The more people like him, the more I hate others to deceive themselves.

Smart people tend to be more prone to hacking.

"Naturally is to solve the man behind the scenes."

I have to say that the two think of being together.

It's just that Kangkai doesn't understand Leiyuan Group.

"Can you tell me the news of Leiyuan Group?"

Kang Kai can't wait to meet the so-called founder Lin Yuan.

I really want to ask him, what qualifications do he have to put on a sense of superiority over others?

Lin Kai briefly talked to Kang Kai, but he didn't mention anything important.

Although Kang Kai said he was a united front, who knows what he thinks?

As for whether he was pretending or not, it didn't matter.

And whether he would tell Lin Yuan his own news, which is even less worthy of care.

If he really coaxes himself, he should tell Lin Yuan his news.

He thought that Lin Yuan must not wait to see his good brother.

The corners of Lin Kai's mouth rose slightly, showing a smile, Kang Kai on the side couldn't help but look dumbfounded.

"Mr. Lin, what do you need me to do?"

“Do you know who is the same as your investment company?” Lin Kai said casually: “If you can pull them over, you can pull them over, and if you can’t pull them, you can suppress them.”

He didn’t lose any money in this matter. It didn’t matter if Kang Kai was sincere or not.

In order not to expose himself, he would definitely choose one of the two.

“Do you want to destroy one by one?”

“This is natural, after all, I don’t know where Leiyuan Group is.”

## Chapter 1193: Who Are You

### Chapter 1193

Kang Kai quickly showed his loyalty: “Don’t worry, I will definitely help you find the whereabouts of Leiyuan Group.”

He now wants to kill the \*\*\*\* Lin Yuan.

It is commendable courage to trick him like a fool.

Looking at Kang Kai, Lin Kai smiled and looked at him without saying a word.

Whatever he says, the final result is what he wants.

Kang Kai looked at Lin Kai who was smiling and silent, what he wanted to say, but in the end he didn’t ask.

In fact, he wanted to know what Lin Kai’s purpose was for coming here today.

He doesn’t simply think that he came here today to tell him about it.

“What do you want to ask?” Lin Kai folded his hands on Erlang’s lap and looked at him with a smile.

When he looked at him like this, Kang Kai only felt that his inner thoughts were invisible.

After thinking about it, he decided to ask this question.

“Mr. Lin, why are you here today?”

Otherwise, he really couldn’t help Lin Kai wholeheartedly.

In his words, Lin Yuan and Leiyuan Group used themselves, but what about him?

Why would he tell himself these things?

Lin Kaisi was not surprised by Kang Kai's question. Does he really have a problem if he doesn't ask?

"My goal today is very simple, to abolish you and make this company a family."

"you!"

Kang Kai looked at Lin Kai and sat down gently for a long time.

"I didn't expect you to tell me so bluntly."

"It's okay to tell you."

Lin Kaisi didn't care. In the face of absolute strength, all conspiracy and tricks were not worth mentioning.

Kang Kai was stunned for a moment, and then laughed.

Yes, in front of Lin Kai, he is not worth mentioning.

"Well, I believe you, I will do my best in this matter."

Looking at Kang Kai's earnest eyes, Lin Kai nodded and said nothing.

The two of them looked at each other speechlessly, sipping coffee slowly, looking calm and peaceful.

"total"

The girl who broke in suddenly looked at the two people in the room and was taken aback for a moment, then hurriedly withdrew and knocked on the door.

"Sorry."

"It's okay."

Lin Kai walked to the window and looked at the busy traffic below, not knowing what he was thinking.

"What happened?"

"Someone is coming from Wang's side, and they are making trouble downstairs." The secretary quickly explained the situation.

“Huh, it’s not the so-called thing, just him? It also represents the Wang family?”

Kang Kai couldn’t help but want to laugh, just an abandoned son, really thought he was so good.

“Mr. Lin, I will be out of company first.”

“Wang Kang company?”

Seeing Kang Kai nodding, Lin Kai put his jacket on the sofa and walked down wearing a shirt and trousers: “Let’s go together.”

Kang Kai was stunned for a moment, and hurriedly followed.

The secretary looked at the two people, wondering if it was an illusion.

I always feel that my usual boss is just like a little brother.

After the two went down, they heard voices coming from the hall continuously.

“President, you are here.”

The marketing manager quickly told him about the situation here.

When Wang’s people saw Kang Kai coming down, they pushed the person in front of him directly and walked over.

“You are Kang Kai?”

He looked at Kang Kai up and down, with a dismissive look: “I am Wang Yang, the head of Wang’s personnel department. Since you are here, I have to tell you something.”

Wang Yang pointed to the marketing manager and said, “A little manager, dare you give me five drinks here?”

“You Lantian Technology doesn’t take Wang’s attention so much?”

“Today, labor and management will put the words here. If you don’t sign the \*\*\*\* contract, I will kill you!”

“You shut up!” The marketing manager was so angry, it was a shame to be insulted by someone from another company to his boss.

“What are you worthy of talking to me?” Wang Yang said disdainfully, without even looking at the marketing manager.

His attitude of despising people is really unpleasant.

“can you speak?”

“Shut up to labor and capital with special code.” Wang Yang looked at Kang Kai and said: “If you know you, sign the contract for me, otherwise don’t blame me for being impolite!”

“Why are you polite?”

Kang Kai smiled and looked at him, threatening him?

What a bravery.

What about Wang’s people?

Offending yourself won’t make them better.

Not to mention that he is such an unfavored royal family.

“Either sign a contract, then I will destroy your company!”

Speaking of grabbing a chair on the side, he threw it at several people.

Looking at Lin Kai, who didn’t mean to dodge at all, Kang Kai’s heart was raised in his throat.

“Mr. Lin, run away!”

With a loud roar, he rushed towards Lin.

If something happened to him, let alone him, even if he and the Wang family added together, there would be no way to shoulder this responsibility.

Wang Yang pointed to Lin Kai and said to the people around him: “Look, he is a fool.”

“It must be shocked by the heroic appearance of Brother Wang.”

“Brother Wang is domineering, should he do this when he treats this kind of garbage?”

...

In the sound of compliments, Wang Yang only felt airy, until a loud noise made him come back to his senses.

He looked at the chair that was kicked to pieces by Lin Kai in surprise, and rubbed his eyes to make sure he was right.

“How is this possible?”

Is this still a human?

Can normal people do such a thing?

It was Kang Kai that he was relieved to see that Lin Kai was fine.

Lin Kai picked up the chair legs on the ground and walked towards Wang Yang with a smile: “If I am rubbish, what are you?”

“Isn’t trash a thing?”

“what did you say?”

When will Wang Yang receive the goods?

It is really a shame to be scolded by a trash.

“You dare to scold labor and capital, you are dead.”

As he said, he threw a punch and rushed towards Lin Kai’s face.

“is it?”

Lin Kai grabbed his fist easily, and his men pressed hard, Wang Yang only felt an unfamiliar force coming in his arm.

“waste.”

Lin Kai let go, and Wang Yang stepped back before stopping.

He tightened his arm, clearly felt the veins inside, and the flesh and blood became like a rope twisted.

“what!”

He yelled, cold sweat dripping from his forehead, and his whole person rolled in pain.

Everyone didn’t know what had happened, they all looked at him with doubts.

“You... this demon!” Wang Yang pointed at Lin Kai, his eyes full of fear.

How could he provoke such a terrible man?

“Is it?”

Lin Kai knelt down and looked at him with a smile, making Wang Yang keep backing away in fright.

“You dare to beat Brother Wang, you are really impatient!”

“Brothers, go! Kill him!”

...

Although these people shouted more strongly than the other, but you look at me, I look at you, no one dares to step forward.
