

Special Forces God Level Extraction System -

Chapter 1201: News Again

Chapter 1201

Hearing what he said, Xu Fu was stunned for a moment, and the smile on his face froze.

Xu Fu laughed twice and waved his hand: "You laughed."

If you knew his identity, would you say such a thing?

He glanced at Ai Ping, who was silent from the side, his face a little ugly.

He knew Lin Kai's identity a long time ago, but he didn't tell himself.

But it's no wonder Ai Ping, he reminded himself, but he didn't listen.

Thinking of what Ai Ping said before, Xu Fu's regretful bowels were all blue.

But now it's too late to say anything, I can only find a way to pray for Lin Kai's forgiveness.

"Look at this, how do you want to solve it?"

To be honest, Xu Fu really has no experience.

It used to be those people, crying and begging to let them go.

Now that he is here, he really can't think of a way for a while.

I can only think of lowering my posture and meeting Lin Kai's requirements as much as possible.

Let's solve the matter first, otherwise he will really have trouble sleeping and eating.

The big man from Jiulong Mountain, even if he has ten courage, he can't afford to offend him.

He sighed in his heart, he only hoped that Lin Kai would not care too much about himself.

Xu Yujia, who was on the sidelines, was very angry when she saw her father like this.

Why should he bow his head to Lin Kai?

This is not married yet!

She likes Lin Kai, but that doesn't mean she has to make her father humble.

Xu Yujia didn't realize that Lin Kai was a big man she couldn't afford to offend.

She walked up to Lin Kai, pointed to his nose and said, "Don't think I like you, you can do whatever you want!"

"Apologize to my dad right away! Otherwise I will be angry!"

Hearing her say so, Elur couldn't help covering her mouth and laughing.

"I said sister, do you have a brain problem?"

"Quickly shut up!" Ai Ping pulled Ai Lu'er to tell her not to go too far.

After all, Xu Fu is still here, and he hasn't got a promotion or a salary increase yet, it depends on his expression.

Xu Fu became angry with Eller's words, knowing that she was right.

My own daughter has been spoiled, and she has already seen the situation clearly if she is replaced by someone else.

Follow along with admitting your mistakes, instead of provoking each other with a fearless look.

"Yujia, don't talk about it."

"Dad, what do you mean!" Xu Yujia stomped straight.

He was really annoying, one or two of them made her angry!

It's really a group of things that do not live or die. Sooner or later, we must take care of them.

"You shut up!" Xu Fu looked like a palette.

How could his daughter not understand what she said?

I didn't see what I was humbled into, and still messing up with him here.

Xu Yujia was stunned by Xu Fu's roar.

After a while, he yelled like crazy: "You scolded me for an outsider? Did you forget what my mother said before she died?"

Xu Yujia was going crazy, she rushed to Lin Kai without thinking, just wanted to slap him.

But when she slapped her over, Lin Kai had already avoided.

"Don't mess with me."

Lin Kai took a step back, looking at her with disgust.

"Yu Jia, you kneel down for me!"

God knows, the moment her daughter rushed past, his heart almost stopped beating.

Regardless of whether Lin Kai was hit or not, it was not too much for Lin Kai to abolish their Xu family for her behavior.

"Dad, what are you talking about!"

"Do you know what his identity is? People from Jiulong Mountain, our Xu family is over in one sentence."

"Dad, what are you talking about, what are you kidding?"

Xu Yujia took a step back in disbelief, and couldn't believe what her father said.

What did she do.

He actually wanted to fight Lin Kai. If it really hits, it will be completely over.

"Brother, I... I didn't mean to, you forgive me."

She wanted to grab Lin Kai's hand, but he avoided it.

"I really know I was wrong, sorry, sorry."

Xu Yujia kept apologizing for fear that Lin Kai would not let them go.

She knew too much about privileges.

Once Lin Kai really did something to the Xu family, everything she had now would be gone, which was not what she wanted to see.

She has regretted her intestines now, why didn't she see that Dad was really scared just now.

"Why do you think I forgive you?"

As soon as he said this, Xu Fu's face instantly turned pale, his lips trembled, and he couldn't say a word.

Four big characters hovered in my head: Xu's family is over.

"Brother, as long as you don't move Xu's house, you can give you anything."

Xu Yujia gave him a shy look and said, "Including, I can too."

"Hahahaha." Elur laughed from the side: "What qualifications do you think you have?"

"you!"

Xu Yujia was so angry, but helpless.

Xu Fu and Xu Yujia looked at Lin Kai and couldn't say a word.

Ai Ping looked at Lin Kai cautiously and asked, "Manager Xu, do you know where the boss has been recently?"

When Ai Ping asked so, Xu Fu was stunned, and he was a little puzzled why he asked so.

However, thinking of the reminder Ai Ping had given himself before, he still answered, maybe there will be a glimmer of life.

As for why he asked this, it is not important anymore.

Anyway, the boss is so powerful, even the people of Jiulongshan, it is not necessarily what he can do.

Thinking about it this way, he said it more comfortably.

"I don't know where the boss is. You also know that the boss is uncertain."

Xu Fu sighed and said everything he knew.

Now I just want to say it can be useful, otherwise he will really be over.

After he finished speaking, Ai Ping glanced at Lin Kai and was relieved when he nodded.

He asked just now because he wanted to give it a try.

After all, it would be too abrupt to ask Lin Kai to ask this question, and Xu Fu might decide what to say then.

He asked, it was better, but he didn't expect Xu Fu to say it so smoothly.

Ai Ping looked at Lin Kai, and he didn't know what to do next.

"Mr. Lin, look at us..." Xu Fu looked at Lin Kai expectantly.

Looking at them indifferently, Lin Kai turned and left, Xu Fu directly raised his heart, not knowing what was going on.

"Mr. Lin, this is for you a chance."

"Really?" Xu Fu obviously didn't believe it, but there was nothing else to say.

"Then what should I do?"

Ai Ping froze for a moment and said, "I don't know, wait for your husband to inform you."
“

In fact, he didn't know what Lin Kai meant, so he could only follow the nonsense, and first stabilize Xu Fu before talking.

Chapter 1202: Do You Dare To Do It?

Chapter 1202 Do You Dare To Do It?

"I hope so." Xu Fu sighed, and it can only be so now.

"Thank you for this matter." He earnestly thanked Ai Ping, if it weren't for him, he would really be over today.

"I didn't expect it to be really useful. I just wanted to let you talk about the group. She would have some scruples then."

Ai Ping said something casually and rounded up the reasons he asked before, otherwise I don't know what Xu Fu would think.

"I see." Xu Fu didn't think much about it, only this explanation was left.

On the other side, Ai Lu'er didn't understand Lin Kai's letting go of Xu Fu so easily.

"Sir, why did you let them go?"

"Otherwise?"

Ai Lu'er was also stunned when asked by Lin Kai.

Yes, if you don't let them go, can you still abolish them?

The headquarters knows that they are here. If something happens to Xu Fu here, her father will be over.

By the time they worked hard for so long, they fell short.

"Then what do you do next?"

"Just wait."

Seeing Lin Kai's unwillingness to say anything more, Ai Luer shut her mouth sensibly and followed him without saying a word.

In fact, she didn't expect that she could live with Lin Kai so peacefully.

"first"

Just as Elur wanted to invite Lin Kai to dance, she was interrupted by the noise from the other side.

Lin Kai saw Lin Qianqian whose arm was held by a man.

Frowning, he still walked over.

Elur didn't understand what was going on, but she still followed.

"Miss Lin, what's the matter with dancing with me?"

A man who seemed to be in his twenties, with vacant footsteps, grabbed Lin Qianqian, looking like a mimi, his whole body was almost attached to her.

“Sorry, I have an appointment.”

Lin Qianqian struggled to leave, but how could a woman’s strength compare to a man? Can only be held by it.

“Have an appointment?”

The man clutching him sneered, “I’m going to see which grandson is not long-eyed and dare to **** women from labor and capital!”

“You specially let him come and see how I kill him!”

Lin Qianqian was too anxious. Now Lin Kai didn’t know where she was. Where could she find someone who could hold him down.

“I heard you are going to kill me?”

Lin Kai walked over and pushed the man away, pulling Lin Qianqian down beside him.

Seeing Lin Kai who suddenly appeared, Lin Qianqian was moved.

She thought she was over this time.

Since Lin Kai left in the hospital that time, she has been inexplicably guilty and dare not look for him.

Looking at the man standing in front of her, Lin Qianqian only felt a heart beating fast.

“Is the Qianqian you asked for?”

Zhang Hua glanced at Lin Kai disdainfully: “Smelly boy, I advise you not to be nosy, otherwise you don’t know how to die.”

“Hurry up and give Qianqian to me, or you will be dead!”

Staring at Lin Kai fiercely, watching Lin Qianqian have such a close attitude with him, Zhang Hua was going crazy with jealousy.

He had been thinking about Lin Qianqian for a long time, but this woman who didn’t know what was good or bad, no matter what she did, she didn’t even react at all, even avoiding him.

It’s really annoying to be so close to other men now.

“Lin Qianqian, you bitch, dare to give me a cuckold!”

Zhang Huafei was about to explode, and he couldn't wait to tear Lin Kai immediately.

"Things that are eyesore, don't hurry up and get out of me!"

Saying it walked over, he was about to pull Lin Kai away, but he pushed aside.

"Do you dare to move me?"

Zhang Hua looked at Lin Kai with gloomy eyes, looking like he could not eat him.

"Why not dare?"

Lin Kai glanced at him indifferently, pulling Lin Qianqian and preparing to leave.

"You stop me!"

Zhang Hua led a few people in front of him and prevented them from leaving.

"Give me this bitch, or you both will die!"

Zhang Hua was so angry that he had grown up so old that he hadn't been ignored so much.

He must make them pay!

"Asshole, aren't you arrogant?"

Zhang Hua looked at Lin Kai disdainfully: "You continue to be arrogant and see if I don't kill you!"

"Lin Qianqian, if you don't want to die, just come here obediently."

"Maybe I'll be served, I'll let you go!"

"You shut up!" Lin Qianqian flushed with anger, gritted her teeth and stared at Zhang Hua.

She had never met such a shameless person.

There are many people who pursue her, but she is the first to be so shameless.

Give her some nice photos every day.

She also gave her some revealing clothes, and what was even more exaggerated was that she appeared naked at her home several times.

If it were not for a friend to follow, she would be dead.

Recently, she didn't even dare to return home, but she didn't expect him to chase here.

Lin Qianqian patted Lin Qianqian's back comfortably, and Lin Kai stared at Zhang Hua blankly.

Originally didn't want to cause trouble, since someone was moved to death, he naturally wanted to fulfill him.

"Lin Qianqian, roll over to me immediately, or your company will be over!"

"Are you threatening me?" Lin Qianqian gritted her teeth and stared at him, wishing to kill him.

"Do you think this little white face in front of you can protect you?"

"It's commendable courage for the kid to have the courage to grab women from labor and capital."

Zhang Hua moved his wrist and walked towards Lin Kai: "I don't have any other hobbies. I just like seeing others desperate and helpless."

"What can you do to protect her? It's better to leave him to me."

"Maybe I got tired of playing that day, so I'll give her back to you."

Listening to Zhang Hua's obscene words, many noble ladies around were whispering.

But they weren't fools, so naturally they wouldn't speak out, and they would cause a lot of trouble to their family for no reason.

Not to mention that this family is not easy to mess with. I heard that the relationship with the Li family is good.

"is it?"

Lin Kai smiled and slapped him in the face without hesitation.

The crisp sound directly stunned Zhang Hua.

He looked at Lin Kai and froze for a while and called out angrily: "You **** bastard, do you dare to beat labor and capital? Believe it or not to kill you!"

"Kill him to me, **** her!"

Zhang Hua shouted so, and the few people who followed him rushed over without hesitation.

People watching the excitement around, quickly let out a way.

But it's just a group of young masters who have nothing to do, they don't need to participate in this.

Lin Qianqian stood by, trying to say something, but she shut up.

She believed that Lin Kai would be fine, but what happened to Zhang Hua was unknown.

"Killing to death and disabled, it's the **** mine!"

Chapter 1203: Get Out

Chapter 1203

With his words, those elder brothers are on their toes.

Originally, they were afraid of being punished when they went back, but he said so, they were afraid of a fart.

"Boy, think about how to die?"

"He must be killed to provoke our brother Zhang."

...

Everyone looked at this group of people, no one stepped forward to stop it.

In fact, this kind of thing is really too common for them.

But it's just a group of children fighting and fighting. What's the matter, it will depend on who has a big business.

Looking at the few people rushing towards him, Lin Kaili stayed still.

When they were about to come over, they felt like they had hit something.

Before they could react, they flew seven or eight meters away as if they were thrown out by something.

Everyone stared at this scene in a daze, and couldn't understand what was going on.

Before Zhang Hua could speak, he felt like he was being raised by someone.

The whole person seemed to be floating in the air, kicking and struggling constantly.

“Cough...cough cough...”

He tightly grasped the invisible man's hand and wanted him to let himself down.

When he was about to suffocate, he felt that he had been thrown to the ground.

“Ahem, ahem...”

He coughed violently, as if to cough out his lungs.

After a long time, he felt that the whole person was alive.

Looking at the empty surroundings, he couldn't believe what had just happened.

But his throat was so hot and sore that it reminded him all the time that it was true.

“What did you do?” Zhang Hua backed away in horror, as if Lin Kai was a scourge.

But for him, it is indeed.

How can it be possible to be lifted up without seeing anyone?

“You devil, you are a devil!”

He looked at the people around him and shouted: “Everyone will burn him to death, or
we will all die.”

“are you talking about me?”

The sudden voice of Yinshen caused Zhang Hua to tremble with fright. He turned his
eyes and fainted.

“It’s a waste.”

Yinshen took a glass of wine and poured it directly onto Zhang Huafei’s face.

“Ah, ghost.”

He yelled and looked at the people around him in horror, shaking.

“Mr. Zhang, you really have a good son.”

Kang Kai's tone was obviously unhappy. He was hosting this banquet today for
pleasure.

The results of it?

It's a joke to let Zhang Hua make things like this without saying that Lin Kai had the
slightest ghost.

He talked with a ghost for a long time yesterday?

It's ridiculous.

The person called Mr. Zhang looked at the mess in front of him and wanted to kill Zhang
Hua.

He usually makes noise, but he doesn't look at what the occasion is today.

How much effort did he take to cooperate with Kang Kai?

The results of it?

Really his good son, just messed up for him.

"You rebel, I will kill you!"

Seeing his furious father, Zhang Hua seemed to have found the backbone and rushed
forward: "Dad, you are here!"

"It's haunted here, let's go, don't talk to them!"

...

Zhang Hua was crying miserably while holding his father's thigh, and his mouth was full of gibberish.

Looking at the faces of the people around him, Zhang Tian couldn't wait for him not to have this son.

"Get out of here!"

He kicked Zhang Hua fiercely, and let the Hupengou friends who usually mix with him quickly take him away.

What a shame!

After dealing with Zhang Hua, Zhang Tian looked at Kang Kai with a pale face and didn't know what to say for a while.

It took a long time before he squeezed out a sentence: "Mr. Kang, this child is young and ignorant. Don't worry, I will pay for your loss in full."

"Huh? Compensation?" Kang Kai sneered, "Do you think I lack your money?"

"Come on, send Mr. Zhang back."

Zhang Tian wanted to say something, but was taken away by security.

"I'm sorry for what happened just now, I hope you don't take it to heart."

“Mr. Kang joked.”

“This is natural.”

...

Naturally, those people would not offend Kang Kai, and they spoke one after another.

Kang Kai naturally understood that they were not telling the truth.

Just go as long as you can.

For people like them, who doesn't talk to people and talk nonsense to others.

“Mr. Lin, this expression.”

Someone couldn't help but feel a little confused when seeing Kang Kai treating Lin Kai
so respectfully.

Lin Kai's identity is not a secret in some people's circles.

Just because he avoided keeping a low profile, all questions about his identity had been
blocked by those people.

Naturally there will be people wondering why he got such courtesy.

People will naturally feel resentful in the face of things they cannot get.

Jealousy always makes a person lose his mind.

As soon as the two of them went up to the second floor, they were stopped by a voice filled with righteous indignation.

Lin Kai turned to look at the person indifferently, so scared that he couldn't say a word for a while.

“Is there a problem?”

The cold voice is like a spring in the mountains, refreshing, and feels so cool.

But to some people, this is like hail in the twelfth lunar month, bitterly cold.

“Is there a problem?”

Lin Kai repeats it here, and that person seems to react.

“What kind of thing are you, why do you get Mr. Kang's courtesy?”

“What have you brought to Lantian Technology? What qualifications do you have to be so arrogant here?”

“I think you are just a trash who relies on the cuteness of your ancestors. If I were you, I would have been ashamed and afraid to appear here.”

...

The man kept talking about a lot, all of them were accusing Lin Kai, or just a rubbish, it was useless, and he dared to show off here.

“Did you finish?”

Looking at someone filled with righteous indignation, Lin Kai’s emotions did not fluctuate at all.

There are always people in this world who think they are amazing.

As everyone knows, it’s just a frog at the bottom of the well.

The visitor stared at Lin Kai angrily, as if he was a parasite, which was annoying.

As early as when he said the first sentence, Kang Kai couldn’t help it.

If Lin Kai hadn’t stopped him, how could this person have the chance to talk here for so long?

“You parasite, you don’t deserve to talk to me.”

“I am a parasite, what are you?”

Lin Kai looked at him condescendingly, and said disdainfully: “What qualifications do you think you have to talk to me here?”

“Are you worthy?”

“How do you guys talk?” The visitor’s face flushed red, his fist clenched “crunchy” as if he could not wait to beat Lin Kai.

“What are you? Are you capable of me? Do you make money on your own?”

Lin Kai is really not interested, listening to his long talk.

For such a self-righteous person, he is really impatient.

“Trouble, get out!”

Chapter 1204: Act Recklessly

Chapter 1204

“what did you say!”

Lin Kai’s words completely angered that person.

Angrily walked to him, pointed to his nose, and the line leader spoke, and Lin Kaiji held his fingers.

“What do you think you have the right to talk to me?”

Lin Kai broke his finger without hesitation.

What a waste of time.

It’s hard for the two of them to listen to him chattering about the waste for a long time.

“Ah... you...” He gasped, the sweat on his forehead dripping down like rain.

Seeing Lin Kai and the others were about to leave, he endured the pain and blocked them.

“Chairman Kang, do you want to associate with such waste? What is good about him?”

“It’s just relying on your parents and the waste of background. What qualifications do you have to stand with you?”

Kang Kai really didn’t want to listen to his nonsense, and said categorically: “I just want to go as far as I can.”

Is this giving yourself injustice?

What kind of thing is he? What qualifications do you have to say this sentence.

Kang Kai didn't even know who he was.

It is conceivable that in this East China Sea is not a famous person.

He couldn't understand, where did this man emerge from? The whole thing was just like coming out of a mental hospital.

When Kang Kai said that, he was taken aback for a moment, and then his face was heartache: "I didn't expect Mr. Kang to be such a person. It's really disappointing."

"I'm paying you back, you are..."

"I know you?"

Kang Kai couldn't help but want to laugh, who are these people? Where is the courage to talk to him like this?

"Of course you don't know me."

The man held his head high, looking like he was very powerful.

"I earn more than 50,000 yuan a month. A young man like him is completely incomparable with me."

Looking at him so proud, Lin Kai and Kang Kai felt speechless for a while.

It's not a person of the same level at all, so there is no need to say more.

Maybe he thinks that fifty thousand yuan is a lot, but sometimes it is not even enough for them to drink a bottle of red wine.

"I actually talked to this kind of person for a long time."

Kang Kai shook his head a little funny, thinking that he was silly today.

Call in security and send him away.

This person was not happy anymore, he kept yelling, saying that Kang Kai is a pug, he only knows to kneel and lick others.

He also criticized Lin Kai for being a parasite, a useless waste.

Those who listened to him, Lin Kai glanced behind him and laughed silently.

After someone was thrown out, he kept talking cursing.

I tried to go in several times, but was driven out by the security guard.

“A group of snobs, what right do you have to go with me! Be careful I let the brothers in the group spit you to death with one mouthful of water”

Others laughed and said, “Brothers don’t know if all of your groups are talented, the kind that speaks nicely?”

“If you are interested in adding eight nine seven two four five eight zero eight, you will know when you enter.”

He took a mouthful of disdain, and left with a mutter.

When he walked to a nearby park, before he could react, he was dragged away by a hand that suddenly stretched out.

“Woo, you...”

When he wanted to speak, he felt a sudden “click” and then he fell to the ground.

“Mr. is your kind of trash, can you insult?”

Yinshen processed the corpse directly and went back.

Looking at the hidden **** who came back, Lin Kai nodded and continued talking with Kang Kai.

He has never been a soft-hearted person. Since he provokes him, he must have the courage to bear the consequences.

“what are you thinking?”

Kang Kai waved his hand, and Lin Kai came back to his senses.

“Nothing, just think of something funny.”

Seeing that Lin Kai was reluctant to say more, Kang Kai would naturally not go uninterested, so he asked more.

After all, Kang Kai was the host of the banquet, and it was impossible to keep showing up. After staying with Lin Kai for a while, he went down.

Looking at the staggered appearance of the chips below, Lin Kai stared in an unknown direction without focusing.

“What’s the matter?”

Ai Lu’er was stunned when asked by Lin Kai.

She just watched Lin Kaifa and couldn’t help but want to come and accompany him. She didn’t expect to find out when she got closer.

“That Mr. Lin, who are you Lin Qianqian?”

This question has arisen since he helped Lin Qianqian.

She thought they might be brothers and sisters, but they didn’t look alike.

Lin Kai wasn’t the kind of nosy person, and she didn’t know why Elur felt a little uncomfortable in her heart when she saw him care about other girls so much.

“Sister I knew when I was young.”

Lin Kai said casually, and Ai Lu’er’s hanging heart was considered to be let go.

She stayed quietly beside Lin Kai, and neither of them spoke.

Ai Pingyuan wanted to talk to Lin Kai about something, but after seeing this scene, he thought about it and left.

If his daughter can be with Lin Kai, he can wake up even when he dreams.

What Lin Kai didn’t know was that the two of them stood together like this and fell in the eyes of some people.

Looking at the angry Sun Hai, I couldn’t help but want to curry favor.

“Brother Hai, how come my sister-in-law is with others? Don’t you need to teach him well by my brothers.”

“Yes, who doesn’t know that this is our sister-in-law, a lifeless thing!”

...

Listening to his little brother’s clamor, Sun Hai couldn’t wait to rush over to kill them.

This pair of dog men and women dared to give him a cuckold, which was really annoying.

His Sun Hai has been in the East China Sea for so long, and no one dares not give him face.

Seeing Ai Lu'er tilting her head to talk to Lin Kai, revealing a delicate and slender neck, Sun Hai couldn't help it anymore.

"Your special bitch, who are you hooking on here!"

Sun Hai pulled Elur to his side at once, without any concern that he was wearing high heels, and fell directly to the ground.

"Sun Hai, why are you crazy!"

Ai Lu'er was not a fuel-efficient lamp either, so she stood up with the pain and slapped Sun Hai directly.

She didn't even look at what she was, even she dared to fight.

"Do you dare to hit me?"

Sun Hai looked at the younger brother around, and at Ai Lu'er, he only felt that his face had been lost.

My daughter-in-law cuckolded herself, but beat herself.

If this spreads out, is Sun Hai still in the East China Sea?

"How about hitting you?" Ai Luer looked at him disdainfully: "What are you, I am your wife? What a joke, why didn't I know I was married?"

Elur is so angry, where did the cats and dogs who popped up, dare to say that they were their own men?

I didn't even look at my own appearance, just like the one who ran out of prehistoric times, it was really ugly and couldn't bear to look straight.

"Smelly girl, can you tell me again?"

Sun Hai can't wait to kill Ai Lu'er, so it doesn't give him face.

Row!

Don't blame him Sun Hai for not pitying Xiangxiyu.

"Let's go."

Lin Kai only felt that it was a waste of time for this kind of farce.

Seeing him leaving, Elur quickly followed, which could be regarded as **** off Sun Hai.

“You two stop me!”

Chapter 1205: He Bullies Me

Chapter 1205 He Bullied Me

Sun Hai rushed to the two of them angrily, looking like he could kill them.

“You guys and dogs, hurry up and die for me!”

He was so angry that he wanted to take his girlfriend away in front of him. It was really commendable.

“Little white face, you can do it.”

Sun Hai spit out sputum on the ground and pressed his tongue against his upper jaw, looking like a fool.

He stood slantingly, with one leg dangling and shaking, the whole thing was like a second-rate.

“You can leave today, and my wife will stay.”

He pointed to Lin Kai and said, “As for you, you must kneel and kowtow to me, or you will be killed.”

“You can go out to inquire, who in the entire East China Sea does not know my brother Hai.”

“Yes, boy, I advise you, it’s better to kowtow.”

“Don’t let the brothers do it, or you will lack arms and legs.”

...

“You shut up.”

Ai Lu’er is so angry, a group of people who do not live or die, Lin Kai’s identity, they can insult?

“Why are you still angry with your wife?”

Sun Hai gritted his teeth and said these words, and his hostility towards Lin Kai became even heavier.

Damn it, isn't it just looking good, what else can you compare to yourself?

The more he thought about it, the more angry he got, Sun Hai kicked on the railing aside, and he almost cried out in pain.

Lin Kai didn't care about their provocation.

To him, it was just a group of jumping clowns, and there was nothing worth noting at all.

After seeing Lin Kai bypassing them, Sun Hai was angry except for being proud.

Damn it, dare to ignore his words and see how he cleans him up.

“You **** die.”

The butterfly knife in his hand was thrown towards Lin Kai's back without hesitation. He didn't believe that he could avoid such a short distance.

The Butterfly Knife whizzed away in the air, and was about to plunge into Lin Kai's back. Ai Luer blocked her in front of her without thinking.

With my eyes closed, there was no pain for a long time.

Elur opened one eye and looked at it cautiously.

I don't know when, Lin Kai has reached out from behind her body and grabbed the butterfly knife.

To outsiders, they seemed to be embracing, which almost made Sun Hai pissed.

“You threw it?”

“I didn't kill you. If you are lucky, this time it may not be so.”

He still doesn't believe it. Can Elur save him once or twice?

The butterfly knife in Lin Kai's hand was thrown out at the same time as him.

There was a clear sound of breaking through the air, and with a crisp sound, Sun Hais butterfly knife was directly knocked out.

The butterfly knife that Lin Kai threw out was puzzled and severely cut off Sun Hai's ears.

"what!"

Sun Hai covered his ears and rolled all over the floor, and the blood on the floor looked a little shocking.

"you"

He wanted to speak, but he couldn't say a word.

Those subordinates who saw Lin Kai's means blocked Sun Hai and left without thinking.

Are you kidding me, stay here?

Didn't they find their way to death?

Seeing them fled back, Ai Luer breathed a long sigh of relief.

It would be somewhat troublesome to let her do this.

"Thank you Mr. Lin."

Now Elur felt more and more that she had made a very correct decision to reconcile with Lin Kai.

Not long after he walked, Lin Kai suddenly stopped, causing Ai Luer, who hadn't looked at the way, to hit him directly.

Elur couldn't hold back a single one, and almost laughed out loud.

She thought that a character like Lin Kai must be surrounded by beautiful women, and she was not interested in herself.

But until now, she didn't realize that Lin Kai had never contacted any woman.

The more such a man, the harder it is to get it easily.

But what I have to say is that such people are also more dedicated.

"I want to walk by myself, you can go back."

Lin Kai broke off Ai Lu'er's hand and walked forward unnaturally.

“Ha ha ha ha.”

Listening to Elur’s smile, Lin Kai stopped and almost fell to the ground.

She sighed and left until she could no longer see him.

What Lin Kai didn’t know was that now Ai Luer had become more determined to marry him.

After leaving Elur, Lin Kai breathed a long sigh of relief.

Getting along with women is really too much trouble.

“Sir, there is someone ahead.”

He had heard no sound long ago, and he didn’t say much at all, and came over with the hidden god.

Lin Kai only felt a little sick when listening to the explicit dialogue inside.

“we”

As soon as he was about to leave, he was stopped by the voice.

“Handsome guy, why don’t you speak?”

A barely dressed woman walked slowly step by step, twisting the waist of the water snake.

“Why, do you want to leave when you see someone?”

Facing this woman, Lin Kai took a step back subconsciously and distanced herself from her.

“Please stay away from me, your perfume smells too bad.”

“What are you talking about?” The woman was stunned for an instant, she didn’t expect Lin Kai to say this to herself in the first sentence.

“What do you mean!”

The woman stomped angrily, and the people watching were excited.

She looked at Lin Kai proudly, waiting for him to be beaten in the face.

But he didn't expect Lin Kaixun to give her a glance and leave without looking back.

"You stop me!"

She rushed forward, clutching Lin Kai's arm tightly.

"Brother, come on, okay?"

She deliberately put on a seductive look, like a little wild cat.

Pushing away the woman blankly, Lin Kai took off her clothes and put them on her hands.

If it wasn't for being impolite to only wear a vest and shirt, he would just throw the jacket away.

"Brother, are you coming?"

Said that the woman had already pulled down her coat.

"You just have to stay away from me."

Lin Kai glanced at the place where he was helping the camera, and the corners of his mouth were slightly raised.

He doesn't believe in a woman, she will come to me for no reason.

"No, brother."

The woman yelled coquettishly. People who didn't know thought Lin Kai would do anything bad to her.

Just as the woman was about to open Lin Kai's clothes, a loud voice rang.

"I want to see, who dared to touch her, believe it or not, I killed him!"

A loud voice came, and then a potbellied man walked out.

Chapter 1206: Corrupt

Chapter 1206

"It's my daughter you moved?"

As soon as the man came over, he took the woman in his arms and checked up and down.

Lin Kai gave them a disgusting look, but Lin Kai didn't want to say anything.

But after two steps, he was stopped.

"You kid, dare to move my daughter?"

The potbellied man looked angry, as if Lin Kai had done something heinous.

Seeing men like this, Lin Kai knew what they were going to do.

It's nothing more than trying to slander himself and indecently assault his daughter, using the same moves as Elur.

Looking at them blankly, Lin Kai stared at their next move.

The man originally thought that Lin Shanhui was arguing loudly, but he didn't say a word, but he was taken aback for a while, not knowing what to say.

Had it not been for the woman in her arms to pull him a bit, she would continue to froze.

"Boy, you immediately apologize to my girl, and you have to pay for my girl's mental loss."

...

The man said a lot, in a word, that is asking for money.

"Did you finish?"

Their performance is really not respectable at all, and Lin Kai really doesn't want to continue talking nonsense with them.

"It's finished, how much are you going to lose, kid."

When the man saw that he still didn't speak, he simply reported a number: "It's only ten million, because you are the first offender."

Without even looking at them, Lin Kai turned and left. What a cat or a dog could come in here.

"You stop me!"

Naturally, they couldn't let Lin Kai leave, blocking him one after another and not letting him go.

"Is there anything else?"

Listening to Lin Kai's words, their lungs were about to explode.

What do you mean?

What they just said, they didn't even listen to a word of him.

Have you been playing the piano for a long time?

"Losing money! You're offending my daughter, just forget it?"

The man looked angry, wishing to cramp Lin Kai.

If it weren't for their small movements before, it would really be like a pair of intimate father and daughter.

"Which eye did you see?" Lin Kai smiled and looked at them, looking like a college student who had just left the society.

Originally, Lin Kai didn't want to care about them so much, but they were just two annoying spirits.

"How do you guys talk?" The two were furious.

"We all saw it!"

"Annoying."

Lin Kai frowned, looking a little impatient.

"Resolve them."

He really didn't bother to waste time, and directly let Yinshen knock them out.

Looking at the empty surroundings, Lin Kai casually found a chair and sat down.

He took out a cigarette and hung it in his mouth, the scarlet cigarette **** gleaming in the dark night.

"Sir, someone is here."

“Ok.”

Lin Kai responded indifferently, leaning on the chair, making no sound.

After a minute or two, two slight footsteps came.

“You said we really want to do this? If this fails, we can’t afford to offend it.”

“How could it fail!”

A man’s somewhat stern voice sounded: “If it succeeds, even the Li family can’t help us a little bit, and the master will look at us high.”

“Think about the insult you suffered today, don’t you want to return it?”

When the man said that, even if it was a certain distance away, Lin Kai could clearly hear the “creak, creak,” a headache grinder.

“I must make them pay!”

“I have bought them, and I will prescribe medicine in the things he uses then.

“I know.”

As the conversation went away, Lin Kai couldn’t help but sneered.

The Xu family’s father and daughter are really unscrupulous for the sake of superiority.

I don’t know which hapless person is, so they are eyeing on.

“Let’s go.”

After all, it was Kang Kai who invited him to come, so it is impossible not to show up all the time.

When the two returned, the entire banquet was dark, elegant dance music sounded, and everyone danced on the dance floor.

Lin Kai didn’t have the slightest interest in this kind of thing. He just found a place and sat down to appreciate it slowly.

After a while, Lin Kai felt that someone was walking by his side.

“Handsome guy, have a drink?”

Even in the darkness, Lin Kai still clearly saw the person in front of him, Xu Yujia.

Thinking of the previous conversations, Lin Kai's mouth cast a smile.

"Thanks."

Lin Kai took the wine she handed over and drank it.

Seeing Lin Kai drank the wine, Xu Yujia's mouth showed an imperceptible smile.

Not long after, Lin Kai looked shaky and unsteady.

Xu Yujia went over, supported him laboriously, and walked up slowly.

"Success?"

"Well, I saw him drink it myself."

"That's it."

Xu Fu breathed a sigh of relief, and together with Xu Yujia, helped Lin Kai to the hotel that had been opened upstairs.

After going out, Xu Fu was still a little worried and told her: "I will leave the rest to you, we must take him down!"

"I see." Xu Yujia flushed and looked at Lin Kai lying on the bed.

Since he saved himself that time, he has been thinking about it.

Although his previous attitude was a bit bad, it can be forgiven.

As long as he became his person, Lin Kai would not despise himself by relying on their Xu family.

Not to mention that I am confident that I can take him down.

As for the foxes around him, she has some ways to clean them up.

"Brother, you are finally mine."

She walked over to Lin Kai's side and unbuttoned Lin Kai's clothes shyly.

Before she had the next move, she felt that her eyes went dark and she passed out.

What she didn't know was that within a few minutes of leaving, her father Xu Fu was knocked out by the hidden **** and dragged him up.

Looking at the father and daughter who fainted, Lin Kai's expression was a little gloomy.

"Sir, what are you going to do?"

It's so courageous to dare to calculate Mr.

He already had a hundred ways to kill them.

As long as the husband said a word, he would not hesitate to let them feel what it is, the feeling that life is better than death.

"Didn't they want to be masters, let their ideas be completely shattered."

"Yes, sir."

In fact, Yinshen felt that Lin Kai was still too soft-hearted. If it were him, this matter would not be solved so easily.

Chapter 1207: Take Refuge

Chapter 1207

Lin Kai did not know what happened afterwards.

The event of the banquet was like an episode in life, and it did not affect Lin Kai in the slightest.

What gives him a headache now is how to get rid of this old fool in front of him.

"What do you want?"

He is really standing, one head and two big.

Do you know such a person like this?

"I don't care, you must protect me personally!"

Tianshi Huang left the whole person and hung it on Lin Kai.

Even here, he still looked around vigilantly from time to time, looking scared.

“What the **** happened?”

Lin Kai rubbed his head and looked at him.

Early this morning, the old Huyou rushed over in tears.

If it weren't for him to see clearly, he would almost be abolished.

He didn't say anything, crying with his arms around him was a terrifying cry.

Those who didn't know thought what happened to Lin Kai.

After the old Huyou rubbed his tears and nose on Lin Kai's body, he sat aside with a wry smile.

Lin Kai finally thought that he finally stopped.

As a result, the birds outside flew up in shock, making him shiver and almost fell off the sofa.

This made Lin Kai realize that something was wrong, but before he could ask anything, Heavenly Master Huang hid behind him like a quail, motionless.

It was the first time that he saw this old thing, it looked like this, and he couldn't help but feel a little scared.

Finally, he stopped before Lin Kai could ask him what was going on.

Huang Tianshi sighed leisurely, and the whole person looked a little vicissitudes of life.

“Do you know what my life is these past few days?”

He gritted his teeth and said: “No matter where I hide, the shameless woman will appear in front of me in less than an hour.”

“No matter what I say, she seems shameless and wants to sleep with me.”

“Forget it, she still steals the clothes I wear next to my body!”

“Do you know how much my underwear is missing?”

“It's not a big deal, she just watched me take a shower, and...”

Master Huang Tian cried out in tears, and he was just a poor child who was wronged and dared not speak.

Listening to Huang Tianshi's narration, even though he thought he was pitiful, Lin Kai couldn't help but want to laugh a little.

"you!"

Tianshi Huang stared at Lin Kai angrily, and finally sighed helplessly.

"Laugh if you want."

"Hahahaha."

Hearing the laughter of the two, he only felt a moment of heartburn.

He just said that casually, he didn't expect the two of them to actually laugh.

In his increasingly ugly face, the two slowly stopped smiling.

"Ahem."

Lin Kaixu clenched a fist, coughed, and said solemnly: "So you came here to let me protect me?"

"Of course you want to protect me!"

Huang Tianshi pointed at him and said, "Not only you, but also the hidden god."

"You don't know what kind of distress I have been living in recently. If my apprentice hadn't stopped me for a while, I wouldn't be able to survive."

"Do you have any news about that female grandmaster?"

"No."

The two answered in unison.

This made Lin Kai a little surprised. After so long, there was still no news about her, and it seemed a little abnormal.

"You send more people to investigate."

If you don't find out the news of this female grandmaster, Huang Tianshi is afraid that it will be uneasy.

"Those who don't know thought it came out of the cracks in the stone."

Huang Tianshi sat on the sofa anxiously, muttering constantly in his mouth.

It's not that he has no common sense, and wants to figure out the origin of this female grandmaster.

But I don't know much about her, she is still a master, and she is stronger than herself.

Even if he has the intention, he is powerless.

Looking at the dejected Huang Tianshi, Lin Kai patted him on the shoulder. It was the first time he saw this old thing, so lacking energy.

"When are you heading these days?"

"Brother Lin, I'm back."

As the sound fell, the door was opened.

"Tianshi Huang!" Li Shengxian yelled in surprise, and walked over in three steps and two steps.

As soon as he saw Li Shengxian, Huang Tianshi immediately put away the look of the grievances he had just seen.

With a wave of the broken fan in his hand, he felt a bit of a fairy style and deceived people like Li Shengxian.

Chapter 1208: Sad

Chapter 1208

"I have a relationship with my little friend, and I will give you a free gift today."

Hearing what Huang Tianshi said, Li Shengxian almost jumped up excitedly.

He looked at Huang Tianshi eagerly, if she had a tail, she could deliberately fly into the sky.

"Really?"

Li Shengxian couldn't believe that such a good thing could fall on him.

To know how many people there are in the family, crying and begging, and doing everything possible to get Huang Tianshi to give them a divination, still can't get what they want.

It was his father who asked Huang Tianshi to fortune, and the price he paid was not small depending on his mood.

Today, he made a triumph for nothing. If those in the family knew about this, I was afraid that he would not be envious of him.

"This is natural."

Huang Tianshi took his hand, pondered for a while, and kept pinching his fingers.

After a while, Tianshi Huang's face was a little heavy: "You'd better not go to the waterside for some time recently. Even when you go, you must be familiar with people."

"This..." Li Shengxian looked at Huang Tianshi blankly, and didn't figure out what it meant for a while.

However, Lin Kai looked at Huang Tianshi, knowing that he would not make jokes about this kind of thing, and couldn't help but feel a little heavy.

"Yin Shen, send someone to follow him, don't let people see it!"

Lin Kai told him with a serious face: "Remember today's words, in the recent period, don't go out if you can."

Li Shengxian naturally knew that they would not harm himself, so he nodded quickly.

At the same time, he himself has strengthened his guard. Recently, he has been in the limelight in the Li family for a while.

Naturally, some people can't stand it, jealous.

Not to mention others, even his big brother will not let him go.

Seeing Li Shengxian's solemn expression, Lin Kai said nothing.

He can now be on his own, and he will try not to make a move if he is not a last resort.

Otherwise, even if he took over the Li family, it would be of no use.

Because of Huang Tianshi's words, the hearts of several people were a little heavy, and no one took the initiative to speak.

“Someone!”

Yinshen dropped such a sentence and rushed out of the room instantly.

Lin Kai and Huang Tianshi hurriedly guarded Li Shengxian between them, watching them vigilantly.

After five or six minutes, there was no movement.

Lin Kai asked Huang Tianshi to protect Li Shengxian upstairs, and he went out to see what was going on.

After going out, a **** smell came out, making him frown in disgust.

Sure enough, this taste is the most annoying.

Following the blood stains, the road was full of dead bodies. Fortunately, few households live here, otherwise it would have caused confusion.

Gradually, the number of corpses in front became less, and the blood stains became sparse.

Lin Kai looked around guardingly, and moved forward slowly.

When he passed by, he saw the hidden **** fighting with a man in black.

He hastily stayed aside, and now he hasn't recovered well, the past was just a mess.

“Boy, you are very good.”

The man in black listened to his voice as an old man, but his strength was so good that the two of them played hard to distinguish.

“Humph.”

Yinshen didn't talk nonsense with him, and called for death.

The whistle that suddenly came from a distance caused the man in black to stop.

An expert can decide to be angry in one second.

With such a dazed effort, Yinshen slashed his right arm directly.

As if cutting tofu, his right arm fell directly to the ground, arousing a burst of dust.

The blood spurting out even splashed his face directly.

“what!”

The pain of a broken arm can be imagined.

The man in black staggered, kneeling directly on one knee, cold sweat on his forehead.

Even if they become masters, they don't know how much they have spent, and they don't know how much they have suffered.

But before, all the tails were required, not like now.

The whistle in the distance gradually became short and dense.

The man in black gave the hidden **** a fierce look, and disappeared without looking back.

Yinshen originally planned to chase after him, only because Lin Kai came over.

Fearing that they would make a noise, Lin Kai could only give up when he encountered danger.

“Sir, are you all right.”

“No problem.” Looking at the corpses all over the floor, Lin Kai rubbed his head: “Do you know who it is?”

“It's not clear yet, I will find out as soon as possible.”

“Clean up.”

“Yes.”

After Lin Kai went back, he searched the entire house and found no trace of them. His complexion changed instantly.

He also specially stayed with Huang Tianshi and Li Shengxian, but he did not expect that they were still captured.

Hammered the table hard, and the whole table fell apart in an instant.

The expensive red sandalwood just turned into a pile of firewood.

Lin Kai exudes air-conditioning, like a thousand years of profound ice.

As a result, as soon as he left the house, he ran into Huang Tianshi and Li Shengxian who were carrying a bunch of things.

Seeing Lin Kai like this, the two were frightened, and the bag in Huang Tianshi's hand fell to the ground all at once.

Some anxiously asked: "What happened?"

"Where did you two go?"

"I'm not afraid that you will be hungry when you come back with Yinshen. Go buy you some food."

"Brother Lin, what's the matter?"

The two of them looked at Lin Kai who was furious, and took two steps back unconsciously, for fear that they would be killed by him accidentally.

"You two, good, very good."

Lin Kai snorted and left directly.

Unfortunately, he thought what happened to the two of them. What happened?

Ran out to buy something?

Looking at Lin Kai's back, the two of them were almost at a loss for Monk Zhang Er, and couldn't figure out what was going on.

When they returned, Lin Kai would have returned to the room long ago.

No matter how they knocked on the door, Lin Kai didn't mean to pay any attention to them.

The two knocked unwillingly for a long time, and finally had no choice but to hit the door directly.

After entering, the two were stunned.

Where is Lin Kai's figure in the empty room?

"Where did Brother Lin go?"

"You won't be caught, will you?"

Tianshi Huang quickly counted it out, although he couldn't count Lin Kai's fate, and there are still things that will happen in the near future, but it is easy to know his location.

"How?" Li Shengxian asked anxiously, for fear of what happened to Lin Kai.

Lin Kai at this moment is in the woods. Seeing what Yin Shen handed him, his face was a bit solemn.

"Which man in black really stayed?"

"Yes." Yinshen handed a washed arm to Lin Kai: "The same mark is also on the arm."

Looking at the mark, Lin Kai's face grew gloomy.

"I didn't expect it, it's good."

He sneered, his whole body getting colder.

"Sir, you..."

President Yinshen said something, but thinking of that thing, he shut his mouth sensibly.

"Go back, don't talk about it."

The details of this matter have yet to be verified, and he needs time to prove that it is true or false.

"Yes, sir."

Chapter 1209: This Is Impossible

Chapter 1209

Lin Kai kept thinking about the sign, and the sky darkened unconsciously.

In the dim woods, the shadows of the trees seemed to have a blurry beauty.

For planting so many trees here, Lin Kai feels that the developer is simply too idle.

"Let's go back."

When Lin Kai strolled in the woods, everyone felt calm.

The sound of insects is endless, making people feel peaceful.

Of course, if it is not far away, the quarrel that comes will be even better.

Lin Kai was planning to take a detour, but it was a coincidence that a dog that didn't know where he was coming from stopped him, and even yelled "Yang Yang".

"Who's where?" A woman wailed with a little cry.

Then two footsteps, light and heavy, walked over slowly.

Lin Kai originally planned to leave, but who made this dog keep biting himself and not letting go.

Soon a man and a woman appeared in front of Lin Kai.

A sturdy man with a size of 1.7 meters, staring at Lin Kai fiercely.

"Why are you eavesdropping on us?"

"I just passed by accidentally."

"Nonsense!"

The man pointed at him and asked the woman: "Qiangwei, tell me, is it him?"

The woman carefully looked up at Lin Kai, her face full of hope.

Seeing the man getting more and more impatient, she nodded softly and whispered: "It's him."

"Fuck you uncle, you bitch, labor and capital killed you!"

Speaking, the man slapped the woman directly.

From his point of view, he is a person who regularly exercises, and the strength of a slap is conceivable.

The woman leaned back directly after being beaten, and fell to the ground fiercely.

The man seemed to be puzzled, just a few feet against the woman's belly.

The pain made the woman hunch like a cooked shrimp, but she didn't say a word.

For this kind of thing, Lin Kai has no interest in meddling.

In addition, the woman just said it was him, so she was even more reluctant to participate.

Seeing Lin Kai was about to leave, the man instantly became unhappy and blocked him directly.

“Who’s mother allowed you to go.”

“Step aside.”

Lin Kai looked at him impatiently, this was a matter between them, don’t involve him.

“What did you say?” The man said with a sneer: “Boy, who gave you the courage to say this?”

“You have put the labor-management woman to sleep, and now you want to leave, there is such a good thing in the world?”

It was only when he said that Lin Kai understood what was going on.

But he didn’t know this woman, how could he have something to do with her?

Lin Kai walked to the woman and asked, “Are you sure that man is me?”

The woman looked at Lin Kai, tears fell from her eyes unconsciously, her voice was somewhat hoarse and she answered, “It’s you, why are you doing this to me?”

Anyone who heard her say that would think Lin Kai was a scumbag, even Gu Yan was no exception.

“You have to be responsible for being a human being. If you sleep with my woman, don’t you **** want to be responsible, don’t you want to let her face it alone?”

“There is such a thing, **** it, labor and capital will kill you!”

Gu Yan was really angry.

He is so good to Qiangwei, the result?

She cheated on other men.

It’s okay if it’s a responsible person, but it’s such a shame.

He Gu Yan actually lost to such a waste.

“I said, I don’t know her.”

Lin Kai had a little sympathy for the women on the ground, but now he only feels sick.

“Since I know that she has cheated, I don’t know who the adulterer is?”

Lin Kai’s tone was full of disdain, and Gu Yan angrily wanted to kill him on the spot.

“If I were you, I would have died long ago, because it would be too shameful.”

“you!”

Gu Yan pointed at Lin Kai, unable to say a word.

He really didn’t know who the adulterer was.

However, he still knew who Qiangwei was, and he would definitely not lie to himself.

Therefore, Gu Yan became more and more convinced that Lin Kai was the adulterer she was talking about, and just didn’t want to take responsibility.

“You go to death for labor and capital.”

Gu Yan threw a punch without hesitation, only feeling angry in his heart.

Rose, who fell on the ground, saw this scene and closed her eyes in fear.

She was really forced, as long as Lin Kai died, she could be with her lover.

“I’m sorry.” Qiangwei said silently in her heart. She will definitely repay him in her next life.

But after waiting for a long time, Qiangwei did not leave and heard the expected shout.

She opened her eyes cautiously and was surprised to find that Gu Yan’s fist was actually caught by Lin Kaiji.

“This”

She just wanted to scream, and quickly covered her mouth.

This is really incredible.

She knows how powerful Gu Yan is.

But now it was so easily picked up by a little white face.

Even Gu Yan also had a face that couldn't be pointed. He wanted to retract his fist, but couldn't pull it back.

"You should ask your woman carefully, otherwise I don't mind asking for you!"

Lin Kai snorted and pushed Gu Yan out directly. He staggered and almost sat down on Qiangwei's face.

"Let's talk about who it is, I don't even know you."

Lin Kai directly lifted Qiangwei, and he would never show mercy to such a person who pours dirty water on himself.

Being lifted by Lin Kai like this, Qiangwei's face was full of fear.

Until now, she knew clearly that she had offended an incredible big man.

With trembling lips, Qiangwei couldn't say a word.

Gu Yan wasn't a fool either. Naturally, they didn't know each other.

"You bitch, who is that man?"

If Lin Kai hadn't been holding Qiangwei, Gu Yan would have been tempted to do it.

"I'm sorry, I'm sorry." Qiangwei cried and shook her head, apologizing incessantly.

But she really can't say it, this is an agreement between the two of them.

In addition to his identity, Gu Yan can't afford to provoke her. She doesn't want to harm others, after all, he treats herself so well.

"Your **** bitch, labor and capital are really blind, you are in love with you!"

Gu Yan only felt full of anger and couldn't vent it. He punched the tree beside him unbearably, and his hands became bloody.

Watching this scene, Qiangwei felt distressed: "Gu Yan, don't do this, don't hurt yourself."

"Get off." Gu Yan roared with red eyes: "You bitch, stay away from labor and capital."

What Qiangwei wanted to say, seeing him like this, couldn't say a word.

Regarding their affairs, Lin Kai only felt bored: "Are you all right?"

He looked at Qiangwei and said: "You don't want to say it, you slander me, then go to death."

"what did you say?"

Chapter 1210: Really Sorry

Chapter 1210

Qiangwei's body was shaking at a speed visible to the naked eye, leaving a string of fishy-smelling liquid between her legs.

"You're kidding, aren't you?"

Qiangwei still had some illusions in her heart, she felt that Lin Kai would definitely not do this.

But the air in the chest cavity was getting less and less, even if she tried her best to breathe, she couldn't change anything.

She couldn't help but rang out the scene of her meeting Gu Yan.

She suddenly regretted it.

Why are you so ignorant? Gu Yan is so good to himself.

"I can't die!"

With such a thought in his mind, Gu Yan struggled vigorously, but no matter how she moved, she couldn't shake Lin Kai's hands at all.

Just when she thought she was going to die, a breath of fresh air passed into her throat.

She breathed greedily, her whole being reborn.

"Let's talk about who it is, or go to death."

Looking at Lin Kai, who was expressionless, Qiang Wei only felt trembling all over when thinking of the past.

She subconsciously leaned against Gu Yan, but was kicked away by him.

Seeing the indifferent Gu Yan, Qiangwei finally couldn't help crying loudly.

What did she do?

That person hasn't appeared until now, he almost died in order to keep the secret.

But what did you get in exchange?

Thinking of Gu Yan's kindness to herself before, Qiang Wei couldn't help it anymore.

She crawled to Gu Yan's side, clutched his leg tightly, and begged: "I know I was wrong. Will you forgive me?"

"I will never talk to any men again!"

"As for that man is Zhang Guang, can we do it well in the future? I will never do this again."

Seeing Qiangwei who was kneeling on the ground and pleading, I don't know why Gu Yan only felt sick for a while.

Why do I fall in love with such a woman?

He tried to think about them in the first place.

But found that Qiangwei seemed to be no longer the same she was before.

"You betrayed me for Zhang Guang that trash?"

Gu Yan couldn't help laughing. Who in the whole East Sea didn't know that his Gu family and Zhang family were enemies?

But what?

His woman actually crawled on the bed of her rival and passed it out, really laughing out loud.

Although news came out yesterday that the Zhang family offended Kang Kai, it may be over.

But so what?

This fact should not be changed.

"Gu Yan, I know I was wrong, can you forgive me?"

Qiangwei took his hand and shook it, eyes full of tears.

In the past, as long as she did this, Gu Yan would calm down no matter how angry she was.

But today seems to be different.

He looked at him, like a stranger, without any emotion.

This discovery made Qiangwei too scared to say a word.

“Gu Yan, I was wrong. I really know I was wrong. Can’t I live without you?”

She kept begging for mercy, but Gu Yan was not moved at all.

“I’m sorry, brother, I misunderstood you today.”

Gu Yan apologized to Lin Kai: “I owe you a favor for this matter. I will let you know where I can be useful in the future.”

“As long as it’s not murder and arson, I will definitely do it for you.”

“Good.” Lin Kai agreed.

If this were changed to someone else, he would not be so happy.

As for Gu Yan’s misunderstanding of himself, it was all because of Qiangwei.

Now that it’s solved, he doesn’t need to stay.

Seeing Lin Kai was about to leave, Gu Yan hurriedly followed. He didn’t want to be with Qiangwei anymore.

Seeing Gu Yan doing this, Qiangwei was so angry that she wanted to pass, but she didn’t dare.

“I’m really sorry about this.” Gu Yan looked at Lin Kai guiltily, feeling that he was really stupid.

“It’s okay.” Lin Kai moved away from him: “Stay away from me.”

Gu Yan wanted to say something, and finally had to silently shut up and watched Lin Kai leave.

And Qiangwei also appeared in front of Gu Yan after Lin Kai left, begging for forgiveness constantly.

But Gu Yan had already seen it through and felt that he was a fool before and there is no need to continue to be foolish.

Regarding their affairs, Lin Kai didn't want to mix things up.

After all, it is him, and there are still a lot of troubles.

On the way back, Yinshen looked at Lin Kai and laughed from time to time.

"Laugh as you want." Lin Kai was also depressed. Is he so like an adulterer?

"Hahahahaha."

Listening to Mr. Hermit, Lin Kai's face was as black as Coal.

After returning home, Li Shengxian looked at Lin Kai and Yinshen, still wondering what happened to them.

"Lin Kai, is this invisible insanity?"

"Do you want to be beaten?"

Looking at Yinshen's fist, Mr. Huang laughed twice and said nothing.

"Old Huyou, don't go back to Li's house for two days, just stay here."

Lin Kai's words can be said to have completely touched Huang Tianshi's heart.

"Since you said that, I will reluctantly agree."

Looking at him reluctantly, Lin Kai really didn't want to say anything.

Before they finished talking, the door was kicked open.

Li Haoxian walked over angrily, as if to eat people.

Seeing Li Shengxian, he grabbed the collar of his clothes and asked sharply: "Okay, Li Shengxian, I really didn't expect that my good brother is so good?"

Had it not been for Lin Kai's presence, he would have liked to kill Li Shengxian.

He used to think that Li Shengxian was a waste.

I didn't expect it, but I missed it.

This is a poisonous snake, taking advantage of himself, gave it viciously.

Thinking of what the second elder said to himself, Li Haoxian was so angry.

“Join up with that stinky woman to fix me?”

Li Haoxian sneered, let go of him, and sat on the sofa aside: “Without Lin Kai, what are you?”

“Why did you sleep with that bitch?”

“Yes, after all, trash like you is only worthy of being played by women.”

Listening to Li Haoxian's husband, Li Shengxian's eyes were red, and he rushed forward and fought him into a ball.

But he couldn't beat Li Haoxian at all. If Lin Kai and the others hadn't helped him, he would have been beaten to death.

Seeing Li Haoxian who was then thrown aside by Lin Kai, Li Shengxian rushed over and kicked him.

“Your special code will wait for me, I will let you go back to see it!”

“Hahahaha, you can try!”

Li Haoxian laughed and spit out blood.

“Don't worry, those photos of you tomorrow will appear on the Internet.”

“At that time, do you think those old things, and our dear father, will continue to tolerate your waste and stay at Li's house?”

“Li Shengxian, you are just a rubbish. In this life, you are only worthy to crawl under my feet and be a pet.”

Hearing what Li Haoxian said, Li Shengxian punched directly.
