Chapter 1241: Zhao Yu

Chapter 1241

“Don’t you like forklifts?”

“Occasionally, it’s good too!”

Lin Qianqian answered loudly, her voice gradually disappearing into the wind.

“Second pull.”

The harsh brakes sounded, and the two stopped at the door of a bar.

“Let’s go.”

Lin Qianqian pulled him in with familiarity.

Seeing the outside is unremarkable, it doesn’t look like a bar at all, but when you enter inside, there is no wonder.

The deafening music combined with the colorful laser lights makes it seem like a fascinating feeling.

Many men and women are constantly twisting their bodies and making various poses.

In Lin Kai’s view, he only felt a little disgusting, but he really didn’t appreciate this kind of thing.

“dislike?”

Lin Qianqian leaned into his ear and said loudly: “Don’t worry, I won’t come to such a place and follow me.”

He dragged him through the crowd. Seeing them as girls, they leaned over, twisting his waist, teasing Lin Kai.

However, Lin Kai remained unmoved, even a woman posted it and was pushed away by him.

There were women who remained unwilling to give up, and wanted to go there, but they were all forced back by the cold air radiating from him.

“It seems you are very popular.”

There was a little jealousy in Lin Qianqian’s voice. It is true that a tall and handsome person like him still looks cold and is most popular with these little girls.

“where is it.”

Lin Kai’s voice is like a thousand-year-old cold pond, and it makes people feel cold to the bone.

Lin Qianqian knew his temper, stopped talking nonsense, and dragged him through the crowd to the second floor.

Just ascending upstairs, it was like coming to another world.

The deafening music disappeared instantly, leaving only the soft guzheng sound, echoing in the ears, making people unable to help but want to explore.

“its not bad, right.”

Lin Qianqian introduced to him while walking.

I have to say that this boss is very thoughtful.

Lin Kai smiled as he looked at the men sitting in the hall, talking quietly, or flirting with Xiao San.

Indeed, their wives, how could they want their superior bosses to come to such a misty place?

“You wait for me here, I’ll take care of something.”

Lin Qianqian answered a call, took Lin Kai to a place, and left in a hurry.

Lin Kai sat on the sofa by the side, closed his eyes and fingers and followed the sound of the guzheng, beating, looking uncomfortable.

Someone on the side saw Lin Kai doing this and couldn’t help laughing: “Pretend to be a noble person?”

Hearing their voices, Lin Kai raised his eyes and gave him a wink, and continued to close his eyes to rest.

His ignorant attitude made the person who had just spoken annoyed.

If it wasn't for that person's friend to hold him, he would come directly.

"What dare you do this to me? I really don't know what to do."

Listening to their curses, Lin Kai didn't react at all, and directly ignored them.

I have to say that his attitude is indeed very angry.

"Brother, what do you mean?"

The man couldn't help but walked over and slapped him on the table next to Lin Kai.

"can I help you?"

Lin Kai's words instantly stunned that person.

To be honest, Lin Kai really didn't do anything, it was all they thought.

The man froze for a moment, and said angrily: "What did you mean by just looking at us?"

He's just looking for trouble.

"I look at the bar, has something to do with you?"

Although Lin Kai's words sound very polite, Zhao Yu sounds like he is provoking himself.

"Are you not looking at our brother?"

Zhao Yu looked at Lin Kai angrily. He dared to talk to him like that.

"I don't know you, is it important not to put you in your eyes?"

"You are looking for death!"

Zhao Yu looked at him angrily, then as if thinking of something, he looked at him with disgust.

"What is so arrogant about you?"

Zhao Yu looked at him and said, "It's just a little white face who relies on a woman to get in. What qualifications are there to be arrogant here?"

“I’m telling you, if you are acquainted, apologize quickly, or don’t blame me for being impolite.”

Zhao Yu looked aloof: “If you don’t want to be kicked out and embarrass your gold master, just be obedient to me.”

“Sorry, I don’t understand dog barking.”

“what did you say?”

Blue veins on Zhao Yuqi’s face were violent, as if he wanted to kill him.

It’s commendable to say that he is a dog.

Really think that you have a backing, you have no fear?

I don’t see what I am, but just a toy for recreational time.

“I’m telling you, apologize to me immediately, or you will be finished.”

Had it not been for a friend on the side to pull it, and there were Mingrun rules here that no fights were allowed, he would have done it a long time ago.

Damn, a plaything, dare to be so arrogant in front of him?

It’s something that I don’t know good or bad.

Regarding Zhao Yu’s words, Lin Kai seemed to have not heard him, still closing his eyes and listening to the song.

The more this kind of ignorant attitude, the more angry it gets.

“Boy, get out of here!”

Zhao Yu shook off his friend, grabbed Lin Kai’s clothes, and forced him to look up at him.

“Do you know who I am? Really think that if there is a master, you can show off here?”

“Remove your dog’s paw.”

Being caught in this way made Lin Kai feel a little irritable.

If it wasn’t for Lin Qianqian’s confession, he would not waste time here.

“Boy, don’t be too arrogant, what do you think you are?”

“If you don’t want to die, just give it to me, lie around here three times like a dog, and still shout that you are a trash dog, understand?”

“Do you not only learn to bark, but also to crawl?”

Lin Kai stood up to kill the man’s longevity, and looked at him condescendingly: “Why do you think I look down on you?”

“What qualifications do you have to be arrogant here?”

Zhao Yu was so angry that it was a shame that such a trash would dare to talk to himself like this.

We must teach him a lesson today so that he understands the fate of provoking him.

“Are you qualified, it’s up to you? Huh?”

Lin Kai’s last word carried endless coldness, and the momentum on his body seemed to be overwhelming, pressing against Zhao Yu instantly.

He just felt that the breath of his body instantly became a little cold, and he felt cold on his back.

The whole person couldn’t help backing up a few steps, and he felt very difficult for such a distance.

Seeing Lin Kai walking towards him step by step, he suddenly felt extremely small.

It seems that with a wave of one hand, he can make his years of hard work vanish.

Shaking his head, Zhao Yu stared at Lin Kai incredulously: “How is this possible?”

Chapter 1242: Dog Crawl

Chapter 1242

He muttered to himself, thinking that he must have felt wrong.

Obviously he is a little white face, how could he explode with such a powerful aura?

The coercion on him is stronger than all the big brothers he has ever seen.

He couldn't even give birth to the slightest thought of resistance, only surrender.

"who are you?"

Zhao Yu muttered to himself, if it weren't for the support of a friend on the side, he would have fallen to the ground.

When Lin Qianqian came back, she saw the two gangs fighting with each other.

Seeing Lin Kai alone, she suddenly stopped, feeling a little distressed.

He seemed to be out of place in this world, standing alone and confronting those people.

"Lin Kai, are you all right." She trot over and stood firmly beside her.

She believes that as long as she works hard, one day she will be qualified to stand beside him, and the two will walk through the mountains and rivers together.

Seeing Lin Qianqian coming over, Zhao Yu instantly looked like a big cock, holding his head high.

"Lin Qianqian, is this the little white face you raised?"

Zhao Yu unceremoniously slandered Lin Kai: "It's really a trash. He provokes me. Let him apologize to me immediately!"

Lin Qianqian was surprised at what Zhao Yu said.

I even wondered if he had a brain disease?

Let Lin Kai apologize to him?

What a joke, it's a fantasy.

It would be nice if Lin Kai didn't make trouble for him. He rushed to deliver it. He really hadn't seen such a cheap person.

"Mr. Zhao, I think you should look at your brain."

Lin Qianqian took a step forward, tightly guarding Lin Kai behind her, and said domineeringly: "Please apologize for what you said just now!"

"Otherwise, don't blame me for being impolite."

“Let me apologize to him? How can you be unkind?”

Zhao Yu walked over and looked at her affectionately and said, “Are you being kind to me in bed?”

When talking about work, it is inevitable that Lin Qianqian doesn't care about anything.

But today, in front of Lin Kai, she couldn't help being molested like this.

Without even thinking about it, he slapped Zhao Yu in the face.

The crisp applause attracted the inquiring eyes of many people, trying to figure out what happened here.

Zhao Yu clutched his face, still some did not react.

“You hit me?”

He pointed to Lin Qianqian, like a furious lion: “You stinky girl, dare you beat me?”

“I really thought there was a broken company that went to heaven? Believe it or not, I will bankrupt your company in minutes!”

Zhao Yu's whole body was about to explode. It was a shame to be beaten by a woman in front of so many people.

If this spreads out, how can he mess with it?

How do those company bosses think of themselves?

The more he thought about it, the more angry, Zhao Yu had been dazzled by the anger, and completely forgot the rule that no fights were allowed here.

He directly picked up the wine bottle on the side, faced Lin Qianqian's head and went down, without any doubt that he was a girl.

His action scared the friend beside him.

If he really broke the regulations here, he would even be unlucky.

“You **** die for me.”

The moment the wine bottle hit Lin Qianqian, she was stopped by Lin Kai.

“You want to hit my woman in front of me?”

Lin Qianqian listened to Lin Kai's domineering words, but she felt a heart "thumping and thumping" constantly.

He said he was his woman.

Thinking of this, Lin Qianqian felt happy more than signing several hundred million orders.

"Your woman?" Zhao Yu couldn't help but laughed: "You are a little white face, you really laugh at me when you say this."

Looking at Zhao Yu who was laughing with a belly, Lin Kai looked at him blankly.

"Do you think I need to be upheld?"

Looking at the black card that Lin Kai took out, and the token in his hand, many of the people present changed their faces.

They regretted it, why didn't they come to help just now.

In vain, I missed a chance to meet the adults of Jiulongshan.

But most people think that as long as Lin Kai is still here, they will always have a chance.

But Zhao Yu looked at what Lin Kai was holding and couldn't laugh.

"Where did you buy the counterfeit, black card? How about you?"

Listening to Zhao Yu's remarks, everyone around, including his friends, silently stepped back, for fear of being implicated.

Zhao Yu still laughed at him as if he hadn't seen the gaze on the faces of the people around him.

"Do you think anyone can fake a black card?"

Lin Kai directly lifted Zhao Yu by the neck and lifted him up.

Originally didn't want to cause trouble, but bullying people are bullying him. Can you continue to bear it?

"You let me down!"

Zhao Yu grabbed Lin Kai's arm and wanted to break his hand, but no matter how hard he tried, it was of no avail.

"Let go of you?"

Lin Kai sneered and threw him out.

Before Zhao Yu could react, he was lifted up by Lin Kai and punched his stomach directly, making him feel like a cooked shrimp.

"you"

Zhao Yu pointed at Lin Kai with fear in his eyes, but he didn't expect him to do anything when he didn't agree.

You know that fighting is forbidden here. Isn't he afraid of being expelled?

"What am I?"

Lin Kai grabbed his two arms, one of them forcefully dislocated.

"what!"

Zhao Yu made a sound like a pig and hummed weakly while lying on the ground.

Seeing this scene, the people around kept admonishing themselves not to provoke Lin Kai.

"Learn to crawl."

Lin Kai left the three words coldly and took his arm back.

One can imagine the pain, Zhao Yu almost passed out in pain.

"you"

Zhao Yu stared at Lin Kai, daring not to speak.

Looking at the gazes of the people around him, and thinking of the black card, Zhao Yu felt like a idiot.

Just like Lin Kai said, who the **** has the courage to copy that thing?

Thinking of offending such a big man, Zhao Yu can't wait to turn back time.

But now it's too late to say anything, he can only confess his fate to lie on the ground, crawling like a dog.

While crawling, he shouted: "I am a stupid dog."

This is really right, he is not just a stupid dog.

The people around let out their debut and let Zhao Yu climb.

Seeing him bowing to his knees, Lin Kai only felt bored.

"Let's go?"

"Let's go."

Lin Qianqian took Lin Kai into the house, she still had a present to give him.

"Don't you like it here?"

"No."

For Lin Kai, this is just a place, there is nothing to like or dislike.

Seeing what he said, Lin Qianqian did not continue to ask more, and soon arrived in the private room.

"There is what you want in it, but it may not be."

Chapter 1243: A Big Gift

Chapter 1243

"What do I want?"

Lin Kai looked at Lin Qianqian with some doubts, what he wanted was the news of the Leiyuan Group, nothing more than the fate of Lin Yuan.

And what he wants is not so easy to get, how could she say that?

As if seeing Lin Kai's doubts, Lin Qianqian smiled and said: "You will know if you go in and take a look."

She paused, and said with some embarrassment: "Actually, I am not sure if it will help you in any way."

She took a lot of work on the contents, but to be honest, she was really not sure if it was useful.

The only hope is that she can help Lin Kai, and it is not in vain that she has worked so long.

Looking at Lin Qianqian, Lin opened the door and went in. After seeing the person **** in the house, he was taken aback.

“People from Leiyuan Group?”

“Yes.” Lin Qianqian said: “Because of you, I won a lot of big orders.”

“Of course they can’t sit still, this is not always contacting me.”

“So I will do everything, but what his status in Leiyuan Group is, I’m not sure.”

“I don’t know how to interrogate, so I just want to let you do it.”

Hearing Lin Qianqian’s explanation, thinking of the things Qian San had obtained before, they also had explanations.

In fact, it doesn’t matter if Lin Qianqian betrayed or not betrayed herself, and it was only a little heartache to betrayed.

For Lin Kai, apart from being able to give back to each others teammates, for his people, he doesnt care about betrayal or not.

As long as he has a strong strength, no matter what conspiracy and tricks, there is no effect at all.

“I know.”

However, he still liked the gift Lin Qianqian gave.

She would also bother thinking about coming, otherwise she wouldn’t catch the people of Leiyuan Group.

Lin Kai glanced at Lin Qianqian, with a smile on her face.

In fact, at the beginning, he also thought about whether this would be a partnership between Lin Qianqian and Leiyuan Group.

But soon he was relieved, whatever them.

“I’m going out first.” Lin Qianqian closed the door, isolating all the sounds outside.

After Lin Kaipō awakened the person lying on the ground, he still did not react.

“Ahem, where is this?”

He looked around blankly, and asked, “Where is Lin Qianqian? Who are you?”

He wanted to move his body, but found that he was tied up, his face changed instantly.

“What did you do to me?”

Struggling vigorously, trying to break free from the rope, but as he struggled, he tied the tighter and tighter, and countless bloodstains were worn out on his body.

“Who are you? What are you going to do?”

He looked up and looked at Lin Kai angrily.

I know him at all, why kidnap myself?

I also know the decorations around

The consumption here is not low.

People who can come in such a place don't seem to be short of money. How could they kidnap themselves?

Liu Gen couldn't think of a reason for a while.

Even the enemy, he doesn't have it either.

Because he was killed

Lin Kai sat on the sofa and asked, “What is your identity in Leiyuan Group?”

“What do you ask this for?”

Liu Gen looked at Lin Kai vigilantly, always feeling that he was uneasy and kind.

He has been cautiously hiding his identity as a member of the Leiyuan Group for fear of being discovered.

Unexpectedly, I was still careless.

Liu Gen stared at Lin Kai fiercely, and said fiercely: "I advise you to let me go quickly, or don't blame me for being impolite."

"Since you know my identity, you should understand that there is no difference between offending me and offending Leiyuan Group!"

"is it?"

Lin Kai turned a deaf ear to his threats.

It's just a running dog, what's so arrogant?

"When will Lin Yuan come here?"

"How do you... know?"

Liu Gen's eyes widened instantly, staring at Lin Kai incredulously.

To know this news, only their insiders would know, how could he be an outsider know?

He looked at Lin Kai, wanting to see something from him.

"You just need to tell me."

"Why should I tell you!"

Liu Gen held his head high and looked arrogant: "Since you know our news, you should know that I am someone you can't afford to offend."

"Boy, I advise you to obediently let me go, or you will be finished by then."

...

Listening to Liu Gen's endless chatter, Lin Kai wanted to sew his mouth.

Do they talk so much?

It's ridiculous to threaten people with some non-destructive words, and think that they are very powerful.

Seeing that Lin Kai hadn't spoken for a long time, Liu Gen thought he was scared, and couldn't help feeling a little smug.

"I advise you to..."

Before he finished speaking, he felt a cup of liquid spilled on his face.

“Ahem.”

The tangy smell of alcohol filled his nose, which made people feel dizzy.

Shaking the wine off his face, Liu Gen stared at Lin Kai angrily: “Dare you **** dare to splash labor? Believe it or not to kill you!”

“What the **** are you? Dare to...”

Before Liu Gen finished speaking, he felt cold on his neck.

He shrank his neck back, cast his eyes down, looking at the knife on his neck, his whole body instantly froze in place, and he dared not move.

“you you you”

He wanted to remove the knife, but he was **** and could not move.

“Tell me what I want to know, otherwise I’m not sure what will happen to this knife.”

Lin Kai was a naked threat, Liu Gen hated him, but he was helpless.

In front of his own fate and the company’s secrets, he chose his own fate without hesitation.

“I said I said.”

At first, Liu Gen was thinking about fooling the matter over, but after he told some lie, he didn’t dare to tell him anymore.

Because he told a lie once, his neck was about to be cut.

What he smelled while breathing was full of blood, and he was really afraid that Lin Kai would not pay attention and he would die.

After finishing what he knew, Liu Gen looked at Lin Kai hopefully: “Can you...can you remove this knife?”

What he was afraid of was about to cry, it was a matter of life and death.

Seeing Lin Kai remove the knife, Liu Gen breathed a long sigh of relief, thinking that he had escaped.

But Lin Kai's next words made him fall into an ice cave.

"On the day Lin Yuan came, help me in."

"what did you say?"

Liu Gen's volume increased unconsciously, wondering if he had heard it wrong.

Isn't this seeking a dead end?

If he really dared to bring Lin Kai in, he would be finished on the spot.

"You're not kidding me." Liu Gen was crying with a face, as if he wanted to cry without tears.

Chapter 1244: Threats From The Zhao Family

Chapter 1244

"Do you think I'm joking?"

Looking at Lin Kai's face, Liu Gen couldn't wait to be killed by him directly.

I really have been **** mold for eight lifetimes.

No matter what he did, it was a death anyway, Liu Gen thought after thinking about it, he thought it would be better to die a few days later.

Moreover, as long as you are careful, you should not be discovered by others.

With so many waiters, I will mix Lin Kai in when I think about it.

Even though he thought so, he still pretended to be embarrassed: "It's not that I don't help you, it's really difficult."

"If this is discovered, I'll be over."

"You mean you want to die?"

Feeling the pain from his neck, Liu Gen froze in place, unable to say a word.

How dare he refuse now? Isn't this just looking for death?

"We have something to say well, say well."

He stared at the knife on his neck, sweating coldly.

This is not a joke, it will die if you are not careful.

“I promise you, I promise you.”

As soon as he finished speaking, the knife from his neck was taken.

With a sigh of relief, Liu Gen sat down on the ground, gasping for breath.

Almost, just so little, he was going to die.

“I have recorded what you said, you can go back on it if you want.”

Although Lin Kai said so, Liu Gen knew that this was warning himself.

Want to regret it?

No problem at all.

The premise is to wait for this recording to be sent to Leiyuan Group.

Since Lin Kai knew about Leiyuan Group and Lin Yuan, it was naturally clear.

Although I don't know why Lin Kai must enter Leiyuan Group.

But this does not prevent Liu Gen trying to save his life.

Having said everything clearly, Lin Kai would naturally not continue to waste time.

“You can roll.”

Lin Kai grabbed the fruit knife on the table and threw it at him.

Seeing this sudden change, Liu Gen didn't react at all.

Can only stare blankly at the knife in his pupils, getting bigger and bigger.

“you”

Before he could say anything, he passed out.

When he woke up, he found that the rope on his body had been cut by a knife.

Looking around, there was no trace of Lin Kai.

“This”

Liu Gen looked around, feeling like he was dreaming.

After seeing the letter on the table, he confirmed that it was not a dream.

“Unlucky.”

He muttered constantly, opened the door and walked out.

After he left, Lin Kai and Lin Qianqian came out of the small suite inside.

“Does he really do what he says?”

To be honest, Lin Qianqian didn't believe Liu Gen, and he could not tell when he would sell Lin Kai.

“He doesn't have the guts.” A smile appeared at the corner of Lin Kai's mouth, and he was naturally prepared.

Seeing Lin Kai said so, Lin Qianqian naturally didn't ask much more.

“Let's go.”

Today, I brought Lin Kai here for Liu Gen. Now that the matter has been handled, there is no need to continue.

By the time they went out, Zhao Yu had been helped up, and looked at Lin Kai, his eyes full of resentment.

A man in him was asking him what he said, not knowing what he said, Zhao Yu pointed his finger in the direction of Lin Kai.

Whatever Zhao Yu said, Lin Kai didn't care, and took Lin Qianqian to leave without squinting.

As a result, as soon as the two walked over, they were stopped by Zhao Yu and his party.

“Is there a problem?”

Looking at Lin Kai's polite manner, Zhao Yu only felt sick.

He thinks that Lin Kai can really pretend that when he did it, he was not as cruel as a person, now he looks like this?

It's ridiculous.

People who don't know will be deceived by him, thinking that he is a gentleman.

The people who accompanied Zhao Yu were also taken aback by Lin Kai's words.

Because he said that Lin Kai was a demon and he was extremely vicious.

No matter how you look at it now, I don't think Lin Kai is a bad person.

Zhao Qi looked at Zhao Yu suspiciously, as if asking him what was going on.

Zhao Yu was really furious. It would be a lie to pretend to be polite.

"Brother, don't be fooled by him, he beat me!"

Zhao Yu pointed to Lin Kai and said, "They can all testify."

It's impossible for Zhao Qi to disbelieve his brother.

"Go ahead, how do you want to die?"

Zhao Qi stared at Lin Kai indifferently, with killing intent in his eyes.

This is his youngest brother. He has been loved since he was a child. Today, he was beaten by others and even learned to bark.

This is simply a shame and shame, this is to throw their Zhao family's face on the ground.

How can this make him bear it?

No matter what Lin Kai's status is, he must pay the price. What about having a black card?

When they did not have the Zhao family?

"How do you want to die?"

Lin Kai is really annoying, they will always be like this for their family members.

The young ones are beaten up, and the old ones are here. If you don't beat them thoroughly, it won't work.

"Boy, don't be too arrogant, what do you think you are?"

“A little capital can be so arrogant? You must know that there are days outside the sky, and there are people outside the world.”

Lin Kai only felt impatient with Zhao Qi’s preaching. This sentence should be given to them.

“What do you want?”

“For what my brother did, double compensation, and you have to go down and dance naked.”

This can be said to be extremely vicious and will completely destroy Lin Kai.

Not to mention dancing naked, it means he goes down to dance, without tomorrow, the whole Donghai people will know everything today.

No matter what Lin Kai’s status is, he will be over.

“Do you think that’s possible?”

“If you don’t agree, then die.”

Zhao Qi looked at Lin Kai arrogantly. As the Zhao family, he has arrogant capital.

“Since you think so, then I will satisfy you.”

Or Lin Kai exerted force under his feet, at a distance of five or six meters, he rushed to Zhao Qi in an instant.

Before he could react, the big fist went directly to his face.

“what!”

There was a howl like a pig, and blood dripped from Zhao Qi’s fingers.

“Do you dare to hit me?”

Zhao Qi is unbelievable. Does he know who he is?

Just dare to beat yourself, is this impatient?

“Didn’t you let me do it?”

Lin Kai looked at Zhao Qi with a smile, with a harmless smile on his face.

Looking at his smile, Zhao Qi only felt a chill in his heart.

He was careless. If there was nothing, how could he dare to touch their Zhao family?

“This time I won’t let you succeed.”

Zhao Qi put on a posture and rushed towards Lin Kai. He wanted to take the initiative to get back the face of the Zhao family.

Otherwise, with so many people present, the entire Donghai will know that their Zhao family is defeated tomorrow.

If this were the case, the impact on their Zhao family would be huge.

Chapter 1245: This One?

Chapter 1245

“You can try.”

Lin Kai still stood still, looking indifferent.

Zhao Qi wouldn’t take it lightly as before, he approached Lin Kai cautiously.

Those who went around him wanted to find the flaw.

Suddenly his eyes moved and he rushed towards Lin Kai’s back.

As a result, as soon as he passed by, Lin Kai grabbed his wrist and threw it directly over his shoulder.

“Grass and mud.”

Zhao Qi got up from the ground and stared at Lin Kai with bad eyes.

Unexpectedly, it was still a hard stubble, he had never suffered such a big loss yet.

Without talking nonsense with Lin Kai, Zhao Qi rushed over again, and the moment his shoulder blocked Lin Kai’s fist, he felt that his bones were almost out of place, and he couldn’t say a word in pain.

But because of this, he took the opportunity to ran into Lin Kai’s arms, smashed his elbow against his chest.

Looking at Lin Kai like this, Lin Qianqian suddenly had an illusion.

I think he likes himself too, otherwise why is it so?

But at the same time, her heart was extremely clear. Lin Kai had no feelings for her at all, and everything was self-conscious.

But this is often the case with people. The more things you can't get, the more precious it is.

"Is there something on my face?"

Lin Kai's words brought Lin Qianqian back to her senses, she shook her head and said nothing.

Seeing that she was reluctant to say more, Lin Kai naturally wouldn't ask much.

The two walked side by side on the road like this, no one spoke.

In the eyes of passers-by, only one compliment will be given, a pair of high-value lovers.

"Go in for a cup of coffee?"

Looking at the coffee shop on the roadside, Lin Qianqian couldn't help but suggest.

Lin Kai is just an elm bump, and often doesn't get rid of it at all.

I don't usually say that I take the initiative to contact myself, even if I contact, there will be something.

Since he doesn't get acquainted, he can only work **** his own, otherwise she will have to wait until the year of the monkey.

I still have something. "

Lin Kai is in no mood now, he is still thinking about Leiyuan Group.

Lin Qianqian's face was somewhat unsightly when he was so rejected.

Looking at Lin Kai with an unhappy expression, I hope he can say something nice to himself.

But as if he hadn't seen it, he still thought about something to himself.

"Lin Kai, you..."

Before Lin Qianqian finished speaking, she was interrupted by a man.

“This beauty, since he is so incomprehensible, why don’t you follow me?”

Looking at the wretched-looking man who was less than 1.6 meters tall and weighed more than 200 kilograms in front of him, Lin Qianqian almost vomited out the overnight meal in disgust.

Enduring the nausea in his heart, he said, “Sorry, no need.”

“Beauty, why do you talk to such an elm bump, and I promise to make you cool.”

Following him, he was about to reach out to pull Lin Qianqian’s hand, but she avoided him.

“Smelly bitch, don’t be shameless!”

The man stared at Lin Qianqian unhappily, thinking that she just didn’t know what was good or bad.

It is a great honor for someone as handsome as himself to be able to see her.

Not only did he not kneel down to thank you, but he also looked disgusted, no wonder no man wanted it.

“Smelly lady, please quickly apologize to your master. If you serve me well, you might be able to tip you a few hundred yuan.”

Listening to the man, let alone Lin Qianqian, even Lin Kai felt disgusting.

Does this man have a brain problem?

The two of them look like people who need to commit themselves to him to survive?

A few hundred dollars back?

It’s ridiculous.

You just find a chicken as beautiful as Lin Qianqian, and it costs tens of thousands of dollars.

Just want to send people a few hundred dollars, thinking this is the last century?

Looking at the mocking eyes of the two, they were unmanly, and felt that they were insulting themselves.

“You two immediately apologized to me on your knees, or be careful I let you divide your bodies.”

“The Qing Dynasty has been dead for more than a hundred years. Which era are you from?”

Lin Qianqian didn't want to say anything nonsense to him, maybe it was the person who ran out of the mental hospital.

Talking to him is purely to lower IQ.

“What do you mean?”

With the help of his huge size, the man kept the two of them tight and prevented them from leaving.

“I tell you, you **** must accompany me today, or you two will be over.”

“Wearing such a short skirt every day with bare legs and back, you just want to be asleep by a man.”

“Since I'm a chicken cook, what kind of cold do you put on me here?”

Listening to the man's slurs, Lin Kai wanted to beat him, let alone Lin Qianqian's party.

She couldn't do it with anger, where are all the idiots who came out.

Didn't his parents teach him how to behave?

“You have a brain disease. If you do this again, I will call the police!”

After years of education, Lin Qianqian couldn't say anything bad.

The simplest solution to this matter is to let the police intervene. They will definitely give her a fair statement.

Seeing that Lin Qianqian wanted to call the police, she was too manly: “You stinky girl, try calling the police?”

“You **** sell it, call the police and take you away at that time!”

Chapter 1246: You Are A Pig

Chapter 1246 You Are A Pig

“You have the ability to call the police!”

The man looked confident, and he was just looking for a chicken, so what happened?

She just called the police, anyway, she was not afraid.

Seeing the man triumphantly, Lin Qianqian wanted to slap him twice.

Where does the confidence come from, saying that she is selling it?

She is selling it. How many people in Donghai can buy her?

Lin Qianqian stared at the man with red eyes, wishing to kill him.

It's really unfavorable to meet such a fool.

“Let's go, there is nothing to say to him.”

Lin Qianqian felt that she didn't need to care about a fool, she would only lower her IQ.

But in the eyes of a man, she was scared.

Thinking of this, he couldn't help feeling a little triumphant: “You take a try. If you don't serve me well today, don't blame me for being impolite.”

“Go away, don't see what you are.”

Lin Qianqian stepped on his foot fiercely, and he roared in pain, her face pale.

The man was originally obese and inconvenient to move. Now Lin Qianqian stepped on his foot and fell directly to the ground in pain, holding his foot crying and crying.

“You stinky girl, I want to kill you, I want to kill you!”

The man yelled, struggling to get up from the ground, his big hand like a fan, carrying air towards Lin Qianqian's cheek.

It was a shame and shame that he was beaten by such a stinky lady.

Must teach her a lesson, let her know who is in charge.

Lin Kai looked at the man with biting eyes, not wanting to cause trouble.

But it was just a lunatic with a sick brain, and he didn't know what to do now.

“roll.”

Grabbing his hand, stepping forward, pressing his elbow fiercely against his chest, the man in pain instantly fell to the ground.

“If you don’t want to die, get out.”

The momentum of the whole body spread out, like an ocean, carrying an unrivaled momentum, and instantly rushed to the man.

In such a moment of effort, the man just felt cold all over his body, trembling all over, unable to say a word.

He fell to the ground, his eyes wide open, looking at Lin Kai, he couldn’t say a word.

For an instant, he felt like he was going to die.

Looking at Lin Kai in horror, he took a breath and trembled all over.

“roll.”

Lin Kai glanced at him indifferently, and walked past him with Lin Qianqian.

It wasn’t until the two of them went out a long distance, that the man was relieved.

Sitting on the ground, a large area under his body has been soaked with sweat.

The whole person was panting heavily, looking in the direction they were leaving, full of anger.

“You guys and dogs, I will kill you!”

He yelled angrily, and the people on the street looked like a lunatic, seeing him stay away.

Even after a distance, Lin Kai and Lin Qianqian could still hear his roar clearly.

“Where did the lunatic come from?”

Lin Qianqian was a little unhappy, and finally accompany Lin Kai away, only to encounter such a strange flower.

She mumbled dissatisfiedly, she was really unlucky.

Looking at Lin Qianqian who was thinking about it, Lin Kai didn't say anything, and continued to walk on his own without knowing what he was thinking.

Suddenly Lin Qianqian stopped, pointed to the front and said, "Lin Kai, look ahead."

The man who was dealt with by Lin Kai before did not know when he had already arrived in front of them.

Take a group of people to keep their way out, and the files are tight.

They were also stopped behind. In addition, this is a wealthy area, and there are no pedestrians on the road.

Except for the people on both sides, there is nothing else.

"Dog men and women, aren't you arrogant? Didn't I catch it."

The man walked over in swaying steps, and the whole ground was shaken by him.

He looked at the two with a grinning grin, a group of people who knew nothing about life and death, who dared to treat him like this just now, it really took the guts of a bear.

Now let them see what it is like to provoke them.

"What do you want to do?" Lin Qianqian frowned, her face tense and cold.

This man is really lingering, and he doesn't see what he is.

Dare to stop them so arrogantly, really think you are invincible in the world?

"Smelly bitch, do you know who I am?"

The man stared at her sullenly: "Don't you just want money, as long as you serve Xiaoye and me well, your money is indispensable."

"Since you are a chicken, you must have the consciousness of being a chicken. If you dare to refuse me, you will be killed!"

Men can't be angry too, it's really angry to be treated this way by them.

He doesn't believe it, how can so many people stand him?

"If you are a chicken, no one will order you."

Lin Qianqian was really furious, where did this strange work come from?

I always say that someone else is a chicken, so why is his mother a chicken?

Lin Qianqian really didn't want to talk to him, just like a fool.

But now being so blocked by him, they can't get out for a while.

Looking at Lin Kai, Lin Qianqian sighed.

I blame myself for causing him so much trouble.

"You are very noisy."

Lin Kai looked at them blankly, Gu Jing Wubo's eyes made people feel a little scared.

Lin Qianqian looked at Lin Kai and didn't know what to say.

The two groups of people were so speechless, no one took the initiative to speak.

In the end, the man couldn't help it, and rebuked them loudly: "What are you guys, dare you ignore me so much?"

His lungs are about to explode.

This is a great shame for him.

No one dares to treat him this way when he grows up.

Today, these two dog men and women must teach them well and let them know that they are not something they can provoke.

"Teach him hard to teach them!"

Under the name of the man, more than 20 people surrounded them and kept approaching.

They were surrounded before and after, and they kept moving forward, Lin Qianqian was almost hanging on Lin Kai's body.

"Lin Kai, what should I do?"

Although he knew that Lin Kai was very powerful, it was not easy for him to use it in such a small space.

Lin Kai stared indifferently through the crowd, the man behind the crowd.

Suddenly, a smile appeared at the corner of his mouth, and he rose into the air, before those people could react, stepping on their heads and rushing towards the man.

Seeing this posture, the man turned around without thinking and ran away.

As a result, with his size, he fell to the ground within two steps.

As the man backed away, he still didn't forget to yell, "You guys get him to me quickly."

He naturally knew how good Lin Kai was. If he fell into his hands, it would be over.

Chapter 1247: Send It Off

Chapter 1247

After the group reacted, they rushed towards Lin Kai instantly.

But the place here is so small, they simply can't rush over at once.

Looking at the man who was constantly struggling being caught by Lin Kai, the group was furious.

If something goes wrong with any one of them, their group will be unlucky.

Lin Qianqian was so anxious that she couldn't help but shout: "Lin Kai run."

It doesn't matter whether she runs or not, even if she really catches herself, they won't do anything.

Although Lin Kai's identity was there, they did not dare to be presumptuous, but she was afraid that he would be injured.

Because of her yelling, those people reacted and immediately surrounded her.

When Lin Kai arrested their people, they could also arrest his people and threaten him.

But their wishful thinking was soon emptied.

Just when they pounced on Lin Qianqian, a person suddenly appeared beside her, led her to jump up, rushed to the roof, and disappeared instantly.

When they recovered and were about to rescue the man, Lin Kai was gone.

A group of them stared wide-eyed and didn't know what happened.

“What are you going to do?”

The man was picked up by Lin Kai and galloped all the way, only feeling that his internal organs were about to shift.

Not to mention that at such a fast speed, he is even more nauseous.

Just when he was about to vomit, Lin Kai threw him to the ground as if feeling something in his heart.

“vomit.”

The moment he vomited out, the whole child fell to the ground, all over by the food residue he vomited out.

There was a disgusting smell all over, and Lin Kai couldn't help taking a few steps back.

The man got up and looked at them, feeling a little frightened.

“I warn you, it's best not to touch me, or you will feel better at that time.”

“is it?”

Lin opened a look, and Yinshen passed away in an instant, hitting him with a hammer.

The man was crying in pain, and wanted to kneel to beg for mercy.

“I was wrong, I knew it was wrong.”

But what he said was useless, and Yinshen stopped after ten minutes.

The man lay on the ground, venting a lot of air, but entering a little.

If it weren't for his chest undulating slightly, it would really be no different from a dead person.

“This is the end.”

Lin Kai left such a sentence, and Yinshen raised him and sent him back.

The group of people looked at the man falling from the sky and took it in a hurry.

The few people who were hit by him almost spewed a mouthful of blood.

“Tell you boss, there will be a second time, don't blame us for being rude”

After talking about Yinshen, he left.

In fact, he didn't expect Lin Hui to do this, but he thought that what they did was what they deserved.

"People sent back?"

"Sent back."

The hidden **** stood respectfully half a step behind Lin Kai, hanging his head like a sculpture.

Lin Qianqian looked at Lin Kai embarrassedly, it was because of her that this incident became like this.

Although I don't know which man is and what identity, he is not a simple character.

"It's okay."

Lin Kaisi didn't care, and didn't care what he did.

Moreover, his Donghai offends many people, so I am not afraid of one more.

Although Lin Kai said so, Lin Qianqian still felt uncomfortable.

"Go back, I have something else."

She wanted to say something, but was interrupted by Lin Kai.

After taking a look at Lin Kai, Lin Qianqian sighed, then turned her head one step at a time and left.

"Go look up that person's information."

The skill is not small, so I chased them soon.

Looking at Lin Qianqian's back, he sighed and said, "Find someone to stare here."

He could find out here, and naturally knew that Lin Qianqian lived here.

There was nothing wrong with me, but I was afraid of Lin Qianqian's accident.

With a sigh, Lin Kai turned and left.

Not long after he left, the fat man was brought here by the group.

“Even he ran away!”

Leaving such a sentence, the group of people quickly disappeared.

Lin Kai didn't know what happened, and didn't care about it.

Now he is having a headache.

Looking at Li Shengxian who was hanging on his body, Lin felt pain at first.

“Hurry down!”

“I don't!” Li Shengxian trembled, but just couldn't go down.

“Brother Lin, you want to save me, Mr. He actually wants his daughter to marry me!”

God knows that Li Shengxian almost fainted when he heard the news.

He shuddered at the thought of his daughter.

However, in the eyes of the Li family, it turned out to be excited.

No wonder they think so, who is Mr. He?

Being able to marry him is a tremendous help to their Li family.

But for Li Shengxian, life is better than death.

Thinking of the people he had experienced before, he couldn't wait for this person to be Li Haoxian.

Even if he got a bargain, he definitely didn't want it.

Looking at Li Shengxian's appearance, Lin Kai directly tore him off his body.

“Find a solution by yourself.”

How can he intervene in this matter?

I have handled everything for him, what else can I learn?

Learn to grow by yourself, or rely on others.

Seeing Lin Kai's eyes, Li Shengxian couldn't help crying.

“Brother Lin. Think of a solution for me.”

He really couldn't help it, otherwise he wouldn't ask Lin Kai for help.

He knew that it was best for him to deal with these things by himself, but it really couldn't.

If you refuse, let's not talk about what Mr. He is doing. They will definitely kill him in the Li family.

That is He Zhishan, a big tycoon in the East China Sea, now condescending and marrying them, what qualifications do you have to choose?

Seeing his look of deep hatred, Lin Kai smiled helplessly: “You must tie the bell to untie the bell.”

One sentence refreshed Li Shengxian in an instant, how could he forget about it.

The reason why he hadn't thought of it was just that he didn't want to see her.

It really left a bad impression on myself.

With a sigh, Li Shengxian hesitated.

After all, he still didn't want to go.

But now there is no choice but to go.

With a sigh, he looked at Lin Kai and asked, “Brother Lin, is there no other way?”

“What do you think?”

When asked by him, Li Shengxian couldn't say a word in an instant.

The whole person is like a wooden villager, sitting on the sofa, motionless.

After Yinshen came in, he saw Li Shengxian who was like a quail, and he was a little confused about what was going on.

“Yinshen, will you save me?”

Li Shengxian cried and looked at the Yinshen, looking at the Yinshen with that aggrieved look.

Chapter 1248: Angry

Chapter 1248

“what happened to you?”

“Will you marry me?”

“what did you say?”

She was so scared that Yinshen was so excited that she couldn't wait to get away from him.

What's the joke? I have to protect Lin Kai, so I am not interested in helping him.

With a sigh, Li Shengxian felt that He Weiya really needed help in this matter.

“Brother Lin, can you take me to He's house?”

“of course can.”

Since Li Shengxian is actively solving it, Lin Kai will naturally help him.

Li Shengxian was a little absent-minded along the way, and the whole person looked a little decadent.

It's no wonder that he, let him be with a woman who has done bad things to him before, and he will not feel comfortable.

But sometimes this is the case, you always have to face something you don't want to face.

When he arrived at He's house, Lin drove off the car and walked some distance, only to find that Li Shengxian was still sitting in the car.

“Let's go.”

Looking at Li Shengxian in a daze, Lin Kai knocked on the window.

“Huh? Ah, we're here.”

Li Shengxian let out a sigh of relief, and came down proudly, like a warrior on the battlefield.

After the two entered, He Zhishan was talking to He Weiya.

Seeing Li Shengxian coming, He Weiya turned a little red, watching him shyly clutching the corner of his skirt, and constantly looking at him.

Seeing his daughter's appearance, He Zhishan was relieved and angry.

What is gratifying is that my daughter has found someone to accompany her for life. With them in the He family, she will not be bullied in this life.

Angrily, how long has his daughter returned? He is about to be abducted, how can he be happy if you let him be a father.

"Come on, do it."

He Zhishan glanced at Li Shengxian and talked with Lin Kai in a warm tone: "Mr. Lin, you must come to the little girl's engagement banquet in a month."

"you"

Looking at the two hot people who were talking, every time Li Shengxian reached his throat and saw He Weiya's appearance, he didn't know how to say it.

His feelings for He Weiya are very complicated, and what she did before was very annoying.

However, Li Shengxian had to admit that as long as he married He Weiya, the position of the Li family's head was firmly established.

He is a man of seven feet, for the position of the head of the house, he has to rely on women?

I feel ashamed of myself.

He clenched his fists tightly and glanced at Lin Kai. Li Shengxian seemed to have endless courage.

He believes that he can successfully get the position of Li Family Patriarch by virtue of his strength.

Lin Kai tried so hard to teach for so long, he didn't want to fall short.

Seeing Lin Kai's conversation with He Zhishan stopped, Li Shengxian felt a little hesitant.

“Sung Hyun, do you have anything to say?”

Li Shengxian is about to be her daughter’s husband, and He Zhishan’s tone of speech has also softened a lot.

Glancing at He Weiya, who was flushed, Li Shengxian said with a heartbeat: “Mr. He, I don’t want to marry your daughter.”

“what did you say?”

He Zhishan stood up immediately, his face was full of anger, and he looked at Li Shengxian very badly.

My daughter was even rejected by others?

Do you make that father acceptable?

I had discussed with everyone in the Li family a long time ago, and now Li Shengxian said this to make it clear that he was hitting the He family in the face?

The invitations have all been sent out, now you ask him to tell everyone that the engagement banquet has been cancelled?

What would the aristocratic families in Donghai think of his daughter?

“Uncle Herb, this is a decision I have thought about for a long time. I will declare to the public that it is my reason. I...”

Li Shengxian uttered what was in his heart.

After listening, He Zhishan was silent.

I have to say that Li Shengxian is right. Although it is a business marriage, he hopes that his daughter can find someone he likes.

Furthermore, his family does not need any marriage to consolidate their current position.

In addition, Li Shengxian had blocked all his faults on himself, and he hadn’t thought about it.

“Mr. Lin, what do you think?”

How could he ultimately mean Lin Kai.

The relationship between the two of them was unusual. Although Lin Kai was not from Li's family, he could tell that Li Shengxian listened to him very much.

"Let them go."

This was a matter between the two of them, and Lin Kai didn't want to interfere too much.

Seeing Lin Kai said this, He Zhishan sighed, and the president was interrupted by his daughter.

"I'm going to marry him!"

He Weiya stared at Li Shengxian with red eyes, her eyes full of affection.

She has liked a man for so long, and she is about to get it. Why does he reject himself?

He Weiya couldn't understand why it has become so good now, why don't you want to be yourself?

"Why don't you want to marry me?"

He Weiya stared at Li Shengxian, with a blazing flame in his eyes, as if he was going to burn him to death.

Seeing his daughter's appearance, He Zhishan didn't know what to say.

To be honest, if it wasn't for his daughter, he would really not be Lee Shengxian.

It's just a dude. Although I have started a lot of things with Lin now, how can I be worthy of my daughter?

"I don't like you." Li Shengxian still decided to tell the truth, there is no need to tell lies, to set himself tall.

"Emotions can be cultivated!"

He Weiya's eyes were red and tears rolled in it.

She can work hard, why not give him a chance?

"Uncle Herb, I hope you can seriously consider my words."

Seeing the appearance of his daughter, he wanted to reject Li Shengxian's words.

But after seeing Lin Kai on the side, he changed his mind and nodded.

He Weiya naturally noticed his action, and Lin Kai's eyes were full of anger.

"Why do you intervene in the matter between my brother and me? What kind of thing are you?"

He Weiya yelled at Lin Kai a little collapsed, she felt that the culprit was him.

"I'm going to kill you!"

She grabbed the fruit knife on the table and rushed towards Lin Kai.

A thought kept circling in his mind, as long as Lin Kai died, no one would interfere with the two of them.

"stop."

He Zhishan and Li Shengxian yelled in unison, and rushed over to stop He Weiya.

If something happens to Lin Kai, the He family will be over.

He didn't expect that his daughter would actually attack Lin Kai, which was far beyond his expectation.

Looking at the fruit knife clamped by Lin Kai's two fingers, He Weiya's eyes were not so red.

"You let me go, I will kill you!"

Seeing that the knife couldn't be pulled out, she grabbed something on the table and kept slamming it at Lin Kai.

"You go to death for me, my brother is mine, no one can take it away!"

"Ya'er, calm down."

"He Weiya, stop it!"

Li Shengxian did not expect that his refusal would give her so much excitement.

If something happens to Lin Kai, he will never forgive himself in his life.

Chapter 1249: Choice

Chapter 1249

“Stop it!”

He Weiya stopped for a while listening to Li Shengxian’s anxious voice.

Then he looked at him with red eyes: “You are doing this to me for a man?”

She felt that everything was Lin Kai’s fault, and if it weren’t for him, Li Shengxian would not treat herself like that.

Obviously he had promised to marry her, how could he go back?

During this period of time, under the guidance of He Zhishan, she clearly understood that once a behemoth like the two of them was determined to marry, it would be impossible to go back.

It is really important. An accident may intensify the conflict between the two families and become an enemy.

It is precisely because of this that He Weiya hates Lin Kai even more.

Not only made it impossible for me and my brother to be together, but also killed the two of them.

How would you ask her to forgive Lin Kai for doing such a thing.

“Why do you murder me for him!”

He Weiya stared at Lin Kai with sullen eyes, only wanting to kill him.

Seeing her appearance, Li Shengxian was really furious.

It was because of Lin Kai’s relationship that she was able to return to He’s home.

It happened that she didn’t thank Lin Kai, and now she still wanted to kill him, so she could only take revenge.

“Dare you try Brother Lin?”

Li Shengxian stood in front of Lin Kai and glared. He didn’t believe that He Weiya would do it to himself.

Seeing what he looked like, He Wei was not very elegant, his chest undulating violently, as if about to explode.

She wished to kill Lin Kai, it was all because of him.

Now she has completely forgotten what she had promised Li Shengxian.

He Zhishan looked at He Weiya from the sidelines, and he was too anxious.

If Lin Kai really moved, it would be hard to tell.

It happened that his daughter didn't listen to what he said, so he could only count on Li Shengxian.

“Shengxian, why don't you agree to marry Ya'er, otherwise Lin Kai will be in danger.”

Although Li Shengxian didn't like his daughter, He Zhishan thought of having himself, he didn't dare to do anything extraordinary.

Seeing people's hearts for a long time, Li Shengxian will be moved one day.

If possible, he naturally hopes that his daughter will marry someone he likes.

Coupled with this opportunity, he will naturally not miss it, although it is a bit bad for Lin Kai.

When He Weiya heard her father's words, her eyes beamed, looking at Li Shengxian hopefully.

Seeing He Weiya, who was full of eyes and only herself, said that she was not touched, it was fake.

But he distinguished clearly, moved and liked, these are two different things.

How do you let him accept He Weiya?

Her character is really too easy to lose control.

If I talk to some women about cooperating in the future, she will do it directly on others?

Li Shengxian didn't dare to imagine what kind of scene it would be. He didn't want to take a risk.

“Uncle Huber, I know you are doing it for your daughter's benefit, but will I not talk about cooperation with others in the future?”

When Li Shengxian said these words, He Zhishan couldn't say a word instantly.

He also knows his daughter's character, and he will really do that in the future.

With a sigh, He Zhishan said, "Ya'er, do you think Shengxian will not come into contact with women in the future?"

"He will be the heir of the Li family in the future, doesn't he need to be in charge of the entire Li family?"

"You really marry him, can you afford the responsibility of the mother of the family?"

"You can't at all right now, so let's divorce."

...

He Zhishan's words hit He Weiya's heart like a heavy stone.

She took a step back, and she fell onto the sofa, holding a fruit knife and couldn't say a word.

I have to say that what He Zhishan said is right, she has no way to accept this.

But she couldn't bear Li Shengxian, looking at the obvious disgust on his face, she was struck by lightning.

What did she do?

"Bang Dang", the fruit knife fell on the ground.

Forgetting Lin Kai's kindness to send her home, for such a thing, he even drew his sword at him.

"Sorry."

He Weiya apologized heavily to Lin Kai, turned to look at Li Shengxian and said, "Brother, can you give me another chance?"

She held back her tears and looked at him with coaxing eyes.

Knowing that she did not do the right thing, but she hopes to be with Li Shengxian. This is her only salvation.

Seeing He Weiya like this, Li Shengxian had no thoughts at all.

When I think of the things she did before, I feel cold all over.

He couldn't imagine what it would be like to live with such a person.

To be honest, I'm really scared, one day I will go crazy because of her existence.

Seeing the appearance of his daughter, He Zhishan was also distressed, and couldn't help but say: "Shengxian, you also know that Ya'er really likes you, you should give me a face to the He family."

Li Shengxian gave Lin Kai an embarrassed look, he really didn't want to accept it.

But face can't be denied, and finally agreed with a black face.

Seeing his promise, He Weiya's whole body was like a dogskin plaster, sticking tightly on it, no matter how much Li Shengxian struggled, it would not help.

"Brother Lin, let's go."

Li Shengxian is one minute, and he is unwilling to stay here, otherwise he will really go crazy.

"Let's go."

He Weiya sent them out and stared at Li Shengxian reluctantly, seeing him get goose bumps.

Leaving the Hejia Manor, Li Shengxian frustrated his arm, making him uncomfortable.

"Brother Lin, I regret it now."

I really regret it. If He Weiya hadn't been sent back, he wouldn't be as passive as he is now.

The same as before, Li Shengxian can completely make him disappear silently.

But now that she has become Miss He's family, she still cannot offend her.

Looking at Li Shengxian who had a deep hatred, Lin Kai couldn't help laughing.

"you"

Before Lin Kai finished speaking, the car shook suddenly and the two almost hit the front glass.

"The **** one that doesn't have eyes."

Li Shengxian opened the car door and went down, looking at a man who got out of the car from behind, furious.

“Are you blind, your eyes grow back to your head?”

Li Shengxian roared angrily: “Why can’t you see such a big car? Donate your eyes to those in need.”

“Who was I at that time, it turned out to be Young Master Li.”

The people in the other car looked at Li Shengxian cynically.

“Why, you want to go to He’s house too? What a joke.”

“Shaoyang, what are you, how can you talk to me?”

Li Shengxian looked at Shao Yang, clenching his fists tightly.

Now he is no longer afraid of him. How could he be tortured by him if he hadn’t had Li Haoxian in the beginning?

No matter what the Shao family is, there is no way to compare you with the Li family.

Shao Yang didn’t expect that Li Shengxian would dare to speak to himself like this, and couldn’t help but froze for a while, then laughed.

“Oh, will the pugs of the Li family bite?”

Chapter 1250: Who Is The Dog?

Chapter 1250 Who Is The Dog?

Shao Yang looked at Li Shengxian with an inexplicable smile at the corner of his mouth.

It seemed that Li Shengxian was a plaything in his eyes.

But for him, it is true.

Because my brother has a good relationship with Li Haoxian, when he is in a bad mood, he bullies him.

In Shaoyang’s heart, Li Shengxian is a toy that can be bullied at will.

Now this toy dared to resist, which made him feel more interesting.

Can't help but want to see how far this toy can resist.

"Li Shengxian, have you forgotten how to please me before?"

Hearing what Shao Yang said, Li Shengxian couldn't help closing his eyes.

Then a powerful killing intent broke out. Before, he was weak and small, so he was humiliated at will.

I will not do it again.

He has become stronger and has enough strength to protect himself.

"Shao Yang, do you think I will let you bully?"

Looking at the confident Li Shengxian, Shao Yang couldn't help laughing.

"Daddy has no time to take care of you. After I see Mr. He, I will take care of you."

Seeing Shaoyang leaving, Li Shengxian clenched his fists tightly.

"He's family, do you want him in?"

Lin Kai's words instantly made Li Shengxian sober.

The relationship between himself and the He family has not been made public, but it does not mean that they are not helping themselves.

Coupled with the presence of He Weiya, he didn't even want to go in.

Taking out his cell phone, Li Shengxian called He Weiya.

"Brother, do you miss me?"

The crisp and excited voice came through the mobile phone clearly.

People can't help but imagine how excited the person on the other end of the phone is.

Li Shengxian frowned in disgust, thinking of Shao Yang, his tone was a little gentle: "Do me a favor."

"Brother, say, I will do it for you."

Fortunately, Li Shengxian and the others had already left, otherwise He Weiya would definitely jump forward with excitement.

After working hard for so long, she can finally help Li Shengxian, how can she not be excited.

Li Shengxian briefly told about Shao Yang, hoping she could help a little bit.

After determining what Shaoyang came for, he decided whether to let him in.

In fact, Li Shengxian also understands that if Shaoyang comes to He's family there is really important cooperation, even if He Weiya makes a move, it is useless.

It's better to explain now that it's not important, just let him leave.

At that time, He Zhishan asked afterwards, and he and He Weiya also had arguments.

After hanging up the phone, Li Shengxian looked at Lin Kai with a tangled expression.

As if he knew what he was thinking, Lin Kai smiled and said, "I feel like I have used He Weiya?"

"Yes."

Li Shengxian nodded honestly. He also knew that shopping malls are like battlefields, so naturally they must do whatever they can to succeed.

But now letting him take advantage of a girl who likes him is somewhat unbearable.

"No use or not is voluntary, and you can repay it."

Hearing what Lin Kai said, Li Shengxian lowered his head and said nothing.

He knew what this meant, but he couldn't accept it.

Seeing his tangled look, Lin Kai didn't say much, but looked at the Hejia Manor and smiled.

The breeze blows, the sun is blocked by white clouds, casting a shadow, making people feel warm.

Shaoyang came out of He's house in desperation, while walking, holding the surrounding flowers and trees from time to time.

"I don't know anything good or bad."

He is simply **** off.

He took the initiative to visit, even if he didn't let in, he was kicked out, which was a shame.

When he came out, he was even more angry when he saw two people smiling cheerfully at the door.

"Fuck you with a feather."

Shao Yang stared at Li Shengxian angrily: "Hurry up and get me here."

"Labor and management want to ride a horse, so quickly get me on the ground."

Shao Yang looked arrogant, as if someone owed him tens of millions.

Seeing Li Shengxian standing motionless on the side, he was even more annoyed: "You **** won't move, get out of here!"

Shao Yang can't wait to kill him in the past, now is this the wings hard?

I don't know the heights of the world, and dare to ignore him so much, he is really used to him.

Walking in front of Li Shengxian in a stride, Shao Yang kicked without hesitation.

In the past, when he was in a bad mood, he would beat Li Shengxian.

Unexpectedly, he avoided this time.

Squinting his eyes and looking at Li Shengxian with a sullen face, Shao Yang couldn't help but sarcastically said, "How can you become skilled?"

"Forgot how to teach you before?"

"I haven't taught you for so long, do you know who your master is?"

Shao Yang felt that Li Shengxian was short of cleaning up, and he didn't give up the house for three days.

He taught him every day before, and he didn't dare to resist.

What to do, learn how to bark, let yourself be a horse and ride, are all commonplace.

"roll."

Li Shengxian stared at Shaoyang indifferently. He used to be stupid and incapable.

They were so bullied by Li Haoxian, but they won't be anymore.

I am no longer a waste of bullying.

Seeing Li Shengxian who was yelling at himself, Shao Yang became interested.

"Oh, is this finding a new owner?"

He looked at Lin Kai, his tone of disdain: "What are you? Even my dog dared to **** it. It's really killing himself."

He still doesn't believe it, there are people in the East China Sea of Nuo Da who dare to **** someone from him.

"We are friends."

"So you are a dog?"

Hearing what he said, Li Shengxian was so angry that he immediately threw a punch and slapped Shaoyang in the face.

You can insult him any way, but no one can say that Lin Kai is not.

This is my own salvation, the only light in the darkness.

Without him, Li Shengxian didn't know what he would become.

In his heart, Lin Kai is a person who has more people than his own life.

"You **** hit me?"

Shao Yang wiped the blood on the corner of his mouth, a little unbelievable.

After raising a dog for so many years, he has learned to bite.

"Boy, you can do it, the labor-management dog is taught by you to be like this, I **** kill you."

Shao Yang rushed towards Lin Kai but was kicked away.

When I hit the car behind, I only felt a pain in my back, and instantly lost consciousness.

The whole person spouted a mouthful of blood, lying on the ground, languishing for a long time and didn't get up.

Shaoyang had an illusion that he was dying while breathing “huhhuhuh”.

“Clear your mouth from now on!”

Seeing Li Shengxian clamoring in front of him, struggling to get up, but to no avail. –

“You are finished, I will kill you.”

Shao Yang tilted his head and fainted, extremely miserable.

“Let’s go.”

Looking at Shaoyang on the ground, Lin Kai turned and left without any emotion.
