

Special Forces God Level Extraction System –

Chapter 1251-1260

Chapter 1251: Did You Fight?

Chapter 1251 Are You Fighting?

“it is good.”

Li Shengxian didn't have a good impression of Shaoyang, so naturally he wouldn't care about his life or death.

Neither of them paid attention to Shao Yang, leaving him half dead on the ground like that.

But this is the site of the He family. Even if you lie here for three days and three nights, no one will hurt him.

After leaving He's house, Li Shengxian only felt refreshed.

In fact, he wanted to tell Li Chengjia of his own thoughts, but when he thought of promising He Zhishan, he had to give up.

If He Weiya was not a prince, he would naturally agree.

But things have two sides. If it weren't for He Weiya's appearance, the marriage with the He family would never have his turn, Li Shengxian.

Although he has made great progress recently, there are many capable young talents in Donghai.

The He family is also a well-known big family, how could it be worthy of him.

With a sigh, Li Shengxian felt it was better to let the flow go.

He Weiya would not like herself someday.

It's not that I haven't considered marrying the He family, but after thinking about it, I still feel that I can't bear her like that.

"Brother Lin, why did you say He Weiya fell in love with me?"

Li Shengxian was really puzzled. He really didn't remember when he had contacted her.

"how could I know?"

Lin Kai was speechless, he was also a god, he could know everything.

"Hehe." Li Shengxian smiled embarrassedly.

No words all the way, Li Shengxian was in a good mood, racing home.

Not long after they got home, Li Haoxian broke in with someone before the chair was warmed up.

“What do you want to do?” Li Shengxian glared, feeling that Li Haoxian was really bold.

Lin Kai is still here, let alone their Li family, even the big man who can't afford to offend the entire East China Sea.

Now he rushed in so grandiosely, angering Lin Kai, and their Li family was completely ruined.

But Li Haoxian didn't seem to have heard it, and looked disapproving.

In his opinion, what kind of **** is nothing but bullying.

If there is no Jiulong Mountain to support him, and those masters to support him, what is it?

In Li Haoxian's view, without those auras, Lin Kai really couldn't match himself.

He believes that one day, he will step on him severely.

He looked at the leisurely and leisurely Lin Kai, only to feel that his heart was irritable.

“Li Shengxian, what have you done yourself, haven't you been punished?”

Putting on an aloof appearance, Li Haoxian looked at Li Shengxian as if he was an unforgivable sinner.

But it is indeed the case. He actually beat Shaoyang, really recklessly.

You must know that the Shao family is in the East China Sea, not weaker than their Li family.

Not to mention the irreversible relationship between him and Shao Xin. Now he finally has an opportunity to teach Li Shengxian a lesson. He will naturally not miss it.

Through this incident, some people in the Li family who support Li Shengxian can see who can truly control the Li family.

Seeing Lee Ho-hyun's appearance, Lee Seung-hyun couldn't help laughing.

Do you really think you are a great person?

"Li Shengxian, do you know how much trouble you will cause to the Li family?"

This is what Li Haoxian used to make use of the topic. In recent years, he has always used the Li family's identity to do some bad things to some small families.

Just because the Li family is a giant in the East China Sea, no one dares to provoke him.

"trouble?"

Li Shengxian sneered, "Li Hoxian, do you really think I'm the same fool before?"

"Shaoyang looked down on my Li family and provoked me, just wanting to step on the Li family, I am for the Li family!"

“Not only do you ignore the glory of the family, but you also collude with other families.

Are you in harmony?”

“Do you want to unite with the Shao family and control the entire Li family?”

...

After Li Shengxian said this, Li Haoxian’s expression changed instantly. This is not a
joke.

Regardless of whether he has this idea in his heart, once these words reach the ears of
Li Cheng’s family and some people in the Li family, it is not a good thing for him.

Seeing Li Haoxian who was glaring at him, Li Shengxian only felt a moment of joy in his
heart.

He clenched his fists tightly and kept admonishing himself, taking his time, one day he
would step Li Haoxian severely under his feet.

Take back the humiliation you have suffered before, bit by bit!

Li Haoxian looked at him with cold eyes, and he really didn’t expect his brother to
change so much.

Looking at the culprit Lin Kai on the side, Li Haoxian wanted to eat his meat and drink
his blood.

Although Li Shengxian is his father's most beloved son, he is a dude, and he can completely abolish him by his own means.

But who would have thought of exposing Cheng Yaojin and letting all his efforts be in vain. How would you let him accept it?

Looking at the two angrily, Li Haoxian vowed that he would never let them go.

Li Haoxian sneered at the thought of what Shao Xin said to himself before coming.

Hope they can survive.

I don't know why, looking at the smile at the corner of Li Haoxian's mouth, Li Shengxian only felt cold all over his body.

"If Li Haoxian has anything to say, you can say it quickly and leave without trouble."

Li Shengxian looked like he didn't want to see him, but Li Haoxian sat down on the sofa as if he hadn't seen it.

With Erlang's legs tilted, he looked carefree: "Li Shengxian, I would advise you to go and apologize to Shao Yang as soon as possible. If this matter is known to his father, you will be over."

"Then you go talk."

Li Shengxian looks like a dead pig is not afraid of boiling water.

Whatever he said, it is impossible for him to apologize.

Anyway, he had already figured out the reason, and he still didn't believe that Li Cheng's family would punish him.

Seeing Li Shengxian's self-confidence, Li Haoxian felt a little uneasy.

But soon he suppressed his anxiety and slapped the table: "Li Shengxian, don't be shameless, I tell you, if you don't apologize, don't blame me for being polite."

"How are you welcome?"

Lin Kai's words instantly weakened Li Haoxian's momentum.

Thinking of what Lin Kai did before, Li Haoxian felt his face hurt.

However, he quickly suppressed the fear in his heart and said with a smile: "Mr. Lin, this matter has nothing to do with you. It is better not to take mice."

"How come my hands have nothing to do with me?"

Li Haoxian, who was stuck in a sentence, was uncomfortable and couldn't say anything.

His face was as swollen as pig liver.

He originally wanted to use this incident to embarrass Li Shengxian, but it would be tricky to get into trouble with Lin Kai.

However, Li Haoxian squeezed out a smile and said, "You are joking, how could you have trouble with him as a junior? This is not a joke."

Li Haoxian breathed and put Lin Kai's position high, wanting him not to interfere in this matter.

Chapter 1252: It Is Me

Chapter 1252 It's Me!

"Why can't it be me?"

Lin Kai looked at him with a smile, his expression a little unhappy.

Li Haoxian said this deliberately, because he didn't want Lin Kai to interfere.

But what if Lin Kai didn't let him do what he wanted?

Seeing Lin Kai's appearance, Li Haoxian hated the itchy roots of his teeth, but he couldn't help it.

Li Haoxian felt his face hurt when he thought of the humiliation by him before.

As if he hadn't seen it, Lin Kai said to himself: "Do I need any reason to do it?"

In a word, Li Haoxian couldn't say anything.

Yes, what reason does Lin Kai need?

Even he thought, it would be okay to abolish the entire Li family.

Because of this, he felt even more uncomfortable.

Why!

He can't figure it out!

Why can Lee Shengxian get his help for such waste?

Isn't he even more stunning?

Isn't it more potential than him?

But what?

Lin Kai looked like a blind man, turning a blind eye to him, and extremely disgusted.

Clenching his fists tightly, Li Haoxian vowed to make Lin Kai pay the price.

Lin Kai felt indifferent to Li Haoxian's resentment.

He can do whatever he wants.

After changing a posture, Lin Kai played with an orange in his hand leisurely.

After a long time, it sounded like there was a person standing alone, with some doubts:
"Why are you still here?"

This is a huge insult to Li Haoxian.

Who is he?

The dignified Young Master Li, the most amazing and talented person, just so ignored?

When has he ever been insulted like this?

"Do you **** want to die?"

Li Haoxian stared at Lin Kai fiercely, his eyes full of hatred.

He felt that Lin Kai did it deliberately, just to give Li Shengxian a nasty anger.

"Lin Kai, don't think you have a little background, you can do whatever you want."

As if he had forgotten Lin Kai's strength before, he stared at him fiercely: "I tell you, don't show me the power here."

"Believe it or not, I can let you have no place in the East China Sea."

...

To be honest, this is not Li Haoxian bragging, he does have this ability.

It's just that it is for ordinary people, and if it is replaced by Lin Kai, it is completely useless.

Want to drive Lin Kai out?

What a joke.

Listening to Li Haoxian's words, Lin Kai was not angry, just like watching a clown.

For him, no matter what Li Haoxian said, it had no effect on him.

On the contrary, Li Haoxian on the side stared at Li Haoxian cruelly, wishing to kill him directly.

Not to mention the grievances between the two of them, Li Shengxian couldn't bear it just because he said that to Lin Kai.

Lin Kai can be said to be the most important benefactor of his life, and no one is allowed to slander him.

"Have you said enough?"

Li Shengxian stood up and said forcefully: "Get out, this is not a place where you can go wild."

Li Haoxian looked at Li Shengxian blankly, wondering if there was a problem with his eyes.

Li Shengxian, who has always been a waste and bullied, said such things?

Staring at Lee Seung Hyun for a while, Lee Ho Hyun couldn't help laughing: "What are you?"

"What qualifications do you have to order me?" He looked at Li Shengxian disdainfully and said, "Without Lin Kai supporting you, what qualifications do you think you have to talk to me?"

"It was originally a waste, and you want to fight with me?"

For Li Shengxian, Li Haoxian didn't care at all.

At the beginning, I was still a little worried about his transformation.

But soon he was relieved, feeling that it was not worth mentioning.

Everything was fighting, Lin Kai pointed him from behind.

Seeing Li Haoxian's gaze, Li Shengxian almost rushed forward without restraining himself.

Clenching his fists tightly, Li Shengxian kept admonishing himself that it was not yet time.

Exposing yourself too early is not a good thing for him.

Lin Kai looked aside for a long time, and found it more and more boring, but it was just two brothers bickering.

“You can get out of the way and look anxious.”

Lin Kai’s words instantly caused Li Haoxian’s breath to riot, and the whole person rushed over.

“What the **** do you have to talk to me like this?”

Since being treated by Lin Kai in Li’s house, Li Haoxian has been holding a sigh of breath.

For so long, he has kept visiting famous teachers, which can be said to be a lot more diligent.

I still don’t believe it, except for the back of Jiulong Mountain, what is Lin Kai proud of?

Seeing Li Haoxian rushing towards Lin Kai, Li Shengxian couldn’t help but shook his head, sighing in his heart: “What a fool.”

Starting with Lin, who gave him the courage?

Li Haoxian jumped up, a silver light flashed in his hand, like a mad lion, smashing at Lin Kai fiercely.

Lin Kai stood there still, as if he hadn’t noticed Li Haoxian’s attack.

Li Haoxian couldn’t help showing a smile at the corner of his mouth. It was just right that he didn’t avoid it and saved his own time.

The silver needle in his hand was obtained by his master himself.

Although it was not poisonous, it was soaked in anesthetics extracted from ancient Chinese medicine for three days and three nights. Even if the elephant was stabbed, he would have to fall asleep for a few days, let alone an ordinary person in Lin Kai.

Li Haoxian couldn’t help thinking about how to deal with them by then.

Let them arrogant for a while, really think the world is invincible?

Just when Li Haoxian thought he was bound to win this blow, Lin Kai disappeared.

“How is this possible?”

Looking around, there was no trace of Lin Kai.

“How is this going?”

He looked around cautiously, and after seeing the mocking smile at the corner of Li Shengxian’s mouth, he couldn’t help but rushed over.

Can’t find Lin Kai, still can’t solve the waste of Li Shengxian?

Just as Li Haoxian rushed over, a foot that stretched out suddenly tripped him.

The whole person fell forward uncontrollably, and the silver needle in his hand plunged into the flesh without hesitation.

“you”

Before he finished speaking, Li Haoxian fell asleep directly.

I have to say that this medicine is still very powerful.

“Brother Lin, what should I do?”

Looking at the empty room, Li Shengxian knew clearly that Lin Kai was here.

“up to you.”

He said that because he wanted Li Shengxian to express his ill will. As for how to do it, it was his business.

Li Shengxian also understood Lin Kai’s meaning, a smile appeared on the corner of his mouth, and said nothing.

People directly took Li Haoxian and left together.

“Sir, is it really okay for us to do this?”

There was some worry in Yinshen’s words. He was afraid that Li Shengxian would lose his heart because of these things.

He could feel that the current Li Shengxian was different from before.

He just wanted to live without being bullied.

But now he has ambitions. With what he coveted, Yinshen couldn’t guarantee what would happen.

Chapter 1253: I Am Here

Chapter 1253

Yinshen's worry is not unreasonable. He is afraid that Li Shengxian will bring trouble to Lin Kai.

But as far as Li Shengxian is concerned, he can't bring Lin Kai anything too dangerous.

But for the hidden god, he must clean up any potential danger around Lin Kai.

Since Lin Kai trusted himself and gave himself a chance, he naturally wanted to protect him.

It is also because Lin Kai is the **** in his heart, otherwise the dust, like the moon in the sky, is noble and unattainable.

"Do you think he will hurt me?"

Lin Kai's words are not unreasonable.

But for Yin Shen, he didn't want any uncontrollable factors to appear in front of Lin Kai.

Whether it will threaten him or not.

"I know no, but sir, if this continues to develop, I don't know how things will become."

Looking at Yinshen's solemn face, Lin Kai couldn't help smiling.

"I know your concerns, it doesn't matter."

For Lin Kai, it doesn't matter if Li Shengxian will cause trouble to him in the future.

The reason why I did this was because of Li Shengxian's heart besides being idle and bored.

If there is anything else, I hope that Li Shengxian can become the Patriarch of the Li family and become the one and only person in the Li family.

At that time, he could also use his power to quickly find Lin Yuan's whereabouts.

"Sir, you..."

Yinshen was about to say something, but Lin Kai raised his hand to stop it.

You don't need to think about it. Most Yinshen will say that you have to consider your own safety, and if there is something, they can take action.

It's just that Lin Kai doesn't think these are important. After finally encountering such a person, he naturally wants to contact more.

Yinshen looked at Lin Kai a little aggrieved. Although he didn't say anything, he kept thinking about something in his heart.

He felt that it was still necessary to arrange for someone to follow Li Shengxian, so that they would know what actions he would have at that time.

Looking at the serious hidden god, Lin Kai probably knew what he was doing.

He shook his head helplessly, saying nothing.

Thinking of Leiyuan Group, Lin Kai's thoughts were in a mess.

Hidden is too hidden.

Even many employees of Leiyuan Group do not know where the headquarters of Leiyuan Group is.

As for people like Liu Gen, although they know the news of Leiyuan Group, they don't even know many people in Leiyuan Group.

Even if they are walking on the street, they will not think that people passing by will belong to the same company as themselves.

With a sigh, Lin Kai desperately wanted to see Lin Yuan.

He wants to know what happened to his good brother in recent years.

I have to say that Lin Yuan still cares about his own affairs.

I don't know that he knows about himself that he is coming to the East China Sea, is it clear?

I don't know if I think about it.

After all, he also confirmed the news through many talents.

Of course, it is also possible to know that, when the time comes, find someone casually and pretend to be him.

At that time, it is not impossible to draw one's own shot.

With a sigh, Lin Kai stopped thinking about these things.

Now that Lin Yuan's whereabouts have not been found, it is useless to worry.

Yinshen looked at Lin Kai and didn't know what to say.

Li Shengxian came down from the stairs and looked at them, not knowing what to say.

"Brother Lin, I actually want to abolish Li Haoxian."

He lowered his head and couldn't see the expression on his face: "At that time, the old people are not happy, and there is nothing to do. After all, people are dead."

"But I'm still cruel." Li Shengxian hated his cowardly.

He was afraid that after killing Li Haoxian, it would cause too much trouble.

To be honest, even though Lin Kai taught him a lot, he was still not sure enough to solve the matter completely.

But there was still a thought in his heart, constantly encouraging him, should take advantage of this opportunity to solve Li Haoxian.

After being unnatural, there won't necessarily be such a good opportunity, and he is not 100% sure that he can completely solve him.

Li Haoxian's voice in the Li family is indeed higher than him.

Even if Lin Kai is behind him now, it has brought a lot of benefits to the Li family.

In the long run, Li Haoxian is more in line with Tan's choice of heir.

Looking at Li Shengxian who looked tangled up, Lin Kai patted him on the shoulder.

"With me, do it with confidence."

Lin Kai looked at him encouragingly, no matter what he turned into in the end, he had a clear conscience.

For Li Shengxian, Lin Kai hopes that he will become stronger, but is also afraid of losing his innocence, which is sometimes contradictory.

However, he has already figured it out clearly that he can do what he can do. As for what he does, it is all up to him.

Feeling the temperature from his shoulders, he just felt warm all the way to his heart.

No one in Li's family has ever told him these things, and they have always been aloof and despise him.

"Brother Lin."

He opened his mouth and found that he couldn't say a word.

Because he didn't use any words to express his current mood.

Seeing Lin Kai's face, Li Shengxian was suddenly relieved.

After working hard for so long, is he still unable to defeat a Lee Ho-hyun?

Isn't he just a few years older than himself, or longer than he has been in the mall.

But so what?

He has Lin Kai's cheating device, so why can't he catch up with him?

Li Shengxian clenched his fist tightly, he believed he could.

"Brother Lin, I will let him go. I will be fair and honest and defeat him with my own strength!"

Li Shengxian looked at Lin Kai firmly, even if he lost.

"Go ahead."

Lin Kai smiled and looked at him. With him, he would naturally not let Li Shengxian lose.

After ten minutes, Li Shengxian dragged Li Haoxian down like a dead dog.

Looking at the scars on his body, Lin Kai couldn't help laughing.

But it's okay to let him out, because he was bullied by Li Haoxian for so long before, and this is what he should pay back.

"Hey, Brother Lin."

Li Shengxian scratched his head in embarrassment, feeling a little embarrassed for a while.

He had some thoughts of revenge, otherwise he wouldn't know when next time.

“Send it back.”

“it is good.”

Li Shengxian dragged Li Haoxian away with some disgust.

What he didn't know was that after he left, Lin Kai called Li Cheng's family.

If Li Haoxian went back like this, Li Shengxian would definitely suffer.

Lin Kai simply said that it was his own hand, and what he was talking about at the time was of no avail.

Seeing that Lin Kai hung up, Yinshen couldn't help asking: “Sir, is it worth it for you to do this?”

He couldn't understand why he had to pay so much to Li Shengxian's heart.

He is really good, but it is not worth Lin Kai to do it.

If they want to get the Li family, they have a way.

“Stop the time.”

Chapter 1254: Ask For Trouble

Chapter 1254

Lin Kai smiled and looked at Yinshen, of course this was only part of the reason.

Donghai, let alone Lin Yuan has ideas, even he has them.

There are too many things in the hands of the country, and foreign trade is also one of the five main ports.

As long as you are not stupid, everyone wants a piece of the pie.

But what he can't do is as extreme as Lin Yuan. If he does that in his current status, it will easily attract some people's attention and may cause unnecessary trouble.

No need to do anything, it is enough to penetrate slowly here.

His people can come here or not.

Now with He Zhishan and the others, Lin Yuan's plan is not so easy to succeed.

"Any news from Leiyuan Group?"

"There has been news from Liu Gen. It will be at the beginning of next month, two or three days."

"Let them prepare."

Lin Kai was not prepared to intervene in all matters, no matter whether they made small moves or not.

Once he intervened in this matter, Lin Yuan would know soon.

He is not a fool either, knowing that he is looking for him will naturally not let up.

Even the hidden god, Lin Kai wouldn't let him interfere too much.

As for this matter, he left it all to Wang Kang, and he would do his best for his son.

After Yinshen left, Lin Kai looked at the empty house and didn't know what he was thinking.

"Wind and rain are coming."

A smile appeared at the corner of his mouth, and Lin Kai looked at a place quietly, revealing a smile.

Lin Kai slowly closed his eyes following the voice of the TV in the battle between the mother-in-law and daughter-in-law of the ethical drama.

At first, I opened my eyes from time to time to take a look, but as time passed, the whole person fell asleep.

Apart from the sound of the TV in the whole house, there was only his breathing.

The sudden sound of footsteps did not wake Lin Kai, as if he was completely asleep.

"You medicine really works?"

"You believe, he won't wake up."

As the voice decreased, Lin Kai clearly heard the sound of footsteps coming from various parts of the room, as well as the sound of overturning cabinets.

He waited quietly, wanting to see what they were going to do.

He and Yinshen had already discovered them when Li Shengxian left.

He was stopped by him who was planning to do it.

Gradually, the sound of footsteps sounded, and Lin Kai clearly felt the breathing sounds coming from his side.

“I didn’t find it, what can I do?”

“What else?” A voice couldn’t help suggesting: “Should we wake him up?”

As soon as he finished speaking, he heard a “cracking” sound.

“Are you a fool? Wake him up and we’re done.”

“Then what to do?”

“Keep looking.”

When they dispersed, Lin Kai opened his eyes, and a smile appeared on the corner of his mouth.

Like a civet, Lin Kai moved quickly and gently followed a person upstairs.

“What are you looking for?”

The sudden sound frightened the man, and the porcelain bottle in his hand almost fell.

When he was about to yell loudly, Lin Kai caught his neck.

“Shut up if you don’t want to die!”

Feeling the thinning air, the man nodded laboriously.

“Say it.”

Lin Kai is very curious about what good things he has here, which deserves their fanfare.

The man looked at Lin Kai suspiciously, not knowing what he was asking.

“What are you looking for?”

Lin Kai also thinks it is impossible to laugh. Doesn't he know what they are doing here?

When asked by Lin Kai, this person could be regarded as a reaction, pointing to the hand in the middle of his neck, and beckoning him to let go.

As soon as Lin Kai released his hand, the man opened his mouth and prepared to shout.

Fortunately, to be prepared, a hand knife knocked the man out, otherwise they would be exposed.

“waste.”

Lin Kai glanced at him disdainfully, thinking that this man was a shame.

Since he can quietly appear behind him, is it possible that he thought he could escape under his own hands smoothly?

Looking at the unconscious person on the ground, Lin Kai moved quickly but cautiously to another room.

After seeing this man, Lin Kai was stunned.

I have to say that this person is quite enjoyable and knows to come to the study.

With a leisurely look, lying on the couch by the window sill with a cup of tea in hand.

The whole person looks comfortable, picking up a teacup and drinking two cups of tea from time to time.

When he was caught by Lin Kai, he had just drank a sip of tea, before he swallowed it, he was caught in his throat.

The whole person flushed like that, looking at Lin Kai with an uncomfortable look.

“What are you looking for?”

The man was also acquainted, knowing that he couldn't beat Lin Kai. After being released, he did not shout, but looked at him quietly.

“I don't know.” He answered truthfully: “This is our boss who has come here to let us find a mask.”

“To be honest, we really don’t know what it is.”

The man stretched his hands, somewhat helpless: “Then it is the things or methods of making masks.”

He sat next to Lin Kai familiarly and complained to him: “Don’t you say that our boss is not a shameless pen? Isn’t it just a mask. He still uses someone else to steal it?”

“If he wants it, wouldn’t it be hard to say? Many people sell it to him.”

“I don’t know what he is thinking, I have to say that those things are not.”

It is also helpless to mention this man, thinking that he is just fine looking for trouble.

But if he works for someone, how can he influence the boss’s mind?

There is no way, they have to come here.

In fact, the men thought it was good to be caught by Lin Kai, but they couldn’t find anything by then, so they were scolded when they went back.

“Big brother, you might as well hurt me, it’s better to be heavier, so that I can go home and apply for a work injury.”

Looking at the man’s wretched smile, Lin Kai felt a little helpless.

Is there such a subordinate who rushed to sell his boss?

But I have to say that this person is very smart, knowing that he can’t escape from Lin Kai’s hands, it is better to be confessed and lenient.

“Go ahead, who is your boss.”

“Guo Jie, it’s the Donghai...”

After listening to him, Lin Kai couldn’t help laughing.

Who did he say it was? It turned out to be the person who was rescued from Xu Fu by himself.

But no wonder, because of what I said before, no wonder they did it.

Human skin masks, after they get them, they can have a lot of things they dream of.

How could it not be moved?

“By the way, I forgot to tell you that besides Guo Jie, there are several other people who have hired some people.”

“Although you don’t understand the use of a broken mask, be careful.”

Looking at the familiar man, Lin Kai couldn’t help laughing.

“What are you going to do next?”

Chapter 1255: Xingshi Asks Crime

Chapter 1255

“What shall we do?”

The man still had some doubts about Lin Kai’s sudden question, and he didn’t understand what he meant.

“You didn’t find anything to go back. Will Guo Jie let you go?”

“What if you don’t let it go?”

A sneer appeared at the corner of the man’s mouth, and his whole body was much stronger than before.

Lin Kai glanced at the man, but he didn’t expect it to be hidden.

But for Lin Kai, it was just like that.

“A person who knows the current affairs is a handsome, why don’t you cooperate with me?”

Lin Kai looked at the man and threw an olive branch at him.

“Cooperation? What cooperation?” The man looked at Lin Kai suspiciously, somewhat wondering what he meant.

Of course he was just pretending to let Lin Kai directly see how bad it was.

How do the two of them cooperate?

Originally, he was sent by Guo Jie to find something, how did he cooperate with Lin Kai?

He is also a person with professional ethics and cannot easily betray his master.

Seeing the man's righteous and stern expression, Lin Kai couldn't help laughing.

"Are you not sure?"

Lin Kai folded his arms and looked at him and said, "Do you have any handle in Guo Jie's hands."

He didn't think that such a person would be a subordinate, he would still be like Guo Jie.

Guo Jie is indeed good, but as far as it seems, he is also a sinister villain.

Seeing what Lin Kaidu said so clearly, Jiang Shen was not a ignorant of good and bad, so he naturally agreed.

"What do you want me to do?"

"Go back to him and take his place."

Lin Kai smiled and looked at him: "Become a master, get the power and position you dream of."

He understands that few people can resist this temptation.

"You're thinking?"

Jiang Shen looked at Lin Kai and wondered if he was thinking wrong.

"It's you who replaced him, not his person."

Lin Kai looked at Jiang Shen, like a god, overlooking the world.

As for Jiang Shen to replace Guo Jie with a human skin mask faster, Lin Kai has no hope.

Because once this kind of thing spreads out, the riot will be too great.

"How is this possible."

Jiang Shen couldn't believe Lin Kai's words. How could he have replaced Guo Jie?

Could it be that his wife and children, as well as the company's shareholders, are all waste?

Besides, how could he conclude that after he succeeded, he would not betray him?

“I naturally have a way.”

Lin Kai also thought of this suddenly. He knew that Lin Yuan had ideas about the entire East China Sea.

Now that Guo Jie’s company has been dealt with, let him become himself.

When he thought he had the chance to win, give him a fatal blow.

I didn’t want this, but Lin Yuan has never appeared, so he can only save the country.

Jiang Shen looked at Lin Kai, feeling a little unbelievable. How much energy does he have to say such a thing?

“Then what are you going to do?”

Jiang Shen looked at Lin Kai expectantly, and he suddenly felt that it was impossible.

“I will naturally look for you then.”

Lin Kai didn’t intend to start now, and he was not too relieved of someone who knew nothing.

Seeing him say this, Jiang Shen nodded and agreed.

“You don’t have to go, just stay here.”

“Okay, then trouble you to knock me out.”

Jiang Shen is also on the road, knowing that he needs to do a full set of acting.

Soon Lin Kai interrogated them all again, and the news he got was the same as Jiang Shen said.

Looking at the unconscious group of people in the basement, Lin Kai closed the door without hesitation.

When the Yinshen came back and discovered the unusual breath at home, a heart instantly lifted up.

When he saw Lin Kai sitting in the living room safe and sound, his heart was relieved.

“Let’s go.”

“Yes.” The hidden **** immediately followed, and didn’t mean to ask Lin Kai where he was going, but you said he obeyed his orders unconditionally.

Driving silently on the road, Lin Kai looked at the constant flow of traffic outside the window, his eyes blurred.

Sometimes people feel like ants, busy, and pass away quietly.

When he arrived downstairs in Guo Jie’s company, seeing Lin Kai still in a daze, Yinshen accompanied her quietly without making a sound.

At that time, some employees coming in and out, looking at such a powerful car, could not help but exclaim.

“Fuck it, who is so rich? You can’t buy this car if you have money.”

“This is the rich man again, thinking about coming to us to tease his sister?”

...

Lin Kai was awakened by the discussion outside the car window, frowning as he listened to those noisy sounds, feeling a little irritable.

After getting off the car, the women who originally thought those men were damaging their pens also became idiots.

Even some women brazenly came to Lin Kai for a mobile phone number, but he refused.

Seeing him walk into the company, the women’s eyes can’t wait to stick directly to him.

Because Lin drove the car, the front desk didn’t embarrass him much, so he took it directly to Guo Jie’s office.

I have to say that many times your external conditions will bring you many unexpected effects.

After Guo Jie heard the secretary tell him that Lin Kai was here, he was so excited that he hurriedly greeted people in.

“Mr. Lin, why do you have the time to come here? Is there something wrong?”

Guo Jie patted his chest and said, “Don’t worry, as long as you say, I will definitely find a way to do it.”

Looking at Guo Jie's all-inclusive look, thinking of the few people in the basement of the house, Lin Kai had no other emotions except that he felt sick.

People are like this sometimes, on the surface they are kind, hello, me, and everyone.

What's the truth behind the scenes, how do you know?

Guo Jie was a little uncomfortable with Lin Kai's gaze. He drank his saliva and moisturized his dry throat, always feeling uncomfortable.

"What qualifications do you think you have to get a human skin mask?"

In a word, Guo Jieru was struck by five thunders, watching Lin Kai, cold sweat dripped from his forehead, unable to say a word.

After a while he gave a dry smile: "Lin...Mr. Lin, what do you mean?"

"How could I want a human skin mask, it's all harmful things."

I have to say that Guo Jie is really cheeky. Since Lin Kai asked him, he naturally has evidence.

Looking at Lin Kai's appearance, Guo Jie said stiffly: "Mr. Lin, you saved me. Can't you just slander me because of this?"

He looked aggrieved, as if Lin Kai was the one who did the wrong thing.

Seeing him like this, Lin Kai couldn't help but sneered: "Guo Jie, are you sure you don't say it?"

"What the **** do you want me to say? I really don't know."

Guo Jie looked like crying and grabbing the ground, which made Lin Kai look like a wicked person.

Chapter 1256: Anti Customer

Chapter 1256

"is it?"

Lin Kai raised his eyes and glanced at him indifferently, and Guo Jie was scared in a cold sweat.

"Do you treat me as a fool!"

Being stared at by Lin Kai like this, Guo Jie almost couldn't hold on anymore.

He kept admonishing himself to keep his breath, once exposed, he was completely finished.

Although he didn't understand Lin Kai's identity, he was not an ordinary person.

Otherwise, how do you know the human skin mask and how dare you offend Xu Fu?

But what puzzled him was that no matter how many contacts he had used, he didn't find out about the Leiyuan Group, let alone Xu Fu.

This puzzled him, and finally felt that it was mostly an unknown little person.

Otherwise, why would you think of using this insidious trick to get something that doesn't belong to you?

"Guo Jie, do you explain it yourself, or do I do it?"

Lin Kai didn't want to talk nonsense with him. The reason why he was sitting here talking to him was just because he wanted to know a little bit more so that he could act in the future.

Guo Jie was also a little unhappy about what he said.

How can I say that he is also the big boss of a listed company. He, a person who still doesn't know his identity, dare to talk to himself like this?

If it wasn't for saving his own life, what right did he have to sit here?

Looking at Lin Kai impatiently, Guo Jie couldn't wait for someone to chase him away immediately.

What an unpleasant guy.

"What do you want?"

Guo Jie didn't talk nonsense with him, there was no need to pretend.

Now that this is the point, let's just say it clearly.

He didn't believe that Lin Kai came here to ask for an explanation.

It's mostly a conspiracy. After all, so many people have been saved. How can it be possible to have no desires and no demands?

Seeing Guo Jie's "I see you through" expression, Lin Kai wanted to laugh.

I really don't know the confidence from him.

"What do I want?"

Lin Kai smiled and said, "Naturally, I want a statement."

"I want to know what you mean, send someone to my house? How dare you."

Lin Kai felt a little sick for him doing this.

The grace of dripping water, although you don't need to retaliate with you, but the grace to revenge is too much.

"I just wanted to protect you."

Guo Jie looked like "I'm doing it for your own good" and said sternly: "You also know that you have saved a lot of people, and they all know that you have a human skin mask."

"That is something that can replace a person's position at any time. Do you think they will let you go?"

Guo Jieyu said to Lin Kai earnestly: "Why don't you give me things, they dare not do anything with my status."

"Of course I will compensate you. It happens to kill two birds with one stone, how great."

Looking at Guo Jie's appearance, Lin Kai had to admire the fact that these people who mix in the mall are really eloquent.

It was originally his fault, but now it has become for Lin Kaihao, and I have to say that this ability to reverse black and white, few people have compared it.

Seeing that Lin Kai hadn't spoken for a long time, Guo Jie couldn't help asking: "What do you think?"

He felt that there was no need to refuse, and his identity really couldn't keep that thing.

"Why should I agree?"

Lin Kai couldn't help but laughed, and gave him something, and then he would be a tiger?

Whose company does he want?

It's ridiculous.

Guo Jie was stunned for a moment, but he didn't expect Lin to refuse at the meeting, but when he thought about it, it was reasonable.

With such a great thing, it is natural to sell it for a big price.

"You can open the conditions, I will meet them."

Guo Jie said with a wave of his hand.

Anyway, he had already thought about it, no matter what Lin Kai said, he would agree.

As for the human skin mask, he would kill Lin Kai without hesitation.

You only need to own this kind of thing by yourself.

Otherwise, what if Lin Kai gives it to others?

He didn't want his plan to fall short.

Lin Kai guessed exactly what Guo Jie thought.

"Are you sure you don't recognize it?"

Guo Jie looked at Lin Kai helplessly, but he didn't expect that he was still struggling with this matter.

For a while, his face looked a little ugly: "Do you agree or not?"

"so what?"

Lin Kai rushed to Guo Jie in an instant, feeling that he was a waste of time talking nonsense with him.

"Don't admit it?"

Guo Jie looked at Lin Kai who suddenly appeared in front of him in horror, unable to say a word.

"you"

Before he finished speaking, Lin Kai lifted him up and punched him directly in the stomach.

How did Guo Jie, who has always been pampered, received such a punch?

Although Lin Kai had pulled back his strength, Guo Jie still cried out in pain.

“You **** let go of me!”

He yelled loudly, hoping someone could come over.

What he didn't know was that as long as Lin Kai came in, Yinshen had closed the place, and there would be no sound.

“Let go of you, yes.”

Lin Kai showed white teeth, gleaming in the sun.

When Guo Jie thought he was okay, his whole person was suddenly suspended.

Looking at the ant-like crowds and vehicles under his feet, he was frightened and grasped Lin Kai's hand tightly, not daring to let go.

With a trembling voice, he shouted in fear: “Help me up, you can help me up!”

He let go and fell by himself, and he was finished.

“Are those people yours?”

“It's mine, it's mine.” Guo Jie confessed loudly, for fear that he would be finished by accident.

Lin Kai showed a smile, and threw Guo Jie into the corner.

With a “bang”, it hurts.

He was lying on the ground, and he didn't slow down for a long time.

The whole person was dizzy, his legs were soft, and he couldn't stand up at all.

After a while, he was relieved: “What do you want?”

He stared at Lin Kai in horror, feeling that his initial speculation was wrong.

Why did he offend such a big evil spirit?

It was because he was so obsessed with his mind that he could naturally control Lin Kai completely.

I don't want to save them, and dare to expose the human skin mask. Naturally, there are enough cards.

"Please, let me go."

Guo Jie looked at Lin Kai pleadingly, he really knew he was scared.

"Let you go?"

Lin Kai looked at him suspiciously, "Aren't you going to kill me? How can I let you go?"

In a word, Guo Jie's face was as gray as death, and Lin Kai did not expect Lin Kai to notice his thoughts.

Sit on the ground, no longer as high as before.

"Let's talk about it, what does it have to do with Leiyuan Group."

Lin Kai didn't believe it, he would take the initiative to provoke him, mostly because someone was behind him.

As for the reason, Guo Jie is not a fool, and will provoke someone who does not know his identity?

Furthermore, Lin Kai also blew Guo Jie, to see if he knew something.

"how do you know?"

Chapter 1257: Explain

Chapter 1257

Guo Jie didn't expect Lin Kailian to know this.

It was funny for a while to think that I was still in front of him just now.

"You're right, there are indeed people provoking."

Guo Jie gave a wry smile, feeling that he was really seeking his own death.

"I didn't intend to do this originally, but after talking to my mistress, one of her thoughts made me unable to control myself."

With a sigh, Guo Jie can be said to be regretful.

When he was rescued, he also thought about getting a human skin mask, but finally gave up.

But people are like this sometimes, and one reason from others can easily convince themselves.

In fact, he also understands that this is just an excuse for himself by borrowing other people's lips.

Guo Jie looked at Lin Kai. He was wrong this time, but the matter was over, and there was nothing to say.

"What do you want?"

He looked at Lin Kai with a gray face, hoping that he could let him go.

"I don't want to."

Naturally, Lin Kai would not say what he really thought.

"How can you let me go."

Guo Jie understood Lin Kai's subtext, it was nothing more than making himself bleeding.

With a sigh, he admitted that he was unlucky.

Whoever wants oneself to want something that doesn't belong to oneself, forget it if he doesn't get it, and it hurts himself.

"A lot of shares."

Lin Kai had already investigated Guo Jie clearly before coming, and knew exactly what he was holding.

It's just 10% of the shares. Compared with his own fate, he will be willing.

"impossible!"

Guo Jie refused without thinking about it. This 10% of the shares fell into the hands of others, which would not affect him well.

Although he couldn't threaten him even if he gave it, Guo Jie couldn't guarantee that Lin Kai would not make a move.

Although he is not clear about his identity, it is okay to want to buy some shares.

"Don't worry, I won't move your company."

Guo Jie looked at Lin Kai suspiciously, doubting what he said.

Believe it or not, it doesn't matter to Lin Kai.

"Tomorrow I will come to get the share transfer letter, I hope you will keep your promise, otherwise I don't mind doing it."

Guo Jie hesitated for a while, closed his eyes and nodded in agreement: "Okay, I promise you."

In addition to promise, what else can he do?

It's okay if you don't agree, waiting for yourself is nothing more than hanging by a thread.

He really didn't want to experience the kind of pain just now.

"Thank Mr. Guo, I won't bother too much, Lin Mou said goodbye."

Lin Kai helped him up, with a polite look, and he couldn't see the ferocity just now.

After seeing Lin Kai leave, Guo Jie was relieved with a sigh of relief.

Just now, he thought he was really going to die.

Looking at the closed door, Guo Jie struggled hard and called a number.

Lin Kai stood downstairs at Guo Jie's company, as if waiting for something.

Many people around were talking about it. They all saw Lin Kai get off the car just now.

Suspicion continued for him stopping here.

"Will he be waiting for his girlfriend?"

"It's so rich, why do you come to our company?"

...

Lin Kai turned a deaf ear to those discussions.

After feeling the breath of the hidden god, Lin Kai lifted his foot and left.

Those busy people looked at Lin Kai questioningly, wondering what he meant.

“what’s the result?”

“Guo Jie really has something to do with Leiyuan Group.” Yinshen reported what he heard to Lin Kai.

“It seems they are the same.”

I have to say that Leiyuan Group is still very attractive to people.

Even at first they were dissatisfied with Xu Fu’s actions.

But after contacting Leiyuan Group, he changed his mind.

“Staring at them.”

I would like to come to Leiyuan Group and contact them, hoping to get some useful things.

On the way, Lin Kai looked at the passing cars outside the window, thinking about how to solve Lin Yuan.

As for these companies, Tian Ran can continue to replace them.

“Got home?”

Looking at the scenery outside the window, Lin Kai was taken aback for a while, but he didn’t expect to be back so soon.

As soon as he opened the door, Li Shengxian rushed over like a koala, holding him tightly without letting go.

“Brother Lin, the house is haunted. I searched the whole house and couldn’t find anyone.”

“I’m really scared of this crying voice.”

Li Shengxian, a big man, the crying lady chirped and looked at Lin Kai speechless for a while.

But also in this kind of place, although it is a wealthy area, there are not many people.

In a house of four or five hundred square meters, people were constantly howling, and it sounded really cripple.

“It’s okay, just a few people in the basement.”

Lin Kai dragged Li Shengxian off his body and took him to the basement.

As soon as the door was opened, a few people charged up instantly, shocking Li Shengxian.

“You can’t run.”

There was a leisurely sound from behind, and the few people who ran out also stopped because of them.

Looking at the few people in Lin Kai, those few people stared at him, a little scared.

As soon as they woke up, they found themselves locked in this place. How could they not be afraid?

After waiting for so long, they finally came out, but ran into the person who had caught them.

“who are you?”

Several people stared at Lin Kai, both scared and angry.

No matter who wakes up and finds himself in a strange place, how can he not be afraid?

“You broke into my house, don’t you know who I am?”

Lin Kai was too lazy to talk nonsense with them because of this, and directly asked Li Shengxian to call the police to take it away.

“You left me, you don’t look at it, they all want to kill me.”

Jiang Shen lay on the sofa lazily. Although he said so, he didn’t show any fear at all.

“Then please trouble the police to come back.”

Upon hearing this, Jiang Shen almost fell off the sofa and waved his hand quickly:

“Don’t don’t, don’t use it, it’s fine.”

“Someone will take you away tomorrow.”

“Can’t today?”

To be honest, Jiang Shen felt that being with Lin Kai was too stressful and made him uncomfortable.

“Then you go to the garden for the night.”

In a word, the blocked Jiang Shen couldn’t say a word, staring at him helplessly.

“Shengxian, he will leave it to you.”

After speaking, before the two of them objected, he took a piece of clothing and left with Yinshen.

The two of them were left with big eyes and small eyes, and neither was convinced.

“Sir, won’t he act on Li Shengxian?”

To be honest, Yin Shen was really worried about Li Shengxian’s strength.

“It’s okay to let him hone, Jiang Shen has a sense of measure.”

“Yes.”

Lin drove the car, his thoughts were chaotic, and he didn’t know where to go for a while.

“Sir, what’s wrong with you?”

Yinshen looked at Lin Kai worriedly, and felt that something was wrong with his current state.

“It’s nothing.”

Chapter 1258: Attacked

Chapter 1258

Lin Kai shook his head, don’t know why, a little irritable who didn’t come today.

At first he thought it was because of Lin Yuan, but after thinking about it carefully, it wasn’t because of him.

With a sigh, Lin Kai parked the car on the side of the road, lit a cigarette, and let it burn silently.

“Hidden God, you...”

Before Lin Kai finished speaking, he was interrupted by the sudden ringing of the phone.

Seeing the words “Old Huyou” flashing on the screen, the heart that came in became a little heavy.

“what happened to you”

“Help, help.”

Before Lin Kai finished speaking, he was interrupted by his breathless words.

“I’m at home, soon... I can’t hold it anymore, I... Ah!”

Before he finished speaking, the phone was hung up.

“go back!”

Lin Kai had a sullen face and didn’t say a word. He stepped on the accelerator to the end and raced home.

On the road, it was almost because of a pedestrian who suddenly ran out.

“Sir, don’t worry, Tianshi Huang will be fine.”

Yinshen looked at Lin Kai’s profile worriedly, he also knew the importance of Huang Tianshi.

However, if something happened to Lin Kai who had harmed him, Yinshen would never want to see it.

When they returned, they saw Li Shengxian and Jiang Shen lying at the door, unconscious.

After awakening the two, Lin Kai quickly asked, “What happened? Old Huyou?”

I blamed myself for being careless, knowing that someone was going to attack the old Huyou, he didn’t even take precautions.

If something happened to him, it would really be regrettable.

Li Shengxian stared at Lin Kai in a daze, shook his head, but couldn't react.

"Li Shengxian!"

With a stern shout, like a blow, Li Shengxian instantly woke up.

"Brother Lin, what's wrong with me?"

He looked at Lin Kai, stunned for a moment, grabbed his hand and said anxiously:
"Tianshi Huang was chased and killed!"

Before he could catch his breath, he said anxiously, "When I came out with Jiang Shen, I ran into him covered in blood."

"Without waiting for us to speak, he will let me tell you to find him in the woods behind."

"And just knocked us out, what's next. I don't know. You go to save him, I don't know how it is late."

Li Shengxian was also too anxious, and hated his lack of strength and couldn't protect them.

"leave here!"

With such a sentence left, Lin Kai and the Yinshen stood up, and soon disappeared from their sight.

Li Shengxian also knew that if they stayed, it might be a drag.

Holding Jiang Shen who was still in a daze, looking at the car left by Lin Kai, he left without hesitation.

He understands that such a battle is not something he can participate in.

The plan for the present is to protect yourself from being caught by those people, and the saving becomes their burden.

Lin Kai and Yinshen took them, and the two of them quickly followed.

When they thought they were looking in the wrong direction, dots of blood appeared in front of them.

"Hurry up."

Lin Kai's expressionless face, anyone can tell, he is in a bad mood now.

Following the blood stains all the way, the blood stains of Datan Datan began to appear, exuding a pungent **** smell.

Seeing these blood stains, Lin Kai's heart was half cold.

However, there are so many tricks for that old fool, and he shouldn't be able to die for a while.

It took ten minutes before they found Tianshi Huang.

Looking at the two people in front of him, Lin Kai didn't dare to let the Yinshen intervene.

A careless, possibly harmed Huang Tianshi will also suffer.

With an angry shout, the man in black showed an earth-yellow ball of light in his hand, and there was a vague roar of movement.

"Old thing, today you will definitely die!"

When the voice fell, the man rushed towards Huang Tianshi, wrapped in a ball of light in his hands, and slammed on his head.

Tianshi Huang didn't eat dry food either, the Buddha Chen in his hand was as heavy as a thousand catties.

Wrapped by an invisible wave, like a dragon, rushed directly to the man in black.

Taking this opportunity, Yinshen shot without hesitation.

Two rays of light flashed, and the black-clothed man slammed heavily on the ground, stirring up a piece of dust.

"Ahem, puff."

The man in black spouted a mouthful of blood, and fell to the ground with a languid breath.

"you guys"

Seeing the hidden **** that suddenly appeared, the man in black felt aggrieved.

The master makes a move, and the slightest miss is a thousand miles away.

After Mr. Huang saw them, a figure covered in blood rushed over.

Lin Kai frowned and moved aside, if it hadn't been for Yinshen, he would just fall to the ground.

"You are here, I..."

Before I finished the sentence, I felt a strong wave of fluctuations coming from behind.

Lin Kai dragged Huang Tianshi to hide without thinking.

The hidden **** rushed straight up, his hands seeming to be wrapped in a layer of bright white.

The man in black wanted to escape, but was dragged by the foot by the hidden **** and pulled off.

"Don't **** be nosy!"

The man in black spit out a mouthful of blood, staring at the hidden **** with sullen eyes.

Not much nonsense with him, turning his palm into a fist and hitting the man in black on the stomach.

He only felt a strong force, as if it had penetrated his own flesh and blood, and was rampant in his body.

To mobilize the power in the body, the man in black wanted to suppress the riot in the body.

As a result, he accidentally sprayed a mouthful of blood and fell to the ground.

"you"

He pointed to the hidden god, without saying a word.

After solving the man in black, Huang Tianshi sat down on the ground and took off the blood-stained clothes.

It was only then that Lin Kai realized that the wound that penetrated his entire back.

It was like being torn apart by something, dripping with blood, and bones were visible.

As if he could not feel the pain, he said to Lin Kai to himself.

"Hidden God, let's go."

There is such a big movement here, it may provoke someone.

Just when they were about to leave, the female grandmaster who had been chasing Huang Tianshi appeared.

“What did you do to him?”

The female grandmaster stared at Lin Kai and them angrily, looking like she wanted to kill them.

“Give him to me, or don’t blame me for being rude.”

Listening to the female grandmaster’s words, Huang Tianshi was so scared that she hid directly beside Lin Kai: “You wicked lady, stay away from me. I don’t need your help.”

After being said by Huang Tianshi, the female grandmaster was so angry that she couldn’t say a word when she pointed at him, obviously she was so angry.

Lin Kai said strongly: “Trouble away.”

His injury cannot be delayed, who knows what damage it will cause to his body?

The female grandmaster also knew that because of this entanglement, the impact on Huang Tianshi would be too great.

“You can take him away, but I will follow.”

Even if Tianshi Huang trusted Lin Kai, she couldn’t believe it.

“you”

Yinshen wanted to say something, but was stopped by Lin Kai.

Chapter 1259: Because Of What?

Chapter 1259

“Old Huyou’s body matters.”

It was Huang Tianshi, looking at him, wishing to turn around and leave.

“I don’t want this wicked lady to follow.”

What a joke, you will be over if you are not careful.

She took so many things from herself, or she won't talk about it before coming back.

I even scared myself and my disciple every so often, how do you think I get along with her?

Now that she is like this, who knows what she will do?

When something happens, I will regret it.

Looking at Huang Tianshi's appearance, Lin Kai couldn't force anything.

"Dog stuff, do you dare to refuse my old lady?"

The female grandmaster stared at him, slapped him on the shoulder.

In pain, he grinned and almost knelt on the ground, the blood flowing from his back faster.

This female grandmaster was startled, and wanted to check his situation, but was stopped by the Yinshen.

"Get out of my mother, or you will be killed!"

She glared at her, her momentum rising steadily, and the fluctuations in her body became stronger.

As if the hidden **** hadn't seen it, he ignored her, and directly sealed the big holes behind Huang Tianshi.

"shut up!"

Master Huang Tian was so angry that he wanted to kill her on the spot.

What did you look like?

Is she still doing it?

Is this wishing to die sooner?

The female grandmaster was stunned for a moment, but she didn't expect that Huang Tianshi, who had always been the only promise, would yell at herself so loudly.

"Let's go."

Tianshi Huang hangs weakly on Lin Kai, and may faint at any time.

To be honest, he didn't even notice the big wound on his back.

It's just that when fighting the man in black, he lost too much blood. If Lin Kai and the others hadn't arrived in time, they would have been consumed alive.

Looking at the female grandmaster, Yinshen directly picked up Huang Tianshi and hurried to the Li family.

It is not convenient for him to go to the hospital in this situation. It is much better to go to Li's house than the hospital.

Not to mention that Li's family also has its own hospital and Chinese pharmacy.

It also saves time to leak information, causing unnecessary trouble.

When several people appeared in front of Li Cheng's family covered in blood, they almost fainted him.

"Mr. Lin, what's wrong with the heavenly master?"

While asking, he asked the housekeeper to bring the doctor he trusted.

Because he understood that they came here to not expose this matter.

After the doctor came, Huang Tianshi had fallen into a coma.

The doctors looked at the wound on his back. Although they were a little surprised, what was it that caused such a wound area, but they still started the operation with professional ethics.

As a result, they had just been stitched halfway before they were stopped by Lin Kai.

Holding a jar of unknown stuff, the green-looking thing was ready to get it on Huang Tianshi's back.

The doctors were so anxious that they immediately said: "How can you administer medicine indiscriminately? Did you know that it would cause damage to the patient's body? You..."

"I am responsible if something goes wrong."

In a word, the doctors had no choice but to shut up.

As a result, as soon as the green and oily things were applied, a black air visible to the naked eye emerged from Huang Tianshi's back.

Even though he had been given anesthetics, the whole person was still convulsing constantly.

The scared doctors quickly held him down for fear that something might happen.

The black blood slowly drained from his back, and the doctors looked at this scene dumbfounded, feeling a little weird.

“This medicine...”

“He is poisoned.”

In a word, those doctors dare not ask any more.

After the bleeding blood turned pale pink, Lin Kai applied the thing again.

After several times, it is considered to stop.

Fortunately, the Li family was able to mobilize the blood in the blood bank, otherwise he would have died just by bleeding.

“I will leave the rest to you.”

Lin Kai rubbed his eyes tiredly and went out with something.

After going out, the female grandmaster immediately came up and asked anxiously: “How is that old thing? Can he be safe? He...”

“He will be fine.”

A word made the female grandmaster’s heart instantly returned to her stomach.

I don’t know why, Lin Kai’s words seem to have a magical power, which miraculously makes people feel at ease.

Lin Kai looked at the appearance of the female grandmaster, and couldn’t understand why.

“What do you see me doing?”

The female grandmaster looked at Lin Kai with some guilty conscience inexplicably.

“Why are you pestering Lao Huyou?”

The female grandmaster was like a cat whose tail was stepped on, and her hair exploded instantly.

“Why do you care about me?”

She pointed to Lin Kai and said loudly, “What is your relationship with him, what right do you have to intervene in his affairs?”

“I’m willing to pester him, that’s my business, don’t... don’t be nosy.”

The more I said later, the voice of the female grandmaster became quieter, and she seemed guilty.

Especially after being watched by Lin Kai like this, the whole person felt a little scared.

I think she is also a great master, it can be said that she is the most powerful group of people.

As a result, he was scared like this by an ordinary person now. After it was spread, would he still want to mix?

“Don’t you say it?”

Lin Kai pressed harder step by step: “You don’t have to say, don’t want to get a step closer to Lao Huyou in the future.”

She leaned close to her ear and said something, her face was pale instantly, and cold sweat continued to erupt on her forehead.

“How...how do you know this?”

She looked at Lin Kai in surprise, always feeling that the development of things exceeded her expectations.

“You don’t need to know, do you say or not?”

Looking at the smiling gentle Lin Kai, the female grandmaster clenched her fists tightly, thinking that he was just a wolf in sheep’s clothing.

But I can’t help him, the person next to him, but always stares at him.

In the end she compromised and sighed and said, “You must never tell him about this!”

“it is good.”

“He doesn’t remember me.”

The female grandmaster looked lonely in that direction, and the smile on the corner of her mouth was a bit far-fetched: “He said before that he would marry me, but he forgot.”

“It’s also been so long. Who remembers the appointment when I was young?”

“When we were young...”

The female grandmaster looked at the distance and chattered, her eyes full of nostalgia.

“Finally, it doesn’t matter if he doesn’t remember, I will make him think again.”

Lin Kai looked at her and didn’t know what to say for a while.

He really couldn’t understand this kind of emotion.

Looking at her nostalgic eyes, Lin Kai couldn’t help sinking into thought.

“Remember what you promised me.”

The female grandmaster looked at him and threatened: “If you tell him, I will never die with you in this life!”

“why?”

Lin Kai didn’t understand why she didn’t say it directly. Doing so now might backfire.

“I want him to determine for himself whether he will like me. There is no need to bind him with his previous feelings.”

Chapter 1260: Because This

Chapter 1260

The female grandmaster also knew that this was nothing but a luxury. After so long, she didn’t ring her, most of them forgot.

But people often do this, the more they can’t get things, the more desperate they are.

Lin Kai looked at her sad, without saying a word, and sat quietly with her.

He couldn’t understand why he didn’t say such a thing directly.

But he hadn’t experienced it, so naturally he didn’t understand.

The two were silent like this, and no one took the initiative to speak.

After a long time, the doctors walked out tiredly.

The female master immediately walked over and asked cautiously: "Doctor, how is he? How long will it take to recover? Is there anything,..."

I asked a lot of questions, if Lin Kai hadn't come over, I would keep asking.

"The patient is fine. If you don't have a fever tonight, you will be fine."

The doctor told them the precautions again, and the female grandmaster followed him, inquiring in every detail.

Even when every day, what to eat, ask clearly.

The doctors on the side felt embarrassed.

After she finally asked, the doctor ran away like a fire.

After waiting for a long time, after Huang Tianshi was sent back to the ward specially prepared for him by the Li family, the crowd could see his current situation clearly.

The whole person can only lie on the wound, and cannot move.

"She will be fine, right?" The female grandmaster held his hand tightly, her eyes full of worry.

Usually she would like to stick to him all the time, and never leave for a minute.

But people have three urgency, just for a while, unexpectedly something happened to him.

She felt a little self-blame that all this was caused by her own reasons.

"Sorry."

Looking at her like this, Lin Kai couldn't bear it.

"You are not to blame for this."

He has sent someone to investigate, and I believe he will know who did it soon.

Looking at the injuries on Tianshi Huang's body, the aura of Lin Kai's body made people feel a little scared.

Just like a demon in hell, choosing someone to eat.

Seeing him like this, the female grandmaster moved aside in fear, and at the same time warned herself that she must not provoke Lin Kai.

Although he looked like an ordinary person, the female master always felt unusual.

The two were afraid to interrupt Huang Tianshi to rest, so they went out and said some things well.

Not long after I left, I heard a loud noise not far away.

Without waiting for the two to say anything, the voice got closer and closer, and it didn't take long for them to reach the yard where they were.

An old man with gray hair and looking in his fifties walked in, ignoring the obstacles of the people around him.

As soon as he came in, he looked around, and then arrogantly said to the people around him: "I remember this yard, you immediately clean it up."

"If the cleaning is not clean, I will punish you carefully."

The people who followed him said grimly: "Master, this is really bad, there are people in this yard."

This yard is naturally the best yard for restoring and restoring in the Li family, no wonder he would like it.

You say it is normal, but it is now occupied.

However, this person also has a lot of background, and they are also very embarrassed for a while.

"What are you talking about?" Li Chengye's voice raised a lot, and he glared at him: "This is my thing. The shameless guy has taken it to me. Let them get out of me immediately."

Li Chengye was so angry that he even dared to touch his things.

"Master III, this really doesn't work, the big man inside, even the Li family can't afford to offend."

"Not to mention that the Patriarch still confessed to us and served us well."

Listening to the servant's words, Li Chengye didn't care about it: "What are they? They deserve to be compared with me?"

Regardless of the servant's obstruction, Li Chengye was about to go in.

After seeing Lin Kai and the female master at the door, he gave a dismissive look.

"Is that the guest in my brother's mouth?"

Before Lin Kai could answer, he said to himself: "Do you know who I am? I am the brother of Patriarch Li. If you know him well, let me out of the yard."

Seeing his aloof appearance, Lin Kai and the female grandmaster didn't want to talk to him at all.

Their ignorant attitude angered Li Chengye, thinking that they just looked down on themselves.

"Am I talking to you, can't you hear?"

Li Chengye stared at them angrily and said: "I tell you it's best to apologize to me immediately, otherwise don't blame me for being rude!"

Because both sides couldn't afford to offend, the servant didn't dare to interrupt for a while, and only Li Chengye cursed in the entire yard.

He felt that these two people just looked down on himself and dared to ignore him so much.

"Knock them out of me immediately without seeing what it is."

Li Chengye's tone was full of contempt.

"A maotou boy, an old half-woman Xu, what else did you say about our Li family's distinguished guest? Really ridiculous."

Originally the two did not intend to talk to him, but these words really angered them.

"Who do you say about the old half-maids?"

A woman can't tolerate it the most, as someone said about her age.

In addition to the current situation of Tianshi Huang, she is just like an explosive, exploding at a bit.

“Are you **** looking for death?” She strode over and slapped Li Chengye in the face.

Although she has curtailed a lot of strength, but the grand master master, where can it be lightened by a slap?

Li Chengye was directly slapped and flew out without getting up for a long time.

The servants were so frightened that they saw things like this, and they quickly reported to Li Cheng’s family.

It took a long time for Li Chengye to be supported by the servant and walked over with a limp, covering his face.

“You wait for me!”

Staring bitterly at the female grandmaster, wishing to kill him.

As a family member, when has he ever been beaten like this?

“Yinshen, send him out.”

Lin Kai didn’t want to let him make a big noise here, because the province affected the old Huyou to rest.

But in Li Chengye’s eyes, it was a provocation, that was, he looked down upon himself.

Pushing away the servant who supported him, Li Chengye said angrily: “It’s your death date soon, don’t be too arrogant to me.”

As the voice fell, a strong man about two meters tall walked in.

The size of a hill gives people a strong sense of oppression.

“Master. What’s your order?”

The brawny man approached Li Chengye with a respectful attitude.

“Tear them to pieces for me.”

Li Chengye is very confident in his bodyguard.

This is a powerful presence in the ten-game winning streak in the big fighting arena.

Li Chengye felt more than enough to deal with the two of them.

“If you don’t want to die, please quickly apologize to me, or don’t blame me for being impolite.”
