Chapter 1341: Save Qin Ya

Chapter 1341 Save Qin Ya

As soon as Qin Ya was about to refuse, Zhou Xin agreed to Qin Ya: "Deputy Manager Luo is a rare treat. I heard that the most luxurious private room is reserved. Why not go with some colleagues in the purchasing department. I will call my house. Xinghai, Xiaoya, will you never fail to agree?"

Tang Zixuan was the first to agree: "That's okay! At night, my boyfriend will come to pick me up, just to go to KTV together, and let you meet."

Upon hearing this, Qin Ya nodded helplessly and agreed, "Since I have said so, I have no reason to refuse."

Seeing that Qin Ya agreed.

Luo Zhipeng and Zhou Xin, inadvertently, they looked at each other, with an unspeakable smile in their eyes.

Lin Kai was keenly aware of it.

However, he was not interested. He was perfectly involved in this purchasing department for investigating Li Shengxian's internal ghosts.

He made a plan for himself, and within three days, he must set out other company ghosts from Xu Xinghai's mouth.

Lin Kai did not expect that Hu Wenliang wanted to let himself go to the KTV tonight, and unexpectedly caught up with him.

"Deputy Manager Luo, today we have a new employee in our purchasing department. Why don't I take the new employee with me."

Lin Kai shook his head, and he didn't say anything.

Thinking about it carefully, it is also a good time to contact Xu Xinghai.

In the company, it is undoubtedly the best thing to say.

In some entertainment venues, I drank too much, and then under the guidance, I might say it.

The most important thing is that just now, the system released a mission: rescue Qin Ya.

The content of the task is that Qin Ya is in KTV tonight, there will be an accident, and he has to protect Qin Ya, and he can successfully complete the system task after tonight.

The reward is a gold extraction capability.

Although the gold extraction ability, Lin Kai is a little less interested now.

But its good to be able to complete system tasks by the way, better than nothing.

At this time, Luo Zhipeng just glanced, Lin Kai and Hu Wenliang, with a trace of anger: "I didn't invite you, what are you guys joining in the fun!"

Hu Wenliang was immediately embarrassed and bit the bullet and said: "Isn't this a new employee! Take care of it! In this way, from the perspective of others, how loving our purchasing department colleagues and leaders are!"

Hu Wenliang's mind turned quickly, and he asked Qin Ya directly: "Qin Ya, do you think there is nothing wrong with it?"

"It's okay, and a few more colleagues will not get in the way." Qin Ya responded.

Luo Zhipeng would not go against Qin Ya, so he had to say: "Alright, the two of them can follow. But if you two nights, if you don't bring any gifts to celebrate Qin Ya, don't come!"

"Deputy Manager Luo, I will definitely not forget it!" Hu Wenliang said, patting his chest. He was mainly going to have a meal, and there were so many beautiful colleagues, of course he had to go.

Luo Zhipeng was actually very upset. The two of them also ran to join in the fun. They were not even happy to watch Lin Kai. They said coldly to Lin Kai: "The newcomer, you have to complete a task today. I didn't take this task. , It was successfully completed. You wont use it for the evening party!"

Lin Kai shook his head secretly after hearing this. In fact, this task can be completed within three days.

But this Luo Zhipeng is obviously public revenge, let him complete it in half a day.

Luo Zhipeng immediately walked away proudly.

But Hu Wenliang, a little embarrassed, opened up to Lin: "That's a burden to you, I will finish my work as soon as possible, and then help you share some more."

"It's okay." Lin Kai waved his hand, finished the last few meals, and left the canteen.

Zhou Xin glanced at Lin Kai's figure and sneered: "I don't argue for myself, I look like an honest person. And seeing that he eats food so cleanly, he must be used to being poor since he was young, and he has no chance of getting ahead in his life. ."

Tang Zixuan quite agreed with Zhou Xin's words, and nodded her head repeatedly: "Yes, what age is it, and I eat so clean food, I really think I can save food, this is nothing promising!"

"You can't say that. At least everyone can save a lot of food by doing this." Qin Ya frowned at the words of the two and couldn't help but speak out for Lin.

Zhou Xin sneered even more: "If you talk about economy, it's not poor!"

...

Even Lin Kai, who had walked to the entrance of the cafeteria, could clearly hear the conversation between Zhou Xin and others, and he shook his head slightly.

He didn't pay attention to this concept of three different views. If he really tried to argue, he would be at the same level as the girl.

Soon, he went to the purchasing department on the eighth floor, sat back at his job, and began to complete his tasks.

He is an immortal cultivator, and he can easily accomplish this task by using any means.

But there are so many people here, it's hard to use it.

However, with some extraction capabilities, this task can be completed before evening.

Not long after Lin Kai got it, Dong Shu called him.

He just remembered that Dong Shu and Lin Qianqian were cooking again at noon today, just like yesterday.

But today the two girls are smarter. They seem to know that Lin Kai went out early in the morning, and knew that they would not be back, so they did not cook.

Dong Shu called to tell Lin Kai that she and Lin Qianqian had already left.

Wait until Lin Kai is free.

In this regard, Lin Kai could only apologize and agreed.

Now that Dong Shu and Lin Qianqian are gone, Lin Kai thought about it, and then sent a message to Yinshen, asking him to come and hide outside the company of Li Shengxian.

Since Li Shengxian's company has been arranged by Leiyuan Group for a few insiders, it must be to rectify Li Shengxian's company.

He didn't know if anyone from Leiyuan Group outside the company was staring here.

Just in case, let the hidden **** lurking outside. If so, you can also find the Leiyuan Group and arrange the eyeliner here.

Lin Kai understood very well. Lin Yuan probably thought it was not good to deal with him and the people around him, so he started to deal with the company.

How could Lin Kai let Lin Yuan do what he wanted!

at dusk.

Luo Zhipeng felt that it was impossible for Lin Kai to complete his work today.

He just made things difficult for Lin Kai and told Lin Kai not to come to the evening KTV party.

The result was not only completed, but also over-completed, which made Luo Zhipeng unable to say.

It just happened to be off work.

A few people came to the parking lot outside the company.

Luo Zhipeng drove a BMW of hundreds of thousands, and only let Qin Ya sit on it.

Qin Ya wanted to refuse, but with Zhou Xin and Tang Xiaoxuan's urging, Qin Ya got into Luo Zhipeng's car helplessly and left.

Zhou Xin drove her Maserati and wanted to drive Tang Xiaoxuan.

But Tang Xiaoxuan's boyfriend also came and drove hundreds of thousands of cars.

Ever since, Tang Xiaoxuan also left, heading for the most luxurious KTV in the East China Sea.

Lin Kai, Hu Wenliang and Zhou Xin are left in this parking lot.

Chapter 1342: Get Together

Chapter 1342

At this time, Zhou Xin didn't even look at Lin Kai, but at Hu Wenliang, and said, "Xiao Hu, I know you don't have a car. You work diligently, and you have been working for a year to help my family Xinghai. For the sake of effectiveness, I can take you a ride."

"Then dare to love it! Thank you Director Zhou!" Hu Wenliang quickly thanked him, and then asked in confusion, "Why didn't Manager Xu go there at night? Why didn't you see others?"

Zhou Xin said lightly: "My Xinghai, as the manager of the purchasing department, is naturally busy. In the afternoon, he has official business to do, and he will come back later."

Lin Kai actually knew what Xu Xinghai was doing.

In the afternoon, when he saw Xu Xinghai going out, he let Yinshen follow.

Unexpectedly, Xu Xinghai was indeed doing business.

He also talked to Li Shengxian about the situation on Xu Xinghai's side.

Li Shengxian felt sorry for Xu Xinghai's betrayal. He originally wanted to observe Xu Xinghai for another year or two, and then promote him to the company's top.

Unexpectedly, he secretly colluded with Leiyuan Group to harm his company.

Li Shengxian is complete, there is no place to regret Xu Xinghai.

In response, Lin Kai shook his head. As long as there are enough benefits in front of them, most people will not refuse.

For example, Liu Yang, Scar Man and others before.

What Lin Yuan is best at is to spend money to invite people and do some crimes that are either **** or steal.

Even the Leiyuan Group itself made investments frantically, and then used all kinds of shameless methods to quickly grow the Leiyuan Group.

As Lin Kai thought about it, Hu Wenliang pulled Lin Kai's arm, trying to pull him into Zhou Xin's car.

Zhou Xin reacted quickly and stopped the scolding for the first time: "Hu Wenliang! What are you doing! I didn't say, I want to take him!"

"amount"

Hu Wenliang was scolded and was in a dilemma.

Lin Kai gently shook it away, and Hu Wenliang grabbed the hand of his arm and smiled: "Anyway, I know the address. Wait a minute, I will go there by myself."

"Okay." Hu Wenliang said helplessly.

Then Hu Wenliang got into the car.

Zhou Xin looked at Lin Kai contemptuously, and left with Hu Wenliang.

Lin Kai had planned to take a taxi and passed.

When he was about to go to the side of the road, a well-equipped Rolls-Royce Phantom, the Millennium Marriott, stopped beside him.

"Mr. Lin, what are you?"

The window opened, and the main driver was Butler Li.

Because Li Shengxian invested in the western suburbs of the city, that land area is currently the company's most important project, not one of them.

But Li Shengxian is still in the hospital, so this important matter is temporarily handed over to Steward Li.

Steward Li still doesn't know why Lin Kai came here.

But seeing Lin Kai looking like he was about to take a taxi, butler Li got out of the car and said, "Mr. Lin, this car belongs to the young master anyway. The young master rarely drives this car, if not for fear of letting go for a long time. , Rusty, I wont drive it. Im not used to it. If you want to use it, use it."

Before Lin Kai could speak, butler Li gave the car keys to Lin Kai.

Lin Kai looked at the road, taxis and the like, almost full of people.

After all, the current time is the peak time for get off work hours, and many white-collar workers take a taxi back.

He thought for a while, then took the car key and responded: "That's OK, I will drive back tomorrow."

"Hehe, it doesn't matter how long it takes to drive. If Mr. Lin likes it, I will talk to the young master and give it to you." Steward Li said with a smile.

He said that because he knew the identity of Lin Kai and was a good friend of Li Shengxian.

Everyone in the Li family is not optimistic, and Li Shengxian's project thinks it must be a loss.

But he believed in Li Shengxian, to be precise, he believed in Lin Kai.

At that time, if this big project can really get up, Li Shengxian will be able to take the position as the heir of the Li family's head.

It can be said that Lin Kai is the person Li Shengxian is most grateful for.

Compared to this kindness, a car with a level of tens of millions is nothing.

Lin Kai just smiled. After the two chatted a few more words, Lin Kai got into the car. Under his drive, the Rolls-Royce Phantom turned around and drove away.

...

Shengshi KTV is one of the best luxury entertainment venues in the East China Sea.

The most common small box starts at 3,999 yuan.

Luo Zhipeng had booked a slightly larger box, but it cost 5,999 yuan.

It was equivalent to Luo Zhipeng's half a month's salary, and he worked hard to get Qin Ya.

at this time.

Outside Shengshi KTV.

Luo Zhipeng and several people arrived, and Xu Xinghai also rushed.

Xu Xinghai and Zhou Xin stood together, and these people were led by them.

After all, Xu Xinghai is the department manager and Zhou Xin is his girlfriend. It's nothing, but the rest are his employees.

Next were Luo Zhipeng and Qin Ya, but Qin Ya was very resistant to Luo Zhipeng, and Luo Zhipeng stood beside Qin Ya cheeky.

Then there was Tang Xiaoxuan and her boyfriend Feng Jia.

Hu Wenliang stood alone, muttering in his heart, why Lin Kai hadn't come yet.

At least Lin Kai is here, he still has a talking partner.

At this time, Luo Zhipeng stood up and said with a smile: "Everyone is here, let's go in."

"Lin Kai hasn't arrived yet." Hu Wenliang reminded him.

"Huh? Lin Kai?" Xu Xinghai frowned deeply, "I just joined my purchasing department. Is that new employee?"

Xu Xinghai had to ask, because he didn't have a good feeling for Lin Kai, and even hated Lin Kai a little.

If it hadn't been for Lin Kai's sudden appearance in the morning, he would not be blamed by the Leiyuan Group.

According to the plan, he will hand over the core information he got to Leiyuan Group in the morning.

As a result, Lin Kai's appearance caused most of the information he had transmitted to be forcibly terminated.

That's all, but I didn't expect the computer to break down somehow.

All of a sudden, the core information that was finally obtained was destroyed like that.

In the afternoon, he tried to take the computer to repair, but he couldn't fix it.

It also shows that the core information he obtained cannot be transferred to Leiyuan Group.

Leiyuan Group's action on Li Shengxian had to be postponed for a few days.

Therefore, the people of Leiyuan Group blamed him.

Xu Xinghai's grievance, Lin Kai clearly made it like this.

Of course, he didn't tell Leiyuan Group that it was Lin Kai.

Otherwise, the people of Leiyuan Group would think that he was making excuses.

Don't be annoyed by the time, Leiyuan Group's, that's not good.

Therefore, Xu Xinghai can only bear this grievance alone.

Now I heard that Lin Kai, the culprit, came to participate in this KTV party at night, and Xu Xinghai's mood naturally immediately became worse.

Zhou Xin snorted, and was even more dissatisfied with Lin Kai: "Yes, it's the guy who just joined the job. He has a thick skin and has to come. He doesn't even have a car. It seems that it's a taxi to come, so slow."

Chapter 1343: Shameless?

Chapter 1343 Shameless?

"It turns out that the kid came by taxi." Xu Xinghai heard this, his eyes lit up, and he sneered: "Then you don't have to wait for him, a guy without a car, in the rush hour of the business building area, if you go to take a taxi, everyone should know how slow it is."

Although Xu Xinghai was very dissatisfied with Lin Kai, he heard Lin Kai also come at first, thinking that he was still waiting outside.

After all, Lin Kai was introduced by Li Shengxian himself, or the purchasing department, which was already full, was completely forced in.

So he subconsciously believes that even if Lin Kai has no background, he should be a middle-class family.

Finally, I heard that Lin Kai didn't even have a car. How could this be background?

Most likely, Li Shengxian, a child from a relatively poor distant relative's house, or something.

In addition, Li Shengxian didn't give him anything, so he should take care of Lin Kai.

Presumably Lin Kai was in Li Shengxian's heart, and that was the same thing.

As a result, Xu Xinghai did not see Lin Kai in his eyes now. He took Zhou Xin, Luo Zhipeng and others into the Shengshi KTV.

Hu Wenliang did not immediately follow up, he hesitated a little.

Then he thought about it. Anyway, he left Lin Kai's phone number. After he entered, he gave Lin Kaifa's box room number, which was the same.

Thinking of this, Hu Wenliang quickly followed Xu Xinghai and others.

A few minutes later.

In a medium-sized box, the decoration inside is very luxurious. At first glance, people who are rich or expensive will come to this high-end KTV to sing.

Regardless of the grade of KTV, the cost of the box is second, mainly for drinks and food.

This time, Luo Zhipeng had no money. Not only did he order a huge cake, but the entire table was occupied by food and drinks.

Under the urging of Tang Zhipeng, Zhou Xin and Tang Xiaoxuan, Qin Ya lighted the candles first, and then everyone ate the cake.

Qin Ya wanted to wait for Lin Kai to be with him, but Tang Zhipeng and the others didn't seem to know that Lin Kai would come next time.

In short, Qin Ya felt very passive.

Not only that, the next step is to give gifts directly.

The gifts given by Xu Xinghai, Zhou Xin, and Tang Xiaoxuan were not that expensive, but they were not cheap either.

Hu Wenliang gave it to him at a relatively low price, and he bought it at a street stall or a small shop.

In order to set off how precious the gift he gave, Luo Zhipeng specially waited until Hu Wenliang gave the gift to Qin Ya, he gave a ring worth as high as 36,000 yuan to Qin Ya.

"Oh, Luo Zhipeng, I didn't expect you to have such a generous day. I gave you such an expensive ring. Come on, Xiaoya, hurry up and put on this ring. It seems appropriate." Zhou Xin opened her mouth and pulled it. Qin Ya's hand wanted to put on that ring for Qin Ya.

Qin Ya gently turned Zhou Xin away, and declined: "Such a precious gift, no need, thank you for your kindness."

"Xiao Qin, this is your fault. The things sent out are like spilled water. What's more, this is the money that Zhipeng has saved for a long time before buying this for you. If you don't accept it, then But it's hitting Zhipeng in the face." Xu Xinghai said in a leader's tone.

Qin Ya sighed inwardly. She submitted her resume to Li Shengxian. She didn't know if she could pass it, so he dared not offend Xu Xinghai.

Offending Xu Xinghai is equivalent to losing his job.

Qin Ya had no choice but to say, "Go ahead."

Then she put on the ring.

Seeing this, Luo Zhipeng secretly breathed a sigh of relief and just put on the ring.

This shows that whether Qin Ya accepts him or not, it is a good start.

Next, is the normal KTV time.

Singing, drinking and drinking, especially Luo Zhipeng, constantly clicked on the love songs that sang due to each other, and asked Qin Ya to sing together.

Except for Hu Wenliang, everyone else was secretly, assisting Luo Zhipeng, and they were about to let Luo Zhipeng win Qin Ya.

When Hu Wenliang saw this scene, he secretly sighed, finally knowing that the goddess of the department has no boyfriend.

I don't know, this Luo Zhipeng actually wants to do Qin Ya.

And he stayed here, completely transparent. He thought of Lin Kai. When he came in, he developed a message for Lin and said the room number of the box.

Hu Wenliang really wanted Lin Kai to hurry over. At least he still has someone who can talk. He is like a fool right now, sitting there and neither moving nor moving.

Hu Wenliang took a sip of boring wine in silence at this time, hoping that Lin Kai would be here now.

"Xiaoya, wait for me to order a duet love song, and the two of us will sing together." Luo Zhipeng finally put down the microphone and turned on many beers on the table.

Luo Zhipeng gave Qin Ya a large glass of beer and said with a smile: "Your throat is tired too, come here, drink and drink, and let your throat rest all night."

Qin Yagang said that he could not drink alcohol.

At this time the door of the box was opened.

It's Lin Kai here.

Lin Kai first looked around in the box, then set his eyes on Xu Xinghai, with a hint of apology, smiled and said, "Sorry, I'm late."

Zhou Xin glanced at Lin Kai, with a look of disdain: "I said, taxis shouldn't be so slow. Don't you even want to take a taxi? Are you going to take a bus?"

Lin Kai looked as usual and responded: "I drove here by myself. When you went, it was not the peak of the traffic jam. I was slower and caught up with the peak of the traffic jam."

Naturally what Lin Kai said was the truth, and he chatted with Butler Li there for a few minutes.

Don't look at it for only a few minutes, but it was the peak time for get off work hours.

And Shengshi KTV is located in the city center, the most prosperous area.

It was a delay of a few minutes, which resulted in traffic jams in that area for ten to twenty minutes.

But everyone expressed their disbelief, especially Zhou Xin, Tang Xiaoxuan, her boyfriend Feng Jia, and Hu Wenliang.

Everyone knew that Lin Kai didn't own a car, and no one wanted to take him for a ride.

I was so bad that I had to take a taxi, but insisted that I came by car.

Thinking of this, Zhou Xin looked at Lin Kai, and the sarcasm in her eyes was even worse. She had seen shameless people, but she had never seen such shameless people.

Zhou Xin sneered immediately, she naturally wouldn't let it go, this opportunity embarrassed Lin Kai.

So, she asked: "Oh? The parking lot of the company, those parked vehicles, I am very familiar with, tell me, which car is yours? According to my observation, when you are off work, there are only Two cars I'm not familiar with, the others are familiar."

Lin Kai heard this and didn't rush to answer. Instead, he sat next to Hu Wenliang and took a bite of watermelon. Then he said casually: "I didn't park in the company's parking lot. It's a new Rolls from last year. Les Mirage."

Chapter 1344: Too Good To Drink

Chapter 1344: Too Drinkable

As soon as Lin Kai said this, everyone in the box immediately caused laughter.

Except that Qin Ya was normal, even Hu Wenliang next to Lin Kai was drinking and almost choked with laughter.

"Lin Kai, do you really think that we are fools? Or are you playing us like monkeys? Just you, a poor boy who eats everything and eats everything clean. I doubt whether you have ever seen Lao in reality. Sroyce Phantom? Maybe you're still dreaming and haven't woken up yet? Do you know how much a Rolls-Royce Phantom costs? A car wheel is higher than your salary for several years! Zhou Xin mocked mercilessly.

Luo Zhipeng also mocked: "Lin Kai ah Lin Kai, you just joined our purchasing department. There is no need to brag with us. You still have to be down-to-earth. Neither I nor Manager Xu, I don't like employees who have unrealistic ideas. If you don't get it, Manager Xu fires you, and you won't end up well."

This sentence attracted the approval of everyone in the box.

Although Xu Xinghai wanted to add a kick to make Lin Kai more embarrassed, but think about it, what he said, if this kid ran to complain to Li Shengxian, it would be bad.

When Xu Xinghai saw a bottle of liquor with a very high alcohol content on the table, he pointed to the liquor and continued to use the taste of the leader to open his mouth to Lin: "Xiao Lin, whatever the reason is, since he is late, he will be punished. I drank this bottle."

“Manager Xu, this is a very high degree, just a few cups, you are afraid that this bottle of alcohol is poisoned!” Hu Wenliang also can’t bear Lin Kai’s bragging, but Lin Kai is someone he can talk to. Just for Lin Kai said.

Lin Kaidiao looked at Hu Wenliang in surprise, shaking his head and laughing.

Looking at Xu Xinghai again, he said: “Okay, Manager Xu said so, how can it be disappointed? I drank this bottle.”

Xu Xinghai couldn’t stop the smile on his face when he heard the words. This bottle of wine, even if it can be drunk, if you go down this bottle, let alone drunk, your stomach may not be able to stand it.

It is even possible that alcoholism will indeed occur.

The reason why I ordered this bottle of platinum was actually to mix it with beer and then let Qin Ya drink it.

But Xu Xinghai wanted to teach this kid even more, so he couldn’t take care of it, so he let Lin Kai drink first.

Xu Xinghai opened the bottle of liquor for Lin Kai.

Hu Wenliang saw this and sighed.

Qin Ya frowned and thought that Xu Xinghai had done this too much, but helplessly, Xu Xinghai was the biggest leader in the entire box. Who would dare to offend her own leader? Unless you don’t want to mix up.

Luo Zhipeng, Zhou Xin and others all looked at the show.

Luo Zhipeng couldn’t help but say: “Lin Kai, it’s best to drink it all in one breath. The more you can drink, the more Manager Xu likes it, and he may reuse you in the future.”

Zhou Xin also said: “Yes, as long as you behave well, my Xinghai will promote you in the future. The Rolls-Royce Phantom that you can only drive in your dreams may be owned in reality in the future.”

Of course Zhou Xin was joking. It was a Rolls-Royce Phantom. Her boyfriend Xu Xinghai couldn’t afford it, let alone a poor boy like Lin Kai.

The purpose of what she said was to make Lin Kai finish the liquor in one breath.

Everyone knows that this bottle of liquor has a very high degree.

Although Tang Xiaoxuan and her boyfriend Feng Jia didn’t say anything, but with interesting eyes, they looked at Lin Kai who turned out the white wine bottle.

At this moment, Lin Kai was holding the bottle of liquor.

He chose to drink for two reasons.

Rescue Qin Ya according to the tasks issued by the system.

The most important thing is this bottle of white wine. As the content of the mission says, this bottle of white wine will drunk Qin Ya. Then Luo Zhipeng's conspiracy will succeed and he wants to cook Qin Ya's raw rice.

Lin Kai is worried about how to solve this bottle of liquor.

Unexpectedly, Xu Xinghai would give him a chance.

Second, he is a cultivator, no matter how strong the alcohol is, it is of no use to him. You can use Zhen Qi to evaporate the alcohol.

Therefore, Lin Kai drank the bottle of liquor in one breath.

He drank the liquor just like drinking water, his expression unchanged.

When everyone saw Lin Kai finished drinking, there was no reaction at all, all of them were shocked.

The original appearance of watching the good show became amazed.

what happened?

This...this Lin Kai, it's too bad to drink!

Seeing Lin Kai still calm, Xu Xinghai and others were in a bad mood for a moment.

When Luo Zhipeng saw Xu Xinghai's face looked ugly, he was afraid that Xu Xinghai blamed him, how can he say that he did the game today.

So he quickly said to Lin Kai: "Lin Kai, at noon, I have to give Qin Ya a decent gift, don't tell me, you are not prepared? I also said, don't come at night if you don't bring a gift! "

When Zhou Xin heard this, she also remembered what Luo Zhipeng said at noon, and immediately said in a cold voice: "You have been in for a while, and you haven't seen any gifts with you. Could it be that you just wanted to get there? Then here Eat and drink?"

Tang Xiaoxuan also said with a bad face: "Yes, we all gave it to Xiaoya, wouldn't you really not bring gifts?"

These people were aggressive, obviously waiting for Lin Kai to get gifts.

In fact, Lin Kai laughed at him whether he brought gifts or not.

Because even if you bring a gift, how high can the value of the gift be? Is it comparable to the ring given by Luo Zhipeng?

But Lin Kai did forgot to give gifts, he came to this KTV gathering. The main thing is to contact Xu Xinghai outside the company, and then to complete the task of the system.

Lin Kai said frankly: "I have been busy with work, and I have forgotten the gift."

When the words fell, everyone showed disdain, really shameless.

Luo Zhipeng sneered: "If you have employees like you staying in the purchasing department, I'm afraid it will shame us in the future."

Xu Xinghai also said: "Indeed, my purchasing department really reuses this kind of person, which is unfair to other employees."

Zhou Xin said unceremoniously: "So Xinghai, this Lin Kai, sooner or later will damage the reputation of our purchasing department. Obviously he doesn't have a car, but he said he drove a Rolls-Royce Phantom and did not give Xiaoya a gift. Ha ha, let him fire him."

Hearing this, Qin Yaxiu frowned, but she did not dare to say anything serious, and excused Lin Kai: "It doesn't really matter whether you give gifts or not. Besides, Lin Kai is indeed busy with work all afternoon. On the first day when I came to the company, I haven't got used to it, and I can understand it if I forget it. Isn't it a celebration of my birthday today? He's here, even if it's a kind of heart."

"Qin Ya, why did you help Lin Kai?" Luo Zhipeng immediately pointed to Lin Kai with anger: "You go out to buy gifts now, or I will ask you to go out!"

"I don't need a gift." Qin Ya was afraid that Lin Kai would be embarrassed, so she spoke for Lin Kai again.

Chapter 1345: Cloth Bag

Chapter 1345

Lin Kai still insisted on speaking for Qin Ya and nodded secretly.

No wonder Qin Ya will be selected by the system for the mission target.

The ones selected by the system as the mission targets are either the kind of bad ones or the kind-hearted ones of Qin Ya.

Lin Kai saw that everyone had different attitudes towards him. He didn't get annoyed. Instead, he smiled faintly: "I really forgot. I happened to bring a small item to Qin Ya. Let me tell you in advance, it's a very cheap one. Don't laugh at everyone,"

After speaking, Lin Kai took out a sachet from his pocket.

In fact, the sachet is considered good, it is a very ordinary cloth bag, and I don't know what it contains.

Speaking of it, this cloth bag was prepared for Dong Shu and Lin Qianqian, and it actually contained three amulet urns, which could block three attacks.

Why not install more, because it will be invalid if you install more, you can only use three at a time.

He completely saw that Lin Yuan disguised his appearance and went to talk to Dong Shu and Lin Qianqian.

If Dong Shu and Lin Qianqian encounter this situation next time, the amulet will be able to sense it, and if they are attacked, they will block the attack.

Of course, suffering from other crises can also be blocked.

In short, it can protect life three times.

Lin Kai didn't explain what it contained. He knew that even if he explained it, no one at the scene was an ancient warrior, so naturally he would not believe it.

It is better not to explain.

Sure enough, when everyone saw the cloth bag that Lin Kai took out, their expressions became very strange.

“Lin Kai! With such a rag bag, it’s like walking in, you fool people, don’t bring such fools!”

Zhou Xin sternly scolded, very dissatisfied with Lin Kai’s gift.

As if this gift was for her.

Not to mention Zhou Xin, Hu Wenliang was also embarrassed by Lin Kai’s gift.

An ordinary cloth bag was also taken out as a birthday present. It was really a loss for Lin Kai to figure it out!

Although Qin Ya was not angry, she just smiled at Lin Kai’s perfunctory gift, quickly took the cloth bag in Lin Kai’s hand, and said, “Lin Kai’s gift is still fine, so don’t make it difficult for Lin Kai anymore. .”

Qin Ya said that, naturally, she didn’t want other people to target Lin Kai.

“Yes, yes, today’s heroine is Qin Ya, and this game tonight is also for Qin Ya’s birthday. She has said that gifts are fine, and everyone should not have any opinions.” Hu Wenliang also stood up in time.

After Qin Ya and Hu Wenliang said so, it is really difficult for others to target Lin Kai, otherwise it would be unreasonable to make trouble.

But after having fun in KTV, I didn’t bring Lin Kai one by one.

Also Hu Wenliang occasionally asked Lin Kai to accompany him for a drink.

Lin Kai was happy and leisurely. Unfortunately, Xu Xinghai didn’t drink much, and there was no useful information in the chat between Xu Xinghai and Zhou Xin.

But it was not without gain. He had noticed that the Maserati that Xu Xinghai bought for Zhou Xin cost more than two million.

According to Xu Xinghai’s income, Xu Xinghai gritted his teeth and can buy a luxury car between one million and two million at most.

But if you spend more than two million directly without blinking your eyes, it is very problematic.

So he had to investigate the source of Xu Xinghai’s money.

Since Li Shengxians several internal ghosts were bought by Leiyuan Group, they must have used the same bank account to transfer them to Xu Xinghai and others.

As long as he found the bank account, he would be able to find the transfer record. When that happens, the other ghosts in the company will naturally be exposed.

As Lin Kai thought about it, Zhou Xin drank a lot of wine and went to the toilet.

When Zhou Xin came back, she came back crying, and there was an obvious slap mark on her face.

Everyone was stunned when they saw Zhou Xin's appearance.

Especially Xu Xinghai, who is his girlfriend, asked, "Xinxin, who did it?"

Zhou Xin immediately looked very angry, and then gritted her teeth and said, "Xinghai, you have to stand up for me! I just went to the toilet not long ago, and I didn't expect that I ran into a pervert just as I walked out! That pervert wanted to touch me. , I naturally refused, and in the end I was slapped by the pervert!"

When he heard this, Xu Xinghai was angrily, his girlfriend was offended, isn't this slapping him in the face!

What's more, I am the middle-level leader of Li Shengxian's company and the manager of important departments.

He will soon be promoted to an executive of Leiyuan Group!

That's Leiyuan Group! The recent rise of the overlord of the East China Sea!

How could he bear the feeling of being slapped in the face!

So Xu Xinghai stood up directly and hummed: "Naturally, it is for you to come forward and teach that guy a good lesson!"

When Luo Zhipeng saw his direct leader, he spoke like this. In order to show off in front of Xu Xinghai, he immediately said: "Manager Xu! The boss of this KTV, Brother Lang is my friend. Don't worry! This is covered. On my body!"

Xu Xinghai glanced at Luo Zhipeng unexpectedly, thought about it for a moment, and then smiled: "That's fine, Zhipeng, you can invite your friend Wolf Brother over to help me see who that guy is! Who, I let him know, what it is like to offend me!"

When Zhou Xin saw Xu Xinghai's domineering look, she was immediately moved, but the hot feeling on her face made her eyes flashed with chill, and she wanted that person to pay the same price!

Luo Zhipeng began to call the so-called wolf brother.

I don't know if Luo Zhipeng deliberately clicked on the speakerphone so that everyone in the box could hear the voice of Brother Wolf on the phone.

Luo Zhipeng quickly told what happened here.

The wolf brother on the other end of the phone seemed to have a good relationship with Luo Zhipeng, so he responded: "Xiao Luo, this is on my body. This is my site, and its causing trouble in my site. Even if you dont say it, I will teach it. .Wait for me in the box first, and I will go over immediately."

After hanging up the phone, Luo Zhipeng's face was extremely proud, as if to say, how is my network.

Before long, a bald man arrived with a few security guards.

The bald man is the wolf brother.

When Luo Zhipeng saw Brother Wolf, he hurriedly gave Brother Wolf a pack of good cigarettes, and said with a smile, "Brother Wolf, this matter should be our master."

"Since it's yours, it's okay, it's okay."

Brother Wolf was extremely skilled and took this pack of cigarettes.

Immediately, he glanced at Zhou Xin, and said: "Trouble show the way, I want to see, which one is not long-eyed, who is making trouble with me, and turning him!"

Luo Zhipeng looked at Qin Ya and the others, still with a smug look on his face, and said: "Brother Wolf and I will go and teach that guy, stay here."

Chapter 1346: The Trouble Is Coming

Chapter 1346

It was just a few people from Luo Zhipeng who were preparing to leave the box.

Unexpectedly, the door of the box was opened at this time.

Not only that, there were a dozen people who broke in, looking for something.

When seeing these people coming in, Zhou Xin was the first to react, pointing at the middle-aged fat man who looked like a nouveau riche, and sternly said: "Xinghai, he is the pervert! He even hit me.!"

The group of people who broke in was obviously headed by this rich middle-aged fat man.

When Xu Xinghai heard Zhou Xin say this, he first glanced at Brother Lang next to him and the security personnel under Brother Lang. He immediately gained confidence, and then he dared to face the middle-aged fat man and screamed: "Dead fat man! Do you dare to offend my woman, do you know who I am? I must make you look good today!"

Luo Zhipeng also followed and yelled angrily: "Fatty man! We are still preparing to find you. Unexpectedly, you are stupid enough to bring you here!"

After Luo Zhipeng finished cursing, he looked at Brother Lang. For a moment, his face was full of smiles. He smiled and asked Brother Xiang Lang: "Brother Lang, these people are so arrogant that they dare to break into the guest box at will. But for your site, isn't this slap your face? So, how do you deal with this group of people? Do you want to..."

Luo Zhipeng was talking, but suddenly stopped.

In fact, he hasn't finished speaking yet.

As for why he didn't say it, it was because he looked strange when he saw Brother Wolf.

To be precise, when Brother Wolf came in, he looked like a big boss. My territory was covered by me. Whoever dared to move my territory would abolish his attitude.

But now, Brother Wolf looked at the middle-aged fat man, he no longer had that kind of expression, but had an expression of flattery and flattering.

Even the next moment, Brother Lang cautiously said: “Cheng, this is...”

“It’s all right, Alang, you still don’t take people out.”

The middle-aged man, who was called Mr. Cheng by Brother Wolf, directly interrupted Brother Wolf, and his face was very impatient.

“Yes Yes Yes!”

Brother Lang immediately took a few security guards and went out to the box when he was too busy, as if he didn’t want to stay here for a moment.

This scene stunned Xu Xinghai, Luo Zhipeng and others.

Luo Zhipeng even swallowed his saliva, bit his scalp, and said to Brother Wolf who had just opened the box door, “Brother Wolf...”

Brother Lang couldn’t let it happen. Luo Zhipeng said the whole sentence, turned his head suddenly, and yelled: “Who are you? I don’t know you! This is the famous Mr. Cheng! The woman whom Mr. Cheng has admired, that is A womans blessing! Do you know it!”

Brother Lang was not so unfeeling, he said, not forgetting to turn to Luo Zhipeng, and glanced over with warning eyes.

When Luo Zhipeng saw Brother Lang’s warning gaze, he was shocked to see cold sweat on his forehead.

He knows very well that Brother Wolfs awe-inspiring moments can make Brother Wolf feel pressured. That is definitely an extraordinary background!

Xu Xinghai next to him didn’t pay attention either, he hesitated a little because of Brother Wolf’s gaze.

But at this moment, President Cheng was unusually arrogant, slapped Luo Zhipeng with a slap, and said in a cold voice: “Are you still going to deal with me? I want to see, how are you going to deal with me! Come on! Get this person first! Give me a severe lesson! After so many years of life, this is the first time someone dared to stand in front of me and said to deal with me!”

Luo Zhipeng was a little embarrassed by this slap. He didn’t expect that Mr. Cheng would be so lawless.

And following Mr. Cheng’s words, a few people behind him stepped forward and beat Luo Zhipeng severely, bleeding all over his nose.

Brother Wolf, who was about to leave at the door of the box, saw this situation and didn’t say anything, but shook his head.

As for Zhou Xin, Tang Xiaoxuan, Feng Jia, Qin Ya and others, they were all scared back after seeing this scene.

“You guys don’t stop now!” Xu Xinghai said with a look of pride: “Do you know who I am? You dare to do it!”

Zhou Xin’s eyes brightened, yes, her boyfriend is the department manager of Li Shengxian’s company!

Behind Li Shengxian is the Li family! The position of the Li family in the East China Sea is self-evident!

After Zhou Xin wanted to understand it, she proudly said, "My boyfriend is the department manager of Li Shengxian's company!"

"The department manager of Li Shengxian's company?" Mr. Cheng was a little surprised at first, and then he was disdainful: "What can Li Shengxian do, let alone you are still Li Shengxian's employees!"

Mr. Cheng sneered again and again. Li Shengxian did have a very deep background. He was the thirteenth youngest member of the Li family in the East Sea, and was the most likely to inherit the head of the Li family.

But he Cheng Qianli is not weak, he can now be regarded as leaning on a mountain, not afraid of Li Shengxian.

Mr. Cheng took the opportunity to sit on the sofa at this time, showing a fascinating expression: "Originally, I saw the little girl and wanted to make fun of it. I didn't think that the little girl called me a shameless old pervert, so I can bear it. Can't help it."

He paused for a while, then looked at Zhou Xin, the interesting color in his eyes became more and more intense, and said: "Anyway, I have said that I am a shameless old pervert, so I should be a shameless old man. Pervert, lest I'm sorry to be said that."

Mr. Cheng's tone was another meal, and his face instantly cooled down, and he ordered his group of men to shout: "Teach all the men in this box to Lao Tzu! There are three women inside, but they It's okay, especially the girl with cartoon short sleeves. I am attracted to it! I will take it away later, and explain what is meant by a shameless old pervert."

The group of his men laughed meaningfully after hearing these last words.

Then these people began to surround Lin Kai, Hu Wenliang, Feng Jia and Xu Xinghai.

Luo Zhipeng has been taught, now lying on the ground and crying.

On the contrary, Xu Xinghai was surrounded by the most people, with a total of six or seven people, obviously not wanting Xu Xinghai to escape. .

Lin Kai, Hu Wenliang, and Feng Jia were surrounded by three people.

"Do you know, what are you doing with this behavior!" Xu Xinghai trembled in his heart and was very frightened. Unexpectedly, this group of people dared to do it.

Especially the few people in front of him, surrounded him firmly and had no chance to escape!

"Ah! If you want to fight, just hit them. I didn't participate in the whole process. It has nothing to do with me!"

Tang Xiaoxuan's boyfriend, Feng Jia, had a pale face at this time, and she explained crazy.

Although Hu Wenliang didn't say anything, his body was shaking so badly that he was obviously very scared.

After all, Luo Zhipeng was severely injured, and this example was before them.

Lin Kai's expression was indifferent, as if he hadn't seen three people surrounding him.

He thought, no wonder that the condition for completing the system task is to ensure that Qin Ya spends the night safely.

It turns out that there are other troubles.

Chapter 1347: Shot

Chapter 1347

But, for Lin Kai, this is just a small trouble that can be easily solved.

At this time, Tang Xiaoxuan was a little brave and stood in front of Feng Jia: "My boyfriend and the people in this box don't know each other, it really has nothing to do with him!"

However, what people did not expect was that Feng Jia pushed Tang Xiaoxuan away suddenly in order to protect herself, and then said in a low voice to Mr. Cheng, "Mr. Cheng Cheng, this is my girlfriend. Just let me go. , You take it away at will, I don't mind."

Tang Xiaoxuan was immediately stunned, and she didn't expect Feng Jia to say such a thing!

Tang Xiaoxuan secretly hates how she finds such a person as her boyfriend! In her eyes, there was a deep disappointment and regret!

The others in the box also looked at Feng Jia.

Especially when he grows up, Feng Jia, who took the initiative to offer his girlfriend after looking at her, laughed suddenly: "Okay! Since you are on the road like this, naturally you will not be embarrassed, you can go now."

Feng Jia heard this, and without turning his head quickly, he was about to leave the box.

Luo Zhipeng was beaten into serious injuries, and he didn't want to be sent to the hospital in such embarrassment.

Besides, he was tired of Tang Xiaoxuan a long time ago.

A woman is like changing clothes to him, so he didn't hesitate.

Tang Xiaoxuan didn't know Feng Jia's thoughts, but Feng Jia left so decisively that she lost the last thought.

She looked at Feng Jia's back and yelled: "Feng Jia! You are so heartless!"

Feng Jia didn't seem to hear it, as he was about to open the box door.

Abruptly, a beer bottle fell on Feng Jia's lap with precision.

Feng Jia screamed instantly and fell to the ground.

No one could see this beer bottle clearly, from which direction it was thrown.

But this beer bottle made Mr. Cheng's group of men begin to work with Lin Kai and others.

All of a sudden, they attacked Lin Kai, Hu Wenliang and Xu Xinghai one after another!

Xu Xinghai was the most miserable. After all, six or seven people surrounded him, and within a few seconds, he was beaten with a bruised nose and swollen face, holding his head and running around.

Seeing this, Hu Wenliang secretly felt bitter, and when he knew it, this heavy beating was inevitable.

He immediately picked up his head to protect his head from injury, he was ready to be beaten.

However, at the next moment, he heard a sound of broken bones very clearly, not from his body. Not to mention that he didn't even feel pain, and no one even touched him.

what's the situation?

With doubts, Hu Wenliang put the hands holding his head down, and then slowly straightened up.

He saw Lin Kai first, but he didn't know what was happening, and he stood in front of him.

Hu Wenliang was just about to say that Lin Kai was dangerous and told him to step aside.

However, he noticed again that there were several Mr. Cheng's subordinates around who were lying on the ground and screaming painfully, as if they had received a severe attack.

The six or seven people who were beating Xu Xinghai also noticed the situation here, and they stopped beating Xu Xinghai, but looked at Lin Kai unbelievably.

Except for Hu Wenliang and Xu Xinghai, all the other people in the box had been seen before, and Lin Kai had just taken care of the six people lightly.

And this is abolished directly, the fighting power of the six people, the six lying on the ground, can't get up anymore!

"Yeah! Have learned martial arts?" Mr. Cheng was also taken aback, but he didn't believe him anymore. Even if he had learned martial arts, he shouldn't be able to fight that much.

Mr. Cheng immediately gave an order: "You guys go on together! Two fists are hard to beat four hands. The kid just broke through one by one. This time, let's see if he will be beaten!"

When the six or seven people who had beaten Xu Xinghai heard about it, they all reacted. Yeah, the kid just fell down one by one by sneak attack.

This time they went together, and were afraid that the kid wouldn't make it?

Ever since, those six or seven people besieged Lin Kai!

However, everyone in the box was stunned.

Seeing Lin Kai kicked out, all the six or seven people flew out and fell to the ground, as if being beaten by a sledgehammer, vomiting blood one by one and unable to get up.

This skill!

Cheng Zongteng stood up with a cry, his eyes full of incredible.

Soon, he broke into cold sweat because Lin Kai glanced at him.

Mr. Cheng was so scared that Mr. Cheng nodded and bowed his waist and said: "This hero is really skilled. I can't make friends with this kind of hero. How can I get someone to beat you. Haha, hero, you can leave this box now. , I will also give you a free membership card of Shengshi KTV for one year, how?"

Qin Ya and others also expressed disbelief, and at the same time they also had some worries. Worry, Lin had a meeting and agreed to Mr. Cheng, and then just left like Feng Jia.

Besides, these people, except Qin Ya and Hu Wenliang, before this, the others had mocked Lin Kai.

If Lin Kai had left now, he would understand.

Because of this, they are all worried.

"Let me leave?" Lin Kai's mouth curled slightly, not to mention anything else, he was about to complete the system mission to save Qin Ya.

Immediately he glanced at Feng Jia, who was still lying on the ground, at the door of the box, and said lightly: "I'm not like him, I don't look like a man at all."

As he said, Lin Kai showed a playful smile: "The most important thing is that these people are either my leaders or colleagues. How can I leave like this? I'm afraid my job will be lost."

In fact, this was Lin Kai casually and found a reason.

However, in the eyes of Qin Ya and others, after Lin Kai's remarks, their image of Lin Kai has not only improved to a higher level! Elevated to a great image instantly!

Is it the same person who said before that he drove the Rolls-Royce Phantom and gave a rag bag as a gift?

Especially Zhou Xin and Tang Xiaoxuan, they both looked at Lin Kai in a daze, both with inexplicable emotions.

Tang Xiaoxuan was the most complicated, because Feng Jia, who fell on the ground in front of the box, screamed, and Lin Kai, who was standing there and no one dared to move, was a complete contrast.

Mr. Cheng looked a little ugly when he heard Lin Kai's words. He said so, and he didn't even save him face.

He said again: "Speaking of heroes is to give you face, don't be shameless! You really treat me as Cheng Qianli, are you a soft persimmon!"

Mr. Cheng said, pointing to Zhou Xin, and said cruelly: "Brother, let's go, let's back down. I must educate this woman tonight, so I will just take her away. I will do the rest. Let it go."

Brother Wolf, who was outside the box, never left, but stood watching from outside the box. At this time, he walked in and persuaded, "This is the first time I saw Mr. Cheng and compromised. Brother, I I still persuade you to agree to Mr. Cheng's request, otherwise it's not good for anyone."

Chapter 1348: Gain Trust

Chapter 1348

After Brother Wolf finished.

Everyone in the box focused on Lin Kai.

Whether it's Mr. Cheng's party or Zhou Xin and others, they are all waiting for Lin Kai's decision.

Seeing that Lin Kai hadn't responded, Zhou Xin quickly said, "Lin Kai! You know, you can't lose your job! In this, my family Xinghai is the department manager and your direct leader. Luo Zhipeng is the deputy manager, and I am the head of the department, all your leaders! So you can't leave us!"

"Leader?" Feng Jia lying at the door of the box, although he hated Lin Kai secretly in his heart, he knew Lin Kai's strength, but he couldn't be offended, but he was very upset in his heart. He wanted to pull some people into the water and suffered as much as he did.

Feng Jia sneered again: "I remember that dozens of minutes ago, you so-called leaders were constantly targeting Lin Kai. Are you leading them like this? Let me say, this job is not enough, so as not to be affected by these few. This so-called leader continues to be targeted."

As he said, he looked at Lin Kai and said, "Lin Kai, you promised Mr. Cheng, anyway, you just send the woman who mocked you before, you can just send it out, everyone is happy."

Feng Jia said that, in addition to trying to pull people into the water, it was also to prevent Mr. Cheng from calling people. At that time, it would be very bad for him to suffer.

When Zhou Xin heard Feng Jia's words, she also realized that her face instantly turned pale with various bad attitudes toward Lin Kai.

Yes, she always targeted Lin Kai everywhere, and Lin Kai would definitely agree to Mr. Cheng.

When he thought of this, Zhou Xin couldn't help but look towards Xu Xinghai, who had already been beaten up with blood on his face, and shouted: "Xinghai! You are Lin Kai's direct leader, you quickly order Lin Kai and save me!"

Xu Xinghai did not speak immediately, instead fell into deep thought.

This caused Zhou Xin to jump anxiously, and shouted again: "Xu Xinghai! Are you like Feng Jia?"

Xu Xinghai looked up at Lin Kai upon hearing this, and said, "Lin Kai, it was our fault before. After all, Xinxin is your supervisor and colleague..."

Before Xu Xinghai finished speaking, Lin Kai interrupted with a smile: "Manager Xu, I have my own decision."

Hearing what Lin Kai said, he seemed to know what Lin Kai meant.

Zhou Xin's body trembled, and her heart was terrified and very angry!

Lin Kai intends to promise Mr. Cheng! Then she is over!

"Haha, the one who knows the service is a good man!"

Mr. Cheng laughed again, the expression on his face relaxed, and then turned his gaze to Zhou Xin, taking the look of the colored wolf and scanning.

Mr. Cheng actually aims to be the other two women in the box, and those two are more beautiful than this.

But Lin Kai did have some strength, so he had to take Zhou Xin away.

When Feng Jia saw this scene, he smiled and successfully pulled one into the water. Then it seemed that Lin Kai had listened to him.

So Feng Jiaqiang endured the wound on his leg and stood up tremblingly, ready to walk out of the box door again.

Unexpectedly, another beer bottle landed on Feng Jia's other leg with great precision.

boom!

Feng Jia fell to the ground again and screamed.

Naturally, Lin Kai threw this beer bottle. After he finished throwing it, he turned his attention to Mr. Cheng, and said lightly, "Sorry, I didn't say I want to promise you?"

As soon as he said this, Mr. Cheng was stunned at first, then his face became a little sullen.

Zhou Xin just ascended from **** to heaven, feeling uncontrollable excitement.

The others too, looking at Lin Kai in disbelief.

Lin Kai's mind is too broad!

Qin Ya looked at Lin Kai's gaze, and began to carry a trace of admiration and unspeakable love.

Even Tang Xiaoxuan had **** stars in her eyes.

Before, she and Zhou Xin were so targeted at Lin Kai.

Unexpectedly, waiting for the real dangerous moment.

Lin Kai didn't care about the previous things, but would save them!

Although Lin Kai likes to brag, he is rather picky and poor.

But compared to others, when Lin Kai could save them in a dangerous moment, he naturally loved Lin Kai a little!

Don't talk about Qin Ya and Tang Xiaoxuan.

At this time, Hu Wenliang felt that Lin Kai was a great man!

In fact, they didn't know that Lin Kai was not a saint, so he wouldn't save Zhou Xin for no reason.

His original purpose for coming to this KTV party tonight was to get in touch with Xu Xinghai, and he wanted to talk from Xu Xinghai.

But whether it was him in the morning, in order to prevent Xu Xinghai from transmitting the company's core information to LeiYuan Group, he had to offend Xu Xinghai.

It was at noon that he had offended Zhou Xin.

In short, as soon as I came to the KTV party tonight, I was targeted everywhere and I couldn't reach Xu Xinghai at all.

Lin Kai had to complete the task of the system by the way.

Now he changed his strategy by using Mr. Cheng to make such a fuss, and that was to win Xu Xinghai's trust first.

In this way, Xu Xinghai can let go of the previous targeting, and he can contact Xu Xinghai.

So Lin Kai chose to save Zhou Xin next time.

"Brother, are you really planning to go on with me?" Mr. Cheng's expression sank, his expression ugly.

Lin Kai said indifferently, "Did I choose to be tough? Isn't it because you have been aggressive? You can continue to choose to be tough with me. Of course, it's better to persuade you to lead people away obediently. "

When Mr. Cheng heard the words, he clapped his hands indifferently, and then sneered: "Good, good! Good one told me to choose to be tough! That's as you wish!"

After that, Mr. Cheng took out his mobile phone, looked at Brother Lang, and said cruelly: "Unexpectedly, I still have to let Xin Shao take the shot, A Lang, you have to keep someone at the door of the box, no one is allowed to let me out!"

When Brother Lang heard the word Xin Shao, his expression became solemn, and he stared at Lin Kai with a look of dead people: "I really don't know how to praise! So many people persuaded you and agreed to Mr. Cheng, but you just didn't agree. Lets do it now! Mr. Cheng, please dont make a move. If you dont make a move, dont both of you want to run!"

Luo Zhipeng, who had been lying on the ground for a long time, was not as confused as before. He knew that the situation had escalated and became more serious.

Especially when I heard Brother Wolf's words at this time, Luo Zhipeng was so scared that he asked subconsciously: "Wolf, wolf, brother wolf...Who is that young man? Why haven't I heard of it?"

Brother Lang sneered: "I kindly tell you, this Shengshi KTV has already been acquired by someone, and the person who acquired this person is the elder Shao Xin of the Wanxin Group! Although the Wanxin Group is not in our East China Sea, but Shao Xinxin is less and already The East China Sea began to deploy, it belongs to his forces!"

"Xin Shao is not afraid of the Li Family at all, you know how difficult it is to mess with Xin Shao! Tell you, you are definitely dead today!"

After Brother Wolf finished speaking, he still sneered.

In his opinion, it was originally possible not to let Xin Shao take action, but Lin Kai was so stupid that he continued to fight President Cheng.

Chapter 1349: See You If You Want?

Chapter 1349: See You If You Want?

Xu Xinghai, Luo Zhipeng, Zhou Xin and others were all dumbfounded when they heard that it was Shao Xin, the eldest master of Wanxin Group.

No wonder Mr. Cheng traveled thousands of miles and was able to be so confident.

Especially Xu Xinghai. As a middle-level leader of a well-known company, he has to understand not only the group companies in this city, but also the group companies in other places.

This Wanxin Group, he naturally knew it, and it was also a large group.

And he also heard that the Wanxin Group has made a big move recently, and it seems that some consortium has injected capital behind it. In short, it will develop better and better in the future, and sooner or later it will become a big power like the Li family.

No wonder Cheng Qianli didn't show any fear after hearing that Xu Xinghai was the leader of Li Shengxian's company.

Unless Li Shengxian came here in person, Cheng Qianli could be afraid, it was only possible.

What's more, its employees, of course, are not in the eyes.

Luo Zhipeng was lying on the ground, shaking his body, not because of his injuries, but because of fear.

According to Brother Lang, Shao Xin was not afraid of Li Shengxian at all, so even if he called Li Shengxian, the matter might not be resolved.

He almost trembled and said, "Brother Wolf, Mr. Cheng... Well, how could Young Master Xin care about such a small matter? I shouldn't have come here because of it. I think it's not necessary. Call Xin Shao over. Right?"

Luo Zhipeng would never hope, Shao Xin came over.

At least for now, Cheng Qianli is still very afraid of Lin Kai.

Lin Kai's fighting strength lay there, and Cheng Qianli couldn't help Lin Kai in this regard.

But if Cheng Qianli called Shao Xin, it would be different.

A young master of Shao Xin's level must have personal bodyguards around him.

No matter how Lin Kai can fight, he can't beat those professional bodyguards, right?

Once Shao Xin was called in, Luo Zhipeng believed that their consequences would be even worse.

Before Cheng Qianli could speak, Brother Lang sneered: "You are afraid that you don't know it. Miss Xin is rare to be a little bit elegant tonight. He brought someone here to sing and he is in the presidential box of our Shengtang KTV."

As soon as this remark came out, Xu Xinghai, Luo Zhipeng and others became very ugly, and they did not expect such a coincidence.

Feng Jia at the door of the box couldn't help but glared at Lin Kai: "It's all to blame! You have to choose to continue to fight with President Cheng and let you pretend! That's it, let's break the sky! You can't leave if you choose one of us!"

Just as Feng Jia scolded Lin Kai, Cheng Qianli had already started making a call with his mobile phone.

After dialing, Cheng Qianli's expression became respectful in an instant, and his tone was also low-pitched.

After hanging up the phone, Cheng Qianli returned to his domineering posture. Then he looked at Lin Kai and said coldly, "The guy at the door is not like a man. That's right. If it wasn't for you to choose I just go on, and I don't ask Letter Shao. Shao Xin said on the phone just now, and he will bring people over later. Wait, you will look good with you!"

Hu Wenliang, Qin Ya, and Tang Xiaoxuan did not blame Lin Kai, but they all showed worry.

Hu Wenliang noticed that Lin Kai still had a calm face. He was very curious, but he still said to Lin Kai: "Lin Kai, why not wait, let's take the initiative to apologize and let Xin Shao let us go?"

Lin Kai shook his head: "We are right, why do we apologize? Trust me, nothing will happen."

Hearing this sentence, Cheng Qianli and Brother Lang both laughed. They both understood Xin Shao's background so clearly that they still seemed indifferent.

Xin Shao doesn't even pay attention to Donghai Li Family. Is it possible that Lin Kai is better than Li Family?

How can it be!

Whether it is Cheng Qianli or Brother Lang, thinking of this, I think this idea is quite ridiculous.

Xu Xinghai, Luo Zhipeng, Zhou Xin, and Feng Jia didn't believe Lin Kai's "ghost talk", thinking that Lin Kai was still putting that pretend, and the image of Lin Kai returned to its original appearance.

As for Hu Wenliang, Qin Ya and Tang Xiaoxuan, they actually didn't believe what Lin Kai said, but they didn't laugh at Lin Kai like others did.

However, it is inevitable to be disappointed with Lin Kai.

At this time, Lin Kai was still brave enough, obviously afraid of being less faithful, but pretending to be calm.

Just when everyone has different ideas.

A muscular man walked at the door of the box. At first glance, he looked like the one who was fighting very hard.

When Brother Wolf saw the muscular man, he was extremely busy and respectfully shouted: "Brother Joe!"

The muscular man ignored Brother Wolf and walked in. Then he looked at Cheng Qianli and said, "Mr Cheng, Xin Shao asked me to come here to help you deal with the trouble. Come on, how to deal with it?"

Cheng Qianli smiled. Although Xin Shao did not come in person, he sent a bodyguard from Xin Shao.

He has seen it with his own eyes. The strength of this personal bodyguard can also be under siege by a dozen people alone. Not only is he undefeated, he can even give those dozens a lesson!

Cheng Qianli stepped forward. Originally, he wanted to say, let the muscular man first beat Lin Kai to the severely wounded one, and let this kid taste the taste of being beaten.

Unexpectedly, he didn't have time to say, Lin Kai walked up to the muscular man, that is, next to Brother Qiao, and said, "Take me to see the letter in your mouth. The matter here has nothing to do with other people, so let them go. "

As soon as Brother Qiao came in, he felt that this person was familiar, and he didn't take a closer look.

Now when he saw it, he almost took a few steps back in shock, a little dumbfounded.

He knows this person naturally!

He is Shao Xin's bodyguard and has seen Shao Xin meet with Lin several times.

But every time, Shao Xin was in the hands of Lin Kai and suffered a lot.

The most important thing is that Shao Xin can't help Lin Kai!

Especially two days ago, he knew that Shao Xin had spent a lot of money to invite two masters of martial arts level.

One of them, even the pinnacle of the martial artist, was half a step away from the martial artist.

He himself is just an ordinary martial artist, and he knows the power of the two martial arts masters.

However, the masters of this level were all seriously injured by Lin Kai easily. How dare he attack Lin Kai.

Not only that, Lin Kai is not afraid of Leiyuan Group!

He knew well that his boss, Shao Xin, had great confidence because of the cooperation with Leiyuan Group.

Two days before the reunion, the two martial arts masters failed.

This made Shao Xin dare not target Lin Kai recently, and even avoided Lin Kai, for fear that he would trouble him the previous two days.

So his own boss must avoid Lin Kai, so what qualifications does he have to face Lin Kai directly?

At this moment, Cheng Qianli saw Brother Qiao's suspicion, thinking that he was annoyed by Lin Kai's words, so he sneered: "Lin Kai, who do you think you are? Is it because you want to see you?"

Chapter 1350: Dumbfounded

Chapter 1350

Xu Xinghai and the others are even more secretly cursing, why is Lin Kai still pretending there!

I don't know, would this anger that brother Joe?

Don't let them get tired again when the time comes!

It seems to confirm the speculation of Cheng Qianli and Xu Xinghai.

At the next moment, the regained brother Qiao shook his head suddenly: "No! No! This is definitely not possible!"

Of course he cannot take Lin Kai to see Shao Xin!

Now that Shao Xin can't even hide from Lin Kai, how can he dare to see Lin Kai!

If Shao Xin knew that he had brought Lin Kai to see him, he would have to skin him!

So, no matter what, it is impossible to take Lin Kai to see Shao Xin!

These words of Brother Qiao made Cheng Qianli and Brother Lang sneer again and again, and they did not surprise them! How could you listen to what Lin Kai said and really thought you wanted to meet?

But Xu Xinghai, Zhou Xin, etc. have nothing to say about themselves, is this all right? Didn't hear that brother Joe, so decisive.

"Oh? No?" Lin Kai raised his brows, and he naturally recognized that the so-called Brother Qiao in front of him was Shao Xin's bodyguard.

Brother Qiao was shocked when he heard Lin Kai's words, with a cold sweat on his forehead, and said in a hurry: "See you! I'll take you to see you!"

The words just fell.

Everyone in the box was stunned, why did they change their mouths so quickly?

Cheng Qianli was very puzzled, then pointed to Lin Kai, and asked in confusion: "Brother Qiao, Young Master Xin asked you to help me deal with this matter. I'm just asking you to make a good shot of this kid and beat him up first..."

Snapped!

Before Cheng Qianli could finish speaking, everyone was stunned again that Qiao Ge slapped Cheng Qianli's face severely.

The crisp sound is unusually harsh in the quiet box.

"Cheng Qianli! I said you say Mr. Cheng, this is polite to you! You are not qualified to order me!" Brother Qiao withdrew his hand while secretly looking at Lin Kai next to him.

He was relieved to find that Lin Kai didn't react.

Beat Lin Kai? What an international joke! Shao Xin is here, he must be afraid of Lin Kai, let alone him!

Take another 10,000 steps. After Lin Kai has defeated him, he can move his finger. It is even more impossible for him to beat Lin Kai!

At this time, Cheng Qianli was stunned.

Brother Wolf was also dumbfounded, what's the situation! How come you are fighting!

What surprised everyone even more was that Lin Kai said: "What about my colleagues and leaders?"

"Of course to let them leave safely!" Qiao Ge replied decisively.

Lin Kai nodded: "Then you are here to watch them leave safely, I'll see you there."

Brother Qiao is 10,000 willing! At least that way, his boss Shao Xin didn't know that he brought Lin Kai over!

Afterwards, under the shocking eyes of everyone, Lin Kaizhen went out to see that the rising floor of the elevator outside was the highest floor of Shengshi KTV, which is the most luxurious and luxurious big box of KTV!

At this time, Brother Qiao, facing Xu Xinghai and others, said: "You can go now."

Cheng Qianli was holding his hot face, it should be that he had just ordered Brother Qiao in a commanding tone.

Although Brother Qiao was just a bodyguard by Xin Shao's side, he couldn't order it either.

So that he recognized this slap.

However, this matter can't, just forget it!

Cheng Qianli quickly asked Brother Qiao: "Brother Qiao, do you really want to let them go?"

Brother Qiao said: "Yes."

Cheng Qianli was a little unwilling, pointed at Zhou Xin, and said, "Brother Qiao, this woman wants to stay and can't let her go!"

Brother Qiao was expressionless: "I said, these people can leave safely now, I warn you, don't interfere anymore."

Cheng Qianli frowned. Could it be Brother Qiao, really believed Lin Kai's words, this matter was caused by him alone, no one else had nothing to do?

After all, Lin Kaidu went to see fewer letters, and Brother Qiao let the others go.

Just such an explanation can explain the current situation.

But Lin Kai did indeed go to Xin Shaona, and Cheng Qianli finally had some comfort.

With Lin Kai's reckless temperament, it will inevitably provoke so little faith that Lin Kai will definitely suffer, an extremely heavy price!

Thinking of this, Cheng Qianli sneered in his heart.

In fact, it's not just Cheng Qianli who thinks this way. Brother Lang, Xu Xinghai, Luo Zhipeng and others all think this way.

"I hope Lin Kai is fine!" Hu Wenliang murmured.

Qin Ya also had a pale face, worrying about Lin Kai.

Feng Jia at the door of the box got up from the ground with difficulty, but he was the first to leave here.

Zhou Xin is now one second, and she doesn't want to stay in this box. For fear that something unexpected might happen, she picked up her bag and hummed, "Lin Kai, let's go! I won't wait, Lin Kai and him again. What trouble is causing us!"

What she said seemed to be saying that all these troubles were caused by Lin Kai.

Tang Xiaoxuan hesitated for a moment, and said, "Lin Kai is to save us. He can leave here quickly. Only then did he take on the responsibility that didn't belong to him and face it alone. We are leaving now, okay?"

Xu Xinghai's expression was a bit complicated, he didn't say anything.

However, Luo Zhipeng also stood up from the ground swayingly, and said, "What's wrong, we stay here will cause trouble to Lin Kai. He goes alone, isn't it just for us to leave safely, right? Now, Lin Kai's self-sacrificing spirit."

When I heard Luo Zhipeng's sentence, other people looked at me, I looked at you, and after thinking about it, they all left.

Especially Zhou Xin and Luo Zhipeng, the two of them almost ran out of this KTV, and it seemed that they both had a sense of fear in this KTV.

After Zhou Xin and others, they all left.

Cheng Qianli secretly said, unfortunately, that woman was not kept, but Lin Kai was kept.

He kept staring at the elevator entrance and wanted to get to the top floor. There was only one elevator.

In other words, Lin Kai really went to see Shao Xin.

"Hey, I don't know that kid, in Xin Shao's living room, is he kneeling or lying down? I really want to see what price that kid has paid." Cheng Qianli smiled and said to Brother Qiao. .

Brother Qiao looked at Cheng Qianli with an idiotic look: "I warn you again that he is someone who can't be offended by young people. If you weigh yourself, what qualifications do you have to make him pay the price?"

"What...what! Little Xin can't afford it!" Cheng Qianli was dumbfounded!

Brother Wolf, who had not left yet, was also stunned.

Brother Qiao seemed to want Cheng Qianli and Brother Lang to increase their memory, so he took them to the presidential box on the top floor.

In the large box, Shao Xin was toasting Lin Kai while apologizing.

This caused Cheng Qianli and Brother Lang to open their mouths, and their jaws almost fell in shock.

After a while, the two looked at each other, except for dumbfounded, there was only dumbfounded!
