

Special Forces 1351

### **Chapter 1351: Xin Shao Is A Reasonable Person**

Chapter 1351

Lin Kai went to see Shao Xin, naturally not for today's matter.

It was not the case that Shao Xin sent two martial artists to his home two days ago to steal information.

Rather, he just wanted to see if Shao Xin was in the presidential box and was discussing something with the people of Leiyuan Group.

Unfortunately, it is not.

It was purely because Shao Xin wanted to relax and call a group of beautiful women.

Of course, Shao Xin didn't expect that when he was about to enjoy it, someone broke into his box room.

There are a few bodyguards at his door, all of them are extraordinary.

At first he was very angry, who disturbed his interest.

When Shao Xin saw that Lin Kai came, he was shocked. He thought Lin Kai was here to retaliate.

A few days ago, he used a lot of money to invite someone to Lin Kai's house to steal information.

Not only was Lin Kai found out, he wounded him, and even brought him a word. If he dares to do this next time, he will definitely not be spared.

If he changed to Shao Xin before, he would sneer at him, but since he had seen it, Lin Kai was not afraid of Leiyuan Group at all, and he dared to confront Lin Yuan \*\*\*\* for tat.

Coupled with the two masters he sent, Lin Kai couldn't help it.

Shao Xin knew that Lin Kai couldn't afford it temporarily.

Can't afford to provoke, can I still not hide?

Therefore, he has paid no attention to Lin Kai these days.

He never expected that Lin Shanxi came to the door in person!

However, after that, Lin Kai didn't seem to have come with any hostility, but told him roughly what happened tonight.

This surprised Shao Xin again, and then he toasted Lin Kai again and apologized.

People from the Leiyuan Group were not there, he didn't have the confidence, so he had to.

Just now, Cheng Qianli and Brother Lang saw the scene.

Lin Kai would naturally not drink anything with Shao Xin.

He didn't respond to Shao Xin's apology, but turned and left the presidential box.

At this time, outside the gate of Shengshi KTV.

Xu Xinghai, Zhou Xin, Luo Zhipeng and others all left first.

Only Hu Wenliang and Qin Ya were standing in the corner of the gate, waiting for Lin Kai. They were still very worried about Lin Kai, thinking that if something happened to Lin Kai, they could still call the ambulance.

“Hu Wenliang, do you think Lin Kai is seriously injured now?” Qin Ya is a grateful person. Since Lin Kai gave up her life and protected their safety, she naturally wouldn’t leave like this.

As she spoke, she worried again: “Let’s call the police!”

“Never!” Hu Wenliang was also very worried, but shook his head: “I don’t want to be retaliated, or don’t do this! Let’s see if Lin Kai will come out later, wait a few minutes before he comes out, then consider !”

As Hu Wenliang was talking, suddenly neither he nor Qin Ya were stunned.

Because both of them had seen each other, Lin Kai walked out from the gate unscathed, not as if he had been injured in any way, and his expression was as usual.

Although Hu Wenliang was very puzzled, he was relieved when he saw that Lin Kai was okay, and then he saw no one at the door following him, so he yelled to Lin Kai softly, “Lin Kai, here!”

Lin Kai heard the words and looked at Hu Wenliang and Qin Ya in the corner. He couldn’t help but walked over and curiously asked, “Why not?”

Hu Wenliang said: “Naturally I can’t worry about you, Lin Kai, are you okay?”

Lin chuckled and said, “What can I do? Have you already come out without seeing me?”

“That’s all right, that’s all right!” Qin Ya also breathed a sigh of relief, and then moved towards Lin Kai, thanking you: “Lin Kai, thank you, if it were not for your sacrifice, we would definitely be miserable tonight.”

“They are all colleagues, you don’t need to be polite. What’s more, I won’t hurt you.”

Lin Kai is a pun. After all, the system mission is to save Qin Ya, and tonight Qin Ya cannot be injured.

Qin Ya naturally couldn’t hear this kind of pun. She thought it was the concern among colleagues.

This moved Qin Ya even more. She had never thought that colleagues would sacrifice themselves to protect other colleagues.

For Lin Kai, Qin Ya admired more.

Lin Kai didn’t pay attention to Qin Ya’s expression. He continued, “It’s getting late, let’s go.”

At this time, Hu Wenliang took his cell phone and clicked on a software, saying: “It’s really late. It’s hard to get in a car this night. I will order a car online.”

Lin Kai shook his head and said, “There is no need to be so troublesome, I will send you back, let’s go, and come with me.”

Lin Kai said, took out the Rolls-Royce Phantom's car key, and then pressed the button on the key.

More than ten meters away, a black Rolls-Royce Phantom was flashing a few times.

Seeing this scene, both Hu Wenliang and Qin Ya were extremely shocked and looked at the black Rolls Royce Phantom!

It turns out that Lin Kai is not bragging at all, but he really has this tens of millions of luxury cars!

Lin Kai didn't know. The two stood there blankly. He started to go to the car, but when he got to the side of the car, he saw that the two hadn't followed. He looked back and said in surprise, "What are you doing there? Get in the car soon."

Under Lin Kai's urging, Hu Wenliang and Qin Ya gradually recovered.

Even so, Hu Wenliang was trembling when speaking at this time, and said: "This...I...I will come!"

Although Qin Ya didn't say anything, she opened her small mouth and looked unbelievable.

Especially when two people got in this tens of millions of luxury cars.

Both Hu Wenliang and Qin Ya felt like they were dreaming.

And Qin Ya was sitting in the co-pilot. She looked at Lin Kai, who was extremely skilled at driving a luxury car, and was stunned again. This is really the food must be cleaned, and she gave her a rag bag as a birthday present. The person?

"Lin Kai, did you feel embarrassed after Xin Shao? And that brother Qiao, why would you agree to meet Xin Shao? I think Cheng Zong should be Xin Shao's subordinate, how could Xin Shao let it go easily? you?",

Compared with the shock caused by the luxury car, Hu Wenliang had more doubts about these matters, and he asked Lin Kai one after another.

Naturally, Lin Kai would not tell the truth, and said casually: "Xin Shao is actually a very reasonable person. I will tell Xin Shao what happened tonight in a complete and detailed manner. Xin Shao Knowing that it was one of his own men, the trouble was naturally borne by him. Well, I will leave safely."

"Huh? That's too reasonable to believe in it!" Hu Wenliang was a little unbelievable.

Qin Ya also smiled, but she always felt that something was wrong.

But after thinking about it carefully, yes, after all, Xin Shao is the eldest of the Wan Xin Group. He has been a wealthy family since he was a child. If he is well-educated, he should still be able to speak some truth.

Of course, the two didn't entangle too much, Lin Kai just did it.

## **Chapter 1352: Hero Saves Beauty**

Chapter 1352

Hu Wenliang's home is not far from the KTV of the Tang Dynasty, only a 20-minute drive away.

So Lin Kai quickly sent Hu Wenliang home first.

Qin Ya's home is still a bit far away. Lin drove the car and continued to carry Qin Ya. It took almost half a month before finally reaching Qin Ya's home.

At this moment Qin Ya has gotten out of the car. She smiled sweetly at Lin Kai, who was driving in the car, and said very gratefully: "Lin Kai! Thank you again! Thanks to you tonight, otherwise I don't know. What should I do!"

Qin Ya is actually grateful for another thing, she is not stupid, she can naturally see that Luo Zhipeng invited her tonight, saying it was her birthday.

In fact, she could see that Luo Zhipeng was plotting wrongdoing, especially Luo Zhipeng wanted to get her drunk with wine.

Fortunately, Lin Kai drank the bottle of liquor in one breath.

What's more, there is still Mr. Cheng who wants to take them away.

If it hadn't been for Lin Kai to choose to go hard, their fate would definitely be miserable, and it would be terrible to think about it.

Lin Kai waved his hand: "It's okay, it's almost early in the morning, you still go home now."

The system task is to let Qin Ya spend the night safely.

If Qin Ya returns home safely, then his mission is considered complete.

Upon hearing this, Qin Ya thanked Lin Kai a few more words, and then reminded Lin Kai to drive slowly and pay attention to safety.

After that, Lin Kai turned the car and found Qin Ya still standing there, seeming to want to watch him leave.

Lin Kai shook his head helplessly, then opened the window and said, "Qin Ya, don't watch me leave. I have to go to work tomorrow and go home early. In addition, don't underestimate the cloth bag you gave you. The contents are also don't take it out, it's best to always carry this cloth bag."

He would not explain that the three amulets inside could protect Qin Ya's life three times.

Qin Ya didn't ask for details either, she seemed to trust Lin Kai very much, nodding her head: "Okay, I will always carry it!"

Lin chuckled, then stepped on the accelerator and left.

With the amulet, he was not afraid of Qin Ya, there would be accidents on the way home.

Before Lin Kai had driven far away, the system prompts that the task has been completed and he has obtained a gold extraction. It is a relatively ordinary extraction and has little effect.

However, at critical moments, it may become a good thing to reverse.

Just when Lin Kai passed by the door of a five-star hotel in the East China Sea, the system issued another task.

The content of the mission stated that a girl would escape from the hotel entrance, and then rescued her, just watch her leave safely.

The reward is silver withdrawal.

Lin Kai was a little speechless. Does the system like to let him be a hero to save the United States?

Anyway, the task is quite simple, so I did it smoothly.

So Lin Kai stopped the car, walked to a place not far from the entrance of the hotel, and waited.

Sure enough, it didn't take long for a beautiful girl in a burgundy dress, as if drunk, rushed out of the hotel.

Almost hit Lin Kai.

Lin Kai didn't smell the pretty girl, there was any alcohol on her body, it seemed that she had been drugged.

When this beautiful girl rubbed shoulders with Lin Kai, he could fully see the whole picture of the beautiful girl.

He was taken aback for a moment, the beautiful girl was familiar.

To be precise, I should have seen it on TV, maybe a star or something.

"Hurry up! Haven't eaten yet? Don't let her run away!"

Just as Lin Kai thought about it, three brawny men also ran out from the hotel entrance.

The three brawny men were all warriors, and soon caught up with the beautiful girl.

"Miss Yin, our young master invites you to go back!"

"Yes, go back obediently, otherwise don't blame us for doing it!"

The three brawny men surrounded the beautiful girl with triangles and prevented her from leaving.

When Lin Kai heard Miss Yin in the mouth of the strong man, he suddenly remembered that this beautiful girl was indeed a star, named Yin Suyan.

It was a female star who suddenly became popular in recent months because of a movie.

In the past few months, they frequently appeared in front of the camera, causing them to become more and more red.

Although it is only a newly emerging female star, but the current momentum is catching up with the first-line stars.

Speaking of it, Lin Kai broke the news about the Leiyuan Group on the Internet a few days ago, and Yin Suyan also helped forward it.

At the same time, Yin Suyan also commented. The general content is that she is currently in the East China Sea, a Qinren film and television company invested by Leiyuan Group, let her starring in the female number one, the pay is very high.

The contract was signed half a month ago.

But when she saw that Leiyuan Group was such a company, she decided to terminate the contract.

Her move won the praise and support of countless netizens.

Lin Kai also knew about this, because his Weibo was reposted mostly from Yin Suyan's Weibo.

It can be said that his Weibo accounted for more than half of the top search rankings.

Unexpectedly, this system task is to save Yin Suyan.

Even if there is no mission, Lin Kai will save her.

Before Lin Kai could say anything, Yin Suyan looked at Lin Kai with a dim expression, and said weakly to Lin: "Save...save...save me..."

The sound is very small, if you don't listen carefully, you can't hear it at all.

Lin Kai frowned. Yin Suyan looked like this, he was more certain that he was drugged.

I don't know who it is, so boldly to act on a big star.

Of course, no matter who it is, Lin Kai is not afraid.

So Lin Kai walked over for the next moment.

"Boy, what? The hero saves the United States? Go wherever it comes! With your weak body, if I punch it, you may be dead!"

"Yeah, don't you get out? I count three, and don't blame Lao Tzu for his ruthless fists before I leave!"

The three brawny men, seeing Lin Kai constantly approaching, didn't mean to leave, they all looked at Lin Kai with fierce light.

One of the strong men had already counted three sentences. He was furious when he saw Lin Kai still not leaving. He had never seen anyone daring to defy his orders, so he waved his fist and blasted Lin Kai.

Lin Kai looked at the strong man's fist, his expression was extremely calm, all three of them were martial artists, and they were stronger than ordinary people.

For him, these three are also ordinary people.

As a result, Lin Kai effortlessly solved the three brawny men and fainted on the ground.

However, Yin Suyan seemed to be unable to hold it, and Jiao Chu suddenly fell.

Lin Kai reacted quickly and helped Yin Suyan.

Then he pressed his hand decisively on Yin Suyan's abdomen and pressed it slightly.

Yin Suyan suddenly vomited out the vomit that was drugged.

At the same time Yin Suyan also fully awake, knowing that Lin Kai rescued her, and asked Lin Kai for contact information.

Yin Suyan thanked Lin Kai very much, but said that it is not suitable to stay here for a long time, and asked Lin Kai to leave here first. Whenever she has the opportunity, she will make a meal with Lin and thank you for saving her.

### **Chapter 1353: Company Mission**

Chapter 1353

After Yin Suyan finished speaking, he drove his car and left here.

Lin Kai watched Yin Suyan's car drift away, and the system task was completed again.

He was helpless, and drove the car towards his home.

Fortunately, on the road, the system didn't give him the heroic rescue mission, otherwise he wouldn't have to sleep.

Tonight, Lin Kai didn't come into contact with Xu Xinghai, but he was not in vain to complete two tasks.

And he also knows a very important information.

Xu Xinghai recently received a large sum of money. As long as the source of the transfer record of Xu Xinghai's money is found, other inner ghosts can be found.

Naturally, this matter must be handed over to Li Shengxian.

Originally, Xu Xinghai was an employee of Li Shengxian.

Therefore, Li Shengxian's information to Xu Xinghai in all aspects must be clearer than Lin Kai.

Now it was a separate operation. Lin Kai continued to hide the company to see if he could search for clues to other ghosts in the company.

Li Shengxian checked Xu Xinghai's transfer records, but this was still very difficult.

Near one o'clock in the morning, Lin Kai returned to his home.

He asked Yinshen to come back early, because the Yinshen sent a message, Xu Xinghai went directly to the hospital and bandaged the wound.

In this case, there is no need for Yinshen to continue following Xu Xinghai.

The next morning.

Lin Kai came to Li Shengxian's company before nine o'clock and continued to work.

When Luo Zhipeng with a bandage on his arm, and Xu Xinghai with a red potion on his face, they were all amazed when they saw Lin Kai come in without a thing.

“Lin Kai, you... why did you have nothing to do?” Luo Zhipeng couldn’t help walking to Lin Kai’s side, carefully observing Lin Kai from top to bottom, and found that Lin Kai was really unscathed. What happened?

He thought that Lin drove into Xin Shao’s presidential living room last night. Even if he didn’t die, he would have to be disabled. At least he would have to lie down in the hospital for a few months.

Unexpectedly, Lin Kai was not only okay, but also came to work as usual.

Lin Kai laughed and said, “Deputy Manager Luo, do you still want me to have an accident?”

Luo Zhipeng was speechless for a while, and then seemed to think of something, and warned Lin Kai: “Since you are an employee of our department, you will bring less trouble to our department in the future!”

Luo Zhipeng felt very upset again. If Lin Kai were there last night, his plan would have succeeded early.

If they succeed, they won’t stay in KTV so late that Zhou Xin finally got into trouble.

What made him even more unacceptable was that Qin Ya forcibly returned the ring he gave last night when he came to the company today.

And Qin Ya made it clear that if they don’t like him, there is no possibility for the two of them!

Luo Zhipeng put all the responsibilities on Lin Kai.

Fortunately, he is the deputy manager of the purchasing department and also belongs to the leadership of Lin Kai.

Lin Kai is just a small ordinary employee, he has a way to rectify Lin Kai.

Thinking of this, Luo Zhipeng felt a little comforted, and as a leader, he ordered Lin Kai: “In another 20 minutes, our department will have a meeting. Now you go to the conference hall and clean it up and down, and then every In terms of location, they also put tea.”

In fact, such things are handled by the clerk of the department.

But he was very upset with Lin Kai, so he arranged for Lin Kai.

Lin Kai was different. He used his true qi to make this fact too simple. He didn’t need to do it himself. He smiled and said, “Okay, Deputy Manager Luo.”

When Luo Zhipeng saw Lin Kai, his expression remained the same. He became even more upset, and immediately added: “Clean everything up. If you see something dirty on the conference table, you will be deducted part of your salary this month.”

Lin Kai didn’t say anything, just smiled.

Twenty minutes later, in the conference hall of the purchasing department.

Xu Xinghai and the manager of the operation department are in the front position.

On both sides of the conference table, there are employees from the purchasing department on one side, and some employees from the operation department and some employees from the publicity department on the other.

“Recently, the company’s direction is to fully invest in the development of the western suburbs of the city. However, the company’s products also need to focus on publicity. However, the manager of the publicity department suddenly resigned yesterday, so this promotion was given to us to purchase unit.”

Xu Xinghai opened the mouth and said: “The manager of the propaganda department only left the job without inviting first-line stars to endorse products for us. I have discussed with Manager Wu of the operation department, and second-tier stars can also do it. Because our company’s product partners, it is required that an advertisement must be made today, otherwise it will not cooperate with us.”

“This is an urgent task. There is no leader in the Propaganda Department. I had to work with Manager Wu of the Operations Department and the backbone of the Propaganda Department. The three departments joined forces to discuss this matter together. Who among you has the ability. If you can help to contact the second-tier and above stars, you will get generous rewards from the company.”

“Of course, this matter is not to be joking. If you are not capable enough, you still have to pick up this task. If you don’t get in touch, you will wait for the company to severely punish you.”

Just after Xu Xinghai finished speaking, in the conference hall, the employees of the three departments began to whisper.

“We are not a company like film and television, media, etc. Who knows any star?”

“Yes, we in the East China Sea, including other neighboring cities, have not seen any celebrities. Even if the celebrities from other provinces can be contacted, it is too late. After all, today we have to complete the task of shooting an advertisement.”

“Isn’t it recently heard that some stars have come to our East China Sea? It seems to be our Qin Ren Film and Television Company in the East China Sea, who wants to make a high-quality web drama, and even invites Yin Suyan, who has been extremely popular in recent months. It seems that the contract with Qinren Film and Television Company has been terminated, but it seems that they are still in the East China Sea.”

“Indeed! Yin Suyan! If you come to speak for our company, our company’s performance will definitely be improved by several levels!”

Xu Xinghai frowned upon hearing these employees comments, “What do you think? Although Yin Suyan is a newly emerging female celebrity, his reputation has surpassed that of established first-line celebrities. Fans. Even if she can be invited, her endorsement fee is not generally high, and our company can’t afford it.”

“Furthermore, our company also communicated with Yin Suyan’s agent. Although the price is negotiable, our budget is limited. What’s more, I heard from Yin Suyan’s agent that Yin Suyan wants to participate in a well-known variety show. The East China Sea flew away.”

Xu Xinghai’s words made the employees who had been discussing intensely, as if pouring cold water, secretly sighed, this task was too difficult.

Not even the company can come forward, let alone what it is.

Moreover, according to Xu Xinghai, if he accepts this task, if he fails to complete it, he will probably be expelled.

### **Chapter 1354: Yisuyan**

#### Chapter 1354

Although the rewards for this company's mission will be very generous, the punishments are also very serious.

So many employees, you look at me, and I look at you, but they dare not take up this company mission.

On the contrary, Luo Zhipeng, who had been silent all the time, accidentally glanced at Lin Kai at the edge of the conference table, and suddenly his eyes lit up.

He pointed to Lin Kai and suggested: "Since everyone feels incompetent, I would recommend someone. Lin Kai, Xiaolin, a new employee in our purchasing department, anyway, he is a newcomer and he has no performance. It is a good opportunity for him to complete his performance."

What Luo Zhipeng said, both the purchasing department, the operation department, and the propaganda department were all stunned for a while.

Later, some employees of the purchasing department all reacted, they knew the contradiction between Luo Zhipeng and Lin Kai.

So an employee said: "I agree with Deputy Manager Luo that Lin Kai is in our purchasing department and there is nothing to do, so I will give him something to do."

"It turned out to be so, and I agree!"

All of a sudden, employees in other departments also spoke out.

After all, there is an employee who can come out to take this task, it would be great.

In this way they avoid being forced to be selected.

Because when no one answers, the department manager will force an employee to pick it up.

Now the deputy manager suggests that new employees should pick up this mess, which is even better.

Even Manager Wu, the manager of the operations department, said, "Since everyone agrees that Xiaolin will take up the task of the company, let him complete it."

Xu Xinghai actually didn't expect that the scenes all focused on Lin Kai.

He naturally has no objection, anyway, this is a task assigned to them by the company's senior management, and they are not able to do it, so it is left to the employees under them.

It doesn't matter whether it succeeds or not.

Xu Xinghai smiled and said, "Well, if everyone has no opinion, let Lin Kai from our purchasing department complete this company mission. The current time is 9:30 in the morning, please be at 12

noon. Halfway before, contact a celebrity above the second line. If you can't finish it, then dismiss it yourself."

Xu Xinghai didn't allow Lin Kai to react, so the meeting adjourned and asked Lin Kai to wait in his office and confess his tasks.

Some employees sympathized with Lin Kai and knew that Lin Kai was the victim of Xu Xinghai and Manager Wu.

The company blamed it. They took Lin Kai badly and fired Lin Kai, and the company had nothing to do.

So those employees who sympathized with Lin Kai, when they passed by Lin Kai, either said a word of encouragement, or they patted Lin Kai on the shoulder to show comfort.

When Luo Zhipeng walked to Lin Kai's side, he hypocritically encouraged: "Lin Kai, this is a very rare good opportunity. Take it for yourself. If it is completed, the company will not treat you badly. You opened it in a dream. The Rolls-Royce Phantom may also be a dream come true."

He said so on the surface, but in fact he sneered in his heart: "Complete the mission of the company? How is it possible! This tree can't even be done by the company's senior management, so it is handed over to the middle-level leader. Hey, after 12:30, You Lin Kai was fired! Let you ruin my plan last night!"

Luo Zhipeng can be a deputy manager and he is also a good individual. He can use a small means to get the employees out.

Compared to Luo Zhipeng, Xu Xinghai is even more concealed.

The company Li Shengxian has developed a new product. This product is actually quite good, but the publicity is not in place.

If you find a well-known celebrity endorsement and another wave of marketing, it will surely sell well.

Xu Xinghai has been bought by Leiyuan Group. When he heard the news, he immediately sent the detailed internal discussion plan to Leiyuan Group.

Leiyuan Group reacted immediately, cutting off all the stars that Li Shengxian had contacted.

The manager of the propaganda department finally resigned in desperation.

This is the first step taken by Leiyuan Group to target Li Shengxian's company. Later, it will continue to target Li Shengxian's company and cause Li Shengxian's company to collapse.

When asked Lin Kai to pick up the company's mission, Xu Xinghai knew that this mission was 100% impossible to complete.

Besides, Lin Kai is a new employee, and everyone will agree that the company's senior management will not be able to grasp him.

As for calling Lin Kai, let him go to the office first.

That's because Xu Xinghai has his own purpose. He was a little moved when he saw Lin Kai's extraordinary skill last night.

When Li Shengxian's company is crossed, he can go to Leiyuan Group as an executive.

At that time, he must have his own cronies.

He thinks that Lin Kai is a talent that can be cultivated, and it's good to be a personal bodyguard.

When he was in the conference hall, Xu Xinghai actually made a plan. Lin Kai did not complete this task, so he first dismissed Lin Kai decisively.

To any employed person, being expelled is quite cruel.

What's more, it is a poor boy like Lin Kai. When he loses his soul, he will provide Lin Kai with a good position, then Lin Kai will definitely follow him.

Thinking of this, Xu Xinghai, who was sitting in the office, couldn't help laughing.

.

Just then, the door of the office rang.

"Manager Xu." Lin Kai's voice also came.

Xu Xinghai called Lin Kai in without hesitation.

When Lin Kai came in, Xu Xinghai said, "Although there are no celebrities in the East China Sea, there are a few matching celebrities in the neighboring city. I will give you the information of these celebrities. You can contact these celebrities as soon as possible. It depends on your eloquence."

Lin Kai did not receive Xu Xinghai's information and said, "Manager Xu, I don't need these information. Its Manager Xu. You said not long ago that Yin Suyan would leave the East China Sea by plane at noon, so you know which flight it is.?"

Xu Xinghai didn't know why: "Lin Kai, what do you want information about Yin Suyan's flight? Is it possible that you still run to ask Yin Suyan?"

Having said this, Xu Xinghai laughed himself, not to mention Li Shengxian's company, even Leiyuan Group did not leave Yin Suyan in the end.

It can be said that no company in the East China Sea is qualified to invite Yin Suyan.

Lin Kai nodded and said, "Yes, please Yin Suyan. I know that Yin Suyan's popularity is higher than that of many first-line celebrities. It is more appropriate for her to endorse the company's new products."

Lin Kai is not only to complete this company mission, but he really went to Yin Suyan sincerely.

After all, this is Li Shengxian's company, not to mention that he also has shares in this company.

If Li Shengxian's company develops better, then it will be more stable for Li Shengxian as the heir to the Li family.

Development in the suburbs of Xicheng needs to take time, but the company's products are different.

**Chapter 1355: Do Not Believe**

## Chapter 1355

When he heard Lin Kai say this, Xu Xinghai shook his head for a while: "Lin Kai, it seems that you still don't understand. Yes, Yin Suyan's current popularity is indeed higher than that of many first-line celebrities, and is also one of the most popular female celebrities recently. Its really not good to be able to invite Yin Suyan to endorse new products for our company."

Xu Xinghai paused, then continued: "But it is completely impossible to ask Yin Suyan to endorse our companys new products! No matter what you want, as for Yin Suyans flight information at noon today, You go to my assistant, he has all sorted out there."

With that said, Xu Xinghai put the information in his hand back.

Lin Kai was so persistent to invite Yin Suyan, so let him go. Anyway, whether it was the celebrities in this document or Yin Suyan, it was impossible for Lin Kai to invite him.

Lin Kai didn't say much, but after nodding to Xu Xinghai, he turned around and prepared to leave the office.

Just when he walked to the door of the office, Xu Xinghai reminded him: "Remember, before 12:30 noon, no matter whether you have completed the company's mission, you have to return to the company. If you complete the company, you will have a generous reward. , You must be prepared to be fired."

Lin Kai smiled, turned around and looked at Xu Xinghai; "Thank you for the reminder, Manager Xu."

How could he not know that Luo Zhipeng was in the conference hall before and recommended him to get him out of the company.

He hasn't found out the insider of Li Shengxian, so naturally he will not leave the company easily.

Immediately, Xu Xinghai stared at Lin Kai with an idiot look, and walked out of his office.

In his opinion, this Lin Kaikong has a brute force, but his IQ is not good, so he can only be his subordinate for the rest of his life.

Lin Kai didn't know what Xu Xinghai thought.

He soon asked for a copy of Yin Suyans flight information at Donghai International Airport at noon from Xu Xinghais assistant.

Hu Wenliang saw Lin Kai and asked for information with Xu Xinghai's assistant.

Hu Wenliang couldn't help but walked over and asked: "Lin Kai, is there information about a few celebrities in the neighboring city? If yes, I recommend one. I usually pay attention to that celebrity's private life, so it should be very easy to talk."

Lin Kai shook his head, "Thank you, no, I'm going to Donghai Airport to find Yin Suyan."

He didn't hide anything, so he used his normal voice.

This caused many employees in the purchasing department to hear Lin Kai's words.

“Haha, did you hear? What did Lin Kai just say? He said, he is going to find Yin Suyan?”

“I thought I had a problem with my ears, and I heard it wrong. It turned out that he really meant to go to the airport to find Yin Suyan!”

“Tsk tsk, is this a broken can, or is it really stupid? Just like him, I want to invite Yin Suyan over! What a joke!”

“If you want me to say, he couldn’t even see Yin Suyan, so he was driven away by the agent next to Yin Suyan!”

“Yes, I don’t believe he can invite it. If he can invite Yin Suyan, I will eat this keyboard!”

“...”

The employees in the purchasing department laughed at Lin Kai mercilessly as if they heard a big joke.

In their opinion, Lin Kai could not invite Yin Suyan.

Lin Kai smiled indifferently when hearing the discussion around him.

Hu Wenliang actually didn’t believe it. Lin Kai could invite him, but he felt that he would go alone, so he probably didn’t have a chance to talk to Yin Suyan.

He thought for a while, he could help Lin Kai stop him, the agent or the like, he just said: “Lin Kai, let’s do this, I happen to be in the company in the morning and there is nothing wrong with me. I will go to the airport with you. Maybe then, I What else can I help you.”

Lin Kai wanted to refuse, but when he saw Hu Wenliang’s persistence, he nodded: “That’s OK, just go together.”

At this time, Luo Zhipeng looked at Lin Kai and Hu Wenliang and chuckled lightly: “Should both of you have been tested for your driver’s license? I know that you two have no cars. This is also a company task. Naturally, you won’t be wronged by taking a taxi. Here you are, the bus key that the company gave me. My bus is in the company parking lot. You can drive it.”

The company’s bus can only be equipped with one at the level of deputy manager or above.

Lin Kai will be dismissed by the company in a few hours. At this time, Luo Zhipeng still has to show his strength in front of other employees.

Lin Kai shook his head when he heard the words, “Deputy Manager Luo, I got it with good intentions, but if I have a car, I don’t need a bus.”

Hu Wenliang couldn’t help but admire Lin Kai secretly at this time. Lin Kai himself clearly had a Rolls-Royce Phantom and was so low-key that he didn’t mention his luxury car.

But Lin Kai did not say, he wanted to speak for Lin Kai.

In fact, Luo Zhipeng has long been unaccustomed to it. Relying on his leadership status, he often bullies new employees.

In addition, it was obviously Lin Kai yesterday who sacrificed himself in exchange for their safety.

Luo Zhipeng avenged his grudge, and now Lin Kai was about to be fired by the company.

So Hu Wenliang didn't want to give Luo Zhipeng any face.

The next moment, he looked at Luo Zhipeng and said with a smile: "Deputy manager Luo, Lin drove a Rolls-Royce Phantom, and Lin Xian drove me into the Rolls-Royce Phantom and went to the airport, so I won't bother you. ."

"Hu Wenliang, Hu Wenliang, it's no wonder that you have been employed for a year, and your salary has not risen. It is because you are not shrewd and your performance is not so outstanding. Until now, you still believe that Lin Kai has a Rolls Royce Phantom. It seems that you are less shrewd than I thought." Luo Zhipeng sneered.

Everyone can hear that the "not shrewd" in Luo Zhipeng's mouth means stupid.

Hu Wenliang didn't care, he said everything. Since Luo Zhipeng didn't believe it, what could he do.

After a while, Lin Kai took Hu Wenliang to the parking lot.

Both of them got in the car immediately.

Lin Kai was extremely skilled, drove this Rolls-Royce Phantom and quickly left the scope of the company.

Last night, Hu Wenliang noticed that Lin Kai's driving skills were very good.

It feels the same now.

Although the speed of the car is fast, it drove very steadily, so there is no need to worry about any car accident.

Lin Kai naturally drove so fast in a hurry. Of course, it would not exceed the speed limit in the urban area, which was just flat.

The destination is the international airport in Donghai.

There are two airports in the East China Sea, one is a domestic general airport and the other is an international airport.

The domestic general airport is very close to the urban area, while the international airport is built in the remote suburbs, so the car speeds faster after arriving in the suburbs.

Hu Wenliang finally realized what speed and passion are, and admired Lin Kai's driving skills even more.

In this way, it is getting closer and closer to Donghai International Airport.

### **Chapter 1356: Impulse?**

Chapter 1356 Impulse?

Seeing, it was almost at Donghai International Airport.

Hu Wenliang couldn't help but asked Lin Kai: "Lin Kai, it's still early. If you can go to the neighboring city, why don't you go to the neighboring city to find those stars?"

Hu Wenliang regrets it now, and has to follow Lin Kai to this airport.

Originally he thought it was Lin Kai who was joking, but he didn't expect to drive to this airport. It seemed that he was really looking for Yin Suyan.

But the probability of getting Yin Suyan is almost zero.

There is a glimmer of hope for the stars in neighboring cities, although the probability is not high.

As a result, Hu Wenliang had to persuade Lin Kai: "Lin Kai, Yin Suyan doesn't need me to introduce more. It is absolutely impossible for us to invite her like this. It is better to consider..."

Before Hu Wenliang finished speaking, Lin Kai laughed and interrupted: "I won't consider other things, because Yin Suyan and I barely know each other."

Barely knowing?

This left Hu Wenliang speechless for a while. Could it be that you knew Yin Suyan and Yin Suyan didn't know you?

If so, he can barely know Yin Suyan.

What's more, if you really know Yin Suyan, you can just call Yin Suyan directly. There is no need for any flight information at all, and you won't be traveling all the way to Donghai International Airport.

Lin Kai didn't explain anything. He barely knew each other because Yin Suyan helped him forward the Weibo a few days ago, and Yin Suyan had never seen him.

But Yin Suyan also knew that that Weibo was developed by Lin.

Last night, after Lin Kai rescued Yin Suyan, Yin Suyan asked for his phone number and at the same time asked his name.

Lin Kai said his name.

Yin Suyan felt familiar, and asked if it was the one that encircled the blog. Lin Kai responded yes.

At that time, Yin Suyan seemed to be more anxious, and wanted to let Lin Kai leave here. After thanking him, they all left.

Not only that, in the early hours of the morning, Yin Suyan should have returned to the hotel safely, fearing that he did not call or text Lin Kai in order to interrupt Lin Kai's rest. She was on the Weibo, giving Lin Kai a private message.

It was all words of thanks, which also showed that she had to leave Donghai at noon and could not invite Lin Kai to dinner. She could only wait for the time to thank her.

Lin Kai was in the conference hall in the morning. He was all right, so he boarded the Weibo and saw the private message from Yin Suyan to him. Unexpectedly, Li Shengxian's new company product had such an urgent invitation to celebrities and endorsements. .

Therefore, between him and Yin Suyan, it is an alternative understanding.

However, Hu Wenliang still did not believe that Yin Suyan would know Lin Kai.

Then seeing that the international airport had arrived, Hu Wenliang had to give up persuading Lin Kai.

“Oh, I hope the company won’t really fire Lin Kai. After all, this task is really too difficult.” After Hu Wenliang sighed in his heart, he followed Lin Kai and entered the international airport together.

According to the information given by Assistant Xu Xinghai, Lin Kai came to the departure hall for the capital.

In the terminal, you can see Yin Suyan inside at a glance.

Because Yin Suyan was in the VIP area of the terminal at this time, Yin Suyan was wearing a fashionable hat and a pair of sunglasses, followed by several people.

Even with this costume, many people in the terminal recognized Yin Suyan and took pictures of them with their mobile phones.

When Yin Suyan saw those people taking pictures, he did not pretend to be a big star. Instead, he took off his sunglasses and completely revealed his beautiful appearance.

Then drop off and let those people in the terminal take better pictures.

This scene made many passers-by feel good about Yin Suyan.

However, Yin Suyan is in the VIP area, and there is no one who is rich or expensive, and there is no one who makes a more unusual star-chasing behavior.

“Yin Suyan! I saw it for the first time in reality. I usually saw it on TV or the Internet. I didn’t expect to see it on TV. It was much more beautiful! From now on Yin Suyan will be my goddess!”

Hu Wenliang was the first to get excited when he saw Yin Suyan.

But when I thought that I was following Lin Kai to invite Yin Suyan, my excitement suddenly became embarrassed: “Oh, lets say nothing else, there is still a while, Yin Suyan will fly to the capital to participate. A very well-known program. For this alone, it is impossible to invite Yin Suyan.”

Lin Kai didn’t have the troubles of Hu Wenliang, and walked directly towards Yin Suyan.

“Lin Kai, did you go directly like this? Uh, without observing for a while, discuss how to approach Yin Suyan... Wait a minute.”

Hu Wenliang saw Lin Kai and walked straight over, first dumbfounded, trying to stop Lin Kai not to be so impulsive.

But in the next moment, I saw that Lin Kai had entered the VIP area and followed up with his scalp.

Hu Wenliang became more and more convinced that Lin Kai was still too impulsive, that he did not have any plans and language organization, let alone invite Yin Suyan!

Just when Lin Kai was taking the exam and Yin Suyan was four meters away, a man in a suit with the appearance of a bodyguard stood in front of Lin Kai and said, “This gentleman, all places within this range are covered by our economic company. So please stop.”

Lin Kai stopped and said, "I'm here to find Yin Suyan."

Yin Suyan, who was lowering his head and eating snacks, when he heard Lin Kai's voice, his eyes were puzzled, then he couldn't help but raised his head and looked in the direction of the sound source.

Immediately, Yin Suyan kept watching there.

Lin Kai also noticed that Yin Suyan looked at him and smiled at Yin Suyan: "Miss Yin, I have come over to ask you for help, don't know, do you have time?"

Yin Suyan didn't even think about it, so she stood up, a happy smile appeared on her beautiful face, and without asking what was the matter, she said directly: "There is time! Naturally there is time!"

Lin Kai did not expect that Yin Suyan would not ask anything. He had to explain: "That's it. Our company encounters an urgent task today, which is the requirement of the partner. Our company's new product needs a celebrity endorsement. Today I must shoot the commercial. I think of you and want to invite you to shoot. If it's not convenient, then forget it."

Naturally, Lin Kai didn't force Yin Suyan to go, because he knew that Yin Suyan had his own business, so he asked Yin Suyan that way.

Lin Kai did not expect that Yin Suyan agreed again decisively, nodding his head: "Mr. Lin, this is no problem!"

Yin Suyan smiled and added another sentence: "I thought it was a major event, but it turned out to be such a trivial matter. Don't worry, Mr. Lin, I will do it."

"Su Yan! What are you talking about! The plane is about half an hour away, and it's about to fly to the capital. The show crews in the capital are about to be filmed. I finally won it for you. Participate in this variety show, don't you? What's causing a moth again!"

## **Chapter 1357: Grace And Revenge**

### Chapter 1357

At this moment, Yin Suyan was sitting across from a middle-aged woman who looked like an agent. She was a little anxious when she heard what Yin Suyan said.

"Sister Liu, I don't believe you have no other follow-up tricks. Although you signed a contract with the program group, it didn't say that you must go to this episode. It's not impossible to arrange the next few episodes, right?" Yin Suyan said with a smile. , Cast a look at the middle-aged woman.

Like a secret sign, the middle-aged woman seemed to understand something. Then she approached Yin Suyan and asked in a low voice, "Su Yan, he is the one who saved your life in your mouth?"

"Yes." Yin Suyan smiled and nodded: "Sister Liu, or you can prepare a late flight ticket for me. Anyway, the filming of the show will not be a day or two. When that happens, it will be okay for me to make up the film."

“Since you have said so, what can I do.” The middle-aged woman, sister Liu, shook her head reluctantly: “Be careful yourself, the man in the East China Sea is actually from a big family in Beijing. Of course, I have sent someone to warn, and promised over there that it won’t do that again, but I still don’t worry.”

Speaking of this, Sister Liu glanced at Lin Kai, and then continued: “If this person is really as good as you said, I will be at ease for your safety.”

The smile on Yin Suyan’s face even worsened. After nodding to Sister Liu, he picked up his satchel and walked to the side of Lin Kai with joyful steps, and said, “Mr. Lin, let’s go.”

“Okay, thank you Miss Yin for being able to accept my invitation.” Lin Kai thanked.

Yin Suyan shook his head, and instead said, “I should thank you. If you didn’t show up last night, the consequences would be terrible. In short, this little thing is not enough to repay you!”

Lin Kai just smiled, then took Yin Suyan and left here.

Yin Suyan was very well-behaved and followed Lin Kai.

When Lin Kai took Yin Suyan out of the VIP area of the terminal, Hu Wenliang was dumbfounded.

Unexpectedly, Lin Kai really invited Yin Suyan.

Moreover, it seems that Lin Kai said that he barely knew Yin Suyan, that is completely nonsense! This is how to barely know Yin Suyan, he is like a good friend!

Hu Wenliang also didn’t know if there was an illusion. He always thought that Yin Suyan looked at Lin Kai with admiration from time to time.

The goddess of the nation, actually admires Lin Kai very much for himself?

Hu Wenliang got in the car as if he was dreaming.

He sat in the back row, but Yin Suyan was sitting in the co-pilot.

Along the way, Yin Suyan stared at Lin Kai, his eyes full of different emotions.

This made Hu Wenliang even more shocked, as if he was a big light bulb.

Twelve twenty minutes.

Li Shengxian’s purchasing department.

Xu Xinghai lowered his eyes, glanced at the watch he was wearing, then glanced at the door of the department, and smiled to himself, knowing that Lin Kai could not complete the urgent task of this company.

It is half past twelve, but it is still ten minutes away.

So far, Lin Kai hasn’t returned, so there is definitely no hope.

And Luo Zhipeng, sitting in a random position with Erlang’s legs upright, said to an employee who often flattered him, “I have great hopes for Lin Kai, but I have put the company’s urgent task on him. The task was handed

over to Lin Kai. It's a pity, the time is almost up. I didn't expect Lin Kai to live up to my expectations. It was so disappointing."

"Brother Peng is right, you give Lin Kai such a good opportunity, in fact, he wants to give you Dyan Shade. He is really stupid if he doesn't take it. If Brother Peng gives me this good opportunity, I absolutely can do it well!" The employee naturally opened his eyes and said nonsense, anyway, the task of this mess was handed over to Lin Kai.

Luo Zhipeng likes this feeling of being touted, even if he knows, what the employee is telling lies.

He was about to say something more, but suddenly saw the door and walked into the two of them.

It is Qin Ya and Tang Xiaoxuan.

The two came in while talking.

"I don't know what's going on with Lin Kai, it's probably hard to find any celebrities to come over." Tang Xiaoxuan sighed.

Qin Ya first glanced at Luo Zhipeng, and then whispered to Tang Xiaoxuan: "Before I thought that although Luo Zhipeng was average, he was a normal person, but after this incident, I completely felt that Luo Zhipeng's character was really bad. Obviously Lin Kai rescued us last night, but he wanted to make Lin Kai go out. It was disgusting."

As soon as Qin Ya finished speaking, Luo Zhipeng walked towards her and Tang Xiaoxuan.

"Xiaoya, I have dinner, how about I invite you to dinner later?" Luo Zhipeng was in a very good mood and said to Qin Ya.

Qin Ya ignored Luo Zhipeng.

Tang Xiaoxuan is also straightforward, and said: "Deputy Manager Luo, did you do this, did you pass it? Anyway, Lin Kai sacrificed himself to save us last night. Deputy Manager Luo, you forgot that you were killed last night. Beat it, if it wasn't for Lin Kai, maybe you would..."

Before Tang Xiaoxuan could finish her words, Luo Zhipeng's expression changed drastically and he scolded, "Are you scolding the leader? I just gave Lin Kai a good opportunity to improve his performance. How come I became me when I came to you. The taste of revenge? Besides, this is the unanimous decision of the three departments. Is it possible that you are still our leader?"

Tang Xiaoxuan was impatient, but also helpless.

Qin Ya finally couldn't help it, and said to Luo Zhipeng, "Luo Zhipeng, did you take revenge for your kindness, don't you have any points in your heart? I also think that you have indeed passed this way."

Luo Zhipeng's face was gloomy and terrible for an instant, and he said lightly: "It's almost half past twelve. If Lin Kai doesn't complete the task, then he can be fired by the company. It's not my decision. This is Manager Xu and Manager Wu of the Operations Department. , To make the decision together, and to blame him for not having that ability. What's more, if Lin Kaizhen completes the task, the company will definitely not treat him badly. Everything has two sides, right?"

As soon as Luo Zhipeng's voice fell, Zhou Xin came. She followed Luo Zhipeng's words and said, "That's right. Lin Kai didn't refuse this company mission. After all, Lin Kai also went for the rich rewards of the company mission. I can't blame anyone for my ability."

Zhou Xin immediately sneered again and said, "Isn't Lin Kai very good at pretending last night? If he is really capable, he will definitely be able to complete this urgent task of the company. What are you worried about?"

"Sister Xin, why did you also talk about Lin Kai's cool words. Did you forget that if Lin Kai hadn't rescued you last night, then Mr. Cheng would most likely have done you something."

Tang Xiaoxuan looked at Zhou Xin in disbelief. She and Zhou Xin had known each other for a long time. It was the first time that she realized that Zhou Xin was like Luo Zhipeng, both of whom were kind and revenge.

### **Chapter 1358: Really Invited**

#### Chapter 1358

Zhou Xin glanced at Tang Xiaoxuan and said coldly: "Public is public, private is private. Besides, Lin Kai did save us last night, but why didn't he take it sooner? If you take it earlier, my family Xinghai and Luo Zhipeng You won't get hurt! You have also seen how Xinghai's face was beaten with a lot of potions. And Luo Zhipeng's arm is even more bandaged!"

Qin Ya was also unbelievable. Looking at Zhou Xin, she asked in a row: "This is obviously gratitude and revenge! According to you, if it wasn't for Luo Zhipeng to celebrate my birthday, everyone would not go to Shengshi KTV. Wouldn't it be okay? When you go to the bathroom, you won't meet Mr. Cheng, and you won't be able to attract later things. Is Luo Zhipeng to blame? Is it to you too?"

"Naturally, I don't blame Luo Zhipeng and I! If you want to blame it, Lin Kai pretends!" Zhou Xin didn't listen to Qin Ya's words at all, insisting on her own thinking.

In her opinion, Lin Kai would fight like that. Just like this, it was possible to prevent Xu Xinghai and Luo Zhipeng from being beaten at first, but Lin Kai didn't make a move, so he blamed Lin Kaiqi.

She also felt that Lin Kai had beaten Mr. Cheng on the spot. After all, that fat man slapped her, and she is considered Lin Kai's leader, so she should vent her anger!

Whether it was Qin Ya or Tang Xiaoxuan, they looked at each other, and they could see the anger in each other's eyes.

They really didn't expect that Zhou Xin would have such an unreasonable side after a few months of getting along.

They also spoke so straightforwardly, but this week Zhou Xin was just like Luo Zhipeng, just thinking that he was right, and Lin Kai was all wrong.

It is now 12:29.

The employees of the purchasing department are all going to eat in the cafeteria.

“In fact, I’m quite curious. Did Lin Kai wander around the airport all morning?”

“Cut, he will definitely not go to the airport to find Yin Suyan. After going to find Yin Suyan, there is absolutely no hope. I think that Lin Kai went to the neighboring city, try his luck.”

“There is one minute left, it’s half past twelve, hey, he hasn’t come back yet, I guess he dare not come back.”

“Yes, if you return without completing the task, it would be too embarrassing to be fired in public. If you are me, I will not return to the company.”

“...”

Almost 12:30, all the employees in the purchasing department were discussing Lin Kai.

But when everyone thought that Lin Kai didn’t dare to return to the company, an extremely excited voice rang out from the door: “Come on! Come! Lin Kai personally invited the big star!”

All the employees in the purchasing department couldn’t help but look at the door and found that after Hu Wenliang came out of the elevator, he ran all the way and shouted excitedly.

The excitement on his face seemed to invite someone who was extraordinary.

“A normal star is not bad, but a big star?”

“Yeah, the big star you said, how about people?”

Many employees, when they saw only Hu Wenliang, did not see Lin Kai, let alone the big star, they all questioned.

Luo Zhipeng’s face was full of disdain.

Zhou Xin sneered: “A few hours, just rely on Lin Kai him? Can he invite celebrities to come to our company? Isn’t it an 18th line star?”

Xu Xinghai has already walked out of the office. He spoke lightly with a leadership attitude: “The little star of the 18th line is not qualified to endorse this product of our company. During the meeting, he said strictly, at least. Second-tier stars.”

Hearing the doubts from several of his leaders, Hu Wenliang laughed and said nothing, the little star of the 18th line? What a joke! When Lin Kai came in with a big star, everyone was absolutely shocked!

As I went back from the airport and entered the city, it was noon, and during the rush hour, I ran into a traffic jam.

A few minutes ago, Lin Kai took the car and drove to the company’s parking lot.

Seeing that it was about half past twelve, Hu Wenliang proposed that he ran to the department first and reported the situation to everyone.

Lin Kai and Yin Suyan would come in soon.

Seeing that Hu Wenliang hadn't spoken, one by one was more certain that Lin Kai invited the 18th line star, and he really had the face to say that he was a big star.

The elevator just at the door stopped on the first floor.

It is estimated that Lin Kai brought people over.

These employees of the purchasing department were not in a hurry to leave, they all wanted to see who Lin Kai invited, and I wonder if they have heard of it.

If you haven't heard of the 18th line star invited by Lin Kai, it would be a bit funny.

Ding.

At this moment, the elevator door opened, and Lin Kai's figure appeared first, in the sight of everyone.

Immediately behind Linkou was a girl who was very tightly covered by a big windbreaker, hat, sunglasses, etc.

Although I can't see the face, but in terms of body shape, the male compatriots in the purchasing department have swallowed.

"The cover is so tight, it's a cover-up, and if you dress up like this, you think you have invited a big star!"

"I think I found a model casually, and then deliberately did so, pretending to be a big star!"

Many employees in the purchasing department were disdainful of this.

Lin Kai walked into the purchasing department at this time. He looked at Xu Xinghai and said, "Manager Xu, when I came back, there was a traffic jam. You shouldn't be late?"

It was exactly half past twelve, and it came by stepping on it, which was within the prescribed time.

Xu Xinghai is naturally not good. In this regard, he cares about Lin Kai and just nodded and said, "I'm not late."

As Xu Xinghai said, he looked at Yin Suyan who was standing next to Lin Kai, and said solemnly: "If you are not a second-tier star or above, you will not be able to endorse this new product of our company. So if it is not, sorry. Please go back."

Yin Suyan took off her hat, sunglasses, and the mask she was wearing at this time, revealing her beautiful face, and then said: "Then am I competent?"

When the purchasing department saw Yin Suyan's whole picture clearly, there was a brief silence here.

"Yin... Yin Suyan?"

"Oh my God! Am I right? It really is Yin Suyan!"

"Lin Kai really invited Yin Suyan!"

"How did Lin Kai do it? It's incredible!"

With a cry of exclamation, the sound of shock like mushrooms sprung up in the ears.

“Lin Kai, you are great!” Qin Ya finally let go of her worry about Lin Kai. She looked at Lin Kai, her eyes became more and more colorful, and she was really happy for Lin Kai.

Luo Zhipeng’s expression changed and changed, his eyes were dull, and he kept muttering: “How is this possible! Lin Kai, this kid, how can He De, can actually invite Yin Suyan...what the \*\*\*\* is going on!”

Zhou Xin was also like Luo Zhipeng, with a dull face and a frantic roar inside, as if she didn’t want to believe this fact.

### **Chapter 1359: Lin Kai’s Face**

#### Chapter 1359 Lin Kai’s Face

The most shocking thing is Xu Xinghai.

He knows well that the senior executives of Li Shengxian’s company have also contacted Yin Suyan’s agent. Yin Suyan’s agent refused, saying that he would go to the capital at noon to catch a well-known variety show.

There is also Leiyuan Group, who wants to save Yin Suyan and continue to let Yin Suyan cooperate with its subsidiary Qinren Film and Television Company.

But Leiyuan Group could not keep Yin Suyan.

That’s Leiyuan Group! Strong financial resources! It is said that it is a sky-high price and wants to keep Yin Suyan, but Yin Suyan just does not agree to continue cooperation!

Xu Xinghai understands this, knowing that Lin Kai is absolutely impossible, and can invite Yin Suyan.

However, it turned out that Lin Kai invited it!

After a while, Xu Xinghai recovered from the shock, and quickly asked Yin Suyan: “Miss Yin, I remember that you are not taking a plane at noon and going to the capital to participate in the recording of a variety show? right now?”

Xu Xinghai asked. At this time, everyone in the purchasing department was confused, yeah, isn’t there no time? Besides, how could he be one of the hottest female celebrities in the past few months, so he was invited by Lin Kai?

Yin Suyan smiled and said: “Normally speaking, participating in this variety show is very important to me. No matter what company it is, ask me to be an endorsement, no matter what the cover of an advertisement magazine or the like, even if the bid is high, I will do it. I refused. But since it is Mr. Lin, who has invited me over, I will postpone it without hesitation. Any work in hand will also promise Mr. Lin.”

Everyone in the purchasing department, including Hu Wenliang, was stunned.

Listening to what Yin Suyan meant, she could come here because of Lin Kai’s face, what’s the situation? Lin Kai is just a new employee, so how can he save so much face!

Xu Xinghai was stunned again, but seemed to think of something. He chuckled and said, "Miss Yin, it is indeed an honor for our company that you can come to our company. But our company has a limited budget, so the endorsement fee for this new product will not be too much. high"

He has already been bought by Leiyuan Group, and he will never see that Yin Suyan really endorses new products for Li Shengxian's company.

If this matter is disturbed, he will talk to Leiyuan Group again, maybe Leiyuan Group will reward him.

In his opinion, Yin Suyan is giving Lin Kai the face, but he keeps the endorsement price very low, which is the price level of the 18-tier star.

Without money, you would never endorse?

After all, they all want to earn more. If this is the case, he can drive Yin Suyan away.

What Xu Xinghai never expected was that Yin Suyan said, "Low prices are not a problem. I don't care about the price when Mr. Lin invited me. Even if it is free, I have no opinion at all."

What? Are you free?

Everyone was surprised, how great is Lin Kai's face!

Xu Xinghai is even more dumbfounded, what is the situation! Free endorsements are fine!

At this time, the purchasing department, except for Xu Xinghai, Luo Zhipeng and Zhou Xin, felt very unhappy that Yin Suyan was invited by Lin Kai.

The other employees are very happy.

Let alone other things, in reality, it is already very exciting to witness the big star Yin Suyan.

Not to mention that the company's urgent task was completed perfectly.

It was the employees of their purchasing department who did it. You must know that this was the job of the propaganda department. As a result, their purchasing department completed this difficult task.

In the future, the company will inevitably take care of their purchasing department, which is a happy thing for everyone.

Next, the purchasing department stopped eating.

Lin Kai had already invited Yin Suyan, so he naturally had to make an endorsement.

The urgent task of this company was handed over to the purchasing department, so they had to do it by themselves. They mainly hired stars and got contracts. As for the shooting, they called the backbone of the propaganda department to come and shoot.

The Propaganda Department has already written the copy of the specific content of the endorsement advertisement, and it's just the star.

Not only that, according to the copywriting, a person who plays Yin Suyan's couple is needed to complete the filming together.

At this moment, not only the male compatriots in the purchasing department were excited, but the male compatriots from other departments also rushed to the show and signed up to participate in the performance, all in order to get close to Yin Suyan.

Of course, the decision is in Yin Suyan's hands. She asked Lin Kai: "Mr. Lin, I invite you to shoot this commercial with me, how about?"

Lin Kai was embarrassed to refuse, although he knew that Yin Suyan could come here because he had rescued Yin Suyan last night.

But he was also to complete the system task, and Yin Suyan took the initiative to propose that he did not need endorsement fees, that is to say, he really helped free.

Li Shengxian's company currently invests all its working capital in projects in the suburbs of Xicheng, which can be regarded as a ruin, so that there is not so much money. It can only invite first-tier stars, but second-tier stars can only step back.

But the task of shooting is to be completed today, which is the most difficult, otherwise the partner will stop cooperating if the shooting is not done today.

As a result, the company's senior management couldn't finish it, so it was handed over to the people below, but they didn't report any hope.

This new product can only be temporarily abandoned.

However, Lin Kai invited Yin Suyan. With Yin Suyan's current popularity, which is higher than that of first-line stars, the endorsement price must be a sky-high price.

Li Shengxian's company is absolutely unaffordable.

However, Yin Suyan did not ask for the endorsement fee. In addition to Yin Suyan's popularity, this new product of Li Shengxian's company, as long as it is advertised, the sales volume will definitely become a recent hit.

In other words, Li Shengxian's company was completely cheaper.

Lin Kaiben is the shareholder of Li Shengxian's company, and Li Shengxian's company has developed well, which is also a good help for Li Shengxian to stabilize the position of the heir of the Li family.

The development of the suburbs of the West City will take time. Even if the suburbs of the West City are not as good as expected, they can turn over with the sales of new products.

In short, Lin Kai has to thank Yin Suyan.

Lin Kai also told Li Shengxian about this matter, and Li Shengxian was also very excited. With Yin Suyan's endorsement, his company's new product can guarantee the company's performance for at least two years.

So at this time, Lin Kai agreed to Yin Suyan without thinking about it.

When filming, Lin Kai is pure background, just have a back.

The protagonist of the advertisement is Yin Suyan.

Yin Suyan was also professional, and there was no problem during the shooting.

So that the shooting was completed soon, and when it was over, it was already half past one in the afternoon.

Yin Suyan returned to Lin Kai.

The employees in the purchasing department also returned after eating.

When Yin Suyan seemed to have something to say to Lin Kai, his ears stood up to listen.

### **Chapter 1360: Crazy Jealous**

#### Chapter 1360 Crazy Jealousy

At this moment, Yin Suyan looked at Lin Kai and smiled: "Mr. Lin, last time you helped me, I asked for your phone number. I forgot to give you my private phone number. Now give it to you, let's first Add a friend. This will make it easier to contact me in the future. If you have any questions, you can contact me at any time, so you don't have to be as troublesome as today."

Wow!

Just after Yin Suyan's words fell, an employee of a nearby purchasing department originally held a pile of documents. When he heard Yin Suyan's words, his hands trembled and the documents fell to the ground.

what?

The super-popular new first-line female celebrities actually offered to add friends to the new employees of their company who had just joined the company, and kept private phone calls!

What is the situation? Did Yin Suyan fall in love with Lin Kai?

Luo Zhipeng was also watching Yin Suyan nearby. He was so jealous that his eyes were about to burst into flames. He immediately sneered: "Lin Kai, this poor boy, don't tell me the star. A slightly beautiful girl doesn't like him. It's impossible to find a slightly beautiful girlfriend in your life. Miss Yin is just saying something polite, you don't have to take it seriously."

Some employees heard Luo Zhipeng's words and thought about it. They just added friends to leave the phone. When Yin Suyan knew that Lin Kai was a poor boy, he would naturally not respond.

And Yin Suyan also said that it was because Lin Kai helped her last time, leaving a phone call just as a courtesy.

When more and more employees in the purchasing department felt that Luo Zhipeng made sense, Tang Xiaoxuan couldn't help but stand up.

Tang Xiaoxuan glanced at Luo Zhipeng first, and then set his gaze on Lin Kai, with a trace of love in her gaze: "Who said that a girl who is a little more beautiful looks down on Lin Kai? If Lin Kai is willing, I will do it now. Become Lin Kai's girlfriend!"

Last night, she saw through Feng Jia, and the moment Feng Jia left, she had already broken up with Feng Jia.

Compared with Lin Kai's bravery, Tang Xiaoxuan directly likes Lin Kai and dares to take on it.

She didn't do this to refute Luo Zhipeng, but she told the truth.

"What? Tang Xiaoxuan also fell in love with Lin Kai? She is one of the two goddesses in our department!"

The two goddesses in the purchasing department, Qin Ya and Tang Xiaoxuan, are naturally beautiful in their looks.

Unexpectedly, Tang Xiaoxuan said frankly that she fell in love with Lin Kai, and seeing the admiration in her eyes did not seem to be false.

This makes many male compatriots in the purchasing department jealous.

Yin Suyan is too far away, don't even think about it in this life.

Tang Xiaoxuan was different. She was a colleague who was close to her and still had a chance.

However, now that she likes Lin Kai, the male compatriots in the purchasing department will naturally envy and hate.

Luo Zhipeng's face was extremely ugly, because Tang Xiaoxuan's words meant just slap him in the face!

Luo Zhipeng snorted, "There is nothing strange about a woman who has been left behind and abandoned."

This made Qin Ya frowned and said, "Like Tang Xiaoxuan, if Lin Kai is willing, I will confess to Lin Kai on the spot and become his girlfriend!"

When Lin Kai looked at Qin Ya with a surprised look, Qin Ya seriously said to Lin Kai, "Lin Kai! What I said is true, as long as you are willing!"

Everyone in the purchasing department was stunned, or did they know Gao Leng Fan Qinya?

In particular, Luo Zhipeng was as embarrassed as he was eating a fly, and his expression was extremely gloomy.

Everyone in the purchasing department knew that he had been pursuing Qin Ya for a long time and had also spent a lot of money.

But this Lin Kai only came to the company for two days, so Qin Ya admired Lin Kai.

Luo Zhipeng's mood was so bad that he hated Lin Kai even more.

"What charm does Lin Kai have that can make the two goddesses of the department jealous!"

Many male compatriots in the purchasing department also sighed.

But, the next moment, they will be more envious and jealous! It can be said that I am almost jealous!

A smile flashed in Yin Suyans beautiful eyes and said to Luo Zhipeng: “Mr. Lin is the best man I have ever seen. In my opinion, as long as Mr. Lin himself is willing, how many beautiful girls are rushing to ask Mr. Lin . Even if I am, I intend to move Mr. Lin.”

As soon as this remark came out, it was like a thunderstorm.

The male compatriots in the purchasing department, no matter who they are, are so jealous!

During the months of Yin Sus fireworks, naturally there were black fans. I wanted to pick up Yin Suyans black history, but found that there was no black history at all, and there was no scandal!

She is the most perfect and pure national goddess in the eyes of male fans!

The meaning of Yin Suyan’s words is obvious now, and she also loves Lin Kai!

What kind of \*\*\*\* did Lin Kai step on? Even the goddess of the nation has fallen!

Not only that, Qin Ya and Tang Xiaoxuan both stared at Yin Suyan vigilantly, and both stood beside Lin Kai.

“The celebrities are also people, so you have to talk about coming first, right?” Tang Xiaoxuan said first.

Qin Ya also said, “Yes! The most important thing is that you have to compete fairly, and you can’t do whatever you want with your status as a big star!”

Tang Xiaoxuan and Qin Ya talked, approaching Lin Kai again, trying to squeeze Yin Suyan aside.

Yin Suyan was actually quite annoyed in her heart. She couldn’t think of how these two girls would compete with her so strongly.

Had it not been for his identity, he would have taken Lin Kai’s arm long ago.

As for Lin Kai, who was the person involved, they were all big. He didn’t seem to be doing anything, and didn’t say anything, why was he surrounded by three women, and he was still fighting for him?

He just came to Li Shengxian’s company and sneaked in to catch the ghost.

Although things weren’t a failure, it didn’t go well either. He just lurked for a few more days with peace of mind to see if he could investigate several other inner ghosts.

But in this way, Qin Ya and Tang Xiaoxuan, two colleagues, both kicked in. How could this make him feel at ease?

Nearby Luo Zhipeng’s jealous internal organs were about to explode.

His complexion was extremely ugly, and his heart was jealous, but on the surface, he still insisted: “What is the use of being seen by a woman? Is it possible that a poor boy who doesn’t even have a car intends to let a woman raise it? rice?”

Hearing this, Hu Wenliang said helplessly to Luo Zhipeng: “Deputy manager Luo, I have already said it more than once. Lin drove his car, and his car is indeed a Rolls-Royce Phantom. Why are you? Haven’t you believed it?”

Luo Zhipeng sneered again: "He's lying to a fool. Only a fool believes that he has a Rolls-Royce Phantom. I will ask you, who has seen Lin Kai's Rolls-Royce Phantom with his own eyes?"

Without waiting for Hu Wenliang's response, Qin Ya immediately said, "I'm sorry, I really saw it. Lin Kai drove me the Rolls-Royce Phantom last night and drove me home."

Yin Suyan also said lightly: "Mr. Lin picked me up from the airport, and he was driving his Rolls-Royce Phantom."
