

Special Forces 1411

Chapter 1411: Solve The Root

Chapter 1411

These are still rational.

There is no shortage of fans of Yin Suyan nearby.

After the fans knew the ins and outs, they were all extremely angry.

“How dare you slander my goddess! You can’t find it!”

“Teach me a hard lesson!”

The fans were angrily and went forward to beat the obscene fat man.

Seeing this scene, the obscene fat man flew in a panic, while the angry group of fans chased the obscene fat man to fight.

Seeing everyone being caught, the scene where the group of fans chased the obscene fat man was fascinated.

Lin Kai took the opportunity to take Yin Suyan and quickly left Donghai Airport.

Then drove the Rolls-Royce Phantom, carrying Yin Suyan, and headed for the Lingnan Expressway.

Lingnan is really close to two cities.

At this time, Yin Suyan was sitting in the co-pilot and had already taken off all the Yanshi clothes that covered her body. She half-opened the car window to let it breathe.

The outside wind blew over, and Yin Suyan’s waist-length hair was moved.

Yin Suyan looked at Lin Kai, who was driving the car, and smiled softly: “Mr. Lin, thanks to your help, otherwise I don’t know what to say.”

Although she had encountered these problems before, it was usually economic companies who helped her.

Of course, she had dealt with it herself, but she didn’t meet an extremely shameless person like today.

Lin laughed without saying a word, and continued to drive the car.

Yin Suyan looked at Lin Kai again with a curious look, and asked: “That person’s name is Wang Biao, does Wang Biao really have AIDS?”

Lin Kai said casually: “I have learned some Chinese medicine, and I can still see it at a glance.”

In fact, because he is a cultivator of immortality, he doesn’t need to learn Chinese medicine at all. If he encourages his true energy, he can see ordinary people and he can achieve the effect of seeing, hearing and asking.

Yin Suyan suddenly became more curious, and asked subconsciously, "Mr. Lin, can you help me see if I have any disease?"

Lin Kai glanced at Yin Suyan after hearing this, and then smiled: "Miss Yin, although you are indeed not sick, it should be due to your occupation. Day and night are turned upside down, and you are already in a state of imbalance. Okay, I suggest you eat more blood tonic."

Yin Su smiled a look of admiration in his eyes, but he didn't expect to see it, and then nodded obediently, really paying attention to this aspect.

Lin Kaiyou noticed that Yin Suyan had a small sachet hanging around his waist. In the sachet, he sensed the amulet, but it seemed to be missing.

So Lin Kai said, "Miss Yin, in the sachet on your waist, there should be the three amulets I gave you. Have you put them inside? Show me what happened to the amulet inside."

Yin Suyan's pretty face changed, and then he sighed: "In fact, I just happen to have to talk about this question."

She said that she took the sachet from her waist and opened it slowly. Sure enough, there was only a talisman left in it.

It also means that Yin Suyan suffered two dangers in one night.

In case of danger, the amulet will protect Yin Suyan, and will dissipate after the protection is over.

Yesterday, when I saw Yin Suyan off, he was worried that Yin Suyan would be in danger, so he gave three amulets, and he didn't say much.

However, Yin Suyan was very serious. He kept these three amulets by his side, and specially prepared a small sachet to hang around his waist.

Lin Kai frowned slightly: "Miss Yin, do you know what exactly are you in danger?"

Yin Suyan nodded and shook his head again: "Although I knew a little bit, I didn't pay attention. I didn't expect that I would endanger my life at the shooting scene."

Lin Kai couldn't help but wonder: "Do you know who did it?"

Unexpectedly, Yin Suyan was also confused, but she also offered a guess, saying: "I suspect that it was Hang Shao from the capital, Yu Youhang did it. Last time you rescued me from the hotel, it was Yu Youhang who wanted to capture me. . On the contrary, my whereabouts should have been exposed to Yu Youhang by Leiyuan Group."

"Oh? There is something like this? You should also have energy behind you. If you guess Yu Youhang, go and ask for an explanation. And if Leiyuan Group participates, you dare to run here? The power of Leiyuan Group It's not just the East China Sea, I guess Lingnan also has the shadow of Leiyuan Group." Lin Kai said.

This is not his guessing, there is indeed a force in Lingnan that cooperates with Leiyuan Group.

Leiyuan Group has cooperation in several nearby cities.

“It’s not that simple, mainly because of insufficient evidence.” Yin Suyan also shook his head helplessly, and then said: “I came here mainly because there is a big movie to be shot, and many sceneries are here, so I have to come. I have already pushed the online movie of Leiyuan Group, and this is a big movie in theaters, I can’t push it anymore.

So even if I know there is danger, I have to come here. Besides, when I was transiting in the East China Sea, I actually came to see you and wanted to call you. I didn’t expect to meet you directly at the airport.”

After listening to what Yin Suyan said, Lin Kai nodded secretly. Indeed, there is no way for this, after all, he has to work.

At this time, Yin Suyan continued embarrassedly again: “Um...Mr. Lin, do you have any amulet? I know this amulet is very precious. If there is one, I am willing to pay a big price to buy it.”

Lin Kai shook his head and smiled. He has the ability to extract talisman. There are as many amulets as you want. That is, you can only bring three amulets at most. If there are more than three extra cards, the effect will be lost.

However, I can keep the extra amulet at home and use it again after using it.

Lin Kai smiled and said, “Ms. Yin, in fact, I still have a lot of amulets, and it’s okay to give them to you. But if this goes on, it’s not a solution, right? Treat the symptoms instead of the root cause.

“Mr. Lin, what should I do!”

When Lin Kai said this, Yin Suyan was immediately worried. Yes, it is not a solution if the fundamental problem is not solved.

Yin Suyan continued: “I don’t know what kind of person I want to hurt. I only know that I brought a gun with silencer. I shot two shots in the corner last night while I was out. There is no monitoring.”

Lin Kai frowned: “Did you go to Lingnan to shoot a new movie?”

“Yes, this evening, those who are going to meet the investors and crew of the new movie are scheduled to be in Lingnan and have a meal together in the evening. Tomorrow, I will officially start filming here.” Yin Suyan responded .

Lin Kai thought for a while. The task given by this system is to protect Yin Suyan’s safety today, which means that Yin Suyan will definitely be in danger when he is in Lingnan.

Then, it is very likely that the person behind it was the hand, and he helped Yin Suyan find the person behind and solve the fundamental problem.

Chapter 1412: To Lingnan

Chapter 1412

So Lin Kai thought for a while, and said: “Miss Yin, when it comes to Lingnan, I can be by your side and protect you for a day or two. If someone still secretly shoots you, I will help you catch it. At that time,

the evidence will be there, and the root of the problem will be cleared out. If this is the case, you don't need to worry about it anymore.

"Mr. Lin, I really want to thank you! I don't know how to repay you!"

Yin Suyan was extremely surprised. She had seen Lin Kai's greatness the day before yesterday. If Lin Kai was around to protect her and help her, her whole heart would instantly settle down.

With Lin Kai here, she felt relieved.

Lin Kai said: "If Leiyuan Group is also involved, then I also have certain responsibilities. After all, because I posted the Leiyuan Group news on the Internet, you and Leiyuan Group terminated the contract, so there is no need for this."

What he said is true. If Leiyuan Group colludes with some Jingcheng Hang Shaoyu Youhang to harm Yin Suyan, then it has something to do with him.

Besides, the system task is to protect Yin Suyan for one day.

Yin Suyan shook his head: "First of all, I terminated the contract with the film and television company of Leiyuan Group. Secondly, Leiyuan Group really wants to participate, and it has nothing to do with you. It is more open to me. So thank you very much. you."

She thought for a while, and then chuckled: "In the future, if there are endorsement advertisements like the last time, you can ask me for free help. Or whatever else, it will do. Although it is not enough to repay your favor, but I can think of it carefully for the time being, but that's all for now."

Lin chuckled, seeming to think of something, and then responded: "You said that, there is really something that needs your endorsement."

"Oh? What endorsement?"

"A flagship cosmetic is newly developed by a good friend of mine, and I can guarantee the quality." Lin Kaidao.

It is actually the first cosmetic developed by Lin Qianqian Company.

Actually Lin Qianqian celebrated Dong Shu's birthday yesterday and came to Lin Kai's house to talk about it incidentally.

Lin Qianqian and Dong Shu have been treated all night, and they are still in Lin Kai's house.

In the morning, the two women asked about Lin Kai's situation.

At the same time, Lin Kai also learned of the status of the two women. Lin Qianqian also explained that her company has developed the first cosmetics and is preparing to become the main cosmetics. It needs a famous celebrity endorsement.

After all, Lin Qianqian knew that Lin Kai had an entertainment company in the capital.

Lin Kai is planning to arrange for his own company's artists to speak.

But at present, his company's artists are the most popular, but there is no Yin Su fireworks.

One can imagine how strong Yin Suyan's popularity is.

Therefore, it would be better to have Yin Suyan's endorsement.

At this time, Yin Suyan smiled and said: "No problem! When the time comes, when I need to be used, just say, I will rush over!"

Lin Kai nodded, and then continued to drive towards Lingnan.

After driving another hour and a half, we arrived in Jinyuan City.

The direction to Lingnan is to bypass Jinyuan City.

Yin Suyan saw Lin Kai go directly to Lingnan and navigated away, and asked, "Mr. Lin, do you go directly to Lingnan?"

"Yes, what's the problem?" Lin Kai wondered, isn't the destination just Lingnan?

Who wants Yin Suyan to touch her flat belly without a trace of fat, muttering: "It's almost noon, isn't this going to Jinyuan soon? It's better to have lunch in Jinyuan before leaving."

Lin Kai couldn't help pointing to the back seat, and smiled and said, "There are some snacks on the back seat. If you are hungry, you can take it yourself. If you don't want to eat it, I have nothing to do. Anyway, I won't die if I'm hungry. Lose weight."

Yin Suyan immediately glared at Lin Kai and hummed: "I have such a standard figure, do I still need to lose weight? And as the saying goes, people are iron rice or steel, so I don't eat a meal and panic. What's more, I film variety shows all night. Coupled with the attack, I didn't eat anything all night, so I was naturally hungry."

"Let's go, let's go, then we will almost reach the service area on the highway. When I am in the service area, I will stop and buy some more food." Lin Kai said helplessly.

Yin Suyan was not happy again, and continued to hum: "The food in the service area is known to be expensive and not tasty. Why not buy more snacks, the snacks in the back seat are not enough for me to eat for ten minutes."

Lin Kai was stunned, but there was a full bag of snacks in the back seat, which was left by An Xiaoran.

Unexpectedly, Yin Suyan, who had such a perfect figure, could be so edible.

You must know that celebrities, especially female celebrities, are very strict to maintain their figure management. It is normal to eat less or not.

Even if you eat a little more, you will exercise for a while, which is to keep your figure unchanged.

In this case, it will be more beautiful and beautiful in front of the camera.

It seems that Yin Suyan is very envious of countless girls, the kind of figure that can't eat fat.

In this way, Lin Kai had to follow Yin Suyan's words, and when he arrived at the service area, he bought a lot of snacks for Yin Suyan.

Yin Suyan sat directly in the back seat and ate happily.

Lin Kai was speechless.

After a few hours, I finally arrived in Lingnan.

During the period, Liu Jie, Yin Suyan's agent, kept calling Yin Suyan for fear that Yin Suyan would be abducted by Lin Kai.

Sister Liu didn't relax until she saw Yin Suyan and appeared in front of her without incident.

However, after Lin Kai sent Yin Suyan, he still followed Yin Suyan.

Although Sister Liu was very confused, she did not ask.

Yin Suyan took the initiative to tell Sister Liu, and Lin Shanxi stayed by her side and protected her for a day or two.

Sister Liu was not surprised at this, even if Yin Suyan said that Lin Kai was already her boyfriend, Sister Liu would not be surprised.

Because Sister Liu could see that Yin Suyan looked at Lin Kai from time to time.

She is indeed Yin Suyan's agent, but Yin Suyan is not an ordinary star. At most, she just advises about this kind of private life and dare not care about it.

If it's not the kind of popular star, you can still manage it.

At this time in a suite in the hotel.

Lin Kai was sitting in the living room of this suite, while Sister Liu took Yin Suyan to the sleeping room.

Sister Liu said to Yin Suyan: "Su Yan, at about 7 o'clock in the evening, I have to go to the Xiangge Yunlan Hotel, and I have to go to the Xiangge Yunlan Hotel and talk to the director of the big movie Cao, director Pan, and the male first and male The second and second female will go there and have a meal together."

"Isn't it the investor and the crew, have a meal together, don't you need to be so cautious." Yin Suyan couldn't help but shook his head, apparently dissatisfied that Liu Jie pulled her away from Lin Kai.

Sister Liu responded: "It's mainly because I have other things to deal with at night, and I rely on you for this dinner."

Chapter 1413: Become A Bodyguard

Chapter 1413 Becoming a Bodyguard

In the past, it was the agent who took the artist to participate in various meals.

In order to avoid unfair treatment for their artists, they will block alcohol or support the scenes for the artists.

Although Yin Suyan is a very famous star in the past few months, his qualifications are there after all.

The qualifications are still relatively small, and both the investor and the director are both top-notch but first-class in the industry.

As a result, Sister Liu was worried that she would no longer be at this dinner, and worried that Yin Suyan would say something wrong.

Most importantly, Sister Liu naturally knew that Yin Suyan was attacked twice last night. Although Sister Liu did not know how Yin Suyan avoided danger, she was still very worried about Yin Suyan's safety.

Yin Suyan saw the look of Sister Liu and smiled and said: "Sister Liu, you don't need to worry about these things anymore. Mr. Lin is my personal bodyguard, of course I have to take him with me during the dinner. With him by my side, it won't What's wrong."

Sister Liu shook her head secretly. She still didn't trust Lin Kai, but when she came here, she said helplessly: "Okay, if something goes wrong with dinner at night, send me a message or call immediately, and I will ask the company. Over there, support."

At the same time, Lin Kai received a call from Li Shengxian on the sofa of this suite. In order not to disturb the conversation between Liu Jie and Yin Suyan in the room, he walked out of the suite and chatted with Li Shengxian.

Li Shengxian called, to the effect that all the ghosts in his company were successfully caught and handed over to the police.

It's a pity that the group of ghosts seemed to be quite cautious, leaving no clues with the Leiyuan Group.

Even if it was given by the Leiyuan Group, the ghost transfers within the group were also through private transfers.

And that private person is someone who has nothing to do with Leiyuan Group.

Therefore, without iron proof, it is impossible to prove that the Leiyuan Group disrupted industry competition.

At this point, Lin Kai had no surprises.

If it was found to be related to the Leiyuan Group, he would look down on Lin Yuan instead.

Lin Yuan is still alive now, entirely because of his caution.

Lin Kai is not worried about other things, he is worried about Lin Yuan's unscrupulous means.

In addition to talking about this incident, Li Shengxian also said that he was officially discharged from the hospital today and began preparations for the development of the suburbs of Donghai Xicheng.

Lin Kai asked Li Shengxian to pay more attention to this.

After all, the inner ghosts who arranged Leiyuan Group to his company were all picked up.

The Leiyuan Group spent so much money, and the inner ghost who finally instigated rebellion was exposed in this way. It would definitely not be so reconciled. There must be actions against Li Shengxian's company.

Li Shengxian also understands this truth.

After that, Lin Kai chatted with Li Shengxian for a few more words, and then hung up.

When he put away his mobile phone and was about to return to the suite, the door of the next suite was half open, and a woman's voice came from inside: "Mr. Cao, as long as you give me the opportunity to play this time, every night when people are filming, Anyone can come to your room."

"No problem, I will talk about it when I have dinner in the evening." A man who heard the voice of the leader came out.

Immediately from the half-open suite, a bald middle-aged man and a young beautiful woman walked out.

The two were shocked when they saw Lin Kai outside.

The beautiful young woman hurried back to the room and closed the door of the suite.

And the bald middle-aged man left quickly.

Regarding this, Lin Kai didn't feel any waves in his heart.

There are too many unspoken rules in the world of drunken gold fans.

Lin Kai was not interested, and then returned to the suite where Yin Suyan lived.

"Lin Kai, what did you go out for?"

Yin Suyan sat on the sofa in the living room and asked curiously when he saw Lin Kai coming in.

Lin Kai said casually: "I made a call."

Yin Suyan immediately spoke again: "It's still early, there is still some time before the evening meal, how about we two go shopping?"

Even if Sister Liu came out of the bedroom at this time, she still asked Lin Kai.

Lin Kai was not surprised. In fact, he had a little discussion with Yin Suyan on his way here.

In a place like a hotel, it is estimated that the person behind the attack cannot be drawn.

After Yin Suyan goes out, he may be attracted.

Therefore, it was a good idea to go out, but this plan could not be let Sister Liu know, Yin Suyan said to go shopping.

Lin Kai naturally nodded and agreed.

Sister Liu saw Yin Suyan invite Lin Kai to go out for a stroll, and she shook her head helplessly. She couldn't say anything about this kind of thing. She could only remind her: "Su Yan, cover yourself well, don't expose yourself too much, so as not to be recognized. , Thats not good if you encounter danger."

"Sister Liu, I understand this."

Yin Suyan said, he began to use some clothes to cover himself, such as sunglasses and fashionable hats.

After all these were set up, they started to leave the hotel with Lin Kai.

Lin Kaiping didn't drive the Rolls-Royce Phantom either. Since he wanted to draw out the person who attacked Yin Suyan from behind, of course it was more appropriate to walk around the streets.

So that the two of them wandered freely.

This hotel is not far away, but there is a large shopping mall.

Yin Suyan first looked at Lin Kai's clothes, then at the large shopping mall, and suddenly smiled: "This is no way to stroll around at will. After all, it's still a question whether it can be drawn out. I'll take you to the mall first. You buy a set of clothes that fit. How can you say that you are my personal bodyguard now, and you have to attend dinner with me at night, and you should pay attention to your clothes."

Lin Kai never cared about clothes or anything.

Although he is very rich, the clothes he buys now are all tens of hundreds of yuan, and the most expensive one is only one thousand yuan.

So he currently adds up to a few hundred bargains.

But when Yin Suyan said so, Lin Kai did not refuse, and said: "Okay, Miss Yin, then do what you said."

As Lin Kai responded, he calmly urged Jin Tong, and saw clearly that there was a person in the cafe on the corner of the street, watching Yin Suyan and Lin Kai.

Lin Kai sneered secretly, he had already noticed the man.

However, on the surface, he and Yin Suyan went to the large shopping mall very calmly.

After the two left here, the man in the cafe walked out.

This person is called Iron Hand, and Iron Hand seems to be the right-hand man of Yu Youhang, the young master of the Yu Family in the capital, but he actually worked secretly for Lin Yuan of the Leiyuan Group.

Between Yu Youhang and Yin Suyan, he was the one who single-handedly provoked. To be precise, Lin Yuan secretly ordered him to let Yu Youhang act on Yin Suyan.

Naturally, he came here to kill Yin Suyan.

Yu Youhang just ordered him to take Yin Suyan away and bring him to Yu Youhang.

But Lin Yuan ordered that Yin Suyan be killed directly.

Chapter 1414: Turning Bullet

Chapter 1414: Turning Bullet

How could the iron hand not understand Lin Yuan's purpose, that is, to blame Yu Youhang for the murder of Yin Suyan.

Because Yu Youhang was in Beijing once before, he didn't give Lin Yuan any face. In fact, it was a trivial matter and harmless.

But Lin Yuan had always held a grudge, and after he became stronger, he put his eyeliner next to Yu Youhang.

This eyeliner is an iron hand, enough to see Lin Yuan's terrifying point.

This time Lin Yuan wanted to kill two birds with one stone. Because Lin Yuan hated Yin Suyan before Yin Suyan's termination, he invited Yu Youhang to the East China Sea and deliberately arranged for Yu Youhang and Yin Suyan to meet at night.

It's a pity that Yin Suyan was rescued by someone, causing Lin Yuan's layout plan to fail.

In addition, Yin Suyan even endorsed the advertisement of the new product for Li Shengxian's company, which made Lin Yuan even faster after the removal.

Let Tie Shou provoke Yu Youhang to continue to attack Yin Suyan.

Although Yu Youhang was daring, he didn't dare to kill Yin Suyan, so he asked Iron Hand to go and **** Yin Suyan and bring him to his side.

Of course, the iron hand obeyed Lin Yuan, killed Yin Suyan, and then blamed Yu Youhang.

It's just that last night, he dropped his hands twice, and the bullets were about to penetrate Yin Suyan's head. For some reason, Yin Suyan was fine, as if he hadn't been hit by a bullet.

At that time, he felt unbelievable and decisively withdrew.

Then early this morning, there was news that Yin Suyan had gone to Lingnan.

Yu Youhang had already been an iron hand and prepared a ticket to Lingnan.

So the iron hand just arrived, so he waited in the coffee shop outside the hotel.

Unexpectedly, it was really guarded.

But he also noticed Lin Kai beside Yin Suyan. For Lin Kai, he only knew that he was Lin Yuan's cousin.

Since he had been by Yu Youhang's side, he didn't know Lin Kai's specific strength, but he knew that Lin Yuan hated Lin Kai.

This made Tie Shou's eyes lit up, looking at the departure of Lin Kai and Yin Suyan, and sneered: "Yin Suyan! Lin Kai! It happened that both of them were killed!"

Especially after killing Lin Kai, perhaps when Lin Yuan was happy, he would pull him away from Yu Youhang and transfer him to work under Lin Yuan's hands.

In any case, he is currently just an inner ghost, and these sneaky days have made Iron Hand very unhappy.

Moreover, working under Lin Yuan can enjoy various benefits, especially during this period, a Leiyuan Group was established.

Many of them are high-level people, who were the first people to follow Lin Yuan before.

Speaking of it, he was also the first group to follow Lin Yuan, but the treatment was very different.

When the iron hand thought of this, his expression of excitement appeared. As long as he succeeded in killing both Yin Suyan and Lin Kai this time, he waved at him in the future of honor and prosperity!

Ever since, Tie Shou also started to go to that large shopping mall.

This mall should be the largest and best mall in Lingnan, and it can often be judged by the merchants who enter the mall.

The more big brands or luxury goods, the bigger the mall, the better.

Now the malls Lin Kai and Yin Suyan walk into are full of famous shops selling high-end luxury goods or big brands.

However, the first floor sells gold and silver jewelry, or cosmetics, which attract girls.

On the second floor are all kinds of women's clothing and men's clothing.

Yin Suyan valued the men's clothing brands on the third floor and went straight to the third floor.

"Mr. Lin, you are here to protect me and act as a personal bodyguard for me for a while, so naturally I will pay the money for buying a piece of clothing. For this, don't fight with me."

Yin Suyan smiled as soon as he reached the third floor.

Lin Kai shook his head and laughed, "Since it's Miss Yin, if you insist on asking me, I won't fight."

After that, Yin Suyan was very happy, and took Lin Kai to a store that specializes in selling men's clothing with a famous brand, and took a look.

After choosing it for a long time, Yin Suyan finally chose the top, and let Lin Kai change it in the dressing room.

When Lin Kai took the clothes to change, he noticed that the person who was in the coffee shop before came to a corner outside the store and was holding the silencer pistol at Yin Suyan.

I have to say that the position of the candidate is very good, and he can indeed kill Yin Suyan with one shot.

Lin Kai also noticed that the man didn't seem to be in a hurry to shoot, as if he was waiting for him, and wanted to take Yin Suyan and him with a shot.

And it seemed that that person should have wanted to get Lin Kai out of it first.

So Lin Kai didn't worry, and went to the changing room.

Leaving aside that person, the first person who wanted to kill was him. There were three amulets in Yin Suyan's sachel, and the other two were naturally given by Lin Kai.

Lin Kai didn't rush to do it, but he wanted to see when that person could bear it before he did it.

It didn't take long for Lin Kai to change. Yin Suyan chose the clothes for him and walked out of the changing room.

Before Yin Suyan could drive towards Lin, Lin Kai quickly walked to Yin Suyan.

Of course he did this deliberately, and now he is standing in line with Yin Suyan.

If you are a master with a gun, you can definitely wear two with one shot.

In other words, with one shot, Yin Suyan and Lin Kai can be taken away with one bullet.

The premise is that there is no amulet on Yin Suyan, and Lin Kai replaced it with another ordinary person.

Lin Kai just tried to see if that person would do it.

at the same time.

The iron hand in a corner outside the store was extremely excited, and he was still thinking about **** Lin Kai and Yin Suyan with a bullet.

Or kill Lin Kai with one shot, and then quickly kill Yin Suyan with another shot.

While Tie Shou was thinking, he never expected that Lin Kai would take the initiative to stand in the best position!

Lin Kai stood there, he was able to do it, and killed two people with one shot!

For his marksmanship, Iron Hand is still very confident.

If he shoots now, he can definitely kill these two people with one shot!

Thinking of this, Tie Shou grinned excitedly, his smile full of cruelty, and he immediately pulled the trigger.

This gun is silenced and only makes a slight noise, which will have no effect on the mall.

As a result, under Tie Shou's excited eyes, the bullet burst out instantly, and then hurriedly toward Lin Kai and Yin Suyan! It came directly to the back of Yin Suyan's head!

The iron hand seemed to have seen the next scene, the penetration of the bullet could penetrate Yin Suyan, and then attacked Lin Kai's head! Both will fall to the ground instantly!

However, after half a second, Iron Hand did not see the scene he imagined.

Not only that, the next moment, Iron Hand opened his eyes wide, as if he had seen a ghost.

The bullet did not know what happened, and went towards him!

what's the situation! How can this bullet turn! Obviously didn't touch anything!

Iron Hand didn't care about any extra thoughts, so he ran away!

Chapter 1415: Uncover

Chapter 1415

This round of bullets, of course, was Lin Kai running Zhenqi, resisted and bounced back.

He deliberately stood in the best position and attacked with an iron hand.

Sure enough, the iron hand fired. Lin Kai had been prepared for a while, and at that moment, he used Zhen Qi.

Seeing the iron hand at this moment, the appearance of fleeing in panic, Lin opened a sneer at the corner of his mouth. This iron hand is just an ancient martial artist at the level of a martial artist.

So that in the next moment, the bullet shot by the iron hand hit the leg.

Lin Kai didn't explain anything to Yin Suyan, and immediately went to the iron hand outside the store.

But after the iron gun, he was still fleeing, limping, naturally much slower than before. He still couldn't believe it. He clearly pointed his gun at Yin Suyan, and even the bullets were infinitely close to Yin Suyan. Why did he suddenly turn and attack him!

Fortunately, the angle of the bullet deviated a little, and it only hit his leg. If it hit his chest, abdomen or head, it would be cold.

In fact, this was also intentional by Lin Kai, just to keep alive.

At this moment, Lin Kai was already close to Iron Hand.

The iron hand seemed to sense something, and then looked back, Lin Kai was chasing him, and he was about to approach. He was shocked and quickly fired several shots at Lin.

How could Lin Kai couldn't dodge these few bullets, his figure dodged slightly, and then he avoided the past.

Iron Hand looked like a ghost, his eyes widened, looking at Lin Kai incredible, at such a close distance, he easily avoided the bullet!

Although it is a silencer pistol, it is impossible to completely silence the sound with current technology. It only reduces the sound or replaces it with other sounds.

However, there were several noises in succession, and there were several pieces of glass that broke instantly or hit the wall. Many people in the mall heard it, felt something was wrong, and panicked.

The one who panicked the most was the iron hand, just because Lin Kai came to him, and immediately Lin Kai kicked it, kicking the iron hand's other thigh until it broke, and directly knelt down.

At the same time, Lin Kai quickly kicked the gun in Tie Shou's hand.

Lin Kai looked at the frightened iron hand, and said lightly: "Let's talk about it, who sent you here."

Although Tie Shou was very frightened, he seemed to have professional ethics. He kept silent, and even took out a dagger from his body and tried to attack Lin Kai.

Lin Kai sneered, then kicked the iron hand.

Not only was the dagger kicked into the air, but the hand of the iron hand was also broken.

"I ask you again, do you want to say or not?" Lin Kai continued to ask.

Seeing that Tie Shou was still silent, Lin Kai's face was calm, and he didn't hesitate to use the ability to tell the truth.

Immediately, Iron Hand looked dull, and said all the people behind the scenes.

Lin Kai could guess that there was the shadow of Leiyuan Group behind him, but he didn't expect that Lin Yuan would put this person by Yu Youhang's side for so long.

It can be said that the attack on Yin Suyan was planned by Lin Yuan from beginning to end, and even Yu Youhang was a chess piece, including the iron hand.

According to Lin Yuan's prudent and fierce temperament, as long as the iron hand kills Yin Suyan, it is absolutely impossible to let the iron hand survive, and he will definitely send someone to deal with it.

In this way, the whole thing would have nothing to do with Lin Yuan and kill two birds with one stone. It is not perfect.

Unfortunately, Lin Yuan met Lin Kai.

Lin Kai sneered to himself, and when Iron Hand spoke, he recorded it with his cell phone.

Although it was useless for the time being, after all, the iron hand did not kill Yin Suyan, and there was no substantive evidence, but maybe it could be used as evidence in the future.

What Lin Kai didn't expect was that this iron hand was also loyal. When he withdrew his ability to extract the truth, the iron hand jumped off the third floor of the mall.

He seemed to be betting that he was an ancient warrior at the level of a martial artist, and he would not fall to death, so he could escape successfully.

But in fact, this iron hand completely overestimated himself. In the state of being seriously injured, the ancient warrior of the martial arts level fell ten meters high and still couldn't escape.

Besides, Tie Shou jumped down in a panic.

As a result, Iron Hand, he wanted to escape and fell to death.

Suddenly, the first floor of the mall became more panicked.

Lin Kai shook his head, and fell down on his own, lest he still have to trouble.

At this time, Yin Suyan also walked out of the store, saw the gun and dagger not far away, then looked at the iron hand on the ground on the first floor, and asked, "Mr. Lin, is this person trying to harm me?"

"Yes, it's a bit complicated behind it. I'll tell you when I return to the hotel."

Lin Kai spoke because someone in the mall called the police.

Soon the police came here. Lin Kai himself was a member of the state organization, so after he explained the situation, he added that it was an iron hand who fell to his death by himself, which had nothing to do with Lin Kai.

It was just a simple question. As for the true identity of Iron Hand, Lin Kai did not tell.

Because of this matter, he can handle it. Lin Yuan's caution is not just talking, even if it is said, it will not have any effect.

In the end, he didn't buy any clothes. After Lin Kai took Yin Suyan and left the mall, he returned to the hotel.

When I returned to the hotel, it was almost six in the evening.

Along the way, Lin Kai made it clear to Yin Suyan that the iron hand was sent.

Let Yin Suyan rest assured that although this iron hand is actually a member of the Leiyuan Group, he is still a member of Yu Youhang.

The economic company behind Yin Suyan also has a very large background. Naturally, he is not afraid of Yu Youhang's Yu family. As long as he tells Yu Youhang about the death of the iron hand, I believe it will be honest.

As for the Leiyuan Group, Lin Kaiyou explained to the police that Yin Suyan's attack would be taken seriously.

So if Lin Yuan dared to send someone there, he would definitely not be able to eat.

Lin Kai believed that Lin Yuan would not do anything to Yin Suyan again. The first time his plan failed, Lin Yuan would give up decisively for fear of exposing himself.

Looking at the overall situation, Yin Suyan is now safe, and there is no need to worry about being attacked.

When the two walked to the door of the suite, Yin Suyan muttered, "It has only been a few hours, so I can pick out the person who attacked me from behind so quickly. I thought I would really have to wait a day or two."

Yin Suyan still had some regrets in her voice, because of this, Lin Kai could leave at any time and could not be her short-term bodyguard. He even hoped in his heart that if the person was a day or two late, he would be fine with her, so that he could stay with Lin Kaiduo.

Lin Kai naturally didn't know Yin Suyan's current thoughts. After hearing what Yin Suyan said, he smiled: "Miss Yin, although I have found the person behind, I will still be your personal bodyguard today."

Just because the system task has not been shown to be completed, it seems that Yin Suyan will be in danger at night.

Chapter 1416: Lu Qingfeng

Chapter 1416 Deer Qingfeng

When Yin Suyan heard Lin Kai's words, he almost jumped up happily. If it hadn't been for the emphasis on maintaining a ladylike demeanor, it would have been that way.

Lin Kai didn't know why, when he was about to say something, a woman walked out from the suite next door at this time, and the whole body was covered very tightly.

Wearing a mask and a hat, she recognized Yin Suyan, smiled and said hello: "Sister Su Yan, it turns out that you live next door to me."

The laughter was full of surprises and surprises, and also seemed very enthusiastic, as if it were really the same thing.

But Lin Kai keenly sensed that this laughter was hypocritical.

He also knew that this woman was before. After he came out to receive a call from Li Shengxian, he saw that this woman was trading something with a big money.

To be precise, it is an unspoken rule.

Lin Kai had a bad impression of this kind of woman.

Yin Suyan looked at the woman, looked over, and said in surprise, "Yan Xin! I didn't expect that you happened to live next door to me. At this time, you are leaving the hotel. Are you going to Xiangge Yunlan Hotel?"

The woman named Yan Xin said as expected in her tone: "After all, this is not an ordinary dinner. It is a dinner with the investors and the director of the crew. It must be arrived early, so as to show respect."

Yin Suyan just smiled: "Okay, you'll go there first, I'll go later."

"Sister Su Yan, don't be late. If you are late, you will become a big-name player. This is very bad. And I happen to have a script problem. If I want to ask you for advice, I must come early!" Yan Xin said, and then quickly left.

But before leaving, Yan Xin glanced at Lin Kai, her eyes showed disdain, and she left without looking back.

Lin Kai looked at Yan Xin's departure and couldn't help asking, "Who is she?"

"It seems that you don't watch movies and TV dramas often. She is Yan Xin, but she is not a serious academic background. She was a model before. After being spotted by a director, she entered the film and television industry. The past two years have been tepid, the first few Yue just started to catch on, and she is considered a second-line. This time she participated in the theater movie, acting as the female second."

While explaining for Lin Kai, Yin Suyan looked at Yan Xin's back with a little alert, and whispered to Lin, "Mr. Lin, is it possible that you like her?"

Lin Kai instantly shook his head and laughed, "Miss Yin, you think too much, I just ask casually."

He was just curious about who this Yan Xin was. After all, from the dialogue just now, he was also an actress who wanted to participate in the filming of this theater-line movie.

Mainly, he thought of the bald middle-aged man, and he did not know if it was the investor or the director.

Basically speaking, only the investors and directors have the right to achieve such unspoken rules.

Yin Suyan immediately felt relieved when he heard Lin Kai's words, and then continued: "I will go in to change my clothes and go to the Xiangge Yunlan Hotel. I really have to go ahead. Listening to Miss An, you seem to be A gentleman is actually a hooligan! Humph, so you are not allowed to come in!"

Naturally what Yin Suyan said was a joke, so she went into the suite and changed her clothes.

Lin Kai shook his head helplessly: "Go, since you change clothes, I won't go in, I will wait for you outside."

In fact, he can go through the golden pupil to see Yin Suyan change clothes without going in.

Of course, Lin Kai still couldn't do this kind of thing.

Yin Suyan was inexplicably lost when he heard Lin Kai's words. Could it be that he was so unattractive?

If I change to another man, I would rather go in.

But Lin Kai said decisively that he would not go in.

This makes Yin Suyan very disappointed.

If Lin Kai knows Yin Suyan's current thoughts, he will definitely feel that women are such strange creatures.

Yin Suyan changed clothes very quickly, and he came out of the suite in ten or twenty minutes.

The main reason for this is that Yin Suyan doesn't use makeup at all, and doesn't even use light makeup. It's completely plain makeup, so he sorted it out a bit.

Yin Suyan's beauty is pure and natural, and he doesn't need too much foundation to dress himself up.

Ever since, Lin Kai took Yin Suyan to Xiangge Yunlan Hotel.

It is only an hours drive from Xiangge Yunlan Hotel.

At around 7 o'clock in the evening, we arrived at the door of Xiangge Yunlan Hotel.

Before they got out of the car, they saw that they were at the door, a group of crazy young girls, waving the sign in their hands, and approaching a handsome man.

"Ah! I finally saw Lu Qingfeng in reality! Really handsome!"

"Lu Qingfeng husband, always support you!"

The group of young girls were obviously crazy star chasers, screaming loudly, and crowded around the handsome man like a lunatic.

The handsome man, Lu Qingfeng, had a smile on the surface, but his eyes swept toward this group of crazy fans, revealing endless disgust.

Immediately, Lu Qingfeng asked several security personnel next to him to surround him, so that these crazy fans were not allowed to approach him.

In the car, Lin Kai looked at the Lu Qingfeng, and asked Yin Suyan, "Is this person the star you want to participate in the filming of this movie?"

"Yes, this Lu Qingfeng is a famous little fresh meat in the past few years. The nationality is not Huaxia, but an overseas Chinese. The nationality is abroad and he made his debut abroad. Later, he came to our Huaxia country to make money. The private life is extremely chaotic, not only I met various fans and hooked up some married women in the circle. Anyway, I hate this person."

Yin Suyan sighed: "Unfortunately, before I agreed to the role of this movie, I didn't know that Lu Qingfeng was the male number one in this movie. If I had known it long ago, I would definitely not have participated in the filming of this movie."

Because Yin Suyan terminated the contract with the film and television company under the Leiyuan Group, it would absolutely not work if this was pushed down again.

As a result, she was very helpless.

Lin Kai nodded secretly, then took Yin Suyan out of the car and headed to the Xiangge Yunlan Hotel.

At the entrance of this hotel, Lu Qingfeng attracted too many eyes, causing no one to notice Lin Kai and Yin Suyan.

After a while, Lin Kai and Yin Suyan entered Xianggeyunlan Hotel smoothly.

On the contrary, Lu Qingfeng seemed to see Yin Suyan who had just walked in, and quickly commanded the security personnel to push away the group of fans, and he rushed into the hotel.

"Su Yan!"

Lu Qingfeng turned around handsomely, blocked Yin Suyan's way, and then showed a smile that he thought was cool, and said to Yin Suyan: "Su Yan, I've come so early and haven't seen you for a long time. This time I finally used the crew. I can see you. When I have time, I will invite you to dinner, how about? Anyway, I want to shoot this movie together, and sometimes it's time."

Chapter 1417: I Do Not Believe

Chapter 1417

Yin Suyan responded indifferently: "Lu Qingfeng, even if you eat, work is work, so don't talk to me about other aspects at work."

Yin Suyan had already revealed to Lin Kai that Lu Qingfeng's private life was messy.

Obviously, this Lu Qingfeng is so enthusiastic about Yin Suyan, it must be unkind.

Especially in Lu Qingfeng's eyes, the fleeting greed at this moment.

Lin Kai could see clearly, he secretly shook his head.

But Lu Qingfeng also noticed Lin Kai. He pointed to Lin Kai and asked Yin Suyan: "Su Yan, who is he?"

Yin Suyan didn't want to talk to Lu Qingfeng anymore, but when he saw Lu Qingfeng, he still stood in front of her, and said coldly, "This is Mr. Lin Kailin, my personal bodyguard. Lu Qingfeng, you..."

Before Yin Suyan could finish speaking, he looked at Lin Kai, his face turned a little cold, and immediately commanded him to say, "It turned out to be just a bodyguard, Xiaolin, I will take your boss Su Yan to participate in the dinner. Past."

Lin Kai was unmoved, still beside Yin Suyan.

Yin Suyan frowned her eyebrows: "I said Lu Qingfeng, this is my personal bodyguard, not yours, you are not qualified to command. Let alone you, even I am not qualified, if you are rude to Mr. Lin again, Don't blame me for not paying attention to the relationship between colleagues."

If you are shooting movies and TV series in the same crew, you can really count as colleagues during this period.

Lu Qingfeng didn't seem to expect that Yin Suyan's reaction would be so big, and he was a little upset: "Su Yan, everyone involved in this dinner said that there are people with a face, a little bodyguard, how can he participate? Mr. Cao, the investor, is dissatisfied with you. So, I just told this Xiaolin, dont follow, Im doing it for your good."

What Lu Qingfeng said was a little righteous and awe-inspiring. Next, he greeted Lin Kai and sneered coldly: "Have you heard? Don't follow your boss, or you will harm your boss and your job will naturally be gone!"

Originally, Lin Kai only intended to watch. After all, he had nothing to do with him. He came here mainly to complete system tasks and protect Yin Suyan.

This Lu Qingfeng didn't do any harm to Yin Suyan either, he was watching by himself.

It just didn't expect that Lu Qingfeng would inexplicably target him.

Now it is even more scolding at him.

Lin Kai naturally didn't have that good temper, and responded lightly: "I am Miss Yin's bodyguard. I follow Miss Yin's instructions. I don't care what your status is. You are nothing in my eyes."

When Lu Qingfeng heard this, he was furious, pointed at Lin Kai, and cursed: "Boy, do you know who are you talking to? What am I? Boy, just by your words, you Believe it or not, your bodyguard career is over! Any star or businessman bodyguard, you will not be able to do it! Hurry up and apologize to me, or you will die!"

Lu Qingfeng is so angry that this kid is too ignorant to promote, and the little bodyguard dared to refute him.

The most important thing is that this kid retorted in front of Yin Suyan.

Lin Kai said indifferently: "First, I don't want to know who you are, and what does who you are has to do with me? Second, I don't believe it, I want to see if you have any abilities that keeps me going. ."

It can be said that in the entire Huaxia Kingdom, no one dared to say that Lin Kai couldn't keep going.

When Lu Qingfeng heard Lin Kai say this, his whole body trembled with anger. This was the first time he had suffered such contempt.

In the past few years, he has plated a layer of gold abroad, went to China to make money, and his status has risen. For one thing, he has a variety of fans, and then he has continued to rise in recent years and his influence has been great.

Everyone is not respectful and polite to him.

Especially bodyguards and security personnel. In the past few years, no one has followed him to protect his safety.

In Lu Qingfeng's eyes, both bodyguards and security personnel are inferior, and he is the only one who looks at it with a superior posture.

How can I not imagine that one day, I will be a bodyguard, so presumptuous.

Although Lu Qingfeng was extremely angry, he did not dare to take action against Lin, and the security personnel who followed him were arranged outside the hotel entrance to block those fans.

In addition, he was eating by his face, and he did not dare to move his hand at Lin. Otherwise, if his face was injured, he would be in serious trouble.

Even so, Lu Qingfeng still glared at Lin Kai and said cruelly: "Okay, okay! Boy, you are fine! Soon you will regret what you said now!"

After Lu Qingfeng had finished speaking, there was no face to stay any longer, and he turned away angrily.

How could Lin Kai allow Lu Qingfeng to leave so arrogantly, at least give a lesson.

Since then, Lin Kai quickly kicked behind Lu Qingfeng, naturally controlling the kick.

Although he controlled his strength, Lin Kai stepped down and caused Lu Qingfeng to fly a few meters away, and fell to the ground fiercely.

Lu Qingfeng was afraid of being so embarrassed by those fans or other people, he didn't care about the pain of his body, and quickly stood up.

Regarding Lin Kai, he dared not say anything, and feared that Lin Kai would still attack him, so he quickly entered the elevator and fled in panic.

At the moment when the elevator door was closed, Lu Qingfeng was inside, staring at Lin Kai outside the elevator with unabashedly bitter eyes.

Lin Kai sneered. If Lu Qingfeng continued to target him, he wouldn't mind playing with Lu Qingfeng to see who ended up miserably.

Yin Suyan trot to Lin Kai's side at this time, gave a thumbs up, and chuckled: "Mr. Lin, what a good job! Don't you know how annoying this person is? It's a relief for me! But behind this Lu Qingfeng It's not easy, I'm afraid he will hate you."

Lin Kai waved his hand: "Do you think that the person behind him is better than me?"

“Hee hee, too.” Yin Suyan thought for a moment. Lin Kai next to him was very skilled, no matter how strong his back was, he wouldn’t do anything to him.

What’s more, Yin Suyan also knew Lin Kai’s identity, and he was the boss of Beijing Dafeng Entertainment Company.

You must know that Dafeng Entertainment Company in Beijing is one of the most famous entertainment companies in China. Compared with the entertainment company behind Lu Qingfeng, it is only strong or not.

So not to mention military force, even if it is against the background in the entertainment industry, this Lu Qingfeng is not comparable.

Thinking of this, Yin Suyan instantly felt relieved.

Then Yin Suyan said, “Mr. Lin, let’s go there too. I told Sister Liu and the boss before that I was allowed to bring personal bodyguards into the dinner, so it’s fine.

“it is good.”

Lin Kai responded, and the two immediately went to the private room where they were participating in the meal.

Chapter 1418: Not Waiting

Chapter 1418

The 31st floor of Xiangge Yunlan Hotel.

Except for the top floor, it is the most luxurious first floor.

There are only two large private rooms on this floor, one is room 888 and the other is room 999.

Although 888 has several meanings in China, when used in the room number, it basically means sending.

Often the more powerful and powerful, the more important the meaning is.

Therefore, the largest investor Cao Cao, the largest investor in the movie that Yin Suyan participated in, chose the large private room No. 888 on the 31st floor for a pre-launch meal.

At this time, President Cao Rongsheng and President Caos assistant Yu Qiyang, chief director Pan Liguo, male number two Wu Feifan, female number two Yan Xin, a total of five people are already sitting in their respective positions, waiting for others to arrive.

It was ten minutes away, which was 7:30 in the evening, which was the agreed meal time.

Mr. Caos assistant, Yu Qiyang, looked at the time on his watch. As Mr. Caos assistant, how could he make Mr. Cao lose face in front of everyone, and he said rather unpleasantly: “What’s going on, this Lu Qingfeng? Even with Yin Suyan is a famous star, but this is the dinner that our President Cao personally invited.

Although it hasn't arrived yet, the agreed time is 7:30, but at least one or twenty minutes in advance, give us Mr. Cao a bit of face, right? Otherwise, this won't be done. We, President Cao, have to wait for Lu Qingfeng and Yin Suyan? "

Director Pan Liguó is also a well-known director in China, but when he heard Yu Qiyang say this, his eyelids jumped and he smiled a little: "Assistant Yu, they may think that President Cao will not come early, it is not so early. They will definitely come on time, so it's not that they don't give President Cao face."

Yu Qiyang represented President Cao. At this time, President Cao didn't say anything, which proved that President Cao also recognized Yu Qiyang's words.

Therefore, Pan Liguó is even more anxious. He is indeed the chief director of this theater-line movie, but President Cao is the biggest investor after all, and changing the director is just a sentence.

What's more, both Lu Qingfeng and Yin Suyan were two big stars he personally invited.

It's not good to blame him because the two didn't arrive early.

When Yu Qiyang heard this, his voice was a little cold, and he said faintly: "Is it right to give President Cao face? I am an assistant. Naturally, I can't say it. It depends on what President Cao meant."

Hearing this, Pan Liguó quickly looked at Cao Rongsheng, who was sitting in the top position, and he continued to smile: "Mr. Cao, the two of them will definitely be there within ten minutes. If you can't make it, you don't have to. Tell me more, how about I dried half a bottle of liquor?"

President Cao Cao Rongsheng is exactly the bald middle-aged man who has hidden rules with Yan Xin.

When Cao Rongsheng faced Pan Liguó, he laughed: "Director Pan, there are 10 or 20 directors who are more famous than you in the industry. The reason why I paid a lot of money to invite you is because you have made several films before. , I like it very much. Whether those two big stars are late has nothing to do with you, so you don't need to punish yourself with some liquor."

He paused for a while, his words turned again, and a sneer appeared at the corner of his mouth: "If these two big stars are really late, they must be considered big cards. If they are big cards, they will probably not shoot well when filming. This A kind of people will drag down the entire crew, so it's not good to make a movie."

Just as Cao Rongsheng finished speaking, the door of the large private room was opened, and it was Lu Qingfeng who walked in.

Lu Qingfeng's expression was very sullen and embarrassed, obviously he hadn't been relieved from the anger that Lin Kai had kicked him not long ago.

Cao Rongsheng glanced at Lu Qingfeng, who walked in, nodded and said, "Mr. Deer has arrived. Although he did not arrive ten or twenty minutes ago, he also came here ten minutes earlier, which is a good idea. Thin noodles.

On the contrary, it was Yin Suyan, hehe, no matter whether she could arrive at 7:30 or not, she was the last one to come, but she didn't give me the slightest face. I very much doubt whether Yin Suyan can

really perform the female number one in this movie. From this aspect, it can also be seen that the business ability is so bad, I think this female number one is considering whether to change it. “

Everyone was shocked when he said this.

However, a smile appeared on Yan Xin's face. In fact, she and Cao Rongsheng had mentioned this a long time ago.

Unexpectedly, Cao Rongsheng seized this opportunity before the meal even started and set the tone directly.

Now that you set the tone successfully, then things can be done smoothly.

After all, Cao Rongsheng is the largest investor in the theater's movies, and the chief director can just change it, let alone the star.

Even if the contract is signed, as long as you find a reason for breach of contract, you can terminate the contract.

Yan Xin laughed secretly at Yin Suyan's stupidity. Didn't this give President Cao the opportunity to seize a chance?

Comparing the looks of other people, director Pan Ligu and male number two Wu Feifan were very surprised. Both of them heard that there was something in Cao Rongsheng's words, which seemed to be wrong.

Even if it was Lu Qingfeng who had just walked in, he was still in the anger that Lin Kai gave him a kick, but he did not hear what was wrong with Cao Rongsheng's words, otherwise, he would definitely support Cao Rongsheng.

In any case, Lin Kai is also Yin Suyan's bodyguard.

This is, Lu Qingfeng held back his anger and sat in his place.

The position of this meal is also particular. The top position is of course Cao Rongsheng, followed by Cao Rongsheng's assistant, and then director Pan Ligu.

After that, the cast members, sit as they please.

Lu Qingfeng sat in a position at random, then quickly took out his mobile phone, opened an instant messaging software, typed immediately, and sent a message to someone.

Wu Feifan saw that Lu Qingfeng's face seemed a little ugly, so he hurried to the side and asked with a smile, "Brother Feng, this is not like you. He lowered his head and played with the phone when he came, and his expression was not good. What's up?"

How could Lu Qingfeng tell the shame about himself, and just coldly snorted: "Nothing happened, it's nothing more than being bitten by a humble thing. It's just a trivial matter. I will let that The humble thing knows the fate of offending me!"

Lu Qingfeng said harshly with incomparable anger.

Obviously, he was calling someone.

In response, Wu Feifan shook his head secretly and didn't say much, after all, it had nothing to do with him.

At this time, Cao Rongsheng glanced at Yu Qiyang.

When Yu Qiyang understood it, he immediately stood up and said: "If the last person is not here, there is no need to wait, no more. The dinner is officially starting now. Let's have a drink together and celebrate tomorrow. I want to start it, and I wish you all work together to make a good result in the cinema movie!"

Chapter 1419: Yin And Yang

Chapter 1419

It was now 7:24 in the evening, which was six minutes away from the agreed-upon 7:30.

What Yu Qiyang said now was obviously an instruction from Cao Rongsheng, so that he didn't wait for Yin Suyan to start the dinner before it was time.

As a director, Pan Liguang has to weigh both the investor side and the cast and crew side. He originally wanted to say a few words for Yin Suyan, but Cao Rongsheng's attitude was very hard, and he couldn't say anything.

What's more, there was something in Cao Rongsheng's previous words, which seemed to be different to Yin Suyan. He always felt that something would happen, so Pan Liguang immediately remained silent, lest he offend Cao Rongsheng.

If this is the case, then he, who is about to start filming, should change the position of the chief director of the theater.

You know, this theater-line movie will be a big investment, and the script is also written by many popular film and television screenwriters in China and personally edited it.

In terms of crew, it is also the best in the country.

It can be said that the script is excellent, the production is great, and the stars are also very good. Not to mention the big fire, the box office is not a problem.

Even the top directors in this kind of theater-line movie that make money without losing money are jealous of this movie.

Therefore, Pan Liguang was afraid that he would offend Cao Rongsheng and cause his position as a director to be insecure. Then he would regret it.

At this moment, female number two Yan Xin raised her glass, and quickly stood up, smiled and said, "I respect Mr. Cao for this cup. If it weren't for Mr. Cao's investment, our crew would not have been established. It was also because of Mr. Cao that we could get it. Such a good script, such a good play. This movie will definitely make us more famous!"

"Therefore, we all thank Mr. Cao for giving us such a chance!"

While Yan Xin spoke, Pan Ligu, Lu Qingfeng and Wu Feifan raised their glasses and stood up one by one.

After all, Yan Xin said so. They didn't stand up to toast, it was obviously not giving Cao Rongsheng face.

Once you don't give face, then Yin Suyan will end up.

Pan Ligu raised his glass and smiled to the only Cao Rongsheng sitting there, "I really want to thank Mr. Cao. Without Mr. Cao, there would be no such a good crew as we are now, and it would be impossible to start filming so soon. As the chief director, I have to toast to President Cao. The film is expected to be finished soon, and to be released at the end of the year, and then it will become the biggest box office dark horse this year!"

"If it is possible, in January and February next year, our movie can also occupy a large part of the production! Let the movie box office break the record!"

Pan Ligu naturally has to say something exciting. Although the script is good, the final film effect may be different, and it is difficult to break the record.

Of course, by saying this, it is also for Cao Rongsheng to listen to and let Cao Rongsheng feel at ease.

Cao Rongsheng did laugh when he said this, making movies not only for fame, but also for making money.

A big hit movie, but very profitable, it can be very profitable to be precise.

So under the leadership of Pan Ligu, everyone began to toast Cao Rongsheng.

After several people finished toasting, Lin Kai and Yin Suyan walked into this large private room No. 888.

"Su Yan! Fortunately, you are not late! It would be nice to be able to come in time!"

When Pan Ligu saw Yin Suyan coming, he was relieved. He spent a lot of effort in order to invite Yin Suyan to play the female number one in this movie.

As we all know, Yin Suyan is not only the most popular actress in the past few months, she is also recognized as the best acting among the young actresses, there is no one!

Even his acting skills are almost the same as those of many older generations.

A young actress with good looks, popularity and acting skills, Yin Suyan can do it in China.

If Yin Suyan were missing from this movie, it would definitely be a great loss.

As for the actress, it is difficult to find a role that fits the female one.

Other actresses, if they go to act, have a high probability of acting badly. At that time, let alone attempt to break the box office record.

Movie audiences nowadays are not as foolish as they used to be. Not only the plot is better, but the actors' acting skills are also better. Otherwise, the box office is not so good.

It is 7:27 in the evening and I am not late.

At the dinner, besides Pan Liguo, there was Wu Feifan. He secretly relieved Yin Suyan's arrival, and said to Yin Suyan: "Sister Su Yan, the dinner has begun, sit down."

The others had different expressions, in short, their attitude towards Yin Suyan was very subtle.

Especially Lu Qingfeng, he has nothing to do with Yin Suyan, but thinks that Yin Suyan must be taken down in the future, such a beautiful and famous woman must be taken down.

He is currently focusing on Lin Kai next to Yin Suyan.

Lu Qingfeng stared at him with unconcealed bitterness. If his eyes could kill people, Lu Qingfeng would probably kill Lin Kai with his eyes.

He has never suffered, so hungry and humiliated.

Lin Kai didn't care about the expression in Lu Qingfeng's eyes, his face was very calm.

At this time, Yan Xin looked at Yin Suyan, a fleeting sneer flashed in his eyes, and then saw a hypocritical smile, and said to Yin Suyan: "Sister Su Yan, although you are not late, you are the last one to come in. , Also counted as late."

It was Cao Rongsheng and Yu Qiyang. After seeing Yin Suyan, they were the first time they saw Yin Suyan in reality. They were both surprised.

Especially Cao Rongsheng, with a trace of greed in his eyes.

But he also knew that he didn't have the ability to take down Yin Suyan, and after a glance at Yan Xin, he showed a trace of contentment. Although Yin Suyan was not taken down, but if Yan Xin was taken down, it was already pretty good.

Yin Suyan herself frowned. As soon as she came in, she clearly noticed that the atmosphere here seemed very subtle.

To be precise, it was born of her arrival.

The most important thing is that she is not late, the meal has already begun.

Yin Suyan felt strange and didn't think too much. Then he said hello to Cao Rongsheng very politely: "Cao, I'm sorry, some are late, but I am not late, but I am the last one to arrive, and I will also Self-punish a cup."

Yin Su Yan's EQ is quite high, so he punishes himself.

Hearing this, Cao Rongsheng had no expression on the surface. He could use a yin and yang tone: "I dare not let you, a big star, punish alcohol or something. It's just that you don't even give me a bit of thin face, which is a problem."

His assistant, Yu Qiyang, was also a strange yin and yang: "Yes, after all, Yin Suyan is a recognized goddess of the nation. When we are in the face of our President Cao, we can not give it and punish himself for a cup. This cup is completely unnecessary. It is better not to drink. "

Chapter 1420: Change Roles

Chapter 1420

Everyone can hear Cao Rongsheng's dissatisfaction with Yin Suyan.

And when the assistant Yu Qiyang had something to say, he obviously felt too little for Yin Suyan's self-punishment.

It is better not to drink a glass of wine.

Yin Suyan had already sat in a position, and Lin Kai was standing not far behind Yin Suyan's position, which did not hinder the meal.

Yu Qiyang noticed suddenly, Lin Kai behind Yin Suyan's position asked coldly, "Who is this person?"

What Yin Suyan was about to say, Lu Qingfeng immediately said: "That's just one of Yin Suyan's bodyguards. I really don't know what Yin Suyan thinks. It's really insulting to bring the little bodyguard to this high-end dinner. We also insulted our most respected President Cao, and insulted this large private room 888!"

"He's here, I don't think anyone has any appetite, after all, looking at the humble servant, what appetite can he have!"

Lu Qingfeng became more excited as he talked, and he became more and more angry, and Lin Kai, who was obviously hated, was itchy, and finally let him seize the opportunity and immediately targeted Lin Kai! This time, he let Lin Kai lose face! Only in this way can he relieve his breath a little!

"Huh? It turned out to be a little bodyguard, who am I."

Sure enough, Cao Rongsheng became even more dissatisfied, and snorted to Yin Suyan: "What's the matter with you? Why did you bring the bodyguards in?"

Yin Suyan frowned her eyebrows: "Mr. Cao, in the afternoon, I communicated with you in advance, saying that I got your order and I can bring my bodyguard in. Did you forget?"

When Yin Suyan said this, Cao Rongsheng was speechless, and his face was a little ugly. He did have an impression. In the afternoon, he was in the room with Yan Xin, overwhelming.

Then he received a call from his secretary asking if Yin Suyan could bring a bodyguard.

Because it was at a critical moment, Cao Rongsheng casually said yes.

Only afterwards, he had forgotten such things.

Unexpectedly, it would be so embarrassing, isn't this slapping yourself in the face?

Cao Rongsheng's assistant, Yu Qiyang, saw the look of his boss, and knew that Cao Rongsheng had agreed, and then forgot.

After all, he is an assistant, very clever.

Yu Qiyang hurriedly made a round for Cao Rongsheng and sneered: "We Cao always agreed, but we didn't agree to bring you directly into the meal. You can arrange it outside the room. You come in with

your personal bodyguards, How do we start this dinner? Let him get out, otherwise, this dinner is unnecessary.”

Upon hearing this, Yin Suyan frowned her eyebrows deeply. How could she not know that this was Cao Rongsheng’s temporary remorse, and she did not know how to refute it.

If it was just Lu Qingfeng, it would be a trivial matter for Lin Kai.

But now it is the biggest investor in the movie, and it is very difficult for Lin Kai.

Before Yin Suyan could say anything, Lu Qingfeng became more confident after hearing what Cao Rongsheng and Yu Qiyang said. After all, the two began to target Lin Kai.

In another dimension, Lu Qingfeng stared at Lin Kai unscrupulously, and continued to sneer: “Boy, are you deaf or blind? I haven’t seen or heard, even our investor, Mr. Cao, let you get out. You are still Don’t get out! This is a place you can’t afford to stay in your whole life! You can only stand at the door outside, like a watchdog!”

Lin Kai ignored Lu Qingfeng’s words, if it were not for Yin Suyan’s face, he would have taught Lu Qingfeng a lesson.

At this time, his face calmly swept towards everyone in the dinner, and then his eyes fell on Yin Suyan who was embarrassed.

Before Yin Suyan could speak, Lin Kai said with a smile at Yin Suyan: “Miss Yin, it’s okay, I just need to stay outside. If there is anything, just shout inside and I will come in immediately.”

Yin Suyan heard this, feeling both guilty and embarrassed, and said with embarrassment: “Mr. Lin, you have been wronged, and I will compensate you well in the future.”

Lin Kai just smiled at this, turned around and left the door.

But when he first left the house, Lu Qingfeng took the opportunity to shout to the waiter outside the door: “Waiter! There is a peculiar smell in this, and you need to order some fragrant things to cleanse the private room so as not to eat. .”

The meaning is obvious, it is mocking Lin Kai.

After Lin Kai’s figure stopped, he couldn’t help turning his head, glanced at the smug Lu Qingfeng, and a smile formed slightly at the corner of his mouth.

If you are familiar with Lin Kai, you must know what this smile means.

Of course, Lin Kai didn’t do it directly, and finally went out immediately.

Inside the private room.

Yin Suyan felt that he was very sorry for Lin Kai. In addition, Cao Rongsheng and others kept targeting Lin Kai, which made her feel no mood.

In the face of questions from other people, Yin Suyan remained silent and did not drink any alcohol.

In short, the atmosphere inside is more subtle.

Cao Rongsheng didn't care at all and said to Pan Ligu: "Director Pan, we will officially start shooting the movie tomorrow, but in order to make the movie better, I have to say a few words to make this movie better. So in Before filming, I still speak out in advance to avoid that when the film is not shot well, a lot of manpower, material resources and funds will be wasted."

Pan Ligu suddenly felt a little bad. Although Cao Rongsheng was the largest investor, the contract clearly stated that the investor was not allowed to interfere with the filming.

After all, the investor is a businessman who doesn't know how to make movies and is not professional.

Many investors don't understand, but they have to intervene, which will lead to poor quality.

Although Pan Ligu is also afraid of Cao Rongsheng's change of director, it is also based on the fact that he can make independent decisions in filming.

If he didn't have the right to make his own decisions, he would not accept the movie.

Therefore, he was able to decide to hire actors, screenwriters and others on the crew.

Unexpectedly, when Cao Rongsheng said that, he still had to prepare to intervene in the filming of this movie. He did not know whether it was the script, the actors, or other aspects.

No matter what, it will have a certain impact on the original shooting plan.

However, Pan Ligu is not good at pointing out anything, so he can only smile and say: "Cao, what is your dissatisfaction with? Just say, I will change it and try to make the power supply better."

Cao Rongsheng first looked at Yan Xin, then turned his eyes to Pan Ligu, and said lightly: "I think the female number one, Yin Suyan is not up to it. I think it is more appropriate to play the female number one by Yan Xin. I also read the script, female. I think the role of No. 1 is very suitable for Yan Xin. So I propose to change the role. In this case, I believe this movie will be better shot."
