

Special Forces 1491

Chapter 1491: Give You One More Chance

Chapter 1491

Lin Kai was a little surprised by Ding Haoyuan's words. He didn't expect to meet someone casually, and he would get involved with the Leiyuan Group.

It seems that Leiyuan Group's penetration in the East China Sea is much stronger than he imagined.

Of course, he was just accidental, and otherwise, his face was still extremely calm.

This made Ding Haoyuan feel weird. He had all talked about the horror of Leiyuan Group. Isn't this kid really afraid?

Amidst Ding Haoyuan's uncertain doubts, a few minutes later, in this private room, several men broke into this private room.

"Who is looking for death! Someone who dares to mess with me!"

The leader was a big guy with a tattoo on his bald head, who roared loudly as soon as he came in.

Ding Haoyuan, lying on the ground, quickly pointed his finger at Lin Kai, and said with a deep hatred, "Brother Xiaodao, it is him! This kid has not only broken my good deeds! He is now beating me like this! Never forgive him. Ah! Brother Xiaodao, teach him severely, if I have good jewelry in the future, I will consider you the first time!"

Brother Xiaodao heard the words and showed satisfaction in his eyes. Naturally, he was not really talking about feelings, but about benefits. If he gave enough benefits, of course he had to do things.

So Brother Xiaodao couldn't help but follow the direction Ding Haoyuan pointed and forgot the past.

The face of Brother Xiaodao was fierce, his eyes staring angrily, the size of a copper bell.

After seeing Lin Kai on the sofa, his expression changed faster than turning the page!

I saw that his expression immediately became incomparably well-behaved, and he was trembling, lowered his head, and said in fear: "Lin...Mr. Lin, sorry, I went to the wrong room. A friend asked me to come here for a drink. The private rooms here are too similar. If you don't worry, you will make mistakes. How offending! How offending!"

Not to mention this little Dao brother, the several men behind him who were equally fierce and evil also looked incredible, and then they all became very well-behaved.

It's like a student in a kindergarten, the way he sees a fierce teacher.

These people came from Lingnan.

It was those in the clubhouse who tricked a few student girls into it and wanted to control them, but they were all rescued by Lin Kai.

At the same time, Lin Kai also physically castrated the Little Dao brother, plus the injuries on their bodies, it should be said that within two or three months, they will not get better.

In fact, the clubhouse in Lingnan is the gray industrial chain developed by Leiyuan Group in Lingnan, which was handed over to Brother Xiaodao.

Due to the destruction by Lin Kai, Leiyuan Group saw Brother Xiaodao who did this professionally, and if something went wrong, Brother Xiaodao would take responsibility on their own.

Therefore, Leiyuan Group spent some medicinal materials used by ancient warriors, quickly cured Xiaodao, and then arranged to the East China Sea to develop the underground gray industrial chain.

Brother Xiaodao, as a professional in this area, naturally spread out some of the contacts in the East China Sea. With the help of the Leiyuan Group, this mountain, in just two days, it was a blessing in the East China Sea.

I also know that in Lingnan the other day, the name of the man who destroyed the clubhouse was Lin Kai, who was the mortal enemy of Lin Yuan, the leader of the Leiyuan Group.

Even the Leiyuan Group couldn't help Lin Kai, let alone him!

As a result, the first time Brother Xiaodao saw Lin Kai, he was terrified. He did not expect that he would encounter this evil star again within two days of coming to the East China Sea!

Brother Xiaodao saw Lin Kai's calm face and felt very bad. He didn't dare to run. Although he belonged to the Leiyuan Group, he understood that Lin Kai was not afraid of the Leiyuan Group at all, and even targeted Leiyuan Group members.

Brother Xiaodao thought for a moment, and in order to express his apologies to Lin Kai, he walked to Ding Haoyuan who was lying on the ground.

Ding Haoyuan was still dumbfounded, because he was dumbfounded by Brother Xiaodao's attitude toward Lin Kai, what's the situation?

What made him even more confused was that Brother Xiaodao kicked his chest at this time. While kicking, he said fiercely: "What the hell! Staring at your dog eyes! Don't look at him, who is Mr. Lin! I dare to offend Mr. Lin! You are just looking for death!"

Ding Haoyuan was kicked, almost out of breath, he said with a grievance: "Brother Xiaodao, obviously that kid, who made me like this, you have to be the master of me! As long as you help me take revenge, I will definitely give You are worth ten million dollars!"

Ding Haoyuan didn't care so much, and continued to let Brother Xiaodao call him the shots. In his opinion, Lin Kai was not from the Leiyuan Group. What else was Brother Xiaodao afraid of.

As for the jade, naturally I wanted to get it from Lin Kai. At that time, use this piece of jade, borrow flowers to offer Buddha, and give it to Brother Xiaodao.

As long as there are enough benefits, Ding Haoyuan still believes that Brother Xiaodao will call him the shots.

No matter what, when Brother Xiaodao heard Ding Haoyuan's words, he kicked Ding Haoyuan even harder, and continued to shout: "Fuck! What do you know! Give me a hundred million, I dare not attack Mr. Lin! You! You even instigated me to shoot Mr. Lin, today I must kick you to death!"

For fear of being implicated by Ding Haoyuan, Brother Xiaodao kicked Ding Haoyuan under his foot, and never stopped.

Brother Xiaodao was telling the truth, but he knew Lin Kai's power and identity.

One hundred million is indeed a sky-high price, but it also has to be enjoyed by life, and it is useless to give more if it is dead!

Ding Haoyuan was completely dumbfounded now. He didn't even feel that he was kicked by Brother Xiaodao. His mind was terrible. Then, the person he offended was afraid of the Leiyuan Group?

When Ding Haoyuan thought of this, Ding Haoyuan lost his soul and looked pale.

Lin Kai on the sofa saw Brother Xiaodao and kicked Ding Haoyuan to his death. Then he said, "Okay, Brother Xiaodao? It's nothing to do with you. Go away. Of course, if I watch it in Donghai next time. When it comes to you, don't blame me for being rude to you."

The meaning is obvious, that is, if it is found in the East China Sea that Brother Xiaodao is in the East China Sea, and there is a gray industry such as a club, Lin Zhuan will be like the last time in Lingnan.

Lin Kai knew that Brother Xiaodao was from Lingnan as soon as Brother Xiaodao appeared.

Then I thought that Brother Xiaodao belonged to Leiyuan Group, and his injury healed so quickly. In addition, when he came to the East China Sea, Leiyuan Group wanted Brother Xiaodao to develop a gray industrial chain in the East China Sea.

Since Lin Kai happened to meet him, he must have prevented him from harming the East China Sea.

Brother Xiaodao understands what it means. There is no need for Lin Kaiduo to say anything. Not long ago, he decided that he would never develop a gray industrial chain in the East China Sea, because there is Lin Kai in the East China Sea!

After I go back, I still have to report to Leiyuan Group and go to another city!

So Brother Xiaodao nodded like a chicken, and at the same time he was relieved. With a few of his men, he immediately escaped from the private room of the bar, as if he didn't want to stay here for a moment.

Lin Kai looked at Ding Haoyuan coldly, and said lightly: "Do you have any phone calls? Give you another chance."

Chapter 1492: Lin Kai You Are So Kind To Me

Chapter 1492 Lin Kai, you are so kind to me

Ding Haoyuan, who was lying on the ground, was covered in blood at this time, and almost lost consciousness.

Lin Kaizui had abolished his legs, which made him very weak, but now he was kicked like that by Brother Xiaodao.

Brother Xiaodao's figure strength is a bit stronger than that of ordinary people, so Ding Haoyuan who kicked him was almost dying.

At this moment, when Ding Haoyuan heard Lin Kai's words, he was extremely weak, and said intermittently: "I...I, I will call again, make a call."

"Huh?" Lin Kai looked down at Ding Haoyuan, wanting to see who else he would fight.

Anyway, Lin Kai wasn't in a hurry. He gave Ding Haoyuan a chance just to solve the trouble. Otherwise, he had already put Ding Haoyuan's dressing up, there was no need for such trouble.

However, since Ding Haoyuan still called for someone to come, then he was not welcome.

To Lin Kai's surprise, Ding Haoyuan said, "I want to make 120 calls! I... I feel that I'm going to die soon!"

Lin Kai could see that Ding Haoyuan was just too painful and not fatal, so he said indifferently: "If you want me to call you 120, it's okay. If you climb out of this bar, I will call you 120."

This can be regarded as a very profound lesson for Ding Haoyuan, let Ding Haoyuan know what to do and what not to do in the future.

Hearing this, Ding Haoyuan had to gritted his teeth, bit his scalp, and crawled outside the bar.

It confirmed what Lin Kai said before, that is, let Ding Haoyuan crawl out.

After that, Ding Haoyuan climbed out of the bar, and Lin Kai dialed 120 for him. He was the one who did what he said.

At the same time Ding Haoyuan passed out in pain.

The things here are already well-known, and Ding Haoyuan is completely responsible for himself, so no one has stood up and held justice for Ding Haoyuan.

At this time, in the bar room.

Lin Kai looked at Yang Mengzi who was still sleeping on the sofa, rather helpless.

Drunk enough to fall asleep, if he used his true energy to awaken Yang Mengzi, there would still be a certain chance of sequelae.

As a result, Lin Kai was rather helpless, picked up Yang Mengzi, took Yang Mengzi's bag, and brought them back to the car.

He did not send Yang Mengzi to Baishantang.

After all, Yang Mengzi still didn't know the news that the photos were completely destroyed by him.

If it is sent back to Baishantang, it won't be so good after waking up.

And this kind of thing, it is impossible to talk to Yang Mengzi's brother.

So Lin Kai was going to wait. After Yang Mengzi woke up, he would personally say to Yang Mengzi that in this way, Yang Mengzi would not feel so uncomfortable and would naturally return to Baishantang.

After half an hour, Lin Kai returned to his home, arranged Yang Mengzi on the bed of the guest room, and covered him with a quilt.

When he was about to leave the room, unexpectedly, Yang Mengzi was a little awake. To be precise, he was about to vomit.

Lin Kai quickly took a clean garbage bag and went to Yang Mengzi's place. While patting Yang Mengzi's back, he placed the garbage bag in front of Yang Mengzi.

Yang Mengzi vomited out the vomit.

When he was vomiting, he shook, and Yang Mengzi's clothes were everywhere on the bed.

Lin Kai couldn't help shook his head, and said speechlessly, "The blue gemstone is not high, so I just drank two and a half cups and became drunk. In the future, you still drink less."

Yang Mengzi listened in a daze, and murmured: "Who said I was drunk! Lin, Mr. Lin, quickly get me the wine, I can continue drinking!"

"Yes, you are not drunk, you are not drunk." Lin Kai was helpless.

Immediately, he used a towel, mop, etc. to clean up the place first.

The clothes on Yang Mengzi's body, even if they are cleaned, obviously can't be worn like that anymore. The bed has to be washed.

Lin Kai shook his head more helplessly, but fortunately there were a lot of rooms, so he could just change the room.

Lin Kai prepared to take off Yang Mengzi's coat first.

Since it is a skirt, after taking it off, she wears a very conservative underwear, which gives a clear view.

Lin Kai was naturally indifferent, he just took off his clothes purely.

But Yang Mengzi didn't think so. He felt that Lin Kai was going to do something. At first he resisted a bit, and then seemed to give up.

Lin Kai didn't have any extra thoughts, and soon put Yang Mengzi in another room and covered it with a quilt.

"You'll have to sleep before you talk."

After Lin Kai finished speaking, he left the room and closed the door.

Yang Mengzi was still a little conscious, seeing the door closed, she had a smile on her face, and immediately fell asleep again groggy.

The sun has just set.

Yang Mengzi woke up, and when she woke up, she saw a new girl's dress, as well as small cotton shoes, milk, mineral water, etc., all in front of her.

Looking at her body again, there was no trace of being passive, her mood was inexplicably good, and she felt unspeakable, in short, it was warm.

Lin Kai was making soup in the kitchen at this time.

Yang Mengzi got dressed and walked out of the guest room.

Lin Kai naturally heard the sound of footsteps, and said, "Since I am awake, I should drink some nutritious soup."

Lin Kai said, put the boiled soup on the dinner table, and then spoke to Yang Mengzi: "You should wash it first, and then drink some."

Yang Mengzi heard the words and looked at Lin Kai's gaze more brilliantly. She nodded and went to the bathroom, and found that there were also all kinds of girls' supplies, which were all available.

In fact, it is not Lin Kai who is careful, but Lin Qianqian and Dong Shu, who have lived in his house for so many days, and girls naturally use a lot of things.

Lin Kai took out all those things.

Yang Mengzi meant that Lin Kai was very careful, and his heart became more and more strange.

Before long, Yang Mengzi finished washing and came to the dinner table. She first thanked Lin.

Lin Kai just did it easily, and didn't think much.

At this moment, when Lin Kai saw Yang Mengzi drinking soup, he said: "After taking you into the private room, after I left, I went to Wang Jinghua's place. All the photos that Wang Jinghua had backed up were completely destroyed. So you don't have to worry about anything. What I said is that all photos, including USB drives, cloud drives, etc., are destroyed."

"Also, I also let him not interfere with you in the future."

After Lin Kai finished speaking, Yang Mengzi looked at Lin Kai, her eyes were red, and she couldn't help but cry.

Lin Kai was speechless again: "Should you not feel happy? Why are you crying?"

Yang Mengzi looked very serious, looked at Lin Kai, and said, "Lin Kai, you are so kind to me."

When eating at noon, Wang Jinghua turned right and wrong, and Lin Kai helped her out and accompany her to drink.

When he was drunk, he didn't take the opportunity to do anything to her, but took care of her with great care.

In addition, Lin Kai taught Wang Jinghua a good lesson, which moved Yang Mengzi so much, that's why she expressed this emotion just now.

Chapter 1493: Introspect

Chapter 1493

Lin Kai was slightly taken aback when he heard Yang Mengzi's words like this, he was completely casual, but he didn't expect Yang Mengzi to react so much.

So, he shook his head and said: "Miss Yang, I am a shareholder of Lin Qianqian's company. Since your Baishantang cooperates with Lin Qianqian's company, then you are considered a partner. In addition, Wang Jinghua's behavior makes me very disgusting, even if I didn't cooperate. I will also take action with my partner."

As Lin Kai said, he handed Yang Mengxue a few pieces of drawn paper, and then said: "It is normal to help you with emotion and reason, don't care too much. You still don't cry, after drinking the soup, I will send you back to Baishan Tang."

Unexpectedly, Yang Mengzi said in a low voice, "That...Mr. Lin, can I stay at your house for a day tonight?"

When Lin Kai heard this, a wry smile appeared in his heart. If you can live, you can live, but it's better not to live. He said, "Miss Yang, if you don't go to a house at night, your family must be worried."

"All right." Yang Mengzi responded and began to drink soup silently.

About twenty minutes later, Lin Kai drove Yang Mengzi to Baishantang.

Passing a dry cleaner on the way, Lin Kai took Yang Mengzi's skirt to the dry cleaner to wash, then took it back and gave it to Yang Mengzi.

It didn't take long to reach the entrance of Baishan Hall.

"Mr. Lin, thank you!" Yang Mengzi thanked him and opened the car door.

What surprised Lin Kai was that he originally thought Yang Mengzi would get off the car directly, but unexpectedly Yang Mengzi reached out his small head and kissed Lin Kai's face.

Feel the fragrance of the oncoming girl and the coolness on the cheeks.

Lin Kai froze for a moment. Before he could remember, Yang Mengzi's face flushed, and he left the car as if to escape.

Then Yang Mengzi closed the car door and waved to Lin Kai: "Be careful on the road."

Lin Kai shook his head and smiled bitterly before he was forced to kiss. It is said that since ancient times, heroes have been saddened by Beauty Pass.

He hadn't had any defense before. To be precise, he would relax his vigilance in the face of such a beautiful girl who is not hostile.

If you change to another person, let alone kiss him, even if there is a slight movement, Lin Kai will be alert and will not let the other person succeed.

Lin Kai felt it necessary. In this regard, it would not be good to reflect on himself to avoid being taken advantage of in this way.

If Lin Kai's thoughts were heard by other men, he would definitely have the idea of killing Lin Kai.

Immediately, Lin drove the car and returned to his home.

And Yang Mengzi entered Baishantang, compared to the bustling Baishantang during the day, there was no one at night.

Yang Xiaping, who was sorting the medicine cabinet, saw that Yang Mengzi was back and curiously said: "I went out in the morning, why did the sun come back after falling behind? And, how did I change clothes?"

Yang Mengzi snorted when he saw Yang Xiaping's gossip and said, "It's none of your business."

After speaking, head to the backyard of Baishantang. There are several old-fashioned houses in the backyard, similar to the courtyard house, which is the place to live.

When Yang Xiaping heard the words, the gossip meant even more. He had learned from Lin Qianqian that Lin Kai's identity was a shareholder of Lin Qianqian's company. Marrying his sister with this identity would definitely be fine.

It seems that there is something for the two of you!

Yang Xiaping smiled secretly. Originally, after his sister returned to China, she avoided the man. Now that Lin Kai appeared, there was a turning point! It seems that in the future, Duoduo will contact Lin Kai!

As for Lin Kai, when it was close to eight o'clock in the evening, he returned home.

He learned of Lin Qianqian's skin care product advertisements, the first batch of advertisements were put on the prime time before the start of satellite TV programs.

So as soon as Lin Kai got home, he turned on the TV and adjusted the TV program. Twenty seconds before the start of the program at 8 o'clock, he began to broadcast the skin care product advertisement.

Yin Suyan appeared instantaneously. I have to say that Pan Liguos commercial, plus Yin Suyans role as the advertising hostess, let this advertisement hang other commercials.

Although it only took less than twenty seconds, the brand of skin care products was highlighted by Yin Suyan's narration and his own skin effects.

As soon as the advertisement was over, the show just started.

This program is one of the TV stations with the highest ratings at this point in time.

At the same time, Lin Kai's cell phone rang, and it was Lin Qianqian who called.

"Lin Kai, will you have time tomorrow? If you have time, can you accompany me?"

Lin Qianqian's voice came.

Although the advertisement on the TV station was officially launched this evening, the short-film advertisement on the Internet began to be promoted on the Internet in the afternoon.

Once the short film advertisement was released, it was sought after by netizens. Various praised the quality of the advertisement and shouted to buy it.

And short film advertisements, clicks and popularity on various platforms, are getting higher and higher over time.

Netizens still hate advertisements very much, but this kind of very high-quality advertisements are not disliked, but will be sought after.

In fact, it's not the advertisements that hate it, but the shoddy advertisements.

In addition, Yin Suyan is on the Internet, helping to forward the short film advertisement, and Pan Ligu, making the short film advertisement more and more popular.

So in just one afternoon, this short film advertisement swept the entire network.

Many agents and distributors come to look for cooperation.

The several direct sales stores under the company in the East China Sea have long been sold out. We must open more direct sales stores and cooperate with agents.

Lin Qianqian decided to find a larger store in the East China Sea and directly build it into the general outlet store of the skin care product brand. In this way, the brand can be built better.

Dont get it when the dealer has a problem, and its not good if the brand is affected.

At present, finding a suitable store to open a direct sales store is the most important thing, and Lin Qianqian has to do it herself.

It's just that although Lin Qianqian's company is a bit of a scale, she still doesn't have so much experience in finding a bigger place to open a direct sales store. She doesn't know much about this, and she doesn't dare to pass such important things to others.

Lin Qianqian thought of Lin Kai, and planned to let Lin Kai accompany her to have a look.

Lin Kai is also a shareholder of the company. Whether skin care products can be perfected or not, if it is a well-known brand, it can be regarded as interest-related.

The most important thing is that Lin Qianqian is still jealous. Looking at the closeness of Lin Kai and Yin Suyan two days ago, she couldn't help looking for Lin Kai so that Lin Kai would not run to Yin Suyan again.

Naturally, Lin Kai didn't know Lin Qianqian. Another idea, only to help find a larger store and open a general outlet store for skin care products.

In this regard, Lin Kai readily agreed, and there will be nothing tomorrow anyway. Calculating time, Leiyuan Group's most fortune is the day after tomorrow.

After Lin Qianqian heard Lin Kai's promise, she hung up the phone with satisfaction.

Chapter 1494: Catch Rape

Chapter 1494

Lin Kai did not practice immediately after turning off the TV. Instead, he took out the small black bottle and the dragon bone with the palm of his hand, and studied it carefully.

Although it takes only one or two days to go to Xunyang City, the harvest is huge.

In addition to the true dragon heritage, there are small black bottles that are suspected of magic weapons, and complete dragon bones.

It was the small black bottle that had been studied several times, but he hadn't found anything.

Therefore, Lin Kai put the small black bottle next to it first, and then held the dragon bone in his hand.

The dragon bones are already the size of a palm, just like a lifelike craft.

The only flaw is that there is a small piece missing at the neck, which is the inverted scale keel.

Lin Kai made up his mind that he would track down the information of Lord Napa and try to get the inverse scale keel back.

Let the dragon bones truly become complete.

Although there is a missing piece of inverse scale keel, the impact is not so great, but it is still missing.

But for such an important thing, Lin Kai thought about it, but didn't plan to keep the dragon bones at home.

It is not good to be targeted by the people of the Leiyuan Group and steal this dragon bone.

Lin Kai was about to prepare a box to hold the dragon bones.

Unexpectedly, the dragon bones, as if they were spiritual, entangled around Lin Kai's right wrist.

To be precise, it was the inheritance power submerged in Lin Kai's body that made dragon bones like this. After all, the strength of the dragon bone itself has been turned into inheritance energy.

This dragon bone, incarnate as a dragon-shaped bone bracelet, was perfectly worn on Lin Kai's wrist.

From the outside, it is a delicate dragon-shaped bracelet.

If Lin Kai hadn't seen it with his own eyes, the dragon bone turned into a bracelet, he would not believe it was a dragon bone.

Then he felt that the dragon bone bracelet did not have any weight at all, and it would not have any effect on the dragon bone when worn.

He could even detect that the inheritance power began to flow slowly in the body after wearing the dragon bone bracelet, as if it was nourishing his body a little bit.

Lin Kai was amazed. It seemed that the true dragon inherited the power and deliberately changed the dragon bones into a bracelet and made it wear on his wrist.

Lin chuckled. Things that are good for him can protect the bones of the dragon. He has the best of both worlds, so he wears it all the time.

He didn't waste any more time, and began to sit cross-legged, closing his eyes and entering a state of spiritual practice.

This practice has passed for several hours.

At one o'clock in the morning, Lin Kai suddenly opened his eyes and woke up from the state of cultivation.

Immediately, he looked out the door.

Because he heard the doorbell.

Yinshen continued to be arranged by him to monitor near the Leiyuan Group.

When Lin Kai studied the dragon bones at night, the Yinshen saw Ba Ye, walked into the Leiyuan Group, and talked to Lin.

Lin Kai let Yinshen continue to monitor every move of Leiyuan Group.

In the middle of the night, it was not the hidden **** who had come.

Judging from the breath, she is a woman.

Lin Kai's eyes were curious, he couldn't help urging Golden Eyes, and suddenly saw a graceful figure standing outside the wall, pressing the doorbell.

The person here was Lin Qianqian, and her car was parked outside, but the doors of the car were open and the lights were on, obviously it was not turned off.

Lin Kai was speechless. Didn't he say that he would come tomorrow? Why did he come here at night?

With some doubts, Lin Kai opened the door for him, thinking that Lin Qianqian was in a hurry, so he asked: "Lin Qianqian, what happened?"

Who thought Lin Qianqian just glanced at Lin Kai, didn't say anything, walked straight inside.

Lin Kai was even more curious, and said: "Your car didn't even pull out the key."

"You help me pull the key, thank you."

Lin Qianqian said, speeding up the pace and walking to the master bedroom.

Lin Kai was inexplicable for a while, so he had to turn off Lin Qianqian's car and took the car key in his hand.

When he returned home, he saw Lin Qianqian coming out of the master bedroom. First, he glanced at Lin Kai with some unkind eyes, and then hurriedly walked to the opposite guest room.

Lin Kai looked dazed. How did he feel that he was a little familiar with each other? It should be said that he saw similar sections in film and television dramas or on the Internet.

But Lin Kai couldn't ask directly, he didn't know if it was, so he could only sit on the sofa and wait for Lin Qianqian to ask him.

Sure enough, it didn't take long for Lin Qianqian to enter several guest rooms before she came to Lin Kai, with her hands on her hips, with a fierce look: "Frankly explain, how about people?"

"Huh? Who?"

Lin Kai was really confused.

Lin Qianqian sneered: "Pretend it to me! I don't know what I did? Where did you hide it!"

Lin Kai was speechless. He should be able to guess something. He shook his head and said, "What Tibetan, I really don't have a Tibetan."

At this time, Lin Qianqian also sat on the sofa on the other side and snorted: "Three hours ago, you didn't answer my call. Generally, you can't sleep at this point. After that, I made several calls. Just like last time, you did not answer my call. I also asked Dong Shu, but Dong Shu did not come to you.

I just saw that there were three types of toiletry items for girls bought by Dong Shu and I. However, I used one. Even in a guest room, I saw cotton slippers and quilts used by girls, as well as the fragrance of hair. The reason why girls can exude fragrance, in addition to perfume, is more of the participating fragrance left by shampoo after washing their hair.

After my comprehensive judgment, there must be a girl hidden in your home! Humph, no wonder you don't answer my phone! "

Lin Qianqian concluded.

As expected, Lin Kai secretly said that Lin Qianqian was completely pretending to be a traitor.

The reason why he didn't answer the phone was because he used to mute the phone when he was practicing.

Lin Kai never answered the phone last time. It was with An Xiaoran. At that time, he was in the casino and his mobile phone was kept in a special cabinet in the casino.

As a result, Lin Qianqian hurriedly rushed to "catching the rape" thinking that Lin Kai was with a girl.

Lin Kai suddenly figured it out. The reason for it was a little bit dumbfounded: "You are really wronged, Yang Mengzi of Baishantang, should you know? Because I helped Baishantang, Yang Mengzi. I invited me to dinner. After I got drunk, I sent it to me to sober up, so I slept here. In the evening, I sent it back to Baishantang."

Lin Qianqian looked suspicious: "I was drunk after eating, drinking? Why don't I believe it?"

Lin Kai was helpless, if it hadn't been for the system task of kissing Lin Qianqian and Dong Shu forcibly last time, he would be embarrassed, otherwise he would not explain so much.

So after Lin Kai explained it again, Lin Qianqian reluctantly believed it.

Chapter 1495: Yin Sha Enters The Body

Chapter 1495

In the end, Lin Qianqian said: "Huh! You scumbag, during the days when Sister Dong Shu and I were recuperating, you wouldn't let us take a look! If you hooked up other people's women outside, I would naturally not take care of you, knowing you My heart is not with me, but I am afraid that I will wrong Sister Dong Shu."

Lin Kai smiled bitterly and shook his head, knowing that Dong Shu silently paid a lot for him.

But for emotional matters, he didn't have that thought for the time being.

After all, if Lin Yuan didn't solve it in a day, he was afraid that it would hurt others.

Especially last time, Dong Shu and Lin Qianqian nearly died, so Lin Kai was on alert.

So although I understand the intentions of the two women, I haven't developed anything further.

Lin Kai thought of this, and said: "You can ask Yang Mengzi, okay, it's early in the morning. It seems that you are done with the company and ran over. The master bedroom will let you sleep, you go Wash and sleep."

"No! I will sleep on this sofa! Anyway, you are not sincere, let me go to sleep in the master bedroom." Lin Qianqian said proudly.

"All right, you don't go and I will go. If anyone is uncomfortable, go to the guest room to sleep. You are an adult, so I don't need to say anything." Lin Kai reluctantly shook his head and walked into his room.

Pay attention in my heart, when Lin Qianqian calls in the future, he will set a special ringtone to prevent Lin Qianqian from being suspicious because he did not answer the phone.

At the same time, Lin Xinzong had to admit that a woman's power of observation can be inferred through some subtle things.

Lin Kai thought, and after entering the room, he also rested.

The next day, Lin Kai woke up early, and Lin Qianqian was not seen on the sofa. It seemed that she was sleeping uncomfortably and went to the guest room.

Sure enough, after Lin Kai finished washing, Lin Qianqian walked out of the guest room in a daze.

Lin Qianqian didn't have that aggressive attitude in the early morning.

Perhaps he knew the truth and apologized to Lin Kai.

In response, Lin Kai just waved his hand and asked Lin Qianqian to wash up too, and he went out to buy breakfast.

After the two had finished their breakfast, the two went to the commercial zone in the center of Donghai City, and strolled around to see if there were any suitable shops.

Lin Qianqian called Lin Kai together. Another reason is that the Leiyuan Group has a lot of power in the central area of the East China Sea. If it is targeted by Leiyuan Group people, it will be troublesome.

Lin Kai also thought of this. Although he knew that Lei Yuan Group didn't dare to know what it was like now, he might be able to produce some moths based on Lin Yuan's various conspiracies.

So Lin Kai agreed without hesitation at the time.

Lin Qianqian has a very clear goal, to find a place with the best position in the East China Sea, find a big store, and become the company's main direct sales store for skin care products.

In this way, a brand can be built and displayed.

Lin Kai and Lin Qianqian, on the contrary, are here, taking a round in the central business circle.

Lin Kai is not afraid of Leiyuan Group and will look at him. No matter how courage Lin Yuan is, he will not be able to make a move in the central business world. After all, the country is now watching Leiyuan Group closely.

Soon, I learned that there is a relatively large western restaurant called Xixi Keli Restaurant on the commercial street, which is subletting.

At first, both Lin Kai and Lin Qianqian thought that the location of this Xixi Keli restaurant was not so good on the commercial street, but it turned out that it was in the center of the commercial street, or on the most prosperous street in the East China Sea.

It should be said that this position, no matter what it sells, of course, if the quality is at least not that bad, the business will not be bad, the kind of stable profit without loss.

Not to mention, this is a mid-range western restaurant.

Mid-range western restaurants belong to the kind that ordinary people eat once in a while, and the kind that the petty bourgeoisie often visits, and it is more profitable.

Unexpectedly, such a store would be transferred.

Lin Kai and Lin Qianqian walked into the Sisi Keli restaurant with doubts.

In the restaurant, the decoration is also the kind of mid-to-high-end decoration, a relatively normal western restaurant, which conforms to the atmosphere of a western restaurant.

There is no one here except a man in his thirties who has obvious wrinkles.

The wrinkled man was smoking cigarettes one by one, without stopping.

He saw that Lin Kai and Lin Qianqian came in, their voices were very weak and said, "I'm sorry, I will rest today and will not open."

As soon as Lin Kai entered, he could perceive that it was full of evil spirits, giving people a gloomy feeling.

Of course, this kind of evil spirit is not too strong and has no effect on ordinary guests, but if it is in it for a long time, it will definitely be affected.

Lin Kai is an immortal cultivator, and he is naturally very sensitive to the evil spirits. If it is an ancient warrior who comes here, most ancient warriors may not be able to detect the strangeness here.

But if it is from the Pihua Mansion, it is not necessarily.

The members of the Bihua Mansion are all proficient in the technique of demons and evil spirits, and they are also very sensitive to evil spirits.

Lin Kai couldn't help but glance at the wrinkled man who just spoke.

In the eyes of ordinary people, this wrinkled man may not have a good rest, he has dark circles under his eyes, his face is pale, and he looks very weak.

But in Lin Kai's eyes, the wrinkle man is caused by the long-term yin-sharp in his body, which leads to lack of energy.

“what?”

Suddenly, Lin Kai found some clues from the wrinkled man's neck. He saw the wrinkled man, always hunched back unnaturally, as if something was pressing him.

Lin Kai immediately urged the golden pupil, and only then saw that on the neck of the wrinkled man, there was a child-sized evil man sitting on the neck of the wrinkled man.

As a result, wrinkled men are always unconscious, hunched back, it is because of evil sitting on the neck.

And this evil evildoer is not only simple, sitting on the neck, will stick out a long black tongue little by little, injecting evil spirits into the wrinkled man.

After Yin Sha completely entered the body, the evil spirit might swallow the wrinkled man all at once.

Lin Kai observed this evil time.

Lin Qianqian spoke to the wrinkled man and said, “You have misunderstood. We saw that your store is going to be transferred out. We are here to take a look and discuss.”

After hearing Lin Qianqian's words, the wrinkled man stood up excitedly, but behind him, his whole body was obviously hunched.

Naturally, it was because of the evil spirit sitting on his neck that made him feel more stressed.

Moreover, the hunchback is not the hunchback of a normal person, it is all together.

Lin Qianqian was very curious when she saw the strange look of the wrinkled man, and muttered to Lin Kai: “This man seems to be very strange. He seems to be in his thirties. He is at the age of a man. It's like a late old man.”

Lin Kai just smiled when he heard the words. Of course he knew what was the reason. The evil spirit had entered the body too badly, and the evil spirit was sitting on his neck.

Chapter 1496: So Bargain

Chapter 1496

At this time, the wrinkled man walked in front of Lin Kai and Lin Qianqian at a slow speed and introduced himself.

This wrinkled man is the owner of the Sisi Keli restaurant, named Qian Hengsheng.

After Qian Hengsheng finished his introduction, he said weakly: "You have also seen that my shop is located on the most prosperous street in the East China Sea and has the largest flow of people. No matter what business you are here, there is absolutely no shortage of business. Customer source. As long as it is done well, it will be more attractive."

Lin Qianqian couldn't help asking: "So what is the sublet price?"

Although the company's skin care products sales are becoming popular, in short, they will not be short of money in the future, but Lin Qianqian still has to plan carefully and has become a habit. Otherwise, she wouldn't be able to start a company at a young age.

Qian Hengsheng's pale complexion was overjoyed, and he felt that there was a play, so he immediately responded: "My store has been signed for five years in one breath. The annual rent is 1 million yuan, and I have rented it for half a year. In the next four and a half years, there will be a total of 4.5 million, but I am also anxious to go out, so I will give you a discount, a total of 4 million, subletting for four and a half years, how about?"

When Lin Qianqian heard this, she was about to say something.

Lin Kai took the lead and said: "Boss Qian, let us rent out 500,000 yuan to ensure that you will not lose money."

Qian Hengsheng was stunned. He rented out four million yuan. He has already made half a million yuan cheaper. This is four and a half years renting!

Unexpectedly, this person would cut the price by seven-eighths!

Suddenly Qian Hengsheng was furious, but on the surface he was still afraid to show that the other party was the buyer after all.

It's just Qian Hengsheng's voice that is very cold: "Brother, are you pure-hearted to make trouble? If you are here to make trouble, please leave. If it is a joke, I won't mind. If the price is not satisfied, can talk. But if you insist on bargaining like this, then you are not welcome!"

Lin Qianqian blushed pretty face, and she also felt that Lin Kai's bargaining was too cruel.

In this most prosperous street in the East China Sea, the rent is 500,000 yuan for four and a half years, which is equivalent to a rent of 100,000 yuan a year, and the store is quite large, less than 300 square meters.

This kind of large storefront is the best in the area, with one hundred thousand a year, which is equivalent to a storefront on an ordinary street.

Before Lin Qianqian could speak, Lin Kai continued to laugh and said: "Boss Qian, you only heard the first sentence, and the latter sentence guarantees you will not lose, but you have ignored it. Take me to tell you that you will not lose. Later, your attitude will be very different from the previous one."

Lin Kai paused for a while, and continued: "Boss Qian, your restaurant has been open for half a year, plus the various activities at the door, and the price. I guess the business is indeed very good. Why, so eagerly Sublet it out?"

Usually, three months is the threshold for opening restaurants and restaurants. If three months are still at a loss, you may choose to sublet. Half a year is also a hurdle. If there is no profit in half a year, you will definitely find a way to sublet.

But this is not the case at Hoh Xil Restaurant. On the contrary, business must be good.

Hearing what Lin Kai said, Qian Hengsheng sighed and began to explain the situation.

Because of this, as long as you inquire a little bit, you will know, so since you ask, there is nothing to hide.

The Sicily restaurant has attracted attention since it opened six months ago.

Donghai is a new big city, and it has become an Internet celebrity city in the past year, so various stores have settled in.

Sicily is one of them. Sicily itself is a mid-range western restaurant of a big brand chain.

Only in the first-tier cities, there will be.

So appearing in the East China Sea, there is also a lot of attention, many people come to try it, and after eating, they are also very satisfied.

The business behind is getting more and more popular. Until a week ago, for some reason, the kitchen was a few degrees colder than usual, and even more than ten degrees at night. Not only that, no matter whether it is the food placed outside or the food in the refrigerator, it will rot inexplicably.

How could it be possible for guests to eat rotten food, so the business was closed a few days ago and a special person was invited to investigate.

As a result, only food can rot inexplicably.

I couldn't even find the reason, let alone solve it. As a result, the restaurant could not be opened anymore, so it was subletted out.

Having said that, Qian Hengsheng sighed again: "So you can rest assured that only food is rotten inexplicably. I just heard you say that you sell skin care products. Skin care products are here. There is no problem."

Lin Kai sneered in his heart, Qian Hengsheng only said one, not the second.

The food is rotten, of course, because of evil spirits. The western restaurant itself is a variety of steaks, sashimi and the like. The evil spirit is very corrosive to the flesh and blood of this animal.

At the same time, it also has serious damage to the human body.

For example, Qian Hengsheng in front of him is the most serious. He was originally a man in his thirties, but now he is about to become a late old man.

Lin Kai can be sure that the chefs and waiters in this restaurant are also affected by the evil spirit of Yin and evil to varying degrees, but they are not as serious as Qian Hengsheng.

Qian Hengsheng was targeted by evil men, causing this.

Therefore, Lin Kai said calmly: "Boss Qian, do you have other things that you haven't said? For example, the physical condition of your restaurant staff, and your physical condition, is getting worse than a week ago, right? "

Qian Hengsheng was surprised: "How do you know? A week ago, since the cold in the kitchen, my body is indeed inexplicably worsening every day. As for the other employees, it's just a cold and sick. I may be sick, and there is nothing to do with the restaurant. relationship."

Lin Kai sneered: "I don't know if it matters, but I still know that in the past few days, I won't talk about restaurants. Even your home has all kinds of weird things happening, am I right?"

Qian Hengsheng's eyes widened, he looked at Lin Kai in disbelief, and suddenly sighed in vain: "Yes, the food in my house has also rotted inexplicably these days. And in the middle of the night, we can always hear strange noises."

Qian Hengsheng said, he looked at Lin Kai again, frowned and said, "How do you know? I have never told outsiders about this."

Lin Kai smiled and said, "Unfortunately, I know some feng shui techniques. I can see that you are surrounded by evil and evil spirits have entered your body, causing this situation."

"What? Evil? The evil spirit into the body?" Qian Hengsheng showed a trace of panic. It seems that only this explanation can explain these weird phenomena!

Especially since he personally experienced these weird things, and his body was getting worse and worse, he couldn't find out anything when he went to the hospital.

Chapter 1497: Easy Solution

Chapter 1497

When Lin Kai saw Qian Hengsheng's appearance, he smiled and said, "Don't worry, I've said it all, as long as the rent is 500,000 yuan, you are guaranteed not to lose."

The implication is that he has a solution.

The reason why Lin Kai was so idle to help Qian Hengsheng solve it was naturally because of the system and released another task, which was to help Qian Hengsheng get rid of the evil spirit sitting on his neck.

The reward was the ability to withdraw silver, and Lin Kai wanted to use this to put the rent price down, otherwise the money would be lost for nothing.

That is why Lin Kai wasted so much speech.

Qian Hengsheng became excited when he heard the words, looked at Lin Kai, and immediately said, "Brother...no! This little brother, you mean, there is a way to save me?"

Lin Kai nodded and said, "Yes, the premise is that the rent is 500,000 yuan. I will help you for free.

Qian Hengsheng didn't hesitate to say: "As long as you solve this matter for me, the rent will be 500,000 yuan!"

Mainly, one's life is more important than money. No matter how rich, lifeless enjoyment is nothing.

Qian Hengsheng continued, "Of course, if you lie to me, you will be at your own risk."

Lin Kai didn't care, and said, "You don't need to do anything, you just need to wait a moment."

As Lin Kai said, Zhen Qi revolved, there was Zhen Qi flowing in his palm, and he stretched out his hand directly and grabbed Qian Hengsheng's neck.

In an instant, Lin Kai took the evil man up in his hand.

No matter how hard the evil spirit struggles, it won't help.

This evil evil spirit is the most common evil evil evil spirit. It just stays in the world for a long time, causing the evil spirits to become stronger and stronger, relying on the evil evil spirits to enter the body, and then swallow people.

If Qian Hengsheng continues to do this for a few days, he will be swallowed by evil spirits.

In Lin Qianqian's or Qian Hengsheng's eyes, Lin Kai's move was very strange, and she didn't understand what Lin Kai was doing.

Because both of them are ordinary people, they can't see evil.

Don't talk about evil, even the evil spirits can't be detected.

However, Qian Hengsheng was surprised, because after Lin Kai made that strange move, his whole body was relaxed. Originally, there was a huge boulder on his neck.

As a result, he hunched back at every turn, and was often panting, and the blood did not flow smoothly, just like an old man.

But now, the huge boulder seemed to have been removed, and his body stood upright, as if he was ten years younger!

Qian Hengsheng looked at Lin Kai's hand, and he vaguely sensed a sense of coldness, which was exactly the same as the meaning of coldness he had felt these days!

This made Qian Hengsheng believe Lin Kai's words! He is indeed haunted by evil!

At this moment, the evil evil spirit wanted to break free, constantly releasing the evil spirits to wrap Lin Kai.

How could Lin Kai let this evil creature succeed, his other hand immediately urged his true energy, and directly slapped the evil creature.

"Exit!"

As Lin Kai's words fell, the evil spirit screamed, and then the evil spirit began to burn from top to bottom.

Lin Qianqian and Qian Hengsheng could not see the evil spirits, but at this moment they could see an inexplicable flame and a cold scream.

And soon after the flame burned, it turned into strands of black smoke, which was still clearly visible.

Whether it's Lin Qianqian or Qian Hengsheng, seeing this scene, they can think of what the thing turned into black smoke, they all take a few steps back subconsciously in fear.

When Lin Kai saw this, he smiled: "Boss Qian, that evil has been resolved. As for your body, it is much better than before. If you recuperate for a few days, the evil spirit in your body will dissipate. In time, you will be completely better."

Qian Hengsheng looked happy and bowed to Lin Kai and said, "Thank you, Master! Thank you, Master!"

While Qian Hengsheng was grateful, under a remote bridge in the East China Sea, there was an old man with a white beard dressed as a beggar. He seemed to have sensed something. He immediately pinched his finger and his face changed slightly: "Damn! The evil guy I arranged, why? Maybe it's been solved? Could it be that the group of people in the Bihua Mansion? That's not right. There are no people from the Bihua Mansion staying in the East China Sea these days, so who else can solve the evil that I arranged?"

The white-bearded old man couldn't understand, he simply shook his head, took out a wine gourd from his waist, lay in the corner under the bridge, and continued to drink.

...

And Sicily restaurant.

Lin Qianqian and Qian Hengsheng signed a subletting contract, with a low price of 500,000 yuan, and got the lease for four and a half years! It can be said that if this kind of price is heard by outsiders, it will definitely not be believed. After all, it is too cheap, just like a fantasy.

However, Qian Hengsheng didn't feel distressed, because solving the evil thing was tantamount to saving his life.

Lin Qianqian took a higher look at Lin Kai, but she didn't expect to have such a method.

As for the decoration later, Lin Qianqian will do it herself and Lin Kai is not needed.

The decoration can not be completed in one or two days, not to mention this is a restaurant, so it is still a bit difficult to remodel.

Therefore, Lin Qianqian was not in a hurry to decorate. Before noon, she asked Lin Kai to take her for a walk around the skin care store in the nearby mall.

Lin Qianqian concluded that those skin care products did not pose any threat to her company's skin care products.

Lin Qianqian is very grateful to Lin Kai, because Lin Kai provided the three-color sapling liquid, which has improved the effect of skin care products to several levels, and this can break a blood path from the highly competitive skin care industry.

Lin Kai just smiled.

After a round, it was almost noon.

Lin Qianqian was going to invite Lin Kai to eat nearby, but it happened that Lin Kai's phone rang and it was Yin Suyan who called.

Lin Qianqian saw it. On the screen of Lin Kai's phone, the name of the caller ID was Yin Suyan, and she suddenly became vigilant.

Lin Kai also noticed Lin Qianqian's emotional changes. He hesitated. He still had a headache for women. Who knew how Lin Qianqian would react if he answered the call.

But Lin Qianqian, seeing that Lin Kai was hesitating to answer, she was speechless: "I am not a tigress. I can't take care of you any more. You don't want to answer it soon. And Miss Yin spoke for our company free of charge and accepted one. Its a great favor, maybe Miss Yin, what can I do for you to solve.

Lin Kai shook his head and laughed. He could hear Lin Qianqian's jealousy, but he quickly answered the phone.

"Mr. Lin! The level of construction behind the mountains on the outskirts of Xicheng is a few days faster than we imagined! It is estimated that it will be completed in two or three days! Mainly, those workers, and engineers, see These buildings are more beautiful and perfect than expected, causing them to rush to build with all their strength."

At this point, Yin Suyan paused for a while, and then said: "I will go there tomorrow. Let's take a test first. If you have time, you can come if you can."

Chapter 1498: Really High Class

Chapter 1498

Lin Kai responded: "Okay, if you have time, you can go there."

He didn't use an affirmative tone to agree.

Because tomorrow he has to see what will happen on Leiyuan Group, and then make plans.

Almost a week ago, I used divination. The luck trend of Leiyuan Group is tomorrow, which is the day with the worst luck during this period.

Lin Kai wanted to see how bad this Leiyuan Group's luck was, and then took the opportunity to see if he could do something.

At this time, Yin Suyans voice rang on the other end of the phone: "By the way, Wu Feifan asked me to speak to you. He has been studying the script lines of the male number one in earnest these days.

Director Pan has personally tested it, and it is barely possible. If you study and ponder for a few days, you can formally be qualified for the role of the male one.

So I ask you, is he qualified to be the male one? After all, the right to speak is in your hands. Moreover, the construction progress is almost completed in six or seven days. “

Lin chuckled and said, “This was built within ten days, so Lu Qingfeng must have lost. Since Director Pan said that in a few days, Wu Feihua will be able to be the male first, so let Wu Extraordinary as the male one.”

“Okay, I’ll call and tell him later.” Yin Suyan responded.

Lin Kai originally wanted to say something, but when she saw Lin Qianqian next to him, she kept getting close to him, her ear was about to stick to Lin Kai’s mobile phone, as if she wanted to hear the sound coming from the other end of the phone.

Lin Kai had no choice but to say, “Miss Yin, if nothing else, I’ll hang up.”

How dare you think, Yin Suyan said, “Its really something to be said by you. In the evening, a good girlfriend of mine happened to come to the Donghai Opera House to perform a stage play. If you look good, can you accompany me? May I go there?”

Lin Kai said, “Okay, nothing will happen at night.”

The main reason was that he was not relieved, Yin Suyan went there alone.

Yin Suyan himself is a big star, plus he was targeted by Leiyuan Group before. Who knows if Leiyuan Group will instigate other forces to target Yin Suyan.

Especially in the entertainment industry, Yin Suyan, as a current celebrity in the entertainment industry, occupies a lot of good resources, and will naturally spawn hostility.

Even if he didn’t offend the other party, the other party wanted to destroy Yin Suyan.

Lin Kai himself is the owner of an entertainment company. Although he is just a hand-off shopkeeper, he understands the intricate relationship of interests.

But as soon as Lin Kai finished speaking, he noticed that there was a murderous intention condensing beside him.

Naturally, Lin Qianqian heard the voice on the other end of the phone, and when Lin Kai agreed, she suddenly widened her eyes and stared at Lin Kai.

Lin Kai pretended not to see Lin Qianqian now.

Soon, Yin Suyan’s slightly delighted voice came from the other end of the phone: “That’s it. There is an opera house on Luoyang Road in the East China Sea. We will meet at the door at 6:30 in the evening.”

“Ok.”

Lin Kai responded immediately and hung up the phone quickly.

As soon as he put away the phone, Lin Qianqian rubbed the pair of small tiger teeth and hummed: “It’s really high-class to watch the stage play.”

Lin said with a smile: "The stage plays, there is nothing upper and lower. Besides, you said that, Miss Yin endorsed your company for free. Even if you have accepted a kindness, I can't refuse it, right?"

Lin Qianqian didn't say anything when she heard this.

Afterwards, the two walked into a restaurant and had lunch.

But the food was not served. Suddenly, a woman in her twenties, dressed as a broad lady, passed by where Lin Kai and Lin Qianqian were sitting.

The woman dressed up by Mrs. Kuo first stopped by Lin Qianqian, then looked at Lin Qianqian with a surprised look, and said: "You are... Are you Qianqian?"

Lin Qianqian was originally talking with Lin Kai. After hearing the words of Mrs. Kuo dressing up a woman, she quickly looked over. She was puzzled, and then as if she had remembered something, she exclaimed: "Are you Xiaoyi?"

The little Yi in Lin Qianqian's mouth is named Liu Yi, and her body is full of money. No matter clothes, bags, shoes, etc., they are all luxury items.

Not to mention, there are not too many kinds of expensive jewelry on her body, for fear that others will not know that she is very rich.

Liu Yi smiled and nodded: "It's me. I didn't expect to see you here. In the past few years after graduating from university, I haven't seen each other much. It seems that you haven't changed much."

When Liu Yi spoke, her face was full of smiles, but in Lin Kai's eyes, this smile was fake.

Especially the change is not very big, Liu Yi's biting words are particularly heavy, somewhat intriguing.

Before Lin Qianqian could respond, Liu Yi's gaze fell on Lin Kai, and immediately looked at Lin Kai quickly, and then he looked at him and said, "I said Qianqian, is this your boyfriend or husband? Handsome? It's a little handsome, it seems only handsome."

Liu Yi seemed to be complimenting Lin Kai, but in fact there was something in the words, full of disdain for Lin Kai, the tone that looked down on Lin Kai.

As the boss of a company, Lin Qianqian couldn't hear the ridicule in this tone. Lin Qianqian's pretty face instantly became cold, and she didn't talk to Liu Yi.

She was just a dormitory roommate in college. There were six roommates. Lin Qianqian had a good relationship with only four people, except that she had a normal relationship with Liu Yi.

But even if Liu Yi saw that Lin Qianqian's complexion was very ugly, she still said: "Qianqian, I just got married, do you know who my husband is?"

Originally, Lin Qianqian didn't want to bother Liu Yi, but Liu Yi stayed here and didn't leave, which was quite annoying.

So she said lightly: "I haven't been in contact for a few years, and you retired from the classmate group and didn't add friends. How do I know who you are married to?"

As soon as Lin Qianqian finished speaking, Liu Yi moved towards the other part of the restaurant and waved: "Husband! Come here! Look who this is!"

Then, a man in a suit came over.

Seeing the man in the suit, Lin Qianqian was stunned. She should have known each other.

Liu Yi smiled and said: "What? Surprised? My husband is Yao Dadong. Don't look at my Dadong's former poor. Isn't there a saying, ten years in Hedong and ten years in Hexi, it fits my Dadong. Now he is. A vice president of a large company, after another five or six years, he may become a regular employee.

Today is when he is free, come out to eat with me. If I didn't want to eat some special dishes, I would have taken me to a Michelin restaurant. Those high-end ones have long been tired of eating, and it is good to change the taste occasionally. "

Liu Yi couldn't help showing off.

Yao Dadong, who was next to Liu Yi, was also taken aback when he saw Lin Qianqian, then his eyes flashed with surprise, and then he politely said to Lin Qianqian: "Lin Qianqian, I haven't seen it for a long time."

Chapter 1499: Snob

Chapter 1499

Before Lin Qianqian spoke, Liu Yi lifted her hand up, pointed at the jade bracelet on her wrist, and continued to show off: "Dadong, these seventy thousand yuan jade bracelet, I don't know why. It looks ugly. After two days, when you are free, buy me another one. I planned to buy it last time. How about that one hundred and twenty thousand gold bracelet?"

Yao Dadong secretly scolded the prodigal maidens, but when he saw Lin Qianqian here, he said fairly generously: "Isn't it just a gold bracelet of 120,000 yuan? After the meal, I will buy it for you. Anyway. If you are not afraid of more jewelry, you are afraid not to buy it."

Liu Yi nodded in satisfaction, then looked at Lin Qianqian, and said, "Qianqian, thank you for not agreeing with Dadong's pursuit of you. It is precisely because of this that I can marry such a good man. Thank you very much. At that time, Dadong was really not so good. He wanted money but no money, and he wanted to be worthless. Now it's different. It is already a high salary of one million."

Lin Qianqian and Lin Kai didn't respond much to Liu Yi's words. Instead, Yao Dadong on the side didn't think he stood up, but looked very proud.

Lin Qianqian glanced at Liu Yi and said faintly: "Thank me for what I did. At that time, I was not the only one who rejected Yao Dadong, so there is no need to thank me. Besides, what are you doing now has nothing to do with me."

Yao Dadong's complexion turned red, and he was immediately embarrassed. When Lin Qianqian was in college, she was a schoolgirl and was pursued by countless people. He was one of them. Like many people, even Lin Qianqian's face is rarely seen, one of the most inconspicuous suitors.

After that, he relied on a little opportunity to enter the company and began to develop.

With the development being quite good, Liu Yi took a fancy to his potential and fell in love with him.

As Lin Qianqian's roommate, Liu Yi naturally knew that Lin Qianqian refused Yao Dadong's pursuit, and she was still very uncomfortable.

Now in this restaurant, I ran into Lin Qianqian who hadn't seen her for several years.

Both Liu Yi and Yao Dadong wanted to prove to Lin Qianqian that the man Lin Qianqian despised at the time is doing very well now.

Especially when I saw Lin Qianqian, it seemed that I had a very normal life, and it aroused the two of them and couldn't help showing off to Lin Qianqian.

As a result, Liu Yi gave another fake smile and said, "I must thank you. After all, if you agree to Dadong's pursuit, I will not live such a good life with Dadong now."

Liu Yi paused, glanced at Lin Kai, and shook her head: "The one who pursued you at the beginning, although no one can compare to him in appearance, but I have told you that being handsome is useless, unless it is Handsome and rich. But handsome and rich, there is no shortage of women. And handsome, there is no money, but it is useless.

After marriage, all kinds of firewood, rice, oil and salt will not be mentioned. Usually, buying all kinds of clothes, bags and cosmetics costs a lot of money. What's more, what he is wearing, what kind of stuff, what kind of animal bone frame, is too unusual and shabby, obviously, can't afford the clothes and bags you want. "

When Yao Dadong heard Liu Yi say this, he also noticed that on Lin Kai's wrist, the dragon skeleton turned into a bracelet.

Naturally, other people can't see that this is a real dragon bone, and only think it is a skeleton of animal bones.

Yao Dadong smiled disdainfully, and then raised his hand. He was wearing a famous watch with a price of hundreds of thousands, which was deliberately revealed for Lin Kai and Lin Qianqian to see.

"I am Yao Dadong, the deputy manager of Donghui Group. Brother, where are you employed?"

Yao Dadong stretched out the hand wearing the famous watch, stretched it over to Lin Kai, and then asked.

Lin Kai and Yao Dadong shook hands, and said lightly: "Lin Kai, right now I am unemployed."

Although Lin Kai has his own company, he is a treasurer and has many shares in the company, but he has no official position and is a major shareholder.

As a result, Lin Kai said casually that he was unemployed.

"Unemployed?"

Yao Dadong was stunned, thinking that Lin Kai was in contrast to him, embarrassed to say his profession, and became even more disdainful in his heart.

Immediately, he pointed his finger at the dragon bone bracelet on Lin Kai's wrist, and said, "What kind of bones are you making for this thing? It's crystal clear. It can be regarded as a handicraft. The price is estimated to be a few hundred yuan at most?"

Lin Kai's response was not salty or indifferent: "I don't know, I found it in the wild."

"Hehe, it turned out to be picked up. Maybe it is an antique. I know a friend who appraisal of antiques. If I want to appraise, I can speak for you." Yao Dadong smiled happily and confirmed that this person is definitely I am embarrassed to say it, just so perfunctory.

Liu Yi didn't let this opportunity pass, and asked Lin Kai: "Since I am unemployed, what kind of life I usually rely on? Now even if I lie at home, how can I spend tens of thousands of yuan a month?"

If it weren't for the fact that these two people knew Lin Qianqian, Lin Kai would ignore it.

Looking at Lin Qianqian's face, Lin Kai continued: "A thousand will come."

Lin Kai is the truth. He really doesn't need to spend any money himself, so he spends a little when he invites people to dinner, but he doesn't spend anything at all.

"It's only a thousand dollars?" Liu Yi pretended to be very shocked: "I have to spend one or two thousand dollars for a manicure. You are too saving."

As Liu Yi was talking, the waiter had already served the food.

Lin Qianqian calmly said to Liu Yi appropriately: "Alright, Liu Yi, our food is here, we will have a chance to talk later."

Liu Yi said without hesitation: "Qianqian, depending on whether it is an old classmate or a college roommate, I still advise you. If you are handsome and have no money, you should divide it as soon as possible. You don't have to wait after getting married. Its so good for you. If you really dont listen, if one day you dont even have money to eat, you can come to me and I can lend you a little bit."

It seems to be kindly persuading, but the tone is full of superiority and mockery.

Originally, Yao Dadong wanted to say a few last words, but Liu Yi pulled him away.

While pulling, he said with disdain: "Dadong, I didn't see Qianqian sour us. I guess she saw that we were having a good time. She felt uncomfortable, so she didn't welcome us. Nor can we, cheeky, continue to stay. ."

Soon, Liu Yi and Yao Dadong left here.

Lin Qianqian apologized to Lin Kai and shook her head helplessly: "When she was in school, Liu Yi was such a snobbery, so in the college dormitory, no one played well with her, it was just a normal relationship. Don't worry too much. ."

Lin Kai smiled: "I'm fine, it's still important to eat."

Lin Kai really didn't care, it was not as attractive as the food on the table.

Lin Kai and Lin Qianqian began to eat comfortably.

Chapter 1500: Bother You For Something

Chapter 1500

When the two were eating.

This restaurant walked in. A lady in her forties, although she was wearing a professional suit, the jewelry she wore on her hands, neck, and hair was very luxurious.

The lady walked directly towards the table of Liu Yi and Yao Dadong.

Both Liu Yi and Yao Dadong saw that the lady was coming, and they all got up and gave their seats politely.

After the lady sat down, Liu Yi and Yao Dadong sat down.

“Mr. Wu, what happened?” Yao Dadong asked.

Mr. Wu, the lady, shook his head and said, “I still cant do it. The other side told me that he wouldnt be able to do it as an agent in the province. He would build a direct sales store by himself. Only in other provinces would each province provide a sales agent quota. .”

When Yao Dadong heard this, his face was a little embarrassed: “The company has a few direct sales stores in Donghai, which are still very small stores. Apart from this, there are no other direct sales stores in this province. They are all like this, not to the province. Its too wasteful to provide a distribution agency.”

As Yao Dadong said, he looked at Mr. Wu and said helplessly: “Mr. Wu, the companys skin care products are foreseeable and will definitely sell well in the future. Our company also happens to be acting as an agent in this regard. If the agent distribution of skin care products is not completed, I will not be guaranteed.

Mr. Wu, you are also related to the interests of our company. Didn't you say that you have a nephew who works as the technical director of that skincare company? Can you let your nephew find a way? “

Mr. Wu sighed: “It's not that I didn't go to find my nephew, but my nephew doesn't know what's going on. Now he is not in the position of director. I have become an ordinary employee, so I have nothing to do.”

“what?”

Yao Dadong felt like a bolt from the blue, it was difficult to accept this fact, you know, he has made a military order against his company. If it is not completed, his position as vice president will be lost.

Although Mr. Wu did not belong to Yao Dadong's company, Wu always opened a company by himself and had close interests with the company where Yao Dadong worked.

To be precise, Mr. Wu needs to use Yao Dadong, and likewise, Yao Dadong also needs the help of Mr. Wu's head office, so a win-win situation.

So at this time, Mr. Wu said again: “I also asked my nephew, the boss of the company went out in the morning and said that he was going to look at the shops on the Donghai Commercial Street and plan to

build a general direct sales store. Or try his luck. If you meet the boss of that company, just have a good discussion.”

Yao Dadong was puzzled: “The boss of the company is very mysterious, and there is no picture or anything. I don’t know if it is a man or a woman. How can I try my luck?”

Mr. Wu said: “You can rest assured, I have inquired. The boss of the company is a young woman. And the biggest shareholder is a young man. The greatest technology of skin care products is provided by the young man. I also want to call the company boss. , Or call it.”

“Oh?” Yao Dadong’s eyes lit up and he said, “Then trouble Mr. Wu, give me the number of the boss of the company, and I’ll call and ask.”

Afterwards, Mr. Wu gave Yao Dadong a phone number, and Yao Dadong called.

Just before the call, Yao Dadong thought of something in vain, and quickly said to Mr. Wu: “Mr. Wu, what is the name of the company boss? I should always give it a name, otherwise I seem to be insincere.”

Mr. Wu was embarrassed and said: “If you don’t tell me, I almost forgot. It seems to be Lin and Qianqian.”

“Lin...Lin Qianqian?”

Now, let alone Yao Dadong, even Liu Yi was shocked. The two looked at each other and they could see each other’s astonishment and uncertainty.

At the same time, the two of them were very disdainful, how could it be the Lin Qianqian they knew.

However, Yao Dadong and Liu Yi couldn’t help but look at Lin Qianqian.

What was frightening for the two of them was that Lin Qianqian actually picked up the phone, and the phone with Yao Dadong was connected, and then Lin Qianqian’s voice rang: “Hello, hello, who is it?”

Lin Qianqian was facing her back, and the dining table was far away, so Lin Qianqian didn’t know it was Yao Dadong.

Yao Dadong and Liu Yi both stared at Lin Qianqian with eyes wide open.

In the two people’s impressions, although Lin Qianqian is beautiful, the flowers used are quite normal, and the family background should be average.

Now I have never thought that I have opened a very powerful company.

“Don’t speak? I hang up if I don’t speak.”

Lin Qianqian’s voice came from Yao Dadong’s cell phone again.

Yao Dadong bit his scalp and responded: “That...cough, Lin Qianqian, it’s me, Yao Dadong...”

Before Yao Dadong could continue speaking, Lin Qianqian turned her head and glanced over there, and hung up the phone.

“Ok?”

Mr. Wu felt strange seeing this scene, and asked: “Do you know Lin Qianqian?”

Yao Dadong smiled bitterly, it was hard to say a word.

Liu Yi’s face was also very ugly, but she still looked at Yao Dadong and said: “Dadong, why don’t we invite Lin Qianqian to dinner, just apologize. Since we are classmates, maybe we can help us.”

In fact, Liu Yi couldn’t bear this face, but when I thought, if Yao Dadong could not complete the task given by the company, then the position of Vice President Yao Dadong would be gone.

This means that life will not be so good in the future.

Compared with this, Liu Yi decided to go to Lin Qianqian.

Yao Dadong also sighed: “Okay.”

Later, Yao Dadong ordered a glass of wine and took Liu Yi to the table where Lin Qianqian and Lin Kai were.

Yao Dadong took the lead and raised the wine glass, and smiled towards Lin Qianqian: “Qianqian, I have offended you before, don’t take it to heart. I came here to toast and make a payment.”

Liu Yi also immediately said: “Yes, yeah, it was our fault before, I will use tea instead of wine, and I will also toast you a cup.”

Lin Qianqian frowned her eyebrows, although she didn’t understand, why the two of them came again and came to toast.

However, based on Lin Qianqian’s understanding of these two people, it is absolutely impossible to apologize for no reason.

Quite a kind of not going to the Three Treasures Hall.

Not to mention Lin Qianqian, Lin Kai, who has been watching silently, has this feeling.

So Lin Qianqian said lightly: “Sorry, I can’t drink.”

Yao Dadong smiled and said: “It’s okay, you can drink water or drinks.”

Before Lin Qianqian responded, Yao Dadong drank all the glass of wine in his hand.

At this moment, Mr. Wu also came here, and she was pleasantly surprised: “So you know, Vice President Yao, if you and Mr. Lin know each other, you don’t need me. You can discuss with yourself and take the skin care product in this province The agency business. I’m leaving.”
