

Special Forces God Level Extraction System

Chapter 15: Spike Lin Yuan

Chapter 15-Killing Lin Yuan

When the venue was vacated, the duel between Lin Kai and Lin Yuan officially began!

Lin Yuan raised his eyebrows and looked at Lin Kai with a hand on his back, a white self-cultivating suit set off Lin Yuan's extraordinary temperament.

"Come on, cousin, I won't be merciful." Lin Yuan smiled playfully, and turned to surprise Lin Kai!

Lin Yuan's speed is extremely fast, his skill is very agile, and he deserves to be a strong black belt in Taekwondo.

Lin Yuan approached Lin Kai in a surprise attack, turned around, and hit Lin Kai's face with a high whip leg!

With a scream, before the legs arrived, the wind came first, Lin Kai's face was a little painful because of the strong wind, so fast feet!

If this kick is on Lin Kai's face, it will definitely kick Lin Kai's face into the flesh!

How ruthless!

Lin Yuan actually came up and killed him!

Liu Yun on one side also exclaimed, and Lin Kai's name subconsciously called out. She even covered her eyes, unable to bear to see Lin Kai's miserable appearance after being beaten.

Lin Yuan's eyes were cruel, and if you dare to fight with me, I'm going to beat you up!

Lin Kai looked at Lin Yuan's cold eyes, and was also furious. Since the shot was so cruel, I would not be merciful!

Hawkeye skills are activated!

The watermelon skill is activated!

In an instant, Lin Yuan's movements were slowed down countless times, and Lin Kai used his extremely agile speed to directly avoid Lin Yuan's high whip leg.

Afterwards, Lin opened a Shenglong blow and a punch on Lin Yuan's chin!

boom!

After the punch, only a painful cry from Lin Yuan was heard, and Lin Kai flew out with a punch!

With a snap, Lin Yuan was punched by Lin Kai and flew onto a mahogany wooden table, which also broke.

“puff”

I saw Lin Yuan spit out a big mouthful of blood, several of his teeth were vomited out, and Lin Kai beat his jaw crooked.

That appearance was very miserable. The second young master of the Lin family, who was still charming just now, is now embarrassed with blood on his face.

With just one move, Lin Kai defeated Lin Yuan!

The second young master of the Lin Family, who was blazing in front of Lin Kai, was directly defeated!

“The mission is complete!” The voice of the system came from my ear.

“Taekwondo underworld? Haha, learn more about Chinese people.” Lin Kai looked at the defeated Lin Yuan with disdain.

With this punch, Lin Kai didn't have the strength to stay, and he directly shot out several teeth of Lin Yuan. Even if he was his cousin, Lin Kai would not be merciful.

“Xiao Yuan!” Lin Lei exclaimed, stepped forward and helped Lin Yuan up to check Lin Yuan's injuries.

Lin Ting and Liu Yun both stared at Lin Kai blankly, and did not respond for a long time.

The moment Lin Yuan took the shot, they all felt that Lin Kai was determined to lose.

But Lin Kai's beautiful Rising Dragon attack directly reversed the situation and turned defeat into victory!

One move to kill Lin Yuan!

It seems that the fact that Lin Kai joined Langya is true! Otherwise, how do you explain Lin Kai's skill?

Lin Yuan, Lin Lei's son, is not as good as Lin Kai! Even if he returns from overseas, he is not as good as Lin Kai!

Because Lin Kai is a special soldier of the Spike Special Forces Brigade!

Suddenly, Liu Yun cried with joy. There was nothing more joyful than watching her son change his mind.

Lin Ting, Lin Kai's father, also looked at Lin and laughed in relief.

Young Master Lin Family, after many years, finally got the hang of it! Finally got stronger! Lin Kai now is no longer a trash dude!

"Hahahahaha! This time, my Lin family is really out of the dragon!" Lin Ting laughed loudly.

Looking at Lin Yuan again, he was half-dead directly punched by Lin Kai, his eyes couldn't be opened, and he was obviously fainted by Lin Kai's punch.

"Come! come! take my son to the hospital! hurry up!" Lin Lei roared.

Soon after, Lin's family came to the living room and took away the dying Lin Yuan and sent it directly to the nearest hospital.

Looking at Lin Lei's face again, his face was sullen, he looked at Lin Kai deeply, snorted coldly, and left the villa angrily.

Even if Lin Kai punched Lin Yuan like this, Lin Lei wouldn't say anything, because the Lin family is a world where the weak and the strong eat the strong!

"Dad, mom, Xiaokai is no longer the same as before!" Lin Kai looked at his parents and smiled confidently.

"Xiao Kai." Liu Yun cried with joy, hugged Lin Kai, and sobbed softly in Lin Kai's arms.

Today Lin Kai went home, Liu Yun and Lin Ting were very happy. The most important thing was that Lin Kai joined Langya.

Immediately, the entire Lin family celebrated everywhere, and Lin Kai also chatted with Liu Yun for a long time about what happened in the army. Lin Kai even made up Liu Yun to fool Liu Yun over.

In the previous life, Lin Kai was an orphan and had never felt any maternal love, but he felt ample love from Liu Yun.

In this life, since I was born again, then I can't apologize for my status as the young master of the Lin family. I want the entire Jiangbei to remember my name Lin Kai!

At night, Lin Kai stayed alone in his villa.

The Lin family is a huge manor with twelve villas, while Lin Kai owns an independent villa.

Sitting on the sofa, Lin Kai summoned a god-level extraction system through the control in his mind.

I saw a screen appeared in front of Lin Kai's eyes. This god-level extraction system, without an entity, existed in Lin Kai's mind.

As for the big screen in front of him, only Lin Kai could see it.

Host: Lin Kai

Age: 19

Sex: Male

Strength: 20

Speed: 30

Response: 10

Stamina: 10

Skills: Eagle Eye (Bronze), Watermelon (Bronze), Plastic Bag (Bronze)

What appeared on the screen was Lin Kai's personal details.

Seeing the three bronze words appearing behind his three skills, Lin Kai was very curious, is it possible that there are skills and levels?

"Does the system and skills have levels?" Lin Kai asked.

Lin Kai's ears heard the system's non-male and female mechanical voice: "Of course, the skills are divided into four levels: bronze, silver, gold, and gods. The host can upgrade your skills through upgrade points. Skills, every time you complete a task

released by the system, the system will give you corresponding upgrade points and attribute points.”

Hearing this, Lin Kai’s eyes lit up, and he asked: “Oh? How many upgrade points and attribute points do I have now?”

“Your upgrade point is forty, and your attribute point is forty.”

“Tasks are also divided into levels, bronze-level tasks, after completion, you will get ten upgrade points and attribute points. Silver-level tasks can get one hundred upgrade points and attribute points. Gold-level tasks can get 1,000 Points. God-level missions can get ten thousand points.”

“Host, you have completed four bronze-level missions, so you have forty upgrade points and forty attribute points.”

“Host, you also have the ability to upgrade Hawkeye skills, do you use it now?”
