

Special Forces 1521

Chapter 1521: But So

Chapter 1521

It can be seen how important Lin Kai is in Lin Qianqian's heart.

This made Yao Dadong extremely jealous, wishing these people would kill Lin Kai.

Liu Yi is jealous of Lin Qianqian, so why is she the same woman, the same university, and the same bedroom. She can only live a better life through Yao Dadong.

Once Yao Dadong is resigned, life will not be good!

Lin Qianqian is different. She even opened a company, and she recently developed skin care products, which will become a hit in the future! At that time, the money earned will really last a lifetime, and it will never be spent!

The technology of this skin care product is provided by Lin Kai, and Lin Kai is Lin Qianqian's boyfriend!

Liu Yi was very jealous of Lin Qianqian, she couldn't help it, and wanted to tell Tang Renxi that she would beat Lin Qianqian half-mutilated first.

On the contrary, Tang Renxi, just pure, wants to be called Lin Kai and Lin Qianqian, these ignorant people have seen the power of Leiyuan Group!

As a result, Tang Renxi shouted at the two-meter-tall man, "Shoot harder! It doesn't matter if you are killed! I will take care of the rest!"

While he was talking, he looked at Lin Qianqian, wanting to see what Lin Qianqian would look like when Lin Kai was beaten by his own hands.

However, what Tang Renxi was puzzled was that Lin Qianqian's expression was very calm at this time, even with a playful smile.

what's the situation?

Tang Renxi was a little dazed, and then he sneered: "Is still dreaming of fantasy, your friend can beat my group of men? Hey, my group of men, every one of them is extraordinary! Either a weightlifting champion, or It's the Sanda champion, or the highest level of Taekwondo! In short, anyone can beat your friend to death!

Therefore, I advise you to consider the second option and sleep with me all night. Otherwise, the fate of your friend now is you..."

Before Tang Renxi could finish talking about the threat.

Only a crisp sound of broken bones sounded in this store.

Everyone couldn't help but looked at the source of the sound, and saw Lin Kai randomly push it on the arm of the two-meter-high man.

As if it was like a knife cutting tofu, it easily broke the big man's arm, and the big man was like a kite with a broken line, his entire burly tall body flew out backwards.

In the end, he fell heavily to the ground and fell into a coma.

Except for Lin Qianqian, all the others at the scene watched this scene dumbfounded.

The couple, Yao Daqiu and Liu Yi, opened their mouths and looked incredible. What happened? Don't you say that a good weightlifting champion is a Sanda champion? And in terms of size, the difference is so big that it can be solved so easily!

Don't talk about Yao Daqiu and Liu Yi, even Tang Renxi himself is very mad.

In the past few days, he has been domineering and brought his group of men with him, but he has never been disadvantaged. Why is it as weak as a chicken in front of Lin Kai?

In fact, the security department of the Leiyuan Group only cares about the internal order of the Leiyuan Group, it is just ordinary security.

It is not the security department that really protects the security of the Leiyuan Group, but is composed of ancient warriors.

Those ancient warriors were secretly arranged near the Leiyuan Group, and Lin Yuan himself was a powerful ancient warrior, and he often spent a lot of money to train other ancient warriors.

As a result, the Leiyuan Group has crushed other groups and families, whether in terms of financial resources or force, so that it will soon become bigger.

At this moment, Lin Kai glanced at the group of burly men who were about to pounce.

This group of burly men, just seeing Lin Kai, easily injured their companions to the ground and stopped their body.

Seeing Lin Kai's glances now, they were all startled, and they couldn't help taking a few steps back.

Tang Renxi looked at this scene very annoyed, and shouted: "What is there to be afraid of! With so many of you, can't you beat a little boy! Two fists are hard to beat four hands! All for I!"

As soon as he finished speaking, Tang Renxi felt a cold look. He raised his eyes and saw that Lin Kaizheng's eyes were cold.

Tang Renxi shuddered inexplicably, not daring to look at Lin Kai, and he began to feel uneasy in his heart.

But immediately when he saw that the group of subordinates had all gone together, he felt a little relieved.

He didn't believe it, now Lin Kai can still be prestigious!

Yao Dadong didn't believe it either. The more Lin Kai behaved, the more jealous he was, and he also yelled: "Fight! Beat this kid to death!"

Yao Dadong's real ugly face is completely exposed. He seems to be honest, but in fact, his heart is very dark.

Lin Qianqian glanced at Yao Dadong with disdain, showing disgust. She really didn't expect that Yao Dadong's true face would be so ugly.

At least Liu Yi would not pretend to be such a snobbish character since college, so several roommates couldn't play with her.

Yao Dadong's performance in college is that kind of honest person, who didn't expect to be so gloomy in his heart.

Tang Renxi also looked expectant, watching Lin Zhuan get beaten to death with random punches.

Lin Kai faced these dozen burly men, all of whom were slightly better than ordinary people.

Don't talk about ordinary people, as a martial sage of a dozen or so, he can retreat all over, even injuring several.

Not to mention the group of people in front of me.

So Yao Dadong and Tang Renxi were disappointed.

Not only was Lin Kai fine, but on the contrary, he randomly punched out a few punches. Like the previous man, these dozen burly men flew out one after another and fell heavily to the ground. In a coma, a coma, a painful cry, no one stood up.

"Leiyuan Group's security department? Very powerful? But that's all."

Lin Kai said lightly, he naturally knew that the real security of Leiyuan Group was a group of ancient warriors.

But for him, whether it is an ordinary person or an ancient warrior, it is indeed just so.

Even if Lin Yuan and him singled out, it was still but that's it.

As Lin Kai said, he walked towards Tang Renxi step by step.

Tang Renxi's face was pale with fright at this time, cold sweat kept on his forehead, seeing Lin Kai approaching step by step, he kept moving back.

If he is behind the door of the shop, he will run out of the door without hesitation.

But no, he is facing the door of the store.

As he retreated, he quickly retreated to a wall.

Under the wall, a wooden board that had not been completely removed was placed. Tang Renxi tripped and fell heavily to the ground.

He was very embarrassed again. He quickly got up from the ground, and then looked at Lin Kai fiercely, pretending to be calm and shouted: "You can't do it to me! My godfather is Wei Shifeng, the senior leader of Leiyuan Group. My godfather is a confidant of the boss of Leiyuan Group!"

Chapter 1522: Give You A Chance

Chapter 1522: Give You A Chance

“So, if you do it to me! The entire Leiyuan Group will not let you go! Don’t think you can fight, just think that I have no one in Leiyuan Group! Let me tell you this, our security department, just guarantee The Leiyuan Groups internal order is nothing more than a group of masters who really safeguard the Leiyuan Groups security issues!”

Tang Renxi spoke vigorously, getting a little excited as he spoke. Although he only learned from other people that Leiyuan Group has a group of experts, whether he is true or not, it would be the best to scare Lin Kai and not dare to attack him.

Lin Kai stopped suddenly when he heard Tang Renxi’s words.

On the surface, he is quite normal, but his heart is actually moved. Wei Shifeng knows that he is indeed a senior leader of Leiyuan Group.

Most importantly, this Wei Shifeng is in charge of part of the financial resources of Leiyuan Group.

With Lin Yuan’s cunning, of course, he would not put all of the Leiyuan Group’s assets in the Finance Department, but had several cronies, one person in charge.

This part of the financial resources that Wei Shifeng is in charge of, through previous investigations by Li Shengxian’s internal ghosts, it can be determined that Wei Shifeng transferred the money to those internal ghosts.

In addition, a suspected money laundering company discovered by Lin Kai was also purchased by Wei Shifeng.

It’s the running water of the casino, I don’t know who is in charge.

After thinking about it, Lin Kai glanced at Tang Renxi calmly and said, “Your godfather, is it really Wei Shifeng?”

“Correct!”

Tang Renxi thought that Lin Kai was afraid, so he no longer feared Lin Kai, but rather arrogantly said: “So you have also heard of my godfather’s name. Also, my godfather is the senior leader of Leiyuan Group. Someone who is a little bit accomplished in the East China Sea, who has never heard of it! Hey, kid, are you scared? As long as you kneel down and apologize to me, I will spare you!”

Lin Kai’s mouth curled up with a smile, then he turned his gaze on Tang Renxi with interest, and said: “I gave you a choice before. Everyone pays a little bit, and I will investigate what. Now you are still a man. , Its nothing more than to shoot at me. Now you dare to be so arrogant in front of me.”

Lin Kai continued to approach Tang Renxi while talking.

At present, Lin Kai was only a few steps away from Tang Renxi.

Tang Renxi was stunned, isn’t Lin Kai scared? Why is this happening again? Could it be that this kid didn’t know Wei Shifeng at all?

Just as he was thinking, Lin Kai grabbed Tang Renxi by one of his shoulders.

Tang Renxi wanted to retreat, but found that he had already retreated to the wall, there was no way to retreat!

Tang Renxi's face was pale again, he was shaking, and he was terrified in his heart because he was afraid of being beaten, especially when he saw the miserable group of his men, he had to lie down in the hospital for at least a few months.

If he really lay in the hospital for that long, his position as the manager of the security department would be gone.

To know this position, but there are many people staring at it. If his godfather's relationship is not strong enough, otherwise he will not get it.

Therefore, Tang Renxi was terrified, and said to Lin Kai: "You...you...what do you want to do!"

Lin Kai did not respond to Tang Renxi's words, but casually picked up a hemp rope from the side, which was left by the decorator.

He made Tang Renxi make a circle, circling it with hemp rope, and saw that Tang Renxi was instantly **** by the hemp rope, and he could not move.

Lin Kai kicked again, kicked Tang Renxi to the ground, then stared at him condescendingly, and said lightly: "Didn't you say that your godfather Wei Shifeng is pretty good? I can give you the opportunity to call Wei Shifeng asked for advice."

Since Lin Yuan was also keenly aware that Lin Kai wanted to counterattack the Leiyuan Group, he had done a good job in protecting the senior leaders of the Leiyuan Group.

He also ordered the senior leaders of Leiyuan Group to avoid leaving their own area, at least until Lin Kai was resolved.

At the same time, powerful ancient warriors will be arranged to protect the senior leaders of the Leiyuan Group.

Lin Yuan's cunning is not ordinary difficult.

This also led to a certain degree of difficulty for Lin Kai to catch all the senior leaders of the Leiyuan Group.

Now the opportunity is not coming. Tang Renxi estimates that Wei Shifeng is not a simple godfather relationship.

Lin Kai is an immortal cultivator, and he is indeed proficient in facial features and the like.

Through his face, he could see that this Tang Renxi was the son of Wei Shifeng, who should be an illegitimate child.

Wei Shifeng arranged such a good job for Tang Renxi.

Lin Kai wanted to pass Tang Renxi and see if he could call Wei Shifeng over. If he did, he would have a new plan.

At this moment, Tang Renxi, where would he know what Lin Kai thought.

After hearing it, Lin Kai gave him a chance to ask Wei Shifeng for advice, and he was immediately excited.

He immediately asked cautiously: "What you said is true? If it is true, I will call!"

"Really."

Lin Kai nodded lightly.

Even if his new plan did not succeed, it would teach Tang Renxi and Wei Shifeng a severe lesson, and Leiyuan Group as a whole had to converge.

Although Leiyuan Group has converged a lot now, relying on its steadily growing strength, it has become more and more confident, and dare not show it to the face when making big moves, but keep making small moves.

For example, Tang Renxi, who is just a middle-level leader of the Leiyuan Group, is here to dominate.

Just when Lin Kai finished speaking, there was a sudden, mocking laugh.

"Hahaha! Lin Kai! Lin Kai! Although I know now that you have a good fight, but you want to provoke Wei Shifeng, you really have the courage of a bear! You really think that as the vice president of a listed group, Why are you in awe of a middle-level leader of Leiyuan Group? It's not Wei Shifeng behind it!

Hehe, dare to call Wei Shifeng over! You are afraid that you don't even know how to write dead words! Since you said let Brother Tang call Wei Shifeng, you are a man, don't regret it! "

When Lin Kai looked back, it turned out that Yao Dadong was clamoring there.

Yao Dadong did not persuade Lin Kai kindly, but mocked Lin Kai for being stupid.

Lin Kai glanced at Yao Dadong disdainfully, this kind of thing that even his wife could betray, he didn't even bother to do it, lest he dirty his hands.

So, he said lightly: "You and your wife can go away."

However, Yao Dadong smiled grimly and said, "Hey, I don't want to go. Anyway, Brother Tang is calling now and ask Wei Shifeng to come over. If you make Brother Tang like this, Wei Shifeng will definitely not let you go! I want to be here. See with your own eyes, how you got killed by Wei Shifeng!"

Liu Yi also glanced at Lin Qianqian bitterly, and sneered: "Lin Qianqian, so are you! You stinky bitch, just wait! Don't think that you can be safe by relying on that kid to fight! What a pity, this kid It's so stupid, let Wei Shifeng come over, you two will wait to die!"

Chapter 1523: Wei Shifeng's Anger

Chapter 1523 Wei Shifeng's Wrath

Seeing such vicious words from the two, Lin Qianqian couldn't help but walked up to Lin Kai's side and sighed: "These two people are really benefited and dazzled. A few years ago, when I was in university, although some Snobbish, but not as serious as it is now. I didn't expect it to be like this after only a few years."

Lin Qianqian was very distressed. No matter how she said, she was also a classmate. She didn't expect that the two of them had completely changed their appearances now, becoming the kind of dark and vicious people.

Lin Kai shook his head and said, "It's normal, so let me see if I can wake up."

In fact, Lin Kai has seen a lot, so he doesn't feel much.

As he said, he immediately shot, slapped Yao Dadong and Liu Yi each.

Lin Kai naturally controlled his strength. Even so, Yao Dadong and Liu Yi who had beaten them screamed again and again, and they might wake up in pain.

Yao Dadong and Liu Yi both looked at Lin Kai in fear, as if a mouse had met a cat. They were finally scared. There was no resentment before.

The faces of the two of them were swollen and high, and they fled outside the store for fear that Lin Kai would try again, as if they didn't want to stay here for a quarter of an hour.

Some people can't do it if they don't fight. They will wake up only when they are afraid.

This is the case with Yao Dadong and Liu Yi. They were very gloomy just now and wanted to stay to see the fate of Lin Kai and Lin Qianqian.

Now Lin Kai was directly awakened and fled here one after another.

Lin Qianqian was very supportive of Lin Kai's approach, but she immediately expressed a trace of concern and said: "Lin Kai, that Wei Shifeng, I have also heard of, is the veteran-level leader of Leiyuan Group. Apart from Lin Yuan, he has the most power. Usually when Lin Yuan is away, he is there to manage the operations of the Leiyuan Group.

Isn't it bad for you to call me like this? Lin Kai, I think let it go, don't call Wei Shifeng, let it go. "

Lin Qianqian was worried about Lin Kai. She also knew that Leiyuan Group could not move for the time being.

As soon as she finished speaking, Lin Kai laughed and said, "Tang Renxi has already called Wei Shifeng. Besides, if Tang Renxi is let go, with Tang Renxi's personality, he will come again to make trouble. Therefore, he still called and solved the trouble directly. What's more, I can be considered like this. Let Leiyuan Group ring a bell again."

Of course, Lin Kai had other goals, but if he could not talk about it, he wouldn't talk about it.

When Lin Qianqian heard this, she didn't say much, and said to herself: "I also gave me a reminder. After all, Leiyuan Group will still worry about other things if it doesn't solve this problem in one day. It seems

that there are other things in the industrial park. The company must continue to recruit some powerful security guards.

Nowadays, the reputation of skin care products is big, and it will become more and more famous in the future. Many colleagues are staring, and come over to make trouble when the time comes. If this situation still happens today, it would be bad. So I have to hire someone who is great, but I don't know, where to look for someone who is better than ordinary people? "

Hearing Lin Qianqian's whisper, Lin Kaihu thought of one person, that was Chen Zhiyuan, his comrade-in-arms in the army.

Although Chen Zhiyuan is now a kidnapper, one leg is useless, but his combat power is many times stronger than ordinary people. He is not an ancient warrior, but his combat power is not weaker than that of a martial artist.

It was difficult to find a job because one leg was scrapped.

Most importantly, Lin Kai has found several medicinal materials that can treat Chen Zhiyuan's leg injury, and then introduce Chen Zhiyuan to this job.

It also depends on whether Chen Zhiyuan is willing, and if he is willing, it is better.

Directly arrange for Chen Zhiyuan as the security team leader to manage all the security of Lin Qianqian's company.

In terms of wages and benefits, it is better than other companies. Later, depending on performance, commissions will be added.

Lin Kaizi would not arbitrarily raise his salary because Chen Zhiyuan is his comrade-in-arms.

Moreover, in that case, Chen Zhiyuan would be the first to disagree.

Thinking of this, Lin Kai smiled and said, "It's okay, I'll help you find it. If he agrees, he can take on this important task."

"Oh? Who?"

Lin Qianqian was immediately curious.

Lin laughed and didn't say anything. After all, he didn't know, Chen Zhiyuan agreed or not.

...

at the same time.

In a spacious and luxurious office of Leiyuan Group, a white-haired Wei Shifeng who was over a hundred and a half years old slammed the table and shouted: "Outrageous! Outrageous! On the site of the East China Sea, someone dared to provoke me Leiyuan Group. It's nothing more than a provocation! Even dare to beat my godson!

My godson, all reported my name! But he still doesn't let anyone go. It really doesn't take me seriously! I'm so angry! "

After the anger, Wei Shifeng had a gloomy face, he was thinking whether he would go or not.

Since today, a major event happened early in the morning. The boss Lin Yuan took a few masters and went there to solve it.

Lin Yuan had already told him not to go out without permission these days.

However, his godson is actually his own son.

Wei Shifeng didn't have much affection for his son, but his son's mother's background made him rescue Tang Renxi.

So Wei Shifeng thought for a while, and decided to go there. It was in the city center of Donghai, not far from Leiyuan Group. Hearing from Tang Renxi, the other party was just a young kid.

Ever since, Wei Shifeng walked out of his office with a gloomy face, and then faced a bodyguard standing there at the door, saying: "Go and call all my nine personal guards, and go to the city center with me."

When the bodyguard heard these words, he was taken aback for a moment, and couldn't help asking: "Master Feng, how did you call out all your nine personal guards? Have you encountered any problems?"

Wei Shifeng said coldly: "There is an ignorant kid who dares to do something to my godson, and it's useless to call out my reputation. Naturally, I have to teach that kid a deep lesson."

The bodyguard suddenly showed bloodthirsty in his eyes: "Hey, it's been a long time since I went out, but Master Feng, I'll be enough to deal with a young boy. There is no need to call you, all nine personal guards."

Wei Shifeng shook his head in response to this, and did not agree with what the bodyguard said. On the contrary, his eyes were even colder.

It would be fine if it was a normal beating, but the young boy **** his godson and waited for him to pass. This was completely slapped in the face!

He loves face, if anyone knows that his godson has been beaten like this, if he doesn't teach that kid severely, he will be laughed at by others!

As a result, Wei Shifeng took himself and nine personal guards to the restaurant.

He was sitting in a luxury car by himself, and the personal guard had a large commercial car, and went together.

At this time, Wei Shifeng was also thinking about other things, such as Lin Yuan confessed to him that he must get the shares of several groups in neighboring cities within these two days.

Chapter 1524: You Guys Go Together

Chapter 1524

Currently, Leiyuan Group cannot purchase shares of other company groups in the East China Sea.

The reason why Lin Yuan has expanded so quickly is that he wants to go public in one fell swoop, allowing Lei Yuan Group to directly squeeze into the world's top 500.

At that time, Leiyuan Group was a real behemoth.

It will be more difficult to bring Leiyuan Group down.

Due to Lin Kai's obstacles, Leiyuan Group's progress has been slow, and now it can only purchase company groups in several nearby cities.

There are a few large company groups that are almost in harmony, and they just wait for Wei Shifeng to take them.

If this is taken down, then he is a hero of the Leiyuan Group.

The position of the vice president of Leiyuan Group has been vacant.

Lin Yuan will give the most credit. The most important thing is that Lin Yuan will not be the president of Leiyuan Group. He will be behind the scenes.

In other words, it seems that the position of the vice president of Leiyuan Group is actually the president of Leiyuan Group.

In order to compete for this position, Wei Shifeng and several others spent various means to obtain credit.

Take the big company group, don't rush.

Because of his godson, he was beaten and tied up.

If this matter is learned by other competitors, it will inevitably affect his contribution to Leiyuan Group.

The senior leaders of the Leiyuan Group did not expect to be so united, and they all calculated each other for their own interests.

This is what Lin Yuan deliberately did. It is commonly known as the "Gu" mode.

As a result, Wei Shifeng resolved the kid earlier and rescued his godson.

...

About ten or twenty minutes later, Wei Shifeng led a group of his men and surrounded the restaurant.

Tang Renxi, who was tied up, saw his godfather coming, and laughed excitedly: "Hahaha, kid, my godfather came with people, those nine people are my godfather's personal guards, you are absolutely dead.!"

When he was talking, Wei Shifeng took nine of them, and at first glance they were very tough men.

The nine warriors all wore uniform uniforms, as if they were some powerful martial artists.

Lin Kai shook his head slightly when he saw these nine people. He had to say that Leiyuan Group was indeed rich.

These nine are all ancient martial artists, seven are the pinnacle of martial masters, and two are martial sages.

This lineup, it can be said that ordinary large company groups or families are very difficult to afford.

And Leiyuan Group, any high-level leader, has this kind of momentum.

But in Lin Kai's eyes, these nine people were still vulnerable.

"Goddamn! Hurry! Save me out!"

Tang Renxi hurriedly cried when he saw Wei Shifeng.

Because Lin Kai was wearing sunglasses and a hat at this time, he naturally took them temporarily from the car.

After all, Wei Shifeng, as one of the senior leaders of Leiyuan Group, must have known Lin Kai, but he had not personally seen Lin Kai.

So under Lin Kai's dress, he didn't recognize Lin Kai very much. Wei Shifeng just felt a little familiar, as if he had seen him somewhere.

Because at this time, Tang Renxi was crying for help.

Wei Shifeng couldn't take care of that much, so he immediately yelled, "Wait, go and save my godson!"

Just as Wei Shifeng's words fell, among the nine, a tall and thin man responded: "I'm coming!"

The tall and thin man said, very fast, went to the corner of Tang Renxi's wall, and took out a small knife, which drew across the rope on Tang Renxi's body in an instant.

At this moment, several other people couldn't help but nod secretly.

"Jiu Lang's speed is faster, this speed is comparable to Wu Sheng, given time, after breaking through Wu Sheng, the speed is also the only one among Wu Sheng ancient martial artists."

The tall and thin man, Kuro, ranks ninth among the nine. The combat effectiveness is not so great, the nine are quite behind, but in terms of speed, it is very high among the nine.

Seeing Jiulang, Wei Shifeng almost cut the rope on Tang Renxi's body and nodded secretly.

What he wants is to have such a fast speed, lest the movement here attract the attention of others, but it is not good.

The Leiyuan Group has been watched by the state, and Wei Shifeng didn't want to make a noise.

At this moment, just when Jiulang completely cut the rope on Tang Renxi's body.

Suddenly, a plank quickly attacked towards Kuro.

boom!

No matter how fast Na Kuro was, he couldn't be faster than this board, and he was directly hit by the board. The bones all over the body, as if they were broken, were hit **** the ground, vomiting blood.

Lying on the ground, Jiulang looked at Lin Kai with horror.

Naturally, Lin took the shot, he just kicked it randomly, let the plank fly out, and smashed it at Jiulang accurately.

Now it was not just Jiulang, but the others couldn't help but look at Lin Kai, all with surprised eyes.

Lin Kai said calmly: "I'm sorry, I didn't say to let him go, so I can't let him go. You can continue to save him, but you will end up at your own risk."

"Good boy! I, Wei Shifeng, came personally! Do you dare to speak out! Die to Laozi!"

Although Wei Shifeng felt that this kid was a bit familiar and was surprised by the strength of this kid, he dared to tell him that, didn't this make him lose face in front of his own people?

This is something Wei Shifeng can't tolerate. He directly lost his reason, pointed at Lin Kai, and said in a ferocious voice: "Come on! If you don't kill this kid today, it's hard to understand my hatred!"

The other eight people were also full of murderous gazes, staring at Lin Kai.

Three people were the first to kill Lin Kai. These three were the pinnacles of martial arts, and they were only half a step away from entering the martial arts level.

The three of them had a tacit understanding, they just glanced at each other, then each went in the same direction and flanked Lin Kai.

The three directions showed the horns, and it was obvious that he didn't want Lin Kai to escape, and made it unavoidable.

Immediately, the three of them came to Lin Kai and fisted, threw their legs.

If you change to an ancient martial artist who has just broken through the martial arts, facing the tacit attack of these three people, it is very likely that he will also be defeated.

But who is Lin Kai, he just raised his eyelids faintly, and then waved three palms casually.

These three palms slapped them quickly.

I saw the three people, as if they were hit hard, flying out one by one, seriously injured.

Lin Kai looked at the remaining five people and said lightly: "You guys will go up together."

Among those five people, there are two Wusheng ranks.

Whether it was a martial artist or a martial artist, their expressions became solemn. They knew that this kid was definitely also a martial artist, not an ordinary martial artist.

"Hey, it turns out that your Excellency is an ancient martial artist, it's no wonder that we are so arrogant, but we have two martial sages, I don't believe it and can't beat you!"

One of the five people gave a cold snort.

This sentence was agreed by the other four people.

Ever since, the five of them attacked Lin Kai together.

Chapter 1525: Oh It's You

Chapter 1525

When Lin Kai saw the arrival of the five people, he first pulled Lin Qianqian behind.

He wasn't afraid of these five people, he could easily solve them.

What he was afraid was that if some of them were good at hidden weapons, it would be bad.

Although Lin Kai was confident that he could prevent hidden weapons, he was not afraid of ten thousand in case.

With Lin Qianqian in front of her, Lin Kai fought with the five people.

It was said that it was a fight, but it was actually Lin Kai, crushing it on one side.

In twos or twos, these five people were seriously injured to the ground.

But there was a martial sage who quickly took out a gun and shot Lin Qianqian at the moment he fell to the ground.

Lin Kai had been prepared for a long time, using his true energy to fly the bullet, directly hitting the arm of the martial sage, blood was splashed in an instant, that arm was useless, and the gun in his hand fell.

However, before falling, the Martial Saint was preparing to make another shot. The shot was fired, but due to the sudden reflection of the bullet, it hit him in the arm.

Therefore, the second bullet was directly offset and hit Wei Shifeng's leg.

I saw Wei Shifeng let out a scream, then lay on the ground likewise, screaming again and again.

Tang Renxi in the corner of the wall, not long ago, saw his godfather coming, he was very ecstatic, and at the same time thinking, wait to see how Lin Kai ended miserably!

Especially when Kuro was about to untie the rope for him, it was even more certain that Lin Kai's fate would be very miserable.

Less than a minute passed!

There is a shocking reversal! However, Lin Kai had solved all the masters brought by his godfather by himself!

Tang Renxi knew that these nine masters were amazing, never expected that Lin Kai would be even more amazing!

He was instantly desperate, his face as gray as death.

Wei Shifeng also brought some people. When they saw the movement in the store, they ran in one after another. When they saw the scene in the store, they were shocked.

Although these people are ordinary people, they all carry guns and the like.

Wei Shifeng was on the ground immediately, screaming in pain: "You still don't do it! Shoot him!"

What a shame! What a shame!

He is one of the senior leaders of Leiyuan Group, and he is still the kind of position that can compete for the vice president of Leiyuan Group! In the past, let alone the East China Sea, even if it was from the province or even other provinces. Even Jingcheng, those aristocratic families, will give him a bit of face.

But now? It was made like this by a little boy!

However, those who came in didn't immediately listen to Wei Shifeng's words. After all, even the nine personal guards of Wei Shifeng had lost their combat effectiveness.

They knew that the nine personal guards were all ancient warriors, not ordinary ancient warriors.

What's more, I saw a martial sage with a gun falling next to him. Even Wu Sheng can't use a gun, let alone a gun.

I was afraid that Lin Kai would make them so miserable.

As a result, those who came in just looked at Lin Kai in awe, and other than that, there was no other action.

When Wei Shifeng saw this scene, he was furious and didn't wait for him to speak.

Lin Kai swept towards those people and said domineeringly: "I will count for three seconds, and you will leave at a constant speed. If not, you will end up with these people lying on the ground!"

The main reason is that Lin Kai felt that he didn't want to make this matter too much. There were almost 20 or 30 of those people.

If these twenty or thirty people were all seriously injured and lying here, it would not be good.

Originally this shop, now there are more than twenty people lying here.

Lin Kai didn't even start the countdown. After hearing the words, those people turned their heads and left.

Although those people belong to the security department of Leiyuan Group, they are not affiliated with Wei Shifeng.

There are several forces within the Leiyuan Group, and they don't want to sacrifice their lives for nothing.

Under Wei Shifeng's angry eyes, those people all fled.

Next, Lin Kai stepped on the coma, who were lying on the ground, the big guy in the security department of the Leiyuan Group, and the nine personal guards.

Let this group of people also leave the store. In short, there is no one else in the store except Wei Shifeng, Tang Renxi and Lin Qianqian.

Tang Renxi was knocked out by Lin Kai, and Lin Qianqian was not an outsider.

Lin Qianqian had her own business, but contacted the injured decorator. Naturally, she had to pay all the medical expenses.

At this time, Lin Kai closed the door of the store, then stared at Wei Shifeng with a look of horror, and said: "Wei Shifeng, originally your godson Tang Renxi, I just let him lose some money and let him go. However, instead of this, he shouted your name instead.

I know that Tang Renxi's original name was not Tang Renxi, but Wei Renxi, right? Moreover, after I learned that it was you, I changed my attention and asked him to call you. Do you know why this is?"

As Lin Kai spoke, he looked at Wei Shifeng lightly.

When Wei Shifeng heard Lin Kai's words, his pupils shrank slightly, and the pain in his legs was forgotten, but his face was strange and dull.

"You...you...who are you!"

When Wei Shifeng saw Lin Kai's appearance at this time, he felt more and more familiar.

Most importantly, how did this person know that Tang Renxi is his own son!

To know this, he hasn't told anyone!

Even Lin Yuan didn't know about it.

It is precisely because he is a godson that he allows Tang Renxi to successfully become a small leader of the Leiyuan Group. Otherwise, it is impossible to become a son.

Lin chuckled and didn't hide it anymore. He took off his sunglasses and hat.

Only then did Wei Shifeng see Lin Kai's face clearly.

Wei Shifeng's eyes widened for an instant, and then his body trembled, and even the tone of his words was trembling: "Lin...Lin Kai! So it's you! Me, why are you so familiar!"

At this moment, Wei Shifeng was surprised at the same time, but also extremely afraid.

Lin Yuan was afraid of Lin Kai, how could he not be afraid, especially after seeing Lin Kai's current skill.

Moreover, Lin Kai and the Leiyuan Group had their own feuds of life and death, and he had no doubt that Lin Shanxi killed him.

"Don't worry, I won't kill you."

Lin Kai smiled faintly.

Hearing these words, Wei Shifeng breathed a sigh of relief, but the sudden sense of anxiety was very strong.

Just because of the next moment, Lin Kai continued: "I know, you wouldn't say anything about Lin Yuan and Leiyuan Group."

Before Wei Shifeng had any reaction, Lin Kai directly urged the extraction ability to tell the truth.

Immediately, after he and Wei Shifeng asked and answered questions, Lin Kai gradually learned about Wei Shifeng, Lin Yuan and Leiyuan Group.

Lin Kai did not expect that even if Wei Shifeng is a close friend of Lin Yuan and one of the top leaders of Leiyuan Group, the truly deadly information is still unknown.

Chapter 1526: Take Home

Chapter 1526

Although I didn't get it, the really fatal information.

However, Lin Kai still got a lot of useful information.

You can stop Leiyuan Group first, complete the acquisition of shares in several large group companies in neighboring cities, and delay the listing of Leiyuan Group.

Moreover, Wei Shifeng, in the position of Leiyuan Group, is indeed very high, the most hopeful of successful competition, the vice president of Leiyuan Group.

The news revealed from Wei Shifeng's mouth. An important event happened early this morning. Lin Yuan took a group of senior Leiyuan Group leaders and left the East China Sea overnight, as if there was something important.

Wei Shifeng didn't know what happened, but left him alone to manage normal operations in Leiyuan Group.

It is precisely because of this that Wei Shifeng can come out of Leiyuan Group.

Otherwise, if Lin Yuan is in the Leiyuan Group, or any high-level Leiyuan Group is also there, Wei Shifeng will not come out, even if Tang Renxi asks for advice himself, he will not come here.

After all, Lin Yuan had given orders that he could not go out during a special period unless he got his permission.

Little things like going to save Tang Renxi would definitely not be allowed.

It seems that for the luck of divination, Leiyuan Group is the worst day today, and it should be the big event.

In addition, Wei Shifeng took the initiative to send it to the door, and Lin Kai didn't need it, so he spent more energy.

The most important point is that Lin Kai can implement his new plan!

Asking Wei Shifeng to come here in person is not simply to ask some questions about Lin Yuan or Leiyuan Group.

Missing so far, Lin happily moved and used the soul to get out of his body.

The primordial spirit is the form of the soul after cultivation, whether it is an ordinary person or an ancient warrior, it is naturally invisible.

Even if it is a cultivator, only if the cultivation level exceeds Lin Kai, can he see the soul.

I saw that the soul at this moment, under Lin Kai's instructions, instantly sank into Wei Shifeng's body.

Lin Kai was taking Wei Shifeng, not taking Wei Shifeng's life, but temporarily taking Wei Shifeng's body. After the matter was finished, the soul would come out and there would be no danger to Wei Shifeng.

If the other party is an immortal cultivator of the same realm, it is indeed a bit troublesome for the soul to seize the house.

But Wei Shifeng was only an ordinary person, so Lin Kai's soul was extremely smooth and successful.

Lin Kai's soul merged with Wei Shifeng's memory and occupied his body.

Now Wei Shifeng can be regarded as Lin Kai himself.

Lin Kai relieved Wei Shifeng's ability to extract the truth. He turned to Wei Shifeng and said: "Okay, you have to tell me everything you should say. I will let you go and take your godson with you, and All the subordinates withdrew."

"Yes, yes, thank you!" Although Wei Shifeng said so, there was a smile in his eyes, because Lin Kai's soul was occupied, which is equivalent to Lin Kai controlling Wei Shifeng.

In this way, he can lurch in the Leiyuan Group safely and become an inner ghost.

That said, it was naturally seen by outsiders.

Wei Shifeng's group of subordinates were still at the door. Of course they didn't dare to leave like that. After all, they were working in Leiyuan Group. Wei Shifeng is an executive of Leiyuan Group, but he was afraid of Lin Kai and had to stand outside.

Later, Lin Kai woke Tang Renxi awake.

Tang Renxi originally thought that he was going to die and was embarrassed, but seeing Wei Shifeng take him away, he looked at Lin Kai proudly, and laughed: "Boy! You finally know that my godfather is amazing, right? Come down and apologize to me, or I will let my godfather kill you!"

Tang Renxi mainly saw that Wei Shifeng was very calm and took him away. He didn't see Lin Kai doing anything along the way, thinking that Lin Kai understood Wei Shifeng's identity and was afraid.

So that Tang Renxi clamored again.

However, Tang Renxi's next confession was that Wei Shifeng directly turned around and slapped Tang Renxi heavily, making Tang Renxi dizzy.

He looked at Wei Shifeng in disbelief, and said with a grieved expression: "God, where did I say something wrong? That kid..."

Before Tang Renxi could finish speaking, Wei Shifeng slapped again and slapped it.

Tang Renxi was stunned again and didn't dare to speak any more.

And not far away, Lin Qianqian, who had just hung up the phone, was a little confused when she saw this scene. She had been calling there, and she knew that Lin Kai was asking Wei Shifeng.

However, she didn't know that Lin Kai's soul had taken Wei Shifeng away.

I thought that Lin opened up to Wei Shifeng. How can I say that Wei Shifeng is one of the important figures in the Leiyuan Group. The current situation, what would happen to Wei Shifeng?

If the Leiyuan Group went crazy regardless of other things, Lin Kai would still be dangerous.

Many people Lin Kai knew, including Lin Qianqian, Dong Shu, Li Shengxian, and Huang Tianshi, were all here.

If Lin Yuan fights, it won't be good if the fish die and the net breaks.

Although Lin Kai felt that Lin Yuan would not be like this, he was really impatient. Maybe he would do such a thing. The dog jumped the wall when he was anxious.

Therefore, he lurked in the Leiyuan Group by using the way the soul seized Wei Shifeng.

Lin Qianqian thought that this is not so good, and she plans to persuade Lin Kai to temporarily let Wei Shifeng go.

It's just that she just hung up the phone when she saw that Wei Shifeng kept calling Tang Renxi, she couldn't help being surprised.

Tang Renxi didn't dare to say anything more now, but was rather unwilling, and followed Wei Shifeng out of this store.

Outside the store, the nine personal guards and the big guys from the security department were also standing outside.

Of course, they were all seriously injured, lying on the ground one by one.

The movement here naturally attracted the attention of the police.

The man named Captain Cao brought a police squad around here.

Captain Cao has already learned what the specific situation is, but he didn't expect Leiyuan Group to dare to make trouble in this broad daylight.

But the people of Leiyuan Group are also miserable.

In this case, those who injure the Leiyuan Group have to pay some price.

So Captain Cao asked Wei Shifeng and said, "Wei Shifeng, you have the courage to bring so many people to make trouble! It's so beautiful to have you!"

Wei Shifeng smiled: "It has nothing to do with me, it is caused by my godson. The main responsibility is on my godson. You should catch it. I just came to save people, but I didn't do it. If you don't believe me, you go. Ask the master inside."

"Huh?" Captain Cao was taken aback for a while, is that right?

He continued: "Then your people, why are you injured?"

Wei Shifeng said, "They fell to the ground by themselves. Because they were splashed with paint and the paint was still wet, they fell to the ground without standing firmly. Of course, I will pay for the medical expenses. Right?"

Although Wei Shifeng's group of subordinates were puzzled, they all nodded.

When Captain Cao saw this, he didn't delve into anything, as long as he didn't cause death.

Chapter 1527: Tang Renxi

Chapter 1527 Tang Renxi

The most important thing is that one party voluntarily loses money, and one party agrees.

In this case, there is really no need to bear responsibility, and both parties have coordinated well.

However, Tang Renxi was stunned throughout the whole process, completely unable to understand, how did he sell himself as a godfather?

What he did can indeed make him arrested.

Before Tang Renxi could react, Wei Shifeng pointed to Tang Renxi and continued: "Captain Cao, I am not an unreasonable person. This incident is indeed wrong with my godson. He not only caused trouble, but also beat the decorator. If the injury is admitted to the doctor, if the owner of the shop is held accountable, he will be held accountable for my godson."

What Wei Shifeng is doing now is naturally controlled by Lin Kai.

He said this, in addition to teaching Tang Renxi a lesson, but also to make Wei Shifeng retreat.

After all, there was such a situation here, and when Lin Yuan came back, he must know it. If Lin Yuan is to be blamed at that time, Tang Renxi can be used as a shield.

In this way, Wei Shifeng is still an executive of Leiyuan Group, and he can hide in Leiyuan Group with peace of mind.

At this time, Tang Renxi was frightened by Wei Shifeng's words, and then he threw a plop, knelt on the ground, facing Wei Shifeng, begging for mercy: "Why are you doing this to me, I'm your dear..."

Before Tang Renxi could finish, Wei Shifeng said angrily: "I don't have a godson like you! You rubbish, you do a lot of evil all day long! Lost my face! This time I won't save you again. You go inside. , Reflect on it! I won't cause any trouble to me afterwards!"

Don't talk about Tang Renxi, Wei Shifeng's subordinates also looked at Wei Shifeng in amazement, but did not expect Wei Shifeng to do this.

Captain Cao was also very surprised. He naturally understood Wei Shifeng and was equally evil, but without key evidence, it was not easy to take Wei Shifeng away.

To be precise, the senior leaders of the Leiyuan Group are somewhat problematic.

However, no key evidence was found, and there was no way to act against Leiyuan Group for the time being.

However, they are also fully investigating.

Since Wei Shifeng had said so, and there were other passers-by and witnesses, the responsibility for this incident was all on Tang Renxi.

Originally, this incident was something that Tang Renxi came to smash at the shop and hurt people.

In the end, Tang Renxi was arrested for disturbing public order and intentionally hurting others.

The group of security guards who started beating them were also hard to escape.

Of course, Tang Renxi is the main responsibility.

As for Lin Kai, it was okay, so he made a call, and then Captain Cao closed the team.

The disturbance in the store was finally resolved.

But it was already noon, and Lin Kai and Lin Qianqian had another lunch together.

After that, Lin Kai took Lin Qianqian and sent her back to the factory. The arrangements in the factory still need to be handled by her in person.

After Lin Qianqian was sent to the factory, Lin Kai also left.

Before leaving, Lin Qianqian looked at Lin Kai and left in such a hurry, she curiously asked: "Lin Kai, where are you going now?"

Lin Kai didn't hide it, and responded: "Behind the mountains in the western suburbs of the city, basically all the buildings in the movie have been built. The crew will have a trial shooting in the afternoon, so I'll check it out."

Mainly from the Leiyuan Group, there is no need to stare at it anymore, his soul occupies Wei Shifeng's body, and he can peep into the Leiyuan Group through the memory of the soul at any time.

Lin Qianqian glanced contemptuously at Lin Kai: "I'm afraid you will meet with Yin Suyan."

Regarding this, Lin Kai shook his head speechlessly, feeling Lin Qianqian's strong jealousy, and he didn't say much, lest he say too much wrong.

Lin Kai started the car and left the place happily, heading towards the mountain range in the western suburbs of the city.

...

At the same time, behind the mountains in the western suburbs of the city.

Various magnificent buildings stand on the already beautiful mountain peaks, and there are all kinds of clouds and mists around, as if you really have come to a fairyland.

With the existence of these ancient buildings, the back of the mountain is comparable to the front of the mountain!

Of course, the front of the mountain has not been officially opened yet, it will be more beautiful when it is slightly developed.

A temporary base under the mountain, this is a resting place for filming, staff, actors, all gather and rest here.

Lu Qingfeng's face was very ugly at this time, and he rested in this base.

He didn't expect that after only a few days, this place was almost completed! Just like five or six days!

In one or two days, it will be completely built! The requirements have been built within ten days long ago!

A few days ago, he thought it would not be built, so he was very confident and bet Lin Kai.

If he loses, he will hand over the male number one of the movie to the male number two.

If he won, let Lin Kai kneel down and apologize.

The reality is extremely cruel, and I never dreamed that there would be such a speed.

It can be said that his loss is a certainty.

Don't mention the bet on the crew, now even the construction workers here know this bet.

One by one, all gloating at Lu Qingfeng.

I don't know anyone, and posted the news to the Internet.

For a time, countless people who eat melons started to stir up this topic.

Because Lu Qingfeng is a traffic star itself, there is a lot of controversy, and Lu Qingfeng is also a representative figure among traffic stars.

Originally it was a topic of its own, not to mention that Lu Qingfeng is now deflated, and such a well-watched movie actually gave him the role of the male number one.

Most netizens are laughing at Lu Qingfeng.

Some are even speculating whether Lu Qingfeng will fulfill this bet.

After all, for such an important male character, will Lu Qingfeng really be so willing to hand over the role to others?

Some netizens even bluntly said: "I don't believe in that idiot, I will give people away willingly, and I will definitely think of ways to shirk."

Many people agree with this comment, thinking that Lu Qingfeng will definitely shame.

In fact, Lu Qingfeng was going to cheat, so when he saw that comment, he was almost angry.

A trial shooting is about to start soon, and the agent asked him whether he was trying to shoot the male one or the male second.

Lu Qingfeng said without hesitation, try shooting the male one!

Anyway, the contract is signed, of course he is still the first man!

If it were other movies or something, Lu Qingfeng would consider himself unlucky.

But this movie made by Pan Ligu is very different.

It is not only a large investment in domestic films that has been rare in recent years, but also the invitation of the top screenwriters and the top directors, as well as various top professional crews in the industry.

Lighting engineers, prop artists, etc. are also top-notch.

In terms of actors, they basically have acting skills. Even supporting actors are looking for those who have great acting skills.

Except for Lu Qingfeng and Yan Xin, the others still have some acting skills, especially Yin Suyan, but took two actresses in succession.

Chapter 1528: Shame

Chapter 1528

This kind of big investment, there are powerful actors and popular actors, plus a full-professional shooting team.

Before filming started, thousands of netizens were looking forward to this movie.

Especially in the past two days, Pan Ligu's short film commercials have gone viral on the Internet.

Pan Ligu hasn't produced any new movies for two years. Many netizens believe that Pan Ligu has exhausted his talents. Even if he has big investment and top screenwriters, it is of no use and thinks he can't keep up with the times.

Of course, only some netizens think so. Most netizens still believe in Pan Ligu.

However, in order to prove that Pan Ligu could not keep up with the times, they found various so-called evidence to prove.

As a result, the short film advertisements went viral in the past two days, and the faces of those netizens were instantly enlarged.

And let more netizens look forward to this new movie.

What's more, there is Yin Suyan's joining. Yin Suyan has so many fans, let alone fans, passers-by are also looking forward to it.

So, with such a popular movie, how could Lu Qingfeng give the male one to others?

Obviously it is impossible! Even if you lose your bet, so what! The contract was signed anyway!

Lu Qingfeng was staying in his special car. He was holding the mirror and looking at his face. His face was fairer than a woman, and the injury on it was almost healed.

While looking at himself in the mirror, he swears: "My face is the guy I eat! In the future, don't let others hurt my face! If you dare to hurt, he will look good!"

Lu Qingfeng's agent is a middle-aged woman who weighs almost two hundred catties, named Fei Jie.

Sister Fat stretched out her chubby hand, took Lu Qingfeng's arm, and said intimately: "Xiaofengfeng, I'll go out for a trial shot right away. If those people ask about you, don't say anything to bet on it. . You just said that you were trying to shoot the male one. Anyway, the contract is there."

In Lu Qingfeng's gaze, he still looked at Fat Sister faintly, with a look of disgust in his eyes, but still said: "I understand Fat Sister."

Sister Fat continued to hook on Lu Qingfeng's arm, and said more intimately: "Xiaofengfeng, don't think about other things, sister will solve other things for you, you go boldly be the first man. If this movie comes out, Your first man will definitely attract a lot of other bosses, and your worth will increase even more. Then, you can squeeze into the ranks of top stars."

When Lu Qingfeng heard this, his expression of excitement flashed. He was so shameless because of the fact that this movie can achieve his status.

So, he said: "Sister Fat, I know. But if Lin Kai resolutely refuses to let me play the male one, what should I do? After all, Lin Kai is an investor in this movie."

Sister Fei looked disdainful, and said: "Investors, our company guarantees you, you are the male one. But we have invited a big man here to talk with that Lin Kai specifically. If there is that big man, you can Don't worry, it's a trivial matter to settle Lin Kai."

"Oh? Is there a big man?"

Lu Qingfeng finally breathed a sigh of relief when he heard the words, and then smiled: "That's fine, I'll go out and try out the male one."

Immediately Lu Qingfeng escaped and got out of the special car.

The main reason was that he couldn't stand it. The fat family kept eating his tofu. Otherwise, he stayed in the car until the sun was so big, unless the crew asked him to act for a while.

As soon as Lu Qingfeng left, some staff members greeted Lu Qingfeng.

Even if Lu Qingfeng loses the bet, it will drop from the first male to the second male, and he naturally has a place in the crew.

Especially the crew also has some young people, some young girls are fans of Lu Qingfeng.

For example, the director's assistant, said to be an assistant, is actually a messenger, serving tea and water.

The assistant is called Xiao Liu, a little girl who has just practiced. The reason why she came here to do miscellaneous work is to get close to Lu Qingfeng.

Lu Qingfeng is her idol.

Xiao Liu looked ordinary. She saw Lu Qingfeng coming out, and she stepped forward with excitement, and then said: "Brother Feng! You finally came out. As far as I know, Wu Feifan will go to the dressing room when he comes. , Specializing in the makeup of the male one, he is directly robbing you of the male one! Today is just a test shot, and his behavior is too nasty!"

Because Xiao Liu is a fan of Lu Qingfeng, he is aggrieved by Wu Feifei's behavior.

Lu Qingfeng actually hates Xiao Liu, mainly because Xiao Liu Zhang can't do it, and often comes to him to get things done, and the rest of the crew doubts what the relationship between him and Xiao Liu is.

But now hearing Xiao Liu say this, Lu Qingfeng couldn't help but walked up to Xiao Liu and immediately asked: "Really? Wu Feifan directly put on the male one's makeup, did he take the initiative to do it? Or did he get Pan's permission?"

Xiao Liu didn't expect that Lu Qingshang took the initiative to talk to her. He quickly responded excitedly: "In the dressing room, Yin Suyan and Director Pan are also there. Although Director Pan didn't say anything, it must have been acquiescence. Now, Wu Feifan dare to change the makeup of the male one."

"Humph!"

Lu Qingfeng immediately snorted coldly and looked angry. Didn't expect that he would really be the second man?

"Take me over!"

Lu Qingfeng stayed in the car and didn't know where the dressing room was, so Xiao Liu took him over.

Xiao Liu was extremely happy and quickly took Lu Qingfeng to the dressing room.

Basically, when filming, the actors first put on their makeup and then change their costumes.

After doing this, I officially started filming.

In the dressing room at this time, several protagonists all put on make-up here, such as Yin Suyan, Yan Xin, and Wu Feifan.

The protagonist's makeup is very delicate, so it turns slowly.

Not only the actors are here, but Pan Ligu is also here. He sees how the makeup works.

Generally speaking, the director will not look at it like this, but leave it to others.

But even in terms of makeup, Pan Ligu did it by himself, which is enough to show how serious Pan Ligu is in filming.

At this time, Pan Ligu looked at the time, frowned and said, "Why hasn't Lu Qingfeng come? I gave him the script of the male second a few days ago, and asked him to practice it. Lets try it out today to see if he can get there. expected."

In fact, Wu Feifan was still dreaming at this time. He didn't expect that today, he really arranged a male one for him.

He said to Pan Ligu: "Director Pan, it's a trial shooting anyway. When Lu Qingfeng comes, it's better to let him try the male one first. After all, there is a lot of noise on the Internet, I am afraid that it will affect the entire crew."

Pan Ligu directly shook his head: "No, this is because he has to make a bet with Mr. Lin. Lu Qingfeng has already lost, and you will naturally be the first man. Besides, if Lu Qingfeng is really shameless, I can use other reasons. He This behavior has already had a negative impact on our entire crew. According to the terms of the contract, it is a breach of contract."

Chapter 1529: Incompetent Rage

Chapter 1529

At this point, Pan Ligu paused for a while, then looked at Wu Feifan with a smile, and said, "Extraordinary. Although even the construction workers here know about the bet between Lu Qingfeng and Mr. Lin, they should I won't be idle, I will post this news on the Internet, and I'm still in a place like Bobo.

Tell me honestly, did you post this on the Internet? Of course, I am not blaming you, but rather curious. After all, the person who exposed the news also revealed some details that are not good for Lu Qingfeng. "

Pan Ligu's guess is not unreasonable.

After all, it is well known throughout the Internet that no matter how thick-skinned Lu Qingfeng is, he should be more restrained and has to accept the fact that he lost the bet.

If you are really shameless, you will definitely be ridiculed by the entire network.

So in this matter, from beginning to end, the biggest beneficiary is naturally Wu Feifan.

So Pan Ligu had to suspect that Wu Feifan did it.

Hearing this, Wu Feifan suddenly smiled bitterly: "Director Pan, this matter really has nothing to do with me. These days I have stayed in the room and cut off any connections and networks in order to run the script lines of the male one. An Feel at ease, just practice there. I didn't know about this until this morning."

Pan Ligu nodded, but he believed Wu Feifan's words. Wu Feifan's hard work these days, he saw it in his eyes.

At this time, Yin Suyan just shook his head and smiled. To her, no matter who revealed the news, it didn't matter at all. What she cares about is that the male one is not Lu Qingfeng.

After all, as a female one, she plays the most part in a play with a male one.

What's more, she has no thoughts now, thinking about other things. In fact, the whole mind was still stuck last night, when Lin Kai took the initiative to give her a hug.

Yan Xin was also there, and said: "Director Pan, don't go into this matter. Anyway, if this matter is exposed, it will be exposed. And it's not a negative impact. On the contrary, for our movie, It has made a lot of popularity. In the past two days, because of him, our movies have been frequently searched."

Yan Xin had already changed his previous mistakes, and had no illusions about the role of the female one. It would be nice to be a female second in a down-to-earth manner. Otherwise, the tragedy of Lu Qingfeng would happen to her. What's more, she is currently only a second female, if she is like Lu Qingfeng, she would not even be a second female.

But at this moment, as soon as Yan Xin's words fell, Lu Qingfeng calmly walked into the dressing room.

When Lu Qingfeng came, he first greeted Pan Ligu and Yin Suyan, but as for the others, he ignored them.

Then Lu Qingfeng looked at an idle makeup artist and ordered: "Give me the make-up for the male one, and the costumer, you can prepare me for that blue robe."

Lu Qingfeng saw it, and a dresser took out the blue robe of the male one.

Knowing Wu Feifan, he would wear this cyan robe for the trial shot.

Lu Qingfeng simply faced Wu Feifan **** for tat, and also wore that blue robe.

Whether it was a makeup artist or a costumer, they were stunned when they heard Lu Qingfeng's words.

Because Wu Feifan is currently applying Male One's makeup, and the clothes he prepares are also Male One's.

Obviously, Wu Feifei is a test shot for the male one role.

The two of them are not good at rejecting it directly. How to say, Lu Qingfeng is a big star, and his status is far apart. So the two had to look at Pan Ligu, and the director decided.

When Pan Ligu saw this scene, he looked at Lu Qingfeng, and said lightly: "Lu Qingfeng, I gave you the script lines of the second male second a few days ago, so you can study and ponder it. It just happens that today is a trial shooting, so you can try it. The role of the second man. Dont refuse, you and Mr. Lin bet, according to the betting agreement, your loss is a certainty, so you should fulfill this bet."

Lu Qingfeng's face sank. Although he already knew that someone would ask him this way, he didn't expect it to be Pan Ligu who said so directly.

But Lu Qingfeng couldnt take care of anything. He sat down in front of the dressing table, then said to Pan Ligu, "Director Pan, what you said. Did you forget that I signed the contract? Im a male. One, then I am the male one."

Pan Ligu frowned immediately. Although he said earlier that there is a treaty in the contract, if it appears to bring negatives to the crew or the film, he has the right to void the contract.

But the difficulty is that you have to ask a lawyer to investigate and collect evidence.

At that time, Lu Qingfeng must also hire a lawyer, and it will become a lawsuit.

The lawsuit lasts for at least a few months to a year or two. Pan Liguó is naturally rich and can afford it, but filming must be delayed.

This movie cannot be delayed, so much so that I want to use this method, unless I delay filming.

Originally, Pan Liguó believed that Lu Qing Summit was acquainted, after all, this news was everywhere on the Internet.

How could I think that Lu Qing Summit was so shameless and violated the gambling agreement with Lin Kai.

If you change it, Lu Qingfeng and others bet, Pan Liguó might be hindered by the face of a top traffic star like Lu Qingfeng, standing at the angle of Lu Qingfeng, and going over like muddy mud.

However, Lu Qingfeng is betting with Lin Kai that Lin Kai is not only a wholly-owned investor in the film, but also his lifesaver.

For any reason, Pan Liguó can unconditionally support Lin Kai.

Although Lu Qingfeng is a top traffic star, Pan Liguó himself, a great director, is not afraid to offend Lu Qingfeng.

Besides, now, Lu Qingfeng is against Lin Kai.

If he helped Lu Qingfeng, it would offend Lin Kai.

How could Pan Liguó offend Lin Kai? The current attitude of Lu Qingfeng is to make it clear that he will continue to play the male one.

He didn't know what to say for a while.

As the so-called authorities are fans, the onlookers are clear, Pan Liguó was said by Lu Qingfeng that he could not think of the key points.

As the biggest beneficiary of this matter, that is Wu Feifan, who has always kept a clear head.

Now that Lu Qingfeng said this, Wu Feifei couldn't help but smile and say: "Director Pan, you have overlooked one thing. This contract can actually be changed, because we signed the contract more than a month ago. Back then. In the investors company, now that the investors company no longer invests, the contract is naturally entitled to void. Now that it is changed to a new investor, the contract can be changed."

As soon as Wu Feifan's words fell, Lu Qingfeng's face changed wildly.

Immediately, Lu Qingfeng pointed at Wu Feifan and yelled: "Wu Feifan! You shut up!"

Lu Qingfeng couldn't think of any reason to refute, so he had to shout incompetently and furiously.

Wu Feifan smiled immediately: "Lu Qingfeng, I didn't say anything, I was just telling a fact. What's more, you took the initiative to bet against Mr. Lin at that time. No wonder others, right?"

Chapter 1530: Zhao Changyun

Chapter 1530: Zhao Changyun

When Pan Liguó heard Wu Feifan's words, his eyes were bright, and he had to say that Wu Feifan was right.

So, he opened his mouth and said: "Lu Qingfeng, you heard it too, it's your own self-conceit. Since you have lost the bet, you have to surrender and be the second male number. Otherwise, if you offend Mr. Lin, , Let alone the second male, you don't have to consider participating in this movie."

Pan Liguó was also right. He understood some of Lin Kai's character. Lu Qingfeng insisted on going down. It is very likely that Lin Xiaofeng would directly let Lu Qingfeng roll.

In other words, Lu Qingfeng is his original role. At that time, because of the investors, he had to hire Lu Qingfeng, a top traffic star.

Although traffic stars do not have acting skills, their popularity is there.

Because the investors at that time valued this kind of traffic star, Pan Liguó couldn't just invite it.

Now he has changed investors, but he invited Lu Qingfeng back then, thinking that if he can leave Lu Qingfeng, he will leave Lu Qingfeng.

However, Lu Qingfeng didn't understand Pan Liguó's affection at all, and suddenly sneered: "You want me to stay? Except for me to play the male one, other roles are not qualified for me to play!"

The implication is that if you don't give the role of male one, you won't play it.

In his opinion, with his status and popularity in the entertainment industry, he is even worse than Yin Suyan.

Among today's male stars, his popularity is one of the top ones.

So Lu Qingfeng believes that he still has a bargaining chip.

Especially when Pan Liguó said that, he believed that he still had great value, which made it difficult for Pan Liguó to make a choice.

And at this time, Lu Qingfeng thought of the words of the previous fat sister, and then continued: "Tell you the truth, Lin Kai is up to you. My company has already talked to a big man, don't talk about Lin Kai, I Dare to say, even the boss of Leiyuan Group, in front of this big man, shakes a few times.

That big man will contact Lin Kai immediately and let the conflict between Lin Kai and me mediate. Lin Kai will definitely agree to that big man, and then I will continue to play the male one. Director Pan, you guys don't go against me, lest you will be embarrassed. "

Lu Qingfeng said confidently.

This made Wu Feifan suddenly lose the bottom line: "Lu Qingfeng, what are you saying is true?"

Wu Feifan sighed again. It is very likely to be true. After all, the economic company behind Lu Qingfeng is not simple. In the early days of the domestic entertainment industry, the economic company behind Lu Qingfeng had been established and quickly occupied most of the market.

At that time, it could be said that it was at the dominant level, with various personal connections.

Although it has fallen a bit now and has flooded into many large entertainment companies, it is still one of the largest domestic entertainment companies.

Relying on the previous contacts, it is indeed possible for a big man to talk with Lin Kai.

Wu Feifan has been in the East China Sea for several days, how could he not know about Leiyuan Group.

Leiyuan Group is the dominant group in the East China Sea, the top group in the entire province, even such a large group is afraid of that big man, let alone Lin Kai.

Thinking of this, Wu Feifan was very disappointed. The past few days has been like a roller coaster ride, and now it seems to be back to the original point.

Seeing the expressions of the people, Lu Qingfeng immediately became proud, and then looked at Wu Feifan, and sneered: "Wu Feifan, quickly take off the cyan robe on you and take it off for me! I will be wearing this male one later. Costumes, try filming the male first role! As for you, you should act as the male second! Otherwise, I will tell the big man to tell Lin Kai that you will play a supporting role directly!"

Hearing Lu Qingfeng said so arrogantly, Wu Feifan's face was very ugly, he didn't say much, and silently took off his cyan robe.

He sighed again in his heart, and waited for Lin Kai to come to see what was going on.

It's not clear now, the specifics, if you don't offend Lu Qingfeng, you may really only play a small supporting role. He was just a backgroundless person and no economic company. He relied entirely on his own martial arts skills and good acting skills. This was how Pan Ligu met him.

Yin Suyan frowned slightly when she saw this scene. She had already put on her makeup. She walked out of the dressing room and immediately dialed Lin Kai's phone.

Soon, Lin Kai picked it up.

At this moment, Lin Kai was still on the road to the western suburbs of the city. He used a Bluetooth headset and answered the phone: "Su Yan, what's the matter? I'm still on the way."

Since the hug last night, Lin Kai and Yin Suyan's relationship has become closer.

Yin Suyan smiled and said, "I know you are still on the road, but I still have something to tell you in advance. Just now, Lu Qingfeng and Wu Feifan had a quarrel about who played the role of the male one male two. Lin Kai, does this bet count? Lu Qingfeng lost, did he come up according to the betting contract, or not count, let him continue to be the first man?"

Hearing Yin Suyan's question, Lin Kai was taken aback for a while, and said, "Didn't you say yes yesterday? That bet is of course counted. Director Pan also agreed. Did Wu Feifan come to try out this male one today?"

Immediately, Yin Suyan told Lin Kai listen to what Lu Qingfeng said not long ago, such as big people.

After Yin Suyan finished speaking, he then asked Lin Kai: "Lin Kai, what big man, did you find you?"

Lin Kai responded immediately: "I don't know about this, and there is no big problem for me. I am almost behind the mountain range. After I go there, talk to Lu Qingfeng."

Lin Kai is also telling the truth. He is the owner of the Ninth Mountain of Jiulong Mountain. His status and status are scary enough. The most important thing is that his own strength is very strong.

Yin Suyan said again: "If Lu Qingfeng is still unwilling, what should I do?"

Lin Kai jokingly said, "If he doesn't want to, he can only let him **** fist."

Yin Suyan suddenly laughed and couldn't help but said, "I know how to fight and kill, but I agree with the guy who beat Lu Qingfeng."

Lin chuckled, Yin Suyan's own character is that kind of disagreement, let alone fighting.

It can be seen how disgusting Lu Qingfeng is there.

After that, Lin Kai and Yin Suyan had a few more conversations, and Lin Kai hung up the phone. He has already entered the area of the western suburbs of the city. After driving for another ten or twenty minutes, he will reach the back of the mountain range.

It's just that he just finished hanging up the phone and the phone rang again.

Lin Kai couldn't help picking it up.

Just listening to the opposite, a very strange man's voice came: "Lin Kai, my name is Zhao Changyun, I have met you once. I was sitting in the VIP seat at No. 1, and you were just sitting in the ordinary seat. If it weren't for me, you wouldn't even be able to sit in a regular seat. You should know me, right?"
